ELECTRONIC EQUIPMENT DEVELOPMENT ...Geophysical Analysis, Groundwater Movement, Technique Development, Transducers, ...7.0021

Transducers

OIL SLICK ANALYSES ...Aircraft, Instrumental Services, Oil, Optical Devices, Satellites, ...6.0275

DEVELOPMENT AND EVALUATION OF IMPROVED TECHNIQUES TO MEASURE WATER-CONTENT OF SNOW ...Composition, Instrumental Services, Moisture Meters, Other Telemetry, Technique Development, ...7.0103

A CONTINUOUS MULTIPARAMETER WATER QUALITY MONITOR ...Analyzing, Instrumental Services, Mobile, Recording Systems, Water Quality-general, ...7.0006

IMPROVE PRECIPITATION MEASURING EQUIPMENT - PRESSURE TRANSDUCER ANALYSIS ...Automatic Stations, Gages, Instrumental Services, ...2.0590

IMPROVE PRECIPITATION MEASURING EQUIPMENT - HYDROLOGIC EQUIPMENT IMPROVEMENT ...Atmospheric Pressure, Data Acquisition Systems, Gages, Instrumental Services, Technique Development, ...7.0051

ELECTRONIC EQUIPMENT DEVELOPMENT ...Geophysical Analysis, Groundwater Movement, Switches, Technique Development, ...7.0021

DENVER MULTIPHASE FLOW ...Analog Computers, Infiltration, Instrumental Services, Internal Water Movement, Unsaturated Flow, ...2.0192

Electrical Engineering-general

REACTOR SWITCHING DUTY EVALUATION ...Evaluation Other, Power Transmission, Relay Circuits, Switching, ...8.0121

HIGH-VOLTAGE D-C TRANSMISSION INVESTIGATIONS ...Ac-dc, De-ac, Digital Computers, Power Regulator, Power Transmission, Silicon-controlled-rectifiers, ...8.0054

POWER TRANSMISSION STRUCTURES, NEW TYPES ...Electric Power Plants, Power Transmission, Public Utilities, Structural, Transmission Lines, ...8.0120

HIGH-VOLTAGE A-C TRANSMISSION ...Analog Computers, Development of Models, Digital Computers, Power Transmission, Switching, ...3.0056

CIRCUIT BREAKER RESEARCH ...Circuit Breaker, Electric Power Plants, Evaluation Other, Power Transmission, Switching, ...8.0052

Electrical Field

Electrodes

ELECTRICAL EARTH RESISTIVITY SURVEYS ...Clastic Aquifers, Electric Logging, Geophysical Analysis, Groundwater, Illinois, ...7.0033

Electrical Materials

INSULATING MINERAL OILS AND SYNTHETIC LIQUIDS AND LUBRICATING OILS ...Liquid Lubricants, Lubricants and Fluids - Other, Oxidation, Standards, Specifications, Test Methods, ...8.0059

Electrical Properties

CHARACTERIZATION OF CELLULOSE ACETATE MEMBRANES AND ULTRATHIN FILMS FOR REVERSE OSMOSIS ...Desalination, Film, Membranes, Membranes-other, Natural Occurring, Reverse Osmosis, ...3.0362

Electroanalyses

Amperometry

ELECTROANALYTICAL CHEMISTRY - STUDIES OF ADSORPTION AND REDOX PROCESSES AT ELECTRODES ...Analysis and Detection, Electrolytes, Oxidation Reduction, Polarography, Surfactants, ...5.0440

Chronopotentiometry

APPLICATION OF MODERN ELECTROANALYTICAL TECHNIQUES TO THE ANALYSIS OF HEAVY METALS IN WATER ...Analysis and Detection, Heavy Elements, Mineralization, Polarography, Trace Analyses-other, ...1.0040

Conductrometry

AN ANALYSIS OF PHOSPHORUS AND NITROGEN COMPOUNDS IN TIDAL MARSHLAND DRAINAGE - LABORATORY PROCEDURES ...Colorimetric, Computers-general, Management, Nitrogen, Phosphate, Phosphite, Swamps-marshes, ...1.0024

Coulometry

DEVELOPMENT OF A COULOMETRIC METHOD FOR THE MEASUREMENT OF DISSOLVED OXYGEN IN SEA WATER ...Analysis and Detection, Electrolytic, Gases, Oxygen, Technique Development, ...2.0914

PROCEDURES FOR TRACE ANALYSIS OF DISSOLVED INORGANIC AND ORGANIC CONSTITUENTS IN WATER ...Atomic Absorption, Extraction, Titrimetry-other, Trace Analyses-other, ...5.0442

Electroanalyses-other

DETERMINATION OF OXYGEN IN SEA WATER ...Chemical Analysis, Gases, Oxygen, Salt, ...1.0009

ION SELECTIVE ELECTROCHEMICAL SENSORS ...Brackish Water, Brines, Detectors and Sensors, Electrode, Technique Development, ...5.1166

DIFFUSION OF OXYGEN ACROSS THE MUD-WATER INTERFACE IN AQUATIC ENVIRONMENTS ...Aquatic Environments, Diffusion-other, Ions and Gases, Oxygen, ...2.0797

GEOCHEMICAL CONTROLS OF WATER QUALITY ...Chemical Analysis (water), Equilibrium-other, Properties of Minerals, Reaction-general, Solution Chemistry, ...2.0115

NITRATE DETERMINATION USING CHROMIUM (II) COMPLEXES ...Chromium, Complexes, Nitrate, Nitrite, Other, Reduction-other, ...1.0121

Polarography

OXYGEN STATUS OF SOIL AIR AND SOIL WATER AS INFLUENCED BY OXYGEN TRANSFER THROUGH THE SOIL PROFILE ...Activation Analysis, Moisture-other, Oxygen, Soil Chemical Properties, Soil Environment, ...2.0248

APPLICATION OF MODERN ELECTROANALYTICAL TECHNIQUES TO THE ANALYSIS OF HEAVY METALS IN WATER ...Analysis and Detection, Chronopotentiometry, Heavy Elements, Mineralization, Trace Analyses-other, ...1.0040

DEVICE FOR FIELD DETERMINATION OF HEAVY METALS IN NATURAL WATERS ...Chemical Analysis (water), Electrode, Heavy Elements, Ions and Gases, Metals, ...7.0032

ELECTROANALYTICAL CHEMISTRY - STUDIES OF ADSORPTION AND REDOX PROCESSES AT ELECTRODES ...Amperometry, Analysis and Detection, Electrolytes, Oxidation Reduction, Surfactants, ...5.0440

Electroanalyses

Potentiometry

- WATER RESEARCH PROGRAM - SECTION I, PROPERTIES OF SOLUTIONS ...Colloidal Phenomena, Distribution Coefficient, Membranes-other, Salts, Transport, Vapor, ...**1.0115**
- AUTOMATED POTENTIOMETRIC TECHNIQUES FOR THE ON-SITE MONITORING OF ANION CONCENTRATIONS IN WATER ...Analysis and Detection, Automatic Systems, Electrode, Nitrate, Nitrite, Technique Development, ...**5.0676**
- DISSOLVED OXYGEN DETERMINATION IN NATURAL AND WASTE WATERS ...Chemical Analysis (water), Ions and Gases, Oxygen, Technique Development, Voltammetry, ...**5.0553**

Voltammetry

- DISSOLVED OXYGEN DETERMINATION IN NATURAL AND WASTE WATERS ...Chemical Analysis (water), Ions and Gases, Oxygen, Potentiometry, Technique Development, ...**5.0553**

Electrochemistry

Electrochemistry-other

- INFLUENCE OF STRONGLY BOUND COUNTER-IONS ON PERMSELECTIVE MEMBRANES ...Crosslinking, Ion Selective, Van Der Waals, ...**3.0227**
- THREE BASIC PROBLEMS IN FLUID MECHANICS EVAPORATIVE CONVECTION, ELECTRO-OSMOSIS, INTERNAL WAVES ...Flow Characteristics -water, Fluid Dynamics, Internal Waves, Photography, Reverse Osmosis, Wave Motion in Fluids-other, ...**3.0074**
- ELECTROSORPTION AND DESORPTION PROCESS FOR DEMINERALIZATION ...Adsorption-other, Demineralization, Desalination, Industrial Operation-other, Membranes-other, ...**5.0014**
- A STUDY OF THE EFFECTS OF SURFACE POTENTIAL ON SCALE FORMATION ...Crystal Growth, Desalination, Metals, Nucleation, Scale Formation, ...**3.0080**
- EVALUATION OF AN ELECTROCHEMICAL DESALINATION PROCESS FOR BRACKISH WATER ...Brackish Water, Desalination, ...**3.0396**
- MICROFLOTATION AND FLOCCULATION OF NATURAL COLLOIDAL SYSTEMS ...Adsorption, Colloidal Phenomena, Flocculation, Flotation, Microbial-bacterial, ...**5.0790**
- ELECTROCHEMICAL DEMINERALIZATION OF BRACKISH WATER ...Demineralization, Desalination, Electrode, Ion Exchange-other, Regeneration-other, ...**3.0039**
- RESEARCH ON NEW ION-ADSORPTION ELECTRODES FOR DEMINERALIZATION OF SALINE WATER ...Desalination, Electrode, Graft - Polymerization, Organic, Oxidation Reduction, Removal-inorganics, ...**3.0363**
- THE ELECTROSORB PROCESS FOR DESALTING WATER ...Adsorption-other, Carbon, Desalination, Electrode, ...**3.0102**
- THE ELECTROSORB PROCESS FOR DESALTING WATER ...Adsorption-other, Carbon, Desalination, Electrode, ...**3.0104**
- CATALYTIC OXIDATION OF ORGANIC COMPOUNDS IN WASTE WATERS ...Chemical Treatment-general, Electrolytic, Heterogeneous Catalysis Organics, ...**5.0332**
- AN ELECTROCHEMICAL METHOD FOR REMOVAL OF PHOSPHATES FROM WASTEWATERS ...Electrode, Phosphate, Phosphite, Waste Treatment-economics, ...**5.0523**
- APPLICATIONS OF POWDERED MAGNETIC IRON OXIDE FOR THE REMOVAL OF PATHOGENIC MICROORGANISMS ...Adsorption-absorption-other, Electric Field, Magnetic, Spinel Group, Virus, ...**5.0400**
- TREATMENT RECOVERY, AND REUSE OF COPPER WIRE MILL PICKLING WASTES ...Copper, Electrolytic Processes, Material Recovery Wastes, Metal Pickling Wastes, Regeneration-other, ...**5.0722**

Electrodialysis

- OPTIMAL DESALINATION SYSTEMS ...Desalination, Evaporation, Optimization, Optimization Technique, Reverse Osmosis, ...**3.0241**
- DEVELOPMENT OF ADVANCED TRANSPORT DEPLETION PROCESSES ...Brackish Water, Desalination, Ion Selective, Pilot Plant, ...**3.0002**
- DEMINERALIZATION BY FORCED-FLOW ELECTRO-DESALINATION ...Demineralization, Desalination, Fluid Flow-other, Ion Selective, Porosity, Screening, ...**3.0003**
- STUDY OF MASS TRANSFER THROUGH MEMBRANES ...Desalination, Lasers, Membranes-other, Polarization, Reverse Osmosis, ...**3.0035**

SUBJECT INDEX

- MOSAIC MEMBRANES FOR DESALINATION ...Desalination, Mosaic, Reverse Osmosis, ...**3.0373**
- A STUDY OF THE BENEFITS OF PLASTIC MATERIALS IN DESALINATION PLANTS ...Desalination, Distillation-other, Freezing, Plastics - General, Reverse Osmosis, ...**3.0153**
- DEVELOPMENT OF A 50,000 GALLON PER DAY NELLEN STACK ELECTRODIALYSIS MODULE ...Brackish Water, Cost Analysis, Desalination, Membranes-other, Waste Treatment-economics, ...**3.0150**
- HYDRODYNAMIC STUDIES FOR ELECTRODIALYSIS ...Membranes-other, Pilot Plant, ...**5.0121**
- DEVELOPMENT OF NEAR NEUTRAL MEMBRANES FOR USE IN TRANSPORT DEPLETION SYSTEM ...Desalination, Ion Selective, Natural Occurring, ...**3.0321**
- EVALUATION OF INORGANIC MEMBRANES FOR ELECTRODIALYSIS OF BRACKISH WATERS ...Desalination, Ion Exchange-other, Membranes-other, Stability, Surfactants, ...**3.0209**
- THE ELECTROHYDRODYNAMICS OF ELECTRODIALYSIS SYSTEMS ...Desalination, Fluid Dynamics, Ion Selective, ...**3.0280**
- CONCEPTUAL DESIGN STUDY FOR ELECTRODIALYSIS ...Cost Analysis, Desalination, Marketing, Membranes-other, Water, ...**3.0210**
- STUDIES OF MEMBRANE PHENOMENA - PREPARATION OF NEW ELECTRODIALYSIS MEMBRANES ...Ion Selective, Olefins, Organic, Polarization, ...**3.0350**
- CONSTRUCTION AND DEVELOPMENT OF SPIRAL DESIGN ELECTRODIALYSIS MODULE ...Desalination, Membranes-other, Pilot Plants, ...**3.0154**
- PARAMETRIC ECONOMIC AND ENGINEERING EVALUATION STUDY OF THE ELECTRODIALYSIS PROCESS ...Cost Analysis, Desalination, Other, Survey Studies, ...**3.0101**
- PARAMETRIC ECONOMIC AND ENGINEERING EVALUATION STUDY OF THE ELECTRODIALYSIS PROCESS ...Brackish Water, Cost Analysis, Desalination, Other, Pilot Plant, ...**3.0270**
- IMPROVEMENT OF ECONOMICS OF ELECTRODIALYSIS SYSTEMS BY SELECTIVE PRETREATMENT ...Brackish Water, Cost Analysis, Desalination, Ion Selective, Other, Waste Water Pre-treatment, ...**3.0407**
- CONCEPTUAL DESIGN STUDY ON ELECTRODIALYSIS MEMBRANE ASSEMBLY MODULAR UNIT DESIGN ...Cost Analysis, Desalination, Membranes-other, Pilot Plant, Potable, ...**3.0228**
- CONCEPTUAL DESIGN STUDY FOR ELECTRODIALYSIS ...Cost Analysis, Gasket Materials, Membranes-other, Polarization, Saline Conversion, ...**3.0285**
- IMPROVED ION EXCHANGE POLYMERS AND MEMBRANES FOR ELECTRODIALYSIS OF SALINE WATER ...Copolymers, Ion Exchange-other, Membranes-other, Other, ...**3.0395**
- STUDIES OF MEMBRANE PHENOMENA - PREPARATION OF NEW ELECTRODIALYSIS MEMBRANES ...Copolymers, Desalination, Membranes-other, Organic, ...**3.0351**
- BRACKISH WATER PURIFICATION BY BIOLOGICAL FUEL CELL POWERED ELECTRODIALYSIS ...Biological, Brackish Water, Cellulose Acetate, Desalination, Water Costs, ...**5.0704**
- ORGANIC DECOMPOSITION AT POISED O-R POTENTIAL LEVELS ...Anaerobic, Digestion, Membranes-other, Saturated Hydrocarbons, ...**5.0550**
- OPTIMAL DESIGN OF WASTE TREATMENT SYSTEMS ...Activated, Biological Treatment-other, Optimization, Oxidation-general, Process Design, ...**8.0202**
- RECLAMATION OF BIOLOGICALLY, MECHANICALLY & CHEMICALLY TREATED WASTEWATER FOR POTABLE WATER SUPPLY USES (ABBREV) ...Activated Carbon, Chlorination, Ion Exchange-other, Risk & Uncertainty, Waste Water Pre-treatment, ...**5.0159**
- DEMINERALIZATION OF WASTEWATER BY THE TRANSPORT-DEPLETION PROCESS ...Demineralization, Process Design, Sewage Treatment Plant, Waste Treatment-economics, Waste Water Pre-treatment, ...**5.0015**
- MATHEMATICAL MODEL OF THE ELECTRODIALYSIS PROCESS FOR ADVANCED WASTE TREATMENT ...Mathematical Analysis, Process Design, Waste Water Treatment-general, ...**5.0531**
- PRELIMINARY FEASIBILITY AND ECONOMICS OF DESALTING BRACKISH WATERS IN CANDIDATE AREAS OF WEST TEXAS ...Cost Analysis, Desalination, Flash Distillation, Freezing, Reverse Osmosis, Water Costs, ...**3.0443**
- PROGRAM FOR ELECTRODIALYSIS RESEARCH AND DEVELOPMENT ...High, Membranes-other, Other, ...**3.0116**

SUBJECT INDEX

Electronic Technical Services

VALUE OF DESALTED WATER FOR IRRIGATION ...Brackish Water, Desalination, Irrigation-general, Saline Soils, Water Costs, ...3.0128

ENGINEERING ANALYSIS OF WASTE TREATMENT ...Activated Carbon, Development of Models, Digital Computers, Optimization, Sewerage Systems-other, ...5.0861

CONTROL OF MINERAL CONSTITUENTS IN WASTE WATER BY ELECTRODIALYSIS ...Activated Carbon, Membranes-other, Organics, Solid Waste, Waste Treatment-economics, ...5.0845

ELECTRODIALYSIS TREATMENT OF SECONDARY EFFLUENT ...Activated Carbon, Demineralization, Pollutant-other, Recycle, Waste Treatment-economics, ...5.0896

REMOVAL OF SUSPENDED SOLIDS AND PHOSPHATE FROM A SECONDARY EFFLUENT BY ALUM COAGULATION AND DUAL MEDIA FILTRATION ...Filter-other, Ion Exchange-other, Reverse Osmosis, Sedimentation, Waste Treatment-economics, ...5.0848

SINGLE STAGE LIME TREATMENT WASTEWATER ...Concentration, Demineralization, Filter-other, Precipitation, Sedimentation, ...5.0897

EXPLORATORY STUDIES ON SIMPLIFYING DISPOSAL OF FOOD PROCESSING WASTES ...Activated Carbon, Canning Wastes, Ion Exchange-other, Other, Regeneration-other, Reverse Osmosis, ...5.0057

Electrophoresis

Other

ELECTROPHORETIC CLARIFICATION OF WATER ...Bacterial Pollutant Sources, Colloidal Phenomena, Desalination, Pesticides-non-specific, Tertiary Treatment, Waste Water Treatment-general, ...5.1157

THE REMOVAL OF IMPURITIES IN TRICKLING FILTER EFFLUENTS ...Coagulation, Colloidal Phenomena, Secondary Treatment, Tertiary Treatment, Trickling, ...5.1106

EXPLORATORY STUDIES ON SIMPLIFYING DISPOSAL OF FOOD PROCESSING WASTES ...Activated Carbon, Canning Wastes, Electrodialysis, Ion Exchange-other, Regeneration-other, Reverse Osmosis, ...5.0057

Electromechanical Design

INSTRUMENTATION DEVELOPMENT FOR HYDROLOGIC DATA COLLECTION ...Field Testing, Instrumental Services, Instrumentation-general, Technique Development, ...7.0089

Electronic Evaluations

Evaluation Other

EVALUATION OF HYDROLOGIC INSTRUMENTATION ON MAYNARD CREEK WATERSHED ...Data Acquisition Systems, Data Processing Services, Montana, ...7.0073

TEST AND EVALUATION OF FLASH FLOOD ALARM SYSTEM ...Field Studies, Field Testing, Flash Floods, Laboratory Analysis, Warning-systems, ...7.0110

REACTOR SWITCHING DUTY EVALUATION ...Electrical Engineering-general, Power Transmission, Relay Circuits, Switching, ...8.0121

RELAY, CONTROL, AND METERING CIRCUIT INVESTIGATIONS ...Control, Power Transmission, Relay Circuits, ...8.0122

UNDERGROUND TRANSMISSION AND EQUIPMENT DIELECTRICS--SOLID, LIQUID, AND INERT GAS ...Cables and Transmission Lines, Electric Power Plants, Field Testing, Insulators, Power Transmission, ...8.0123

CAPACITOR SWITCHING DUTY EVALUATION ...Capacitors, Control, Field Testing, Switching, Switching Circuits, ...8.0055

CIRCUIT BREAKER RESEARCH ...Circuit Breaker, Electric Power Plants, Electrical Engineering-general, Power Transmission, Switching, ...8.0052

COORDINATION OF PLANT FREQUENCY, D-C-TRANSMISSION AND SYSTEM CONTROL ...Ac-dc, Electric Power Plants, Other Generators, Power Conditioner, Power Transmission, ...8.0126

Field Testing

TEST AND EVALUATION OF FLASH FLOOD ALARM SYSTEM ...Evaluation Other, Field Studies, Flash Floods, Laboratory Analysis, Warning-systems, ...7.0110

INSTRUMENTATION DEVELOPMENT FOR HYDROLOGIC DATA COLLECTION ...Electromechanical Design, Instrumental Services, Instrumentation-general, Technique Development, ...7.0089

FIELD TESTS OF POWER TRANSMISSION EQUIPMENT ...Colorado River, Power Transmission, Relay Circuits, Switching, Transmission Lines, ...8.0036

UNDERGROUND TRANSMISSION AND EQUIPMENT DIELECTRICS--SOLID, LIQUID, AND INERT GAS ...Cables and Transmission Lines, Electric Power Plants, Evaluation Other, Insulators, Power Transmission, ...8.0123

CAPACITOR SWITCHING DUTY EVALUATION ...Capacitors, Control, Evaluation Other, Switching, Switching Circuits, ...8.0055

Electronic Technical Services

Data Processing Services

OPERATIONAL HYDROMETEOROLOGICAL DATA MANAGEMENT SYSTEM ...Economics-business-management, Information Retrieval Methods, Management-general, Other Data Analysis, Southern, Streams, System Development, ...7.0011

EVALUATION OF HYDROLOGIC INSTRUMENTATION ON MAYNARD CREEK WATERSHED ...Data Acquisition Systems, Evaluation Other, Montana, ...7.0073

Instrumental Services

MARINE OIL-WATER MONITORING INSTRUMENTATION SYSTEM SUBGROUP V ...Detectors, Industrial Waste-other, Infrared, Infrared Radiation, Oil, Oil - Technological Testing, ...5.0336

TEST SITE INSTRUMENTATION ...Electronics - Applied, Instrumentation-general, Surface Environments, ...6.0271

OIL SLICK ANALYSES ...Aircraft, Oil, Optical Devices, Satellites, Transducers, ...6.0275

INFRARED IMAGER STUDIES ...Detectors, Geophysical Equipment, Image Amp, Infrared Radiation, Mineralogy, ...6.0299

DEVELOPMENT AND EVALUATION OF IMPROVED TECHNIQUES TO MEASURE WATER-CONTENT OF SNOW ...Composition, Moisture Meters, Other Telemetry, Technique Development, Transducers, ...7.0103

DIGITAL INSTRUMENTATION AND TELEMETRY FOR WATER RESOURCES RESEARCH ...Automatic Data Acquisition, Digital Computers, Electronics - Applied, ...7.0072

INTERNAL WATER STATUS OF PLANTS ...Dielectric Parameters, Plant Water Use-other, Refractometry, Technique Development, Translocation, ...2.0722

A CONTINUOUS MULTIPARAMETER WATER QUALITY MONITOR ...Analyzing, Mobile, Recording Systems, Transducers, Water Quality-general, ...7.0006

WATER QUALITY TELEMETRY ...Automatic Data Acquisition, Benefit-cost Analysis, Other Telemetry, Water Quality-general, ...5.1197

SYSTEM MONITORING AND REMOTE CONTROL ...Automatic Data Acquisition, Effluents-waste Water, Gages, Other Telemetry, Physical Parameters, ...5.0559

SACRAMENTO-SAN JOAQUIN DELTA ANALOG MODEL STUDIES ...Analog Computers, Deltas, Electronics - Applied, Model Studies, Sacramento River, ...7.0008

IMPROVE COMPONENTS OF THE DATA ACQUISITION SYSTEM - SATELLITE COMMUNICATIONS EQUIPMENT ...Automatic Data Acquisition, Data Acquisition Systems, Rain-general, Satellites & Deep Space Probes, Streams, ...7.0050

IMPROVE PRECIPITATION MEASURING EQUIPMENT - PRESSURE TRANSDUCER ANALYSIS ...Automatic Stations, Gages, Transducers, ...2.0590

IMPROVE PRECIPITATION MEASURING EQUIPMENT - HYDROLOGIC EQUIPMENT IMPROVEMENT ...Atmospheric Pressure, Data Acquisition Systems, Gages, Technique Development, Transducers, ...7.0051

DEVELOPMENT OF HYDROLOGIC EQUIPMENT ...Design, Instrumentation-other, Hydraulic Engineering-other, Hydrology-general, Instrumentation-general, Other Telemetry, ...7.0064

INSTRUMENTATION DEVELOPMENT FOR HYDROLOGIC DATA COLLECTION ...Electromechanical Design, Field Testing, Instrumentation-general, Technique Development, ...7.0089

DENVER MULTIPHASE FLOW ...Analog Computers, Infiltration, Internal Water Movement, Transducers, Unsaturated Flow, ...2.0192

INSTRUMENTATION FOR RESEARCH ...Doppler, Fluid Dynamics, Recording Systems, Turbulence, Velocity, ...7.0109

PROJECT SKYWATER - NEW MEXICO ...Automatic Stations, Gages, New Mexico, Other Telemetry, Snow-general, Technique Development, ...2.0203

Electronic Technical Services

PROJECT SKYWATER - COLORADO - STEAMBOAT SPRINGS
...Automatic Stations, Colorado, Gages, Other Telemetry, Snow-
general, ...2.0204

FISH GUIDING ...Animal Distr. (non-specific), Fish -non-specific,
Guidance, Management -other, Water Environment -other,
...8.0307

Electronics

Electric Circuits and Networks

Circuit Breaker

CIRCUIT BREAKER RESEARCH ...Electric Power Plants, Electrical Engineering-general, Evaluation Other, Power Transmission, Switching, ...8.0052

Control

RELAY, CONTROL, AND METERING CIRCUIT INVESTIGATIONS ...Evaluation Other, Power Transmission, Relay Circuits, ...8.0122

CAPACITOR SWITCHING DUTY EVALUATION ...Capacitors, Evaluation Other, Field Testing, Switching, Switching Circuits, ...8.0055

Network Synthesis

GEOHYDROLOGIC SYSTEM ANALYSIS WITH AN ELECTRIC ANALOG COMPUTER ...Analog, Analog Computers, Aquifers-general, Digital Computers, Groundwater, Induced Infiltration, Systems Analysis, ...2.0417

Relay Circuits

REACTOR SWITCHING DUTY EVALUATION ...Electrical Engineering-general, Evaluation Other, Power Transmission, Switching, ...8.0121

FIELD TESTS OF POWER TRANSMISSION EQUIPMENT ...Colorado River, Field Testing, Power Transmission, Switching, Transmission Lines, ...8.0036

RELAY, CONTROL, AND METERING CIRCUIT INVESTIGATIONS ...Control, Evaluation Other, Power Transmission, ...8.0122

Switching

REACTOR SWITCHING DUTY EVALUATION ...Electrical Engineering-general, Evaluation Other, Power Transmission, Relay Circuits, ...8.0121

FIELD TESTS OF POWER TRANSMISSION EQUIPMENT ...Colorado River, Field Testing, Power Transmission, Relay Circuits, Transmission Lines, ...8.0036

CAPACITOR SWITCHING DUTY EVALUATION ...Capacitors, Control, Evaluation Other, Field Testing, Switching Circuits, ...8.0055

HIGH-VOLTAGE A-C TRANSMISSION ...Analog Computers, Development of Models, Digital Computers, Electrical Engineering-general, Power Transmission, ...8.0056

CIRCUIT BREAKER RESEARCH ...Circuit Breaker, Electric Power Plants, Electrical Engineering-general, Evaluation Other, Power Transmission, ...8.0052

Electromagnetic Propagation

Microwave

VHF PROPAGATION THROUGH FRESH WATER AND ACROSS THE AIR-WATER INTERFACE ...Fish -non-specific, Telemetry, Transmitters, Very High Frequency, Water Properties-other, ...1.0129

Signal Analysis

Doppler

INSTRUMENTATION FOR RESEARCH ...Fluid Dynamics, Instrumental Services, Recording Systems, Turbulence, Velocity, ...7.0109

Solid State

Amplifiers

DEVELOPMENT OF ATMOSPHERIC LASER RADAR ...Humidity, Lasers, Lasers and Masers, Radar, Ruby, ...2.0194

Detectors

MARINE OIL-WATER MONITORING INSTRUMENTATION SYSTEM SUBGROUP V ...Industrial Waste-other, Infrared, Infrared Radiation, Instrumental Services, Oil, Oil - Technological Testing, ...5.0336

SUBJECT INDEX

INFRARED IMAGER STUDIES ...Geophysical Equipment, Image Amp, Infrared Radiation, Instrumental Services, Mineralogy, ...6.0299

Image Amp

INFRARED IMAGER STUDIES ...Detectors, Geophysical Equipment, Infrared Radiation, Instrumental Services, Mineralogy, ...6.0299

Switching Circuits

CAPACITOR SWITCHING DUTY EVALUATION ...Capacitors, Control, Evaluation Other, Field Testing, Switching, ...8.0055

Transmission Lines

FIELD TESTS OF POWER TRANSMISSION EQUIPMENT ...Colorado River, Field Testing, Power Transmission, Relay Circuits, Switching, ...8.0036

POWER TRANSMISSION STRUCTURES, NEW TYPES ...Electric Power Plants, Electrical Engineering-general, Power Transmission, Public Utilities, Structural, ...8.0120

Electronics - Applied

TEST SITE INSTRUMENTATION ...Instrumental Services, Instrumentation-general, Surface Environments, ...6.0271

APPLICATIONS STUDIES RELATED TO SEA SURFACE TEMPERATURE ...Other Sea Water Properties, ...6.0272

OCEANOGRAPHIC USES OF RADAR ...Aircraft, Radar, Surface Environments, Waves, Wind-water Interaction, ...6.0273

RADAR DATA ACQUISITION OVER OCEANOGRAPHIC TEST SITES ...Data Acquisition Systems, Icebergs, Optical, Radar, Surface Environments, Waves, ...6.0274

DEPTH CONTOURING BY COLOR SEPARATION ...Bathymetry, Marine Photography-television, Optical, Photogrammetry, Satellites, ...6.0276

CRATER LAKE VERTICAL TEMPERATURE PROFILES ...Lakes, Oregon, Radioactive Fallout, Temperature, Water Sampling, ...2.0101

(U) RADAR MEASUREMENT OF RAINFALL ...Radar, ...2.0423

DIGITAL INSTRUMENTATION AND TELEMETRY FOR WATER RESOURCES RESEARCH ...Automatic Data Acquisition, Digital Computers, ...7.0072

FEASIBILITY STUDY OF ELECTRICAL GEOPHYSICAL METHODS IN THE DETERMINATION OF SUBSURFACE HYDROGEOLOGIC ENVIRONMENTS IN SOUTH CAROLINA ...Electric Logging, Hydrology-general, Induction, Piedmont Province, Porosity-permeability, Water Table Fluctuation, ...2.0950

SACRAMENTO-SAN JOAQUIN DELTA ANALOG MODEL STUDIES ...Analog Computers, Deltas, Instrumental Services, Model Studies, Sacramento River, ...7.0008

REMOTE SENSING OF WATER VAPOR ...Humidity, Optics, Radio, Temperature, Turbulence-general, ...7.0015

Electrophoresis

Electrophoresis -other

FACTORS AFFECTING FISH PRODUCTION PONDS ...Blood Proteins -non-specific, Bluegills, Bream, Environmental Physiology, Protein, Purification and Isolation, ...6.0221

Encapsulation

ENCAPSULATION AND SOLIDIFICATION OF INTERMEDIATE LEVEL RADIOACTIVE WASTES IN THERMOPLASTICS ...Accidental, Fire Research-other, Instrumentation, Plant Equipment, Polymer-other, Radioisotopes, Recovery, Scrap and Wastes, ...5.1142

Endocrine System

Endocrine -other

SERUM ANALYSIS OF CUTTHROAT TROUT EXPOSED CHRONICALLY TO METHOXYCHLOR PESTICIDE EFFECTS ON FISH ENDOCRINE FUNCTIONS ...Blood Plasma and Serum, Cutthroat Trout, Methoxychlor, Mode of Action -animal, ...5.0629

THE CONSTITUENTS AND PHYSICO-CHEMICAL PROPERTIES OF SERUM FROM GOLD-FISH EXPOSED CHRONICALLY TO MALATHION AND ENDRIN ...Blood Plasma and Serum, Endrin, Goldfish, Malathion, Mode of Action -animal, ...5.0630

SUBJECT INDEX

Engineering Mechanics

Gonadotropins

EFFECTS OF MALATHION ON THE SEXUAL DEVELOPMENT OF MALE RAINBOW TROUT - PESTICIDE EFFECTS ON FISH ENDOCRINE FUNCTIONS ...Gonadotrophins, Malathion, Mode of Action -animal, Pollution - Effects of , Rainbow Trout, Steelhead Trout, ...5.0633

Thyroid

THYROID FUNCTION OF GOLDFISH AND RAINBOW TROUT EXPOSED CHRONICALLY TO MALATHION AND ENDRI - PESTICIDE EFFECTS ON FISH ENDOCRINE FUNCTIONS ...Endrin, Goldfish, Malathion, Mode of Action -animal, Rainbow Trout, Steelhead Trout, ...5.0631

Endrin X Biocid

INTERACTION OF ENDRI AND PROLACTING-INDUCED FAT SYNTHESIS IN THE PLAINS KILLFISH - PESTICIDE EFFECTS ON FISH ENDOCRINE FUNCTIONS ...Adipose, Killifish - Cyprinodon, Metabolism -animal, Photoperiod, ...5.0657

Energy Loss -water

SPATIAL BEHAVIOR OF ROUGHNESS IN LABORATORY WATERSHED, PHASE II ...Model Studies, Roughness, Runoff, Structure-size, Surface Flow, Synthetic Hydrology-general, ...2.0703

FLOW LOSSES IN AN EPHEMERAL STREAM CHANNEL ...Conservation-general, Ephemeral, Infiltration, Morphology-general, Open Channel Flow, Water Cycle, ...2.0178

PROTECTION OF ERODIBLE CHANNELS AND SURFACES WITH GRAVEL OR RIPRAP ...Canals, Channels, Engineering Structures-general, Flow Characteristics -water, Groundwater, Linings-pavings, Scouring, Seepage, ...8.0040

Engineering Mechanics

Analysis

Analysis-other

TURBULENT BOUNDARY LAYERS IN PRESSURE GRADIENTS ...Integrals, Laminar - Turbulent, Pressure Gradient, Separation, ...8.0181

Ultimate

HYDRAULIC AND STRUCTURAL DESIGN - SPILLWAYS AND OUTLET WORKS ...Concrete-other, Hydraulic Structures, Models, Spillways, ...8.0139

Deflection

PROTOTYPE ANALYSES - LOCK BEHAVIOR INVESTIGATION ...Concrete-general, Hydraulic Structures, Internal, Locks, Pressure-general, ...8.0256

Deformations

FLUID ELASTIC OPERATORS FOR UNDER-STREAMLINED STRUCTURES ...Compressible Fluid, Geometric Configuration, Hydraulic Equipment, ...2.0472

Forces and Loading

Axial

EFFECTIVENESS OF WEB REINFORCEMENT IN REINFORCED CONCRETE BEAMS SUBJECT TO AXIAL FORCES ...Beams - Bars, Moments, Reinforced, Shearing, Strength, ...8.0152

Dynamic-other

STRUCTURAL RESPONSE, DYNAMIC LOADS ...Computers-general, Earthquakes, Electric Power Plants, Industrial Structures, Other Computers, Rock Mechanics, ...8.0032

BEHAVIOR OF STRUCTURAL ELEMENTS OR MODELS UNDER TEMPERATURE AND DYNAMIC LOADS ...Earthquakes, Engineering Structures-general, Mechanical Vibrations-other, Model Studies, Structures-other, ...8.0100

EARTHQUAKE THEORY AS APPLIED TO DAMS AND APPURTENANT STRUCTURES ...Arch Dams, California, Earthquakes, Engineering Structures-general, ...8.0096

Moving

DYNAMIC PROPERTIES OF GRANULAR BASE MATERIALS IN SATURATED AND PARTIALLY SATURATED CONDITIONS ...Granular-general, Moisture Content, Pavement, Soil Dynamics, Soil Mechanical Properties, ...2.0305

Fracture Mechanics

EPOXY RESINS FOR CIVIL WORKS PROJECTS ...Concrete-other, Construction-other, Epoxies, Maintenance, Repairing, ...8.0248

EFFECTS OF CRACKING IN ARCH DAMS ...Analysis Structural, Arch Dams, Computers-general, Engineering Structures-general, Tensile, ...8.0092

REINFORCEMENT OF OPENINGS IN MASSIVE CONCRETE STRUCTURES ...Analysis Structural, Gravity Dams, Reinforced, Stress Concentration, Thermal, ...8.0093

Layered System

BEDDING AND INFILTRATION STUDIES OF SANITARY SEWERS IN THE GULF COAST AREA ...Appurtenances, Infiltration - Percolation, Pipe-laying, South Central, ...5.0461

Mechanical Vibrations

Linear

R.I.-LIQUEFACTION OF SAND DUE TO LONG TERM, SMALL AMPLITUDE VIBRATIONS ...Sand, Saturated-unsaturated, Shearing, Soil Dynamics, Soil Liquefaction, ...7.0045

Mechanical Vibrations-other

BEHAVIOR OF STRUCTURAL ELEMENTS OR MODELS UNDER TEMPERATURE AND DYNAMIC LOADS ...Dynamic-other, Earthquakes, Engineering Structures-general, Model Studies, Structures-other, ...8.0100

REVIBRATION OF CONCRETE AND MASONRY ...Cement, Concrete, Concrete-other, Physical Properties-general, Standards, Specifications, Vibration, ...8.0108

Non-linear

VIBRATION OF LOW-CREST SPILLWAYS ...Hydrodynamic Structures, Spillways, ...7.0068

Moments

EFFECTIVENESS OF WEB REINFORCEMENT IN REINFORCED CONCRETE BEAMS SUBJECT TO AXIAL FORCES ...Axial, Beams - Bars, Reinforced, Shearing, Strength, ...8.0152

Stability

CONVECTIVE INSTABILITY IN TRANSIENT SYSTEMS ...Approximations, Partial, Transport-other, ...1.0048

WAVE ACTION ON STRUCTURES ...Engineering Structures-general, Hydrodynamic Structures, Models, Shoreline Structures, Wave Action, ...8.0150

Strain

Shearing

R.I.-LIQUEFACTION OF SAND DUE TO LONG TERM, SMALL AMPLITUDE VIBRATIONS ...Linear, Sand, Saturated-unsaturated, Soil Dynamics, Soil Liquefaction, ...7.0045

RHEOLOGY OF SOIL-WATER SYSTEMS ...Compressibility, Creep and Rheology, Moisture Content, Soil Dynamics, Viscoelasticity, ...2.0082

EFFECTIVENESS OF WEB REINFORCEMENT IN REINFORCED CONCRETE BEAMS SUBJECT TO AXIAL FORCES ...Axial, Beams - Bars, Moments, Reinforced, Strength, ...8.0152

Strain-general

DEVELOPMENT OF INSTRUMENTS FOR PROTOTYPE TESTING ...Concrete-general, Laboratory Analysis, Model Studies, Stresses-general, ...8.0239

Strength

DURABILITY OF CONCRETE DRAIN TILE AND IRRIGATION PIPE ...Drainage, Pipes, Plain, Specifications, Techniques, ...8.0221

EFFECTIVENESS OF WEB REINFORCEMENT IN REINFORCED CONCRETE BEAMS SUBJECT TO AXIAL FORCES ...Axial, Beams - Bars, Moments, Reinforced, Shearing, ...8.0152

Stress Concentration

REINFORCEMENT OF OPENINGS IN MASSIVE CONCRETE STRUCTURES ...Analysis Structural, Fracture Mechanics, Gravity Dams, Reinforced, Thermal, ...8.0093

Stresses**Internal**

PROTOTYPE ANALYSES - LOCK BEHAVIOR INVESTIGATION
...Concrete-general, Deflection, Hydraulic Structures, Locks, Pressure-general, ...8.0256

Stresses-general

DEVELOPMENT OF INSTRUMENTS FOR PROTOTYPE TESTING ...Concrete-general, Laboratory Analysis, Model Studies, Strain-general, ...8.0239

MASSIVE-HEAD BUTTRESS DAMS ...Dams-other, Foundations-general, Gravity Dams, Uplift, ...8.0094

Tensile

EFFECTS OF CRACKING IN ARCH DAMS ...Analysis Structural, Arch Dams, Computers-general, Engineering Structures-general, Fracture Mechanics, ...8.0092

Thermal

REINFORCEMENT OF OPENINGS IN MASSIVE CONCRETE STRUCTURES ...Analysis Structural, Fracture Mechanics, Gravity Dams, Reinforced, Stress Concentration, ...8.0093

Techniques**Optical**

DEVELOPMENT OF THREE-DIMENSIONAL PHOTOELASTIC TECHNIQUES ...Epoxies, Photoelasticity, ...8.0109

Engineering Structures-general

WATERSHED SHAPE-FACTOR ...Culvert, Design Criteria, Drainage, North Dakota, Peak Flow, ...2.0277

HYDRAULIC PERFORMANCE OF BRIDGES ...Bridges & Culverts, Culvert, Design Criteria, Dike, Drainage, ...8.0158

HYDROLOGY STUDY ...Bridges & Culverts, Culvert, Floods, Flow Characteristics -water, Small Watersheds, ...2.0292

UNSTEADY FREE SURFACE FLOW IN LONG STORM DRAIN ...Drainage, Eigenvalues, Other Methods, Pipes, Steady, Transition Sections, Unsteady, ...8.0142

INVESTIGATION OF WATER RESOURCES. FLOODS IN SMALL STREAMS IN TENNESSEE ...Drainage, Floods, Tennessee, ...2.0298

PERFORMANCE OF CIRCULAR CULVERTS ON STEEP GRADES ...Channels, Culvert, Drainage, Erosion Control, Flow Characteristics -water, ...8.0289

VERIFICATION OF HYDRAULIC DESIGN OF BRIDGES IN ALABAMA ...Alabama, Bridges & Culverts, Data Acquisition-general, Drainage, Floods, ...8.0001

DISTRIBUTION AND ABUNDANCE OF JUVENILE AMERICAN SHAD, ALOSA SAPIDISSIMA (WILSON), IN THE CONNECTICUT RIVER ABOVE HOLYOKE DAM, MASSACHUSETTS ...Alewife, menhaden, shad, herring, Connecticut River, Massachusetts, Migration, Number Or Density, ...3.0271

STREAM IMPROVEMENT STUDY ...Physical-general, Population Dynamics, Project Post-evaluation, Salmon & Trout - Non-specific, Streams, ...2.0962

THE EFFECTS OF ENGINEERING PROJECTS ON THE ECOLOGY OF JONES BAY ...Aquatic Ecology, Bays, Construction, Texas, Water Properties-general, ...6.0543

THE EFFECTS OF ENGINEERING PROJECTS ON THE ECOLOGY OF MOSES LAKE ...Aquatic Ecology, Construction, Lakes, Texas, Water Properties-general, ...6.0544

REVERSE FILTER EROSION PROTECTION ...Connecticut, Control and Protection, Erosion-general, Filters, Lining, ...8.0147

REDUCTION OF RIVER HEAT POLLUTION BY TURBULENCE STIMULATION ...Destratification, Electric Power Plants, Roughness, Stream Rehabilitation, Thermal Pollution, Turbulent Flow, ...5.0214

TWO-PHASE FLOW IN A VERTICAL BEND ...Close Channel, Open Channel, Stratified Flow, Two-phase-other, Ventilated Cavities, ...8.0163

THE HYDRAULICS OF SPATIALLY VARIED STEADY FLOW IN AN IRRIGATION DISTRIBUTION CHANNEL WITH FURROW OUTLETS ...Channels, Flow Characteristics -water, Furrow Irrigation, Orifice, Weir, ...3.0398

THEORETICAL AND EXPERIMENTAL STUDY OF SUPERCRITICAL FLOW IN CIRCULAR DRAINS AND OF THE FORMATION OF HYDRAULIC JUMP IN THE SAME ...Critical, Drainage Systems, Flow of Gas in Liquid, Pipes, Survey Studies, ...2.0935

A PRELIMINARY ANALYSIS OF THE IMPACT OF THE ARKANSAS WATERWAY ON LAND TENURE AND VALUE IN OKLAHOMA ...Economic Impact, Land, Oklahoma, ...6.0446

HYDRODYNAMIC CHARACTERISTICS OF FLOW CONCENTRATION GROINS ...Aeration, Floods, Flow Characteristics -water, Groin, Streams, ...8.0268

OPERATIONS RESEARCH IN WATER QUALITY MANAGEMENT ...Channel Regulation-other, Control and Protection, Management, Operations Research, Water Quality Control-general, ...5.0526

EVALUATION OF UPSTREAM AND DOWNSTREAM ANADROMOUS FISH PASSAGE AT RIVER MILL AND FARADAY DAMS ON THE CLACKAMAS RIVER, OREGON ...Management -other, Migration, Oregon, Rainbow Trout, Steelhead Trout, Reservoirs and Impoundments, ...8.0279

TURBULENT FLOW SPECTRAL ANALYSIS ...Flow Characteristics -water, Turbulent, Turbulent Flow, ...8.0166

REHABILITATION, SCOTSBURN MARSH, NOVA SCOTIA, CANADA ...Canada, Habitat Studies, Swamps-marshes, Water Level Fluctuation, ...4.0053

CALIFORNIA AQUEDUCT, NORTH SAN JOAQUIN DIVISION, FISH PROTECTIVE FACILITY ...Models, Open Channel, Pipes, Transition Sections, Velocity, ...8.0009

INVESTIGATIONS OF SHORE EROSION ALONG THE OHIO SHORELINE OF LAKE ERIE ...Aerial, Erosion-general, Gaging, Lake Erie, Shoreline - Coastline, ...8.0275

EVALUATION OF ANADROMOUS FISH PASSAGE FACILITIES AT FALL CREEK DAM, BIG FALL CREEK, OREGON ...Aquatic Ecology, Migration, Oregon, Rainbow Trout, Steelhead Trout, Salmon & Trout - Non-specific, ...8.0280

WATER YIELD AND GROUNDWATER MOVEMENT IN THE EDWARDS PLATEAU AS AFFECTED BY GEOLOGY, CHANNEL AND VALLEY MATERIALS, AND FLOOD STRUCTURES ...Groundwater Movement, Karst Topography, Rain, Texas, Water Table Fluctuation, Water Yield, ...2.1031

ENGINEERING CHARACTERISTICS OF THE BOTTOM SEDIMENTS OF GREAT SALT LAKE ...Great Salt Lake, Soil - Bearing Capacity, Soil Exploration, Soil Test - Insitu, Vane, ...8.0294

DEVELOPMENT OF HYDRAULIC DESIGN PROCEDURES FOR STRUCTURAL PLATE PIPE AND PIPE-ARCH CULVERTS USING RESISTANCE FACTORS FROM RECENT RESEARCH ...Culvert, Drainage, Friction, Pipes, ...8.0159

DEVELOPMENT OF HYDRAULIC DESIGN PROCEDURES FOR CONCRETE BOX CULVERTS WITH STANDARD, IMPROVED AND SIDE-TAPERED INLETS ...Culvert, Drainage, Economics-general, Structural, Transition Sections, ...2.0304

COMPILATION OF EARTH DAM CRITERIA FOR DESIGN USE ...Abstracts, Dams, Design Criteria, Earth & Rockfill Dams, ...8.0254

STABILITY OF RUBBLE-MOUND BREAKWATERS ...Breakwaters, Design Criteria, Hydrodynamics, Shoreline Structures, Wave Action, Waves, ...8.0230

RIPRAP-PROTECTION FOR HYDRAULIC STRUCTURES ...Design Criteria, Dike, Sea Wall, Water Control Works-other, ...8.0245

GREAT LAKES RESEARCH - EFFECTS OF STRUCTURES ON COASTAL SEDIMENTATION ...Beach, Bed Load, Coastal Engineering-other, Energy-dynamics, Great Lakes-general, Velocity -water, ...2.0650

SHEAR STRENGTH OF ROCK FILL ...Consolidation, Earth & Rockfill Dams, Granular-general, Shear Strength, Triaxial, ...8.0016

WAVE ACTION ON STRUCTURES ...Hydrodynamic Structures, Models, Shoreline Structures, Stability, Wave Action, ...8.0150

CORRELATION OF BEACH PROPERTIES AND INCIDENT WAVES ...Beach, Development, Waves, ...2.0260

STRUCTURAL DESIGN OF SHORE STRUCTURES ...Coastal Engineering-general, Hydrodynamic Structures, Models, Shoreline Structures, Wave Action, ...8.0151

GENERAL EVALUATION OF SOIL AND MOISTURE CONSERVATION TREATMENT PRACTICES ...Conservation-general, Erosion-general, Runoff, Sedimentology-general, Soil Environment, ...2.0185

USE OF WATER ON FEDERAL IRRIGATION PROJECTS ...Consumptive Use, Irrigation Engineering, Irrigation-general, Radiation-general, Systems Analysis, ...6.0094

FLOW SURFACE PROTECTION ...Aeration, Cavitation-other, Hydraulics-general, ...8.0038

EARTH AND ROCKFILL DAM DESIGN PRACTICES ...Dams, Design Criteria, Earth & Rockfill Dams, Earthquakes, Soil Stability Analysis, ...8.0137

SUBJECT INDEX

Entomology, Applied

PROTECTION OF ERODIBLE CHANNELS AND SURFACES WITH GRAVEL OR RIPRAP ...Canals, Channels, Energy Loss - water, Flow Characteristics -water, Groundwater, Linings-pavings, Scouring, Seepage, ...8.0040

SITE TESTS TO DETERMINE STRUCTURAL PROPERTIES OF ROCK FOUNDATIONS ...Dams-other, Foundations-general, Power Development, Rock Mechanics, Tunnels, ...8.0019

COMPRESSIVE CREEP TESTS OF CONCRETE ...Aggregates, Extenders, Fillers, Cement, Concrete, Compression, Creep, ...8.0068

EVALUATION OF ROCK RIPRAP AND DEVELOPMENT OF SUBSTITUTES ...Aggregates - Crushed Rock, Erosion Control, Petrography, Slopes, Soil Cement, Wave Action, ...8.0081

PRECAST CONCRETE FORMS ...Economics-general, Electric Power Plants, Hydraulic Structures, Pre-cast, ...8.0141

ARCH DAM ANALYSES BASED ON THE MATHEMATICAL THEORY OF ELASTICITY ...Analysis Structural, Arch Dams, Development of Models, Elasticity, Foundations-general, ...8.0089

DETECTION OF SUBSURFACE CAVITIES OR CONDUITS IN FOUNDATIONS OF PROPOSED RESERVOIRS AND ENGINEERING STRUCTURES ...Carbonates, Cave Studies, Geology - Engineering, Geothermal Gradient, Tritium, ...8.0073

EFFECT OF THE MAGNITUDE OF COMPRESSIVE STRENGTH OF CONCRETE AT VARIOUS AGES ON THE STANDARD DEVIATION AND COEFFICIENT OF VARIATION ...Cement, Concrete, Compression, Quality Control-materials, ...8.0111

ABUTMENT PADS FOR ARCH DAMS ...Arch Dams, Concrete-other, Foundations-other, Joints, Mathematics Matching Code, ...8.0091

CORRELATION OF JOINT DENSITY AND ROCK LOADS--INSTALLATION OF TUNNEL SET LOAD CELLS IN DIVIDE TUNNEL, COLORADO ...Colorado, Geology - Engineering, Joints-fractures, Tunnels, ...8.0134

BEHAVIOR OF STRUCTURAL ELEMENTS OR MODELS UNDER TEMPERATURE AND DYNAMIC LOADS ...Dynamic-other, Earthquakes, Mechanical Vibrations-other, Model Studies, Structures-other, ...8.0100

SEISMICITY OF FAULTS - ENGINEERING GEOLOGIC EVALUATION ...Earthquakes, Faults, Geology - Engineering, Microseisms - Background, Seismographs, ...8.0057

PLASTIC PIPE AND TUBING ...Ceramic Matrix, Corrosion General, Pipe, Tube, Plastic Matrix, Plastics - General, ...8.0132

BASIC ROCK PHYSICS ...Foundations-general, General Petrology, Geology - Engineering, Joints-fractures, Weathering, ...8.0118

EVALUATION OF CONCRETE PROPERTIES OF CORES FROM OLD STRUCTURES ...Cement, Concrete, Dams-other, Mechanical Properties-general, Time, ...8.0063

EFFECTS OF CRACKING IN ARCH DAMS ...Analysis Structural, Arch Dams, Computers-general, Fracture Mechanics, Tensile, ...8.0092

STRENGTH OF ROCK MASSES ...Geology - Engineering, Joints, Joints-fractures, Mine Structures, Rock Mechanics, ...8.0029

SLAB ANALYSIS ...Beams - Bars, Digital Computers, ...8.0117

SEDIMENT PROCEDURES DEVELOPMENT AND RESERVOIR SEDIMENTATION ...Channels, Reservoirs and Impoundments, Sediment Transport-other, Sediment Yield, Sedimentology-general, ...6.0089

EFFECT OF RETARDING ADMIXTURES ON PROPERTIES OF CONCRETE ...Additives, Aggregates, Extenders, Fillers, Cement, Concrete, Durability, Deterioration, ...8.0046

DESIGN OF DOUBLE-CURVATURE MULTIPLE-ARCH DAMS FOR USE IN WIDE VALLEYS ...Analysis Structural, Arch Dams, Power Development, Reinforced. Shells, ...8.0095

INVESTIGATION IN THE DEVELOPMENT AND IMPROVEMENT OF SPECIAL CEMENTS ...Cement, Concrete, Durability, Deterioration, Elasticity - General, Setting, Curing, Strength, Cohesion, ...8.0048

PERFORMANCE OF WATER-REDUCING SET-CONTROLLING ADMIXTURES IN CONCRETE, MORTAR AND CEMENT PASTE ...Cement, Concrete, Chemical Materials-other, Composition Parameters-other, Setting, Curing, ...8.0049

REGION 2 - WEED CONTROL ...Cement, Concrete, Setting, Curing, Water, ...8.0115

EARTHQUAKE THEORY AS APPLIED TO DAMS AND APPURTENANT STRUCTURES ...Arch Dams, California, Dynamic-other, Earthquakes, ...8.0096

ENGINEERING GEOLOGIC BEHAVIOR OF FOUNDATIONS IN RESERVOIRS IN GYPSUM-LIMESTONE TERRAIN ...Foundations-general, Geology - Engineering, Gypsum, Limestone - General, Solution Chemistry, ...8.0074

BENTHIC COMMUNITIES ...Benthonic-bottom, Environmental Ecology, Estuaries, Marine Biology, Productivity - Food Chain, ...6.0156

COLLECTION OF JUVENILE MIGRANTS FROM RIVERS AND STREAMS ...Fish -non-specific, Management -other, Migration, Streams, ...4.0271

RELATION OF RIVER-RUN IMPOUNDMENTS TO SALMON PRODUCTION ...Aquatic Ecology, Environmental Changes, Environmental Ecology, Mans Activities, Pollution - Effects of, Salmon & Trout - Non-specific, ...6.0616

SALMON PRODUCTION IN AREAS MADE INACCESSIBLE BY DAMS ...Aquatic Ecology, Columbia River, Environmental Ecology, Salmon & Trout - Non-specific, Spawn Or Nesting Sites, ...8.0309

FISH BEHAVIOR AND PHYSIOLOGY ...Behavior -animal, Environmental Physiology, Migration, Salmon & Trout - Non-specific, Thermal Pollution, ...6.0615

FISHWAY RESEARCH (BONNEVILLE LABORATORY) ...Behavioral Ecology, Environmental Ecology, Management - other, Migration, Salmon & Trout - Non-specific, ...6.0618

PROTECTION OF FINGERLING SALMON IN TURBINES ...Construction Land Use Effects, Migration, Mortality Rates, Salmon & Trout - Non-specific, Snake River, ...8.0306

DEVELOPMENT OF STRUCTURAL MEASURES FOR SEDIMENT CONTROL AND FOR STREAM CHANNEL STABILIZATION IN THE SOUTHERN BRANCH ...Agricultural Watersheds, Channel Geometry, Open Channel, Sedimentation, Shear-flow, Velocity, ...5.0622

pH -water

- TOLERANCE AND CYTOLOGICAL RESPONSE OF ALGAE TO MINE WATER ...Environment, Histology and Cytology, Mining Activities, pH , Pollution - Effects of , ...5.1276
- FACTORS AFFECTING THE STRUCTURE OF DIATOM COMMUNITIES ...Acidity, Algae- Diatoms, Chemical Analysis (water), Environment, Mineral Content -water, ...5.1008

Photoperiod

Photoperiod -non-specific

- DROUGHT RESISTANCE IN BARLEY VARIETIES ...Drought, Moisture Deficiency, ...2.0449

Plant Environment, Ns

- WEATHER IN RELATION TO KANSAS AGRICULTURE ...Agricultural Studies -general, Information Retrieval Methods, Kansas, Weather Forecasting, ...2.0508

Precipitation

Dew

- TRITIATED WATER STUDIES OF THE SIGNIFICANCE OF DEW AND VAPOR IN PLANT WATER ECONOMY ...Arid and Desert, Foliar Absorption, Humidity, Hydrogen, Osmotic and Turgor Pressure, Thermodynamics, ...2.0112

Hail

- WEATHER MODIFICATION IN NORTH DAKOTA ...Amount, Clouds-precipitation, Modification, North Dakota, Weather, ...2.0831

SUBJECT INDEX

Environment - Plant

Precipitation -non-specific

- PREPARATION AND ANALYSIS OF CLIMATOLOGICAL DATA IMPORTANT TO AGRICULTURE AND FORESTRY ...Applied Climatology, Atmospheric Pollution-general, Patterns, Stochastic Processes, Western, ...4.0199
- DIFFERENCE IN EFFECTS OF FOREST AND OTHER VEGETATIVE COVERS ON WATER YIELD ...Cover Crops, Evapotranspiration, Israel, Moisture Tension, Water Yield, ...3.0235
- PERIODIC PLANT GROWTH PHENOMENA AND HYDROLOGY ...Dendrochronology, Moisture Levels, Natural Variation of Water USE, Soil-water-plant Relationships, Water Table Fluctuation, ...2.1098
- WATER YIELD IMPROVEMENT FROM SOIL TREATMENTS AND PLANT-COVER ALTERATIONS (ABBREV) ...Cover Crops, Soil Management -other, Soil-water-plant Relationships, Water Yield, Watersheds-general, ...4.0249
- RUNOFF PRODUCTION BY UNIT SOURCE AREA FOR AGRICULTURAL WATERSHEDS IN THE SOUTH ...Agricultural Watersheds, Conservation, Land Use, Runoff, Southern, ...2.0335

Rain

- DETACHABILITY OF SOIL PARTICLES ...Cover Crops, Management Effects, Nebraska, Soil Analysis, ...2.0723
- RAINFALL CHARACTERISTICS, DROUGHT INCIDENCE AND THE DEVELOPMENT OF A RAINFALL DEFICIENCY INDEX FOR THE AGRICULTURAL REGIONS OF PUERTO RICO ...Drought, Irrigation-general, Meteorological Extremes, Patterns, Puerto Rico, ...2.0932
- SYSTEMATIC ANALYSIS OF THE MOISTURE-TEMPERATURE INTERACTIONS ON CORN YIELD ...Corn, Model Studies, Moisture Content, Yield, ...2.0442
- WATER YIELD AND GROUNDWATER MOVEMENT IN THE EDWARDS PLATEAU AS AFFECTED BY GEOLOGY, CHANNEL AND VALLEY MATERIALS, AND FLOOD STRUCTURES ...Engineering Structures-general, Groundwater Movement, Karst Topography, Texas, Water Table Fluctuation, Water Yield, ...2.1031
- FACTORS AFFECTING WATER CONSERVATION FOR PLANT GROWTH IN THE LOW RAINFALL AREA OF EASTERN WASHINGTON ...Density, Moisture Content, Moisture Levels, Washington, ...3.0482
- TIMBER AND WATERSHED RESOURCES DEVELOPMENT RESEARCH IN HAWAII ...Erosion-general, Evapotranspiration, Legumes -other..mesquite... , Soils and Fertilizer, Streams, ...2.0367
- EFFECTS OF SOIL, TOPOGRAPHY, CLIMATE, CROPPING AND MANAGEMENT PROCEDURES ON RUNOFF AND EROSION, AND ON THE PREDICTION OF SOIL LOSSES ...Conservation, Runoff, Slope - Degree of , Tillage, Cropping Systems, ...2.0337

Snow

- SNOW HYDROLOGY ...Arizona, Energy Budgets, Forest Watersheds, Mathematical Analysis, Snowmelt, ...2.0064
- A STUDY OF SNOW INTERCEPTED BY CONIFEROUS TREE CROWNS AND ITS DISPOSITION UNDER THE CLIMATIC CONDITIONS OF CENTRAL NEW YORK ...Coniferous Forests, Conifers -non-specific, Interception, New York, Snow-other, ...2.0787

Rhizosphere

- RESPONSE OF CITRUS TREES TO SOIL MOISTURE ...Citrus, Internal Water Movement, Moisture Levels, ...2.0039
- THE DISPOSITION OF PESTICIDES IN THE SOIL ...Aquatic Or Soil-aquatic Cycles, Atrazine, Groundwater Movement, Microbial Degradation, Movement, Leaching, Trifluralin, ...5.0290
- SPRING IRRIGATION OF ALFALFA ...Alfalfa, Irrigation, Temperature, ...3.0313
- WATER-SOIL-PLANT RELATIONS ...Antitranspirants, Drought, Osmotic and Turgor Pressure, Root Absorption, Soil-water-plant Relationships, ...2.1077
- SOILS, PESTICIDES AND THE QUALITY OF WATER ...Groundwater Movement, Infiltration, Movement, Leaching, Pollutants - Path of , ...5.1239
- SOIL SOLUTION DISTRIBUTIONS AND CROP RESPONSES RELATED TO IRRIGATION PRACTICES ...Internal Water Movement, Irrigation, Movement, Availability, Saline Properties, Saline Soils, ...4.0028
- FARM IRRIGATION EFFICIENCY AS INFLUENCED BY DESIGN, CONSTRUCTION, AND OPERATION OF IRRIGATION SYSTEMS IN SOUTHWESTERN NEW MEXICO ...Irriga-

tion, Irrigation Engineering, Irrigation-general, New Mexico, ...2.0775

Saline Soils

- RECLAMATION AND MANAGEMENT OF SOILS ON IRRIGABLE LAND (MONTANA) ...Internal Water Movement, Irrigation, Management, Saline and Alkaline Soils, Velocity -water, ...4.0159
- EFFECTS OF MARGINAL QUALITY IRRIGATION WATER ON THE ACCUMULATION OF SALTS AND ALKALI IN SOUTH DAKOTA SOILS ...Irrigation-general, Saline and Alkaline Soils, Soil pH , South Dakota, Use of Impaired Water, ...3.0434
- DEVELOPMENT OF ECONOMIC WATER HARVEST SYSTEMS FOR INCREASING WATER SUPPL ...Arizona, Cover Crops, Economic Efficiency, Erosion-general, Water Harvesting, ...3.0012
- FACTORS AFFECTING PRODUCTION OF PECANS IN ARIZONA ...Irrigation, Irrigation-general, Mineral Nutrition, Moisture Content, Pecans, Hickory Nuts, Saline Properties, ...2.0046
- SPRINKLER IRRIGATION OF COTTON WITH HIGH SALT-CONTENT WATER ...Cotton, Salinity, Sprinkler Irrigation, ...3.0011
- SOILS AND NUTRIENT CULTURE EXPERIMENTS TO DETERMINE THE EFFECTS OF VARIABLE SALINITY CONDITIONS ON CITRUS BEHAVIOR ...Citrus, Irrigation, Saline and Alkaline Soils, Salinity, Trees, ...3.0086
- IMPURITIES OF IRRIGATION WATERS AFFECTING SOIL PROPERTIES ...Irrigation-general, Saline and Alkaline Soils, Soil Environment, Use of Impaired Water, Water Quality-general, ...3.0043
- AGRICULTURAL UTILIZATION OF SOILS AFFECTED BY SALINITY ...Absorption, Fixation, Exchange, Brackish Water, Mineral Nutrition, Movement, Availability, Yield, ...3.0237
- SALT TOLERANCE IN BLUE PANICGRASS, PANICUM ANTIDOTALE ...Environment Effects on Genome, Halophytic, Panicum -other, Selection & Breeding, ...3.0023
- FOLIAR PENETRATION OF CHEMICALS WHICH INCREASE DROUGHT AND SALT TOLERANCE ...Drought Resistance, Foliar Absorption, Growth Retardation of Plants, Modified Water Use, Surface Properties -other, ...3.0049
- TOXICITIES OF CATIONS VS. ANIONS ACCUMULATED FROM SALINE SOILS ...Ion Transport and Elect. pot. , Saline Properties, Soil Chemical Properties, ...5.0136
- IRRIGATION STUDIES WITH VEGETABLES ...Aerial, California, Irrigation-general, Root, Soil-water-plant Relationships, Water Quality-general, ...2.0137
- SOIL SOLUTION DISTRIBUTIONS AND CROP RESPONSES RELATED TO IRRIGATION PRACTICES ...Internal Water Movement, Irrigation, Movement, Availability, Rhizosphere, Saline Properties, ...4.0028
- WATER RELATIONS WITH CITRUS ON THE FLATWOODS AND MARSHES OF THE EAST COAST ...Citrus, Drainage, Sprinkler Irrigation, Swamps-marshes, Water Table Fluctuation, ...2.0310
- CROP RESPONSE TO STATIC AND FLUCTUATING WATER TABLES ...Soil Aeration, Soil-water-plant Relationships, Texas, Water Table - Depth of , Water Table Fluctuation, ...3.0446
- THE IMPROVED USE OF WET AND SALTED SOILS FOR FORAGE PRODUCTION ...Cultivation Methods, Ns, Excessive Moisture, Management, Saline and Alkaline Soils, Utah, ...3.0474
- VALUE OF DESALTED WATER FOR IRRIGATION ...Brackish Water, Desalination, Electrodialysis, Irrigation-general, Water Costs, ...3.0128
- RELATION OF NITROGEN LEVEL, HIGH WATER TABLE AND SOIL SALINITY TO GROWTH, YIELD AND FRUIT QUALITY OF DATES ...Rates Or Levels of Application, Trees, Water Table - Depth of , Water Table Fluctuation, ...3.0185
- TOLERANCE OF CITRUS TO SALINITY AND BORON IN THE SOIL AND IRRIGATION WATER ...Boron, Citrus, ...3.0186
- IMPROVEMENT AND MANAGEMENT OF SALINE AND SODIC SOILS OF THE NORTHERN PLAINS ...Growth Rate, Saline and Alkaline Soils, Soil - Alkaline, Soil Amendments, ...3.0385
- SALINE AND SODIC SOILS AND IRRIGATION WATER QUALITY PROBLEMS IN THE RIO GRANDE RIVER BASIN ...Irrigation-general, Management, Saline and Alkaline Soils, Soil and Rock Leaching, Water Quality-general, Yield, ...3.0466
- TOLERANCE AND PHYSIOLOGICAL REACTIONS OF PLANTS TO SALINITY AND RELATED FACTORS ...Growth Rate, Modified Water Use, Salinity, ...4.0040

Seasonal

- THE WATER RELATIONS OF DESERT PLANTS ...Arid and Desert, Osmotic and Turgor Pressure, Phenology, Plant Water Use-other, Xeric, ...2.0737
- BIOCHEMICAL OXIDATION OF HYDROCARBONS IN NATURAL WATERS ...Bacteria (non-specific), Chemostat, Degradation, Hydrocarbons, Organic Matter, ...1.0110
- AGROCLIMATIC PARAMETERS ...Agricultural Studies -general, Applied Climatology, Climate-general, Nebraska, Phenology, ...2.0724
- WATER REQUIREMENTS OF MAJOR CROPS IN SOUTHERN NEVADA ...Moisture Content, Nevada, Requirements for Water, Soil and Rock Leaching, ...2.0728
- EFFECTS OF RANGE PLANT FOLLIAGE REMOVAL ON SOIL MOISTURE REGIME ...Grazing, Management and Fertility, Modified Water Use, Moisture Content, ...2.1063
- SEASONAL VARIABILITY OF SOIL MOISTURE AND LEVELS OF GROUNDWATER TABLE ON LOWLAND AREAS ...Moisture Levels, Poland, Soils and Fertilizer, Water Table Fluctuation, Wetlands, ...3.0422
- SEASONAL WATER USE BY FOREST VEGETATION ...Conservation-general, Environment, Forest Watersheds, Transpiration and Evap, Water Quality Control-general, ...2.0893

Soil - Alkaline

- IMPROVEMENT AND MANAGEMENT OF SALINE AND SODIC SOILS OF THE NORTHERN PLAINS ...Growth Rate, Saline and Alkaline Soils, Saline Soils, Soil Amendments, ...3.0385

Soil Aeration

- CROP RESPONSE TO STATIC AND FLUCTUATING WATER TABLES ...Saline Soils, Soil-water-plant Relationships, Texas, Water Table - Depth of, Water Table Fluctuation, ...3.0446
- EFFECT OF VARIOUS IRRIGATION TECHNIQUES ON SOIL AERATION, SOIL STRUCTURE, AND CROP RESPONSE ...Irrigation, Soil Structure, ...2.1070

Soil Compaction Or Density

- IRRIGATION MANAGEMENT FOR CROPS ...Infiltration, Irrigation-general, Management, Soil Environment, ...2.0090
- PROPERTIES OF SOILS RELATED TO APPLIED STRESSES ...Moisture Tension, Soil Environment, Soil Tests, ...2.0080
- EFFECTS OF COARSE SKELETON ON PHYSICAL PROPERTIES OF SOIL ...Maine, Physical Properties-general, Potatoes, Runoff, ...2.0553
- EFFECTS OF TREE ROOTS ON HYDRAULIC CONDUCTIVITY AND POROSITY OF FOREST SOILS IN THE ALLEGHENY-CUMBERLAND PLATEAU ...Forests, Roots, Soil Environment, Soils and Fertilizer, Subsurface Flow, ...2.0855

Soil Composition

Clay

- EFFECTS OF WATER PROPERTIES IN THIXOTROPIC CLAY SYSTEMS ON BIOLOGICAL ACTIVITY ...Anaerobic Bacteria, Cell Cycle, Origin of Life, Thermodynamics, ...6.0217
- EVALUATION OF EARTHY MATERIALS FOR USE IN DECONTAMINATION OF WATER ...Removal of Residues, Waste Water Treatment-general, ...5.0002
- RELATIONSHIPS BETWEEN PESTICIDES AND GEORGIA FARM POND ECOSYSTEMS ...Aquatic Or Soil-aquatic Cycles, DDT, Endrin, Farm Pond, Georgia, Pollution - Effects of, Soil Types, ...5.0288
- CLAY-WATER-ION INTERACTIONS ...Adsorption Capacity, Flow Characteristics -water, Moisture Tension, Soil Temp. -non-specific, Temperature, ...2.0436
- MOVEMENT OF IONS AND SALTS IN SOILS ...Soil and Rock Leaching, ...2.0494

High Organic Soils

- BOG AND SWAMP HYDROLOGY ...Forest Watersheds, Management, North Central, Soils and Fertilizer, Water Yield, ...3.0294
- MEADOW SOD MAT ACCUMULATION AND DECOMPOSITION ...Ecology - Soil, Maintenance, Microbiology -soil, Soil Depth, Soil Physical Properties, ...2.0238

Sand

- MANAGEMENT OF FLATWOOD SOILS ...Depth, Tillage, Cropping Systems, Water Table - Depth of, Water Table Fluctuation, ...6.0153

- CONSERVATION OF WATER RESOURCES THROUGH MODIFICATION OF THE PHYSICAL AND CHEMICAL PROPERTIES OF SOIL ...Conservation-general, Persistence in Soils, Soil Environment, Storage of Water, Surfactants - Wetting Agents, ...2.0312

Soil Depth

- THE USE OF NUCLEAR METHODS FOR DETERMINING FOREST SOIL SITE INDEX ...Geophysical Analysis, Runoff, Site Index and Site Quality, Soil Morphology, Profiles, Soil Profile, ...3.0249
- TILLAGE STUDIES ...Groundwater Movement, Growth Rate, Physical Properties -other, Plowing, Tillage, Cropping Systems, ...4.0119
- ACCUMULATION OF CLIMATOLOGICAL DATA ...Ash Trees, Flowering, Ohio, Soil Temp. -non-specific, ...7.0090
- SOIL MOISTURE SURVEY FOR SOUTH PLAINS OF NORTHWEST TEXAS ...Moisture Content, Moisture Meters, Moisture Tension, Texas, ...2.1051
- MEADOW SOD MAT ACCUMULATION AND DECOMPOSITION ...Ecology - Soil, High Organic Soils, Maintenance, Microbiology -soil, Soil Physical Properties, ...2.0238

Soil Fertility

- FOREST TREE NUTRITION AND FOREST FERTILIZATION ...Irrigation-general, Physiology, Plant Chemistry, Pines, Potassium, Soils and Fertilizer, ...2.0815
- THE EFFECT OF IRRIGATION METHOD, AND MOISTURE AND FERTILITY LEVELS UPON MAXIMIZING WATER USE EFFICIENCY AND QUALITY COTTON FIBER PRODUCTION ...Cotton, Furrow Irrigation, New Mexico, Rates Or Levels of Application, Subsurface Irrigation, Water Loss Control, ...3.0337
- MOISTURE USE CHARACTERISTICS OF CERTAIN CROP PLANTS ...Climate-general, Moisture Levels, Plant Water Use-other, Varietal Evaluation, Yield, ...2.0991
- ECONOMIC AND AGRONOMIC EVALUATION OF FERTILIZER RESPONSE OF FORAGE CROPS ...Bahia Grass, Dallisgrass, Bermuda Grass, Management, Moisture Levels, Yield, ...3.0190

Soil Minerals -natural

Phytotoxic

- CHEMISTRY OF BORON IN CALIFORNIA SOILS ...Absorption, Fixation, Exchange, Boron, Soil Amendments, Soil and Rock Leaching, Soil Management -non-specific, Soil Morphology, Profiles, ...5.0080
- THE PHYSICAL AND CHEMICAL PROPERTIES OF WATER AND SOILS AS RELATED TO THE SUCCESSFUL GROWTH OF WATERFOWL FOOD AND COVER PLANTS ...Flooding, Food Supply, Oxygen, Soil (wildlife) Cover, Soil Conditions, Water Fowl, N.s., ...2.0799

Soil Moisture

Excessive Moisture

- PHOSPHATE TRANSFORMATION IN WATERLOGGED SOILS ...Phosphate, Phosphite, Rice, Soil-water-plant Relationships, ...4.0124
- DRAINAGE OF AGRICULTURAL LANDS ...Agricultural Watersheds, Drainage, Drainage Engineering, Groundwater, Water Table - Depth of, ...4.0153
- PROPERTIES OF SUBMERGED SOILS ...Moisture Content, Rice, Soil Chemical Properties, Soil Saturation, ...2.0093
- RELATIONSHIP BETWEEN EXCESSIVE SOIL MOISTURE AND CITRUS ROOT DAMAGE ...Citrus, Drainage, Drainage Engineering, Other Environmental Conditions, Piezometry, ...2.0316
- IRRIGATION AND FERTILITY PRACTICES FOR FLUE CURED-TOBACCO ...Irrigation, Nitrogen, Tobacco, ...2.0363
- THE RESPONSE OF PEANUTS TO SUPPLEMENTAL IRRIGATION ...Irrigation, Moisture Content, Peanut, Yield, ...2.0364
- THE IMPROVED USE OF WET AND SALTED SOILS FOR FORAGE PRODUCTION ...Cultivation Methods, Ns, Management, Saline and Alkaline Soils, Saline Soils, Utah, ...3.0474

Moisture Deficiency

- EVAPORATION AND EVAPOTRANSPIRATION IN RELATION TO SOIL PROPERTIES AND MOISTURE STRESS ...Evaporation, Evapotranspiration, Moisture Tension, Physical Properties -other, Transpiration, ...2.0957

SUBJECT INDEX

Environment - Plant

WATER CONSERVATION THROUGH EFFICIENT USE BY CROP PLANTS ...Conservation-general, Metabolic-biochemical Genetics, Natural Variation of Water USE, Requirements for Water, Selection & Breeding, ...2.0057

EFFECTS OF SOIL MOISTURE STRESS ...Drought, Moisture Tension, Physiology, Plant Chemistry, Pines, Soil Environment, ...2.0431

INJURY AND RESISTANCE IN PLANTS ...Corn, Drought, Soybean, Translocation, ...2.0487

DROUGHT INJURY AND RESISTANCE IN PLANTS ...Drought, ...2.0834

THE EFFICIENCY OF WATER USE UNDER VARYING CONDITIONS OF PLANT WATER STRESS ...Drought, Soil-water-plant Relationships, ...2.0836

IRRIGATION REQUIREMENTS OF FIELD AND HORTICULTURAL CROPS ...Evapotranspiration, Irrigation, Irrigation Engineering, Sprinkler Irrigation, Surface Irrigation -general, ...2.0872

DROUGHT RESISTANCE IN BARLEY VARIETIES ...Drought, Photoperiod -non-specific, ...2.0449

NITROGEN FERTILIZATION AND IRRIGATION OF TOBACCO ...Irrigation, Management, Nitrogen, Rates Or Levels of Application, ...2.0870

DIFFERENTIAL RESPONSE OF SORGHUMS TO DIFFERENCES IN CULTURE AND ENVIRONMENT ...Drought, Growth Rate, Milo and Grain Sorghum, Modified Water Use, Rates Or Levels of Application, ...2.0578

Moisture Levels

INFLUENCE OF TRANSPIRATION SUPPRESSANTS, SPRINKLER IRRIGATION & MOISTURE LEVELS ON TRANSPIRATION & EVAPOTRANSPIRATION ...Antitranspirants, Dendroclimatology, Microclimate-general, Sprinkler Irrigation, Transpiration, ...3.0464

PLANT SOIL MOISTURE ENVIRONMENT AND ITS EFFECT ON WATER MOVEMENT INTO PLANT ROOTS ...Mathematical Analysis, Moisture Tension, Soil Environment, Soil-water-plant Relationships, ...2.0521

FACTORS AFFECTING THE QUALITY OF ARIZONA MELONS ...Cantalope, Muskmelon, Honeydew, Irrigation, Mineral Nutrition, Nitrogen, Vines, ...2.0031

LETTUCE PHYSIOLOGY ...Fertilizer Types -other, Growth, Irrigation, Moisture Content, ...2.0032

RESPONSE OF CITRUS TREES TO SOIL MOISTURE ...Citrus, Internal Water Movement, Rhizosphere, ...2.0039

IRRIGATION INVESTIGATIONS WITH AGRONOMIC CROPS ...Cotton, Cultivation Methods, Ns, Irrigation, Natural Variation of Water USE, Soybeans, ...2.0075

PHYSIOLOGICAL FACTORS IN WATER NEEDS AND USE OF CROPS ...Irrigation, Moisture Content, Plant Phys.(non-specific & Ot), Soil - Crop Relationships, Soil-water-plant Relationships, ...2.0072

CRITERIA FOR EVALUATION AND FUNCTIONAL DESIGN OF IRRIGATION SYSTEMS ...Applied Climatology, Drought, Irrigation, Irrigation-general, Moisture Tension, ...2.0524

EVAPOTRANSPIRATION PATTERNS OF FOREST AND BRUSH VEGETATION ON THE EAST SLOPE OF THE SIERRA NEVADA ...Evapotranspiration, Forest Watersheds, Mountains-alpine, Sierra Nevada, Slope - Direction of, ...4.0167

DEVELOPMENT OF CRITERIA FOR ADEQUATE DRAINAGE ...Drainage, Soil-water-plant Relationships, ...4.0186

MOISTURE USE CHARACTERISTICS OF CERTAIN CROP PLANTS ...Climate-general, Plant Water Use-other, Soil Fertility, Varietal Evaluation, Yield, ...2.0991

SEASONAL VARIABILITY OF SOIL MOISTURE AND LEVELS OF GROUNDWATER TABLE ON LOWLAND AREAS ...Poland, Seasonal, Soils and Fertilizer, Water Table Fluctuation, Wetlands, ...3.0422

MINERAL NUTRITION AND PLANT GENETIC VARIABILITY ...Growth Rate, Requirements for Water, Transpiration, Transpiration and Evap, Variation, ...2.1171

EFFECT OF SOIL MOISTURE AND POTASSIUM FERTILIZATION ON THE TRANSPIRATION RATE OF SOYBEANS (GLYCINE MAX) ...Growth Rate, Potassium, Soybean, Transpiration, Transpiration and Evap, ...2.0404

COOPERATIVE RESEARCH ON SOIL AND WATER MANAGEMENT OF DRY-FARM GRAINLAND AND RELATED LANDS ...Conservation, Dry Farming, Management, Movement, Availability, ...3.0090

EVAPOTRANSPIRATION AND SOIL MOISTURE DETERMINATION AS GUIDES TO CITRUS IRRIGATION ...Citrus, Evapotranspiration, Irrigation, Moisture Content, ...2.0315

ECONOMIC AND AGRONOMIC EVALUATION OF FERTILIZER RESPONSE OF FORAGE CROPS ...Bahia Grass, Dallisgrass, Bermuda Grass, Management, Soil Fertility, Yield, ...3.0190

IRRIGATION OF WINTER WHEAT IN SOUTHERN IDAHO ...Irrigation, Irrigation-general, Moisture Content, Soil-water-plant Relationships, Wheat, ...3.0208

SOIL AND CLIMATE FACTORS AFFECTING THE EFFICIENT USE OF WATER BY CROPS ...Air - Water - Plant Relations, Applied Climatology, Evaporation, Iowa, Moisture Content, Soil-water-plant Relationships, ...2.0485

INFLUENCE OF SOIL MOISTURE AND SOIL FERTILITY LEVELS ON ASPARAGUS YIELD AND QUALITY ...Asparagus, Coastal Plain, Moisture Content, Rates Or Levels of Application, ...2.0760

SOIL MOISTURE AND FRUIT GROWTH IN RELATION TO WEATHER CHECKING OF MCINTOSH APPLES ...Apples, Growth Rate, Moisture Content, Weather Checking, ...2.0789

IRRIGATION STUDIES WITH TOMATOES ...Irrigation, Tomatoes, Yield, ...2.0804

IRRIGATION STUDIES FOR THE HIGH PLAINS ...Consumptive Use, Irrigation-general, Requirements for Water, Texas, ...2.1050

EFFECTS OF CULTURAL PRACTICES, SOIL MOISTURE LEVELS, AND FERTILITY LEVELS ON CITRUS TREE REACTION, AND ON SOIL PROPERTIES ...Citrus, Consumptive Use, Requirements for Water, Soil Chemical Properties, Trees, ...2.1033

GROWTH AND YIELD OF COTTON AND TOMATOES UNDER DIFFERENT MOISTURE LEVELS AND PLANT SPACING IN THE LOWER RIO GRANDE VALLEY ...Activation Analysis, Irrigation, Irrigation-general, Soil-water-plant Relationships, Space Competition, ...2.1026

SOIL MOISTURE STORAGE AND UTILIZATION. ...Available Water, Modified Water Use, Soil Environment, Soil-water-plant Relationships, Storage of Water, ...2.1037

WHEN TO IRRIGATE ...Irrigation, Potatoes, Root, ...2.1123

FACTORS AFFECTING WATER CONSERVATION FOR PLANT GROWTH IN THE LOW RAINFALL AREA OF EASTERN WASHINGTON ...Density, Moisture Content, Rain, Washington, ...3.0482

PERIODIC PLANT GROWTH PHENOMENA AND HYDROLOGY ...Dendrochronology, Natural Variation of Water USE, Precipitation -non-specific, Soil-water-plant Relationships, Water Table Fluctuation, ...2.1098

SALVAGE AND USE OF WATER LOST TO PHREATOPHYTES IN THE GREAT BASIN ...Energy Budgets, Great Basin, Management, Phreatophytes, Water Loss Control, ...3.0315

SOIL MOISTURE REGIMES OF AGRICULTURAL WATERSHEDS IN CORN BELT STATES ...Agricultural Watersheds, Corn Belt, Internal Water Movement, Land Use, Recharge-general, Soil Physical Properties, ...2.0869

Soil Moisture -non-specific

EFFECTS OF WEATHER ON CROPS ...Available Water, Evapotranspiration, Meteorological Studies-general, Moisture Tension, Projections and Estimations, ...2.0482

THE DETERMINATION OF PLANT ROOTING AND WATER ABSORPTION PATTERNS WITH RADIOIODINE ...Absorption, Fixation, Exchange, Iodine, Montana, Requirements for Water, Root Absorption, ...2.0716

SOIL TEMPERATURE AS A CRITERION FOR ALLOCATING WATER SUPPLY FOR CROP USE ...Arid and Desert, Moisture Content, Soil Environment, Temperature, Water Allocation, ...2.0111

INTERACTION OF TEMPERATURE WITH OTHER FACTORS ON THE RESPONSE OF CANADA THISTLE TO HERBICIDES ...Herbicides -non-specific, Mineral Nutrition, Mode of Action -plant, Modified Water Use, Temperature Levels Or Ranges, ...2.0395

ECOLOGICAL STUDIES OF GRASSLANDS, ETC. ...Grasslands, Kansas, Soil Environment, ...2.0513

ENERGY AND WATER BALANCE ...Evapotranspiration, Moisture Tension, Nuclear Moisture Meters, Soil-water-plant Relationships, Soils and Fertilizer, ...2.0691

SURFACE AND SUBSURFACE DRAINAGE FOR SLOWLY PERMEABLE SOILS ...Drainage, Drainage Engineering, Environmental responses (non-specific, Soil-water-plant Relationships, ...4.0192

Water Table - Depth of

FOREST SITE AMELIORATION IN THE COASTAL FLATWOODS OF MISSISSIPPI - ECONOMIC AND BIOLOGICAL CONSIDERATIONS ...Mississippi, Moisture Tension, Pines, Site Index and Site Quality, Water Table Fluctuation, ...2.0682

Environment - Plant

SUBJECT INDEX

- MANAGEMENT OF FLATWOOD SOILS ...Depth, Sand, Tillage, Cropping Systems, Water Table Fluctuation, ...6.0153
- STAND TREATMENT ...Cutting Operations, Floods, Regeneration & Seed Production, Timber Stand Improvement, Water Table Fluctuation, ...2.0697
- DRAINAGE OF AGRICULTURAL LANDS ...Agricultural Watersheds, Drainage, Drainage Engineering, Excessive Moisture, Groundwater, ...4.0153
- CONSERVATION OF GROUNDWATER THROUGH REPLACEMENT OF PHREATOPHYTES WITH FORAGES ...Conservation-general, Groundwater, Herbicides -non-specific, in Forages and Pasture, Soil Environment, ...3.0318
- EVALUATION OF SOIL MOISTURE RECHARGE ...Drainage, Evapotranspiration, Moisture Content, Recharge -general, Water Table Fluctuation, ...3.0344
- DRAINAGE OF SUGARCANE LANDS IN THE HUMID SECTIONS OF PUERTO RICO ...Drainage, Humid, Puerto Rico, Sugar Cane, Water Table Fluctuation, Yield, ...2.0936
- CROP RESPONSE TO STATIC AND FLUCTUATING WATER TABLES ...Saline Soils, Soil Aeration, Soil-water-plant Relationships, Texas, Water Table Fluctuation, ...3.0446
- CONSUMPTIVE USE OF WATER BY SALT CEDARS ...Consumptive Use, Lysimeters, New Mexico, Other Water Conditions, Saltcedar, Tamarisk, ...3.0113
- RELATION OF NITROGEN LEVEL, HIGH WATER TABLE AND SOIL SALINITY TO GROWTH, YIELD AND FRUIT QUALITY OF DATES ...Rates Or Levels of Application, Saline Soils, Trees, Water Table Fluctuation, ...3.0185
- DRAINAGE REQUIREMENTS OF CROPS IN THE SOUTH ...Drainage, Growth Rate, Southern, ...3.0197

Soil pH

- EFFECTS OF MARGINAL QUALITY IRRIGATION WATER ON THE ACCUMULATION OF SALTS AND ALKALI IN SOUTH DAKOTA SOILS ...Irrigation-general, Saline and Alkaline Soils, Saline Soils, South Dakota, Use of Impaired Water, ...3.0434
- RELATION OF SOIL FERTILITY TO THE EXCHANGE COMPLEX ...Drainage, Fertilizer Losses, Mineral Nutrition, Missouri, Soil Environment, ...5.0678

Soil Structure

- INFLUENCE OF IRRIGATION PRACTICES ...Irrigation, ...2.0210
- THE ROLE OF SOIL STRUCTURE IN CROP PRODUCTION AND METHODS FOR IMPROVING SOIL PHYSICAL CONDITIONS ...Groundwater Movement, Management Effects, Plant Residues, Humus, Compost, Soil Environment, Texas, ...2.1055
- EFFECT OF VARIOUS IRRIGATION TECHNIQUES ON SOIL AERATION, SOIL STRUCTURE, AND CROP RESPONSE ...Irrigation, Soil Aeration, ...2.1070
- PHYSICAL PROPERTIES OF IMPORTANT SOIL TYPES OF VIRGINIA AS THEY RELATE TO WATER AND AIR BEHAVIOR AND TILLAGE ...Engineering Properties-general, Moisture Content, Soil Tests, Soil Types, Storage of Water, Tillage, Cropping Systems, ...2.1107
- SOIL AND WATER REQUIREMENTS FOR BLACK WALNUT AND OTHER HARDWOODS ...Requirements for Water, Site Index and Site Quality, Soil Structure -other, Soils and Fertilizer, Walnuts -black & English, ...4.0089

Soil Types

- STUDY OF ROOT DISTRIBUTION AND DENSITY OF VEGETABLE CROPS ...Absorption, Fixation, Exchange, Phosphorus, Root Absorption, Soil Morphology, Profiles, Water Loss-other, ...2.0583
- THE WATER ECONOMY OF TURFGRASS ...Dew, Management, Moisture Content, Soil-water-plant Relationships, Species and Variety Evaluation, ...2.0941

Spoil Banks, Strip Mine Soils

- PHYSICAL AND CHEMICAL CHANGES IN WEATHERING COAL SPOILS-EFFECT ON WATER SUPPLY AND PLANT GROWTH ...Coal-general, Growth Rate, Regeneration & Seed Production, Runoff, Soil and Rock Leaching, Spoil Banks, ...5.0903

Temperature - Air

Air Temperature -non-specific

- TRANSPIRATION RATES OF CONIFERS ...Pines, Solar Light -non-specific, Spruces, ...2.0712

- CALCULATION OF TEMPERATURE AND PRECIPITATION VALUES ...Distributions, Forecasting, Patterns, Temperature, Utah, ...2.1058

- SYSTEMATIC ANALYSIS OF THE MOISTURE-TEMPERATURE INTERACTIONS ON CORN YIELD ...Corn, Model Studies, Moisture Content, Yield, ...2.0442

Freezing & Below

- ENVIRONMENT CONTROL FOR ORCHARDS AND FIELDS ...Citrus, High Temp. - 85f Or Above, Sprinkler Irrigation, Strawberry, Trees, ...8.0204

High Temp. - 85f Or Above

- ENVIRONMENT CONTROL FOR ORCHARDS AND FIELDS ...Citrus, Freezing & Below, Sprinkler Irrigation, Strawberry, Trees, ...8.0204

Low Temp. - But Above 32f

- ROLE OF LIGHT QUALITY, ETC. ON TRANSPIRATION OF WATER LOSSES BY PLANTS ...Humidity, Temperature, Transpiration, ...2.1038

- BREEDING AND CULTURAL PRACTICES TO AID PRODUCTION OF VEGETABLES IN SOUTH DAKOTA ...Irrigation, Mist Irrigation, South Dakota, Yield, ...3.0435

- TOLERANCE OF CITRUS TO LOW TEMPERATURES ...Citrus, Cold, Plants, Trees, ...3.0184

Temperature Levels Or Ranges

- INTERACTION OF TEMPERATURE WITH OTHER FACTORS ON THE RESPONSE OF CANADA THISTLE TO HERBICIDES ...Herbicides -non-specific, Mineral Nutrition, Mode of Action -plant, Modified Water Use, Soil Moisture -non-specific, ...2.0395

Temperature - Soil

Freezing & Below

- LABORATORY AND FIELD STUDIES OF FROST HEAVING ...Density, Frost Heaving, Internal Water Movement, Mineralogy, Moisture Content, ...2.1143

High Temp. - 85f Or Above

- USE OF REACTOR COOLING WATER FROM NUCLEAR POWER PLANTS FOR IRRIGATION OF AGRICULTURAL CROPS ...Atomic Plants, Irrigation-general, Photosynthesis, Respiration, Transpiration and Evap, ...3.0400

- THE EFFECT OF TILLAGE AND ORGANIC MULCHES UPON SOIL MOISTURE MOVEMENT AND SOIL TEMPERATURES IN THE LOWER RIO GRANDE ...Evaporation, Modified Water Use, Mulches -other, Soil Environment, Temperature, ...2.1056

Low Temp. - But Above 32f

- PREDICTING THE EFFECTS OF CHANGES IN IRRIGATION WATER TEMPERATURE CAUSED BY WATER PROJECTS ...Heat Flow, Irrigation, Temperature, ...5.0083

- ROLE OF LIGHT QUALITY, ETC. ON TRANSPIRATION OF WATER LOSSES BY PLANTS ...Humidity, Temperature, Transpiration, ...2.1038

Soil Temp. -non-specific

- CLAY-WATER-ION INTERACTIONS ...Adsorption Capacity, Clay, Flow Characteristics -water, Moisture Tension, Temperature, ...2.0436

- PREDICTION OF WATER MOVEMENT IN UNSATURATED SOILS ...Boundary Process (moisture), Permeability, Saturated-unsaturated, Temperature, Texture, Water Movement, Velocity, ...2.0885

- THE EFFECT OF VARIOUS COMMERCIAL FERTILIZER PLACEMENTS AND IRRIGATION PRACTICES ON THE YIELD AND QUALITY OF RUSSET BURBANK POTATOES ...Band Width, Irrigation, Irrigation-general, Potatoes, Yield, ...2.0228

- ACCUMULATION OF CLIMATOLOGICAL DATA ...Ash Trees, Flowering, Ohio, Soil Depth, ...7.0090

- CHEMICAL, PHYSICAL AND BIOLOGICAL REACTIONS OF PESTICIDES WITH SOILS AFFECTING SOIL PRODUCTIVITY AND PESTICIDE STABILITY ...Microbiology -soil, Movement, Leaching, Pesticides -non-specific, Pollutants - Path of, Residue Analysis -other, Soil Conditions, ...5.0202

Temperature -non-specific

- ECONOMIC ASPECTS OF SUPPLEMENTAL IRRIGATION IN MISSOURI ...Corn, Economics-general, Irrigation-general, Moisture -non-specific, Sub - Humid, ...6.0320

SUBJECT INDEX

Environmental Changes

FACTORS INFLUENCING PLANT TRANSPIRATION IN THE SOUTH ...Humidity, Light Quality -non-specific, Light Quantity -non-specific, Photosynthesis, Transpiration, ...2.0684

Temperature -water

High Temp. - 85f Or Above

ECOLOGY AND PHYSIOLOGY OF THERMOPHILIC BLUE-GREEN ALGAE ...Adaptation, Cyanophyta (non-specific & Ot), Habitat Studies, Hot Springs, ...2.0898

Low Temp. - But Above 32f

BIOLOGICAL DEGRADATION OF WASTES UNDER PSYCHROPHILIC ENVIRONMENTS ...Bacterial Pollutant Sources, Biological, Mixed Culture, Polar, Water Bacteria, ...5.0036

WATER AND SOIL TEMPERATURE IN RELATION TO PLANT GROWTH ...Irrigation, Soil-water-plant Relationships, Temperature, Yield, ...2.0089

Water Temperature -other

LABORATORY STUDY OF AQUATIC ENVIRONMENTAL FACTORS AND PLANT GROWTH STAGES ON AQUATIC WEED GROWTH AND HERBICIDAL RESPONSE ...Environmental Effects, Herbicides -non-specific, Light -other, Maturity & Growth Stages, of Aquatic Plants, ...3.0127

Temperature Or Heat Budgets

HEAT BUDGET AND EVAPOTRANSPIRATION OF FRUIT TREES ...Energy Budgets, Evapotranspiration, Transpiration and Evap, Trees, Water Balance-budget, ...2.0311

DAILY HEAT BUDGETS IN ENVIRONMENTAL FLUIDS ...Heat Budget, Heat Flow, Illinois, Ohio, ...2.0405

Topographical

Elevational Levels, Altitude

IMPROVEMENT OF HIGH ALTITUDE (7600) VEGETABLE CROPS ...Brassica -the Cabbage Group, Irrigation, Irrigation-general, Lettuce, Quality -non-specific, ...4.0055

MICROCLIMATIC FACTORS FOR FOUR PLANT COMMUNITIES ON ELK MOUNTAIN ...Artemisia, Energy Budgets, Mapping, Range, Wyoming, ...2.1170

Slope - Degree of

LOW GRADIENT BORDER CHECK IRRIGATION ...Border Irrigation, Irrigation, Management, ...4.0063

REDUCTION OF FLOOD RUNOFF, SEDIMENTATION AND STREAMFLOW IMPROVEMENT IN UNGLACIATED AREAS ...Erosion-general, Forest Watersheds, Mississippi River, Runoff, Stream Rehabilitation, Water Loss Control, ...4.0275

EFFECTS OF SOIL, TOPOGRAPHY, CLIMATE, CROPPING AND MANAGEMENT PROCEDURES ON RUNOFF AND EROSION, AND ON THE PREDICTION OF SOIL LOSSES ...Conservation, Rain, Runoff, Tillage, Cropping Systems, ...2.0337

Slope - Direction of

EVAPOTRANSPIRATION PATTERNS OF FOREST AND BRUSH VEGETATION ON THE EAST SLOPE OF THE SIERRA NEVADA ...Evapotranspiration, Forest Watersheds, Moisture Levels, Mountains-alpine, Sierra Nevada, ...4.0167

Topographical -other

A SURVEY OF THE SEASONALLY-INUNDATED MARGINS OF LAKE VOLTA (GHANA) ...Agriculture Industry, Floods, Ghana, Soil Types, ...4.0084

Types of Plant Environments

Field

SPECTRAL RECONNAISSANCE FOR DIAGNOSIS OF SOIL AND WATER MANAGEMENT PROBLEMS ...Management, Reflectance, Remote Sensing, Soil Management -non-specific, Soil-water-plant Relationships, Spectral Reflectance, ...3.0465

Greenhouse

A UNIFIED APPROACH TO WATER, FOOD AND POWER IN A COASTAL DESERT COMMUNITY ...Arid and Desert, Desalination, Deserts, Diesel, Distilling Units, Electric Power Plants, Use of Impaired Water, ...3.0015

GREENHOUSE AND OUTDOOR NURSERY CULTURE OF SALT CEDAR PLANTS TO BE USED IN PHREATOPHYTE CONTROL PROGRAM ...Agricultural Chemicals-general, Salt-

cedar, Tamarisk, Shrubs & Vines, Mainly Fibrous, Trees, ...3.0131

Hydroponic

REMOVAL OF NUTRIENTS FROM ENRICHED FLOWS & WASTE EFFLUENTS BY THE HYDROPONIC CULT OF SUITABLE FORAGE PLANTS & GRASSES ...Grasses -non-specific, Management, Nutrients, Process Design, Waste Water Treatment-general, ...5.0910

Laboratory

BIOCHEMICAL EFFECTS OF MICROORGANISMS UPON THE SALT MARSH ENVIRONMENT ...Bacterial Pollutant Sources, Identification, Marine Bacteria (non-specific), Salinity, Swamps-marshes, ...1.0025

Miniature Or Microenvironment

PREDICTIONS OF WATER REQUIREMENTS OF CROPS FROM MICROCLIMATIC PARAMETERS ...Air - Water - Plant Relations, Energy Budgets, Evapotranspiration, Microclimate-general, Requirements for Water, ...4.0029

Xeric

THE WATER RELATIONS OF DESERT PLANTS ...Arid and Desert, Osmotic and Turgor Pressure, Phenology, Plant Water Use-other, Seasonal, ...2.0737

Water - Light Qual. & Quant.

STUDY OF TURBIDITY - PRODUCTION FACTORS IN LAKE KAMPESKA CODINGTON COUNTY, SOUTH DAKOTA ...Lakes, Primary Productivity, Productivity - Food Chain, South Dakota, Turbidity, Water Properties-general, ...2.0978

THE EFFECTS OF LIGHT WAVE LENGTHS ON THE RATES OF PHOTOSYNTHESIS AND ITS REACTION TO OXYGEN LEVELS IN PONDS ...Autotrophic, Optical Properties, Oxygen Content -water, Ponds, Respiration, ...6.0033

Water Depth, Water Levels

WATER BALANCE AND ALKALINE EXCHANGE RELATIONSHIPS AS INFLUENCED BY WATER MANAGEMENT PRACTICES IN RICE ...Arkansas, Microclimate-general, Rice, Salt, Water Balance-budget, ...2.0071

ECOLOGICAL STUDIES OF MANIPULATED MARSHES AT DELTA, MANITOBA, CANADA ...Amphibious Plants, Canada, Submerged Plants, Swamps-marshes, Water Fowl, N.s., ...4.0257

Water Movement, Velocity

TRACE ELEMENT STUDY OF SOIL-PLANT-WATER SYSTEMS ...Groundwater, Soil - Crop Relationships, Soil-water-plant Relationships, Trace Elements, ...1.0013

PREDICTION OF WATER MOVEMENT IN UNSATURATED SOILS ...Boundary Process (moisture), Permeability, Saturated-unsaturated, Soil Temp. -non-specific, Temperature, Texture, ...2.0885

SOIL - PLANT - WATER RELATIONSHIPS ...Moisture Tension, Nuclear Moisture Meters, Soil Morphology, Profiles, Soil-water-plant Relationships, ...2.0923

HYDROLOGIC EFFECT OF VEGETATION MODIFICATION ...Hydrology-general, Model Studies, Modified Water Use, Water Development, Water Yield, ...3.0009

Water Salinity

LEACHING REQUIREMENT AND SALINITY STUDIES WITH BEARING ORANGE TREES ...Citrus, Flood Irrigation, Leaching-other, Soil and Rock Leaching, Trees, ...4.0041

Wind Or Air Movement

MEASURING EVAPOTRANSPIRATION AND PHOTOSYNTHESIS OVER SHORT PERIODS OF TIME IN THE FIELD ...Alfalfa, Evapotranspiration, Humidity, Lysimeters, Photosynthesis, ...2.0725

AN EXPERIMENTAL STUDY OF EDDY DIFFUSION COEFFICIENTS, EVAPOTRANSPIRATION AND WATER USE EFFICIENCY ...Diffusion, Eddies, Evaporation, Evapotranspiration, Natural Variation of Water Use, Transpiration, ...2.0437

Environmental Changes

FISHES OF THE ARKANSAS RIVER BASIN, COLORADO ...Arkansas River, Colorado, Fish -non-specific, Survey Studies, Water Environment -other, ...6.0102

Environmental Changes

SUBJECT INDEX

FISHES OF THE SOUTH PLATTE RIVER BASIN, COLORADO
...Animal Distr. (non-specific), Colorado, Environmental Ecology,
Fish dnon-specific, Pollution - Effects of , River Basins, ...5.0194

HYDROGRAPHY OF THE PENOBSCOT RIVER ESTUARY
...Dissolved Load, Estuaries, Maine, Pollution Abatement, Salini-
ty, Temperature, ...5.0467

PHYSIOCHEMICAL RESPONSES OF RIVERS TO NATURAL
AND MANMADE ENVIRONMENTAL CHANGES ...Mans Ac-
tivities, Nutrients, Pollutants - Path of , Streams, ...5.1150

CHEMICAL RESPONSES BY MARINE ORGANISMS TO STRESS
...Environmental Ecology, Environmental Physiology, Protein,
Salinity, Thermal, ...5.1056

ECOLOGY OF DIATOMS IN HARDWATER HABITATS ...Algae,
Algae- Diatoms, Habitat Studies, Paleocology, Pollen, ...5.0406

EFFECT OF ENVIRONMENTAL CHANGES ON BLUE CRAB
ABUNDANCE ...Crabs, All, Life History Studies, Migration,
North Carolina, Population Dynamics, ...6.0400

ENVIRONMENTAL CHANGES IN LAKE ERIE ...Aquatic Ecolo-
gy, Environmental Ecology, Ions and Gases, Lake Erie, Nutrients,
...5.0540

RELATION OF RIVER-RUN IMPOUNDMENTS TO SALMON
PRODUCTION ...Aquatic Ecology, Engineering Structures-
general, Environmental Ecology, Mans Activities, Pollution - Ef-
fects of , Salmon & Trout - Non-specific, ...6.0616

Environmental Effects-geologic

STREAM VALLEY ASYMMETRY IN AN ARCTIC ENVIRON-
MENT-CONDITIONS GOVERNING GEOMORPHIC
PROCESSES 7360 ...Arctic , Microclimate-general, Shape,
Slopes, Valleys and Canyons, ...2.0255

RAINWASH AND SOIL CREEP IN WESTERN NORTH DAKOTA
...Creep, Erosion-general, Morphology-general, North Dakota,
Slopes, ...2.0848

RESPIRATION OF AQUATIC MACROPHYTES IN EUTROPHIC
SYSTEMS ...Eutrophication, Nutrients, of Aquatic Plants, Plant
Pollutants, Respiration, ...5.1041

A PRELIMINARY RECONNAISSANCE OF AREAS TO BE IM-
POUNDED IN THE SALT RIVER BASIN OF KENTUCKY
...Kentucky, Morphology-general, Pre-impoundment Sites, Water
Quality-general, ...6.0243

HYDROGEOCHEMICAL INVESTIGATION OF SELECTED
WATERSHEDS IN SOUTHWESTERN MONTANA ...Chemical-
general, Hydrogeochemical Properties, Montana, Rocks -
Bedrock, Small Watersheds, ...5.0698

CHEMISTRY OF ATMOSPHERIC PRECIPITATION ...Chemical
Composition, Groundwater, Precipitation-general, Streams, Water
Quality-general, ...2.0279

EFFECTS OF ENVIRONMENTAL FACTORS ON STANDING
CROP AND HARVEST OF FISHES IN U. S. RESERVOIRS
...Environmental Ecology, Fish -non-specific, Reservoirs and Im-
poundments, ...6.0021

PHYSICAL AND CHEMICAL CHARACTERISTICS OF THE
UPPER CHESAPEAKE BAY ...Aquatic Soils, Chemical-general,
Chesapeake Bay, Commercial Fishing, Physical-general, ...5.0506

THE EFFECTS OF ENVIRONMENTAL CONDITIONS ON THE
SPAWNING AND SURVIVAL OF FRY OF THE WALLEYE
...Eutrophication, Pollution - Effects of , Temperature, Walleyes,
...5.0900

MONITORING FISH STOCKS AND ENVIRONMENTAL CONDI-
TIONS ...Aquatic Ecology, Biological-general, Population Dynam-
ics, Water Properties-general, ...6.0635

STUDY OF ASSIMILATIVE CAPACITY OF ARCTIC AND SUB-
ARCTIC STREAMS ...Polar, Pollution - Effects of , Self-purifica-
tion, Streams, ...5.0029

Environmental Factors-geologic

Biological

LAKE ERIE ENVIRONMENTAL STUDIES PROGRAM ...Biologi-
cal-general , Chemical, Chemical-general, Deltas, Eutrophication,
Lake Erie, Meteorological Studies-general, Monitoring (long
Term Studies), Physical-general, Sedimentology-general, ...2.0783

Chemical

LAKE ERIE ENVIRONMENTAL STUDIES PROGRAM ...Biologi-
cal, Biological-general, Chemical-general, Deltas, Eutrophication,
Lake Erie, Meteorological Studies-general, Monitoring (long
Term Studies), Physical-general, Sedimentology-general, ...2.0783

Physical

THE EFFECTS OF FERTILIZATION ON PRODUCTIVITY OF
FARM PONDS ...Farm Pond, Fertilizers, Plant Prod. (non-
specific), Productivity - Food Chain, ...6.0549

Basin Shape

HYDROLOGY AND GEOCHEMISTRY OF CLOSED BASIN
LAKES ...Evaporation, Geochemical Analysis, Lakes,
Meteorological Extremes, Salt, Solution, ...2.1137

Climate

HYDROLOGIC ANALYSIS OF LAKE SYSTEMS AND OF
GLACIERS ...Glaciology-general, Infrared Radiation, Lakes,
Snowpack, Water Balance-budget, ...6.0142

CHARACTERISTICS OF STREAM FLOW OF SMALL
WATERSHEDS IN PENNSYLVANIA AND INFLUENCING
FACTORS ...Flow Characteristics -water, Land Use, Model Stu-
dies, Morphology-general, Small Watersheds, Water Yield,
...2.0929

AERATION OF LAGOONS IN RIGOROUS CLIMATE AREAS
...Aeration, Degradation-other, Lagoon, Pollution Abatement,
Pond, Water Balance-budget, Wyoming, ...5.1325

LAGOONS FOR DISPOSAL OF BARN YARD WASTES ...Animal
Waste Removal-treatment, Animal Wastes - Feed Lots, Farm
Wastes, Lagoon, Louisiana, Process Design, ...5.0452

WATER YIELDS FROM SMALL WATERSHEDS ...Runoff, Shape,
Small Watersheds, Virginia, Water Yield, ...4.0265

CLIMATIC PATTERNS IN WASHINGTON STATE ...Data Analy-
sis Applications, Data Networks, Evaporation, Forecasting, Pat-
terns, ...2.1122

AGRICULTURAL CLIMATOLOGY OF WEST VIRGINIA ...Ap-
plied Climatology, Northeast, Other Water Conditions, Phenolo-
gy, ...2.1142

COOPERATIVE EVAPOTRANSPIRATION RESEARCH
...Deserts, Evapotranspiration, Heat Exchange, Radiation-general,
...2.0136

EVALUATION OF CONSUMPTIVE WATER USE, SOIL-WATER
STORAGE, AND THE INTERRELATION OF THREE COM-
PONENTS OF THE WATER BUDGET ...Agricultural
Watersheds, Consumptive Use, Evapotranspiration, Groundwater,
Moisture Retention, Water Balance-budget, ...4.0080

EVAPORATION AND CLIMATIC STUDIES ...Climatic Effects,
Evaporation, Evapotranspiration, Snowmelt, Water Quality-
general, ...2.1064

PRECIPITATION-FREQUENCY MAPS FOR WESTERN UNITED
STATES ...Geomorphology, Patterns, Weather Charts-maps,
Western, ...7.0052

VEGETATION CHANGES IN SOUTHWESTERN NORTH AMER-
ICA ...Arid and Desert, Deserts, Arid Lands, Other Water Condi-
tions, Soil-water-plant Relationships, Southwest, ...2.0045

SEDIMENT YIELD IN RELATION TO CLIMATIC AND
WATERSHED CHARACTERISTICS IN THE SOUTHERN
BRANCH ...Agricultural Watersheds, Location, Radioisotopes,
Sediment Transport-general, Sediment Yield, ...2.0675

SEDIMENT PRODUCTION, YIELD, & DELIVERY RATIO IN
RELATION TO CLIMATIC, GEOLOGIC, & WATERSHED
CHARACTERISTICS OF THE NORTHERN PLAINS ...Agricul-
tural Watersheds, Location, Radioisotopes, Sediment Transport-
general, Sediment Yield, ...2.0230

WATER YIELD IN RELATION TO CLIMATIC & WATERSHED
CHARACTERISTICS OF LAND ...Agricultural Watersheds,
Morphology-general, Patterns, Subsurface Flow, Water Yield,
...3.0419

RELATION OF CLIMATIC AND WATERSHED FACTORS TO
RUNOFF RATES AND VOLUME YIELDS ...Agricultural
Watersheds, Flow Characteristics -water, Geomorphology-quant-
itative, Morphology-general, Storms-general, Water Yield,
...2.0333

WATER YIELD AS RELATED TO CLIMATIC WATERSHED
CHARACTERISTICS IN THE NORTHERN PLAINS ...Agricul-
tural Watersheds, Groundwater Movement, Morphology-general,
Patterns, Water Yield, ...3.0145

STORM RUNOFF AND FLOODS AS RELATED TO IN-
TEGRATED CLIMATIC AND WATERSHED CHARAC-
TERISTICS ...Floods, Land Use, Morphology-general, Runoff,
Storm Water, ...4.0071

EVALUATION OF CLIMATIC, TOPOGRAPHIC, SOIL AND
CROP MANAGEMENT FACTORS IN RELATION TO WATER
MANAGEMENT AND EROSION CONTROL IN THE CORN
BELT ...Corn Belt, Erosion-general, Runoff, Slopes, Wind Ero-
sion, ...2.0476

SUBJECT INDEX

Environments - Animal

CLIMATIC INFLUENCE ON WATER USE AND CROP PERFORMANCE IN THE CORN BELT REGION ...Corn Belt, Energy Budgets, Evapotranspiration, Heat Exchange, Humidity, Soil-water-plant Relationships, ...2.0439

FACTORS INFLUENCING THE STABILITY AND REGIME OF CHANNELS IN AGRICULTURAL WATERSHEDS ...Agricultural Watersheds, Channels, General Deposition, Land Use, Morphology-general, ...4.0072

FACTORS GOVERNING EVAPOTRANSPIRATION OF WATER IN COASTAL REGIONS ...Energy-general, Evapotranspiration, Lysimeters, Moisture Tension, Soil Environment, ...8.0012

Geomorphology

PRECIPITATION-FREQUENCY MAPS FOR WESTERN UNITED STATES ...Climate, Patterns, Weather Charts-maps, Western, ...7.0052

Meteorology

EVAPOTRANSPIRATION AND ITS CHEMICAL REDUCTION ...Agricultural Watersheds, Antitranspirants, Evapotranspiration, Kansas, Lysimeters, ...3.0244

Environmental Physiology

EFFECTS OF WATER TEMPERATURE UPON RESPIRATORY METABOLISM OF CUTTHROAT TROUT, SALMO CLARKI ...Cutthroat Trout, Respiration, Temperature, Utah, Water Temperature-non-specific, ...5.1192

EFFECT OF INCUBATION TEMPERATURE ON SURVIVAL OF LARGEMOUTH BASS EMBRYOS ...Basic Embryology, Incubation, Largemouth Bass, Temperature, Warm Water, ...6.0387

THE ROLE OF FOOD IN THE MORTALITY OF LARGEMOUTH BASS LARVAE ...Fasting - Starvation, Food Supply, Largemouth Bass, Maturity & Growth Stages, Mortality Rates, ...7.0079

FACTORS AFFECTING FISH PRODUCTION PONDS ...Blood Proteins -non-specific, Bluegills, Bream, Electrophoresis -other, Protein, Purification and Isolation, ...6.0221

STATEWIDE FISHERIES RESEARCH ...Basses -sea,white, White Perch, Incubation, Low Temp. -but Above 32f, Maturity & Growth Stages, Temperature, ...5.0818

PIGMENT INDICES OF ENVIRONMENTAL OXYGEN STRESS ...Hemoglobin, Oxygen, Respiratory Or Blood, ...5.0810

CHEMICAL RESPONSES BY MARINE ORGANISMS TO STRESS ...Environmental Changes, Environmental Ecology, Protein, Salinity, Thermal, ...5.1056

RESPONSES OF FISH TO ENVIRONMENTAL STRESSES ...Cardiovascular System, Fish -non-specific, Kidney and Urinary System, Stress, Water Environment -other, ...5.1269

FISH OPERCULAR RESPONSE TO ENVIRONMENTAL VARIABLES ...Fish, Gases, Dissolved -water, Goldfish, Minnows, Water Temperature-non-specific, ...5.0865

EFFECT OF WATER TEMPERATURE AND/OR DISSOLVED OXYGEN REQUIREMENTS ON SELECTED MOLLUSKS ...Freezing & Below, Gases, Dissolved -water, Gastropods -slugs,conch,snails, Oxygen, Warm Water, ...5.0555

TAXONOMY AND PHYSIOLOGY OF PROTOZOA IN CAVE STREAMS AND POOLS ...Animal Taxonomy, Caves, Kentucky, Protozoa -other, Streams, ...6.0240

ANTIBIOTIC EFFECTS OF ROOTED AQUATICS ON ZOOPLANKTON SPECIES ...Antibiotics, Aquatic Plants (non-specific), Physiological Ecology, ...2.0159

THERMAL EFFECTS ON MARINE AND ESTUARINE SHELLFISH ...Aquatic Ecology, Crustacea -non-specific, Mollusks -non-specific & Other, Pollution - Effects of, Water Temperature-non-specific, ...5.1251

ENVIRONMENTAL FACTORS AND YOUNG NORTHERN PIKE SURVIVAL IN RESERVOIRS ...Aquatic Ecology, Pikes, Pickeral, Muskellunge, Reservoirs and Impoundments, Stocking of Fish & Shellfish, Temperature, ...6.0510

ENVIRONMENTAL FACTORS AND YOUNG YELLOW PERCH SURVIVAL IN RESERVOIRS ...Aquatic Ecology, Reservoirs and Impoundments, Stocking of Fish & Shellfish, Temperature, Yellow Perch, Darters, ...6.0511

ENVIRONMENTAL FACTORS AND YOUNG WHITE BASS SURVIVAL IN RESERVOIRS ...Basic Embryology, Basses -sea,white, White Perch, Captive Rearing, Reservoirs and Impoundments, ...6.0512

PHYSIOLOGY AND BEHAVIOR OF LARVAE (PHYSIOECOLOGICAL PROGRAM) ...Aquatic Ecology, Biological Rhythms, Environmental Ecology, Water Properties-general, ...6.0113

SURVIVAL REQUIREMENTS OF JUVENILE AND ADULT BLUE CRABS ...Biological Rhythms, Crabs, All, Laboratory, Osmoregulation, Water Properties-general, ...6.0401

PHYSIOLOGY AND BEHAVIOR ...Aquatic Ecology, Biological-general, Productivity - Food Chain, ...6.0290

FISH BEHAVIOR AND PHYSIOLOGY ...Behavior -animal, Engineering Structures-general, Migration, Salmon & Trout - Non-specific, Thermal Pollution, ...6.0615

GROWTH, CONDITION, AND SURVIVAL OF SHELLFISH ...Adaptation, Maryland, Oysters, Water Quality-general, Water Salinity, ...6.0269

EFFECTS OF TEMPERATURE ON MATURATION, EMBRYONIC DEVELOPMENT AND CONDITION OF FRY IN YELLOW PERCH - LAKE HERRING, SMELT AND WALLEYE ...Basic Embryology, Maturity & Growth Stages, Temperature, Thermal Pollution, Water Temperature-non-specific, Yellow Perch, Darters, ...5.0590

PHYSIOLOGIC AND METABOLIC RESPONSE AS INDICATORS OF STRESS ...Gases, Dissolved -water, Ions and Gases, Metabolism -animal, Oxygen, Stress, ...5.0592

DEVELOPMENT OF CULTURE METHODS FOR ECOLOGICALLY IMPORTANT MARINE ZOOPLANKTON SPECIES ...Aquatic Ecology, Copepods, Invertebrate Cultures, Zooplankton, ...5.1096

Environments - Animal

Air Pollution -other

TOXICOLOGY OF PESTICIDES IN THE ENVIRONMENT ...Contamination - Water, Food Chains, Animal And/or Man, Pesticides -non-specific, Pollution Effects, Soil Contamination -other, ...5.0945

Chemical Measurements -water

PHYSICAL AND CHEMICAL CHANGES OF RECIRCULATED HATCHERY WATER SUPPLIES ...Captive Rearing, Chemical-general, Physical Measurements -water, Physical-general, Water Reuse, ...5.0708

PHYSICAL AND CHEMICAL PROPERTIES OF ALABAMA WATERS LIKELY TO SUPPORT STRIPED BASS, ROCCUS SAXATILIS ...Aquatic Ecology, Basses -sea,white, White Perch, Chemical-general, Physical Measurements -water, Physical-general, ...6.0003

CHEMICAL ECOLOGY OF DIPTOMID COPEPODS OF COLORADO ...Aquatic Ecology, Colorado, Copepods, Environmental Ecology, Fresh Water, ...6.0088

ACUTE TOXICITY OF PESTICIDES TO FRESHWATER INVERTEBRATES ...Age, Bioassay, Chemical-general, Laboratory Animals, Water Temperature-non-specific, ...5.0662

Contamination

Pollution -non-specific

ECOLOGY OF COLORADO MOLLUSKS ...Colorado, Mollusks -non-specific & Other, Pollution - Effects of, Pollution Effects, Range Or Territorial Distr. , ...5.0178

Radioactive Pollution -ns

RADIONUCLIDE CYCLING IN AQUATIC ECOSYSTEMS AND THE USE OF ISOTOPES TO DELINEATE AND QUANTIFY BASIC ECOLOGICAL PROCESSES ...Aquatic Ecology, Environmental Ecology, Lakes, Productivity - Food Chain, Strontium, ...2.1000

Contamination - Soil

Soil Contamination -other

TOXICOLOGY OF PESTICIDES IN THE ENVIRONMENT ...Air Pollution -other, Contamination - Water, Food Chains, Animal And/or Man, Pesticides -non-specific, Pollution Effects, ...5.0945

Contamination - Water

THE ACCUMULATION OF FISSION PRODUCTS BY MARINE FISH AND SHELLFISH ...Chlorideae -other, Estuaries, Food Chains, Radioactivity-general, Radioecology, ...5.0805

ECOLOGICAL STUDIES OF RADIOACTIVITY IN THE COLUMBIA RIVER ESTUARY AND ADJACENT PACIFIC OCEAN ...Columbia River, Organ Sampling Devices, Pacific Ocean-north, Pollutants - Path of, Radioactivity, ...6.0452

COLUMBIA RIVER STUDIES ...Columbia River, Invertebrates, Oysters, Pollution Effects, Radioactivity-general, Reproductive System, ...5.1268

- REGION 2 - WEED CONTROL ...Drainage, Irrigation-general, of Aquatic Plants, Plant Pollutants, ...3.0093
- THE SPECIES DIVERSITY OF AQUATIC INSECTS AS RELATED TO MINE ACID POLLUTION ...Acidity, Insects -non-specific, Mining Activities, Ph, Acidity -water, ...5.1033

- ECOLOGICAL STUDIES OF WILDLIFE MANAGEMENT PRACTICES ...Delaware, Habitat Studies, Management, Swamps-marshes, Wildlife -non-specific, ...6.0119
- FISH POPULATION MANIPULATION AT RIDGE LAKE ...Control of Nuisance Species, Illinois, Lakes, Population Dynamics, Water Level Fluctuation, ...6.0194

SUBJECT INDEX

Environments - Animals

WATERFOWL MANAGEMENT THROUGH WATER-LEVEL CONTROL ...Drawdown, Management, Management -other, Water Fowl, N.s., Wetlands, ...4.0133

Energy Budgets

A DETAILED STUDY OF THE ENERGY FLOW THROUGH THE BIOTA OF DOE RUN, MEADE COUNTY, KENTUCKY ...Kentucky, Radioactivity-general, Radioecology, Streams, ...2.0529

A STUDY OF THE ENERGY FLOW THROUGH SELECTED COMPONENTS OF A SMALL AQUATIC ECOSYSTEM ...Aquatic Ecology, Farm Pond, Food Chains, Productivity - Food Chain, ...6.0162

COMPARISON OF ENERGY FLOW PARAMETERS OF MIDGE POPULATIONS IN BIOLOGICAL OXIDATION PONDS ...Bloodworms, Aquatic Midges, Oklahoma, Pollution Effects, Productivity - Food Chain, Sewage Lagoons, ...5.0929

ECOLOGICAL STUDIES OF AN EXPERIMENTAL STREAM ...Aquatic Ecology, Contamination - Water, Freshwater Ecology, Streams, ...5.0963

Gases, Dissolved -water

EFFECTS OF DISSOLVED OXYGEN CONCENTRATION ON SURVIVAL OF LARGEMOUTH BASS EMBRYOS ...Basic Embryology, Largemouth Bass, Mortality Rates, Oxygen, Water Movement, Currents, Water Temperature-non-specific, ...5.0771

EFFECTS OF SIMULTANEOUS VARIATION OF TEMPERATURE AND DISSOLVED OXYGEN ON THE RESISTANCE OF FISHES TO CONTROLLED POLLUTANTS ...Contamination - Water, Oxygen, Pollution - Effects of, Temperature, Water Temperature-non-specific, ...5.0220

DISSOLVED OXYGEN REQUIREMENTS OF FRESHWATER FISH ...Aquatic Ecology, Environmental Ecology, Fish -non-specific, Ions and Gases, Oxygen, ...5.0962

BENTHONIC INVERTEBRATES AS AN INDEX OF WATER QUALITY ...Benthic Fauna, Bioindicators, Oxygen, Water Quality Control-general, ...5.0601

FISH OPERCULAR RESPONSE TO ENVIRONMENTAL VARIABLES ...Environmental Physiology, Fish, Goldfish, Minnows, Water Temperature-non-specific, ...5.0865

EFFECT OF WATER TEMPERATURE AND/OR DISSOLVED OXYGEN REQUIREMENTS ON SELECTED MOLLUSKS ...Environmental Physiology, Freezing & Below, Gastropods - slugs, conch, snails, Oxygen, Warm Water, ...5.0555

EFFECT OF SUPERSATURATION OF DISSOLVED NITROGEN ON MIGRATING SALMONIDS ...Mortality Rates, Nitrogen, Pathology, Salmon & Trout - Non-specific, ...6.0614

PHYSIOLOGIC AND METABOLIC RESPONSE AS INDICATORS OF STRESS ...Environmental Physiology, Ions and Gases, Metabolism -animal, Oxygen, Stress, ...5.0592

EFFECTS OF D.O., TEMPERATURE AND POTENTIAL TOXICANTS UPON SELECTED MACROINVERTEBRATES (EMPHASIZING NON-ARTHROPODS) ...Contamination - Water, Food Supply, Pollution - Effects of, Pollution Effects, Water Temperature-non-specific, ...5.0589

EFFECTS OF HIGH TEMPERATURE, LOW OXYGEN, AND PH EXTREMES ON THE SURVIVAL OF AQUATIC INSECTS AND CRUSTACEA IMPORTANT AS TROUT FOOD ...Aquatic Ecology, Food Supply, High Temp. -85f Or Above, Lake Superior, Ph, Acidity -water, ...5.0593

Light Quality

Light Quality -non-specific

THE EFFECTS OF DIELDRIN ON MALLARD DUCKLING BEHAVIOR ...Behavior -animal, Dieldrin, Mallard, Mode of Action -animal, Visual, ...6.0580

Mineral Content -water

FERN LAKE MINERAL METABOLISM PROGRAM ...Fertilizers - aquatic, Hardness-minerals, Lakes, Productivity - Food Chain, Washington, ...6.0624

AN ECOLOGICAL STUDY OF AN ALKALINE STREAM WITH HEAVY IRON DEPOSITS ORIGINATING FROM TREATMENT OF MINE ACID WATER ...Alkalinity, Lake Trout, Brook Trout, Mining Activities, Productivity - Food Chain, Susquehanna River, Water Alkalinity, ...5.1025

Organic Matter Content -water

NUCLIDE UPTAKE BY ALGAE AND ZOOPLANKTON ...Chlorella, Cladocera, Environment, Ionic Effect, Radioisotopes -non-specific, ...6.0048

Ph, Acidity -water

THE SPECIES DIVERSITY OF AQUATIC INSECTS AS RELATED TO MINE ACID POLLUTION ...Acidity, Contamination - Water, Insects -non-specific, Mining Activities, ...5.1033

SENSITIVITY OF SELECTED INSECT SPECIES TO DEPRESSED LEVELS OF PH ...Acidity, Bioindicators, Caddis-flies, Mayflies, Mining Industry, Stone Flies, Plecoptera, ...5.1034

LIMESTONE DRUM PRODUCTIVITY STUDY ...Aquatic Ecology, Chemical-general, Limestone - General, Population Dynamics, Productivity (agricultural), ...5.1273

PHYSIOLOGICAL EFFECTS OF SUBLETHAL LEVELS OF ACID WATER ON FISH ...Acidity, Metabolic Efficiency, Mining Activities, Water Quality-general, West Virginia, ...5.1281

GROWTH OF THE BROWN BULLHEAD, ICTALURUS NEBULOSUS (LESUEUR), IN MINE ACID POLLUTED WATER ...Acidity, Bullheads, Contamination - Water, Growth Rate, Mining Activities, Pollution Effects, ...5.1278

WATER QUALITY REQUIREMENTS FOR AQUATIC INSECTS ...Growth Rate, Oxygen, ...5.0699

AQUATIC ECOSYSTEM ...Acidity, Cladocera, Environment Resistance, Pollution - Effects of, Productivity - Food Chain, ...6.0084

EFFECTS OF HIGH TEMPERATURE, LOW OXYGEN, AND PH EXTREMES ON THE SURVIVAL OF AQUATIC INSECTS AND CRUSTACEA IMPORTANT AS TROUT FOOD ...Aquatic Ecology, Food Supply, Gases, Dissolved -water, High Temp. -85f Or Above, Lake Superior, ...5.0593

Photoperiod

INTERACTION OF ENDRIN AND PROLACTING-INDUCED FAT SYNTHESIS IN THE PLAINS KILLIFISH - PESTICIDE EFFECTS ON FISH ENDOCRINE FUNCTIONS ...Adipose, Endrin X Biocid, Killifish - Cyprinodon, Metabolism -animal, ...5.0657

Physical Measurements -water

PHYSICAL AND CHEMICAL CHANGES OF RECIRCULATED HATCHERY WATER SUPPLIES ...Captive Rearing, Chemical Measurements -water, Chemical-general, Physical-general, Water Reuse, ...5.0708

PHYSICAL AND CHEMICAL PROPERTIES OF ALABAMA WATERS LIKELY TO SUPPORT STRIPED BASS, ROCCUS SAXATILIS ...Aquatic Ecology, Basses -sea, white, White Perch, Chemical Measurements -water, Chemical-general, Physical-general, ...6.0003

Radioactive Fallout

RADIOACTIVE FOOD-CHAINS IN THE SUBARCTIC ENVIRONMENT ...Productivity - Food Chain, Radioactive Isotopes, Radiologic Health, Sub - Polar, Toxicological and Allergy, ...2.0308

Temperature -water

Freezing & Below

EFFECT OF WATER TEMPERATURE AND/OR DISSOLVED OXYGEN REQUIREMENTS ON SELECTED MOLLUSKS ...Environmental Physiology, Gases, Dissolved -water, Gastropods - slugs, conch, snails, Oxygen, Warm Water, ...5.0555

High Temp. -85f Or Above

EFFECTS OF HOT WATER MASSES ON MARINE FISHES ...Atlantic Ocean-north, Behavior -animal, Fish -non-specific, Thermal, ...5.0721

EFFECTS OF HIGH TEMPERATURE, LOW OXYGEN, AND PH EXTREMES ON THE SURVIVAL OF AQUATIC INSECTS AND CRUSTACEA IMPORTANT AS TROUT FOOD ...Aquatic Ecology, Food Supply, Gases, Dissolved -water, Lake Superior, Ph, Acidity -water, ...5.0593

Low Temp. -but Above 32f

THE FEASIBILITY OF COLD WATER FISHES FOR LAKE SHARPE, SOUTH DAKOTA ...Bottom Sampling, Fish -non-specific, Reservoirs and Impoundments, South Dakota, Temperature, ...7.0041

STATEWIDE FISHERIES RESEARCH ...Basses -sea, white, White Perch, Environmental Physiology, Incubation, Maturity & Growth Stages, Temperature, ...5.0818

A PARASITOLOGICAL STUDY OF FISHES FROM THE PINE HILLS AREA ...Aquatic Ecology, Fish -non-specific, Helminths, Illinois, Springs, ...6.0180

Environments - Animal

SUBJECT INDEX

LIMNOLOGICAL FEATURES LAKE SHARPE IN RELATION TO COLD-WATER FISHES ...Currents -water, Fish -non-specific, Reservoirs and Impoundments, South Dakota, Temperature, ...6.0517

PREDICTION OF ENVIRONMENT ...Biological-general, Columbia River, Environmental Ecology, Physical-general, Reservoirs and Impoundments, Salmon & Trout - Non-specific, Snake River, Temperature, Thermal Pollution, ...6.0617

Warm Water

MIGRATORY RESPONSE OF ADULT SALMONIDS TO WATER TEMPERATURE ...Management -other, Migration, Salmon -coho, chinook, sockeye..., Temperature, Thermal Pollution, ...8.0300

EFFECT OF INCUBATION TEMPERATURE ON SURVIVAL OF LARGEMOUTH BASS EMBRYOS ...Basic Embryology, Environmental Physiology, Incubation, Largemouth Bass, Temperature, ...6.0387

THE EVALUATION OF ENVIRONMENTAL ALTERATION BY THERMAL LOADING AND ACID POLLUTION IN THE COOLING RESERVOIR OF A STEAM-ELECTRIC STATION ...Acidity, Growth Rate, Mining Activities, Reservoirs and Impoundments, Thermal Pollution, ...5.0681

STUDIES OF THERMAL POLLUTION IN BISCAYNE BAY ...Aquatic Ecology, Bays, Florida, Pollution - Effects of, Thermal Pollution, ...5.0265

EFFECT OF WATER TEMPERATURE AND/OR DISSOLVED OXYGEN REQUIREMENTS ON SELECTED MOLLUSKS ...Environmental Physiology, Freezing & Below, Gases, Dissolved -water, Gastropods -slugs, conch, snails, Oxygen, ...5.0555

EFFECTS OF TEMPERATURE ON AQUATIC LIFE ...Aquatic Ecology, Fish -non-specific, Model Studies, Productivity - Food Chain, Temperature, ...5.1121

Water Temperature-non-specific

EFFECTS OF WATER TEMPERATURE UPON RESPIRATORY METABOLISM OF CUTTHROAT TROUT, SALMO CLARKI ...Cutthroat Trout, Environmental Physiology, Respiration, Temperature, Utah, ...5.1192

EFFECTS OF DISSOLVED OXYGEN CONCENTRATION ON SURVIVAL OF LARGEMOUTH BASS EMBRYOS ...Basic Embryology, Gases, Dissolved -water, Largemouth Bass, Mortality Rates, Oxygen, Water Movement, Currents, ...5.0771

EFFECTS OF SIMULTANEOUS VARIATION OF TEMPERATURE AND DISSOLVED OXYGEN ON THE RESISTANCE OF FISHES TO CONTROLLED POLLUTANTS ...Contamination - Water, Gases, Dissolved -water, Oxygen, Pollution - Effects of, Temperature, ...5.0220

TEMPERATURE REQUIREMENTS OF SALMONIDS IN RELATION TO THEIR FEEDING, BIOENERGETICS, GROWTH AND BEHAVIOR ...Behavior -animal, Energy, Growth Rate, Rainbow Trout, Steelhead Trout, Salmon -coho, chinook, sockeye..., ...5.0942

FISH OPERCULAR RESPONSE TO ENVIRONMENTAL VARIABLES ...Environmental Physiology, Fish, Gases, Dissolved -water, Goldfish, Minnows, ...5.0865

STUDY OF TEMPERATURE EFFECTS IN COOLING WATER LAKE ...Aquatic Ecology, Lakes, Pollution - Effects of, Temperature, Thermal Pollution, ...6.0566

THERMAL EFFECTS ON MARINE AND ESTUARINE SHELLFISH ...Aquatic Ecology, Crustacea -non-specific, Environmental Physiology, Mollusks -non-specific & Other, Pollution - Effects of, ...5.1251

EFFECTS OF TEMPERATURE AND SILT ON NORTHERN PIKE DEVELOPMENTS IN THE LABORATORY ...Basic Embryology, Laboratory, Pikes, Pickeral, Muskellunge, South Dakota, Turbidity & Suspended Matter, ...6.0507

EFFECTS OF TEMPERATURE AND SILT ON YELLOW PERCH DEVELOPMENT IN THE LABORATORY ...Basic Embryology, Laboratory, South Dakota, Turbidity & Suspended Matter, Yellow Perch, Darters, ...6.0508

EFFECTS OF TEMPERATURE AND SILT ON WHITE BASS DEVELOPMENT IN THE LABORATORY ...Basic Embryology, Basses -sea, white, White Perch, Laboratory, Turbidity, Turbidity & Suspended Matter, ...6.0509

VARIATIONS IN SPAWNING OF FISHES IN RELATION TO TEMPERATURE ...Biological Rhythms, Fish -non-specific, Maturity & Growth Stages, South Dakota, Temperature, ...6.0518

TEMPERATURE TOLERANCE OF MARINE ANIMALS THROUGH BEHAVIORAL RESPONSES ...Behavior -animal, Environment Resistance, Mortality Rates, Thermal, ...6.0344

THERMAL PREFERENCES OF MARINE FISHES AND INVERTEBRATES ...Behavior -animal, Fish -non-specific, Invertebrates -non-specific, ...5.0720

ACUTE TOXICITY OF PESTICIDES TO FRESHWATER INVERTEBRATES ...Age, Bioassay, Chemical Measurements -water, Chemical-general, Laboratory Animals, ...5.0662

EFFECTS OF TEMPERATURE ON MATURATION, EMBRYONIC DEVELOPMENT AND CONDITION OF FRY IN YELLOW PERCH - LAKE HERRING, SMELT AND WALLEYE ...Basic Embryology, Environmental Physiology, Maturity & Growth Stages, Temperature, Thermal Pollution, Yellow Perch, Darters, ...5.0590

EFFECTS OF D.O., TEMPERATURE AND POTENTIAL TOXICANTS UPON SELECTED MACROINVERTEBRATES (EMPHASIZING NON-ARTHROPODS) ...Contamination - Water, Food Supply, Gases, Dissolved -water, Pollution - Effects of, Pollution Effects, ...5.0589

DETERMINATION OF SELECTED ENVIRONMENTAL REQUIREMENTS OF IMPORTANT SPECIES OF MARINE ZOOPLANKTON ...Copepods, Oxygen, Water Salinity, Zooplankton, ...5.1097

EFFECT OF THE EFFLUENT FROM AN ATOMIC POWER PLANT ON THE ADJACENT PORTION OF BARNEGAT BAY, NEW JERSEY ...Bays, New Jersey, Pollution - Effects of, Pollution Effects, Reactor Sites & Rad Waste, Thermal Pollution, ...5.1076

Turbidity & Suspended Matter

ASSESSMENT OF ENVIRONMENT FACTORS INFLUENCING THE DISTRIBUTION OF BOTTOM FISHES IN RESERVOIRS ...Nets, Oklahoma, Organic, Physical Properties-general, Reservoirs and Impoundments, ...5.0924

THE RELATIONSHIP BETWEEN TURBIDITY CURRENTS AND FISH MOVEMENTS IN GARRISON RESERVOIR ...Currents -water, Nets, North Dakota, Reservoirs and Impoundments, Turbidity, ...5.0829

EFFECTS OF TEMPERATURE AND SILT ON NORTHERN PIKE DEVELOPMENTS IN THE LABORATORY ...Basic Embryology, Laboratory, Pikes, Pickeral, Muskellunge, South Dakota, Water Temperature-non-specific, ...6.0507

EFFECTS OF TEMPERATURE AND SILT ON YELLOW PERCH DEVELOPMENT IN THE LABORATORY ...Basic Embryology, Laboratory, South Dakota, Water Temperature-non-specific, Yellow Perch, Darters, ...6.0508

EFFECTS OF TEMPERATURE AND SILT ON WHITE BASS DEVELOPMENT IN THE LABORATORY ...Basic Embryology, Basses -sea, white, White Perch, Laboratory, Turbidity, Water Temperature-non-specific, ...6.0509

Types of Animal Environments

Islands

AN ECOLOGICAL STUDY OF ILES-DE-LA-PAIX, LAKE ST. LOUIS, QUEBEC ...Canada, Interbiotic Relat.(non-specif), St. Lawrence River - Water Fowl, N.s., ...4.0048

Laboratory

A FIELD AND LABORATORY STUDY OF FLUORIDE UPTAKE BY OYSTERS ...Estuaries, Fluoride, Metabolism, Mining Activities, Oysters, Phosphate, Phosphite, ...6.0407

HYBRID SUNFISH STUDIES ...Centrarchidae -other, Maturity & Growth Stages, Ponds, Selection & Breeding, ...6.0195

EFFECTS OF TEMPERATURE AND SILT ON NORTHERN PIKE DEVELOPMENTS IN THE LABORATORY ...Basic Embryology, Pikes, Pickeral, Muskellunge, South Dakota, Turbidity & Suspended Matter, Water Temperature-non-specific, ...6.0507

EFFECTS OF TEMPERATURE AND SILT ON YELLOW PERCH DEVELOPMENT IN THE LABORATORY ...Basic Embryology, South Dakota, Turbidity & Suspended Matter, Water Temperature-non-specific, Yellow Perch, Darters, ...6.0508

EFFECTS OF TEMPERATURE AND SILT ON WHITE BASS DEVELOPMENT IN THE LABORATORY ...Basic Embryology, Basses -sea, white, White Perch, Turbidity, Turbidity & Suspended Matter, Water Temperature-non-specific, ...6.0509

ACUTE TOXICITY OF PESTICIDES TO FRESHWATER INVERTEBRATES - DEVELOPMENT OF A LABORATORY STREAM FOR REARING AND TESTING AQUATIC INVERTEBRATES ...Captive Rearing, Invertebrate Cultures, Invertebrates -non-specific, Laboratory Animals, Pesticides -non-specific, ...6.0319

SURVIVAL REQUIREMENTS OF JUVENILE AND ADULT BLUE CRABS ...Biological Rhythms, Crabs, All, Environmental Physiology, Osmoregulation, Water Properties-general, ...6.0401

LABORATORY BIOASSAYS ...Contamination - Water, Laboratory Animals, Pollution - Effects of , Pollution-general, Wildlife, ...5.0270

Water Alkalinity

AN ECOLOGICAL STUDY OF AN ALKALINE STREAM WITH HEAVY IRON DEPOSITS ORIGINATING FROM TREATMENT OF MINE ACID WATER ...Alkalinity, Lake Trout, Brook Trout, Mineral Content -water, Mining Activities, Productivity - Food Chain, Susquehanna River, ...5.1025

Water Environment -other

FISHES OF THE ARKANSAS RIVER BASIN, COLORADO ...Arkansas River, Colorado, Environmental Changes, Fish -non-specific, Survey Studies, ...6.0102

INVESTIGATION OF RELATIONSHIP OF CUNNER, TAUTOGOLABRUS ADSPERSUS -(WALBAUM), TO WEWEANTIC RIVER ESTUARY, WAREHAM, MASSACHUSETTS ...Aquatic Ecology, Estuaries, Fish -other, Massachusetts, Swamps-marshes, ...5.0511

PESPONES OF FISH TO ENVIRONMENTAL STRESSES ...Cardiovascular System, Environmental Physiology, Fish -non-specific, Kidney and Urinary System, Stress, ...5.1269

EFFECTS OF CHEMICAL VARIATIONS IN AQUATIC ENVIRONMENTS ...Bioindicators, Chemical-general, Fish -non-specific, Mans Activities, ...6.0103

YOUNG-OF-THE-YEAR FISH IN LAKE FRANCIS CASE ...Age, Fish -non-specific, Nets, Reservoirs and Impoundments, South Dakota, ...6.0505

FAUNAL PRODUCTION ...Estuaries, Pollution Effects, Pollution-general, Productivity - Food Chain, Vertical Distribution, ...6.0154

JUVENILE MIGRATION RATES ...Columbia River, Migration, Other, Salmon & Trout - Non-specific, Snake River, ...8.0308

EARLY LIFE HISTORY OF COREGONIDS ...Cisco, Lake Herring, Environmental Ecology, Life History Studies, Maturity & Growth Stages, Technique Development, ...6.0295

FISH GUIDING ...Animal Distr. (non-specific), Fish -non-specific, Guidance, Instrumental Services, Management -other, ...8.0307

Water Light Quality & Quantity

GUIDING JUVENILE AND ADULT MIGRANT SALMONIDS BY NON-ELECTRICAL MEANS ...Behavioral Ecology, Migration, Salmon & Trout - Non-specific, Velocity -water, ...8.0311

Water Movement, Currents,

THE BEHAVIOR OF SMALLMOUTH BASS AS RELATED TO ARTIFICIAL COVER ...Acidity, Behavioral Ecology, Mining Industry, Smallmouth Bass, Soil (wildlife) Cover, ...5.1024

EFFECTS OF DISSOLVED OXYGEN CONCENTRATION ON SURVIVAL OF LARGEMOUTH BASS EMBRYOS ...Basic Embryology, Gases, Dissolved -water, Largemouth Bass, Mortality Rates, Oxygen, Water Temperature-non-specific, ...5.0771

Water Salinity

AQUATIC COMMUNITIES ...Aquatic Ecology, Environmental Ecology, Lakes, Productivity - Food Chain, Salinity, ...6.0625

EFFECTS OF INCREASE IN SALTON SEA SALINITY ON THE SURVIVAL OF ORANGEMOUTH CORVINA, SARGO, BAIRDIELLA, AND NEANTHES ...Bioindicators, Captive Rearing, Fish -other, Pollution - Effects of , Salinity, Salton, ...5.0146

THE EFFECT OF OCEAN WATER INTRUSION INTO BACK BAY, VIRGINIA, AND CURRITUCK SOUND, NORTH CAROLINA, ON THE WATERFOWL AND FISH HABITAT ...Aquatic Ecology, Brackish Water, Fish -non-specific, Habitat Studies, Saline Water Intrusion, Water Fowl, N.s. , ...2.0585

GROWTH, CONDITION, AND SURVIVAL OF SHELLFISH ...Adaptation, Environmental Physiology, Maryland, Oysters, Water Quality-general, ...6.0269

DETERMINATION OF SELECTED ENVIRONMENTAL REQUIREMENTS OF IMPORTANT SPECIES OF MARINE ZOOPLANKTON ...Copepods, Oxygen, Water Temperature-non-specific, Zooplankton, ...5.1097

Environments-general

THE EFFECT OF PESTICIDES ON AN ECOSYSTEM ...Food Chains, Animal And/or Man, Persistence of Residues, Pesticides - non-specific, Physical Properties-general, Pollution - Effects of , Soil Chemical Properties, ...5.1154

Enzyme Studies

Comparative Enzymology

CHARACTERIZATION AND COMPARISON OF ESTERASE(S) PRESENT IN THE HEADS OF THE IMMATURE FORM OF TWO SPECIES OF DAMSELFY ...Esterase, Inhibitors, Mayflies, Reaction Rates, ...5.0640

Inhibitors

CHARACTERIZATION AND COMPARISON OF ESTERASE(S) PRESENT IN THE HEADS OF THE IMMATURE FORM OF TWO SPECIES OF DAMSELFY ...Comparative Enzymology, Esterase, Mayflies, Reaction Rates, ...5.0640

EFFECT OF METAL POISONING ON VARIOUS ENZYMES IN FISH ...Atpase, Chemical Effect-other, Killifishs - Cyprinodon, Metals Ns, Mineral Origin, ...5.1091

Kinetics -other

EFFECTS OF POLAR ORGANIC SOLVENTS ON ENZYME ACTION ...Dipole and Dielectric, Enzymatic, Exobiology, Temperature, Water, ...1.0063

Quantitative & Qualitative

CHANGES IN ENZYMES IN THE PLANT AS RELATED TO WATER SUPPLY AND USAGE ...Drought, ...2.0092

STUDY OF NITROGEN METABOLISM IN MARINE ALGAE ...Bioindicators, Enzymes, Marine Plants, Microbiological Analysis, Pollution - Effects of , ...5.1089

Reaction Rates

CHARACTERIZATION AND COMPARISON OF ESTERASE(S) PRESENT IN THE HEADS OF THE IMMATURE FORM OF TWO SPECIES OF DAMSELFY ...Comparative Enzymology, Esterase, Inhibitors, Mayflies, ...5.0640

Enzymes

Atpase

EFFECT OF METAL POISONING ON VARIOUS ENZYMES IN FISH ...Chemical Effect-other, Inhibitors, Killifishs - Cyprinodon, Metals Ns, Mineral Origin, ...5.1091

Cholinesterase

COMPARISON OF METHODS USED TO MEASURE ESTERASE ACTIVITY. INTERACTIONS BETWEEN PESTICIDE ON FISH ENZYME SYSTEMS ...Bluegills, Bream, Channel Catfish, Cutthroat Trout, Manometers, Pesticides -non-specific, Visible, ...5.0637

SEASONAL CHANGES IN ESTERASE ACTIVITY IN FISH AND INVERTEBRATES. INTERACTIONS BETWEEN PESTICIDES ON FISH ENZYME SYSTEMS ...Biochemical Analysis, Bluegills, Bream, Invertebrates -non-specific, Mode of Action -animal, Pesticides -non-specific, ...5.0638

SCREENING AQUATIC INVERTEBRATES TO DETECT AN ORGANISM SUITABLE FOR USE IN A MONITORING PROGRAM ...Bioassays, Bioindicators, Fish -non-specific, Invertebrates -non-specific, Metabolism, Monitoring Systems, ...5.0639

Depolymerase

BIOLOGICAL METHODS OF SLUDGE DEWATERING ...Activated, Biological Treatment-other, Butyric Acid, Drying-dewatering, Microorganisms (non-specific), ...5.0089

Enzymes -non-specific

ACTIVE AND PASSIVE ION FLUXES ACROSS INTERFACES AND MEMBRANES ...Adsorption & Interface, Diffusion, Ionic Effect, Membranes-other, Transport, ...3.0348

Esterase

CHARACTERIZATION AND COMPARISON OF ESTERASE(S) PRESENT IN THE HEADS OF THE IMMATURE FORM OF TWO SPECIES OF DAMSELFY ...Comparative Enzymology, Inhibitors, Mayflies, Reaction Rates, ...5.0640

Micro-organism Enz

DEGRADATION OF SEWAGE AND SOIL MICROORGANISMS ...Catabolism and Degradation, Degradation, E Coli, Sewage, Soil Bacteria, ...5.0524

Enzymes

SUBJECT INDEX

Plant Enzymes -non-specific

CHANGES IN ENZYMES IN THE PLANT AS RELATED TO WATER SUPPLY AND USAGE ...Drought, ...2.0092

Epidemiology of Disease

Environmental Health

Food

BIOLOGICAL AVAILABILITY OF NUCLEAR DEBRIS TO AQUATIC ANIMALS ...Contamination - Water, Productivity - Food Chain, Radioactivity-general, Radiologic Health, ...5.0102

OCCUPATIONAL AND ENVIRONMENTAL HEALTH ...Human Tox. or Residues -other, Occupational Hazards, Pollution - Effects of, Pollution-atmosphere, Radiologic Health, ...5.0518

SURVIVAL OF FOOD PATHOGENS IN RADIATION PASTEURIZED SEAFOOD ...Dosimetry, Fish, N.s., Food Bacteria, Microbiological, Radiation, ...5.0933

THE ECOLOGY OF CLOSTRIDIUM BOTULINUM IN THE TVA LAKES AREA ...Bacterial Exotoxins, Bacterial Pollutant Sources, Clostridium Botulinum, Microbiological, Range Or Territorial Distr., Tennessee, ...2.0990

FREQUENCY DISTRIBUTION OF CHEMICAL POLLUTANTS IN SHELLFISH AND THE MARINE ENVIRONMENT ...Organophosphorous Cpd., Oysters, Pollution - Effects of, Southern, Toxicological and Allergy, ...5.0021

Occupational Hazards

OCCUPATIONAL AND ENVIRONMENTAL HEALTH ...Food, Human Tox. or Residues -other, Pollution - Effects of, Pollution-atmosphere, Radiologic Health, ...5.0518

Other

TRACE AMOUNT SUBSTANCES IN ENVIRONMENTAL HEALTH ...Chemical Analysis (water), Pollutants-general, Trace Elements, ...5.0677

Pollution-atmosphere

OCCUPATIONAL AND ENVIRONMENTAL HEALTH ...Food, Human Tox. or Residues -other, Occupational Hazards, Pollution - Effects of, Radiologic Health, ...5.0518

Pollution-water

EFFECT OF POLLUTING AGENTS ON SURVIVAL OF INDICATOR ORGANISMS ...Bioindicators, Intestinal Bacteria, Salmonella (non-specific & Ot), Shigella (non-specific & Ot.), Zooplankton, ...5.1132

WATER QUALITY CRITERIA FOR SELECTED RECREATION USES ...Illinois, Mathematical Analysis, Recreation Sites, User Characteristics -other, Water Quality-general, ...5.0381

SOCIO-ECONOMIC FACTORS RELATED TO THE INCIDENCE OF A WATER-BORNE DISEASE ...Economic Impact, Intestine, Puerto Rico, Social Aspects, Social Environment of The City, ...5.1048

EFFECTIVENESS OF IODINE FOR DISINFECTION OF PUBLIC WATER SUPPLIES & TO DETERMINE PHYSIOLOGICAL EFFECTS ON A HUMAN POPULATION (ABBREV) ...Chemical Treatment-other, Iodine, Side Effects, ...5.0249

RELATION OF SWIMMING WATER QUALITY TO THE OCCURRENCE OF EAR INFECTIONS ...Conduction, Detection, ...5.0588

FREQUENCY DISTRIBUTION OF BIOLOGICAL POLLUTANTS IN SHELLFISH AND THE MARINE ENVIRONMENT ...Biology, Coliforms (non-specific), Enteroviruses of Humans, Gulf of Mexico, Oysters, ...5.0916

TASTES AND ODORS IN WATER SUPPLIES ...Algal Pollutant Sources, Pollutants-general, Studies, Organoleptic, Taste and Odor, Water for Cooking Or Drinking, ...5.0066

Radiologic Health

RADIOACTIVE FOOD-CHAINS IN THE SUBARCTIC ENVIRONMENT ...Productivity - Food Chain, Radioactive Fallout, Radioactive Isotopes, Sub - Polar, Toxicological and Allergy, ...2.0308

BIOLOGICAL AVAILABILITY OF NUCLEAR DEBRIS TO AQUATIC ANIMALS ...Contamination - Water, Food, Productivity - Food Chain, Radioactivity-general, ...5.0102

MECHANISMS OF ENVIRONMENTAL EXPOSURE ...Columbia River, Radioactive Isotopes, Radioactivity-general, Regulation and Selection, Toxicological and Allergy, ...5.1244

OCCUPATIONAL AND ENVIRONMENTAL HEALTH ...Food, Human Tox. or Residues -other, Occupational Hazards, Pollution - Effects of, Pollution-atmosphere, ...5.0518

Epizootiology

Incidence and Prevalence

Enzootic

DETECTION AND SIGNIFICANCE OF ENZOOTIC WATER POLLUTION ...Animal Wastes - Feed Lots, Bacterial Pollutant Sources, Bioindicators, Protozoa -other, Sewage Bacteria, ...5.0700

Epizootic

EPIZOOTICS IN EXPERIMENTAL MARINE SHELLFISH POPULATIONS ...Freshwater Mussels, Scallops, Mortality Rates, Oysters, Pathology, ...6.0631

Mode of Transmission

Invertebrates

DISPERSAL OF VIABLE ALGAE AND PROTOZOA BY AQUATIC INSECTS ...Algae- General, Aquatic Ecology, Insects -non-specific, Interbiotic Relat.(non-specif), Protozoa -other, ...5.1170

PACIFIC OYSTER MORTALITY STUDIES ...Invertebrate Pathology, Mortality Rates, Oysters, Pathology, ...6.0266

Vertebrates

THE EFFECTIVENESS OF WATERFOWL IN CARRYING PATHOGENIC MICRO-ORGANISMS ...Sewage, Swamps-marshes, Utah, Water Fowl, N.s., ...5.1193

Equipment Purchase Operation

PRODUCTION OF 90-10 COPPER NICKEL TUBING FOR DESALTING ...Copper, Desalination, Pipe, Tube, ...3.0158

MODIFICATIONS TO PUMPING STATION AT SHAGOWA LAKE, FIELD SITE, ELY, MINNESOTA ...Chemical Analysis, Demineralization, Minnesota, Pumping, ...5.0932

Erosion-general

EROSION CONTROL CRITERIA FOR DRAINAGE STRUCTURES ...Drainage, Drainage Systems, ...2.0681

ROADSIDE DEVELOPMENT AND BEAUTIFICATION ...Aesthetic, Cover Crops, Plant Growth, Roads and Highways, ...2.0109

DESIGN TO CONTROL EROSION IN ROADSIDE DRAINAGE CHANNELS ...Design Criteria, Drainage, Lining, Soil Erosion, ...2.0657

SOIL EROSION STUDIES IN OKLAHOMA AND SOIL SEDIMENTATION STUDIES IN OKLAHOMA ...Channel Geometry, Culvert, Drainage, Froude Number, Stabilization-general, ...2.0877

A RECONNAISSANCE STUDY OF THE CHEAPEAKE BAY ...Chesapeake Bay, Floods, Sedimentology-general, Shoreline - Coastline, Survey Studies, Thermal Pollution, ...6.0254

BADGER WASH COOPERATIVE STUDY ...Cover Crops, Forest Grazing, Runoff, Sediment Yield, Water Cycle, ...2.0176

INTERAGENCY FRAIL LANDS STUDY - MONTANA IV. WATER QUANTITY MANAGEMENT ...Conservation, Montana, Runoff, Slopes, Soil Erosion -non-specific, ...4.0161

FRAIL LANDS STUDIES NEAR CISCO, UTAH (ABBREV) ...Land, Sediment Yield, Soil Environment, Tillage, Cropping Systems, Utah, ...4.0255

TROUT STREAM - SURVEY OF STREAMS AND THEIR WATERSHEDS ...Biological-general, Bottom Sampling, Georgia, Physical-general, Population Dynamics, ...2.0361

REVERSE FILTER EROSION PROTECTION ...Connecticut, Control and Protection, Engineering Structures-general, Filters, Lining, ...8.0147

CHARACTERISTICS OF MAJOR FOREST AND RANGE WATERSHED TYPES IN IDAHO ...Forest Watersheds, Idaho, Land Use, Runoff, Water Yield, ...6.0176

DEVELOPMENT OF ECONOMIC WATER HARVEST SYSTEMS FOR INCREASING WATER SUPPL ...Arizona, Cover Crops, Economic Efficiency, Saline Soils, Water Harvesting, ...3.0012

RAINWASH AND SOIL CREEP IN WESTERN NORTH DAKOTA ...Creep, Environmental Effects-geologic, Morphology-general, North Dakota, Slopes, ...2.0848

RELATIONSHIP BETWEEN THE ERODIBILITY OF SOILS AND THE SEDIMENTATION RATE OF RESERVOIRS ...Physical Properties-general, Rate of Deposition, Reservoirs and Impoundments, Sediment Yield, Soil Erosion -non-specific, ...2.0463

SUBJECT INDEX

Erosion-general

- MANAGEMENT ALTERNATIVES ON OZARK FOREST ...Arkansas, Policy - Business Methods, Sediment Yield, Small Watersheds, Soils and Fertilizer, ...2.0073
- EFFECT OF RANGE MANAGEMENT ON INFILTRATION, RUNOFF, AND EROSION ...Cover Crops, Infiltration, Management and Fertility, Runoff, ...2.0105
- EFFECTS OF FIRE ON HYDROLOGY AND EROSION ...Fire Damage, Recovery, Forest Watersheds, Hydrology-general, Middle Rocky Mts, ...2.0226
- DEVELOPMENT OF LAND USE EQUATIONS FOR THE SLOPING SOILS OF INDIANA ...Development of Models, Indiana, Land Use, Slopes, Tillage, Cropping Systems, ...2.0464
- MECHANICS OF SOIL EROSION BY WATER ...Erosion Control, Particle Surface, Rain-general, Stability, Thermal Properties-general, ...2.0457
- SOIL AND WATER CONSERVATION MANAGEMENT ...Conservation-general, Soil Erosion -non-specific, Tillage, Cropping Systems, Yield, ...4.0150
- FERTILITY RUNOFF ...Irrigation, Runoff, Tillage, Cropping Systems, ...4.0154
- ISOTOPES IN THE BIOSPHERE ...Management, Pollutants - Path of, Radioactive Fallout, Runoff, Strontium, Washout, ...5.0670
- ENGINEERING AND AGRONOMIC STUDIES ASSOCIATED WITH LAND SHAPING, ETC. ...Conservation & Management Eng, Nebraska, Tillage, Cropping Systems, Water Loss Control, ...4.0163
- EFFECTS OF SOIL MANAGEMENT TREATMENTS ON ERODIBILITY AND INFILTRATION CHARACTERISTICS ...Infiltration, Management Effects, Ohio, ...2.0860
- CROP, SOIL AND WATER USE EFFECTS OF LOW INTENSITY SPRINKLER IRRIGATION ...Irrigation, ...3.0233
- TIDAL, SALINITY AND SEDIMENTATION PROBLEMS IN LAKE MATACAIBO CHANNEL, VENEZUELA ...Bed Load, Rate of Deposition, Salinity, Tides, Venezuela, ...2.0618
- DEVELOPMENT OF MULTIPLE-USE PRODUCTION/OUTPUT INFORMATION FOR OWNERS OF SMALL WOODLANDS IN THE CENTRAL HARDWOOD REGION ...Control and Protection, Forest Watersheds, General Information Services, Input - Output Analysis, Multiple-purpose Projects, ...7.0027
- COASTAL ENGINEERING STUDIES RELATED TO FLORIDA'S SHORELINE AND BEACH EROSION PROBLEM: ...Beach, Bypassing, General, Shoreline Structures, Storms-general, Waves, ...8.0160
- PREDICTING RUNOFF AND GROSS EROSION FROM FARM-LAND AND DISTURBED AREAS ...Agricultural Watersheds, Conservation, Conservation-general, Forecasting-prediction, Runoff, ...3.0224
- DRYLAND SOIL MANAGEMENT ...Conservation & Management Eng, Soil Preparation & Renovation, Wind Erosion, ...4.0111
- SOIL MANAGEMENT UNDER DRYLAND CONDITIONS ...Management, Modified Water Use, Soil Conditions, Storage of Water, Tillage, Cropping Systems, ...4.0113
- ENGINEERING PHASES OF SOIL AND WATER MANAGEMENT ...Drainage Engineering, Irrigation-general, Management, Stabilization-general, ...8.0220
- WATERSHED VALUES AS AFFECTED BY FOREST MANAGEMENT ...Cover Crops, Forest Watersheds, Forests, Moisture Content, Runoff, Swamps-marshes, ...4.0142
- STRIP-MINING AND WATER QUALITY ...Chemical-general, Mining Activities, Rainfall Simulators, Runoff, Spoil Banks, ...5.0889
- INVESTIGATIONS OF SHORE EROSION ALONG THE OHIO SHORELINE OF LAKE ERIE ...Aerial, Engineering Structures-general, Gaging, Lake Erie, Shoreline - Coastline, ...8.0275
- GRADED FURROWS FOR RUNOFF AND EROSION CONTROL ...Conservation, Costs, Runoff, Soil Preparation & Renovation, ...3.0445
- MEASUREMENT OF RUNOFF AND SOIL LOSS DIFFERENCES BETWEEN ESTABLISHED PLOTS ...Artesian Flow, Observation Wells, Runoff, Soil Environment, Water Table Fluctuation, ...2.1019
- VEGETATION AND SOIL RESPONSE TO SOIL SURFACE TREATMENTS ...Economic Efficiency, Management and Fertility, Tillage, Cropping Systems, Utah, Vigor, ...3.0476
- SOIL EROSION PROBLEMS IN WISCONSIN ...Cultivation Methods, Ns, Sediment Yield, Stabilization-general, ...2.1160
- FOREST INFLUENCES STUDIES ...Forest Watersheds, Infiltration, Land Use, Runoff, Stabilization-general, Water Quality-general, ...2.0986
- PINE TREE BRANCH WATERSHED RESEARCH ...Cutting Operations, Forest Watersheds, Land Use, Other, Sediment Yield, Tennessee, ...6.0536
- HYDRAULICS AND DYNAMICS OF ESTUARIES ...Estuaries, Flow Characteristics -water, Sedimentology-general, Water Level Fluctuation, Waves, ...2.0261
- GENERAL EVALUATION OF SOIL AND MOISTURE CONSERVATION TREATMENT PRACTICES ...Conservation-general, Engineering Structures-general, Runoff, Sedimentology-general, Soil Environment, ...2.0185
- SEDIMENTATION AND HYDROLOGY-ROCK CREEK AND ANACOSTIA RIVER BASINS, MARYLAND ...Groundwater, Land Use, Maryland, Sediment Yield, Urban Environments, ...4.0130
- ASPHALT BINDING OF COBBLES FOR RIPRAP ...Aggregates, Extenders, Fillers, Binders, Bituminous, Conglomerates, Embankments, Slopes, ...8.0106
- INVESTIGATION OF EROSION AND TRACTIVE FORCES ON CANALS--OPEN AND CLOSED CONDUIT RESEARCH PROGRAM ...Canals, Lining, Linings-pavings, Soil Environment, Traction, ...8.0035
- DEVELOPMENT OF CRITERIA FOR TILLAGE MACHINERY THAT WILL REDUCE SOIL EROSION AND RUNOFF ...Conservation-general, Moisture Retention, Runoff, Technique Development, Tillage, Cropping Systems, ...2.0007
- TIMBER AND WATERSHED RESOURCES DEVELOPMENT RESEARCH IN HAWAII ...Evapotranspiration, Legumes - other...mesquite..., Rain, Soils and Fertilizer, Streams, ...2.0367
- CONTROL OF EROSION AND SEDIMENTATION ASSOCIATED BUILDING AND LOGGING ...Conservation, Forest Watersheds, Logging, Transport, Equipment, Sediment Yield, Streams, ...2.0027
- WATER YIELD IMPROVEMENT, EROSION CONTROL, AND SEDIMENT REDUCTION IN FORESTS ...Forest Watersheds, Land Use, Moisture Content, Radioisotopes, Stabilization-other, Water Yield, ...3.0486
- SOIL STABILIZATION AND RUNOFF REGULATION IN CONIFER WATERSHEDS ...Channels, Forest Watersheds, Internal Water Movement, Land Use, Runoff, Stabilization-other, ...5.0967
- FLOOD AND SEDIMENT REDUCTION IN STEEP UNSTABLE BRUSHLANDS OF THE SOUTHWEST ...Floodproofing, Floods, Sediment Yield, Southwest, ...4.0034
- PREVENTING OR CONTROLLING ACCELERATED EROSION OF UNSTABLE FOREST SOILS ...Mountains-alpine, Movement, Availability, Open Channel, Slopes, Soil Science -other, Soil Stability Analysis, ...5.0316
- WATERSHED PROTECTION & REHABILITATION TO REDUCE WATER RUNOFF ...Floods, Forest Watersheds, Infiltration, Land Use, Runoff, ...4.0250
- WATER YIELD IMPROVEMENT IN THE SNOWPACK TIMBER ZONE, RUNOFF FROM RANGELANDS ...Gully Or Channel Erosion, Mountains-alpine, Radiation-general, Snowmelt, Water Yield, ...3.0143
- IMPROVEMENT OF WATER YIELDS AND SOIL STABILIZATION IN RIVER BASINS ...Artemisia, Cover Crops, Forest Watersheds, Management, Soil-water-plant Relationships, Water Yield, ...3.0495
- WATERSHED REHABILITATION TO CONTROL EROSION AND SEDIMENTATION IN THE SOUTHWEST ...General Deposition, Sediment Yield, Stabilization-general, Watersheds-general, ...4.0175
- FLOOD REDUCTION AND IMPROVEMENT IN TIMING OF WATER YIELD IN THE OZARKOUACHITA UPLANDS ...Floods, Infiltration, Land Use, Water Cycle, Water Yield, ...5.0054
- DEVELOPMENT OF SPECIAL REHABILITATION TECHNIQUES AND FOREST MANAGEMENT PRACTICES FOR USE ON SEVERELY ERODED OR HIGHLY ERODIVE WATERSHEDS ...Conservation, Cover Crops, Floods, Runoff, Site Index and Site Quality, ...2.0674
- IMPROVEMENT OF WATER YIELDS AND SOIL STABILIZATION IN THE BLACK HILLS ...Flow Characteristics -water, Forest Watersheds, Management, Sedimentology-general, Stabilization-other, Water Yield, ...3.0436
- EFFECTS OF VARIOUS FOREST TYPES AND STAND TREATMENTS ON GROUNDWATER RECHARGE AND STREAM-BANK EROSION IN AREAS OF DEEP GLACIAL DRIFT ...Erosion Control, Forest Watersheds, Natural Recharge, Open Channel, Stream Banks, ...5.0573

Erosion-general

SUBJECT INDEX

- REDUCTION OF FLOOD RUNOFF, SEDIMENTATION AND STREAMFLOW IMPROVEMENT IN UNGLACIATED AREAS ...Forest Watersheds, Mississippi River, Runoff, Slope - Degree of, Stream Rehabilitation, Water Loss Control, ...4.0275
- DETERMINATION AND EVALUATION OF FACTORS AFFECTING WATER RUNOFF AND EROSION IN THE DIFFERENT LAND RESOURCE AREAS OF THE NORTHEAST ...Conservation, Management, Northeast, Runoff, Seedbed Preparation, ...5.0489
- DEVELOPMENT OF SUPPORTING PRACTICES, SYSTEMS, TECHNIQUES AND DEVICES FOR RUNOFF AND EROSION CONTROL IN THE SOUTH ...Conservation, Conservation & Management Eng, Flow Characteristics -water, Land Use, Runoff, Tillage, Cropping Systems, ...5.0275
- BASIC PRINCIPLES AND MECHANICS OF RAINFALL, RUNOFF, SOIL MOVEMENT AND LOSS IN THE CORN BELT ...Engineering Properties-general, Runoff, Sediment Transport-general, Slopes, Structure-size, Surface Flow, ...2.0475
- EVALUATION OF CLIMATIC, TOPOGRAPHIC, SOIL AND CROP MANAGEMENT FACTORS IN RELATION TO WATER MANAGEMENT AND EROSION CONTROL IN THE CORN BELT ...Climate, Corn Belt, Runoff, Slopes, Wind Erosion, ...2.0476
- DEVELOPMENT AND REFINEMENT OF METHODS FOR PREDICTING FIELD RUNOFF AND SOIL LOSS ...Conservation, Forecasting-prediction, Mathematical Analysis, Runoff, Sediment Yield, Soil Environment, Soil Erosion -non-specific, ...2.0477
- DEVELOPMENT OF SUPPORTING RUNOFF AND EROSION CONTROL PRACTICES AND SYSTEMS IN THE CORN BELT ...Conservation & Management Eng, Corn Belt, Erosion Control, Runoff, Stabilization-other, Terrace-bench, Wind, ...3.0225
- WATER AND WIND EROSION AND ITS CONTROL ON IRRIGATED AND NONIRRIGATED LANDS IN THE NORTHERN PLAINS ...Great Plains Province, Irrigation-general, Runoff, Soil Tillage Methods -other, Wind Erosion, ...5.0195
- MECHANICS AND PRINCIPLES OF WATER EROSION AND THEIR APPLICATION FOR EROSION CONTROL IN THE SOUTHERN PLAINS ...Great Plains Province, Runoff, Soil Environment, Soil Erosion -non-specific, ...5.0435
- EROSION AND RUNOFF CONTROL PRACTICES AND SYSTEMS TO CONSERVE SOIL AND WATER RESOURCES IN THE PACIFIC NORTHWEST ...Conservation, Conservation-general, Design Flow-flood, Runoff, Southern, ...4.0087
- FUNDAMENTAL ASPECTS OF WATER EROSION IN THE PACIFIC NORTHWEST ...Infiltration, Permafrost-frozen, Soil Erosion -non-specific, Southern, Synthetic Hydrology-general, ...2.0389
- TECHNOLOGY AND ECONOMICS OF CONSERVATION ...Alternative Planning, Benefit-cost Analysis, Conservation-general, Land Use, Sediments, ...4.0106

Estuaries

- THE ACCUMULATION OF FISSION PRODUCTS BY MARINE FISH AND SHELLFISH ...Chlorideae -other, Contamination - Water, Food Chains, Radioactivity-general, Radioecology, ...5.0805
- THE BIOLOGY AND CHEMISTRY OF TRACE ELEMENTS IN MARINE AND ESTUARINE WATERS ...Chesapeake Bay, Phytoplankton, Productivity - Food Chain, Trace Element Analysis, Zooplankton, ...2.0556
- MOVEMENT OF RADIONUCLIDES IN THE COLUMBIA RIVER ESTUARY ...Columbia River, Mathematical Analysis, Pollutants - Path of, Radioactivity-general, Water Sampling, ...5.0986
- COMPUTER SIMULATION OF ESTUARINE DISPERSION ...Computers-general, Dispersion -water, Model Studies, Seasonal, Tides, ...5.0935
- R.I.-MIXING PROCESSES IN ESTUARIES ...Dispersion -water, Flume Studies, Mixing, Model Studies, Turbulent Flow, ...5.0063
- OPTIMUM ECOLOGICAL DESIGNS FOR ESTUARINE SYSTEMS OF NORTH CAROLINA ...Domestic Wastes-general, Marine Biology (non-specific), North Carolina, Pollution - Effects of, Pollution Effects, Productivity - Food Chain, ...2.0820
- THE EFFECTS OF PESTICIDE RESIDUES ON LARVAL AND JUVENILE WINTER FLOUNDER IN THE WEWEANTIC RIVER ESTUARY, MASSACHUSETTS ...Massachusetts, Pollution - Effects of, Righteye Flounders, Wildlife, ...5.0509
- INVESTIGATION OF THE RELATIONSHIP OF THE AMERICAN SMELT, OSMERUS MORDAX - MITCHILL, TO THE WEWEANTIC RIVER ESTUARY, WAREHAM, MASSACHUSETTS ...Aquatic Ecology, Environmental Ecology, Smelts, Spawn Or Nesting Sites, Temperature, ...5.0510

- HYDROGRAPHY OF THE PENOBSCOT RIVER ESTUARY ...Dissolved Load, Environmental Changes, Maine, Pollution Abatement, Salinity, Temperature, ...5.0467
- A BENTHIC COMMUNITY OF THE PENOBSCOT RIVER ESTUARY ...Aquatic Ecology, Benthic Organisms (non-specific), Industrial Wastes, Maine, Productivity - Food Chain, ...5.0473
- STUDY OF STRIPED BASS POPULATIONS IN MAINE COASTAL WATERS ...Aquatic Ecology, Basses -sea,white, White Perch, Maine, Migration, ...5.0470
- INVESTIGATION OF RELATIONSHIP OF CUNNER, TAUTOGOLABRUS ADSPERSUS -(WALBAUM), TO WEWEANTIC RIVER ESTUARY, WAREHAM, MASSACHUSETTS ...Aquatic Ecology, Fish -other, Massachusetts, Swamps-marshes, Water Environment -other, ...5.0511
- ESTUARINE DREDGE HOLE INVESTIGATIONS ...Aquatic Ecology, Fish -non-specific, Habitat Studies, Ocean Coring and Dredging, ...6.0354
- CHARTING OF SUBTIDAL OYSTER BEDS AND EXPERIMENTAL TRANSPLANTING OF SEED OYSTERS FROM POLLUTED SEED OYSTER BEDS ...Captive Rearing, Commercial Fishing, Oysters, South Carolina, Stocking of Fish & Shellfish, ...5.1101
- COOPERATIVE GULF OF MEXICO INVENTORY AND STUDY - II HYDROLOGY ...Aquatic Ecology, Atlases-maps, Environmental Ecology, Gulf of Mexico, Water Properties-general, ...2.0670
- COOPERATIVE GULF OF MEXICO INVENTORY AND STUDY - III SEDIMENTOLOGY ...Aquatic Ecology, Atlases-maps, Distribution, Environmental Ecology, Gulf of Mexico, ...2.0671
- COOPERATIVE GULF OF MEXICO INVENTORY AND STUDY (AUDIO-VISUAL FILM) ...Gulf of Mexico, Other, Survey Studies, ...7.0060
- COOPERATIVE GULF OF MEXICO INVENTORY AND STUDY - IV BIOLOGY ...Aquatic Ecology, Atlases-maps, Environmental Ecology, Gulf of Mexico, Mississippi River, ...2.0672
- COOPERATIVE GULF OF MEXICO INVENTORY AND STUDY (AREA DESCRIPTION) ...Atlases-maps, Gulf of Mexico, Industrial-general, Mississippi River, Water Properties-general, ...7.0061
- ECOLOGY OF LOUISIANAS ESTUARINE WATERS - MARINE LABORATORY ...Aquatic Ecology, Louisiana, Marine Biology (non-specific), Shoreline - Coastline, ...2.0542
- THE ECOLOGY OF THE YOUNG FISHES OF THE WEWEANTIC RIVER ESTUARY ...Aquatic Ecology, Massachusetts, Pesticides -non-specific, Pollution - Effects of, Population Dynamics, ...2.0607
- A STUDY OF SELECTED CHEMICAL AND BIOLOGICAL CONDITIONS OF THE LOWER TRINITY RIVER AND THE UPPER TRINITY BAY ...Commercial Fishing, Mans Activities, Pollution - Effects of, Spawn Or Nesting Sites, Texas, ...6.0546
- CHANGES DURING EUTROPHICATION OF AN ESTUARY ...Eutrophication, North Carolina, Plankton (non-specific), Pollution - Effects of, ...5.0820
- SIMULATION OF WATER RESOURCE REGIMES ...Analog Computers, Groundwater, Model Studies, Surface Water, ...7.0047
- EFFECTS OF THERMAL POLLUTION ON PRODUCTIVITY AND STABILITY OF ESTUARINE COMMUNITIES ...Aquatic Ecology, Environmental Ecology, Plant Prod. (non-specific), Pollution - Effects of, Thermal Pollution, ...5.0498
- ENHANCEMENT OF RECREATIONAL USES OF ESTUARINE WATERS THROUGH STUDY OF POTENTIAL CONTROL METHODS FOR STINGING SEA NETTLES ...Biological Control, Chesapeake Bay, Jelly Fish, Recreation Sites, Water Quality-general, ...6.0256
- WATER QUALITY - BENTHIC INVERTEBRATE RELATIONSHIPS IN ESTUARIES ...Benthic Fauna, Benthonic-bottom, Maine, Pollution - Effects of, Pollution Effects, ...5.0478
- RELATION OF PASS OPENINGS ON PHYSICAL EXCHANGE AND SALINITY IN ESTUARIES ...Mixing, Saline Water Intrusion, Salinity, Shoreline Structures, Texas, ...2.1012
- BIOLOGICAL AND CHEMICAL STUDY OF VIRGINIAS ESTUARIES ...Nitrogen, Phosphorus, Phytoplankton, Population Dynamics, Primary Productivity, Virginia, ...2.1112
- UTILIZATION OF PHYSICAL AND MATHEMATICAL MODELS IN ESTUARINE WATER RESOURCES RESEARCH AND MANAGEMENT ...Computers-general, Management, Model Studies, Shoreline - Coastline, Tides, ...6.0607
- HORIZONTAL DISPERSION IN SHALLOW ESTUARIES OF IRREGULAR SHAPE ...Circulation -water, Dispersion -water, Gulf of Mexico, Model Studies, Water Quality-general, ...2.1013

SUBJECT INDEX

Estuaries

- EXPERIMENTAL AND THEORETICAL STUDY OF THE HYDRODYNAMICS OF DISPERSION IN RIVERS AND ESTUARIES ...Dispersion -water, Flow Characteristics -water, Model Studies, Streams, Velocity -water, ...2.0584
- WATER LAW OF SOUTHEASTERN ESTUARIES ...Conflicts, Southeast, State Government, Water Law-general, ...6.0163
- THE EFFECTS OF THERMAL LOADING AND WATER QUALITY ON ESTUARINE PRIMARY PRODUCTION ...Acidity, Nutrients, Primary Productivity, Standing Crops, Thermal Pollution, ...6.0258
- A FIELD AND LABORATORY STUDY OF FLUORIDE UPTAKE BY OYSTERS ...Fluoride, Laboratory, Metabolism, Mining Activities, Oysters, Phosphate, Phosphite, ...6.0407
- ESTUARINE HYDROGRAPHY AND ITS ROLE IN TRANSPORT OF NATURALLY PRODUCED FOODS AND POLLUTANTS ...Effluents-waste Water, Georgia, Water Movement-general, Water Properties-general, Water Quality-general, ...2.0352
- A WATER QUALITY COMPUTER MODEL OF COOK INLET (PHASE ONE - THE HYDRAULIC MODEL) ...Alaska, Computers-general, Hydraulics-general, Model Studies, Water Quality-general, ...7.0002
- CONSERVATION AND DEVELOPMENT PLANNING FOR THE ESTUARINE ZONE (A CASE STUDY IN THE TOWN OF SOUTHOLD, LONG ISLAND) ...Administrative Structures, Long Island Sound, Planning, Systems Analysis, Water Resources Development, ...6.0388
- ECONOMICS OF WATER QUALITY FOR A REGIONAL SYSTEM ...Delaware River, Economic Efficiency, Finance, Regional Areas, Water Demand, Water Quality-general, ...6.0465
- THE BIOLOGY OF THE INFAUNA OF A TROPICAL SOFT BOTTOM AREA ...Aquatic Ecology, Benthic Fauna, Florida, Intertidal Areas, Pollution - Effects of, ...5.0263
- PRIMARY PRODUCTION AND DECOMPOSITION IN ESTUARINE WATER ...Florida, Methane Bacteria (non-specif.), Phaeophyta (non-specific & Ot), Primary Productivity, Rhodophyta (non-specific & Ot), Turnover (metabolic), ...5.0257
- NUTRIENT ASSIMILATION RATES - FIELD STUDIES ...Fertilizers -aquatic, Nutrients, Phosphorus, Ponds, ...5.0620
- A MATHEMATICAL MODEL FOR REGIONAL TREATMENT OF WATER POLLUTION SYSTEMS ...Mathematical Analysis, Public Utilities, Public Works, Regional Areas, Sewerage Systems-other, Value Analysis, ...5.0114
- SENSITIVITY OF BENTHIC MICROFLORA TO POLLUTION GRADIENTS ...Benthic Flora, Bioindicators, Marine Plants, Plant Prod. (non-specific), Water Standards, ...5.1059
- A STOCHASTIC MODEL FOR POLLUTION IN ESTUARIES ...Ions and Gases, Model Studies, Oxygen, Water Quality Control-general, Water Quality-general, ...5.1211
- INFLUENCE OF LOG RAFTING ON WATER QUALITY ...Bioindicators, Forest Debris, Logging, Transport, Equipment, Pulp, Paper, and Logging, Streams, ...5.0958
- PHOSPHATE MINING EFFLUENT IN ESTUARINE ECOLOGY ...Applied Ecology, Mining Activities, Mountmorillonite, Phosphate, Phosphite, Pollution - Effects of, ...5.0821
- STUDY OF ESTUARINE POLLUTION IN THE STATE OF HAWAII ...Bacterial Pollutant Sources, Economics-general, Forecasting-prediction, Hawaii, Sewage, ...5.0311
- MANAGEMENT OF INDUSTRIAL WASTE DISCHARGES IN COMPLEX ESTUARINE SYSTEMS ...Industrial Wastes, Management, Model Studies, Texas, Water Standards, ...5.1156
- MECHANICS OF DISPERSION IN ESTUARY POLLUTION ...Dispersion -water, Mathematical Analysis, Model Studies, Pollutants - Path of, Tides, ...5.0528
- ESTUARINE ECOLOGY ...Aquatic Ecology Contamination - Water, Mathematical Analysis, Washington, Water Quality-general, ...6.0620
- ECONOMICS OF WATER QUALITY IN A REGIONAL SYSTEM ...Alternative Planning, Benefit-cost Analysis, Delaware Bay, Management, Water Quality-general, ...5.1011
- STUDIES ON INORGANIC NUTRIENT ASSIMILATION RATES IN ESTUARINE PONDS ...Mineral Content -water, Nitrogen, Nutrients, Phosphorus, Self-purification, ...5.0621
- EFFECTS OF PESTICIDES ON ESTUARINE ORGANISMS ...Bioassay, Persistence of Residues, Pollution - Effects of, Sevin, Swamps-marshes, ...5.0950
- ECOLOGY OF RECREATIONALLY IMPORTANT ESTUARINE FISHES IN OREGON ...Aquatic Ecology, Environmental Ecology, Fishing, Migration, Oregon, Population Dynamics, ...6.0458
- SOCIO-ECONOMIC STUDY OF NARRAGANSETT BAY, RHODE ISLAND ...Bays, Benefit-cost Analysis, Land Use, Rhode Island, Social Aspects, Water Quality Control-general, ...6.0485
- RADIONUCLIDES IN THE SAVANNAH RIVER ESTUARY AND ADJACENT COASTAL WATERS ...Atomic Plants, Pollutants - Path of, Radioactivity, Radioactivity-general, Tracers, ...5.1098
- HYDRAULICS AND DYNAMICS OF ESTUARIES ...Erosion-general, Flow Characteristics -water, Sedimentology-general, Water Level Fluctuation, Waves, ...2.0261
- THE MOVEMENT OF RADIONUCLIDES IN THE COLUMBIA RIVER ESTUARY ...Absorbed Load, Columbia River, Pollutants - Path of, Radioactivity-general, ...2.0903
- UNSTEADY FLOW AND SALINE INTRUSION IN ESTUARIES ...Channels, Model Studies, Open Channel Flow, Saline Water Intrusion, Unsteady Flow, ...2.1091
- INFLUENCE OF INDUSTRIAL AND MUNICIPAL WASTES ON ESTUARINE AND OFF SHORE WATER QUALITY ...Domestic Wastes-general, Industrial Wastes, Pollution - Effects of, Washington, ...5.1271
- HYDROLOGY OF COASTAL AREA IN THE VICINITY OF RICEBORO, GEORGIA ...Artesian Flow, Dispersion -water, Georgia, Saline Water Intrusion, Water Quality-general, ...5.0305
- QUALITY OF WATER OF THE TEXAS BAYS AND ESTUARIES ...Bays, Nutrients, Pollutants - Path of, Texas, Water Quality-general, ...2.1003
- REMOTE SENSING OF ESTUARINE WATER AND VEGETATION, MARYLAND ...Aerial, Bioindicators, Chemical-general, Physical-general, Remote Sensing -other, ...2.0268
- FLOW AND SALINITY IN THE HUDSON ESTUARY, NEW YORK ...Fresh Water, Inflow, Management, Salinity, Tides, ...2.0781
- DISPERSION PROCESSES IN ESTUARIES AND RIVERS ...Dispersion -water, Dyes, Streams, Synthetic Hydrology-general, ...2.0113
- REMOTE SENSING OF DELAWARE ESTUARY ...Aircraft, Delaware, Pollutants-general, ...2.0909
- COORDINATION OF ESTUARINE REMOTE SENSING IN ATLANTIC COAST REGION ...Aerial, Atlantic Ocean-general, Satellites, ...2.0910
- SALT-WATER ENCROACHMENT IN NORTH CAROLINA ESTUARIES ...Chemical-general, Flow Characteristics -water, Industrial-general, Saline Water Intrusion, Water Sampling, ...2.0825
- DISTRIBUTION OF YOUNG STAGES OF COASTAL FISHES ...Continental Shelf, Fish -non-specific, Maturity & Growth Stages, Number Or Density, Ships and Cruises, ...6.0345
- INVENTORY OF THE GULF ESTUARY SYSTEM ...Bays, Data Acquisition-general, Fishing, Gulf of Mexico, Sedimentology-general, ...2.0322
- EFFECTS OF PESTICIDES ON AQUATIC ANIMALS IN THE ESTUARINE AND MARINE ENVIRONMENT (ABBREV) ...Bioindicators, Laboratory Animals, Pesticides -non-specific, Pollution - Effects of, ...5.0062
- ESTUARINE BIOLOGY--RESPONSE OF LARVAE TO TEMPERATURE AND SALINITY ...Alewife, menhaden, shad, herring, Aquatic Ecology, Environmental Ecology, Salinity, Temperature, ...2.0827
- PRODUCTIVITY OF ESTUARINE AND MARINE ECOSYSTEMS (A COOPERATIVE AGREEMENT WITH THE ATOMIC ENERGY COMMISSION) ...Ions and Gases, Plankton Sampling, Productivity - Food Chain, Radioactivity, Radioactivity-general, ...2.0818
- MEASUREMENT OF RADIONUCLIDES IN ESTUARINE AND MARINE ENVIRONMENTS (A COOPERATIVE AGREEMENT WITH ATOMIC ENERGY COMMISSION) ...Marine Environments-general, Pollution - Effects of, Pollution Effects, Radioactivity-general, Reactor Sites & Rad Waste, ...2.0819
- SEDIMENT MINERALOGY ...Adsorption Capacity, Contamination - Water, Pollution Effects, Productivity - Food Chain, Radioactivity-general, ...5.0806
- ACCUMULATION OF RADIONUCLIDES BY VERTEBRATES ...Contamination - Water, Pollution Effects, Productivity - Food Chain, Radioactivity-general, ...5.0803
- FAUNAL PRODUCTION ...Pollution Effects, Pollution-general, Productivity - Food Chain, Vertical Distribution, Water Environment -other, ...6.0154
- BENTHIC COMMUNITIES ...Benthonic-bottom, Engineering Structures-general, Environmental Ecology, Marine Biology, Productivity - Food Chain, ...6.0156
- PLANKTON ECOLOGY ...Eutrophication, Gulf of Mexico, Gymnodinium, Phytoplankton, Range Or Territorial Distr., ...6.0155
- BRISTOL BAY ESTUARINE ECOLOGY ...Alaska, Fishing Gear, Life History Studies, Migration, Salmon -coho, chinook, sockeye..., Water Mass & Ocean Fronts, ...2.0016

Estuaries

SUBJECT INDEX

- PINK SALMON INVESTIGATIONS - FRESHWATER ECOLOGY ...Aquatic Ecology, Environmental Ecology, Mortality Rates, Physical-general, Salmon -coho, chinook, sockeye..., ...4.0002
- COASTAL AND INSHORE OCEANOGRAPHY ...Alaska, General, Marine Biology, Other Sea Water Properties, Shoreline - Coastline, ...2.0015
- ECOLOGY OF GREAT LAKES ESTUARIES ...Bays, Currents - water, ...2.0626
- ESTUARINE INVENTORY (FORMERLY CHEMICAL ENVIRONMENT) ...Florida, Gulf of Mexico, Marine Biology, Physiography-general, Sedimentology-general, ...2.0325
- PESTICIDE MONITORING PROGRAM ...Bioindicators, Gas, Monitoring Systems, Oysters, ...5.0268
- RELATION OF ENVIRONMENTAL FACTORS TO THE PRODUCTIVITY OF ESTUARINE SEDENTARY FAUNA ...Aquatic Ecology, Environmental Ecology, Florida, Productivity - Food Chain, ...5.0269
- BEHAVIOR OF ESTUARINE ANIMALS ...Behavior -animal, Pesticides -non-specific, Pollution - Effects of, Pollution Effects, ...2.0323
- CHEMICAL ANALYSES ...Chlorinated Hydrocarbons, Substances Or Chemicals, ...1.0034
- ESTUARINE STUDIES OF SOUTHEASTERN ALASKA ...Alaska, Benthic Fauna, Environmental Ecology, Number Or Density, Vertical Distribution, ...2.0017
- ESTUARINE ECOSYSTEMS ...Aquatic Or Soil-aquatic Cycles, Pesticides -non-specific, Pollution - Effects of, Pollution Effects, Water Properties-general, ...2.0324
- PESTICIDE KINETICS ...Aquatic Or Soil-aquatic Cycles, Degradation -non-specific, Insecticides -non-specific, Marine Biology (non-specific), Pollutants - Path of, ...5.0271
- EFFECTS OF INDUSTRIAL EXPANSION ON THE AQUATIC ENVIRONMENT OF ESTUARINE AREAS ...Columbia River, Salmon & Trout - Non-specific ...2.1131
- EVALUATION OF ENGINEERING PROJECTS AND ESTUARINE DATA (ESTUARINE PROGRAM) ...Commercial Fishing, Conservation & Management Eng, Construction Sites, Gulf of Mexico, Habitat Studies, Land Use -non-specific, ...8.0290
- ECOLOGY OF WESTERN GULF ESTUARIES ...Gulf of Mexico, Habitat Studies, Plant Prod. (non-specific), Pollution - Effects of, Productivity - Food Chain, ...2.1048
- MICROBIOLOGY OF MARINE AND ESTUARINE INVERTEBRATES ...Marine Bacteria (non-specific), Microbiological Analysis, Oysters, ...2.0586
- EVALUATION OF ESTUARINE DATA ...Current Research Projects Info, Data Analysis - General, Gulf of Mexico, ...2.1047
- ESTUARINE DIFFUSION OF POLLUTANTS ...Dilution-other, Oregon, Pollutants - Path of, Salinity, Stratification, ...5.0974
- PHARMACOLOGY OF METAL POISONING IN ESTUARINE FISHES ...Contamination - Water, Killifishes - Cyprinodon, Metals Ns, Stress, ...5.1083
- COMPARATIVE TOXICITIES OF METALS TO ESTUARINE FISHES ...Bioassays, Industrial Wastes, Killifishes - Cyprinodon, Mineral Origin, Solid Waste, ...5.1084
- USE OF MARINE PLANKTONIC ORGANISMS FOR EVALUATING THE QUALITY OF MARINE AND ESTUARINE WATERS ...Bioassays, Phytoplankton, Pollution - Effects of, Pollution Effects, Zooplankton, ...5.1093
- EFFECTS OF PETROLEUM AND PETROLEUM WASTES UPON IMPORTANT SPECIES OF ESTUARINE PHYTOPLANKTON AND ZOOPLANKTON ...Contamination - Water, Contamination, Pollution-water, Oil, Petroleum, Phytoplankton, Zooplankton, ...5.1086
- EFFECT OF NITRILOTRIACETIC ACID (NTA) UPON THE TOXICITY OF METALS TO SELECTED SPECIES OF ESTUARINE PHYTOPLANKTON ...Acids, Carbon, Chemicals (incl. algicides), Phytoplankton, Radioisotopes, ...5.1085
- EVALUATION OF METHODS FOR QUANTITATION OF FECAL COLIFORM BACTERIA ...Bacterial Pollutant Sources, ...5.1224
- VIBRIO PARAHAEMOLYTICUS IN THE ESTUARINE ENVIRONMENT ...Crustacea -non-specific, Isolation From Nat. environ., Mollusks -non-specific & Other, Temporal Distribution, Vibrio N S. ...2.1115
- EVALUATION OF METHODS FOR RECOVERY OF ENTEROBACTERIACEAE FROM MARINE SOURCES ...Bacterial Pollutant Sources, Crustacea -non-specific, Intestinal Bacteria, Pollutants-general, ...5.1225

- PURIFICATION OF HARD CLAMS FROM POLLUTED WATERS ...Animal Viruses (non-specific), Clams, Contamination - Water, Intestinal Bacteria, New Jersey, ...5.0729
- PHYTOPLANKTON, SUSPENDED MATERIALS, AND TURBIDITY ...Organic-general, Organics, Shoreline - Coastline, Turbidity, ...6.0082
- MICROBIOLOGY OF ESTUARINE AND SHELLFISH POLLUTION ...Bioindicators, Clams, Oysters, Pollution Effects, Shellfish Depuration, Waste Water Treatment-general, ...5.0719
- INCIDENCE OF PATHOGENIC ENTEROBACTERIACEAE AND ENTEROVIRUSES IN ESTUARINE AREAS ...Detection, Enteroviruses of Humans, Intestinal Bacteria, Puget Sound, ...5.1226
- THE ECOLOGY OF CLOSTRIDIUM BOTULINUM TYPE E ...Bacterial Exotoxins, Classification Or Taxonomy, Clostridium Botulinum, Ecology, Serology, ...5.1070

Ethylene

- BIOLOGICAL NITROGEN FIXATION IN LAKES ...Acetylene, Gas, Lakes, Mobile, Nitrogen, Nitrogen Fixation, ...5.1299

Eutrophication

- CHANGES IN STREAM COMMUNITIES ASSOCIATED WITH EFFLUENT - INDUCED EUTROPHICATION ...Aquatic Plants (non-specific), Invertebrates -non-specific, Number Or Density, Pennsylvania, Streams, ...5.1029
- DETERMINATION OF THE STAGES OF EUTROPHICATION OF SOME OF NEW HAMPSHIRE'S LARGE LAKES PHASE II ...Lakes, New Hampshire, Phytoplankton, Primary Productivity, Water Properties-general, Zooplankton, ...2.0746
- THE EFFECTS OF NUTRIENTS ADDITIONS AND STREAM DYNAMICS ON STREAM EUTROPHICATION ...Energy-dynamics, Nutrients, of Aquatic Plants, Productivity - Food Chain, Streams, ...5.1040
- CHANGES DURING EUTROPHICATION OF AN ESTUARY ...Estuaries, North Carolina, Plankton (non-specific), Pollution - Effects of, ...5.0820
- MANIPULATION OF RESERVOIR WATER FOR IMPROVED QUALITY AND FISH POPULATION RESPONSE ...Environmental Ecology, Fish -non-specific, Flow Augmentation, Freshwater Ecology, Population Dynamics, Reservoirs and Impoundments, ...5.1294
- A STUDY OF ALGAL POPULATIONS ASSOCIATED WITH DIFFERENT LEVELS OF WATER QUALITY IN NEW HAMPSHIRE ...Algal Pollutant Sources, Bioindicators, New Hampshire, Nutrition Studies, Water Quality-general, ...5.0712
- DETERMINATION OF THE FEASIBILITY OF REMOVAL OF ALGAL NUTRIENTS IN LAKE WATERS BY ION-EXCHANGE ...Algae- General, Ion Exchange-other, Lakes, Nutrients, Phosphate, Phosphite, ...2.0610
- MICROBIAL INTERVENTION IN THE EUTROPHICATION PROCESS ...Food Chains, Nutrients, Organic, Phytoplankton, Water Bacteria, ...5.0515
- AN INVESTIGATION OF APHANIZOMENON FLOS-AQUAE, A TOXIC BY-PRODUCT OF EUTROPHICATION ...Algal Metab.(non-specific & ot), ...5.0717
- BASIC RESEARCH IN THE AQUATIC ENVIRONMENT EFFECTS OF EUTROPHICATION ON PLANKTON ALGAE AND BENTHIC PLANTS COMMUNITIES ...Nutrients, ...2.0803
- EUTROPHICATION OF SHELTERED BAYS IN A LARGE LAKE ...Bays, Chemical-general, Currents -water, Freshwater Ecology, Utah, ...5.1188
- INFLUENCE OF SUSPENDED MICROSCOPIC SUBSTANCES ON THE METABOLISM OF MICROORGANISMS RESPONSIBLE FOR BIOLOGICAL ENRICHMENT OF WATER ...Adsorption Capacity, Chemical, Microorganisms (non-specific), Pollution - Effects of, Sediments, ...5.0877
- CONTROL OF BENTHIC DEPOSITS IN LAKES ...Benthic-bottom, Deposits-other, Lakes, Water Quality Control-general, ...5.0513
- STUDIES ON PHOSPHORUS TRANSFORMATIONS IN EUTROPHIC LAKES ...Bacterial Culture, Bacterial Pollutant Sources, Budgets -other, Connecticut, Nutrition, Phosphorus, ...5.0216
- RESPIRATION OF AQUATIC MACROPHYTES IN EUTROPHIC SYSTEMS ...Environmental Effects-geologic, Nutrients, of Aquatic Plants, Plant Pollutants, Respiration, ...5.1041
- WATERSHED ANALYSIS RELATING TO EUTROPHICATION OF LAKE MICHIGAN ...Data Analysis - General, Economics-general, Great Lakes-general, Michigan, Social Aspects, ...6.0302

SUBJECT INDEX

Eutrophication

- A EUTROPHICATION MODEL OF THE WHITE RIVER BASIN ABOVE BEAVER RESERVOIR IN NORTHWEST ARKANSAS ...Arkansas, Forecasting-prediction, Nutrients, Reservoirs and Impoundments, Simulation, ...5.0053
- THE ROLE OF AQUATIC VASCULAR PLANTS IN THE EUTROPHICATION OF SELECTED LAKES IN WESTERN MASSACHUSETTS ...Bioindicators, Lakes, Massachusetts, Nutrients, Water Properties-general, ...2.0609
- DEVELOPMENT OF A MATHEMATICAL MODEL TO PREDICT THE ROLE OF SURFACE RUNOFF AND GROUND WATER FLOW IN OVERFERTILIZATION OF SURFACE WATERS ...Mathematical Analysis, Minnesota, Nutrients, Runoff, Surface Water, ...5.0606
- A STUDY OF INHIBITORY COMPOUNDS PRODUCED BY FRESH-WATER ALGAE ...Algal Pollutant Sources, Chemicals (incl. algicides), Chlorophyceae (non-specific & ot), Metabolic Inhibitors, of Aquatic Plants, ...5.0446
- AUTECOLOGICAL STUDIES ON SOME DOMINANT PHYTOPLANKTON SPECIES OF LAKE CHAMPLAIN ...Algae-Diatoms, Aphanizomenon, Cyanophyta (non-specific & Ot), Freshwater Ecology, Vermont, ...2.1084
- ULTRAVIOLET ABSORPTION AND ITS POSSIBLE RELATION TO EUTROPHICATION IN LARGE NEW HAMPSHIRE LAKES ...Filtration, Lakes, New Hampshire, Technique Development, Ultraviolet, ...5.0714
- CHANGES IN WATER QUALITY PARAMETERS OF RESERVOIRS DURING REGULATED FLOW CONDITIONS ...Iron, Manganese, Tennessee, Water Properties-general, Water Quality-general, ...5.1129
- EUTROPHIC EVALUATION OF A SMALL MULTI-LAND USE WATERSHED ...Nitrogen, Phosphorus, Small Watersheds, Urban Environments, Wisconsin, ...5.1319
- DIATOM POPULATIONS CHANGES IN LAKE GEORGE ...Algae-Diatoms, New York, Plankton Sampling, Plant Succession, Recreation Sites, ...2.0816
- PLANT-AVAILABLE PHOSPHORUS STATUS OF LAKES ...Phosphorus, ...2.1153
- EXPERIMENTAL REVERSAL OF THE LAKE EUTROPHICATION PROCESS ...Biological-general, Circulation -water, Nutrients, Temperature, Wisconsin, ...5.1308
- SEDIMENTARY FACIES IN LAKE BUTTE DES MORTS, WISCONSIN ...General, Lakes, Organic, Size, Wisconsin, ...2.1169
- WATER QUALITY MANAGEMENT OF IMPOUNDMENTS ...Destratification, Management, North Carolina, Reservoirs and Impoundments, Water Quality Control-general, ...5.0813
- A STUDY OF PHYTOPLANKTON DYNAMICS IN LAKE FAYETTEVILLE AS A MEANS OF ASSESSING WATER QUALITY ...Algal Culture, Bioindicators, Growth Rate, Phytoplankton, Primary Productivity, ...6.0031
- A COHERENT-AREA STUDY OF SOUTHERN LAKE MICHIGAN ...Bioindicators, Chemical Identification, Lake Michigan, Sedimentology-general, Weather Modification-other, ...5.0547
- THE AUTECOLOGY OF SOME BLUE-GREEN PLANKTON ALGAE ...Algal Culture, Cyanophyta (non-specific & Ot), Mixed Culture, Nutrition Studies, Phytoplankton, ...5.0955
- EUTROPHICATION FACTORS IN NORTH CENTRAL FLORIDA LAKES ...Administrative Structures, Florida, Lakes, Model Studies, Systems Analysis, ...5.0258
- EFFECTS OF DOMESTIC POLLUTION ABATEMENT ON A EUTROPHIC LAKE ...Biological-general, Chemical-general, Physical-general, Pollution Abatement, Self-purification, ...6.0220
- EUTROPHICATION OF SURFACE WATERS - LAKE TAHOE ...California, Effluents-waste Water, Lakes, Runoff, ...5.0088
- RENOVATION OF A DYSTROPHIC LAKE INTO A EUTROPHIC LAKE ...Aeration, Biological-general, Lakes, Nutrients, Organic Matter, ...5.0761
- PHOSPHATE EXCHANGE WITH SEDIMENTS ...Chemical-general, Phosphate, Phosphite, Pollution - Effects of, Pollution Abatement, Water Quality Control-general, ...5.0525
- NUTRIENT CONTROL PROJECT - DETROIT LAKES, MINNESOTA ...Lakes, Nutrients, of Aquatic Plants, Secondary Treatment, Stream Rehabilitation, ...5.0583
- EUTROPHICATION OF NATURAL WATERS ...Data Acquisition-general, Forecasting-prediction, Lakes, Plant Succession, Water Quality Control-general, ...5.1314
- EFFECT OF PHOSPHORUS REMOVAL PROCESSES ON ALGAL GROWTH ...Algae, Algal Pollutant Sources, Biological Treatment-other, Denitrification, Nutrients, ...5.0097
- SYSTEM ANALYSIS OF EUTROPHICATION CONTROL BY FLUSHING ...Flow Augmentation, Lakes, Systems Analysis, Water Quality Control-general, ...5.1266
- SEDIMENT-WATER-BACTERIA INTERACTIONS IN EUTROPHICATION ...Deposits-other, Lakes, Nutrients, Oregon, Water Bacteria, ...5.0953
- REMOVAL OF ORGANIC AND EUTROPHYING POLLUTANTS BY COMBINED CHEMICAL AND BIOLOGICAL TREATMENT ...Biological Treatment-general, Chemical Treatment, Denitrification, Industrial Waste-other, Organics, ...5.0399
- A STUDY TO EVALUATE THE EFFECT OF SILT AND SILT REMOVAL IN A NORTHERN PRAIRIE LAKE ...Domestic Wastes-general, Hardness-minerals, Lakes, Silting, ...5.1116
- TROPHIC TYPOLOGY OF OHIO LAKES ...Freshwater Ecology, Lakes, Nutrients, Ohio, Plant Succession, ...5.0893
- ECOLOGICAL SUCCESSION IN A NORTHEASTERN OHIO RESERVOIR ...Nutrients, Ohio, Plankton (non-specific), Plant Succession, Reservoirs and Impoundments, ...5.0894
- LAKE ERIE ENVIRONMENTAL STUDIES PROGRAM ...Biological, Biological-general, Chemical, Chemical-general, Deltas, Lake Erie, Meteorological Studies-general, Monitoring (long Term Studies), Physical-general, Sedimentology-general, ...2.0783
- SEASONAL VARIATIONS OF SOME LIMNOLOGICAL FACTORS IN LITTLE SODUS BAY, NEW YORK ...Bays, Chemical-general, Lake Ontario, New York, Productivity - Food Chain, ...3.0355
- DETERMINATION OF CRITICAL PHOSPHATE AND NITRATE CONCENTRATIONS FOR ALGAL BLOOM CONDITIONS IN LAKE ERIE ...Algal Pollutant Sources, Growth and Differentiation, Nitrogen, Phosphorus, ...6.0086
- STUDY OF EUTROPHICATION IN LAKES MAGOG & BROME ...Algal Pollutant Sources, Canada, Freshwater Ecology, Growth and Differentiation, Nutrition Studies, ...5.0166
- NUTRIENT REMOVAL FROM AGRICULTURAL WASTE WATERS ...California, Denitrification, Nutrients, Pilot Plants, San Francisco Bay, Waste Water Treatment-general, ...4.0032
- INVESTIGATION AND CONTROL OF ALGAE BLOOMS AND NUISANCE GROWTHS OF WATER WEEDS ...of Aquatic Plants, Phosphate, Phosphite, ...6.0110
- EFFECTS OF DEVELOPMENT ON WATER QUALITY ...Coliforms (non-specific), Land Use, Nutrients, Soil Conditions, Streams, ...5.1118
- WATER QUALITY AND NUTRIENTS, SACRAMENTO-SAN JOAQUIN RIVER SYSTEM ...Environmental Ecology, Fish -non-specific, Nutrients, Plankton (non-specific), Water Quality-general, ...2.0127
- LARGE IMPOUNDMENTS ...Arid and Desert, Nevada, Reservoirs and Impoundments, Water Properties-general, Water Quality-general, ...5.0184
- EUTROPHICATION RESEARCH AMERICAN FALLS RESERVOIR STUDY ...Chemical Analysis (water), Idaho, Nutrients, Reservoirs and Impoundments, Water Quality Control-general, ...5.0317
- THE EFFECTS OF ENVIRONMENTAL CONDITIONS ON THE SPAWNING AND SURVIVAL OF FRY OF THE WALLEYE ...Environmental Effects-geologic, Pollution - Effects of, Temperature, Walleyes, ...5.0900

- BIOLOGICAL (ENRICHMENT) CHAINS OF RADIONUCLIDES IN FINNISH LAKES ...Cesium, Finland, Nutrients, Radioactive Fallout, Radioisotopes, ...2.0309

Evaporation

- OPTIMAL DESALINATION SYSTEMS ...Desalination, Electrodialysis, Optimization, Optimization Technique, Reverse Osmosis, ...3.0241
- BEHAVIOR OF LIQUID SURFACES DURING EVAPORATION AND CONDENSATION ...Rate of Reaction, ...1.0083
- DISPOSAL OF BRINE BY SOLAR EVAPORATION ...Desalination, Heat Transfer, Mass Transfer, Solar Still, Vapor Pressure, ...3.0333
- AN INTERFEROMETRIC INVESTIGATION OF TRANSPORT PHENOMENA IN PARTIAL PRESSURE DISTILLATION ...Demineralization, Distilling Units, Films, Heat Transfer, Interface, ...3.0489
- SALINE WATER BY FREEZING - A PROGRAM OF INVESTIGATION ...Desalination, Freezing, Microscopy-other, Nucleation, Washing, ...3.0343
- INVESTIGATION OF MULTI-EFFECT MULTI-STAGE (MEMS) EVAPORATOR DESIGN PARAMETERS ...Flash Distillation, Heat Transfer, ...3.0159
- AN EVAPORATIVE FREEZING PROCESS FOR DESALTING WATER ...Batch, Desalination, Freezing, Pilot Plant, ...3.0163
- MAXIMUM RATE OF VAPORIZATION AND CONDENSATION OF WATER WITH DISSOLVED SALTS AND SURFACE CONTAMINATION ...Condensation, Electrolytes, Gas/gas, Rate of Reaction, Vapor Pressure, ...3.0413
- THE MECHANISM FOR FORMATION OF A SKINNED TYPE MEMBRANE ...Desalination, Interface, Light Scattering, Membranes-other, Solvent-other, ...3.0265
- DESIGN AND ECONOMIC STUDY OF A GAS TURBINE POWERED VAPOR COMPRESSION PLANT FOR EVAPORATION OF SEAWATER ...Compressors, Desalination, Gas, Heat Recovery, Water Costs, ...3.0421
- IMPROVEMENTS IN DESALINATION BY THE FLASH EVAPORATION PROCESS ...Additives, Desalination, Fluidized Bed, Ion Exchange-other, Scale Formation, ...3.0408
- CONTROLLED FLASH EVAPORATOR, ECONOMIC ANALYSIS AND THE DESIGN OF A DEMONSTRATION PLANT ...Cost Analysis, Desalination, Pilot Plant, ...3.0326
- LIME MAGNESIUM CARBONATE PROCESS - SEA WATER SOFTENING PLANT ...Brines, High Temperature - 1000-3000, Precipitation, Removal-inorganics, Waste Water Pre-treatment, ...3.0105
- CONSTRUCTION AND OPERATION OF 7-GPM PILOT PLANT FOR SILICA REMOVAL ...Adsorption-other, Hardness, Pilot Plant, Pollutant-other, Silicon, ...3.0323
- CONTINUOUS COUNTERCURRENT EXCHANGE SYSTEM FOR REMOVAL OF CALCIUM, MAGNESIUM AND DISSOLVED OXYGEN FROM FEED WATER ...Desalination, Ion Exchange-other, Other, Precipitation, Regeneration-other, ...3.0437
- DEVELOPMENT OF THE VACUUM FREEZING VAPOR COMPRESSION PROCESS ...Desalination, Freezing, High, Pilot Plant, Potable Water, ...1.0128
- FISHER AND FORTER INSTALLATION METHODS ...Gages, Technique Development, Testing Devices, ...7.0049
- SEEDING OF BRACKISH WATER ...Desalination Wastes, Material Recovery Wastes, Nucleation, Scale Formation, ...5.1216
- MINERAL-WATER INTERACTION IN SALINE ENVIRONMENTS ...Analysis and Detection, California, Interfacial, Solution, Solution Chemistry, ...2.1095

Explosions, Detonation

Accidental

- ENCAPSULATION AND SOLIDIFICATION OF INTERMEDIATE LEVEL RADIOACTIVE WASTES IN THERMOPLASTICS ...Encapsulation, Fire Research-other, Instrumentation, Plant Equip., Polymer-other, Radioisotopes, Recovery, Scrap and Wastes, ...5.1142

SUBJECT INDEX

Extraction

- RECOVERY OF SALTS FROM SALINE WATERS VIA SOLVENT EXTRACTION ...Brines, Desalination, Distribution Coefficient, Magnesium, Material Recovery, ...5.0162
- FOAM FRACTIONATION ...Complexing, Flotation, Foam, Material Recovery, Removal-inorganics, ...3.0389
- THERMODYNAMICS AND TRANSPORT PROPERTIES OF MULTICOMPONENT INTERFACES ...Distillation-other, Interface, Other, Surfactants, Viscosity, ...3.0483
- THE EXTRACTION OF POTASSIUM FROM FRESH AND SALINE WATERS BY CLAY MINERALS ...Adsorption Capacity, Analysis and Detection, Clay Minerals-general, Potassium, ...2.0359
- PROCEDURES FOR TRACE ANALYSIS OF DISSOLVED INORGANIC AND ORGANIC CONSTITUENTS IN WATER ...Atomic Absorption, Coulometry, Titrimetry-other, Trace Analyses-other, ...5.0442
- COMPOSITION OF RESIDUES FROM PULP BLEACHING TREATMENTS ...Chlorination, Natural Occurring, Pulp and Paper Wastes, Quinones, ...5.0760
- STUDIES IN FOAM SEPARATION AND RELATED TECHNIQUES ...Foam, Industrial Waste-other, Separation-other, Surfactants, ...5.0520
- AN INVESTIGATION OF TECHNIQUES FOR THE REMOVAL OF CHROMIUM AND CYANIDES FROM ELECTROPLATING WASTES ...Chromium, Electroplated, Flotation, Industrial Processes-other, Material Recovery Wastes, Recovery, Scrap and Wastes, ...5.0725
- HIGH-PRESSURE VAPOR EXTRACTION OF SOLUBLE ORGANIC SOLUTES FROM AQUEOUS INDUSTRIAL WASTE STREAMS ...Flow of Gas in Liquid, Gaseous, High Pressure - 1-1000 Atm, Industrial Processes-other, Two-phase-other, ...5.0070
- ESTIMATING ACID MINE DRAINAGE POTENTIAL FROM COAL BEDS BY USE OF THE SOXHLET EXTRACTOR ...Acid Mine Wastes, Acidity, Coal-general, Iron, Sulfate, Sulfite, ...5.0993
- ORGANIC SUBSTANCES IN WATER ...Gas, Infrared, Organic Wastes, Pesticides, Vacuum Distillation, ...5.0120
- CHARACTERIZATION OF ORGANIC CONTAMINANTS IN PAPER MILL EASTE EFFLUENTS ...Chemical Analysis, Chemical Identification, Chemical Treatment, Distillation-other, Organic, Pulp and Paper Wastes, ...5.0284
- EXTRACTION OF ALGAE BY FLOCCULATIVE TECHNIQUES ...Additives, Algal Pollutant Sources, Flocculation, Public Works, ...5.0398

Distribution Coefficient

- RECOVERY OF SALTS FROM SALINE WATERS VIA SOLVENT EXTRACTION ...Brines, Desalination, Extraction, Magnesium, Material Recovery, ...5.0162
- WATER RESEARCH PROGRAM - SECTION I, PROPERTIES OF SOLUTIONS ...Colloidal Phenomena, Membranes-other, Potentiometry, Salts, Transport, Vapor, ...1.0115

Extraction-other

- THE ANALYSIS OF AROMATIC CONSTITUENTS IN WATER USING FLUORESCENCE AND PHOSPHORESCENCE ...Analysis and Detection, Chromatography-other, Noncondensed Aromatics-other, Spectroscopy-other, Taste and Odor, ...5.0711
- DETERMINATION OF THE PHOSPHATE CONTENT OF NATURAL WATERS, AT THE NUTRIENT LEVEL, BY SOLVENT EXTRACTION ...Automatic Systems, Fresh Water, Nutrients, Phosphate, Phosphite, Trace Analyses-other, ...1.0015
- PHYSICAL CHEMISTRY OF RADIOELEMENTS - RADIOMETRIC METHODS OF ANALYSIS ...Activation Analysis, Electrodeposition, Organic, Precipitation, Radioactivity-general, ...7.0020
- CHARACTERIZATION OF ORGANIC CONTAMINANTS IN TEXTILE WASTE EFFLUENTS ...Adsorption-other, Chromatography-other, Organic Wastes, Spectroscopy-other, Textile Wastes, ...5.0280
- METHODS OF ANALYSIS FOR INSECT-CONTROL CHEMICALS ...Chemical Analysis, Colorimetric, Gas, Reaction-general, Spectroscopy-other, ...5.0491
- AGRICULTURAL SIGNIFICANCE OF CERTAIN TRANSITIONAL ELEMENTS FROM PESTICIDES AND OTHER AGRICULTURAL CHEMICALS ...Chelating, Metal Organics - non-specific, Mineralogy, Movement, Availability, Soil Analysis, Soil Chemical Properties, ...5.0483

SUBJECT INDEX

Fats

Extraterrestrial

- MINIMUM WATER CONCENTRATION OF ENVIRONMENTAL WATER CAPABLE OF SUPPORTING LIFE ...Environment, Fungi -non-specific, Lichenes, Moisture, Water, ...6.0430
- DEEP ICE CORE STUDIES AND ANALYSES FROM GREENLAND AND ANTARCTICA ...Antarctica, Core Analysis, Dust - Particulate Matter, Greenland, Radioactive Dating-general, Velocity, ...2.0754

Exudates

- THE NATURE AND MAGNITUDE OF THE RESISTANCE TO FLOW OF WATER IN ROOTS ...Gases, Osmotic and Turgor Pressure, Roots, Temperature, Transpiration and Evap, Water Movement, ...2.0245
- A COMPARATIVE STUDY OF SODIUM TRANSLOCATION IN PLANTS ...Ion Transport and Elect. pot., Sodium, Tobacco, Translocation, ...2.0110

Fabrication

Shrinking

- ANALYSIS OF LENGTH CHANGE OF CONCRETE ...Aggregates, Extenders, Fillers, Cement, Concrete, Crack Initiation, Propagation, Drying, Failure Analysis, Reliability, ...8.0103

Stretch Forming, Cryoform

- PREPARATION OF SMALL TUBES AND THE DETERMINATION OF THEIR PROPERTIES FOR REVERSE OSMOSIS ...Dimensions, Expansion, Mechanical Properties-general, Permeability, Pipe, Tube, Reverse Osmosis, ...3.0387

Fabrics

Cotton

- INFLUENCE OF WATER QUALITY IN MAINTAINING WHITENESS WHEN LAUNDERING WHITE FABRICS ...Cleansing Agents, Color, Hardness-minerals, Laundering, Pollution - Effects of, Strength, Cohesion, ...3.0382

Farm Pond

- TRANSPORT, STORAGE, AND TOXICITY OF INSECTICIDES IN AQUATIC ENVIRONMENTS ...Food Chains, Animal And/or Man, Mode of Action -animal, Pollutants - Path of, ...5.0575
- A STUDY OF THE ENERGY FLOW THROUGH SELECTED COMPONENTS OF A SMALL AQUATIC ECOSYSTEM ...Aquatic Ecology, Energy Budgets, Food Chains, Productivity - Food Chain, ...6.0162
- RELATIONSHIPS BETWEEN PESTICIDES AND GEORGIA FARM POND ECOSYSTEMS ...Aquatic Or Soil-aquatic Cycles, Clay, DDT, Endrin, Georgia, Pollution - Effects of, Soil Types, ...5.0288
- FARM FISH POND MANAGEMENT ...Fertilizers -aquatic, Food Supply, Management, Nutrients, Productivity - Food Chain, ...6.0300
- LIMNOLOGY AND MANAGEMENT OF OREGON FARM PONDS AND SMALL IMPOUNDMENTS ...Aquaculture & Fish-farming, Management, Productivity - Food Chain, Reservoirs and Impoundments, Trifluralin, Wildlife, ...6.0449
- THE EFFECTS OF FERTILIZATION ON PRODUCTIVITY OF FARM PONDS ...Fertilizers, Physical, Plant Prod. (non-specific), Productivity - Food Chain, ...6.0549
- THE MICROBIOLOGY OF FARM PONDS AND OTHER FRESH WATER SYSTEMS ...Bacterial Pollutant Sources, Domestic Wastes-general, Pollution - Effects of, ...5.1286
- SURFACE WATER STORAGE AND SUPPLY ON FARMS IN THE COASTAL PLAINS ...Evaporation, Leakage, Seepage, Storage of Water, Surface Water, Water Loss Control, ...3.0196
- EVAPORATION RETARDATION, PONDS OR SMALL LAKES ...Evaporation, Lakes, Monolayers, Water Loss Control, ...4.0100
- MANAGEMENT OF FOREST AND FARM GAME HABITAT - FISH POND MANAGEMENT ...Food Supply, Game Reserves, Habitat Studies, of Aquatic Plants, Site Index and Site Quality, ...6.0245
- SIPHON TYPE TRICKLE TUBE FOR FARM PONDS AND RESERVOIRS ...Conduit, Design Criteria, Reservoirs, Siphon, Technique Development, Water Level Fluctuation, ...8.0203
- GEAR RESEARCH-RICE FARM PRODUCED FISH ...Aquaculture & Fish-farming, Economic Efficiency, Special Purpose Machines, Stocking of Fish & Shellfish, ...6.0032

- THE DISPOSITION OF PESTICIDES IN SOIL AND CLOSELY RELATED WATER ...Louisiana, Management, Pesticides -non-specific, Pollutants - Path of, Soil and Rock Leaching, ...5.0276

Farm Wastes

- CLOSED SYSTEMS FOR ANIMAL SEWAGE TREATMENT ...Acrobic, Digestion, Disinfection, Ion Exchange-other, Safety, ...1.0060
- BIOLOGICAL TREATMENT OF BEEF ANIMAL WASTES TO REDUCE WATER POLLUTION ...Aeration, Anaerobic, Animal Wastes - Feed Lots, Biochemical Oxygen Demand, Chemical Oxygen Demand, Chemical Treatment, Livestock Equipment, ...5.0433
- WATER POLLUTION BY DAIRY FARM WASTES AS RELATED TO METHOD OF WASTE DISPOSAL ...Alabama, Animal Waste Removal-treatment, Bacterial Pollutant Sources, Chemical Oxygen Demand, Management, Sewage Lagoons, Waste Disposal-general, ...5.0011
- (FSCT CATEGORY V D) MAGAGEMENT OF CATTLE FEEDLOT WASTES ...Anaerobic, Animal Waste Removal-treatment, Animal Wastes - Feed Lots, Lagoon, Sewage Lagoons, ...5.0412
- DISPOSAL OF WASTES FROM SWINE FEEDING FLOORS TO MINIMIZE STREAM POLLUTION ...Animal Waste Removal-treatment, Animal Wastes - Feed Lots, Management, Process Design, Streams, ...5.0500
- WASTE DISPOSAL IN RURAL AREAS ...Acrobic, Animal Waste Removal-treatment, Chemical Analysis (water), Effluents-waste Water, Rural Areas, Septic Tanks, ...5.0219
- SPRAY DISPOSAL OF LIQUID COW MANURE ...Animal Waste Removal-treatment, Animal Wastes - Feed Lots, Effluent-standards, Pump-other, Waste Disposal -underground, ...5.0224
- LAGOONS FOR DISPOSAL OF BARN YARD WASTES ...Animal Waste Removal-treatment, Animal Wastes - Feed Lots, Climate, Lagoon, Louisiana, Process Design, ...5.0452
- CONTROL OF INSECTS ASSOCIATED WITH SWINE PRODUCTION WITHOUT THE USE OF INSECTICIDES ...Animal Waste Removal-treatment, Control -non-specific, Ectoparasitic, Flies - house,face,horn,stable, Septic Tanks, ...5.0488
- FARM ANIMAL WASTE DISPOSAL ...Aeration, Animal Waste Removal-treatment, Drying-dewatering, Electroosmosis, ...5.0564
- THE ENGINEERING MANAGEMENT OF AGRICULTURAL WASTES ...Activated, Animal Waste Removal-treatment, Dairy Wastes, Lagoon, Solid Waste, ...5.0084
- A FEASIBILITY STUDY OF A LIVESTOCK WASTE DISPOSAL INVOLVING REUSE OF WATER ...Animal Waste Removal-treatment, Sewage Treatment Plant, Solid Waste, Waste Water Treatment-general, Water Reuse, ...5.0836
- DESIGN OF FACILITIES FOR ANIMAL WASTE DISPOSAL ...Anaerobic, Animal Waste Removal-treatment, Puerto Rico, Waste Disposal-general, ...5.1049
- POLLUTION IMPLICATIONS OF ANIMAL WASTE ...Animal Waste Removal-treatment, Animal Wastes - Feed Lots, Livestock Equipment, Waste Water Treatment-general, ...5.0916
- CHARACTERISTICS OF FARM ANIMAL MANURES AFFECTING DESIGN OF DISPOSAL FACILITIES ...Animal Waste Removal-treatment, Physical Property Effects, Waste Disposal - underground, Waste Disposal-general, ...3.0300
- FARM ANIMAL MANURE DISPOSAL LAGOONS ...Animal Waste Removal-treatment, Lagoon, Process Design, Sewage Lagoons, Waste Disposal-general, ...5.0613

Fats

Butyric Acid

- THE BIOLOGY AND CHEMISTRY OF SPHAEROTILUS ...Autotrophic, Growth (non-specific & Ot.), Nutrition, Oxidation-general, Sphaerotilus, ...5.1241
- BIOLOGICAL METHODS OF SLUDGE DEWATERING ...Activated, Biological Treatment-other, Depolymerase, Drying-dewatering, Microorganisms (non-specific), ...5.0089

Cephalin

- STUDIES OF NATURALLY OCCURRING ACIDIC LIPIDS - IONIC, SURFACE AND MEMBRANE PROPERTIES ...Lecithin, Model Membranes, Permeability, Sphingomyelin, Surface Properties -other, ...3.0354

Fats

Fats -non-specific

RESEARCH AND FIELD ENGINEERING STUDIES FOR OPTIMIZING LIPID BIOSTABILIZATION PROCESSES ...Anaerobic, Destratification, Microorganisms (non-specific), Model Studies, Process Design, ...5.0684

Lecithin

STUDIES OF NATURALLY OCCURRING ACIDIC LIPIDS - IONIC, SURFACE AND MEMBRANE PROPERTIES ...Cephalin, Model Membranes, Permeability, Sphingomyelin, Surface Properties -other, ...3.0354

Lipid Hydroperoxides

STEROLS AND LIPIDS IN WATER POLLUTION ...Chemical Identification, Effluents-waste Water, Pollutants - Path of, Sewage, Sterols, ...5.1173

Oils -fats

TEMPERATURE EFFECTS ON BIOLOGICALLY INTERESTING MEMBRANE SYSTEMS ...Action- & Bioelectrical Pot., Membranes-other, Model Membranes, Permeability, Temperature, ...3.0182

Sphingomyelin

STUDIES OF NATURALLY OCCURRING ACIDIC LIPIDS - IONIC, SURFACE AND MEMBRANE PROPERTIES ...Cephalin, Lecithin, Model Membranes, Permeability, Surface Properties -other, ...3.0354

Federal Government

DOCTORAL DISSERTATION RESEARCH IN POLITICAL SCIENCE ...Irrigation-general, Mexico, Policy Making, Power Structure, Water Supply-general, ...3.0157

WATER RESOURCES PLANNING STUDIES - OKLAHOMA AND ARKANSAS ...Arkansas River, Data Acquisition-general, Planning, State-local Government, Storage of Water, ...6.0445

POLITICAL PROCESSES IN THE PROMOTION OF WATER RESOURCE DEVELOPMENT PROGRAMS ...Intergovernmental Relations, Management and Administration, Mississippi, State-local Government, Water Resources Development, ...6.0316

ECONOMIC ANALYSIS OF RESOURCE AREAS ...Economics-general, History, Social Aspects, Water Resources Development, ...6.0098

SCENIC RIVERS STUDY ...Intergovernment Relations, Recreation Sites, Wild Rivers, ...3.0170

Feed Science and Technology

Fish Meals

REMOVAL OF PESTICIDES FROM FRESHWATER FISH ...Bioassay, Fish -non-specific, Mode of Action -animal, Pesticides -non-specific, Removal of Residues, ...5.0543

Forages, N. s.

DEER FOODS ON WATERSHEDS TREATED FOR INCREASED WATER YIELD ...Arizona, Deer Ns, Food Supply, Water Yield, ...4.0004

Methods of Feeding

Grazing

ANIMAL, FORAGE AND WATER RESOURCES FOR BEEF PRODUCTION ...Management, Quality and Utilization, ...5.0086

EFFECTS OF RANGE PLANT FOLLIAGE REMOVAL ON SOIL MOISTURE REGIME ...Management and Fertility, Modified Water Use, Moisture Content, Seasonal, ...2.1063

THE INFLUENCE OF GRAZING MANAGEMENT SYSTEMS ON VEGETATION COMPOSITION AND LIVESTOCK REACTION ...Agricultural Watersheds, Conservation-general, Management and Fertility, Water Loss-general, ...5.1160

Processing and Preservation

Pelleted

A COMPARISON OF THE GROWTH RATE OF BLUE CATFISH AND CHANNEL CATFISH FINGERLINGS FOR A PELLETED COMMERCIAL FEED ...Aquaculture & Fish-farming, Channel Catfish, Growth Rate, ...5.1179

SUBJECT INDEX

Rations

Fish Rations

PRODUCTION OF ADULT GAME FISHES BY ARTIFICIAL FEEDING ...Aquaculture & Fish-farming, Fish -non-specific, Food Supply, ...6.0181

Ferrous Alloys

Alloy & Systems

CORROSION AND MASS TRANSFER FROM CYLINDERS OF METALS ROTATING IN SEAWATER AT HIGH TEMPERATURES AND PRESSURES ...Aluminum, Desalination, High, Water, ...3.0247

DEVELOPMENT OF A LOW-COST IRON-BASE ALLOY TO RESIST CORROSION IN HOT SEA-WATER ...Desalination, Orientation, Polarization, Saline Conversion, Water, ...3.0418

INVESTIGATION OF CORROSION FUNDAMENTALS AS RELATED TO ALLOYING ...Additives, Aluminum, Copper, Corrosion General, ...3.0415

APPLICATION OF IRON-ALUMINUM BASE ALLOYS TO SALINE WATER CONVERSION ...Cost Analysis, Desalination, Pipe, Tube, Stainless Steels-other, Water, ...3.0099

Ferrous Alloys - Other

EVALUATION OF CONCRETE AND RELATED MATERIALS FOR USE IN DESALINATION PLANTS ...Cement, Concrete, Coatings-general, Corrosion General, Saline Conversion, Sealant Materials, ...8.0062

Low Alloy Steels

SEAWATER CORROSION CONTROL BY ENVIRONMENT MODIFICATION ...Environment General, Inhibitors, Other, Saline Conversion, Water, ...3.0454

CORROSION OF UNDERGROUND STEEL PILING ...Corrosion Prevention-other, Deep, Soil Chemical Properties, Soil Electrical Properties, Soils, ...8.0223

CORROSION MITIGATION ...Corrosion Prevention-other, Deep, Marine Fouling, Pre-stressed, Water, ...8.0157

CORROSION MITIGATION -CATHODIC PROTECTION OF WATER-IMMERSED STEEL STRUCTURES ...Cathodic Protection, Coatings-general, Engineering Studies-general, Hydraulic Structures, ...8.0172

CORROSION OF METALS IN CONCRETE ...Cement, Concrete, Chloride, Stress, Strain, Water, ...8.0023

Ores

IRON ORE FLOTATION ...Beneficiation, Flotation, Industrial Processes-other, Mining Industry, Pollution Abatement, Recovery, Scrap and Wastes, ...5.0616

Reinforcing Steel

TENSILE CRACK EXPOSURE TESTS ...Beams - Bars, Cement, Concrete, Crack Initiation, Propagation, Standards, Specifications, Weathering, ...8.0252

Stainless Steels

Austenitic

EFFECT OF ELECTROCHEMICAL AND METALLURGICAL FACTORS ON CORROSION OF METALS AND ALLOYS ...Chemicals, Galvanic, Passivation, Pitting, Water, ...3.0282

THE ROLE OF BRITTLE SURFACE FILMS IN STRESS-CORROSION CRACKING ...Alloys and Systems, Brittleness, Copper, Film, Stress Corrosion, Titanium, ...3.0254

Stainless Steels-other

EFFECT OF ELECTROCHEMICAL AND METALLURGICAL FACTORS ON CORROSION OF METALS AND ALLOYS ...Brines, Desalination, Pitting, ...3.0283

APPLICATION OF IRON-ALUMINUM BASE ALLOYS TO SALINE WATER CONVERSION ...Alloy & Systems, Cost Analysis, Desalination, Pipe, Tube, Water, ...3.0099

Fertilizer Technology

Fertilizer Losses

UREA TRANSFORMATIONS AND RETENTION IN FLOODED SOILS ...Drainage, Nitrogen, Soil and Rock Leaching, Soil Environment, ...4.0123

SUBJECT INDEX

Field Soils Compaction

RELATION OF SOIL FERTILITY TO THE EXCHANGE COMPLEX ...Drainage, Mineral Nutrition, Missouri, Soil Environment, Soil pH, ...5.0678

NITRATES IN PLANTS ...Fertilizers, Management, Nitrate, Nitrite, Pollution - Effects of, Survey Studies, ...5.0680

BEHAVIOR OF NITROGEN IN THE SOIL ...Nitrogen, Soil and Rock Leaching, Soils and Fertilizer, ...5.0715

THE LOSS OF FERTILIZERS BY LEACHING FROM THE SOILS OF PUERTO RICO ...Fertilizers, Methods of Application, Puerto Rico, Soil and Rock Leaching, ...3.0428

THE LOSS OF FERTILIZERS BY LEACHING FROM THE SUGARCANE SOILS OF PUERTO RICO ...Lysimeters, Methods of Application, Other, Puerto Rico, Sugar Cane, ...2.0938

Fertilizer Materials

Concentration Within Fertilizer

CITRUS FERTILIZER TEST ON SEVERAL PRINCIPAL CITRUS SOIL TYPES IN THE LOWER RIO GRANDE VALLEY OF TEXAS ...Citrus, Irrigation, Irrigation-general, Rates Or Levels of Application, Soil Types, ...2.1034

RICE CULTURE ...Management, Maturity & Growth Stages, Methods of Application, Other, Rates Or Levels of Application, Rice, Varietal Evaluation, Yield, ...2.0570

Formulation

CULTURAL MANAGEMENT PRACTICES OF FORAGE CROPS FOR PASTURES HAY OR SILAGE ...Irrigation, Quality and Utilization, Rates Or Levels of Application, Yield, ...3.0176

Source of Fertilizer

APPLICATION OF SEWAGE SLUDGE TO FIELD CROPS ...Disposal, Fertilizing, Planting & Cult, Methods of Application, Organic Fertility -other, Sewage, Waste Disposal -underground, ...5.0363

Fertilizer Technology -other

FIXATION AND AVAILABILITY OF ADDED PHOSPHORUS IN SOILS ...Absorption, Fixation, Exchange, Phosphorus, Soil Environment, ...1.0053

Methods of Application

APPLICATION OF SEWAGE SLUDGE TO FIELD CROPS ...Disposal, Fertilizing, Planting & Cult, Organic Fertility -other, Sewage, Source of Fertilizer, Waste Disposal -underground, ...5.0363

THE LOSS OF FERTILIZERS BY LEACHING FROM THE SOILS OF PUERTO RICO ...Fertilizer Losses, Fertilizers, Puerto Rico, Soil and Rock Leaching, ...3.0428

THE LOSS OF FERTILIZERS BY LEACHING FROM THE SUGARCANE SOILS OF PUERTO RICO ...Fertilizer Losses, Lysimeters, Other, Puerto Rico, Sugar Cane, ...2.0938

RICE CULTURE ...Concentration Within Fertilizer, Management, Maturity & Growth Stages, Other, Rates Or Levels of Application, Rice, Varietal Evaluation, Yield, ...2.0570

Placement of Fertilizer

Band Width

THE EFFECT OF VARIOUS COMMERCIAL FERTILIZER PLACEMENTS AND IRRIGATION PRACTICES ON THE YIELD AND QUALITY OF RUSSET BURBANK POTATOES ...Irrigation, Irrigation-general, Potatoes, Soil Temp. -non-specific, Yield, ...2.0228

Depth

MANAGEMENT OF FLATWOOD SOILS ...Sand, Tillage, Cropping Systems, Water Table - Depth of, Water Table Fluctuation, ...6.0153

Rates Or Levels of Application

STUDIES IN SOILS AND AGRONOMIC PRACTICES - SHOSHONE PROJECT, WYOMING ...Air - Water - Plant Relations, Big Horn, Management, Physical Properties-general, Saline and Alkaline Soils, ...3.0494

THE EFFECT OF IRRIGATION METHOD, AND MOISTURE AND FERTILITY LEVELS UPON MAXIMIZING WATER USE EFFICIENCY AND QUALITY COTTON FIBER PRODUCTION ...Cotton, Furrow Irrigation, New Mexico, Soil Fertility, Subsurface Irrigation, Water Loss Control, ...3.0337

THE EFFECT OF VARYING SOIL MOISTURE REGIMES ON THE YIELD AND LEAF NITROGEN COMPOSITION OF CORN ...Corn, Fertility Competition - Soil, Management, Nitrogen, Soil-water-plant Relationships, ...2.0446

NITROGEN REQUIREMENT FOR SKIP-ROW COTTON ...Cotton, Nitrogen, Soil Tillage Methods -other, ...3.0303

INFLUENCE OF SOIL MOISTURE AND SOIL FERTILITY LEVELS ON ASPARAGUS YIELD AND QUALITY ...Asparagus, Coastal Plain, Moisture Content, Moisture Levels, ...2.0760

NITROGEN FERTILIZATION AND IRRIGATION OF TOBACCO ...Irrigation, Management, Moisture Deficiency, Nitrogen, ...2.0870

IRRIGATION OF COTTON AND CORN. ...Corn, Cotton, Irrigation, Irrigation-general, Yield, ...2.0960

FERTILIZER TREATMENTS AND CULTURAL PRACTICES ON VEGETABLES ...Aerial, Quality -non-specific, Root, Texas, Yield, ...6.0553

CITRUS FERTILIZER TEST ON SEVERAL PRINCIPAL CITRUS SOIL TYPES IN THE LOWER RIO GRANDE VALLEY OF TEXAS ...Citrus, Concentration Within Fertilizer, Irrigation, Irrigation-general, Soil Types, ...2.1034

PRUNE ORCHARD MANAGEMENT ...Internal Necrosis, Nitrogen, Plums, Trees, ...6.0611

DIFFERENTIAL RESPONSE OF SORGHUMS TO DIFFERENCES IN CULTURE AND ENVIRONMENT ...Drought, Growth Rate, Milo and Grain Sorghum, Modified Water Use, Moisture Deficiency, ...2.0578

RICE CULTURE ...Concentration Within Fertilizer, Management, Maturity & Growth Stages, Methods of Application, Other, Rice, Varietal Evaluation, Yield, ...2.0570

CULTURAL MANAGEMENT PRACTICES OF FORAGE CROPS FOR PASTURES HAY OR SILAGE ...Formulation, Irrigation, Quality and Utilization, Yield, ...3.0176

RELATION OF NITROGEN LEVEL, HIGH WATER TABLE AND SOIL SALINITY TO GROWTH, YIELD AND FRUIT QUALITY OF DATES ...Saline Soils, Trees, Water Table - Depth of, Water Table Fluctuation, ...3.0185

ECONOMIC ANALYSIS OF WATER USE IN IRRIGATION IN THE NORTHERN PLAINS ...Benefit-cost Analysis, Costs, Great Plains Province, Irrigation-general, Production & Processing, Water - Alternative Uses, ...4.0077

Timing of Application

Other

THE LOSS OF FERTILIZERS BY LEACHING FROM THE SUGARCANE SOILS OF PUERTO RICO ...Fertilizer Losses, Lysimeters, Methods of Application, Puerto Rico, Sugar Cane, ...2.0938

RICE CULTURE ...Concentration Within Fertilizer, Management, Maturity & Growth Stages, Methods of Application, Rates Or Levels of Application, Rice, Varietal Evaluation, Yield, ...2.0570

Types of Applied Fertilizer

Fertilizer Types -other

LETTUCE PHYSIOLOGY ...Growth, Irrigation, Moisture Content, Moisture Levels, ...2.0032

Fiber, Filament, Whisker

DEVELOPMENT OF IMPROVED CELLULOSE ACETATE MEMBRANES FOR REVERSE OSMOSIS ...Cellulose Acetate, Desalination, Reverse Osmosis, ...3.0264

DEVELOPMENT OF A WATER DESALINATION SYSTEM BASED ON HOLLOW FINE FIBER MEMBRANES ...Cellulose, Desalination, Membranes-other, Pilot Plant, Reverse Osmosis, ...3.0274

RESEARCH ON POROUS GLASS MEMBRANES FOR REVERSE OSMOSIS ...Desalination, Glass, Membranes-other, Porosity, Permeability, Reverse Osmosis, Waste Water Treatment-other, ...3.0068

TREATMENT OF MUNICIPAL SECONDARY EFFLUENT BY REVERSE OSMOSIS ...Carbon, Glass, Membranes-other, Pollutant-fouling, Reverse Osmosis, Waste Water Pre-treatment, ...5.0131

GLASS FIBER REINFORCED PLASTIC MORTAR PIPE FOR PRESSURE IRRIGATION DISTRIBUTION SYSTEM ...Glass, Irrigation Engineering, Pipe, Tube, Pipelines, Plastic Matrix, ...8.0027

Field Soils Compaction

SPECIAL STUDIES FOR CIVIL WORKS SOILS PROBLEMS ...Design Criteria, Earth & Rockfill Dams, Erosion Control, Slopes, Wave Action, ...8.0255

Field Soils Compaction

VIBRATORY COMPACTION OF COHESIVE SOILS ...Cohesive Soil-general, Compaction, Dams, Embankments, Soil Dynamics, ...8.0135

Field Studies

TEST AND EVALUATION OF FLASH FLOOD ALARM SYSTEM ...Evaluation Other, Field Testing, Flash Floods, Laboratory Analysis, Warning-systems, ...7.0110

GEOLOGIC ASPECTS OF SEA-WATER ENCROACHMENT - RECOGNITION OF LATE GLACIAL SUBSTAGES IN NEW YORK AND NEW ENGLAND ...New York, Quaternary Period, Saline Water Intrusion, Sea Level Variations, Shoreline - Coastline, ...2.0300

Film

MEMBRANES FOR REVERSE OSMOSIS DESALINATION BY DIRECT CASTING ON POROUS SUPPORTS ...Cellulosics, Cost Analysis, Natural Occurring, Reverse Osmosis, Saline Conversion, ...3.0309

STUDY OF ORIENTED CELLULOSE MEMBRANES FOR REVERSE OSMOSIS AND THE RELATIONSHIP BETWEEN MORPHOLOGY AND SALT REJECTION ...Desalination, Membranes-other, Orientation, Reverse Osmosis, Structure-materials-general, ...3.0248

INVESTIGATION OF THE USE OF LOW-COST PLASTIC FILMS FOR SOLAR STILL CONSTRUCTION ...Costs, Distilling Units, Glass, Plastics - General, Structural, Weathering, ...3.0391

CHARACTERIZATION OF CELLULOSE ACETATE MEMBRANES AND ULTRATHIN FILMS FOR REVERSE OSMOSIS ...Desalination, Electrical Properties, Membranes, Membranes-other, Natural Occurring, Reverse Osmosis, ...3.0362

DEVELOPMENT OF DIRECT CONTACT CONDENSATION MULTISTAGE FLASH (DCC-MSF) DISTILLATION PROCESS ...Brines, Condensation, Desalination, Flash Distillation, Heat Transfer, Plastics - General, ...3.0040

PREPARATION OF REVERSE OSMOSIS MEMBRANES BY SURFACE MODIFICATION OF CELLULOSE AND RELATED MATERIALS ...Cellulosics, Desalination, Membranes-other, Morphology-other, Reverse Osmosis, ...3.0212

EVALUATION OF DESALINATION PROPERTIES OF CELLULOSE ACETATE MEMBRANES IN FLAT, TUBULAR AND SPIRAL WOUND CONFIGURATIONS ...Desalination, Membranes-other, Natural Occurring, Saline Conversion, Stress, Strain, ...3.0052

THE ROLE OF BRITTLE SURFACE FILMS IN STRESS-CORROSION CRACKING ...Alloys and Systems, Austenitic, Brittleness, Copper, Stress Corrosion, Titanium, ...3.0254

CONTROL OF SEEPAGE FROM WATER CONVEYANCE AND STORAGE STRUCTURES IN THE INTER-MOUNTAIN AREA ...Linings-pavings, Seepage, Storage of Water, Water Loss Control, Water Transfer, ...8.0291

FACILITIES AND SYSTEMS FOR WATER HARVEST IN THE INTER-MOUNTAIN BASIN ...Durability, Deterioration, Mountains-alpine, Storage of Water, Water Harvesting, Water Loss Control, ...8.0292

Film Deposition

Vapor

DEVELOPMENT OF PERMANENT SYSTEMS FOR DROPWISE CONDENSATION ...Condensation, Distillation-other, Films, Heat Transfer, Pilot Plant, ...3.0411

Filter Materials

COUPLING OF FLOWS AROUND AND THROUGH POROUS MEDIA ...Boundary-layer-other, Liquid - Solid Interactions, Porous Media - Flow Through, ...2.0661

Filters

Membrane

RAPID IDENTIFICATION OF MICROBIAL POPULATIONS IN WATER ...Biological Pollutants -general, Fresh Water, Identification, Water Bacteria, ...5.1167

QUANTITATIVE DETECTION AND ENUMERATION OF POLLUTION INDICATOR BACTERIA OF WASTE WATERS AND SEWAGE TREATMENT PLANT EFFLUENTS ...Bacteria, Bacterial Pollutant Sources, Bioindicators, Detection, Sewage Testing, ...5.0853

SUBJECT INDEX

ECOLOGY OF YEASTS IN LAKE CHAMPLAIN ...Lakes, New York, Plant Taxonomy, Yeast N S, ...6.0395

Finland

BIOLOGICAL (ENRICHMENT) CHAINS OF RADIONUCLIDES IN FINNISH LAKES ...Cesium, Eutrophication, Nutrients, Radioactive Fallout, Radioisotopes, ...2.0309

Fish

Alewife,menhaden,shad,herring

DISTRIBUTION AND ABUNDANCE OF JUVENILE AMERICAN SHAD, ALOSA SAPIDISSIMA (WILSON), IN THE CONNECTICUT RIVER ABOVE HOLYOKE DAM, MASSACHUSETTS ...Connecticut River, Engineering Structures-general, Massachusetts, Migration, Number Or Density, ...3.0271

FOOD HABITS OF LARVAL AND JUVENILE SHAD IN THE CONNECTICUT RIVER ...Aquatic Ecology, Connecticut River, Food Supply, Massachusetts, Recreation Sites, ...3.0272

DISTRIBUTION AND GROWTH PATTERNS OF THE GIZZARD SHAD (DOROSOMA CEPEDIANU) AND THREADFIN SHAD (DOROSOMA PETENENSE) IN RESERVOIRS ...Arkansas, Growth Rate, Number Or Density, Reservoirs and Impoundments, Temporal Distribution, ...6.0029

FISH POPULATION STUDIES. (DEWEY RESERVOIR) ...Aquatic Ecology, Fertilizers -aquatic, Kentucky, Population Dynamics, Reservoirs and Impoundments, ...5.0437

STUDY OF THE RIVER PHASE OF THE LIFE HISTORIES OF ALOSA PSEUDOHARENGUS AND AESTIVALIS ...Aquatic Ecology, Connecticut River, Environmental Ecology, Life History Studies, Spawn Or Nesting Sites, ...6.0111

POTENTIAL FISHERY FOR RIVER HERRINGS IN CONNECTICUT RIVER ...Connecticut River, Environmental Ecology, Life History Studies, Nets, Spawn Or Nesting Sites, ...4.0075

EFFECTS OF THERMAL AND OTHER FORMS OF POLLUTION ON SOME ANADROMOUS FISHES ...Aquatic Ecology, Basses - sea,white, White Perch, Pollution - Effects of, Pollution Effects, Thermal Pollution, ...5.0739

FARMINGTON RIVER SHAD STUDIES ...Bottom Sampling, Migration, Plankton Sampling, Water Properties-general, Water Sampling, ...6.0117

POPULATION ESTIMATES FROM MIDWATER TRAWL SAMPLING ...Aquatic Ecology, Arkansas, Nets, Population Dynamics, Reservoirs and Impoundments, ...6.0019

DESIGN AND CONSTRUCTION OF GEAR FOR MIDWATER TRAWLING ...Arkansas, Nets, Population Dynamics, Reservoirs and Impoundments, ...4.0016

ESTUARINE BIOLOGY--RESPONSE OF LARVAE TO TEMPERATURE AND SALINITY ...Aquatic Ecology, Environmental Ecology, Estuaries, Salinity, Temperature, ...2.0817

Atlantic Salmon, Sebago Salmon

EFFECTS OF CHRONIC SUBLETHAL DOSAGES OF DDT ON THE SWIMMING PERFORMANCE OF ATLANTIC SALMON PARR ...DDT, Locomotion -animal, Mode of Action -animal, Stamina, Wildlife, ...5.0472

Basses -sea,white, White Perch

STUDY OF STRIPED BASS POPULATIONS IN MAINE COASTAL WATERS ...Aquatic Ecology, Estuaries, Maine, Migration, ...5.0470

COMPILATION OF WATER QUALITY DATA ...Aquatic Ecology, Data Acquisition-general, Data Analysis - General, Lakes, Water Quality-general, ...5.0459

EFFECTS OF WATER QUALITY ON HATCHING SUCCESS ...Captive Rearing, Hatchability, Louisiana, Pollution - Effects of, Water Properties-general, ...5.0453

EFFECTS OF CHANGES IN WATER QUALITY ON FRY AND FINGERLINGS ...Aquatic Ecology, Chemical-general, Environmental Ecology, Louisiana, Water Quality-general, ...5.0454

DEVELOPMENT AND IMPROVEMENT OF INSTRUMENTATION AND SAMPLING GEAR FOR USE IN LIMNOLOGY AND FISHERY BIOLOGY ...Nets, Plankton Sampling, Salmon & Trout - Non-specific, Tags, Telemetry, ...7.0115

STATEWIDE FISHERIES RESEARCH ...Environmental Physiology, Incubation, Low Temp. -but Above 32f, Maturity & Growth Stages, Temperature, ...5.0818

PHYSICAL AND CHEMICAL PROPERTIES OF ALABAMA WATERS LIKELY TO SUPPORT STRIPED BASS, ROCCUS SAXATILIS ...Aquatic Ecology, Chemical Measurements -water, Chemical-general, Physical Measurements -water, Physical-general, ...6.0003

EFFECTS OF THERMAL AND OTHER FORMS OF POLLUTION ON SOME ANADROMOUS FISHES ...Alewife, menhaden, shad, herring, Aquatic Ecology, Pollution - Effects of, Pollution Effects, Thermal Pollution, ...5.0739

EFFECTS OF TEMPERATURE AND SILT ON WHITE BASS DEVELOPMENT IN THE LABORATORY ...Basic Embryology, Laboratory, Turbidity, Turbidity & Suspended Matter, Water Temperature-non-specific, ...6.0509

ENVIRONMENTAL FACTORS AND YOUNG WHITE BASS SURVIVAL IN RESERVOIRS ...Basic Embryology, Captive Rearing, Environmental Physiology, Reservoirs and Impoundments, ...6.0512

MOVEMENTS OF SPORT FISHES IN BEAVER RESERVOIR ...Arkansas, Fishery Development -other, Migration, Reservoirs and Impoundments, Tags, ...6.0017

LIFE HISTORY OF WHITE BASS IN LEWIS AND CLARK LAKE ...Aquatic Ecology, Life History Studies, Reservoirs and Impoundments, South Dakota, ...6.0528

Bluegills, Bream

FACTORS AFFECTING FISH PRODUCTION PONDS ...Blood Proteins -non-specific, Electrophoresis -other, Environmental Physiology, Protein, Purification and Isolation, ...6.0221

STATEWIDE FISHERIES RESEARCH ...Bioindicators, Environmental Effects, Pollution - Effects of, Rotenone, Temperature, ...5.0817

EFFECTS OF POSSIBLE POLLUTANTS ON ENERGY PRODUCTION BY BLUEGILL LIVER MITOCHONDRIA ...Metallic Ions, Mineral, Mineral Origin, Respiration, ...5.0348

DEPTH DISTRIBUTION OF FISH IN LAKE GLENDALE ...Food Supply, Illinois, Lakes, Largemouth Bass, Vertical Distribution, ...6.0197

CHRONIC EFFECTS OF MALATHION ON BLUEGILLS ...Channel Catfish, Malathion, Mode of Action -animal, Pollution - Effects of, Wildlife, ...5.0646

PROJECT 2203 EFFECTS ON PHYSIOLOGY WORK UNIT 53 CHRONIC EFFECTS OF ENDRIIN ON BLUEGILLS ...Alabama, Computer Matching Code, Endrin, Residue Analysis -other, Wildlife, ...5.0022

CHRONIC EFFECTS OF METHOXYCHLOR ON BLUEGILLS AT COLUMBIA, MISSOURI ...Methoxychlor, Missouri, Pollution - Effects of, ...5.0647

COMPARISON OF METHODS USED TO MEASURE ESTERASE ACTIVITY. INTERACTIONS BETWEEN PESTICIDE ON FISH ENZYME SYSTEMS ...Channel Catfish, Cholinesterase, Cutthroat Trout, Manometers, Pesticides -non-specific, Visible, ...5.0637

SEASONAL CHANGES IN ESTERASE ACTIVITY IN FISH AND INVERTEBRATES. INTERACTIONS BETWEEN PESTICIDES ON FISH ENZYME SYSTEMS ...Biochemical Analysis, Cholinesterase, Invertebrates -non-specific, Mode of Action -animal, Pesticides -non-specific, ...5.0638

MINERAL IMBALANCE IN BLUEGILLS EXPOSED TO MALATHION PESTICIDE-INDUCED MINERAL IMBALANCE IN FISH ...Malathion, Mineral, Wildlife, ...5.0658

Brown Trout

EFFECTS OF ORGANIC POLLUTION ON HATCHABILITY AND SURVIVAL OF BROOK TROUT, SALVELINUS FONTINALIS, AND GROWTH OF BROWN TROUT, SALMO TRUTTA ...Lake Trout, Brook Trout, Nutrients, Pollution - Effects of, Population Dynamics, Streams, ...5.1027

WATER VELOCITY AND SPATIAL CO-ACTIONS OF HATCHERY TROUT AND WILD BROWN TROUT ...Behavioral Ecology, Colorado, Flume Studies, Rainbow Trout, Steelhead Trout, Velocity -water, ...5.0198

Bullheads

SMALL IMPOUNDMENT STOCKING ...Centrarchidae -other, Colorado, Control of Nuisance Species, Lakes, Stocking of Fish & Shellfish, ...5.0201

GROWTH OF THE BROWN BULLHEAD, ICTALURUS NEBULOSUS (LESUEUR), IN MINE ACID POLLUTED WATER ...Acidity, Contamination - Water, Growth Rate, Mining Activities, Ph, Acidity -water, Pollution Effects, ...5.1278

Centrarchidae -other

MARSH HABITAT STUDY ...Chemical-general, Florida, Habitat Studies, Life History Studies, Swamps-marshes, ...6.0157

SMALL IMPOUNDMENT STOCKING ...Bullheads, Colorado, Control of Nuisance Species, Lakes, Stocking of Fish & Shellfish, ...5.0201

EVALUATION OF MARINE AND ALKALI TOLERANT SPECIES INTRODUCTION IN THE LOWER PECOS RIVER ...Drums, Fish -other, Migration, New Mexico, Stocking of Fish & Shellfish, ...6.0368

HYBRID SUNFISH STUDIES ...Laboratory, Maturity & Growth Stages, Ponds, Selection & Breeding, ...6.0195

SPOTTED BASS REPRODUCTION IN BULL SHOALS ...Arkansas, Biological Rhythms, Environmental Ecology, Reproduction Studies (general), Reservoirs and Impoundments, ...6.0023

LIFE HISTORY OF LONGEAR SUNFISH ...Arkansas, Behavioral Ecology, Life History Studies, Reservoirs and Impoundments, Scuba, ...6.0016

Channel Catfish

SPORT FISHERY POTENTIAL IN RECLAIMED WASTEWATER ...Growth Rate, Other, Salmon & Trout - Non-specific, Stream Rehabilitation, Tilapia, Cichlids, ...5.0050

INVESTIGATIONS OF THE RELATION BETWEEN THE USE OF CHLORINATED HYDROCARBONS AND THEIR RESIDUES IN CHANNEL CATFISH ...Chlorinated Hydrocarbons, Environmental Effects, Missouri River, Nebraska, Wildlife, ...5.0702

A COMPARISON OF THE GROWTH RATE OF BLUE CATFISH AND CHANNEL CATFISH FINGERLINGS FOR A PELLETTED COMMERCIAL FEED ...Aquaculture & Fish-farming, Growth Rate, Pelleted, ...5.1179

SIGNIFICANCE OF STOCKING SUB-ADULT FIN CLIPPED CATFISH IN HUNTSVILLE STATE PARK LAKE ...Aquatic Ecology, Lakes, Other, Population Dynamics, Stocking of Fish & Shellfish, ...6.0569

LIFE HISTORY OF CHANNEL CATFISH IN LEWIS AND CLARK LAKE ...Environmental Ecology, Life History Studies, Number Or Density, Reservoirs and Impoundments, South Dakota, ...6.0530

CHRONIC EFFECTS OF MALATHION ON BLUEGILLS ...Bluegills, Bream, Malathion, Mode of Action -animal, Pollution - Effects of, Wildlife, ...5.0646

COMPARISON OF METHODS USED TO MEASURE ESTERASE ACTIVITY. INTERACTIONS BETWEEN PESTICIDE ON FISH ENZYME SYSTEMS ...Bluegills, Bream, Cholinesterase, Cutthroat Trout, Manometers, Pesticides -non-specific, Visible, ...5.0637

CHRONIC EFFECTS OF METYHL PARATHION AND ENDRIIN ON CHANNEL CATFISH AND GOLDFISH IN PONDS. PESTICIDE-INDUCED CHANGES IN POND ECOLOGY ...Endrin, Goldfish, Parathion, Ponds, ...5.0648

2,4-D UPTAKE AND METABOLISM - METABOLISM OF PESTICIDES IN FISH ...Goldfish, Laboratory Animals, Metabolism -animal, Rainbow Trout, Steelhead Trout, 2,4-d, ...5.0659

Cisco, Lake Herring

EARLY LIFE HISTORY OF COREGONIDS ...Environmental Ecology, Life History Studies, Maturity & Growth Stages, Technique Development, Water Environment -other, ...6.0295

CULTURING, PROPAGATION AND CONDITION EVALUATION OF FISHES ...Bioassays, Blood -other, Captive Rearing, Contamination - Water, Lake Trout, Brook Trout, Yellow Perch, Darters, ...5.0586

EFFECT OF TEMPERATURE AND RELATIVE HUMIDITY ON C. BOTULINUM SPORE SURVIVAL IN WHITEFISH CHUBS DURING SMOKE PROCESSING ...Clostridium Botulinum, Fish -other, Heat, Microbiological, Smoking, ...5.1320

Cutthroat Trout

BEHAVIOR AND HABITAT INTERACTION OF BROOK TROUT AND CUTTHROAT TROUT ...Behavioral Ecology, Habitat Studies, Idaho, Lake Trout, Brook Trout, Regression Analysis, ...5.0324

EFFECTS OF WATER TEMPERATURE UPON RESPIRATORY METABOLISM OF CUTTHROAT TROUT, SALMO CLARKI ...Environmental Physiology, Respiration, Temperature, Utah, Water Temperature-non-specific, ...5.1192

DETERMINATION OF THE MAGNITUDE AND AGE COMPOSITION OF THE HARVEST, HABITAT PREFERENCES AND FOOD HABITS ...Aquatic Ecology, Number Or Density, Snake River, Wyoming, ...6.0649

Fish

SUBJECT INDEX

- BIOCHEMISTRY OF FISH SEMEN ...Endrin, Fertility, Male Gametes, Mode of Action -animal, ...5.0627

SUBJECT INDEX

Fish

TRANSLOCATION OF RADIONUCLIDES BY FISH ...Columbia River, Migration, Phosphorus, Radioactivity-general, Zinc, ...2.1130

RADIONUCLIDE METABOLISM IN AQUATIC ANIMALS ...Clams, Contamination - Water, Metabolism, Radiation Effects-non-specific, Reactor Sites & Rad Waste, ...5.0101

RADIATION EFFECTS IN AQUATIC SYSTEMS ...Aquatic Ecology, Chronic Radiation, Contamination - Water, Low Level Radiation, Radiation Effects-non-specific, Radiation Treatment, Radioactivity-general, ...5.1248

EFFECTS OF TEMPERATURE ON AQUATIC LIFE ...Aquatic Ecology, Model Studies, Productivity - Food Chain, Temperature, Warm Water, ...5.1121

HIGH ANALYSIS FERTILIZER INVESTIGATIONS - FISHERIES ...Fertilizers -aquatic, Productivity (agricultural), Reservoirs and Impoundments, Tennessee, ...6.0535

FISH PASSAGE THROUGH TURBINES ...Hydraulic, Management -other, Mortality Rates, Power Development, Stamina, ...8.0312

AQUATIC PLANT CONTROL ...Environmental Ecology, Herbicides -non-specific, of Aquatic Plants, Wildlife, ...8.0168

WATER QUALITY AND NUTRIENTS, SACRAMENTO-SAN JOAQUIN RIVER SYSTEM ...Environmental Ecology, Eutrophication, Nutrients, Plankton (non-specific), Water Quality-general, ...2.0127

THE EFFECT OF OCEAN WATER INTRUSION INTO BACK BAY, VIRGINIA, AND CURRITUCK SOUND, NORTH CAROLINA, ON THE WATERFOWL AND FISH HABITAT ...Aquatic Ecology, Brackish Water, Habitat Studies, Saline Water Intrusion, Water Fowl, N.s., Water Salinity, ...2.0585

COLLECTION AND COLLATION OF AVAILABLE BIOLOGICAL, PHYSICAL AND CHEMICAL DATA ON U. S. RESERVOIRS ...Document and Literature Center, Productivity - Food Chain, Reservoirs and Impoundments, River Basins, Survey Studies, ...6.0020

FISH POPULATION OR ABUNDANCE STUDIES IN LEWIS AND CLARK LAKE ...Aquatic Ecology, Habitat Studies, Population Dynamics, Reservoirs and Impoundments, South Dakota, ...6.0529

YOUNG-OF-THE-YEAR FISH IN LAKE FRANCIS CASE ...Age, Nets, Reservoirs and Impoundments, South Dakota, Water Environment -other, ...6.0505

DISTRIBUTION OF YOUNG STAGES OF COASTAL FISHES ...Continental Shelf, Estuaries, Maturity & Growth Stages, Number Or Density, Ships and Cruises, ...6.0345

INFLUENCE OF THE PHYSICAL ENVIRONMENT ON DISTRIBUTION OF YOUNG STAGES OF COASTAL GAME FISH ...Continental Shelf, Environmental Ecology, Maturity & Growth Stages, Physical-general, Range Or Territorial Disr., ...6.0346

DISTRIBUTION AND RELATIVE ABUNDANCE OR POPULATION OF YOUNG FISHES IN LAKE SHARPE RESERVOIR ...Aquatic Ecology, Population Dynamics, Reservoirs and Impoundments, South Dakota, Vertical Distribution, ...6.0500

ABUNDANCE AND COMPOSITION OF ADULT FISH STOCK IN LAKE SHARPE ...Aquatic Ecology, Number Or Density, Population Dynamics, Reservoirs and Impoundments, South Dakota, ...6.0501

LIMNOLOGICAL FEATURES LAKE SHARPE IN RELATION TO COLD-WATER FISHES ...Currents -water, Low Temp. -but Above 32f, Reservoirs and Impoundments, South Dakota, Temperature, ...6.0517

ABUNDANCE OF YOUNG-OF-THE-YEAR FISHES IN OAHE RESERVOIR ...Age, Aquatic Ecology, Population Dynamics, Reservoirs and Impoundments, South Dakota, ...6.0499

VARIATIONS IN SPAWNING OF FISHES IN RELATION TO TEMPERATURE ...Biological Rhythms, Maturity & Growth Stages, South Dakota, Temperature, Water Temperature-non-specific, ...6.0518

COMPOSITION OF THE SPAWNING STOCKS IN OAHE RESERVOIR AND LAKE SHARPE ...Age, Fertility, Size, South Dakota, Spawn Or Nesting Sites, ...6.0519

THERMAL PREFERENCES OF MARINE FISHES AND INVERTEBRATES ...Behavior -animal, Invertebrates -non-specific, Water Temperature-non-specific, ...5.0720

EFFECTS OF HOT WATER MASSES ON MARINE FISHES ...Atlantic Ocean-north, Behavior -animal, High Temp. -85f Or Above, Thermal, ...5.0721

EFFECTS OF ENVIRONMENTAL FACTORS ON STANDING CROP AND HARVEST OF FISHES IN U. S. RESERVOIRS ...Environmental Ecology, Environmental Effects-geologic, Reservoirs and Impoundments, ...6.0021

COMPARATIVE UPTAKE OF 10 CHLORINATED HYDROCARBON PESTICIDES BY FISH ...Chlorinated Hydrocarbons, Metabolism -animal, Residue Analysis -other, Wildlife, ...5.0628

EXPLORATORY SAMPLING PROGRAM FOR YOUNG-OF-THE-YEAR FISH ...Age, Nets, Population Dynamics, Reservoirs and Impoundments, ...6.0022

DEVELOPMENT OF IDENTIFICATION KEYS TO LARVAL, AND JUVENILE RESERVIOR FISHES ...Animal Taxonomy, Captive Rearing, Maturity & Growth Stages, Photography-other, Reservoirs and Impoundments, ...6.0018

COOPERATIVE AGREEMENT FOR BEAVER RESERVOIR CREEL CENSUS STUDY ...Censusing, Fishing, Number Or Density, Reservoirs and Impoundments, Weight, ...4.0015

MORTALITY RATES AND RECRUITMENT ...Arkansas, Growth Rate, Mortality Rates, Population Dynamics, Reservoirs and Impoundments, ...4.0014

ESTIMATES OF COMPOSITION, ABUNDANCE AND FLUCTUATION IN FISH POPULATIONS IN BULL SHOALS AND BEAVER RESERVOIRS ...Aquatic Ecology, Arkansas, Number Or Density, Population Dynamics, Reservoirs and Impoundments, ...4.0017

FISH POPULATION IN TAILWATER OF LEWIS AND CLARK LAKE ...Aquatic Ecology, Population Dynamics, Reservoirs and Impoundments, South Dakota, ...6.0531

SCREENING AQUATIC INVERTEBRATES TO DETECT AN ORGANISM SUITABLE FOR USE IN A MONITORING PROGRAM ...Bioassays, Bioindicators, Cholinesterase, Invertebrates -non-specific, Metabolism, Monitoring Systems, ...5.0639

ROLE OF ENTERIC MICROORGANISMS IN DETOXIFICATION - INTERACTION BETWEEN MICROORGANISMS AND PESTICIDES ...Bacterial Culture, Biodegradation, Identification, Insecticides -non-specific, Intestinal Bacteria, ...5.0641

ACUTE TOXICITY OF PESTICIDES TO FRESHWATER FISH AND OTHER VERTEBRATES ...Pesticides -non-specific, Screening Potential Pesticides, Temperature, Water Quality-general, Wildlife, ...5.0652

THE INFLUENCES OF ENVIRONMENTAL CONDITIONS ON THE TOXICITY OF PESTICIDES ...Bioassay, Environmental Ecology, Pollution - Effects of, Wildlife, ...5.0656

COLLECTION OF JUVENILE MIGRANTS FROM RIVERS AND STREAMS ...Engineering Structures-general, Management -other, Migration, Streams, ...4.0271

ROUTINE SAMPLING AT SEVEN INDEX STATIONS ...Bottom Sampling, Data Acquisition-general, Lake Erie, Plankton Sampling, Water Sampling, ...6.0438

PHYSICAL LIMNOLOGY OF THE GREAT LAKES ...Currents -water, Environmental Ecology, Temperature, ...5.0541

PHYSICAL, CHEMICAL, AND BIOLOGICAL LIMNOLOGY OF OAHE RESERVOIR ...Physical Properties-general, Population Dynamics, Reservoirs and Impoundments, South Dakota, Water Properties-general, ...6.0497

FISH GUIDING ...Animal Distr. (non-specific), Guidance, Instrumental Services, Management -other, Water Environment -other, ...8.0307

REMOVAL OF PESTICIDES FROM FRESHWATER FISH ...Bioassay, Fish Meals, Mode of Action -animal, Pesticides -non-specific, Removal of Residues, ...5.0543

THE INVESTIGATION AND ANALYSIS OF BIOCHEMICAL PROCESSES OF AQUATIC ORGANISMS UNDER STRESS ...Animal Origin, Aquatic Ecology, Metabolism -animal, Other, Stress, ...5.0585

MARINE BIOLOGICAL ASSESSMENT OF POLLUTIONAL FATE ...Contamination - Water, Crustacea -non-specific, Nets, Pollution - Effects of, ...5.0975

WATER QUALITY REQUIREMENTS FOR AQUATIC LIFE ...Contamination - Water, Pollution - Effects of, Toxins and Poisons -other, Water Quality-general, ...5.0844

SYNERGISM OF PESTICIDES AND DETERGENTS ...Chlorinated Hydrocarbons, Mode of Action -animal, Other, Surfactants -Wetting Agents, Synergism and Synergists, ...5.0800

ECOLOGY OF CLOSTRIDIUM BOTULINUM TYPE E IN GREEN BAY ...Clostridium Botulinum, Fish, N.s., Great Lakes-general, Microbiological, Repression, Vertical Distribution, ...2.1162

MARINE TOXINS OF THE TROPICAL PACIFIC ...Algal Metab.(non-specific &ot), Animal Origin, Other, Polynesia, Toxicology, ...5.0315

Fish -other

INVESTIGATION OF RELATIONSHIP OF CUNNER, TAUTOGOLABRUS ADSPERSUS -(WALBAUM), TO WEWEANTIC RIVER ESTUARY, WAREHAM, MASSACHUSETTS ...Aquatic Ecology, Estuaries, Massachusetts, Swamps-marshes, Water Environment -other, ...5.0511

Fish

SUBJECT INDEX

EFFECTS OF INCREASE IN SALTON SEA SALINITY ON THE SURVIVAL OF ORANGEMOUTH CORVINA, SARGO, BAIRDIELLA, AND NEANTHES ...Bioindicators, Captive Rearing, Pollution - Effects of, Salinity, Salton, Water Salinity, ...5.0146

EVALUATION OF MARINE AND ALKALI TOLERANT SPECIES INTRODUCTION IN THE LOWER PECOS RIVER ...Centrarchidae -other, Drums, Migration, New Mexico, Stocking of Fish & Shellfish, ...6.0368

Goldfish

FISH OPERCULAR RESPONSE TO ENVIRONMENTAL VARIABLES ...Environmental Physiology, Fish, Gases, Dissolved -water, Minnows, Water Temperature-non-specific, ...5.0865

EFFECTS OF MALATHION ON LEARNING AND RETENTION IN THE GOLDFISH ...Escape and Avoidance, Malathion, Mode of Action -animal, Pesticides, Pollution - Effects of, ...5.0667

CHRONIC EFFECTS OF METYHL PARATHION AND ENDRIN ON CHANNEL CATFISH AND GOLDFISH IN PONDS. PESTICIDE-INDUCED CHANGES IN POND ECOLOGY ...Channel Catfish, Endrin, Parathion, Ponds, ...5.0648

2,4-D UPTAKE AND METABOLISM - METABOLISM OF PESTICIDES IN FISH ...Channel Catfish, Laboratory Animals, Metabolism -animal, Rainbow Trout, Steelhead Trout, 2,4-d, ...5.0659

THE CONSTITUENTS AND PHYSICO-CHEMICAL PROPERTIES OF SERUM FROM GOLD-FISH EXPOSED CHRONICALLY TO MALATHION AND ENDRIN ...Blood Plasma and Serum, Endocrine -other, Endrin, Malathion, Mode of Action -animal, ...5.0630

THYROID FUNCTION OF GOLDFISH AND RAINBOW TROUT EXPOSED CHRONICALLY TO MALATHION AND ENDRIN - PESTICIDE EFFECTS ON FISH ENDOCRINE FUNCTIONS ...Endrin, Malathion, Mode of Action -animal, Rainbow Trout, Steelhead Trout, Thyroid, ...5.0631

EFFECTS OF ENDRIN & MALATHION ON GONADAL HYDRATION RESPONSE OF MALE GOLDFISH & RAINBOW TROUT. PESTICIDE EFFECTS ON FISH ENDOCRINE FUNCTION ...Endrin, Malathion, Male Gametes, Mode of Action -animal, Pesticides, Rainbow Trout, Steelhead Trout, ...5.0634

Ictaluridae -other

FLATHEAD CATFISH INVESTIGATIONS IN THE MISSOURI RIVER ...Life History Studies, Missouri River, Number Or Density, Population Dynamics, ...6.0335

LAKE BASTROP NETTING STUDY ...Commercial Fishing, Lakes, Nets, Population Dynamics, Texas, ...6.0570

FLATHEAD CATFISH STUDY ...Aquatic Ecology, Behavior -animal, Food Supply, Growth Rate, Reproduction Studies (general), Texas, ...6.0539

Killifishes - Cyprinodon

RELATIONSHIPS BETWEEN SUB-LETHAL PESTICIDES AND REPRODUCTION AND BEHAVIOR OF FISHES ...Behavior -animal, DDT, Pesticides -non-specific, Reproduction Studies (general), Wildlife, ...5.0292

BEHAVIOR AND FOOD PREFERENCES OF INTRODUCED ANNUAL FISHES IN RELATION TO MOSQUITOES ...Aquatic Ecology, Behavioral Ecology, Food Supply, Mosquitoes -non-specific, Predators and Parasite, ...2.0575

EFFECTS OF CHRONIC EXPOSURE TO METHOXYCHLOR ON THE GROWTH AND REPRODUCTION OF GUPPIES - CHRONIC TOXICITY OF PESTICIDES TO FISH ...Growth Rate, Maturity & Growth Stages, Methoxychlor, ...5.0650

INTERACTION OF ENDRIN AND PROLACTING-INDUCED FAT SYNTHESIS IN THE PLAINS KILLIFISH - PESTICIDE EFFECTS ON FISH ENDOCRINE FUNCTIONS ...Adipose, Endrin X Biocid, Metabolism -animal, Photoperiod, ...5.0657

HISTOPATHOLOGIC EFFECTS OF POLLUTANTS ON CELLS AND TISSUES OF MARINE FISHES ...Computer Matching Code, Contamination - Water, Pollution - Effects of, Pollution Effects, ...5.1080

EFFECT OF METAL POISONING ON VARIOUS ENZYMES IN FISH ...Atpase, Chemical Effect-other, Inhibitors, Metals Ns, Mineral Origin, ...5.1091

HEMATOLOGICAL CHANGES IN F. HETEROCLITUS UPON EXPOSURE TO TOXIC METALS ...Blood Cells, Blood Plasma and Serum, Cadmium, Lead, Mineral Origin, ...5.1092

PHARMACOLOGY OF METAL POISONING IN ESTUARINE FISHES ...Contamination - Water, Estuaries, Metals Ns, Stress, ...5.1083

COMPARATIVE TOXICITIES OF METALS TO ESTUARINE FISHES ...Bioassays, Estuaries, Industrial Wastes, Mineral Origin, Solid Waste, ...5.1084

Lake Trout, Brook Trout

RELATIONSHIPS BETWEEN DRIFT DENSITY AND PRODUCTION. GROWTH, CROPPING EFFICIENCY AND CONSUMPTION IN A NATURAL BROOK TROUT POPULATION ...Growth Rate, Number Or Density, Predation, Productivity (agricultural), Streams, ...7.0094

EFFECTS OF ORGANIC POLLUTION ON HATCHABILITY AND SURVIVAL OF BROOK TROUT, SALVELINUS FONTINALIS, AND GROWTH OF BROWN TROUT, SALMO TRUTTA ...Brown Trout, Nutrients, Pollution - Effects of, Population Dynamics, Streams, ...5.1027

AN ECOLOGICAL STUDY OF AN ALKALINE STREAM WITH HEAVY IRON DEPOSITS ORIGINATING FROM TREATMENT OF MINE ACID WATER ...Alkalinity, Mineral Content -water, Mining Activities, Productivity - Food Chain, Susquehanna River, Water Alkalinity, ...5.1025

BEHAVIOR AND HABITAT INTERACTION OF BROOK TROUT AND CUTTHROAT TROUT ...Behavioral Ecology, Cutthroat Trout, Habitat Studies, Idaho, Regression Analysis, ...5.0324

STUDIES ON PLANTED BROOK TROUT IN RELATION TO NUMBERS PLANTED, LIMNOLOGICAL CONDITIONS AND FOOD SUPPLIES IN UNFISHED LAKES ...Food Supply, Lakes, Michigan, Population Dynamics, Stocking of Fish & Shellfish, ...6.0303

STREAM RESTORATION AND CONTROLLED FLOWS ...Dams-other, Logging, Transport, Equipment, Maine, Salmon & Trout - Non-specific, Stream Rehabilitation, ...4.0129

EVOLUTION OF ALLOPATRIC POPULATIONS ...Captive Rearing, Ecological, Maine, Population Dynamics, ...5.0464

AQUATIC BIOLOGY INVESTIGATIONS ...Cricetidae -other, Lakes, New York, Streams, Water Fowl, N.s., ...2.0786

FISH MOVEMENTS IN THE NORTH INLET OF WOLF LAKE, HUNTINGTON FOREST ...Behavioral Ecology, Environmental Ecology, Locomotion -animal, New York, Streams, ...2.0813

EFFECTS OF CHRONIC EXPOSURE TO SUBLETHAL LEVELS OF INSECTICIDES ON REPRODUCTION IN BROOK TROUT. CHRONIC TOXICITY OF PESTICIDES TO FISH ...Carbamates -non-specific, Chlorinated Hydrocarbons, Organophosphorous Cpd., Pollution - Effects of, Reproduction Studies (general), Wildlife, ...5.0654

ASSESSMENT OF LAKE SUPERIOR LAKE TROUT ...Aquatic Ecology, Commercial Fishing, Lampreys, Life History Studies, ...6.0636

CULTURING, PROPAGATION AND CONDITION EVALUATION OF FISHES ...Bioassays, Blood -other, Captive Rearing, Cisco, Lake Herring, Contamination - Water, Yellow Perch, Darters, ...5.0586

Lampreys

AN EVALUATION OF THE LAMPREY IN LAKE CHAMPLAIN ...Lakes, Maturity & Growth Stages, Predation, Spawn Or Nesting Sites, Vermont, ...6.0598

ASSESSMENT OF LAKE SUPERIOR LAKE TROUT ...Aquatic Ecology, Commercial Fishing, Lake Trout, Brook Trout, Life History Studies, ...6.0636

LAKE SUPERIOR CHEMICAL CONTROL OF SEA LAMPREY ...Control of Nuisance Species, Flow Characteristics -water, Lake Superior, Larvicides, Streams, ...5.0577

LAKE MICHIGAN CHEMICAL CONTROL OF SEA LAMPREY ...Animal Pollutant Sources, Control of Nuisance Species, Evaluation, Larvicides, ...5.0576

BIOASSAY ...Animal Pollutant Sources, Evaluation, Piscicides -non-specific, Streams, Water Properties-general, ...5.0580

Largemouth Bass

EFFECTS OF LIMNOLOGICAL FACTORS ON UPTAKE OF CS137 BY FISH ...Cesium, Metabolism -animal, ...1.0068

EFFECT OF INCUBATION TEMPERATURE ON SURVIVAL OF LARGEMOUTH BASS EMBRYOS ...Basic Embryology, Environmental Physiology, Incubation, Temperature, Warm Water, ...6.0387

DEVELOPMENT OF MARKING METHODS FOR SMALL FISH ...Dyes, Musculoskeletal System, Other, Tags, ...7.0081

FOOD HABITS OF LARGEMOUTH BASS LARVAE ...Aquatic Ecology, Behavior -animal, Food Supply, Ponds, Zooplankton, ...7.0082

SUBJECT INDEX

Fish

THE ROLE OF FOOD IN THE MORTALITY OF LARGEMOUTH BASS LARVAE ...Environmental Physiology, Fasting - Starvation, Food Supply, Maturity & Growth Stages, Mortality Rates, ...7.0079

PREDATION ON LARGEMOUTH BASS DURING THEIR FIRST YEAR OF LIFE ...Behavioral Ecology, Maturity & Growth Stages, Predation, Strontium, Tags, ...7.0080

EFFECTS OF DISSOLVED OXYGEN CONCENTRATION ON SURVIVAL OF LARGEMOUTH BASS EMBRYOS ...Basic Embryology, Gases, Dissolved -water, Mortality Rates, Oxygen, Water Movement, Currents, Water Temperature-non-specific, ...5.0771

FISH STOCKING EVALUATION ...Captive Rearing, Management, Nets, Ponds, Stocking of Fish & Shellfish, ...6.0542

EFFECT OF WATER QUALITY ON FIRST-YEAR MORTALITY OF LARGEMOUTH BASS ...Aquatic Ecology, Environmental Ecology, Mortality Rates, Pollution - Effects of, Water Properties-general, ...5.0772

FOOD INTAKE OF LARGEMOUTH BASS ...Food Supply, Lakes, Malnutrition -other, Size, ...6.0182

DEPTH DISTRIBUTION OF FISH IN LAKE GLENDALE ...Bluegills, Bream, Food Supply, Illinois, Lakes, Vertical Distribution, ...6.0197

Minnows

FISH OPERCULAR RESPONSE TO ENVIRONMENTAL VARIABLES ...Environmental Physiology, Fish, Gases, Dissolved -water, Goldfish, Water Temperature-non-specific, ...5.0865

Pikes, Pickerel, Muskellunge

WALLEYE AND NORTHERN PIKE STUDY ...Aquatic Ecology, Life History Studies, Spawn Or Nesting Sites, Texas, Walleyes, ...6.0541

EFFECTS OF TEMPERATURE AND SILT ON NORTHERN PIKE DEVELOPMENTS IN THE LABORATORY ...Basic Embryology, Laboratory, South Dakota, Turbidity & Suspended Matter, Water Temperature-non-specific, ...6.0507

VITAL STATISTICS OF NORTHERN PIKE IN LAKE SHARPE ...Growth Rate, Mortality Rates, Population Dynamics, Reservoirs and Impoundments, South Dakota, ...6.0502

SEXUAL MATURATION AND SPAWNING OF NORTHERN PIKE ...Biological Rhythms, Maturity & Growth Stages, Reservoirs and Impoundments, South Dakota, Spawn Or Nesting Sites, ...6.0520

ENVIRONMENTAL FACTORS AND YOUNG NORTHERN PIKE SURVIVAL IN RESERVOIRS ...Aquatic Ecology, Environmental Physiology, Reservoirs and Impoundments, Stocking of Fish & Shellfish, Temperature, ...6.0510

Rainbow Trout, Steelhead Trout

STUDY OF DISCREPANCY IN FISH COUNTS BETWEEN COLUMBIA RIVER DAMS ...Censusing, Columbia River, Number Or Density, Salmon -coho, chinook, sockeye..., ...8.0278

WATER VELOCITY AND SPATIAL CO-ACTIONS OF HATCHERY TROUT AND WILD BROWN TROUT ...Behavioral Ecology, Brown Trout, Colorado, Flume Studies, Velocity -water, ...5.0198

FERTILIZATION OF WOODS CANYON LAKE ...Arizona, Fertilizers -aquatic, Lakes, ...5.0040

TEMPERATURE REQUIREMENTS OF SALMONIDS IN RELATION TO THEIR FEEDING, BIOENERGETICS, GROWTH AND BEHAVIOR ...Behavior -animal, Energy, Growth Rate, Salmon -coho, chinook, sockeye..., Water Temperature-non-specific, ...5.0942

TOXIC ACTION OF WATER SOLUBLE POLLUTANTS ON FRESHWATER FISH ...Contamination - Water, Mineral Origin, Pollution Effects, Stress, ...5.0565

EVALUATION OF UPSTREAM AND DOWNSTREAM ANADROMOUS FISH PASSAGE AT RIVER MILL AND FARADAY DAMS ON THE CLACKAMAS RIVER, OREGON ...Engineering Structures-general, Management -other, Migration, Oregon, Reservoirs and Impoundments, ...8.0279

EXPERIMENTAL REARING OF SALMON AND STEELHEAD IN BRACKISH WATER IMPOUNDMENTS ...Brackish Water, Captive Rearing, Environmental Response, Mortality Rates, Stocking of Fish & Shellfish, ...6.0461

EVALUATION OF ANADROMOUS FISH PASSAGE FACILITIES AT FALL CREEK DAM, BIG FALL CREEK, OREGON ...Aquatic Ecology, Engineering Structures-general, Migration, Oregon, Salmon & Trout - Non-specific, ...8.0280

2,4-D UPTAKE AND METABOLISM - METABOLISM OF PESTICIDES IN FISH ...Channel Catfish, Goldfish, Laboratory Animals, Metabolism -animal, 2,4-d, ...5.0659

THYROID FUNCTION OF GOLDFISH AND RAINBOW TROUT EXPOSED CHRONICALLY TO MALATHION AND ENDRIN - PESTICIDE EFFECTS ON FISH ENDOCRINE FUNCTIONS ...Endrin, Goldfish, Malathion, Mode of Action -animal, Thyroid, ...5.0631

EFFECTS OF MALATHION ON THE SEXUAL DEVELOPMENT OF MALE RAINBOW TROUT - PESTICIDE EFFECTS ON FISH ENDOCRINE FUNCTIONS ...Gonadotrophins, Gonadotropins, Malathion, Mode of Action -animal, Pollution - Effects of, ...5.0633

EFFECTS OF ENDRIN & MALATHION ON GONADAL HYDRATION RESPONSE OF MALE GOLDFISH & RAINBOW TROUT. PESTICIDE EFFECTS ON FISH ENDOCRINE FUNCTION ...Endrin, Goldfish, Malathion, Male Gametes, Mode of Action -animal, Pesticides, ...5.0634

Righteye Flounders

THE EFFECTS OF PESTICIDE RESIDUES ON LARVAL AND JUVENILE WINTER FLOUNDER IN THE WEWEANTIC RIVER ESTUARY, MASSACHUSETTS ...Estuaries, Massachusetts, Pollution - Effects of, Wildlife, ...5.0509

Salmon & Trout - Non-specific

GUIDING JUVENILE AND ADULT MIGRANT SALMONIDS BY NON-ELECTRICAL MEANS ...Behavioral Ecology, Migration, Velocity -water, Water Light Quality & Quantity, ...8.0311

COLLECTION OF JUVENILE SALMON IN TURBINE INTAKES ...Columbia River, Control Gate, Electric Power Plants, Mortality Rates, Turbine-other, ...8.0299

INFLUENCE OF ACCUMULATED SEDIMENTS UPON WATER VELOCITY OF MICROHABITATS OCCUPIED BY TROUTS ...Colorado, Habitat Studies, Rio Grande River, Sediments, Velocity -water, ...4.0068

SPORT FISHERY POTENTIAL IN RECLAIMED WASTEWATER ...Channel Catfish, Growth Rate, Other, Stream Rehabilitation, Tilapia, Cichlids, ...5.0050

COVER AS A LIMITING FACTOR IN TROUT PRODUCTION ...Colorado, Environmental Ecology, Number Or Density, Soil (wildlife) Cover, Streams, ...4.0070

EFFECTS OF DEWATERING ON A TROUT POPULATION ...Dewatering, Montana, Population Dynamics, Recreation Sites, Streams, ...6.0330

SPRING POND ECOLOGY AND MANAGEMENT ...Fishing, Habitat Studies, Management, Ponds, Productivity (agricultural), ...3.0488

STREAM IMPROVEMENT STUDY ...Engineering Structures-general, Physical-general, Population Dynamics, Project Post-evaluation, Streams, ...2.0962

STREAM RESTORATION AND CONTROLLED FLOWS ...Dams-other, Lake Trout, Brook Trout, Logging, Transport, Equipment, Maine, Stream Rehabilitation, ...4.0129

DEVELOPMENT AND IMPROVEMENT OF INSTRUMENTATION AND SAMPLING GEAR FOR USE IN LIMNOLOGY AND FISHERY BIOLOGY ...Basses -sea, white, White Perch, Nets, Plankton Sampling, Tags, Telemetry, ...7.0115

EFFECTS OF KRAFT PULP MILL EFFLUENTS ON THE GROWTH AND PRODUCTION OF FISH ...Industrial Wastes, Pollution - Effects of, Pollution Effects, Pulp, Paper, and Logging, ...5.0966

EVALUATION OF ANADROMOUS FISH PASSAGE FACILITIES AT FALL CREEK DAM, BIG FALL CREEK, OREGON ...Aquatic Ecology, Engineering Structures-general, Migration, Oregon, Rainbow Trout, Steelhead Trout, ...8.0280

JUVENILE MIGRATION RATES ...Columbia River, Migration, Other, Snake River, Water Environment -other, ...8.0308

RELATION OF RIVER-RUN IMPOUNDMENTS TO SALMON PRODUCTION ...Aquatic Ecology, Engineering Structures-general, Environmental Changes, Environmental Ecology, Mans Activities, Pollution - Effects of, ...6.0616

SALMON PRODUCTION IN AREAS MADE INACCESSIBLE BY DAMS ...Aquatic Ecology, Columbia River, Engineering Structures-general, Environmental Ecology, Spawn Or Nesting Sites, ...8.0309

ADULT SALMON BEHAVIOR STUDIES IN RIVERS AND AT DAMS (SONIC TRACKING) ...Aquatic Ecology, Behavioral Ecology, Columbia River, Migration, Tags, ...8.0305

PREDICTION OF ENVIRONMENT ...Biological-general, Columbia River, Environmental Ecology, Low Temp. -but Above 32f, Physi-

Fish

SUBJECT INDEX

- cal-general, Reservoirs and Impoundments, Snake River, Temperature, Thermal Pollution, ...6.0617
- EFFECTS OF INDUSTRIAL EXPANSION ON THE AQUATIC ENVIRONMENT OF ESTUARINE AREAS ...Columbia River, Estuaries, ...2.1131
- EFFECT OF SUPERSATURATION OF DISSOLVED NITROGEN ON MIGRATING SALMONIDS ...Gases, Dissolved -water, Mortality Rates, Nitrogen, Pathology, ...6.0614
- FISH TRANSPORTATION ...Aquatic Ecology, Management -other, Migration, Streams, Tags, ...8.0304
- FISH BEHAVIOR AND PHYSIOLOGY ...Behavior -animal, Engineering Structures-general, Environmental Physiology, Migration, Thermal Pollution, ...6.0615
- FISHWAY RESEARCH (BONNEVILLE LABORATORY) ...Behavioral Ecology, Engineering Structures-general, Environmental Ecology, Management -other, Migration, ...6.0618
- PROTECTION OF FINGERLING SALMON IN TURBINES ...Construction Land Use Effects, Engineering Structures-general, Migration, Mortality Rates, Snake River, ...8.0306

Salmon -coho, chinook, sockeye..

- STUDY OF DISCREPANCY IN FISH COUNTS BETWEEN COLUMBIA RIVER DAMS ...Censusing, Columbia River, Number Or Density, Rainbow Trout, Steelhead Trout, ...8.0278
- MCNARY ARTIFICIAL SPAWNING CHANNEL STUDIES ...Channels, Columbia River, Construction Land Use Effects, Spawn Or Nesting Sites, Temperature, ...8.0302
- MIGRATORY RESPONSE OF ADULT SALMONIDS TO WATER TEMPERATURE ...Management -other, Migration, Temperature, Thermal Pollution, Warm Water, ...8.0300
- PASSAGE OF ADULT SALMONIDS THROUGH PIPES ...Construction Land Use Effects, Management -other, Pipes, ...8.0301
- STUDY OF RED SALMON IN THE NUSHAGAK DISTRICT ...Alaska, Chemical-general, Physical-general, Spawn Or Nesting Sites, ...6.0622
- INVESTIGATE THE FEASIBILITY OF INTRODUCING SOCKEYE SALMON INTO RESERVOIRS ...Oregon, Reservoirs and Impoundments, Stocking of Fish & Shellfish, ...6.0464
- OBSERVATIONS ON RED SALMON IN THE KVICHAK RIVER SYSTEM ...Alaska, Aquatic Ecology, Population Dynamics, Reproduction Studies (general), Streams, ...6.0628
- INVESTIGATION OF SPAWNING GROUND POTENTIALS AND GROWTH AND SURVIVAL OF JUVENILE SOCKEYE SALMON IN FRAZER LAKE SYSTEM ...Alaska, Censusing, Lakes, Nets, Spawn Or Nesting Sites, Tags, ...6.0009
- RESTORATION AND REHABILITATION OF EARTHQUAKE DAMAGED PINK AND CHUM SALMON STUDIES IN PRINCE WILLIAM SOUND ...Alaska, Aquatic Ecology, Data Acquisition-general, Earthquakes, Flow Characteristics -water, Spawn Or Nesting Sites, Stream Rehabilitation, Tectonics-general, ...2.0026
- EFFECTS OF LOGGING ON SALMON POPULATIONS IN COASTAL STREAMS ...Douglas Fir, Forest Debris, Forest Watersheds, Logging, Transport, Equipment, Population Dynamics, ...5.0947
- TEMPERATURE REQUIREMENTS OF SALMONIDS IN RELATION TO THEIR FEEDING, BIOENERGETICS, GROWTH AND BEHAVIOR ...Behavior -animal, Energy, Growth Rate, Rainbow Trout, Steelhead Trout, Water Temperature-non-specific, ...5.0942
- OPTIMUM ESCAPEMENT STUDIES OF CHIGNIK SOCKEYE SALMON ...Alaska, Aquatic Ecology, General Synoptic Observations, Lakes, Water Properties-general, ...6.0623
- STUDIES OF SOCKEYE SALMON, ONCORHYNCHUS NERKA, IN THE KVICHAK RIVER SYSTEM, ALASKA ...Alaska, Commercial Fishing, Productivity - Food Chain, Watersheds-other, ...6.0627
- ECOLOGY OF SPRING CHINOOK SALMON ...Aquatic Ecology, Life History Studies, Oregon, Productivity - Food Chain, Streams, ...6.0447
- A RUN TIMING STUDY IN THE LOWER COLUMBIA RIVER BY MEANS OF A TESTFISHING PROGRAM ...Columbia River, Migration, Nets, Number Or Density, Streams, ...2.0884
- FACTORS INFLUENCING THE FRESHWATER RESIDENCE OF JUVENILE FALL CHINOOK SALMON ...Aquatic Ecology, Fresh Water, Life History Studies, Oregon, Streams, ...6.0448
- ECOLOGICAL STUDIES OF CHUM AND COHO SALMON AT BIG BEEF CREEK ...Aquatic Ecology, Chemical-general, Reservoirs and Impoundments, Streams, Washington, ...6.0629

- COLUMBIA RIVER CHINOOK SALMON ...Columbia River, Construction Land Use Effects, Habitat Studies, Population Dynamics, Spawn Or Nesting Sites, ...2.1129
- DDT AND DIELDRIN METABOLISM AND STORAGE BY CHINOOK SALMON UNDER LABORATORY CONDITIONS ...DDT, Dieldrin, Laboratory Animals, Metabolism -animal, ...5.0660
- INVESTIGATION OF STRESS-INDUCED MOBILIZATION OF INSECTICIDE RESIDUES - CHRONIC TOXICITY OF PESTICIDES TO FISH ...DDT, Dieldrin, Metabolism -animal, Stress, Wildlife, ...5.0655
- BRISTOL BAY ESTUARINE ECOLOGY ...Alaska, Estuaries, Fishing Gear, Life History Studies, Migration, Water Mass & Ocean Fronts, ...2.0016
- PINK SALMON INVESTIGATIONS - FRESHWATER ECOLOGY ...Aquatic Ecology, Environmental Ecology, Estuaries, Mortality Rates, Physical-general, ...4.0002
- PINK SALMON INVESTIGATIONS - FRESHWATER ECOLOGY ...Alaska, Aquatic Ecology, Spawn Or Nesting Sites, Streams, Water Properties-general, ...6.0005

Sauger

- SAUGER AND WALLEYE INVESTIGATIONS IN THE MISSOURI RIVER ...Biological Rhythms, Missouri River, Population Dynamics, Walleyes, ...6.0334

Shiners

- STREAM BIOLOGY AND ITS RELATION TO FISH PRODUCTION ...Food Supply, Growth Rate, Mississippi River, Streams, Vertical Distribution, ...6.0223

Smallmouth Bass

- THE BEHAVIOR OF SMALLMOUTH BASS AS RELATED TO ARTIFICIAL COVER ...Acidity, Behavioral Ecology, Mining Industry, Soil (wildlife) Cover, Water Movement, Currents, ...5.1024

Smelts

- INVESTIGATION OF THE RELATIONSHIP OF THE AMERICAN SMELT, OSMERUS MORDAX - MITCHILL, TO THE WEWEANTIC RIVER ESTUARY, WAREHAM, MASS SACHUSETTS ...Aquatic Ecology, Environmental Ecology, Estuaries, Spawn Or Nesting Sites, Temperature, ...5.0510
- LAKE SUPERIOR EXPLORATIONS ...Commercial Fishing, Lake Superior, Management -other, Nets, Suckers, ...6.0293

Suckers

- LAKE SUPERIOR EXPLORATIONS ...Commercial Fishing, Lake Superior, Management -other, Nets, Smelts, ...6.0293

Tilapia, Cichlids

- SPORT FISHERY POTENTIAL IN RECLAIMED WASTEWATER ...Channel Catfish, Growth Rate, Other, Salmon & Trout - Non-specific, Stream Rehabilitation, ...5.0050
- BIOLOGICAL CONTROL OF AQUATIC VEGETATION ...Biocontrol, Lakes, of Aquatic Plants, Ponds, ...6.0196

Walleyes

- SAUGER AND WALLEYE INVESTIGATIONS IN THE MISSOURI RIVER ...Biological Rhythms, Missouri River, Population Dynamics, Sauger, ...6.0334
- WALLEYE FRY - ZOOPLANKTON RELATIONSHIPS IN SOUTHEASTERN WISCONSIN LAKES ...Aquatic Ecology, Food Supply, Lakes, Plankton Sampling, Zooplankton, ...6.0640
- WALLEYE AND NORTHERN PIKE STUDY ...Aquatic Ecology, Life History Studies, Pikes, Pickerel, Muskellunge, Spawn Or Nesting Sites, Texas, ...6.0541
- DDT RESIDUE ACCUMULATION IN WISCONSIN FISH AND THE EFFECT ON REPRODUCTION ...DDT, Maturity & Growth Stages, Reproduction Studies (general), Wildlife, Wisconsin, ...5.1292
- VITAL STATISTICS OF WALLEYE IN LAKE SHARPE ...Growth Rate, Mortality Rates, Population Dynamics, Reservoirs and Impoundments, South Dakota, ...6.0503
- EARLY LIFE HISTORY OF WALLEYE IN LAKE FRANCIS CASE ...Aquatic Ecology, Life History Studies, Maturity & Growth Stages, Reservoirs and Impoundments, South Dakota, ...6.0506

SUBJECT INDEX

Fish & Wildlife Biology

THE EFFECTS OF ENVIRONMENTAL CONDITIONS ON THE SPAWNING AND SURVIVAL OF FRY OF THE WALLEYE ...Environmental Effects-geologic, Eutrophication, Pollution - Effects of , Temperature, ...5.0900

LIFE HISTORY AND ABUNDANCE OF THE WALLEYE ...Aquatic Ecology, Commercial Fishing, Environmental Ecology, Life History Studies, Water Properties-general, ...6.0440

Yellow Perch, Darters

EFFECTS OF TEMPERATURE AND SILT ON YELLOW PERCH DEVELOPMENT IN THE LABORATORY ...Basic Embryology, Laboratory, South Dakota, Turbidity & Suspended Matter, Water Temperature-non-specific, ...6.0508

GROWTH AND MORTALITY RATES OF YOUNG YELLOW PERCH IN OAHE RESERVIOR ...Aquatic Ecology, Growth Rate, Mortality Rates, Reservoirs and Impoundments, South Dakota, ...6.0498

SPAWNING OF YELLOW PERCH ...Biological Rhythms, Ovary, Reservoirs and Impoundments, South Dakota, Spawn Or Nesting Sites, ...6.0521

ENVIRONMENTAL FACTORS AND YOUNG YELLOW PERCH SURVIVAL IN RESERVOIRS ...Aquatic Ecology, Environmental Physiology, Reservoirs and Impoundments, Stocking of Fish & Shellfish, Temperature, ...6.0511

LIFE HISTORY AND ABUNDANCE OF THE YELLOW PERCH ...Aquatic Ecology, Environmental Ecology, Life History Studies, Population Dynamics, Water Properties-general, ...6.0439

EFFECTS OF TEMPERATURE ON MATURATION, EMBRYONIC DEVELOPMENT AND CONDITION OF FRY IN YELLOW PERCH - LAKE HERRING, SMELT AND WALLEYE ...Basic Embryology, Environmental Physiology, Maturity & Growth Stages, Temperature, Thermal Pollution, Water Temperature-non-specific, ...5.0590

CULTURING, PROPAGATION AND CONDITION EVALUATION OF FISHES ...Bioassays, Blood -other, Captive Rearing, Cisco, Lake Herring, Contamination - Water, Lake Trout, Brook Trout, ...5.0586

Fish & Wildlife Biology

Birds

Censusing

IMPORTANCE OF TYPE 1 WETLAND COMMUNITIES TO WATERFOWL PRODUCTION ...Land Use, Spawn Or Nesting Sites, Water Fowl, N.s. , Water Utilization -animal, Wetlands, ...4.0218

Food Supply

WATERFOWL UTILIZATION OF SAGO PONDWEED (POTAMOGETON PECTINATUS) ON A SELECTED MARSH IN NORTHERN UTAH ...Mallard, Potamogeton, Ruppia, Zostera., Storage, Swamps-marshes, Utah, ...6.0588

EFFECTS OF RESTORATION AND MANAGEMENT OF THE SAN SIMON MARSH ON ITS UTILIZATION BY MEXICAN DUCKS ...Management, Mexican Duck, Spawn Or Nesting Sites, Swamps-marshes, Water Utilization -animal, ...6.0364

PHYSICAL & CHEMICAL PROPERTIES OF WATER & SOILS OF MARSHES AS THESE PROPERTIES RELATE TO THE SUCCESS OF WATERFOWL FOODS & COVER. ...Biological-general, Soil (wildlife) Cover, Wetlands, ...6.0371

THE EFFECTS OF DREDGING AND SILTATION ON DIVING DUCK FOODS AND FEEDING HABITS ON THE MISSISSIPPI RIVER ...Mississippi River, Sediments, Silting, Water Fowl, N.s. , ...5.0411

FOOD AND FOOD ENERGY REQUIREMENTS OF WILD DUCKLINGS ...Energy, Habitat Studies, Pintail, Anas Acuta, Scaup, Lesser, Widgeon, American, ...6.0583

MANAGEMENT OF FOREST AND FARM GAME HABITAT - FISH POND MANAGEMENT ...Farm Pond, Game Reserves, Habitat Studies, of Aquatic Plants, Site Index and Site Quality, ...6.0245

THE MANAGEMENT OF SHALLOW-WATER IMPOUNDMENTS FOR WATERFOWL ...Management, Reservoirs and Impoundments, Salinity, Water Fowl, N.s. , Water Level Fluctuation, ...6.0247

THE PHYSICAL AND CHEMICAL PROPERTIES OF WATER AND SOILS AS RELATED TO THE SUCCESSFUL GROWTH OF WATERFOWL FOOD AND COVER PLANTS ...Flooding, Oxygen, Phytotoxic, Soil (wildlife) Cover, Soil Conditions, Water Fowl, N.s. , ...2.0799

Game Reserves & Preserves

A PRELIMINARY STUDY OF THE ECOLOGY, PRESENT AND ALTERNATIVE FUTURE LAND USE PATTERNS IN THE DISMAL SWAMP AREA OF NORTH CAROLINA ...Agricultural Land Use Effects, Economic Impact, Land Use, North Carolina, Wetlands, ...6.0404

Management -other

MARSH EVALUATION AND ACQUISITION - MARITIMES ...Habitat Studies, Management, Wetlands, ...4.0052

MARSH EVALUATION AND ACQUISITION - ONTARIO ...Canada, Habitat Studies, Management, Water Fowl, N.s. , Wetlands, ...4.0046

HYDROLOGY OF PRAIRIE POTHOLE ...North Dakota, Potholes, Seepage, Water Balance-budget, Water Fowl, N.s. , Water Utilization -animal, ...2.0170

WATERFOWL MANAGEMENT THROUGH WATER-LEVEL CONTROL ...Depth,water Level, Fluctuation, Drawdown, Management, Water Fowl, N.s. , Wetlands, ...4.0133

Mark, Tag Or Capture -other

ECOLOGY OF SOME WADING BIRD POPULATIONS AFFECTED BY THE INVASION OF THE CATTLE EGRET INTO ALABAMA ...Aquatic Ecology, Behavioral Ecology, Ciconiiformes - Wading Birds, Migration, Water Utilization - animal, ...6.0001

Pathology

STUDY OF WATERFOWL BOTULISM ...California, Clostridium Botulinum, Growth (non-specific & Ot.), Identification, Water Fowl, N.s. , ...6.0070

Fish & Shellfish

Captive Rearing

PHYSICAL AND CHEMICAL CHANGES OF RECIRCULATED HATCHERY WATER SUPPLIES ...Chemical Measurements - water, Chemical-general, Physical Measurements -water, Physical-general, Water Reuse, ...5.0708

EFFECTS OF INCREASE IN SALTON SEA SALINITY ON THE SURVIVAL OF ORANGEMOUTH CORVINA, SARGO, BAIRDIELLA, AND NEANTHES ...Bioindicators, Fish -other, Pollution - Effects of , Salinity, Salton, Water Salinity, ...5.0146

EFFECTS OF WATER QUALITY ON HATCHING SUCCESS ...Basses -sea,white, White Perch, Hatchability, Louisiana, Pollution - Effects of , Water Properties-general, ...5.0453

FISH STOCKING EVALUATION ...Largemouth Bass, Management, Nets, Ponds, Stocking of Fish & Shellfish, ...6.0542

CHARTING OF SUBTIDAL OYSTER BEDS AND EXPERIMENTAL TRANSPLANTING OF SEED OYSTERS FROM POLLUTED SEED OYSTER BEDS ...Commercial Fishing, Estuaries, Oysters, South Carolina, Stocking of Fish & Shellfish, ...5.1101

FEASIBILITY OF TREATING AND RECYCLING USED FISH HATCHERY WATER ...Benefit-cost Analysis, Productivity (agricultural), Waste Water Treatment-general, Water Reuse, ...5.0753

EVOLUTION OF ALLOPATRIC POPULATIONS ...Ecological, Lake Trout, Brook Trout, Maine, Population Dynamics, ...5.0464

POLLUTION AS A RESULT OF FISH CULTURAL ACTIVITIES ...Algal Pollutant Sources, Biological Pollutants -general, Management -other, Pollution - Effects of , Water Quality Control-general, ...5.1199

EXPERIMENTAL REARING OF SALMON AND STEELHEAD IN BRACKISH WATER IMPOUNDMENTS ...Brackish Water, Environmental Response, Mortality Rates, Rainbow Trout, Steelhead Trout, Stocking of Fish & Shellfish, ...6.0461

ENVIRONMENTAL FACTORS AND YOUNG WHITE BASS SURVIVAL IN RESERVOIRS ...Basic Embryology, Basses - sea,white, White Perch, Environmental Physiology, Reservoirs and Impoundments, ...6.0512

DEVELOPMENT OF IDENTIFICATION KEYS TO LARVAL, AND JUVENILE RESERVIOR FISHES ...Animal Taxonomy, Fish -non-specific, Maturity & Growth Stages, Photography-other, Reservoirs and Impoundments, ...6.0018

ACUTE TOXICITY OF PESTICIDES TO FRESHWATER INVERTEBRATES - DEVELOPMENT OF A LABORATORY STREAM FOR REARING AND TESTING AQUATIC INVERTEBRATES ...Invertebrate Cultures, Invertebrates -non-specific, Laboratory, Laboratory Animals, Pesticides -non-specific, ...6.0319

CULTURE OF SHELLFISH IN ARTIFICIAL AND NATURAL SALT PONDS ...Commercial Fishing, Growth Rate, Maryland, Oysters, Ponds, ...6.0267

Fish & Wildlife Biology

SUBJECT INDEX

EXPERIMENTAL SEEDING (SHRIMP AQUACULTURE PROGRAM) ...Florida, Population Dynamics, Shrimps - Common, Spawn Or Nesting Sites, Stocking of Fish & Shellfish, ...6.0565

CULTURING, PROPAGATION AND CONDITION EVALUATION OF FISHES ...Bioassays, Blood -other, Cisco, Lake Herring, Contamination - Water, Lake Trout, Brook Trout, Yellow Perch, Darters, ...5.0586

Censusing

STUDY OF DISCREPANCY IN FISH COUNTS BETWEEN COLUMBIA RIVER DAMS ...Columbia River, Number Or Density, Rainbow Trout, Steelhead Trout, Salmon -coho, chinook, sockeye..., ...8.0278

SOME ASPECTS OF THE MARINE SPORT FISHERY OF MASSACHUSETTS WITH SPECIAL EMPHASIS ON SURVEY DESIGN AND BASIC ECONOMIC ATTRIBUTES ...Fishing, Massachusetts, Survey, ...7.0054

INVESTIGATION OF SPAWNING GROUND POTENTIALS AND GROWTH AND SURVIVAL OF JUVENILE SOCKEYE SALMON IN FRAZER LAKE SYSTEM ...Alaska, Lakes, Nets, Salmon -coho, chinook, sockeye..., Spawn Or Nesting Sites, Tags, ...6.0009

COOPERATIVE AGREEMENT FOR BEAVER RESERVOIR CREEL CENSUS STUDY ...Fish -non-specific, Fishing, Number Or Density, Reservoirs and Impoundments, Weight, ...4.0015

Commercial Fishing

TRANSLATION OF VOPROSY IKHTIOLOGII (PROBLEMS OF ICHTHYOLOGY) ...Russia, Translation Grants, ...6.0122

LAKE BASTROP NETTING STUDY ...Ictaluridae -other, Lakes, Nets, Population Dynamics, Texas, ...6.0570

CHARTING OF SUBTIDAL OYSTER BEDS AND EXPERIMENTAL TRANSPLANTING OF SEED OYSTERS FROM POLLUTED SEED OYSTER BEDS ...Captive Rearing, Estuaries, Oysters, South Carolina, Stocking of Fish & Shellfish, ...5.1101

OYSTER LEASE CONTROL MONUMENTS - BAY ADAM, BASTIAN BAY AND SANDY POINT BAY AREAS ...Gulf of Mexico, Louisiana, Oysters, Plane, Tides, ...6.0249

A STUDY OF SELECTED CHEMICAL AND BIOLOGICAL CONDITIONS OF THE LOWER TRINITY RIVER AND THE UPPER TRINITY BAY ...Estuaries, Mans Activities, Pollution - Effects of, Spawn Or Nesting Sites, Texas, ...6.0546

RELEVANCE OF SELECTED ECOLOGICAL FACTORS RELATED TO WATER RESOURCES & SOCIAL ORGANIZATION OF FISHERMEN VILLAGES IN PUERTO RICO (ABREV) ...Fish, N.s., Puerto Rico, Social Aspects, Social Structure, Water Resources - General, ...6.0479

STUDIES OF SOCKEYE SALMON, ONCORHYNCHUS NERKA, IN THE KVICHAK RIVER SYSTEM, ALASKA ...Alaska, Productivity - Food Chain, Salmon -coho, chinook, sockeye..., Watersheds-other, ...6.0627

PHYSICAL AND CHEMICAL CHARACTERISTICS OF THE UPPER CHESAPEAKE BAY ...Aquatic Soils, Chemical-general, Chesapeake Bay, Environmental Effects-geologic, Physical-general, ...5.0506

CULTURE OF SHELLFISH IN ARTIFICIAL AND NATURAL SALT PONDS ...Captive Rearing, Growth Rate, Maryland, Oysters, Ponds, ...6.0267

POTENTIAL OYSTER SETTING CAPACITY - LOCAL AREAS ...Chesapeake Bay, Other, Oysters, Spawn Or Nesting Sites, Streams, ...5.0507

ECOLOGY AND DISTRIBUTION OF OYSTERS AND CLAMS ...Chesapeake Bay, Clams, Food Supply, Food Webs, Oysters, ...6.0268

LIFE HISTORY AND ABUNDANCE OF THE WALLEYE ...Aquatic Ecology, Environmental Ecology, Life History Studies, Walleyes, Water Properties-general, ...6.0440

ASSESSMENT OF LAKE SUPERIOR LAKE TROUT ...Aquatic Ecology, Lake Trout, Brook Trout, Lampreys, Life History Studies, ...6.0636

LAKE SUPERIOR EXPLORATIONS ...Lake Superior, Management -other, Nets, Smelts, Suckers, ...6.0293

EVALUATION OF ENGINEERING PROJECTS AND ESTUARINE DATA (ESTUARINE PROGRAM) ...Conservation & Management Eng, Construction Sites, Estuaries, Gulf of Mexico, Habitat Studies, Land Use -non-specific, ...8.0290

Control of Nuisance Species

REPOPULATION OF EXPERIMENTALLY DECIMATED AREAS BY STREAM FISHES ...Aquatic Ecology, Fish -non-specific, Louisiana, Population Dynamics, Stream Rehabilitation, Streams, ...5.0460

CHEMICAL TREATMENT OF NEBISH LAKE ...Aquatic Ecology, Chemical Treatment-general, Data Analysis - General, Lakes, Stocking of Fish & Shellfish, ...5.1293

FISH TOXICANT STUDIES ...Ammonium, Evaluation, Fish -non-specific, Piscicides -non-specific, Screening Potential Pesticides, ...5.1147

SMALL IMPOUNDMENT STOCKING ...Bullheads, Centrarchidae -other, Colorado, Lakes, Stocking of Fish & Shellfish, ...5.0201

FISH POPULATION MANIPULATION AT RIDGE LAKE ...Depth, water Level, Fluctuation, Illinois, Lakes, Population Dynamics, Water Level Fluctuation, ...6.0194

THIODAN AS A TOXICANT FOR ERADICATION OF FISHES IN LAKE MANAGEMENT ...Evaluation, Lakes, Management, Thiodan, ...6.0567

LAKE SUPERIOR CHEMICAL CONTROL OF SEA LAMPREY ...Flow Characteristics -water, Lake Superior, Lampreys, Larvicides, Streams, ...5.0577

LAKE MICHIGAN CHEMICAL CONTROL OF SEA LAMPREY ...Animal Pollutant Sources, Evaluation, Lampreys, Larvicides, ...5.0576

Dyes

DEVELOPMENT OF MARKING METHODS FOR SMALL FISH ...Largemouth Bass, Musculoskeletal System, Other, Tags, ...7.0081

Fertilizers -aquatic

FERN LAKE MINERAL METABOLISM PROGRAM ...Hardness-minerals, Lakes, Mineral Content -water, Productivity - Food Chain, Washington, ...6.0624

FERTILIZATION OF WOODS CANYON LAKE ...Arizona, Lakes, Rainbow Trout, Steelhead Trout, ...5.0040

FISH POPULATION STUDIES (DEWEY RESERVOIR) ...Alewife, menhaden, shad, herring, Aquatic Ecology, Kentucky, Population Dynamics, Reservoirs and Impoundments, ...5.0437

NUTRIENT ASSIMILATION RATES - FIELD STUDIES ...Estuaries, Nutrients, Phosphorus, Ponds, ...5.0620

FARM FISH POND MANAGEMENT ...Farm Pond, Food Supply, Management, Nutrients, Productivity - Food Chain, ...6.0300

HIGH ANALYSIS FERTILIZER INVESTIGATIONS - FISHERIES ...Fish -non-specific, Productivity (agricultural), Reservoirs and Impoundments, Tennessee, ...6.0535

Fishery Development -other

MOVEMENTS OF SPORT FISHES IN BEAVER RESERVOIR ...Arkansas, Basses -sea, white, White Perch, Migration, Reservoirs and Impoundments, Tags, ...6.0017

Food Supply

FEEDING PATTERNS OF THE FRESHWATER ISOPOD LIRCEUS BRACHYURUS ...Aquatic Ecology, Behavioral Ecology, Isopods, Nutrition - Invertebrate, Pennsylvania, Streams, ...7.0093

FOOD HABITS OF LARVAL AND JUVENILE SHAD IN THE CONNECTICUT RIVER ...Alewife, menhaden, shad, herring, Aquatic Ecology, Connecticut River, Massachusetts, Recreation Sites, ...3.0272

STREAM BIOLOGY AND ITS RELATION TO FISH PRODUCTION ...Growth Rate, Mississippi River, Shiners, Streams, Vertical Distribution, ...6.0223

DYNAMICS OF FISH POPULATIONS IN NATURAL LAKES ...Iowa, Lakes, Life History Studies, Population Dynamics, ...6.0224

FOOD HABITS OF LARGEMOUTH BASS LARVAE ...Aquatic Ecology, Behavior -animal, Largemouth Bass, Ponds, Zooplankton, ...7.0082

THE ROLE OF FOOD IN THE MORTALITY OF LARGEMOUTH BASS LARVAE ...Environmental Physiology, Fasting - Starvation, Largemouth Bass, Maturity & Growth Stages, Mortality Rates, ...7.0079

A STUDY OF THE BENTHIC FAUNA OF MERLE COLLINS RESERVOIR (VIRGINIA RANCH RESERVOIR) ...California, Number Or Density, Productivity - Food Chain, Reservoirs and Impoundments, ...6.0071

WALLEYE FRY - ZOOPLANKTON RELATIONSHIPS IN SOUTHEASTERN WISCONSIN LAKES ...Aquatic Ecology, Lakes, Plankton Sampling, Walleyes, Zooplankton, ...6.0640

STUDIES ON PLANTED BROOK TROUT IN RELATION TO NUMBERS PLANTED, LIMNOLOGICAL CONDITIONS AND FOOD SUPPLIES IN UNFISHED LAKES ...Lake Trout, Brook Trout, Lakes, Michigan, Population Dynamics, Stocking of Fish & Shellfish, ...6.0303

SUBJECT INDEX

Fish & Wildlife Biology

EFFECT OF LIMNOLOGICAL CHANGES ON SURVIVAL OF YOUNG FISH IN ONEIDA LAKE ...Fish -non-specific, Lakes, New York, Urban Environments, Water Quality-general, ...6.0372

FOOD HABITS STUDY ...Aquatic Ecology, Benthic Organisms (non-specific), Lakes, Mississippi, Plankton (non-specific), ...6.0314

FLATHEAD CATFISH STUDY ...Aquatic Ecology, Behavior - animal, Growth Rate, Ictaluridae -other, Reproduction Studies (general), Texas, ...6.0539

EFFECTS OF PULP MILL EFFLUENTS ON THE GROWTH AND PRODUCTION OF FISH ...Industrial Wastes, Industry Land Use Effects, Pollution - Effects of , Pollution Effects, Pulp, Paper , and Logging, ...5.0961

RELATION OF FLOODPLAIN POOLS TO THE BIOLOGICAL PRODUCTION OF THE KASKASKIA RIVER AND ITS MAIN-STEM RESERVOIRS ...Habitat Studies, Illinois, Productivity - Food Chain, Reservoirs and Impoundments, Streams, ...2.0411

BEHAVIOR AND FOOD PREFERENCES OF INTRODUCED ANNUAL FISHES IN RELATION TO MOSQUITOES ...Aquatic Ecology, Behavioral Ecology, Killifishes - Cyprinodon, Mosquitoes -non-specific, Predators and Parasite, ...2.0575

FARM FISH POND MANAGEMENT ...Farm Pond, Fertilizers - aquatic, Management, Nutrients, Productivity - Food Chain, ...6.0300

AN EVALUATION OF WIDELY USED HERBICIDES ON AQUATIC PLANTS, FISH AND FISH-FOOD ORGANISMS ...Environmental Effects, Herbicides -non-specific, Wildlife, ...5.0570

PRODUCTION OF ADULT GAME FISHES BY ARTIFICIAL FEEDING ...Aquaculture & Fish-farming, Fish -non-specific, Fish Rations, ...6.0181

FOOD INTAKE OF LARGEMOUTH BASS ...Lakes, Largemouth Bass, Malnutrition -other, Size, ...6.0182

DEPTH DISTRIBUTION OF FISH IN LAKE GLENDALE ...Bluegills, Bream, Illinois, Lakes, Largemouth Bass, Vertical Distribution, ...6.0197

ECOLOGY AND DISTRIBUTION OF OYSTERS AND CLAMS ...Chesapeake Bay, Clams, Commercial Fishing, Food Webs, Oysters, ...6.0268

RESEARCH ON THE MACROBENTHOS OF THE GREAT LAKES ...Aquatic Ecology, Benthic Fauna, Earthworms, Great Lakes-general, Water Quality-general, ...6.0292

CULTURING AND PROPAGATION OF SELECTED INVERTEBRATES AND ASSOCIATED FOOD ORGANISMS ...Algal Culture, Chlorophyceae (non-specific & ot), Chrysophyceae (non-specific & ot), Cyanophyta (non-specific & Ot), Invertebrate Cultures, ...5.0591

EFFECTS OF D.O., TEMPERATURE AND POTENTIAL TOXICANTS UPON SELECTED MACROINVERTEBRATES (EMPHASIZING NON-ARTHROPODS) ...Contamination - Water, Gases, Dissolved -water, Pollution - Effects of , Pollution Effects, Water Temperature-non-specific, ...5.0589

EFFECTS OF HIGH TEMPERATURE, LOW OXYGEN, AND PH EXTREMES ON THE SURVIVAL OF AQUATIC INSECTS AND CRUSTACEA IMPORTANT AS TROUT FOOD ...Aquatic Ecology, Gases, Dissolved -water, High Temp. -85f Or Above, Lake Superior, Ph, Acidity -water, ...5.0593

Management -other

MIGRATORY RESPONSE OF ADULT SALMONIDS TO WATER TEMPERATURE ...Migration, Salmon -coho, chinook, sockeye..., Temperature, Thermal Pollution, Warm Water, ...8.0300

PASSAGE OF ADULT SALMONIDS THROUGH PIPES ...Construction Land Use Effects, Pipes, Salmon -coho, chinook, sockeye..., ...8.0301

POLLUTION AS A RESULT OF FISH CULTURAL ACTIVITIES ...Algal Pollutant Sources, Biological Pollutants -general, Captive Rearing, Pollution - Effects of , Water Quality Control-general, ...5.1199

EVALUATION OF UPSTREAM AND DOWNSTREAM ANADROMOUS FISH PASSAGE AT RIVER MILL AND FARADAY DAMS ON THE CLACKAMAS RIVER, OREGON ...Engineering Structures-general, Migration, Oregon, Rainbow Trout, Steelhead Trout, Reservoirs and Impoundments, ...8.0279

FISH PASSAGE THROUGH TURBINES ...Fish -non-specific, Hydraulic, Mortality Rates, Power Development, Stamina, ...8.0312

COLLECTION OF JUVENILE MIGRANTS FROM RIVERS AND STREAMS ...Engineering Structures-general, Fish -non-specific, Migration, Streams, ...4.0271

LAKE SUPERIOR EXPLORATIONS ...Commercial Fishing, Lake Superior, Nets, Smelts, Suckers, ...6.0293

FISH TRANSPORTATION ...Aquatic Ecology, Migration, Salmon & Trout - Non-specific, Streams, Tags, ...8.0304

FISH GUIDING ...Animal Distr. (non-specific), Fish -non-specific, Guidance, Instrumental Services, Water Environment -other, ...8.0307

FISHWAY RESEARCH (BONNEVILLE LABORATORY) ...Behavioral Ecology, Engineering Structures-general, Environmental Ecology, Migration, Salmon & Trout - Non-specific, ...6.0618

Nets

EVALUATION OF CLEARED SEINING AREAS ...Land Use, Pre-impoundment Sites, Reservoirs and Impoundments, Texas, ...6.0540

LAKE BASTROP NETTING STUDY ...Commercial Fishing, Ictaluridae -other, Lakes, Population Dynamics, Texas, ...6.0570

FISH STOCKING EVALUATION ...Captive Rearing, Largemouth Bass, Management, Ponds, Stocking of Fish & Shellfish, ...6.0542

DEVELOPMENT AND IMPROVEMENT OF INSTRUMENTATION AND SAMPLING GEAR FOR USE IN LIMNOLOGY AND FISHERY BIOLOGY ...Basses -sea, white, White Perch, Plankton Sampling, Salmon & Trout - Non-specific, Tags, Telemetry, ...7.0115

INVESTIGATION OF SPAWNING GROUND POTENTIALS AND GROWTH AND SURVIVAL OF JUVENILE SOCKEYE SALMON IN FRAZER LAKE SYSTEM ...Alaska, Censusing, Lakes, Salmon -coho, chinook, sockeye..., Spawn Or Nesting Sites, Tags, ...6.0009

ASSESSMENT OF ENVIRONMENT FACTORS INFLUENCING THE DISTRIBUTION OF BOTTOM FISHES IN RESERVOIRS ...Oklahoma, Organic, Physical Properties-general, Reservoirs and Impoundments, Turbidity & Suspended Matter, ...5.0924

LIFE HISTORY OF THE GOLDEYE (HODON ALOSOIDES) IN GARRISON RESERVOIR, NORTH DAKOTA ...Biological Rhythms, Life History Studies, North Dakota, Reservoirs and Impoundments, Spawn Or Nesting Sites, ...5.0827

THE RELATIONSHIP BETWEEN TURBIDITY CURRENTS AND FISH MOVEMENTS IN GARRISON RESERVOIR ...Currents - water, North Dakota, Reservoirs and Impoundments, Turbidity, Turbidity & Suspended Matter, ...5.0829

POTENTIAL FISHERY FOR RIVER HERRINGS IN CONNECTICUT RIVER ...Alewife, menhaden, shad, herring, Connecticut River, Environmental Ecology, Life History Studies, Spawn Or Nesting Sites, ...4.0075

LAKEBOURGNE-CHANDELEUR SOUND SYSTEM ...Aquatic Ecology, Louisiana, Number Or Density, Plankton Sampling, Tides, ...2.0543

BRETON SOUND - MOUTH OF MISSISSIPPI RIVER SYSTEM ...Aquatic Ecology, Mississippi River, Number Or Density, Plankton Sampling, ...2.0544

VERMILION - CALCASIEU - SABINE SYSTEM ...Aquatic Ecology, Data Acquisition-general, Louisiana, Number Or Density, Plankton Sampling, ...2.0546

TIMBALIER - TERREBONNE BAYS SYSTEM ...Aquatic Ecology, Data Acquisition-general, Louisiana, Number Or Density, Plankton Sampling, ...2.0547

DISTRIBUTION OF DEMERSAL FISHES IN INSHORE WATERS ...Environmental Ecology, Fish -non-specific, Marine Biology, Mortality Rates, Vertical Distribution, ...5.1260

A RUN TIMING STUDY IN THE LOWER COLUMBIA RIVER BY MEANS OF A TESTFISHING PROGRAM ...Columbia River, Migration, Number Or Density, Salmon -coho, chinook, sockeye..., Streams, ...2.0884

YOUNG-OF-THE-YEAR FISH IN LAKE FRANCIS CASE ...Age, Fish -non-specific, Reservoirs and Impoundments, South Dakota, Water Environment -other, ...6.0505

EXPLORATORY SAMPLING PROGRAM FOR YOUNG-OF-THE-YEAR FISH ...Age, Fish -non-specific, Population Dynamics, Reservoirs and Impoundments, ...6.0022

POPULATION ESTIMATES FROM MIDWATER TRAWL SAMPLING ...Alewife, menhaden, shad, herring, Aquatic Ecology, Arkansas, Population Dynamics, Reservoirs and Impoundments, ...6.0019

DESIGN AND CONSTRUCTION OF GEAR FOR MIDWATER TRAWLING ...Alewife, menhaden, shad, herring, Arkansas, Population Dynamics, Reservoirs and Impoundments, ...4.0016

LAKE SUPERIOR EXPLORATIONS ...Commercial Fishing, Lake Superior, Management -other, Smelts, Suckers, ...6.0293

MARINE BIOLOGICAL ASSESSMENT OF POLLUTIONAL FATE ...Contamination - Water, Crustacea -non-specific, Fish -non-specific, Pollution - Effects of , ...5.0975

Other

DEVELOPMENT OF MARKING METHODS FOR SMALL FISH ...Dyes, Largemouth Bass, Musculoskeletal System, Tags, ...7.0081

SIGNIFICANCE OF STOCKING SUB-ADULT FIN CLIPPED CATFISH IN HUNTSVILLE STATE PARK LAKE ...Aquatic Ecology, Channel Catfish, Lakes, Population Dynamics, Stocking of Fish & Shellfish, ...6.0569

POTENTIAL OYSTER SETTING CAPACITY - LOCAL AREAS ...Chesapeake Bay, Commercial Fishing, Oysters, Spawn Or Nesting Sites, Streams, ...5.0507

JUVENILE MIGRATION RATES ...Columbia River, Migration, Salmon & Trout - Non-specific, Snake River, Water Environment -other, ...8.0308

Pathology

MASS MORTALITY OF PACIFIC OYSTERS ALONG THE WASHINGTON COAST ...Bays, Environmental Ecology, Mortality Rates, Oysters, Puget Sound, ...5.1230

MASS MORTALITY OF OYSTERS ALONG THE OREGON COAST ...Bays, Invertebrate Pathology, Mortality Rates, Oregon, Oysters, ...5.0985

IMPOUNDMENT EFFECTS ON WATER QUALITY AS REFLECTED IN PARASITISM OF RESERVOIR BASSES ...Copepods, Pre-impoundment Sites, Reservoirs and Impoundments, Water Level Fluctuation, Water Quality-general, ...6.0024

SURVEY OF CLOSTRIDIUM BOTULINUM TYPE E ...Clostridium Botulinum, Growth (non-specific & Ot.), Media, Microbiological Analysis, ...5.1310

STUDIES IN OYSTER PATHOLOGY ...Histology and Cytology, Mortality Rates, Oysters, ...6.0630

SHELLFISH MORTALITY - CHESAPEAKE BAY ...Chesapeake Bay, Computer Matching Code, Mortality Rates, Oysters, Protozoa, ...6.0264

EFFECT OF SUPERSATURATION OF DISSOLVED NITROGEN ON MIGRATING SALMONIDS ...Gases, Dissolved -water, Mortality Rates, Nitrogen, Salmon & Trout - Non-specific, ...6.0614

PACIFIC OYSTER MORTALITY STUDIES ...Invertebrate Pathology, Invertebrates, Mortality Rates, Oysters, ...6.0266

EPIZOOTICS IN EXPERIMENTAL MARINE SHELLFISH POPULATIONS ...Epizootic, Freshwater Mussels, Scallops, Mortality Rates, Oysters, ...6.0631

ENVIRONMENT AND VIRUS-HOST INTERACTIONS IN FISHES ...Agricultural Chemicals-general, Environmental Ecology, Pollution - Effects of , Pollution Effects, Viral Pollutant Sources, ...5.0786

ACCUMULATION AND ELIMINATION OF VIRUSES BY SHELLFISH ...Enteroviruses of Humans, Oysters, ...5.1227

Stamina

EFFECTS OF CHRONIC SUBLETHAL DOSAGES OF DDT ON THE SWIMMING PERFORMANCE OF ATLANTIC SALMON PARR ...Atlantic Salmon, Sebago Salmon, DDT , Locomotion - animal, Mode of Action -animal, Wildlife, ...5.0472

FISH PASSAGE THROUGH TURBINES ...Fish -non-specific, Hydraulic, Management -other, Mortality Rates, Power Development, ...8.0312

ACUTE TOXICITY OF PESTICIDES TO FRESHWATER FISH AND OTHER VERTEBRATES ...Pesticides -non-specific, Pollution - Effects of , Wildlife, ...5.0651

Stocking of Fish & Shellfish

INVESTIGATE THE FEASIBILITY OF INTRODUCING SOCKEYE SALMON INTO RESERVOIRS ...Oregon, Reservoirs and Impoundments, Salmon -coho, chinook, sockeye..., ...6.0464

CHEMICAL TREATMENT OF NEBISH LAKE ...Aquatic Ecology, Chemical Treatment-general, Control of Nuisance Species, Data Analysis - General, Lakes, ...5.1293

STUDIES ON PLANTED BROOK TROUT IN RELATION TO NUMBERS PLANTED, LIMNOLOGICAL CONDITIONS AND FOOD SUPPLIES IN UNFISHED LAKES ...Food Supply, Lake Trout, Brook Trout, Lakes, Michigan, Population Dynamics, ...6.0303

NEUTRALIZATION OF ACID STRIP-MINE LAKES ...Acidity, Lakes, Mine Drainage Control, Mining Activities, Neutralization, ...5.0626

FISH STOCKING EVALUATION ...Captive Rearing, Largemouth Bass, Management, Nets, Ponds, ...6.0542

SMALL IMPOUNDMENT STOCKING ...Bullheads, Centrarchidae -other, Colorado, Control of Nuisance Species, Lakes, ...5.0201

EVALUATION OF MARINE AND ALKALI TOLERANT SPECIES INTRODUCTION IN THE LOWER PECOS RIVER ...Centrarchidae -other, Drums, Fish -other, Migration, New Mexico, ...6.0368

CHARTING OF SUBTIDAL OYSTER BEDS AND EXPERIMENTAL TRANSPLANTING OF SEED OYSTERS FROM POLLUTED SEED OYSTER BEDS ...Captive Rearing, Commercial Fishing, Estuaries, Oysters, South Carolina, ...5.1101

EXPERIMENTAL REARING OF SALMON AND STEELHEAD IN BRACKISH WATER IMPOUNDMENTS ...Brackish Water, Captive Rearing, Environmental Response, Mortality Rates, Rainbow Trout, Steelhead Trout, ...6.0461

SIGNIFICANCE OF STOCKING SUB-ADULT FIN CLIPPED CATFISH IN HUNTSVILLE STATE PARK LAKE ...Aquatic Ecology, Channel Catfish, Lakes, Other, Population Dynamics, ...6.0569

ENVIRONMENTAL FACTORS AND YOUNG NORTHERN PIKE SURVIVAL IN RESERVOIRS ...Aquatic Ecology, Environmental Physiology, Pikcs, Pickeral, Muskellunge, Reservoirs and Impoundments, Temperature, ...6.0510

ENVIRONMENTAL FACTORS AND YOUNG YELLOW PERCH SURVIVAL IN RESERVOIRS ...Aquatic Ecology, Environmental Physiology, Reservoirs and Impoundments, Temperature, Yellow Perch, Darters, ...6.0511

GEAR RESEARCH-RICE FARM PRODUCED FISH ...Aquaculture & Fish-farming, Economic Efficiency, Farm Pond, Special Purpose Machines, ...6.0032

EXPERIMENTAL SEEDING (SHRIMP AQUACULTURE PROGRAM) ...Captive Rearing, Florida, Population Dynamics, Shrimps - Common, Spawn Or Nesting Sites, ...6.0565

Fish & Wildlife Biology

Construction Land Use Effects

- MCNARY ARTIFICIAL SPAWNING CHANNEL STUDIES
...Channels, Columbia River, Salmon -coho, chinook, sockeye...,
Spawn Or Nesting Sites, Temperature, ...8.0302
- PASSAGE OF ADULT SALMONIDS THROUGH PIPES
...Management -other, Pipes, Salmon -coho, chinook, sockeye...,
...8.0301
- MONITORING THE EFFECTS OF LAND USE ON SALMON
PRODUCTION ...Alaska, Land Use, Logging, Transport, Equip-
ment, Pulp, Paper, and Logging, Water Sampling, ...5.0039
- COLUMBIA RIVER CHINOOK SALMON ...Columbia River,
Habitat Studies, Population Dynamics, Salmon -coho, chin-
ook, sockeye..., Spawn Or Nesting Sites, ...2.1129
- PROTECTION OF FINGERLING SALMON IN TURBINES ...En-
gineering Structures-general, Migration, Mortality Rates, Salmon
& Trout - Non-specific, Snake River, ...8.0306

Industry Land Use Effects

- EFFECTS OF PULP MILL EFFLUENTS ON THE GROWTH AND
PRODUCTION OF FISH ...Food Supply, Industrial Wastes, Pollu-
tion - Effects of, Pollution Effects, Pulp, Paper, and Logging,
...5.0961

Land Use -non-specific

- RURAL LAND USAGE ...Agriculture, Land, Land Use, Rural
Areas, Social Aspects, Types of Resources, ...6.0471
- EVALUATION OF ENGINEERING PROJECTS AND
ESTUARINE DATA (ESTUARINE PROGRAM) ...Commercial
Fishing, Conservation & Management Eng, Construction Sites,
Estuaries, Gulf of Mexico, Habitat Studies, ...8.0290
- MANAGEMENT OF FOREST GAME RANGES IN THE CEN-
TRAL ROCKY MOUNTAINS, AND IMPROVEMENT OF FISH
HABITAT BY MANIPULATION OF STREAMSIDE VEGETA-
TION ...Habitat Studies, Management, Soil (wildlife) Cover,
Streams, Wildlife -non-specific, ...4.0074

Mammals

Food Supply

- DEER FOODS ON WATERSHEDS TREATED FOR INCREASED
WATER YIELD ...Arizona, Deer Ns, Forages, N. s., Water
Yield, ...4.0004

Soil (wildlife) Cover

- THE BEHAVIOR OF SMALLMOUTH BASS AS RELATED TO
ARTIFICIAL COVER ...Acidity, Behavioral Ecology, Mining In-
dustry, Smallmouth Bass, Water Movement, Currents, ...5.1024
- COVER AS A LIMITING FACTOR IN TROUT PRODUCTION
...Colorado, Environmental Ecology, Number Or Density, Salmon
& Trout - Non-specific, Streams, ...4.0070
- PHYSICAL & CHEMICAL PROPERTIES OF WATER & SOILS
OF MARSHES AS THESE PROPERTIES RELATE TO THE
SUCCESS OF WATERFOWL FOODS & COVER. ...Biological-
general, Food Supply, Wetlands, ...6.0371
- THE PHYSICAL AND CHEMICAL PROPERTIES OF WATER
AND SOILS AS RELATED TO THE SUCCESSFUL GROWTH
OF WATERFOWL FOOD AND COVER PLANTS ...Flooding,
Food Supply, Oxygen, Phytotoxic, Soil Conditions, Water Fowl,
N.s., ...2.0799
- EFFECTS OF REGULATED GRAZING ON WATERFOWL
PRODUCTION ...Cutting &/or Grazing Effects, Productivity -
Food Chain, Swamps-marshes, Water Fowl, N.s., ...6.0584
- MANAGEMENT OF FOREST GAME RANGES IN THE CEN-
TRAL ROCKY MOUNTAINS, AND IMPROVEMENT OF FISH
HABITAT BY MANIPULATION OF STREAMSIDE VEGETA-
TION ...Habitat Studies, Land Use -non-specific, Management,
Streams, Wildlife -non-specific, ...4.0074

Spawn Or Nesting Sites

- MCNARY ARTIFICIAL SPAWNING CHANNEL STUDIES
...Channels, Columbia River, Construction Land Use Effects, Sal-
mon -coho, chinook, sockeye..., Temperature, ...8.0302
- EFFECTS OF EARLY WATER ON WATERFOWL PRODUC-
TION ...Benefit-cost Analysis, Irrigation-general, Water Fowl, N.s.,
Water Supply-general, Water Utilization -animal, ...2.0214
- INVESTIGATION OF THE RELATIONSHIP OF THE AMER-
ICAN SMELT, OSMERUS MORDAX - MITCHILL, TO THE
WEWEANTIC RIVER ESTUARY, WAREHAM, MAS-
SACHUSETTS ...Aquatic Ecology, Environmental Ecology,
Estuaries, Smelts, Temperature, ...5.0510

- STUDY OF RED SALMON IN THE NUSHAGAK DISTRICT
...Alaska, Chemical-general, Physical-general, Salmon -coho, chin-
ook, sockeye..., ...6.0622

- GRAVEL PERMEABILITY IN SALMONID SPAWNING BEDS
...Cementing Material, Permeability, Silting, Size, Streams,
...6.0619

- EFFECTS OF RESTORATION AND MANAGEMENT OF THE
SAN SIMON MARSH ON ITS UTILIZATION BY MEXICAN
DUCKS ...Food Supply, Management, Mexican Duck, Swamps-
marshes, Water Utilization -animal, ...6.0364

- IMPORTANCE OF TYPE I WETLAND COMMUNITIES TO
WATERFOWL PRODUCTION ...Censusing, Land Use, Water
Fowl, N.s., Water Utilization -animal, Wetlands, ...4.0218

- WALLEYE AND NORTHERN PIKE STUDY ...Aquatic Ecology,
Life History Studies, Pikes, Pickeral, Muskellunge, Texas, Wal-
leyes, ...6.0541

- EVALUATION OF HABITAT AND REPRODUCTIVE FACTORS
WHICH INFLUENCE POPULATIONS OF NESTING WATER-
FOWL ...Habitat Studies, Mapping, Population Dynamics, Water
Fowl, N.s., Water Level Fluctuation, ...4.0108

- AN EVALUATION OF THE LAMPREY IN LAKE CHAMPLAIN
...Lakes, Lampreys, Maturity & Growth Stages, Predation, Ver-
mont, ...6.0598

- INVESTIGATION OF SPAWNING GROUND POTENTIALS AND
GROWTH AND SURVIVAL OF JUVENILE SOCKEYE SAL-
MON IN FRAZER LAKE SYSTEM ...Alaska, Censusing, Lakes,
Nets, Salmon -coho, chinook, sockeye..., Tags, ...6.0009

- RESTORATION AND REHABILITATION OF EARTHQUAKE
DAMAGED PINK AND CHUM SALMON STUDIES IN
PRINCE WILLIAM SOUND ...Alaska, Aquatic Ecology, Data
Acquisition-general, Earthquakes, Flow Characteristics -water,
Salmon -coho, chinook, sockeye..., Stream Rehabilitation, Tec-
tonics-general, ...2.0026

GARRISON RESERVOIR, NORTH DAKOTA ...Biological
Rhythms, Life History Studies, Nets, North Dakota, Reservoirs
and Impoundments, ...5.0827

- STUDY OF THE RIVER PHASE OF THE LIFE HISTORIES OF
ALOSA PSEUDOHARENGUS AND AESTIVALIS
...Alewife, menhaden, shad, herring, Aquatic Ecology, Connecticut
River, Environmental Ecology, Life History Studies, ...6.0111

- POTENTIAL FISHERY FOR RIVER HERRINGS IN CONNEC-
TICUT RIVER ...Alewife, menhaden, shad, herring, Connecticut
River, Environmental Ecology, Life History Studies, Nets,
...4.0075

- A STUDY OF SELECTED CHEMICAL AND BIOLOGICAL CON-
DITIONS OF THE LOWER TRINITY RIVER AND THE UPPER
TRINITY BAY ...Commercial Fishing, Estuaries, Mans Activities,
Pollution - Effects of, Texas, ...6.0546

- AN EVALUATION OF SOME MARSH MANAGEMENT
TECHNIQUES ...Management, Potholes, Swamps-marshes, Water
Fowl, N.s., Water Utilization -animal, ...4.0107

- COLUMBIA RIVER CHINOOK SALMON ...Columbia River, Con-
struction Land Use Effects, Habitat Studies, Population Dynam-
ics, Salmon -coho, chinook, sockeye..., ...2.1129

- COMPOSITION OF THE SPAWNING STOCKS IN OAHE RESER-
VOIR AND LAKE SHARPE ...Age, Fertility, Fish -non-specific,
Size, South Dakota, ...6.0519

- SEXUAL MATURATION AND SPAWNING OF NORTHERN
PIKE ...Biological Rhythms, Maturity & Growth Stages, Pikes,
Pickeral, Muskellunge, Reservoirs and Impoundments, South
Dakota, ...6.0520

- SPAWNING OF YELLOW PERCH ...Biological Rhythms, Ovary,
Reservoirs and Impoundments, South Dakota, Yellow Perch, Dar-
ters, ...6.0521

- DISTRIBUTION AND DENSITY OF BREEDING WATERFOWL
POPULATIONS AS RELATED TO QUANTITY AND QUALI-
TY OF WETLAND HABITAT IN NORTH DAKOTA ...Geog-
raphy-physical, North Dakota, Number Or Density, Water Fowl,
N.s., Wetlands, ...6.0420

- LIFE HISTORY OF RESERVOIR FISHES, SPAWNING OF OAHE
AND BIG BEND RESERVOIR FISHES ...Aquatic Ecology,
Biological Rhythms, Life History Studies, Reservoirs and Im-
poundments, South Dakota, ...6.0523

- ECOLOGICAL FACTORS AFFECTING REPRODUCTION OF
SHELLFISH (PHYSIOECOLOGY OF SHELLFISH PROGRAM)
...Connecticut, Environmental Ecology, Oysters, Reproductive
System, Water Properties-general, ...6.0114

- POTENTIAL OYSTER SETTING CAPACITY - LOCAL AREAS
...Chesapeake Bay, Commercial Fishing, Other, Oysters, Streams,
...5.0507

Fish & Wildlife Biology

SUBJECT INDEX

AUKE LAKE STUDIES ...Biological-general, Chemical-general, Gulf of Alaska, Lakes, Physical-general, ...6.0006

SALMON PRODUCTION IN AREAS MADE INACCESSIBLE BY DAMS ...Aquatic Ecology, Columbia River, Engineering Structures-general, Environmental Ecology, Salmon & Trout - Non-specific, ...8.0309

PINK SALMON INVESTIGATIONS - FRESHWATER ECOLOGY ...Alaska, Aquatic Ecology, Salmon -coho, chinook, sockeye..., Streams, Water Properties-general, ...6.0005

EXPERIMENTAL SEEDING (SHRIMP AQUACULTURE PROGRAM) ...Captive Rearing, Florida, Population Dynamics, Shrimps - Common, Stocking of Fish & Shellfish, ...6.0565

Wildlife -non-specific

EPIDEMIOLOGICAL RELATIONSHIPS OF PESTICIDE APPLICATION TO PESTICIDE RESIDUES IN WILDLIFE TISSUES AND HABITATS ...Aquatic Ecology, Habitat Studies, Oregon, Terrestrial -other, ...5.0960

PESTICIDES AND WILDLIFE ...Biodegradation, Food Chains, Animal And/or Man, Habitat Studies, Insecticides -non-specific, Preventative Measures, ...5.0138

ECOLOGICAL STUDIES OF WILDLIFE MANAGEMENT PRACTICES ...Delaware, Depth, water Level, Fluctuation, Habitat Studies, Management, Swamps-marshes, ...6.0119

EFFECT OF PESTICIDES ON WILDLIFE, (SONGBIRDS, HERRING GULLS AND FISH) ...DDT, Pollution Effects, Wildlife, Wisconsin, ...5.1309

MANAGEMENT OF FOREST GAME RANGES IN THE CENTRAL ROCKY MOUNTAINS, AND IMPROVEMENT OF FISH HABITAT BY MANIPULATION OF STREAMSIDE VEGETATION ...Habitat Studies, Land Use -non-specific, Management, Soil (wildlife) Cover, Streams, ...4.0074

Fishing Gear

BRISTOL BAY ESTUARINE ECOLOGY ...Alaska, Estuaries, Life History Studies, Migration, Salmon -coho, chinook, sockeye..., Water Mass & Ocean Fronts, ...2.0016

Flame Research

Fire Research

Fire Research-other

ENCAPSULATION AND SOLIDIFICATION OF INTERMEDIATE LEVEL RADIOACTIVE WASTES IN THERMOPLASTICS ...Accidental, Encapsulation, Instrumentation, Plant Equip., Polymer-other, Radioisotopes, Recovery, Scrap and Wastes, ...5.1142

Flash Floods

PRECIPITATION, STREAMFLOW AND SEDIMENT CONVEYANCE IN A SMALL ARID WATERSHED ...Climate, Deserts, Flow Characteristics -water, Patterns, Sediment Transport-other, ...2.0496

LIMNOLOGICAL EFFECTS OF ORGANIC WATERSHED LITTER ...Forest Debris, Lakes, Southwest, Watersheds-general, ...5.0048

TEST AND EVALUATION OF FLASH FLOOD ALARM SYSTEM ...Evaluation Other, Field Studies, Field Testing, Laboratory Analysis, Warning-systems, ...7.0110

Floodplains

HYDROLOGIC FORECASTING AND EFFECTS OF FLOODS ON MEANDERING ALLUVIAL RIVERS WITH LARGE FLOODPLAINS ...Floods, Forecasting-prediction, Meanders, Model Studies, Yugoslavia, ...4.0283

THE HYDRAULICS AND GEOMORPHOLOGY OF MEANDERING RIVERS WITH FLOOD PLAINS ...Floods, Flow Characteristics -water, Land Use, Meanders, Routing, ...2.0473

PHYSICAL TECHNIQUES AND INSTITUTIONAL MECHANISMS FOR INTEGRATED ADJUSTMENT IN THE FLOOD PLAIN THROUGH SOIL SURVEYS ...Alternative Planning, Floodproofing, Land Use, Mapping, Soil Survey, ...6.0647

CASE STUDY OF REMEDIAL FLOOD MANAGEMENT IN AN URBAN AREA-PHASE I ...Alternative Planning, Floods, Management, Planning, Urban Environments, ...6.0160

RECENT VARIATIONS IN COURSE AND REGIMEN, KANSAS RIVER AND NEARBY REACHES OF MISSOURI RIVER ...Geomorphology-general, Kansas, Meanders, Sedimentology-general, ...2.0503

AN APPRAISAL OF FLOOD REGULATIONS IN THE STATES OF ILLINOIS, INDIANA, IOWA, MISSOURI AND OHIO ...Alternative Planning, Central, Floodproofing, Management, Water Rights-other, ...6.0209

LAND AND WATER USE, CONSERVATION, AND DEVELOPMENT IN OKLAHOMA WATERSHEDS ...Administrative Structures, Agriculture, Floodproofing, Land, Land Use, Model Studies, ...6.0443

FREE SURFACE FLOW AND WAVE PROPAGATION THROUGH CHANNEL-FLOOD PLAIN GEOMETRIES ...Channels, Conduit Flow-other, Flow Characteristics -water, Free Surface Waves, Model Studies, ...8.0196

STREAMFLOW VARIABILITY ...Drainage, Low Flow, Peak Flow, Reservoirs and Impoundments, Water Supply-general, ...2.0421

FLOOD PLAIN DELINEATION - DRD - USGS, COOPERATIVE STUDY ...Floodproofing, Wisconsin, ...6.0641

SOURCES, MOVEMENT, AND DISTRIBUTION OF SEDIMENT IN A SMALL WATER SHED ...Reservoirs and Impoundments, Sediment Yield, Small Watersheds, Supply Rate, Transport Distance, ...2.0568

FLOOD PROFILES AND FLOOD-PLAIN INFORMATION, CEDAR RAPIDS, IOWA ...Floods, Iowa, Planning, Urban Environments, Water Law-general, ...2.0490

FLOOD PROFILES AND FLOOD-PLAIN INFORMATION, LINN COUNTY, IOWA ...Discharge-general, Floodproofing, Floods, Iowa, Low Flow, ...2.0491

THE HYDRAULICS AND MEASUREMENT OF CHANNEL, FLOOD PLAIN, AND OVERLAND FLOW IN THE SOUTHERN PLAINS ...Channel Roughness, Channels, Measurement, Open Channel, Unsteady, ...8.0276

Floodproofing

PHYSICAL TECHNIQUES AND INSTITUTIONAL MECHANISMS FOR INTEGRATED ADJUSTMENT IN THE FLOOD PLAIN THROUGH SOIL SURVEYS ...Alternative Planning, Floodplains, Land Use, Mapping, Soil Survey, ...6.0647

THE ECONOMIC IMPACT OF FLOOD CONTROL RESERVOIRS ...Benefit-cost Analysis, Economic Impact, Kentucky, Project Post-evaluation, Reservoirs and Impoundments, ...6.0241

PHYSICAL, LEGAL AND ECONOMIC ASPECTS OF ASSESSMENT OF COSTS AMONG DRAINAGE DISTRICTS ...Drainage, Floods, Flow Characteristics -water, Legal Review, Routing, ...6.0228

AN OPTIMAL WATER MANAGEMENT PLAN FOR THE MIAMI VALLEY ...Alternative Planning, Artificial Recharge, Augmentation-general, Conjunctive Use, Optimization Technique, Systems Analysis, ...6.0467

THEORETICAL AND EMPIRICAL STUDIES OF STOCHASTIC MODELS FOR THE ANALYSIS OF FLOOD CONTROL AND RELIEF POLICIES ...Alternative Planning, Intergovernmental Relations, Model Studies, Other, Policy Making, ...6.0047

ECONOMICS OF FLOOD CONTROL STRUCTURES IN THE LOWER MINNESOTA RIVER WATERSHED DISTRICT ...Economics-general, Floods, Minnesota, Water Control Works-other, Water Loss Control, ...6.0305

A PRELIMINARY ECOLOGICAL STUDY OF AREAS TO BE IMPOUNDED IN THE SALT RIVER BASIN OF KENTUCKY ...Economic Impact, Kentucky, Reservoirs and Impoundments, Social Aspects, Urban Environments, ...6.0244

AN APPRAISAL OF FLOOD REGULATIONS IN THE STATES OF ILLINOIS, INDIANA, IOWA, MISSOURI AND OHIO ...Alternative Planning, Central, Floodplains, Management, Water Rights-other, ...6.0209

SOCIOLOGICAL IMPACT OF A FLOOD-CONTROL RESERVOIR ...Attitudes & Attitude Change, Reservoirs and Impoundments, Social Aspects, Social Change, ...6.0476

LAND AND WATER USE, CONSERVATION, AND DEVELOPMENT IN OKLAHOMA WATERSHEDS ...Administrative Structures, Agriculture, Floodplains, Land, Land Use, Model Studies, ...6.0443

SCHUYLKILL RIVER SURVEY ...Recreation Sites, Streams, Survey Studies, Water Development, Water Resources Development, ...2.0906

FLOOD PLAIN DELINEATION - DRD - USGS, COOPERATIVE STUDY ...Floodplains, Wisconsin, ...6.0641

HYDROLOGIC RELATIONS IN HAWAII ...Amount, Data Networks, Hawaii, Hydrology-general, Runoff, ...2.0365

SUBJECT INDEX

Floods

- INFLUENCE ON LAND VALUES OF IMPROVED UTILIZATION THROUGH FLOOD PROTECTION ...Economic Impact, Land Use, Rural Areas, Urban Environments, Value, ...**6.0129**
- HYDROLOGIC STUDIES (STORM STUDIES) ...Flood Control, Hydrology-general, Patterns, Storms-general, Tables, Compilations, Catalogs, ...**2.0549**
- FLOOD INUNDATION MAPPING - JEFFERSON COUNTY, MISSOURI ...Design Flow-flood, Floods, Flow Characteristics -water, Mapping, Missouri, ...**4.0157**
- FLOODS IN THE WAIHOLE-WAIKANE AREA, OAHU, HAWAII ...Floods, Hawaii, Mapping, Peak Flow, Regional Areas, ...**4.0085**
- FLOODS IN PUNALUU-HAUULA AREA, OAHU, HAWAII ...Floods, Hawaii, Peak Flow, Zoning, ...**4.0086**
- FLOOD PROFILES AND FLOOD-PLAIN INFORMATION, LINN COUNTY, IOWA ...Discharge-general, Floodplains, Floods, Iowa, Low Flow, ...**2.0491**
- FLOOD INUNDATION STUDY, WISCONSIN ...Channels, Design Flow-flood, Floods, Mapping, Wisconsin, ...**4.0278**
- FLOOD AND SEDIMENT REDUCTION IN STEEP UNSTABLE BRUSHLANDS OF THE SOUTHWEST ...Erosion-general, Floods, Sediment Yield, Southwest, ...**4.0034**

Floods

- FLOOD FREQUENCY STUDY ...Bridges & Culverts, Culvert, New Mexico, Peak Flow, Rio Grande, ...**2.0772**
- FLOOD FREQUENCY OF SMALL STREAMS IN LOUISIANA ...Drainage, Louisiana, ...**2.0541**
- INVESTIGATION AND ANALYSIS OF FLOODS FROM SMALL WATERSHEDS IN OKLAHOMA ...Flow Characteristics -water, Gaging, Oklahoma, Peak Flow, Small Watersheds, ...**2.0278**
- INFLOW HYDROGRAPH STUDY ...Hydrographs, Inflow, Shape, Small Watersheds, Wyoming, ...**2.0302**
- SMALL DRAINAGE AREA STUDY ...Arizona, Drainage, Gaging, Peak Flow, Small Watersheds, ...**2.0289**
- ANALYSIS OF RUN-OFF FROM SMALL DRAINAGE AREAS ...Design Flow-flood, Drainage, Massachusetts, Runoff, Small Watersheds, ...**2.0612**
- FLOOD FREQUENCY FOR SMALL DRAINAGE AREAS ...Discharge-general, Drainage, Mississippi, Small Watersheds, ...**2.0291**
- HYDROLOGY STUDY ...Bridges & Culverts, Culvert, Engineering Structures-general, Flow Characteristics -water, Small Watersheds, ...**2.0292**
- INVESTIGATION AND ANALYSIS OF FLOODS FROM SMALL DRAINAGE AREAS IN OHIO ...Drainage Systems, Ohio, Small Watersheds, ...**2.0275**
- INVESTIGATION AND ANALYSIS OF FLOODS FROM SMALL DRAINAGE AREAS IN SOUTH CAROLINA ...Culvert, Design Flow-flood, Drainage, Small Watersheds, South Carolina, ...**2.0301**
- SMALL STREAMS INVESTIGATIONS IN OREGON ...Data Analysis - General, Discharge-general, Gaging, Hydrographs, Peak Flow, ...**2.0293**
- INVESTIGATION AND ANALYSIS OF FLOOD HYDROGRAPHS FROM SMALL DRAINAGE BASINS IN SOUTH DAKOTA ...Bridges & Culverts, Culvert, Drainage, Hydrographs, Rain-general, Small Watersheds, ...**2.0294**
- PROGRAM FOR INVESTIGATION AND ANALYSIS OF FLOODS FROM SMALL DRAINAGE AREAS IN DELAWARE ...Drainage, Flow Characteristics -water, Forecasting-prediction, Open Channel, Small Watersheds, ...**2.0295**
- PROGRAM FOR HYDROLOGIC INVESTIGATION OF SMALL DRAINAGE AREAS IN TEXAS ...Design Flow-flood, Drainage, Hydraulic Structures, Small Watersheds, Texas, ...**2.0296**
- ENGINEERING INVESTIGATION PERTAINING TO FLOOD PROTECTION OF BRIDGES AND CULVERTS ...Bridges & Culverts, Culvert, Design Criteria, Drag, Drainage, Erosion Control, ...**8.0145**
- PREDICTION OF THE MAGNITUDES AND FREQUENCIES OF FLOODS IN MICHIGAN ...Drainage - Forecasting-prediction, Michigan, Morphology-general, Rain-general, ...**2.0635**
- INVESTIGATION OF WATER RESOURCES. FLOODS IN SMALL STREAMS IN TENNESSEE ...Drainage, Tennessee, ...**2.0298**
- VERIFICATION OF HYDRAULIC DESIGN OF BRIDGES IN ALABAMA ...Alabama, Bridges & Culverts, Data Acquisition-general, Drainage, Engineering Structures-general, ...**8.0001**
- HYDROLOGIC STUDIES ...Data Acquisition-general, Small Watersheds, Virginia, ...**2.0299**
- HYDROLOGIC FORECASTING AND EFFECTS OF FLOODS ON MEANDERING ALLUVIAL RIVERS WITH LARGE FLOOD-PLAINS ...Floodplains, Forecasting-prediction, Meanders, Model Studies, Yugoslavia, ...**4.0283**
- EXTREME HYDROLOGIC EVENTS & THEIR EFFECTS ON NUCLEAR FACILITIES ...Hydrology-general, Natural Recharge, Radioactivity-general, Runoff, Water Table Fluctuation, ...**2.0273**
- A RECONNAISSANCE STUDY OF THE CHEAPEAKE BAY ...Chesapeake Bay, Erosion-general, Sedimentology-general, Shoreline - Coastline, Survey Studies, Thermal Pollution, ...**6.0254**
- FORM, PROCESSES AND DEPOSITS OF THE KNIK RIVER, ALASKA ...Braided Stream, Deposition-other, Ice Jam, Sediment Transport-other, Sorting, ...**2.0782**
- EXTREME RAINFALL FOR THE MEKONG RIVER BASIN ...Dam Sites, Management, Meteorological Extremes, Southeast Asia, Water Loss Control, ...**2.0596**
- PROBABLE MAXIMUM PRECIPITATION FOR SOUTHWEST STATES ...Amount, Design Flow-flood, Patterns, Snowmelt, Southwest, Weather Forecasting, ...**2.0597**
- THE HYDRAULICS AND GEOMORPHOLOGY OF MEANDERING RIVERS WITH FLOOD PLAINS ...Floodplains, Flow Characteristics -water, Land Use, Meanders, Routing, ...**2.0473**
- FLOODS FROM SMALL WATERSHEDS ...Amount, Rural Areas, Small Watersheds, Synthetic Hydrology-general, Systems Analysis, ...**2.0231**
- TRACING STORM AND BASE FLOW TO VARIABLE SOURCE AREAS ON FORESTED HEADWATERS ...Baseflow, Forest Watersheds, Georgia, Hydraulic Structures, Runoff, Subsurface Flow, ...**2.0339**
- REVIEW AND ANALYSIS OF PRECIPITATION AND RUNOFF DATA FOR SELECTED WATERSHEDS IN MINNESOTA ...Hydrographs, Infiltration, Precipitation-general, Runoff, Watersheds-general, ...**4.0140**
- HYDROLOGY OF FROZEN GROUND FLOODS ...Hydrographs, Infiltration, Moisture Content, Permafrost-frozen, Runoff, ...**2.0399**
- PILOT STUDY OF SMALL WATERSHED FLOOD HYDROLOGY IN HAWAII, PHASE II ...Design Criteria, Discharge-general, Drainage Systems, Hawaii, Urban Environments, ...**2.0381**
- PHYSICAL, LEGAL AND ECONOMIC ASPECTS OF ASSESSMENT OF COSTS AMONG DRAINAGE DISTRICTS ...Drainage, Floodproofing, Flow Characteristics -water, Legal Review, Routing, ...**6.0228**
- COMMUNITY REACTIONS TO WATER RESOURCES PROBLEMS IN RELATION TO PLANNING ...Planning, Pollution - Effects of, Social Aspects, Urban Environments, ...**6.0425**
- ECONOMICS OF FLOOD CONTROL STRUCTURES IN THE LOWER MINNESOTA RIVER WATERSHED DISTRICT ...Economics-general, Floodproofing, Minnesota, Water Control Works-other, Water Loss Control, ...**6.0305**
- FACTORS RESTRICTING INFILTRATION RATES ON DECOMPOSED GRANITIC SOILS ...Infiltration, Intrusives, Organic-general, Sand, Sierra Nevada, ...**2.0732**
- EFFECTS OF BANK SEEPAGE ON FLOOD HYDROGRAPHS ...Hydrographs, Leakage, Seepage, Storage of Water, Stream Banks, ...**2.0504**
- PHASE TWO - EXPERIMENTAL INVESTIGATION OF SMALL WATERSHED FLOODS ...Mathematical Analysis, Model Studies, Rain-general, Runoff, Small Watersheds, ...**2.0233**
- ANOMALOUS FLOOD RESPONSE IN REGIONS OF SIMILAR GEOMORPHIC CHARACTERISTICS ...Computers-general, Flow Characteristics -water, Morphology-general, Pennsylvania, ...**2.0927**
- THE EFFECTS OF EXTREME FLOODS AND PLACER MINING ON THE BASIC PRODUCTIVITY OF SUBARCTIC STREAMS ...Alaska, Benthic Fauna, Bottom Sampling, Meteorological Extremes, Placer, Productivity - Food Chain, ...**2.0022**
- COMPUTER ANALYSIS OF WATERSHED CHARACTERISTICS AFFECTING FLOOD HYDROLOGY ...Data Analysis - General, Economic Efficiency, Research - Development, Small Watersheds, Water Loss Control, ...**2.0523**
- CASE STUDY OF REMEDIAL FLOOD MANAGEMENT IN AN URBAN AREA-PHASE I ...Alternative Planning, Floodplains, Management, Planning, Urban Environments, ...**6.0166**
- HYDRODYNAMIC CHARACTERISTICS OF FLOW CONCENTRATION GROINS ...Aeration, Engineering Structures-general, Flow Characteristics -water, Groin, Streams, ...**8.0268**
- SMALL AGRICULTURAL WATERSHED HYDROLOGY ...Agricultural Watersheds, Gages, Patterns, Runoff, Sediment Yield, ...**4.0138**

Floods

SUBJECT INDEX

- STAND TREATMENT ...Cutting Operations, Regeneration & Seed Production, Timber Stand Improvement, Water Table - Depth of, Water Table Fluctuation, ...2.0697
- LAND SHAPING FOR WATER CONSERVATION ...Land Use, Moisture Content, Natural Recharge, Production & Processing, Runoff, Water Harvesting, ...3.0311
- STATISTICAL ANALYSIS OF FLOOD PEAKS OF GEORGIA RIVERS ...Data Analysis Applications, Digital Computers, Discharge-general, Georgia, Peak Flow, ...2.0357
- HYDRAULICS OF FLOOD MOVEMENTS ...Analog Computers, Mathematical Analysis, Open Channel Flow, Partial, Routing, Unsteady Flow, ...2.0348
- AN EXPLORATION OF THE INFLUENCE OF ATTITUDES FOR DECISION-MAKING IN WATER MANAGEMENT ...Attitudes & Attitude Change, Decision Making, Management, ...6.0187
- A SURVEY OF THE SEASONALLY-INUNDATED MARGINS OF LAKE VOLTA (GHANA) ...Agriculture Industry, Ghana, Soil Types, Topographical -other, ...4.0084
- WATERFOWL HABITAT INVESTIGATIONS - OTTAWA RIVER ...Canada, Habitat Studies, Water Fowl, N.s., Water Level Fluctuation, ...4.0051
- FLOODS FROM SMALL DRAINAGE AREAS ...California, Gaging, Hydrographs, Small Watersheds, ...4.0039
- MATHEMATICAL MODELING OF SMALL WATERSHED FLOODS ...Mathematical Analysis, Model Studies, Rain-general, Runoff, Small Watersheds, ...4.0073
- EXPERIMENTAL INVESTIGATION OF SMALL WATERSHED FLOODS ...Amount, Runoff, Small Watersheds, Synthetic Hydrology-general, ...2.0232
- PILOT-STUDY OF SMALL WATERSHED HYDROLOGY ...Data Analysis - General, Instrumentation-general, Mathematical Analysis, Rain-general, Runoff, Small Watersheds, ...2.0379
- FLOOD FREQUENCY AND LOW-FLOW ANALYSES ...Flow Characteristics -water, Low Flow, Maryland, Peak Flow, Statistical Models, ...5.0481
- DRAINAGE CORRELATION RESEARCH PROJECT ...Climatology, Drainage, Peak Flow, Precipitation-general, Small Watersheds, ...2.0710
- FLOOD PREDICTION METHODS FOR PENNSYLVANIA HIGHWAY CROSSINGS ...Engineering Properties, Forecasting-prediction, Highway Sites, Small Watersheds, Systems Analysis, ...2.0928
- SEDIMENT YIELD IN RELATION TO CLIMATIC AND WATERSHED CHARACTERISTICS IN THE EDWARDS PLATEAU ...Reservoirs and Impoundments, Runoff, Sediment Yield, Texas, Watersheds-general, ...2.1020
- RUNOFF AND WATER YIELD AS AFFECTED BY CLIMATIC AND WATERSHED CONDITIONS IN THE BLACKLANDS OF TEXAS ...Agricultural Watersheds, Amount, Runoff, Texas, Water Yield, ...2.1021
- FLOOD HYDROGRAPH SYNTHESIS - UNGAGED WATERSHEDS ...Hydrographs, Small Watersheds, Tennessee, ...2.0981
- FLOOD FREQUENCY STUDIES ...Design Flow-flood, Tennessee, ...2.0982
- HYDROLOGIC SIMULATION - DAILY STREAMFLOW ...Antecedent Moisture, Design Flow-flood, Forecasting-prediction, Hydrology-general, Reservoirs and Impoundments, ...6.0073
- OPTIMIZATION TECHNIQUES FOR HYDROLOGIC ENGINEERING ...Hydrographs, Hydrology-general, Optimization, Reservoirs, Reservoirs and Impoundments, Routing, ...6.0075
- ARTIFICIAL FLOODS ...Computers-general, Dam, Dams-other, Flow Characteristics -water, ...6.0076
- FLOOD-FREQUENCY AND BASIN PARAMETER RELATIONSHIPS IN SMALL DRAINAGE AREAS ...Amount, Discharge-general, Morphology-general, Peak Flow, Small Watersheds, ...2.0280
- FLOOD INUNDATION MAPPING - JEFFERSON COUNTY, MISSOURI ...Design Flow-flood, Floodproofing, Flow Characteristics -water, Mapping, Missouri, ...4.0157
- FLOODS IN NORTH LOUISIANA - RAINFALL-RUNOFF RELATIONSHIPS ...Amount, Gaging, Louisiana, Runoff, Storms-general, ...2.0537
- FLOOD INUNDATION MAPPING, NORTHEASTERN ILLINOIS ...Atlases-maps, Data Networks, Discharge-general, Gaging, Illinois, ...4.0093
- UNIT HYDROGRAPHS FOR SOUTHWESTERN LOUISIANA ...Forecasting-prediction, Gaging, Hydrographs, Louisiana, ...2.0539
- UNIT HYDROGRAPHS FOR NORTHERN LOUISIANA ...Forecasting-prediction, Gaging, Hydrographs, Louisiana, ...2.0540
- HYDROLOGY OF STREAMS, ST. LOUIS METROPOLITAN AREA ...Missouri, Runoff, Streams, Urban Environments, ...4.0158
- FLOOD FLOWS AND SEDIMENT YIELD OF COLMA CREEK BASIN, CALIFORNIA ...California, Construction, Projections and Estimations, Sediment Yield, Urban Environments, Water Yield, ...4.0038
- FLOODS IN THE WAIHAOLE-WAIKANE AREA, OAHU, HAWAII ...Floodproofing, Hawaii, Mapping, Peak Flow, Regional Areas, ...4.0085
- FLOODS IN PUNALUU-HAUULA AREA, OAHU, HAWAII ...Floodproofing, Hawaii, Peak Flow, Zoning, ...4.0086
- FLOOD PROFILES AND FLOOD-PLAIN INFORMATION, CEDAR RAPIDS, IOWA ...Floodplains, Iowa, Planning, Urban Environments, Water Law-general, ...2.0490
- FLOOD PROFILES AND FLOOD-PLAIN INFORMATION, LINN COUNTY, IOWA ...Discharge-general, Floodplains, Floodproofing, Iowa, Low Flow, ...2.0491
- CITY OF JACKSON, WATER RESOURCES STUDY, MISSISSIPPI ...Control and Protection, Groundwater, Mississippi, Urban Environments, Water Supply-general, ...4.0148
- FLOODING OF SMALL STREAMS IN NASHVILLE-DAVIDSON CO. AREA, TENN. ...Amount, Discharge-general, Gaging, Tennessee, Urban Environments, ...2.0994
- FLOOD INUNDATION MAPPING AND URBAN RUNOFF INV., DALLAS, TEXAS ...Land Use, Mapping, Runoff, Texas, Urban Environments, ...4.0232
- HYDROLOGIC INVESTIGATIONS OF URBAN AREAS - HOUSTON, TEXAS ...Amount, Discharge-general, Gaging, Texas, Urban Environments, ...4.0233
- URBAN HYDROLOGY STUDY - SAN ANTONIO, TEXAS ...Discharge-other, Runoff, Texas, Urban Environments, ...4.0234
- FLOOD INUNDATION STUDY, WISCONSIN ...Channels, Design Flow-flood, Floodproofing, Mapping, Wisconsin, ...4.0278
- HYDROLOGIC ANALYSIS METHODS ...Forest Watersheds, Land Use, Reservoirs and Impoundments, Sediment Yield, Snowmelt, ...2.0077
- FLOOD AND SEDIMENT REDUCTION IN THE CONIFEROUS TIMBER ZONE OF CALIFORNIA ...Creep, Land and Rock Slides, Management, Pulp, Paper, and Logging, Sediment Yield, ...2.0078
- FLOOD AND SEDIMENT REDUCTION IN STEEP UNSTABLE BRUSHLANDS OF THE SOUTHWEST ...Erosion-general, Floodproofing, Sediment Yield, Southwest, ...4.0034
- WATERSHED PROTECTION & REHABILITATION TO REDUCE WATER RUNOFF ...Erosion-general, Forest Watersheds, Infiltration, Land Use, Runoff, ...4.0250
- FLOOD RUNOFF & WATER YIELD FROM GLACIATED MOUNTAINS ...Forest Watersheds, Glacial Environment, Heat Budget, Runoff, Water Balance-budget, Water Yield, ...3.0372
- FLOOD REDUCTION AND IMPROVEMENT IN TIMING OF WATER YIELD IN THE OZARKOACHITA UPLANDS ...Erosion-general, Infiltration, Land Use, Water Cycle, Water Yield, ...5.0054
- DEVELOPMENT OF SPECIAL REHABILITATION TECHNIQUES AND FOREST MANAGEMENT PRACTICES FOR USE ON SEVERELY ERODED OR HIGHLY ERODIVE WATERSHEDS ...Conservation, Cover Crops, Erosion-general, Runoff, Site Index and Site Quality, ...2.0674
- STORM RUNOFF AND FLOODS AS RELATED TO INTEGRATED CLIMATE AND WATERSHED CHARACTERISTICS ...Climate, Land Use, Morphology-general, Runoff, Storm Water, ...4.0071
- WATER ACCUMULATION, FLOOD-WAVE MOVEMENT AND WATER YIELD FROM COMPLEX WATERSHEDS OF THE PACIFIC NORTHWEST ...Channels, Forecasting-prediction, Hydrographs, Idaho, Peak Flow, Storage of Water, Water Yield, Watersheds-general, ...3.0202
- CLIMATE, SOIL AND VEGETATION INFLUENCES ON HYDROLOGY OF RANGELANDS IN THE SOUTHWEST ...Hydrology-general, Runoff, Sediment Yield, Water Yield, ...4.0007
- FLOOD WAVE MOVEMENT IN NATURAL EPHEMERAL STREAM CHANNELS ...Channels, Ephemeral, Runoff, Thunderstorms, Waves, ...4.0008

SUBJECT INDEX

Flow Characteristics -water

Florida

- MARSH HABITAT STUDY ...Centrarchidae -other, Chemical-general, Habitat Studies, Life History Studies, Swamps-marshes, ...6.0157
- IRRIGATION EFFICIENCY ...Citrus, Evaporation, Sprinkler Irrigation, Trees, Water Loss Control, ...3.0177
- PREDICTION MODEL FOR WATER USE BY POPULATION STRUCTURE ...Forecasting-prediction, Model Studies, Other, Projections & Forecasting, Water Utilization -domestic, ...6.0150
- URANIUM AND HYDROGEN RADIONUCLIDES AS NATURAL TRACERS IN THE FLORIDAN AQUIFER ...Aquifers-general, Quaternary Period, Radioisotopes, Recharge -general, Tritium, Uranium, ...2.0326
- THE BIOLOGY OF THE INFAUNA OF A TROPICAL SOFT BOTTOM AREA ...Aquatic Ecology, Benthic Fauna, Estuaries, Intertidal Areas, Pollution - Effects of, ...5.0263
- PRIMARY PRODUCTION AND DECOMPOSITION IN ESTUARINE WATER ...Estuaries, Methane Bacteria (non-specif.), Phaeophyta (non-specific & Ot), Primary Productivity, Rhodophyta (non-specific & Ot), Turnover (metabolic), ...5.0257
- EUTROPHICATION FACTORS IN NORTH CENTRAL FLORIDA LAKES ...Administrative Structures, Eutrophication, Lakes, Model Studies, Systems Analysis, ...5.0258
- STUDIES OF THERMAL POLLUTION IN BISCAYNE BAY ...Aquatic Ecology, Bays, Pollution - Effects of, Thermal Pollution, Warm Water, ...5.0265
- FIELD EVALUATION OF REAERATING SURFACE WATERS ...Aeration, Reservoirs and Impoundments, ...5.0267
- TEMPORARY LININGS FOR WATERWAYS AND EMBANKMENTS ...Cover Crops, Design Criteria, Embankments, Erosion Control, Hydrology-general, Lining, ...3.0178
- ST. JOHNS RIVER FISHERY PROJECT ...Environmental Ecology, Mans Activities, Pollution Effects, Population Dynamics, Streams, ...3.0173
- SAND TRACING AT SPECIFIC INLETS AND AREAS ON THE LOWER EAST COAST OF FLORIDA ...Bays, By-passing, Longshore Currents, Shoreline - Coastline, Tracers, ...8.0161
- PEACE RIVER POLLUTION INVESTIGATIONS ...Fish -non-specific, Industrial Wastes, Phosphate, Phosphite, Pollution - Effects of, Pollution Effects, Streams, ...5.0273
- RELATIONSHIP OF TUBE-AND REEF BUILDING MARINE ANEIDS TO COASTAL ENGINEERING AND CONSERVATION PROBLEMS IN FLORIDA ...Coastal Engineering-other, Environmental Ecology, Lugworms, Marine Segmentedworm, Vertical Distribution, ...3.0187
- CONTINUATION OF FIELD EXPOSURE STATIONS ...Cement, Concrete, Maine. Research Facilities, Water, Weathering, ...8.0241
- LAKE HYDROLOGY STUDIES ...Evaporation, Inflow, Lakes, Morphology-general, Water Level Fluctuation, ...2.0328
- WATER RESOURCES STUDY, DUVAL COUNTY, FLORIDA ...Carbonate Aquifers, Hydrology-general, Surface Water, Total Volume, Water Quality-general, ...2.0330
- REMOTE SENSING, EVERGLADES AREA, FLORIDA ...Computers-general, Remote Areas, Swamps-marshes, Visible Light, Water Properties-general, ...2.0329
- ESTUARINE INVENTORY (FORMERLY CHEMICAL ENVIRONMENT) ...Estuaries, Gulf of Mexico, Marine Biology, Physiography-general, Sedimentology-general, ...2.0325
- RELATION OF ENVIRONMENTAL FACTORS TO THE PRODUCTIVITY OF ESTUARINE SEDENTARY FAUNA ...Aquatic Ecology, Environmental Ecology, Estuaries, Productivity - Food Chain, ...5.0269
- EXPERIMENTAL SEEDING (SHRIMP AQUACULTURE PROGRAM) ...Captive Rearing, Population Dynamics, Shrimps - Common, Spawn Or Nesting Sites, Stocking of Fish & Shellfish, ...6.0565
- IRRIGATION AND OTHER PRODUCTION RELATIONS IN FLORIDA CITRUS ENTERPRISES ...Benefit-cost Analysis, Citrus, Input - Output Analysis, Irrigation-general, Water Costs, Water Demand, ...6.0135

Flow Characteristics -water

- HYDRAULIC INVESTIGATION OF SOIL EROSION AND SEDIMENTATION IN HIGHWAY MEDIAN AND SIDE DITCHES ...Alabama, Drainage, Seouring, Sedimentation, Silting, ...2.0004
- INVESTIGATION AND ANALYSIS OF FLOODS FROM SMALL WATERSHEDS IN OKLAHOMA ...Floods, Gaging, Oklahoma, Peak Flow, Small Watersheds, ...2.0278

- HYDROLOGY STUDY ...Bridges & Culverts, Culvert, Engineering Structures-general, Floods, Small Watersheds, ...2.0292
- PROGRAM FOR INVESTIGATION AND ANALYSIS OF FLOODS FROM SMALL DRAINAGE AREAS IN DELAWARE ...Drainage, Floods, Forecasting-prediction, Open Channel, Small Watersheds, ...2.0295
- PERFORMANCE OF CIRCULAR CULVERTS ON STEEP GRADES ...Channels, Culvert, Drainage, Engineering Structures-general, Erosion Control, ...8.0289
- PRECIPITATION, STREAMFLOW AND SEDIMENT CONVEYANCE IN A SMALL ARID WATERSHED ...Climate, Deserts, Flash Floods, Patterns, Sediment Transport-other, ...2.0496
- STABLE ALLUVIAL CHANNELS ...Alluvial Deposits, Boundary Layer-general, Channels, Control Factors-general, Cross-section, ...2.0225
- STUDY OF TRANSPORT, DEPOSITION AND SCOUR OF FINE PARTICLES THROUGH A POROUS MEDIUM ...Permeability, Porosity, Porous Media - Flow Through, Sedimentation, Silting, ...2.0081
- FLOW REGIMES IN POROUS MEDIA ...Applications, Model Studies, Porosity, Porous Media - Flow Through, Viscous, ...8.0189
- FLOW OF A ROTATING FLUID OVER IRREGULAR SURFACE TOPOGRAPHIES ...Channels, Rotating Fluids, Roughness, ...2.0249
- THREE BASIC PROBLEMS IN FLUID MECHANICS EVAPORATIVE CONVECTION, ELECTRO-OSMOSIS, INTERNAL WAVES ...Electrochemistry-other, Fluid Dynamics, Internal Waves, Photography, Reverse Osmosis, Wave Motion in Fluids-other, ...3.0074
- CONTROL OF CONCENTRATION POLARIZATION IN REVERSE OSMOSIS DESALINATION OF WATER ...Desalination, Fluid Flow-other, Membranes-other, Polarization, Reverse Osmosis, ...3.0287
- INTERFACIAL STRUCTURE AND TRANSPORT IN WATER ...Alcohols, Evaporation, Surface-other, Viscosity, Water Loss Control, ...3.0152
- RESTORATION AND REHABILITATION OF EARTHQUAKE DAMAGED PINK AND CHUM SALMON STUDIES IN PRINCE WILLIAM SOUND ...Alaska, Aquatic Ecology, Data Acquisition-general, Earthquakes, Salmon -coho, chinook, sockeye..., Spawn Or Nesting Sites, Stream Rehabilitation, Tectonics-general, ...2.0026
- THE HYDRAULICS AND GEOMORPHOLOGY OF MEANDERING RIVERS WITH FLOOD PLAINS ...Floodplains, Floods, Land Use, Meanders, Routing, ...2.0473
- CHARACTERISTICS OF STREAM FLOW OF SMALL WATERSHEDS IN PENNSYLVANIA AND INFLUENCING FACTORS ...Climate, Land Use, Model Studies, Morphology-general, Small Watersheds, Water Yield, ...2.0929
- WELL DRAWDOWN IN UNCONFINED AQUIFERS UNDER NON-STEADY CONDITIONS ...Aquifers-other, Drawdown, Seepage, Unsteady Flow, Water Wells, ...2.0862
- THE GROUND-WATER FLOW SYSTEM IN THE DELMARVA PENINSULA ...Aquifers-general, Delaware, Groundwater, Model Studies, Water Balance-budget, ...2.0254
- STORAGE OF FRESH WATER IN UNDERGROUND RESERVOIRS CONTAINING SALINE WATER ...Artificial Recharge, Mixing, Model Studies, Recharge Pits - Wells, Storage of Water, ...4.0115
- GROUND WATER SEEPAGE PATTERNS TO WELLS FOR UNCONFINED FLOW ...Approximations, Groundwater, Seepage, ...2.0478
- STUDY OF FACTORS AFFECTING THE CHANNEL PHASE OF RUNOFF FROM SMALL WATERSHEDS BY MATHEMATICAL MODELING ...Development of Models, Finite Differences, Runoff, Small Watersheds, Streams, ...2.0665
- THE EFFECT OF TEMPERATURE ON WATER FLOW IN SOILS ...Boundary Process (moisture), Internal Water Movement, Soil Environment, Subsurface Flow, Temperature, ...2.0679
- HYDROLOGY OF SMALL DRAINAGE BASINS FOR DEVELOPING HYDRAULIC DESIGN ...Amount, Hydrographs, Runoff, Small Watersheds, South Dakota, ...2.0972
- TRANSPORT PROCESSES OF PARTICLES IN DILUTE SUSPENSIONS IN TURBULENT WATER FLOW ...Colloidal Phenomena, Hydraulics-general, Sedimentation, Transport, Turbulent Flow, ...5.0370
- BOUNDARY EFFECTS ON JET FLOW PATTERNS RELATED TO WATER QUALITY AND POLLUTION PROBLEMS ...Jet Flow-other, Reservoirs and Impoundments, Velocity, Velocity - water, Water Quality Control-general, ...8.0180

Flow Characteristics -water

SUBJECT INDEX

- EFFECT OF RAINDROP IMPACT AND SURFACE ROUGHNESS ON SHEET FLOW ...Model Studies, Rain-other, Rainfall Simulators, Roughness, Sheetflow, ...2.0447
- PHYSICAL, LEGAL AND ECONOMIC ASPECTS OF ASSESSMENT OF COSTS AMONG DRAINAGE DISTRICTS ...Drainage, Floodproofing, Floods, Legal Review, Routing, ...6.0228
- PHYSICAL CHARACTERISTICS OF BASALT AQUIFERS ...Electric Logging, Groundwater Movement, Local Structure, Porosity, Radioactivity Logging, ...2.1117
- DECISION MAKING UNDER UNCERTAINTY - ECONOMIC EVALUATION OF STREAMFLOW FORECASTS ...Benefit-cost Analysis, Forecasting-prediction, Model Studies, Projections and Estimations, Water Supply-general, ...6.0296
- EXPERIMENTAL AND THEORETICAL STUDY OF THE HYDRODYNAMICS OF DISPERSION IN RIVERS AND ESTUARIES ...Dispersion -water, Estuaries, Model Studies, Streams, Velocity -water, ...2.0584
- HYDRAULIC GEOMETRY OF STREAMS ...Hydraulics-general, Ions and Gases, Low Flow, Physiography-general, River Basins, ...2.0444
- HYDRAULIC RESISTANCE IN ALLUVIAL CHANNELS ...Alluvial Deposits, Channel Geometry, Energy-dynamics, Flow of Dispersed Solids, Sediment Transport-general, ...2.0448
- GEOHYDRAULICS AT THE UNCONFORMITY BETWEEN BEDROCK AND ALLUVIAL AQUIFERS ...Groundwater Basins, Rocks - Bedrock, Unconformities, Unconsolidated Aquifers, Water Transfer, ...2.0229
- CHEMICAL AND FLOW REGIMES OF GREAT BASIN SPRINGS ...Chemical-general, Great Basin, Groundwater Movement, Springs, ...2.0736
- ANOMALOUS FLOOD RESPONSE IN REGIONS OF SIMILAR GEOMORPHIC CHARACTERISTICS ...Computers-general, Floods, Morphology-general, Pennsylvania, ...2.0927
- THE HYDRAULICS OF SPATIALLY VARIED STEADY FLOW IN AN IRRIGATION DISTRIBUTION CHANNEL WITH FURROW OUTLETS ...Channels, Engineering Structures-general, Furrow Irrigation, Orifice, Weir, ...3.0398
- FLOW ANALYSIS OF HYDRAULIC CONNECTORS IN ARTIFICIAL RECHARGE SYSTEMS ...Artificial Recharge, Mathematical Analysis, Model Studies, ...2.0859
- PARTIAL AREA CONTRIBUTION TO STREAM FLOW ...Digital Computers, Model Studies, Runoff, Water Yield, Watersheds-general, ...2.0581
- DYNAMIC SEPARATION OF SUSPENDED SOLIDS ...Nozzles, Sediments, Separation-flow-other, ...5.0674
- EFFECTS OF RIVER CURVATURE ON RESISTANCE TO FLOW ...Channels, Flume Studies, Roughness, Unsteady Flow, Velocity -water, ...8.0198
- HYDRODYNAMIC CHARACTERISTICS OF FLOW CONCENTRATION GROINS ...Aeration, Engineering Structures-general, Floods, Groin, Streams, ...8.0268
- SAND FILTRATION OF DISCRETE SUSPENSIONS ...Filtration, Sand, Suspension, Synthetic Hydrology-general, ...5.0549
- PREDICTION OF WATER MOVEMENT IN UNSATURATED SOILS ...Adsorption Capacity, Internal Water Movement, Soil Environment, Soil Physical Properties, Unsaturated Flow, ...2.0049
- SOIL-WATER-VEGETATION RELATIONS IN THE DOUGLAS FIR ZONE ...Forest Watersheds, Moisture Content, Patterns, Runoff, Water Balance-budget, Water Cycle, ...3.0027
- HYDRAULICS OF SURFACE IRRIGATION ...Channel Roughness, Irrigation, Irrigation Engineering, Mathematical Analysis, Soils -general, Surface Irrigation-general, ...2.0215
- FACTORS INFLUENCING THE FLOW OF SUBSOIL WATER IN THE IMMEDIATE PROXIMITY OF AND INTO DRAINAGE FACILITIES ...Design Criteria, Drainage Systems, Model Studies, Other, Seepage, ...4.0088
- CLAY-WATER-ION INTERACTIONS ...Adsorption Capacity, Clay, Moisture Tension, Soil Temp. -non-specific, Temperature, ...2.0436
- HYDROLOGIC CHARACTERIZATION OF SMALL WATERSHEDS ...Gaging, Mathematical Analysis, Model Studies, Small Watersheds, Topographic, ...4.0104
- EFFECT OF SURFACE IRRIGATION HYDRAULICS ON EFFICIENT APPLICATION OF WATER ...Channel Geometry, Channel Roughness, Open Channel, Surface Flow, Surface Irrigation -general, ...4.0239
- DEVELOPMENT OF IMPROVED SNOW SURVEYING AND STREAM-FLOW FORECASTING TECHNIQUES ...Amount, Antecedent Moisture, Forecasting-prediction, Moisture Content, Temperature, ...2.1072
- OPEN CHANNEL TRANSITIONS ...Canals, Energy Losses-other, Open Channel, Surface Phenomena, Transition Sections, ...8.0004
- FREE SURFACE FLOW AND WAVE PROPAGATION THROUGH CHANNEL-FLOOD PLAIN GEOMETRIES ...Channels, Conduit Flow-other, Floodplains, Free Surface Waves, Model Studies, ...8.0196
- THE CHARACTERIZATION OF OVERLAND FLOW ON VERY ROUGH SURFACES ...Channel Roughness, Channels, Data Analysis Applications, Model Studies, Surface Flow, ...8.0192
- TURBULENT FLOW SPECTRAL ANALYSIS ...Engineering Structures-general, Turbulent, Turbulent Flow, ...8.0166
- ANALYSIS AND SYNTHESIS OF HYDROLOGIC SYSTEMS ...Computers-general, Hydrology-general, Open Channel Flow, Patterns, Technique Development, ...2.0615
- HYDRAULIC STUDIES AND RESEARCH ON CALIFORNIA WATER FACILITIES ...Fluid Flow-general, Irrigation, Irrigation-general, Model Studies, Synthetic Hydrology-general, ...7.0010
- THE MECHANICS OF OPEN-CHANNEL FLOW SYSTEMS ...Open Channel, Steady, Transient, Transition Sections, Unsteady, ...8.0011
- FLOW MEASUREMENT OF IRRIGATION WATER ...Canals, Fluids, Flume, Irrigation, Measurement, ...3.0144
- TRACING STORM AND BASE FLOW TO VARIABLE SOURCE AREAS ON FORESTED HEADWATERS ...Baseflow, Forest Watersheds, Georgia, Physical Properties -other, Sediment Yield, ...2.0341
- FLOOD FREQUENCY AND LOW-FLOW ANALYSES ...Floods, Low Flow, Maryland, Peak Flow, Statistical Models, ...5.0481
- THE IMPACT OF SUBURBAN DEVELOPMENT ON THE WATER RESOURCES OF NEW JERSEY ...Agricultural Watersheds, Gaging, Measurement, Suburban Areas, Water Balance-budget, Water Table Fluctuation, ...6.0352
- DROUGHT FREQUENCY, INTENSITY & DURATION - ITS CORRELATION TO STREAMFLOW AND ITS IMPACT UPON SYNTHETIC HYDROLOGY ...Climatology, Meteorological Extremes, Patterns, Synthetic Hydrology-general, Water Loss-general, ...2.0763
- WATER POLLUTION FROM ERODED SEDIMENTS ...Other Transport Effects, Rain-general, Sediments, Suspension, Velocity -water, ...2.1042
- CHARACTERISTICS OF UTAH STREAMS ...Discharge-general, Gaging, Streams, Utah, ...2.1060
- INCIPIENT MOTION OF LARGE ROUGHNESS ELEMENTS IN TURBULENT OPEN CHANNEL FLOW ...Erosion Control, Open Channel, Open Channel Flow, Sediment Transport-other, Turbulent Flow, ...2.1062
- SIMULATION MODEL FOR THE STUDY OF THE HYDROLOGY OF THE WISCONSIN RIVER ...Hydrology-general, Reservoirs and Impoundments, River Basins, Simulation, Wisconsin, ...2.1155
- HYDROLOGIC MODEL FOR STREAMFLOW FORECASTING ...Forecasting-prediction, Hydrographs, Model Studies, Peak Flow, Precipitation-general, Runoff, ...2.0600
- RADIONUCLIDE MOVEMENT IN GROUNDWATER ...Groundwater Movement, Pollutants - Path of, Radioactivity-general, Radioisotopes, Seepage, ...5.1099
- GROUNDWATER FLOW ...Groundwater Movement, Permeability, Radioisotopes, Tritium, Velocity -water, ...2.0947
- WATER QUALITY CONTROL ...Forecasting-prediction, Management, Reservoirs and Impoundments, Temperature, Water Quality Control-general, ...5.1123
- EFFECTS OF IMPOUNDMENT ON WATER QUALITY ...Management, Reservoirs and Impoundments, Water Quality Control-general, Water Quality-general, Water Quantity-general, ...5.1122
- HYDRAULICS AND DYNAMICS OF ESTUARIES ...Erosion-general, Estuaries, Sedimentology-general, Water Level Fluctuation, Waves, ...2.0261
- ARTIFICIAL FLOODS ...Computers-general, Dam, Dams-other, Floods, ...6.0076
- GEOHYDROLOGIC ENVIRONMENTAL STUDIES ...Clastic Aquifers, Facies, Permeability, Specific Rock Unit, Tertiary Period, ...2.0538
- ELECTRICAL ANALOG MODELS OF HYDROLOGIC SYSTEMS ...Analog Computers, Groundwater, Groundwater Movement, Model Studies, Surface Water, ...2.0037
- EVALUATION OF VARIABLES IN ALLUVIAL CHANNEL FLOW ...Bed Load, Channels, Model Studies, Morphology-general, Velocity -water, ...2.0237

SUBJECT INDEX

Flow Types - Natural Water

HYDROLOGY OF HUNGRY HORSE RESERVOIR, MONTANA ...Forecasting-prediction, Hydrology-general, Multiple-purpose Projects, Reservoirs and Impoundments, Total Volume, ...2.0705

THERMAL CHARACTERISTICS OF AQUIFER SYSTEMS ...Carbonate Aquifers, Clastic Aquifers, Permeability, Subsurface Flow, Temperature, ...2.1099

GEOLOGIC STRUCTURE AND FRESH GROUND WATER IN GULF COASTAL PLAIN ...Aquifers-general, Geologic Maps, Regional Structure, South Central, ...2.0536

HYDROLOGY OF ARKANSAS RIVER VALLEY, CANON CITY TO STATE LINE ...Arkansas River, Groundwater, Hydrology-general, Irrigation-general, Management, Water Transfer, ...2.0202

FLOOD INUNDATION MAPPING - JEFFERSON COUNTY, MISSOURI ...Design Flow-flood, Floodproofing, Floods, Mapping, Missouri, ...4.0157

SPRINGFIELD AREA INFILTRATION STUDY, OHIO ...Artificial Recharge, Clastic Aquifers, Induced Infiltration, Ohio, Water Yield, ...4.0196

LOW FLOW CHARACTERISTICS OF INDIANA STREAMS ...Discharge-general, Gaging, Indiana, Low Flow, ...2.0455

STREAMFLOW TEMPERATURE INVESTIGATION, TEXAS ...Gaging, Streams, Temperature, Texas, ...7.0099

HYDROLOGY OF A WETLAND AREA IN THE YELLOW RIVER BASIN, WISCONSIN ...Aquifers-general, Water Quality-general, Wetlands, Wisconsin, ...2.1150

LOW-FLOW STUDY - WISCONSIN ...Baseflow, Data Acquisition-general, Low Flow, Wisconsin, ...2.1147

SALT-WATER ENCROACHMENT IN NORTH CAROLINA ESTUARIES ...Chemical-general, Estuaries, Industrial-general, Saline Water Intrusion, Water Sampling, ...2.0826

PROTECTION OF ERODIBLE CHANNELS AND SURFACES WITH GRAVEL OR RIPRAP ...Canals, Channels, Energy Loss - water, Engineering Structures-general, Groundwater, Linings-pavings, Scouring, Seepage, ...8.0040

HYDROLOGIC BEHAVIOR OF SELECTED WATERSHEDS IN THE NORTHERN APPALACHIAN REGION ...Appalachian Highlands-other, Clouds-precipitation, Model Studies, Modification, Watersheds-general, ...2.0184

LAKE SUPERIOR CHEMICAL CONTROL OF SEA LAMPREY ...Control of Nuisance Species, Lake Superior, Lampreys, Larvicides, Streams, ...5.0577

LAKE HURON CHEMICAL CONTROL ...Bioindicators, Chemical-general, Ectoparasites, Selectivity, ...5.0578

STREAMFLOW REGULATION AND SEDIMENT CONTROL IN NORTHERN ROCKY MOUNTAIN FORESTS ...Forest Watersheds, Infiltration, Peak Flow, Snowmelt, Water Yield, ...5.0321

WATERSHED CORRELATION AND SYNTHESIS ...Eastern, Forest Watersheds, Land Use, Management, Water Yield, ...3.0420

EFFECTS OF DIFFERENT FOREST TYPES AND CONDITIONS ON STREAM REGIMEN AND WATER YIELDS ...Climatic Effects, Environment, Forest Watersheds, Land Use, Radiation-general, Water Yield, ...5.0794

IMPROVEMENT OF WATER YIELDS AND SOIL STABILIZATION IN THE BLACK HILLS ...Erosion-general, Forest Watersheds, Management, Sedimentology-general, Stabilization-other, Water Yield, ...3.0436

DEVELOPMENT AND EVALUATION OF MEANS AND MEASURES FOR CHANNEL STABILIZATION ...Channel Geometry, Channels, Design Criteria, Mechanics, General, Scouring, Sediment Transport-general, ...5.1022

INVESTIGATIONS OF STREAM CHANNEL MORPHOLOGY IN THE SOUTHERN BRANCH AND AT THE USDA SEDIMENTATION LABORATORY ...Alluvial Deposits, Meanders, Morphology-general, Roughness, Scouring, Shear-flow, ...2.0678

RELATION OF CLIMATIC AND WATERSHED FACTORS TO RUNOFF RATES AND VOLUME YIELDS ...Agricultural Watersheds, Climate, Geomorphology-quantitative, Morphology-general, Storms-general, Water Yield, ...2.0333

RELATION OF CLIMATIC AND WATERSHED FACTORS TO STORM RUNOFF IN THE SOUTHERN PLAINS ...Agricultural Watersheds, Conservation-general, Runoff, Storms-general, ...4.0248

RELATION OF CLIMATIC AND WATERSHED PHYSIOGRAPHIC AND CULTURAL FACTORS TO WATER YIELD ...Agricultural Watersheds, Conservation-general, Land Use, Physiography-general, Water Yield, ...3.0462

AQUIFER-STREAMFLOW INTERRELATIONSHIPS IN UPSTREAM AGRICULTURAL WATERSHEDS OF THE PACIFIC

NORTHWEST ...Agricultural Watersheds, Aquifers-general, Permeability, Recharge -general, Structure, Subsurface Flow, ...3.0201

DRAINAGE FACILITIES, METHODS, AND DESIGN CRITERIA FOR PROTECTION AND IMPROVEMENT OF AGRICULTURAL CROPS AND SOILS IN THE NORTHERN PLAINS ...Design Criteria, Drainage, Drainage Systems, Simulation, ...4.0064

DEVELOPMENT OF SUPPORTING PRACTICES, SYSTEMS, TECHNIQUES AND DEVICES FOR RUNOFF AND EROSION CONTROL IN THE SOUTH ...Conservation, Conservation & Management Eng, Erosion-general, Land Use, Runoff, Tillage, Cropping Systems, ...5.0275

SOIL MOISTURE FLOW PROBLEMS AND SOLUTIONS IN THE CORN BELT REGION ...Corn Belt, Internal Water Movement, Management-general, Partial, ...2.0440

IRRIGATION AND EVAPOTRANSPIRATION OF WATER FOR CROPS IN IMPERIAL VALLEY ...Consumptive Use, Evapotranspiration, Furrow Irrigation, Internal Water Movement, Irrigation, ...3.0038

STREAM FLOW REGIMES OF SEMIARID RANGELAND WATERSHEDS IN THE SOUTHWEST ...Channels, Runoff, Semi - Arid, Storm Water, Storms-general, ...4.0009

Flow Types - Natural Water

Artesian Flow

DETERMINATION OF THE DISTRIBUTION OF RADIONUCLIDES DISCHARGED TO THE GROUND AT THE NRTS, IDAHO ...Discharge-general, Observation Wells, Pollutants - Path of, Radioactivity-general, Radioisotopes, ...5.0318

THE ARTESIAN SYSTEM IN GEORGIA STRATIGRAPHY AND HYDROLOGY OF THE OCALA ...Carbonate Aquifers, Georgia, Groundwater Movement, Natural Recharge, Piezometry, ...4.0082

UNSTEADY FLOW TOWARD PARTIALLY PENETRATING ARTESIAN WELLS ...Groundwater Movement, Mathematical Analysis, Seepage, Unsteady, Unsteady Flow, ...2.0522

DRAINAGE DESIGN FOR IRRIGATION AGRICULTURE ...Aquifers-general, Conjunctive Use, Groundwater Movement, Seepage, Water Wells, ...4.0165

HYDROLOGY STUDY IN U. S. GYPSUM MINE, SHOALS, INDIANA ...Carbonate Aquifers, Hydrated Acid and Norm, Indiana, Mine Drainage Control, Mine Hydrology, ...5.0386

MEASUREMENT OF RUNOFF AND SOIL LOSS DIFFERENCES BETWEEN ESTABLISHED PLOTS ...Erosion-general, Observation Wells, Runoff, Soil Environment, Water Table Fluctuation, ...2.1019

HYDROGEOLOGY OF ARTESIAN SYSTEMS AND LIMESTONE TERRANES ...Carbonate Aquifers, Clastic Aquifers, Coastal Plain, Southeast, Water Supply-general, ...2.0287

HYDROLOGY OF COASTAL AREA IN THE VICINITY OF RICEBORO, GEORGIA ...Dispersion -water, Estuaries, Georgia, Saline Water Intrusion, Water Quality-general, ...5.0305

DRAINAGE SYSTEMS FOR THE GREAT BASIN ...Drainage, Drainage Systems, Great Basin, Groundwater Movement, Permeability, ...4.0164

Flow Types-other

NATURAL CONVECTION IN WATER-SATURATED POROUS MEDIA ...Model Studies, Porous Media - Flow Through, Velocity, Viscosity, ...2.0917

Laminar Flow

COMPUTER MODELS FOR WATER DISTRIBUTION SYSTEMS ...Algorithms, Development of Models, Model Studies, Water Allocation, Water Transfer, ...8.0286

RADIOCARBON AS A TRACER IN GROUND WATER PROBLEMS ...Aquifers-general, Groundwater Movement, Permeability, Radioisotopes, Recharge -general, ...2.0056

Low Flow

RECESSION CHARACTERISTICS OF IOWA STREAMS ...Iowa, Mathematical Analysis, Streams, Variation in Time, ...5.0413

THE IMPACT OF IMPOSING A WATER QUALITY STANDARD ON A LIVE STREAM ...Flow Augmentation, Multiple-purpose Projects, Pollution Abatement, Reservoirs and Impoundments, Water Standards, ...6.0494

Flow Types - Natural Water

SUBJECT INDEX

- THE INFLUENCE OF WETLANDS ON QUANTITY AND QUALITY OF STREAM FLOW ...Available Water, Evapotranspiration, Hydrology-general, Streams, Wetlands, ...4.0170
- HYDRAULIC GEOMETRY OF STREAMS ...Flow Characteristics -water, Hydraulics-general, Ions and Gases, Physiography-general, River Basins, ...2.0444
- WATER POLLUTION STUDY OF THE WABASH RIVER ...Data Acquisition-general, Indiana, Model Studies, Oxygen, Water Quality-general, ...5.0390
- STREAMFLOW VARIABILITY ...Drainage, Floodplains, Peak Flow, Reservoirs and Impoundments, Water Supply-general, ...2.0421
- ILLINOIS RIVER STUDY ...Illinois River, Ions and Gases, Self-purification, Streams & Rivers, Waste Water Treatment-general, ...5.0351
- FLOOD FREQUENCY AND LOW-FLOW ANALYSES ...Floods, Flow Characteristics -water, Maryland, Peak Flow, Statistical Models, ...5.0481
- RESERVOIR SYSTEM ANALYSIS FOR LOW-FLOW REGULATION ...Computers-general, Management, Optimization, Reservoirs and Impoundments, Systems Analysis, ...2.0151
- BASIC RESEARCH IN VEGETATION AND HYDROLOGY ...Flooding, Groundwater, Land Use, Mapping, Movement, Water Quality-general, ...2.1100
- LOW-FLOW ANALYSIS, WASHINGTON STREAMS ...Baseflow, Discharge-general, Gaging, Hydrographs, Washington, ...2.1134
- LOW FLOW CHARACTERISTICS OF TENNESSEE STREAMS ...Annual, Gaging, Tennessee, Variation in Time, ...2.0997
- LOW FLOW CHARACTERISTICS OF INDIANA STREAMS ...Discharge-general, Flow Characteristics -water, Gaging, Indiana, ...2.0455
- LOW-FLOW STUDIES OF IOWA STREAMS ...Available Water, Iowa, Water Law-general, Water Quality Control-general, Water Standards, ...2.0489
- FLOOD PROFILES AND FLOOD-PLAIN INFORMATION, LINN COUNTY, IOWA ...Discharge-general, Floodplains, Floodproofing, Floods, Iowa, ...2.0491
- LOW-FLOW STUDY - WISCONSIN ...Baseflow, Data Acquisition-general, Flow Characteristics -water, Wisconsin, ...2.1147
- HYDROLOGY OF HUNGRY HORSE RESERVOIR MONTANA ...Inflow, Montana, Reservoirs and Impoundments, Water Balance-budget, ...2.0124

Open Channel Flow

- RADIOISOTOPE WATER FLOW MEASUREMENT IN HIGH-HEAD TURBINES AND PUMPS ...Fluids, Pump-other, Radioisotopes, Technique Development, Turbine-other, ...4.0057
- WIND EFFECTS ON THE DISPERSION OF PARTICULATE POLLUTANTS IN TURBULENT OPEN-CHANNEL FLOW ...Dispersion -water, Flow of Dispersed Solids, Sediments, Turbulent Flow, Wind-other, ...2.0220
- HYDRODYNAMIC FORCES ON NON-COHESIVE BED PARTICLES INCLUDING SEEPAGE ...Drag, Seepage, ...2.1079
- MICROSCOPIC INVESTIGATION OF TRACTIVE FORCE DISTRIBUTION IN OPEN CHANNEL ...Suspension, Traction, Turbulent, Turbulent Flow, Velocity -water, ...8.0183
- THE FLOW OF WATER IN FLUMES AND CANALS ...Canals, Channel Geometry, Flume, Open Channel, Turbulent, ...8.0222
- HYDRAULICS OF FLOOD MOVEMENTS ...Analog Computers, Floods, Mathematical Analysis, Partial, Routing, Unsteady Flow, ...2.0348
- ANALYSIS AND SYNTHESIS OF HYDROLOGIC SYSTEMS ...Computers-general, Flow Characteristics -water, Hydrology-general, Patterns, Technique Development, ...2.0615
- OPEN-CHANNEL TRANSITIONS IN SUPERCRITICAL FLOW ...Channel Geometry, Critical, Cross-section, Hydraulics-general, Open Channel, ...8.0283
- INCIPIENT MOTION OF LARGE ROUGHNESS ELEMENTS IN TURBULENT OPEN CHANNEL FLOW ...Erosion Control, Flow Characteristics -water, Open Channel, Sediment Transport-other, Turbulent Flow, ...2.1062
- OPEN CHANNEL ROUGHNESS CHARACTERIZATION ...Channel Roughness, Discharge-general, Flume, Flume Studies, Open Channel, ...2.1073
- SIMULATED OPEN CHANNEL HYDRAULICS ...Cumberland River, Mathematical Analysis, Model Studies, Numerical Analysis-other, Tennessee, ...2.0983
- SALINITY INTRUSION AND RELATED PHENOMENA ...Currents -water, General Deposition, Mixing, Saline Water Intrusion, Sediment Transport-general, ...2.0687

- VALUE OF STREAMFLOW DATA ...Benefit-cost Analysis, Data Networks, Gaging, Unsteady Flow, Water Resources Development, ...6.0077
- FLOW LOSSES IN AN EPHEMERAL STREAM CHANNEL ...Conservation-general, Energy Loss -water, Ephemeral, Infiltration, Morphology-general, Water Cycle, ...2.0178
- UNSTEADY FLOW AND SALINE INTRUSION IN ESTUARIES ...Channels, Estuaries, Model Studies, Saline Water Intrusion, Unsteady Flow, ...2.1091
- REAERATION IN OPEN CHANNEL FLOW ...Aeration, Degradation, Freshwater Ecology, Oxygen, Oxygen Content -water, ...2.0224
- NUMERICAL SIMULATION OF HYDRODYNAMIC PHENOMENA BY DIGITAL COMPUTER ...Groundwater, Model Studies, Porous Media - Flow Through, Subsurface Flow, Waves, ...2.1096
- DESIGN CRITERIA FOR OPEN CHANNELS ...Design Criteria, Hydraulics-general, Irrigation Engineering, Open Channel, Surface Irrigation -general, ...8.0136
- RADIOISOTOPE WATER FLOW MEASUREMENT IN HIGH-HEAD TURBINES AND PUMPS ...Fluids, Radioisotopes, Water, ...8.0065
- TRANSIENT FLOW IN OPEN CHANNELS ...Channel Geometry, Hydraulic Gradient, Pump-other, Siphon, Transient, ...8.0039

Peak Flow

- FLOOD FREQUENCY STUDY ...Bridges & Culverts, Culvert, Floods, New Mexico, Rio Grande, ...2.0772
- HYDROLOGICAL STUDY ...Discharge-general, Drainage, Gaging, Rhode Island, Small Watersheds, ...2.0943
- WATERSHED SHAPE-FACTOR ...Culvert, Design Criteria, Drainage, Engineering Structures-general, North Dakota, ...2.0277
- INVESTIGATION AND ANALYSIS OF FLOODS FROM SMALL WATERSHEDS IN OKLAHOMA ...Floods, Flow Characteristics -water, Gaging, Oklahoma, Small Watersheds, ...2.0278
- FLOOD FREQUENCY SYNTHESIS FOR SMALL STREAMS IN ALABAMA ...Alabama, Drainage, Forecasting-prediction, Gaging, Runoff, Small Watersheds, ...3.0172
- SMALL DRAINAGE AREA STUDY ...Arizona, Drainage, Floods, Gaging, Small Watersheds, ...2.0289
- RUNOFF STUDIES ON SMALL DRAINAGE AREAS ...Data Acquisition-general, Discharge-general, Drainage, Small Watersheds, West Virginia, ...2.0290
- SMALL STREAMS INVESTIGATIONS IN OREGON ...Data Analysis - General, Discharge-general, Floods, Gaging, Hydrographs, ...2.0293
- URBAN HYDROLOGIC STUDIES ...Digital Computers, Drainage, Forecasting-prediction, Louisiana, Urban Environments, ...2.0551
- HYDROLOGIC CHARACTERIZATION OF SMALL WATERSHEDS ...Cold - Climates, Mathematical Analysis, Model Studies, Runoff, Small Watersheds, ...4.0143
- STATISTICAL ANALYSIS OF FLOOD PEAKS OF GEORGIA RIVERS ...Data Analysis Applications, Digital Computers, Discharge-general, Floods, Georgia, ...2.0357
- MATHEMATICAL MODEL OF STORM AND SANITARY INTERCEPTOR SYSTEM ...Design-other, Inflow, Model Studies, Rain Fall Intensity, Storm Water, ...5.0597
- STREAMFLOW VARIABILITY ...Drainage, Floodplains, Low Flow, Reservoirs and Impoundments, Water Supply-general, ...2.0421
- TRACER STUDIES - URBAN RUNOFF ...Dyes, Runoff, Urban Environments, Urban Research, Velocity -water, ...4.0101
- FLOOD FREQUENCY AND LOW-FLOW ANALYSES ...Floods, Flow Characteristics -water, Low Flow, Maryland, Statistical Models, ...5.0481
- DRAINAGE CORRELATION RESEARCH PROJECT ...Climatology, Drainage, Floods, Precipitation-general, Small Watersheds, ...2.0710
- HYDROLOGIC MODEL FOR STREAMFLOW FORECASTING ...Flow Characteristics -water, Forecasting-prediction, Hydrographs, Model Studies, Precipitation-general, Runoff, ...2.0600
- FLUVIAL SEDIMENTATION IN STONY BROOK WATERSHED ...Gaging, Runoff, Sedimentology-general, Small Watersheds, Total Volume, ...2.0766
- FLOOD-FREQUENCY AND BASIN PARAMETER RELATIONSHIPS IN SMALL DRAINAGE AREAS ...Amount, Discharge-general, Floods, Morphology-general, Small Watersheds, ...2.0280

SUBJECT INDEX

Flow Types - Natural Water

DETERMINATION OF CHANNEL CAPACITY OF THE MERCED RIVER, CALIFORNIA ...California, Channels, Cross-section, Discharge-general, Hydrographic, ...2.0116

CHANNEL CAPACITY IN STONY CREEK NEAR ORLAND, CALIFORNIA ...California, Channels, Design Flow-flood, Reservoirs and Impoundments, Water Transfer, ...2.0122

FLOODS IN THE WAIHAOLE-WAIKANE AREA, OAHU, HAWAII ...Floodproofing, Floods, Hawaii, Mapping, Regional Areas, ...4.0085

FLOODS IN PUNALUU-HAULUA AREA, OAHU, HAWAII ...Floodproofing, Floods, Hawaii, Zoning, ...4.0086

STREAMFLOW REGULATION AND SEDIMENT CONTROL IN NORTHERN ROCKY MOUNTAIN FORESTS ...Flow Characteristics -water, Forest Watersheds, Infiltration, Snowmelt, Water Yield, ...5.0321

WATER ACCUMULATION, FLOOD-WAVE MOVEMENT AND WATER YIELD FROM COMPLEX WATERSHEDS OF THE PACIFIC NORTHWEST ...Channels, Floods, Forecasting-prediction, Hydrographs, Idaho, Storage of Water, Water Yield, Watersheds-general, ...3.0202

Saturated Flow

DEEP SEEPAGE ON PIEDMONT WATERSHEDS ...Percolation, Physical Properties-general, Piedmont Province, Seepage, Unsaturated Flow, Water Table Fluctuation, ...2.0955

MIXING PROCESSES IN SATURATED AND UNSATURATED SOIL-WATER SYSTEMS IN RELATION TO POLLUTION ...Chemical-general, Internal Water Movement, Mixing, Pollutants - Path of, Unsaturated Flow, ...2.0086

THE FINITE ELEMENT METHOD IN FLUID MECHANICS ...Degradation, Finite Differences, Fluid Dynamics, Groundwater Movement, Non-autonomous, ...5.0302

VARIATION OF SATURATED HYDRAULIC CONDUCTIVITY OF HOUSTON BLACK CLAY WITH SOIL DEPTH AND WITH DIAMETER OF SOIL COVES ...Clay, Density, Permeability, Texas, ...2.1022

PERMEABILITY RESEARCH ...Groundwater Movement, Observation Wells, Permeability, Porous Media - Flow Through, Unsaturated Flow, ...2.0183

Sheetflow

CULTURAL PRACTICES ON EASTGATE BASIN ...Cultivated Soils, Moisture Content, Sediment Yield, Surface Flow, Tillage, Cropping Systems, ...4.0168

EFFECT OF RAINDROP IMPACT AND SURFACE ROUGHNESS ON SHEET FLOW ...Flow Characteristics -water, Model Studies, Rain-other, Rainfall Simulators, Roughness, ...2.0447

Stratified Flow

AN INVESTIGATION OF THE EFFECT OF CONTROLLED RELEASES ON THE PHYSICAL, CHEMICAL AND BACTERIOLOGICAL CHARACTERISTICS OF FORT LOUDOUN RESERVOIR ...Nitrogen, Phosphate, Phosphite, Suspension, Temperature-other, Tennessee, ...5.1128

INVESTIGATION OF THE CIRCULATION OF LAKE SUPERIOR ...Circulation -water, Model Studies, Temperature, Velocity -water, ...2.1161

TWO PHASE FLOW IN A VERTICAL BEND ...Close Channel, Engineering Structures-general, Open Channel, Two-phase-other, Ventilated Cavities, ...8.0163

INTERNAL CURRENTS RESULTING FROM INTERMEDIATE DENSITY INFLOWS INTO STRATIFIED RESERVOIRS ...Inflow, Model Studies, Reservoirs and Impoundments, Stratification, Temperature, ...5.1264

ANALYSIS OF THERMAL POLLUTION DISPERSION ...Aeration, Dispersion -water, Effluents-waste Water, Temperature, Thermal Pollution, ...5.0726

FACTORS AFFECTING MINE DRAINAGE AND THE GROUND WATER INTERACTIONS IN SELECTED AREAS OF WESTERN PENNSYLVANIA (PART 2) ...Acidity, Baseflow, Groundwater Movement, Mine Drainage Control, Pyrite Group, ...5.1044

QUALITY OF WATER AS AFFECTED BY STRATIFIED FLOW (RESERVOIRS) ...Ions and Gases, Model Studies, Reservoirs and Impoundments, Stratification, Turbidity, ...5.0185

Subsurface Flow

RUNOFF STUDIES ON SMALL WATERSHEDS ...Hydrographs, Runoff, Small Watersheds, Surface Water, Water Yield, ...2.1138

RELATION OF BEDROCK FRACTURE SYSTEMS TO UNDERGROUND WATER IN STAFFORD SPRINGS, SOUTH COVENTRY, SPRING HILL & WESTFORD QUADS ...Groundwater Movement, Joints-fractures, Local Structure, Rocks - Bedrock, Water Quantity-general, ...2.0243

RATE AND DIRECTION OF GROUND WATER CIRCULATION IN CLOSE SPACED BEDROCK AND GRAVEL WELLS UNDER THE INFLUENCE OF NON-SYNCHRONOUS PUMPING TIME ...Connecticut, Groundwater Movement, Land Use, Pumping, ...2.0244

THE EFFECT OF THE NATURAL SEALING OF POTHoles UPON WATER MOVEMENT AND GROUNDWATER RESOURCES ...Groundwater, Internal Water Movement, Linings-pavings, Permeability, Potholes, ...2.0667

TRACING STORM AND BASE FLOW TO VARIABLE SOURCE AREAS ON FORESTED HEADWATERS ...Baseflow, Floods, Forest Watersheds, Georgia, Hydraulic Structures, Runoff, ...2.0339

WATER ADSORPTION AND ITS INTERACTIONS WITH CLAY AND QUARTZ ...Adsorption Capacity, Bonding, Clay, Internal Water Movement, Quartz, ...2.0665

THE EFFECT OF TEMPERATURE ON WATER FLOW IN SOILS ...Boundary Process (moisture), Flow Characteristics -water, Internal Water Movement, Soil Environment, Temperature, ...2.0679

NUMERICAL MODELING OF GROUND WATER FLOW ...Aquifers-general, Artificial Recharge, Groundwater Movement, Model Studies, ...2.0506

EVALUATION OF GROUNDWATER RESOURCES, LIVERMORE VALLEY, CALIFORNIA ...Data Acquisition-general, Groundwater Basins, Management, Model Studies, Water Yield, ...4.0025

AQUIFER PERFORMANCE TESTS UNDER TWO PHASE FLOW CONDITIONS ...Aquifers-general, Observation Wells, Synthetic Hydrology-general, Two-phase-other, ...2.0008

EFFECT OF PHYSICAL PROPERTIES OF POROUS MEDIA ON WATER MOVEMENT ...Mathematical Analysis, Permeability, Porosity, Porous Media - Flow Through, Size, ...2.0391

WATER CONTAMINATION BY FERTILIZER NITROGEN AND PHOSPHORUS ...Agricultural Watersheds, Fertilizers, Nitrogen, North Carolina, Phosphorus, Runoff, ...5.0823

FURTHER STUDIES OF INFILTRATION ...Infiltration, Porous Media - Flow Through, Unsaturated Flow, Unsteady Flow, ...5.0124

FACTORS INFLUENCING THE FLOW OF SUBSOIL WATER IN THE IMMEDIATE PROXIMITY OF, AND INTO DRAINAGE FACILITIES ...Compressibility, Internal Water Movement, Radioisotopes, ...2.0147

THE DRAINAGE OF IRRIGATED LANDS ...Drainage, Irrigation-general, Permeability, Steady, Water Table Fluctuation, ...4.0251

DESIGN OF OPEN CHANNELS TO PREVENT BANK FAILURE ...Piezometers, Seepage, ...4.0253

THE EFFECT OF HETEROGENEITIES OF THE SOIL UPON INFILTRATION ...Infiltration, Physical Properties -other, ...2.1165

PREDICTION OF WATER MOVEMENT IN UNSATURATED SOILS ...Absorption, Fixation, Exchange, Internal Water Movement, Moisture Tension, Unsaturated Flow, ...2.0376

THE ROLE OF SOIL WETTABILITY AND TREATMENT WITH WETTING AGENTS ON WATER MOVEMENT AND SOIL PHYSICAL PROPERTIES ...Adsorption Capacity, Formation Principles, Internal Water Movement, Moisture Content, Organic Content, Texture, ...2.0141

THEORETICAL ANALYSIS OF REGIONAL GROUND-WATER FLOW IN THE HAVANA AREA ...Groundwater Movement, Illinois, Mathematical Analysis, Model Studies, Water Table Fluctuation, ...2.0410

EFFECTS OF TREE ROOTS ON HYDRAULIC CONDUCTIVITY AND POROSITY OF FOREST SOILS IN THE ALLEGHENY-CUMBERLAND PLATEAU ...Forests, Roots, Soil Compaction Or Density, Soil Environment, Soils and Fertilizer, ...2.0855

DRAINAGE OF STRATIFIED FOILS ...Drainage, Drainage Engineering, Drainage Systems, Soil-water-plant Relationships, ...5.0939

PREDICTING SOLUTE MOVEMENT AND DISTRIBUTION IN SOILS ...Hydrolysis, Infiltration, Salinity, Soil and Rock Leaching, Soil Environment, ...2.1043

PERMIAN BASIN - ORIGIN OF SALINE WATER DISCHARGE ...Brines, Groundwater Movement, Permian Period, Saline Water Intrusion, Texas, ...2.1004

THERMAL CHARACTERISTICS OF AQUIFER SYSTEMS ...Carbonate Aquifers, Clastic Aquifers, Flow Characteristics -water, Permeability, Temperature, ...2.1099

Flow Types - Natural Water

SUBJECT INDEX

- GROUND-WATER HYDROLOGY AND DEVELOPMENT IN EAST-CENTRAL WASHINGTON ...Drawdown, Groundwater Basins, Groundwater Mining, Washington, Water Table Fluctuation, ...2.1135
- NUMERICAL SIMULATION OF HYDRODYNAMIC PHENOMENA BY DIGITAL COMPUTER ...Groundwater, Model Studies, Open Channel Flow, Porous Media - Flow Through, Waves, ...2.1096
- MANAGEMENT OF STORM RUNOFF AND THE IMPROVEMENT OF WATER YIELD ON FOREST LAND ...Forest Watersheds, Infiltration, Runoff, Storm Water, Water Yield, ...2.0863
- WATER YIELD IN RELATION TO CLIMATIC & WATERSHED CHARACTERISTICS OF LAND ...Agricultural Watersheds, Climate, Morphology-general, Patterns, Water Yield, ...3.0419
- AQUIFER-STREAMFLOW INTERRELATIONSHIPS IN UPSTREAM AGRICULTURAL WATERSHEDS OF THE PACIFIC NORTHWEST ...Agricultural Watersheds, Aquifers-general, Flow Characteristics -water, Permeability, Recharge -general, Structure, ...3.0201
- DEVELOPMENT AND EVALUATION OF SURFACE AND SUB-SURFACE DRAINAGE PRACTICES ...Drainage, Interception, Piezometers, Seepage, Surface Flow, ...4.0132
- POLLUTION OF SUBSURFACE WATER BY SANITARY LAND-FILL ...Contamination, Forecasting-prediction, Landfill, Pennsylvania, Pollutants - Path of , ...5.1009

Surface Flow

- HYDROLOGIC MODELS FOR PREDICTING THE EFFECTS OF URBANIZATION ...Groundwater Movement, Land Use, Model Studies, Moisture Content, Seepage, Urban Environments, ...2.0913
- CULTURAL PRACTICES ON EASTGATE BASIN ...Cultivated Soils, Moisture Content, Sediment Yield, Sheetflow, Tillage, Cropping Systems, ...4.0168
- SPATIAL BEHAVIOR OF ROUGHNESS IN LABORATORY WATERSHED, PHASE II ...Energy Loss -water, Model Studies, Roughness, Runoff, Structure-size, Synthetic Hydrology-general, ...2.0703
- HYDRAULICS OF SURFACE IRRIGATION ...Irrigation Engineering, Math Models, Measurement, Porous Media - Flow Through, Surface Irrigation -general, ...2.0047
- HYDRAULICS OF SURFACE IRRIGATION ...Mathematical Analysis, Model Studies, Surface Irrigation -general, ...3.0307
- EFFECT OF SURFACE IRRIGATION HYDRAULICS ON EFFICIENT APPLICATION OF WATER ...Channel Geometry, Channel Roughness, Flow Characteristics -water, Open Channel, Surface Irrigation -general, ...4.0239
- HYDRAULICS OF SURFACE IRRIGATION ...Irrigation Engineering, Math Models, Model Studies, Surface Irrigation -general, Water Application Methods, ...4.0252
- HYDRAULICS OF SURFACE IRRIGATION ...Mathematical Analysis, Model Studies, Other Models, Surface Irrigation -general, Unsteady Flow, ...4.0268
- THE CHARACTERIZATION OF OVERLAND FLOW ON VERY ROUGH SURFACES ...Channel Roughness, Channels, Data Analysis Applications, Flow Characteristics -water, Model Studies, ...8.0192
- INVESTIGATION OF SOIL AND WATER LOSSES THROUGH CROPPING SYSTEMS AND SOIL MANAGEMENT PRACTICES ...Runoff, Soil - Crop Relationships, Soil Environment, Tillage, Cropping Systems, ...3.0195
- DEVELOPMENT AND EVALUATION OF SURFACE AND SUB-SURFACE DRAINAGE PRACTICES ...Drainage, Interception, Piezometers, Seepage, Subsurface Flow, ...4.0132
- BASIC PRINCIPLES AND MECHANICS OF RAINFALL, RUNOFF, SOIL MOVEMENT AND LOSS IN THE CORN BELT ...Engineering Properties-general, Erosion-general, Runoff, Sediment Transport-general, Slopes, Structure-size, ...2.0475

Turbulent Flow

- WIND EFFECTS ON THE DISPERSION OF PARTICULATE POLLUTANTS IN TURBULENT OPEN-CHANNEL FLOW ...Dispersion -water, Flow of Dispersed Solids, Open Channel Flow, Sediments, Wind-other, ...2.0220
- R.I.-MIXING PROCESSES IN ESTUARIES ...Dispersion -water, Estuaries, Flume Studies, Mixing, Model Studies, ...5.0063
- REDUCTION OF RIVER HEAT POLLUTION BY TURBULENCE STIMULATION ...Destratification, Electric Power Plants, Engineering Structures-general, Roughness, Stream Rehabilitation, Thermal Pollution, ...5.0214

- APPLICATION OF MAGNETOHYDRODYNAMICS TO MEASUREMENT OF LIQUID VELOCITY AND TURBULENCE ...Analog Computers, Analog Computers Math, Technique Development, Turbulent, Velocity, Velocity -water, ...2.1166
- TRANSPORT PROCESSES OF PARTICLES IN DILUTE SUSPENSIONS IN TURBULENT WATER FLOW ...Colloidal Phenomena, Flow Characteristics -water, Hydraulics-general, Sedimentation, Transport, ...5.0370
- MICROSCOPIC INVESTIGATION OF TRACTIVE FORCE DISTRIBUTION IN OPEN CHANNEL ...Open Channel Flow, Suspension, Traction, Turbulent, Velocity -water, ...8.0183
- TURBULENCE DIFFUSION AND REAERATION IN NATURAL RIVERS ...Aeration, Flow of Gas in Liquid, Mixing, Model Studies, Tracers-general, ...5.1136
- COMPUTE SIMULATION OF DIFFUSION STUDIES ...Dispersion -water, Monte Carlo Methods, Simulation Theory, Velocity -water, ...5.0785
- PERFORMANCE CHARACTERISTICS OF LARGE SCALE HYDROMECHANICS LABORATORY EQUIPMENT ...Flume Studies, Inflow, Sedimentation, Synthetic Hydrology-general, ...8.0195
- TURBULENT FLOW THROUGH POROUS MEDIA ...Digital Computers, Digital Computers, Finite Differences, Porous Media - Flow Through, Prediction Models, Turbulent, ...2.0354
- TURBULENT FLOW SPECTRAL ANALYSIS ...Engineering Structures-general, Flow Characteristics -water, Turbulent, ...8.0166
- EFFECTS OF OXYGEN DEMAND ON SURFACE REAERATION RATES ...Aeration, Biochemical Oxygen Demand, Chemical Oxygen Demand, Energy, Ions and Gases, ...5.0369
- TURBULENT MIXING IN SURFACE AERATION ...Aeration, Diffuser, Dyes, Mixing, Synthetic Hydrology-general, ...5.1061
- INCIPIENT MOTION OF LARGE ROUGHNESS ELEMENTS IN TURBULENT OPEN CHANNEL FLOW ...Erosion Control, Flow Characteristics -water, Open Channel, Open Channel Flow, Sediment Transport-other, ...2.1062
- SHOALING PROCESSES ...Channels, Sand Bars, Scouring, Sediment Transport-other, Tidewater Areas, ...2.0690
- HYDRAULIC INSTRUMENTATION ...Instrumentation-general, Model Studies, Technique Development, Water Level Fluctuation, ...7.0063
- MECHANICS OF FLOW STRUCTURE AND FLUID RESISTANCE ...Open Channel, Sediment Transport-general, Sedimentation, ...2.0236
- DELAWARE ESTUARY SEDIMENTATION STUDY ...Delaware River, Rate of Deposition, Sand Bars, Sediment Transport-general, Sediment Yield, ...2.0908

Unsaturated Flow

- THE EFFECT OF POTHOLE DRAINAGE UPON GROUND-WATER RESOURCES ...Drainage, Groundwater, Potholes, Radioisotopes, ...4.0144
- ELECTRICAL EFFECTS ON WATER INFILTRATION INTO SOILS ...Electrical Properties, Electroosmosis, Infiltration, Soil Environment, Streaming Potential, Zeta Potential, ...2.0467
- THE PREDICTION OF UNSATURATED FLOW RATES FROM PHYSICAL PROPERTIES OF THE POROUS MEDIUM ...Permeability, Pollutants - Path of , Porous Media - Flow Through, Water Cycle, ...2.0889
- DEEP SEEPAGE ON PIEDMONT WATERSHEDS ...Percolation, Physical Properties-general, Piedmont Province, Saturated Flow, Seepage, Water Table Fluctuation, ...2.0955
- FURTHER STUDIES OF INFILTRATION ...Infiltration, Porous Media - Flow Through, Subsurface Flow, Unsteady Flow, ...5.0124
- TRANSPORT AND FATE OF POLLUTANTS IN SOIL ...Disposal, Internal Water Movement, Pollutants - Path of , Porous Media - Flow Through, Soil, ...5.0517
- PREDICTION OF WATER MOVEMENT IN UNSATURATED SOILS ...Adsorption Capacity, Flow Characteristics -water, Internal Water Movement, Soil Environment, Soil Physical Properties, ...2.0049
- MIXING PROCESSES IN SATURATED AND UNSATURATED SOIL-WATER SYSTEMS IN RELATION TO POLLUTION ...Chemical-general, Internal Water Movement, Mixing, Pollutants - Path of , Saturated Flow, ...2.0086
- PREDICTION OF WATER MOVEMENT IN UNSATURATED SOILS ...Clay, Electrical Properties, Heat Flow, Internal Water Movement, Saturated-unsaturated, ...2.0217
- PREDICTION OF WATER MOVEMENT IN UNSATURATED SOILS ...Boundary Process (moisture), Electrical Properties, In-

- CONVECTION IN ROTATING FLUIDS ...Convection, Flowing Fluid, Forced Convection, Rotating Fluids, ...1.0046
- FLOW FIELD IN A PACKED BED ...Mass Transfer, Packed Bed, Porous Media - Flow Through, Surface-other, ...1.0045

Rate Determination

- WATER TRANSPORT THROUGH HYPERFILTRATION MEMBRANES ...Cellulose Acetate, Desalination, Radioisotopes, Reverse Osmosis, ...3.0239
- THE KINETICS OF COMPRESSIBILITY EFFECTS IN TWO PHASE SINGLE COMPONENT FLOW ...Bubble, Kinetic-general, Spectroscopy-other, Two-phase-other, ...3.0292
- PARAMETRIC ECONOMIC AND ENGINEERING STUDY OF THE REVERSE OSMOSIS PROCESS ...Cost Analysis, Desalination, Membranes-other, Other, Reverse Osmosis, Water Costs, ...3.0073
- THE STRUCTURE OF THE ACTIVE LAYER OF THE ASYMMETRIC CELLULOSE ACETATE MEMBRANE - THE SALT AND WATER PERMEABILITY OF A BIOLOGICAL MEMBRANE ...Cellulose Acetate, Natural Occuring, Other, Porosity, ...3.0353
- SORPTION KINETICS IN FLOW THROUGH GRANULAR PARTICLES ...Adsorption-other, Groundwater, Ion Exchange-other, Porous Media - Flow Through, Tertiary Treatment, Water Quality Control-general, ...5.1191

States of Flow

- ROTATIONAL STABILITY IN DILUTE POLYMER SOLUTIONS ...Polymer Type-other, Rheological-general, Solution, Waste Water Treatment-other, ...1.0028

Fluid Mechanics

Acoustic Effects

TRANSIENT FLOW THROUGH CLOSED CONDUITS ...Eigenvalues, Error Analysis, Interpolation, Pipes, Transient, Valves, ...2.0634

Aerohydroelasticity

Fluid Dynamics

A STUDY OF THE NUCLEATION AND GROWTH CHARACTERISTICS OF SLURRIES OF ICE CRYSTALS ...Crystal Growth, Desalination, Freezing, Nucleation, Shear-flow, ...3.0356

THREE BASIC PROBLEMS IN FLUID MECHANICS EVAPORATIVE CONVECTION, ELECTRO-OSMOSIS, INTERNAL WAVES ...Electrochemistry-other, Flow Characteristics -water, Internal Waves, Photography, Reverse Osmosis, Wave Motion in Fluids-other, ...3.0074

BOUNDARY LAYER FLOW PROBLEMS IN DESALINATION BY REVERSE OSMOSIS ...Desalination, Laminar, Porous Media - Flow Through, ...3.0100

THE ELECTROHYDRODYNAMICS OF ELECTRODIALYSIS SYSTEMS ...Desalination, Electrodialysis, Ion Selective, ...3.0280

PERFORMANCE AND SCIENTIFIC DESIGN OF SPRINKLERS USED FOR IRRIGATION ...Irrigation Engineering, Spray Devices, Sprinkler Irrigation, ...3.0230

FLUID MECHANICS INSTRUCTIONAL EQUIPMENT ...Education and Training, Model Apparatus-other, ...8.0188

THE FINITE ELEMENT METHOD IN FLUID MECHANICS ...Degradation, Finite Differences, Groundwater Movement, Non-autonomous, Saturated Flow, ...5.0302

HYDRAULIC INVESTIGATION OF TAINTER GATES AS FLOW MEASURING DEVICES ...Control Gate, Fluids, Measurement, ...8.0167

INSTRUMENTATION FOR RESEARCH .. Doppler, Instrumental Services, Recording Systems, Turbulence, Velocity, ...7.0109

ENERGY DISSIPATORS ...Energy Dissipators, Model Studies, Technique Development, ...8.0114

Body Theory

Compressible Fluid

LAMINAR AND TURBULENT FLOW OF FLUIDS THROUGH POROUS MEDIA ...Incompressible Fluid, Partial, Porous Media - Flow Through, Statistics-general, ...2.0227

FLUID ELASTIC OPERATORS FOR UNDER-STREAMLINED STRUCTURES ...Deformations, Geometric Configuration, Hydraulic Equipment, ...2.0472

Drag

ENGINEERING INVESTIGATION PERTAINING TO FLOOD PROTECTION OF BRIDGES AND CULVERTS ...Bridges & Culverts, Culvert, Design Criteria, Drainage, Erosion Control, Floods, ...8.0145

WAVE FORCES ON SUBMERGED STRUCTURES ...Hydraulic Structures, Lift, Shoreline Structures, Wave Action, Waves, ...2.0629

INCIPIENT MOTION OF ROUGHNESS ELEMENTS IN TURBULENT OPEN CHANNEL FLOW ...Channel Roughness, Design Criteria, Lift, Open Channel, Turbulent, ...2.1061

HYDRODYNAMIC FORCES ON NON-COHESIVE BED PARTICLES INCLUDING SEEPAGE ...Seepage, ...2.1079

EFFECT OF DRAG REDUCING ADDITIVES IN WATER TRANSPORTATION ...Additives, Close Channel, Fluid Flow-other, Laminar - Turbulent, Polymer Type-other, ...1.0111

RIPRAP, REQUIREMENTS IN CHANNELS ...Lift, Lining, Models, Open Channel, Velocity, ...8.0246

Incompressible Fluid

LAMINAR AND TURBULENT FLOW OF FLUIDS THROUGH POROUS MEDIA ...Compressible Fluid, Partial, Porous Media - Flow Through, Statistics-general, ...2.0227

Lift

WAVE FORCES ON SUBMERGED STRUCTURES ...Drag, Hydraulic Structures, Shoreline Structures, Wave Action, Waves, ...2.0629

INCIPIENT MOTION OF ROUGHNESS ELEMENTS IN TURBULENT OPEN CHANNEL FLOW ...Channel Roughness, Design Criteria, Drag, Open Channel, Turbulent, ...2.1061

RIPRAP, REQUIREMENTS IN CHANNELS ...Drag, Lining, Models, Open Channel, Velocity, ...8.0246

Boundary Layer

Boundary-layer-other

COUPLING OF FLOWS AROUND AND THROUGH POROUS MEDIA ...Filter Materials, Liquid - Solid Interactions, Porous Media - Flow Through, ...2.0661

FREE-STREAMLINE FLOW OVER DISCONTINUITIES IN A BOUNDARY LAYER ...Differential Equations, Partial, Rotating Fluids, Supercavitating Flow, ...2.0658

Bubble

THE KINETICS OF COMPRESSIBILITY EFFECTS IN TWO PHASE SINGLE COMPONENT FLOW ...Kinetic-general, Rate Determination, Spectroscopy-other, Two-phase-other, ...3.0292

THE EFFECT OF GAS BUBBLE MOTION ON FLUID MIXING IN AERATION PROCESS ...Aeration, Diffusion, Mass Transfer, ...5.0798

Eddies

RESEARCH AND BASIC DATA ON THERMAL POLLUTION ...Diffusion, Dissipation, General Synoptic Observations, Mixed Modes, Streams, Thermal Pollution, ...4.0058

AN EXPERIMENTAL STUDY OF EDDY DIFFUSION COEFFICIENTS, EVAPOTRANSPIRATION AND WATER USE EFFICIENCY ...Diffusion, Evaporation, Evapotranspiration, Natural Variation of Water Use, Transpiration, Wind Or Air Movement, ...2.0437

Growth

EXPERIMENTAL STUDY OF MOTION OF CAVITATION BUBBLES ...Bubbles, Close Channel, Inception, Turbulent, ...8.0270

Laminar - Turbulent

A STUDY OF PROBLEMS RELATED TO WIND-GENERATED WAVES ...Fluid-properties-other, Free Surface Waves, Turbulent, Wind-water Interaction, ...2.0132

THE STABILITY OF WATER FLOWS OVER A HEATED OR COOLED SOLID SURFACE ...Flowing Fluid, Forced Convection, Skin Friction, Surface Phenomena, ...2.0113

EFFECT OF DRAG REDUCING ADDITIVES IN WATER TRANSPORTATION ...Additives, Close Channel, Drag, Fluid Flow-other, Polymer Type-other, ...1.0111

TURBULENT BOUNDARY LAYERS IN PRESSURE GRADIENTS ...Analysis-other, Integrals, Pressure Gradient, Separation, ...8.0181

Pressure Gradient

ASYMMETRIC BUBBLE COLLAPSE STUDIES 6310 ...Bubbles, Cavity Flow, Coaxial, Photography-general, ...1.0067

TURBULENT BOUNDARY LAYERS IN PRESSURE GRADIENTS ...Analysis-other, Integrals, Laminar - Turbulent, Separation, ...8.0181

Separation

TURBULENT BOUNDARY LAYERS IN PRESSURE GRADIENTS ...Analysis-other, Integrals, Laminar - Turbulent, Pressure Gradient, ...8.0181

Cavitation

Cavitation-general

CAVIATION ...Cavitation, Hydraulic Structures, Model Apparatus-general, Structure Sites, ...8.0243

Cavitation-other

DIFFUSION OF ENTRAPPED GASES IN POROUS MEDIA ...Aquifers-general, Compressibility-gas-liq, Diffusion, Groundwater, Ions and Gases, Porous Media - Flow Through, ...2.0269

FLOW SURFACE PROTECTION ...Aeration, Engineering Structures-general, Hydraulics-general, ...8.0038

ALLOY SELECTION FOR CAVITATION RESISTANCE ...Cavitation, Metallic Alloys, Test Methods, Turbine-other, ...8.0025

Cavity Flow

ASYMMETRIC BUBBLE COLLAPSE STUDIES 6310 ...Bubbles, Coaxial, Photography-general, Pressure Gradient, ...1.0067

Inception

EXPERIMENTAL STUDY OF MOTION OF CAVITATION BUBBLES ...Bubbles, Close Channel, Growth, Turbulent, ...8.0270

FREE SURFACE VORTEX RESEARCH ...Surface Phenomena, Viscosity, Vortex, ...1.0071

Supercavitating Flow

FREE-STREAMLINE FLOW OVER DISCONTINUITIES IN A BOUNDARY LAYER ...Boundary-layer-other, Differential Equations, Partial, Rotating Fluids, ...2.0658

Ventilated Cavities

TWO-PHASE FLOW IN A VERTICAL BEND ...Close Channel, Engineering Structures-general, Open Channel, Stratified Flow, Two-phase-other, ...8.0163

POLLUTION CONTROL OF BATHING BEACHES BY USE OF A PNEUMATIC CURTAIN ...Close Channel, Jet Flow-other, Pneumatic-device, Shoreline - Coastline, Water Quality Control-general, ...5.0784

Classification of Flow

Coaxial

ASYMMETRIC BUBBLE COLLAPSE STUDIES 6310 ...Bubbles, Cavity Flow, Photography-general, Pressure Gradient, ...1.0067

Critical

SUBCRITICAL FLOW AT OPEN CHANNEL STRUCTURES ...Control Gate, Design Criteria, Measurement, Open Channel, Transition Sections, ...4.0261

THEORETICAL AND EXPERIMENTAL STUDY OF SUPERCRITICAL FLOW IN CIRCULAR DRAINS AND OF THE FORMATION OF HYDRAULIC JUMP IN THE SAME ...Drainage Systems, Engineering Structures-general, Flow of Gas in Liquid, Pipes, Survey Studies, ...2.0935

OPEN-CHANNEL TRANSITIONS IN SUPERCRITICAL FLOW ...Channel Geometry, Cross-section, Hydraulics-general, Open Channel, Open Channel Flow, ...8.0283

HYDRAULIC MODEL STUDIES OF A PUMP INLET MANIFOLD ...Axial Flow, Desalination, Distilling Units, Flash Distillation, High Pressure, Models, ...3.0120

Incompressible

UNSTEADY FLOW PARAMETERS IN HYDRAULIC DESIGN ...Conduit, Pressure, Reservoirs, Transition Sections, Unsteady, ...8.0200

Inviscid

HYDRODYNAMIC PROBLEMS WITH RANDOM BOUNDARY CONDITIONS ...Three-dimensional, Viscous, ...1.0130

Laminar

BOUNDARY LAYER FLOW PROBLEMS IN DESALINATION BY REVERSE OSMOSIS ...Desalination, Fluid Dynamics, Porous Media - Flow Through, ...3.0100

Non - Newtonian

ATOMIZATION AND DROP SIZE OF NON-NEWTONIAN FLUID ...Atomization, Distribution, Nozzles, Solution, Spray Devices, ...5.0796

THE SURFACE SHEAR VISCOSITY OF MONOMOLECULAR FILMS ...Viscosity, ...5.0791

FLOW LAWS FOR THE MOVEMENT OF WATER IN SOILS ...Force, Porous Media - Flow Through, ...2.0470

Secondary Flows

DEPOSITION OF FINE SEDIMENTS IN 'TURBULENT' FLOWS ...Channel Roughness, Open Channel, Sedimentation, Shear-flow, Turbulent, ...5.0764

Shear-flow

A STUDY OF THE NUCLEATION AND GROWTH CHARACTERISTICS OF SLURRIES OF ICE CRYSTALS ...Crystal Growth, Desalination, Fluid Dynamics, Freezing, Nucleation, ...3.0356

DEPOSITION OF FINE SEDIMENTS IN 'TURBULENT' FLOWS ...Channel Roughness, Open Channel, Secondary Flows, Sedimentation, Turbulent, ...5.0764

INVESTIGATIONS OF STREAM CHANNEL MORPHOLOGY IN THE SOUTHERN BRANCH AND AT THE USDA SEDIMENTATION LABORATORY ...Alluvial Deposits, Flow Characteristics -water, Meanders, Morphology-general, Roughness, Scouring, ...2.0678

DEVELOPMENT OF STRUCTURAL MEASURES FOR SEDIMENT CONTROL AND FOR STREAM CHANNEL STABILIZATION IN THE SOUTHERN BRANCH ...Agricultural Watersheds, Channel Geometry, Engineering Structures-general, Open Channel, Sedimentation, Velocity, ...5.0622

Steady

UNSTEADY FREE SURFACE FLOW IN LONG STORM DRAIN ...Drainage, Eigenvalues, Engineering Structures-general, Other Methods, Pipes, Transition Sections, Unsteady, ...8.0142

MECHANICS OF FLOW IN OPEN CHANNEL SYSTEMS ...Numerical Analysis-other, Open Channel, Shock Waves, Unsteady, Waves in Liquids, ...2.0097

HYDRAULICS OF SURFACE IRRIGATION ...Differential Equations, Digital Computers, Irrigation, Surface Irrigation -general, Unsteady, ...2.0098

THE DRAINAGE OF IRRIGATED LANDS ...Drainage, Irrigation-general, Permeability, Subsurface Flow, Water Table Fluctuation, ...4.0251

GROUND WATER DISPERSION DURING PUMPING AND RECHARGE OPERATIONS ...Approximations, Artificial Recharge, Dimension-two, Dispersion -water, Finite Differences, Groundwater, Porous Media - Flow Through, ...5.0529

THE MECHANICS OF OPEN-CHANNEL FLOW SYSTEMS ...Flow Characteristics -water, Open Channel, Transient, Transition Sections, Unsteady, ...8.0011

Stratified

DISPERSION OF WATER POLLUTANTS IN CURVILINEAR FLOWS ...Channel Geometry, Fluid Mixing, Open Channel, Pollutants - Path of, Turbulent, ...5.0414

DISSIPATION AND DIFFUSION OF HEAT IN STREAMS AND LAKES ...Stratification, Temperature, Thermal Pollution, ...2.0303

Three-dimensional

HYDRODYNAMIC PROBLEMS WITH RANDOM BOUNDARY CONDITIONS ...Inviscid, Viscous, ...1.0130

Transient

TRANSIENT FLOW THROUGH CLOSED CONDUITS ...Acoustic Effects, Eigenvalues, Error Analysis, Interpolation, Pipes, Valves, ...2.0634

THE MECHANICS OF OPEN-CHANNEL FLOW SYSTEMS ...Flow Characteristics -water, Open Channel, Steady, Transition Sections, Unsteady, ...8.0011

TRANSIENT FLOW IN OPEN CHANNELS ...Channel Geometry, Hydraulic Gradient, Open Channel Flow, Pump-other, Siphon, ...8.0039

Turbulent

A STUDY OF PROBLEMS RELATED TO WIND-GENERATED WAVES ...Fluid-properties-other, Free Surface Waves, Laminar - Turbulent, Wind-water Interaction, ...2.0132

INCIPIENT MOTION OF ROUGHNESS ELEMENTS IN 'TURBULENT' OPEN CHANNEL FLOW ...Channel Roughness, Design Criteria, Drag, Lift, Open Channel, ...2.1061

THEORETICAL AND EXPERIMENTAL STUDIES OF 'TURBULENCE AND MIXING NEAR ROUGH SURFACES' ...Fluid Mixing, Lasers-masers, Meters, ...3.0459

A STUDY OF HYDRODYNAMIC ASPECTS OF REVERSE OSMOSIS %HYPERFILTRATION...Cost Analysis, Desalination, Fluid Flow-other, Reverse Osmosis, Water Purification Plants, ...5.1144

TURBULENT MIXING IN SUBMERGED FLUID JETS ...Fluid Mixing, Mixing, Pollutants - Path of, Thermal Pollution, ...5.1130

APPLICATION OF MAGNETOHYDRODYNAMICS TO MEASUREMENT OF LIQUID VELOCITY AND TURBULENCE ...Analog Computers, Analog Computers Math, Technique Development, Turbulent Flow, Velocity, Velocity -water, ...2.1166

THE USE OF LIGHT-WEIGHT SPHERICAL PARTICLES FOR DISCHARGE MEASUREMENT IN OPEN CHANNELS ...Flume, Measurement, Models, Open Channel, Velocity, ...7.0069

MICROSCOPIC INVESTIGATION OF TRACTIVE FORCE DISTRIBUTION IN OPEN CHANNEL ...Open Channel Flow, Suspension, Traction, Turbulent Flow, Velocity -water, ...8.0183

THE FLOW OF WATER IN FLUMES AND CANALS ...Canals, Channel Geometry, Flume, Open Channel, Open Channel Flow, ...8.0222

TURBULENT MIXING IN SUBMERGED TWO-DIMENSIONAL WALL JETS ...Diffusion, Flow of Dispersed Solids, Thermal Pollution, Velocity, ...2.0992

ORTHOKINETIC FLOCCULATION OF HETERODISPERSED SYSTEMS ...Digestive Tanks, Flocculation, Mechanical Device Treatment, Precipitation, ...5.0067

Fluid Mechanics

SUBJECT INDEX

MASS TRANSFER ANALYSIS IN REVERSE OSMOSIS OPERATION ...Free Convection, Mass Transfer, Reverse Osmosis, Waste Water Treatment-ther, Water, ...5.0797

DEPOSITION OF FINE SEDIMENTS IN TURBULENT FLOWS ...Channel Roughness, Open Channel, Secondary Flows, Sedimentation, Shear-flow, ...5.0764

DISPERSION OF WATER POLLUTANTS IN CURVILINEAR FLOWS ...Channel Geometry, Fluid Mixing, Open Channel, Pollutants - Path of, Stratified, ...5.0414

TURBULENCE IN LIQUIDS ...Detectors and Sensors, Quartz, Turbulence, ...8.0187

TURBULENT FLOW THROUGH POROUS MEDIA ...Digital Computers, Digital Computers, Finite Differences, Porous Media - Flow Through, Prediction Models, Turbulent Flow, ...2.0354

TURBULENT FLOW SPECTRAL ANALYSIS ...Engineering Structures-general, Flow Characteristics -water, Turbulent Flow, ...8.0166

INVESTIGATION OF THE TURBULENT TRANSPORT MECHANISMS FOR HEAT AND MOMENTUM TRANSFER IN PIPE FLOW ...Digital Computers, Heat-transfer-other, Statistics-general, Velocity, ...5.0371

EXPERIMENTAL STUDY OF MOTION OF CAVITATION BUBBLES ...Bubbles, Close Channel, Growth, Inception, ...8.0270

FLOW IN ECCENTRIC ANNULAR PIPES ...Configuration of Body, Friction, Pipes, Shape, ...8.0182

HYDRAULICS LABORATORY ...Channels, Flow of Dispersed Solids, Open Channel, Sedimentation, Streams, Suspension, ...8.0146

MECHANICS OF FLUID RESISTANCE ...Channel Roughness, Close Channel, Friction, Skin Friction, Viscosity, ...2.0362

Unsteady

UNSTEADY FREE SURFACE FLOW IN LONG STORM DRAIN ...Drainage, Eigenvalues, Engineering Structures-general, Other Methods, Pipes, Steady, Transition Sections, ...8.0142

MECHANICS OF FLOW IN OPEN CHANNEL SYSTEMS ...Numerical Analysis-other, Open Channel, Shock Waves, Steady, Waves in Liquids, ...2.0097

UNSTEADY FLOW PARAMETERS IN HYDRAULIC DESIGN ...Conduit, Incompressible, Pressure, Reservoirs, Transition Sections, ...8.0200

UNSTEADY FLOW TOWARD PARTIALLY PENETRATING ARTESIAN WELLS ...Artesian Flow, Groundwater Movement, Mathematical Analysis, Seepage, Unsteady Flow, ...2.0522

UNSTEADY FLOW OF DILUTE AQUEOUS HIGH POLYMER SOLUTIONS IN PIPES ...Additives, Fluid Flow-other, Mathematics Matching Code, Pipes, Size, ...8.0164

UNSTEADY FLOW OF GROUNDWATER-DISPERSION AND SALT WATER INTRUSION IN NON-HOMOGENEOUS MEDIA ...Dispersion -water, Model Studies, Saline Water Intrusion, Unsteady Flow, ...2.1159

MATHEMATICAL MODELS OF HYDROLOGIC SYSTEMS ...Economics-general, Hydraulic Structures, Model Studies, Open Channel, Unsteady Flow, Water Quality-general, ...6.0382

OPTIMAL DESIGN OF SEWER AND DRAINAGE SYSTEMS ...Digital Computers, Open Channel, Process Design, Sewerage Systems-other, ...5.0530

HYDRAULICS OF SURFACE IRRIGATION ...Differential Equations, Digital Computers, Irrigation, Steady, Surface Irrigation - general, ...2.0098

NUMERICAL ANALYSIS OF TIME-DEPENDENT FREE SURFACE FLOWS ...Capillarity, Dimension-three, Finite Differences, Open Channel, Partial, ...2.0441

THE MECHANICS OF OPEN-CHANNEL FLOW SYSTEMS ...Flow Characteristics -water, Open Channel, Steady, Transient, Transition Sections, ...8.0011

THE HYDRAULICS AND MEASUREMENT OF CHANNEL, FLOOD PLAIN, AND OVERLAND FLOW IN THE SOUTHERN PLAINS ...Channel Roughness, Channels, Floodplains, Measurement, Open Channel, ...8.0276

Viscous

HYDRODYNAMIC PROBLEMS WITH RANDOM BOUNDARY CONDITIONS ...Inviscid, Three-dimensional, ...1.0130

FLOW REGIMES IN POROUS MEDIA ...Applications, Flow Characteristics -water, Model Studies, Porosity, Porous Media - Flow Through, ...8.0189

Vortex

SEPHTON FLASH TUBE (VORTEX TUBE) PROCESS ...Desalination, Distillation-other, Distilling Units, Flexible, ...3.0081

FREE SURFACE VORTEX RESEARCH ...Inception, Surface Phenomena, Viscosity, ...1.0071

INTAKES, ENTRANCES, AND TRANSITIONS ...Energy Losses-other, Penstock, Pipes, Power Development, Transition Sections, ...8.0099

Conduit Flow

Close Channel

TWO-PHASE FLOW IN A VERTICAL BEND ...Engineering Structures-general, Open Channel, Stratified Flow, Two-phase-other, Ventilated Cavities, ...8.0163

EFFECT OF DRAG REDUCING ADDITIVES IN WATER TRANSPORTATION ...Additives, Drag, Fluid Flow-other, Laminar - Turbulent, Polymer Type-other, ...1.0111

MASS TRANSFER AND CHEMICAL REACTION IN TWO PHASE FLOW ...Mass Transfer, Mathematical Analysis, Model Studies, Phase Relationship, Waste Water Treatment-general, ...5.0225

POLLUTION CONTROL OF BATHING BEACHES BY USE OF A PNEUMATIC CURTAIN ...Jet Flow-other, Pneumatic-device, Shoreline - Coastline, Ventilated Cavities, Water Quality Control-general, ...5.0784

EXPERIMENTAL STUDY OF MOTION OF CAVITATION BUBBLES ...Bubbles, Growth, Inception, Turbulent, ...8.0270

MECHANICS OF FLUID RESISTANCE ...Channel Roughness, Friction, Skin Friction, Turbulent, Viscosity, ...2.0362

Conduit Flow-other

SALT WATER ENTRAINMENT FOR DILUTION IN SEWER OUTFALLS ...Dispersion -water, Fluid Flow-other, Fluid Mixing, Ocean, Outlet, Sewers, Two-phase-other, ...5.1265

FREE SURFACE FLOW AND WAVE PROPAGATION THROUGH CHANNEL-FLOOD PLAIN GEOMETRIES ...Channels, Floodplains, Flow Characteristics -water, Free Surface Waves, Model Studies, ...8.0196

Flexible

SEPHTON FLASH TUBE (VORTEX TUBE) PROCESS ...Desalination, Distillation-other, Distilling Units, Vortex, ...3.0081

Open Channel

TWO-PHASE FLOW IN A VERTICAL BEND ...Close Channel, Engineering Structures-general, Stratified Flow, Two-phase-other, Ventilated Cavities, ...8.0163

Configuration of Body

FLOW IN ECCENTRIC ANNULAR PIPES ...Friction, Pipes, Shape, Turbulent, ...8.0182

Dimensionless-parameters

Froude Number

SOIL EROSION STUDIES IN OKLAHOMA AND SOIL SEDIMENTATION STUDIES IN OKLAHOMA ...Channel Geometry, Culvert, Drainage, Erosion-general, Stabilization-general, ...2.0877

Environment of Fluids

High Pressure

HYDRAULIC MODEL STUDIES OF A PUMP INLET MANIFOLD ...Axial Flow, Critical, Desalination, Distilling Units, Flash Distillation, Models, ...3.0120

Fluid Mixing

THEORETICAL AND EXPERIMENTAL STUDIES OF TURBULENCE AND MIXING NEAR ROUGH SURFACES ...Lasers-masers, Meters, Turbulent, ...3.0459

TURBULENT MIXING IN SUBMERGED FLUID JETS ...Mixing, Pollutants - Path of, Thermal Pollution, Turbulent, ...5.1130

SALT WATER ENTRAINMENT FOR DILUTION IN SEWER OUTFALLS ...Conduit Flow-other, Dispersion -water, Fluid Flow-other, Ocean, Outlet, Sewers, Two-phase-other, ...5.1265

MOVEMENT AND MIXING OF WATER INJECTED INTO AQUIFERS ...Aquifers-general, Artificial Recharge, Dispersion -water, Exchange Capacity, Flow Augmentation, Groundwater Movement, Water Wells, ...5.0527

DISPERSION OF WATER POLLUTANTS IN CURVILINEAR FLOWS ...Channel Geometry, Open Channel, Pollutants - Path of, Stratified, Turbulent, ...5.0414

SUBJECT INDEX

Heat Transfer

Forced Convection

THE STABILITY OF WATER FLOWS OVER A HEATED OR COOLED SOLID SURFACE ...Flowing Fluid, Laminar - Turbulent, Skin Friction, Surface Phenomena, ...2.0113

CONVECTION IN ROTATING FLUIDS ...Convection, Flowing Fluid, Fluid Flow-other, Rotating Fluids, ...1.0046

Free Convection

MASS TRANSFER ANALYSIS IN REVERSE OSMOSIS OPERATION ...Mass Transfer, Reverse Osmosis, Turbulent, Waste Water Treatment-other, Water, ...5.0797

Heat Trans Coefficient

LIFE TEST OF NOVEL EVAPORATOR ...Desalination, Distilling Units, Pilot Plants, Sea Water-general, ...3.0368

Heat-transfer-other

THE CONTROL OF SCALING ON HEAT TRANSFER SURFACES BY DIRECT CONTACT WITH A FLUIDIZED BED OF GRANULAR MATERIAL ...Desalination, Distilling Units, Filtration, Fluidized Bed, Scale Formation, ...3.0370

A STUDY OF HEAT TRANSFER IN THE FLUTED VERTICAL TUBE EVAPORATOR ...Desalination, Distillation-other, Distilling Units, Heat Transfer Coefficients, ...3.0456

INVESTIGATION OF THE TURBULENT TRANSPORT MECHANISMS FOR HEAT AND MOMENTUM TRANSFER IN PIPE FLOW ...Digital Computers, Statistics-general, Turbulent, Velocity, ...5.0371

GREAT LAKES RESEARCH - ENERGY TRANSFER AT THE AIR-WATER INTERFACE ...Data Analysis - General, Heat and Radiation Transfer, Lake Michigan, Mass Transfer, Towers, Wind-water Interaction, ...2.0639

Mixed Modes

RESEARCH AND BASIC DATA ON THERMAL POLLUTION ...Diffusion, Dissipation, Eddies, General Synoptic Observations, Streams, Thermal Pollution, ...4.0058

SIMULTANEOUS RADIATION, CONVECTION AND CONDUCTION IN A TRANSPIRATION PROCESS ...Porous Media - Flow Through, Temperature, Transpiration, ...2.1154

THE ROLE OF LANGMUIR CIRCULATIONS IN MIXING OF LAKE GEORGE ...Lakes, Mixing, New York, Rotating Fluids, Temperature, ...2.0780

Jet Flow

Impinging Jets

IMPINGEMENT OF A FLUID ON A FLUID SURFACE ...Interface, Surface Phenomena, Tension, ...1.0127

Jet Flow-other

BOUNDARY EFFECTS ON JET FLOW PATTERNS RELATED TO WATER QUALITY AND POLLUTION PROBLEMS ...Flow Characteristics -water, Reservoirs and Impoundments, Velocity, Velocity -water, Water Quality Control-general, ...8.0180

POLLUTION CONTROL OF BATHING BEACHES BY USE OF A PNEUMATIC CURTAIN ...Close Channel, Pneumatic-device, Shoreline - Coastline, Ventilated Cavities, Water Quality Control-general, ...5.0784

OCEANOGRAPHIC FACTORS IN THE FUNCTIONAL DESIGN OF WASTE DISPOSAL SYSTEMS ...Mixing, Nuclear Power, Outlet, Process Design, Sewers, ...5.0115

Model Apparatus

Model Apparatus-general

CAVIATION ...Cavitation, Cavitation-general, Hydraulic Structures, Structure Sites, ...8.0243

Model Apparatus-other

FLUID MECHANICS INSTRUCTIONAL EQUIPMENT ...Education and Training, Fluid Dynamics, ...8.0188

Water Tunnels Tables

AN ANALYTICAL AND EXPERIMENTAL STUDY OF BED FORMS UNDER WATER WAVES ...Channel Roughness, Friction, Geomorphology-topography, Model Studies, Wave Action, Waves, ...2.0347

DESIGN OF INSTRUCTIONAL EQUIPMENT FOR LABORATORY DEMONSTRATIONS IN FLUID MECHANICS ...Model Studies, Tanks, Wind Tunnels, ...8.0194

Porous Media - Flow Through

SIMULTANEOUS RADIATION, CONVECTION AND CONDUCTION IN A TRANSPIRATION PROCESS ...Mixed Modes, Temperature, Transpiration, ...2.1154

STUDY OF TRANSPORT, DEPOSITION AND SCOUR OF FINE PARTICLES THROUGH A POROUS MEDIUM ...Flow Characteristics -water, Permeability, Porosity, Sedimentation, Silting, ...2.0081

Fluid Mechanics

SUBJECT INDEX

- DIFFUSION OF ENTRAPPED GASES IN POROUS MEDIA ...Aquifers-general, Cavitation-other, Compressibility--gas-liq, Diffusion, Groundwater, Ions and Gases, ...2.0209
- COUPLING OF FLOWS AROUND AND THROUGH POROUS MEDIA ...Boundary-layer-other, Filter Materials, Liquid - Solid Interactions, ...2.0661
- NATURAL CONVECTION IN WATER-SATURATED POROUS MEDIA ...Flow Types-other, Model Studies, Velocity, Viscosity, ...2.0917
- LAMINAR AND TURBULENT FLOW OF FLUIDS THROUGH POROUS MEDIA ...Compressible Fluid, Incompressible Fluid, Partial, Statistics-general, ...2.0227
- FLOW REGIMES IN POROUS MEDIA ...Applications, Flow Characteristics -water, Model Studies, Porosity, Viscous, ...8.0189
- AN EXPERIMENTAL STUDY OF VARIABLE PHYSICAL PROPERTY AND NATURAL CONVECTION EFFECTS IN POROUS MEDIA ...Dispersion -water, Flow of Dispersed Solids, Model Studies, ...3.0358
- BOUNDARY LAYER FLOW PROBLEMS IN DESALINATION BY REVERSE OSMOSIS ...Desalination, Fluid Dynamics, Laminar, ...3.0109
- THE PREDICTION OF UNSATURATED FLOW RATES FROM PHYSICAL PROPERTIES OF THE POROUS MEDIUM ...Permeability, Pollutants - Path of, Unsaturated Flow, Water Cycle, ...2.0889
- EFFECT OF PHYSICAL PROPERTIES OF POROUS MEDIA ON WATER MOVEMENT ...Mathematical Analysis, Permeability, Porosity, Size, Subsurface Flow, ...2.0391
- FURTHER STUDIES OF INFILTRATION ...Infiltration, Subsurface Flow, Unsaturated Flow, Unsteady Flow, ...5.0124
- TRANSPORT AND FATE OF POLLUTANTS IN SOIL ...Disposal, Internal Water Movement, Pollutants - Path of, Soil, Unsaturated Flow, ...5.0517
- DISPERSION DURING FLOW IN HETEROGENEOUS POROUS MEDIA ...Differential Equations General, Dispersion -water, Model Studies, Seepage, Statistical Models, ...5.0394
- HYDRAULICS OF SURFACE IRRIGATION ...Irrigation Engineering, Math Models, Measurement, Surface Flow, Surface Irrigation -general, ...2.0047
- INVESTIGATION OF WATER STORAGE AND MOVEMENT IN SOILS ...Moisture Content, Permeability, Saturated-unsaturated, Seepage, Storage of Water, ...2.0433
- FLOW LAWS FOR THE MOVEMENT OF WATER IN SOILS ...Force, Non - Newtonian, ...2.0470
- FLOW OF COLLOIDAL SUSPENSIONS IN POROUS MEDIA ...Colloidal Phenomena, Model Studies, Radioisotopes, Suspension, ...2.0871
- FLOW THROUGH UNSATURATED POROUS MEDIA ...Groundwater, Infiltration, Unsaturated Flow, ...2.0356
- TURBULENT FLOW THROUGH POROUS MEDIA ...Digital Computers, Digital Computers, Finite Differences, Prediction Models, Turbulent, Turbulent Flow, ...2.0354
- FLOW THROUGH ANISOTROPIC LAYERED MEDIA ...Finite Differences, Matrix Methods, Permeability, Recharge -general, Seepage, ...2.0355
- AIR INJECTION INTO AN AQUIFER ...Aquifers-general, Laboratory Analysis, Permeability, Saline Water Intrusion, ...2.0358
- GROUND WATER DISPERSION DURING PUMPING AND RECHARGE OPERATIONS ...Approximations, Artificial Recharge, Dimension-two, Dispersion -water, Finite Differences, Groundwater, Steady, ...5.0529
- FLOW IN HETEROGENEOUS POROUS MEDIA ...Mathematical Analysis, Model Studies, Statistical Models, Two-phase-other, ...8.0190
- FLOW FIELD IN A PACKED BED ...Fluid Flow-other, Mass Transfer, Packed Bed, Surface-other, ...1.0045
- ACCESSIBILITY OF PORES IN POROUS MEDIA ...Porosity, ...8.0017
- UNSATURATED FLOW RATES ...Forecasting-prediction, Internal Water Movement, Permeability, Unsaturated Flow, Void Ratio and Porosity, ...2.0890
- INDIVIDUAL WATER FILTRATION DEVICE ...Filtration, Pump-other, Sediments, Technique Development, Waste Water Treatment-general, ...3.0252
- TRANSPORT PROCESSES IN FLUID FLOWS ...Clastic Aquifers, Dispersion -water, Dyes, Mathematical Analysis, Model Studies, ...2.0368
- PERMEABILITY RESEARCH ...Groundwater Movement, Observation Wells, Permeability, Saturated Flow, Unsaturated Flow, ...2.0183

NUMERICAL SIMULATION OF HYDRODYNAMIC PHENOMENA BY DIGITAL COMPUTER ...Groundwater, Model Studies, Open Channel Flow, Subsurface Flow, Waves, ...2.1096

SORPTION KINETICS IN FLOW THROUGH GRANULAR PARTICLES ...Adsorption-other, Groundwater, Ion Exchange-other, Rate Determination, Tertiary Treatment, Water Quality Control-general, ...5.1191

Resistance

Frictional

MEASUREMENT AND ANALYSIS OF NATURAL-TYPE SURFACES AFFECTING FLUID FLOW ...Channel Roughness, Computers-general, Fluid Flow-other, Hydraulic Gradient, ...2.0247

Skin Friction

THE STABILITY OF WATER FLOWS OVER A HEATED OR COOLED SOLID SURFACE ...Flowing Fluid, Forced Convection, Laminar - Turbulent, Surface Phenomena, ...2.0113

MECHANICS OF FLUID RESISTANCE ...Channel Roughness, Close Channel, Friction, Turbulent, Viscosity, ...2.0362

Rotating Fluids

FREE-STREAMLINE FLOW OVER DISCONTINUITIES IN A BOUNDARY LAYER ...Boundary-layer-other, Differential Equations, Partial, Supercavitating Flow, ...2.0658

FLOW OF A ROTATING FLUID OVER IRREGULAR SURFACE TOPOGRAPHIES ...Channels, Flow Characteristics -water, Roughness, ...2.0249

THE ROLE OF LANGMUIR CIRCULATIONS IN MIXING OF LAKE GEORGE ...Lakes, Mixed Modes, Mixing, New York, Temperature, ...2.0780

CONVECTION IN ROTATING FLUIDS ...Convection, Flowing Fluid, Fluid Flow-other, Forced Convection, ...1.0046

DYNAMICS OF RESERVOIR DESTRATIFICATION ...Aeration, Destratification, Diffuser, Oklahoma, Reservoirs and Impoundments, ...5.0911

Separation

Separation-flow-other

DYNAMIC SEPARATION OF SUSPENDED SOLIDS ...Flow Characteristics -water, Nozzles, Sediments, ...5.0674

Surface Phenomena

THE STABILITY OF WATER FLOWS OVER A HEATED OR COOLED SOLID SURFACE ...Flowing Fluid, Forced Convection, Laminar - Turbulent, Skin Friction, ...2.0113

LOSS COEFFICIENT IN A CHANNEL BEND WITH NATURALLY DEFORMED BED ...Energy Losses-other, Model Studies, Open Channel, Transition Sections, Velocity, ...2.0934

OPEN CHANNEL TRANSITIONS ...Canals, Energy Losses-other, Flow Characteristics -water, Open Channel, Transition Sections, ...8.0004

IMPINGEMENT OF A FLUID ON A FLUID SURFACE ...Impinging Jets, Interface, Tension, ...1.0127

FREE SURFACE VORTEX RESEARCH ...Inception, Viscosity, Vortex, ...1.0071

Transport

Diffusion

RESEARCH AND BASIC DATA ON THERMAL POLLUTION ...Dissipation, Eddies, General Synoptic Observations, Mixed Modes, Streams, Thermal Pollution, ...4.0058

DIFFUSION OF ENTRAPPED GASES IN POROUS MEDIA ...Aquifers-general, Cavitation-other, Compressibility--gas-liq, Groundwater, Ions and Gases, Porous Media - Flow Through, ...2.0209

TURBULENT MIXING IN SUBMERGED TWO-DIMENSIONAL WALL JETS ...Flow of Dispersed Solids, Thermal Pollution, Turbulent, Velocity, ...2.0992

EDDY DIFFUSION AND BACTERIAL REDUCTION IN WASTE FIELDS ...Bacterial Pollutant Sources, Dispersion -water, Dyes, Mixing, Pollutants - Path of, Sewers, ...5.0111

AIRPHOTO ANALYSIS OF OCEAN OUTFALL DISPERSION ...Longshore Currents, Ocean, Outlet, Photogrammetry, Pollution-general, ...5.0941

THE EFFECT OF GAS BUBBLE MOTION ON FLUID MIXING IN AERATION PROCESS ...Aeration, Bubble, Mass Transfer, ...5.0798

SUBJECT INDEX

Flume Studies

DISSIPATION AND DIFFUSION OF HEAT IN STREAMS AND LAKES ...Stratification, Temperature, Thermal Pollution, ...2.0303

Dissipation

RESEARCH AND BASIC DATA ON THERMAL POLLUTION ...Diffusion, Eddies, General Synoptic Observations, Mixed Modes, Streams, Thermal Pollution, ...4.0058

DISSIPATION AND DIFFUSION OF HEAT IN STREAMS AND LAKES ...Stratification, Temperature, Thermal Pollution, ...2.0303

Mass Transfer

FUNDAMENTAL STUDIES IN METASTABLE FLASHING FLOW ...Desalination, Flash Distillation, Water Movement-general, ...3.0458

ROTATIONAL STABILITY OF DILUTE POLYMER SOLUTIONS ...Fluid Flow-other, Organic, Polymer Type-other, Solution, Transport, ...1.0027

MASS TRANSFER ANALYSIS IN REVERSE OSMOSIS OPERATION ...Free Convection, Reverse Osmosis, Turbulent, Waste Water Treatment-other, Water, ...5.0797

THE EFFECT OF GAS BUBBLE MOTION ON FLUID MIXING IN AERATION PROCESS ...Aeration, Bubble, Diffusion, ...5.0798

GREAT LAKES RESEARCH - ENERGY TRANSFER AT THE AIR-WATER INTERFACE ...Data Analysis - General, Heat and Radiation Transfer, Heat-transfer-other, Lake Michigan, Towers, Wind-water Interaction, ...2.0639

Transport-other

CONVECTIVE INSTABILITY IN TRANSIENT SYSTEMS ...Approximations, Partial, Stability, ...1.0048

Two - Phase Flow

Flow of Dispersed Solids

WIND EFFECTS ON THE DISPERSION OF PARTICULATE POLLUTANTS IN TURBULENT OPEN-CHANNEL FLOW ...Dispersion -water, Open Channel Flow, Sediments, Turbulent Flow, Wind-other, ...2.0220

AN EXPERIMENTAL STUDY OF VARIABLE PHYSICAL PROPERTY AND NATURAL CONVECTION EFFECTS IN POROUS MEDIA ...Dispersion -water, Model Studies, Porous Media - Flow Through, ...3.0358

HYDRAULIC RESISTANCE IN ALLUVIAL CHANNELS ...Alluvial Deposits, Channel Geometry, Energy-dynamics, Flow Characteristics -water, Sediment Transport-general, ...2.0448

TURBULENT MIXING IN SUBMERGED TWO-DIMENSIONAL WALL JETS ...Diffusion, Thermal Pollution, Turbulent, Velocity, ...2.0992

PIPELINE FLOW OF SOLIDS-LIQUID SUSPENSIONS ...Flow, Pipes, Sludge-other, Transition Sections, Viscosity, ...5.0799

TRANSPORT OF SOLID SUSPENSION IN CONDUITS ...Combined Sewer, Conduit, Design Criteria, Measurement, Transportation, ...5.0988

HYDRAULICS LABORATORY ...Channels, Open Channel, Sedimentation, Streams, Suspension, Turbulent, ...8.0146

ENGINEERING DEVELOPMENT OF ICE NUCLEI DISPERSION SYSTEMS ...Nucleation Physics, Technique Development, ...2.0197

TRANSPORT MECHANISMS IN WATER FILTRATION ...Development of Models, Filtration, Model Studies, Ordinary, Transport, ...5.0811

Flow of Gas in Liquid

THEORETICAL AND EXPERIMENTAL STUDY OF SUPERCRITICAL FLOW IN CIRCULAR DRAINS AND OF THE FORMATION OF HYDRAULIC JUMP IN THE SAME ...Critical, Drainage Systems, Engineering Structures-general, Pipes, Survey Studies, ...2.0935

TURBULENT DIFFUSION AND REAERATION IN NATURAL RIVERS ...Aeration, Mixing, Model Studies, Tracer-general, Turbulent Flow, ...5.1136

HIGH-PRESSURE VAPOR EXTRACTION OF SOLUBLE ORGANIC SOLUTES FROM AQUEOUS INDUSTRIAL WASTE STREAMS ...Extraction, Gaseous, High Pressure - 1-1000 Atm, Industrial Processes-other, Two-phase-other, ...5.0070

DETROIT TEST CHUTE ...Channel Geometry, Depth, Flume Studies, Spillways, Velocity, ...8.0281

Two-phase-other

COALESCING MARINE OIL-WATER SEPARATOR ...Boat Discharges, Fluid-device-other, Technique Development, Waste Water Treatment-general, ...5.0747

THE KINETICS OF COMPRESSIBILITY EFFECTS IN TWO PHASE SINGLE COMPONENT FLOW ...Bubble, Kinetic-general, Rate Determination, Spectroscopy-other, ...3.0292

TWO-PHASE FLOW IN A VERTICAL BEND ...Close Channel, Engineering Structures-general, Open Channel, Stratified Flow, Ventilated Cavities, ...8.0163

AQUIFER PERFORMANCE TESTS UNDER TWO PHASE FLOW CONDITIONS ...Aquifers-general, Observation Wells, Subsurface Flow, Synthetic Hydrology-general, ...2.0008

SALT WATER ENTRAINMENT FOR DILUTION IN SEWER OUTFALLS ...Conduit Flow-other, Dispersion -water, Fluid Flow-other, Fluid Mixing, Ocean, Outlet, Sewers, ...5.1265

MODEL STUDY OF SEWER DROPSHAFT ...Conduit, Design-other, Discharge-general, Flow Regulations, Runoff, ...8.0218

HIGH-PRESSURE VAPOR EXTRACTION OF SOLUBLE ORGANIC SOLUTES FROM AQUEOUS INDUSTRIAL WASTE STREAMS ...Extraction, Flow of Gas in Liquid, Gaseous, High Pressure - 1-1000 Atm, Industrial Processes-other, ...5.0070

FLOW IN HETEROGENEOUS POROUS MEDIA ...Mathematical Analysis, Model Studies, Porous Media - Flow Through, Statistical Models, ...8.0190

Wave Motion in Fluids

Free Surface Waves

A STUDY OF PROBLEMS RELATED TO WIND-GENERATED WAVES ...Fluid-properties-other, Laminar - Turbulent, Turbulent, Wind-water Interaction, ...2.0132

FREE SURFACE FLOW AND WAVE PROPAGATION THROUGH CHANNEL-FLOOD PLAIN GEOMETRIES ...Channels, Conduit Flow-other, Floodplains, Flow Characteristics - water, Model Studies, ...8.0196

Shock Waves

MECHANICS OF FLOW IN OPEN CHANNEL SYSTEMS ...Numerical Analysis-other, Open Channel, Steady, Unsteady, Waves in Liquids, ...2.0097

Wave Motion in Fluids-other

THREE BASIC PROBLEMS IN FLUID MECHANICS EVAPORATIVE CONVECTION, ELECTRO-OSMOSIS, INTERNAL WAVES ...Electrochemistry-other, Flow Characteristics -water, Fluid Dynamics, Internal Waves, Photography, Reverse Osmosis, ...3.0074

MECHANICS OF SAND MOVEMENT BY WAVES ...Model Studies, Ocean Waves - Currents, Shoreline Structures, Size, Waves, ...2.0259

Waves in Liquids

MECHANICS OF FLOW IN OPEN CHANNEL SYSTEMS ...Numerical Analysis-other, Open Channel, Shock Waves, Steady, Unsteady, ...2.0097

Flume Studies

MODEL RIVER SYSTEM STUDIES ...Mathematical Analysis, Model Studies, Radioactivity-general, Streams, Turbidity, ...2.1010

R.I.-MIXING PROCESSES IN ESTUARIES ...Dispersion -water, Estuaries, Mixing, Model Studies, Turbulent Flow, ...5.0063

WATER VELOCITY AND SPATIAL CO-ACTIONS OF HATCHERY TROUT AND WILD BROWN TROUT ...Behavioral Ecology, Brown Trout, Colorado, Rainbow Trout, Steelhead Trout, Velocity -water, ...5.0198

EFFECTS OF GROUNDWATER SEEPAGE ON STREAM REGIMEN ...Baseflow, Groundwater, North Dakota, Seepage, Suspension, ...2.0832

OVERLAND FLOW ANALYSIS FOR A SIMULATED VEGETATED SURFACE ...Hydrographs, Rainfall Simulators, Runoff, Streams, Unsteady Flow, ...2.0879

EFFECTS OF RIVER CURVATURE ON RESISTANCE TO FLOW ...Channels, Flow Characteristics -water, Roughness, Unsteady Flow, Velocity -water, ...8.0198

PERFORMANCE CHARACTERISTICS OF LARGE SCALE HYDROMECHANICS LABORATORY EQUIPMENT ...Inflow, Sedimentation, Synthetic Hydrology-general, Turbulent Flow, ...8.0195

Flume Studies

- OPEN CHANNEL ROUGHNESS CHARACTERIZATION ...Channel Roughness, Discharge-general, Flume, Open Channel, Open Channel Flow, ...2.1073
- DETROIT TEST CHUTE ...Channel Geometry, Depth, Flow of Gas in Liquid, Spillways, Velocity, ...8.0281
- DETROIT TEST CONDUIT ...Conduit, Control Gate, Erosion Control, Scouring, Transition Sections, ...8.0282
- FLOW AND SEDIMENT TRANSPORT, RIO GRANDE CONVEYANCE CHANNEL ...Channels, Morphology-general, Rio Grande River, Sediment Transport-other, Streams, ...2.0771
- GRAIN SIZE DISTRIBUTION AND BEDLOAD TRANSPORT ...Bed Load, Channels, Discharge-general, Grain Size, Hydraulics-general, ...2.1101
- EVALUATION OF CANAL SEALANTS -OPEN AND CLOSED CONDUIT RESEARCH PROGRAM ...Canals, Dam, Canal, Sealant Materials, Seepage, Soil Environment, ...8.0085
- MECHANICS OF SEDIMENT ENTRAINMENT, TRANSPORTATION AND DEPOSITION IN CHANNELS OF THE SOUTHERN BRANCH AND AT THE USDA SEDIMENTATION LABORATORY ...Channels, Sediment Transport-general, Sedimentation, Velocity -water, Waves, ...2.0677

Fluoride

- SPECTROPHOTOMETRIC AND FLUOROMETRIC DETERMINATION OF SELECTED ANION WATER CONTAMINANTS ...Chemical Analysis (water), Chemical Identification, Fluorometry, Nitrate, Nitrite, Spectroscopy-general, ...5.0671
- A FIELD AND LABORATORY STUDY OF FLUORIDE UPTAKE BY OYSTERS ...Estuaries, Laboratory, Metabolism, Mining Activities, Oysters, Phosphate, Phosphite, ...6.0407
- THE QUALITY OF ARIZONA WATERS WITH PARTICULAR REFERENCE TO FLUORIDES ...Chemical Analysis (water), Water Quality-general, ...5.0049

Fluorine

- THE EFFECTS OF FLUORIDES IN AIR, WATER AND SOIL ON GROWTH, QUALITY AND YIELDS OF TREE, FIELD AND VEGETABLE CROPS ...Contamination, Pollution-water, Growth Rate, Irrigation, Mineral Nutrition, Western, ...3.0088

Foam, Porous

- STUDY OF MECHANISMS IN SOIL RELATED TO FROST HEAVE AND ITS CONTROL ...Aggregates, Extenders, Fillers, Frost and Permafrost, Linings-pavings, Plastics - General, ...8.0267

Food Science and Technology

Fish and Shellfish

Clams

- MULTIPLICATION OF ENTERIC VIRUSES IN SHELLFISH ...Enteroviruses of Humans, Microbiological, Oysters, Sewage, Toxicological and Allergy, ...5.1052
- ORGANISMS RESPONSIBLE FOR TOXICITY OF ALASKAN CLAMS ...Alaska, Biological Pollutants-general, Food Spoilage Detection, Microbiological, Pollutants-general, ...5.0032

Fish -other

- EFFECT OF TEMPERATURE AND RELATIVE HUMIDITY ON C. BOTULINUM SPORE SURVIVAL IN WHITEFISH CHUBS DURING SMOKE PROCESSING ...Cisco, Lake Herring, Clostridium Botulinum, Heat, Microbiological, Smoking, ...5.1320

Fish, N.s.

- RELEVANCE OF SELECTED ECOLOGICAL FACTORS RELATED TO WATER RESOURCES & SOCIAL ORGANIZATION OF FISHERMEN VILLAGES IN PUERTO RICO (AB-BREV) ...Commercial Fishing, Puerto Rico, Social Aspects, Social Structure, Water Resources - General, ...6.0479
- BOTULINUM FOOD POISONING IN RELATION TO FISHERY PRODUCTS ...Antibiotics, Clostridium Botulinum, Great Lakes-general, Microbiological, Repression, ...5.1305
- SURVIVAL OF FOOD PATHOGENS IN RADIATION PASTEURIZED SEAFOOD ...Dosimetry, Food, Food Bacteria, Microbiological, Radiation, ...5.0933
- ECOLOGY OF CLOSTRIDIUM BOTULINUM TYPE E IN GREEN BAY ...Clostridium Botulinum, Fish -non-specific, Great Lakes-general, Microbiological, Repression, Vertical Distribution, ...2.1162

SUBJECT INDEX

Oysters

- OIL CONTAMINATION OF OYSTERS FROM OIL WELL DRILLING MUDS ...Industrial Wastes, Oil, Petroleum Industry, Pollution Effects, ...5.0449
- CLOSTRIDIUM OUTGROWTH AND TOXIN PRODUCTION DURING STORAGE OF SHELLFISH ...Bacterial Pollutant Sources, Clostridium Botulinum, Microbiological, Pacific Ocean-general, Shelf Life & Storage, ...5.1223
- MULTIPLICATION OF ENTERIC VIRUSES IN SHELLFISH ...Clams, Enteroviruses of Humans, Microbiological, Sewage, Toxicological and Allergy, ...5.1052
- FREQUENCY DISTRIBUTION OF CHEMICAL POLLUTANTS IN SHELLFISH AND THE MARINE ENVIRONMENT ...Food, Organophosphorous Cpd., Pollution - Effects of, Southern, Toxicological and Allergy, ...5.0021

Shellfish, N.s.

- MODEL FOR DETERMINING THE MOST UNFAVORABLE CONDITIONS FOR AREA CLASSIFICATION ...Bays, Pollutants - Path of, Pollutants-general, Rhode Island, Water Standards, ...5.1067
- STUDY ON METHODOLOGY FOR VIRAL EXAMINATION OF SEAWATER AND SHELLFISH ...Enteroviruses of Humans, Food Spoilage Detection, Pollution-general, Viral Pollutant Sources, ...5.1071

Meats and Meat Product

Poultry - N S

- WATER UTILIZATION AND WASTE CONTROL IN THE POULTRY PROCESSING INDUSTRY ...Animal Waste Removal-treatment, Economics-general, Food Processing Industry, Industrial Wastes, Waste Water Treatment-general, Water Utilization - general, ...5.0819

Processing & Preservation

Antibiotics

- BOTULINUM FOOD POISONING IN RELATION TO FISHERY PRODUCTS ...Clostridium Botulinum, Fish, N.s., Great Lakes-general, Microbiological, Repression, ...5.1305

Chemical and Spices

- EFFECTS OF CHEMICAL IMPURITIES IN WATER DISINFECTION BY HALOGENS ...Chlorination, Chlorine, Disinfectants, Taste and Odor, Water for Cooking Or Drinking, ...5.0512

Dehydration

- CHEMICAL AND ENGINEERING ASPECTS OF POTATO PROCESSING WASTES TREATMENT ...Canning Wastes, Drying-dewatering, Material Recovery Wastes, Plant Waste Removal, Treatment, Potatoes, Waste Treatment-economics, Waste Water Treatment-general, ...5.0979

Heat

- EFFECT OF TEMPERATURE AND RELATIVE HUMIDITY ON C. BOTULINUM SPORE SURVIVAL IN WHITEFISH CHUBS DURING SMOKE PROCESSING ...Cisco, Lake Herring, Clostridium Botulinum, Fish -other, Microbiological, Smoking, ...5.1320

Radiation

- SURVIVAL OF FOOD PATHOGENS IN RADIATION PASTEURIZED SEAFOOD ...Dosimetry, Fish, N.s., Food, Food Bacteria, Microbiological, ...5.0933

Smoking

- EFFECT OF TEMPERATURE AND RELATIVE HUMIDITY ON C. BOTULINUM SPORE SURVIVAL IN WHITEFISH CHUBS DURING SMOKE PROCESSING ...Cisco, Lake Herring, Clostridium Botulinum, Fish -other, Heat, Microbiological, ...5.1320

Temperature Control

- SELECTED FACTORS INFLUENCING TASTE OF DRINKING WATER ...Hardness-minerals, Mineralization, Potable Water, Saliva, Studies, Organoleptic, Water for Cooking Or Drinking, ...5.0085

Quality Control and Standards

Legal Standards

- RELATIONSHIP OF THE SOURCE TO LEVELS OF TOXIC CHEMICALS IN SHELLFISH ...Freshwater Mussels, Scallops, Heavy Elements, Industrial Wastes, Pollutants - Path of, Pollution - Effects of, ...5.1073

Shelf Life & Storage

CLOSTRIDIUM OUTGROWTH AND TOXIN PRODUCTION DURING STORAGE OF SHELLFISH ...Bacterial Pollutant Sources, Clostridium Botulinum, Microbiological, Oysters, Pacific Ocean-general, ...5.1223

Studies, Organoleptic

NATURALLY OCCURRING TASTES AND ODORS IN WATER SUPPLIES ...Freezing, Gas, Mass, Nuclear Magnetic, Taste and Odor, ...5.1169

TASTES AND ODORS IN WATER SUPPLIES ...Algal Pollutant Sources, Pollutants-general, Pollution-water, Taste and Odor, Water for Cooking Or Drinking, ...5.0066

SELECTED FACTORS INFLUENCING TASTE OF DRINKING WATER ...Hardness-minerals, Mineralization, Potable Water, Saliva, Studies, Organoleptic, Temperature Control, Water for Cooking Or Drinking, ...5.0085

Spoilage

Food Spoilage Detection

STUDY ON METHODOLOGY FOR VIRAL EXAMINATION OF SEAWATER AND SHELLFISH ...Enteroviruses of Humans, Pollution-general, Shellfish, N.s. , Viral Pollutant Sources, ...5.1071

ORGANISMS RESPONSIBLE FOR TOXICITY OF ALASKAN CLAMS ...Alaska, Biological Pollutants -general, Clams, Microbiological, Pollutants-general, ...5.0032

Microbiological

BOTULINUM FOOD POISONING IN RELATION TO FISHERY PRODUCTS ...Antibiotics, Clostridium Botulinum, Fish, N.s. , Great Lakes-general, Repression, ...5.1305

CLOSTRIDIUM OUTGROWTH AND TOXIN PRODUCTION DURING STORAGE OF SHELLFISH ...Bacterial Pollutant Sources, Clostridium Botulinum, Oysters, Pacific Ocean-general, Shelf Life & Storage, ...5.1223

THERMAL DESTRUCTION OF TYPE E CLOSTRIDIUM BOTULINUM ...Cell Injury and Autolysis, Clostridium Botulinum, Heat Resistance, Space Studies, Toxicological and Allergy, ...5.0233

SURVIVAL OF FOOD PATHOGENS IN RADIATION PASTEURIZED SEAFOOD ...Dosimetry, Fish, N.s. , Food, Food Bacteria, Radiation, ...5.0933

THE ECOLOGY OF CLOSTRIDIUM BOTULINUM IN THE TVA LAKES AREA ...Bacterial Exotoxins, Bacterial Pollutant Sources, Clostridium Botulinum, Food, Range Or Territorial Distr. , Tennessee, ...2.0990

ECOLOGY OF CLOSTRIDIUM BOTULINUM TYPE E IN GREEN BAY ...Clostridium Botulinum, Fish -non-specific, Fish, N.s. , Great Lakes-general, Repression, Vertical Distribution, ...2.1162

EFFECT OF TEMPERATURE AND RELATIVE HUMIDITY ON C. BOTULINUM SPORE SURVIVAL IN WHITEFISH CHUBS DURING SMOKE PROCESSING ...Cisco, Lake Herring, Clostridium Botulinum, Fish -other, Heat, Smoking, ...5.1320

MULTIPLICATION OF ENTERIC VIRUSES IN SHELLFISH ...Clams, Enteroviruses of Humans, Oysters, Sewage, Toxicological and Allergy, ...5.1052

ORGANISMS RESPONSIBLE FOR TOXICITY OF ALASKAN CLAMS ...Alaska, Biological Pollutants -general, Clams, Food Spoilage Detection, Pollutants-general, ...5.0032

DEPURATION OF MICROBIAL POLLUTANTS IN SHELLFISH ...Oysters, Shellfish Depuration, Ultra Violet, Viral Pollutant Sources, ...5.0019

Radioactive Isotopes

RADIOACTIVE FOOD-CHAINS IN THE SUBARCTIC ENVIRONMENT ...Productivity - Food Chain, Radioactive Fallout, Radiologic Health, Sub - Polar, Toxicological and Allergy, ...2.0308

MECHANISMS OF ENVIRONMENTAL EXPOSURE ...Columbia River, Radioactivity-general, Radiologic Health, Regulation and Selection, Toxicological and Allergy, ...5.1244

Vegetable & Vegetable Products

Potatoes

CHEMICAL AND ENGINEERING ASPECTS OF POTATO PROCESSING WASTES TREATMENT ...Canning Wastes, Dehydration, Drying-dewatering, Material Recovery Wastes, Plant Waste Removal, Treatment, Waste Treatment-economics, Waste Water Treatment-general, ...5.0979

Water for Cooking Or Drinking

EFFECTS OF CHEMICAL IMPURITIES IN WATER DISINFECTION BY HALOGENS ...Chemical and Spices, Chlorination, Chlorine, Disinfectants, Taste and Odor, ...5.0512

TASTES AND ODORS IN WATER SUPPLIES ...Algal Pollutant Sources, Pollutants-general, Pollution-water, Studies, Organoleptic, Taste and Odor, ...5.0066

SELECTED FACTORS INFLUENCING TASTE OF DRINKING WATER ...Hardness-minerals, Mineralization, Potable Water, Saliva, Studies, Organoleptic, Temperature Control, ...5.0085

Forecasting-prediction

STORM WATER INFLOW ...District of Columbia, Drainage, Seepage, Storm Water, ...2.0307

FLOOD FREQUENCY SYNTHESIS FOR SMALL STREAMS IN ALABAMA ...Alabama, Drainage, Gaging, Peak Flow, Runoff, Small Watersheds, ...3.0172

PROGRAM FOR INVESTIGATION AND ANALYSIS OF FLOODS FROM SMALL DRAINAGE AREAS IN DELAWARE ...Drainage, Floods, Flow Characteristics -water, Open Channel, Small Watersheds, ...2.0295

ESTIMATING RUNOFF RATES FROM SMALL RURAL WATERSHEDS ...Culvert, Drainage, Runoff, Small Watersheds, ...2.0240

PREDICTION OF THE MAGNITUDES AND FREQUENCIES OF FLOODS IN MICHIGAN ...Drainage, Floods, Michigan, Morphology-general, Rain-general, ...2.0635

URBAN HYDROLOGIC STUDIES ...Digital Computers, Drainage, Louisiana, Peak Flow, Urban Environments, ...2.0551

HYDROLOGIC FORECASTING AND EFFECTS OF FLOODS ON MEANDERING ALLUVIAL RIVERS WITH LARGE FLOODPLAINS ...Floodplains, Floods, Meanders, Model Studies, Yugoslavia, ...4.0283

A STUDY OF TECHNOLOGIES FOR REDUCING WINTER WEATHER COSTS ...Alaska, Benefit-cost Analysis, Great Lakes-general, Meteorological Extremes, Northeast, ...2.0256

SIMULATION MODELING OF THERMAL EFFECTS ON SELECTED RIVER SYSTEMS ...Atomic Plants, Digital Computers, Model Studies, Self-purification, Thermal Pollution, ...4.0270

THE PREDICTION AND OPTIMIZATION OF STREAM RESPONSES TO POLLUTANT WASTES ...Mathematical Analysis, Model Studies, Physical Parameters, Pollution - Effects of , Streams, ...5.0743

STUDY OF LOCAL WATER CONTAMINATION PROBLEMS ...Model Studies, Partial, Pollutants - Path of , Potable Water, Radioactivity-general, ...5.0535

GREAT LAKES RESEARCH - MONITORING OF WATER CHARACTERISTICS ...Automatic Data Acquisition, Geophysical Analysis, Great Lakes-general, Temperature, ...2.0647

HYDROLOGY OF WATER YIELD PREDICTION ...Amount, Forest Watersheds, Moisture Retention, Water Balance-budget, Water Yield, ...2.0892

URBAN HYDROLOGIC RELATIONSHIPS ...Drainage, Hydrographs, Runoff, Urban Environments, Variation in Time, ...2.0554

GENERALIZED ANALYSIS OF SMALL WATERSHED RESPONSES ...Discharge-general, Hydrology-general, Inflow, Small Watersheds, ...2.0084

THE HYDROLOGIC SIGNIFICANCE OF CHEMICALLY DERIVED MEAN BASIN TEMPERATURES ...Air Temperature Instruments, Aldose and Ketose, Evaporation, Heat Measurement, Pennsylvania, ...2.0924

CAPILLARY-DIFFUSION AND SELF-DIFFUSION OF LIQUID WATER IN UNSATURATED SOIL ...Capillarity, Clay, Evapotranspiration, Moisture Content, Saturated-unsaturated, ...2.0525

SEDIMENT TRANSPORTATION AND BOTTOM CONFIGURATION, AMITE RIVER ...Bed Load, General Deposition, Louisiana, Rate of Deposition, Scouring, ...3.0450

PREDICTION MODEL FOR WATER USE BY POPULATION STRUCTURE ...Florida, Model Studies, Other, Projections & Forecasting, Water Utilization -domestic, ...6.0150

DECISION MAKING UNDER UNCERTAINTY - ECONOMIC EVALUATION OF STREAMFLOW FORECASTS ...Benefit-cost Analysis, Flow Characteristics -water, Model Studies, Projections and Estimations, Water Supply-general, ...6.0296

FORECASTING WATER DEMAND - AN INTER- AND INTRA-COMMUNITY STUDY ...Projections & Forecasting, Trends,pro-

- jections, Urban Environments, Water Demand, Water Utilization - domestic, ...6.0633
- A EUTROPHICATION MODEL OF THE WHITE RIVER BASIN ABOVE BEAVER RESERVOIR IN NORTHWEST ARKANSAS ...Arkansas, Eutrophication, Nutrients, Reservoirs and Impoundments, Simulation, ...5.0053
- PARAMETERIZATION OF THE OBSERVED HYDROGRAPH AS A MEANS OF UNDERSTANDING RUNOFF PHENOMENA FROM SMALL WATERSHEDS ...Hydrographs, Model Studies, Runoff, Small Watersheds, Vermont, ...2.1085
- GLACIAL MELT WATER PREDICTION ...Energy, Glaciers, Water, Water Yield, ...2.0010
- HYDROLOGIC CHARACTERIZATION OF FORESTED WATERSHEDS IN ARIZONA ...Dendrochronology, Forest Watersheds, Management, Runoff, Snowpack, Water Yield, ...2.0051
- ATMOSPHERIC WATER BALANCE AND THE FORECAST OF ANNUAL RUNOFF FROM THE UPPER COLORADO RIVER BASIN ...Colorado River, Evaporation, Runoff, Water Balance-budget, ...2.0222
- AN INVESTIGATION OF MANPOWER RESOURCES FOR WATER RESOURCES RESEARCH AND OTHER WATER-RELATED ACTIVITIES ...Optimization, Personnel, Requirement and Resources, Water Resources - General, ...9.0008
- DEVELOPMENT OF A REFINED PREDICTIVE SYSTEM FOR USE IN FORECASTING MUNICIPAL WATER NEEDS ...Digital Computers, Testing of Models, Urban Environments, Water Utilization -domestic, ...6.0253
- PRECIPITATION AND RUNOFF DISTRIBUTIONS - ANALYSIS AND COMPARISONS ...Data Analysis - General, Discharge-general, Other Probability, Patterns, Runoff, ...2.0739
- THE INTERFLOW PROCESS ON SLOPING WATERSHED AREAS ...Groundwater Movement, Mathematical Analysis, Physical Properties-general, Rain-general, Tracers-general, ...2.0961
- A COMPUTER PROGRAM FOR FORECASTING POLLUTION AND DISSOLVED OXYGEN IN STREAMS ...Distributions, Model Studies, Oxygen, Stochastic Models, Water Quality-general, ...5.1210
- DEVELOPMENT OF A SYSTEM OF DETERMINING THE CAPACITY OF WATER RESOURCES TO SUPPORT VARIOUS TYPES AND COMBINATIONS OF RECREATION USE ...North Carolina, Recreation Sites, ...6.0406
- VERTICAL CURRENT STRUCTURE IN THE GREAT LAKES ...Buoys, Currents -water, Great Lakes-general, Model Studies, Wind-water Interaction, ...2.0632
- THERMAL STRATIFICATION IN RESERVOIRS ...Mathematical Analysis, Model Studies, Reservoirs and Impoundments, Stratification, Temperature, ...2.0616
- THE SPREADING OF OIL FILMS ...Ocean Currents, Oil, Pollution Abatement, Tides, Waves, ...5.0787
- EUTROPHICATION OF NATURAL WATERS ...Data Acquisition-general, Eutrophication, Lakes, Plant Succession, Water Quality Control-general, ...5.1314

Policy - Business Methods

- MANAGEMENT ALTERNATIVES ON OZARK FOREST ...Arkansas, Erosion-general, Sediment Yield, Small Watersheds, Soils and Fertilizer, ...2.0073

Processing and Products

Pulp, Pulping & Composite

- FILTRATION OF KRAFT PULP LIQUOR THROUGH CHIPS ...Effluents-waste Water, Filter-other, Pulp, Paper, and Logging, Waste Water Treatment-general, ...5.0824

Forestry

SUBJECT INDEX

IN-PLANT TREATMENT OF DILUTE WASTES OF THE PULP-
ING INDUSTRY ...Biological Treatment-other, Pulp and Paper
Wastes, Reverse Osmosis, Waste Water Pre-treatment, Water
Reuse, ...5.1288

A DEMONSTRATION PLANT EVALUATION OF FOUR
METHODS FOR PULP AND PAPER MILL SLUDGE UTILIZA-
TION AND DISPOSAL ...Disposal, Disposal Wastes, Mulches -
other, Pulp and Paper Wastes, Pulp, Paper, and Logging,
...5.0152

Range and Wildlife

Game Reserves

MANAGEMENT OF FOREST AND FARM GAME HABITAT -
FISH POND MANAGEMENT ...Farm Pond, Food Supply,
Habitat Studies, of Aquatic Plants, Site Index and Site Quality,
...6.0245

Relations - Forage - Timber

MANIPULATION AND MANAGEMENT OF SECOND GROWTH
PONDEROSA PINE FOR OPTIMUM YIELDS OF WATER
AND/OR WOOD AND FORAGE ...Forest Watersheds, Other,
Soil-water-plant Relationships, Soils and Fertilizer, Water Yield,
...3.0021

EFFECT OF RANGE AND WATER ON MULE DEER POPULA-
TION ...New Mexico, Odocoileus, Population Dynamics, Range
Or Territorial Distr., Water Utilization -animal, ...3.0338

UNDESIRABLE SHRUB AND TREE CONTROL ...Evaluation,
Forest Watersheds, in Forests, of Trees and Shrubs, Utah,
...3.0475

Recreation Areas and Parks

VARIED RECREATIONAL USES OF FOREST LANDS FOR
TIMBER PRODUCTION IN WESTERN WASHINGTON
...Forests, Frequency of Use, Land, Price & Value, Washington,
...6.0621

IMPACT OF RECREATIONISTS ON SELECTED SITES ...Infiltra-
tion, Irrigation-general, Recreation Sites, Soil Comparison,
...6.0591

THE CONNECTICUT RIVER STUDY ...Connecticut River, Pro-
jected Demand, Recreation Sites, Recreation Types -non-specific,
Types of Resources, ...3.0168

COLLECTION AND APPLICATION OF INFORMATION ON
THE USE OF FOREST RECREATION FACILITIES AND RE-
LATED RESOURCES ...Access, Methods, Southeast, Standards,
Types of Resources, ...6.0399

Silviculture

Canopy & Overstory

INFLUENCE OF FOREST COVER AND TIMBER HARVESTING
METHODS ON STREAMFLOW ...Forest Watersheds, Logging,
Transport, Equipment, Pennsylvania, Streams, ...2.0930

SOIL MOISTURE DISTRIBUTION PATTERNS UNDER MIXED
OAK FOREST ...Interception, Moisture Content, Oaks, Rhode
Island, Soil Environment, ...2.0940

Cutting Operations

METAMORPHOSIS OF SNOWPACK PROFILES AND CHANGES
IN WATER STORAGE FOLLOWING STRIP CUTTING IN
PINE FORESTS IN MICHIGAN ...Michigan, Natural Recharge,
Nuclear Moisture Meters, Snowmelt, Water Yield, ...2.0655

STAND TREATMENT ...Floods, Regeneration & Seed Production,
Timber Stand Improvement, Water Table - Depth of, Water
Table Fluctuation, ...2.0697

MANIPULATION OF TREMBLING ASPEN AND GAMBEL OAK
FOR INCREASED WATER YIELD ...Nuclear Moisture Meters,
Oaks, Poplars, Aspens, Cottonwoods, Snowmelt, Water Loss Con-
trol, Water Yield, ...4.0259

RELATION OF SILVICULTURAL CUTTINGS TO SOILS ...Soil
Conditions, Soil-water-plant Relationships, Soils and Fertilizer,
...2.1167

PINE TREE BRANCH WATERSHED RESEARCH ...Erosion-
general, Forest Watersheds, Land Use, Other, Sediment Yield,
Tennessee, ...6.0536

FLOOD RUNOFF REDUCTION AND WATER YIELD IM-
PROVEMENT ...Appalachian Highlands-other, Forest
Watersheds, Management, Runoff, Water Yield, ...5.1287

Ecology and Morphology

IRRIGATION AND FERTILIZER ON UPLAND FOREST
...Drought, Growth Rate, Irrigation, Measurement of Trees &
Stands, South Carolina, ...6.0488

INTERCEPTION AND WATER LOSSES FROM A FOREST
FLOOR-SHRUB LAYER ...Interception, Lysimeters, New Jersey,
Other Water Conditions, Water Loss Control, ...2.0770

Environment

HYDROLOGIC-MINERAL CYCLE INTERACTION IN SMALL
UNDISTURBED AND MANMANIPULATED ECOSYSTEMS
...Chemical Reactions, Mineral Associations, New Hampshire,
Small Watersheds, Water Cycle, ...2.0745

SIMULATION MODEL FOR EVALUATION OF INTERCEPTION
FROM FOREST TREES ...Digital Computers, Forests, Intercep-
tion, Model Studies, Snow-general, ...2.0390

INFILTRATION CAPACITIES UNDER VARIOUS VEGETATION
TYPES AS INFLUENCED BY WATERSHED MANAGEMENT
PRACTICES ...Cover Crops, Infiltration, Management, Water
Yield, Watersheds-general, ...4.0013

SEASONAL WATER USE BY FOREST VEGETATION ...Conser-
vation-general, Forest Watersheds, Seasonal, Transpiration and
Evap, Water Quality Control-general, ...2.0893

EFFECTS OF DIFFERENT FOREST TYPES AND CONDITIONS
ON STREAM REGIMEN AND WATER YIELDS ...Climatic Ef-
fects, Flow Characteristics -water, Forest Watersheds, Land Use,
Radiation-general, Water Yield, ...5.0794

SILVICULTURE OF COASTAL PLAIN TIMBER TYPES ...Forest
Watersheds, Pines, Taxodiaceae, Timber Stand Improvement,
Wetlands, ...4.0212

Physiology, Plant Chemistry

FOREST TREE NUTRITION AND FOREST FERTILIZATION
...Irrigation-general, Pines, Potassium, Soil Fertility, Soils and Fer-
tilizer, ...2.0815

EFFECTS OF SOIL MOISTURE STRESS ...Drought, Moisture
Deficiency, Moisture Tension, Pines, Soil Environment, ...2.0431

TESTS OF DOUGLAS-FIR PLANTING STOCK FOR SURVIVAL
UNDER DROUGHT STRESS ...Douglas Fir, Drought, Longevity,
Mycorrhiza, Site Index and Site Quality, ...2.0894

Regeneration & Seed Production

STAND TREATMENT ...Cutting Operations, Floods, Timber Stand
Improvement, Water Table - Depth of, Water Table Fluctuation,
...2.0697

PHYSICAL AND CHEMICAL CHANGES IN WEATHERING
COAL SPOILS-EFFECT ON WATER SUPPLY AND PLANT
GROWTH ...Coal-general, Growth Rate, Runoff, Soil and Rock
Leaching, Spoil Banks, Spoil Banks, Strip Mine Soils, ...5.0903

Soils and Fertilizer

FOREST TREE NUTRITION AND FOREST FERTILIZATION
...Irrigation-general, Physiology, Plant Chemistry, Pines, Potassi-
um, Soil Fertility, ...2.0815

EFFECTS OF FOREST COVER MANIPULATION ON WATER
YIELD AS STUDIED BY AN ELECTRIC ANALOG ...Analog
Computers, Development of Models, Forest Watersheds,
Washington, Water Yield, ...3.0484

CHARACTERIZATION OF SOIL NONWETTABILITY AND THE
DEVELOPMENT OF CRITERIA FOR THE MOST ECONOMIC
TREATMENT OF THESE SOILS ...Fire Damage, Recovery, Infil-
tration, Moisture Tension, Surfactants, ...2.0140

MANIPULATION AND MANAGEMENT OF SECOND GROWTH
PONDEROSA PINE FOR OPTIMUM YIELDS OF WATER
AND/OR WOOD AND FORAGE ...Forest Watersheds, Other,
Relations - Forage - Timber, Soil-water-plant Relationships, Water
Yield, ...3.0021

MANAGEMENT ALTERNATIVES ON OZARK FOREST ...Ar-
kansas, Erosion-general, Policy - Business Methods, Sediment
Yield, Small Watersheds, ...2.0073

CONSERVING SOIL MOISTURE BENEATH RED PINE BY
MEANS OF A FOLIAR SPRAY OF A STOMATA - CLOSING
CHEMICAL ...Liquids Or Sprays, Moisture Content, Pines, PMA
, Soil Environment, Transpiration, ...3.0151

THE BEHAVIOR AND FATE OF DDT AND ZECTRAN IN A
FOREST SOIL ...DDT, Persistence in Soils, Zectran, ...5.1205

GROWTH AND DEVELOPMENT OF NATIVE HARDWOODS
AND PINE ...Available Water, Growth, Pines, Soil Environment,
Soil Types, ...2.0430

FOREST COVER ...Cover Crops, Forest Watersheds, Forests, Inter-
ception, Missouri, ...4.0156

ENERGY AND WATER BALANCE ...Evapotranspiration,
Moisture Tension, Nuclear Moisture Meters, Soil Moisture -non-
specific, Soil-water-plant Relationships, ...2.0691

BEHAVIOR OF NITROGEN IN THE SOIL ...Fertilizer Losses,
Nitrogen, Soil and Rock Leaching, ...5.0715

SUBJECT INDEX

Foundations

FERTILIZER AND IRRIGATION EFFECTS ON TREE DEVELOPMENT ...Irrigation, Irrigation-other, Timber Stand Improvement, ...2.0989

SEASONAL VARIABILITY OF SOIL MOISTURE AND LEVELS OF GROUNDWATER TABLE ON LOWLAND AREAS ...Moisture Levels, Poland, Seasonal, Water Table Fluctuation, Wetlands, ...3.0422

THE MANAGEMENT OF PONDEROSA PINE - NEW METHODS OF THINNING DENSE STAGNATING SECOND GROWTH STANDS ...Fire Use for Silviculture, Pines, Soil Environment, Timber Stand Improvement, ...2.0065

THE IMPROVEMENT OF SOILS DEVELOPED UNDER FOREST VEGETATION ...Forests, Mineralogy, Minnesota, Soil Morphology, Profiles, ...2.0662

INTERRELATION OF MOISTURE REGIME & NUTRIENT LEVELS OF SELECTED MISSISSIPPI SOILS & THEIR RELATION TO THE SITE INDEX OF LOBLOLLY PINE ...Forest Watersheds, Mississippi, Moisture Tension, Pines, Site Index and Site Quality, ...2.0683

TREE NUTRITION AND FOREST FERTILIZATION ...Growth Rate, Irrigation-general, New York, Site Index and Site Quality, ...2.0788

EFFECTS OF TREE ROOTS ON HYDRAULIC CONDUCTIVITY AND POROSITY OF FOREST SOILS IN THE ALLEGHENY-CUMBERLAND PLATEAU ...Forests, Roots, Soil Compaction Or Density, Soil Environment, Subsurface Flow, ...2.0855

THE EFFECTS OF IRRIGATION AND FERTILIZATION UPON A PONDEROSA PINE FOREST STAND ...Irrigation, Quality - non-specific, Soil Fertility - non-specific, Washington, ...2.1125

RELATION OF SILVICULTURAL CUTTINGS TO SOILS ...Cutting Operations, Soil Conditions, Soil-water-plant Relationships, ...2.1167

EFFECTS OF LARGE SCALE FOREST FIRES ON WATER QUALITY IN THE INT. AK ...Alaska, Fire Damage, Recovery, Forest Watersheds, Soil Analysis, Water Quality-general, ...5.0030

TIMBER AND WATERSHED RESOURCES DEVELOPMENT RESEARCH IN HAWAII ...Erosion-general, Evapotranspiration, Legumes -other, mesquite..., Rain, Streams, ...2.0367

REDUCTION IN DAMAGES TO FORESTS BY IMPROVING MINING AND REHABILITATION PROCEDURES ...Coal-general, Conservation & Management Eng, Forest Watersheds, Mining Industry, Site Index and Site Quality, ...4.0120

HYDROLOGY AND MANAGEMENT OF WETLAND FORESTS ...Forests, ...3.0431

FATE AND EFFECTS OF PESTICIDES IN FOREST SOILS AND WATER ...DDT, Forests, Groundwater Movement, Movement, Leaching, Persistence in Soils, ...5.0968

BOG AND SWAMP HYDROLOGY ...Forest Watersheds, High Organic Soils, Management, North Central, Water Yield, ...3.0294

SOIL AND WATER REQUIREMENTS FOR BLACK WALNUT AND OTHER HARDWOODS ...Requirements for Water, Site Index and Site Quality, Soil Structure, Soil Structure -other, Walnuts -black & English, ...4.0089

Timber Stand Improvement

WATER CONTROL FOR FOREST PRODUCTION ...Available Water, Cultural Control, Palms, Pines, Water Loss Control, ...3.0175

STAND TREATMENT ...Cutting Operations, Floods, Regeneration & Seed Production, Water Table - Depth of, Water Table Fluctuation, ...2.0697

FERTILIZER AND IRRIGATION EFFECTS ON TREE DEVELOPMENT ...Irrigation, Irrigation-other, Soils and Fertilizer, ...2.0989

THE MANAGEMENT OF PONDEROSA PINE - NEW METHODS OF THINNING DENSE STAGNATING SECOND GROWTH STANDS ...Fire Use for Silviculture, Pines, Soil Environment, Soils and Fertilizer, ...2.0065

SILVICULTURE OF COASTAL PLAIN TIMBER TYPES ...Environment, Forest Watersheds, Pines, Taxodiaceae, Wetlands, ...4.0212

Site Index and Site Quality

FOREST SITE AMELIORATION IN THE COASTAL FLATWOODS OF MISSISSIPPI - ECONOMIC AND BIOLOGICAL CONSIDERATIONS ...Mississippi, Moisture Tension, Pines, Water Table - Depth of, Water Table Fluctuation, ...2.0682

THE USE OF NUCLEAR METHODS FOR DETERMINING FOREST SOIL SITE INDEX ...Geophysical Analysis, Runoff, Soil Depth, Soil Morphology, Profiles, Soil Profile, ...3.0249

LITERATURE REVIEW ON FLOODED GREEN TIMBER AREAS ...Canada, Management, Survey Studies, Water Fowl, N.s., Wetlands, ...4.0045

MANAGEMENT OF FOREST AND FARM GAME HABITAT - FISH POND MANAGEMENT ...Farm Pond, Food Supply, Game Reserves, Habitat Studies, of Aquatic Plants, ...6.0245

INTERRELATION OF MOISTURE REGIME & NUTRIENT LEVELS OF SELECTED MISSISSIPPI SOILS & THEIR RELATION TO THE SITE INDEX OF LOBLOLLY PINE ...Forest Watersheds, Mississippi, Moisture Tension, Pines, Soils and Fertilizer, ...2.0683

Frost and Permafrost

- INVESTIGATION OF SOIL FREEZING ...Dams-other, Density, Lining, Moisture Content, Void Ratio and Porosity, ...8.0285
- IMPROVING IRRIGATION WATER SUPPLY FORECASTS AND THEIR USE ...Forecasting-prediction, Irrigation-general, Moisture Content, Moisture Meters, Runoff, Water Yield, ...3.0401
- STUDY OF MECHANISMS IN SOIL RELATED TO FROST HEAVE AND ITS CONTROL ...Aggregates, Extenders, Fillers, Foam, Porous, Linings-pavings, Plastics - General, ...8.0267
- PHYSICS AND CHEMISTRY OF SOIL WATER AND INTERFACIAL PHENOMENA ...Adsorption-other, Boundary Process (moisture), Moisture Retention, Permafrost-frozen, Thermal Properties-general, ...1.0076
- FROZEN GROUND INVESTIGATIONS, BARROW, ALASKA ...Alaska, Hydrology-general, Ice Content, Permafrost-frozen, Runoff, Small Watersheds, ...2.0748
- FROST SUSCEPTIBILITY CRITERIA ...Soil Environment, Soil Testing-other, ...2.0751
- TEST OF EFFECTIVE SOILS PROPERTIES IN THE ANNUAL FROST ZONE ...Disturbed/undisturbed, Moisture Content,

SUBJECT INDEX

Gaging

Permeability, Soil Consolidation, Thermal Properties-general, ...2.0755

Fuels

Gaseous Fuel

Natural Gas

SOLUBILITY OF NATURAL GASES IN CONNATE WATER AND OF WATER IN NATURAL GASES ...Brines, High Pressure - 1-1000 Atm, Interstitial - Connate Water, Ions and Gases, Solubility, Solution Chemistry, ...1.0080

Fungal Physiology

Metabolism

Chemicals - Fungicides

EFFECT OF ANTIBIOTICS ON FUNGUS PARASITES IN OYSTERS ...Antibiotics, Dermocystidium, Fungal Culture, Host Specificity, Oysters, ...5.1171

Pathological Physiology

BIOLOGICAL ACTIVITIES OF MARINE FUNGI ...Endoparasites - other, Host-parasite Interactions, Invertebrate Pathology, Marine Fungi (non-specific), Oysters, Plant Developmental Biology, ...5.0289

Fungi

Dermocystidium

EFFECT OF ANTIBIOTICS ON FUNGUS PARASITES IN OYSTERS ...Antibiotics, Chemicals - Fungicides, Fungal Culture, Host Specificity, Oysters, ...5.1171

Fungi -non-specific

MINIMUM WATER CONCENTRATION OF ENVIRONMENTAL WATER CAPABLE OF SUPPORTING LIFE ...Environment, Extraterrestrial, Lichenes, Moisture, Water, ...6.0430

Marine Fungi (non-specific)

COMPARATIVE BIOCHEMICAL AND MORPHOLOGICAL CHARACTERISTICS OF MARINE FUNGI FROM SHELLFISH ...Endoparasites -other, Fungal Culture, Histochemistry - Cytochem, Histology and Cytology, Plant Taxonomy, ...6.0265

BIOLOGICAL ACTIVITIES OF MARINE FUNGI ...Endoparasites - other, Host-parasite Interactions, Invertebrate Pathology, Oysters, Pathological Physiology, Plant Developmental Biology, ...5.0289

Mycorrhiza

TESTS OF DOUGLAS-FIR PLANTING STOCK FOR SURVIVAL UNDER DROUGHT STRESS ...Douglas Fir, Drought, Longevity, Physiology, Plant Chemistry, Site Index and Site Quality, ...2.0894

Yeast N S

ECOLOGY OF YEASTS IN LAKE CHAMPLAIN ...Lakes, Millmore, New York, Plant Taxonomy, ...6.0395

ISOLATION AND TAXONOMY OF YEASTS IN LAKES AND SEWAGE ...Bioindicators, Contamination, Pollution-water, Plant Taxonomy, Streams, ...5.0339

Gaging

HYDROLOGICAL STUDY ...Discharge-general, Drainage, Peak Flow, Rhode Island, Small Watersheds, ...2.0943

FLOOD FREQUENCY OF SMALL STREAMS IN LOUISIANA ...Drainage, Floods, Louisiana, ...2.0541

INVESTIGATION AND ANALYSIS OF FLOODS FROM SMALL WATERSHEDS IN OKLAHOMA ...Floods, Flow Characteristics -water, Oklahoma, Peak Flow, Small Watersheds, ...2.0278

FLOOD FREQUENCY SYNTHESIS FOR SMALL STREAMS IN ALABAMA ...Alabama, Drainage, Forecasting-prediction, Peak Flow, Runoff, Small Watersheds, ...3.0172

SMALL DRAINAGE AREA STUDY ...Arizona, Drainage, Floods, Peak Flow, Small Watersheds, ...2.0289

INVESTIGATION OF WATER RESOURCES IN ALASKA ...Hydrology-general, Measurement, Open Channel, Streams, ...2.0269

SMALL STREAMS INVESTIGATIONS IN OREGON ...Data Analysis - General, Discharge-general, Floods, Hydrographs, Peak Flow, ...2.0293

NUCLEAR TECHNIQUES IN SOILS HYDROLOGY, SNOW GAGING, AND RELATED APPLICATIONS ...General, Hydrology-general, Radioisotopes, Soil Environment, Soil-water-plant Relationships, ...1.0007

INSTALLATION OF INSTRUMENTATION FOR CLAIR ENGLE PLANT ...Analyzing, Computers-general, Desalination, Flash Distillation, ...3.0457

WATERSHED IMPROVEMENT--SOIL AND MOISTURE CONSERVATION PROGRAM ...Modified Water Use, Moisture Content, Snowmelt, Water Yield, Watersheds-general, ...8.0143

SAN ISIDRO WASH STUDY FLOW LOSSES IN AN EPHEMERAL STREAM CHANNEL ...Ephemeral, Evapotranspiration, Infiltration, Morphology-general, New Mexico, ...2.0177

MODEL STUDIES FOR DEVELOPMENT AND CALIBRATION OF STREAMFLOW CONTROL DEVICES IN THE SOUTHERN BRANCH ...Channel Regulation-general, Computers-general, Discharge-general, Models, Synthetic Hydrology-general, ...3.0189

HYDROLOGIC CHARACTERIZATION OF SMALL WATERSHEDS ...Flow Characteristics -water, Mathematical Analysis, Model Studies, Small Watersheds, Topographic, ...4.0104

RUNOFF OF SMALL WATERSHEDS ...Agricultural Watersheds, General Synoptic Observations, Moisture Retention, Runoff, Soil Types-general, ...2.0531

DATA REDUCTION METHODS FOR STREAMFLOW FROM SMALL, WILDLAND WATERSHEDS ...Computers-general, Data Analysis - General, Discharge-general, Integration, Quadrature, Small Watersheds, Utah, ...2.1068

DEVELOPMENT AND CALIBRATION OF A PITOT SPHERE ...Hybrid Computers, Hybrid Computers, Mass, ...8.0193

FEASIBILITY OF RATING CURRENT METERS IN A VELOCITY FIELD ...Currents -water, Mass, Model Studies, Velocity -water, ...7.0107

FLOODS FROM SMALL DRAINAGE AREAS ...California, Floods, Hydrographs, Small Watersheds, ...4.0039

THE IMPACT OF SUBURBAN DEVELOPMENT ON THE WATER RESOURCES OF NEW JERSEY. ...Agricultural Watersheds, Flow Characteristics -water, Measurement, Suburban Areas, Water Balance-budget, Water Table Fluctuation, ...6.0352

INVESTIGATIONS OF SHORE EROSION ALONG THE OHIO SHORELINE OF LAKE ERIE ...Aerial, Engineering Structures-general, Erosion-general, Lake Erie, Shoreline - Coastline, ...8.0275

SEDIMENTATION METER ...Automatic Data Acquisition, Rate of Deposition, ...7.0104

CHARACTERISTICS OF UTAH STREAMS ...Discharge-general, Flow Characteristics -water, Streams, Utah, ...2.1060

TURBINE RATING FRAME INTERFERENCE STUDY ...Electric Power Plants, Inflow, Tennessee River, Turbine-other, ...8.0287

VALUE OF STREAMFLOW DATA ...Benefit-cost Analysis, Data Networks, Open Channel Flow, Unsteady Flow, Water Resources Development, ...6.0077

LONG TERM CHANNEL CHANGES ...Channels, Cross-section, Morphology-general, Soil Erosion -non-specific, ...2.0284

FLUVIAL SEDIMENTATION IN STONY BROOK WATERSHED ...Peak Flow, Runoff, Sedimentology-general, Small Watersheds, Total Volume, ...2.0766

LOW-FLOW ANALYSIS, WASHINGTON STREAMS ...Baseflow, Discharge-general, Hydrographs, Low Flow, Washington, ...2.1134

FLOODS IN NORTH LOUISIANA - RAINFALL-RUNOFF RELATIONSHIPS ...Amount, Floods, Louisiana, Runoff, Storms-general, ...2.0537

FLOOD INUNDATION MAPPING, NORTHEASTERN ILLINOIS ...Atlases-maps, Data Networks, Discharge-general, Floods, Illinois, ...4.0093

LOW FLOW CHARACTERISTICS OF TENNESSEE STREAMS ...Annual, Low Flow, Tennessee, Variation in Time, ...2.0997

UNIT HYDROGRAPHS FOR SOUTHWESTERN LOUISIANA ...Floods, Forecasting-prediction, Hydrographs, Louisiana, ...2.0539

UNIT HYDROGRAPHS FOR NORTHERN LOUISIANA ...Floods, Forecasting-prediction, Hydrographs, Louisiana, ...2.0540

LOW FLOW CHARACTERISTICS OF INDIANA STREAMS ...Discharge-general, Flow Characteristics -water, Indiana, Low Flow, ...2.0455

FLOODING OF SMALL STREAMS IN NASHVILLE-DAVIDSON CO. AREA, TENN. ...Amount, Discharge-general, Floods, Tennessee, Urban Environments, ...2.0994

HYDROLOGIC INVESTIGATIONS OF URBAN AREAS - HOUSTON, TEXAS ...Amount, Discharge-general, Floods, Texas, Urban Environments, ...4.0233

STREAMFLOW TEMPERATURE INVESTIGATION, TEXAS ...Flow Characteristics -water, Streams, Temperature, Texas, ...7.0099

WATER RESOURCES OF THE KENAI PENINSULA BOROUGH AREA, ALASKA ...Alaska, Aquifers-general, Groundwater Basins, Runoff, Water Resources Development, ...2.0012

WATER RESOURCES OF BRANCH-BLACKSTONE RIVER BASIN, RHODE ISLAND ...Groundwater Basins, Permeability, Rhode Island, Runoff, Water Yield, ...2.0614

SKYWATER ...Colorado, Data Acquisition-general, Streams, ...2.0190

LABORATORY CATCHMENT INVESTIGATIONS RELATING TO HYDROLOGIC SYSTEMS ANALYSIS ...Hydrology-general, Model Studies, Morphology-general, Systems Analysis, ...6.0574

Galapagos Islands

ENVIRONMENTAL HISTORY OF THE GALAPAGOS ISLANDS ...Floral, Lakes, Plant Succession, Plant Taxonomy, Productivity - Food Chain, ...2.0852

Gasket Materials

CONCEPTUAL DESIGN STUDY FOR ELECTRODIALYSIS ...Cost Analysis, Electrodialysis, Membranes-other, Polarization, Saline Conversion, ...3.0285

Gel

HARD SURFACE LININGS-LOWER COST CANAL LINING PROGRAM ...Bituminous, Canals, Cement, Concrete, Linings-pavings, Sealant Materials, ...8.0050

General Weather Topics

Data Display Systems

NORTH SIERRA OROGRAPHIC, CONVECTIVE CLOUD STUDY - ATMOSPHERIC WATER RESOURCES PROGRAM ...Cloud Physics, Hydrology-general, Modification, Orographic Effects, Precipitation Instruments, ...2.0731

CLIMATE AND PHENOLOGICAL PATTERNS FOR AGRICULTURE IN THE WESTERN REGION ...Nevada, Patterns, ...2.0732

Meteorological Studies

Meteorological Averages

EVALUATION OF CLIMATIC PATTERNS AFFECTING IDAHO AGRICULTURE ...Agricultural Watersheds, Applied Climatology, Data Analysis - General, Evaporation, Forecasting, Idaho, Patterns, ...2.0396

CLIMATE AND PHENOLOGICAL PATTERNS FOR AGRICULTURE IN THE WESTERN REGION ...Applied Climatology, Other Water Conditions, Patterns, Phenology, Tables, Compilations, Catalogs, ...3.0332

Meteorological Extremes

THE ECONOMIC EFFECTS OF DROUGHT ON AN AGRICULTURAL ECONOMY ...Drought, Economic Impact, Great Plains Province, Weather, ...2.0510

A STUDY OF THE ECONOMIC IMPACT OF DROUGHT ON WATER SUPPLY SYSTEMS IN THE PASSAIC RIVER BASIN, NEW JERSEY ...Economic Impact, New Jersey, Public Utilities, River Basins, Water Quality-general, ...2.0761

PROPOSAL FOR COMPILATION OF CUMULATIVE DROUGHT BIBLIOGRAPHY ...Bibliography, Economics-general, Social Aspects, Weather, ...2.0611

A STUDY OF TECHNOLOGIES FOR REDUCING WINTER WEATHER COSTS ...Alaska, Benefit-cost Analysis, Forecasting-prediction, Great Lakes-general, Northeast, ...2.0256

EXTREME RAINFALL FOR THE MEKONG RIVER BASIN ...Dam Sites, Floods, Management, Southeast Asia, Water Loss Control, ...2.0596

THE EFFECTS OF EXTREME FLOODS AND PLACER MINING ON THE BASIC PRODUCTIVITY OF SUBARCTIC STREAMS

...Alaska, Benthic Fauna, Bottom Sampling, Floods, Placer, Productivity - Food Chain, ...2.0022

RAINFALL CHARACTERISTICS, DROUGHT INCIDENCE AND THE DEVELOPMENT OF A RAINFALL DEFICIENCY INDEX FOR THE AGRICULTURAL REGIONS OF PUERTO RICO ...Drought, Irrigation-general, Patterns, Puerto Rico, Rain, ...2.0932

THE IMPACT OF THE NORTHEASTERN DROUGHT ON THE PLANNING AND PROVISION OF MUNICIPAL WATER SUPPLIES ...Administrative Structures, Alternative Planning, Economic Impact, Northeast, Water Supply-general, ...4.0136

HYDROMETEOROLOGICAL ANALYSIS OF SEVERE RAINSTORMS ...Illinois, Patterns, Radar, Storms-general, Weather Charts-maps, ...2.0414

IRRIGATION ...Economies-general, Irrigation, Irrigation Engineering, Sprinkler Irrigation, Yield, ...2.0673

DROUGHT FREQUENCY, INTENSITY & DURATION - ITS CORRELATION TO STREAMFLOW AND ITS IMPACT UPON SYNTHETIC HYDROLOGY ...Climatology, Flow Characteristics -water, Patterns, Synthetic Hydrology-general, Water Loss-general, ...2.0763

METEOROLOGICAL DROUGHT ..Technique Development, Weather Forecasting, ...2.0593

HYDROLOGY AND GEOCHEMISTRY OF CLOSED BASIN LAKES ...Basin Shape, Evaporation, Geochemical Analysis, Lakes, Salt, Solution, ...2.1137

Meteorological Studies-general

EFFECTS OF WEATHER ON CROPS ...Available Water, Evapotranspiration, Moisture Tension, Projections and Estimations, Soil Moisture -non-specific, ...2.0482

WATER LOSS ...Amount, Depth, Requirements for Water, Water Level Fluctuation, Water Loss-general, ...4.0228

DETERMINATION OF SAFE LEVELS OF POLLUTION IN PUERTO RICO ...Bays, Contamination - Water, Pollution - Effects of, Puerto Rico, Recreation Sites, Water Properties-general, ...2.0937

PHYSICAL, METEOROLOGICAL, AND HYDROLOGIC ASPECTS OF EVAPOTRANSPIRATION ...Evapotranspiration, Soil-water-plant Relationships, Translocation, Water Balance-budget, Water Yield, ...2.0951

DISPATCHING SYSTEM FOR CONTROL OF COMBINED SEWER LOSSES ...Combined Sewer, Control Gate, Energy Losses-general, Hydraulics-general, Hydrology-general, ...5.0609

LAKE ERIE ENVIRONMENTAL STUDIES PROGRAM ...Biological, Biological-general, Chemical, Chemical-general, Deltas, Eutrophication, Lake Erie, Monitoring (long Term Studies), Physical-general, Sedimentology-general, ...2.0783

CONTROL AND PREVENTION OF CULVERT AND ROAD ICINGS ...Culvert, Drainage, Hydrology-general, Roadway-general, Snow and Ice Removal, ...2.0750

Micrometeorology

MICROMETEOROLOGICAL INVESTIGATIONS OF THE ENERGY BUDGET - EFFECT OF SUMMER WINDS ...Evapotranspiration, Heat Budget, Heat Flow, Semi - Arid, Wind-general, ...2.0516

MICROMETEOROLOGY OF SOYBEANS ...Environmental-disease Relation, Evapotranspiration, Furrow Irrigation, Irrigation, Soybeans, ...2.0070

SUBSYNOPTIC WEATHER SPECIFICATION ...Cloud Cover, Data Analysis Applications, Dew, Model Studies, Temperature, Weather Forecasting, ...2.0592

GREAT LAKES RESEARCH - ICE CHARACTERISTICS ...Aerial, Lake Superior, Origin, Petrofabrics, Radiation-terrestrial, Sea Ice, ...2.0644

UNDERSTANDING AND IMPROVING SOIL-PLANT-ATMOSPHERIC RELATIONSHIPS FOR MORE EFFICIENT UTILIZATION OF WATER ...Irrigation, Root Absorption, Soil-water-plant Relationships, ...2.1057

Model Studies

LAKE EFFECT STORM STUDY ...Formation, Lake Erie, Lake Ontario, Sea of Japan, Weather Forecasting, ...2.0778

ICE FORMATION BY CONTACT NUCLEATION ...Formation, Growth and Preparation, Nucleation, Nucleation Physics, Temperature, ...3.0339

SMALL-SCALE CIRCULATIONS OF THE SAN FRANCISCO BAY AREA ...Air Motion-general, Inversion, Land-sea Breezes, Orographic Effects, San Francisco Bay, ...2.0154

SUBJECT INDEX

Genetics

- NUMERICAL SIMULATION OF THE MACROPHYSICAL AND MICROPHYSICAL PROCESSES OF MOIST CONVECTION ...Cloud Formation and Evolution, Clouds-precipitation, Convection, Formation, Thermodynamics, ...2.0239
- COMPUTER SIMULATION AND EVALUATION OF CLIMATOLOGICAL MODELS ...Computers-general, Patterns, Statistics-general, ...7.0044
- RESEARCH ON CHARACTERISTICS OF CONVECTIVE CLOUDS IN TEXAS ...Aircraft, Cloud Physics, Cumulus, Data Analysis - General, Texas, ...2.1023
- PILOT STUDY OF THE PROBABILITY OF OCCURRENCE OF CLIMATOLOGICAL PHENOMENA IN THE ATLANTA AREA ...Applied Climatology, Georgia, Weather Forecasting, ...2.0351
- GENERAL CIRCULATION - NUMERICAL MODELING OF PRECIPITATION ...Air Motion-general, Forecasting, Heat Exchange, Humidity, Weather Modification-general, ...2.0265
- SUBSYNOPTIC WEATHER SPECIFICATION ...Cloud Cover, Data Analysis Applications, Dew, Micrometeorology, Temperature, Weather Forecasting, ...2.0592
- NUMERICAL PREDICTION OF CLOUDINESS AND PRECIPITATION ...Applications, Forecasting, Prediction Models, ...2.0266
- CLOUD AND PRECIPITATION FORECAST MODEL ...Cloud Cover, Condensation-general, Forecasting, Latent Heats, Weather Forecasting, ...2.0267
- NUMERICAL PRECIPITATION MODEL ...Computers-general, Forecasting, Simulation Theory, Western, ...2.0588
- LARGE SCALE DYNAMIC EFFECTS OF CLOUD SEEDING ...Clouds-precipitation, Patterns, Statistics-general, ...2.0171
- A TEST OF CERTAIN EVALUATION DESIGNS FOR CLOUD-SEEDING EXPERIMENTS ...Clouds-precipitation, Forecasting, Mathematical Analysis, Oklahoma, Weather Charts-maps, ...2.0180
- INVESTIGATION OF THE FEASIBILITY OF WARM-CLOUD MANAGEMENT ...Cloud Temperature, Clouds-precipitation, Modification, Other, ...2.0165
- AIRFLOW AND DIFFUSION PARAMETERS IN CONNECTION WITH ATMOSPHERIC WATER RESOURCES PROGRAM ...Diffusion, Orographic Effects, Topographic Influences, Weather Modification-other, Wind Tunnels, ...2.0167

Planning-support

- EVALUATION OF PRECIPITATION MANAGEMENT PROGRAMS BY PRECIPITATION RATE MEASUREMENTS ...Clouds-precipitation, Modification, ...2.0199

Weather Charts-maps

- METEOROLOGICAL ANALYSIS OF PRECIPITATION EFFECTS OF SWISS HAIL SUPPRESSION EXPERIMENTS ...Clouds-precipitation, Modification, Patterns, Pressure-density, ...2.0108
- INFLUENCE OF TOPOGRAPHIC FEATURES ON RAINFALL IN WEST VIRGINIA ...Forecasting, Mathematical Analysis, Patterns, Topographic Influences, West Virginia, ...2.1140
- HYDROMETEOROLOGICAL ANALYSIS OF SEVERE RAINSTORMS ...Illinois, Meteorological Extremes, Patterns, Radar, Storms-general, ...2.0414
- RAINFALL FREQUENCY RELATIONS FOR PENNSYLVANIA ...Amount, Design Flow-flood, Gages, Hydrographic, Pennsylvania, ...2.0926
- PRECIPITATION-FREQUENCY MAPS FOR WESTERN UNITED STATES ...Climate, Geomorphology, Patterns, Western, ...7.0052
- HYDROLOGIC STUDIES (STORM STUDIES) HAWAIIAN ISLANDS ...Hawaii, Hydrology-general, Storm Water, Storms-general, ...2.0366
- A TEST OF CERTAIN EVALUATION DESIGNS FOR CLOUD-SEEDING EXPERIMENTS ...Clouds-precipitation, Forecasting, Mathematical Analysis, Model Studies, Oklahoma, ...2.0180

Weather Forecasting

- (U) INSTABILITY PATTERNS IN THE TROPICS ...Radar, Tropical, ...2.0320
- LAKE EFFECT STORM STUDY ...Formation, Lake Erie, Lake Ontario, Model Studies, Sea of Japan, ...2.0778
- PROBABLE MAXIMUM PRECIPITATION FOR SMALL BASIN IN THE TENNESSEE RIVER DRAINAGE SYSTEM ...Amount, Drainage, Storms-general, Tennessee River, Topographic Influences, ...2.0594
- PROBABLE MAXIMUM PRECIPITATION FOR SOUTHWEST STATES ...Amount, Design Flow-flood, Floods, Patterns, Snowmelt, Southwest, ...2.0597

- WEATHER IN RELATION TO KANSAS AGRICULTURE ...Agricultural Studies -general, Information Retrieval Methods, Kansas, Plant Environment, Ns, ...2.0508
- PILOT STUDY OF THE PROBABILITY OF OCCURRENCE OF CLIMATOLOGICAL PHENOMENA IN THE ATLANTA AREA ...Applied Climatology, Georgia, Model Studies, ...2.0351

Genetics

- HYBRID SUNFISH STUDIES ...Centrarchidae -other, Laboratory, Maturity & Growth Stages, Ponds, ...6.0195
- GUAVA VARIETIES. SELECTION & PROPAGATION OF GUAVA VARIETIES & INVESTIG. OF COMMERCIAL & INDUSTRIAL POSSIBILITIES OF THE FRUIT (ABBREV) ...Irrigation, Myrtaceae, Puerto Rico, Trees, Varietal Evaluation, ...5.1047

Sterility

- GENETIC AND CYTOGENIC STUDIES OF HORTICULTURAL CROPS-BREEDING XEROPHYTIC CUCURBITA ...Aerial, Arid and Desert, Arizona, Interspecific Genetic Relat., Squash, Pumpkin, ...3.0010

Geochemical Analysis

- GEOCHEMICAL STUDIES OF CONTINENTAL WATERS ...Authigenesis, Location, Pore Fluids, Radioisotopes, ...1.0081
- COLUMBIA RIVER SEDIMENT STUDIES ...Columbia River, Radioactivity-general, Radiochemical Techniques, Sediments, Self-purification, ...5.1249
- CLASSIFICATION OF DEEP SUBSURFACE WATERS BY CHEMICAL COMPOSITION AND GEOLOGY ...Chemical Analysis (water), Groundwater, High Pressure Research, Interstitial - Connate Water, Salinity, ...2.0883
- GEOCHEMICAL BEHAVIOR OF IRON AND MANGANESE IN A RESERVOIR (LAKE LYNN, WEST VIRGINIA) FED BY STREAMS CONTAINING ACID MINE DRAINAGE ...Acidity, Iron, Manganese, Mine Drainage Control, West Virginia, ...2.1139
- GEOCHEMISTRY AND ORIGIN OF SULFO-SALINE GROUND WATER, SALINE COUNTY, MISSOURI ...Atlases-maps, Chemical-general, Groundwater, Permeability, Salinity, Sulfide, ...4.0152
- CHEMICAL CHARACTERISTICS OF WATERS IN FLOODED BITUMINOUS-COAL MINESHAFTS ...Acidity, Bituminous, Mine Drainage Control, Mine Hydrology, Pyrite Group, ...5.1279
- TRACE ELEMENT CHEMISTRY OF A SMALL POND IN RELATION TO PRODUCTIVITY ...Environmental Ecology, Ponds, Population Dynamics, Trace Element Analysis, Zooplankton, ...6.0232
- THE DEVELOPMENT OF GEOCHEMICAL AND GEOPHYSICAL TECHNIQUES AS AN AID TO DETERMINING AVAILABILITY OF GROUND WATER IN LIMESTONE TERRANES ...Available Water, Geophysical Analysis, Groundwater, Karst Topography, Water Sources-general, ...2.0009
- DISSOLVED CONSTITUENTS OF NATURAL WATERS - CONTRIBUTIONS FROM MINERALIZED AREAS ...Chemical Reactions, Groundwater, Mineralization, Mineralogy-petrology, Ore Minerals, ...2.0734
- WATER DATING TECHNIQUES AS APPLIED TO THE MISSOULA GROUND-WATER RESERVOIR, MONT. ...Carbon-14, Groundwater Movement, Montana, Unconsolidated Aquifers, ...2.0715
- UTILIZATION OF OIL FIELD BRINES AS A POSSIBLE FERTILIZER SOURCE ...Atomic Absorption, Brines, Emission, Material Recovery Wastes, X-ray, ...1.0056
- CHEMISTRY OF HYDROSOLIC METALS IN NATURAL WATER ...Aeration, Aluminum, Demineralization, Iron, Manganese, Solution Chemistry, ...5.0119
- HYDROLOGY AND GEOCHEMISTRY OF CLOSED BASIN LAKES ...Basin Shape, Evaporation, Lakes, Meteorological Extremes, Salt, Solution, ...2.1137
- HYDROLOGY OF SUBSURFACE WASTE DISPOSAL - NATIONAL REACTOR TESTING STATION, IDAHO ...Groundwater Movement, Nuclear Power, Radioactivity-general, Underground Waste Disposal, Water Cycle, ...5.0319

Geochemistry

Atmosphere

- GEOCHEMICAL STUDIES WITH STABLE AND RADIOACTIVE ISOTOPES ...Mineral Groups, Nuclear - General, Radiochemical Techniques, Sedimentary Rocks, Uranium, ...2.0134

Gaseous Atmosphere

- STUDY OF LIGHT ISOTOPES IN LACUSTRINE ENVIRONMENTS ...Lakes, Oxygen, ...2.0242

SUBJECT INDEX

Crystal Chemistry

Properties and Structure

- STUDY OF THE SULFIDE-TO-SULFATE REACTION MECHANISM ...Adsorption-other, Biological Cycles, Oxidation-general, Pyrite Group, Solution Chemistry, Sulfate, Sulfite, Sulfide, ...5.0880

Experimental Geochemistry

High Pressure Research

- CLASSIFICATION OF DEEP SUBSURFACE WATERS BY CHEMICAL COMPOSITION AND GEOLOGY ...Chemical Analysis (water), Geochemical Analysis, Groundwater, Interstitial - Connate Water, Salinity, ...2.0883

Mineral Equilibria

- MINERAL-WATER CHEMISTRY, GREAT LAKES ...Chemical Reactions, Great Lakes-general, Mineral Genesis, Model Studies, Phase Relationships, Solution Chemistry, ...5.0552

Phase Relationships

- MINERAL-WATER CHEMISTRY, GREAT LAKES ...Chemical Reactions, Great Lakes-general, Mineral Equilibria, Mineral Genesis, Model Studies, Solution Chemistry, ...5.0552

Solution Chemistry

- CARBON, OXYGEN AND SULFUR ISOTOPES AND THE ORIGIN AND SOURCES OF URANIUM MINERALIZATION ...Mineral Genesis, Ore Deposits, Radiochemical Techniques, Thermophysical Properties, Transfer Processes, Uraninite Group, ...2.1083
- SOLUBILITY OF NATURAL GASES IN CONNATE WATER AND OF WATER IN NATURAL GASES ...Brines, High Pressure - 1-1000 Atm, Interstitial - Connate Water, Ions and Gases, Natural Gas, Solubility, ...1.0080
- A LABORATORY STUDY OF THE SOLUBLE METALS IN ROCKS, SAPROLITE, AND SOIL FROM THE BROAD QUADRANGLE, GEORGIA ...Atomic Absorption, Laboratory Analysis, Lateritic, Solubility, Trace Element Analysis, ...1.0037
- MINERAL-WATER CHEMISTRY, GREAT LAKES ...Chemical Reactions, Great Lakes-general, Mineral Equilibria, Mineral Genesis, Model Studies, Phase Relationships, ...5.0552
- STUDY OF THE SULFIDE-TO-SULFATE REACTION MECHANISM ...Adsorption-other, Biological Cycles, Oxidation-general, Properties and Structure, Pyrite Group, Sulfate, Sulfite, Sulfide, ...5.0880
- GEOCHEMICAL CONTROLS OF WATER QUALITY ...Chemical Analysis (water), Electroanalyses-other, Equilibrium-other, Properties of Minerals, Reaction-general, ...2.0115
- CHEMISTRY OF HYDROSOLIC METALS IN NATURAL WATER ...Aeration, Aluminum, Demineralization, Geochemical Analysis, Iron, Manganese, ...5.0119
- MINERAL-WATER INTERACTION IN SALINE ENVIRONMENTS ...Analysis and Detection, California, Evaporation, Interfacial, Solution, ...2.1095
- SPATIAL DISTRIBUTION OF CHEMICAL CONSTITUENTS IN GROUND WATER ...Carbonates, Chemical-general, Groundwater, Model Studies, Sedimentary Petrogenesis, Statistical, ...1.0120
- GEOHYDROLOGY OF THE POTOMAC-RARITAN-MAGOTHY AQUIFER SYSTEM ...Aquifers-general, Calcite Group, Clay Minerals-general, Groundwater, Mineralogy, ...2.0768
- ENGINEERING GEOLOGIC BEHAVIOR OF FOUNDATIONS IN RESERVOIRS IN GYPSUM-LIMESTONE TERRAIN ...Engineering Structures-general, Foundations-general, Geology - Engineering, Gypsum, Limestone - General, ...8.0074
- SOLUBILITIES OF THE SULFATES OF BARIUM AND STRONTIUM IN OILFIELD WATERS ...Barium, Brines, Fluid Properties, Radioisotopes, Strontium, Thermal Properties-other, ...1.0097

Stability Fields

- CLAY MINERAL STABILITY AND WATER COMPOSITION ...Clay Minerals-general, Clays, Interstitial - Connate Water, Mineralization, Moisture Content, ...1.0124

Thermophysical Properties

- CARBON, OXYGEN AND SULFUR ISOTOPES AND THE ORIGIN AND SOURCES OF URANIUM MINERALIZATION ...Mineral Genesis, Ore Deposits, Radiochemical Techniques, Solution Chemistry, Transfer Processes, Uraninite Group, ...2.1083

SUBJECT INDEX

Geochemistry

Exploration Methods

Hydrogeochemical Properties

HYDROGEOCHEMICAL INVESTIGATION OF SELECTED WATERSHEDS IN SOUTHWESTERN MONTANA ...Chemical-general, Environmental Effects-geologic, Montana, Rocks - Bedrock, Small Watersheds, ...5.0698

Geochemical Investigations

Biological Cycles

STUDY OF THE SULFIDE-TO-SULFATE REACTION MECHANISM ...Adsorption-other, Oxidation-general, Properties and Structure, Pyrite Group, Solution Chemistry, Sulfate, Sulfite, Sulfide, ...5.0880

Element Ratios

GEOCHEMICAL STUDIES OF CONTINENTAL WATERS ...Authigenesis, Location, Pore Fluids, Radioisotopes, ...1.0081

STABLE CARBON AND OXYGEN ISOTOPE RATIO VARIATIONS IN THE FLOW TO CARBON AND OXYGEN THROUGH NORMAL AND POLLUTED AQUATIC SYSTEMS ...Analysis and Detection, Carbon, Organic-general, Oxygen, Pollutants - Path of, Sewerage Systems-other, ...5.1183

DISTRIBUTION OF ELEMENTS IN FLUVIAL AND BRACKISH ENVIRONMENTS ...Adsorption Capacity, Adsorption-general, Brackish Water, Chemical Reactions, Exchange Capacity, Solution, ...2.0282

Mineral Associations

HYDROLOGIC-MINERAL CYCLE INTERACTION IN SMALL UNDISTURBED AND MANIPULATED ECOSYSTEMS ...Chemical Reactions, Environment, New Hampshire, Small Watersheds, Water Cycle, ...2.0745

GEOCHEMISTRY OF SAN FRANCISCO BAY ...Bays, Clays, Distribution, San Francisco Bay, Trace Element Analysis, ...2.0121

Mineral Genesis

CARBON, OXYGEN AND SULFUR ISOTOPES AND THE ORIGIN AND SOURCES OF URANIUM MINERALIZATION ...Ore Deposits, Radiochemical Techniques, Solution Chemistry, Thermophysical Properties, Transfer Processes, Uraninite Group, ...2.1083

MINERAL-WATER CHEMISTRY, GREAT LAKES ...Chemical Reactions, Great Lakes-general, Mineral Equilibria, Model Studies, Phase Relationships, Solution Chemistry, ...5.0552

Nuclear - General

GEOCHEMICAL STUDIES WITH STABLE AND RADIOACTIVE ISOTOPES ...Atmosphere, Mineral Groups, Radiochemical Techniques, Sedimentary Rocks, Uranium, ...2.0134

Properties of Minerals

GEOCHEMICAL CONTROLS OF WATER QUALITY ...Chemical Analysis (water), Electroanalyses-other, Equilibrium-other, Reaction-general, Solution Chemistry, ...2.0115

Soil Chemistry

TRACE ELEMENTS IN RESIDUAL SOILS ...Clay Minerals-general, Lateritic, Mineralogy, Soil Chemical Properties, Trace Element Analysis, ...2.0931

Trace Element Analysis

THE BIOLOGY AND CHEMISTRY OF TRACE ELEMENTS IN MARINE AND ESTUARINE WATERS ...Chesapeake Bay, Estuaries, Phytoplankton, Productivity - Food Chain, Zooplankton, ...2.0556

PATHWAYS OF TRACE ELEMENTS IN ARCTIC LAKE ECOSYSTEMS ...Arctic, Gel Filtration, Lakes, Organic-general, Pollutants - Path of, ...1.0004

CHEMICAL STUDIES ON THE WATERS AND SOILS OF LAKES AND WETLANDS, WITH SPECIAL REFERENCE TO MINOR ELEMENTS ...Chemical, Chemical-general, Lakes, Minnesota, Wetlands, ...2.0660

FACTORS AFFECTING ZOOPLANKTON PRODUCTION IN FOUR ARIZONA LAKES ...Environmental Ecology, Lakes, Productivity - Food Chain, Water Bacteria, Zooplankton, ...5.0047

STRONTIUM ISOTOPE COMPOSITION AND TRACE ELEMENT CONCENTRATIONS IN LAKE HURON AND ITS PRINCIPAL TRIBUTARIES ...Chemical, Ions and Gases, Lake Huron, Rocks - Bedrock, Strontium, ...2.0854

TRACE ELEMENT CHEMISTRY OF A SMALL POND IN RELATION TO PRODUCTIVITY ...Environmental Ecology, Geochemical Analysis, Ponds, Population Dynamics, Zooplankton, ...6.0232

PRIMARY PRODUCTIVITY OF MINNESOTA LAKES ...Chemical-general, Lakes, Plankton (non-specific), Primary Productivity, Water Sampling, ...5.0607

A LABORATORY STUDY OF THE SOLUBLE METALS IN ROCKS, SAPROLITE, AND SOIL FROM THE BROAD QUADRANGLE, GEORGIA ...Atomic Absorption, Laboratory Analysis, Lateritic, Solubility, Solution Chemistry, ...1.0037

MODE OF OCCURRENCE OF MINOR ELEMENTS IN SEDIMENTS AND SOILS ...Chemical Analysis - Soils, Groundwater, Heavy Mineral Analysis, Mineralogy, Weathering Products, ...1.0054

TRACE ELEMENTS IN RESIDUAL SOILS ...Clay Minerals-general, Lateritic, Mineralogy, Soil Chemical Properties, Soil Chemistry, ...2.0931

THE ANALYSIS AND GEOCHEMISTRY OF TRACE ELEMENTS IN THE HYDROSPHERE ...Activation Analysis, Bays, Chemical Analysis (water), Chemical Reactions, Gamma, ...1.0109

TRACE ELEMENT CHEMISTRY OF STREAMS OF THE LOWER KANSAS RIVER BASIN ...Analysis and Detection, Atomic Absorption, Chemical Analysis (water), Trace Analyses-other, ...1.0055

A COMPARATIVE STUDY OF TRACE ELEMENT CYCLES IN SIX LAKES IN SOUTH CAROLINA ...Chemical-general, Lakes, Plankton (non specific), South Carolina, Water Cycle, ...2.0944

TRACE ELEMENT CYCLES IN A SOUTHEASTERN RESERVOIR LAKE ...Adsorption Capacity, Radioactivity-general, Rate of Deposition, Reservoirs, Reservoirs and Impoundments, Trace Elements, Water Cycle, ...2.0945

GEOCHEMISTRY OF SAN FRANCISCO BAY ...Bays, Clays, Distribution, Mineral Associations, San Francisco Bay, ...2.0121

Transfer Processes

CARBON, OXYGEN AND SULFUR ISOTOPES AND THE ORIGIN AND SOURCES OF URANIUM MINERALIZATION ...Mineral Genesis, Ore Deposits, Radiochemical Techniques, Solution Chemistry, Thermophysical Properties, Uraninite Group, ...2.1083

ADSORPTION OF IONS IN TRACE CONCENTRATIONS ON SOIL AND SILT PARTICLES ...Adsorption Capacity, Adsorption-other, Radioisotopes, Size, Soil Environment, ...2.0349

OXYGEN DEMAND OF LAKE ERIE SEDIMENT ...Aquatic Soils, Deposits-other, Oxygen, ...2.0627

Weathering Products

GEOCHEMISTRY AND HYDROLOGY OF A SMALL BASIN IN THE UPPER BUFFALO RIVER WATERSHED, TENNESSEE ...Hydrology-general, Small Watersheds, Tennessee, Water Cycle, Water Properties-general, ...2.0999

MODE OF OCCURRENCE OF MINOR ELEMENTS IN SEDIMENTS AND SOILS ...Chemical Analysis - Soils, Groundwater, Heavy Mineral Analysis, Mineralogy, Trace Element Analysis, ...1.0054

Geochemistry-general

GEOCHEMISTRY OF AQUIFERS AS AFFECTED, OR POTENTIALLY AFFECTED BY OFFTAKE OR ARTIFICIAL RECHARGE ...Aquifers-general, Artificial Recharge, Chemical-general, Discharge-general, Louisiana, ...2.0530

SUBSURFACES BRINES CONTAINING VALUABLE AND STRATEGIC MINERALS ...Brines - Saline Waters, Chemical-general, Hardness-minerals, Potential of Deposit, ...7.0091

Hydrosphere

Groundwater

CONTAMINATION OF GROUND WATER FROM RADIOACTIVE PACKAGES IMPACTING ON LAND ...Ground Water, Groundwater Movement, Pollutants - Path of, Radioactivity-general, ...4.0240

MINERALOGIC CONTROLS ON CHEMISTRY OF GROUND WATER ...Carbon-14, Chemical-general, Clay, Mineralogy, Reverse Osmosis, ...2.1094

Lakes

STUDY OF LIGHT ISOTOPES IN LACUSTRINE ENVIRONMENTS ...Gaseous Atmosphere, Oxygen, ...2.0242

Reservoirs

TRACE ELEMENT CYCLES IN A SOUTHEASTERN RESERVOIR LAKE ...Adsorption Capacity, Radioactivity-general, Rate of Deposition, Reservoirs and Impoundments, Trace Element Analysis, Trace Elements, Water Cycle, ...2.0945

Lithosphere

Mineral Groups

GEOCHEMICAL STUDIES WITH STABLE AND RADIOACTIVE ISOTOPES ...Atmosphere, Nuclear - General, Radiochemical Techniques, Sedimentary Rocks, Uranium, ...2.0134

Ore Deposits

CARBON, OXYGEN AND SULFUR ISOTOPES AND THE ORIGIN AND SOURCES OF URANIUM MINERALIZATION ...Mineral Genesis, Radiochemical Techniques, Solution Chemistry, Thermophysical Properties, Transfer Processes, Uraninite Group, ...2.1083

Sedimentary Rocks

GEOCHEMICAL STUDIES WITH STABLE AND RADIOACTIVE ISOTOPES ...Atmosphere, Mineral Groups, Nuclear - General, Radiochemical Techniques, Uranium, ...2.0134

Geochronology

Dendrochronology

HYDROLOGIC CHARACTERIZATION OF FORESTED WATERSHEDS IN ARIZONA ...Forecasting-prediction, Forest Watersheds, Management, Runoff, Snowpack, Water Yield, ...2.0951

Radioactivity Methods

Carbon-14

THE EVALUATION OF APPLICATION OF C-14 DATING OF GROUND WATER ...Aquifers-general, Disposal Methods-other, Groundwater, Radioactivity-general, Underground Waste Disposal, ...5.0241

WATER TRACING AND DATING IN HAWAII HYDROLOGIC CYCLE ...Groundwater Movement, Hawaii, Radioisotopes, Surface Water, Tritium, Water Cycle, ...2.0375

WATER DATING TECHNIQUES AS APPLIED TO THE MISSOULA GROUND-WATER RESERVOIR, MONT. ...Geochemical Analysis, Groundwater Movement, Montana, Unconsolidated Aquifers, ...2.0715

CARBON-14 CONTENT OF FRESH WATER CARBONATES ...Carbonates-general, Chemical, Paleoclimatology, Paleohydrology, Playas, ...2.0048

RELICT COPEPODS FROM LAKE TUBORG, ELLESMERE ISLAND ...Brackish Water, Canada, Copepods, Lakes, Plankton Sampling, ...2.0257

MINERALOGIC CONTROLS ON CHEMISTRY OF GROUND WATER ...Chemical-general, Clay, Groundwater, Mineralogy, Reverse Osmosis, ...2.1094

Radioactive Dating-general

DEEP ICE CORE STUDIES AND ANALYSES FROM GREENLAND AND ANTARCTICA ...Antarctica, Core Analysis, Dust - Particulate Matter, Extraterrestrial, Greenland, Velocity, ...2.0754

Tritium

IDENTIFICATION OF IRRIGATION RETURN WATER IN THE SUBSURFACE ...Chemical-general, Hawaii, Irrigation-general, Physical-general, Springs, ...5.0314

DETECTION OF SUBSURFACE CAVITIES OR CONDUITS IN FOUNDATIONS OF PROPOSED RESERVOIRS AND ENGINEERING STRUCTURES ...Carbonates, Cave Studies, Engineering Structures-general, Geology - Engineering, Geothermal Gradient, ...8.0073

Uranium

ENVIRONMENTAL RADIATION STUDIES ...Core Analysis, Protactinium, Rate of Deposition, Thorium, ...1.0113

Geography-cultural

INTER-DISCIPLINARY RESEARCH IN THE AREA OF THE KANO PLAINS, WESTERN KENYA ...Aquatic Ecology, Geomorphology-general, Kenya, ...3.0246

Geography-physical

URBAN AND METROPOLITAN STUDIES ...Aerial, Planning, Remote Sensing-general, Urban, Urban Environments, ...6.0139

COORDINATION AND LIAISON AT MANNED SPACECRAFT CENTER, HOUSTON ...Acromagnetic, Aircraft, Hydrology-general, Infrared Radiation, Ultra - Violet Radiation, ...6.0146

DOCTORAL DISSERTATION RESEARCH IN GEOGRAPHY ...Data Analysis - General, General Synoptic Observations, Humidity, Ohio River, Water Balance-budget, ...3.0392

RAINFALL OVER MISSOURI ...Data Analysis - General, Gages, Modification, Patterns, Topographic Influences, ...2.0694

DISTRIBUTION AND DENSITY OF BREEDING WATERFOWL POPULATIONS AS RELATED TO QUANTITY AND QUALITY OF WETLAND HABITAT IN NORTH DAKOTA ...North Dakota, Number Or Density, Spawn Or Nesting Sites, Water Fowl, N.s. , Wetlands, ...6.0420

Geologic History

Glacial History

GLACIAL GEOLOGY OF THE CHAMPLAIN VALLEY ...Clays, Mapping, New York, Till, Vermont, ...2.1089

Origin of Life

EFFECTS OF WATER PROPERTIES IN THIXOTROPIC CLAY SYSTEMS ON BIOLOGICAL ACTIVITY ...Anaerobic Bacteria, Cell Cycle, Clay, Thermodynamics, ...6.0217

Paleoclimatology

CARBON-14 CONTENT OF FRESH WATER CARBONATES ...Carbon-14, Carbonates-general, Chemical, Paleohydrology, Playas, ...2.0048

Sedimentary Basins

GEOLOGY AND HYDROLOGY OF THE PRESIDIO BOLSON, TEXAS AND ADJACENT MEXICO ...Bolsos, Groundwater, Hydrology-general, Local Stratigraphy, Water Yield, ...2.1011

Sedimentary History

THE WILCOX GROUP IN TEXAS ...Clastic Aquifers, Groundwater, Local Stratigraphy, Specific Rock Unit, Texas, ...2.1007

GEOLOGY OF VALLEY FILL DEPOSITS IN THE MIDDLE ILLINOIS RIVER VALLEY ...Clastic Aquifers, Deposits, Hydrology-general, Valley, Buried, ...7.0036

Geologic Structures

Basins

Big Horn

STUDIES IN SOILS AND AGRONOMIC PRACTICES - SHOSHONE PROJECT, WYOMING ...Air - Water - Plant Relations, Management, Physical Properties-general, Rates Or Levels of Application, Saline and Alkaline Soils, ...3.0494

ARID LAND ECOLOGY AND ENVIRONMENT STUDIES IV. WATER QUANTITY MANAGEMENT ...Arid and Desert, Deserts, Deserts, Arid Lands, Moisture Content, Wyoming, ...4.0281

PERMEABILITY DISTRIBUTION AND SEDIMENTATIONAL FEATURES ...Clastic Aquifers, Permeability, Petrography, Sedimentary Structures-other, Water Yield, ...2.0271

Great Basin

AN ATMOSPHERIC ENERGY BUDGET STUDY ...Heat Exchange, Storms-general, Water Balance-budget, ...2.0738

CHEMICAL AND FLOW REGIMES OF GREAT BASIN SPRINGS ...Chemical-general, Flow Characteristics -water, Groundwater Movement, Springs, ...2.0736

SALVAGE AND USE OF WATER LOST TO PHREATOPHYTES IN THE GREAT BASIN ...Energy Budgets, Management, Moisture Levels, Phreatophytes, Water Loss Control, ...3.0315

DRAINAGE SYSTEMS FOR THE GREAT BASIN ...Artesian Flow, Drainage, Drainage Systems, Groundwater Movement, Permeability, ...4.0164

IRRIGATION SYSTEMS FOR EFFICIENT WATER USE IN THE GREAT BASIN ...Arid and Desert, Evapotranspiration, Lysimeters, Sprinkler Irrigation, Water Balance-budget, ...3.0314

San Joaquin

LAND SUBSIDENCE STUDIES IN THE SAN JOAQUIN VALLEY ...California, Subsidence, ...2.0152

San Juan

THE POST-PLEISTOCENE EPICYCLE SEQUENCE OF ALLUVIATION AND EROSION IN THE LOWER SAN JUAN

SUBJECT INDEX

Geology - Engineering

DRAINAGE ...Alluvial Deposits, Archeology, Gullies - Arroyos, Paleoenvironments, Paleohydrology, ...2.1097

Depressions

Rio Grande

FLOOD FREQUENCY STUDY ...Bridges & Culverts, Culvert, Floods, New Mexico, Peak Flow, ...2.0772

Downwarps

Snake River

ECOLOGY OF SELECTED AQUATIC BACTERIA IN THE SNAKE RIVER ...Bacterial Pollutant Sources, Pollution - Effects of, Pulp, Paper, and Logging, Sewage, Water Bacteria, ...5.1236

Embayments

Mississippi

A REGIONAL STUDY OF THE CHANGING OCCUPANCY AND DEVELOPMENT OF AN ALLUVIAL LOWLAND ...Alluvial Deposits, Land Use, Management, Model Studies, Regional Areas, ...7.0031

Rio Grande

ATMOSPHERIC WATER RESOURCES RESEARCH IN THE STATE OF NEW MEXICO ...Clouds-general, Clouds-precipitation, New Mexico, Precipitation Instruments, Storms-general, ...2.0175

Hills - Ridges - Massifs

Henry Mountains

PHYSIOGRAPHIC STUDY OF PART OF THE HENRY MOUNTAINS REGION, UTAH ...Erosion, Physical Features-general, Physiography-general, Processes, Utah, ...2.0563

Shields - Shelves - Platforms

Yellowstone Plateau

GEOTHERMAL INVESTIGATIONS - YELLOWSTONE PARK ...Gravity Surveys, Hot Springs, Magnetic Surveys, Satellites, Seismic Surveys, Terrain Analysis, ...6.0147

Troughs

Salton

EFFECTS OF INCREASE IN SALTON SEA SALINITY ON THE SURVIVAL OF ORANGEMOUTH CORVINA, SARGO, BAIRDIELLA, AND NEANTHES ...Bioindicators, Captive Rearing, Fish -other, Pollution - Effects of, Salinity, Water Salinity, ...5.0146

Uplifts

Cascade Mountains

CASCADES ATMOSPHERIC WATER RESOURCES PROGRAM ...Augmentation-general, Clouds-precipitation, Data Analysis - General, Formation, Washington, ...2.1128

Sierra Nevada

FACTORS RESTRICTING INFILTRATION RATES ON DECOMPOSED GRANITIC SOILS ...Floods, Infiltration, Intrusives, Organic-general, Sand, ...2.0732

EVAPOTRANSPIRATION PATTERNS OF FOREST AND BRUSH VEGETATION ON THE EAST SLOPE OF THE SIERRA NEVADA ...Evapotranspiration, Forest Watersheds, Moisture Levels, Mountains-alpine, Slope - Direction of, ...4.0167

GEOMORPHIC STUDIES IN THE SIERRA NEVADA, CALIFORNIA ...Glaciers, Morphology-general, Regimen, Sediment Relationship, Streams, ...2.0119

Geologic Time

Cenozoic Era

Quaternary Period

MORPHOLOGY AND HYDROLOGY OF PLEISTOCENE DEPOSITS, DELAWARE ...Geophysical Analysis, Groundwater Movement, Morphology-general, Permeability, Unconsolidated Aquifers, Water Yield, ...2.0253

URANIUM AND HYDROGEN RADIONUCLIDES AS NATURAL TRACERS IN THE FLORIDAN AQUIFER ...Aquifers-general,

Florida, Radioisotopes, Recharge -general, Tritium, Uranium, ...2.0326

SALT DISTRIBUTION ALONG LAKE BOTTOM AND WITHIN DEEP SEDIMENTS BENEATH GREAT SALT LAKE ...Chlorine, Great Salt Lake, Salt, Sodium, ...5.1201

GEOLOGIC ASPECTS OF SEA-WATER ENCROACHMENT - RECOGNITION OF LATE GLACIAL SUBSTAGES IN NEW YORK AND NEW ENGLAND ...Field Studies, New York, Saline Water Intrusion, Sea Level Variations, Shoreline - Coastline, ...2.0300

QUATERNARY SEDIMENTATION AT MARINE-FLUVIAL INTERFACE, SW OREGON ...Bed Load, Geological Exploration, Heavy Minerals, Mineralogy-petrology, Size, ...2.0120

Tertiary Period

GEOHYDROLOGIC ENVIRONMENTAL STUDIES ...Clastic Aquifers, Facies, Flow Characteristics -water, Permeability, Specific Rock Unit, ...2.0538

HYDROGEOLOGIC MAPPING OF PALEOCENE SEDIMENTS, WESTERN TENNESSEE ...Clastic Aquifers, Mapping, Specific Rock Unit, Surficial Geology, Tennessee, ...2.0995

Paleozoic Era

Pennsylvanian Period

HYDROLOGY OF BURIED PENNSYLVANIAN CHANNEL SANDSTONE, KENTUCKY ...Clastic Aquifers, Kentucky, Observation Wells, Salinity, Valley, Buried, ...2.0527

Permian Period

PERMIAN BASIN - ORIGIN OF SALINE WATER DISCHARGE ...Brines, Groundwater Movement, Saline Water Intrusion, Sub-surface Flow, Texas, ...2.1004

Geological Exploration

WATER EXPLORATION AND MAPPING ...Mapping, Remote Sensing-general, Water Resources Development, ...6.0144

QUATERNARY SEDIMENTATION AT MARINE-FLUVIAL INTERFACE, SW OREGON ...Bed Load, Heavy Minerals, Mineralogy-petrology, Quaternary Period, Size, ...2.0120

Geology - Engineering

ENVIRONMENTAL GEOLOGY STUDY OF DALLAS-FT. WORTH METROPOLITAN REGION ...Data Acquisition-general, Groundwater, Shallow, Texas, Urban Environments, ...7.0098

ENGINEERING GEOLOGY ...Core Analysis, Dams-general, Foundations-general, Highway Sites, Reservoirs, ...8.0174

HYDROLOGY OF THE SUB-LAKE SEDIMENTS BENEATH GREAT SALT LAKE ...Artificial Recharge, Brines, Great Salt Lake, Interstitial - Connate Water, Permeability, ...2.1082

GEOLOGIC AND ENGINEERING SIGNIFICANCE OF FRACTURED ROCK ...Joints-fractures, Rock Mechanics, ...8.0224

STRENGTH OF JOINTED ROCKS ...Breccia-general, Fine-grained Clastics, Joints-fractures, Limestone - General, Rock Mechanics, ...8.0262

RESEARCH TO DETERMINE THE FEASIBILITY OF NUCLEAR EXCAVATION ...Excavation, Nuclear Excavation, Nuclear Explosion, ...2.0102

MODEL STUDY OF UNDERGROUND OPENINGS ...Dams-general, Foundations-general, Model Studies, Rock Mechanics, Structural Analysis-general, Tunnel, ...8.0067

DETECTION OF SUBSURFACE CAVITIES OR CONDUITS IN FOUNDATIONS OF PROPOSED RESERVOIRS AND ENGINEERING STRUCTURES ...Carbonates, Cave Studies, Engineering Structures-general, Geothermal Gradient, Tritium, ...8.0073

CORRELATION OF JOINT DENSITY AND ROCK LOADS--INSTALLATION OF TUNNEL SET LOAD CELLS IN DIVIDE TUNNEL, COLORADO ...Colorado, Engineering Structures-general, Joints-fractures, Tunnels, ...8.0134

ENGINEERING GEOLOGIC PROPERTIES OF ROCK ...Aerial, Borehole Geophysics, Foundations-general, Microstructure, Technique Development, ...8.0098

SEISMICITY OF FAULTS - ENGINEERING GEOLOGIC EVALUATION ...Earthquakes, Engineering Structures-general, Faults, Microseisms - Background, Seismographs, ...8.0057

BASIC ROCK PHYSICS ...Engineering Structures-general, Foundations-general, General Petrology, Joints-fractures, Weathering, ...8.0118

Geology - Engineering

SUBJECT INDEX

STRENGTH OF ROCK MASSES ...Engineering Structures-general, Joints, Joints-fractures, Mine Structures, Rock Mechanics, ...**8.0029**

ENGINEERING GEOLOGIC BEHAVIOR OF FOUNDATIONS IN RESERVOIRS IN GYPSUM-LIMESTONE TERRAIN ...Engineering Structures-general, Foundations-general, Gypsum, Limestone - General, Solution Chemistry, ...**8.0074**

Geology-general

GEOLOGY OF THE LAJITAS AND REDFORD QUADRANGLES, BREWSTER AND PRESIDIO COUNTIES, TEXAS ...Atlases-maps, Geologic Maps, Groundwater, Texas, ...**2.1014**

GEOLOGY OF THE CAVE CREEK SCHOOL, MONUMENT HILL, AND YEAGER CREEK QUADRANGLES, GILLESPIE, BLANCO, AND HAYS COUNTIES, TEXAS ...Atlases-maps, Geologic Maps, Groundwater, Texas, Water Resources Development, ...**7.0101**

ENVIRONMENTAL GEOLOGY OF THE SPRINGFIELD-DECATUR AREA ...Appraisals-general, Groundwater, Illinois, Land Use, Urban Environments, ...**6.0193**

GEOLOGY AND GROUND WATER RESOURCES OF WARD COUNTY ...Aquifers-general, Groundwater, Hydrology-general, North Dakota, Water Quality-general, ...**2.0841**

GEOLOGY AND GROUND WATER RESOURCES OF RENVILLE COUNTY ...Aquifers-general, Groundwater, North Dakota, Water Resources - General, Water Wells, ...**2.0843**

GEOLOGY AND GROUND WATER RESOURCES OF PEMBINA COUNTY ...Aquifers-general, Deposits, Groundwater, Mapping, Permeability, Rocks - Bedrock, ...**2.0844**

GEOLOGY AND GROUND WATER RESOURCES OF NELSON COUNTY ...Aquifers-general, Deposits, Groundwater, Mapping, Permeability, Rocks - Bedrock, ...**2.0845**

GEOLOGY AND GROUND WATER RESOURCES OF WALSH COUNTY ...Aquifers-general, Deposits, Groundwater, Mapping, Permeability, Rocks - Bedrock, ...**2.0846**

GEOLOGY AND GROUND WATER RESOURCES OF CAVALIER COUNTY ...Aquifers-general, Deposits, Groundwater, Mapping, Permeability, Rocks - Bedrock, ...**2.0847**

Geomorphology-general

ASSEMBLY AND ANALYSIS OF HYDROLOGIC AND GEOMORPHOLOGIC DATA FOR SMALL WATERSHEDS IN INDIANA ...Data Analysis - General, Hydrographs, Indiana, Small Watersheds, Streams, ...**2.0459**

RECENT VARIATIONS IN COURSE AND REGIMEN, KANSAS RIVER AND NEARBY REACHES OF MISSOURI RIVER ...Floodplains, Kansas, Meanders, Sedimentology-general, ...**2.0503**

EXTERNAL GEOMETRY OF SUPERPOSED ELONGATE SANDSTONES, NORTH-CENTRAL TEXAS ...Channel Filling, Clastic Aquifers, Isopach, Sandstones, Subsurface, ...**2.1006**

INTER-DISCIPLINARY RESEARCH IN THE AREA OF THE KANO PLAINS, WESTERN KENYA ...Aquatic Ecology, Geography-cultural, Kenya, ...**3.0246**

Geomorphology-quantitative

MATHEMATICAL GEOMORPHOLOGY ...Erosion, Features, Model Studies, Processes, Terrain Analysis, ...**2.0425**

RELATION OF CLIMATIC AND WATERSHED FACTORS TO RUNOFF RATES AND VOLUME YIELDS ...Agricultural Watersheds, Climate, Flow Characteristics -water, Morphology-general, Storms-general, Water Yield, ...**2.0333**

Geophysical Analysis

GREAT LAKES RESEARCH - MONITORING OF WATER CHARACTERISTICS ...Automatic Data Acquisition, Forecasting-prediction, Great Lakes-general, Temperature, ...**2.0647**

INDUCED ELECTRICAL POLARIZATION AND GROUND WATER ...Artificial Recharge, Electric Logging, Groundwater, Groundwater Basins, Polarization, ...**7.0007**

THE DEVELOPMENT OF GEOCHEMICAL AND GEOPHYSICAL TECHNIQUES AS AN AID TO DETERMINING AVAILABILITY OF GROUND WATER IN LIMESTONE TERRANES ...Available Water, Geochemical Analysis, Groundwater, Karst Topography, Water Sources-general, ...**2.0009**

GEOPHYSICAL EXPLORATION FOR HAWAIIAN GROUND WATER - PHASE II ...Electric Logging, Electromagnetic Probing, Groundwater, Hawaii, Seismic Surveys, ...**2.0371**

APPLICATION OF SEISMIC SHEAR WAVE STUDIES TO THE INVESTIGATION OF AQUIFERS ...Aquifers-general, Lithology, Shear, Technique Development, Velocity, ...**4.0137**

MORPHOLOGY AND HYDROLOGY OF PLEISTOCENE DEPOSITS, DELAWARE ...Groundwater Movement, Morphology-general, Permeability, Quaternary Period, Unconsolidated Aquifers, Water Yield, ...**2.0253**

EVALUATION BY 'TEST' DRILLING OF GEOPHYSICAL PROSPECTING FOR GROUND WATER IN THE PIEDMONT AREA, ALABAMA ...Chemical Analysis (water), Drilling and Coring, Groundwater, Pumping, Water Development, ...**2.0006**

GEOPHYSICAL EXPLORATION FOR HAWAIIAN GROUND WATER - PHASE III ...Electric Logging, Groundwater, Hawaii, Seismic Surveys, Volcanoes, ...**2.0369**

RECHARGE IN RIVER VALLEYS OF CENTRAL AND EASTERN KANSAS - EFFECT OF TUTTLE CREEK RESERVOIR ON GROUNDWATER LEVELS ...Aquifers-general, Chemical-general, Natural Recharge, Reservoirs and Impoundments, Water Table Fluctuation, ...**2.0509**

INDUCTIVE ELECTROMAGNETIC METHODS FOR MAPPING AND EVALUATING AQUIFERS ...Aquifers-general, California, Electric Logging, Groundwater, Mapping, ...**2.0083**

GROUND WATER RESERVOIR RESPONSE TO EARTH TIDES ...Aquifers-general, Earth Tides, Porosity, Storage of Water, Water Table Fluctuation, ...**2.1108**

THE USE OF NUCLEAR METHODS FOR DETERMINING FOREST SOIL SITE INDEX ...Runoff, Site Index and Site Quality, Soil Depth, Soil Morphology, Profiles, Soil Profile, ...**3.0249**

GROUND-WATER GEOLOGY OF DEKALB AND BOONE COUNTIES, ILLINOIS ...Aerial, Clastic Aquifers, Deposits, Groundwater, Local Stratigraphy, Mapping, ...**4.0096**

ELECTRICAL EARTH RESISTIVITY SURVEYS ...Clastic Aquifers, Electric Logging, Electrodes, Groundwater, Illinois, ...**7.0033**

STREAMFLOW HYDROGRAPH SEPARATION ...Electrical, Groundwater, Hardness-minerals, Hydrographs, Runoff, Surface Water, ...**2.0420**

EXPLORATION AND MAPPING OF THE SALISBURY PALEOCHANNEL ...Atlases-maps, Borehole Geophysics, Channels, Maryland, Valley, Buried, ...**2.0566**

GREAT LAKES RESEARCH - MONITORING OF WATER CHARACTERISTICS ...Automatic Data Acquisition, Forecasting-prediction, Great Lakes-general, Instrumentation-general, Temperature, ...**2.0649**

SAFFORD VALLEY, ARIZONA GEOPHYSICAL STUDIES ...Arizona, Groundwater, Hydrology-general, ...**2.0276**

ELECTRONIC EQUIPMENT DEVELOPMENT ...Groundwater Movement, Switches, Technique Development, Transducers, ...**7.0021**

AERIAL MEASUREMENT OF HYDROLOGIC PHENOMENA ...Aerial, Data Acquisition-general, Humidity Instruments, Hydrology-general, Infrared Radiation, ...**7.0003**

BOREHOLE GEOPHYSICS AS APPLIED TO GEOHYDROLOGY ...Aquifers-general, Borehole Geophysics, Groundwater Movement, Instrumentation-general, Technique Development, ...**7.0018**

WATER RESOURCES OF CENTRAL WISCONSIN, A WATER-POOR AREA ...Artificial Recharge, Augmentation-general, Deposits, Valley, Buried, Wisconsin, ...**2.1146**

BASIC HYDROLOGIC RESEARCH IN SELECTED AREAS IN SOUTH DAKOTA ...Aircraft, Aquifers-general, Reconnaissance, South Dakota, Water Sources-general, ...**2.0976**

Geophysical Equipment

INFRARED IMAGING STUDIES ...Detectors, Image Amp, Infrared Radiation, Instrumental Services, Mineralogy, ...**6.0299**

Georgia

FIELD EXPERIMENTS ON THE FLUX OF RADIONUCLIDES THROUGH A SALT MARSH ECOSYSTEM, RENEWAL ...Chlorideae -other, Model Studies, Productivity - Food Chain, Swamps-marshes, Water Cycle, ...**2.0345**

TROUT STREAM - SURVEY OF STREAMS AND THEIR WATERSHEDS ...Biological-general, Bottom Sampling, Erosion-general, Physical-general, Population Dynamics, ...**2.0361**

WEED AND ALGAE CONTROL, SMALL IMPOUNDMENT INVESTIGATIONS ...of Aquatic Plants, Plant Pollutants, Reservoirs and Impoundments, Soil Sterilants, ...**5.0304**

SCORP UNIVERSITY OUTDOOR RECREATION RESEARCH STUDY SERVICE SPECIAL PROBLEMS ...Demand Analysis, Recreation Sites, Urban Environments, ...6.0160

THE ARTESIAN SYSTEM IN GEORGIA STRATIGRAPHY AND HYDROLOGY OF THE OCALA ...Artesian Flow, Carbonate Aquifers, Groundwater Movement, Natural Recharge, Piezometry, ...4.0082

TRACING STORM AND BASE FLOW TO VARIABLE SOURCE AREAS ON FORESTED HEADWATERS ...Baseflow, Floods, Forest Watersheds, Hydraulic Structures, Runoff, Subsurface Flow, ...2.0339

PHOSPHORUS BUDGETS OF LAKES SIDNEY, LANIER AND HARTWELL ...Chemical-general, Nutrients, Phosphorus, Pollutants - Path of, Reservoirs and Impoundments, ...5.0293

THE DEMAND AND PRICE STRUCTURES FOR WATER IN A HUMID AREA ...Consumptive Use Humid, Price & Value, Water Costs, Water Demand, ...6.0161

A STUDY OF SUBSURFACE FLOW INTO MOUNTAIN STREAMS AS RELATED TO TOPOGRAPHY AND PARTIAL SOURCE AREAS ...Baseflow, Japan, Mountains-alpine, Relief, ...2.0340

ESTUARINE HYDROGRAPHY AND ITS ROLE IN TRANSPORT OF NATURALLY PRODUCED FOODS AND POLLUTANTS ...Effluents-waste Water, Estuaries, Water Movement-general, Water Properties-general, Water Quality-general, ...2.0352

FACTORS AFFECTING WATER YIELDS FROM SMALL WATERSHEDS IN GEORGIA ...Baseflow, Runoff, Small Watersheds, Statistics-general, Water Yield, ...4.0083

THE DISPOSITION OF PESTICIDES IN THE SOIL ...Groundwater Movement, Movement, Leaching, Persistence in Soils, Pesticides - non-specific, Soil Environment, ...5.0287

THE INTERRELATIONSHIP BETWEEN WATERSHED FACTORS THAT AFFECT RUNOFF RATES AND VOLUME YIELDS IN THE SOUTHERN COASTAL PLAINS ...Agricultural Watersheds, Hydrology-general, Morphology-general, Runoff, Water Yield, ...3.0193

RELATIONSHIPS BETWEEN PESTICIDES AND GEORGIA FARM POND ECOSYSTEMS ...Aquatic Or Soil-aquatic Cycles, Clay, DDT, Endrin, Farm Pond, Pollution - Effects of, Soil Types, ...5.0288

STATISTICAL ANALYSIS OF FLOOD PEAKS OF GEORGIA RIVERS ...Data Analysis Applications, Digital Computers, Discharge-general, Floods, Peak Flow, ...2.0357

A STUDY OF GEORGIA RIVERS AND LAKES ...Lakes, Streams, Travel Grants, Water Quality-general, ...5.0300

PILOT STUDY OF THE PROBABILITY OF OCCURRENCE OF CLIMATOLOGICAL PHENOMENA IN THE ATLANTA AREA ...Applied Climatology, Model Studies, Weather Forecasting, ...2.0351

TRACING STORM AND BASE FLOW TO VARIABLE SOURCE AREAS ON FORESTED HEADWATERS ...Baseflow, Flow Characteristics -water, Forest Watersheds, Physical Properties - other, Sediment Yield, ...2.0341

INVESTIGATIONS IN ISOTOPIC HYDROLOGY ...Dispersion - water, Radioisotopes, Tritium, Water Cycle, Water Movement-general, ...1.0032

SALT-WATER ENCROACHMENT IN THE BRUNSWICK AREA, GEORGIA ...Aquifers-general, Observation Wells, Piezometry, Pumping, Saline Water Intrusion, ...5.0306

HYDROLOGY OF COASTAL AREA IN THE VICINITY OF RICEBORO, GEORGIA ...Artesian Flow, Dispersion -water, Estuaries, Saline Water Intrusion, Water Quality-general, ...5.0305

Geothermal

TEMPERATURE PROSPECTING FOR SHALLOW GLACIAL AND ALLUVIAL AQUIFERS ...Deposits, Temperature, Temperature Profiles, Unconsolidated Aquifers, ...4.0095

Ghana

A SURVEY OF THE SEASONALLY-INUNDATED MARGINS OF LAKE VOLTA (GHANA) ...Agriculture Industry, Floods, Soil Types, Topographical -other, ...4.0084

Glacial Environment

FLOOD RUNOFF & WATER YIELD FROM GLACIATED MOUNTAINS ...Floods, Forest Watersheds, Heat Budget, Runoff, Water Balance-budget, Water Yield, ...3.0372

Glacial Features

Depositional Features

Drift

INTERRELATIONSHIP OF SURFACE AND SUB-SURFACE FLOW IN THE NISHNABOTNA DRAINAGE BASIN ...Discharge-other, Groundwater Movement, Iowa, River Basins, Valley, Buried, ...2.0481

Outwash Plains

ADVANCE WARNING OF GROUND-WATER POLLUTION HAZARDS, WITH SPECIAL REFERENCE TO AQUIFERS IN GLACIAL OUTWASH ...Electrical, Electromagnetic Probing, Groundwater, Physical Parameters, Unconsolidated Aquifers, ...5.1235

BASIC RESEARCH IN GEOMORPHOLOGY AND HYDROLOGY ...Control Factors-general, Discharge-general, Eastern, Meanders, Wisconsin, ...2.0272

HYDROGEOLOGY OF GLACIAL OUTWASH NEAR SIOUX FALLS, SOUTH DAKOTA ...Analog Computers, Available Water, Prediction Models, Projections and Estimations, South Dakota, ...2.0975

Erosional Features

Cirques

ATMOSPHERIC WATER ...Colorado River, Evaporation, Snow-melt, Snowpack, Water Loss Control, ...2.0223

Glacial Features-general

HYDROLOGY OF RIVER-BASED RECREATION ...Michigan, Morphology-general, Recreation Sites, Streams, Water Quality-general, ...6.0304

Glaciers

REGIMEN OF THE MARTIN RIVER AND SIOUX GLACIERS, ALASKA ...Alaska, Streams, ...2.0849

GLACIAL MELT WATER PREDICTION ...Energy, Forecasting-prediction, Water, Water Yield, ...2.0010

GEOMORPHIC STUDIES IN THE SIERRA NEVADA, CALIFORNIA ...Morphology-general, Regimen, Sediment Relationship, Sierra Nevada, Streams, ...2.0119

Deposits

THE USE OF GRAVITY SHAFTS FOR GROUND WATER RECHARGE, PHASE I OF A TWO PHASE STUDY ...Economic Efficiency, Recharge Pits - Wells, Turbidity, Unconsolidated Aquifers, ...4.0189

GROUND-WATER GEOLOGY OF DEKALB AND BOONE COUNTIES, ILLINOIS ...Aerial, Clastic Aquifers, Geophysical Analysis, Groundwater, Local Stratigraphy, Mapping, ...4.0096

TEMPERATURE PROSPECTING FOR SHALLOW GLACIAL AND ALLUVIAL AQUIFERS ...Geothermal, Temperature, Temperature Profiles, Unconsolidated Aquifers, ...4.0095

GEOLOGY OF VALLEY FILL DEPOSITS IN THE MIDDLE ILLINOIS RIVER VALLEY ...Clastic Aquifers, Hydrology-general, Sedimentary History, Valley, Buried, ...7.0036

INVESTIGATION OF PERMEABILITY OF FINE GRAINED GLACIAL SEDIMENTS IN RELATION TO WASTE DISPOSAL IN ILLINOIS ...Disposal, Permeability, Recharge Pits - Wells, Till, ...2.0409

GEOLOGY AND GROUND WATER RESOURCES OF PEMBINA COUNTY ...Aquifers-general, Geology-general, Groundwater, Mapping, Permeability, Rocks - Bedrock, ...2.0844

GEOLOGY AND GROUND WATER RESOURCES OF NELSON COUNTY ...Aquifers-general, Geology-general, Groundwater, Mapping, Permeability, Rocks - Bedrock, ...2.0845

GEOLOGY AND GROUND WATER RESOURCES OF WALSH COUNTY ...Aquifers-general, Geology-general, Groundwater, Mapping, Permeability, Rocks - Bedrock, ...2.0846

GEOLOGY AND GROUND WATER RESOURCES OF CAYUGA COUNTY ...Aquifers-general, Geology-general, Groundwater, Mapping, Permeability, Rocks - Bedrock, ...2.0847

WATER RESOURCES OF CENTRAL WISCONSIN, A WATER-POOR AREA ...Artificial Recharge, Augmentation-general, Geophysical Analysis, Valley, Buried, Wisconsin, ...2.1146

Energy

GLACIAL MELT WATER PREDICTION ...Forecasting-prediction, Glaciers, Water, Water Yield, ...2.0010

Glaciers

SUBJECT INDEX

Floor Properties

CONTINUATION OF GLACIOLOGICAL INVESTIGATIONS ON THE CASEMENT GLACIER, ALASKA ...Alaska, General Synoptic Observations, Rate, Rheology - Flowage, ...2.0858

Movement

GLACIOLOGY AND METEOROLOGY OF ANVERS ISLAND, ANTARCTICA ...Antarctica, Data Analysis - General, Geologic Maps, Intensity, Thickness - Area, ...2.0856

APPLIED PHYSICS AND MECHANICS ...Alteration, Mechanical, Sea Ice, ...8.0265

BASIC RESEARCH IN VEGETATION AND HYDROLOGY ...Flooding, Groundwater, Land Use, Low Flow, Mapping, Water Quality-general, ...2.1100

Advance

GLACIOLOGICAL RESEARCH ...Regimen, Runoff, Thickness - Area, Watersheds-other, ...2.1136

Rate

CONTINUATION OF GLACIOLOGICAL INVESTIGATIONS ON THE CASEMENT GLACIER, ALASKA ...Alaska, Floor Properties, General Synoptic Observations, Rheology - Flowage, ...2.0858

Regimen

REGIMEN OF THE MARTIN RIVER AND SIOUX GLACIERS, ALASKA ...Alaska, Streams, ...2.0849

GLACIOLOGICAL RESEARCH ...Advance, Runoff, Thickness - Area, Watersheds-other, ...2.1136

GEOMORPHIC STUDIES IN THE SIERRA NEVADA, CALIFORNIA ...Glaciers, Morphology-general, Sediment Relationship, Sierra Nevada, Streams, ...2.0119

Rheology - Flowage

CONTINUATION OF GLACIOLOGICAL INVESTIGATIONS ON THE CASEMENT GLACIER, ALASKA ...Alaska, Floor Properties, General Synoptic Observations, Rate, ...2.0858

Thickness - Area

GLACIOLOGY AND METEOROLOGY OF ANVERS ISLAND, ANTARCTICA ...Antarctica, Data Analysis - General, Geologic Maps, Intensity, Movement, ...2.0856

GLACIOLOGICAL RESEARCH ...Advance, Regimen, Runoff, Watersheds-other, ...2.1136

Water

GLACIAL MELT WATER PREDICTION ...Energy, Forecasting-prediction, Glaciers, Water Yield, ...2.0010

DISTRIBUTION OF DISSOLVED IONS IN ALASKAN WATERS ...Alaska, General Transport Effects, Glaciers, Ions and Gases, Sediments, Suspension, ...2.0020

Glaciology-general

HYDROLOGIC ANALYSIS OF LAKE SYSTEMS AND OF GLACIERS ...Climate, Infrared Radiation, Lakes, Snowpack, Water Balance-budget, ...6.0142

CONTINUATION OF WORLD DATA CENTER A - GLACIOLOGY ...Data & Statistics Info Storage, Data and Statistics Centers, Document & Literature Info, Periodicals, Research Facilities, ...7.0083

Glycolic Acid Cpds

ENERGY SOURCES OF HETEROTROPHIC MICROORGANISMS IN AN AQUATIC ENVIRONMENT ...Bioenergetics, Heterotrophic Bacteria, Photosynthesis, Phytoplankton, ...2.0622

Gonyaulax

MARINE BIOTOXINS ...Animal Pollutant Sources, Bioindicators, Contamination, Pollution-water, Eutrophication, Venom, ...5.1072

LABORATORY STUDIES OF TOXIC DINOFLAGELLATES ...Algal Culture, Algal Toxins, Gulf of Mexico, Gymnodinium, Vegetable Origin, ...5.1161

Graphite

REVERSE OSMOSIS MEMBRANES CONTAINING GRAPHITIC OXIDE ...Desalination, Membranes-other, Pilot Plant, Reverse Osmosis, ...3.0416

Gravitational Movement -water

HYDROLOGIC CHARACTERIZATION OF SMALL WATERSHEDS ...Drainage, Internal Water Movement, Moisture Content, Slopes, Small Watersheds, ...2.0434

GRAVITY FLOW OF WATER IN SOILS AND AQUIFERS OF WESTERN KANSAS ...Aquifers-general, Kansas, Natural Recharge, Soil Environment, Storage of Water, ...2.0507

Gravity Studies

Applications

Structural Analysis

STATE GRAVITY SURVEY ...Gravity, Gravity Surveys, Illinois, Seismic Reflection, Structure Location, ...7.0035

Exploration Methods

Gravity Surveys

GEOTHERMAL INVESTIGATIONS - YELLOWSTONE PARK ...Hot Springs, Magnetic Surveys, Satellites, Seismic Surveys, Terrain Analysis, Yellowstone Plateau, ...6.0147

GEOPHYSICAL INVESTIGATIONS IN ALLUVIAL BASINS IN SOUTHERN ARIZONA ...Arizona, Electric Logging, Hydrology-general, Seismic Refraction, ...2.0062

GRAVITY INVESTIGATION OF WATER-BEARING STRATA IN SWAN VALLEY, MONTANA ...Density, Local Structure, Montana, Porosity, Valley, Buried, ...2.0713

STATE GRAVITY SURVEY ...Gravity, Illinois, Seismic Reflection, Structural Analysis, Structure Location, ...7.0035

Field Characteristics

Intensity

GLACIOLOGY AND METEOROLOGY OF ANVERS ISLAND, ANTARCTICA ...Antarctica, Data Analysis - General, Geologic Maps, Movement, Thickness - Area, ...2.0856

Great Lakes

Great Lakes-general

A STUDY OF TECHNOLOGIES FOR REDUCING WINTER WEATHER COSTS ...Alaska, Benefit-cost Analysis, Forecasting-prediction, Meteorological Extremes, Northeast, ...2.0256

GREAT LAKES, PORTS AND SHIPPING SYSTEM ...Economics-general, Information Analysis, Ports & Harbors, Water Transportation, ...8.0171

GREAT LAKES RESEARCH - GREAT LAKES DEICING ...Bibliography, Harbors, Navigation, Origin, Sea Ice, ...2.0643

GREAT LAKES RESEARCH - MONITORING OF WATER CHARACTERISTICS ...Automatic Data Acquisition, Forecasting-prediction, Geophysical Analysis, Temperature, ...2.0647

WATERSHED ANALYSIS RELATING TO EUTROPHICATION OF LAKE MICHIGAN ...Data Analysis - General, Economics-general, Eutrophication, Michigan, Social Aspects, ...6.0302

A SYSTEMS ANALYSIS OF THE WESTERN BASIN OF LAKE ERIE ...Aquatic Ecology, Economic Impact, Pollution - Effects of, Systems Analysis, Water Quality Control-general, ...6.0426

VERTICAL CURRENT STRUCTURE IN THE GREAT LAKES ...Buoys, Currents -water, Forecasting-prediction, Model Studies, Wind-water Interaction, ...2.0632

MINERAL-WATER CHEMISTRY, GREAT LAKES ...Chemical Reactions, Mineral Equilibria, Mineral Genesis, Model Studies, Phase Relationships, Solution Chemistry, ...5.0552

BOTULINUM FOOD POISONING IN RELATION TO FISHERY PRODUCTS ...Antibiotics, Clostridium Botulinum, Fish, N.s., Microbiological, Repression, ...5.1305

STUDY OF THE HYDROLOGY FOR MODELS OF THE GREAT LAKES ...Evaporation, Management, Precipitation-general, Runoff, Systems Analysis, ...2.0435

STUDY OF SNOW CRYSTAL TYPES IN GREAT LAKES SNOWSTORMS ...Activation Analysis, Inorganic, Iodine, Storm Water, Structure, ...2.0784

SUBJECT INDEX

Great Lakes

- GREAT LAKES RESEARCH - ICE COVER DISTRIBUTION ...Aerial, Aerial, Alteration, Petrofabrics, Sea Ice, ...2.0645
- GREAT LAKES RESEARCH - LAKE EVAPORATION ...Evaporation, Heat Budget, Humidity, Precipitation-general, Velocity, ...2.0637
- GREAT LAKES RESEARCH - LAKE PRECIPITATION ...Amount, Forecasting, Lake Erie, Lake Michigan, Ocean Meteorological Studies, ...2.0638
- GREAT LAKES RESEARCH - CHARACTERISTICS OF LAKE WATER ...Chemical-general, Currents -water, Ocean Meteorological Studies, Physical-general, Water Quality-general, ...2.0648
- GREAT LAKES RESEARCH - EFFECTS OF STRUCTURES ON COASTAL SEDIMENTATION ...Beach, Bed Load, Coastal Engineering-other, Energy-dynamics, Engineering Structures-general, Velocity -water, ...2.0650
- GREAT LAKES RESEARCH - COASTAL AREA SEDIMENTATION ...Beach, Development, General Transport Effects, Lakeshores-inlets, Model Studies, ...2.0651
- GREAT LAKES RESEARCH - LAKE WAVES ...Waves, ...2.0641
- GREAT LAKES RESEARCH - HARBOR CURRENTS ...Currents -water, Harbors, Model Studies, Pressure-density, Water Level Fluctuation, Wind-general, ...2.0642
- GREAT LAKES RESEARCH - SPOIL DISPOSAL EFFECTS ...Dispersion -water, Pollution - Effects of, Sedimentation, Sediments, Spoil Banks, Water Properties-general, ...5.0561
- GREAT LAKES RESEARCH - RIVER ICE JAMS ...Ice Jam, Streams, Survey Studies, Water Movement-general, ...2.0636
- GREAT LAKES RESEARCH - GREAT LAKES DEICING ...Alteration, Bibliography, Ice Properties-general, Origin, Sea Ice, ...2.0646
- GREAT LAKES RESEARCH - MONITORING OF WATER CHARACTERISTICS ...Automatic Data Acquisition, Forecasting-prediction, Geophysical Analysis, Instrumentation-general, Temperature, ...2.0649
- CHEMICAL CHARACTERISTICS OF THE GREAT LAKES ...Chemical Analysis (water), Nutrients, Productivity - Food Chain, Water Quality-general, ...5.0542
- RESEARCH ON THE MACROBENTHOS OF THE GREAT LAKES ...Aquatic Ecology, Benthic Fauna, Earthworms, Food Supply, Water Quality-general, ...6.0292
- MONITORING OF PESTICIDE LEVELS IN THE GREAT LAKES ...Insecticides -non-specific, Monitoring Systems, Pollutants-general, Water Sampling, ...5.0544
- ECOLOGY OF CLOSTRIDIUM BOTULINUM TYPE E IN GREEN BAY ...Clostridium Botulinum, Fish -non-specific, Fish, N.s., Microbiological, Repression, Vertical Distribution, ...2.1162

Lake Erie

- LAKE ERIE DIKE ...Dike, Disposal-other, Models, Wave Action, Waves, ...8.0219
- LAKE EFFECT STORM STUDY ...Formation, Lake Ontario, Model Studies, Sea of Japan, Weather Forecasting, ...2.0778
- USE OF THE COASTAL ZONE FOR THE U. S. COASTLINE OF LAKE ERIE AND LAKE SUPERIOR ...Lake Superior, Lakeshores-inlets, Land Use, Social Aspects, Welfare Economics, ...6.0125
- CLADOPHORA AS RELATED TO POLLUTION IN WESTERN LAKE ERIE ...Algal Pollutant Sources, Bioindicators, Chemical Analysis, Cladophora, Mapping, ...5.0883
- THE ECOLOGICAL IMPACT OF THE INTERACTIONS AMONG MICROORGANISMS AND AQUATIC CONTAMINANTS IN LAKE ERIE ...Environment, Pollution - Effects of, Primary Productivity, Sediments, Water Bacteria, ...6.0427
- DYNAMIC MODEL STUDY OF LAKE ERIE ...Hydraulics-general, Inflow, Model Studies, Synthetic Hydrology-general, ...5.0766
- A PROGRAM FOR DEMONSTRATING COMBINED SEWER OVERFLOW CONTROL TECHNIQUE FOR WATER QUALITY IMPROVEMENTS AND BEACH PROTECTION ...Chlorination, Combined Sewer, Disinfection, Polyelectrolytes, Potable Water, Shoreline - Coastline, ...5.0867
- NEUTRON ACTIVATION ANALYSIS OF IMPURITIES IN RAIN AND SNOW ...Activation Analysis, Calcium, Rain-general, Snow-melt, Storms-general, Sulfur, ...5.0767
- RHEOTAXIS IN ALGAL METABOLISM AND PHOTOSYNTHESIS ...Algal Pollutant Sources, Cladophora, Motility and Migration, Photosynthesis, Respiration, ...6.0377
- LAKE ERIE ENVIRONMENTAL STUDIES PROGRAM ...Biological, Biological-general, Chemical, Chemical-general, Deltas, Eutrophication, Meteorological Studies-general, Monitoring (long

Term Studies), Physical-general, Sedimentology-general, ...2.0783

INVESTIGATIONS OF SHORE EROSION ALONG THE OHIO SHORELINE OF LAKE ERIE ...Aerial, Engineering Structures-general, Erosion-general, Gaging, Shoreline - Coastline, ...8.0275

MARINE SURFACE FORECASTING TECHNIQUES ...Forecasting-prediction, Ocean Meteorological Studies, Storms-general, Surface Environments, Tides, ...2.0599

GREAT LAKES RESEARCH - LAKE PRECIPITATION ...Amount, Forecasting, Great Lakes-general, Lake Michigan, Ocean Meteorological Studies, ...2.0638

GREAT LAKES RESEARCH - WATER-LEVEL DISTURBANCES ...Lake Michigan, Model Studies, Seiches, Tides, Water Level Fluctuation, ...2.0640

ROUTINE SAMPLING AT SEVEN INDEX STATIONS ...Bottom Sampling, Data Acquisition-general, Fish -non-specific, Plankton Sampling, Water Sampling, ...6.0438

ENVIRONMENTAL CHANGES IN LAKE ERIE ...Aquatic Ecology, Environmental Changes, Environmental Ecology, Ions and Gases, Nutrients, ...5.0540

CHEMISTRY OF THE HYPOLIMNION OF LAKE ERIE ...Chemical-general, Ions and Gases, Overturn, Oxygen, Stratification, ...2.0625

QUANTITATIVE AND QUALITATIVE CHARACTERISTICS OF MATERIALS CONTRIBUTING TO SEDIMENTATION IN LAKE ERIE ...Location, Organic, Organics, Rate of Deposition, Sedimentation, ...2.0628

DISTRIBUTION AND ABUNDANCE OF ZOOPLANKTON IN LAKE ERIE ...Aquatic Ecology, Computers-general, Environmental Ecology, Interbiotic Relat.(non-specif), Other Computers, Population Dynamics, ...6.0294

Lake Huron

DYNAMICS OF THE CIRCULATION IN THE GREAT LAKES ...Circulation General, Hydrodynamics, Lake Michigan, Model Studies, Wind-water Interaction, ...2.0407

STRONTIUM ISOTOPE COMPOSITION AND TRACE ELEMENT CONCENTRATIONS IN LAKE HURON AND ITS PRINCIPAL TRIBUTARIES ...Chemical, Ions and Gases, Rocks - Bedrock, Strontium, Trace Element Analysis, ...2.0854

Lake Michigan

GEOLOGICAL STUDIES IN NORTHERN LAKE MICHIGAN ...Deposits-other, Lakes, Rocks - Bedrock, Submergent, Water Level Fluctuation, ...2.0630

WINTER TEMPERATURE STRUCTURE OF THE GREAT LAKES ...Circulation -water, Sea Ice, Temperature, Thermodynamics, ...2.0631

STUDY OF INFLUENCE OF STRATIFICATION ON CURRENT STRUCTURE ...Circulation General, Currents-other, Hydrodynamics, ...2.0810

DYNAMICS OF THE CIRCULATION IN THE GREAT LAKES ...Circulation General, Hydrodynamics, Lake Huron, Model Studies, Wind-water Interaction, ...2.0407

A COHERENT-AREA STUDY OF SOUTHERN LAKE MICHIGAN ...Bioindicators, Chemical Identification, Eutrophication, Sedimentology-general, Weather Modification-other, ...5.0547

A DETAILED STUDY OF LAKE MICHIGAN PLANKTON DIATOMS ...Phytoplankton, Planktonic - Floating, Plant Taxonomy, Range Or Territorial Distr., ...5.0554

A STUDY OF THE QUALITY OF INDIANA SURFACE WATERS ...Indiana, Ions and Gases, Ohio River, Surface Water, Water Quality-general, ...5.0389

LAKE MICHIGAN WATER QUALITY MODEL ...Discharge-general, Hardness-minerals, Management, Mathematical Analysis, Water Quality-general, ...6.0198

GREAT LAKES RESEARCH - LAKE PRECIPITATION ...Amount, Forecasting, Great Lakes-general, Lake Erie, Ocean Meteorological Studies, ...2.0638

GREAT LAKES RESEARCH - ENERGY TRANSFER AT THE AIR-WATER INTERFACE ...Data Analysis - General, Heat and Radiation Transfer, Heat-transfer-other, Mass Transfer, Towers, Wind-water Interaction, ...2.0639

GREAT LAKES RESEARCH - WATER-LEVEL DISTURBANCES ...Lake Erie, Model Studies, Seiches, Tides, Water Level Fluctuation, ...2.0640

Lake Ontario

LAKE EFFECT STORM STUDY ...Formation, Lake Erie, Model Studies, Sea of Japan, Weather Forecasting, ...2.0778

Great Lakes

LAKE EFFECT SNOW SITUATIONS, EASTERN LAKE ONTARIO AREA ...Atmospheric Pressure, Data Acquisition, General Synoptic Observations, Topographic Influences, ...7.0084

SEASONAL VARIATIONS OF SOME LIMNOLOGICAL FACTORS IN LITTLE SODUS BAY, NEW YORK ...Bays, Chemical-general, Eutrophication, New York, Productivity - Food Chain, ...3.0355

Lake Superior

USE OF THE COASTAL ZONE FOR THE U. S. COASTLINE OF LAKE ERIE AND LAKE SUPERIOR ...Lake Erie, Lakeshores-inlets, Land Use, Social Aspects, Welfare Economics, ...6.0125

A STUDY OF THE OPEN WATER DISTRIBUTION AND ABUNDANCE OF NET-PLANKTON AS AN INDEX OF EUTROPHICATION IN LAKE SUPERIOR ...Automatic Data Acquisition, Bioindicators, Plankton Sampling, Water Quality-general, Zooplankton, ...5.0600

GREAT LAKES RESEARCH - ICE CHARACTERISTICS ...Aerial, Micrometeorology, Origin, Petrofabrics, Radiation-terrestrial, Sea Ice, ...2.0644

LAKE SUPERIOR CHEMICAL CONTROL OF SEA LAMPREY ...Control of Nuisance Species, Flow Characteristics -water, Lampreys, Larvicides, Streams, ...5.0577

LAKE SUPERIOR EXPLORATIONS ...Commercial Fishing, Management -other, Nets, Smelts, Suckers, ...6.0293

EFFECTS OF HIGH TEMPERATURE, LOW OXYGEN, AND PH EXTREMES ON THE SURVIVAL OF AQUATIC INSECTS AND CRUSTACEA IMPORTANT AS TROUT FOOD ...Aquatic Ecology, Food Supply, Gases, Dissolved -water, High Temp. -85°F Or Above, Ph, Acidity -water, ...5.0593

Great Salt Lake

MINERAL RECOVERY FROM CONCENTRATED BRINES ...Brines, Chloride, Desalination, Magnesium, Potassium, Regeneration-other, ...3.1198

THE BIOLOGY AND CONTROL OF TABANIDAE IN MARSHLANDS ALONG THE EASTERN SHORE OF THE GREAT SALT LAKE, UTAH ...Flies -horse, deer, Habitat Studies, Management, Survey Methods, Swamps-marshes, ...6.0596

SHORE-LINE ENGINEERING STUDIES ON GREAT SALT LAKE ...Hydraulic Structures, Hydrographic, Shoreline - Coastline, Shoreline Structures, Wave Action, ...8.0293

ENGINEERING CHARACTERISTICS OF THE BOTTOM SEDIMENTS OF GREAT SALT LAKE ...Engineering Structures-general, Soil - Bearing Capacity, Soil Exploration, Soil Test - Insitu, Vane, ...8.0294

CHEMICAL QUALITY OF BRINES ASSOCIATED WITH DEEP SEDIMENTS BENEATH GREAT SALT LAKE ...Brines, Chemical Analysis (water), Salt, Water Sampling, Water Wells, ...5.1200

SALT DISTRIBUTION ALONG LAKE BOTTOM AND WITHIN DEEP SEDIMENTS BENEATH GREAT SALT LAKE ...Chlorine, Quaternary Period, Salt, Sodium, ...5.1201

HYDROLOGY OF THE SUB-LAKE SEDIMENTS BENEATH GREAT SALT LAKE ...Artificial Recharge, Brines, Geology - Engineering, Interstitial - Connate Water, Permeability, ...2.1082

CONTROL OF INSECT VECTORS ON WATERFOWL MARSHES ...Cultural Control, Insecticides -non-specific, Land Use, Management, Swamps-marshes, ...4.0263

Greenland

DEEP ICE CORE STUDIES AND ANALYSES FROM GREENLAND AND ANTARCTICA ...Antarctica, Core Analysis, Dust - Particulate Matter, Extraterrestrial, Radioactive Dating-general, Velocity, ...2.0754

Groundwater

HIGHWAY DRAINAGE STUDY ...Drainage, Maryland, ...2.0579

DIFFUSION OF ENTRAPPED GASES IN POROUS MEDIA ...Aquifers-general, Cavitation-other, Compressibility--gas-liq, Diffusion, Ions and Gases, Porous Media - Flow Through, ...2.0209

CLASSIFICATION OF DEEP SUBSURFACE WATERS BY CHEMICAL COMPOSITION AND GEOLOGY ...Chemical Analysis (water), Geochemical Analysis, High Pressure Research, Interstitial - Connate Water, Salinity, ...2.0883

SHALES AS FILTERS IN NATURAL WATERS ...Chemical-general, Dewatering, Filtration, Fine-grained Clastics, Interstitial - Connate Water, ...2.0079

SUBJECT INDEX

THE EVALUATION OF APPLICATION OF C-14 DATING OF GROUND WATER ...Aquifers-general, Carbon-14, Disposal Methods-other, Radioactivity-general, Underground Waste Disposal, ...5.0241

THE EFFECT OF THE NATURAL SEALING OF POTHoles UPON WATER MOVEMENT AND GROUNDWATER RESOURCES ...Internal Water Movement, Linings-pavings, Permeability, Potholes, Subsurface Flow, ...2.0667

EFFECT OF PESTICIDE RESIDUES AND OTHER ORGANO-TOXICANTS ON THE QUALITY OF SURFACE AND GROUNDWATER RESOURCES ...Carbamates -non-specific, Movement, Leaching, Persistence in Soils, Removal of Residues, Water Quality Control-general, ...5.0396

GEOCHEMISTRY AND ORIGIN OF SULFO-SALINE GROUND WATER, SALINE COUNTY, MISSOURI ...Atlases-maps, Chemical-general, Geochemical Analysis, Permeability, Salinity, Sulfide, ...4.0152

INDUCED ELECTRICAL POLARIZATION AND GROUND WATER ...Artificial Recharge, Electric Logging, Geophysical Analysis, Groundwater Basins, Polarization, ...7.0007

THE EFFECT OF POTHOLE DRAINAGE UPON GROUNDWATER RESOURCES ...Drainage, Potholes, Radioisotopes, Unsaturated Flow, ...4.0144

AVAILABILITY, DISTRIBUTION, QUANTITY AND QUALITY OF WATER RESOURCES IN CARBONATE KARST TERRAIN ...Available Water, Carbonate Aquifers, Karst Topography, Runoff, Water Balance-budget, Water Quality-general, ...4.0155

POLLUTION EFFECTS ON GROUND WATER RECHARGE IN HAWAII ...Adsorption-absorption-other, Natural Recharge, Pollutants - Path of, Pollution - Effects of, Soil Environment, ...5.0313

EFFECTS OF GROUNDWATER SEEPAGE ON STREAM REGIMEN ...Baseflow, Flume Studies, North Dakota, Seepage, Suspension, ...2.0832

THE GROUND-WATER FLOW SYSTEM IN THE DELMARVA PENINSULA ...Aquifers-general, Delaware, Flow Characteristics - water, Model Studies, Water Balance-budget, ...2.0254

INVENTORY & EVALUATION OF THE GROUND-WATER RESOURCES OF SUMMIT VALLEY & UPPER SILVER BOW CREEK DRAINAGE AREA ...Montana, Survey Studies, Tables, Compilations, Catalogs, Urban Environments, Water Quality-general, ...2.0711

GROUND WATER SEEPAGE PATTERNS TO WELLS FOR UNCONFINED FLOW ...Approximations, Flow Characteristics - water, Seepage, ...2.0478

ADVANCE WARNING OF GROUND-WATER POLLUTION HAZARDS, WITH SPECIAL REFERENCE TO AQUIFERS IN GLACIAL OUTWASH ...Electrical, Electromagnetic Probing, Outwash Plains, Physical Parameters, Unconsolidated Aquifers, ...5.1235

SIMULATION OF WATER RESOURCE REGIMES ...Analog Computers, Estuaries, Model Studies, Surface Water, ...7.0047

INVESTIGATION OF WATER LOSSES TO SINKHOLES IN THE PAHASAPA LIMESTONE, AND THEIR RELATION TO RESURGENT SPRINGS BLACK HILLS, SOUTH DAKOTA ...Karst Topography, Leakage, South Dakota, Springs, Tracers-general, ...2.0979

THE DEVELOPMENT OF GEOCHEMICAL AND GEOPHYSICAL TECHNIQUES AS AN AID TO DETERMINING AVAILABILITY OF GROUND WATER IN LIMESTONE TERRAINS ...Available Water, Geochemical Analysis, Geophysical Analysis, Karst Topography, Water Sources -general, ...2.0009

TRACE AND TRACER ELEMENTS IN GROUND WATER ...Agricultural Chemicals-general, Arizona, Industrial Wastes, Trace Elements, Tracers-general, ...4.0010

GEOPHYSICAL EXPLORATION FOR HAWAIIAN GROUND WATER - PHASE II ...Electric Logging, Electromagnetic Probing, Geophysical Analysis, Hawaii, Seismic Surveys, ...2.0371

A SYSTEM APPROACH FOR INTEGRATING GROUNDWATER AND SURFACE-WATER USE ...California, Conjunctive Use, Systems Analysis, Water Quality Control-general, Water Utilization -general, ...6.0037

NITRATE ACCUMULATION IN KANSAS GROUND WATER ...Fertilizers, Ions and Gases, Kansas, Nitrate, Nitrite, Percolation, ...5.0434

IRON AND MANGANESE REMOVAL FROM SMALL GROUND WATER SUPPLIES ...Demineralization, Filtration, Iron, Manganese, Technique Development, ...5.1053

GEOCHEMICAL INVESTIGATION OF THE GROUNDWATER SYSTEM IN THE LANSING, MICHIGAN, AREA ...Aquifers-general, Chemical-general, Ions and Gases, Michigan, Water Quality-general, ...1.0069

SUBJECT INDEX

Groundwater

- DISSOLVED CONSTITUENTS OF NATURAL WATERS - CONTRIBUTIONS FROM MINERALIZED AREAS ...Chemical Reactions, Geochemical Analysis, Mineralization, Mineralogy-petrology, Ore Minerals, ...2.0734
- TEMPORAL, HORIZONTAL AND VERTICAL VARIABILITY OF WATER CHEMISTRY IN THE UNSATURATED ZONE OF FINE-GRAINED SOILS ...Chemical-general, Moisture-other, Saturated-unsaturated, Water Quality-general, Water Sampling, ...2.0400
- A COMPARATIVE STUDY OF THE USE TAX AS A MEANS OF ALLOCATION OF WATER RESOURCES IN A CONJUNCTIVE USE SYSTEM ...Benefit-cost Analysis, Conjunctive Use, Fiscal, Water Allocation, Welfare Economics, ...6.0056
- COMPUTER SIMULATION OF THE HYDROLOGIC SYSTEM OF A MOUNTAIN WATERSHED ...Digital Computers, Hydrology-general, Model Studies, Mountains-alpine, Surface Water, Watersheds-other, ...2.0707
- EVALUATION OF NEW TECHNIQUES IN ELECTRICAL RESISTIVITY SURVEYING IN THE PIEDMONT AREA, ALABAMA ...Alabama, Electric Logging, Piedmont Province, Survey Studies, ...2.0005
- RELATIONSHIP OF PUMPING LIFT TO ECONOMIC USE OF GROUND WATER FOR IRRIGATION ...Irrigation-other, Optimization, Pumping, Water Allocation, Water Costs, ...6.0177
- TIDAL EFFECTS ON GROUND WATER HYDRAULICS IN HAWAII ...Analog Computers, Hawaii, Hydraulics-general, Model Studies, Tides, ...2.0378
- A GROUNDWATER QUALITY SUMMARY FOR ALASKA ...Alaska, Atlases-maps, Document & Literature Info, Water Quality-general, ...7.0001
- PRACTICAL APPLICATION OF FOAM FRACTIONATION TREATMENT OF LOW QUALITY WATER ...Color, Cost Analysis, Foam, Iron, Pilot Plant, ...5.0037
- STUDY OF GEOLOGIC STRUCTURAL CONTROL ON THE FLOW AND DISCHARGE OF GEOTHERMAL WATERS ...Atlases-maps, Groundwater Movement, Iceland, Regional Structure, Thermal Features-other, ...2.0794
- GROUNDWATER - SURFACE WATER INTEGRATION STUDY IN THE GRAND PRAIRIE REGION OF ARKANSAS ...Arkansas, Available Water, Conjunctive Use, Recharge -general, Water Demand, ...4.0020
- A SYSTEM FOR GEOLOGIC EVALUATION OF POLLUTION POTENTIAL AT MOUNTAIN DWELLING SITES ...Joints-fractures, Sewage, ...5.0199
- EVALUATION BY TEST DRILLING OF GEOPHYSICAL PROSPECTING FOR GROUND WATER IN THE PIEDMONT AREA, ALABAMA ...Chemical Analysis (water), Drilling and Coring, Geophysical Analysis, Pumping, Water Development, ...2.0006
- THE EFFECT OF CLAY MINERALS ON THE CHEMICAL COMPOSITION OF FRESH AND SALINE WATERS ...Adsorption-other, Chemical-general, Clay Minerals-general, Core Analysis, Exchange-other, Interstitial - Connate Water, ...2.0360
- GEOPHYSICAL EXPLORATION FOR HAWAIIAN GROUND WATER - PHASE III ...Electric Logging, Geophysical Analysis, Hawaii, Seismic Surveys, Volcanoes, ...2.0369
- GROUND WATER CONTAMINATION RESULTING FROM WASTE DISPOSAL ...Disposal, Pollution Sources-general, Pond, Solid Waste, South Dakota, ...5.1109
- THE EFFECTIVENESS OF CONTACT FILTER FOR THE REMOVAL OF IRON FROM GROUND WATER ...Filtration, Flocculation, Oxidation-other, Sand, ...2.0021
- HYDROLOGIC RELATIONSHIPS IN A CONIFEROUS FOREST ...Amount, Evapotranspiration, Forest Watersheds, Storage of Water, Water Balance-budget, ...2.0552
- MATHEMATICAL MANAGEMENT MODEL UNCONFINED AQUIFER ...Carbonate Aquifers, Management, Mathematical Analysis, Model Studies, Water Movement-general, ...4.0246
- INDUCTIVE ELECTROMAGNETIC METHODS FOR MAPPING AND EVALUATING AQUIFERS ...Aquifers-general, California, Electric Logging, Geophysical Analysis, Mapping, ...2.0083
- SYSTEM IDENTIFICATION AND MULTI-LEVEL OPTIMIZATION OF INTEGRATED GROUND WATER SYSTEMS ...Aquifers-general, Mathematical Analysis, Model Studies, Systems Analysis, ...6.0062
- HYBRID COMPUTER SIMULATION OF GROUND-WATER BASINS ...Development of Models, Groundwater Basins, Hybrid Computers, Model Studies, Water Quality Control-general, ...2.0106
- ANALOG MODELING TO DETERMINE FRESH WATER AVAILABILITY ON THE OUTER BANKS OF NORTH CAROLINA ...Analog Computers, Groundwater Movement, Model Studies, North Carolina, Water Yield, ...3.0375
- GROUND WATER RECHARGE AS AFFECTED BY SURFACE VEGETATION AND MANAGEMENT ...Antitranspirants, Conservation-general, Infiltration, Natural Recharge, Soil-water-plant Relationships, ...4.0061
- HYDROLOGIC AND PHOTOGEOLOGIC DETERMINATION OF RAINFALL, RUNOFF, AND GROUNDWATER RELATIONSHIPS IN A DOLOMITE AREA ...Amount, Dolomite, Hydrology-general, Photogrammetry, Runoff, ...2.0702
- SPREADING TREATED SEWAGE FOR GROUNDWATER RECHARGE ...Artificial Recharge, Loading, Percolation, Pilot Plant, Sewage, ...3.0005
- GROUND WATER, RESOURCES AND RECHARGE - RICE ...Arkansas, Artificial Recharge, Irrigation-general, Pollution - Effects of, Water Wells, ...6.0026
- TRACE ELEMENT STUDY OF SOIL-PLANT-WATER SYSTEMS ...Soil - Crop Relationships, Soil-water-plant Relationships, Trace Elements, Water Movement, Velocity, ...1.0013
- DRAINAGE OF AGRICULTURAL LANDS ...Agricultural Watersheds, Drainage, Drainage Engineering, Excessive Moisture, Water Table - Depth of, ...4.0153
- CONSERVATION OF GROUNDWATER THROUGH REPLACEMENT OF PHREATOPHYTES WITH FORAGES ...Conservation-general, Herbicides -non-specific, in Forages and Pasture, Soil Environment, Water Table - Depth of, ...3.0318
- HYDROLOGY OF PIEDMONT AGRICULTURAL WATERSHEDS ...Agricultural Watersheds, Cover Crops, General Synoptic Observations, Management, Piedmont Province, Soil-water-plant Relationships, Water Yield, ...2.0958
- MODE OF OCCURRENCE OF MINOR ELEMENTS IN SEDIMENTS AND SOILS ...Chemical Analysis - Soils, Heavy Mineral Analysis, Mineralogy, Trace Element Analysis, Weathering Products, ...1.0054
- CONTAMINATION OF GROUND WATER FROM RADIOACTIVE PACKAGES IMPACTING ON LAND ...Ground Water, Groundwater Movement, Pollutants - Path of, Radioactivity-general, ...4.0240
- WATER IN RELATION TO ECONOMIC GROWTH IN AN ARID ENVIRONMENT ...Arid and Desert, Arizona, Economic Impact, Model Studies, Water Costs, ...6.0013
- FLOW THROUGH UNSATURATED POROUS MEDIA ...Infiltration, Porous Media - Flow Through, Unsaturated Flow, ...2.0356
- HYDROLOGIC ANALYSIS BY ANALOG COMPUTERS ...Analog Computers, Hydrographs, Hydrology-general, Reservoirs and Impoundments, Routing, Surface Water, ...2.0429
- INVESTIGATIONS OF THE REMOVAL OF IRON FROM GROUNDWATER SUPPLIES IN ILLINOIS ...Demineralization, Filtration, Illinois, Iron, Precipitation, ...5.0375
- GROUND WATER DISPERSION DURING PUMPING AND RECHARGE OPERATIONS ...Approximations, Artificial Recharge, Dimension-two, Dispersion -water, Finite Differences, Porous Media - Flow Through, Steady, ...5.0529
- DEVELOPMENT OF GROUND WATER CONTROL METHODS FOR THE HEAVY SOILS OF THE LAJAS VALLEY ...Aquifers-general, Hydrology-general, Piezometry, Puerto Rico, Soil Environment, ...4.0209
- TEXAS GEOLOGIC ATLAS PROJECT ...Atlases-maps, Compilation, Geologic Maps, Texas, ...7.0100
- THE WILCOX GROUP IN TEXAS ...Clastic Aquifers, Local Stratigraphy, Sedimentary History, Specific Rock Unit, Texas, ...2.1007
- GEOLOGY OF THE LAJITAS AND REDFORD QUADRANGLES, BREWSTER AND PRESIDIO COUNTIES, TEXAS ...Atlases-maps, Geologic Maps, Geology-general, Texas, ...2.1014
- GEOLOGY AND HYDROLOGY OF THE PRESIDIO BOLSON, TEXAS AND ADJACENT MEXICO ...Bolsos, Hydrology-general, Local Stratigraphy, Sedimentary Basins, Water Yield, ...2.1011
- ENVIRONMENTAL GEOLOGY STUDY OF DALLAS-FORT WORTH METROPOLITAN REGION ...Data Acquisition-general, Geology - Engineering, Shallow, Texas, Urban Environments, ...7.0098
- GEOLOGY OF THE CAVE CREEK SCHOOL, MONUMENT HILL, AND YEAGER CREEK QUADRANGLES, GILLESPIE, BLANCO, AND HAYS COUNTIES, TEXAS ...Atlases-maps, Geologic Maps, Geology-general, Texas, Water Resources Development, ...7.0101
- GEOLOGY OF THE PALUXY AND BRAZOS VALLEYS IN HOOD, SOMERVELL, AND ERATH COUNTIES, TEXAS ...Clastic Aquifers, Texas, Water Table Fluctuation, Water Utilization -general, Water Yield, ...4.0235
- GROUNDWATER SUPPLIES ...Aquifers-general, Atlases-maps, Natural Recharge, Total Volume, Water Table Fluctuation, ...2.0058

Groundwater

SUBJECT INDEX

- GROUND WATER RESEARCH ...Agriculture Industry, Artificial Recharge, California, Dispersion -water, Groundwater Movement, ...2.0135
- GROUND WATER RESOURCES ...Colorado, Management, Model Studies, Technique Development, Water Resources Development, ...4.0067
- ECONOMICS OF GROUNDWATER DEVELOPMENT IN THE HIGH PLAINS OF COLORADO ...Administrative Structures, Alternative Planning, Colorado, Economics-general, Water Resources Development, ...2.0207
- EVALUATION OF CONSUMPTIVE WATER USE, SOIL-WATER STORAGE, AND THE INTERRELATION OF THREE COMPONENTS OF THE WATER BUDGET ...Agricultural Watersheds, Climate, Consumptive Use, Evapotranspiration, Moisture Retention, Water Balance-budget, ...4.0080
- GEOHYDROLOGIC SYSTEM ANALYSIS WITH AN ELECTRIC ANALOG COMPUTER ...Analog, Analog Computers, Aquifers-general, Digital Computers, Induced Infiltration, Network Synthesis, Systems Analysis, ...2.0417
- GROUND-WATER GEOLOGY OF DEKALB AND BOONE COUNTIES, ILLINOIS ...Aerial, Clastic Aquifers, Deposits, Geophysical Analysis, Local Stratigraphy, Mapping, ...4.0096
- GROUND-WATER GEOLOGY OF OGLE COUNTY, ILLINOIS ...Aerial, Available Water, Joints-fractures, Observation Wells, Unconsolidated Aquifers, ...7.0034
- ELECTRICAL EARTH RESISTIVITY SURVEYS ...Clastic Aquifers, Electric Logging, Electrodes, Geophysical Analysis, Illinois, ...7.0033
- ENVIRONMENTAL GEOLOGY OF THE SPRINGFIELD-DECATUR AREA ...Appraisals-general, Geology-general, Illinois, Land Use, Urban Environments, ...6.0193
- STREAMFLOW HYDROGRAPH SEPARATION ...Electrical, Geophysical Analysis, Hardness-minerals, Hydrographs, Runoff, Surface Water, ...2.0420
- EFFECT OF PESTICIDE RESIDUES AND OTHER ORGANO-TOXICANTS ON THE QUALITY OF SURFACE AND GROUND WATER RESOURCES ...Persistence in Soils, Pesticides -non-specific, Pollution - Effects of, Surface Water, Water Quality Control-general, ...5.0392
- RECHARGE OF GROUND WATER IN RIVER VALLEYS OF EASTERN AND CENTRAL KANSAS, AND THE HIGH PLAINS ...Artificial Recharge, Augmentation-general, Great Plains Province, Groundwater Mining, Natural Recharge, Water Table Fluctuation, ...4.0116
- AUTOMATION OF GROUND-WATER RECORDS ...Automatic Data Acquisition, Computers-general, Information Retrieval Methods, Other Storage, ...7.0046
- WATER RESOURCES OF COPIAH COUNTY ...Aquifers-general, Available Water, Chemical Analysis (water), Surface Water, Water Quality-general, ...4.0147
- GEOLOGY AND GROUND WATER RESOURCES OF TRAILL COUNTY ...Aquifers-general, Chemical-general, Drilling and Coring, Permeability, Surficial Geology, ...2.0837
- GEOLOGY AND GROUND WATER RESOURCES OF WELLS COUNTY ...Aquifers-general, Chemical-general, Drilling and Coring, Permeability, Surficial Geology, ...2.0838
- GEOLOGY AND GROUND WATER RESOURCES OF GRAND FORKS COUNTY ...Aquifers-general, Chemical-general, Drilling and Coring, Permeability, Surficial Geology, ...2.0839
- GEOLOGY AND GROUND WATER RESOURCES OF WILLIAMS COUNTY ...Aquifers-general, Chemical-general, Drilling and Coring, Permeability, Surficial Geology, ...2.0840
- GEOLOGY AND GROUND WATER RESOURCES OF WARD COUNTY ...Aquifers-general, Geology-general, Hydrology-general, North Dakota, Water Quality-general, ...2.0841
- GEOLOGY AND GROUND WATER RESOURCES OF BURKE COUNTY ...Aquifers-general, Chemical-general, Drilling and Coring, Permeability, Surficial Geology, ...2.0842
- GEOLOGY AND GROUND WATER RESOURCES OF RENVILLE COUNTY ...Aquifers-general, Geology-general, North Dakota, Water Resources - General, Water Wells, ...2.0843
- GEOLOGY AND GROUND WATER RESOURCES OF PEMBINA COUNTY ...Aquifers-general, Deposits, Geology-general, Mapping, Permeability, Rocks - Bedrock, ...2.0844
- GEOLOGY AND GROUND WATER RESOURCES OF NELSON COUNTY ...Aquifers-general, Deposits, Geology-general, Mapping, Permeability, Rocks - Bedrock, ...2.0845
- GEOLOGY AND GROUND WATER RESOURCES OF WALSH COUNTY ...Aquifers-general, Deposits, Geology-general, Mapping, Permeability, Rocks - Bedrock, ...2.0846
- GEOLOGY AND GROUND WATER RESOURCES OF CAVALIER COUNTY ...Aquifers-general, Deposits, Geology-general, Mapping, Permeability, Rocks - Bedrock, ...2.0847
- CHEMICAL CHARACTER OF GROUND AND SURFACE WATERS IN RELATION TO SOIL WEATHERING PROCESSES ...Chemical-general, Movement, Availability, Soil Weathering, Surface Water, ...2.0743
- LAND AND WATER VALUES IN EASTERN NEW MEXICO ...Irrigation-general, Land, New Mexico, Price & Value, Water Costs, ...6.0361
- SUBSURFACE WATER POLLUTION FROM SANITARY LANDFILLS IN CARBONATE ROCK TERRAIN ...Chemical Analysis (water), Disposal, Dolomite, Sanitary Landfills, Soil and Rock Leaching, ...5.1030
- HYDROGEOLOGY OF PUBLIC GROUND WATER SUPPLIES IN PENNSYLVANIA ...Chemical-general, Management, Pennsylvania, Pollution Abatement, Water Yield, ...2.0907
- ELECTRONIC ANALOG MODEL STUDIES OF RIVER BASINS ...Analog Computers, Management, Model Studies, Precipitation-general, River Basins, Runoff, Water Cycle, Water Resources Development, ...2.1059
- GROUNDWATER RECHARGE ...Applied Climatology, Forecasting-prediction, Natural Recharge, Observation Wells, Water Table Fluctuation, ...3.0430
- WATER SUPPLY TECHNOLOGY - WATER QUALITY MANAGEMENT AND PROTECTION ...Demineralization, Drilling and Coring, Reverse Osmosis, Water Reuse, ...5.1219
- SAFFORD VALLEY, ARIZONA GEOPHYSICAL STUDIES ...Arizona, Geophysical Analysis, Hydrology-general, ...2.0276

SUBJECT INDEX

Groundwater Basins

Groundwater Basins

vation Wells, Pollution Sources-general, Pumping, Tennessee, ...2.0998

GEOHYDROLOGY OF THE ANCHORAGE AREA, ALASKA ...Alaska, Surface Water, Urban Environments, Water Quantity-general, Water Resources Development, ...2.0011

ELECTRICAL-ANALOG ANALYSIS OF HYDROLOGIC DATA, ARVA VALLEY, ARIZ ...Analog Computers, Arizona, Model Studies, Pumping, Water Table Fluctuation, ...2.0044

GROUND-WATER CONTAMINATION FROM HIGHWAY SALT-ING IN MASSACHUSETTS ...Groundwater Movement, Massachusetts, Salinity, Salt, Snow and Ice Removal, ...5.0521

CITY OF JACKSON, WATER RESOURCES STUDY, MISSISSIPPI ...Control and Protection, Floods, Mississippi, Urban Environments, Water Supply-general, ...4.0148

WATER RESOURCES OF SOUTHEASTERN WISCONSIN - RACINE AND KENOSHA COUNTIES ...Hydrographs, Stratigraphy-general, Water Quality-general, Water Supply-general, Wisconsin, ...2.1151

EFFECT OF IRRIGATION ON STREAMFLOW IN CENTRAL SAND PLAINS OF WISCONSIN ...Drainage, Irrigation-general, Morphology-general, Water Balance-budget, Wisconsin, ...4.0279

SEDIMENTATION AND HYDROLOGY-ROCK CREEK AND ANACOSTIA RIVER BASINS, MARYLAND ...Erosion-general, Land Use, Maryland, Sediment Yield, Urban Environments, ...4.0130

NUMERICAL SIMULATION OF HYDRODYNAMIC PHENOMENA BY DIGITAL COMPUTER ...Model Studies, Open Channel Flow, Porous Media - Flow Through, Subsurface Flow, Waves, ...2.1096

PROTECTION OF ERODIBLE CHANNELS AND SURFACES WITH GRAVEL OR RIPRAP ...Canals, Channels, Energy Loss - water, Engineering Structures-general, Flow Characteristics - water, Linings-pavings, Scouring, Seepage, ...8.0040

RADIOISOTOPE GROUND WATER MEASUREMENTS IN SMALL DIAMETER DRILL HOLES ...Borehole Geophysics, Drilling and Coring, Instrumentation-general, Radioisotopes, Technique Development, ...8.0066

THE CHARACTERISTICS AND POLLUTIONAL PROBLEMS OF IRRIGATION RETURN FLOWS ...Effluents-waste Water, Irrigation, Streams, Surface Water, Water Quality-general, ...5.0909

THE CHARACTERISTICS AND POLLUTIONAL PROBLEMS OF PETROCHEMICAL WASTES ...Mining Activities, Other, Petroleum Chemistry, Petroleum Industry, Pollution - Effects of, ...5.0908

MINING-POLLUTION CONTROL TECHNOLOGY - OIL PRODUCTION GROUND-WATER RECLAMATION BY SELECTIVE PUMPING ...Brines, Mine Drainage Control, Petroleum Industry, Pumping, Saline Water Intrusion, Secondary Recovery, ...5.0913

RELATION OF CLIMATIC AND WATERSHED PHYSIOGRAPHIC AND CULTURAL FACTORS TO WATER YIELD ...Agricultural Watersheds, Climate-general, Land Use, Shape, Water Yield, ...3.0393

FACILITIES AND PROCEDURES FOR CONSERVATION MANAGEMENT OF RUNOFF WATER FROM AGRICULTURAL LANDS IN THE SOUTHERN PLAINS ...Agricultural Watersheds, Artificial Recharge, Playas, Runoff, Storage of Water, ...4.0237

GROUND WATER IN RELATION TO USE AND MANAGEMENT OF RANGELAND WATERSHEDS IN THE SOUTHWEST ...Agricultural Watersheds, Natural Recharge, Projections and Estimations, Runoff, Southwest, ...3.0007

GROUND WATER RECHARGE AND MANAGEMENT IN CALIFORNIA ...Groundwater Basins, Percolation, Recharge - general, Soil Environment, Storage of Water, ...4.0033

ECONOMICS OF WATER MANAGEMENT ON THE TEXAS HIGH PLAINS ...Aquifers-general, Economic Impact, Production & Processing, Texas, Water Allocation, Water Yield, Welfare Economics, ...6.0137

TRAVEL OF NITROGEN IN SOILS ...Animal Waste Removal-treatment, Movement, Availability, Nitrogen, Pollutants - Path of, Soil Tests, ...1.0070

SORPTION KINETICS IN FLOW THROUGH GRANULAR PARTICLES ...Adsorption-other, Ion Exchange-other, Porous Media - Flow Through, Rate Determination, Tertiary Treatment, Water Quality Control-general, ...5.1191

INVESTIGATION OF WATER SUPPLY PROBLEMS IN ARCTIC AND SUB-ARCTIC AREAS ...Arctic, Potable Water, Storage of Water, Surface Water, Water Supply-general, ...3.0004

SYSTEMS ANALYSIS FOR GROUNDWATER MANAGEMENT ...Economic Efficiency, Management, Model Studies, Saline Water Intrusion, Systems Analysis, ...5.0072

ECONOMICS OF GROUND WATER DEVELOPMENT IN THE HIGH PLAINS OF COLORADO ...Alternative Planning, Economic Impact, Economics, Model Studies, Water Resources Development, ...6.0108

INDUCED ELECTRICAL POLARIZATION AND GROUND WATER ...Artificial Recharge, Electric Logging, Geophysical Analysis, Groundwater, Polarization, ...7.0007

OPTIMIZATION OF WELLS AND RECHARGE FACILITIES IN CONJUNCTIVE USE OF GROUNDWATER RESERVOIRS ...Conjunctive Use, Optimization, Pumping, Recharge -general, Water Wells, ...6.0054

GROUND WATER BASIN DYNAMICS ...Dispersion -water, Mathematical Analysis, Model Studies, Natural Recharge, Ohio, ...2.0851

EVALUATION OF GROUNDWATER RESOURCES, LIVERMORE VALLEY, CALIFORNIA ...Data Acquisition-general, Management, Model Studies, Subsurface Flow, Water Yield, ...4.0025

GEOHYDRAULICS AT THE UNCONFORMITY BETWEEN BEDROCK AND ALLUVIAL AQUIFERS ...Flow Characteristics -water, Rocks - Bedrock, Unconformities, Unconsolidated Aquifers, Water Transfer, ...2.0229

HYDROLOGIC ANALYSIS OF GROUNDWATER BASINS BY DIGITAL COMPUTER SIMULATION ...Aquifers-general, Digital Computers, Groundwater Movement, Mathematical Analysis, Model Studies, ...4.0043

HYBRID COMPUTER SIMULATION OF GROUND-WATER BASINS ...Development of Models, Groundwater, Hybrid Computers, Model Studies, Water Quality Control-general, ...2.0106

A SALT BALANCE INVESTIGATION ON THE SANTA ANA RIVER BASIN ABOVE PRADO DA ...California, Forecasting-prediction, Salinity, Systems Analysis, Water Quality Control-general, ...5.0098

GROUND-WATER STUDIES - PILOT DRAINAGE BASIN STUDY ...Carbonate Aquifers, Groundwater Movement, Land Use, Natural Recharge, Runoff, Water Cycle, ...2.0418

WATER REQUIREMENTS FOR CROP PRODUCTION IN THE ROSWELL UNDERGROUND WATER BASIN ...Irrigation, Irrigation-general, Requirements for Water, Tillage, Cropping Systems, Water Costs, ...3.0334

SPECIFIC YIELD INVESTIGATION ...Aquifers-general, California, Moisture Content, Projections and Estimations, Water Yield, ...2.0182

MECHANICS OF GROUND-WATER FLOW ...Aquifers-general, Artificial Recharge, Earthquakes, Groundwater Movement, Water Table Fluctuation, ...2.1093

QUANTITATIVE WATER-BUDGET ANALYSIS OF WESTERN LONG ISLAND, NEW YORK ...Alternative Planning, Management, New York, Water Balance-budget, Water Resources Development, ...2.0809

GROUND-WATER HYDROLOGY AND DEVELOPMENT IN EAST-CENTRAL WASHINGTON ...Drawdown, Groundwater Mining, Subsurface Flow, Washington, Water Table Fluctuation, ...2.1135

SAN GORGONIO PASS GROUND-WATER STUDIES, CALIFORNIA ...Artificial Recharge, California, Groundwater Movement, Storage of Water, Water Table Fluctuation, ...4.0037

WATER RESOURCES OF THE KENAI PENINSULA BOROUGH AREA, ALASKA ...Alaska, Aquifers-general, Gaging, Runoff, Water Resources Development, ...2.0012

WATER RESOURCES OF BRANCH-BLACKSTONE RIVER BASIN, RHODE ISLAND ...Gaging, Permeability, Rhode Island, Runoff, Water Yield, ...2.0614

GROUND WATER RECHARGE AND MANAGEMENT IN CALIFORNIA ...Groundwater, Percolation, Recharge -general, Soil Environment, Storage of Water, ...4.0033

METHODS FOR WATER QUALITY IMPROVEMENT AND ITS STORAGE UNDERGROUND ...Computers-general, Denitrification, Management, Natural Recharge, Percolation, Underground Waste Disposal, Waste Water Treatment-general, ...4.0005

Groundwater Features

Cave Studies

DETECTION OF SUBSURFACE CAVITIES OR CONDUITS IN FOUNDATIONS OF PROPOSED RESERVOIRS AND ENGINEERING STRUCTURES ...Carbonates, Engineering Structures-general, Geology - Engineering, Geothermal Gradient, Tritium, ...8.0073

Karst Topography

DETERMINATION OF EVAPOTRANSPIRATION FOR SHORT INTERVALS ON A BENCHMARK BASIN ...Evapotranspiration, Heat Budget, Israel, Moisture Content, Water Balance-budget, ...2.0493

AVAILABILITY, DISTRIBUTION, QUANTITY AND QUALITY OF WATER RESOURCES IN CARBONATE KARST TERRAIN ...Available Water, Carbonate Aquifers, Groundwater, Runoff, Water Balance-budget, Water Quality-general, ...4.0155

INVESTIGATION OF WATER LOSSES TO SINKHOLES IN THE PAHASAPA LIMESTONE, AND THEIR RELATION TO RESURGENT SPRINGS BLACK HILLS, SOUTH DAKOTA ...Groundwater, Leakage, South Dakota, Springs, Tracers-general, ...2.0979

THE DEVELOPMENT OF GEOCHEMICAL AND GEOPHYSICAL TECHNIQUES AS AN AID TO DETERMINING AVAILABILITY OF GROUND WATER IN LIMESTONE TERRANES ...Available Water, Geochemical Analysis, Geophysical Analysis, Groundwater, Water Sources -general, ...2.0009

WATER YIELD AND GROUNDWATER MOVEMENT IN THE EDWARDS PLATEAU AS AFFECTED BY GEOLOGY, CHANNEL AND VALLEY MATERIALS, AND FLOOD STRUCTURES ...Engineering Structures-general, Groundwater Movement, Rain, Texas, Water Table Fluctuation, Water Yield, ...2.1031

Thermal Features

Hot Springs

GEOHERMAL INVESTIGATIONS - YELLOWSTONE PARK ...Gravity Surveys, Magnetic Surveys, Satellites, Seismic Surveys, Terrain Analysis, Yellowstone Plateau, ...6.0147

ECOLOGY AND PHYSIOLOGY OF THERMOPHILIC BLUE-GREEN ALGAE ...Adaptation, Cyanophyta (non-specific & Ot), Habitat Studies, High Temp. - 85f Or Above, ...2.0898

GEOHERMAL RESOURCES OF IDAHO ...Chemical-general, Idaho, Survey Studies, Temperature, Water - Hot Water, ...3.0206

Thermal Features-other

STUDY OF GEOLOGIC STRUCTURAL CONTROL ON THE FLOW AND DISCHARGE OF GEOTHERMAL WATERS ...Atlases-maps, Groundwater, Groundwater Movement, Iceland, Regional Structure, ...2.0794

Groundwater Movement

ESTIMATE OF ACTUAL DAILY EVAPOTRANSPIRATION AS A FUNCTION OF SOIL WATERFLOW, PLANT CANOPY AND POTENTIAL EVAPOTRANSPIRATION ...Evapotranspiration, Internal Water Movement, Soil Environment, ...2.1163

THE HYDRAULICS OF GROUND WATER TESTS ...Aquifers-general, Dispersion -water, Model Studies, Tracers-general, ...2.0288

DYNAMIC GROUND-WATER STORAGE ...Mathematical Analysis, Storage of Water, Unsteady Flow, ...2.0765

HYDROLOGIC MODELS FOR PREDICTING THE EFFECTS OF URBANIZATION ...Land Use, Model Studies, Moisture Content, Seepage, Surface Flow, Urban Environments, ...2.0913

INVESTIGATIONS ON THE SUBSURFACE DISPOSAL OF WASTE EFFLUENTS AT INLAND SITES ...Artificial Recharge, Dyes, Pollutants - Path of, Recharge Pits - Wells, Underground Waste Disposal, ...3.0022

CHANGES IN THE PHYSICAL AND BIOLOGICAL CHARACTERISTICS OF GROUND WATER RESERVOIRS AND ADJACENT SURFACE WATERS ...Bacteria, Bacterial Pollutant Sources, Biological-general, Physical-general, Pollutants - Path of, ...1.0017

RELATION OF BEDROCK FRACTURE SYSTEMS TO UNDERGROUND WATER IN STAFFORD SPRINGS, SOUTH COVENTRY, SPRING HILL & WESTFORD QUADS ...Joints-fractures, Local Structure, Rocks - Bedrock, Subsurface Flow, Water Quantity-general, ...2.0243

RATE AND DIRECTION OF GROUND WATER CIRCULATION IN CLOSE SPACED BEDROCK AND GRAVEL WELLS UNDER THE INFLUENCE OF NON-SYNCHRONOUS PUMPING TIME ...Connecticut, Land Use, Pumping, Subsurface Flow, ...2.0244

THE ARTESIAN SYSTEM IN GEORGIA STRATIGRAPHY AND HYDROLOGY OF THE OCALA ...Artesian Flow, Carbonate Aquifers, Georgia, Natural Recharge, Piezometry, ...4.0082

DRILLED WELL INVESTIGATION OF DOLOMITE AQUIFER CHARACTERISTICS ...Carbonate Aquifers, Dolomite, Observation Wells, Permeability, Storage of Water, ...2.0704

PHYSICAL CHARACTERISTICS OF BASALT AQUIFERS ...Electric Logging, Flow Characteristics -water, Local Structure, Porosity, Radioactivity Logging, ...2.1117

NUMERICAL MODELING OF GROUND WATER FLOW ...Aquifers-general, Artificial Recharge, Model Studies, Subsurface Flow, ...2.0506

SALINITY ABOVE A WATER TABLE AS AFFECTED BY RAINFALL AND IRRIGATION ...Irrigation-general, Moisture Tension, Permeability, Salinity, Soil and Rock Leaching, ...2.0970

MORPHOLOGY AND HYDROLOGY OF PLEISTOCENE DEPOSITS, DELAWARE ...Geophysical Analysis, Morphology-general, Permeability, Quaternary Period, Unconsolidated Aquifers, Water Yield, ...2.0253

WATER TRACING AND DATING IN HAWAII HYDROLOGIC CYCLE ...Carbon-14, Hawaii, Radioisotopes, Surface Water, Tritium, Water Cycle, ...2.0375

STUDY OF GEOLOGIC STRUCTURAL CONTROL ON THE FLOW AND DISCHARGE OF GEOTHERMAL WATERS ...Atlases-maps, Groundwater, Iceland, Regional Structure, Thermal Features-other, ...2.0794

UNSTEADY FLOW TOWARD PARTIALLY PENETRATING ARTESIAN WELLS ...Artesian Flow, Mathematical Analysis, Seepage, Unsteady, Unsteady Flow, ...2.0522

WATER DATING TECHNIQUES AS APPLIED TO THE MISSOULA GROUND-WATER RESERVOIR, MONT. ...Carbon-14, Geochemical Analysis, Montana, Unconsolidated Aquifers, ...2.0715

WATER TABLE CONTROL AND SUBSURFACE IRRIGATION IN MINERAL AND HIGH ORGANIC COASTAL PLAIN SOILS ...Management, North Carolina, Subsurface Irrigation, Water Table Fluctuation, ...2.0828

CHEMICAL AND FLOW REGIMES OF GREAT BASIN SPRINGS ...Chemical-general, Flow Characteristics -water, Great Basin, Springs, ...2.0736

NUMERICAL SIMULATION OF GROUNDWATER FLOW SYSTEMS ...Computers-general, Management, Research - Development, Simulation Theory, ...2.0918

INTERRELATIONSHIP OF SURFACE AND SUB-SURFACE FLOW IN THE NISHNABOTNA DRAINAGE BASIN ...Discharge-other, Drift, Iowa, River Basins, Valley, Buried, ...2.0481

SEASONAL SHALLOW STORAGE AND DEEP SEEPAGE COMPONENTS FOR THE HYDROLOGIC BUDGET OF A SMALL FORESTED OZARK WATERSHED ...Amount, Forest Watersheds, Missouri, Seismic Surveys, Storage of Water, ...2.0700

HYDROLOGIC ANALYSIS OF GROUNDWATER BASINS BY DIGITAL COMPUTER SIMULATION ...Aquifers-general, Digital Computers, Groundwater Basins, Mathematical Analysis, Model Studies, ...4.0043

THE INTERFLOW PROCESS ON SLOPING WATERSHED AREAS ...Forecasting-prediction, Mathematical Analysis, Physical Properties-general, Rain-general, Tracers-general, ...2.0961

SHALLOW GROUND-WATER FLOW SYSTEMS IN RELATION TO INDUSTRIAL AND MUNICIPAL WATER SUPPLY AND WASTE DISPOSAL REQUIREMENTS ...Disposal Wastes, Industrial Wastes, Sanitary Landfills, Wisconsin, ...5.1316

ANALOG MODELING TO DETERMINE FRESH WATER AVAILABILITY ON THE OUTER BANKS OF NORTH CAROLINA ...Analog Computers, Groundwater, Model Studies, North Carolina, Water Yield, ...3.0375

MOVEMENT AND MIXING OF WATER INJECTED INTO AQUIFERS ...Aquifers-general, Artificial Recharge, Dispersion -water, Exchange Capacity, Flow Augmentation, Fluid Mixing, Water Wells, ...5.0527

DEVELOPMENT AND DEMONSTRATION OF MATERIALS TO REDUCE OR ELIMINATE WATER INFILTRATION INTO SEWERAGE ...Joining, Bonding-general, Linings-pavings, Other, Pipe-other, Sealant Materials, ...5.1186

SUBJECT INDEX

Groundwater Movement

- SOILS, PESTICIDES AND THE QUALITY OF WATER ...Absorption, Fixation, Exchange, Aquatic Or Soil-aquatic Cycles, Boundary Process (moisture), Movement, Leaching, Pesticides -non-specific, ...5.0079
- THE DISPOSITION OF PESTICIDES IN THE SOIL ...Georgia, Movement, Leaching, Persistence in Soils, Pesticides -non-specific, Soil Environment, ...5.0287
- THE DISPOSITION OF PESTICIDES IN THE SOIL ...Aquatic Or Soil-aquatic Cycles, Atrazine, Microbial Degradation, Movement, Leaching, Rhizosphere, Trifluralin, ...5.0290
- SOIL WATER MOVEMENT ...Conservation-general, Management, Moisture Meters, Moisture Tension, Movement, Availability, ...3.0245
- DRAINAGE DESIGN FOR IRRIGATION AGRICULTURE ...Aquifers-general, Artesian Flow, Conjunctive Use, Seepage, Water Wells, ...4.0165
- SOILS, PESTICIDES, AND THE QUALITY OF WATER ...Bensulide, Management, Movement, Leaching, Soil Environment, 2,4-d, ...5.0752
- SOILS, PESTICIDES AND THE QUALITY OF WATER ...Infiltration, Movement, Leaching, Pollutants - Path of , Rhizosphere, ...5.1239
- CONTAMINATION OF GROUND WATER FROM RADIOACTIVE PACKAGES IMPACTING ON LAN ...Ground Water, Groundwater, Pollutants - Path of , Radioactivity-general, ...4.0240
- STRUCTURAL CONTROL OF SPRINGS FROM THE MUAV AQUIFER IN WESTERN GRAND CANYON NATIONAL PARK, ARIZONA ...Carbonate Aquifers, Seasonal, Specific Rock Unit, Springs, Tectonics-general, ...2.0054
- THE FINITE ELEMENT METHOD IN FLUID MECHANICS ...Degradation, Finite Differences, Fluid Dynamics, Non-autonomous, Saturated Flow, ...5.0302
- RADIOCARBON AS A TRACER IN GROUND WATER PROBLEMS ...Aquifers-general, Laminar Flow, Permeability, Radioisotopes, Recharge -general, ...2.0056
- GROUND WATER RESEARCH ...Agriculture Industry, Artificial Recharge, California, Dispersion -water, Groundwater, ...2.0135
- GROUND-WATER STUDIES - PILOT DRAINAGE BASIN STUDY ...Carbonate Aquifers, Groundwater Basins, Land Use, Natural Recharge, Runoff, Water Cycle, ...2.0418
- GROUND-WATER STUDIES - DEEP SANDSTONE AQUIFER IN CHICAGO REGION ...Clastic Aquifers, Permeability, Pumping, Sandstones, Water Table Fluctuation, ...2.0419
- HYDROGEOLOGY OF SOLID WASTE DISPOSAL SITES ...Chemical Analysis (water), Hydrology-general, Illinois, Sanitary Landfills, ...5.0347
- THEORETICAL ANALYSIS OF REGIONAL GROUND-WATER FLOW IN THE HAVANA AREA ...Illinois, Mathematical Analysis, Model Studies, Subsurface Flow, Water Table Fluctuation, ...2.0410
- CHARACTERIZATION OF THE RATE OF WATER INFILTRATION INTO SOIL ...Infiltration, Moisture Content, Soil Morphology, Profiles, ...2.0471
- TILLAGE STUDIES ...Growth Rate, Physical Properties -other, Plowing, Soil Depth, Tillage, Cropping Systems, ...4.0119
- USE OF RADAR FOR HYDROLOGICAL STUDIES ...Cloud Physics, Evaporation, Patterns, Radar, Structure-size, ...2.0776
- FACTORS AFFECTING MINE DRAINAGE AND THE GROUND WATER INTERACTIONS IN SELECTED AREAS OF WESTERN PENNSYLVANIA (PART 1) ...Acidity, Iron Bacteria, Mine Drainage Control, Pyrite Group, Soil and Rock Leaching, ...1.0107
- FACTORS AFFECTING MINE DRAINAGE AND THE GROUND WATER INTERACTIONS IN SELECTED AREAS OF WESTERN PENNSYLVANIA (PART 2) ...Acidity, Baseflow, Mine Drainage Control, Pyrite Group, Stratified Flow, ...5.1044
- THE ROLE OF SOIL STRUCTURE IN CROP PRODUCTION AND METHODS FOR IMPROVING SOIL PHYSICAL CONDITIONS ...Management Effects, Plant Residues, Humus, Compost, Soil Environment, Soil Structure, Texas, ...2.1055
- WATER YIELD AND GROUNDWATER MOVEMENT IN THE EDWARDS PLATEAU AS AFFECTED BY GEOLOGY, CHANNEL AND VALLEY MATERIALS, AND FLOOD STRUCTURES ...Engineering Structures-general, Karst Topography, Rain, Texas, Water Table Fluctuation, Water Yield, ...2.1031
- RADIONUCLIDE MOVEMENT IN GROUNDWATER ...Flow Characteristics -water, Pollutants - Path of , Radioactivity-general, Radioisotopes, Seepage, ...5.1099
- INFLUENCE OF VEGETATION IN SOIL MOISTURE FLOW ...Cover Crops, Infiltration, Soil Environment, Tracers-general, ...2.0946
- GROUNDWATER FLOW ...Flow Characteristics -water, Permeability, Radioisotopes, Tritium, Velocity -water, ...2.0947
- UNDERSTANDING OF THE INFILTRATION OF RAIN INTO BURIED WASTE ...Infiltration, Moisture Content, Porosity, Radioactivity-other, Unsaturated Flow, ...2.0948
- HYDROLOGY OF LOWER COLORADO RIVER BASIN ...Colorado River, Groundwater, Total Volume, Water Loss-general, Water Quality-general, ...2.0066
- ELECTRONIC EQUIPMENT DEVELOPMENT ...Geophysical Analysis, Switches, Technique Development, Transducers, ...7.0021
- UNSATURATED FLOW STUDIES ...Artificial Recharge, Electrical Properties, Exchange Capacity, Infiltration, Unsaturated Flow, ...2.0286
- HYDROLOGY OF LIMESTONE AND RELATED ROCKS ...Faults, Folds, Limestone - General, Permeability, Porosity, ...2.0201
- GEOMORPHIC ASPECTS (SISTERS AND WATTS BRANCHES, MARYLAND) ...Energy-dynamics, Ephemeral, Patterns, Runoff, Sediment Transport-general, Water Cycle, ...2.0283
- REGIONAL HYDROLOGIC SYSTEM ANALYSES (HYDRODYNAMICS) ...Hydraulics-general, Permeability, Systems Analysis, ...2.1092
- UNSATURATED FLOW THEORY APPLIED TO DRAINAGE AND INFILTRATION ...Drainage, Infiltration, Internal Water Movement, Runoff, Unsaturated Flow, ...2.0125
- ELECTRICAL ANALOG MODELS OF HYDROLOGIC SYSTEMS ...Analog Computers, Flow Characteristics -water, Groundwater, Model Studies, Surface Water, ...2.0037
- PERMIAN BASIN - ORIGIN OF SALINE WATER DISCHARGE ...Brines, Permian Period, Saline Water Intrusion, Subsurface Flow, Texas, ...2.1004
- PERMEABILITY RESEARCH ...Observation Wells, Permeability, Porous Media - Flow Through, Saturated Flow, Unsaturated Flow, ...2.0183
- BOREHOLE GEOPHYSICS AS APPLIED TO GEOHYDROLOGY ...Aquifers-general, Borehole Geophysics, Geophysical Analysis, Instrumentation-general, Technique Development, ...7.0018
- MECHANICS OF GROUND-WATER FLOW ...Aquifers-general, Artificial Recharge, Earthquakes, Groundwater Basins, Water Table Fluctuation, ...2.1093
- HYDROLOGY OF SUBSURFACE WASTE DISPOSAL - NATIONAL REACTOR TESTING STATION, IDAHO ...Geochemical Analysis, Nuclear Power, Radioactivity-general, Underground Waste Disposal, Water Cycle, ...5.0319
- HYDROLOGY OF THE CRYSTALLINE ROCK SYSTEM IN SOUTHEASTERN STATES ...Crystalline, Groundwater, Hydrology-general, Water Quality-general, Water Wells, Water Yield, ...2.0825
- THERMAL GRADIENTS IN SOUTH CAROLINA ...Geothermal Gradient, Heat Flows, Permeability, South Carolina, Temperature, ...2.0964
- WATER RESOURCES APPRAISAL OF THE TUCSON BASIN, ARIZONA ...Arizona, River Basins, Storage of Water, Surface Water, Water Table Fluctuation, ...2.0043
- SAN GORGONIO PASS GROUND-WATER STUDIES, CALIFORNIA ...Artificial Recharge, California, Groundwater Basins, Storage of Water, Water Table Fluctuation, ...4.0037
- WATER RESOURCES OF THE BOWLING GREEN AREA, KENTUCKY ...Aquifers-general, Industrial-general, Kentucky, Streams, Water Quality-general, ...2.0528
- GROUND-WATER CONTAMINATION FROM HIGHWAY SALT-ING IN MASSACHUSETTS ...Groundwater, Massachusetts, Salinity, Salt, Snow and Ice Removal, ...5.0521
- WATER RESOURCES OF SOUTHEASTERN WISCONSIN - FOX RIVER BASIN ...Available Water, Mans Activities, Projections and Estimations, Surface Water, Wisconsin, ...4.0277
- HYDROLOGY OF UPPER OLD TAMPA BAY, FLORIDA ...Bays, Hydrology-general, Lakes, Permeability, Water Harvesting, Water Quality-general, ...2.0331
- AQUIFERS AND DRAINAGE ...Aquifers-other, Brackish Water, Drainage, Irrigation-general, Model Studies, ...2.0166
- NITRATE BEHAVIOR IN SOIL WATER UNDER FIELD CONDITIONS ...Infiltration, Movement, Availability, Nitrate, Nitrite, Nitrogen, Permeability, ...5.0180
- EFFECT OF FOREST TYPES AND CONDITIONS ON WATER MOVEMENT AND GROUND WATER RECHARGE ...Forest Watersheds, Infiltration, Land Use, Natural Recharge, Runoff, Water Cycle, ...3.0301
- FATE AND EFFECTS OF PESTICIDES IN FOREST SOILS AND WATER ...DDT , Forests, Movement, Leaching, Persistence in Soils, Soils and Fertilizer, ...5.0968

Groundwater Movement

SUBJECT INDEX

SUBSURFACE AND GROUND WATER ACCRETION, DEPLETION, MOVEMENT AND CONTRIBUTION TO STREAM-FLOW ...Agricultural Watersheds, Aquifers-general, Baseflow, Mississippi, Natural Recharge, ...2.0336

AQUIFER AND SUBSURFACE RELATIONSHIPS IN THE HYDROLOGY OF UPSTREAM AGRICULTURAL WATERSHEDS ...Aquifers-general, Baseflow, Forecasting-prediction, Natural Recharge, Streams, Technique Development, Water Yield, ...3.0394

WATER YIELD AS RELATED TO CLIMATIC WATERSHED CHARACTERISTICS IN THE NORTHERN PLAINS ...Agricultural Watersheds, Climate, Morphology-general, Patterns, Water Yield, ...3.0145

SOIL WATER MOVEMENT IN RELATION TO THE CONSERVATION OF WATER SUPPLIES ...Computers-general, Conservation-general, Evaporation, Infiltration, Internal Water Movement, Water Loss Control, ...2.0033

DRAINAGE SYSTEMS FOR THE GREAT BASIN ...Artesian Flow, Drainage, Drainage Systems, Great Basin, Permeability, ...4.0164

NATURAL RECHARGE OF GROUND WATER IN CENTRAL AND SOUTHERN CALIFORNIA ...Infiltration, Natural Recharge, Rain-general, Runoff, ...3.0063

DRAINAGE SYSTEMS FOR THE IMPERIAL VALLEY ...Analog Computers, Digital Computers, Drainage, ...4.0026

Growth and Preparation

ICE FORMATION BY CONTACT NUCLEATION ...Formation, Model Studies, Nucleation, Nucleation Physics, Temperature, ...3.0339

HETEROGENEOUS NUCLEATION OF ICE ...Nucleation Physics, Photolysis, Radiation-general, Temperature, ...2.0785

Growth Regulators

PLANT-WATER-USE EFFICIENCY WITH GROWTH REGULATORS AND TRANSPIRATION SUPPRESSANTS ...Anti-transpirants, Antitranspirants, Fruit-set, Growth Rate, Modified Water Use, ...3.0160

Gulf of Alaska

AUKE LAKE STUDIES ...Biological-general, Chemical-general, Lakes, Physical-general, Spawn Or Nesting Sites, ...6.0006

Gulf of California

PROBABLE EFFECTS ON MARINE ENVIRONMENTS OF DISPERSING BRINE EFFLUENTS FROM LARGE DESALINATION PLANTS IN THE GULF OF CALIFORNIA ...Atomic Plants, Brines, Desalination, Marine Environments-general, Pollution - Effects of, ...3.0020

Gulf of Mexico

TROPICAL STORM RAINFALL AND HURRICANE WIND FIELDS ...Forecasting, Pressure-density, Tropical Cyclones, Velocity, ...2.0595

OYSTER LEASE CONTROL MONUMENTS - BAY ADAM, BASTIAN BAY AND SANDY POINT BAY AREAS ...Commercial Fishing, Louisiana, Oysters, Plane, Tides, ...6.0249

COOPERATIVE GULF OF MEXICO INVENTORY AND STUDY - II HYDROLOGY ...Aquatic Ecology, Atlases-maps, Environmental Ecology, Estuaries, Water Properties-general, ...2.0670

COOPERATIVE GULF OF MEXICO INVENTORY AND STUDY - III SEDIMENTOLOGY ...Aquatic Ecology, Atlases-maps, Distribution, Environmental Ecology, Estuaries, ...2.0671

COOPERATIVE GULF OF MEXICO INVENTORY AND STUDY (AUDIO-VISUAL FILM) ...Estuaries, Other, Survey Studies, ...7.0060

COOPERATIVE GULF OF MEXICO INVENTORY AND STUDY - IV BIOLOGY ...Aquatic Ecology, Atlases-maps, Environmental Ecology, Estuaries, Mississippi River, ...2.0672

COOPERATIVE GULF OF MEXICO INVENTORY AND STUDY (AREA DESCRIPTION) ...Atlases-maps, Estuaries, Industrial-general, Mississippi River, Water Properties-general, ...7.0061

HORIZONTAL DISPERSION IN SHALLOW ESTUARIES OF IRREGULAR SHAPE ...Circulation -water, Dispersion -water, Estuaries, Model Studies, Water Quality-general, ...2.1013

INVENTORY OF THE GULF ESTUARY SYSTEM ...Bays, Data Acquisition-general, Estuaries, Fishing, Sedimentology-general, ...2.0322

PLANKTON ECOLOGY ...Estuaries, Eutrophication, Gymnodinium, Phytoplankton, Range Or Territorial Distr., ...6.0155

ESTUARINE INVENTORY (FORMERLY CHEMICAL ENVIRONMENT) ...Estuaries, Florida, Marine Biology, Physiology-general, Sedimentology-general, ...2.0325

EVALUATION OF ENGINEERING PROJECTS AND ESTUARINE DATA (ESTUARINE PROGRAM) ...Commercial Fishing, Conservation & Management Eng, Construction Sites, Estuaries, Habitat Studies, Land Use -non-specific, ...8.0290

ECOLOGY OF WESTERN GULF ESTUARIES ...Estuaries, Habitat Studies, Plant Prod. (non-specific), Pollution - Effects of, Productivity - Food Chain, ...2.1048

EVALUATION OF ESTUARINE DATA ...Current Research Projects Info, Data Analysis - General, Estuaries, ...2.1047

FREQUENCY DISTRIBUTION OF BIOLOGICAL POLLUTANTS IN SHELLFISH AND THE MARINE ENVIRONMENT ...Biology, Coliforms (non-specific), Enteroviruses of Humans, Oysters, Pollution-water, ...5.0016

LABORATORY STUDIES OF TOXIC DINOFLAGELLATES ...Algal Culture, Algal Toxins, Gonyaulax, Gymnodinium, Vegetable Origin, ...5.1161

Gymnodinium

PLANKTON ECOLOGY ...Estuaries, Eutrophication, Gulf of Mexico, Phytoplankton, Range Or Territorial Distr., ...6.0155

LABORATORY STUDIES OF TOXIC DINOFLAGELLATES ...Algal Culture, Algal Toxins, Gonyaulax, Gulf of Mexico, Vegetable Origin, ...5.1161

INVESTIGATIONS ON CIGUATERA-LIKE BIOTOXINS IN SHELLFISH ...Algal Culture, Algal Toxins, Bulk Culture -other, Crustacea -non-specific, Mollusks -non-specific & Other, ...5.0018

Halide

ELLIPSOMETRIC STUDIES OF PASSIVATION, WITH SPECIAL REFERENCE TO THE ESSENTIAL ANIONIC CONSTITUENTS OF SALINE WATER ...Desalination, Electrochemical-other, Passivation, Saline Conversion, Water, ...3.0412

Halogens-general

METALLIC CORROSION IN HALIDE ENVIRONMENTS ...Cathodic Protection, Desalination, Electrode, Water, ...3.0369

Harbors

OPERATION RIVERPORTS ...Canals, Mississippi River, Missouri River, Streams, Water Transportation, ...6.0183

CRITERIA FOR THE DESIGN OF SMALL CRAFT HARBORS ...Breakwaters, Coastal Engineering-other, Marinas, Seiches, Waves, ...2.0133

GREAT LAKES RESEARCH - GREAT LAKES DEICING ...Bibliography, Great Lakes-general, Navigation, Origin, Sea Ice, ...2.0643

BACTERIOLOGICAL AND ESTHETIC OF PLEASURE BOAT WASTE DISCHARGE ON SMALL HARBORS ...Analysis and Detection, Bacterial Pollutant Sources, Beautification, Boat Discharges, Marinas, ...5.1267

TIDAL FLOWS IN RIVERS AND HARBORS ...Committee-support, Hydraulics-general, Streams, Tides, ...2.0688

HARBOR DESIGN STUDIES ...Navigation, Waves, ...8.0231

EFFECTS OF SCALE AND OPERATING TECHNIQUE ON HARBOR MODELS ...Synthetic Hydrology-general, ...7.0065

GREAT LAKES RESEARCH - HARBOR CURRENTS ...Currents -water, Great Lakes-general, Model Studies, Pressure-density, Water Level Fluctuation, Wind-general, ...2.0642

Hawaii

STUDY OF THE ENERGY BUDGET ON THE HAWAIIAN ISLANDS ...Evapotranspiration, Radiation Emission, Radiation-terrestrial, Reflectance, ...2.0370

THE EFFECTS OF SALINE IRRIGATION WATER ON SODIUM ACTIVITIES AND PHYSICAL PROPERTIES OF LATOSOLIC SOILS ...Irrigation, Irrigation-general, Saline and Alkaline Soils, Salinity, Soil Environment, ...3.0199

METHODS FOR DETERMINING THE ECONOMIC PRODUCTIVITY OF IRRIGATION WATER FOR THE PRODUCTION OF SUGAR IN HAWAII ...Irrigation-general, Management, Sugar Cane, Yield, ...6.0171

SUBJECT INDEX

Heat Transmission

CHARACTERIZATION AND REMOVAL OF REFRACTORY COLOR COLLOIDS FROM HAWAIIAN SURFACE WATERS ...Coagulation, Colloidal Phenomena, Color, Polyelectrolytes, Potable Water, Zeta Potential, ...5.0310

GEOPHYSICAL EXPLORATION FOR HAWAIIAN GROUND WATER - PHASE II ...Electric Logging, Electromagnetic Probing, Geophysical Analysis, Groundwater, Seismic Surveys, ...2.0371

PILOT STUDY OF SMALL WATERSHED FLOOD HYDROLOGY IN HAWAII, PHASE II ...Design Criteria, Discharge-general, Drainage Systems, Floods, Urban Environments, ...2.0381

IDENTIFICATION OF IRRIGATION RETURN WATER IN THE SUBSURFACE ...Chemical-general, Irrigation-general, Physical-general, Springs, Tritium, ...5.0314

TIDAL EFFECTS ON GROUND WATER HYDRAULICS IN HAWAII ...Analog Computers, Groundwater, Hydraulics-general, Model Studies, Tides, ...2.0378

WATER TRACING AND DATING IN HAWAII HYDROLOGIC CYCLE ...Carbon-14, Groundwater Movement, Radioisotopes, Surface Water, Tritium, Water Cycle, ...2.0375

GEOPHYSICAL EXPLORATION FOR HAWAIIAN GROUND WATER - PHASE III ...Electric Logging, Geophysical Analysis, Groundwater, Seismic Surveys, Volcanoes, ...2.0369

STUDY OF ESTUARINE POLLUTION IN THE STATE OF HAWAII ...Bacterial Pollutant Sources, Economics-general, Estuaries, Forecasting-prediction, Sewage, ...5.0311

SOILS, PESTICIDES, AND THE QUALITY OF WATER ...Aquatic Or Soil-aquatic Cycles, Movement, Leaching, Soil Environment, Triazines -non-specific, Urea Cpd. -non-specific, ...5.0044

MACADAMIA CULTURE ...Fruit-set, Irrigation, Macadamia, Trees, ...2.0377

RESEARCH ON GEOHYDROLOGY OF THE EASTERN SLOPE OF WEST MAUI ...Aquifers-general, Mountains-alpine, Patterns, Projections and Estimations, Slopes, Water Yield, ...6.0170

EVALUATION OF THE SULFUR SUPPLYING CAPACITY OF HAWAIIAN SOILS ...Irrigation-general, Movement, Availability, Rain-other, Soil Chemical Properties, Sulfur, ...2.0373

SOIL-WATER RELATIONS OF HAWAIIAN SOILS ...Irrigation-general, Mineralogy, Moisture Retention, Permeability, Soil Structure-general, Soil Tests, ...2.0374

HORTICULTURAL CROP RESPONSE TO IRRIGATION PRACTICES ...Evaporation, Growth Rate, Irrigation, Moisture Tension, ...2.0382

STUDY OF IRRIGATION SYSTEM DESIGN CRITERIA FOR HAWAIIAN VEGETABLE CROPS ...Economics-general, Irrigation, Irrigation-general, Soil-water-plant Relationships, Water Yield, ...2.0380

HYDROLOGIC RELATIONS IN HAWAII ...Amount, Data Networks, Floodproofing, Hydrology-general, Runoff, ...2.0365

HYDROLOGIC STUDIES (STORM STUDIES) HAWAIIAN ISLANDS ...Hydrology-general, Storm Water, Storms-general, Weather Charts-maps, ...2.0366

FLOODS IN THE WAIHOLE-WAIKANE AREA, OAHU, HAWAII ...Floodproofing, Floods, Mapping, Peak Flow, Regional Areas, ...4.0085

FLOODS IN PUNALUU-HAULA AREA, OAHU, HAWAII ...Floodproofing, Floods, Peak Flow, Zoning, ...4.0086

Heat Transmission

Condensation

DEVELOPMENT OF PERMANENT SYSTEMS FOR DROPWISE CONDENSATION ...Distillation-other, Films, Heat Transfer, Pilot Plant, Vapor, ...3.0411

RESEARCH ON HIGH-EFFICIENCY COMBINED EVAPORATIVE AND CONDENSATIVE HEAT TRANSFER SYSTEM ...Fluoro Plastics, Heat Transfer, Heat Transfer Coefficients, Other, Tension, Titanium, ...3.0266

MAXIMUM RATE OF VAPORIZATION AND CONDENSATION OF WATER WITH DISSOLVED SALTS AND SURFACE CONTAMINATION ...Electrolytes, Evaporation, Gas/gas, Rate of Reaction, Vapor Pressure, ...3.0413

DEVELOPMENT OF PARYLENE COATING FOR DROPWISE CONDENSATION OF WATER ON HEAT EXCHANGERS ...Copper, Desalination, Heat Exchangers, Organic-general, Plastics-other, ...3.0322

DEVELOPMENT OF DIRECT CONTACT CONDENSATION MULTISTAGE FLASH (DCC-MSF) DISTILLATION PROCESS ...Brines, Desalination, Film, Flash Distillation, Heat Transfer, Plastics - General, ...3.0040

INVESTIGATION OF ANOMALOUS WATER ...Density, Phy and Chem Properties, Vapor, Vapor Pressure, Viscosity, Water, ...3.0288

CONSTANT TOTAL PRESSURE EVAPORATION WITH HEART REUSE BY A BUILT-IN ENGINE ...Additives, Boiling Point, Desalination, Heat Recovery, Saturated Hydrocarbons, ...3.0135

Conduction

Conductivity

THERMAL PROPERTIES OF SALT SOLUTIONS ...Property Measurement, Salts, Solution, ...1.0057

THERMOPHYSICAL PROPERTIES OF SEA WATER AND AQUEOUS ELECTROLYTE SOLUTIONS CONTAINING NaCl, KCl, Na₂SO₄, AND MgSO₄ ...Boiling Point, Boiling, Density, Tables, Compilations, Catalogs, Vapor Pressure, Viscosity, ...3.0286

THE DETERMINATION OF THE ENGINEERING THERMOPHYSICAL PROPERTIES OF SOLUTIONS CONTAINING DISSOLVED SOLIDS ...Calorimetry, Desalination, Enthalpy, Specific Heat, ...1.0019

SOLAR HEATING OF WATER TO VERY HIGH TEMPERATURES ...Desalination, Mathematical Analysis, Medium Temperature - 300-1000k, Sunshine, Water, ...3.0331

VERIFICATION OF MASS-TRANSFER AND PAN EVAPORATION RELATIONSHIPS FOR LARGE LAKES AND RESERVOIRS (SALTON SEA, CALIFORNIA) ...California, Evaporation, Forecasting-prediction, Lakes, Vapor Pressure, ...2.0129

Convection

SOLIDIFICATION AND SEPARATION OF ICE FROM SALINE WATER ...Desalination, Freezing, Magnetic Field, Surface Energy, ...3.0277

DIFFUSION AND FLOW IN INTERPHASE TRANSPORT ...Desalination, Liquid/liquid, Membranes-other, Surfactants, ...5.0378

CONVECTION IN ROTATING FLUIDS ...Flowing Fluid, Fluid Flow-other, Forced Convection, Rotating Fluids, ...1.0046

Heat Transfer

FUNDAMENTAL STUDIES OF DESALINATION BY FREEZING ...Brines, Desalination, Freezing, Removal-organics, ...3.0281

A MASS TRANSFER STUDY OF CURRENT REQUIREMENTS FOR CATHODIC PROTECTION ...Cathodic Protection, Cavitation, Chemical Analysis, Desalination, Fluid Flow-other, Oxygen, ...3.0033

DEVELOPMENT OF PERMANENT SYSTEMS FOR DROPWISE CONDENSATION ...Condensation, Distillation-other, Films, Pilot Plant, Vapor, ...3.0411

DISPOSAL OF BRINE BY SOLAR EVAPORATION ...Desalination, Evaporation, Mass Transfer, Solar Still, Vapor Pressure, ...3.0333

AN INTERFEROMETRIC INVESTIGATION OF TRANSPORT PHENOMENA IN PARTIAL PRESSURE DISTILLATION ...Demineralization, Distilling Units, Evaporation, Films, Interface, ...3.0489

RESEARCH ON HIGH-EFFICIENCY COMBINED EVAPORATIVE AND CONDENSATIVE HEAT TRANSFER SYSTEM ...Condensation, Fluoro Plastics, Heat Transfer Coefficients, Other, Tension, Titanium, ...3.0266

INVESTIGATION OF MULTI-EFFECT MULTI-STAGE (MEMS) EVAPORATOR DESIGN PARAMETERS ...Evaporation, Flash Distillation, ...3.0159

DISTILLATION PLANT AND COMPONENT STUDIES ...Desalination, Distillation-other, Distilling Units, Reverse Osmosis, ...3.0439

SCALE CONTROL WITH GRAPHITE HEAT-TRANSFER TUBES OF CONTROLLED PERMEABILITY TO STEAM ...Desalination, Distillation-other, Distilling Units, Heat Exchangers, Scaling, Encrusting, ...3.0390

DESALINATION BY THE INVERSION ON THE ORDER OF MELTING BY APPLIED PRESSURE ...Crystallization, Desalination, Freezing, Pilot Plants, ...3.0240

ENGINEERING FEASIBILITY STUDY OF THE HORIZONTAL TUBE MULTIPLE EFFECT DISTILLATION PROCESS ...Desalination, Distilling Units, Economic Efficiency, North Carolina, Rate of Reaction, ...3.0352

DEVELOPMENT OF DIRECT CONTACT CONDENSATION MULTISTAGE FLASH (DCC-MSF) DISTILLATION PROCESS ...Brines, Condensation, Desalination, Film, Flash Distillation, Plastics - General, ...3.0040

Heat Transmission

- HEAT TRANSFER STUDIES ON SLUDGE SUSPENSION
...Digestion, Disposal, Pipelines, Solid Waste, ...**5.0872**
CONTROLLED FREEZING DESALINATION ...Desalination,
Freezing, Mass Transfer, Other, ...**3.0216**

Flowing Fluid

- THE STABILITY OF WATER FLOWS OVER A HEATED OR
COOLED SOLID SURFACE ...Forced Convection, Laminar -
Turbulent, Skin Friction, Surface Phenomena, ...**2.0113**
CONVECTION IN ROTATING FLUIDS ...Convection, Fluid Flow-
other, Forced Convection, Rotating Fluids, ...**1.0046**

Heat Transfer Coefficients

- RESEARCH ON HIGH-EFFICIENCY COMBINED EVAPORA-
TIVE AND CONDENSATIVE HEAT TRANSFER SYSTEM
...Condensation, Fluoro Plastics, Heat Transfer, Other, Tension,
Titanium, ...**3.0266**
A STUDY OF HEAT TRANSFER IN THE FLUTED VERTICAL
TUBE EVAPORATOR ...Desalination, Distillation-other,
Distilling Units, Heat-transfer-other, ...**3.0456**

Heavy Elements

- ENZYMES FOR ANALYSIS AND PURIFICATION OF SALINE
WATER SYSTEMS ...Alcohols, Biodegradation, Bioindicators,
Degradation, Fluorometry, Pesticides, ...**5.0456**
APPLICATION OF MODERN ELECTROANALYTICAL
TECHNIQUES TO THE ANALYSIS OF HEAVY METALS IN
WATER ...Analysis and Detection, Chronopotentiometry,
Mineralization, Polarography, Trace Analyses-other, ...**1.0040**
DEVICE FOR FIELD DETERMINATION OF HEAVY METALS
IN NATURAL WATERS ...Chemical Analysis (water), Electrode,
Ions and Gases, Metals, Polarography, ...**7.0032**
BIOLOGICAL EFFECTS OF HEAVY METAL POLLUTION
...Biological, Metals, Microbial-bacterial, Mining Industry, Pollu-
tion - Effects of , ...**5.0034**
RELATIONSHIP OF THE SOURCE TO LEVELS OF TOXIC
CHEMICALS IN SHELLFISH ...Freshwater Mussels, Scallops, In-
dustrial Wastes, Legal Standards, Pollutants - Path of , Pollution -
Effects of , ...**5.1073**

Heavy Mineral Analysis

- MODE OF OCCURRENCE OF MINOR ELEMENTS IN SEDI-
MENTS AND SOILS ...Chemical Analysis - Soils, Groundwater,
Mineralogy, Trace Element Analysis, Weathering Products,
...**1.0054**

Hemolysins -non-specific

- STUDY OF TOXIN SYNTHESIS IN SYNCHRONIZED PRY-
MESIUM ...Algal Toxins, Biosynthesis, Cell Cycle, Prymnesium,
Synchronization, ...**1.0089**

Highway Sites

- ENGINEERING GEOLOGY ...Core Analysis, Dams-general, Foun-
dations-general, Geology - Engineering, Reservoirs, ...**8.0174**
FLOOD PREDICTION METHODS FOR PENNSYLVANIA
HIGHWAY CROSSINGS ...Engineering Properties, Floods,
Forecasting-prediction, Small Watersheds, Systems Analysis,
...**2.0928**
ESTABLISHMENT AND MAINTENANCE OF VEGETATION ON
HIGHWAY RIGHTS-OF-WAY ...Cover Crops, Erosion Control,
Plant Growth, Right-of-way, Roads and Highways, ...**2.1035**

History

- A HISTORY OF WATER UTILIZATION IN THE SOUTHWEST,
WITH PARTICULAR REFERENCE TO NEW MEXICO ...Ad-
ministrative Structures, Economics-general, New Mexico, Water
Law-general, Water Utilization -domestic, ...**2.0774**
HISTORY OF THE DEVELOPMENT OF THE WATER
RESOURCES OF THE COLORADO RIVER-PHASE ONE. THE
COLORADO RIVER COMPACT ...Colorado River, Water
Resources Development, ...**6.0066**
THE DEVELOPMENT OF COMMERCE IN THE UPPER MISSIS-
SIPPI BASIN IN THE PERIOD PRIOR TO THE CIVIL WAR
(ABBREV) ...Economic Impact, Mississippi River, ...**7.0029**
IMPACTS OF DROUTH ON LOCAL ECONOMIES IN KANSAS
...Agriculture Industry, Drought, Economic Impact, Kansas,
...**2.0517**

SUBJECT INDEX

- THE HISTORY AND ECONOMICS OF RECLAMATION PRO-
JECTS IN UTAH ...Economic Impact, Impact, Social Aspects,
Water Resources Development, ...**6.0573**
ECONOMIC ANALYSIS OF RESOURCE AREAS ...Economics-
general, Federal Government, Social Aspects, Water Resources
Development, ...**6.0098**

Hormones

Glucagon X Hor

- STRUCTURE OF THE BLUE-GREEN ALGA TOXIN
...Cyanophyta (non-specific & Ot), Gas, Mass, Natural Occurring,
Organic, ...**5.0127**

Gonadotrophins

- EFFECTS OF MALATHION ON THE SEXUAL DEVELOPMENT
OF MALE RAINBOW 'TROUT' - PESTICIDE EFFECTS ON
FISH ENDOCRINE FUNCTIONS ...Gonadotropins, Malathion,
Mode of Action -animal, Pollution - Effects of , Rainbow Trout,
Steelhead Trout, ...**5.0633**

Horticulture

Fruits, Nuts and Berries

Fruit, Nuts & Berries -other

- SPRING AND SUMMER HORTICULTURAL CROPS ...Aerial,
Beans (garden), Potatoes, Sprinkler Irrigation, Strawberry,
...**2.0338**

Shrubs

- STUDIES WITH BARBADOS OR WEST INDIAN CHERRY
(MALPIGHIA PUNICFOLIA, L) ...Malpighiaceae, Puerto Rico,
Vitamins, Yield, ...**6.0482**

- EFFECTS OF FERTILIZER AND SOIL MANAGEMENT PRAC-
TICES, IRRIGATION, PLANT SPACING, AND OTHER CUL-
TURAL TREATMENTS ON BERRY PRODUCTION ...Envir-
responses (non-specific, Irrigation, Irrigation-general, Manage-
ment, Mineral Nutrition, Vines, ...**3.0259**

Trees

- HEAT BUDGET AND EVAPOTRANSPIRATION OF FRUIT
TREES ...Energy Budgets, Evapotranspiration, Temperature Or
Heat Budgets, Transpiration and Evap, Water Balance-budget,
...**2.0311**

- IRRIGATION EFFICIENCY ...Citrus, Evaporation, Florida, Sprin-
kler Irrigation, Water Loss Control, ...**3.0177**

- SPRINKLER IRRIGATION OF CITRUS UNDER
SOUTHWESTERN CONDITIONS ...Citrus, Flood Irrigation, Ir-
rigation, Southwest, Sprinkler Irrigation, ...**2.0052**

- LEMON PRODUCTION IMPROVEMENT ...Arizona, Citrus, Fur-
row Irrigation, Irrigation, Sprinkler Irrigation, ...**2.0067**

- SOILS AND NUTRIENT CULTURE EXPERIMENTS TO DETER-
MINE THE EFFECTS OF VARIABLE SALINITY CONDITIONS
ON CITRUS BEHAVIOR ...Citrus, Irrigation, Saline and Alkaline
Soils, Saline Soils, Salinity, ...**3.0086**

- MOISTURE CONTROL AND ITS RELATION TO CULTURAL
PRACTICES FOR CITRUS, TREE, AND VINE CROPS
...California, Irrigation, Moisture Tension, Soil-water-plant Rela-
tionships, Vines, ...**2.0139**

- EFFECT OF WATER APPLICATIONS TO SOD AND MULCH
UPON QUALITY ATTRIBUTES OF APPLE FRUITS ...Apples,
Irrigation, Mulches -other, Quality -non-specific, Sprinkler Irriga-
tion, Storage Changes, ...**2.0853**

- MACADAMIA CULTURE ...Fruit-set, Hawaii, Irrigation,
Macadamia, ...**2.0377**

- LEACHING REQUIREMENT AND SALINITY STUDIES WITH
BEARING ORANGE TREES ...Citrus, Flood Irrigation,
Leaching-other, Soil and Rock Leaching, Water Salinity, ...**4.0041**

- A STUDY OF THE PHYSIOLOGIC AND CULTURAL FACTORS
WHICH INFLUENCE PRODUCTION OF TREE FRUITS
...Drought, Herbicides and Other Chem, Irrigation, Irrigation-
general, ...**2.0674**

- MOISTURE REQUIREMENTS OF DECIDUOUS ORCHARDS
...Cracking, Moisture Tension, Other Enviromental Conditions,
Peaches, Plums, ...**4.0030**

- IRRIGATION STUDIES WITH APRICOTS AT WOLFSKILL EX-
PERIMENTAL ORCHARDS ...Apricot, Growth Rate, Irrigation,
Irrigation-general, Yield, ...**2.0099**

SUBJECT INDEX

Hydraulic Engineering

- SOIL-MOISTURE-PLANT RELATIONS OF AVOCADO TREES ...Irrigation-general, Lauraceae - Sassafras... , Moisture Content, Soil-water-plant Relationships, Temperature, ...2.0148
- ENVIRONMENT CONTROL FOR ORCHARDS AND FIELDS ...Citrus, Freezing & Below, High Temp. - 85f Or Above, Sprinkler Irrigation, Strawberry, ...8.0204
- PEACH NITROGEN, PRUNING AND IRRIGATION STUDY ...Irrigation-general, Moisture Content, Nitrogen, Peaches, ...4.0185
- NUTRITIONAL AND SOIL MOISTURE REQUIREMENTS OF PEAR ORCHARDS OF SOUTHERN OREGON ...Oregon, Pears, Quality -non-specific, Requirements for Water, Yield, ...2.0899
- GUAVA VARIETIES. SELECTION & PROPAGATION OF GUAVA VARIETIES & INVESTIG. OF COMMERCIAL & INDUST. POSSIBILITIES OF THE FRUIT (ABBREV) ...Irrigation, Myrtaceae, Puerto Rico, Selection & Breeding, Varietal Evaluation, ...5.1047
- EFFECTS OF CULTURAL PRACTICES, SOIL MOISTURE LEVELS, AND FERTILITY LEVELS ON CITRUS TREE REACTION, AND ON SOIL PROPERTIES ...Citrus, Consumptive Use, Moisture Levels, Requirements for Water, Soil Chemical Properties, ...2.1033
- ORCHARD MANAGEMENT ...Evaporation, Irrigation, Mechanical Harvest, ...2.1118
- PRUNE ORCHARD MANAGEMENT ...Internal Necrosis, Nitrogen, Plums, Rates Or Levels of Application, ...6.0611
- TOLERANCE OF CITRUS TO LOW TEMPERATURES ...Citrus, Cold, Low Temp. - But Above 32f, Plants, ...3.0184
- RELATION OF NITROGEN LEVEL, HIGH WATER TABLE AND SOIL SALINITY TO GROWTH, YIELD AND FRUIT QUALITY OF DATES ...Rates Or Levels of Application, Saline Soils, Water Table - Depth of, Water Table Fluctuation, ...3.0185

Vines

- FACTORS AFFECTING THE QUALITY OF ARIZONA MELONS ...Cantalope, Muskmelon, Honeydew, Irrigation, Mineral Nutrition, Moisture Levels, Nitrogen, ...2.0031
- MOISTURE CONTROL AND ITS RELATION TO CULTURAL PRACTICES FOR CITRUS, TREE, AND VINE CROPS ...California, Irrigation, Moisture Tension, Soil-water-plant Relationships, Trees, ...2.0139
- EFFECTS OF FERTILIZER AND SOIL MANAGEMENT PRACTICES, IRRIGATION, PLANT SPACING, AND OTHER CULTURAL TREATMENTS ON BERRY PRODUCTION ...Envir. responses (non-specific, Irrigation, Irrigation-general, Management, Mineral Nutrition, Shrubs, ...3.0259

Medicinal Plants

- PHYTOCHEMISTRY OF NARCOTIC PRINCIPLES IN CAULERPA ...Biochemical, Biochemical Analysis, Caulerpa, Cyclopropane, Phaeophyta (non-specific & Ot), ...6.0172

Ornamentals

Shrubs & Vines, Mainly Fibrous

- GREENHOUSE AND OUTDOOR NURSERY CULTURE OF SALT CEDAR PLANTS TO BE USED IN PHREATOPHYTE CONTROL PROGRAM ...Agricultural Chemicals-general, Greenhouse, Saltecedar, Tamarisk, Trees, ...3.0131

Trees

- GREENHOUSE AND OUTDOOR NURSERY CULTURE OF SALT CEDAR PLANTS TO BE USED IN PHREATOPHYTE CONTROL PROGRAM ...Agricultural Chemicals-general, Greenhouse, Saltecedar, Tamarisk, Shrubs & Vines, Mainly Fibrous, ...3.0131

Vegetables

Aerial

- CLIMATE OF THE NORTHEAST - ANALYSES & RELATIONSHIP TO PLANT RESPONSE (NE-35 ...Beans (garden), Climate-general, Delaware, Envir. responses (non-specific, General Synoptic Observations, ...2.0251
- SPRING AND SUMMER HORTICULTURAL CROPS ...Beans (garden), Fruit, Nuts & Berries -other, Potatoes, Sprinkler Irrigation, Strawberry, ...2.0338
- GENETIC AND CYTOGENIC STUDIES OF HORTICULTURAL CROPS-BREEDING XEROPHYTIC CUCURBITA ...Arid and Desert, Arizona, Interspecific Genetic Relat. , Squash, Pumpkin, Sterility, ...3.0010
- IRRIGATION OF FIELD AND TRUCK CROPS ...Irrigation, Quality -non-specific, Root, Yield, ...2.0091

- IRRIGATION STUDIES WITH VEGETABLES ...California, Irrigation-general, Root, Saline Soils, Soil-water-plant Relationships, Water Quality-general, ...2.0137
- VEGETABLE CROPS FERTILIZER, PLANT NUTRITION, AND IRRIGATION PROBLEMS ...Irrigation, Irrigation-general, Oregon, Root, Soil Fertility -non-specific, ...2.0895
- STUDIES ON VEGETABLE CULTURE ...Drainage, in Horticulture, Irrigation, Irrigation-general, ...2.0949
- FERTILIZER TREATMENTS AND CULTURAL PRACTICES ON VEGETABLES ...Quality -non-specific, Rates Or Levels of Application, Root, Texas, Yield, ...6.0553
- THE EVALUATION, BREEDING AND IMPROVEMENT OF LETTUCE VARIETIES FOR TEXAS ...Irrigation, Lettuce, Space Competition, Texas, ...6.0550
- BROCCOLI CULTURAL INVESTIGATIONS IN WESTERN WASHINGTON ...Brassica -the Cabbage Group, Irrigation, Irrigation-general, Space Competition, Washington, ...2.1126

Root

- IRRIGATION OF FIELD AND TRUCK CROPS ...Aerial, Irrigation, Quality -non-specific, Yield, ...2.0091
- IRRIGATION STUDIES WITH VEGETABLES ...Aerial, California, Irrigation-general, Saline Soils, Soil-water-plant Relationships, Water Quality-general, ...2.0137
- VEGETABLE CROPS FERTILIZER, PLANT NUTRITION, AND IRRIGATION PROBLEMS ...Aerial, Irrigation, Irrigation-general, Oregon, Soil Fertility -non-specific, ...2.0895
- FERTILIZER TREATMENTS AND CULTURAL PRACTICES ON VEGETABLES ...Aerial, Quality -non-specific, Rates Or Levels of Application, Texas, Yield, ...6.0553
- EFFECTS OF VARIOUS PRE-HARVEST AND POST-HARVEST TREATMENTS ON SWEET POTATOES ...Herbicides -non-specific, Irrigation, Screening Potential Pesticides, Sweetpotatoes, ...6.0560
- WHEN TO IRRIGATE ...Irrigation, Moisture Levels, Potatoes, ...2.1123

Humidity Instruments

- MEASUREMENT OF WATER VAPOR FLUX ABOVE A LAKE SURFACE BY MEANS OF OPTICAL TECHNIQUES ...Absorption Spectra, Infrared, Infrared Radiation, Optical Systems, Water, ...2.0811
- AERIAL MEASUREMENT OF HYDROLOGIC PHENOMENA ...Aerial, Data Acquisition-general, Geophysical Analysis, Hydrology-general, Infrared Radiation, ...7.0003
- RADIO METHODS FOR DETERMINING WATER VAPOR CONTENT OF AIR ...Evaporation, Heat Budget, Humidity, Oklahoma, Reservoirs and Impoundments, Transmission Characteristics, Velocity, Water Loss Control, ...3.0114

Hydraulic Engineering

Construction

- IMPROVEMENTS IN CONCRETE CONSTRUCTION PRACTICES ...Aggregates, Extenders, Fillers, Methods, Moisture, ...8.0259
- PERFORMANCE OF CONSTRUCTION PLANT AND EQUIPMENT ...Concrete-general, Equipment, Machines, ...8.0251
- COASTAL WORKS EVALUATION FOR CHECKING, IMPROVING AND DEVELOPING DESIGN RELATIONSHIPS AND CONSTRUCTION TECHNIQUE ...Breakwaters, Development, Groin, Jetty, Shoreline Structures, ...8.0148
- TECHNICAL SUPPORT, INVESTIGATIONS OF ARCTIC CONSTRUCTION ...Arctic, Cold - Climates, Earth & Rockfill Dams, Thermal Properties-general, ...8.0266
- PROTOTYPE ANALYSES - STRUCTURAL BEHAVIOR ...Concrete-general, Dams-general, Distances, Instrumentation, ...8.0014
- DEVELOPMENT OF STANDARD DESIGNS FOR CANAL STRUCTURES ...Canals, Design Criteria, Energy Losses-general, Model Studies, Open Channel, ...8.0064

Engineering Studies

Breakwaters

- CRITERIA FOR THE DESIGN OF SMALL CRAFT HARBORS ...Coastal Engineering-other, Harbors, Marinas, Seiches, Waves, ...2.0133
- WAVE FORCES ON BREAKWATERS ...Ext Pressure on Structures-general, Shoreline Structures, Wave Action, Waves, ...8.0232

Hydraulic Engineering

SUBJECT INDEX

- STABILITY OF RUBBLE-MOUND BREAKWATERS ...Design Criteria, Engineering Structures-general, Hydrodynamics, Shoreline Structures, Wave Action, Waves, ...8.0230
- COASTAL WORKS EVALUATION FOR CHECKING, IMPROVING AND DEVELOPING DESIGN RELATIONSHIPS AND CONSTRUCTION TECHNIQUE ...Construction, Development, Groin, Jetty, Shoreline Structures, ...8.0148
- RUBBLE-MOUND PROTOTYPE STUDIES ...Jetty, Shoreline Structures, Water Motion Recorders, Wave Action, Waves, ...8.0156
- DESIGN OF RUBBLE WAVE ABSORBERS ...Energy Dissipators, Wave Action, Waves, ...7.0066
- Coastal Engineering-general**
- STRUCTURAL DESIGN OF SHORE STRUCTURES ...Engineering Structures-general, Hydrodynamic Structures, Models, Shoreline Structures, Wave Action, ...8.0151
- Coastal Engineering-other**
- CRITERIA FOR THE DESIGN OF SMALL CRAFT HARBORS ...Breakwaters, Harbors, Marinas, Seiches, Waves, ...2.0133
- RELATIONSHIP OF TUBE-AND REEF BUILDING MARINE ANELEDIS TO COASTAL ENGINEERING AND CONSERVATION PROBLEMS IN FLORIDA ...Environmental Ecology, Florida, Lugworms, Marine Segmentedworm, Vertical Distribution, ...3.0187
- GENERAL COASTAL INLET STUDIES ...Coastlines-shorelines, Discharge-other, Model Studies, Synthetic Hydrology-general, Tides, Velocity -water, ...2.0689
- GREAT LAKES RESEARCH - EFFECTS OF STRUCTURES ON COASTAL SEDIMENTATION ...Beach, Bed Load, Energy-dynamics, Engineering Structures-general, Great Lakes-general, Velocity -water, ...2.0650
- METHODS OF BYPASSING SAND PAST INLETS ...By-passing, Ocean Waves - Currents, Shoreline Structures, Size, ...2.0264
- DEVELOPMENT OF CRITERIA FOR ARTIFICIAL BEACHES ...Beach, Beaches, Design Criteria, Shoreline Structures, Statistics-general, ...8.0155
- Engineering Studies-other**
- DEVELOPMENT OF AN OPERATIONS CONTROL PLAN ...Channel Regulation-other, Controls, Pump-other, Reservoirs, ...6.0072
- Erosion Control**
- INVESTIGATION OF SCOUR AT BRIDGES IN ALASKA ...Alaska, Bridges & Culverts, Channel Geometry, Drainage, Scouring, Suspension, ...2.0285
- EROSION CONTROL STUDY ...Cover Crops, Drainage, Soil Erosion -non-specific, ...2.0532
- REDUCTION OF SCOUR AROUND BRIDGE PIERS ...Bridges & Culverts, Drainage, Scouring, ...2.0965
- ENGINEERING INVESTIGATION PERTAINING TO FLOOD PROTECTION OF BRIDGES AND CULVERTS ...Bridges & Culverts, Culvert, Design Criteria, Drag, Drainage, Floods, ...8.0145
- PERFORMANCE OF CIRCULAR CULVERTS ON STEEP GRADES ...Channels, Culvert, Drainage, Engineering Structures-general, Flow Characteristics -water, ...8.0289
- DRAINAGE DESIGNS AS INFLUENCED BY CONDITIONS IN THE VICINITY OF THE DRAIN LINE ...Drainage Systems, Pipe, Tube, Pipes, Plastics - General, Seepage, ...8.0010
- TEMPORARY LININGS FOR WATERWAYS AND EMBANKMENTS ...Cover Crops, Design Criteria, Embankments, Florida, Hydrology-general, Lining, ...3.0178
- LABORATORY STUDIES OF CONSERVATION AND DRAINAGE STRUCTURES ...Drainage, Pipes, Scouring, Transition Sections, Velocity, ...3.0217
- MECHANICS OF SOIL EROSION BY WATER ...Erosion-general, Particle Surface, Rain-general, Stability, Thermal Properties-general, ...2.0457
- ESTABLISHMENT AND MAINTENANCE OF VEGETATION ON HIGHWAY RIGHTS-OF-WAY ...Cover Crops, Highway Sites, Plant Growth, Right-of-way, Roads and Highways, ...2.1035
- INCIPIENT MOTION OF LARGE ROUGHNESS ELEMENTS IN TURBULENT OPEN CHANNEL FLOW ...Flow Characteristics -water, Open Channel, Open Channel Flow, Sediment Transport-other, Turbulent Flow, ...2.1062
- DETROIT TEST CONDUIT ...Conduit, Control Gate, Flume Studies, Scouring, Transition Sections, ...8.0282
- SPECIAL STUDIES FOR CIVIL WORKS SOILS PROBLEMS ...Design Criteria, Earth & Rockfill Dams, Field Soils Compaction, Slopes, Wave Action, ...8.0255

- SCOUR AT BRIDGE CROSSINGS IN ALASKA ...Bridges & Culverts, Discharge-other, Scouring, Suspension, ...2.0013
- EVALUATION OF ROCK RIPRAP AND DEVELOPMENT OF SUBSTITUTES ...Aggregates - Crushed Rock, Engineering Structures-general, Petrography, Slopes, Soil Cement, Wave Action, ...8.0081
- EFFECTS OF VARIOUS FOREST TYPES AND STAND TREATMENTS ON GROUNDWATER RECHARGE AND STREAM-BANK EROSION IN AREAS OF DEEP GLACIAL DRIFT ...Erosion-general, Forest Watersheds, Natural Recharge, Open Channel, Stream Banks, ...5.0573
- STREAM CHANNEL STABILIZATION SEDIMENT CONTROL WORKS IN CHANNELS ...Channels, Lining, Open Channel, Scouring, Sedimentation, ...5.0930
- DEVELOPMENT OF SUPPORTING RUNOFF AND EROSION CONTROL PRACTICES AND SYSTEMS IN THE CORN BELT ...Conservation & Management Eng, Corn Belt, Erosion-general, Runoff, Stabilization-other, Terrace-bench, Wind, ...3.0225

Flood Control

- A MODEL FOR QUANTIFYING FLOW AUGMENTATION BENEFITS ...Flow Augmentation, Model Studies, Other Methods, River Basins, Systems Analysis, Water Distribution Systems, ...6.0152
- HYDROLOGIC STUDIES (STORM STUDIES) ...Floodproofing, Hydrology-general, Patterns, Storms-general, Tables, Compilations, Catalogs, ...2.0549

Harbors

- TIDAL FLOWS IN RIVERS AND HARBORS ...Committee-support, Hydraulics-general, Streams, Tides, ...2.0688
- HARBOR DESIGN STUDIES ...Navigation, Waves, ...8.0231
- EFFECTS OF SCALE AND OPERATING TECHNIQUE ON HARBOR MODELS ...Synthetic Hydrology-general, ...7.0065

Infiltration - Percolation

- BEDDING AND INFILTRATION STUDIES OF SANITARY SEWERS IN THE GULF COAST AREA ...Appurtenances, Layered System, Pipe-laying, South Central, ...5.0461

Irrigation

- HYDRAULICS OF SURFACE IRRIGATION ...Differential Equations, Digital Computers, Steady, Surface Irrigation -general, Unsteady, ...2.0098
- HYDRAULICS OF SURFACE IRRIGATION ...Channel Roughness, Flow Characteristics -water, Irrigation Engineering, Mathematical Analysis, Soils -general, Surface Irrigation -general, ...2.0215
- SOLAR POWERED EQUIPMENT FOR OPERATING A SMALL IRRIGATION PUMP. ...Irrigation Engineering, Irrigation-other, Pump-other, Pumping, Solar Power-general, ...4.0201
- HYDRAULIC STUDIES AND RESEARCH ON CALIFORNIA WATER FACILITIES ...Flow Characteristics -water, Fluid Flow-general, Irrigation-general, Model Studies, Synthetic Hydrology-general, ...7.0010
- FLOW MEASUREMENT OF IRRIGATION WATER ...Canals, Flow Characteristics -water, Fluids, Flume, Measurement, ...3.0144
- CONCRETE DITCH LINING AND PIPE FOR IRRIGATION SYSTEMS ...Lining, Linings-pavings, Open Channel, Pipes, Plain, ...8.0272
- PERFORMANCE CHARACTERISTICS OF SOLID COVERAGE SPRINKLER IRRIGATION SYSTE ...Irrigation Engineering, Regression Analysis, Spray Devices, Sprinkler Irrigation, ...2.0897
- OPEN CHANNEL HYDRAULICS ...Culvert, Open Channel, Transition Sections, Weir, ...8.0127
- RESISTANCE OF CONCRETE TO SULPHATE WATERS ...Alkalinity, Cement, Concrete, Chemicals, Dam, Canal, Sulfate, Sulfite, ...8.0298
- SURFACE AND SPRINKLER IRRIGATION SYSTEM DESIGN AND OPERATION FOR EFFICIENT WATER USE IN THE PACIFIC NORTHWEST ...Evapotranspiration, Model Studies, Sprinkler Irrigation, Surface Irrigation -general, Technique Development, ...3.0204

Lining

- DESIGN TO CONTROL EROSION IN ROADSIDE DRAINAGE CHANNELS ...Design Criteria, Drainage, Erosion-general, Soil Erosion, ...2.0657
- REVERSE FILTER EROSION PROTECTION ...Connecticut, Control and Protection, Engineering Structures-general, Erosion-general, Filters, ...8.0147

SUBJECT INDEX

Hydraulic Engineering

INVESTIGATION OF SOIL FREEZING ...Dams-other, Density, Frost and Permafrost, Moisture Content, Void Ratio and Porosity, ...8.0285

REDUCTION OF GROUND WATER INFILTRATION INTO SEWERS BY ZONE PUMPING ...Pump, Pumping, Sewerage Systems-general, Water Table Fluctuation, Water Wells, ...5.0320

USE OF LATEX AS A SOIL SEALANT TO CONTROL ACID MINE WASTE DRAINAGE ...Acidity, Elastomers Rubber, Linings-pavings, Mine Drainage Control, Sealant Materials, Seepage, ...5.0996

TEMPORARY LININGS FOR WATERWAYS AND EMBANKMENTS ...Cover Crops, Design Criteria, Embankments, Erosion Control, Florida, Hydrology-general, ...3.0178

POND SEALING ...Adsorption Capacity, Linings-pavings, Permeability, Ponds, ...4.0223

CONCRETE DITCH LINING AND PIPE FOR IRRIGATION SYSTEMS ...Irrigation, Linings-pavings, Open Channel, Pipes, Plain, ...8.0272

RIPRAP, REQUIREMENTS IN CHANNELS ...Drag, Lift, Models, Open Channel, Velocity, ...8.0246

STUDIES OF EQUATIONS FOR SEEPAGE LOSS FROM CANALS ...Canals, Loss, Open Channel, Permeability, Soil Test - Insitu, ...8.0129

STUDY OF TUNNEL LININGS AND REINFORCEMENT ...Channel Type-other, Data Analysis - General, Linings-pavings, Reinforced, ...8.0104

INVESTIGATION OF EROSION AND TRACTIVE FORCES ON CANALS-OPEN AND CLOSED CONDUIT RESEARCH PROGRAM ...Canals, Erosion-general, Linings-pavings, Soil Environment, Traction, ...8.0035

MEMBRANE LININGS-OPEN AND CLOSED CONDUIT RESEARCH PROGRAM ...Bituminous, Elastomers Rubber, Open Channel, Polyethylene, Polyvinyl Chloride, ...8.0051

STREAM CHANNEL STABILIZATION SEDIMENT CONTROL WORKS IN CHANNELS ...Channels, Erosion Control, Open Channel, Scouring, Sedimentation, ...5.0930

FACILITIES, METHODS AND DESIGN CRITERIA TO PUMP, CONVEY, CONTROL AND MEASURE WATER FOR AGRICULTURAL PURPOSES IN THE NORTHERN PLAINS ...Irrigation-general, Pumping, Runoff, Storage of Water, Water Distribution Systems, Water Transfer, ...3.0141

EVALUATION AND CONTROL OF SEEPAGE FROM WATER STORAGE AND CONVEYANCE STRUCTURES ...Models, Preventive Measures, Seepage, Storage of Water, Water Loss Control, ...8.0002

Models

LAKE ERIE DIKE ...Dike, Disposal-other, Lake Erie, Wave Action, Waves, ...8.0219

USE OF LARGE ROUGHNESS ELEMENTS FOR HYDRAULIC ENERGY DISSIPATION ...Channel Roughness, Culvert, Drainage, Energy Dissipators, Open Channel, ...8.0295

THE USE OF LIGHT-WEIGHT SPHERICAL PARTICLES FOR DISCHARGE MEASUREMENT IN OPEN CHANNELS ...Flume, Measurement, Open Channel, Turbulent, Velocity, ...7.0069

MODEL STUDIES FOR DEVELOPMENT AND CALIBRATION OF STREAMFLOW CONTROL DEVICES IN THE SOUTHERN BRANCH ...Channel Regulation-general, Computers-general, Discharge-general, Gaging, Synthetic Hydrology-general, ...3.0189

CALIFORNIA AQUEDUCT, NORTH SAN JOAQUIN DIVISION, FISH PROTECTIVE FACILITY ...Engineering Structures-general, Open Channel, Pipes, Transition Sections, Velocity, ...8.0009

HYDRAULICS OF STORM SEWER JUNCTIONS ...Design Criteria, Drainage, Drainage Systems, Storm Water, Urban Research, ...5.0356

DEVELOPMENT OF HYDRAULIC DESIGN CRITERIA ...Conduit, Design Criteria, Simulators, Spillways, Water Control Works-other, ...8.0226

HYDRAULIC PROTOTYPE TESTS ...Channel Regulation-other, Conduit, Simulators, Spillways, ...8.0228

EFFECTS OF SCALE AND OPERATING TECHNIQUE ON HARBOR MODELS ...Harbors, Synthetic Hydrology-general, ...7.0065

WAVE ACTION ON STRUCTURES ...Engineering Structures-general, Hydrodynamic Structures, Shoreline Structures, Stability, Wave Action, ...8.0150

STRUCTURAL DESIGN OF SHORE STRUCTURES ...Coastal Engineering-general, Engineering Structures-general, Hydrodynamic Structures, Shoreline Structures, Wave Action, ...8.0151

STABILIZATION OF SHORES BY GROINS AND JETTIES ...Development, Groin, Jetty, Sedimentation, Wave Action, ...2.0263

RIPRAP, REQUIREMENTS IN CHANNELS ...Drag, Lift, Lining, Open Channel, Velocity, ...8.0246

HYDRAULIC MODEL STUDIES OF A PUMP INLET MANIFOLD ...Axial Flow, Critical, Desalination, Distilling Units, Flash Distillation, High Pressure, ...3.0120

GATES, VALVES, AND ORIFICES ...Control Gate, Design Criteria, Orifice, Seals, Valves, ...8.0037

STUDY OF POLYCENTERED, PARABOLIC, AND OTHER CHAPES FOR ARCH DAMS ...Analysis Structural, Arch Dams, Design Criteria, ...8.0090

HYDRAULIC AND STRUCTURAL DESIGN - SPILLWAYS AND OUTLET WORKS ...Concrete-other, Hydraulic Structures, Spillways, Ultimate, ...8.0139

HYDRAULIC DESIGN OF STRUCTURES FOR WATER USE AND CONTROL IN THE SOUTHERN PLAINS ...Agricultural Watersheds, Design Criteria, Design Flow-flood, Hydraulic Structures, Water Loss Control, ...8.0277

EVALUATION AND CONTROL OF SEEPAGE FROM WATER STORAGE AND CONVEYANCE STRUCTURES ...Lining, Preventive Measures, Seepage, Storage of Water, Water Loss Control, ...8.0002

Power Development

FISH PASSAGE THROUGH TURBINES ...Fish -non-specific, Hydraulic, Management -other, Mortality Rates, Stamina, ...8.0312

INTAKES, ENTRANCES, AND TRANSITIONS ...Energy Losses-other, Penstock, Pipes, Transition Sections, Vortex, ...8.0099

SITE TESTS TO DETERMINE STRUCTURAL PROPERTIES OF ROCK FOUNDATIONS ...Dams-other, Engineering Structures-general, Foundations-general, Rock Mechanics, Tunnels, ...8.0019

ULTIMATE STRENGTH DESIGN ...Codes and Standards, Electric Power Plants, Reinforced, Structural, ...8.0030

DESIGN OF DOUBLE-CURVATURE MULTIPLE-ARCH DAMS FOR USE IN WIDE VALLEYS ...Analysis Structural, Arch Dams, Engineering Structures-general, Reinforced, Shells, ...8.0095

POWER PRODUCTION ...Electric Power Plants, Nuclear Power, Reservoir Systems, Spray Devices, Thermal Pollution, ...5.0983

Reservoir Systems

POWER PRODUCTION ...Electric Power Plants, Nuclear Power, Power Development, Spray Devices, Thermal Pollution, ...5.0983

Sedimentation

HYDRAULIC INVESTIGATION OF SOIL EROSION AND SEDIMENTATION IN HIGHWAY MEDIAN AND SIDE DITCHES ...Alabama, Drainage, Flow Characteristics -water, Scouring, Silting, ...2.0004

STUDY OF TRANSPORT, DEPOSITION AND SCOUR OF FINE PARTICLES THROUGH A POROUS MEDIUM ...Flow Characteristics -water, Permeability, Porosity, Porous Media - Flow Through, Silting, ...2.0081

CHANGES IN NATURAL CHANNELS RESULTING FROM CONTROL DEVICES IN THE UPPER REACHES OF THE BASINS ...Channels, Control Factors-general, Open Channel, Reservoirs, Structure Sites, ...2.0685

NON-EQUILIBRIUM TRANSPORT OF SUSPENDED SEDIMENT ...Flume, Length, Open Channel, Scouring, Suspension, ...2.0696

DEPOSITION OF FINE SEDIMENTS IN TURBULENT FLOWS ...Channel Roughness, Open Channel, Secondary Flows, Shear-flow, Turbulent, ...5.0764

METHODS AND EQUIPMENT FOR SUBSURFACE DRAINAGE ...Drainage, Drainage Systems, ...4.0193

SCOUR AT RELIEF BRIDGES ...Bridges & Culverts, Culvert, Drainage, Scouring, Transition Sections, ...8.0005

PERFORMANCE CHARACTERISTICS OF LARGE SCALE HYDROMECHANICS LABORATORY EQUIPMENT ...Flume Studies, Inflow, Synthetic Hydrology-general, Turbulent Flow, ...8.0195

HYDRAULICS LABORATORY ...Channels, Flow of Dispersed Solids, Open Channel, Streams, Suspension, Turbulent, ...8.0146

STABILIZATION OF SHORES BY GROINS AND JETTIES ...Development, Groin, Jetty, Models, Wave Action, ...2.0263

GREAT LAKES RESEARCH - SPOIL DISPOSAL EFFECTS ...Dispersion -water, Great Lakes-general, Pollution - Effects of, Sediments, Spoil Banks, Water Properties-general, ...5.0561

MECHANICS OF FLOW STRUCTURE AND FLUID RESISTANCE ...Open Channel, Sediment Transport-general, Turbulent Flow, ...2.0236

CHANNELIZATION STUDIES ...Channel Geometry, Channels, Control and Protection, New Mexico, Silting, ...8.0053

MECHANICS OF SEDIMENT ENTRAINMENT, TRANSPORTATION AND DEPOSITION IN CHANNELS OF THE SOUTHERN BRANCH AND AT THE USDA SEDIMENTATION LABORATORY ...Channels, Flume Studies, Sediment Transport-general, Velocity -water, Waves, ...2.0677

DEVELOPMENT OF STRUCTURAL MEASURES FOR SEDIMENT CONTROL AND FOR STREAM CHANNEL STABILIZATION IN THE SOUTHERN BRANCH ...Agricultural Watersheds, Channel Geometry, Engineering Structures-general, Open Channel, Shear-flow, Velocity, ...5.0622

STREAM CHANNEL STABILIZATION SEDIMENT CONTROL WORKS IN CHANNELS ...Channels, Erosion Control, Lining, Open Channel, Scouring, ...5.0930

Seepage

SMALL RESERVOIR SEALING ...Linings-pavings, Sealant Materials, ...8.0288

DRAINAGE DESIGNS AS INFLUENCED BY CONDITIONS IN THE VICINITY OF THE DRAIN LINE ...Drainage Systems, Erosion Control, Pipe, Tube, Pipes, Plastics - General, ...8.0010

USE OF LATEX AS A SOIL SEALANT TO CONTROL ACID MINE WASTE DRAINAGE ...Acidity, Elastomers Rubber, Lining, Linings-pavings, Mine Drainage Control, Sealant Materials, ...5.0996

DEVELOPING RESERVOIRS FOR SUPPLEMENTAL IRRIGATION ...Leakage, Linings-pavings, Loss, Reservoirs, Water Loss Control, ...3.0302

DESIGN OF OPEN CHANNELS TO PREVENT BANK FAILURE ...Piezometers, Subsurface Flow, ...4.0253

IMPROVEMENT OF WATER SUPPLY SOURCES AND STORAGE FACILITIES IN THE CORN BELT ...Corn Belt, Permeability, Ponds, Reservoirs, Water Loss Control, ...8.0274

Water Distribution Systems

ANALYSIS OF SMALL WATER MANAGEMENT STRUCTURES ...Administrative Structures, Hydraulic Structures, Management, Water Control Works-general, Water Transfer, ...4.0260

A MODEL FOR QUANTIFYING FLOW AUGMENTATION BENEFITS ...Flood Control, Flow Augmentation, Model Studies, Other Methods, River Basins, Systems Analysis, ...6.0152

INTERSTATE REGIONAL PLANNING FOR WATER SUPPLY AND WASTE DISPOSAL ...Delaware River, Disposal-general, Interstate, Planning, Water Quality Control-general, Water Supply-general, ...5.0748

THE ECONOMICS OF WATER TRANSFER - AN APPRAISAL OF INSTITUTIONS ...Administrative Structures, Systems Analysis, Water Costs, Water Transfer, Water Utilization -general, ...6.0055

MODEL STUDY OF CONTROL STRUCTURES FOR FOOTHILL FEEDER TUNNELS ...Aqueducts, Control Gate, Urban Environments, Water Transfer, ...8.0217

REVIEW OF ALGALCIDES ...Algacides -non-specific, Algal Pollutant Sources, Public Utilities, Residential, Survey Studies, ...5.0358

DEVELOPMENT OF AUTOMATED SUBIRRIGATION SYSTEM ...Automated Equipment, Irrigation Engineering, Moisture, Pipes, Plastics - General, Subsurface Irrigation, ...3.0024

INVESTIGATIONS OF ALGAE INHIBITING MATERIALS ...Cement, Concrete, Coatings-other, Fouling, Inhibitors, Liquids Or Sprays, Organic Wastes, ...3.0106

INVESTIGATION EVALUATION AND DESIGN OF OPEN AND CLOSED CONDUIT SYSTEMS AS IT RELATES CONVEYANCE AND DISTRIBUTION SYSTEMS ...Conduit, Hydraulic Equipment, Irrigation Engineering, Irrigation-general, Remote Sensing -other, Water Transfer, ...8.0169

FACILITIES, METHODS AND DESIGN CRITERIA TO PUMP, CONVEY, CONTROL AND MEASURE WATER FOR AGRICULTURAL PURPOSES IN THE NORTHERN PLAINS ...Irrigation-general, Lining, Pumping, Runoff, Storage of Water, Water Transfer, ...3.0141

Waterproof

SEALING OF CANALS AND RESERVOIRS WITH COLORADO CLAYS ...Clay, Colorado, Irrigation Engineering, Open Channel, Particle Size, Permeability, Reservoirs, ...8.0144

STRUCTURAL PROBLEMS ASSOCIATED WITH CONCRETE PIPE ...Concrete-general, Design Criteria, Pipes, Pressure-general, Soil - Buried Structures, ...8.0033

External Pressure on Structure

Control Gate

COLLECTION OF JUVENILE SALMON IN TURBINE INTAKES ...Columbia River, Electric Power Plants, Mortality Rates, Salmon & Trout - Non-specific, Turbine-other, ...8.0299

FEEDBACK CONTROL OF CANAL CHECK GATES ...Canals, Channel Regulation-other, Economic Efficiency, Water Demand, ...4.0023

SUBCRITICAL FLOW AT OPEN CHANNEL STRUCTURES ...Critical, Design Criteria, Measurement, Open Channel, Transition Sections, ...4.0261

DISPATCHING SYSTEM FOR CONTROL OF COMBINED SEWER LOSSES ...Combined Sewer, Energy Losses-general, Hydraulics-general, Hydrology-general, Meteorological Studies-general, ...5.0609

MODEL STUDY OF CONTROL STRUCTURES FOR FOOTHILL FEEDER TUNNELS ...Aqueducts, Urban Environments, Water Distribution Systems, Water Transfer, ...8.0217

HYDRAULIC INVESTIGATION OF TAITER GATES AS FLOW MEASURING DEVICES ...Fluid Dynamics, Fluids, Measurement, ...8.0167

GENERAL SPILLWAY TESTS ...Design Criteria, Energy Dissipators, Ext Pressure on Struct-other, Spillways, Weir, ...8.0242

DETROIT TEST CONDUIT ...Conduit, Erosion Control, Flume Studies, Scouring, Transition Sections, ...8.0282

GATES, VALVES, AND ORIFICES ...Design Criteria, Models, Orifice, Seals, Valves, ...8.0037

DESIGN IMPROVEMENTS--GATES AND VALVES ...Channel Regulation-other, Dam, Canal, Galvanic, Seals, Valves, ...8.0088

AUTOMATION OF CANAL SYSTEMS ...Canals, Channel Regulation-other, Controls, Open Channel, Other Control Systems, ...8.0138

Dam

ARTIFICIAL FLOODS ...Computers-general, Dams-other, Floods, Flow Characteristics -water, ...6.0076

Ext Pressure on Struct-general

WAVE FORCES ON BREAKWATERS ...Breakwaters, Shoreline Structures, Wave Action, Waves, ...8.0232

Ext Pressure on Struct-other

GENERAL SPILLWAY TESTS ...Control Gate, Design Criteria, Energy Dissipators, Spillways, Weir, ...8.0242

Fluid Flow

Channel Geometry

INVESTIGATION OF SCOUR AT BRIDGES IN ALASKA ...Alaska, Bridges & Culverts, Drainage, Erosion Control, Scouring, Suspension, ...2.0285

SOIL EROSION STUDIES IN OKLAHOMA AND SOIL SEDIMENTATION STUDIES IN OKLAHOMA ...Culvert, Drainage, Erosion-general, Froude Number, Stabilization-general, ...2.0877

STOCHASTIC TREATMENT OF RIVER GEOMETRY ...Meanders, Morphology-general, Open Channel, Shape, Stochastic Processes, ...2.0443

HYDRAULIC RESISTANCE IN ALLUVIAL CHANNELS ...Alluvial Deposits, Energy-dynamics, Flow Characteristics -water, Flow of Dispersed Solids, Sediment Transport-general, ...2.0448

THE FLOW OF WATER IN FLUMES AND CANALS ...Canals, Flume, Open Channel, Open Channel Flow, Turbulent, ...8.0222

DISPERSION OF WATER POLLUTANTS IN CURVILINEAR FLOWS ...Fluid Mixing, Open Channel, Pollutants - Path of, Stratified, Turbulent, ...5.0414

LABORATORY TESTING OF HYDRAULIC FORMULATIONS FOR OPEN CHANNEL FLOW ...Channel Roughness, Open Channel, Routing, Systems of Equations, Transition Sections, Velocity, ...2.0573

EFFECT OF SURFACE IRRIGATION HYDRAULICS ON EFFICIENT APPLICATION OF WATE ...Channel Roughness, Flow Characteristics -water, Open Channel, Surface Flow, Surface Irrigation -general, ...4.0239

OPEN-CHANNEL TRANSITIONS IN SUPERCRITICAL FLOW ...Critical, Cross-section, Hydraulics-general, Open Channel, Open Channel Flow, ...8.0283

DETROIT TEST CHUTE ...Depth, Flow of Gas in Liquid, Flume Studies, Spillways, Velocity, ...8.0281

CHANNELIZATION STUDIES ...Channels, Control and Protection, New Mexico, Sedimentation, Silting, ...8.0053

TRANSIENT FLOW IN OPEN CHANNELS ...Hydraulic Gradient, Open Channel Flow, Pump-other, Siphon, Transient, ...8.0039

SUBJECT INDEX

Hydraulic Engineering

DEVELOPMENT AND EVALUATION OF MEANS AND MEASURES FOR CHANNEL STABILIZATION ...Channels, Design Criteria, Flow Characteristics -water, Mechanics, General, Scouring, Sediment Transport-general, ...5.1022

DEVELOPMENT OF STRUCTURAL MEASURES FOR SEDIMENT CONTROL AND FOR STREAM CHANNEL STABILIZATION IN THE SOUTHERN BRANCH ...Agricultural Watersheds, Engineering Structures-general, Open Channel, Sedimentation, Shear-flow, Velocity, ...5.0622

Channel Roughness

USE OF LARGE ROUGHNESS ELEMENTS FOR HYDRAULIC ENERGY DISSIPATION ...Culvert, Drainage, Energy Dissipators, Models, Open Channel, ...8.0295

INCIPIENT MOTION OF ROUGHNESS ELEMENTS IN TURBULENT OPEN CHANNEL FLOW ...Design Criteria, Drag, Lift, Open Channel, Turbulent, ...2.1061

AN ANALYTICAL AND EXPERIMENTAL STUDY OF BED FORMS UNDER WATER WAVES ...Friction, Geomorphology-topography, Model Studies, Water Tunnels Tables, Wave Action, Waves, ...2.0347

MEASUREMENT AND ANALYSIS OF NATURAL-TYPE SURFACES AFFECTING FLUID FLOW ...Computers-general, Fluid Flow-other, Frictional, Hydraulic Gradient, ...2.0247

DEPOSITION OF FINE SEDIMENTS IN TURBULENT FLOWS ...Open Channel, Secondary Flows, Sedimentation, Shear-flow, Turbulent, ...5.0764

HYDRAULICS OF SURFACE IRRIGATION ...Flow Characteristics -water, Irrigation, Irrigation Engineering, Mathematical Analysis, Soils -general, Surface Irrigation -general, ...2.0215

LABORATORY TESTING OF HYDRAULIC FORMULATIONS FOR OPEN CHANNEL FLOW ...Channel Geometry, Open Channel, Routing, Systems of Equations, Transition Sections, Velocity, ...2.0573

EFFECT OF SURFACE IRRIGATION HYDRAULICS ON EFFICIENT APPLICATION OF WATER ...Channel Geometry, Flow Characteristics -water, Open Channel, Surface Flow, Surface Irrigation -general, ...4.0239

THE CHARACTERIZATION OF OVERLAND FLOW ON VERY ROUGH SURFACES ...Channels, Data Analysis Applications, Flow Characteristics -water, Model Studies, Surface Flow, ...8.0192

OPEN CHANNEL ROUGHNESS CHARACTERIZATION ...Discharge-general, Flume, Flume Studies, Open Channel, Open Channel Flow, ...2.1073

MECHANICS OF FLUID RESISTANCE ...Close Channel, Friction, Skin Friction, Turbulent, Viscosity, ...2.0362

STUDIES OF CANAL HYDRAULICS ...Canals, Energy Losses-other, Hydraulics-general, Open Channel, Transition Sections, ...8.0130

THE HYDRAULICS AND MEASUREMENT OF CHANNEL, FLOOD PLAIN, AND OVERLAND FLOW IN THE SOUTHERN PLAINS ...Channels, Floodplains, Measurement, Open Channel, Unsteady, ...8.0276

Channel Type-other

STUDY OF TUNNEL LININGS AND REINFORCEMENT ...Data Analysis - General, Lining, Linings-pavings, Reinforced, ...8.0104

Conduit

UNSTEADY FLOW PARAMETERS IN HYDRAULIC DESIGN ...Incompressible, Pressure, Reservoirs, Transition Sections, Unsteady, ...8.0200

FLUID FRICTION IN THE PRESENCE OF NON-RIGID BOUNDARIES ...Friction, ...5.0479

TRANSPORT OF SOLID SUSPENSION IN CONDUITS ...Combined Sewer, Design Criteria, Flow of Dispersed Solids, Measurement, Transportation, ...5.0988

MODEL STUDY OF SEWER DROPSHAFT ...Design-other, Discharge-general, Flow Regulations, Runoff, Two-phase-other, ...8.0218

SIPHON TYPE TRICKLE TUBE FOR FARM PONDS AND RESERVOIRS ...Design Criteria, Farm Pond, Reservoirs, Siphon, Technique Development, Water Level Fluctuation, ...8.0203

DEVELOPMENT OF HYDRAULIC DESIGN CRITERIA ...Design Criteria, Models, Simulators, Spillways, Water Control Works-other, ...8.0226

HYDRAULIC PROTOTYPE TESTS ...Channel Regulation-other, Models, Simulators, Spillways, ...8.0228

DETROIT TEST CONDUIT ...Control Gate, Erosion Control, Flume Studies, Scot ring, Transition Sections, ...8.0282

PIPELINE AND TUNNEL HYDRAULICS ...Friction, Hydraulics-general, Pipelines, Pipes, Texas, ...8.0042

INVESTIGATION, EVALUATION AND DESIGN OF OPEN AND CLOSED CONDUIT SYSTEMS AS IT RELATES CONVEYANCE AND DISTRIBUTION SYSTEMS ...Hydraulic Equipment, Irrigation Engineering, Irrigation-general, Remote Sensing -other, Water Distribution Systems, Water Transfer, ...8.0169

Culvert

FLOOD FREQUENCY STUDY ...Bridges & Culverts, Floods, New Mexico, Peak Flow, Rio Grande, ...2.0772

USE OF LARGE ROUGHNESS ELEMENTS FOR HYDRAULIC ENERGY DISSIPATION ...Channel Roughness, Drainage, Energy Dissipators, Models, Open Channel, ...8.0295

WATERSHED SHAPE-FACTOR ...Design Criteria, Drainage, Engineering Structures-general, North Dakota, Peak Flow, ...2.0277

HYDRAULIC PERFORMANCE OF BRIDGES ...Bridges & Culverts, Design Criteria, Dike, Drainage, Engineering Structures-general, ...8.0158

HYDROLOGY STUDY ...Bridges & Culverts, Engineering Structures-general, Floods, Flow Characteristics -water, Small Watersheds, ...2.0292

INVESTIGATION AND ANALYSIS OF FLOODS FROM SMALL DRAINAGE AREAS IN SOUTH CAROLINA ...Design Flow-flood, Drainage, Floods, Small Watersheds, South Carolina, ...2.0301

INVESTIGATION AND ANALYSIS OF FLOOD HYDROGRAPHS FROM SMALL DRAINAGE BASINS IN SOUTH DAKOTA ...Bridges & Culverts, Drainage, Floods, Hydrographs, Rain-general, Small Watersheds, ...2.0294

ESTIMATING RUNOFF RATES FROM SMALL RURAL WATERSHEDS ...Drainage, Forecasting-prediction, Runoff, Small Watersheds, ...2.0240

SOIL EROSION STUDIES IN OKLAHOMA AND SOIL SEDIMENTATION STUDIES IN OKLAHOMA ...Channel Geometry, Drainage, Erosion-general, Froude Number, Stabilization-general, ...2.0877

ENGINEERING INVESTIGATION PERTAINING TO FLOOD PROTECTION OF BRIDGES AND CULVERTS ...Bridges & Culverts, Design Criteria, Drag, Drainage, Erosion Control, Floods, ...8.0145

PREVENTION AND CONTROL OF CULVERTS AND ROAD ICINGS ...Heating, Snow and Ice Removal, Standards & Criteria, ...2.0025

PERFORMANCE OF CIRCULAR CULVERTS ON STEEP GRADES ...Channels, Drainage, Engineering Structures-general, Erosion Control, Flow Characteristics -water, ...8.0289

SCOUR AT RELIEF BRIDGES ...Bridges & Culverts, Drainage, Scouring, Sedimentation, Transition Sections, ...8.0005

DEVELOPMENT OF HYDRAULIC DESIGN PROCEDURES FOR STRUCTURAL PLATE PIPE AND PIPE-ARCH CULVERTS USING RESISTANCE FACTORS FROM RECENT RESEARCH ...Drainage, Engineering Structures-general, Friction, Pipes, ...8.0159

DEVELOPMENT OF HYDRAULIC DESIGN PROCEDURES FOR CONCRETE BOX CULVERTS WITH STANDARD, IMPROVED AND SIDE-TAPERED INLETS ...Drainage, Economics-general, Engineering Structures-general, Structural, Transition Sections, ...2.0304

CONTROL AND PREVENTION OF CULVERT AND ROAD ICINGS ...Drainage, Hydrology-general, Meteorological Studies-general, Roadway-general, Snow and Ice Removal, ...2.0750

OPEN CHANNEL HYDRAULICS ...Irrigation, Open Channel, Transition Sections, Weir, ...8.0127

Energy Losses-general

DISPATCHING SYSTEM FOR CONTROL OF COMBINED SEWER LOSSES ...Combined Sewer, Control Gate, Hydraulics-general, Hydrology-general, Meteorological Studies-general, ...5.0609

DEVELOPMENT OF STANDARD DESIGNS FOR CANAL STRUCTURES ...Canals, Construction, Design Criteria, Model Studies, Open Channel, ...8.0064

Energy Losses-other

LOSS COEFFICIENT IN A CHANNEL BEND WITH NATURALLY DEFORMED BED ...Model Studies, Open Channel, Surface Phenomena, Transition Sections, Velocity, ...2.0934

OPEN CHANNEL TRANSITIONS ...Canals, Flow Characteristics -water, Open Channel, Surface Phenomena, Transition Sections, ...8.0004

INTAKES, ENTRANCES, AND TRANSITIONS ...Penstock, Pipes, Power Development, Transition Sections, Vortex, ...8.0099

STUDIES OF CANAL HYDRAULICS ...Canals, Channel Roughness, Hydraulics-general, Open Channel, Transition Sections, ...8.0130

Fluid Flow-general

HYDRAULIC STUDIES AND RESEARCH ON CALIFORNIA WATER FACILITIES ...Flow Characteristics -water, Irrigation, Irrigation-general, Model Studies, Synthetic Hydrology-general, ...7.0019

Fluid Flow-other

MEASUREMENT AND ANALYSIS OF NATURAL-TYPE SURFACES AFFECTING FLUID FLOW ...Channel Roughness, Computers-general, Frictional, Hydraulic Gradient, ...2.0247

Flume

THE USE OF LIGHT-WEIGHT SPHERICAL PARTICLES FOR DISCHARGE MEASUREMENT IN OPEN CHANNELS ...Measurement, Models, Open Channel, Turbulent, Velocity, ...7.0069

THE FLOW OF WATER IN FLUMES AND CANALS ...Canals, Channel Geometry, Open Channel, Open Channel Flow, Turbulent, ...8.0222

NON-EQUILIBRIUM TRANSPORT OF SUSPENDED SEDIMENT ...Length, Open Channel, Scouring, Sedimentation, Suspension, ...2.0696

FLOW MEASUREMENT OF IRRIGATION WATER ...Canals, Flow Characteristics -water, Fluids, Irrigation, Measurement, ...3.0144

OPEN CHANNEL ROUGHNESS CHARACTERIZATION ...Channel Roughness, Discharge-general, Flume Studies, Open Channel, Open Channel Flow, ...2.1073

EFFECTS OF SCALE AND OPERATING TECHNIQUE ON HARBOR MODELS ...Harbors, Synthetic Hydrology-general, ...7.0065

Friction

AN ANALYTICAL AND EXPERIMENTAL STUDY OF BED FORMS UNDER WATER WAVES ...Channel Roughness, Geomorphology-topography, Model Studies, Water Tunnels Tables, Wave Action, Waves, ...2.0347

METHODS TO REDUCE WATER POLLUTION CAUSED BY STORM WATER SEWER LOADING BY USING FLUID FLOW FRICTION REDUCERS ...Flow, Molecular Weight-other, Polyelectrolytes, Storm Sewer Quantity-other, Storm Water, ...5.1185

FLUID FRICTION IN THE PRESENCE OF NON-RIGID BOUNDARIES ...Conduit, ...5.0479

FLOW IN ECCENTRIC ANNULAR PIPES ...Configuration of Body, Pipes, Shape, Turbulent, ...8.0182

DEVELOPMENT OF HYDRAULIC DESIGN PROCEDURES FOR STRUCTURAL PLATE PIPE AND PIPE-ARCH CULVERTS USING RESISTANCE FACTORS FROM RECENT RESEARCH ...Culvert, Drainage, Engineering Structures-general, Pipes, ...8.0159

EFFECTS OF SCALE AND OPERATING TECHNIQUE ON HARBOR MODELS ...Harbors, Synthetic Hydrology-general, ...7.0065

MECHANICS OF FLUID RESISTANCE ...Channel Roughness, Close Channel, Skin Friction, Turbulent, Viscosity, ...2.0362

PIPELINE AND TUNNEL HYDRAULICS ...Conduit, Hydraulics-general, Pipelines, Pipes, Texas, ...8.0042

Hydraulic Gradient

MEASUREMENT AND ANALYSIS OF NATURAL-TYPE SURFACES AFFECTING FLUID FLOW ...Channel Roughness, Computers-general, Fluid Flow-other, Frictional, ...2.0247

PERFORMANCE OF DRAINAGE SYSTEMS ...Drainage Systems, Drawdown, Observation Wells, Permeability, Water Table Fluctuation, ...4.0174

FACTORS AFFECTING STABILITY OF ARTIFICIAL AND NATURAL CHANNELS ...Channels, Cohesive Soil-general, Open Channel, Soil Stability Analysis, Vane, ...8.0034

DRAINAGE SYSTEMS - PIPE AND FILTERS ...Drainage Engineering, Drainage Systems, Filters, Pipelines, Pipes, ...8.0018

TRANSIENT FLOW IN OPEN CHANNELS ...Channel Geometry, Open Channel Flow, Pump-other, Siphon, Transient, ...8.0039

Measurement

INVESTIGATION OF WATER RESOURCES IN ALASKA ...Gaging, Hydrology-general, Open Channel, Streams, ...2.0269

THE USE OF LIGHT-WEIGHT SPHERICAL PARTICLES FOR DISCHARGE MEASUREMENT IN OPEN CHANNELS ...Flume, Models, Open Channel, Turbulent, Velocity, ...7.0069

SUBCRITICAL FLOW AT OPEN CHANNEL STRUCTURES ...Control Gate, Critical, Design Criteria, Open Channel, Transition Sections, ...4.0261

TRANSPORT OF SOLID SUSPENSION IN CONDUITS ...Combined Sewer, Conduit, Design Criteria, Flow of Dispersed Solids, Transportation, ...5.0988

HYDRAULICS OF SURFACE IRRIGATION ...Irrigation Engineering, Math Models, Porous Media - Flow Through, Surface Flow, Surface Irrigation-general, ...2.0047

FLOW MEASUREMENT OF IRRIGATION WATER ...Canals, Flow Characteristics -water, Fluids, Flume, Irrigation, ...3.0144

HYDRAULIC INVESTIGATION OF Tainter GATES AS FLOW MEASURING DEVICES ...Control Gate, Fluid Dynamics, Fluids, ...8.0167

THE IMPACT OF SUBURBAN DEVELOPMENT ON THE WATER RESOURCES OF NEW JERSEY ...Agricultural Watersheds, Flow Characteristics -water, Gaging, Suburban Areas, Water Balance-budget, Water Table Fluctuation, ...6.0352

WATER MEASUREMENT ...Discharge-general, Dyes and Coloring, Fluids, Technique Development, Water Quantity-general, ...8.0128

THE HYDRAULICS AND MEASUREMENT OF CHANNEL, FLOOD PLAIN, AND OVERLAND FLOW IN THE SOUTHERN PLAINS ...Channel Roughness, Channels, Floodplains, Open Channel, Unsteady, ...8.0276

Open Channel

USE OF LARGE ROUGHNESS ELEMENTS FOR HYDRAULIC ENERGY DISSIPATION ...Channel Roughness, Culvert, Drainage, Energy Dissipators, Models, ...8.0295

INVESTIGATION OF WATER RESOURCES IN ALASKA ...Gaging, Hydrology-general, Measurement, Streams, ...2.0269

PROGRAM FOR INVESTIGATION AND ANALYSIS OF FLOODS FROM SMALL DRAINAGE AREAS IN DELAWARE ...Drainage, Floods, Flow Characteristics -water, Forecasting-prediction, Small Watersheds, ...2.0295

INITIAL MOTION OF ROUGHNESS ELEMENTS IN TURBULENT OPEN CHANNEL FLOW ...Channel Roughness, Design Criteria, Drag, Lift, Turbulent, ...2.1061

STOCHASTIC TREATMENT OF RIVER GEOMETRY ...Channel Geometry, Meanders, Morphology-general, Shape, Stochastic Processes, ...2.0443

MECHANICS OF FLOW IN OPEN CHANNEL SYSTEMS ...Numerical Analysis-other, Shock Waves, Steady, Unsteady, Waves in Liquids, ...2.0097

THE USE OF LIGHT-WEIGHT SPHERICAL PARTICLES FOR DISCHARGE MEASUREMENT IN OPEN CHANNELS ...Flume, Measurement, Models, Turbulent, Velocity, ...7.0069

EXPERIMENTAL INVESTIGATION OF HYDRAULIC TRANSIENTS IN RIVER-RESERVOIR SYSTEMS ...Hydraulics-general, Model Studies, Reservoirs, Streams, Transition Sections, ...2.0993

SUBCRITICAL FLOW AT OPEN CHANNEL STRUCTURES ...Control Gate, Critical, Design Criteria, Measurement, Transition Sections, ...4.0261

LOSS COEFFICIENT IN A CHANNEL BEND WITH NATURALLY DEFORMED BED ...Energy Losses-other, Model Studies, Surface Phenomena, Transition Sections, Velocity, ...2.0934

THE FLOW OF WATER IN FLUMES AND CANALS ...Canals, Channel Geometry, Flume, Open Channel Flow, Turbulent, ...8.0222

CHANGES IN NATURAL CHANNELS RESULTING FROM CONTROL DEVICES IN THE UPPER REACHES OF THE BASINS ...Channels, Control Factors-general, Reservoirs, Sedimentation, Structure Sites, ...2.0685

NON-EQUILIBRIUM TRANSPORT OF SUSPENDED SEDIMENT ...Flume, Length, Scouring, Sedimentation, Suspension, ...2.0696

DEPOSITION OF FINE SEDIMENTS IN TURBULENT FLOWS ...Channel Roughness, Secondary Flows, Sedimentation, Shear-flow, Turbulent, ...5.0764

DISPERSION OF WATER POLLUTANTS IN CURVILINEAR FLOWS ...Channel Geometry, Fluid Mixing, Pollutants - Path of, Stratified, Turbulent, ...5.0414

MATHEMATICAL MODELS OF HYDROLOGIC SYSTEMS ...Economics-general, Hydraulic Structures, Model Studies, Unsteady, Unsteady Flow, Water Quality-general, ...6.0382

OPTIMAL DESIGN OF SEWER AND DRAINAGE SYSTEMS ...Digital Computers, Process Design, Sewerage Systems-other, Unsteady, ...5.0530

LABORATORY TESTING OF HYDRAULIC FORMULATIONS FOR OPEN CHANNEL FLOW ...Channel Geometry, Channel Roughness, Routing, Systems of Equations, Transition Sections, Velocity, ...2.0573

SUBJECT INDEX

Hydraulic Engineering

EFFECT OF SURFACE IRRIGATION HYDRAULICS ON EFFICIENT APPLICATION OF WATER ...Channel Geometry, Channel Roughness, Flow Characteristics -water, Surface Flow, Surface Irrigation -general, ...4.0239

OPEN CHANNEL TRANSITIONS ...Canals, Energy Losses-other, Flow Characteristics -water, Surface Phenomena, Transition Sections, ...8.0004

NUMERICAL ANALYSIS OF TIME-DEPENDENT FREE SURFACE FLOWS ...Capillarity, Dimension-three, Finite Differences, Partial, Unsteady, ...2.0441

CALIFORNIA AQUEDUCT, NORTH SAN JOAQUIN DIVISION, FISH PROTECTIVE FACILITY ...Engineering Structures-general, Models, Pipes, Transition Sections, Velocity, ...8.0009

THE MECHANICS OF OPEN-CHANNEL FLOW SYSTEMS ...Flow Characteristics -water, Steady, Transient, Transition Sections, Unsteady, ...8.0011

SEALING OF CANALS AND RESERVOIRS WITH COLORADO CLAYS ...Clay, Colorado, Irrigation Engineering, Particle Size, Permeability, Reservoirs, Waterproof, ...8.0144

HYDRAULICS LABORATORY ...Channels, Flow of Dispersed Solids, Sedimentation, Streams, Suspension, Turbulent, ...8.0146

CONCRETE DITCH LINING AND PIPE FOR IRRIGATION SYSTEMS ...Irrigation, Lining, Linings-pavings, Pipes, Plain, ...8.0272

OPEN-CHANNEL TRANSITIONS IN SUPERCRITICAL FLOW ...Channel Geometry, Critical, Cross-section, Hydraulics-general, Open Channel Flow, ...8.0283

INCIPIENT MOTION OF LARGE ROUGHNESS ELEMENTS IN TURBULENT OPEN CHANNEL FLOW ...Erosion Control, Flow Characteristics -water, Open Channel Flow, Sediment Transport-other, Turbulent Flow, ...2.1062

OPEN CHANNEL ROUGHNESS CHARACTERIZATION ...Channel Roughness, Discharge-general, Flume, Flume Studies, Open Channel Flow, ...2.1073

COMMITTEE ON CHANNEL STABILIZATION ...Alluvial Deposits, Bedding Planes, Channels, Design Criteria, Stabilization-other, Streams, Temperature, ...2.0686

RIPRAP, REQUIREMENTS IN CHANNELS ...Drag, Lift, Lining, Models, Velocity, ...8.0246

MECHANICS OF FLOW STRUCTURE AND FLUID RESISTANCE ...Sediment Transport-general, Sedimentation, Turbulent Flow, ...2.0236

DEVELOPMENT OF STANDARD DESIGNS FOR CANAL STRUCTURES ...Canals, Construction, Design Criteria, Energy Losses-general, Model Studies, ...8.0064

OPEN CHANNEL HYDRAULICS ...Culvert, Irrigation, Transition Sections, Weir, ...8.0127

STUDIES OF EQUATIONS FOR SEEPAGE LOSS FROM CANALS ...Canals, Lining, Loss, Permeability, Soil Test - Insitu, ...8.0129

DESIGN CRITERIA FOR OPEN CHANNELS ...Design Criteria, Hydraulics-general, Irrigation Engineering, Open Channel Flow, Surface Irrigation -general, ...8.0136

FACTORS AFFECTING STABILITY OF ARTIFICIAL AND NATURAL CHANNELS ...Channels, Cohesive Soil-general, Hydraulic Gradient, Soil Stability Analysis, Vane, ...8.0034

STUDIES OF CANAL HYDRAULICS ...Canals, Channel Roughness, Energy Losses-other, Hydraulics-general, Transition Sections, ...8.0130

STABILITY OF EARTH SLOPES ...Dams, Earthquakes, Pore Water, Slopes, Soil Stability Analysis, ...8.0071

AUTOMATION OF CANAL SYSTEMS ...Canals, Channel Regulation-other, Control Gate, Controls, Other Control Systems, ...8.0138

EXPLOSIVE EXCAVATION IN THE DEVELOPMENT OF WATER RESOURCES ...Earth & Rockfill Dams, Excavation, Nuclear Power, Reservoirs, Water Resources Development, ...8.0041

MEMBRANE LININGS-OPEN AND CLOSED CONDUIT RESEARCH PROGRAM ...Bituminous, Elastomers Rubber, Lining, Polyethylene, Polyvinyl Chloride, ...8.0051

PREVENTING OR CONTROLLING ACCELERATED EROSION OF UNSTABLE FOREST SOILS ...Erosion-general, Mountains-alpine, Movement, Availability, Slopes, Soil Science -other, Soil Stability Analysis, ...5.0316

EFFECTS OF VARIOUS FOREST TYPES AND STAND TREATMENTS ON GROUNDWATER RECHARGE AND STREAM-BANK EROSION IN AREAS OF DEEP GLACIAL DRIFT ...Erosion Control, Erosion-general, Forest Watersheds, Natural Recharge, Stream Banks, ...5.0573

DEVELOPMENT OF STRUCTURAL MEASURES FOR SEDIMENT CONTROL AND FOR STREAM CHANNEL STABILIZATION IN THE SOUTHERN BRANCH ...Agricultural Watersheds, Channel Geometry, Engineering Structures-general, Sedimentation, Shear-flow, Velocity, ...5.0622

STREAM CHANNEL STABILIZATION SEDIMENT CONTROL WORKS IN CHANNELS ...Channels, Erosion Control, Lining, Scouring, Sedimentation, ...5.0930

THE HYDRAULICS AND MEASUREMENT OF CHANNEL, FLOOD PLAIN, AND OVERLAND FLOW IN THE SOUTHERN PLAINS ...Channel Roughness, Channels, Flood-plains, Measurement, Unsteady, ...8.0276

Orifice

THE HYDRAULICS OF SPATIALLY VARIED STEADY FLOW IN AN IRRIGATION DISTRIBUTION CHANNEL WITH FURROW OUTLETS ...Channels, Engineering Structures-general, Flow Characteristics -water, Furrow Irrigation, Weir, ...3.0398

SUBIRRIGATION ...Irrigation Engineering, Subsurface Irrigation, Water Application Methods, ...4.0121

GATES, VALVES, AND ORIFICES ...Control Gate, Design Criteria, Models, Seals, Valves, ...8.0037

Pipes

UNSTEADY FREE SURFACE FLOW IN LONG STORM DRAIN ...Drainage, Eigenvalues, Engineering Structures-general, Other Methods, Steady, Transition Sections, Unsteady, ...8.0142

TRANSIENT FLOW THROUGH CLOSED CONDUITS ...Acoustic Effects, Eigenvalues, Error Analysis, Interpolation, Transient, Valves, ...2.0634

PASSAGE OF ADULT SALMONIDS THROUGH PIPES ...Construction Land Use Effects, Management -other, Salmon -coho, chinook, sockeye..., ...8.0301

UNSTEADY FLOW OF DILUTE AQUEOUS HIGH POLYMER SOLUTIONS IN PIPES ...Additives, Fluid Flow-other, Mathematics Matching Code, Size, Unsteady, ...8.0164

THEORETICAL AND EXPERIMENTAL STUDY OF SUPERCRITICAL FLOW IN CIRCULAR DRAINS AND OF THE FORMATION OF HYDRAULIC JUMP IN THE SAME ...Critical, Drainage Systems, Engineering Structures-general, Flow of Gas in Liquid, Survey Studies, ...2.0935

DRAINAGE DESIGNS AS INFLUENCED BY CONDITIONS IN THE VICINITY OF THE DRAIN LINE ...Drainage Systems, Erosion Control, Pipe, Tube, Plastics - General, Seepage, ...8.0010

PIPELINE FLOW OF SOLIDS-LIQUID SUSPENSIONS ...Flow, Flow of Dispersed Solids, Sludge-other, Transition Sections, Viscosity, ...5.0799

LABORATORY STUDIES OF CONSERVATION AND DRAINAGE STRUCTURES ...Drainage, Erosion Control, Scouring, Transition Sections, Velocity, ...3.0217

FLOW IN ECCENTRIC ANNULAR PIPES ...Configuration of Body, Friction, Shape, Turbulent, ...8.0182

DEVELOPMENT OF AUTOMATED SUBIRRIGATION SYSTEM ...Automated Equipment, Irrigation Engineering, Moisture, Plastics - General, Subsurface Irrigation, Water Distribution Systems, ...3.0024

CALIFORNIA AQUEDUCT, NORTH SAN JOAQUIN DIVISION, FISH PROTECTIVE FACILITY ...Engineering Structures-general, Models, Open Channel, Transition Sections, Velocity, ...8.0009

DURABILITY OF CONCRETE DRAIN TILE AND IRRIGATION PIPE ...Drainage, Plain, Specifications, Strength, Techniques, ...8.0221

CONCRETE DITCH LINING AND PIPE FOR IRRIGATION SYSTEMS ...Irrigation, Lining, Linings-pavings, Open Channel, Plain, ...8.0272

DEVELOPMENT OF HYDRAULIC DESIGN PROCEDURES FOR STRUCTURAL PLATE PIPE AND PIPE-ARCH CULVERTS USING RESISTANCE FACTORS FROM RECENT RESEARCH ...Culvert, Drainage, Engineering Structures-general, Friction, ...8.0159

DISTRIBUTION OF LIQUIDS IN POLAR CAMPS ...Flow, Maintenance, Permafrost-frozen, Polar, Sewage, ...5.0134

INTAKES, ENTRANCES, AND TRANSITIONS ...Energy Losses-other, Penstock, Power Development, Transition Sections, Vortex, ...8.0099

PIPELINE AND TUNNEL HYDRAULICS ...Conduit, Friction, Hydraulics-general, Pipelines, Texas, ...8.0042

SOIL PRESSURES ON FLEXIBLE STEEL PIPE ...Model Studies, Pressure-general, Soil-structure Interaction, Triaxial, ...8.0072

DRAINAGE SYSTEMS - PIPE AND FILTERS ...Drainage Engineering, Drainage Systems, Filters, Hydraulic Gradient, Pipelines, ...8.0018

Hydraulic Engineering

SUBJECT INDEX

STRUCTURAL PROBLEMS ASSOCIATED WITH CONCRETE PIPE ...Concrete-general, Design Criteria, Pressure-general, Soil - Buried Structures, Waterproof, ...8.0033

Siphon

SIPHON TYPE TRICKLE TUBE FOR FARM PONDS AND RESERVOIRS ...Conduit, Design Criteria, Farm Pond, Reservoirs, Technique Development, Water Level Fluctuation, ...8.0203

TRANSIENT FLOW IN OPEN CHANNELS ...Channel Geometry, Hydraulic Gradient, Open Channel Flow, Pump-other, Transient, ...8.0039

Transition Sections

UNSTEADY FREE SURFACE FLOW IN LONG STORM DRAIN ...Drainage, Eigenvalues, Engineering Structures-general, Other Methods, Pipes, Steady, Unsteady, ...8.0142

UNSTEADY FLOW PARAMETERS IN HYDRAULIC DESIGN ...Conduit, Incompressible, Pressure, Reservoirs, Unsteady, ...8.0200

EXPERIMENTAL INVESTIGATION OF HYDRAULIC TRANSIENTS IN RIVER-RESERVOIR SYSTEMS ...Hydraulics-general, Model Studies, Open Channel, Reservoirs, Streams, ...2.0993

SUBCRITICAL FLOW AT OPEN CHANNEL STRUCTURES ...Control Gate, Critical, Design Criteria, Measurement, Open Channel, ...4.0261

LOSS COEFFICIENT IN A CHANNEL BEND WITH NATURALLY DEFORMED BED ...Energy Losses-other, Model Studies, Open Channel, Surface Phenomena, Velocity, ...2.0934

PIPELINE FLOW OF SOLIDS-LIQUID SUSPENSIONS ...Flow, Flow of Dispersed Solids, Pipes, Sludge-other, Viscosity, ...5.0799

LABORATORY STUDIES OF CONSERVATION AND DRAINAGE STRUCTURES ...Drainage, Erosion Control, Pipes, Scouring, Velocity, ...3.0217

LABORATORY TESTING OF HYDRAULIC FORMULATIONS FOR OPEN CHANNEL FLOW ...Channel Geometry, Channel Roughness, Open Channel, Routing, Systems of Equations, Velocity, ...2.0573

OPEN CHANNEL TRANSITIONS ...Canals, Energy Losses-other, Flow Characteristics -water, Open Channel, Surface Phenomena, ...8.0004

SCOUR AT RELIEF BRIDGES ...Bridges & Culverts, Culvert, Drainage, Scouring, Sedimentation, ...8.0005

CALIFORNIA AQUEDUCT, NORTH SAN JOAQUIN DIVISION, FISH PROTECTIVE FACILITY ...Engineering Structures-general, Models, Open Channel, Pipes, Velocity, ...8.0009

THE MECHANICS OF OPEN-CHANNEL FLOW SYSTEMS ...Flow Characteristics -water, Open Channel, Steady, Transient, Unsteady, ...8.0011

DEVELOPMENT OF HYDRAULIC DESIGN PROCEDURES FOR CONCRETE BOX CULVERTS WITH STANDARD, IMPROVED AND SIDE-TAPERED INLETS ...Culvert, Drainage, Economics-general, Engineering Structures-general, Structural, ...2.0304

DETROIT TEST CONDUIT ...Conduit, Control Gate, Erosion Control, Flume Studies, Scouring, ...8.0282

INTAKES, ENTRANCES, AND TRANSITIONS ...Energy Losses-other, Penstock, Pipes, Power Development, Vortex, ...8.0099

OPEN CHANNEL HYDRAULICS ...Culvert, Irrigation, Open Channel, Weir, ...8.0127

STUDIES OF CANAL HYDRAULICS ...Canals, Channel Roughness, Energy Losses-other, Hydraulics-general, Open Channel, ...8.0130

Tunnel

MODEL STUDY OF UNDERGROUND OPENINGS ...Dams-general, Foundations-general, Geology - Engineering, Model Studies, Rock Mechanics, Structural Analysis-general, ...8.0067

Wave Action

LAKE ERIE DIKE ...Dike, Disposal-other, Lake Erie, Models, Waves, ...8.0219

WAVE FORCES ON SUBMERGED STRUCTURES ...Drag, Hydraulic Structures, Lift, Shoreline Structures, Waves, ...2.0629

AN ANALYTICAL AND EXPERIMENTAL STUDY OF BED FORMS UNDER WATER WAVES ...Channel Roughness, Friction, Geomorphology-topography, Model Studies, Water Tunnels Tables, Waves, ...2.0347

CIVIL ENGINEERING STRUCTURES IN THE OCEANS ...Engineering Studies-other, Foundations-general, Hydraulic Structures, Hydrodynamics, Mechanical Properties, Soil Dynamics, ...8.0165

SHORE-LINE ENGINEERING STUDIES ON GREAT SALT LAKE ...Great Salt Lake, Hydraulic Structures, Hydrographic, Shoreline - Coastline, Shoreline Structures, ...8.0293

WAVE FORCES ON BREAKWATERS ...Breakwaters, Ext Pressure on Struct-general, Shoreline Structures, Waves, ...8.0232

STABILITY OF RUBBLE-MOUND BREAKWATERS ...Breakwaters, Design Criteria, Engineering Structures-general, Hydrodynamics, Shoreline Structures, Waves, ...8.0230

EFFECTS OF SCALE AND OPERATING TECHNIQUE ON HARBOR MODELS ...Harbors, Synthetic Hydrology-general, ...7.0065

WAVE ACTION ON STRUCTURES ...Engineering Structures-general, Hydrodynamic Structures, Models, Shoreline Structures, Stability, ...8.0150

STRUCTURAL DESIGN OF SHORE STRUCTURES ...Coastal Engineering-general, Engineering Structures-general, Hydrodynamic Structures, Models, Shoreline Structures, ...8.0151

STABILIZATION OF SHORES BY GROINS AND JETTIES ...Development, Groin, Jetty, Models, Sedimentation, ...2.0263

RUBBLE-MOUND PROTOTYPE STUDIES ...Breakwaters, Jetty, Shoreline Structures, Water Motion Recorders, Waves, ...8.0156

DESIGN OF RUBBLE WAVE ABSORBERS ...Breakwaters, Energy Dissipators, Waves, ...7.0066

SPECIAL STUDIES FOR CIVIL WORKS SOILS PROBLEMS ...Design Criteria, Earth & Rockfill Dams, Erosion Control, Field Soils Compaction, Slopes, ...8.0255

EVALUATION OF ROCK RIPRAP AND DEVELOPMENT OF SUBSTITUTES ...Aggregates - Crushed Rock, Engineering Structures-general, Erosion Control, Petrography, Slopes, Soil Cement, ...8.0081

Weir

THE HYDRAULICS OF SPATIALLY VARIED STEADY FLOW IN AN IRRIGATION DISTRIBUTION CHANNEL WITH FURROW OUTLETS ...Channels, Engineering Structures-general, Flow Characteristics -water, Furrow Irrigation, Orifice, ...3.0398

OPEN CHANNEL HYDRAULICS ...Culvert, Irrigation, Open Channel, Transition Sections, ...8.0127

Hydraulic Engineering-other

A GENERALIZED COMPUTER LANGUAGE FOR HYDROLOGIC AND HYDRAULIC ANALYSIS ...Data Analysis - General, Digital Computers, Facilities, Problem Oriented Languages, ...8.0213

HYDRAULICS OF WELLS ...Aquifers-other, Drawdown, Model Studies, Unsteady Flow, Water Wells, ...7.0077

DEVELOPMENT OF HYDROLOGIC EQUIPMENT ...Design Instrumentation-other, Hydrology-general, Instrumental Services, Instrumentation-general, Other Telemetry, ...7.0064

HYDROLOGY TRAINING AND METHODOLOGY ...Computers-general, Education and Training, Hydrology-general, Meetings, ...9.0091

Internal Pressure on Structure

Penstock

INTAKES, ENTRANCES, AND TRANSITIONS ...Energy Losses-other, Pipes, Power Development, Transition Sections, Vortex, ...8.0099

Water Control Works

Arch Dams

ARCH DAM ANALYSES BASED ON THE MATHEMATICAL THEORY OF ELASTICITY ...Analysis Structural, Development of Models, Elasticity, Engineering Structures-general, Foundations-general, ...8.0089

STUDY OF POLYCENTERED, PARABOLIC, AND OTHER SHAPES FOR ARCH DAMS ...Analysis Structural, Design Criteria, Models, ...8.0090

ABUTMENT PADS FOR ARCH DAMS ...Concrete-other, Engineering Structures-general, Foundations-other, Joints, Mathematics Matching Code, ...8.0091

EFFECTS OF CRACKING IN ARCH DAMS ...Analysis Structural, Computers-general, Engineering Structures-general, Fracture Mechanics, Tensile, ...8.0092

DESIGN OF DOUBLE-CURVATURE MULTIPLE-ARCH DAMS FOR USE IN WIDE VALLEYS ...Analysis Structural, Engineering Structures-general, Power Development, Reinforced, Shells, ...8.0095

EARTHQUAKE THEORY AS APPLIED TO DAMS AND APPURTENANT STRUCTURES ...California, Dynamic-other, Earthquakes, Engineering Structures-general, ...8.0096

SUBJECT INDEX

Hydraulic Engineering

Channel Regulation-general

MODEL STUDIES FOR DEVELOPMENT AND CALIBRATION OF STREAMFLOW CONTROL DEVICES IN THE SOUTHERN BRANCH ...Computers-general, Discharge-general, Gaging, Models, Synthetic Hydrology-general, ...3.0189

Channel Regulation-other

FEEDBACK CONTROL OF CANAL CHECK GATES ...Canals, Control Gate, Economic Efficiency, Water Demand, ...4.0023

OPERATIONS RESEARCH IN WATER QUALITY MANAGEMENT ...Control and Protection, Engineering Structures-general, Management, Operations Research, Water Quality Control-general, ...5.0526

DEVELOPMENT OF AN OPERATIONS CONTROL PLAN ...Controls, Engineering Studies-other, Pump-other, Reservoirs, ...6.0072

HYDRAULIC PROTOTYPE TESTS ...Conduit, Models, Simulators, Spillways, ...8.0228

DESIGN IMPROVEMENTS--GATES AND VALVES ...Control Gate, Dam, Canal, Galvanic, Seals, Valves, ...8.0088

AUTOMATION OF CANAL SYSTEMS ...Canals, Control Gate, Controls, Open Channel, Other Control Systems, ...8.0138

Dams-general

ENGINEERING GEOLOGY ...Core Analysis, Foundations-general, Geology - Engineering, Highway Sites, Reservoirs, ...8.0174

PROTOTYPE ANALYSES - STRUCTURAL BEHAVIOR ...Concrete-general, Construction, Distances, Instrumentation, ...8.0014

MODEL STUDY OF UNDERGROUND OPENINGS ...Foundations-general, Geology - Engineering, Model Studies, Rock Mechanics, Structural Analysis-general, Tunnel, ...8.0067

Dams-other

STREAM RESTORATION AND CONTROLLED FLOWS ...Lake Trout, Brook Trout, Logging, Transport, Equipment, Maine, Salmon & Trout - Non-specific, Stream Rehabilitation, ...4.0129

INVESTIGATION OF SOIL FREEZING ...Density, Frost and Permafrost, Lining, Moisture Content, Void Ratio and Porosity, ...8.0285

GROUTING RESEARCH - DAM FOUNDATIONS ...Foundations-other, ...8.0225

ARTIFICIAL FLOODS ...Computers-general, Dam, Floods, Flow Characteristics -water, ...6.0076

SITE TESTS TO DETERMINE STRUCTURAL PROPERTIES OF ROCK FOUNDATIONS ...Engineering Structures-general, Foundations-general, Power Development, Rock Mechanics, Tunnels, ...8.0019

EVALUATION OF CONCRETE PROPERTIES OF CORES FROM OLD STRUCTURES ...Cement, Concrete, Engineering Structures-general, Mechanical Properties-general, Time, ...8.0063

DETERMINATION OF IN SITU STRESSES BY STRAIN-RELIEF METHOD ...Reinforced, Stress Recorders, ...8.0021

MASSIVE-HEAD BUTTRESS DAMS ...Foundations-general, Gravity Dams, Stresses-general, Uplift, ...8.0094

Design Criteria

WATERSHED SHAPE-FACTOR ...Culvert, Drainage, Engineering Structures-general, North Dakota, Peak Flow, ...2.0277

HYDRAULIC PERFORMANCE OF BRIDGES ...Bridges & Culverts, Culvert, Dike, Drainage, Engineering Structures-general, ...8.0158

DESIGN TO CONTROL EROSION IN ROADSIDE DRAINAGE CHANNELS ...Drainage, Erosion-general, Lining, Soil Erosion, ...2.0657

ENGINEERING INVESTIGATION PERTAINING TO FLOOD PROTECTION OF BRIDGES AND CULVERTS ...Bridges & Culverts, Culvert, Drag, Drainage, Erosion Control, Floods, ...8.0145

INCIPIENT MOTION OF ROUGHNESS ELEMENTS IN TURBULENT OPEN CHANNEL FLOW ...Channel Roughness, Drag, Lift, Open Channel, Turbulent, ...2.1061

DEVELOPMENT OF AUTOMATED SUBIRRIGATION SYSTEM ...Arkansas, Automated Equipment, Irrigation Engineering, Pipelines, Spray Devices, Subsurface Irrigation, ...3.0025

PILOT STUDY OF SMALL WATERSHED FLOOD HYDROLOGY IN HAWAII, PHASE II ...Discharge-general, Drainage Systems, Floods, Hawaii, Urban Environments, ...2.0381

SUBCRITICAL FLOW AT OPEN CHANNEL STRUCTURES ...Control Gate, Critical, Measurement, Open Channel, Transition Sections, ...4.0261

TRANSPORT OF SOLID SUSPENSION IN CONDUITS ...Combined Sewer, Conduit, Flow of Dispersed Solids, Measurement, Transportation, ...5.0988

TEMPORARY LININGS FOR WATERWAYS AND EMBANKMENTS ...Cover Crops, Embankments, Erosion Control, Florida, Hydrology-general, Lining, ...3.0178

FACTORS INFLUENCING THE FLOW OF SUBSOIL WATER IN THE IMMEDIATE PROXIMITY OF AND INTO DRAINAGE FACILITIES ...Drainage Systems, Flow Characteristics -water, Model Studies, Other, Seepage, ...4.0023

FACTORS INFLUENCING THE FLOW OF SUBSOIL WATER IN THE IMMEDIATE PROXIMITY OF AND INTO DRAINAGE FACILITIES ...Drainage Systems, Filters, Other, Permeability, Seepage, ...4.0200

PREPARATION OF A HIGHWAY DRAINAGE POLICY STATEMENT AND PRACTICE MANUAL FOR THE STATE OF ILLINOIS ...Drainage, Drainage Systems, Handbooks, Illinois, Roads and Highways, Water Law-general, ...6.0205

HYDRAULICS OF STORM SEWER JUNCTIONS ...Drainage, Drainage Systems, Models, Storm Water, Urban Research, ...5.0356

SIPHON TYPE TRICKLE TUBE FOR FARM PONDS AND RESERVOIRS ...Conduit, Farm Pond, Reservoirs, Siphon, Technique Development, Water Level Fluctuation, ...8.0203

COMPILATION OF EARTH DAM CRITERIA FOR DESIGN USE ...Abstracts, Dams, Earth & Rockfill Dams, Engineering Structures-general, ...8.0254

GENERAL SPILLWAY TESTS ...Control Gate, Energy Dissipators, Ext Pressure on Struct-other, Spillways, Weir, ...8.0242

DEVELOPMENT OF HYDRAULIC DESIGN CRITERIA ...Conduit, Models, Simulators, Spillways, Water Control Works-other, ...8.0226

STABILITY OF RUBBLE-MOUND BREAKWATERS ...Breakwaters, Engineering Structures-general, Hydrodynamics, Shoreline Structures, Wave Action, Waves, ...8.0230

LOCK FILLING AND EMPTYING SYSTEM ...Locks, Water Transportation, ...8.0244

HARBOR DESIGN STUDIES ...Harbors, Navigation, Waves, ...8.0231

RIPRAP-PROTECTION FOR HYDRAULIC STRUCTURES ...Dike, Engineering Structures-general, Sea Wall, Water Control Works-other, ...8.0245

COMMITTEE ON CHANNEL STABILIZATION ...Alluvial Deposits, Bedding Planes, Channels, Open Channel, Stabilization-other, Streams, Temperature, ...2.0686

DEVELOPMENT OF CRITERIA FOR ARTIFICIAL BEACHES ...Beach, Beaches, Coastal Engineering-other, Shoreline Structures, Statistics-general, ...8.0155

SPECIAL STUDIES FOR CIVIL WORKS SOILS PROBLEMS ...Earth & Rockfill Dams, Erosion Control, Field Soils Compaction, Slopes, Wave Action, ...8.0255

GATES, VALVES, AND ORIFICES ...Control Gate, Models, Orifice, Seals, Valves, ...8.0037

DEVELOPMENT OF STANDARD DESIGNS FOR CANAL STRUCTURES ...Canals, Construction, Energy Losses-general, Model Studies, Open Channel, ...8.0064

EARTH AND ROCKFILL DAM DESIGN PRACTICES ...Dams, Earth & Rockfill Dams, Earthquakes, Engineering Structures-general, Soil Stability Analysis, ...8.0137

DESIGN CRITERIA FOR OPEN CHANNELS ...Hydraulics-general, Irrigation Engineering, Open Channel, Open Channel Flow, Surface Irrigation -general, ...8.0136

STUDY OF POLYCENTERED, PARABOLIC, AND OTHER SHAPES FOR ARCH DAMS ...Analysis Structural, Arch Dams, Models, ...8.0090

STRUCTURAL PROBLEMS ASSOCIATED WITH CONCRETE PIPE ...Concrete-general, Pipes, Pressure-general, Soil - Buried Structures, Waterproof, ...8.0033

DESIGN CRITERIA FOR LIVESTOCK FARMSTEAD WATER SYSTEMS ...Automatic Data Acquisition, Storage of Water, Water Demand, Water Transfer, Water Utilization -animal, ...6.0257

DEVELOPMENT AND EVALUATION OF MEANS AND MEASURES FOR CHANNEL STABILIZATION ...Channel Geometry, Channels, Flow Characteristics -water, Mechanics, General, Scouring, Sediment Transport-general, ...5.1022

HYDRAULIC DESIGN OF STRUCTURES FOR WATER USE AND CONTROL IN THE CORN BELT ...Construction, Corn Belt, Model Studies, Routing, Water Control Works-general, ...8.0216

Hydraulic Engineering

SUBJECT INDEX

HYDRAULIC DESIGN OF STRUCTURES FOR WATER USE AND CONTROL IN THE SOUTHERN PLAINS ...Agricultural Watersheds, Design Flow-flood, Hydraulic Structures, Models, Water Loss Control, ...**8.0277**

DRAINAGE FACILITIES, METHODS, AND DESIGN CRITERIA FOR PROTECTION AND IMPROVEMENT OF AGRICULTURAL CROPS AND SOILS IN THE NORTHERN PLAINS ...Drainage, Drainage Systems, Flow Characteristics -water, Simulation, ...**4.0064**

RESERVOIR SEDIMENTATION STUDIES IN CORN BELT STATES ...General Deposition, Reservoirs, Reservoirs and Impoundments, Sediment Yield, Sediments, ...**2.0868**

Dike

LAKE ERIE DIKE ...Disposal-other, Lake Erie, Models, Wave Action, Waves, ...**8.0219**

HYDRAULIC PERFORMANCE OF BRIDGES ...Bridges & Culverts, Culvert, Design Criteria, Drainage, Engineering Structures-general, ...**8.0158**

RIPRAP-PROTECTION FOR HYDRAULIC STRUCTURES ...Design Criteria, Engineering Structures-general, Sea Wall, Water Control Works-other, ...**8.0245**

Drainage Systems

EROSION CONTROL CRITERIA FOR DRAINAGE STRUCTURES ...Drainage, Erosion-general, ...**2.0681**

INVESTIGATION AND ANALYSIS OF FLOODS FROM SMALL DRAINAGE AREAS IN OHIO ...Floods, Ohio, Small Watersheds, ...**2.0275**

SMALL WATERSHED STUDY ...Design-other, Drainage, Hydraulic Structures, ...**2.0297**

PILOT STUDY OF SMALL WATERSHED FLOOD HYDROLOGY IN HAWAII, PHASE II ...Design Criteria, Discharge-general, Floods, Hawaii, Urban Environments, ...**2.0381**

PHYSICAL, CHEMICAL AND MICROBIOLOGICAL FACTORS AFFECTING THE DISCHARGE OF WATER INTO DRAIN TILE ...Drainage, Drainage Engineering, Water Properties-general, ...**2.0145**

THEORETICAL AND EXPERIMENTAL STUDY OF SUPERCRITICAL FLOW IN CIRCULAR DRAINS AND OF THE FORMATION OF HYDRAULIC JUMP IN THE SAME ...Critical, Engineering Structures-general, Flow of Gas in Liquid, Pipes, Survey Studies, ...**2.0935**

FLOW OF WATER INTO TILE DRAINS ON STRATIFIED SOILS ...Laplace Transform, Percolation, Seepage, ...**2.0486**

DRAINAGE DESIGNS AS INFLUENCED BY CONDITIONS IN THE VICINITY OF THE DRAIN LINE ...Erosion Control, Pipe, Tube, Pipes, Plastics - General, Seepage, ...**8.0010**

ENGINEERING PHASES OF SURFACE DRAINAGE ...Deltas, Drainage, Drainage Engineering, ...**4.0019**

FACTORS INFLUENCING THE FLOW OF SUBSOIL WATER IN THE IMMEDIATE PROXIMITY OF, AND INTO DRAINAGE FACILITIES ...Capillarity, Grain Size and Distribution, Methods, Model Studies, Seepage, ...**2.0212**

FACTORS INFLUENCING THE FLOW OF SUBSOIL WATER IN THE IMMEDIATE PROXIMITY OF AND INTO DRAINAGE FACILITIES ...Design Criteria, Flow Characteristics -water, Model Studies, Other, Seepage, ...**4.0088**

PERFORMANCE OF DRAINAGE SYSTEMS ...Drawdown, Hydraulic Gradient, Observation Wells, Permeability, Water Table Fluctuation, ...**4.0174**

EVALUATION OF SOIL AND WATER CONSERVATION DESIGN ...Conservation, Conservation & Management Eng, Conservation-general, Soil Preparation & Renovation, ...**2.0800**

METHODS AND EQUIPMENT FOR SUBSURFACE DRAINAGE ...Drainage, Sedimentation, ...**4.0193**

FACTORS INFLUENCING THE FLOW OF SUBSOIL WATER IN THE IMMEDIATE PROXIMITY OF AND INTO DRAINAGE FACILITIES ...Design Criteria, Filters, Other, Permeability, Seepage, ...**4.0200**

PREPARATION OF A HIGHWAY DRAINAGE POLICY STATEMENT AND PRACTICE MANUAL FOR THE STATE OF ILLINOIS ...Design Criteria, Drainage, Handbooks, Illinois, Roads and Highways, Water Law-general, ...**6.0205**

HYDRAULICS OF STORM SEWER JUNCTIONS ...Design Criteria, Drainage, Models, Storm Water, Urban Research, ...**5.0356**

DRAINAGE OF STRATIFIED FOILS ...Drainage, Drainage Engineering, Soil-water-plant Relationships, ...**5.0939**

DRAINAGE SYSTEMS - PIPE AND FILTERS ...Drainage Engineering, Filters, Hydraulic Gradient, Pipelines, Pipes, ...**8.0018**

IMPROVEMENT AND MODERNIZATION OF SURFACE AND SUBSURFACE DRAINAGE PRACTICES AND FACILITIES IN THE CORN BELT ...Corn Belt, Drainage, Pipe, Tube, Plastics - General, ...**4.0191**

DRAINAGE FACILITIES, METHODS, AND DESIGN CRITERIA FOR PROTECTION AND IMPROVEMENT OF AGRICULTURAL CROPS AND SOILS IN THE NORTHERN PLAINS ...Design Criteria, Drainage, Flow Characteristics -water, Simulation, ...**4.0064**

DRAINAGE SYSTEMS FOR THE GREAT BASIN ...Artesian Flow, Drainage, Great Basin, Groundwater Movement, Permeability, ...**4.0164**

Earth & Rockfill Dams

THE EFFECT OF HIGH CONFINING PRESSURE ON THE DEFORMATION OF SOIL ...Dams, Deformation, Foundations-general, Pressure-other, Shear Strength, ...**8.0013**

COMPILATION OF EARTH DAM CRITERIA FOR DESIGN USE ...Abstracts, Dams, Design Criteria, Engineering Structures-general, ...**8.0254**

SHEAR STRENGTH OF ROCK FILL ...Consolidation, Engineering Structures-general, Granular-general, Shear Strength, Triaxial, ...**8.0016**

TECHNICAL SUPPORT, INVESTIGATIONS OF ARCTIC CONSTRUCTION ...Arctic, Cold - Climates, Construction, Thermal Properties-general, ...**8.0266**

SPECIAL STUDIES FOR CIVIL WORKS SOILS PROBLEMS ...Design Criteria, Erosion Control, Field Soils Compaction, Slopes, Wave Action, ...**8.0255**

EARTH AND ROCKFILL DAM DESIGN PRACTICES ...Dams, Design Criteria, Earthquakes, Engineering Structures-general, Soil Stability Analysis, ...**8.0137**

EXPLOSIVE EXCAVATION IN THE DEVELOPMENT OF WATER RESOURCES ...Excavation, Nuclear Power, Open Channel, Reservoirs, Water Resources Development, ...**8.0041**

Gravity Dams

PROTOTYPE ANALYSIS-STRUCTURAL BEHAVIOR ...Mass, Ohio River, Piezometers, Seepage, Uplift, ...**8.0149**

REINFORCEMENT OF OPENINGS IN MASSIVE CONCRETE STRUCTURES ...Analysis Structural, Fracture Mechanics, Reinforced, Stress Concentration, Thermal, ...**8.0093**

MASSIVE-HEAD BUTTRESS DAMS ...Dams-other, Foundations-general, Stresses-general, Uplift, ...**8.0094**

Groin

HYDRODYNAMIC CHARACTERISTICS OF FLOW CONCENTRATION GROINS ...Aeration, Engineering Structures-general, Floods, Flow Characteristics -water, Streams, ...**8.0268**

COASTAL WORKS EVALUATION FOR CHECKING, IMPROVING AND DEVELOPING DESIGN RELATIONSHIPS AND CONSTRUCTION TECHNIQUE ...Breakwaters, Construction, Development, Jetty, Shoreline Structures, ...**8.0148**

STABILIZATION OF SHORES BY GROINS AND JETTIES ...Development, Jetty, Models, Sedimentation, Wave Action, ...**2.0263**

Jetty

COASTAL WORKS EVALUATION FOR CHECKING, IMPROVING AND DEVELOPING DESIGN RELATIONSHIPS AND CONSTRUCTION TECHNIQUE ...Breakwaters, Construction, Development, Groin, Shoreline Structures, ...**8.0148**

STABILIZATION OF SHORES BY GROINS AND JETTIES ...Development, Groin, Models, Sedimentation, Wave Action, ...**2.0263**

RUBBLE-MOUND PROTOTYPE STUDIES ...Breakwaters, Shoreline Structures, Water Motion Recorders, Wave Action, Waves, ...**8.0156**

Locks

PROTOTYPE ANALYSES - LOCK BEHAVIOR INVESTIGATION ...Concrete-general, Deflection, Hydraulic Structures, Internal, Pressure-general, ...**8.0256**

LOCK FILLING AND EMPTYING SYSTEM ...Design Criteria, Water Transportation, ...**8.0244**

Reservoirs

RECREATIONAL IMPACT OF FEDERAL MULTI-PURPOSE RESERVOIRS ...Highway Classification-other, Planning, Projected Demand, Recreation Sites, Reservoirs and Impoundments, Touring, Transportation Needs, ...**6.0219**

UNSTEADY FLOW PARAMETERS IN HYDRAULIC DESIGN ...Conduit, Incompressible, Pressure, Transition Sections, Unsteady, ...**8.0200**

SUBJECT INDEX

Hydrocarbons

EXPERIMENTAL INVESTIGATION OF HYDRAULIC TRANSIENTS IN RIVER-RESERVOIR SYSTEMS ...Hydraulics-general, Model Studies, Open Channel, Streams, Transition Sections, ...2.0993

CHANGES IN NATURAL CHANNELS RESULTING FROM CONTROL DEVICES IN THE UPPER REACHES OF THE BASINS ...Channels, Control Factors-general, Open Channel, Sedimentation, Structure Sites, ...2.0685

EFFECTS OF LIMNOLOGICAL FACTORS ON WATER TREATMENT ...Iowa, Other, Public Utilities, Reservoirs and Impoundments, Water Quality-general, ...5.0415

DEVELOPING RESERVOIRS FOR SUPPLEMENTAL IRRIGATION ...Leakage, Linings-pavings, Loss, Seepage, Water Loss Control, ...3.0302

DEVELOPMENT OF AN OPERATIONS CONTROL PLAN ...Channel Regulation-other, Controls, Engineering Studies-other, Pump-other, ...6.0072

SEALING OF CANALS AND RESERVOIRS WITH COLORADO CLAYS ...Clay, Colorado, Irrigation Engineering, Open Channel, Particle Size, Permeability, Waterproof, ...8.0144

ENGINEERING GEOLOGY ...Core Analysis, Dams-general, Foundations-general, Geology - Engineering, Highway Sites, ...8.0174

SIPHON TYPE TRICKLE TUBE FOR FARM PONDS AND RESERVOIRS ...Conduit, Design Criteria, Farm Pond, Siphon, Technique Development, Water Level Fluctuation, ...8.0203

OPTIMIZATION TECHNIQUES FOR HYDROLOGIC ENGINEERING ...Floods, Hydrographs, Hydrology-general, Optimization, Reservoirs and Impoundments, Routing, ...6.0075

EXPLOSIVE EXCAVATION IN THE DEVELOPMENT OF WATER RESOURCES ...Earth & Rockfill Dams, Excavation, Nuclear Power, Open Channel, Water Resources Development, ...8.0041

IMPROVEMENT OF WATER SUPPLY SOURCES AND STORAGE FACILITIES IN THE CORN BELT ...Corn Belt, Permeability, Ponds, Seepage, Water Loss Control, ...8.0274

RESERVOIR SEDIMENTATION STUDIES IN CORN BELT STATES ...Design Criteria, General Deposition, Reservoirs and Impoundments, Sediment Yield, Sediments, ...2.0868

Sea Wall

RIPRAP-PROTECTION FOR HYDRAULIC STRUCTURES ...Design Criteria, Dike, Engineering Structures-general, Water Control Works-other, ...8.0245

Spillways

EVALUATION OF SELECTED COMPUTER PROGRAMS IN HYDROLOGY ...Hydrology-general, Model Studies, Routing, Runoff, Storm Water, ...2.0659

GENERAL SPILLWAY TESTS ...Control Gate, Design Criteria, Energy Dissipators, Ext Pressure on Struct-other, Weir, ...8.0242

DEVELOPMENT OF HYDRAULIC DESIGN CRITERIA ...Conduit, Design Criteria, Models, Simulators, Water Control Works-other, ...8.0226

HYDRAULIC PROTOTYPE TESTS ...Channel Regulation-other, Conduit, Models, Simulators, ...8.0228

DETROIT TEST CHUTE ...Channel Geometry, Depth, Flow of Gas in Liquid, Flume Studies, Velocity, ...8.0281

VIBRATION OF LOW-CREST SPILLWAYS ...Hydrodynamic Structures, Non-linear, ...7.0068

HYDRAULIC AND STRUCTURAL DESIGN - SPILLWAYS AND OUTLET WORKS ...Concrete-other, Hydraulic Structures, Models, Ultimate, ...8.0139

Water Control Works-general

ANALYSIS OF SMALL WATER MANAGEMENT STRUCTURES ...Administrative Structures, Hydraulic Structures, Management, Water Distribution Systems, Water Transfer, ...4.0260

HYDRAULIC DESIGN OF STRUCTURES FOR WATER USE AND CONTROL IN THE CORN BELT ...Construction, Corn Belt, Design Criteria, Model Studies, Routing, ...8.0216

Water Control Works-other

ECONOMICS OF FLOOD CONTROL STRUCTURES IN THE LOWER MINNESOTA RIVER WATERSHED DISTRICT ...Economics-general, Floodproofing, Floods, Minnesota, Water Loss Control, ...6.0305

DEVELOPMENT OF HYDRAULIC DESIGN CRITERIA ...Conduit, Design Criteria, Models, Simulators, Spillways, ...8.0226

RIPRAP-PROTECTION FOR HYDRAULIC STRUCTURES ...Design Criteria, Dike, Engineering Structures-general, Sea Wall, ...8.0245

Weir

GENERAL SPILLWAY TESTS ...Control Gate, Design Criteria, Energy Dissipators, Ext Pressure on Struct-other, Spillways, ...8.0242

Hydraulics-general

TRANSPORT PROCESSES OF PARTICLES IN DILUTE SUSPENSIONS IN TURBULENT WATER FLOW ...Colloidal Phenomena, Flow Characteristics -water, Sedimentation, Transport, Turbulent Flow, ...5.0370

TIDAL EFFECTS ON GROUND WATER HYDRAULICS IN HAWAII ...Analog Computers, Groundwater, Hawaii, Model Studies, Tides, ...2.0378

ROTATIONAL STABILITY OF DILUTE POLYMER SOLUTIONS ...Fluid Flow-other, Mass Transfer, Organic, Polymer Type-other, Solution, Transport, ...1.0027

HYDRAULIC GEOMETRY OF STREAMS ...Flow Characteristics -water, Ions and Gases, Low Flow, Physiography-general, River Basins, ...2.0444

EXPERIMENTAL INVESTIGATION OF HYDRAULIC TRANSIENTS IN RIVER-RESERVOIR SYSTEMS ...Model Studies, Open Channel, Reservoirs, Streams, Transition Sections, ...2.0993

DEVELOPMENT OF A MATHEMATICAL MODEL FOR THE SIMULATION OF FLAT-LAND WATERSHED HYDRAULICS ...Development of Models, Mathematical Analysis, Model Studies, Technique Development, Wetlands, ...4.0102

A WATER QUALITY COMPUTER MODEL OF COOK INLET (PHASE ONE - THE HYDRAULIC MODEL) ...Alaska, Computers-general, Estuaries, Model Studies, Water Quality-general, ...7.0002

DYNAMIC MODEL STUDY OF LAKE ERIE ...Inflow, Lake Erie, Model Studies, Synthetic Hydrology-general, ...5.0766

STATUS OF THERMAL POLLUTION AND RESEARCH NEEDS ...Bibliography, Pollution - Effects of, Thermal Pollution, Water Quality Control-general, ...5.1139

CENTER FOR RESEARCH AND TRAINING IN HYDRAULIC AND HYDROLOGIC ASPECTS OF WATER POLLUTION CONTROL ...Document & Literature Info, Training Grants, Fellowships, Water Quality Control-general, ...5.1137

DISPATCHING SYSTEM FOR CONTROL OF COMBINED SEWER LOSSES ...Combined Sewer, Control Gate, Energy Losses-general, Hydrology-general, Meteorological Studies-general, ...5.0609

OPEN-CHANNEL TRANSITIONS IN SUPERCRITICAL FLOW ...Channel Geometry, Critical, Cross-section, Open Channel, Open Channel Flow, ...8.0283

TIDAL FLOWS IN RIVERS AND HARBORS ...Committee-support, Harbors, Streams, Tides, ...2.0688

REGIONAL HYDROLOGIC SYSTEM ANALYSES (HYDRODYNAMICS) ...Groundwater Movement, Permeability, Systems Analysis, ...2.1092

TRANSPORT PROPERTIES OF NATURAL CLAYS ...Clay, Clays, Percolation, Permeability, Sampling, ...2.1102

GRAIN SIZE DISTRIBUTION AND BEDLOAD TRANSPORT ...Bed Load, Channels, Discharge-general, Flume Studies, Grain Size, ...2.1101

FLOW SURFACE PROTECTION ...Aeration, Cavitation-other, Engineering Structures-general, ...8.0038

PIPELINE AND TUNNEL HYDRAULICS ...Conduit, Friction, Pipelines, Pipes, Texas, ...8.0042

INSTRUMENTATION, DATA ACQUISITION, AND COMPUTER TECHNIQUES ...Analog Computers, Automatic Data Acquisition, Data Analysis Applications, Digital Computers, ...7.0019

DESIGN CRITERIA FOR OPEN CHANNELS ...Design Criteria, Irrigation Engineering, Open Channel, Open Channel Flow, Surface Irrigation-general, ...8.0136

STUDIES OF CANAL HYDRAULICS ...Canals, Channel Roughness, Energy Losses-other, Open Channel, Transition Sections, ...8.0130

STREAM FLOW REGIMES ON A SEMIARID RANGELAND WATERSHED ...Agricultural Watersheds, Channels, Hydrographs, Runoff, Storms-general, ...4.0178

Hydrocarbons

BIOCHEMICAL OXIDATION OF HYDROCARBONS IN NATURAL WATERS ...Bacteria (non-specific), Chemostat, Degradation, Organic Matter, Seasonal, ...1.0110

Hydrology-general

- INVESTIGATION OF WATER RESOURCES IN ALASKA ...Gaging, Measurement, Open Channel, Streams, ...2.0269
- HYDROLOGY RESEARCH PROJECT ...Data Acquisition-general, Data Analysis - General, Drainage, Small Watersheds, Structural, ...2.0281
- STATISTICAL, METEOROLOGICAL AND DEPTH-AREA ANALYSIS OF RAINFALL ...Data Analysis Applications, Forecasting, Middle-east-general, Patterns, ...2.0492
- HYDROLOGY PROGRAM ADMINISTRATION AND SUPPORT ...Aerial, Aircraft, E M Radiation-general, Satellites, Water Resources - General, ...6.0141
- DOUBTFUL HYDROGRAPHIC DATA ...Aircraft, Data Analysis - General, Satellites, Technique Development, ...6.0278
- COORDINATION AND LIAISON AT MANNED SPACECRAFT CENTER, HOUSTON ...Aeromagnetic, Aircraft, Geography-physical, Infrared Radiation, Ultra - Violet Radiation, ...6.0146
- NUCLEAR TECHNIQUES IN SOILS HYDROLOGY, SNOW GAGING, AND RELATED APPLICATIONS ...Gaging, General, Radioisotopes, Soil Environment, Soil-water-plant Relationships, ...1.0007
- EXTREME HYDROLOGIC EVENTS & THEIR EFFECTS ON NUCLEAR FACILITIES ...Floods, Natural Recharge, Radioactivity-general, Runoff, Water Table Fluctuation, ...2.0273
- STOCHASTIC STRUCTURE OF HYDROLOGIC SERIES ...Patterns, Runoff, Stochastic Processes, ...6.0109
- SUPPORT OF THE COMMITTEE ON WATER ...Committee-support, Management, Teaching and Research, ...9.0003
- PARTIAL SUPPORT OF THE U. S. NATIONAL COMMITTEE FOR THE INTERNATIONAL HYDROLOGICAL DECADE ...Committee-support, ...9.0005
- NORTH SIERRA OROGRAPHIC, CONVECTIVE CLOUD STUDY - ATMOSPHERIC WATER RESOURCES PROGRAM ...Cloud Physics, Data Display Systems, Modification, Orographic Effects, Precipitation Instruments, ...2.0731
- STRATTON SAGEBRUSH HYDROLOGY STUDY ...Cover Crops, Range, Runoff, Sediment Yield, Soil Environment, ...2.0221
- HYDROLOGIC INVESTIGATION OF WATERSHEDS IN OHIO ...Discharge-general, Ohio, Simulation, Small Watersheds, ...2.0861
- INFLUENCE OF GEOHYDROLOGY ON LANDSCAPE AND SOIL FORMATION ...Morphology-general, Physiography-general, Soil Genesis, Weathering-general, ...5.0409
- GENERALIZED ANALYSIS OF SMALL WATERSHED RESPONSES ...Discharge-general, Forecasting-prediction, Inflow, Small Watersheds, ...2.0084
- HYDROLOGICAL DATA ACQUISITION THROUGH REMOTE RECONNAISSANCE SYSTEMS ...Aerial, Data Acquisition-other, Infrared Radiation, Mapping, Moisture Content, Reflectance, ...7.0075
- GEOPHYSICAL INVESTIGATIONS IN ALLUVIAL BASINS IN SOUTHERN ARIZONA ...Arizona, Electric Logging, Gravity Surveys, Seismic Refraction, ...2.0062
- HYDROLOGIC ASPECTS OF WATER LAWS IN MINNESOTA ...Administrative Structures, Water Cycle, Water Rights-general, Water Transfer, ...6.0306
- A METHOD OF DETERMINING AND MAPPING THE HYDROLOGIC RESPONSE OF UNGAGED WATERSHEDS IN THE SOUTHEAST ...Atlases-maps, Land Use, Morphology-general, Small Watersheds, Southeast, ...7.0025
- APPLICATION OF AN ELECTRONIC ANALOG COMPUTER TO THE SIMULATION OF THE TOTAL HYDROLOGIC-ECONOMIC FLOW SYSTEM ...Analog Computers, Economics-general, Model Studies, River Basins, ...6.0585
- EVALUATION OF HYDROLOGIC EFFECTS OF URBANIZATION ...Land Use, Regression Analysis, Runoff, Small Watersheds, Storm Water, Urban Environments, ...4.0231
- SYSTEMS APPROACH TO FLOW PREDICTION IN WATER RESOURCE PLANNING ...Fourier Transform, Monte Carlo Methods, Non-autonomous, Prediction Models, Regression Analysis, Spectral Analysis, ...2.0915
- COMPUTER SIMULATION OF THE HYDROLOGIC SYSTEM OF A MOUNTAIN WATERSHED ...Digital Computers, Groundwater, Model Studies, Mountains-alpine, Surface Water, Watersheds-other, ...2.0707
- FEASIBILITY STUDY OF ELECTRICAL GEOPHYSICAL METHODS IN THE DETERMINATION OF SUBSURFACE HYDROGEOLOGIC ENVIRONMENTS IN SOUTH CAROLINA ...Electric Logging, Electronics - Applied, Induction, Piedmont Province, Porosity-permeability, Water Table Fluctuation, ...2.0950

- THE INFLUENCE OF WETLANDS ON QUANTITY AND QUALITY OF STREAM FLOW ...Available Water, Evapotranspiration, Low Flow, Streams, Wetlands, ...4.0170
- EFFICIENCY OF DATA COLLECTION SYSTEMS IN HYDROLOGY AND WATER RESOURCES FOR PREDICTION AND CONTROL ...Control and Protection, Economic Efficiency, Hybrid Computers, Systems Analysis, ...7.0004
- WATER RESOURCES IN SOURDOUGH AND MIDDLE CREEK WATERSHEDS - A COMPARATIVE STUDY OF QUALITY AND HYDROLOGY ...Conservation-general, Land Use, Montana, Water Quality Control-general, Watersheds-general, ...5.0695
- EVALUATION OF SELECTED COMPUTER PROGRAMS IN HYDROLOGY ...Model Studies, Routing, Runoff, Spillways, Storm Water, ...2.0659
- GEOCHEMISTRY AND HYDROLOGY OF A SMALL BASIN IN THE UPPER BUFFALO RIVER WATERSHED, TENNESSEE ...Small Watersheds, Tennessee, Water Cycle, Water Properties-general, Weathering Products, ...2.0999
- HYDROLOGIC AND PHOTOGEOLOGIC DETERMINATION OF RAINFALL, RUNOFF, AND GROUNDWATER RELATIONSHIPS IN A DOLOMITE AREA ...Amount, Dolomite, Groundwater, Photogrammetry, Runoff, ...2.0702
- SEQUENTIAL USE WITHIN A HYDROLOGIC COMPLEX ...Management, Model Studies, Other Data Analysis, Systems Analysis, Water Quality-general, ...5.1189
- DISPATCHING SYSTEM FOR CONTROL OF COMBINED SEWER LOSSES ...Combined Sewer, Control Gate, Energy Losses-general, Hydraulics-general, Meteorological Studies-general, ...5.0609
- EFFECTS OF FIRE ON HYDROLOGY AND EROSION ...Erosion-general, Fire Damage, Recovery, Forest Watersheds, Middle Rocky Mts, ...2.0226
- TEMPORARY LININGS FOR WATERWAYS AND EMBANKMENTS ...Cover Crops, Design Criteria, Embankments, Erosion Control, Florida, Lining, ...3.0178
- THE INTERRELATIONSHIP BETWEEN WATERSHED FACTORS THAT AFFECT RUNOFF RATES AND VOLUME YIELDS IN THE SOUTHERN COASTAL PLAINS ...Agricultural Watersheds, Georgia, Morphology-general, Runoff, Water Yield, ...3.0193
- HYDROLOGY OF SMALL AGRICULTURAL WATERSHEDS ...Missouri, Reservoirs and Impoundments, Runoff, Small Watersheds, Water Loss-general, ...4.0151
- HYDROLOGIC CHARACTERIZATION OF SMALL WATERSHEDS ...Mathematical Analysis, Model Studies, Runoff, Small Watersheds, Stochastic Models, ...4.0197
- HYDROLOGY OF WATERSHEDS ON SHALE SOILS ...Fine-grained Clastics, Moisture Content, Moisture Tension, Runoff, Small Watersheds, Soil Properties - Other, ...4.0273
- HYDROLOGIC ANALYSIS BY ANALOG COMPUTERS ...Analog Computers, Groundwater, Hydrographs, Reservoirs and Impoundments, Routing, Surface Water, ...2.0429
- HYDROLOGY AND WATER QUALITY OF SURFACE MINING FOR COAL IN PIKE COUNTY, INDIANA ...Coal-general, Indiana, Strip Mines, Water Quality-general, ...5.0384
- ANALYSIS AND SYNTHESIS OF HYDROLOGIC SYSTEMS ...Computers-general, Flow Characteristics -water, Open Channel Flow, Patterns, Technique Development, ...2.0615
- HYDROLOGIC MEASUREMENT SYSTEMS ...Amount, Data Networks, Error Analysis, Gages, Instrumentation-general, Rain-general, Technique Development, Urban Environments, ...7.0056
- THE NANGARHAR CANAL PROJECT OF EASTERN AFGHANISTAN ...Afghanistan, Canals, Electric Power Plants, Irrigation-general, Water Resources Development, ...4.0179
- DEVELOPMENT OF GROUND WATER CONTROL METHODS FOR THE HEAVY SOILS OF THE LAJAS VALLEY ...Aquifers-general, Groundwater, Piezometry, Puerto Rico, Soil Environment, ...4.0209
- EXPERIMENTAL INVESTIGATION OF HYDROLOGICAL PARAMETERS OF AQUIFERS THROUGH ELECTRICAL RESISTIVITY MEASUREMENTS ...Aquifers-general, Borehole Geophysics, Electric Logging, Other Models, Porosity-permeability, ...7.0028
- GEOLOGY AND HYDROLOGY OF THE PRESIDIO BOLSON, TEXAS AND ADJACENT MEXICO ...Bolsons, Groundwater, Local Stratigraphy, Sedimentary Basins, Water Yield, ...2.1011
- HYDROGEOLOGY OF SOLID WASTE DISPOSAL SITES ...Chemical Analysis (water), Groundwater Movement, Illinois, Sanitary Landfills, ...5.0347
- GEOLOGY OF VALLEY FILL DEPOSITS IN THE MIDDLE ILLINOIS RIVER VALLEY ...Clastic Aquifers, Deposits, Sedimentary History, Valley, Buried, ...7.0036

SUBJECT INDEX

Hysteresis

PERMEABILITY OF UNCONSOLIDATED AQUIFER MATERIALS ...Aquifers-general, Data Analysis Applications, Permeability, Unconsolidated Aquifers, Valleys and Canyons, ...7.0038

MATHEMATICAL SIMULATION OF HYDROLOGIC EVENTS ON UNGAGED WATERSHEDS ...Hydrographs, Mathematical Analysis, Model Studies, Research - Development, Runoff, Watersheds-general, ...2.0462

AQUIFER STUDIES IN MARYLAND - SEDIMENTARY ROCKS IN THE COASTAL PLAIN ...Aquifers-general, Geologic Sections, Management, Specific Rock Unit, Subsurface, Water Allocation, ...2.0561

GEOLOGY AND GROUND WATER RESOURCES OF WARD COUNTY ...Aquifers-general, Geology-general, Groundwater, North Dakota, Water Quality-general, ...2.0841

SIMULATION MODEL FOR THE STUDY OF THE HYDROLOGY OF THE WISCONSIN RIVER ...Flow Characteristics -water, Reservoirs and Impoundments, River Basins, Simulation, Wisconsin, ...2.1155

NORTH FORK CITICO CREEK WATERSHED RESEARCH ...Construction, Forest Watersheds, Land Use, Multiple-purpose Projects, ...4.0229

DEVELOPMENT OF HYDROLOGIC ANALYSIS TECHNIQUES ...Computers-general, Data Analysis - General, Land Use, Model Studies, Technique Development, ...2.0988

AUTOMATIC VHF RADIO HYDROLOGIC DATA REPORTING SYSTEM ...Automatic Data Acquisition, Data Transmission Systems, General Synoptic Observations, Radio, Very High Frequency, ...7.0096

DEVELOPMENT OF HYDROLOGIC EQUIPMENT ...Design Instrumentation-other, Hydraulic Engineering-other, Instrumental Services, Instrumentation-general, Other Telemetry, ...7.0064

HYDROLOGY TRAINING AND METHODOLOGY ...Computers-general, Education and Training, Hydraulic Engineering-other, Meetings, ...9.0001

HYDROLOGIC SIMULATION - DAILY STREAMFLOW ...Antecedent Moisture, Design Flow-flood, Floods, Forecasting-prediction, Reservoirs and Impoundments, ...6.0073

OPTIMIZATION TECHNIQUES FOR HYDROLOGIC ENGINEERING ...Floods, Hydrographs, Optimization, Reservoirs, Reservoirs and Impoundments, Routing, ...6.0075

GENERALIZED HYDROLOGIC DESIGN CRITERIA ...Amount, Reservoirs and Impoundments, Technique Development, Water Resources Development, ...6.0079

HYDROLOGIC RELATIONS IN HAWAII ...Amount, Data Networks, Floodproofing, Hawaii, Runoff, ...2.0365

HYDROLOGIC STUDIES (STORM STUDIES) ...Flood Control, Floodproofing, Patterns, Storms-general, Tables, Compilations, Catalogs, ...2.0549

CONTROL AND PREVENTION OF CULVERT AND ROAD ICINGS ...Culvert, Drainage, Meteorological Studies-general, Roadway-general, Snow and Ice Removal, ...2.0750

FROZEN GROUND INVESTIGATIONS, BARROW, ALASKA ...Alaska, Frost and Permafrost, Ice Content, Permafrost-frozen, Runoff, Small Watersheds, ...2.0748

HYDROLOGIC STUDY OF A SMALL ALASKAN WATERSHED ...Alaska, General, General Synoptic Observations, Small Watersheds, Water Sampling, ...2.0749

HYDROLOGIC STUDIES (STORM STUDIES) HAWAIIAN ISLANDS ...Hawaii, Storm Water, Storms-general, Weather Charts-maps, ...2.0366

SAFFORD VALLEY, ARIZONA GEOPHYSICAL STUDIES ...Arizona, Geophysical Analysis, Groundwater, ...2.0276

POTENTIAL APPLICATIONS OF NUCLEAR EXPLOSIVES IN WATER RESOURCE DEVELOPMENT ...Economics-general, Nuclear Excavation, Nuclear Explosion, Water Law-general, Water Resources Development, ...3.0067

HYDROLOGIC STUDIES LEADING TO SITE UTILIZATION ...Adsorption Capacity, Groundwater, Nuclear Explosion, Pollutants - Path of, Radioactivity-underground Test, Sediment Transport-other, ...3.0134

RESEARCH IN LIMNOLOGY - INTERRELATIONS OF HYDROLOGY AND AQUATIC ECOLOGY ...Biological-general, Chemical-general, Destratification, Organic Matter, Physical-general, ...2.0128

HYDROLOGIC EFFECT OF VEGETATION MODIFICATION ...Model Studies, Modified Water Use, Water Development, Water Movement, Velocity, Water Yield, ...3.0009

HYDROLOGY OF THE COLUMBIA RIVER BASALT ...Columbia Plateaus, Igneous Rocks, Infiltration, Runoff, Specific Rock Unit, Tectonics-general, ...2.0905

SYSTEMS STUDY - MARYLAND PROJECT ...Alternative Planning, Management, Maryland, Planning, Water Resources Development, ...6.0603

ANALYTICAL MODEL OF THE LAND PHASE OF THE HYDROLOGIC CYCLE ...Model Studies, Water Cycle, ...2.0117

AERIAL MEASUREMENT OF HYDROLOGIC PHENOMENA ...Aerial, Data Acquisition-general, Geophysical Analysis, Humidity Instruments, Infrared Radiation, ...7.0003

HYDROLOGY OF HUNGRY HORSE RESERVOIR, MONTANA ...Flow Characteristics -water, Forecasting-prediction, Multiple-purpose Projects, Reservoirs and Impoundments, Total Volume, ...2.0705

HYDROLOGIC INFLUENCES OF STRIP MINING, BEAVER CREEK, KENTUCKY ...Appalachia, Coal-general, Mining Activities, Pollution - Effects of, Strip Mines, ...5.0890

HYDROLOGY OF THE CRYSTALLINE ROCK SYSTEM IN SOUTHEASTERN STATES ...Crystalline, Groundwater, Groundwater Movement, Water Quality-general, Water Wells, Water Yield, ...2.0825

HYDROLOGY OF ARKANSAS RIVER VALLEY, CANON CITY TO STATE LINE ...Arkansas River, Flow Characteristics -water, Groundwater, Irrigation-general, Management, Water Transfer, ...2.0202

HYDROLOGY OF THE SAVANNAH RIVER PLANT, SOUTH CAROLINA --BEDROCK WASTE STORAGE EXPLORATION - HYDROLOGY OF COASTAL PLAIN SEDIMENTS (ABBREV) ...Clastic Aquifers, Coastal Plain, Crystalline Aquifers, Seepage, Underground Waste Disposal, ...5.1108

WATER RESOURCES OF THE LOWER WISCONSIN RIVER VALLEY, WISCONSIN ...Available Water, Projections and Estimations, Water Quality-general, Water Supply-general, Wisconsin, ...2.1149

HYDROLOGIC EFFECTS OF SMALL RESERVOIR ON NEDERLO CREEK, WISCONSIN ...Discharge-general, Reservoirs and Impoundments, Runoff, Water Cycle, Wisconsin, ...2.1148

WATER RESOURCES STUDY, DUVAL COUNTY, FLORIDA ...Carbonate Aquifers, Florida, Surface Water, Total Volume, Water Quality-general, ...2.0330

HYDROLOGY OF UPPER OLD TAMPA BAY, FLORIDA ...Bays, Groundwater Movement, Lakes, Permeability, Water Harvesting, Water Quality-general, ...2.0331

INTENSIVE COOPERATIVE INVESTIGATIONS OF SELECTED POTHOLES ON MISSOURI COTEAU IN DICKEY, WARD AND STUTSMAN COUNTIES, NORTH DAKOTA ...Natural Recharge, Potholes, Water Fowl, N.s., Water Level Fluctuation, Water Loss-general, ...6.0419

ANALYTICAL HYDROGRAPHY IN WATERSHED ENGINEERING ...Agricultural Watersheds, Conservation & Management Eng, Conservation-general, Water Yield, ...4.0131

PRECIPITATION CHARACTERISTICS INFLUENCING HYDROLOGIC PERFORMANCE OF AGRICULTURAL WATERSHEDS IN THE PACIFIC NORTHWEST ...Agricultural Watersheds, Patterns, Runoff, Sediment Yield, Snow-other, ...2.0386

CLIMATE, SOIL AND VEGETATION INFLUENCES ON HYDROLOGY OF RANGELANDS IN THE SOUTHWEST ...Floods, Runoff, Sediment Yield, Water Yield, ...4.0007

THE SIMULATION OF HYDROLOGIC EVENTS IN ARID REGIONS ...Analog Computers, Arid and Desert, Management, Model Studies, Surface Water, ...2.1075

LABORATORY CATCHMENT INVESTIGATIONS RELATING TO HYDROLOGIC SYSTEMS ANALYSIS ...Gaging, Model Studies, Morphology-general, Systems Analysis, ...6.0574

Hydroxyl

MULTILAYER FILTRATION ...Filter-other, Flocculation, Other, Sand, Waste Water Treatment-general, ...5.1187

Hysteresis

A SYSTEMATIC TREATMENT OF THE PROBLEM OF INFILTRATION ...Infiltration, Model Studies, Moisture Content, Patterns, Soil Profile, ...2.0219

PREDICTION OF WATER MOVEMENT IN UNSATURATED SOILS ...Internal Water Movement, Permeability, Saturated-unsaturated, Soil Environment, ...2.0094

PREDICTION OF WATER MOVEMENT IN UNSATURATED SOILS ...Electrical Properties, Internal Water Movement, Moisture Content, Nuclear Moisture Meters, Saturated-unsaturated, Temperature, ...2.1119

Ice Studies

Alteration

- APPLIED PHYSICS AND MECHANICS ...Mechanical, Movement, Sea Ice, ...8.0265
- GREAT LAKES RESEARCH - ICE COVER DISTRIBUTION ...Aerial, Aerspatial, Great Lakes-general, Petrofabrics, Sea Ice, ...2.0645
- GREAT LAKES RESEARCH - GREAT LAKES DEICING ...Bibliography, Great Lakes-general, Ice Properties-general, Origin, Sea Ice, ...2.0646

Ice Jam

- FORM, PROCESSES AND DEPOSITS OF THE KNIK RIVER, ALASKA ...Braided Stream, Deposition-other, Floods, Sediment Transport-other, Sorting, ...2.0782
- MECHANICS OF ICE ...Mechanical, Snow and Ice Removal, St. Lawrence River, Waterways, ...8.0264
- GREAT LAKES RESEARCH - RIVER ICE JAMS ...Great Lakes-general, Streams, Survey Studies, Water Movement-general, ...2.0636

Origin

- GREAT LAKES RESEARCH - GREAT LAKES DEICING ...Bibliography, Great Lakes-general, Harbors, Navigation, Sea Ice, ...2.0643
- GREAT LAKES RESEARCH - ICE CHARACTERISTICS ...Aerial, Lake Superior, Micrometeorology, Petrofabrics, Radiation-terrestrial, Sea Ice, ...2.0644

STEM RESERVOIRS ...Food Supply, Habitat Studies, Productivity e Food Chain, Reservoirs and Impoundments, Streams, ...2.0411

LAWRENCE AVENUE UNDERFLOW SYSTEM ...Combined Sewer, Inlet, Outlet, Pump, Storage-retention-facilities, ...4.0091

BIOLOGICAL SURVEY OF STREAMS OF COLES COUNTY, ILLINOIS ...Aquatic Ecology, Contamination - Water, Environmental Ecology, Fish -non-specific, Streams, ...5.0333

RUNOFF FROM SMALL AGRICULTURAL AREAS IN ILLINOIS ...Agricultural Watersheds, Conservation, Conservation & Management Eng, Runoff, ...3.0220

ECONOMICS AND LEGAL FACTORS IN PROVIDING, USING AND MANAGING WATER RESOURCES IN AGRICULTURE ...Conflicts, Interstate, Legal Review, North Central, Water Demand, ...6.0211

HYDROLOGIC CHARACTERIZATION OF SMALL WATERSHEDS ...Aerial, Area, Mathematical Analysis, Slopes, Small Watersheds, ...6.0206

INVESTIGATIONS OF THE REMOVAL OF IRON FROM GROUNDWATER SUPPLIES IN ILLINOIS ...Demineralization, Filtration, Groundwater, Iron, Precipitation, ...5.0375

CHLORINATION OF WASTE WATER EFFLUENTS ...Activated, Bacteria, Chlorination, Effluent-standards, Sewage Bacteria, ...5.0367

PREPARATION OF A HIGHWAY DRAINAGE POLICY STATEMENT AND PRACTICE MANUAL FOR THE STATE OF ILLINOIS ...Design Criteria, Drainage, Drainage Systems, Handbooks, Roads and Highways, Water Law-general, ...6.0205

SOUTHERN ILLINOIS REGIONAL ECONOMIC DATA SYSTEM ...Data Networks, Economics-general, Impact, Industrial-general, Regional Areas, ...7.0030

A PARASITOLOGICAL STUDY OF FISHES FROM THE PINE HILLS AREA ...Aquatic Ecology, Fish -non-specific, Helminths, Low Temp. -but Above 32f, Springs, ...6.0180

COMPARATIVE STUDIES OF COMMUNITIES IN ILLINOIS ...Administrative Structures, Local Government, Social Aspects, Urban Environments, ...6.0189

AN ECONOMIC ANALYSIS OF SOUTHERN ILLINOIS ...Base Studies, Economics-general, Finance, Trends,projections, ...6.0179

DAILY HEAT BUDGETS IN ENVIRONMENTAL FLUIDS ...Heat Budget, Heat Flow, Ohio, Temperature Or Heat Budgets, ...2.0405

ILLINOIS AND ITS INTERSTATE COMPACTS ...Administrative Structures, Control and Protection, Interstate, Legal Review, Urban Environments, ...6.0185

ALGAE IN ILLINOIS WATERS ...Algae- General, Plant Taxonomy, Water Sampling, ...6.0184

HYDROMETEOROLOGICAL ANALYSIS OF SEVERE RAINSTORMS ...Meteorological Extremes, Patterns, Radar, Storms-general, Weather Charts-maps, ...2.0414

AN ECONOMIC AND LEGAL APPRAISAL OF THE USE OF WATER FOR IRRIGATION AND OTHER PURPOSES ON ILLINOIS FARMS ...Agriculture, Irrigation-general, Legal Review, Legislative Processes, Water Law-general, ...6.0214

STATE GRAVITY SURVEY ...Gravity, Gravity Surveys, Seismic Reflection, Structural Analysis, Structure Location, ...7.0035

TOPOGRAPHIC EFFECTS ON PRECIPITATION ...Applied Climatology, Precipitation Instruments, Topographic Influences, ...2.0412

RADIOACTIVITY IN RAINFALL ...General Synoptic Observations, Radioactivity, Rain-general, ...2.0415

HYDROGEOLOGY OF SOLID WASTE DISPOSAL SITES ...Chemical Analysis (water), Groundwater Movement, Hydrology-general, Sanitary Landfills, ...5.0347

ELECTRICAL EARTH RESISTIVITY SURVEYS ...Clastic Aquifers, Electric Logging, Electrodes, Geophysical Analysis, Groundwater, ...7.0033

STATISTICAL ANALYSIS OF WATER CONSUMPTION ...Consumptive Use, Data Analysis Applications, Urban Environments, Water Sources -general, Water Utilization -general, ...7.0037

ENVIRONMENTAL GEOLOGY OF MCHENRY COUNTY, ILLINOIS ...Aquifers-general, Land Use, Potential of Deposit, Subsurface, Terrain Analysis, ...6.0192

THEORETICAL ANALYSIS OF REGIONAL GROUND-WATER FLOW IN THE HAVANA AREA ...Groundwater Movement, Mathematical Analysis, Model Studies, Subsurface Flow, Water Table Fluctuation, ...2.0410

ENVIRONMENTAL GEOLOGY OF THE SPRINGFIELD-DECATUR AREA ...Appraisals-general, Geology-general, Groundwater, Land Use, Urban Environments, ...6.0193

FISH POPULATION MANIPULATION AT RIDGE LAKE ...Control of Nuisance Species, Depth,water Level, Fluctuation, Lakes, Population Dynamics, Water Level Fluctuation, ...6.0194

CHEMICAL CONTROL OF AQUATIC VEGETATION ...Evaluation, Lakes, of Aquatic Plants, Pre-emergents (plants), ...5.0349

DEPTH DISTRIBUTION OF FISH IN LAKE GLENDALE ...Bluegills, Bream, Food Supply, Lakes, Largemouth Bass, Vertical Distribution, ...6.0197

ALGAL GROWTH POTENTIAL OF ILLINOIS WATERS ...Algae-General, Bioindicators, Growth (non-specific & Ot.), Growth and Differentiation, Other, ...6.0199

FLOOD INUNDATION MAPPING, NORTHEASTERN ILLINOIS ...Atlases-maps, Data Networks, Discharge-general, Floods, Gaging, ...4.0093

Illinois River

A STUDY OF A POLLUTED RIVER, THE ILLINOIS ...Aquatic Ecology, Bioindicators, Contamination - Water, Fish -non-specific, Mollusks -non-specific & Other, ...2.0408

PIT METHOD OF ARTIFICIAL GROUND-WATER RECHARGE ...Aquifers-general, Artificial Recharge, Induced Infiltration, Permeability, Recharge Pits - Wells, ...4.0099

ILLINOIS RIVER STUDY ...Ions and Gases, Low Flow, Self-purification, Streams & Rivers, Waste Water Treatment-general, ...5.0351

LIMNOLOGICAL STUDY OF PEORIA LAKE ...Biological-general, Chemical-general, Turbidity, ...5.0354

Immunology Methods

APPLICATION OF IMMUNOCHEMICAL TECHNIQUES TO THE DETECTION AND IDENTIFICATION OF CHEMICAL AND BIOLOGICAL POLLUTANTS ...Biological Pollutants -general, Chemical Identification, Mineralization, Technique Development, ...5.0260

India

STUDY OF LIQUEFACTION OF SATURATED SANDS ...Earthquakes, Sand, Saturated-unsaturated, Soil Dynamics, Soil Liquefaction, ...8.0184

LIQUEFACTION STUDIES OF TENUGHAT DAM SAND ...Earthquakes, Pore Water, Sand, Soil Dynamics, Soil Liquefaction, Soil Settlements, ...8.0185

LIQUEFACTION STUDIES OF UKAI DAM SAND ...Dams, Earthquakes, Sand, Soil Dynamics, Soil Liquefaction, ...8.0186

Indiana

THE EFFECT OF URBANIZATION ON RUNOFF IN SMALL WATERSHEDS ...Land Use, Model Studies, Runoff, Small Watersheds, Urban Environments, ...2.0458

WATER RESOURCES RESEARCH, MANPOWER AND TRAINING NEEDS FOR INDIANA ...Management, Personnel, Requirement and Resources, Training Grants, Fellowships, ...9.0007

IMPROVED METHODS FOR ESTIMATING MANPOWER NEEDS FOR WATER RESOURCES DEVELOPMENT ...Management, Personnel, Requirement and Resources, Water Resources Development, ...6.0218

ASSEMBLY AND ANALYSIS OF HYDROLOGIC AND GEOMORPHOLOGIC DATA FOR SMALL WATERSHEDS IN INDIANA ...Data Analysis - General, Geomorphology-general, Hydrographs, Small Watersheds, Streams, ...2.0459

DEVELOPMENT OF LAND USE EQUATIONS FOR THE SLOPING SOILS OF INDIANA ...Development of Models, Erosion-general, Land Use, Slopes, Tillage, Cropping Systems, ...2.0464

ESTIMATING SOIL MOISTURE FROM METEOROLOGICAL MEASUREMENTS ...Cover Crops, Evapotranspiration, General Synoptic Observations, Moisture-other, Soil Types, ...2.0474

A STUDY OF THE QUALITY OF INDIANA SURFACE WATERS ...Ions and Gases, Lake Michigan, Ohio River, Surface Water, Water Quality-general, ...5.0389

WATER POLLUTION STUDY OF THE WABASH RIVER ...Data Acquisition-general, Low Flow, Model Studies, Oxygen, Water Quality-general, ...5.0390

HYDROLOGY AND WATER QUALITY OF SURFACE MINING FOR COAL IN PIKE COUNTY, INDIANA ...Coal-general, Hydrology-general, Strip Mines, Water Quality-general, ...5.0384

HYDROLOGY STUDY IN U. S. GYPSUM MINE, SHOALS, INDIANA ...Artesian Flow, Carbonate Aquifers, Hydrated Acid and Norm, Mine Drainage Control, Mine Hydrology, ...5.0386

Indiana

SUBJECT INDEX

MICROBIOLOGICAL ASPECTS OF ACID MINE-DRAINAGE
...Acidity, Autotrophic, Iron Bacteria, Mining Industry, Sulfur Bacteria, ...5.0385

THERMAL AND BIOLOGICAL CHARACTERISTICS OF LAKES
...Algac- General, Evaporation, Lakes, Stratification, Temperature, ...2.0452

EVAPORATION LOSSES FROM LAKES IN INDIANA ...Evaporation, Lakes, Reservoirs and Impoundments, Water Balance-budget, ...2.0454

CHANNEL MEANDER STUDIES ...Channels, Discharge-general, Grain Size, Meanders, Suspension, ...2.0453

LOW FLOW CHARACTERISTICS OF INDIANA STREAMS
...Discharge-general, Flow Characteristics -water, Gaging, Low Flow, ...2.0455

WATER RESOURCES, COLUMBUS, INDIANA AREA ...Alternative Planning, Clastic Aquifers, Groundwater, Model Studies, Water Development, ...2.0456

Induced Infiltration

USING SOIL FILTRATION TO REDUCE POLLUTION POTENTIAL OF LAGOON EFFLUENT ENTERING GROUND WATER SYSTEM ...Animal Wastes - Feed Lots, Filtration, Lagoon, Soil, Soil Conditions, ...5.0402

PIT METHOD OF ARTIFICIAL GROUND-WATER RECHARGE
...Aquifers-general, Artificial Recharge, Illinois River, Permeability, Recharge Pits - Wells, ...4.0099

GEOHYDROLOGIC SYSTEM ANALYSIS WITH AN ELECTRIC ANALOG COMPUTER ...Analog, Analog Computers, Aquifers-general, Digital Computers, Groundwater, Network Synthesis, Systems Analysis, ...2.0417

SPRINGFIELD AREA INFILTRATION STUDY, OHIO ...Artificial Recharge, Clastic Aquifers, Flow Characteristics -water, Ohio, Water Yield, ...4.0196

Industrial Operation

Cost Analysis

STUDIES ON THE FREEZING PROCESS FOR DESALTING SALINE WATERS ...Freezing, Other, Porosity, Thermodynamic Relation, Washing, ...3.0365

OPTIMAL DESALINATION BY GEOMETRIC PROGRAMMING AND MATHEMATICAL DECOMPOSITION ...Decompositions, Desalination, Mathematical Analysis, Optimal Statistics, Other Programming, ...3.0077

MEMBRANES FOR REVERSE OSMOSIS DESALINATION BY DIRECT CASTING ON POROUS SUPPORTS ...Cellulosics, Film, Natural Occurring, Reverse Osmosis, Saline Conversion, ...3.0309

COUNTERWASHERS FOR FREEZE-DISTILLATION DESALINATION ...Fluid Flow-other, Freezing, Packed Bed, Screening, Washing, ...3.0279

DESIGN, CONSTRUCT AND EVALUATE A 1,000 GALLON PER DAY REVERSE OSMOSIS UNIT OF RECTANGULAR CONFIGURATION ...Desalination, Membranes-other, Other, Reverse Osmosis, ...3.0028

DEVELOPMENT OF A 50,000 GALLON PER DAY NELLEN STACK ELECTRODIALYSIS MODULE ...Brackish Water, Desalination, Electrodialysis, Membranes-other, Waste Treatment-economics, ...3.0150

THE DESIGN, CONSTRUCTION AND TESTING OF A 10,000 GPD TRANSPORT DEPLETION DESALINATION PILOT PLANT ...Desalination, Ion Selective, Other, Pilot Plant, ...3.0148

A STUDY OF HYDRODYNAMIC ASPECTS OF REVERSE OSMOSIS %HYPERFILTRATION...Desalination, Fluid Flow-other, Reverse Osmosis, Turbulent, Water Purification Plants, ...5.1144

EVALUATION OF BRINE DESULFATING PROCESS AS APPLIED TO FEEDWATER FOR DESALINATION PLANTS ...Desalination, Economics-general, Pilot Plants, Sulfate, Sulfite, ...3.0409

REVERSE OSMOSIS PERMEATORS - DESIGN STUDY ...Membranes-other, Other, Pilot Plant, Reverse Osmosis, ...3.0367

RECOVERY OF METAL SALTS FROM CONCENTRATED BRINES BY CHELATION CONTRACT NO. 14-01-0001-1692 ...Chelating Agents, Ion Exchange-other, Material Recovery, Potable, Regeneration-other, ...5.0142

DESIGN, CONSTRUCTION AND OPERATION OF A SKID-MOUNTED ION EXCHANGE PILOT PLANT ...Desalination, Economics-general, Ion Exchange-other, Mobile, Pilot Plants, ...3.0329

CONTROLLED FLASH EVAPORATOR, ECONOMIC ANALYSIS AND THE DESIGN OF A DEMONSTRATION PLANT ...Desalination, Evaporation, Pilot Plant, ...3.0326

ENGINEERING ECONOMICS OF WATER DESALTING IN COMBINATION WITH NITROGEN FIXATION FOR AGRICULTURAL CHEMICALS MANUFACTURE ...Ammonia, Desalination, Fixation, Nuclear, Statistical, ...3.0347

CONCEPTUAL DESIGN STUDY FOR ELECTRODIALYSIS ...Desalination, Electrodialysis, Marketing, Membranes-other, Water, ...3.0210

OPERATION AND EVALUATION OF A 50,000 GALLONS PER DAY REVERSE OSMOSIS PILOT PLANT ...Desalination, Economic Efficiency, Pilot Plants, Reverse Osmosis, ...3.0061

REVERSE OSMOSIS PILOT PLANT INVESTIGATIONS ...Desalination, Membranes-other, Other, Pilot Plant, Reverse Osmosis, ...3.0056

REVERSE OSMOSIS MEMBRANE REGENERATION ...Membranes-other, Regeneration-other, Reverse Osmosis, ...3.0054

DEVELOPMENT OF A THIN-LIQUID FILM MEMBRANE DEVICE FOR EFFICIENT DESALINATION BY REVERSE OSMOSIS ...Desalination, Membranes-other, Process Development-other, Reverse Osmosis, ...3.0151

PARAMETRIC ECONOMIC AND ENGINEERING EVALUATION STUDY OF THE REVERSE OSMOSIS PROCESS ...Marketing, Membranes-other, Pilot Plant, Reverse Osmosis, ...3.0164

TEST OPERATION OF A 2,500 GPD TWO-STAGE SEA WATER REVERSE OSMOSIS PILOT PLANT ...Brines, Desalination, Membranes-other, Optimization, Pilot Plant, Reverse Osmosis, ...3.0079

CONCEPTUAL DESIGN STUDY - REVERSE OSMOSIS MEMBRANE ASSEMBLY MODULAR UNIT ...Fluid Flow-other, Membranes-other, Other, Reverse Osmosis, ...3.0345

DESIGN AND CONSTRUCTION OF A LOW PRESSURE HOUSEHOLD REVERSE OSMOSIS UNIT ...Brackish Water, Desalination, Mobile, Potable Water, Reverse Osmosis, ...3.0320

PARAMETRIC ECONOMIC AND ENGINEERING EVALUATION STUDY OF THE ELECTRODIALYSIS PROCESS ...Desalination, Electrodialysis, Other, Survey Studies, ...3.0101

PARAMETRIC ECONOMIC AND ENGINEERING EVALUATION STUDY OF THE ELECTRODIALYSIS PROCESS ...Brackish Water, Desalination, Electrodialysis, Other, ...3.0270

IMPROVEMENT OF ECONOMICS OF ELECTRODIALYSIS SYSTEMS BY SELECTIVE PRETREATMENT ...Brackish Water, Desalination, Electrodialysis, Ion Selective, Other, Waste Water Pre-treatment, ...3.0407

PARAMETRIC ECONOMIC AND ENGINEERING STUDY OF THE REVERSE OSMOSIS PROCESS ...Desalination, Membranes-other, Other, Rate Determination, Reverse Osmosis, Water Costs, ...3.0073

CONCEPTUAL DESIGN STUDY ON ELECTRODIALYSIS MEMBRANE ASSEMBLY MODULAR UNIT DESIGN ...Desalination, Electrodialysis, Membranes-other, Pilot Plant, Potable, ...3.0228

CONCEPTUAL DESIGN STUDY FOR ELECTRODIALYSIS ...Electrodialysis, Gasket Materials, Membranes-other, Polarization, Saline Conversion, ...3.0285

THE THERMOSORB PROCESS FOR DESALTING WATER ...Adsorption-other, Carbon, Desalination, Ion Exchange-other, Thermal Treatment, ...3.0103

A METHOD FOR SYSTEM EVALUATION AND COST-EFFECTIVENESS OF LARGE MULTISTAGE FLASH DESALTING PLANTS ...Computers-general, Desalination, Flash Distillation, Research - Development, Systems Analysis, ...3.0166

APPLICATION OF IRON-ALUMINUM BASE ALLOYS TO SALINE WATER CONVERSION ...Alloy & Systems, Desalination, Pipe, Tube, Stainless Steels-other, Water, ...3.0099

COMBINED DESALINATION AND POWER-GENERATION BASED ON COAL ENERGY ...Coal-general, Desalination, Flash Distillation, Material Recovery, Reverse Osmosis, ...3.0325

PRACTICAL APPLICATION OF FOAM FRACTIONATION TREATMENT OF LOW QUALITY WATER ...Color, Foam, Groundwater, Iron, Pilot Plant, ...5.0037

REMOVAL OF METAL IONS BY FLOTATION WITH SURFACTANTS ...Demineralization, Flotation, Ions and Gases, Other, Surfactants, Temperature, ...5.0692

PRODUCTION OF HIGHLY PALATABLE WATER FROM AIR FOR HOUSEHOLD, LIVESTOCK, AND INDUSTRIAL USE ...Absorption-other, Potable Water, Process Development-other, Solar Still, Water Development, ...3.0242

PRELIMINARY FEASIBILITY AND ECONOMICS OF DESALTING BRACKISH WATERS IN CANDIDATE AREAS OF WEST TEXAS ...Desalination, Electrodialysis, Flash Distillation, Freezing, Reverse Osmosis, Water Costs, ...3.0443

SUBJECT INDEX

Industrial Wastes

PROGRAM FOR FIELD EVALUATION OF REVERSE OSMOSIS PILOT PLANTS ON BRACKISH WATERS ...Brackish Water, Membranes-other, Other, Pilot Plant, Reverse Osmosis, ...3.0115

COMPARATIVE EVALUATION OF REVERSE OSMOSIS PILOT PLANTS OF DIFFERENT DESIGN CONFIGURATIONS ...Desalination, Interface, Membranes-other, Polarization, Reverse Osmosis, ...3.0117

Heat Recovery

DESIGN AND ECONOMIC STUDY OF A GAS TURBINE POWERED VAPOR COMPRESSION PLANT FOR EVAPORATION OF SEAWATER ...Compressors, Desalination, Evaporation, Gas, Water Costs, ...3.0421

CONSTANT TOTAL PRESSURE EVAPORATION WITH HEART REUSE BY A BUILT-IN ENGINE ...Additives, Boiling Point, Condensation, Desalination, Saturated Hydrocarbons, ...3.0135

Industrial Operation-other

ELECTROSORPTION AND DESORPTION PROCESS FOR DEMINERALIZATION ...Adsorption-other, Demineralization, Desalination, Electrochemistry-other, Membranes-other, ...5.0014

Marketing

HIGH POWERED FLOATING NUCLEAR POWER PLANT CONCEPTUAL STUDY ...Desalination, Nuclear, Nuclear Power, Other, ...8.0296

CONCEPTUAL DESIGN STUDY FOR ELECTRODIALYSIS ...Cost Analysis, Desalination, Electrodialysis, Membranes-other, Water, ...3.0210

PARAMETRIC ECONOMIC AND ENGINEERING EVALUATION STUDY OF THE REVERSE OSMOSIS PROCESS ...Cost Analysis, Membranes-other, Pilot Plant, Reverse Osmosis, ...3.0164

MARKETS TO 1980 FOR WASTE WATER TREATMENT AND RENOVATION FACILITIES ...Economic Impact, Forecasting-prediction, Industrial Wastes, Process Design, Waste Water Treatment-other, ...5.0116

DESALINATION AND INTERREGIONAL STUDIES ...Atomic Plants, Benefit-cost Analysis, Desalination, Radioactive Isotope, Water Costs, ...6.0099

Industrial Wastes

USE OF COAGULATION IN THE FLOTATION OF WASTE-WATER ...Biochemical Oxygen Demand, Coagulation, Flotation, Oil - Technological Testing, Primary Treatment, ...5.0338

MARKETS TO 1980 FOR WASTE WATER TREATMENT AND RENOVATION FACILITIES ...Economic Impact, Forecasting-prediction, Marketing, Process Design, Waste Water Treatment-other, ...5.0116

Acid Mine Wastes

CRUSHED LIMESTONE BARRIERS FOR NEUTRALIZATION OF ACID STREAM ...Limestone - General, Neutralization, ...5.1036

MICROBIOLOGICAL REMOVAL OF IRON FROM MINE DRAINAGE WATERS ...Iron, Microbial-bacterial, Oxidation-other, Reduction-other, Sulfur Bacteria, ...5.0925

BIOLOGICAL TREATMENT OF ACID MINE WATER ...Acidity, Anaerobic, Iron, Mining Activities, Model Studies, Process Design, ...5.0795

CONSTRUCTION OF MINE WATER TREATMENT PLANT AT HOLLYWOOD, PENNSYLVANIA ...Disposal, Filtration, Microbial-bacterial, Neutralization, Waste Treatment-economics, ...5.0994

STUDY OF THE USE OF INERT GASES TO ELIMINATE ACID POLLUTION FROM ABANDONED DEEP MINES ...Air-general, Mine Atmosphere Conditions, Mine Hydrology, Pennsylvania, Underground Workings, ...4.0203

THE USE OF INERT GASES TO ELIMINATE POLLUTION FROM ABANDONED MINES ...Air-general, Ammonia, Chlorine, Mine Atmosphere Conditions, Nitrogen, ...4.0205

FEASIBILITY OF THE PURIFICATION OF ACID MINE WATER BY A PARTIAL FREEZING PROCESS ...Freezing, Mining Activities, Waste Treatment-economics, ...5.0997

SULFIDE TREATMENT OF ACID MINE DRAINAGE ...Mining Activities, Regeneration-other, Sludge-general, Sulfide, Waste Treatment-economics, ...5.1004

OPTIMIZATION AND DEVELOPMENT OF IMPROVED CHEMICAL TECHNIQUES FOR THE TREATMENT OF COAL MINE DRAINAGE ...Chemical Treatment, Drainage, Mining Activities, Optimization, Pilot Plant, Process Design, ...5.0999

IN-SITU PRECIPITATION OF SLUDGE RESULTING FROM REACTION OF MINE WATER WITH LOW COST ADDITIVES TO PREVENT MINE DRAINAGE POLLUTION ...Drainage, Mining Activities, Neutralization, Precipitation, Treatment-other, ...5.1000

NEUTRALIZATION AND PRECOAT FILTRATION OF CONCENTRATION SLUDGES FROM MINE WASTE ...Disposal, Filtration, Neutralization, Pennsylvania, Waste Treatment-economics, ...5.1001

ESTIMATING ACID MINE DRAINAGE POTENTIAL FROM COAL BEDS BY USE OF THE SOXHLET EXTRACTOR ...Acidity, Coal-general, Extraction, Iron, Sulfate, Sulfite, ...5.0993

Canning Wastes

DISCHARGE OF INDUSTRIAL WASTES TO MUNICIPAL SEWER SYSTEMS ...Disposal Wastes, Metal Pickling Wastes, New York, Organic Wastes, Pulp and Paper Wastes, ...5.0768

POLLUTION PREVENTION BY AERATION OF FRUIT PROCESSING WASTES ...Activated, Aeration, Aerobic, Drying-dewatering, Lagoon, Solid Waste, ...5.1272

TREATMENT OF ALKALINE WASTES FROM POTATO PROCESSING ...Activated, Concentration, Food Processing Industry, Plant Waste Removal, Treatment, Streams & Rivers, Waste Water Treatment-general, ...5.0465

USE OF FUNGI IMPERFECTI IN WASTE CONTROL ...Effluents-waste Water, Filtration, Food Processing Industry, Fungal Pollutant Sources, Industrial Wastes, Organics, ...5.0595

CONCENTRATION OF SUGAR BEET WASTES FOR ECONOMIC TREATMENT WITH BIOLOGICAL SYSTEMS ...Aerobic, Anaerobic, Chemical Treatment, Precipitation, Waste Treatment-economics, ...5.0192

AEROBIC SECONDARY TREATMENT OF POTATO PROCESSING WASTES WITH MECHANICAL AERATION ...Aeration, Aerobic, Biological Treatment-other, Process Design, Secondary Treatment, Waste Treatment-economics, ...5.0329

CANNERY WASTE TREATMENT BY THE KEHR ACTIVATED SLUDGE PROCESS ...Activated, Aeration, Aerobic, Sewage, Waste Treatment-economics, ...5.0157

DEMONSTRATION OF A FULL SCALE WASTE TREATMENT SYSTEM FOR A CANNERY ...Aeration, Biological Treatment-general, Waste Treatment-economics, ...5.0922

LIME TREATMENT AND INPLANT REUSE OF AN ACTIVATED SLUDGE PLANT EFFLUENT IN THE CITRUS PROCESSING INDUSTRY ...Activated, Drying-dewatering, Lime Treatment, Plant Waste Removal, Treatment, Storage-retention-facilities, Waste Treatment-economics, ...5.0274

RECONDITIONING AND REUSE OF FOOD PROCESSING BRINES ...Brines, Filtration, Lagoon, Waste Treatment-economics, Water Reuse, ...5.0234

INTEGRATED TREATMENT OF LIQUID WASTES FROM FOOD CANNING OPERATIONS ...Biochemical Oxygen Demand, Flocculation, Organics, Trickling, ...5.0235

CANNERY WASTE RESEARCH PROJECT ...Dynamic Programming, in Plant Treatment Wastes, Process Design, Systems Analysis, Waste Treatment-economics, ...5.0099

CHEMICAL AND ENGINEERING ASPECTS OF POTATO PROCESSING WASTES TREATMENT ...Dehydration, Drying-dewatering, Material Recovery Wastes, Plant Waste Removal, Treatment, Potatoes, Waste Treatment-economics, Waste Water Treatment-general, ...5.0979

MICROBIOLOGICAL TREATMENT OF POTATO WASTES ...Additives, Agricultural Microbiology, Industrial Wastes, Material Recovery Wastes, Microbial-bacterial, Plant Waste Removal, Treatment, Trace Analyses-other, ...5.0978

EXPLORATORY STUDIES ON SIMPLIFYING DISPOSAL OF FOOD PROCESSING WASTES ...Activated Carbon, Electrodialysis, Ion Exchange-other, Other, Regeneration-other, Reverse Osmosis, ...5.0057

Chemical Manufacturing Wastes

DEMONSTRATION OF INDUSTRIAL WATER RENOVATION PLANT AT ODESSA, TEXAS ...Petroleum Chemistry, Process Design, Recycle, Waste Treatment-economics, Water Reuse, ...5.1181

WASTE TREATMENT FACILITIES FOR POLY VINYL CHLORIDE MANUFACTURING PLANT ...Activated, Activated Carbon, Effluent-standards, Organic, Pond, ...5.0866

REUSE OF PLANT EFFLUENT AND COOLING WATER BLOW-DOWN AS PROCESS WATER ...Activated, Aeration, Digestion, Pond, Water Reuse, ...5.0814

Industrial Wastes

SUBJECT INDEX

Desalination Wastes

- A STUDY OF THE DISPOSAL OF THE EFFLUENT FROM A LARGE DESALINATION PLANT ...Construction Sites, Copper, Desalination, Effluents-waste Water, Handbooks, ...**3.0295**
- DEEP WELL DISPOSAL OF DESALINATION BRINE WASTES ...Artificial Recharge, Brackish Water, Desalination, Economics-general, Water Law-general, ...**3.0296**
- SEEDING OF BRACKISH WATER ...Evaporation, Material Recovery Wastes, Nucleation, Seale Formation, ...**5.1216**
- SURFACE FACILITIES FOR DISPOSAL OF DESALTING PLANT EFFLUENTS ...Disposal Wastes, Seepage, Waste Disposal-general, Waste Treatment-economics, ...**3.0112**

Diary Wastes

- NITRIFICATION AND DENITRIFICATION OF WASTE WATER ...Activated, Denitrification, Sewage, Sewage - Domestic, Waste Water Treatment-general, ...**5.0598**
- IMPROVEMENT OF TREATMENT OF FOOD INDUSTRY WASTE ...Chemical Treatment, Electrolytic, ...**5.0777**
- THE ENGINEERING MANAGEMENT OF AGRICULTURAL WASTES ...Activated, Animal Waste Removal-treatment, Farm Wastes, Lagoon, Solid Waste, ...**5.0084**
- LAGOONS FOR DAIRY FARMS ...Animal Waste Removal-treatment, Microbial-bacterial, Process Design, Sewage Lagoons, ...**5.1246**

Disposal Wastes

- TREATMENT AND DISPOSAL OF CONDENSATE WASTES FROM HIGH LEVEL WASTE SOLIDIFICATION PROCESSES ...Crystallization-other, Fractionation, Material Recovery Wastes, Nuclear, Precipitation, ...**5.1250**
- ECONOMIC AND ENGINEERING ASPECTS OF WATER IN DELAWARES AGRI-BUSINESS INDUSTRY ...Agri Business, Food Processing Industry, Irrigation-general, Optimization, Projections and Estimations, Water Resources Development, ...**6.0120**
- TREATMENT OF LIQUID WASTE FROM FOOD PROCESSING PLANTS ...Food Processing Industry, Recycle, Salting Out, Waste Water Treatment-general, Water Reuse, ...**5.0497**
- DISCHARGE OF INDUSTRIAL WASTES TO MUNICIPAL SEWER SYSTEMS ...Canning Wastes, Metal Pickling Wastes, New York, Organic Wastes, Pulp and Paper Wastes, ...**5.0768**
- VERIFICATION OF MODEL USED IN THE MANAGEMENT AND CONTROL OF WATER QUALITY ...Management, Model Studies, Washington, Water Quality Control-general, ...**5.1261**
- DISPOSAL OF PAPER MILL EFFLUENT THROUGH IRRIGATION OF BOTTOMLAND HARDWOOD UNDER LOUISIANA CONDITIONS ...Irrigation-general, Louisiana, Pulp and Paper Wastes, Pulp, Paper, and Logging, Waste Disposal-underground, ...**6.0250**
- SHALLOW GROUND-WATER FLOW SYSTEMS IN RELATION TO INDUSTRIAL AND MUNICIPAL WATER SUPPLY AND WASTE DISPOSAL REQUIREMENTS ...Groundwater Movement, Industrial Wastes, Sanitary Landfills, Wisconsin, ...**5.1316**
- DIGESTION OF SLUDGES WITH SODIUM CHLORIDE AND SULFATE ...Chloride, Digestion, Disposal, Sodium, Sulfate, Sulfite, ...**5.0299**
- A DEMONSTRATION PLANT EVALUATION OF FOUR METHODS FOR PULP AND PAPER MILL SLUDGE UTILIZATION AND DISPOSAL ...Disposal, Mulches -other, Pulp and Paper Wastes, Pulp, Paper, and Logging, Pulp, Pulping & Composite, ...**5.0152**
- DISPOSAL OF LIQUID WASTES ...Connecticut, Plants - Systems-general, ...**5.0206**
- WASTE DISPOSAL FROM FOOD PROCESSING PLANTS IN SOUTH CAROLINA ...Food Processing Industry, Percolation, Self-purification, Soil Environment, ...**5.1104**
- SURFACE FACILITIES FOR DISPOSAL OF DESALTING PLANT EFFLUENTS ...Desalination Wastes, Seepage, Waste Disposal-general, Waste Treatment-economics, ...**3.0112**
- PULP AND PAPER WASTE CONTROL AND TREATMENT ...Conservation-general, in Plant Treatment Wastes, Material Recovery Wastes, Pulp and Paper Wastes, Water Reuse, ...**5.0980**

Dye Wastes

- TREATMENT OF DYEING BATH WASTE STREAMS BY FOAMING AND FLOTATION TECHNIQUE ...Color, Complexing, Flotation, Foam, Industrial Wastes, ...**5.1212**

- DETERMINATION OF DEGRADED DYES AND AUXILIARY CHEMICALS IN EFFLUENTS FROM TEXTILE DYEING PROCESSES ...Chromatography-other, Lagoon, Spectroscopy-other, Textile Wastes, Waste Water Treatment-general, ...**5.0297**
- COLOR REMOVAL FROM TEXTILE DYE WASTES BY COAGULATION ...Biochemical Oxygen Demand, Coagulation, Color, Sulfur, Textile Wastes, ...**5.0007**

in Plant Treatment Wastes

- OPERATION OF POTATO PROCESSING PLANTS TO REDUCE WASTE AND STREAM POLLUTION ...Food Processing Industry, Industrial Wastes, Streams, Waste Water Treatment-general, ...**5.0058**
- CANNERY WASTE RESEARCH PROJECT ...Canning Wastes, Dynamic Programming, Process Design, Systems Analysis, Waste Treatment-economics, ...**5.0099**
- PULP AND PAPER WASTE CONTROL AND TREATMENT ...Conservation-general, Disposal Wastes, Material Recovery Wastes, Pulp and Paper Wastes, Water Reuse, ...**5.0980**

Industrial Processes-general

- EFFICIENCY AND ECONOMY OF POLYMERIC SEWAGE CLARIFICATION ...Polyelectrolytes, Sewage - Domestic, Waste Treatment-economics, ...**5.0610**

Industrial Processes-other

- ENHANCEMENT OF WATER QUALITY USING FOREST DERIVED COAGULATING SYSTEMS ...Alcohols, Aldehydes, Coagulation, Condensation, Heterocyclics-other, Pulp, Paper, and Logging, ...**5.1255**
- EFFECTS OF SUGAR REFINING LAGOON EFFLUENTS ON BIOLOGICAL, PHYSICAL, AND CHEMICAL PROPERTIES OF FARGO CLAY ...Clay, Effluents-waste Water, Food Processing Industry, North Dakota, Soil Contamination -other, Soil Properties - Other, ...**5.0834**
- EXPERIMENTAL CLOSED WATER SYSTEM TO ELIMINATE WASTE WATER DISCHARGE FROM JOHNS MANVILLE PLANT 03, DEFIANCE, OHIO ...Alcohols, Screening, Solubility, Waste Water Treatment-general, ...**5.0724**
- AEROBIC TREATMENT OF PACKINGHOUSE WASTES ...Aerobic, Food Processing Industry, Pilot Plant, Pilot Plants, Waste Water Treatment-general, ...**5.0418**
- ANAEROBIC - AEROBIC SUGAR BEET WASTE TREATMENT ...Aerobic, Algae, Anaerobic, Food Processing Industry, Plant Waste Removal, Treatment, Taste and Odor, ...**5.0193**
- AN INVESTIGATION OF TECHNIQUES FOR THE REMOVAL OF CHROMIUM AND CYANIDES FROM ELECTROPLATING WASTES ...Chromium, Electroplated, Extraction, Flotation, Material Recovery Wastes, Recovery, Scrap and Wastes, ...**5.0725**
- HIGH-PRESSURE VAPOR EXTRACTION OF SOLUBLE ORGANIC SOLUTES FROM AQUEOUS INDUSTRIAL WASTE STREAMS ...Extraction, Flow of Gas in Liquid, Gaseous, High Pressure - 1-1000 Atm, Two-phase-other, ...**5.0070**
- SORPTION ISOTHEMS OF PHENOL ON ION EXCHANGE RESINS ...Alcohols, Industrial Wastes, Ion Exchange-other, Isotherm, ...**2.0402**
- STUDY OF EFFECTS OF MILL WASTE WATER ON FISH LIFE ...Contamination - Water, Fish -non-specific, Industrial Wastes, Pollution - Effects of, Pollution Effects, ...**5.1174**
- THE ECOLOGY OF THE MICROBIAL POPULATION OF ACTIVATED SLUDGE ...Activated, Degradation, Mechanisms, Plant Succession, Toxic Substances -non-specific, ...**5.0168**
- IRON ORE FLOTATION ...Beneficiation, Flotation, Mining Industry, Ores, Pollution Abatement, Recovery, Scrap and Wastes, ...**5.0616**
- RESEARCH NEEDS PERTAINING TO PETROLEUM WASTE WATERS ...Mining Activities, Petroleum Chemistry, Petroleum Industry, Water Quality Control-general, ...**5.0914**

Industrial Waste-other

- MARINE OIL-WATER MONITORING INSTRUMENTATION SYSTEM SUBGROUP V ...Detectors, Infrared, Infrared Radiation, Instrumental Services, Oil, Oil - Technological Testing, ...**5.0336**
- MICROBIOLOGY OF SEWAGE LAGOONS - EFFECTS OF INDUSTRIAL WASTES ON COLIFORM AND OTHER ENTERIC ORGANISMS ...Bacteria, Biochemical Oxygen Demand, Food Processing Industry, Lagoon, Sewage Bacteria, Sewage Lagoons, ...**5.0837**

SUBJECT INDEX

Industrial Wastes

REMOVAL OF TRACE METALS FROM WATER BY ION FLOTATION ...Concentration, Domestic, Flotation, Foam, Trace Elements, ...5.0878

STUDIES IN FOAM SEPARATION AND RELATED TECHNIQUES ...Extraction, Foam, Separation-other, Surfactants, ...5.0520

PRIMARY TREATMENT OF STORM WATER OVERFLOW FROM COMBINED SEWERS BY HIGH RATE FINE MESH SCREENS ...Combined Sewer, Filtration, Primary Treatment, Screening, Storm Water, ...5.0931

REMOVAL OF ORGANIC AND EUTROPHYING POLLUTANTS BY COMBINED CHEMICAL AND BIOLOGICAL TREATMENT ...Biological Treatment-general, Chemical Treatment, Denitrification, Eutrophication, Organics, ...5.0399

Laundry Wastes

(U) BIODEGRADABILITY OF DETERGENT COMPOUNDS ...Activated, Biodegradation, Biological, Gas, Sulfonates (rso3na), Surfactants, ...5.0534

Material Recovery Wastes

TREATMENT AND DISPOSAL OF CONDENSATE WASTES FROM HIGH LEVEL WASTE SOLIDIFICATION PROCESSES ...Crystallization-other, Disposal Wastes, Fractionation, Nuclear, Precipitation, ...5.1250

DEVELOPMENT OF ECONOMICAL METHODS OF BORON REMOVAL FROM IRRIGATION RETURN WATERS ...Pollutant-other, Recycle, Reverse Osmosis, Waste Treatment-economics, Waste Water Pre-treatment, ...3.0480

DEVELOPMENT OF A FROTH PROCESS FOR THE TREATMENT OF SOUR WATER ...Chemical Treatment, Demineralization, Foam, Precipitation, Sulfur, ...5.0755

WATER UTILIZATION AND WASTE CONTROL IN THE TEXTILE INDUSTRY ...Alternative Planning, Recycle, Textile Wastes, Waste Water Pre-treatment, ...3.0377

INDUSTRIAL REUSE OF PROCESS WATER ...Biological Treatment-general, Pond, Sewage Lagoons, Water Reuse, ...5.0480

RECOVERY & REUSE OF LIME AS A COAGULANT IN TERTIARY TREAT & NITROGEN REMOVAL FROM TERTIARY TREATED EFFLUENT ...Coagulation, Concentration, Denitrification, Disposal, Tertiary Treatment, ...5.0160

MODEL ADVANCED WASTE-TREATMENT PLANT ...Activated Carbon, Lime Treatment, Pilot Plant, Process Design, Solid Waste, ...5.0504

CHEMICAL SLUDGE DISPOSAL AND CHEMICAL RECOVERY AT THE JOINT FWPCA DISTRICT OF COLUMBIA PILOT PLANT ...Drying-dewatering, Filter-other, Sludge-other, Tertiary Treatment, Waste Treatment-economics, ...5.0243

IMPROVE POLLUTION CONTROL BY REUSE OF PAPER MACHINE PROCESS WATERS ...Effluent-standards, Pulp and Paper Wastes, Recycle, Waste Treatment-economics, Water Reuse, ...5.0807

STEAM STRIPPING OF KRAFT PULP MILL EFFLUENT STREAMS ...Effluent-standards, Effluents-waste Water, Organic Matter, Pulp and Paper Wastes, Pulp, Paper, and Logging, Waste Water Treatment-general, ...5.1263

EFFECT OF SURFACE GROUPS ON ADSORPTION OF POLLUTANTS ...Activated Carbon, Adsorption, Area, Organics, ...5.0987

HYDROLYSIS OF SLUDGE USING LOW PRESSURE STEAM WITH SO₂ AS A HYDROLYTIC ADJUNCT AND TO STUDY THE UTILIZATION OF THE RESULTING HYDROLYSATE ...Chemical Treatment, Digestion, Feeds Or Feed Additives, Fertilizers, Hydrolysis, Waste Treatment-economics, ...5.0782

A STUDY OF A PROCESS FOR PHOSPHATE REMOVAL FROM WATER SUPPLIES USING LANTHANUM PRECIPITATION ...Lanthanum, Phosphate, Phosphite, Process Design, Waste Treatment-economics, Waste Water Treatment-other, ...5.0074

TREATMENT RECOVERY, AND REUSE OF COPPER WIRE MILL PICKLING WASTES ...Copper, Electrochemistry-other, Electrolytic Processes, Metal Pickling Wastes, Regeneration-other, ...5.0722

ULTIMATE DISPOSAL OF PHOSPHATE FROM WASTEWATER BY RECOVERY AS FERTILIZER ...Activated, Ammonia, Disposal, Fertilizers, Nutrients, Phosphate, Phosphite, ...5.0342

STUDY OF UTILIZATION AND DISPOSAL OF LIME SLUDGES CONTAINING PHOSPHATES ...Disposal, Lime Treatment, Phosphate, Phosphite, Waste Treatment-economics, Waste Water Treatment-general, ...5.0892

ALUMINA COLUMNS FOR THE SELECTIVE REMOVAL OF PHOSPHORUS FROM WASTEWATERS AND THE ULTI-

MATE DISPOSAL OF PHOSPHORUS AS CALCIUM PHOSPHATE ...Aluminum, Phosphate, Phosphite, Process Design, Regeneration-other, Selective-removal, ...5.1243

AN INVESTIGATION OF TECHNIQUES FOR THE REMOVAL OF CHROMIUM AND CYANIDES FROM ELECTROPLATING WASTES ...Chromium, Electroplated, Extraction, Flotation, Industrial Processes-other, Recovery, Scrap and Wastes, ...5.0725

UTILIZATION OF OIL FIELD BRINES AS A POSSIBLE FERTILIZER SOURCE ...Atomic Absorption, Brines, Emission, Geochemical Analysis, X-ray, ...1.0056

SEEDING OF BRACKISH WATER ...Desalination Wastes, Evaporation, Nucleation, Scale Formation, ...5.1216

USE OF COAL AS ADSORBENT FOR TREATING WASTE WATER ...Adsorption-absorption-other, Anaerobic, Coal-general, Domestic, Secondary Treatment, ...5.1017

POLLUTANTS IN PRODUCT AND PROCESS WATERS FROM OIL-SHALE RETORTING OPERATIONS AND METHODS FOR THEIR REMOVAL ...Mining Industry, Oil Shale, Pollutants-general, Technique Development, Waste Water Treatment-general, ...5.1324

LIME SLUDGE RECOVERY AND REUSE ...Demineralization, Lime Treatment, Phosphate, Phosphite, Silicate-general, Treatment-other, ...5.0858

PULP AND PAPER WASTE CONTROL AND TREATMENT ...Conservation-general, Disposal Wastes, in Plant Treatment Wastes, Pulp and Paper Wastes, Water Reuse, ...5.0980

CHEMICAL AND ENGINEERING ASPECTS OF POTATO PROCESSING WASTES TREATMENT ...Canning Wastes, Dehydration, Drying-dewatering, Plant Waste Removal, Treatment, Potatoes, Waste Treatment-economics, Waste Water Treatment-general, ...5.0979

MICROBIOLOGICAL TREATMENT OF POTATO WASTES ...Additives, Agricultural Microbiology, Canning Wastes, Industrial Wastes, Microbial-bacterial, Plant Waste Removal, Treatment, Trace Analyses-other, ...5.0978

Metal Pickling Wastes

EFFECT OF SURFACTANT MICELLES ON METAL ION REMOVAL BY FLOTATION FROM METALLURGICAL WASTEWATER ...Copper, Foam, Micelle, Surfactants, Ultrasonics, Zinc, ...5.0691

DISCHARGE OF INDUSTRIAL WASTES TO MUNICIPAL SEWER SYSTEMS ...Canning Wastes, Disposal Wastes, New York, Organic Wastes, Pulp and Paper Wastes, ...5.0768

TREATMENT RECOVERY, AND REUSE OF COPPER WIRE MILL PICKLING WASTES ...Copper, Electrochemistry-other, Electrolytic Processes, Material Recovery Wastes, Regeneration-other, ...5.0722

TREATMENT OF ACID RINSE WATERS ...Aeration, Coagulation, Iron, Lime Treatment, Treatment-other, Water Standards, ...5.0899

Organic Wastes

DISCHARGE OF INDUSTRIAL WASTES TO MUNICIPAL SEWER SYSTEMS ...Canning Wastes, Disposal Wastes, Metal Pickling Wastes, New York, Pulp and Paper Wastes, ...5.0768

DEVELOPMENT OF INSTRUMENTAL TECHNIQUES FOR THE ANALYSIS OF TRACE ORGANIC CONSTITUENTS IN WATER ...Analyzing, Chromatography-other, Infrared, Odor, Organic, ...5.0211

AIR OXIDATION OF ORGANIC COMPOUNDS IN AQUEOUS SYSTEMS ...Chemical Treatment, Kinetics-other, Mass Transfer, Solution, Wet Oxidation, ...5.0215

METAL ION-CATALYZED OXIDATION OF PHENOLS AND AROMATIC AMINES ...Alcohols, Catalytic, Metal Ion, Radioisotopes, ...5.1159

KINETICS OF BIOLOGICAL FILTERS ...Growth Rate, Microbial-bacterial, Microorganisms (non-specific), Pollutant-other, Trickling, ...5.1103

TREATMENT OF MUNICIPAL SECONDARY EFFLUENT BY GRANULAR ACTIVATED CARBON ...Activated Carbon, Chemical Oxygen Demand, Flow Regulations, Regeneration-other, Waste Treatment-economics, ...5.0133

REMOVAL OF COLLOIDAL MATTER FROM WASTE WATER ...Microbial-bacterial, Pollutant-other, Rate of Reaction, Sediments, Waste Water Treatment-general, ...5.0599

REVERSE OSMOSIS TREATMENT OF WASTEWATERS ...Industrial Wastes, Membranes-other, Polyelectrolytes, Process Design, Reverse Osmosis, ...5.0516

ORGANIC SUBSTANCES IN WATER ...Extraction, Gas, Infrared, Pesticides, Vacuum Distillation, ...5.0120

Industrial Wastes

- INVESTIGATIONS OF ALGAE INHIBITING MATERIALS ...Cement, Concrete, Coatings-other, Fouling, Inhibitors, Liquids Or Sprays, Water Distribution Systems, ...3.0106
- CHARACTERIZATION OF ORGANIC CONTAMINANTS IN TEXTILE WASTE EFFLUENTS ...Adsorption-other, Chromatography-other, Extraction-other, Spectroscopy-other, Textile Wastes, ...5.0280

Pulp and Paper Wastes

- WHITE WATER CLARIFICATION AND REUSE ...Electrokinetic-other, Flocculation, Natural Occurring, Waste Treatment-economics, Water Reuse, ...5.0334
- DISCHARGE OF INDUSTRIAL WASTES TO MUNICIPAL SEWER SYSTEMS ...Canning Wastes, Disposal Wastes, Metal Pickling Wastes, New York, Organic Wastes, ...5.0768
- SURVEY OF WATER UTILIZATION AND WASTE CONTROL IN THE PULP AND PAPER INDUSTRY ...Effluents-waste Water, Pulp, Paper, and Logging, Waste Treatment-economics, Waste Water Treatment-general, Water Utilization -general, ...3.0376
- DISPOSAL OF PAPER MILL EFFLUENT THROUGH IRRIGATION OF BOTTOMLAND HARDWOOD UNDER LOUISIANA CONDITIONS ...Disposal Wastes, Irrigation-general, Louisiana, Pulp, Paper, and Logging, Waste Disposal -underground, ...6.0250
- PULP MILL EFFLUENT DISPOSAL ...Bioindicators, Contamination - Water, Dispersion -water, Industrial Wastes, ...5.0940
- FOAM SEPARATION FLOTATION OF COLLOID ORGANIC SYSTEMS ...Chromium, Colloidal Phenomena, Flotation, Foam, Iron, Process Design, Sulfate, Sulfite, Surfactants, ...5.0445
- COMPOSITION OF RESIDUES FROM PULP BLEACHING TREATMENTS ...Chlorination, Extraction, Natural Occurring, Quinones, ...5.0760
- PEAT BOG WASTE STABILIZATION ...Characterization, Drying-dewatering, Industrial Wastes, Minnesota, Waste Water Treatment-general, ...5.0611
- TREATMENT OF KRAFT MILL EFFLUENT BY FOAM SEPARATION ...Biochemical Oxygen Demand, Foam, Pollutant-other, Process Design, Waste Treatment-economics, ...5.0307
- TREATMENT OF SELECTED INTERNAL KRAFT MILL WASTES IN COOLING TOWERS ...Economic Efficiency, Pilot Plant, Recycle, Thermal Pollution, Waste Treatment-economics, ...5.0308
- HIGH RATE TRICKLING FILTERS AND AERATION DEVICES FOR THE ADVANCED BIOLOGICAL TREATMENT OF INTEGRATED KRAFT PULP AND PAPER MILL EFFLUENTS ...Activated, Aeration, Biological Treatment-other, Trickling, Waste Treatment-economics, ...5.0840
- IMPROVE POLLUTION CONTROL BY REUSE OF PAPER MACHINE PROCESS WATERS ...Effluent-standards, Material Recovery Wastes, Recycle, Waste Treatment-economics, Water Reuse, ...5.0807
- IN-PLANT TREATMENT OF DILUTE WASTES OF THE PULPING INDUSTRY ...Biological Treatment-other, Pulp, Pulping & Composite, Reverse Osmosis, Waste Water Pre-treatment, Water Reuse, ...5.1288
- COMBINED INDUSTRIAL AND MUNICIPAL WASTE TREATMENT ...Biological Treatment-other, Combined Sewer, Pilot Plant, Process Design, Waste Water Treatment-general, ...5.1289
- STEAM STRIPPING OF KRAFT PULP MILL EFFLUENT STREAMS ...Effluent-standards, Effluents-waste Water, Material Recovery Wastes, Organic Matter, Pulp, Paper, and Logging, Waste Water Treatment-general, ...5.1263
- A COLOR REMOVAL AND FIBROUS SLUDGE DISPOSAL PROCESS FOR THE KRAFT PAPER INDUSTRY ...Color, Disposal, Lime Treatment, Regeneration-other, Waste Treatment-economics, ...5.0455
- A DEMONSTRATION PLANT EVALUATION OF FOUR METHODS FOR PULP AND PAPER MILL SLUDGE UTILIZATION AND DISPOSAL ...Disposal, Disposal Wastes, Mulches -other, Pulp, Paper, and Logging, Pulp, Pulping & Composite, ...5.0152
- EVALUATION AND DEMONSTRATION OF THE MASSIVE LIME PROCESS FOR THE REMOVAL OF COLOR FROM KRAFT PULP MILL WASTES ...Biochemical Oxygen Demand, Color, Lime Treatment, Pulp, Paper, and Logging, ...5.0783
- ECONOMIC OPTIMIZATION OF SECONDARY TREATMENT AND DETERMINATION OF LOAD TO CONTROL BIOLOGICAL GROWTHS IN A STREAM ...Aeration, Capsule and Slime Layer, Lagoon, Optimization, Storage-retention-facilities, ...5.1222

SUBJECT INDEX

- LIGNIN SULFONATES IN PULP MILL EFFLUENTS ...Column, Natural Occurring, Organic, Sulfonates (rso3na), Ultraviolet, ...5.0959
- A STUDY OF LAND DISPOSAL OF SPENT SULFITE LIQUOR AT BADGER PAPER MILLS, INC., PESHTIGO, WISCONSIN ...Aquifers-general, Disposal, Limestone - General, Neutralization, Pollutants - Path of, ...5.1295
- PULP AND PAPER WASTE CONTROL AND TREATMENT ...Conservation-general, Disposal Wastes, in Plant Treatment Wastes, Material Recovery Wastes, Water Reuse, ...5.0980
- COASTAL DIFFUSION OF POLLUTANTS ...Currents-other, Model Studies, Ocean, Oregon, Outlet, ...5.0973
- SLIME CONTROL ASSOCIATED WITH PULP MILL EFFLUENTS ...Bacterial Pollutant Sources, Industrial Wastes, Nutrition, Sphaerotilus, ...5.0977
- FLUOROMETRIC QUALITATION AND QUANTITATION OF LIGNIN SULFONATES IN WATER ...Fluorometry, Natural Occurring, Pulp and Paper, Sulfate, Sulfite, Sulfonates (rso3na), Type, ...5.0286
- CHARACTERIZATION OF ORGANIC CONTAMINANTS IN PAPER MILL WASTE EFFLUENTS ...Chemical Analysis, Chemical Identification, Chemical Treatment, Distillation-other, Extraction, Organic, ...5.0284

Tannery Wastes

- BIOLOGICAL TREATMENT OF SPENT VEGETABLE TANNINS ...Biological, Chemical Treatment, Dyes and Coloring, Industrial Wastes, Waste Water Treatment-general, ...5.1283
- WASTEWATER TREATMENT PILOT PLANT INVESTIGATION, MIXED CHROME TANNERY WASTEWATER ...Disposal, Drying-dewatering, Pollutant-other, Waste Treatment-economics, Waste Water Pre-treatment, ...5.0536
- TREATMENT OF BEAN HOUSE WASTES FROM A VEGETABLE TANNERY ...Aerobic, Anaerobic, Lime Treatment, Neutralization, Waste Water Treatment-general, ...5.0864
- COMPLETE TREATMENT OF TANNERY INDUSTRIAL WASTE FOR CHROME TANNING, ALUM TANNING AND VEGETABLE TANNING ...Aerobic, Anaerobic, Neutralization, Process Design, Waste Water Pre-treatment, ...5.0436
- AEROBIC BIOLOGICAL TREATMENT, SLUDGE DEWATERING AND DISPOSAL AND EFFLUENT REUSE FOR A SIDE LEATHER TANNERY ...Aerobic, Disposal, Drying-dewatering, Filtration, Lagoon, ...5.0608

Textile Wastes

- TEXTILE WASTE TREATMENT PRACTICE ...Loading, Waste Treatment-economics, Waste Water Treatment-general, Water Costs, ...5.0005
- GAMMA RADIATION OF TEXTILE WASTE WATER TO REDUCE POLLUTION ...Cobalt, Gamma, Industrial Wastes, Other, Waste Water Treatment-general, ...5.0006
- DETERMINATION OF DEGRADED DYES AND AUXILIARY CHEMICALS IN EFFLUENTS FROM TEXTILE DYEING PROCESSES ...Chromatography-other, Dye Wastes, Lagoon, Spectroscopy-other, Waste Water Treatment-general, ...5.0297
- COLOR REMOVAL FROM TEXTILE DYE WASTES BY COAGULATION ...Biochemical Oxygen Demand, Coagulation, Color, Dye Wastes, Sulfur, ...5.0007
- WATER UTILIZATION AND WASTE CONTROL IN THE TEXTILE INDUSTRY ...Alternative Planning, Material Recovery Wastes, Recycle, Waste Water Pre-treatment, ...3.0377
- CHARACTERIZATION OF ORGANIC CONTAMINANTS IN TEXTILE WASTE EFFLUENTS ...Adsorption-other, Chromatography-other, Extraction-other, Organic Wastes, Spectroscopy-other, ...5.0280

Industries

Agriculture Industry

- COOPERATIVE RESEARCH PROJECT IN WESTERN NORTH CAROLINA ...Agricultural Watersheds, Cover Crops, Land Use, Modified Water Use, North Carolina, ...2.0830
- THE VALUE OF WATER IN COMPLEMENTARY INDUSTRY COMPLEXES ...Augmentation-general, Economic Impact, Social Aspects, Utah, ...6.0576
- EVALUATION OF RESOURCE USE AND ECONOMIC EFFECTS DUE TO IRRIGATION WATER AVAILABILITY IN TEXAS ...Economic Impact, Model Studies, Planning, Projections and Estimations, Texas, ...6.0558

SUBJECT INDEX

Industries

ECONOMIC AND LEGAL FACTORS IN PROVIDING, USING AND MANAGING WATER RESOURCES IN AGRICULTURE ...Administrative Structures, Benefit-cost Analysis, Water Allocation, Water Law-general, Water Quality Control-general, Water Resources Development, ...6.0229

ECONOMIC AND LEGAL FACTORS IN PROVIDING, USING, AND MANAGING WATER RESOURCES IN AGRICULTURE ...Economic Impact, Economics-general, Kansas, Management, Water Law-general, ...6.0233

USE OF GROUND WATER IN EXCESS OF RECHARGE ...Administrative Structures, Economic Efficiency, Water - Alternative Uses, Water Rights-general, Water Transfer, ...3.0310

ECONOMIC AND LEGAL FACTORS IN PROVIDING, USING, AND MANAGING WATER RESOURCES IN AGRICULTURE ...Economics-general, Management, Water Costs, Water Law-general, ...6.0429

A SURVEY OF THE SEASONALLY-INUNDATED MARGINS OF LAKE VOLTA (GHANA) ...Floods, Ghana, Soil Types, Topographical -other, ...4.0084

GROUND WATER RESEARCH ...Artificial Recharge, California, Dispersion -water, Groundwater, Groundwater Movement, ...2.0135

CALIFORNIA-ARIZONA ECONOMIC INTERDEPENDENCE AND THE COLORADO RIVER CONFLICT WITH PARTICULAR REFERENCE TO AGRICULTURE ...Agriculture, Colorado River, Economic Impact, Income, Input - Output Analysis, Water Allocation, ...6.0050

IMPACTS OF DROUGHT ON LOCAL ECONOMIES IN KANSAS ...Drought, Economic Impact, History, Kansas, ...2.0517

ECONOMICS OF AGRICULTURAL WATER USE NORTH OF CANADIAN RIVER ...Application, Cost Analysis, Regression Analysis, Texas, Water Costs, ...6.0559

DRAINAGE FARM SERVICE ...Drainage Engineering, Land Use, Research Facilities, Utah, ...4.0254

ECONOMIC INVENTORY OF AGRICULTURAL WATER USE IN THE UNITED STATES ...Economics-general, Survey Studies, Water Demand, Water Resources Development, Water Utilization -general, ...6.0600

VALUE PRODUCTIVITY OF WATER IN AGRICULTURE ...Economic Efficiency, Irrigation-general, Minnesota, Technological Development, Water Demand, ...6.0308

ECONOMICS OF ALTERNATIVE ROUTINES FOR DELIVERING IRRIGATION WATER ...Economic Efficiency, Irrigation-general, Legal Review, Model Studies, Water - Alternative Uses, ...6.0101

Atomic Plants

SIMULATION MODELING OF THERMAL EFFECTS ON SELECTED RIVER SYSTEMS ...Digital Computers, Forecasting-prediction, Model Studies, Self-purification, Thermal Pollution, ...4.0270

PROBABLE EFFECTS ON MARINE ENVIRONMENTS OF DISPERSING BRINE EFFLUENTS FROM LARGE DESALINATION PLANTS IN THE GULF OF CALIFORNIA ...Brines, Desalination, Gulf of California, Marine Environments-general, Pollution - Effects of, ...3.0020

A COMPREHENSIVE ANALYSIS OF THE TULAROSA BASIN SALINE WATER RESOURCES - THEIR AVAILABILITY AND POTENTIAL ECONOMIC DEVELOPMENT ...Brines, Desalination, Electric Power Plants, Impact, New Mexico, ...7.0076

USE OF REACTOR COOLING WATER FROM NUCLEAR POWER PLANTS FOR IRRIGATION OF AGRICULTURAL CROPS ...High Temp. - 85f Or Above, Irrigation-general, Photosynthesis, Respiration, Transpiration and Evap, ...3.0400

TEMPERATURE PREDICTION STUDIES RELATING TO THE DEVELOPMENT OF A POWER REACTOR SITE ON THE LOWER COLUMBIA RIVER ...Columbia River, Construction Sites, Data Networks, Dispersion -water, Thermal Pollution, ...8.0303

EFFECT OF REACTOR EFFLUENT ON QUALITY OF COLUMBIA RIVER WATER ...Columbia River, Digital Computers, Filtration, Pollution - Effects of, Radioactivity-general, ...5.1246

REDUCTION OF RADIOISOTOPES IN HANFORD REACTOR EFFLUENTS ...Effluents-waste Water, Neutron Activation, Nuclear Reactors, Radioactivity-general, ...5.1253

RADIONUCLIDES IN THE SAVANNAH RIVER ESTUARY AND ADJACENT COASTAL WATERS ...Estuaries, Pollutants - Path of, Radioactivity, Radioactivity-general, Tracers, ...5.1098

DESALINIZATION AND INTERREGIONAL STUDIES ...Benefit-cost Analysis, Desalination, Marketing, Radioactive Isotope, Water Costs, ...6.0099

Construction

THE EFFECTS OF ENGINEERING PROJECTS ON THE ECOLOGY OF JONES BAY ...Aquatic Ecology, Bays, Engineering Structures-general, Texas, Water Properties-general, ...6.0543

THE EFFECTS OF ENGINEERING PROJECTS ON THE ECOLOGY OF MOSES LAKE ...Aquatic Ecology, Engineering Structures-general, Lakes, Texas, Water Properties-general, ...6.0544

NORTH FORK CITICO CREEK WATERSHED RESEARCH ...Forest Watersheds, Hydrology-general, Land Use, Multiple-purpose Projects, ...4.0220

FLOOD FLOWS AND SEDIMENT YIELD OF COLMA CREEK BASIN, CALIFORNIA ...California, Floods, Projections and Estimations, Sediment Yield, Urban Environments, Water Yield, ...4.0038

Electric Power Plants

THERMAL POLLUTION AND ITS IMPLICATIONS FOR THE COAL INDUSTRY-A SURVEY OF THE STATE OF KNOWLEDGE ...Data Acquisition-general, Pollution - Effects of, Survey Studies, Thermal Pollution, ...5.0208

FISHERIES-TURBINE RESEARCH COMPENDIUM COMPILATION ...Fish -non-specific, Migration, Mortality Rates, Turbine-other, ...8.0310

COLLECTION OF JUVENILE SALMON IN TURBINE INTAKES ...Columbia River, Control Gate, Mortality Rates, Salmon & Trout - Non-specific, Turbine-other, ...8.0299

REDUCTION OF RIVER HEAT POLLUTION BY TURBULENCE STIMULATION ...Destratification, Engineering Structures-general, Roughness, Stream Rehabilitation, Thermal Pollution, Turbulent Flow, ...5.0214

THE DISTRIBUTION OF TRACE ELEMENTS IN IMPOUNDMENTS ...Arkansas, Reservoirs and Impoundments, Trace Elements, Water Quality Control-general, Water Sampling, ...2.0068

A COMPREHENSIVE ANALYSIS OF THE TULAROSA BASIN SALINE WATER RESOURCES - THEIR AVAILABILITY AND POTENTIAL ECONOMIC DEVELOPMENT ...Atomic Plants, Brines, Desalination, Impact, New Mexico, ...7.0076

A THREE-DIMENSIONAL APPROACH TO THE EXCHANGE OF HEAT AND WATER VAPOR BETWEEN A LARGE WATER BODY AND THE ATMOSPHERE ...Boundary Layer Studies, Diffusion, Evaporation, Heat Exchange, ...2.0793

THERMAL AND INDUSTRIAL POLLUTION - DELAWARE RIVER ...Automatic Data Acquisition, Delaware River, Industrial Wastes, Physical Parameters, Pulp, Paper, and Logging, Thermal Pollution, ...5.0989

EFFECT OF HEATED WATER DISCHARGE FROM IPALCO'S PETERSBURG PLANT ON THE WATERS OF WHITE RIVER, INDIANA ...Biological-general, Chemical-general, Physical-general, Pollution - Effects of, Thermal Pollution, White River, ...5.0383

THE NANGARHAR CANAL PROJECT OF EASTERN AFGHANISTAN ...Afghanistan, Canals, Hydrology-general, Irrigation-general, Water Resources Development, ...4.0179

A UNIFIED APPROACH TO WATER, FOOD AND POWER IN A COASTAL DESERT COMMUNITY ...Arid and Desert, Desalination, Deserts, Diesel, Distilling Units, Greenhouse, Use of Impaired Water, ...3.0015

THE PREDICTION OF WATER QUALITY ASPECTS OF THE WENATCHEE RIVER ...Heat Flow, Recreation Sites, Streams, Thermal Pollution, Washington, ...5.1234

ECONOMIC ANALYSIS OF THE SANTEE-COOPER PROJECT - A RETROSPECTIVE STUDY UTILIZING CURRENT EVALUATION STANDARDS ...Benefit-cost Analysis, Economic Impact, Project Post-evaluation, Reservoirs and Impoundments, ...6.0491

WATER DISPATCHING OPERATIONS BY ELECTRONIC COMPUTER ...Daily, Design Flow-flood, Dynamic Control System, Inflow, Power Generation, Reservoirs and Impoundments, ...2.0984

TURBINE RATING FRAME INTERFERENCE STUDY ...Gaging, Inflow, Tennessee River, Turbine-other, ...8.0287

TEMPERATURE DISTRIBUTION IN THE VICINITY OF WASTE HEAT DISCHARGES ...Mathematical Analysis, Mixing, Stratification, Temperature, Thermal Pollution, ...5.1120

EFFECTS OF HEATED WATER IN A TIDAL ESTUARY ...Bays, Chesapeake Bay, Pollution Effects, Thermal Pollution, Urban Environments, Water Properties-general, ...4.0078

PRECAST CONCRETE FORMS ...Economics-general, Engineering Structures-general, Hydraulic Structures, Pre-cast, ...8.0141

DESIGN OF UNDERGROUND POWERPLANTS ...Borehole Geophysics, Digital Computers, Mechanics of Structures-other, Power Plant, Rock Mechanics, ...8.0031

Industries

SUBJECT INDEX

- UNDERGROUND TRANSMISSION AND EQUIPMENT DIELECTRICS-SOLID, LIQUID, AND INERT GAS ...Cables and Transmission Lines, Evaluation Other, Field Testing, Insulators, Power Transmission, ...8.0123
- ELECTRICAL MACHINERY TEMPERATURE CONTROL ...Motors and Appliances, Other Control Systems, Power Regulator, Temperature, ...8.0125
- STRUCTURAL RESPONSE, DYNAMIC LOADS ...Computers-general, Dynamic-other, Earthquakes, Industrial Structures, Other Computers, Rock Mechanics, ...8.0032
- ULTIMATE STRENGTH DESIGN ...Codes and Standards, Power Development, Reinforced, Structural, ...8.0030
- POWER TRANSMISSION STRUCTURES, NEW TYPES ...Electrical Engineering-general, Power Transmission, Public Utilities, Structural, Transmission Lines, ...8.0120
- CIRCUIT BREAKER RESEARCH ...Circuit Breaker, Electrical Engineering-general, Evaluation Other, Power Transmission, Switching, ...8.0052
- COORDINATION OF PLANT FREQUENCY, D-C-TRANSMISSION AND SYSTEM CONTROL ...Ac-dc, Evaluation Other, Other Generators, Power Conditioner, Power Transmission, ...8.0126
- POWER PRODUCTION ...Nuclear Power, Power Development, Reservoir Systems, Spray Devices, Thermal Pollution, ...5.0983

Food Processing Industry

- ECONOMIC AND ENGINEERING ASPECTS OF WATER IN DELAWARE'S AGRI-BUSINESS INDUSTRY ...Agri Business, Disposal Wastes, Irrigation-general, Optimization, Projections and Estimations, Water Resources Development, ...6.0120
- TREATMENT OF LIQUID WASTE FROM FOOD PROCESSING PLANTS ...Disposal Wastes, Recycle, Salting Out, Waste Water Treatment-general, Water Reuse, ...5.0497
- MICROBIOLOGY OF SEWAGE LAGOONS - EFFECTS OF INDUSTRIAL WASTES ON COLIFORM AND OTHER ENTERIC ORGANISMS ...Bacteria, Biochemical Oxygen Demand, Industrial Waste-other, Lagoon, Sewage Bacteria, Sewage Lagoons, ...5.0837
- EFFECTS OF SUGAR REFINING LAGOON EFFLUENTS ON BIOLOGICAL, PHYSICAL, AND CHEMICAL PROPERTIES OF FARGO CLAY ...Clay, Effluents-waste Water, Industrial Processes-other, North Dakota, Soil Contamination -other, Soil Properties - Other, ...5.0834
- WATER UTILIZATION AND WASTE CONTROL IN THE POULTRY PROCESSING INDUSTRY ...Animal Waste Removal-treatment, Economics-general, Industrial Wastes, Poultry - N S, Waste Water Treatment-general, Water Utilization -general, ...5.0819
- ECONOMIC AND ENGINEERING ASPECTS OF WATER IN DELAWARE'S AGRI-BUSINESS INDUSTRY ...Industrial Wastes, ...6.0121
- TREATMENT OF ALKALINE WASTES FROM POTATO PROCESSING ...Activated, Canning Wastes, Concentration, Plant Waste Removal, Treatment, Streams & Rivers, Waste Water Treatment-general, ...5.0465
- AEROBIC TREATMENT OF PACKINGHOUSE WASTES ...Aerobic, Industrial Processes-other, Pilot Plant, Pilot Plants, Waste Water Treatment-general, ...5.0418
- USE OF FUNGI IMPERFECTI IN WASTE CONTROL ...Canning Wastes, Effluents-waste Water, Filtration, Fungal Pollutant Sources, Industrial Wastes, Organics, ...5.0595
- REMOVAL OF ORGANICS AND NUTRIENTS FROM CITRUS PROCESSING PLANT WASTES ...Activated, Aeration, Citrus, Organics, Pond, Waste Water Treatment-general, ...5.0266
- ANAEROBIC - AEROBIC SUGAR BEET WASTE TREATMENT ...Aerobic, Algae, Anaerobic, Industrial Processes-other, Plant Waste Removal, Treatment, Taste and Odor, ...5.0193
- OPERATION OF POTATO PROCESSING PLANTS TO REDUCE WASTE AND STREAM POLLUTION ...in Plant Treatment Wastes, Industrial Wastes, Streams, Waste Water Treatment-general, ...5.0058
- PILOT PLANT DEVELOPMENT OF THE ION-EXCHANGE PROCESS FOR RECOVERY OF AMINO COMPOUNDS FROM POTATO STARCH FACTORY EFFLUENTS ...Agricultural Chemicals-other, Air Pollution -other, Amino Acids -non-specific, Plant Waste Removal, Treatment, Vegetables, ...5.0990
- WASTE DISPOSAL FROM FOOD PROCESSING PLANTS IN SOUTH CAROLINA ...Disposal Wastes, Percolation, Self-purification, Soil Environment, ...5.1104

Industrial-general

- COOPERATIVE GULF OF MEXICO INVENTORY AND STUDY (AREA DESCRIPTION) ...Atlases-maps, Estuaries, Gulf of Mexico, Mississippi River, Water Properties-general, ...7.0061
- FLUSHING PATTERN OF CERTAIN TIDAL STREAMS IN DELAWARE ...Aquatic Ecology, Circulation -water, Delaware, Discharge-general, Tidal Streams, ...2.0250
- INPUT-OUTPUT ANALYSIS OF WATER USE FOR NEBRASKA INDUSTRIES - WATER RESOURCE PLANNING - WATER DEMAND ...Multiple-purpose Projects, Nebraska, Water Demand, ...6.0336
- A CONTINUATION OF THE STUDY TO DETERMINE THE COSTS OF WATER IN INDUSTRIAL USES ...Benefit-cost Analysis, Computers-general, Model Studies, Water Costs, Water Demand, ...6.0468
- MULTISTRUCTURAL DEMAND MODELS FOR WATER REQUIREMENT FORECASTING ...Model Studies, Projections and Estimations, Social Aspects, Water Demand, ...6.0442
- AN ENGINEERING-ECONOMIC STUDY OF THE INDUSTRIAL GROWTH POTENTIAL OF THE UPPER PASSAIC RIVER BASIN ...Economic Impact, River Basins, Social Aspects, Water Law-general, Water Standards, ...6.0347
- A DEMONSTRATION OF JOINT-MUNICIPAL-INDUSTRIAL WASTE TREATMENT IN THE ONONDAGA LAKE WATERSHED ...Chemical Treatment, Combined Sewer, Local Government, Waste Water Treatment-general, Watersheds-general, ...5.0792
- SOUTHERN ILLINOIS REGIONAL ECONOMIC DATA SYSTEM ...Data Networks, Economics-general, Illinois, Impact, Regional Areas, ...7.0030
- THE RELOCATION OF INDUSTRY AND THE LOCATION OF NEW INDUSTRY AS AFFECTED BY THE AVAILABILITY OF WATER SITES ...Available Water, Mississippi River, ...4.0090
- INVESTIGATION OF LINKAGES OF WATERFRONT MANUFACTURING ...Economic Impact, Input - Output Analysis, Manufacturing, Tennessee River, ...6.0533
- WATER RESOURCES OF THE BOWLING GREEN AREA, KENTUCKY ...Aquifers-general, Groundwater Movement, Kentucky, Streams, Water Quality-general, ...2.0528
- SALT-WATER ENCROACHMENT IN NORTH CAROLINA ESTUARIES ...Chemical-general, Estuaries, Flow Characteristics -water, Saline Water Intrusion, Water Sampling, ...2.0826

Mineral Processing Industry

- ECONOMIC EFFECTS OF WATER ALLOCATION AMONG ALTERNATIVE INDUSTRIAL (NON-AGRICULTURAL) USES ...Economic Impact, Industry, Model Studies, Water - Alternative Uses, Water Allocation, ...6.0597

Mining Industry

- SENSITIVITY OF SELECTED INSECT SPECIES TO DEPRESSED LEVELS OF PH ...Acidity, Bioindicators, Caddis-flies, Mayflies, Ph, Acidity -water, Stone Flies, Plecoptera, ...5.1034
- THE BEHAVIOR OF SMALLMOUTH BASS AS RELATED TO ARTIFICIAL COVER ...Acidity, Behavioral Ecology, Smallmouth Bass, Soil (wildlife) Cover, Water Movement, Currents, ...5.1024
- ACID MINE DRAINAGE MICROBIOLOGICAL STUDIES ...Acidity, Bacterial Pollutant Sources, Identification, Mining Activities, Sewage, ...5.1284
- STRIP-MINING AND WATER QUALITY ...Ions and Gases, Ohio, Storm Water, Strip Mines, Water Quality-general, ...5.0888
- COMPUTER SIMULATION OF AQUIFERS OF COASTAL PLAIN OF NORTH CAROLINA ...Carbonate Aquifers, Computers-general, North Carolina, Saline Water Intrusion, Water Table Fluctuation, ...2.0821
- RECOVERY FROM ACID POLLUTION IN FOUR STRIP-MINE LAKES ...Acidity, Iron, Lakes, Self-purification, Stratification, ...5.0669
- BIOLOGICAL EFFECTS OF HEAVY METAL POLLUTION ...Biological, Heavy Elements, Metals, Microbial-bacterial, Pollution - Effects of , ...5.0034
- APPLICATION OF BACTERIOPHAGES TO ELIMINATE MINE ACIDS ...Acidity, Bacterial Pollutant Sources, Bacteriophages (non-spec & Ot), Isolation, ...5.0995
- A PILOT-SCALE STUDY OF ACID MINE DRAINAGE ...Acidity, Data Acquisition-general, Pollution Abatement, Systems Analysis, ...5.0881

SUBJECT INDEX

Infiltration

- CATAWISSA CREEK MINE DRAINAGE POLLUTION ABATEMENT PROJECT ...Acidity, Mine Hydrology, Pennsylvania, Pollution Abatement, ...5.0998
- MICROBIOLOGICAL ASPECTS OF ACID MINE-DRAINAGE ...Acidity, Autotrophic, Indiana, Iron Bacteria, Sulfur Bacteria, ...5.0385
- COAL STRIP MINE WATERSHED DEMONSTRATION--JACKSON COUNTY, ALABAMA ...Alabama, Aquatic Ecology, Coal-general, Pollution - Effects of , Water Quality-general, ...5.1124
- IRON ORE FLOTATION ...Beneficiation, Flotation, Industrial Processes-other, Ores, Pollution Abatement, Recovery, Scrap and Wastes, ...5.0616
- POLLUTANTS IN PRODUCT AND PROCESS WATERS FROM OIL-SHALE RETORTING OPERATIONS AND METHODS FOR THEIR REMOVAL ...Material Recovery Wastes, Oil Shale, Pollutants-general, Technique Development, Waste Water Treatment-general, ...5.1324
- REDUCTION IN DAMAGES TO FORESTS BY IMPROVING MINING AND REHABILITATION PROCEDURES ...Coal-general, Conservation & Management Eng, Forest Watersheds, Site Index and Site Quality, Soils and Fertilizer, ...4.0120

Petroleum Industry

- THE DECOMPOSITION OF PETROLEUM PRODUCTS IN OUR NATURAL WATERS ...Anaerobic, Aquatic Environments, Chemical, Chemical Treatment-other, Industrial Wastes, ...5.0623
- NORTH FORK ALLUVIAL DECONTAMINATION PROJECT ...Artificial Recharge, Brines, Seepage, Surface Water, Texas, ...5.1145
- OIL CONTAMINATION OF OYSTERS FROM OIL WELL DRILLING MUDS ...Industrial Wastes, Oil, Oysters, Pollution Effects, ...5.0449
- REUSE OF WASTE IRRIGATION WATER TO RECOVER ADDITIONAL PETROLEUM BY WATERFLOODING ...Chemical Analysis (water), D.t.a. , Irrigation-other, Secondary Recovery, Spectroscopy-general, Water Reuse, ...5.0154
- THE CHARACTERISTICS AND POLLUTIONAL PROBLEMS OF PETROCHEMICAL WASTES ...Groundwater, Mining Activities, Other, Petroleum Chemistry, Pollution - Effects of , ...5.0908
- RESEARCH NEEDS PERTAINING TO PETROLEUM WASTE WATERS ...Industrial Processes-other, Mining Activities, Petroleum Chemistry, Water Quality Control-general, ...5.0914
- MINING-POLLUTION CONTROL TECHNOLOGY - OIL PRODUCTION GROUND-WATER RECLAMATION BY SELECTIVE PUMPING ...Brines, Groundwater, Mine Drainage Control, Pumping, Saline Water Intrusion, Secondary Recovery, ...5.0913

Pulp, Paper , and Logging

- STUDIES ON APPLICATION OF RADIOISOTOPE TECHNIQUES IN STREAM POLLUTION PROBLEMS IN THE PULP AND PAPER INDUSTRY ...Iridium, Pollutants - Path of , Radioisotopes, ...5.1233
- MONITORING THE EFFECTS OF LAND USE ON SALMON PRODUCTION ...Alaska, Construction Land Use Effects, Land Use, Logging, Transport, Equipment, Water Sampling, ...5.0039
- ECOLOGY OF SELECTED AQUATIC BACTERIA IN THE SNAKE RIVER ...Bacterial Pollutant Sources, Pollution - Effects of , Sewage, Snake River, Water Bacteria, ...5.1236
- EFFECTS OF PULP MILL EFFLUENTS ON THE GROWTH AND PRODUCTION OF FISH ...Food Supply, Industrial Wastes, Industry Land Use Effects, Pollution - Effects of , Pollution Effects, ...5.0961
- ENHANCEMENT OF WATER QUALITY USING FOREST DERIVED COAGULATING SYSTEMS ...Alcohols, Aldehydes, Coagulation, Condensation, Heterocyclics-other, Industrial Processes-other, ...5.1255
- SURVEY OF WATER UTILIZATION AND WASTE CONTROL IN THE PULP AND PAPER INDUSTRY ...Effluents-waste Water, Pulp and Paper Wastes, Waste Treatment-economics, Waste Water Treatment-general, Water Utilization -general, ...3.0376
- DISPOSAL OF PAPER MILL EFFLUENT THROUGH IRRIGATION OF BOTTOMLAND HARDWOOD UNDER LOUISIANA CONDITIONS ...Disposal Wastes, Irrigation-general, Louisiana, Pulp and Paper Wastes, Waste Disposal -underground, ...6.0250
- THERMAL AND INDUSTRIAL POLLUTION - DELAWARE RIVER ...Automatic Data Acquisition, Delaware River, Electric Power Plants, Industrial Wastes, Physical Parameters, Thermal Pollution, ...5.0989

- EFFECT OF PAPER FIBER WASTES ON FISH EGGS AND JUVENILES ...Fish -non-specific, Minnesota, Oxygen, Pollution - Effects of , Sphaerotilus, ...5.0614
- FILTRATION OF KRAFT PULP LIQUOR THROUGH CHIPS ...Effluents-waste Water, Filter-other, Pulp, Pulping & Composite, Waste Water Treatment-general, ...5.0824
- STEAM STRIPPING OF KRAFT PULP MILL EFFLUENT STREAMS ...Effluent-standards, Effluents-waste Water, Material Recovery Wastes, Organic Matter, Pulp and Paper Wastes, Waste Water Treatment-general, ...5.1263
- INFLUENCE OF LOG RAFTING ON WATER QUALITY ...Bioindicators, Estuaries, Forest Debris, Logging, Transport, Equipment, Streams, ...5.0958
- A DEMONSTRATION PLANT EVALUATION OF FOUR METHODS FOR PULP AND PAPER MILL SLUDGE UTILIZATION AND DISPOSAL ...Disposal, Disposal Wastes, Mulches - other, Pulp and Paper Wastes, Pulp, Pulping & Composite, ...5.0152
- EVALUATION AND DEMONSTRATION OF THE MASSIVE LIME PROCESS FOR THE REMOVAL OF COLOR FROM KRAFT PULP MILL WASTES ...Biochemical Oxygen Demand, Color, Lime Treatment, Pulp and Paper Wastes, ...5.0783
- EFFECTS OF CHEMICAL AND BIOLOGICALLY MODIFIED PULPING EFFLUENTS ON THE PRODUCTION OF FISH ...Effluents-waste Water, Fish -non-specific, Industrial Wastes, Self-purification, Tox & Allergenic Effects, Willamette River, ...5.0936
- EFFECTS OF KRAFT PULP MILL EFFLUENTS ON THE GROWTH AND PRODUCTION OF FISH ...Industrial Wastes, Pollution - Effects of , Pollution Effects, Salmon & Trout - Non-specific, ...5.0966
- PHYSIOLOGICAL EVALUATION OF TREATED TOXIC WASTES ...Bioindicators, Blood Plasma and Serum, Contamination - Water, Pollution Effects, Tissues -biological, ...5.0976
- FLOOD AND SEDIMENT REDUCTION IN THE CONIFEROUS TIMBER ZONE OF CALIFORNIA ...Creep, Floods, Land and Rock Slides, Management, Sediment Yield, ...2.0078

Textile Industry

- DETERMINATION, EVALUATION, AND ABATEMENT OF COLOR IN TEXTILE PLANT EFFLUENTS ...Effluents-waste Water, Pollution Abatement, Water Sampling, ...5.0296
- THE USE OF TAXES, SUBSIDIES, AND REGULATIONS TO CONTROL THE EFFLUENT OF THE TEXTILE INDUSTRY ...Economic Impact, Fiscal, South Carolina, Water Quality Control-general, ...5.1105
- STUDY OF COSTS OF TREATING TEXTILE WASTES IN MUNICIPAL AND INDUSTRIAL SEWAGE PLANTS ...Economics-general, Industrial Wastes, Process Design, South Carolina, Urban Environments, ...6.0489

Infiltration

- SAN ISIDRO WASH STUDY FLOW LOSSES IN AN EPHEMERAL STREAM CHANNEL ...Ephemeral, Evapotranspiration, Gaging, Morphology-general, New Mexico, ...2.0177
- AN ANALYSIS OF THE VEGETATION AND SOIL CHARACTERISTICS OF RANGE WATERSHEDS IN NEVADA ...Cover Crops, Mapping, Runoff, Soil-water-plant Relationships, Species and Species Evaluation, ...2.0740
- REVIEW AND ANALYSIS OF PRECIPITATION AND RUNOFF DATA FOR SELECTED WATERSHEDS IN MINNESOTA ...Floods, Hydrographs, Precipitation-general, Runoff, Watersheds-general, ...4.0140
- HYDROLOGY OF FROZEN GROUND FLOODS ...Floods, Hydrographs, Moisture Content, Permafrost-frozen, Runoff, ...2.0399
- COMPARISON OF VARIOUS FORAGES FOR AGRICULTURAL WASTE WATER DISPOSAL ...Organic Fertility -other, Sprinkler Irrigation, Use of Impaired Water, Waste Disposal -underground, ...5.0494
- ELECTRICAL EFFECTS ON WATER INFILTRATION INTO SOILS ...Electrical Properties, Electroosmosis, Soil Environment, Streaming Potential, Unsaturated Flow, Zeta Potential, ...2.0467
- STUDIES OF SAPROLITE AND ITS RELATION TO THE MIGRATION AND OCCURRENCE OF GROUNDWATER IN CRYSTALLINE ROCKS ...Chemical Sediments, Features, Microstructure, Permeability, Texture, ...2.0350
- FACTORS RESTRICTING INFILTRATION RATES ON DECOMPOSED GRANITIC SOILS ...Floods, Intrusives, Organic-general, Sand, Sierra Nevada, ...2.0732
- QUANTIFICATION AND PREDICTION OF THE INFILTRATION PHASE OF THE HYDROLOGIC CYCLE ...Hydrographs, Internal Water Movement, Mathematical Analysis, Soil Environment, ...2.0468

Infiltration

SUBJECT INDEX

- DYNAMICS OF WATER INFILTRATION INTO SOIL AS GOVERNED BY SURFACE CRUSTING AND SEALING ...Moisture Tension, ...2.0469
- CHARACTERIZATION OF SOIL NONWETTABILITY AND THE DEVELOPMENT OF CRITERIA FOR THE MOST ECONOMIC TREATMENT OF THESE SOILS ...Fire Damage, Recovery, Moisture Tension, Soils and Fertilizer, Surfactants, ...2.0140
- GROUND WATER RECHARGE AS AFFECTED BY SURFACE VEGETATION AND MANAGEMENT ...Antitranspirants, Conservation-general, Groundwater, Natural Recharge, Soil-water-plant Relationships, ...4.0061
- ENGINEERING INVESTIGATION OF STORM WATER INFILTRATION INTO SANITARY SEWERS OF THE EAST BAY MUNICIPAL UTILITY DISTRICT ...Benefit-cost Analysis, Combined Sewer, San Francisco Bay, Storm Water, Water Quality Control-general, ...5.0123
- EFFECT OF RANGE MANAGEMENT ON INFILTRATION, RUNOFF, AND EROSION ...Cover Crops, Management and Fertility, Runoff, ...2.0105
- IRRIGATION MANAGEMENT FOR CROPS ...Irrigation-general, Management, Soil Compaction Or Density, Soil Environment, ...2.0090
- THE PERSISTENCE IN AN ERODED SOIL OF TILTH IMPROVEMENT ENGENDERED BY A SOD-BASED ROTATION ...Physical Properties-general, Soil Environment, Soil Physical Properties, Soil Tillage Methods -other, Tillage, Cropping Systems, ...2.0343
- EFFECTS OF SOIL MANAGEMENT TREATMENTS ON ERODIBILITY AND INFILTRATION CHARACTERISTICS ...Management Effects, Ohio, ...2.0860
- THE EFFECT OF HETEROGENEITIES OF THE SOIL UPON INFILTRATION ...Physical Properties -other, ...2.1165
- CROP, SOIL AND WATER USE EFFECTS OF LOW INTENSITY SPRINKLER IRRIGATION ...Irrigation, ...3.0233
- RUNOFF INDUCEMENT IN ARID LANDS ...Arid and Desert, Linings-pavings, Runoff, Stabilization-general, Storage of Water, Synthetic Hydrology-general, ...3.0238
- INFILTRATION CAPACITIES UNDER VARIOUS VEGETATION TYPES AS INFLUENCED BY WATERSHED MANAGEMENT PRACTICES ...Cover Crops, Environment, Management, Water Yield, Watersheds-general, ...4.0013
- FLOW THROUGH UNSATURATED POROUS MEDIA ...Groundwater, Porous Media - Flow Through, Unsaturated Flow, ...2.0356
- DISPOSAL OF SURFACE WATER ...Drainage, Right-of-way, Runoff, Standards & Criteria, Surface Water, ...2.0150
- CHARACTERIZATION OF THE RATE OF WATER INFILTRATION INTO SOIL ...Moisture Content, Soil Morphology, Profiles, ...2.0471
- ELECTRICAL EFFECTS ON WATER INFILTRATION INTO SOILS ...Electrical Properties, Moisture Content, ...2.0466
- PREDICTING SOLUTE MOVEMENT AND DISTRIBUTION IN SOILS ...Hydrolysis, Salinity, Soil and Rock Leaching, Soil Environment, Subsurface Flow, ...2.1043
- INTERROW WATERSHEDS AS A MEANS OF INCREASING RAINFALL EFFICIENCY ...Irrigation-general, Modified Water Use, Plant Water Use-other, Texas, Water Transfer, ...3.0450
- DESIGN FACTORS IN SURFACE IRRIGATION ...Furrow Irrigation, Irrigation Engineering, Water Application Methods, ...3.0477
- IMPACT OF RECREATIONISTS ON SELECTED SITES ...Irrigation-general, Recreation Areas and Parks, Recreation Sites, Soil Comparison, ...6.0591
- INFLUENCE OF VEGETATION IN SOIL MOISTURE FLOW ...Cover Crops, Groundwater Movement, Soil Environment, Tracers-general, ...2.0946
- UNDERSTANDING OF THE INFILTRATION OF RAIN INTO BURIED WASTE ...Groundwater Movement, Moisture Content, Porosity, Radioactivity-other, Unsaturated Flow, ...2.0948
- FOREST INFLUENCES STUDIES ...Erosion-general, Forest Watersheds, Land Use, Runoff, Stabilization-general, Water Quality-general, ...2.0986
- DENVER MULTIPHASE FLOW ...Analog Computers, Instrumental Services, Internal Water Movement, Transducers, Unsaturated Flow, ...2.0192
- UNSATURATED FLOW STUDIES ...Artificial Recharge, Electrical Properties, Exchange Capacity, Groundwater Movement, Unsaturated Flow, ...2.0286
- HYDROLOGY OF THE COLUMBIA RIVER BASALT ...Columbia Plateaus, Hydrology-general, Igneous Rocks, Runoff, Specific Rock Unit, Tectonics-general, ...2.0905

- FLOW LOSSES IN AN EPHEMERAL STREAM CHANNEL ...Conservation-general, Energy Loss -water, Ephemeral, Morphology-general, Open Channel Flow, Water Cycle, ...2.0178
- UNSATURATED FLOW THEORY APPLIED TO DRAINAGE AND INFILTRATION ...Drainage, Groundwater Movement, Internal Water Movement, Runoff, Unsaturated Flow, ...2.0125
- BEHAVIOR OF POLLUTANTS IN WATER ...Aquatic Or Soil-aquatic Cycles, Decomposition-general, Movement, Leaching, Persistence in Soils, Pesticides -non-specific, Pollutants - Path of, ...5.0190
- FILTER CRITERIA FOR DRAINS AND WATER WELLS ...Drainage, Filters, Filtration, Linings-pavings, Water Wells, ...8.0083
- A THEORETICAL STUDY OF INFILTRATION INTO RANGE AND FOREST SOILS ...Amount, Runoff, ...2.1066
- SOIL WATER MOVEMENT IN RELATION TO THE CONSERVATION OF WATER SUPPLIES ...Computers-general, Conservation-general, Evaporation, Groundwater Movement, Internal Water Movement, Water Loss Control, ...2.0033

RADIOISOTOPIC TRACER STUDY TO INVESTIGATE THE MECHANICS OF LITTORAL TRANSPORT AROUND POINT CONCEPTION, CALIFORNIA ...California, Distribution, Radioisotopes, Sediment Transport-other, Tracers, ...1.0031

ECOLOGICAL-PHYSIOLOGICAL INVESTIGATIONS OF LITTORAL DIATOM COMMUNITIES OF THE YAQUINA RIVER ESTUARY ...Algae- Diatoms, Environment, Oregon, Physiological Ecology, ...5.0949

COLONIZATION RATES OF BENTHIC INVERTEBRATES IN AN OHIO RESERVOIR ...Benthic Fauna, Ohio, Productivity - Food Chain, Reservoirs and Impoundments, Water Level Fluctuation, ...6.0424

TRANSVERSAL DRIFTS IN BOTTOM PROFILE ...Bathymetry, Benthic-bottom, Ocean Waves - Currents, Waves, ...5.0254

THE BIOLOGY OF THE INFAUNA OF A TROPICAL SOFT BOTTOM AREA ...Aquatic Ecology, Benthic Fauna, Estuaries, Florida, Pollution - Effects of, ...5.0263

THE EFFECT OF SELECTED PESTICIDES ON INTERTIDAL BIOTA ...Insecticides -non-specific, Pesticides -non-specific, Pollutants-general, Pollution Effects, Productivity - Food Chain, Swamps-marshes, ...5.0522

Invertebrate Anatomy

THE NORMAL ANATOMY AND HISTOLOGY OF SOME MARINE INVERTEBRATES ...Clams, Histology and Cytology, Pollution Effects, Water Quality-general, ...5.1095

Invertebrate Pathology

MASS MORTALITY OF OYSTERS ALONG THE OREGON COAST ...Bays, Mortality Rates, Oregon, Oysters, Pathology, ...5.0985

PACIFIC OYSTER MORTALITY STUDIES ...Invertebrates, Mortality Rates, Oysters, Pathology, ...6.0266

HISTOPATHOLOGIC EFFECTS OF POLLUTANTS ON CELLS AND TISSUES OF MARINE INVERTEBRATES ...Clams, Computer Matching Code, Contamination - Water, Pollution - Effects of, Pollution Effects, Pollution-other, ...5.1081

BIOLOGICAL ACTIVITIES OF MARINE FUNGI ...Endoparasites -other, Host-parasite Interactions, Marine Fungi (non-specific), Oysters, Pathological Physiology, Plant Developmental Biology, ...5.0289

Invertebrates -non-specific

CHANGES IN STREAM COMMUNITIES ASSOCIATED WITH EFFLUENT - INDUCED EUTROPHICATION ...Aquatic Plants (non-specific), Eutrophication, Number Or Density, Pennsylvania, Streams, ...5.1029

WILD RIVERS ECOLOGY STUDIES ...Acidity, Fish -non-specific, Population Dynamics, Wild Rivers, Wisconsin, ...6.0638

THERMAL PREFERENCES OF MARINE FISHES AND INVERTEBRATES ...Behavior -animal, Fish -non-specific, Water Temperature-non-specific, ...5.0720

SEASONAL CHANGES IN ESTERASE ACTIVITY IN FISH AND INVERTEBRATES. INTERACTIONS BETWEEN PESTICIDES ON FISH ENZYME SYSTEMS ...Biochemical Analysis, Bluegills, Bream, Cholinesterase, Mode of Action -animal, Pesticides -non-specific, ...5.0638

SCREENING AQUATIC INVERTEBRATES TO DETECT AN ORGANISM SUITABLE FOR USE IN A MONITORING PROGRAM ...Bioassays, Bioindicators, Cholinesterase, Fish -non-specific, Metabolism, Monitoring Systems, ...5.0639

ACUTE TOXICITY OF PESTICIDES TO FRESHWATER INVERTEBRATES - DEVELOPMENT OF A LABORATORY STREAM FOR REARING AND TESTING AQUATIC INVERTEBRATES ...Captive Rearing, Invertebrate Cultures, Laboratory, Laboratory Animals, Pesticides -non-specific, ...6.0319

CONTINUOUS-FLOW INVERTEBRATE BIOASSAYS AND PESTICIDES AT COLUMBIA, MO. - ACUTE TOXICITY OF PESTICIDES TO FRESHWATER INVERTEBRATES ...Bioassay, Herbicides -non-specific, Insecticides -non-specific, Laboratory Animals, ...5.0665

UPTAKE OF ORGANIC COMPOUNDS BY MARINE INVERTEBRATES ...Amino Acids, Amino Acids -non-specific, Chemoreceptors, Marine Biology, Metabolism, Nutrition - Invertebrate, Pulse-labelling, ...6.0658

Iodide

SPECTROPHOTOMETRIC AND FLUOROMETRIC DETERMINATION OF SELECTED ANION WATER CONTAMINANTS ...Carbonate, Bicarbonate, Chemical Identification, Fluorometry, Phosphate, Phosphite, Spectroscopy-general, Thiocyanate, ...5.0672

Iodine

DISINFECTION OF SMALL QUANTITIES OF DRINKING WATER ...Chemical Treatment-general, Chlorine, Military Aspects, Potable Water, Sterilants, ...5.0374

Iodine

- THE DETERMINATION OF PLANT ROOTING AND WATER ABSORPTION PATTERNS WITH RADIOIODINE ...Absorption, Fixation, Exchange, Montana, Requirements for Water, Root Absorption, Soil Moisture -non-specific, ...2.0716
- EFFECTIVENESS OF IODINE FOR DISINFECTION OF PUBLIC WATER SUPPLIES & TO DETERMINE PHYSIOLOGICAL EFFECTS ON A HUMAN POPULATION (ABBREV) ...Chemical Treatment-other, Pollution-water, Side Effects, ...5.0249
- STUDY OF SNOW CRYSTAL TYPES IN GREAT LAKES SNOWSTORMS ...Activation Analysis, Great Lakes-general, Inorganic, Storm Water, Structure, ...2.0784
- EFFECT OF THE WARM CLOUD BASE UPON CLOUDSEEDING FROM THE GROUND ...Clouds-precipitation, Nucleation, Nucleation Physics, Silver, Vapor, ...2.0156
- DESTRUCTION OF INFECTIOUS VIRAL NUCLEIC ACID BY IODINE ...Enteroviruses of Humans, Inactivation, RNA, ...5.0843

Ion Exchange

Cation

- THE TRANSPORT OF SALTS AND WATER ACROSS A CATION EXCHANGER UNDER A GRADIENT OF HYDROSTATIC PRESSURE. ...Desalination, Membranes-other, Streaming Potential, Thermodynamic Non Equilibrium, ...3.0467
- REMOVAL OF STRONTIUM-90 FROM ORGANIC WASTES ...Aerobic, Anaerobic, Disposal, Flocculation, Strontium, ...5.0082

Ion Exchange-other

- MULTICOMPONENT FIXED-BED ION EXCHANGE IN THE TREATMENT OF SALINE WATER ...Desalination, Phase Relationship, Reaction-general, Regeneration-other, ...3.0082
- STRUCTURE IN SOLVENTS AND CONCENTRATED SOLUTIONS ...Hydrogen, Infrared, Nuclear Magnetic, Salt, Water, ...1.0035
- INORGANIC ION EXCHANGERS AND THE NUCLEATION OF SCALE FORMING MATERIALS ...Calorimetry, Desalination, Equilibrium - Chemical, Structural Effect-other, Zirconium, ...3.0341
- GEL SEPARATION PROCESSES FOR SALINE SOLUTIONS ...Crosslinked, Desalination, Gel Filtration, Other, ...3.0066
- STUDY OF A SPECIFIC INFLUENCE OF IONIC SPECIES ON STRUCTURING IN WATER ...Configuration, Electrolytes, Entropy, Half Cell, Membranes-other, ...1.0010
- ELECTROLYTIC REGENERATION OF ION EXCHANGE RESINS ...Brackish Water, Desalination, Pilot Plant, Regeneration-other, ...3.0327
- EVALUATION OF INORGANIC MEMBRANES FOR ELECTRODIALYSIS OF BRACKISH WATERS ...Desalination, Electrodialysis, Membranes-other, Stability, Surfactants, ...3.0209
- SEPARATION OF MAGNESIUM FROM CALCIUM IN THEIR SALINE SOLUTIONS ...Calcium, Chelation, Desalination, Magnesium, Separation-general, ...5.0687
- RECOVERY OF METAL SALTS FROM CONCENTRATED BRINES BY CHELATION CONTRACT NO. 14-01-0001-1692 ...Chelating Agents, Cost Analysis, Material Recovery, Potable, Regeneration-other, ...5.0142
- ELECTROCHEMICAL DEMINERALIZATION OF BRACKISH WATER ...Demineralization, Desalination, Electrochemistry-other, Electrode, Regeneration-other, ...3.0039
- FIELD EVALUATION OF THE SUL-BISUL ION EXCHANGE PROCESS FOR DESALTING BRACKISH WATERS ...Brackish Water, Desalination, Mobile, Salinity, ...3.0214
- DESIGN, CONSTRUCTION AND OPERATION OF A SKID-MOUNTED ION EXCHANGE PILOT PLANT ...Cost Analysis, Desalination, Economics-general, Mobile, Pilot Plants, ...3.0329
- IMPROVEMENTS IN DESALINATION BY THE FLASH EVAPORATION PROCESS ...Additives, Desalination, Evaporation, Fluidized Bed, Scale Formation, ...3.0408
- MODIFIED ION-EXCHANGE MEMBRANES FOR WATER PURIFICATION BY REVERSE OSMOSIS ...Cellulose Acetate, Desalination, High Pressure - 1-1000 Atm, Reverse Osmosis, ...3.0289
- CONTINUOUS COUNTERCURRENT EXCHANGE SYSTEM FOR REMOVAL OF CALCIUM, MAGNESIUM AND DISSOLVED OXYGEN FROM FEED WATER ...Desalination, Evaporation, Other, Precipitation, Regeneration-other, ...3.0437

SUBJECT INDEX

- IMPROVED ION EXCHANGE POLYMERS AND MEMBRANES FOR ELECTRODIALYSIS OF SALINE WATER ...Copolymers, Electrodialysis, Membranes-other, Other, ...3.0395
- THE THERMOSORB PROCESS FOR DESALTING WATER ...Adsorption-other, Carbon, Cost Analysis, Desalination, Thermal Treatment, ...3.0103
- CLOSED SYSTEMS FOR ANIMAL SEWAGE TREATMENT ...Aerobic, Digestion, Disinfection, Farm Wastes, Safety, ...1.0060
- CHEMICAL REMOVAL OF NITRATE FROM POTABLE WATER SUPPLIES ...Nitrate, Nitrite, Potable, Potable Water, Reduction-other, ...5.0423
- FLUIDIZED EXCHANGE SYSTEMS FOR REMOVAL OF NITROGEN AND PHOSPHOROUS FROM WASTEWATER ...Fluidized Bed, Nitrate, Nitrite, Nutrients, Phosphate, Phosphite, Waste Water Treatment-general, ...5.0556
- DETERMINATION OF THE FEASIBILITY OF REMOVAL OF ALGAL NUTRIENTS IN LAKE WATERS BY ION-EXCHANGE ...Algae- General, Eutrophication, Lakes, Nutrients, Phosphate, Phosphite, ...2.0610
- RADIOTRACER STUDIES ON RAPID SAND FILTRATION ...Other, Radioisotopes, Reactors-other, Sand, ...5.0295
- EFFECTS OF CHEMICAL IONS ON VIRUS INACTIVATION ...Animal Viruses (non-specific), Concentration, Inactivation, Ionic Effect, Virus, ...5.0475
- AMMONIA REMOVAL FROM AGRICULTURAL RUNOFF BY SELECTIVE ION EXCHANGE ...Ammonia, Ammonium, Process Design, Runoff, Waste Water Treatment-general, Zeolite, ...5.1247
- LIGAND EXCHANGE REAGENTS ...Colorimetric, Complexes, Compound, Dyes and Coloring, Spectroscopy-other, ...5.0431
- RECLAMATION OF BIOLOGICALLY, MECHANICALLY & CHEMICALLY TREATED WASTEWATER FOR POTABLE WATER SUPPLY USES (ABBREV) ...Activated Carbon, Chlorination, Electrodialysis, Risk & Uncertainty, Waste Water Pre-treatment, ...5.0159
- BASIC SALINOGEN ION EXCHANGE RESINS FOR SELECTIVE NITRATE REMOVAL FROM POTABLE AND EFFLUENT WATER ...Effluents-waste Water, Nitrate, Nitrite, Organic, Potable Water, Selective-removal, ...5.0537
- SELECTIVE NITRATE AND PHOSPHATE REMOVAL ...Denitrification, Ion Selective, Nitrate, Nitrite, Phosphate, Phosphite, Selective-removal, Waste Treatment-economics, ...5.0532
- SUPPORT OF THE ADVANCED WASTE-TREATMENT PILOT PLANT AT POMONA, CALIFORNIA ...Carbon, Denitrification, Reverse Osmosis, Sand, Waste Treatment-economics, ...5.0110
- SORPTION ISOTHERMS OF PHENOL ON ION EXCHANGE RESINS ...Alcohols, Industrial Processes-other, Industrial Wastes, Isotherm, ...2.0402
- AQUATIC TRANSPORT OF NUCLEAR DEBRIS ...Canals, Chemical Reactions, Exchange Capacity, Pollutants - Path of, Radioactive Fallout, ...1.0012
- IMPROVED DETECTION TECHNIQUES TO DETERMINE RADIONUCLIDES IN FRESH AND SEA WATER ...Cesium, Fresh Water, Radioactivity-general, Sea Water-general, ...5.1100
- ION EXCHANGE UNIT, 3000 GPH ...Demineralization, Mobile, Other, Potable Water, Radioactivity-general, ...5.1215
- NITRATE REMOVAL FROM THE AGRICULTURAL EFFLUENTS IN THE SAN LUIS DRAIN UTILIZING ION EXCHANGE RESINS ...Chemical Treatment-other, Nitrate, Nitrite, Resins, Runoff, Waste Treatment-economics, ...5.0182
- EUTROPHICATION - REMOVAL OF NUTRIENTS - SHAGAWA LAKE ...Activated Carbon, Coagulation, Eutrophication, Nutrients, Sediments, Tertiary Treatment, Trickling, ...5.0594
- DISSOLVED INORGANIC REMOVAL--SELECTIVE ION AND ORGANIC REMOVAL BY ION EXCHANGE RESINS ...Activated Carbon, Demineralization, Pollutant-other, Regeneration-other, Waste Treatment-economics, ...5.0849
- EUTROPHICATION - SEDIMENT-WATER INTERCHANGE STUDIES ...Eutrophication, Exchange Capacity, Lakes, Nutrients, Sediments, ...5.0982
- REMOVAL OF SUSPENDED SOLIDS AND PHOSPHATE FROM A SECONDARY EFFLUENT BY ALUM COAGULATION AND DUAL MEDIA FILTRATION ...Electrodialysis, Filter-other, Reverse Osmosis, Sedimentation, Waste Treatment-economics, ...5.0848
- EXPLORATORY STUDIES ON SIMPLIFYING DISPOSAL OF FOOD PROCESSING WASTES ...Activated Carbon, Canning Wastes, Electrodialysis, Other, Regeneration-other, Reverse Osmosis, ...5.0057

DYNAMICS OF FISH POPULATIONS IN NATURAL LAKES ...Food Supply, Lakes, Life History Studies, Population Dynamics, ...6.0224

LIMNOLOGY OF DESOTO BEND LAKE, IOWA AND NEBRASKA ...Benthic Organisms (non-specific), Lakes, Nebraska, Plankton (non-specific), Stratification, ...7.0040

RECESSION CHARACTERISTICS OF IOWA STREAMS ...Low Flow, Mathematical Analysis, Streams, Variation in Time, ...5.0413

REOXYGENATION OF IOWA STREAMS ...Aeration, Photosynthesis, Self-purification, Streams, ...5.0417

AN ANALYSIS OF THE ECONOMIC IMPLICATIONS OF THE PERMIT SYSTEM OF WATER ALLOCATION ...Contracts-permits, Economic Efficiency, Economic Impact, Water Allocation, Water Law-general, ...6.0226

EFFECTS OF LIMNOLOGICAL FACTORS ON WATER TREATMENT ...Other, Public Utilities, Reservoirs, Reservoirs and Impoundments, Water Quality-general, ...5.0415

INTERRELATIONSHIP OF SURFACE AND SUB-SURFACE FLOW IN THE NISHNABOTNA DRAINAGE BASIN ...Discharge-other, Drift, Groundwater Movement, River Basins, Valley, Buried, ...2.0481

LIMNOLOGICAL FACTORS AFFECTING PESTICIDE RESIDUES IN SURFACE WATERS ...Chlorinated Hydrocarbons, Persistence of Residues, Phytoplankton, Reservoirs and Impoundments, Runoff, Surface Water, ...5.0416

SIMULTANEOUS FLOW OF WATER AND HEAT IN WATER-UNSATURATED IOWA SOILS DURING EVAPORATION ...Density, Layered System, Moisture Content, Seepage, Thermal Properties-general, ...2.0479

WATERFOWL POPULATIONS AND RECREATIONAL USE PATTERNS IN THE PROPOSED SAYLORVILLE RESERVOIR AREA AS RELATED TO PRE-IMPOUNDMENT CONDITIONS ...Access, Frequency of Use, Population Dynamics, Pre-impoundment Sites, User Patterns, Water Fowl, N.S., ...6.0227

USE OF INFRARED AND OTHER RADIATION TECHNIQUES TO EVALUATE DROUGHT IN IOWA AND ADJACENT AREAS ...Drought, Infrared Radiation, Photography-other, Spectral Reflectance, ...2.0483

DEVELOP AND DEMONSTRATE A METHOD FOR ASSESSING THE EXTENT OF POLLUTION FROM STORM WATER RUNOFF IN AN URBAN AREA ...Alternative Planning, Combined Sewer, Nutrients, Storm Water, Urban Environments, ...5.0705

WEATHER INFORMATION FOR AGRICULTURE ...Applied Climatology, General Synoptic Observations, Moisture Content, Oats, Soil Environment, ...2.0484

A LIMNOLOGICAL INVENTORY OF IOWA LAKES AND STREAMS ...Aquatic Ecology, Aquatic Plants (non-specific), Lakes, Streams, Survey Studies, Water Properties-general, ...7.0042

SOIL AND CLIMATE FACTORS AFFECTING THE EFFICIENT USE OF WATER BY CROPS ...Air - Water - Plant Relations, Applied Climatology, Evaporation, Moisture Content, Moisture Levels, Soil-water-plant Relationships, ...2.0485

AGRICULTURAL AND INDUSTRIAL DEVELOPMENT IN RELATION TO IOWAS ECONOMIC GROWTH ...Agriculture, Base Studies, Economics-general, Income, Model Studies, Requirement and Resources, Water Resources Development, ...7.0043

IRRIGATION INVESTIGATION IN IOWA ...Corn, Irrigation-general, Yield, ...4.0105

IOWA ECONOMETRIC MODEL ...Economics-general, Model Studies, Planning, Projections and Estimations, River Basins, ...6.0225

LOW-FLOW STUDIES OF IOWA STREAMS ...Available Water, Low Flow, Water Law-general, Water Quality Control-general, Water Standards, ...2.0489

FLOOD PROFILES AND FLOOD-PLAIN INFORMATION, CEDAR RAPIDS, IOWA ...Floodplains, Floods, Planning, Urban Environments, Water Law-general, ...2.0490

WATER AVAILABILITY OF MUSCATINE ISLAND, IOWA ...Aquifers-general, Available Water, Chemical-general, Prediction Models, Water Resources Development, ...2.0488

FLOOD PROFILES AND FLOOD-PLAIN INFORMATION, LINN COUNTY, IOWA ...Discharge-general, Floodplains, Floodproofing, Floods, Low Flow, ...2.0491

Iridium

STUDIES ON APPLICATION OF RADIOISOTOPE TECHNIQUES IN STREAM POLLUTION PROBLEMS IN THE PULP AND PAPER INDUSTRY ...Pollutants - Path of, Radioisotopes, ...5.1233

Iron

CORROSION RESEARCH ...Cathodic Protection, Desalination, Water, ...3.0167

PROTECTIVE FILMS FORMED BY PLASMA ANODIZATION ...Aluminum, Anodic, Brines, Desalination, Passivation, ...3.0263

THE EFFECT OF ORGANIC INHIBITORS ON THE DISSOLUTION KINETICS OF IRON ...Corrosion General, Electrochemical-other, Electrode, Inhibitors, Kinetics-other, ...3.0065

THE ROLE OF BRITTLE SURFACE FILMS IN STRESS-CORROSION CRACKING ...Crack Initiation, Propagation, Desalination, Magnesium, Stress Corrosion, ...3.0255

GEOCHEMICAL BEHAVIOR OF IRON AND MANGANESE IN A RESERVOIR (LAKE LYNN, WEST VIRGINIA) FED BY STREAMS CONTAINING ACID MINE DRAINAGE ...Acidity, Geochemical Analysis, Manganese, Mine Drainage Control, West Virginia, ...2.1139

PRECIPITATION OF PHOSPHATES FROM WATER WITH FERROUS SALTS ...Biochemical Oxygen Demand, Chemical Treatment, Phosphate, Phosphite, Precipitation, Waste Water Treatment-general, ...5.0882

IRON AND MANGANESE REMOVAL FROM SMALL GROUND WATER SUPPLIES ...Demineralization, Filtration, Groundwater, Manganese, Technique Development, ...5.1053

PRACTICAL APPLICATION OF FOAM FRACTIONATION TREATMENT OF LOW QUALITY WATER ...Color, Cost Analysis, Foam, Groundwater, Pilot Plant, ...5.0037

REMOVAL OF PHOSPHATE FROM WATER BY ALUMINUM AND IRON ...Aluminum, Complexes, Mechanisms, Phosphate, Phosphite, Waste Water Treatment-general, ...5.0732

CHANGES IN WATER QUALITY PARAMETERS OF RESERVOIRS DURING REGULATED FLOW CONDITIONS ...Eutrophication, Manganese, Tennessee, Water Properties-general, Water Quality-general, ...5.1129

INTERACTIONS OF SILICA WITH IRON AND ALUMINUM ...Aluminum, Analysis and Detection, Coagulation, Complexing, Water Treatment - General, ...5.0557

CORROSION AND TUBERCULATION IN DISTRIBUTION SYSTEMS ...Casting of Materials, Coatings-general, Corrosion Prevention-other, Water, ...5.0373

RECOVERY FROM ACID POLLUTION IN FOUR STRIP-MINE LAKES ...Acidity, Lakes, Mining Industry, Self-purification, Stratification, ...5.0669

FOAM SEPARATION FLOTATION OF COLLOID ORGANIC SYSTEMS ...Chromium, Colloidal Phenomena, Flotation, Foam, Process Design, Pulp and Paper Wastes, Sulfate, Sulfite, Surfactants, ...5.0445

MICROBIOLOGICAL REMOVAL OF IRON FROM MINE DRAINAGE WATERS ...Acid Mine Wastes, Microbial-bacterial, Oxidation-other, Reduction-other, Sulfur Bacteria, ...5.0925

BIOLOGICAL TREATMENT OF ACID MINE WATER ...Acid Mine Wastes, Acidity, Anaerobic, Mining Activities, Model Studies, Process Design, ...5.0795

PARAMETRIC STUDY OF THE KINETICS OF PRECIPITATION AND NATURE OF THE PRECIPITATE OBTAINED IN PHOSPHATE REMOVAL USING IRON AND ALUMINUM SALT ...Aluminum, Phosphate, Phosphite, Precipitation, Solubility, Tertiary Treatment, ...5.0075

TREATMENT OF ACID RINSE WATERS ...Aeration, Coagulation, Lime Treatment, Metal Pickling Wastes, Treatment-other, Water Standards, ...5.0899

INVESTIGATIONS OF THE REMOVAL OF IRON FROM GROUNDWATER SUPPLIES IN ILLINOIS ...Demineralization, Filtration, Groundwater, Illinois, Precipitation, ...5.0375

CONTROL OF BIOLOGICAL GROWTHS IN RAPID SAND FILTERS AS RELATED TO IRON REMOVAL ...Disinfection, Nitrification, Nitrogen Bacteria, Repression, Sand, ...5.0377

Iron

- REMOVAL OF PHOSPHATE FROM WATER BY ALUMINUM AND IRON ...Aluminum, Chemical Treatment, Chemical Treatment-general, Phosphate, Phosphite, Reaction-general, ...5.0738
- ESTIMATING ACID MINE DRAINAGE POTENTIAL FROM COAL BEDS BY USE OF THE SOXHLET EXTRACTOR ...Acid Mine Wastes, Acidity, Coal-general, Extraction, Sulfate, Sulfite, ...5.0993
- CHEMISTRY OF HYDROSOLIC METALS IN NATURAL WATER ...Aeration, Aluminum, Demineralization, Geochemical Analysis, Manganese, Solution Chemistry, ...5.0119

Irrigation

Border Irrigation

- HYDRAULIC OPERATING CHARACTERISTICS OF LOW GRADIENT BORDER SYSTEMS PHASE II ...Infiltration, Irrigation, Irrigation Engineering, Water Application Methods, ...3.0139
- SPRING IRRIGATION OF ALFALFA ...Alfalfa, Irrigation, Rhizosphere, Temperature, ...3.0313
- IRRIGATION WATER USE EVALUATION ...Furrow Irrigation, Irrigation Engineering, Management, Runoff, Water Table Fluctuation, ...3.0383
- LOW GRADIENT BORDER CHECK IRRIGATION ...Irrigation, Management, Slope - Degree of, ...4.0063

Flood Irrigation

- SPRINKLER IRRIGATION OF CITRUS UNDER SOUTHWESTERN CONDITIONS ...Citrus, Irrigation, Southwest, Sprinkler Irrigation, Trees, ...2.0052
- BIOLOGY AND CONSUMPTIVE WATER USE OF PERENNIAL RANGE PLANTS UNDER DESERT CONDITIONS ...Arid and Desert, Consumptive Use, Management and Fertility, Perennial, Phenology, Soil-water-plant Relationships, ...3.0231
- LEACHING REQUIREMENT AND SALINITY STUDIES WITH BEARING ORANGE TREES ...Citrus, Leaching-other, Soil and Rock Leaching, Trees, Water Salinity, ...4.0041
- IRRIGATED PASTURE AND MEADOW ESTABLISHMENT AND MANAGEMENT ...Grasses -non-specific, Irrigation, Legume-grass Mixtures, Legumes -other-mesquite..., Montana, North Dakota, Oregon, ...3.0472

Furrow Irrigation

- THE EFFECT OF IRRIGATION METHOD, AND MOISTURE AND FERTILITY LEVELS UPON MAXIMIZING WATER USE EFFICIENCY AND QUALITY COTTON FIBER PRODUCTION ...Cotton, New Mexico, Rates Or Levels of Application, Soil Fertility, Subsurface Irrigation, Water Loss Control, ...3.0337
- THE HYDRAULICS OF SPATIALLY VARIED STEADY FLOW IN AN IRRIGATION DISTRIBUTION CHANNEL WITH FURROW OUTLETS ...Channels, Engineering Structures-general, Flow Characteristics -water, Orifice, Weir, ...3.0398
- LEMON PRODUCTION IMPROVEMENT ...Arizona, Citrus, Irrigation, Sprinkler Irrigation, Trees, ...2.0067
- MICROMETEOROLOGY OF SOYBEANS ...Environmental-disease Relation, Evapotranspiration, Irrigation, Micrometeorology, Soybeans, ...2.0070
- SOIL PHYSICAL CONDITIONS IN RELATION TO IRRIGATION ...Aggregates-other, Irrigation, Moisture Retention, Moisture Tension, Physical Properties-general, Sprinkler Irrigation, ...2.0146
- DISTRIBUTION, APPLICATION AND USE OF WATER ...Irrigation Engineering, Model Studies, Moisture Content, Soil-water-plant Relationships, Water Yield, ...3.0304
- IRRIGATION WATER USE EVALUATION ...Border Irrigation, Irrigation Engineering, Management, Runoff, Water Table Fluctuation, ...3.0383
- ROW CROP IRRIGATION IN NORTHWEST LOUISIANA - COTTON IRRIGATION ...Cotton, Evapotranspiration, Irrigation, Louisiana, ...2.0533
- ROW CROP IRRIGATION IN NORTHEAST LOUISIANA ...Corn, Cotton, Evapotranspiration, Irrigation, Louisiana, ...2.0534
- LAND FORMING FOR DRAINAGE AND FURROW IRRIGATION ...Data Analysis - General, Drainage, Irrigation, Irrigation Engineering, Pumping, ...5.1131
- DESIGN FACTORS IN SURFACE IRRIGATION ...Infiltration, Irrigation Engineering, Water Application Methods, ...3.0477
- IRRIGATION AND EVAPOTRANSPIRATION OF WATER FOR CROPS IN IMPERIAL VALLEY ...Consumptive Use, Evapotranspiration, Flow Characteristics -water, Internal Water Movement, Irrigation, ...3.0038

Irrigation-general

- FOREST TREE NUTRITION AND FOREST FERTILIZATION ...Physiology, Plant Chemistry, Pines, Potassium, Soil Fertility, Soils and Fertilizer, ...2.0815
- DOCTORAL DISSERTATION RESEARCH IN POLITICAL SCIENCE ...Federal Government, Mexico, Policy Making, Power Structure, Water Supply-general, ...3.0157
- SOCIAL CONSEQUENCES OF VARIATION IN AGRICULTURAL IRRIGATION ...Formosa - Taiwan, Management, Social Aspects, Social Change, ...6.0375
- THE EFFECTS OF SALINE IRRIGATION WATER ON SODIUM ACTIVITIES AND PHYSICAL PROPERTIES OF LATOSOLIC SOILS ...Hawaii, Irrigation, Saline and Alkaline Soils, Salinity, Soil Environment, ...3.0199
- DRAINAGE INVESTIGATIONS OF PROPOSED IRRIGATED SOILS IN ...Drainage, Permeability, Soil Environment, ...2.0974
- ECONOMIC SURVEY OF BEAVERHEAD COUNTY, MONTANA ...Economic Impact, Project Post-evaluation, Water Utilization-general, ...6.0331
- VALUATION OF POLYVINYL CHLORIDE (PVC) AND VINYL CLAD ALUMINUM PIPE USED FOR CARRYING IRRIGATION WATER WHEN BURIED WITHIN THE FROST ZONE ...Aluminum, Cladding, Joining, Bonding-general, Pipe, Tube, Polyvinyls-other, Soils, ...8.0271
- REGION 2 - WEED CONTROL ...Contamination - Water, Drainage, of Aquatic Plants, Plant Pollutants, ...3.0093
- EFFECTS OF EARLY WATER ON WATERFOWL PRODUCTION ...Benefit-cost Analysis, Spawn Or Nesting Sites, Water Fowl, N.s., Water Supply-general, Water Utilization -animal, ...2.0214
- ON-FARM IRRIGATION WATER SUPPLIES AND COSTS IN RELATION TO CROPPING SYSTEMS AND PRODUCTION ADJUSTMENTS IN THE SACRAMENTO VALLEY ...California, Economic Efficiency, Water - Alternative Uses, Water Costs, Water Quantity-general, ...6.0051
- ECONOMIC ASPECTS OF SUPPLEMENTAL IRRIGATION IN MISSOURI ...Corn, Economics-general, Moisture -non-specific, Sub - Humid, Temperature -non-specific, ...6.0320
- VALUE OF WATER FOR IRRIGATION IN THE KANSAS RIVER VALLEY ...Benefit-cost Analysis, Consumptive Use, Projections and Estimations, Water Costs, Water Demand, ...6.0236
- EFFECTS OF IRRIGATION DEVELOPMENT ON TRADE PATTERNS AND INCOME GENERATION ...Economic Impact, Input - Output Analysis, Model Studies, Planning, ...6.0412
- ECONOMIC AND ENGINEERING ASPECTS OF WATER IN DELAWARES AGRI-BUSINESS INDUSTRY ...Agri Business, Disposal Wastes, Food Processing Industry, Optimization, Projections and Estimations, Water Resources Development, ...6.0120
- RELATIONSHIPS BETWEEN PESTICIDAL APPLICATION AND WATER CONTAMINATION UNDER IRRIGATION IN THE GREAT PLAINS ...Great Plains Province, Kansas, Pesticides -non-specific, Pollutants - Path of, Water Application, ...5.0430
- ECOLOGY OF NEMATODES IN IRRIGATION WATER ...Animal Wastes - Feed Lots, Bioindicators, Longevity, Nematoda -other, Pollution - Effects of, ...5.1232
- METHODS FOR DETERMINING THE ECONOMIC PRODUCTIVITY OF IRRIGATION WATER FOR THE PRODUCTION OF SUGAR IN HAWAII ...Hawaii, Management, Sugar Cane, Yield, ...6.0171
- EFFECTS OF MARGINAL QUALITY IRRIGATION WATER ON THE ACCUMULATION OF SALTS AND ALKALI IN SOUTH DAKOTA SOILS ...Saline and Alkaline Soils, Saline Soils, Soil pH, South Dakota, Use of Impaired Water, ...3.0434
- IDENTIFICATION OF IRRIGATION RETURN WATER IN THE SUBSURFACE ...Chemical-general, Hawaii, Physical-general, Springs, Tritium, ...5.0314
- ECONOMIC ANALYSIS OF WATER USE IN ILLINOIS AGRICULTURE ...Corn, Economics-general, Illinois, ...6.0213
- THE ENGINEERING AND ECONOMIC ASPECTS OF USING SEWAGE EFFLUENT FOR IRRIGATION ...Louisiana, Sewage, Use of Impaired Water, Water Costs, ...5.0463
- MAXIMIZING PRODUCTIVITY OF WATER USED FOR IRRIGATION OF AGRICULTURAL LANDS ...Model Studies, Optimization, Water - Alternative Uses, Water Allocation, ...6.0610
- A PHYSICAL AND ECONOMIC ANALYSIS OF ALTERNATIVE IRRIGATION METHODS IN A SUB-HUMID CLIMATE ...Agriculture, North Dakota, Production & Processing, Sub - Humid, ...6.0415
- ECONOMIC CONSEQUENCES OF INTERBASIN WATER TRANSFERS ...Benefit-cost Analysis, Economic Impact, River Basins, Water Transfer, ...6.0451

- EFFECT OF IRRIGATION ON STREAMFLOW IN CENTRAL SAND PLAINS OF WISCONSIN ...Drainage, Groundwater, Morphology-general, Water Balance-budget, Wisconsin, ...4.0279
- VALUE OF DESALTED WATER FOR IRRIGATION ...Augmentation-general, Benefit-cost Analysis, Desalination, Planning, Use of Impaired Water, ...3.0122
- USE OF WATER ON FEDERAL IRRIGATION PROJECTS ...Consumptive Use, Engineering Structures-general, Irrigation Engineering, Radiation-general, Systems Analysis, ...6.0094
- IRRIGABLE LAND SUITABILITY STUDY ...Analog Computers, Percolation, Saline and Alkaline Soils, Water Quality-general, ...6.0092
- FIELD INVESTIGATION OF THE SUBMERSED AQUATIC ENVIRONMENT ...Aquatic Ecology, Canals, Plant Pollutants, Reservoirs and Impoundments, Submerged Plants, Weeds - phenological Studies, ...3.0125
- AQUIFERS AND DRAINAGE ...Aquifers-other, Brackish Water, Drainage, Groundwater Movement, Model Studies, ...2.0166
- USE OF WATER ON FEDERAL IRRIGATION PROJECTS ...Irrigation Engineering, Planning, Water Utilization -general, ...6.0175
- INVESTIGATION EVALUATION AND DESIGN OF OPEN AND CLOSED CONDUIT SYSTEMS AS IT RELATES CONVEYANCE AND DISTRIBUTION SYSTEMS ...Conduit, Hydraulic Equipment, Irrigation Engineering, Remote Sensing -other, Water Distribution Systems, Water Transfer, ...8.0169
- USE OF WATER ON FEDERAL IRRIGATION PROJECTS ...Data Acquisition-general, Moisture Content, Rio Grande River, Water Table Fluctuation, ...6.0538
- EFFECT OF COPPER SULFATE ON AQUATIC WEEDS ...Alkalinity, Canals, Copper, Copper Sulfate, of Aquatic Plants, ...3.0108
- HERBICIDE RESIDUES ...Persistence of Residues, Soil Contamination -other, 2,4-d, 2,4,5-t, ...3.0109
- CORRELATION OF ECONOMIC PHYSICAL FACTORS AFFECTING SELECTION OF LANDS FOR IRRIGATION ...Economic Impact, Projections and Estimations, Risk & Uncertainty, ...6.0091
- IRRIGATION RETURN FLOW ...Nutrients, Pollutants - Path of, Runoff, Salinity, Water Quality-general, ...5.0183
- VALUE OF DESALTED WATER FOR IRRIGATION ...Brackish Water, Desalination, Electrodialysis, Saline Soils, Water Costs, ...3.0128
- IMPROVEMENT IN CIGAR TOBACCOS BY DEVELOPMENT OF MORE ADEQUATE CROPPING SYSTEMS, FERTILIZATION, CULTURAL AND CURING PRACTICES ...Management, Space Competition, Tillage, Cropping Systems, ...3.0261
- EFFECTS OF FERTILIZER AND SOIL MANAGEMENT PRACTICES, IRRIGATION, PLANT SPACING, AND OTHER CULTURAL TREATMENTS ON BERRY PRODUCTION ...Environmental responses (non-specific, Irrigation, Management, Mineral Nutrition, Shrubs, Vines, ...3.0259
- DEVELOPMENT OF WATER SUPPLIES FOR IRRIGATION IN THE SOUTH ...Available Water, Carbonate Aquifers, Clastic Aquifers, Irrigation Engineering, Water Resources Development, Water Sources -general, ...2.0332
- FACILITIES, METHODS AND DESIGN CRITERIA TO PUMP, CONVEY, CONTROL AND MEASURE WATER FOR AGRICULTURAL PURPOSES IN THE NORTHERN PLAINS ...Lining, Pumping, Runoff, Storage of Water, Water Distribution Systems, Water Transfer, ...3.0141
- IRRIGATION SYSTEMS FOR EFFICIENT WATER USE ...Evapotranspiration, Infiltration, Model Studies, Water Application Methods, Water Loss Control, ...8.0003
- IRRIGATION PRACTICES AND FACTORS AFFECTING THE WATER REQUIREMENT OF CROPS IN DIFFERENT LAND RESOURCE AREAS OF THE NORTHEAST ...Consumptive Use, Evapotranspiration, Northeast, Requirements for Water, Soil-water-plant Relationships, ...3.0257
- IRRIGATION WATER MANAGEMENT FOR EFFICIENT WATER USE IN THE SOUTHERN PLAINS ...Evapotranspiration, Irrigation, Management, Soil - Crop Relationships, Tillage, Cropping Systems, ...3.0444
- IRRIGATION REQUIREMENTS, PRINCIPLES AND PRACTICES FOR EFFICIENT USE OF WATER IN THE PACIFIC NORTHWEST ...Evapotranspiration, Irrigation, Management, Physical Property Effects, Southern, ...3.0203
- EFFECTS OF USING SALINE AND INDUSTRIAL WASTE WATERS ON YIELD AND QUALITY OF PLANTS ...Brackish Water, Industrial Wastes, Irrigation, Saline and Alkaline Soils, Soil and Rock Leaching, Soil-water-plant Relationships, ...3.0258
- SALINE AND SODIC SOILS AND IRRIGATION WATER QUALITY PROBLEMS IN THE RIO GRANDE RIVER BASIN ...Management, Saline and Alkaline Soils, Saline Soils, Soil and Rock Leaching, Water Quality-general, Yield, ...3.0466
- SOIL AND WATER MANAGEMENT PRACTICES FOR THE CONTROL OR ALLEVIATION OF SALINE AND SODIC SOIL PROBLEMS IN THE PACIFIC NORTHWEST ...Management, Permeability, Saline Properties, Soil and Rock Leaching, Southern, ...3.0205
- WATER AND WIND EROSION AND ITS CONTROL ON IRRIGATED AND NONIRRIGATED LANDS IN THE NORTHERN PLAINS ...Erosion-general, Great Plains Province, Runoff, Soil Tillage Methods -other, Wind Erosion, ...5.0195
- WATER QUALITY, AND THE CHEMISTRY, MINERALOGY AND BIOLOGY OF SALTAFFECTED SOILS ...Mineralogy, Soil Conditions, Soil Environment, Water Quality-general, Water Reuse, ...3.0084
- LEGAL ASPECTS OF WATER RIGHTS IN THE EAST ...Economics-general, Legal Review, Water Resources Development, Water Rights-general, Water Utilization -domestic, ...6.0133
- CLIMATOLOGICAL FACTORS AFFECTING WATER USE IN AGRICULTURE ...Climate-general, Consumptive Use, Projections and Estimations, Requirements for Water, Water Demand, ...6.0599
- ECONOMICS OF IRRIGATION, DRAINAGE AND RELATED PROBLEMS IN THE NORTHWEST ...Benefit-cost Analysis, Drainage, Southern, Water Quality Control-general, Welfare Economics, ...6.0601

Irrigation

SUBJECT INDEX

ECONOMIC ANALYSIS OF AGRICULTURAL WATER MANAGEMENT IN THE SOUTHEAST ...Agriculture, Benefit-cost Analysis, Economic Impact, Impact, Water Demand, ...6.0169

ECONOMICS OF WATER MANAGEMENT TECHNIQUES IN NORTH DAKOTA ...Agricultural Watersheds, Economics-general, Great Plains Province, Management, North Dakota, ...4.0188

IRRIGATION AND OTHER PRODUCTION RELATIONS IN FLORIDA CITRUS ENTERPRISES ...Benefit-cost Analysis, Citrus, Florida, Input - Output Analysis, Water Costs, Water Demand, ...6.0135

ECONOMICS OF WATER MANAGEMENT TECHNIQUES IN SOUTH DAKOTA ...Economic Impact, Impact, Input - Output Analysis, Management, Optimization, Production & Processing, South Dakota, Water Allocation, ...6.0136

ECONOMIC ANALYSIS OF WATER USE IN IRRIGATION IN THE NORTHERN PLAINS ...Benefit-cost Analysis, Costs, Great Plains Province, Production & Processing, Rates Or Levels of Application, Water - Alternative Uses, ...4.0077

ECONOMICS OF WESTERN STREAMFLOW ACCRETIONS ...Benefit-cost Analysis, Missouri River, Water Allocation, Water Rights-general, Water Transfer, ...6.0100

VALUE PRODUCTIVITY OF WATER IN AGRICULTURE ...Agriculture Industry, Economic Efficiency, Minnesota, Technological Development, Water Demand, ...6.0308

IRRIGATION TRENDS AND POTENTIALS IN THE NORTH CENTRAL STATES ...Economic Efficiency, Legal Review, North Central, Water Demand, Water Rights-general, ...6.0645

ECONOMICS OF ALTERNATIVE ROUTINES FOR DELIVERING IRRIGATION WATER ...Agriculture Industry, Economic Efficiency, Legal Review, Model Studies, Water - Alternative Uses, ...6.0101

VALUE OF IRRIGATION WATER FOR THE PRODUCTION OF SUGAR CANE ...Economic Feasibility, Irrigation, Sugar Cane, Water Allocation, Water Costs, ...6.0174

Irrigation-other

RELATIONSHIP OF PUMPING LIFT TO ECONOMIC USE OF GROUND WATER FOR IRRIGATION ...Groundwater, Optimization, Pumping, Water Allocation, Water Costs, ...6.0177

FERTILIZER AND IRRIGATION EFFECTS ON TREE DEVELOPMENT ...Irrigation, Soils and Fertilizer, Timber Stand Improvement, ...2.0989

SOLAR POWERED EQUIPMENT FOR OPERATING A SMALL IRRIGATION PUMP ...Irrigation, Irrigation Engineering, Pump-other, Pumping, Solar Power-general, ...4.0201

REUSE OF WASTE IRRIGATION WATER TO RECOVER ADDITIONAL PETROLEUM BY WATERFLOODING ...Chemical Analysis (water), D.t.a., Petroleum Industry, Secondary Recovery, Spectroscopy-general, Water Reuse, ...5.0154

Mist Irrigation

INFLUENCES OF MIST IRRIGATION ON MOISTURE STRESS, GROWTH, YIELD, AND QUALITY OF POTATOES AND OTHER VEGETABLE CROPS ...Drought, Irrigation, Moisture Tension, Potatoes, ...2.0668

BREEDING AND CULTURAL PRACTICES TO AID PRODUCTION OF VEGETABLES IN SOUTH DAKOTA ...Irrigation, Low Temp. - But Above 32f, South Dakota, Yield, ...3.0435

Sprinkler Irrigation

IRRIGATION EFFICIENCY ...Citrus, Evaporation, Florida, Trees, Water Loss Control, ...3.0177

COMPARISON OF VARIOUS FORAGES FOR AGRICULTURAL WASTE WATER DISPOSAL ...Infiltration, Organic Fertility - other, Use of Impaired Water, Waste Disposal -underground, ...5.0494

EVAPOTRANSPIRATION BY SUGAR CANE ...Consumptive Use, Evapotranspiration, Internal Water Movement, Lysimeters, ...3.0198

INFLUENCE OF TRANSPIRATION SUPPRESSANTS, SPRINKLER IRRIGATION & MOISTURE LEVELS ON TRANSPIRATION & EVAPOTRANSPIRATION ...Antitranspirants, Dendroclimatology, Microclimate-general, Moisture Levels, Transpiration, ...3.0464

SPRINKLER IRRIGATION OF CITRUS UNDER SOUTHWESTERN CONDITIONS ...Citrus, Flood Irrigation, Irrigation, Southwest, Trees, ...2.0052

LEMON PRODUCTION IMPROVEMENT ...Arizona, Citrus, Furrow Irrigation, Irrigation, Trees, ...2.0067

SPRINKLER IRRIGATION OF COTTON WITH HIGH SALT-CONTENT WATER ...Cotton, Salinity, ...3.0011

SOIL PHYSICAL CONDITIONS IN RELATION TO IRRIGATION ...Aggregates-other, Furrow Irrigation, Irrigation, Moisture Retention, Moisture Tension, Physical Properties-general, ...2.0146

SPRING AND SUMMER HORTICULTURAL CROPS ...Aerial, Beans (garden), Fruit, Nuts & Berries -other, Potatoes, Strawberry, ...2.0338

EVALUATION OF EXTENSIVE IRRIGATION ...Automated Equipment, Economic Efficiency, Irrigation Engineering, Runoff, Tillage, Cropping Systems, ...3.0381

IRRIGATION REQUIREMENTS OF FIELD AND HORTICULTURAL CROPS ...Evapotranspiration, Irrigation, Irrigation Engineering, Moisture Deficiency, Surface Irrigation -general, ...2.0872

EFFECT OF WATER APPLICATIONS TO SOD AND MULCH UPON QUALITY ATTRIBUTES OF APPLE FRUITS ...Apples, Irrigation, Mulches -other, Quality -non-specific, Storage Changes, Trees, ...2.0853

FEED AND WASTE HANDLING IN THE DAIRY OPERATION ...Animal Waste Removal-treatment, Animal Wastes - Feed Lots, Management, Pennsylvania, ...5.1023

FATE OF HERBICIDES IN WATER AND CROPS IRRIGATED WITH WATER CONTAINING HERBICIDES ...Herbicides -non-specific, Persistence of Residues, Pesticides, Plant -other, Residues in Foods, ...5.1327

PERFORMANCE AND SCIENTIFIC DESIGN OF SPRINKLERS USED FOR IRRIGATION ...Fluid Dynamics, Irrigation Engineering, Spray Devices, ...3.0230

CROP, SOIL AND WATER USE EFFECTS OF LOW INTENSITY SPRINKLER IRRIGATION ...Irrigation, ...3.0233

IMPROVEMENT OF IRRIGATION MANAGEMENT AND SALINITY CONTROL IN THE IMPERIAL VALLEY. ...Drainage, Drainage Engineering, Management, Saline and Alkaline Soils, Water Table Fluctuation, ...3.0048

TURF RESEARCH ...Irrigation, Management, Species and Variety Evaluation, Water Costs, ...4.0065

IRRIGATION EFFICIENCY ...Evaporation, Irrigation Engineering, Pollution Behavior-general, Velocity, Wind Tunnels, ...3.0179

WATER RELATIONS WITH CITRUS ON THE FLATWOODS AND MARSHES OF THE EAST COAST ...Citrus, Drainage, Saline Soils, Swamps-marshes, Water Table Fluctuation, ...2.0310

ENVIRONMENT CONTROL FOR ORCHARDS AND FIELDS ...Citrus, Freezing & Below, High Temp. - 85f Or Above, Strawberry, Trees, ...8.0204

IRRIGATION ...Economics-general, Irrigation, Irrigation Engineering, Meteorological Extremes, Yield, ...2.0673

THE ADAPTATION OF SPRINKLER IRRIGATION TO SOILS OF LOW INTAKE RATE ...Absorption, Fixation, Exchange, Irrigation, Moisture Content, Water Application Methods, ...3.0402

PERFORMANCE CHARACTERISTICS OF SOLID COVERAGE SPRINKLER IRRIGATION SYSTEM ...Irrigation, Irrigation Engineering, Regression Analysis, Spray Devices, ...2.0897

SURFACE AND SPRINKLER IRRIGATION SYSTEM DESIGN AND OPERATION FOR EFFICIENT WATER USE IN THE PACIFIC NORTHWEST ...Evapotranspiration, Irrigation, Model Studies, Surface Irrigation -general, Technique Development, ...3.0204

IRRIGATION SYSTEMS FOR EFFICIENT WATER USE IN THE GREAT BASIN ...Arid and Desert, Evapotranspiration, Great Basin, Lysimeters, Water Balance-budget, ...3.0314

Subsurface Irrigation

STUDIES OF TRANSPIRATION LOSSES ...Consumptive Use, Evapotranspiration, Phreatophytes, Transpiration, ...2.0114

DEVELOPMENT OF AUTOMATED SUBIRRIGATION SYSTEM ...Arkansas, Automated Equipment, Design Criteria, Irrigation Engineering, Pipelines, Spray Devices, ...3.0025

THE EFFECT OF IRRIGATION METHOD, AND MOISTURE AND FERTILITY LEVELS UPON MAXIMIZING WATER USE EFFICIENCY AND QUALITY COTTON FIBER PRODUCTION ...Cotton, Furrow Irrigation, New Mexico, Rates Or Levels of Application, Soil Fertility, Water Loss Control, ...3.0337

WATER TABLE CONTROL AND SUBSURFACE IRRIGATION IN MINERAL AND HIGH ORGANIC COASTAL PLAIN SOILS ...Groundwater Movement, Management, North Carolina, Water Table Fluctuation, ...2.0828

DEVELOPMENT OF AUTOMATED SUBIRRIGATION SYSTEM ...Automated Equipment, Irrigation Engineering, Moisture, Pipes, Plastics - General, Water Distribution Systems, ...3.0024

SUBIRRIGATION ...Irrigation Engineering, Orifice, Water Application Methods, ...4.0121

SUBJECT INDEX

Kansas

MAXIMUM PRODUCTION OF CROPS UNDER IRRIGATION IN WESTERN NEBRASKA ...Chemical Analysis - Soils, Irrigation, Moisture Content, Nebraska, Yield, ...2.0727

EVALUATION OF SUBIRRIGATION FOR CROP PRODUCTION ...Irrigation, Irrigation Engineering, ...2.1036

SURFACE AND SUBSURFACE IRRIGATION SYSTEMS FOR COASTAL CALIFORNIA ...Agricultural Watersheds, Citrus, Saline and Alkaline Soils, Salinity, Surface Irrigation -general, ...3.0091

Surface Irrigation -general

HYDRAULICS OF SURFACE IRRIGATION ...Irrigation Engineering, Math Models, Measurement, Porous Media - Flow Through, Surface Flow, ...2.0047

HYDRAULICS OF SURFACE IRRIGATION ...Differential Equations, Digital Computers, Irrigation, Steady, Unsteady, ...2.0098

HYDRAULICS OF SURFACE IRRIGATION ...Channel Roughness, Flow Characteristics -water, Irrigation, Irrigation Engineering, Mathematical Analysis, Soils -general, ...2.0215

HYDRAULICS OF SURFACE IRRIGATION ...Mathematical Analysis, Model Studies, Surface Flow, ...3.0307

IRRIGATION REQUIREMENTS OF FIELD AND HORTICULTURAL CROPS ...Evapotranspiration, Irrigation, Irrigation Engineering, Moisture Deficiency, Sprinkler Irrigation, ...2.0872

CONSERVATION AND RENOVATION OF WASTE WATER ...Conservation-general, Effluents-waste Water, Natural Recharge, Pollution - Effects of, Soil Properties - General, Waste Water Treatment-general, ...5.1035

EFFECT OF SURFACE IRRIGATION HYDRAULICS ON EFFICIENT APPLICATION OF WATER ...Channel Geometry, Channel Roughness, Flow Characteristics -water, Open Channel, Surface Flow, ...4.0239

HYDRAULICS OF SURFACE IRRIGATION ...Irrigation Engineering, Math Models, Model Studies, Surface Flow, Water Application Methods, ...4.0252

HYDRAULICS OF SURFACE IRRIGATION ...Mathematical Analysis, Model Studies, Other Models, Surface Flow, Unsteady Flow, ...4.0268

WATER APPLICATION AND USE ON A RANGE WATER-SPREADER ...Irrigation, Irrigation Engineering, Management and Fertility, Soil Environment, Water Application Methods, ...4.0056

DESIGN CRITERIA FOR OPEN CHANNELS ...Design Criteria, Hydraulics-general, Irrigation Engineering, Open Channel, Open Channel Flow, ...8.0136

IRRIGATION PRACTICES, REQUIREMENTS AND DESIGN CRITERIA FOR EFFICIENT USE OF WATER AND SUSTAINED CROP PRODUCTION IN THE NORTHERN PLAINS ...Irrigation, Irrigation Engineering, ...3.0142

SURFACE AND SPRINKLER IRRIGATION SYSTEM DESIGN AND OPERATION FOR EFFICIENT WATER USE IN THE PACIFIC NORTHWEST ...Evapotranspiration, Irrigation, Model Studies, Sprinkler Irrigation, Technique Development, ...3.0204

SURFACE AND SUBSURFACE IRRIGATION SYSTEMS FOR COASTAL CALIFORNIA ...Agricultural Watersheds, Citrus, Saline and Alkaline Soils, Salinity, Subsurface Irrigation, ...3.0091

Israel

DETERMINATION OF EVAPOTRANSPIRATION FOR SHORT INTERVALS ON A BENCHMARK BASIN ...Evapotranspiration, Heat Budget, Karst Topography, Moisture Content, Water Balance-budget, ...2.0493

DIFFERENCE IN EFFECTS OF FOREST AND OTHER VEGETATIVE COVERS ON WATER YIELD ...Cover Crops, Evapotranspiration, Moisture Tension, Precipitation -non-specific, Water Yield, ...3.0235

THE EFFECT OF BOLL MOISTURE STRESS ON DEVELOPMENT AND LINT QUALITY OF COTTON ...Climate-general, Cotton, Floral, Growth, Soil Environment, ...3.0236

Japan

A STUDY OF SUBSURFACE FLOW INTO MOUNTAIN STREAMS AS RELATED TO TOPOGRAPHY AND PARTIAL SOURCE AREAS ...Baseflow, Georgia, Mountains-alpine, Relief, ...2.0340

Jelly Fish

ENHANCEMENT OF RECREATIONAL USES OF ESTUARINE WATERS THROUGH STUDY OF POTENTIAL CONTROL METHODS FOR STINGING SEA NETTLES ...Biological Control, Chesapeake Bay, Estuaries, Recreation Sites, Water Quality-general, ...6.0256

SEA NETTLE STUDIES IN CHESAPEAKE BAY, LIFE HISTORY AND ECOLOGY ...Aquatic Ecology, Bays, Biological Control, Chesapeake Bay, Life History Studies, ...6.0127

Jordan

JORDANS EAST GHOR DEVELOPMENT PROJECT ...Agriculture, Income, Irrigation-general, Land, Land & Water Use -other, ...4.0180

Kansas

ECOLOGICAL RELATIONSHIPS OF ORGANIC MATTER AND BACTERIA IN TUTTLE CREEK RESERVOIR ...Food Chains, Freshwater Ecology, Organic Matter, Reservoirs and Impoundments, Water Bacteria, ...5.0428

RELATIONSHIPS BETWEEN PESTICIDAL APPLICATION AND WATER CONTAMINATION UNDER IRRIGATION IN THE GREAT PLAINS ...Great Plains Province, Irrigation-general, Pesticides -non-specific, Pollutants - Path of, Water Application, ...5.0430

NITRATE ACCUMULATION IN KANSAS GROUND WATER ...Fertilizers, Groundwater, Ions and Gases, Nitrate, Nitrite, Percolation, ...5.0434

EVAPOTRANSPIRATION AND ITS CHEMICAL REDUCTION ...Agricultural Watersheds, Antitranspirants, Evapotranspiration, Lysimeters, Meteorology, ...3.0244

LONGITUDINAL DISPERSION OF THE LOWER KANSAS RIVER BASIN ...Dispersion -water, Dyes, River Basins, ...2.0507

RECENT VARIATIONS IN COURSE AND REGIMEN, KANSAS RIVER AND NEARBY REACHES OF MISSOURI RIVER ...Floodplains, Geomorphology-general, Meanders, Sedimentology-general, ...2.0503

WATER UTILIZATION ASPECTS OF WEATHER MODIFICATION AS APPLIED TO KANSAS ...Amount, Clouds-precipitation, Development of Models, Model Studies, Water Harvesting, ...2.0505

ECOLOGICAL STUDIES OF GRASSLANDS, ETC. ...Grasslands, Soil Environment, Soil Moisture -non-specific, ...2.0513

WEATHER IN RELATION TO KANSAS AGRICULTURE ...Agricultural Studies -general, Information Retrieval Methods, Plant Environment, Ns, Weather Forecasting, ...2.0508

FACTORS INFLUENCING INSECTICIDE RESIDUES ON OR IN FOOD AND FORAGE CROPS ...Environmental Effects, Organophosphorous Cpd., Persistence of Residues, Persistence in Soils, Physical Degradation, Pollution Effects, ...5.0429

IMPLICATIONS OF IRRIGATION TO THE MARKETING OF SPECIALTY CROPS ...Irrigation-general, Production & Processing, Specialty Crops, ...6.0237

ECONOMIC AND LEGAL FACTORS IN PROVIDING, USING, AND MANAGING WATER RESOURCES IN AGRICULTURE ...Agriculture Industry, Economic Impact, Economics-general, Management, Water Law-general, ...6.0233

ECONOMICS OF CLIMATE ...Applied Climatology, Economic Impact, Risk & Uncertainty, Weather, Yield, ...2.0511

STUDY OF ENGINEERING PRACTICES OF IRRIGATION IN KANSAS ...Irrigation Engineering, Irrigation-general, Slopes, Terrace-bench, Tillage, Cropping Systems, Yield, ...8.0201

THE ECONOMICS OF LAND UTILIZATION ...Conservation, Economics-general, Land, Land Use, ...6.0235

ECONOMICS OF SOIL CONSERVATION PRACTICES WITHIN WATERSHEDS ...Agricultural Watersheds, Conservation, Economics-general, Tillage, Cropping Systems, ...3.0243

IMPACTS OF DROUGHT ON LOCAL ECONOMIES IN KANSAS ...Agriculture Industry, Drought, Economic Impact, History, ...2.0517

EFFECT OF URBANIZATION ON WATER QUALITY ...Pollution Sources-general, Runoff, Urban Environments, Water Quality-general, ...5.0425

GRAVITY FLOW OF WATER IN SOILS AND AQUIFERS OF WESTERN KANSAS ...Aquifers-general, Gravitational Movement -water, Natural Recharge, Soil Environment, Storage of Water, ...2.0502

Kentucky

SUBJECT INDEX

Kentucky

DEVELOPMENT OF A PRACTICAL METHOD OF LOCATING AND TRACING SEEPAGE WATER IN UNSTABLE SLOPES ...Electric Logging, Land and Rock Slides, Loss, Seepage, Slopes, ...2.0519

A DETAILED STUDY OF THE ENERGY FLOW THROUGH THE BIOTA OF DOE RUN, MEADE COUNTY, KENTUCKY ...Energy Budgets, Radioactivity-general, Radioecology, Streams, ...2.0529

FISH POPULATION STUDIES. (DEWEY RESERVOIR) ...Alewife,menhaden,shad,herring, Aquatic Ecology, Fertilizers - aquatic, Population Dynamics, Reservoirs and Impoundments, ...5.0437

THE ECONOMIC IMPACT OF FLOOD CONTROL RESERVOIRS ...Benefit-cost Analysis, Economic Impact, Floodproofing, Project Post-evaluation, Reservoirs and Impoundments, ...6.0241

A PRELIMINARY RECONNAISSANCE OF AREAS TO BE IMPOUNDED IN THE SALT RIVER BASIN OF KENTUCKY ...Pre-impoundment Sites, Reconnaissance, River Basins, Survey Studies, ...6.0242

A PRELIMINARY RECONNAISSANCE OF AREAS TO BE IMPOUNDED IN THE SALT RIVER BASIN OF KENTUCKY ...Environmental Effects-geologic, Morphology-general, Pre-impoundment Sites, Water Quality-general, ...6.0243

A PRELIMINARY ECOLOGICAL STUDY OF AREAS TO BE IMPOUNDED IN THE SALT RIVER BASIN OF KENTUCKY ...Economic Impact, Floodproofing, Reservoirs and Impoundments, Social Aspects, Urban Environments, ...6.0244

ANTHROPOLOGICAL ANALYSIS OF SOCIAL AND CULTURAL BENEFITS AND COSTS FROM STREAM-CONTROL MEASURES ...Control and Protection, Demography, River Basins, Social Aspects, ...6.0239

TAXONOMY AND PHYSIOLOGY OF PROTOZOA IN CAVE STREAMS AND POOLS ...Animal Taxonomy, Caves, Environmental Physiology, Protozoa -other, Streams, ...6.0240

WATER RESOURCES OF THE BOWLING GREEN AREA, KENTUCKY ...Aquifers-general, Groundwater Movement, Industrial-general, Streams, Water Quality-general, ...2.0528

HYDROLOGY OF BURIED PENNSYLVANIAN CHANNEL SANDSTONE, KENTUCKY ...Clastic Aquifers, Observation Wells, Pennsylvanian Period, Salinity, Valley, Buried, ...2.0527

Kenya

DOMESTIC WATER USE IN EAST AFRICA ...Tanzania, Uganda, Water Costs, Water Sources -general, Water Utilization - domestic, ...4.0092

INTER-DISCIPLINARY RESEARCH IN THE AREA OF THE KANO PLAINS, WESTERN KENYA ...Aquatic Ecology, Geography-cultural, Geomorphology-general, ...3.0246

Kidney and Urinary System

SOLUBLE AND WATER TRANSPORT ACROSS BIOLOGIC MEMBRANES ...Active Transport, Blood Cells, Carbohydrates, Ionic Effect, Natural Occuring, Sodium, ...2.0706

RESPONSES OF FISH TO ENVIRONMENTAL STRESSES ...Cardiovascular System, Environmental Physiology, Fish -non-specific, Stress, Water Environment -other, ...5.1269

Krypton

DEVELOPMENT OF METHODS FOR MEASURING PARTIAL VAPOR PRESSURE OF SOIL WATER ...Moisture Tension, Osmotic Pressure, Soil Environment, Soil-water-plant Relationships, Technique Development, Vapor Pressure, ...2.0495

Laboratory Analysis

ELECTRIC FIELDS IN THE CONDENSATION AND COALESCENCE OF WATER ...Field Properties, Formation, Ionization, Nucleation Physics, ...3.0299

A LABORATORY STUDY OF THE SOLUBLE METALS IN ROCKS, SAPROLITE, AND SOIL FROM THE BROAD QUADRANGLE, GEORGIA ...Atomic Absorption, Lateritic, Solubility, Solution Chemistry, Trace Element Analysis, ...1.0037

WATER-SOIL-PLANT RELATIONS ...Drought, Soil-water-plant Relationships, ...2.0088

EFFECT OF POLLUTION ON THE QUALITY OF SURFACE AND GROUND WATER RESOURCES ...Pollution - Effects of, Soil Environment, Training Grants, Fellowships, Water Quality Control-general, Water Reuse, ...5.0703

AIR INJECTION INTO AN AQUIFER ...Aquifers-general, Permeability, Porous Media - Flow Through, Saline Water Intrusion, ...2.0358

TEST AND EVALUATION OF FLASH FLOOD ALARM SYSTEM ...Evaluation Other, Field Studies, Field Testing, Flash Floods, Warning-systems, ...7.0110

DEVELOPMENT OF INSTRUMENTS FOR PROTOTYPE TESTING ...Concrete-general, Model Studies, Strain-general, Stresses-general, ...8.0239

Lagoons

IMPACT OF LAGOONS AND SAND BLANKETS ON FISH, AQUATIC LIFE AND WATER EQUALITY ...Aquatic Ecology, Blankets, Lakes. Submergent, Water Quality-general, ...6.0637

Lakes

HYDROLOGIC ANALYSIS OF LAKE SYSTEMS AND OF GLACIERS ...Climate, Glaciology-general, Infrared Radiation, Snowpack, Water Balance-budget, ...6.0142

STUDY OF LIGHT ISOTOPES IN LACUSTRINE ENVIRONMENTS ...Gaseous Atmosphere, Oxygen, ...2.0242

PATHWAYS OF TRACE ELEMENTS IN ARCTIC LAKE ECOSYSTEMS ...Arctic, Gel Filtration, Organic-general, Pollutants - Path of, Trace Element Analysis, ...1.0004

DISSOLVED ORGANIC MATTER AND PHOTOSYNTHESIS IN LAKES ...Autotrophic, Nutrition, Secretions and Products, Submerged Plants, ...5.0574

CRATER LAKE VERTICAL TEMPERATURE PROFILES ...Electronics - Applied, Oregon, Radioactive Fallout, Temperature, Water Sampling, ...2.0101

AQUATIC COMMUNITIES ...Aquatic Ecology, Environmental Ecology, Productivity - Food Chain, Salinity, Water Salinity, ...6.0625

FERN LAKE MINERAL METABOLISM PROGRAM ...Fertilizers - aquatic, Hardness-minerals, Mineral Content -water, Productivity - Food Chain, Washington, ...6.0624

ENVIRONMENTAL HISTORY OF THE GALAPAGOS ISLANDS ...Floral, Galapagos Islands, Plant Succession, Plant Taxonomy, Productivity - Food Chain, ...2.0852

COMPETITION, PREDATION, AND BODY SIZE IN LAKE ZOOPLANKTON ...Aquatic Ecology, Competition, Predation, Size, Zooplankton, ...6.0115

CHEMICAL STUDIES ON THE WATERS AND SOILS OF LAKES AND WETLANDS, WITH SPECIAL REFERENCE TO MINOR ELEMENTS ...Chemical, Chemical-general, Minnesota, Trace Element Analysis, Wetlands, ...2.0660

DIVERSITY AND ECOLOGICAL NICHES IN MULTI-SPECIES ASSOCIATIONS OF CHYORID CLADOCERA (CRUSTACEA) ...Cladocera, Environmental Ecology, Habitat Studies, Interbiotic Relat.(non-specif), Microfossils, ...2.0911

FACTORS AFFECTING PRIMARY AND SECONDARY PRODUCTION IN TEMPERATE LAKES ...Minnesota, Productivity - Food Chain, Regression Analysis, Temperate, Zooplankton, ...2.0157

STUDIES OF NEAR-SURFACE SEDIMENTS IN LAKES, AND RELATIONSHIPS BETWEEN SURFACE SEDIMENT POLLEN SPECTRA AND VEGETATION ...Canada, New England Province, Paleoecology, ...2.0555

LOGISTIC SUPPORT AND MAINTENANCE OF FACILITIES ...Atlantic Ocean-north, Maine, Marine Biology, Research Facilities, ...9.0009

GEOLOGICAL STUDIES IN NORTHERN LAKE MICHIGAN ...Deposits-other, Lake Michigan, Rocks - Bedrock, Submergent, Water Level Fluctuation, ...2.0630

LIMNOLOGY OF ROSS ISLAND, ANTARCTICA ...Antarctica, Benthic Organisms (non-specif), Chemical-general, Plankton (non-specific), Publications -other, ...2.0087

DYNAMICS OF FISH POPULATIONS IN NATURAL LAKES ...Food Supply, Iowa, Life History Studies, Population Dynamics, ...6.0224

ZOOPLANKTON STANDING CROPS IN A SOUTH DAKOTA PRAIRIE LAKE ...Animal Pollutant Sources, Aquatic Ecology, Population Dynamics, South Dakota, Zooplankton, ...5.1110

FACTORS AFFECTING ZOOPLANKTON PRODUCTION IN FOUR ARIZONA LAKES ...Environmental Ecology, Productivity - Food Chain, Trace Element Analysis, Water Bacteria, Zooplankton, ...5.0047

LIMNOLOGY OF DESOTO BEND LAKE, IOWA AND NEBRASKA ...Benthic Organisms (non-specif), Iowa, Nebraska, Plankton (non-specific), Stratification, ...7.0040

SUBJECT INDEX

Lakes

- EVALUATION OF METHODS DESIGNED TO PREVENT WINTER-KILL ...Aeration, Chemical-general, Circulation -water, Mortality Rates, North Dakota, ...5.0828
- PLANKTON STUDIES ...Chemical-general, Number, Plankton (non-specific), Water Level Fluctuation, ...4.0125
- BOTTOM FAUNA STUDIES ...Benthic Fauna, Bottom Sampling, Depth, water Level, Fluctuation, Number Or Density, Water Level Fluctuation, ...4.0126
- STUDY OF TURBIDITY - PRODUCTION FACTORS IN LAKE KAMPESKA CODINGTON COUNTY, SOUTH DAKOTA ...Primary Productivity, Productivity - Food Chain, South Dakota, Turbidity, Water - Light Qual. & Quant., Water Properties-general, ...2.0978
- CHEMICAL TREATMENT OF NEBISH LAKE ...Aquatic Ecology, Chemical Treatment-general, Control of Nuisance Species, Data Analysis - General, Stocking of Fish & Shellfish, ...5.1293
- WALLEYE FRY - ZOOPLANKTON RELATIONSHIPS IN SOUTHEASTERN WISCONSIN LAKES ...Aquatic Ecology, Food Supply, Plankton Sampling, Walleyes, Zooplankton, ...6.0640
- STUDIES ON PLANTED BROOK TROUT IN RELATION TO NUMBERS PLANTED, LIMNOLOGICAL CONDITIONS AND FOOD SUPPLIES IN UNFISHED LAKES ...Food Supply, Lake Trout, Brook Trout, Michigan, Population Dynamics, Stocking of Fish & Shellfish, ...6.0303
- EFFECT OF LIMNOLOGICAL CHANGES ON SURVIVAL OF YOUNG FISH IN ONEIDA LAKE ...Fish -non-specific, Food Supply, New York, Urban Environments, Water Quality-general, ...6.0372
- COMPILATION OF WATER QUALITY DATA ...Aquatic Ecology, Bases -sea, white, White Perch, Data Acquisition-general, Data Analysis - General, Water Quality-general, ...5.0459
- NEUTRALIZATION OF ACID STRIP-MINE LAKES ...Acidity, Mine Drainage Control, Mining Activities, Neutralization, Stocking of Fish & Shellfish, ...5.0626
- AQUATIC VEGETATION STUDIES ...Mapping, Submerged Plants, Water Level Fluctuation, ...4.0127
- FOOD HABITS STUDY ...Aquatic Ecology, Benthic Organisms (non-specific), Food Supply, Mississippi, Plankton (non-specific), ...6.0314
- LAKE BASTROP NETTING STUDY ...Commercial Fishing, Ictaluridae -other, Nets, Population Dynamics, Texas, ...6.0570
- FERTILIZATION OF WOODS CANYON LAKE ...Arizona, Fertilizers -aquatic, Rainbow Trout, Steelhead Trout, ...5.0040
- SMALL IMPOUNDMENT STOCKING ...Bullheads, Centrarchidae -other, Colorado, Control of Nuisance Species, Stocking of Fish & Shellfish, ...5.0201
- AN EVALUATION OF THE LAMPREY IN LAKE CHAMPLAIN ...Lampreys, Maturity & Growth Stages, Predation, Spawn Or Nesting Sites, Vermont, ...6.0598
- BIOPOTENTIAL OF NATURAL WATERS ...Acidity, Atomic Absorption, Phytoplankton, Primary Productivity, Visible, Wisconsin, ...7.0114
- CHEMICAL AND PHYSICAL ANALYSES OF WATER AND SOILS ...Bottom Sampling, Chemical-general, Physical-general, Soil Chemical Properties, Water Level Fluctuation, ...2.0548
- INVESTIGATION OF SPAWNING GROUND POTENTIALS AND GROWTH AND SURVIVAL OF JUVENILE SOCKEYE SALMON IN FRAZER LAKE SYSTEM ...Alaska, Censusing, Nets, Salmon -coho, chinook, sockeye..., Spawn Or Nesting Sites, Tags, ...6.0009
- THE EFFECTS OF ENGINEERING PROJECTS ON THE ECOLOGY OF MOSES LAKE ...Aquatic Ecology, Construction, Engineering Structures-general, Texas, Water Properties-general, ...6.0544
- ATCHAFALAYA RIVER - CALLIOU LAKE SYSTEM ...Louisiana, Number Or Density, Physical-general, Plankton (non-specific), Vertical Distribution, ...2.0545
- DETERMINATION OF THE STAGES OF EUTROPHICATION OF SOME OF NEW HAMPSHIRE'S LARGE LAKES PHASE II ...Eutrophication, New Hampshire, Phytoplankton, Primary Productivity, Water Properties-general, Zooplankton, ...2.0746
- BOTTOM SEDIMENTS OF LAKE CHAMPLAIN ...Chemical, Clays, General, Size, Vermont, ...2.1087
- IMPACT OF WATER BASED RECREATION ...Benefit-cost Analysis, New York, Planning, Recreation Sites, Reservoirs and Impoundments, ...6.0384
- A LIMNOLOGICAL STUDY OF SPIRITWOOD, NORTH DAKOTA - WATER QUALITY AND SEASONAL CYCLES ...Biological-general, Chemical-general, North Dakota, Physical-general, Recreation Sites, ...2.0833
- THE ROLE OF LANGMUIR CIRCULATIONS IN MIXING OF LAKE GEORGE ...Circulation -water, Evaporation, Heat Flow, Mixing, New York, ...2.0779
- NATURAL WATER SYSTEMS IN WESTERN MONTANA ...Freshwater Ecology, Montana, Phytoplankton, Streams, Zooplankton, ...2.0719
- A GEOLOGIC, GEOCHEMICAL AND MICROBIOLOGIC STUDY OF FLATHEAD LAKE ...Charts, Chemical, Montana, Physical Properties-general, Topographic, ...2.0718
- FACTORS AFFECTING THE MOVEMENTS OF WATER AND ORGANISMS WITHIN A REGULATED MULTIPURPOSE LAKE ...Bacterial Pollutant Sources, Boundary Layer Studies, Currents -water, Sediments, Washington, ...2.1114
- LIMNOLOGICAL STUDIES OF LENTIC WATERS IN IDAHO ...Alpine, Idaho, Phytoplankton, Primary Productivity, Productivity - Food Chain, Reservoirs and Impoundments, ...2.0398
- DETERMINATION OF THE FEASIBILITY OF REMOVAL OF ALGAL NUTRIENTS IN LAKE WATERS BY ION-EXCHANGE ...Algae- General, Eutrophication, Ion Exchange-other, Nutrients, Phosphate, Phosphite, ...2.0610
- RELATION OF PHOSPHORUS IN LAKE BOTTOM DEPOSITS AND POLLUTIONAL HISTORY OF MINNESOTA LAKES ...Chemical, Core Analysis, Minnesota Phosphorus, ...5.0602
- PRIMARY PRODUCTIVITY OF MINNESOTA LAKES ...Chemical-general, Plankton (non-specific), Primary Productivity, Trace Element Analysis, Water Sampling, ...5.0607
- THE EFFECTS OF LIMNOLOGICAL FACTORS ON THE UPTAKE OF CS137 BY FISH ...Atomic Absorption, Cesium, Emission, Michigan, Radioactive Fallout, ...2.0653

SUBJECT INDEX

Legal Aspects of Water

WATERSHED CORRELATION AND SYNTHESIS ...Eastern, Flow Characteristics -water, Forest Watersheds, Management, Water Yield, ...3.0420

EFFECTS OF DIFFERENT FOREST TYPES AND CONDITIONS ON STREAM REGIMEN AND WATER YIELDS ...Climatic Effects, Environment, Flow Characteristics -water, Forest Watersheds, Radiation-general, Water Yield, ...5.0794

FLOOD REDUCTION AND IMPROVEMENT IN TIMING OF WATER YIELD IN THE OZARKOUSHITA UPLANDS ...Erosion-general, Floods, Infiltration, Water Cycle, Water Yield, ...5.0054

EFFECT OF FOREST TYPES AND CONDITIONS ON WATER MOVEMENT AND GROUND WATER RECHARGE ...Forest Watersheds, Groundwater Movement, Infiltration, Natural Recharge, Runoff, Water Cycle, ...3.0301

SEDIMENT SOURCES AND YIELDS IN AGRICULTURAL WATERSHEDS IN CORN BELT STATES ...Agricultural Watersheds, Corn Belt, Forecasting-prediction, Sediment Yield, Streams, ...2.0864

RUNOFF PRODUCTION BY UNIT SOURCE AREA FOR AGRICULTURAL WATERSHEDS IN THE SOUTH ...Agricultural Watersheds, Conservation, Precipitation -non-specific, Runoff, Southern, ...2.0335

RELATION OF CLIMATIC AND WATERSHED PHYSIOGRAPHIC AND CULTURAL FACTORS TO WATER YIELD ...Agricultural Watersheds, Climate-general, Groundwater, Shape, Water Yield, ...3.0393

STORM RUNOFF AND FLOODS AS RELATED TO INTEGRATED CLIMATIC AND WATERSHED CHARACTERISTICS ...Climate, Floods, Morphology-general, Runoff, Storm Water, ...4.0071

RUNOFF PRODUCTION BY UNIT SOURCE AREAS IN THE SOUTHERN PLAINS ...Great Plains Province, Moisture Retention, Runoff, ...2.0875

RELATION OF CLIMATIC AND WATERSHED PHYSIOGRAPHIC AND CULTURAL FACTORS TO WATER YIELD ...Agricultural Watersheds, Conservation-general, Flow Characteristics -water, Physiography-general, Water Yield, ...3.0462

DEVELOPMENT OF SUPPORTING PRACTICES, SYSTEMS, TECHNIQUES AND DEVICES FOR RUNOFF AND EROSION CONTROL IN THE SOUTH ...Conservation, Conservation & Management Eng, Erosion-general, Flow Characteristics -water, Runoff, Tillage, Cropping Systems, ...5.0275

SOIL MOISTURE REGIMES OF AGRICULTURAL WATERSHEDS IN CORN BELT STATES ...Agricultural Watersheds, Corn Belt, Internal Water Movement, Moisture Levels, Recharge -general, Soil Physical Properties, ...2.0869

FACTORS INFLUENCING THE STABILITY AND REGIME OF CHANNELS IN AGRICULTURAL WATERSHEDS ...Agricultural Watersheds, Channels, Climate, General Deposition, Morphology-general, ...4.0072

SEDIMENT YIELD FROM RANGELAND WATERSHEDS IN THE SOUTHWEST ...Agricultural Watersheds, Erosion, Sediment Transport-other, Sediment Yield, Supply Rate, ...2.0041

TECHNOLOGY AND ECONOMICS OF CONSERVATION ...Alternative Planning, Benefit-cost Analysis, Conservation-general, Erosion-general, Sediments, ...4.0106

OPTIMUM PATTERNS OF DIVERSIFIED CROP PRODUCTION ON THE MOLOKAI DIVERSION PROJECT ...Economic Feasibility, Irrigation, Water Costs, Water Demand, Yield, ...6.0173

CONTROL OF INSECT VECTORS ON WATERFOWL MARSHES ...Cultural Control, Great Salt Lake, Insecticides -non-specific, Management, Swamps-marshes, ...4.0263

Lanthanide Series-general

Element

HETEROGENEOUS OXIDATION OF POLLUTANTS IN WATER ...Chemical Treatment-other, Heterogeneous Catalysis, Organic Matter, Oxidants, Regeneration-other, ...5.0789

Lanthanum

A STUDY OF A PROCESS FOR PHOSPHATE REMOVAL FROM WATER SUPPLIES USING LANTHANUM PRECIPITATION ...Material Recovery Wastes, Phosphate, Phosphite, Process Design, Waste Treatment-economics, Waste Water Treatment-other, ...5.0074

Lasers and Masers

DETECTION AND IDENTIFICATION OF MOLECULAR WATER POLLUTANTS BY LASER RAMAN SPECTROSCOPY ...Chemical Analysis, Detectors and Sensors, Industrial Wastes, Pesticides -non-specific, Physical Parameters, Raman, Surfactants, ...5.0441

DEVELOPMENT OF ATMOSPHERIC LASER RADAR ...Amplifiers, Humidity, Lasers, Radar, Ruby, ...2.0194

Applications of Lasers-masers

THE APPLICATION OF LASER IONIZATION MASS SPECTROMETRY TO THE IDENTIFICATION OF ORGANIC SALTS IN POLLUTED WATER ...Organic Matter, Physical Parameters, Spectroscopy, Sulfonates (rso3na), Surfactants, ...1.0108

Ruby

DEVELOPMENT OF ATMOSPHERIC LASER RADAR ...Amplifiers, Humidity, Lasers, Lasers and Masers, Radar, ...2.0194

Leaching-aerial

THE LOSS OF ORGANIC AND INORGANIC MATERIALS FROM ABOVE-GROUND PLANT PARTS, WITH REFERENCE TO DECONTAMINATION OF PARTS UTILIZED FOR FOOD ...Adsorption & Interface, Atomic Bomb, Radioactive, Fallout, Root Absorption, ...5.0776

Leaching-other

LEACHING REQUIREMENT AND SALINITY STUDIES WITH BEARING ORANGE TREES ...Citrus, Flood Irrigation, Soil and Rock Leaching, Trees, Water Salinity, ...4.0041

Lead

A STUDY OF SUSPECTED LEAD POISONING OF SWANS AND GEESE ...Anseriformes -other, Ponds, Rhode Island, ...5.1077

HEMATOLOGICAL CHANGES IN *F. HETEROCLOTUS* UPON EXPOSURE TO TOXIC METALS ...Blood Cells, Blood Plasma and Serum, Cadmium, Killifish - Cyprinodon, Mineral Origin, ...5.1092

LEAD ISOTOPIC CHEMISTRY FOR POLLUTION RESEARCH ...Analysis and Detection, Other, Pollutants - Path of, Radioisotopes, Transport, ...5.0150

Learning and Retention

Escape and Avoidance

EFFECTS OF MALATHION ON LEARNING AND RETENTION IN THE GOLDFISH ...Goldfish, Malathion, Mode of Action - animal, Pesticides, Pollution - Effects of, ...5.0667

Legal Aspects of Water

Law Enforcement

WATER RIGHTS & WATER LAW & THE EFFECTS OF THESE ON THE DEVELOPMENT & UTILIZATION OF THE WATER RESOURCES OF NY STATE (ABBREV) ...Administrative Structures, New York, Riparian Rights, State Government, Water Utilization -general, ...6.0380

AN EVALUATION OF ALTERNATIVES FOR WATER RESOURCES REGULATION IN MISSOURI ...Alternative Planning, Legal Review, Missouri, State Government, ...6.0321

ANALYSIS OF MANAGERIAL, FINANCIAL, AND REGULATORY FUNCTIONS OF REGIONAL WATER RESOURCES AUTHORITIES AND OTHER INSTITUTIONAL ARRANGEMENTS ...Administrative Structures, Finance, Management and Administration, Survey Studies, ...6.0279

Legal Review

APPRAISAL OF WATER MANAGEMENT INSTITUTIONS-SURVEY OF OREGON WATER LAW ...Administrative Structures, Management, Water Rights-general, Water Standards, Water Transfer, ...6.0455

INTEGRATION OF CONNECTICUT WATER RIGHTS LAWS AND POLLUTION CONTROL LAWS ...Connecticut, State Government, Water Allocation, Water Quality Control-general, Water Rights-general, ...6.0116

Legal Aspects of Water

SUBJECT INDEX

ECONOMIC IMPLICATIONS OF WATER POLICY IN ARIZONA ...Arizona, Economic Efficiency, Economic Impact, Model Studies, Water Resources Development, ...6.0011

PHYSICAL, LEGAL AND ECONOMIC ASPECTS OF ASSESSMENT OF COSTS AMONG DRAINAGE DISTRICTS ...Drainage, Floodproofing, Floods, Flow Characteristics -water, Routing, ...6.0228

MODEL WATER USE ACT FOR THE STATE OF FLORIDA WITH COMMENTS ...Administrative Structures, Regional Areas, Riparian Rights, State Government, Water Allocation, ...6.0151

SYSTEMS APPROACH TO WATER RESOURCE MANAGEMENT ...Administrative Structures, Economics-general, Model Studies, Social Aspects, Systems Analysis, Water Allocation, ...6.0080

AN EVALUATION OF ALTERNATIVES FOR WATER RESOURCES REGULATION IN MISSOURI ...Alternative Planning, Law Enforcement, Missouri, State Government, ...6.0321

SOME LEGAL ASPECTS OF WATER RESOURCE USE WITH RESPECT TO ECONOMIC DEVELOPMENT IN ALABAMA ...Economic Impact, Social Aspects, State Government, Water Utilization -general, ...6.0004

LAW AFFECTING INSTITUTIONAL DESIGN FOR WATER QUALITY MANAGEMENT ...Administrative Structures, Pollution Abatement, Riparian Rights, State Government, Water Quality Control-general, ...6.0642

ECONOMICS AND LEGAL FACTORS IN PROVIDING, USING AND MANAGING WATER RESOURCES IN AGRICULTURE ...Conflicts, Illinois, Interstate, North Central, Water Demand, ...6.0211

ECONOMIC AND LEGAL FACTORS IN PROVIDING, USING, AND MANAGING WATER RESOURCES IN AGRICULTURE ...Agriculture, Irrigation-general, Management, North Central, Optimization, ...6.0323

THE ECONOMICS OF WATER TRANSFER - AN APPRAISAL OF INSTITUTIONS ...Administrative Structures, Alternative Planning, Economic Efficiency, Model Studies, Water Transfer, Welfare Economics, ...4.0169

ECONOMICS OF WATER TRANSFER - APPRAISAL OF INSTITUTIONS ...Administrative Structures, Economic Efficiency, Water Allocation, Water Transfer, Welfare Economics, ...4.0176

A STUDY OF SOUTH CAROLINA'S STATE LEGISLATION, POLICIES AND PROGRAMS PERTAINING TO WATER AND RELATED LAND RESOURCES ...Administrative Structures, South Carolina, State Government, Water Law-general, ...6.0490

THE ECONOMICS OF WATER TRANSFER ...Administrative Structures, Economic Impact, Water Allocation, Water Rights-general, Water Transfer, ...6.0577

THE ECONOMICS OF WATER TRANSFER - AN APPRAISAL OF INSTITUTIONS ...Administrative Structures, Economic Efficiency, State-local Government, Water Allocation, Water Transfer, ...4.0269

ILLINOIS AND ITS INTERSTATE COMPACTS ...Administrative Structures, Control and Protection, Illinois, Interstate, Urban Environments, ...6.0185

AN ECONOMIC AND LEGAL APPRAISAL OF THE USE OF WATER FOR IRRIGATION AND OTHER PURPOSES ON ILLINOIS FARMS ...Agriculture, Illinois, Irrigation-general, Legislative Processes, Water Law-general, ...6.0214

LEGAL IMPLICATIONS OF WEATHER MODIFICATION ...Clouds-precipitation, Fog-mist Dissipation, Legal Studies-general, Weather Modification-general, ...2.0169

STANDARDS AND CRITERIA ...Legislation, Turbidity, Water Standards, ...5.0188

LEGAL ASPECTS OF WATER RIGHTS IN THE EAST ...Economics-general, Irrigation-general, Water Resources Development, Water Rights-general, Water Utilization -domestic, ...6.0133

LEGAL ASPECTS OF WATER RIGHTS IN THE WEST ...Water Rights-general, Water Sources -general, Western, ...6.0040

LEGAL ASPECTS OF WATER RIGHTS IN THE EAST ...Appropriation, Eastern, International, Interstate, Water Rights-general, ...6.0130

IRRIGATION TRENDS AND POTENTIALS IN THE NORTH CENTRAL STATES ...Economic Efficiency, Irrigation-general, North Central, Water Demand, Water Rights-general, ...6.0645

ECONOMICS OF ALTERNATIVE ROUTINES FOR DELIVERING IRRIGATION WATER ...Agriculture Industry, Economic Efficiency, Irrigation-general, Model Studies, Water - Alternative Uses, ...6.0101

LEGAL ASPECTS OF WATER RIGHTS IN THE EAST ...Administrative Structures, Contracts-permits, Eastern, Water Law-general, Water Rights-general, ...6.0131

LEGAL ASPECTS OF WATER RIGHTS IN THE EAST ...Appropriation, Contracts-permits, Eastern, Eminent Domain, ...6.0132

Legislation

THE IMPACT OF FEDERAL WATER LEGISLATION AT THE STATE AND LOCAL LEVEL ...Economic Impact, Finance, Local Government, State Government, Washington, ...6.0608

LEGAL ASPECTS OF WATER USE AND CONTROL IN SOUTH CAROLINA ...Control and Protection, South Carolina, Survey Studies, Water Law-general, Water Utilization -general, ...6.0492

LEGAL RESEARCH, WRITING AND DRAFTING TOWARD IMPROVING MONTANA WATER LAWS ...Conservation-general, Montana, State Government, Water Utilization -general, ...6.0333

STANDARDS AND CRITERIA ...Legal Review, Turbidity, Water Standards, ...5.0188

ANALYSIS OF RURAL ZONING ENABLING STATUTES AND ORDINANCES ...Agriculture, Cmc, Intergovernmental Relations, ...6.0138

APPRAISAL OF LOCAL SOIL, WATER AND OTHER RESOURCE ORGANIZATIONS ...Administrative Structures, Conservation-general, Economics-general, Other, Soils -general, ...6.0134

Legislative Levels

International

A COMPARATIVE ANALYSIS OF AMERICAN AND CANADIAN GOVERNMENTAL DEVELOPMENT OF REGIONAL WATER POLICY IN THE COLUMBIA RIVER BASIN ...Administrative Structures, Columbia River, Intergovernmental Relations, Water Resources Development, ...6.0632

LEGAL ASPECTS OF WATER RIGHTS IN THE EAST ...Appropriation, Eastern, Interstate, Legal Review Water Rights-general, ...6.0130

Interstate

INTERSTATE REGIONAL PLANNING FOR WATER SUPPLY AND WASTE DISPOSAL ...Delaware River, Disposal-general, Planning, Water Distribution Systems, Water Quality Control-general, Water Supply-general, ...5.0748

ECONOMICS AND LEGAL FACTORS IN PROVIDING, USING AND MANAGING WATER RESOURCES IN AGRICULTURE ...Conflicts, Illinois, Legal Review, North Central, Water Demand, ...6.0211

ILLINOIS AND ITS INTERSTATE COMPACTS ...Administrative Structures, Control and Protection, Illinois, Legal Review, Urban Environments, ...6.0185

LEGAL ASPECTS OF WATER RIGHTS IN THE EAST ...Appropriation, Eastern, International, Legal Review, Water Rights-general, ...6.0130

Local Government

AN EXPLORATION OF COMPONENTS AFFECTING AND LIMITING POLICYMAKING OPTIONS IN LOCAL WATER AGENCIES ...Administrative Structures, Alternative Planning, Colorado, Economic Impact, State-local Government, ...6.0104

THE IMPACT OF FEDERAL WATER LEGISLATION AT THE STATE AND LOCAL LEVEL ...Economic Impact, Finance, Legislation, State Government, Washington, ...6.0608

THE EFFECTIVENESS OF GOVERNMENTAL ACTION FOR WATER POLLUTION CONTROL IN NEW JERSEY ...Administrative Structures, New Jersey, Pollution Sources-general, Survey Studies, Water Quality Control-general, ...6.0349

A DEMONSTRATION OF JOINT-MUNICIPAL-INDUSTRIAL WASTE TREATMENT IN THE ONONDAGA LAKE WATERSHED ...Chemical Treatment, Combined Sewer, Industrial-general, Waste Water Treatment-general, Watersheds-general, ...5.0792

COMPARATIVE STUDIES OF COMMUNITIES IN ILLINOIS ...Administrative Structures, Illinois, Social Aspects, Urban Environments, ...6.0189

State Government

INTEGRATION OF CONNECTICUT WATER RIGHTS LAWS AND POLLUTION CONTROL LAWS ...Connecticut, Legal Review, Water Allocation, Water Quality Control-general, Water Rights-general, ...6.0116

SUBJECT INDEX

Legal Aspects of Water

- A LEGAL-ECONOMIC ANALYSIS OF ADMINISTRATIVE AND MARKET PROCEDURES USED IN THE TRANSFER OF WATER RIGHTS ...Administrative Structures, Economic Efficiency, Model Studies, Production - Supply, Water Allocation, Water Transfer, ...**2.0726**
- WATER RIGHTS & WATER LAW & THE EFFECTS OF THESE ON THE DEVELOPMENT & UTILIZATION OF THE WATER RESOURCES OF NY STATE (ABBREV) ...Administrative Structures, Law Enforcement, New York, Riparian Rights, Water Utilization -general, ...**6.0380**
- MODEL WATER USE ACT FOR THE STATE OF FLORIDA WITH COMMENTS ...Administrative Structures, Legal Review, Regional Areas, Riparian Rights, Water Allocation, ...**6.0151**
- THE IMPACT OF FEDERAL WATER LEGISLATION AT THE STATE AND LOCAL LEVEL ...Economic Impact, Finance, Legislation, Local Government, Washington, ...**6.0608**
- AN EVALUATION OF ALTERNATIVES FOR WATER RESOURCES REGULATION IN MISSOURI ...Alternative Planning, Law Enforcement, Legal Review, Missouri, ...**6.0321**
- SOME LEGAL ASPECTS OF WATER RESOURCE USE WITH RESPECT TO ECONOMIC DEVELOPMENT IN ALABAMA ...Economic Impact, Legal Review, Social Aspects, Water Utilization -general, ...**6.0004**
- WATER LAW OF SOUTHEASTERN ESTUARIES ...Conflicts, Estuaries, Southeast, Water Law-general, ...**6.0163**
- LEGAL RESEARCH, WRITING AND DRAFTING TOWARD IMPROVING MONTANA WATER LAWS ...Conservation-general, Legislation, Montana, Water Utilization -general, ...**6.0333**
- THE ANALYSIS OF THE WATER RIGHTS REGISTRATION ACT AND ASSOCIATED LEGISLATION OF THE 1967 WASHINGTON SESSION LAWS ...Conflicts, Contracts-permits, Washington, Water Rights-general, ...**6.0626**
- LAW AFFECTING INSTITUTIONAL DESIGN FOR WATER QUALITY MANAGEMENT ...Administrative Structures, Legal Review, Pollution Abatement, Riparian Rights, Water Quality Control-general, ...**6.0642**
- A STUDY OF SOUTH CAROLINAS STATE LEGISLATION, POLICIES AND PROGRAMS PERTAINING TO WATER AND RELATED LAND RESOURCES ...Administrative Structures, Legal Review, South Carolina, Water Law-general, ...**6.0490**

Water Law-general

- DEEP WELL DISPOSAL OF DESALINATION BRINE WASTES ...Artificial Recharge, Brackish Water, Desalination, Desalination Wastes, Economics-general, ...**3.0296**
- GENERAL STUDIES RELATED TO CODING GROUND-WATER APPROPRIATIONS & BASIC DATA FOR INFORMATION, STORAGE & PROCESSING SYSTEMS ...Data & Statistics Info Storage, Data and Statistics Centers, Digital Computers, General Design, ...**7.0074**
- INTERGOVERNMENTAL RELATIONSHIPS IN THE ADMINISTRATION OF WATER RESOURCES ...Administrative Structures, Illinois, Water Quality Control-general, Water Resources Development, ...**6.0210**
- AN ANALYSIS OF THE ECONOMIC IMPLICATIONS OF THE PERMIT SYSTEM OF WATER ALLOCATION ...Contracts-permits, Economic Efficiency, Economic Impact, Iowa, Water Allocation, ...**6.0226**
- A HISTORY OF WATER UTILIZATION IN THE SOUTHWEST, WITH PARTICULAR REFERENCE TO NEW MEXICO ...Administrative Structures, Economics-general, History, New Mexico, Water Utilization -domestic, ...**2.0774**
- INSTITUTIONAL DESIGN FOR WATER QUALITY MANAGEMENT - A CASE STUDY OF THE WISCONSIN RIVER BASIN ...Administrative Structures, Alternative Planning, Economics-general, Regional Areas, Water Quality-general, ...**5.1306**
- SYSTEMATIC STUDY AND DEVELOPMENT OF LONG-RANGE PROGRAMS OF URBAN WATER RESOURCES RESEARCH ...Data Acquisition-general, Economics-general, Projections and Estimations, Social Aspects, Systems Analysis, Urban Environments, ...**6.0392**
- AN ENGINEERING-ECONOMIC STUDY OF THE INDUSTRIAL GROWTH POTENTIAL OF THE UPPER PASSAIC RIVER BASIN ...Economic Impact, Industrial-general, River Basins, Social Aspects, Water Standards, ...**6.0347**
- A COMPENDIUM OF WATER LAW AND ECONOMICS IN NEW HAMPSHIRE ...Conjunctive Use, Economic Impact, New Hampshire, Water Quality-general, Water Rights-general, Water Utilization -domestic, ...**6.0283**
- INSTITUTIONAL FACTORS INFLUENCING WATER DEVELOPMENT IN TEXAS ...Administrative Structures,

- Economic Impact, Planning, Texas, Water Resources Development, ...**6.0562**
- ALLOCATIVE IMPACTS OF FEDERAL AND STATE WATER DEVELOPMENT LAW ...Conflicts, Economic Impact, Sacramento River, Water Allocation, Water Resources Development, ...**6.0067**
- LEGAL ASPECTS OF WATER USE AND CONTROL IN SOUTH CAROLINA ...Control and Protection, Legislation, South Carolina, Survey Studies, Water Utilization -general, ...**6.0492**
- WATER LAW OF SOUTHEASTERN ESTUARIES ...Conflicts, Estuaries, Southeast, State Government, ...**6.0163**
- ENHANCEMENT OF ECOLOGIC AND AESTHETIC VALUES OF WETLANDS ASSOCIATED WITH INTERSTATE HIGHWAYS ...Administrative Structures, Beautification, Interstate, New England Province, Wetlands, ...**6.0282**
- AN ECONOMIC EVALUATION OF THE TOLEDO BEND RESERVOIR PROJECT ...Benefit-cost Analysis, Louisiana, Multiple-purpose Projects, Policy Making, Reservoirs and Impoundments, Texas, Welfare Economics, ...**6.0246**
- RESEARCH ON DECISION MAKING AND RELATED MANAGERIAL ASPECTS OF BRITISH WATER RESOURCES PROGRAMS ...Administrative Structures, British Isles, Management, Operations Research, ...**6.0381**
- LEGAL-ECONOMIC ASPECTS OF WATER USE IN ARKANSAS ...Administrative Structures, Arkansas, Economics-general, Water Resources Development, Water Utilization -general, ...**6.0025**
- ECONOMICS OF WATER TRANSFER - AN APPRAISAL OF INSTITUTIONS ...Administrative Structures, Economic Efficiency, Idaho, Water Rights-general, Water Transfer, ...**6.0178**
- ECONOMIC AND LEGAL FACTORS IN PROVIDING, USING AND MANAGING WATER RESOURCES IN AGRICULTURE ...Administrative Structures, Agriculture Industry, Benefit-cost Analysis, Water Allocation, Water Quality Control-general, Water Resources Development, ...**6.0229**
- ECONOMIC AND LEGAL FACTORS IN PROVIDING, USING, AND MANAGING WATER RESOURCES IN AGRICULTURE ...Agriculture Industry, Economic Impact, Economics-general, Kansas, Management, ...**6.0233**
- ECONOMIC PROBLEMS IN THE USE, ALLOCATION, REGULATION AND PRICING OF WATER ...Conflicts, Minnesota, Price & Value, Water Allocation, Water Demand, ...**6.0310**
- ECONOMIC AND LEGAL FACTORS IN PROVIDING, USING, AND MANAGING WATER RESOURCES IN AGRICULTURE ...Agriculture Industry, Economics-general, Management, Water Costs, ...**6.0429**
- A STUDY OF SOUTH CAROLINAS STATE LEGISLATION, POLICIES AND PROGRAMS PERTAINING TO WATER AND RELATED LAND RESOURCES ...Administrative Structures, Legal Review, South Carolina, State Government, ...**6.0490**
- THE ECONOMICS OF WATER TRANSFER - AN APPRAISAL OF INSTITUTIONS ...Administrative Structures, Economic Efficiency, Water Demand, Water Rights-general, Water Transfer, ...**4.0282**
- PREPARATION OF A HIGHWAY DRAINAGE POLICY STATEMENT AND PRACTICE MANUAL FOR THE STATE OF ILLINOIS ...Design Criteria, Drainage, Drainage Systems, Handbooks, Illinois, Roads and Highways, ...**6.0205**
- AN ECONOMIC AND LEGAL APPRAISAL OF THE USE OF WATER FOR IRRIGATION AND OTHER PURPOSES ON ILLINOIS FARMS ...Agriculture, Illinois, Irrigation-general, Legal Review, Legislative Processes, ...**6.0214**
- THE ECONOMICS OF WATER RESOURCE DEVELOPMENT ...Administrative Structures, Economic Efficiency, Water Resources Development, Water Transfer, ...**6.0651**
- POTENTIAL APPLICATIONS OF NUCLEAR EXPLOSIVES IN WATER RESOURCE DEVELOPMENT ...Economics-general, Hydrology-general, Nuclear Excavation, Nuclear Explosion, Water Resources Development, ...**3.0067**
- LOW-FLOW STUDIES OF IOWA STREAMS ...Available Water, Iowa, Low Flow, Water Quality Control-general, Water Standards, ...**2.0489**
- FLOOD PROFILES AND FLOOD-PLAIN INFORMATION, CEDAR RAPIDS, IOWA ...Floodplains, Floods, Iowa, Planning, Urban Environments, ...**2.0490**
- LEGAL ASPECTS OF WATER RIGHTS IN THE EAST ...Administrative Structures, Contracts-permits, Eastern, Legal Review, Water Rights-general, ...**6.0131**

Legal Aspects of Water

SUBJECT INDEX

Water Rights

Appropriation

LEGAL ASPECTS OF WATER RIGHTS IN THE EAST ...Eastern, International, Interstate, Legal Review, Water Rights-general, ...6.0130

LEGAL ASPECTS OF WATER RIGHTS IN THE EAST ...Contracts-permits, Eastern, Eminent Domain, Legal Review, ...6.0132

Conflicts

INSTITUTIONAL PATTERNS FOR EVOLVING REGIONAL PROGRAMS FOR WATER RESOURCE MANAGEMENT ...Administrative Structures, Planning, Regional Areas, Water Resources Development, ...6.0284

ALLOCATIVE IMPACTS OF FEDERAL AND STATE WATER DEVELOPMENT LAW ...Economic Impact, Sacramento River, Water Allocation, Water Law-general, Water Resources Development, ...6.0067

WATER LAW OF SOUTHEASTERN ESTUARIES ...Estuaries, Southeast, State Government, Water Law-general, ...6.0163

THE ANALYSIS OF THE WATER RIGHTS REGISTRATION ACT AND ASSOCIATED LEGISLATION OF THE 1967 WASHINGTON SESSION LAWS ...Contracts-permits, State Government, Washington, Water Rights-general, ...6.0626

STATE WATER LAW ORIENTATION TOWARD SCIENTIFIC AND TECHNOLOGICAL BASES FOR EFFECTIVE PLANNING AND MANAGEMENT ...Nevada, Water Allocation, ...6.0341

ECONOMIC CONSIDERATIONS IN RESOURCES UTILIZATION CONFLICTS WITH PARTICULAR REGARD TO THE COOK INLET BASIN ...Alaska, Benefit-cost Analysis, Economic Efficiency, Economics-general, Risk & Uncertainty, Survey Studies, Water Resources Development, ...6.0008

WATER RIGHTS RELATED TO WATER QUALITY STORAGE ...Alternative Planning, Flow Augmentation, Reservoirs and Impoundments, Riparian Rights, Storage of Water, ...6.0606

ECONOMICS AND LEGAL FACTORS IN PROVIDING, USING AND MANAGING WATER RESOURCES IN AGRICULTURE ...Illinois, Interstate, Legal Review, North Central, Water Demand, ...6.0211

ECONOMIC PROBLEMS IN THE USE, ALLOCATION, REGULATION AND PRICING OF WATER ...Minnesota, Price & Value, Water Allocation, Water Demand, Water Law-general, ...6.0310

Contracts-permits

AN ANALYSIS OF THE ECONOMIC IMPLICATIONS OF THE PERMIT SYSTEM OF WATER ALLOCATION ...Economic Efficiency, Economic Impact, Iowa, Water Allocation, Water Law-general, ...6.0226

THE ANALYSIS OF THE WATER RIGHTS REGISTRATION ACT AND ASSOCIATED LEGISLATION OF THE 1967 WASHINGTON SESSION LAWS ...Conflicts, State Government, Washington, Water Rights-general, ...6.0626

LEGAL ASPECTS OF WATER RIGHTS IN THE EAST ...Administrative Structures, Eastern, Legal Review, Water Law-general, Water Rights-general, ...6.0131

LEGAL ASPECTS OF WATER RIGHTS IN THE EAST ...Appropriation, Eastern, Eminent Domain, Legal Review, ...6.0132

Eminent Domain

WATER RIGHTS AND WATER LAW ...Alternative Planning, Riparian Rights, Water Allocation, Water Resources Development, Water Utilization -general, ...6.0386

LEGAL ASPECTS OF WATER RIGHTS IN THE EAST ...Appropriation, Contracts-permits, Eastern, Legal Review, ...6.0132

Riparian Rights

WATER RIGHTS & WATER LAW & THE EFFECTS OF THESE ON THE DEVELOPMENT & UTILIZATION OF THE WATER RESOURCES OF NY STATE (ABBREV) ...Administrative Structures, Law Enforcement, New York, State Government, Water Utilization -general, ...6.0380

MODEL WATER USE ACT FOR THE STATE OF FLORIDA WITH COMMENTS ...Administrative Structures, Legal Review, Regional Areas, State Government, Water Allocation, ...6.0151

LAW AFFECTING INSTITUTIONAL DESIGN FOR WATER QUALITY MANAGEMENT ...Administrative Structures, Legal Review, Pollution Abatement, State Government, Water Quality Control-general, ...6.0642

WATER RIGHTS RELATED TO WATER QUALITY STORAGE ...Alternative Planning, Conflicts, Flow Augmentation, Reservoirs and Impoundments, Storage of Water, ...6.0606

WATER RIGHTS AND WATER LAW ...Alternative Planning, Eminent Domain, Water Allocation, Water Resources Development, Water Utilization -general, ...6.0386

Water Rights-general

APPRAISAL OF WATER MANAGEMENT INSTITUTIONS-SURVEY OF OREGON WATER LAW ...Administrative Structures, Legal Review, Management, Water Standards, Water Transfer, ...6.0455

INTEGRATION OF CONNECTICUT WATER RIGHTS LAWS AND POLLUTION CONTROL LAWS ...Connecticut, Legal Review, State Government, Water Allocation, Water Quality Control-general, ...6.0116

HYDROLOGIC ASPECTS OF WATER LAWS IN MINNESOTA ...Administrative Structures, Hydrology-general, Water Cycle, Water Transfer, ...6.0306

A COMPENDIUM OF WATER LAW AND ECONOMICS IN NEW HAMPSHIRE ...Conjunctive Use, Economic Impact, New Hampshire, Water Law-general, Water Quality-general, Water Utilization -domestic, ...6.0283

THE ANALYSIS OF THE WATER RIGHTS REGISTRATION ACT AND ASSOCIATED LEGISLATION OF THE 1967 WASHINGTON SESSION LAWS ...Conflicts, Contracts-permits, State Government, Washington, ...6.0626

THE ECONOMICS OF WATER TRANSFER - AN APPRAISAL OF INSTITUTIONS ...Administrative Structures, Economic Efficiency, Water - Alternative Uses, Water Allocation, Water Transfer, Welfare Economics, ...6.0012

ECONOMICS OF WATER TRANSFER - AN APPRAISAL OF INSTITUTIONS ...Administrative Structures, Economic Efficiency, Idaho, Water Law-general, Water Transfer, ...6.0178

THE ECONOMICS OF WATER TRANSFER - AN APPRAISAL OF INSTITUTIONS ...Administrative Structures, Economic Efficiency, Economics-general, Water Transfer, ...6.0327

USE OF GROUND WATER IN EXCESS OF RECHARGE ...Administrative Structures, Agriculture Industry, Economic Efficiency, Water - Alternative Uses, Water Transfer, ...3.0310

THE ECONOMICS OF WATER TRANSFER ...Administrative Structures, Economic Impact, Legal Review, Water Allocation, Water Transfer, ...6.0577

ECONOMIC AND LEGAL FACTORS IN PROVIDING, USING AND MANAGING WATER RESOURCES IN AGRICULTURE ...Administrative Structures, Economic Impact, Impact, Model Studies, Policy Making, Recreation Sites, Social Aspects, ...6.0646

THE ECONOMICS OF WATER TRANSFER - AN APPRAISAL OF INSTITUTIONS ...Administrative Structures, Economic Efficiency, Water Demand, Water Law-general, Water Transfer, ...4.0282

LEGAL ASPECTS OF WATER RIGHTS IN THE EAST ...Economics-general, Irrigation-general, Legal Review, Water Resources Development, Water Utilization -domestic, ...6.0133

LEGAL ASPECTS OF WATER RIGHTS IN THE WEST ...Legal Review, Water Sources -general, Western, ...6.0040

LEGAL ASPECTS OF WATER RIGHTS IN THE EAST ...Appropriation, Eastern, International, Interstate, Legal Review, ...6.0130

ECONOMICS OF WESTERN STREAMFLOW ACCRETIONS ...Benefit-cost Analysis, Irrigation-general, Missouri River, Water Allocation, Water Transfer, ...6.0100

IRRIGATION TRENDS AND POTENTIALS IN THE NORTH CENTRAL STATES ...Economic Efficiency, Irrigation-general, Legal Review, North Central, Water Demand, ...6.0645

LEGAL ASPECTS OF WATER RIGHTS IN THE EAST ...Administrative Structures, Contracts-permits, Eastern, Legal Review, Water Law-general, ...6.0131

Water Rights-other

AN APPRAISAL OF FLOOD REGULATIONS IN THE STATES OF ILLINOIS, INDIANA, IOWA, MISSOURI AND OHIO ...Alternative Planning, Central, Floodplains, Floodproofing, Management, ...6.0209

Legal Studies-general

LEGAL IMPLICATIONS OF WEATHER MODIFICATION ...Clouds-precipitation, Fog-mist Dissipation, Legal Review, Weather Modification-general, ...2.0169

Lichenes

MINIMUM WATER CONCENTRATION OF ENVIRONMENTAL WATER CAPABLE OF SUPPORTING LIFE ...Environment, Extraterrestrial, Fungi -non-specific, Moisture, Water, ...6.0430

Linings-pavings

- SMALL RESERVOIR SEALING ...Sealant Materials, Seepage, ...8.0288
- THE EFFECT OF THE NATURAL SEALING OF POTHoles UPON WATER MOVEMENT AND GROUNDWATER RESOURCES ...Groundwater, Internal Water Movement, Permeability, Potholes, Subsurface Flow, ...2.0667
- INVESTIGATION OF SEEPAGE REDUCTION BY NATURAL PROCESSES IN IRRIGATION CANALS ...Canals, Irrigation-general, Seepage, Soil Environment, Tensiometer, ...3.0207
- DEVELOPMENT AND DEMONSTRATION OF MATERIALS TO REDUCE OR ELIMINATE WATER INFILTRATION INTO SEWERAGE ...Groundwater Movement, Joining, Bonding-general, Other, Pipe-other, Sealant Materials, ...5.1186
- GRAND VALLEY SALINITY CONTROL DEMONSTRATION PROJECT ...Brackish Water, Canals, Colorado River, Mineralization, Natural Recharge, ...5.0203
- USE OF LATEX AS A SOIL SEALANT TO CONTROL ACID MINE WASTE DRAINAGE ...Acidity, Elastomers Rubber, Lining, Mine Drainage Control, Sealant Materials, Seepage, ...5.0996
- DEVELOPING RESERVOIRS FOR SUPPLEMENTAL IRRIGATION ...Leakage, Loss, Reservoirs, Seepage, Water Loss Control, ...3.0302
- POND SEALING ...Adsorption Capacity, Lining, Permeability, Ponds, ...4.0223
- RUNOFF INDUCEMENT IN ARID LANDS ...Arid and Desert, Infiltration, Runoff, Stabilization-general, Storage of Water, Synthetic Hydrology-general, ...3.0238
- WATER TABLE CONTROL IN ORGANIC SOILS ...Drainage, Moisture Retention, Soil-water-plant Relationships, Swamps-marshes, Water Table Fluctuation, ...4.0079
- CONCRETE DITCH LINING AND PIPE FOR IRRIGATION SYSTEMS ...Irrigation, Lining, Open Channel, Pipes, Plain, ...8.0272
- STORAGE AND CONVEYANCE OF IRRIGATION WATER ...Biological, Irrigation-general, Leakage, Porosity, Permeability, Stability, Weathering, ...2.1071
- STUDY OF MECHANISMS IN SOIL RELATED TO FROST HEAVE AND ITS CONTROL ...Aggregates, Extenders, Fillers, Foams, Porous, Frost and Permafrost, Plastics - General, ...8.0267
- PROTECTION OF ERODIBLE CHANNELS AND SURFACES WITH GRAVEL OR RIPRAP ...Canals, Channels, Energy Loss - water, Engineering Structures-general, Flow Characteristics - water, Groundwater, Seouring, Seepage, ...8.0040
- CHANGES IN PHYSICAL CHARACTERISTICS OF ASPHALT MATERIAL ...Aging, Asphalt - Tar Sands, Bituminous, Cement, Concrete, Test Methods, ...8.0105
- PROTECTIVE LININGS FOR WATER PASSAGE SURFACES OF FERROUS METALWORK ...Erosion, Organic-general, Pipe, Tube, Water, ...8.0087
- STUDY OF TUNNEL LININGS AND REINFORCEMENT ...Channel Type-other, Data Analysis - General, Lining, Reinforced, ...8.0104
- FILTER CRITERIA FOR DRAINS AND WATER WELLS ...Drainage, Filters, Filtration, Infiltration, Water Wells, ...8.0083
- INVESTIGATION OF EROSION AND TRACTIVE FORCES ON CANALS--OPEN AND CLOSED CONDUIT RESEARCH PROGRAM ...Canals, Erosion-general, Lining, Soil Environment, Traction, ...8.0035
- HARD SURFACE LININGS--LOWER COST CANAL LINING PROGRAM ...Bituminous, Canals, Cement, Concrete, Gel, Sealant Materials, ...8.0050
- INVESTIGATION OF GROOVE AND CRACK SEALING MATERIALS ...Bituminous, Canals, Cement, Concrete, Elastomers Rubber, Polyethylene, Sealant Materials, ...8.0076
- CONTROL OF SEEPAGE FROM WATER CONVEYANCE AND STORAGE STRUCTURES IN THE INTER-MOUNTAIN AREA ...Film, Seepage, Storage of Water, Water Loss Control, Water Transfer, ...8.0291
- CONTROL OF SEEPAGE FROM CANALS AND STORAGE PONDS IN NEVADA ...Bentonite, Canals, Seepage, Water Loss Control, ...8.0263

Liquid - Solid Interactions

- COUPLING OF FLOWS AROUND AND THROUGH POROUS MEDIA ...Boundary-layer-other, Filter Materials, Porous Media - Flow Through, ...2.0661
- MECHANISM OF FROST HEAVING ...Frost Heaving, Hydrated Acid and Norm, Particle Surface, Permafrost-frozen, Silicones, Wax, Paraffin, ...2.0802

Liquid Structure

Collision Effects

- EFFECT OF CHARGE UPON COLLISIONS IN WASHOUT ...Charge on Droplets, Charged Particles, Droplet Formation, Dust - Particulate Matter, Washout, ...2.0155

Droplet Formation

- EFFECT OF CHARGE UPON COLLISIONS IN WASHOUT ...Charge on Droplets, Charged Particles, Collision Effects, Dust - Particulate Matter, Washout, ...2.0155

Hypersonic Waves

- A STUDY OF HYPERSONIC WAVES IN WATER AND IN AQUEOUS SOLUTIONS ...Dissociation, Inorganic, Relaxation, Ultrasonic, Ultrasonics, Water, ...1.0030

Interparticle Forces

- THE BASIC NATURE OF LIQUIDS ...Absorption Spectra, Infrared, Self Consistent Fields, Spin-orbit Interaction, ...1.0117
- THEORY OF LIQUIDS ...Approximations, Perturbation Methods, Potential Functions, Solution-other, Statistical, ...1.0016

Liquid Solutions

- EFFECT OF AMINES, ALCOHOLS AND PHENOLS ON THE PHYSICO-CHEMICAL PROPERTIES OF WATER ...Hydrogen, Infrared, Phy and Chem Properties, X-ray, ...1.0106

Quantum Analysis

- STATISTICAL MECHANICAL THEORIES OF FLUIDS ...Interface, Solution, Statistical, Tension, Van Der Waals Forces, ...1.0084

Velocity Measurement

- APPLICATION OF MAGNETOHYDRODYNAMICS TO MEASUREMENT OF LIQUID VELOCITY AND TURBULENCE ...Analog Computers, Analog Computers Math, Technique Development, Turbulent, Turbulent Flow, Velocity, Velocity - water, ...2.1166

Lithification

Authigenesis

- GEOCHEMICAL STUDIES OF CONTINENTAL WATERS ...Location, Pore Fluids, Radioisotopes, ...1.0081

Cementation

Cementing Material

- GRAVEL PERMEABILITY IN SALMONID SPAWNING BEDS ...Permeability, Silting, Size, Spawn Or Nesting Sites, Streams, ...6.0619

Chemical Processes

Mineral Equilibria

- PHOSPHORUS IN LAKE SEDIMENTS ...Aquatic Soils, Lakes, Phosphorus, Soil Environment, Temperature, ...5.0210

Mineral Reactions

- CLAY MINERAL STABILITY AND WATER COMPOSITION ...Clay Minerals-general, Fine-grained Clastics, Interstitial - Conate Water, Mineralogy, Moisture Content, ...5.1238

Intrastratal Solution

Pore Fluids

- GEOCHEMICAL STUDIES OF CONTINENTAL WATERS ...Authigenesis, Location, Radioisotopes, ...1.0081

Locomotion -animal

- EFFECTS OF CHRONIC SUBLETHAL DOSAGES OF DDT ON THE SWIMMING PERFORMANCE OF ATLANTIC SALMON PARR ...Atlantic Salmon, Sebago Salmon, DDT, Mode of Action -animal, Stamina, Wildlife, ...5.0472
- FISH MOVEMENTS IN THE NORTH INLET OF WOLF LAKE, HUNTINGTON FOREST ...Behavioral Ecology, Environmental Ecology, Lake Trout, Brook Trout, New York, Streams, ...2.0813

Long Island Sound

CONSERVATION AND DEVELOPMENT PLANNING FOR THE ESTUARINE ZONE (A CASE STUDY IN THE TOWN OF SOUTHDOLD, LONG ISLAND) ...Administrative Structures, Estuaries, Planning, Systems Analysis, Water Resources Development, ...6.0388

Louisiana

MOISTURE RESPONSE OF SOILS ...Capillarity, Soil Environment, Techniques & Instrumentation, ...2.0550

A STUDY OF STORM WATER INLET CAPACITIES ...Drainage, Inlet, Model Studies, Storm Sewer Quantity-other, Storm Water, ...8.0206

FLOOD FREQUENCY OF SMALL STREAMS IN LOUISIANA ...Drainage, Floods, ...2.0541

URBAN HYDROLOGIC STUDIES ...Digital Computers, Drainage, Forecasting-prediction, Peak Flow, Urban Environments, ...2.0551

REPOPULATION OF EXPERIMENTALLY DECIMATED AREAS BY STREAM FISHES ...Aquatic Ecology, Control of Nuisance Species, Fish -non-specific, Population Dynamics, Stream Rehabilitation, Streams, ...5.0460

EFFECTS OF WATER QUALITY ON HATCHING SUCCESS ...Basses -sea,white, White Perch, Captive Rearing, Hatchability, Pollution - Effects of, Water Properties-general, ...5.0453

EFFECTS OF CHANGES IN WATER QUALITY ON FRY AND FINGERLINGS ...Aquatic Ecology, Basses -sea,white, White Perch, Chemical-general, Environmental Ecology, Water Quality-general, ...5.0454

OYSTER LEASE CONTROL MONUMENTS - BAY ADAM, BASTIAN BAY AND SANDY POINT BAY AREAS ...Commercial Fishing, Gulf of Mexico, Oysters, Plane, Tides, ...6.0249

ECOLOGICAL OF LOUISIANAS ESTUARINE WATERS - MARINE LABORATORY ...Aquatic Ecology, Estuaries, Marine Biology (non-specific), Shoreline - Coastline, ...2.0542

LAKEBOURGNE-CHANDELEUR SOUND SYSTEM ...Aquatic Ecology, Nets, Number Or Density, Plankton Sampling, Tides, ...2.0543

ATCHAFALAYA RIVER - CALLIOU LAKE SYSTEM ...Lakes, Number Or Density, Physical-general, Plankton (non-specific), Vertical Distribution, ...2.0545

VERMILION - CALCASIEU - SABINE SYSTEM ...Aquatic Ecology, Data Acquisition-general, Nets, Number Or Density, Plankton Sampling, ...2.0546

TIMBALIER - TERREBONNE BAYS SYSTEM ...Aquatic Ecology, Data Acquisition-general, Nets, Number Or Density, Plankton Sampling, ...2.0547

SEDIMENT TRANSPORTATION AND BOTTOM CONFIGURATION, AMITE RIVER ...Bed Load, Forecasting-prediction, General Deposition, Rate of Deposition, Scouring, ...5.0450

THE ENGINEERING AND ECONOMIC ASPECTS OF USING SEWAGE EFFLUENT FOR IRRIGATION ...Irrigation-general, Sewage, Use of Impaired Water, Water Costs, ...5.0463

A LIMNOLOGICAL STUDY OF LAKE PONTCHARTRAIN, LOUISIANA, IN THE SUMMER OF 1968 ...Chemical-general, Currents -water, Lakes, Physical-general, Water Sampling, ...5.0457

AN ECONOMIC EVALUATION OF THE TOLEDO BEND RESERVOIR PROJECT ...Benefit-cost Analysis, Multiple-purpose Projects, Policy Making, Reservoirs and Impoundments, Texas, Water Law-general, Welfare Economics, ...6.0246

DISPOSAL OF PAPER MILL EFFLUENT THROUGH IRRIGATION OF BOTTOMLAND HARDWOOD UNDER LOUISIANA CONDITIONS ...Disposal Wastes, Irrigation-general, Pulp and Paper Wastes, Pulp, Paper, and Logging, Waste Disposal -underground, ...6.0250

GEOCHEMISTRY OF AQUIFERS AS AFFECTED, OR POTENTIALLY AFFECTED BY OFFTAKE OR ARTIFICIAL RECHARGE ...Aquifers-general, Artificial Recharge, Chemical-general, Discharge-general, Geochemistry-general, ...2.0530

LAGOONS FOR DISPOSAL OF BARN YARD WASTES ...Animal Waste Removal-treatment, Animal Wastes - Feed Lots, Climate, Farm Wastes, Lagoon, Process Design, ...5.0452

PESTICIDE CONTAMINATION OF THE ENVIRONMENT AND ITS SIGNIFICANCE ...Carbamates -non-specific, Monitoring Systems, Organophosphorous Cpd., Persistence of Residues, ...5.0451

INSECTS ASSOCIATED WITH AQUATIC WEED PESTS OF FOREIGN ORIGIN IN LOUISIANA ...Animal Taxonomy, Insects -non-specific, Survey Methods, Weeds, ...5.0490

ROW CROP IRRIGATION IN NORTHWEST LOUISIANA - COTTON IRRIGATION ...Cotton, Evapotranspiration, Furrow Irrigation, Irrigation, ...2.0533

ROW CROP IRRIGATION IN NORTHEAST LOUISIANA ...Corn, Cotton, Evapotranspiration, Furrow Irrigation, Irrigation, ...2.0534

AQUATIC PLANT CONTROL - EQUIPMENT FOR MECHANICAL AND CHEMICAL DESTRUCTION ...Herbicides -non-specific, of Aquatic Plants, Pest, Disease & Weed Control, ...8.0208

BAYOU LAFOURCHE SEDIMENTATION STUDY, LOUISIANA ...Bayous, Channels, Morphology-general, Rate of Deposition, Sediment Yield, ...2.0535

FLOODS IN NORTH LOUISIANA - RAINFALL-RUNOFF RELATIONSHIPS ...Amount, Floods, Gaging, Runoff, Storms-general, ...2.0537

UNIT HYDROGRAPHS FOR SOUTHWESTERN LOUISIANA ...Floods, Forecasting-prediction, Gaging, Hydrographs, ...2.0539

UNIT HYDROGRAPHS FOR NORTHERN LOUISIANA ...Floods, Forecasting-prediction, Gaging, Hydrographs, ...2.0540

BIOLOGY AND CONTROL OF SALT-MARSH AND RICE-FIELD MOSQUITOES IN GULF COAST AREAS ...Aquatic Ecology, Computer Matching Code, Mosquitoes -non-specific, Predators and Parasite, Swamps-marshes, ...2.0576

THE EFFECT OF PREDATORS AND PARASITES ON THE BREEDING POTENTIAL OF MOSQUITOES ...Aedes Mosquitoes, Aquatic Ecology, Disease, Predators, Diseases, Predators and Parasite, ...2.0577

THE DISPOSITION OF PESTICIDES IN SOIL AND CLOSELY RELATED WATER ...Farm Pond, Management, Pesticides -non-specific, Pollutants - Path of, Soil and Rock Leaching, ...5.0276

Lubricants and Fluids

Liquid Lubricants

INSULATING MINERAL OILS AND SYNTHETIC LIQUIDS AND LUBRICATING OILS ...Electrical Materials, Lubricants and Fluids - Other, Oxidation, Standards, Specifications, Test Methods, ...8.0059

Lubricants and Fluids - Other

INSULATING MINERAL OILS AND SYNTHETIC LIQUIDS AND LUBRICATING OILS ...Electrical Materials, Liquid Lubricants, Oxidation, Standards, Specifications, Test Methods, ...8.0059

Lycopsidea

METHODS OF CONTROLLING CLUBMOSS (SELAGINELLA DENSA RYDB) AND REDEVELOPING THE PRODUCTIVE CAPACITY OF RANGES FOLLOWING CLUBMOSS CONTROL ...Applied Ecology, Management and Fertility, Weeds -physiological Studies, ...4.0160

Lysimeters

MEASURING EVAPOTRANSPIRATION AND PHOTOSYNTHESIS OVER SHORT PERIODS OF TIME IN THE FIELD ...Alfalfa, Evapotranspiration, Humidity, Photosynthesis, Wind Or Air Movement, ...2.0725

ENERGY SOURCES FOR EVAPOTRANSPIRATION IN THE PLAINS REGION ...Antitranspirants, Evapotranspiration, Nebraska, Radiation-general, Water Loss Control, ...2.0721

EVAPOTRANSPIRATION BY SUGAR CANE ...Consumptive Use, Evapotranspiration, Internal Water Movement, Sprinkler Irrigation, ...3.0198

EVAPOTRANSPIRATION AND ITS CHEMICAL REDUCTION ...Agricultural Watersheds, Antitranspirants, Evapotranspiration, Kansas, Meteorology, ...3.0244

LYSIMETER INVESTIGATIONS OF GAINS AND LOSSES OF MINERAL ELEMENTS ...Mineralogy, Soil and Rock Leaching, ...2.0144

PROCEDURES FOR ESTIMATING CROP WATER REQUIREMENTS FOR USE IN WATER ALLOCATIONS AND FOR IMPROVEMENT OF IRRIGATION EFFICIENCY ...Evapotranspiration, General Synoptic Observations, Irrigation-general, Requirements for Water, Water Allocation, ...3.0047

PILOT EVAPOTRANSPIRATION STUDY WITH LYSIMETERS OF WATER USE BY SUGAR CANE, PINEAPPLE AND TROPICAL TRUCK CROPS ...Evapotranspiration, Pineapple, Sugar-cane, Tropic, Yield, ...2.0372

SUBJECT INDEX

Management

THE LOSS OF FERTILIZERS BY LEACHING FROM THE SUGARCANE SOILS OF PUERTO RICO ...Fertilizer Losses, Methods of Application, Other, Puerto Rico, Sugar Cane, ...2.0938

HIGH ALTITUDE EVAPOTRANSPIRATION FROM NATIVE MEADOWS ...Energy Budgets, Evapotranspiration, Harvest and Storage, Microclimate-general, Nuclear Moisture Meters, ...3.0493

INTERCEPTION AND WATER LOSSES FROM A FOREST FLOOR-SHRUB LAYER ...Ecology and Morphology, Intereception, New Jersey, Other Water Conditions, Water Loss Control, ...2.0770

CONSUMPTIVE USE OF WATER BY SALT CEDARS ...Consumptive Use, New Mexico, Other Water Conditions, Salteedar, Tamarisk, Water Table - Depth of, ...3.0113

FACTORS GOVERNING EVAPOTRANSPIRATION OF WATER IN COASTAL REGIONS ...Climate, Energy-general, Evapotranspiration, Moisture Tension, Soil Environment, ...8.0012

IRRIGATION SYSTEMS FOR EFFICIENT WATER USE IN THE GREAT BASIN ...Arid and Desert, Evapotranspiration, Great Basin, Sprinkler Irrigation, Water Balance-budget, ...3.0314

Lysosomes

THE PHYSIOLOGICAL BASIS OF THE TOLERANCE OF HORTICULTURAL CROPS TO COLD, DROUGHT, AND WATER ...Cold Resistance and Hardiness, Drought, ...2.0500

Magnesium

RECOVERY OF SALTS FROM SALINE WATERS VIA SOLVENT EXTRACTION ...Brines, Desalination, Distribution Coefficient, Extraction, Material Recovery, ...5.0162

MINERAL RECOVERY FROM CONCENTRATED BRINES ...Brines, Chloride, Desalination, Great Salt Lake, Potassium, Regeneration-other, ...5.1198

THE ROLE OF BRITTLE SURFACE FILMS IN STRESS-CORROSION CRACKING ...Crack Initiation, Propagation, Desalination, Iron, Stress Corrosion, ...3.0255

SEPARATION OF MAGNESIUM FROM CALCIUM IN THEIR SALINE SOLUTIONS ...Calcium, Chelation, Desalination, Ion Exchange-other, Separation-general, ...5.0687

ION HYDRATION AND ION INTERACTION ...Assoc & Dissoe, Attenuation, Calcium, Hydration, Salt, Ultrasonic, Ultrasonics, ...1.0059

Maine

LOGISTIC SUPPORT AND MAINTENANCE OF FACILITIES ...Atlantic Ocean-north, Lakes, Marine Biology, Research Facilities, ...9.0009

HYDROGRAPHY OF THE PENOBSCOT RIVER ESTUARY ...Dissolved Load, Environmental Changes, Estuaries, Pollution Abatement, Salinity, Temperature, ...5.0467

A BENTHIC COMMUNITY OF THE PENOBSCOT RIVER ESTUARY ...Aquatic Ecology, Benthic Organisms (non-specif), Estuaries, Industrial Wastes, Productivity - Food Chain, ...5.0473

STUDY OF STRIPED BASS POPULATIONS IN MAINE COASTAL WATERS ...Aquatic Ecology, Basses -sea,white, White Perch, Estuaries, Migration, ...5.0470

STREAM RESTORATION AND CONTROLLED FLOWS ...Dams-other, Lake Trout, Brook Trout, Logging, Transport, Equipment, Salmon & Trout - Non-specific, Stream Rehabilitation, ...4.0129

PHASE II STUDY OF A RIVER SYSTEM AS A CHEMICAL REACTOR ...Industrial Wastes, Other O.r., Reactors-other, Systems Analysis, Water Quality Control-general, ...5.0466

WATER QUALITY - BENTHIC INVERTEBRATE RELATIONSHIPS IN ESTUARIES ...Benthic Fauna, Benthonic-bottom, Estuaries, Pollution - Effects of, Pollution Effects, ...5.0478

EVOLUTION OF ALLOPATRIC POPULATIONS ...Captive Rearing, Ecological, Lake Trout, Brook Trout, Population Dynamics, ...5.0464

EFFECTS OF COARSE SKELETON ON PHYSICAL PROPERTIES OF SOIL ...Physical Properties-general, Potatoes, Runoff, Soil Compaction Or Density, ...2.0553

CONTINUATION OF FIELD EXPOSURE STATIONS ...Cement, Concrete, Florida, Research Facilities, Water, Weathering, ...8.0241

Mammals

Cattle

THE EFFECT OF LIVESTOCK UTILIZATION ON WATERFOWL HABITAT AND PRODUCTION ...Habitat Studies, Utah, Vasc. plant & Vert. -other, Water Fowl, N.s., Wetlands, ...6.0595

EFFECT OF GRAZING MANAGEMENT ON RANGE LIVESTOCK NUTRITION AND ON THE RANGE RESOURCE ...Cutting &/or Grazing Effects, Diet Or Ration -other, Management, Management and Fertility, Quality and Utilization, ...2.0971

Cervidae

Deer Ns

DEER FOODS ON WATERSHEDS TREATED FOR INCREASED WATER YIELD ...Arizona, Food Supply, Forages, N. s., Water Yield, ...4.0004

Odocoileus

EFFECT OF RANGE AND WATER ON MULE DEER POPULATION ...New Mexico, Population Dynamics, Range Or Territorial Distr., Relations - Forage - Timber, Water Utilization -animal, ...3.0338

Cricetidae -other

AQUATIC BIOLOGY INVESTIGATIONS ...Lake Trout, Brook Trout, Lakes, New York, Streams, Water Fowl, N.s., ...2.0786

Livestock -non-specific

FARM ANIMAL WASTE DISPOSAL ...Animal Waste Removal-treatment, Galliformes - Fowl-other, Sewage Lagoons, Swine, Waste Water Treatment-general, ...5.0407

Mammals -other

MUSQUODOBOIT - METERING BASINS NOVA SCOTIA, CANADA ...Aquatic Ecology, Canada, Mapping, Water Fowl, N.s., Water Level Fluctuation, Wetlands, ...4.0054

Ruminants -non-specific

SALINE WATERS AND LIVESTOCK PRODUCTION ...Salinity, Swine, Water, Water Utilization -animal, ...5.0831

Swine

FARM ANIMAL WASTE DISPOSAL ...Animal Waste Removal-treatment, Galliformes - Fowl-other, Livestock -non-specific, Sewage Lagoons, Waste Water Treatment-general, ...5.0407

FARM ANIMAL WASTE DISPOSAL ...Animal Waste Removal-treatment, Chickens, Sewage Lagoons, Waste Disposal-general, ...5.0835

SALINE WATERS AND LIVESTOCK PRODUCTION ...Ruminants -non-specific, Salinity, Water, Water Utilization -animal, ...5.0831

Management

SUPPORT OF THE COMMITTEE ON WATER ...Committee-support, Hydrology-general, Teaching and Research, ...9.0003

SOCIAL CONSEQUENCES OF VARIATION IN AGRICULTURAL IRRIGATION ...Formosa - Taiwan, Irrigation-general, Social Aspects, Social Change, ...6.0375

EXTREME RAINFALL FOR THE MEKONG RIVER BASIN ...Dam Sites, Floods, Meteorological Extremes, Southeast Asia, Water Loss Control, ...2.0596

SAN LUIS WATERSHED STUDY ...Conservation-general, New Mexico, Sediment Yield, Small Watersheds, Water Yield, ...2.0234

AN ANALYSIS OF PHOSPHORUS AND NITROGEN COMPOUNDS IN TIDAL MARSHLAND DRAINAGE - LABORATORY PROCEDURES ...Colorimetric, Computers-general, Conductometry, Nitrogen, Phosphate, Phosphite, Swamps-marshes, ...1.0024

SPRING POND ECOLOGY AND MANAGEMENT ...Fishing, Habitat Studies, Ponds, Productivity (agricultural), Salmon & Trout - Non-specific, ...3.0488

FISH STOCKING EVALUATION ...Captive Rearing, Largemouth Bass, Nets, Ponds, Stocking of Fish & Shellfish, ...6.0542

SYSTEMS ANALYSIS FOR GROUNDWATER MANAGEMENT ...Economic Efficiency, Groundwater Basins, Model Studies, Saline Water Intrusion, Systems Analysis, ...5.0071

Management

SUBJECT INDEX

- THE LOCAL WATER DISTRICT AS AN URBAN WATER-POLICY DETERMINING ENTITY ...California, Public Utilities, State-local Government, Urban Environments, ...6.0060
- APPRAISAL OF WATER MANAGEMENT INSTITUTIONS-SURVEY OF OREGON WATER LAW ...Administrative Structures, Legal Review, Water Rights-general, Water Standards, Water Transfer, ...6.0455
- A COMPREHENSIVE WATER RESOURCES ANALYSIS OF A TYPICAL OVERDRAWN BASIN IN AN IRRIGATED SEMIARID AREA - PECOS RIVER BASIN, NEW MEXICO ...Impact, Land, New Mexico, River Basins, Systems Analysis, ...6.0366
- VERTICAL MIGRATION OF MOISTURE IN THE SOIL INDUCED BY WINTER THERMAL GRADIENTS AND ITS INFLUENCE UPON SPRING WATER RESOURCES ...Internal Water Movement, Moisture Content, Saturated-unsaturated, Temperature, ...4.0141
- OPERATIONS RESEARCH STUDY OF WATER RESOURCES DEVELOPMENT AND MANAGEMENT IN THE TUCSON AREA ...Arizona, Operations Research, Optimization Technique, Research - Development, Simulation Theory, Water Resources Development, ...6.0015
- METHODOLOGY FOR INTEGRATING WATER QUALITY MANAGEMENT WITH THE MANAGEMENT OF THE TOTAL WATER RESOURCES IN MINNESOTA ...Data Acquisition-general, Minnesota, Technique Development, Water Quality Control-general, ...5.0605
- ANALYSIS OF LITERATURE ON THE RECREATIONAL ASPECTS OF WATER RESOURCES RESEARCH ...Planning, Recreation Sites, Survey Studies, ...6.0212
- LIMNOLOGICAL INVESTIGATIONS OF TEXAS IMPOUNDMENTS FOR WATER QUALITY MANAGEMENT PURPOSES ...Chemical-general, Nutrients, Reservoirs and Impoundments, Texas, Water Quality Control-general, ...5.1148
- ANALYSIS OF SMALL WATER MANAGEMENT STRUCTURES ...Administrative Structures, Hydraulic Structures, Water Control Works-general, Water Distribution Systems, Water Transfer, ...4.0260
- POLLUTION TAXES AND THE COSTS OF WATER QUALITY MANAGEMENT ...Benefit-cost Analysis, Economic Efficiency, Self-purification, Water Costs, Water Quality Control-general, ...6.0423
- THE USE OF SYSTEMS ANALYSIS IN THE DEVELOPMENT OF WATER RESOURCES MANAGEMENT PLANS FOR NEW YORK STATE ...Model Studies, New York, Planning, Systems Analysis, ...6.0373
- BENEFITS FROM INTEGRATED WATER MANAGEMENT IN THE NEW YORK METROPOLITAN REGION ...Administrative Structures, Model Studies, New York, Urban Environments, Water Sources -general, ...6.0393
- UTILIZATION OF PHYSICAL AND MATHEMATICAL MODELS IN ESTUARINE WATER RESOURCES RESEARCH AND MANAGEMENT ...Computers-general, Estuaries, Model Studies, Shoreline - Coastline, Tides, ...6.0607
- STOCHASTIC MODELS FOR WATER RESOURCES MANAGEMENT ...Alternative Planning, Application, Runoff, Stochastic Models, Streams, ...6.0383
- APPLICATION OF SIMULATION THEORY TO WATER RESOURCES PLANNING AND MANAGEMENT ...Model Studies, Optimization, Planning, River Basins, ...6.0340
- DEVELOPEMNT AND IMPLEMENTATION OF A MANAGEMENT STRATEGY FOR WATER RESOURCES RESEARCH ...Operations Research, Planning, Projections and Estimations, Systems Analysis, Water Resources Development, ...6.0112
- SEDIMENTATION AND CONTAMINANT CRITERIA FOR WATER RESOURCES PLANNING AND MANAGEMENT ...Dispersion -water, Planning, Pollutants - Path of, Sediment Yield, Sedimentology-general, Watersheds-general, ...4.0066
- EVALUATION OF GROUNDWATER RESOURCES, LIVERMORE VALLEY, CALIFORNIA ...Data Acquisition-general, Groundwater Basins, Model Studies, Subsurface Flow, Water Yield, ...4.0025
- THE MANAGEMENT AND CONTROL OF WATER IN PUERTO RICO ...Control and Protection, Data Analysis - General, Puerto Rico, Types of Resources, Water Quality-general, Water Supply-general, ...6.0480
- WATER RESOURCES RESEARCH, MANPOWER AND TRAINING NEEDS FOR INDIANA ...Indiana, Personnel, Requirement and Resources, Training Grants, Fellowships, ...9.0007
- HYDROLOGIC CHARACTERIZATION OF FORESTED WATERSHEDS IN ARIZONA ...Dendrochronology, Forecasting-prediction, Forest Watersheds, Runoff, Snowpack, Water Yield, ...2.0051
- A METHODOLOGY FOR PLANNING OPTIMAL REGIONAL WASTE MANAGEMENT SYSTEMS ...Effluents-waste Water, Model Studies, Optimization, Regional Areas, Waste Water Treatment-general, ...6.0280
- ATTITUDES AND ATTITUDE CHANGE RELATING TO WATER RESOURCES ...Attitudes & Attitude Change, Citizen's Participation, Social Aspects, Survey Studies, ...6.0168
- WATER TABLE CONTROL AND SUBSURFACE IRRIGATION IN MINERAL AND HIGH ORGANIC COASTAL PLAIN SOILS ...Groundwater Movement, North Carolina, Subsurface Irrigation, Water Table Fluctuation, ...2.0828
- NUMERICAL SIMULATION OF GROUNDWATER FLOW SYSTEMS ...Computers-general, Groundwater Movement, Research - Development, Simulation Theory, ...2.0918
- VERIFICATION OF MODELS USED IN THE MANAGEMENT AND CONTROL OF WATER QUALITY ...Disposal Wastes, Model Studies, Washington, Water Quality Control-general, ...5.1261
- EVALUATION AND FUNCTIONAL OPERATION OF IRRIGATION SYSTEMS ...Irrigation Engineering, Irrigation-general, South Dakota, Yield, ...3.0433
- SELECTIVE WITHDRAWAL AT LAKE LIVINGSTON ...Flow Augmentation, Reservoirs and Impoundments, Stratification, Water Properties-general, ...2.1009
- IMPROVED METHODS FOR ESTIMATING MANPOWER NEEDS FOR WATER RESOURCES DEVELOPMENT ...Indiana, Personnel, Requirement and Resources, Water Resources Development, ...6.0218
- AN ECONOMIC ANALYSIS OF THE PUBLIC WATER SUPPLY DISTRICT ...Economics-general, Social Aspects, State-local Government, Water Supply-general, ...6.0322
- RESEARCH AND ANALYSIS TO PLAN, DEVELOP, AND MANAGE A GROUND AND SURFACE WATER SUPPLY ...Nevada, Price & Value, Water Supply-general, ...6.0339
- SYSTEMATIC ANALYSIS OF MANAGEMENT EFFECTIVENESS OF THE WATER QUALITY CONTROL BOARD SYSTEM OF CALIFORNIA ...California, Model Studies, Operations Research, State-local Government, Water Quality Control-general, ...6.0035
- MATHEMATICAL MANAGEMENT MODEL UNCONFINED AQUIFER ...Carbonate Aquifers, Groundwater, Mathematical Analysis, Model Studies, Water Movement-general, ...4.0246
- SYSTEMS SIMULATION FOR MANAGEMENT OF A TOTAL WATER RESOURCE ...Conjunctive Use, Optimization, Planning, River Basins, Water Transfer, ...4.0230
- CASE STUDY OF REMEDIAL FLOOD MANAGEMENT IN AN URBAN AREA-PHASE I ...Alternative Planning, Floodplains, Floods, Planning, Urban Environments, ...6.0166
- MODELING AND OPTIMIZATION OF WATER RESOURCES SYSTEMS ...Mathematical Analysis, Model Studies, Multiple-purpose Projects, Optimization, Reservoirs and Impoundments, ...6.0234
- WATER QUALITY MANAGEMENT OF IMPOUNDMENTS ...Destratification, Eutrophication, North Carolina, Reservoirs and Impoundments, Water Quality Control-general, ...5.0813
- AN APPRAISAL OF FLOOD REGULATIONS IN THE STATES OF ILLINOIS, INDIANA, IOWA, MISSOURI AND OHIO ...Alternative Planning, Central, Floodplains, Floodproofing, Water Rights-other, ...6.0209
- EXPLORATORY STUDY ON THE APPLICATION OF NEUTRON ACTIVATION ANALYSIS TECHNIQUES TO WATER RESOURCES RESEARCH AND MANAGEMENT ...Activation Analysis, Chemical Identification, ...7.0086
- RESEARCH ON DECISION MAKING AND RELATED MANAGERIAL ASPECTS OF BRITISH WATER RESOURCES PROGRAMS ...Administrative Structures, British Isles, Operations Research, Water Law-general, ...6.0381
- OPERATIONS RESEARCH IN WATER QUALITY MANAGEMENT ...Channel Regulation-other, Control and Protection, Engineering Structures-general, Operations Research, Water Quality Control-general, ...5.0526
- ECONOMIC EVALUATION OF WATER QUALITY ...Benefit-cost Analysis, Computers-general, Model Studies, Systems Analysis, Waste Water Treatment-general, ...6.0046
- ELECTRONIC ANALOG SIMULATION OF THE SALINITY FLOW SYSTEM WITHIN THE UPPER COLORADO RIVER BASIN ...Analog Computers, Colorado River, Salinity, ...7.0105
- SEQUENTIAL USE WITHIN A HYDROLOGIC COMPLEX ...Hydrology-general, Model Studies, Other Data Analysis, Systems Analysis, Water Quality-general, ...5.1189
- STREAM QUALITY PRESERVATION THROUGH URBAN LAND USE ...Land Use, Pennsylvania, Urban Environments, Water Quality Control-general, ...5.1010

- PHOTOMAPPING ...Aerial, Compilation, Reproduction, ...7.0023

Marinas

- CRITERIA FOR THE DESIGN OF SMALL CRAFT HARBORS ...Breakwaters, Coastal Engineering-other, Harbors, Seiches, Waves, ...2.0133
- BACTERIOLOGICAL AND ESTHETIC OF PLEASURE BOAT WASTE DISCHARGE ON SMALL HARBORS ...Analysis and Detection, Bacterial Pollutant Sources, Beautification, Boat Discharges, Harbors, ...5.1267

Marine Animals

- THE ACCUMULATION OF FISSION PRODUCTS BY MARINE FISH AND SHELLFISH ...Chlorideae -other, Contamination - Water, Estuaries, Food Chains, Radioactivity-general, Radioecology, ...5.0805
- ECOLOGICAL SIGNIFICANCE OF ORGANIC RELEASE PRODUCTS OF MARINE AND FRESHWATER ANIMALS ...Aquatic Ecology, Biological Rhythms, Metabolism, Mucus, Productivity - Food Chain, ...2.0342
- SOME ASPECTS OF THE MARINE SPORT FISHERY OF MASSACHUSETTS WITH SPECIAL EMPHASIS ON SURVEY DESIGN AND BASIC ECONOMIC ATTRIBUTES ...Censusing, Fishing, Massachusetts, Survey, ...7.0054
- DISTRIBUTION OF DEMERSAL FISHES IN INSHORE WATERS ...Environmental Ecology, Fish -non-specific, Marine Biology, Mortality Rates, Nets, Vertical Distribution, ...5.1260
- DEMONSTRATION OF THE LIMITATIONS AND EFFECTS OF WASTE DISPOSAL ON AN OCEAN SHELF ...Marine Plants, Ocean, Outlet, Pollution - Effects of , Pollution Effects, Sewers, ...5.0248
- DISTRIBUTION OF LIFE WITH DEPTH ...Continental Shelf, Marine Photography-television, North Carolina, Photography-other, Vertical Distribution, ...5.0272
- EFFECTS OF PESTICIDES ON MARINE ANIMALS ...Dieldrin, Laboratory Animals, Metabolism, Mode of Action -animal, Respiration, ...5.0261
- BIONOMICS OF FISHES AND SHELLFISHES ...Aquaculture & Fish-farming, Bays, Economics-general, Environmental Ecology, Oregon, Productivity - Food Chain, ...2.0896
- RELATIONSHIP OF TUBE-AND REEF BUILDING MARINE ANELIDS TO COASTAL ENGINEERING AND CONSERVATION PROBLEMS IN FLORIDA ...Coastal Engineering-other, Environmental Ecology, Florida, Lugworms, Marine Segmented-worm, Vertical Distribution, ...3.0187
- OREGON FISHES - THEIR CLASSIFICATIONS, DISTRIBUTIONS AND LIFE HISTORIES ...Animal Taxonomy, Fresh Water, Life History Studies, Oregon, Vertical Distribution, ...6.0450
- BIOLOGICAL AVAILABILITY OF NUCLEAR DEBRIS TO AQUATIC ANIMALS ...Contamination - Water, Food, Productivity - Food Chain, Radioactivity-general, Radiologic Health, ...5.0102
- EFFECT OF EURASIAN WATERMILFOIL CONTROL PROCEDURES ON WILDLIFE AND OTHER ORGANISMS IN AQUATIC ENVIRONMENTS ...Aquatic Environments, Contamination - Water, Diquat, Evaluation, Water Milfoil, Waterweed... , 2,4-d, ...5.0505
- DISTRIBUTION OF YOUNG STAGES OF COASTAL FISHES ...Continental Shelf, Estuaries, Fish -non-specific, Maturity & Growth Stages, Number Or Density, Ships and Cruises, ...6.0345
- INFLUENCE OF THE PHYSICAL ENVIRONMENT ON DISTRIBUTION OF YOUNG STAGES OF COASTAL GAME FISH

...Continental Shelf, Environmental Ecology, Fish -non-specific, Maturity & Growth Stages, Physical-general, Range Or Territorial Distr. , ...6.0346

TEMPERATURE TOLERANCE OF MARINE ANIMALS THROUGH BEHAVIORAL RESPONSES ...Behavior -animal, Environment Resistance, Mortality Rates, Thermal, Water Temperature-non-specific, ...6.0344

THERMAL PREFERENCES OF MARINE FISHES AND INVERTEBRATES ...Behavior -animal, Fish -non-specific, Invertebrates -non-specific, Water Temperature-non-specific, ...5.0720

EFFECTS OF HOT WATER MASSES ON MARINE FISHES ...Atlantic Ocean-north, Behavior -animal, Fish -non-specific, High Temp. -85f Or Above, Thermal, ...5.0721

SAN PABLO BAY STUDY ...Bays, Benthic Fauna, Bottom Sampling, Excavation, Spoil Banks, Water Sampling, ...6.0038

ACCUMULATION OF RADIOACTIVITY BY INVERTEBRATES ...Contamination - Water, Metabolism, Pollution Effects, Productivity - Food Chain, Radioactivity-general, ...5.0804

MICROBIOLOGY OF MARINE AND ESTUARINE INVERTEBRATES ...Estuaries, Marine Bacteria (non-specific), Microbiological Analysis, Oysters, ...2.0586

HISTOPATHOLOGIC EFFECTS OF POLLUTANTS ON CELLS AND TISSUES OF MARINE FISHES ...Computer Matching Code, Contamination - Water, Killifish - Cyprinodon, Pollution - Effects of , Pollution Effects, ...5.1080

HISTOPATHOLOGIC EFFECTS OF POLLUTANTS ON CELLS AND TISSUES OF MARINE INVERTEBRATES ...Clams, Computer Matching Code, Contamination - Water, Invertebrate Pathology, Pollution - Effects of , Pollution Effects, Pollut., n-other, ...5.1081

REARING AND SENSITIVITY STUDIES OF VARIOUS LIFE STAGES OF MARINE MACROINVERTEBRATES ...Bioindicators, Crabs, All, Shrimps - Common, Whole Body Culture & Rearing, ...5.1079

USE OF MARINE PLANKTONIC ORGANISMS FOR EVALUATING THE QUALITY OF MARINE AND ESTUARINE WATERS ...Bioassays, Estuaries, Phytoplankton, Pollution - Effects of , Pollution Effects, Zooplankton, ...5.1093

DEVELOPMENT OF CULTURE METHODS FOR ECOLOGICALLY IMPORTANT MARINE ZOOPLANKTON SPECIES ...Aquatic Ecology, Copepods, Environmental Physiology, Invertebrate Cultures, Zooplankton, ...5.1096

DETERMINATION OF SELECTED ENVIRONMENTAL REQUIREMENTS OF IMPORTANT SPECIES OF MARINE ZOOPLANKTON ...Copepods, Oxygen, Water Salinity, Water Temperature-non-specific, Zooplankton, ...5.1097

THE NORMAL ANATOMY AND HISTOLOGY OF SOME MARINE INVERTEBRATES ...Clams, Histology and Cytology, Invertebrate Anatomy, Pollution Effects, Water Quality-general, ...5.1095

UPTAKE OF ORGANIC COMPOUNDS BY MARINE INVERTEBRATES ...Amino Acids, Amino Acids -non-specific, Chemoreceptors, Invertebrates -non-specific, Marine Biology, Metabolism, Nutrition - Invertebrate, Pulse-labelling, ...6.0058

EPIZOOTICS IN EXPERIMENTAL MARINE SHELLFISH POPULATIONS ...Epizootic, Freshwater Mussels, Scallops, Mortality Rates, Oysters, Pathology, ...6.0631

MARINE TOXINS OF THE TROPICAL PACIFIC ...Algal Metab.(non-specific &ot), Animal Origin, Fish -non-specific, Other, Polynesia, Toxicology, ...5.0315

TOXIC AND OTHER CHEMICALS IN MARINE BIOTA ...Bioassay, Dibrom, Diquat, Mollusks -non-specific & Other, Paraquat, ...5.1074

ACCUMULATION AND ELIMINATION OF VIRUSES BY SHELLFISH ...Enteroviruses of Humans, Oysters, Pathology, ...5.1227

Marine Biology

- LOGISTIC SUPPORT AND MAINTENANCE OF FACILITIES ...Atlantic Ocean-north, Lakes, Maine, Research Facilities, ...9.0009
- DISTRIBUTION OF DEMERSAL FISHES IN INSHORE WATERS ...Environmental Ecology, Fish -non-specific, Mortality Rates, Nets, Vertical Distribution, ...5.1260
- BENTHIC COMMUNITIES ...Benthic-bottom, Engineering Structures-general, Environmental Ecology, Estuaries, Productivity - Food Chain, ...6.0156
- COASTAL AND INSHORE OCEANOGRAPHY ...Alaska, Estuaries, General, Other Sea Water Properties, Shoreline - Coastline, ...2.0015

SUBJECT INDEX

Marine Plants

- ESTUARINE INVENTORY (FORMERLY CHEMICAL ENVIRONMENT) ...Estuaries, Florida, Gulf of Mexico, Physiology-general, Sedimentology-general, ...2.0325
- DETERMINATION OF SELECTED ENVIRONMENTAL REQUIREMENTS OF IMPORTANT MARINE PHYTOPLANKTON SPECIES ...Axenic Culture, Environment, Growth and Differentiation, Marine Plants, Phytoplankton, ...5.1094
- UPTAKE OF ORGANIC COMPOUNDS BY MARINE INVERTEBRATES ...Amino Acids, Amino Acids -non-specific, Chemoreceptors, Invertebrates -non-specific, Metabolism, Nutrition - Invertebrate, Pulse-labelling, ...6.0058

Marine Biology (non-specific)

- HYDROSTATIC PRESSURE-TEMPERATURE, AS ENVIRONMENTAL PARAMETERS, ON GROWTH, BIOCHEMISTRY AND PHYSIOLOGY OF MICROORGANISMS ...Growth (non-specific & Ot.), Microorganisms (non-specific), Pressure & Mech Stress, Temperature, ...6.0459
- OPTIMUM ECOLOGICAL DESIGNS FOR ESTUARINE SYSTEMS OF NORTH CAROLINA ...Domestic Wastes-general, Estuaries, North Carolina, Pollution - Effects of, Pollution Effects, Productivity - Food Chain, ...2.0820
- ECOLOGY OF LOUISIANAS ESTUARINE WATERS - MARINE LABORATORY ...Aquatic Ecology, Estuaries, Louisiana, Shoreline - Coastline, ...2.0542
- PESTICIDE KINETICS ...Aquatic Or Soil-aquatic Cycles, Degradation -non-specific, Estuaries, Insecticides -non-specific, Pollutants - Path of, ...5.0271
- DEVELOPMENT OF METHODOLOGY FOR ISOLATION OF VIRUSES FROM SEA WATER ...Animal Viruses (non-specific), Concentration, Physical Parameters, Viral Pollutant Sources, ...5.1228

Marine Environments-general

- PROBABLE EFFECTS ON MARINE ENVIRONMENTS OF DISPERSING BRINE EFFLUENTS FROM LARGE DESALINATION PLANTS IN THE GULF OF CALIFORNIA ...Atomic Plants, Brines, Desalination, Gulf of California, Pollution - Effects of, ...3.0020
- MEASUREMENT OF RADIONUCLIDES IN ESTUARINE AND MARINE ENVIRONMENTS (A COOPERATIVE AGREEMENT WITH ATOMIC ENERGY COMMISSION) ...Estuaries, Pollution - Effects of, Pollution Effects, Radioactivity-general, Reactor Sites & Rad Waste, ...2.0819

Marine Geology

Marine Geology-general

- SUBMARINE SPRINGS ...Bibliography, Discharge-general, Ocean Environment, Springs, Subsurface Environments, ...2.0319

Sediments

Biology

- FREQUENCY DISTRIBUTION OF BIOLOGICAL POLLUTANTS IN SHELLFISH AND THE MARINE ENVIRONMENT ...Coliforms (non-specific), Enteroviruses of Humans, Gulf of Mexico, Oysters, Pollution-water, ...5.0016

Chemistry

- MARINE HYDROLOGY AND GEOCHEMISTRY, ATLANTIC CONTINENTAL SHELF AND SLOPE ...Continental Shelf, Distribution, Mixing, Ocean Environment, Saline Water Intrusion, ...2.0623

Distribution

- RADIOISOTOPIC TRACER STUDY TO INVESTIGATE THE MECHANISM OF LITTORAL TRANSPORT AROUND POINT CONCEPTION, CALIFORNIA ...California, Intertidal Areas, Radioisotopes, Sediment Transport-other, Tracers, ...1.0031
- FIELD MEASUREMENTS OF THE TEMPORAL AND SPATIAL VARIATIONS IN CONCENTRATION AND PARTICLE SIZE DISTRIBUTION OF SUSPENDED MATERIALS IN THE UPPER ...Chesapeake Bay, Maryland, Mineralogy, Size, Turbidity, ...2.0558
- COOPERATIVE GULF OF MEXICO INVENTORY AND STUDY - III SEDIMENTOLOGY ...Aquatic Ecology, Atlases-maps, Environmental Ecology, Estuaries, Gulf of Mexico, ...2.0671
- MARINE HYDROLOGY AND GEOCHEMISTRY, ATLANTIC CONTINENTAL SHELF AND SLOPE ...Chemistry, Continental

- Shelf, Mixing, Ocean Environment, Saline Water Intrusion, ...2.0623

- GEOCHEMISTRY OF SAN FRANCISCO BAY ...Bays, Clays, Mineral Associations, San Francisco Bay, Trace Element Analysis, ...2.0121

- ORGANIC GEOCHEMISTRY OF SAN FRANCISCO BAY WATERS AND SEDIMENTS ...Clays, Organics, Sedimentation, ...2.0123

Mechanical Properties

- CIVIL ENGINEERING STRUCTURES IN THE OCEANS ...Engineering Studies-other, Foundations-general, Hydraulic Structures, Hydrodynamics, Soil Dynamics, Wave Action, ...8.0165

Mineralogy

- FIELD MEASUREMENTS OF THE TEMPORAL AND SPATIAL VARIATIONS IN CONCENTRATION AND PARTICLE SIZE DISTRIBUTION OF SUSPENDED MATERIALS IN THE UPPER ...Chesapeake Bay, Distribution, Maryland, Size, Turbidity, ...2.0558

Sedimentation

- CLAY-INORGANIC AND ORGANIC-INORGANIC ASSOCIATIONS IN AQUATIC ENVIRONMENTS ...Activation Analysis, Chemical Reactions, Clays, Exchange Capacity, Organic, Suspension, ...2.0019

- EFFECTS OF POLLUTANTS ON SUBMARINE PLANT SYNECOLOGY ...Applied Ecology, Industrial Wastes, Nutrients, Plant Prod. (non-specific), Plant Succession, Sediments, ...5.1221

- ORGANIC GEOCHEMISTRY OF SAN FRANCISCO BAY WATERS AND SEDIMENTS ...Clays, Distribution, Organics, ...2.0123

- QUANTITATIVE AND QUALITATIVE CHARACTERISTICS OF MATERIALS CONTRIBUTING TO SEDIMENTATION IN LAKE ERIE ...Lake Erie, Location, Organic, Organics, Rate of Deposition, ...2.0628

Structure-geomorphology

Coastlines-shorelines

- GENERAL COASTAL INLET STUDIES ...Coastal Engineering-other, Discharge-other, Model Studies, Synthetic Hydrology-general, Tides, Velocity -water, ...2.0689

Geomorphology-topography

- AN ANALYTICAL AND EXPERIMENTAL STUDY OF BED FORMS UNDER WATER WAVES ...Channel Roughness, Friction, Model Studies, Water Tunnels Tables, Wave Action, Waves, ...2.0347

- MECHANICS OF WAVE ACTION IN DEEP AND SHALLOW WATER ...Internal Waves, Longshore Currents, Sand Bars, Tsunami, Waves, ...2.0258

Islands

- ISLAND STUDY ...Conservation-general, Inventories, Planning, Recreation Sites, Survey Studies, ...3.0171

Marine Mapping

- DEVELOPMENT OF OFFSHORE SOURCES OF SAND SUITABLE FOR BEACH RESTORATION AND NOURISHMENT ...Beach, Ocean Coring and Dredging, Ocean Mining, Shoreline Structures, Size, ...8.0154

Marine Photography-television

- DEPTH CONTOURING BY COLOR SEPARATION ...Bathymetry, Electronics - Applied, Optical, Photogrammetry, Satellites, ...6.0276

- DISTRIBUTION OF LIFE WITH DEPTH ...Continental Shelf, North Carolina, Photography-other, Vertical Distribution, ...5.0272

Marine Plants

- ULTRAVIOLET ABSORPTION IN COASTAL WATERS ...Biological, Physical Parameters, Plant Prod. (non-specific), Sewage, Shoreline - Coastline, ...5.0112

- DEMONSTRATION OF THE LIMITATIONS AND EFFECTS OF WASTE DISPOSAL ON AN OCEAN SHELF ...Ocean, Outlet, Pollution - Effects of, Pollution Effects, Sewers, ...5.0248

- SENSITIVITY OF BENTHIC MICROFLORA TO POLLUTION GRADIENTS ...Benthic Flora, Bioindicators, Estuaries, Plant Prod. (non-specific), Water Standards, ...5.1059

Marine Plants

SUBJECT INDEX

COLLECTION AND ESTABLISHMENT IN CULTURE OF SPECIES AND STRAINS OF MARINE PHYTOPLANKTON ORGANISMS ...Algal Culture, Culture Collections, Phytoplankton, Pollution-general, ...5.1063

DETERMINATION OF SELECTED ENVIRONMENTAL REQUIREMENTS OF IMPORTANT MARINE PHYTOPLANKTON SPECIES ...Axenic Culture, Environment, Growth and Differentiation, Marine Biology, Phytoplankton, ...5.1094

DEVELOPMENT OF A METHOD FOR CHRONIC TOXICITY BIOASSAY USING MARINE PLANKTONIC ALGAE ...Algal Culture, Bioassays, Microbiological Analysis, Monitoring (long Term Studies), Phytoplankton, Technique Development, Toxicology, ...5.1088

STUDY OF NITROGEN METABOLISM IN MARINE ALGAE ...Bioindicators, Enzymes, Microbiological Analysis, Pollution - Effects of, Quantitative & Qualitative, ...5.1089

Marine Pollution

Industrial Wastes

EFFECTS OF POLLUTANTS ON SUBMARINE PLANT SYNECOLOGY ...Applied Ecology, Nutrients, Plant Prod. (non-specific), Plant Succession, Sedimentation, Sediments, ...5.1221

COMPARATIVE TOXICITIES OF METALS TO ESTUARINE FISHES ...Bioassays, Estuaries, Killifish - Cyprinodon, Mineral Origin, Solid Waste, ...5.1084

Oil

MARINE OIL-WATER MONITORING INSTRUMENTATION SYSTEM SUBGROUP V ...Detectors, Industrial Waste-other, Infrared, Infrared Radiation, Instrumental Services, Oil - Technological Testing, ...5.0336

OIL SLICK ANALYSES ...Aircraft, Instrumental Services, Optical Devices, Satellites, Transducers, ...6.0275

THE SPREADING OF OIL FILMS ...Forecasting-prediction, Ocean Currents, Pollution Abatement, Tides, Waves, ...5.0787

OIL CONTAMINATION OF OYSTERS FROM OIL WELL DRILLING MUDS ...Industrial Wastes, Oysters, Petroleum Industry, Pollution Effects, ...5.0449

EFFECTS OF CRUDE OILS AND THEIR EMULSIONS TO MARINE ORGANISMS ...Chelating Agents, Emulsion, Petroleum Chemistry, Poisons-other, Removal--organics, ...5.1082

EFFECTS OF PETROLEUM AND PETROLEUM WASTES UPON IMPORTANT SPECIES OF ESTUARINE PHYTOPLANKTON AND ZOOPLANKTON ...Contamination - Water, Contamination, Pollution-water, Estuaries, Petroleum, Phytoplankton, Zooplankton, ...5.1086

Pollution-general

PHYSICAL FACTORS AFFECTING OREGON COASTAL POLLUTION ...Circulation General, Density, Shoreline - Coastline, Tidewater Areas, Water Quality-general, ...5.0951

AIRPHOTO ANALYSIS OF OCEAN OUTFALL DISPERSION ...Diffusion, Longshore Currents, Ocean, Outlet, Photogrammetry, ...5.0941

COLLECTION AND ESTABLISHMENT IN CULTURE OF SPECIES AND STRAINS OF MARINE PHYTOPLANKTON ORGANISMS ...Algal Culture, Culture Collections, Marine Plants, Phytoplankton, ...5.1063

DISPERSION OF WATER AND SEDIMENTS IN THE SURF ZONE ...Beaches, Pollutants - Path of, Shoreline - Coastline, Size, Waves, ...5.0151

FAUNAL PRODUCTION ...Estuaries, Pollution Effects, Productivity - Food Chain, Vertical Distribution, Water Environment -other, ...6.0154

LABORATORY BIOASSAYS ...Contamination - Water, Laboratory, Laboratory Animals, Pollution - Effects of, Wildlife, ...5.0270

STUDY ON METHODOLOGY FOR VIRAL EXAMINATION OF SEAWATER AND SHELLFISH ...Enteroviruses of Humans, Food Spoilage Detection, Shellfish, N.s., Viral Pollutant Sources, ...5.1071

Pollution-other

HISTOPATHOLOGIC EFFECTS OF POLLUTANTS ON CELLS AND TISSUES OF MARINE INVERTEBRATES ...Clams, Computer Matching Code, Contamination - Water, Invertebrate Pathology, Pollution - Effects of, Pollution Effects, ...5.1081

Radioactivity

ECOLOGICAL STUDIES OF RADIOACTIVITY IN THE COLUMBIA RIVER ESTUARY AND ADJACENT PACIFIC OCEAN ...Columbia River, Contamination - Water, Organ Sampling Devices, Pacific Ocean-north, Pollutants - Path of, ...6.0452

TRITIUM AS A TRACER FOR MIXING PROCESSES ...Mixing, Ocean Currents, Salinity, Tracers, Tritium, ...5.0264

RADIONUCLIDES IN THE SAVANNAH RIVER ESTUARY AND ADJACENT COASTAL WATERS ...Atomic Plants, Estuaries, Pollutants - Path of, Radioactivity-general, Tracers, ...5.1098

Sewage

MARINE WASTE DISPOSAL AND SEA URCHIN ECOLOGY ...California, Pollution Effects, Productivity - Food Chain, Sea Urchins & Other Echinoderm, ...5.0130

ULTRAVIOLET ABSORPTION IN COASTAL WATERS ...Biological, Marine Plants, Physical Parameters, Plant Prod. (non-specific), Shoreline - Coastline, ...5.0112

ECOLOGY & NITROGEN CYCLE IN A MARINE PLANT COMMUNITY ...Bering Sea, Nitrogen, Physiological Ecology, Potamogeton, Ruppia, Zostera., Primary Productivity, ...5.0035

Ship Wastes

MARINE OIL-WATER SEPARATION SYSTEM SUBGROUP V ...Filtration, Petroleum Chemistry, Removal--organics, ...5.0209

Maryland

HIGHWAY DRAINAGE STUDY ...Drainage, ...2.0579

COLLECTION OF HYDROLOGIC DATA OF SMALL DRAINAGE AREAS ...Data Acquisition-general, Drainage, Runoff, Small Watersheds, Storm Water, ...2.0560

FIELD MEASUREMENTS OF THE TEMPORAL AND SPATIAL VARIATIONS IN CONCENTRATION AND PARTICLE SIZE DISTRIBUTION OF SUSPENDED MATERIALS IN THE UPPER ...Chesapeake Bay, Distribution, Mineralogy, Size, Turbidity, ...2.0558

DEVELOPMENT OF COMPUTER MODELS & METHODOLOGY FOR RECASTING & EVALUATING MUNICIPAL & INDUSTRIAL WATER REQUIREMENTS ...Digital Computers, Model Studies, Projections and Estimations, Urban Environments, Water Demand, ...6.0252

DEMAND FOR AND AVAILABILITY OF LAND AND WATER ORIENTED RECREATION FACILITIES IN MARYLAND - ECONOMIC ANALYSIS ...Demand Analysis, Forecasting-prediction, Production & Processing, Recreation Sites, Types of Resources, ...6.0259

TIME OF TRAVEL - PRINCIPAL MARYLAND STREAMS ...Dyes, Pollutants - Path of, Streams, Velocity -water, ...2.0565

EVALUATION OF MAGOTHY AQUIFER - ANNAPOLIS AREA ...Atlases-maps, Available Water, Clastic Aquifers, Model Studies, Saline Water Intrusion, ...2.0564

EXPLORATION AND MAPPING OF THE SALISBURY PALEOCHANNEL ...Atlases-maps, Borehole Geophysics, Channels, Geophysical Analysis, Valley, Buried, ...2.0566

FLOOD FREQUENCY AND LOW-FLOW ANALYSES ...Floods, Flow Characteristics -water, Low Flow, Peak Flow, Statistical Models, ...5.0481

EXTENT OF BRACKISH WATER IN TIDAL RIVERS ...Brackish Water, Saline Water Intrusion, Salinity, Tidal Streams, Tides, ...2.0562

POPULATION ECOLOGY OF FORAMINIFERA IN THE CHOPTANK RIVER ...Aquatic Ecology, Environmental Ecology, Foraminifera, Population Dynamics, Water Properties-general, ...6.0126

SYSTEMS STUDY - MARYLAND PROJECT ...Alternative Planning, Hydrology-general, Management, Planning, Water Resources Development, ...6.0603

SEDIMENTATION AND HYDROLOGY-ROCK CREEK AND ANACOSTIA RIVER BASINS, MARYLAND ...Erosion-general, Groundwater, Land Use, Sediment Yield, Urban Environments, ...4.0130

CULTURE OF SHELLFISH IN ARTIFICIAL AND NATURAL SALT PONDS ...Captive Rearing, Commercial Fishing, Growth Rate, Oysters, Ponds, ...6.0267

GROWTH, CONDITION, AND SURVIVAL OF SHELLFISH ...Adaptation, Environmental Physiology, Oysters, Water Quality-general, Water Salinity, ...6.0269

Mass Transfer

- DISPOSAL OF BRINE BY SOLAR EVAPORATION ...Desalination, Evaporation, Heat Transfer, Solar Still, Vapor Pressure, ...3.0333
- MASS TRANSFER AND CHEMICAL REACTION IN TWO PHASE FLOW ...Close Channel, Mathematical Analysis, Model Studies, Phase Relationship, Waste Water Treatment-general, ...5.0225
- ROTATIONAL STABILITY OF DILUTE POLYMER SOLUTIONS ...Fluid Flow-other, Organic, Polymer Type-other, Solution, Transport, ...1.0027
- AIR OXIDATION OF ORGANIC COMPOUNDS IN AQUEOUS SYSTEMS ...Chemical Treatment, Kinetics-other, Organic Wastes, Solution, Wet Oxidation, ...5.0215
- PIPELINE TRANSPORT OF SLUDGE ...Disposal, Mining Activities, Pump, Sewage Treatment Plant, West Virginia, ...5.0869
- AIR OXIDATION OF ORGANIC COMPOUNDS IN AQUEOUS SYSTEMS ...Aeration, Chemical Treatment, Continuous, Organics, Wet Oxidation, ...1.0023
- CONTROLLED FREEZING DESALINATION ...Desalination, Freezing, Heat Transfer, Other, ...3.0216
- FLOW FIELD IN A PACKED BED ...Fluid Flow-other, Packed Bed, Porous Media - Flow Through, Surface-other, ...1.0045

Mass Wasting

Classification

Creep

- RAINWASH AND SOIL CREEP IN WESTERN NORTH DAKOTA ...Environmental Effects-geologic, Erosion-general, Morphology-general, North Dakota, Slopes, ...2.0848
- FLOOD AND SEDIMENT REDUCTION IN THE CONIFEROUS TIMBER ZONE OF CALIFORNIA ...Floods, Land and Rock Slides, Management, Pulp, Paper, and Logging, Sediment Yield, ...2.0078

Land and Rock Slides

- DEVELOPMENT OF A PRACTICAL METHOD OF LOCATING AND TRACING SEEPAGE WATER IN UNSTABLE SLOPES ...Electric Logging, Kentucky, Loss, Seepage, Slopes, ...2.0519
- FLUCTUATION OF RESERVOIR LEVELS AND THE RELATED CAUSE OF LANDSLIDES (THE OHIO RIVER VALLEY) ...Force, Reservoirs and Impoundments, Slopes, Soil Stability Analysis, Water Level Fluctuation, ...8.0191
- FLOOD AND SEDIMENT REDUCTION IN THE CONIFEROUS TIMBER ZONE OF CALIFORNIA ...Creep, Floods, Management, Pulp, Paper, and Logging, Sediment Yield, ...2.0078

Snowslide-avalanche

- WATER YIELD IMPROVEMENT, AND SNOW AND AVALANCHE PREDICTION AND PREVENTION, IN THE ALPINE REGIONS OF THE CENTRAL ROCKY MOUNTAINS ...Alpine, Colorado, Water Loss Control, Water Yield, ...3.0146

Features

- MATHEMATICAL GEOMORPHOLOGY ...Erosion, Geomorphology-quantitative, Model Studies, Processes, Terrain Analysis, ...2.0425

Massachusetts

- ANALYSIS OF RUN-OFF FROM SMALL DRAINAGE AREAS ...Design Flow-flood, Drainage, Floods, Runoff, Small Watersheds, ...2.0612
- DISTRIBUTION AND ABUNDANCE OF JUVENILE AMERICAN SHAD, ALOSA SAPIDISSIMA (WILSON), IN THE CONNECTICUT RIVER ABOVE HOLYOKE DAM, MASSACHUSETTS ...Alewife,menhaden,shad,herring, Connecticut River, Engineering Structures-general, Migration, Number Or Density, ...3.0271

- THE EFFECTS OF PESTICIDE RESIDUES ON LARVAL AND JUVENILE WINTER FLOUNDER IN THE WEWEANTIC RIVER ESTUARY, MASSACHUSETTS ...Estuaries, Pollution - Effects of, Righteye Flounders, Wildlife, ...5.0509
- SOME ASPECTS OF THE MARINE SPORT FISHERY OF MASSACHUSETTS WITH SPECIAL EMPHASIS ON SURVEY DESIGN AND BASIC ECONOMIC ATTRIBUTES ...Censusing, Fishing, Survey, ...7.0054

- INVESTIGATION OF RELATIONSHIP OF CUNNER, TAUTOGOLABRUS ADSPERSUS -(WALBAUM), TO WEWEANTIC RIVER ESTUARY, WAREHAM, MASSACHUSETTS ...Aquatic Ecology, Estuaries, Fish -other, Swamps-marshes, Water Environment -other, ...5.0511
- THE ECOLOGY OF THE YOUNG FISHES OF THE WEWEANTIC RIVER ESTUARY ...Aquatic Ecology, Estuaries, Pesticides - non-specific, Pollution - Effects of, Population Dynamics, ...2.0607
- OPTIMUM UTILIZATION AND MANAGEMENT OF WATER IN FORMATIONS HYDROLOGICALLY-CONNECTED TO A STRETCH OF THE CONNECTICUT RIVER ...Aquifers-general, Artificial Recharge, Baseflow, Connecticut River, Water Yield, ...4.0134
- THE ROLE OF AQUATIC VASCULAR PLANTS IN THE EUTROPHICATION OF SELECTED LAKES IN WESTERN MASSACHUSETTS ...Bioindicators, Eutrophication, Lakes, Nutrients, Water Properties-general, ...2.0609
- WATERSHED RESPONSE TO HYDROLOGIC INFLUENCES ...Evaporation, Prediction Models, Reservoirs and Impoundments, Stratification, ...2.0608
- MASSACHUSETTS PESTICIDE MONITORING STUDY ...Monitoring Systems, Pesticides -non-specific, Sampling, Watersheds-general, ...5.0539
- GROUND WATER CONDITIONS OF THE CENTRAL BOSTON AREA, MASSACHUSETTS ...Aquifers-general, Observation Wells, Structure Sites, Unconsolidated Deposits, Water Table Fluctuation, ...2.0613
- GROUND-WATER CONTAMINATION FROM HIGHWAY SALT-ING IN MASSACHUSETTS ...Groundwater, Groundwater Movement, Salinity, Salt, Snow and Ice Removal, ...5.0521

Material Parameters

Composition

Additives

- INVESTIGATION OF CORROSION FUNDAMENTALS AS RELATED TO ALLOYING ...Alloy & Systems, Aluminum, Copper, Corrosion General, ...3.0415
- EFFECT OF RETARDING ADMIXTURES ON PROPERTIES OF CONCRETE ...Aggregates, Extenders, Fillers, Cement, Concrete, Durability, Deterioration, Engineering Structures-general, ...8.0046

Composition Parameters-other

- INFLUENCES OF SALINE WATER ON CONCRETE ...Cement, Concrete, Construction Materials-other, Desalination, Saline Water Systems, Salinity, ...3.0221
- WATER RESEARCH PROGRAM III CORROSION ...Brines, Nickel Alloys, Pitting, Titanium, ...3.0438
- IMPROVEMENTS IN MASS CONCRETE MIXTURE PROPORTIONING ...Aggregates, Extenders, Fillers, Cement, Concrete, Costs, Homogeneity, Quality Control-materials, ...8.0260
- EFFECT OF PROPERTIES OF FRESH CONCRETE ON FORM PRESSURES ...Aggregates, Extenders, Fillers, Cement, Concrete, Pressure, Temperature General, ...8.0107
- FACTORS INFLUENCING THE RESISTANCE OF CONCRETE TO SULFATE ATTACK ...Aggregates, Extenders, Fillers, Cement, Concrete, Chemicals, Sulfate, Sulfite, ...8.0044
- EVALUATION AND DEVELOPMENT OF SPECIFICATIONS AND TEST METHODS FOR CEMENT AND POZZOLAN ...Cement, Concrete, Compression, Quality Control-materials, Standards, Specifications, Test Methods, ...8.0101
- EFFECT OF AGGREGATE PROPERTIES AND CEMENT CONTENT ON THE TENSILE STRENGTH OF CONCRETE ...Aggregates, Extenders, Fillers, Cement, Concrete, Tensile, Test Methods, ...8.0110
- PERFORMANCE OF WATER-REDUCING SET-CONTROLLING ADMIXTURES IN CONCRETE, MORTAR AND CEMENT PASTE ...Cement, Concrete, Chemical Materials-other, Engineering Structures-general, Setting, Curing, ...8.0049

Homogeneity

- IMPROVEMENTS IN MASS CONCRETE MIXTURE PROPORTIONING ...Aggregates, Extenders, Fillers, Cement, Concrete, Composition Parameters-other, Costs, Quality Control-materials, ...8.0260

Moisture

- IMPROVEMENTS IN CONCRETE CONSTRUCTION PRACTICES ...Aggregates, Extenders, Fillers, Construction, Methods, ...8.0259

Material Parameters

SUBJECT INDEX

Environment General

SEAWATER CORROSION CONTROL BY ENVIRONMENT MODIFICATION ...Inhibitors, Low Alloy Steels, Other, Saline Conversion, Water, ...3.0454

Orientation

STUDY OF ORIENTED CELLULOSE MEMBRANES FOR REVERSE OSMOSIS AND THE RELATIONSHIP BETWEEN MORPHOLOGY AND SALT REJECTION ...Desalination, Film, Membranes-other, Reverse Osmosis, Structure-materials-general, ...3.0248

DEVELOPMENT OF A LOW-COST IRON-BASE ALLOY TO RESIST CORROSION IN HOT SEA-WATER ...Alloy & Systems, Desalination, Polarization, Saline Conversion, Water, ...3.0418

Pressure

EFFECT OF PROPERTIES OF FRESH CONCRETE ON FORM PRESSURES ...Aggregates, Extenders, Fillers, Cement, Concrete, Composition Parameters-other, Temperature General, ...8.0107

Temperature

High

CORROSION AND MASS TRANSFER FROM CYLINDERS OF METALS ROTATING IN SEAWATER AT HIGH TEMPERATURES AND PRESSURES ...Aluminum, Desalination, Water, ...3.0247

THE ELECTROCHEMICAL BEHAVIOR OF METALS AND ALLOYS IN SEA WATER AND THE EFFECT OF BIOLOGICAL SLIMES ON THEIR RATES OF CORROSION ...Bacteria, Biological, Desalination, Metallic Alloys, Water, ...3.0181

IMPROVEMENT OF THE CORROSION RESISTANCE OF ALUMINUM BRASS FOR USE IN SEA WATER CONVERSION PLANTS ...Copper, Desalination, Films, Oxidizing Atmosphere, Water, ...3.0213

Temperature General

A STUDY OF THE STRESS-CORROSION SUSCEPTIBILITY OF CUPRO-NICKEL AND TITANIUM UNDER DESALINATION CONDITIONS ...Copper, Desalination, Stress Corrosion, Titanium, Water, ...3.0137

EFFECT OF PROPERTIES OF FRESH CONCRETE ON FORM PRESSURES ...Aggregates, Extenders, Fillers, Cement, Concrete, Composition Parameters-other, Pressure, ...8.0107

Time

EVALUATION OF CONCRETE PROPERTIES OF CORES FROM OLD STRUCTURES ...Cement, Concrete, Dams-other, Engineering Structures-general, Mechanical Properties-general, ...8.0063

FIELD PERFORMANCE OF ASPHALTIC CONCRETE ...Asphalt, Bituminous, Cement, Concrete, Highway Structures, Hydraulic Structures, ...8.0070

Materials - Auxiliary Chemical

Aggregates, Extenders, Fillers

STUDY OF MECHANISMS IN SOIL RELATED TO FROST HEAVE AND ITS CONTROL ...Foam, Porous, Frost and Permafrost, Linings-pavings, Plastics - General, ...8.0267

CEMENT - AGGREGATE REACTION ...Alkali Metals-general, Cement, Concrete, Dimensions, Expansion, Reaction-general, ...8.0236

RESEARCH IN MASS CONCRETE ...Cement, Concrete, Standards, Specifications, ...8.0250

IMPROVEMENTS IN CONCRETE CONSTRUCTION PRACTICES ...Construction, Methods, Moisture, ...8.0259

CONCRETE AGGREGATE RESEARCH ...Cement, Concrete, Chert, Non-foliated Rocks, Sandstones, Standards, Specifications, Test Methods, ...8.0237

HANDBOOK FOR CONCRETE AND CEMENT ...Cement, Concrete, Curing Agents, Handbooks, Sealant Materials, Water, ...8.0235

IMPROVEMENTS IN MASS CONCRETE MIXTURE PROPORTIONING ...Cement, Concrete, Composition Parameters-other, Costs, Homogeneity, Quality Control-materials, ...8.0260

BINDERS OF CONCRETE RESISTANT TO SALINE WATER AT ELEVATED TEMPERATURES ...Binders, Brines, Cement, Concrete, D.t.a., X-ray, ...8.0086

EFFECT OF PROPERTIES OF FRESH CONCRETE ON FORM PRESSURES ...Cement, Concrete, Composition Parameters-other, Pressure, Temperature General, ...8.0107

FACTORS INFLUENCING THE RESISTANCE OF CONCRETE TO SULFATE ATTACK ...Cement, Concrete, Chemicals, Composition Parameters-other, Sulfate, Sulfite, ...8.0044

ANALYSIS OF LENGTH CHANGE OF CONCRETE ...Cement, Concrete, Crack Initiation, Propagation, Drying, Failure Analysis, Reliability, Shrinking, ...8.0103

COMPRESSIVE CREEP TESTS OF CONCRETE ...Cement, Concrete, Compression, Creep, Engineering Structures-general, ...8.0068

EFFECT OF AGGREGATE PROPERTIES AND CEMENT CONTENT ON THE TENSILE STRENGTH OF CONCRETE ...Cement, Concrete, Composition Parameters-other, Tensile, Test Methods, ...8.0110

ASPHALT BINDING OF COBBLES FOR RIPRAP ...Binders, Bituminous, Conglomerates, Embankments, Erosion-general, Slopes, ...8.0106

PETROGRAPHIC INVESTIGATIONS ...Cement, Concrete, Construction Materials-other, Petrography, Structure-materials-general, ...8.0119

EFFECT OF RETARDING ADMIXTURES ON PROPERTIES OF CONCRETE ...Additives, Cement, Concrete, Durability, Deterioration, Engineering Structures-general, ...8.0046

Binders

BINDERS OF CONCRETE RESISTANT TO SALINE WATER AT ELEVATED TEMPERATURES ...Aggregates, Extenders, Fillers, Brines, Cement, Concrete, D.t.a., X-ray, ...8.0086

ASPHALT BINDING OF COBBLES FOR RIPRAP ...Aggregates, Extenders, Fillers, Bituminous, Conglomerates, Embankments, Erosion-general, Slopes, ...8.0106

Chemical Materials-other

PERFORMANCE OF WATER-REDUCING SET-CONTROLLING ADMIXTURES IN CONCRETE, MORTAR AND CEMENT PASTE ...Cement, Concrete, Composition Parameters-other, Engineering Structures-general, Setting, Curing, ...8.0049

Curing Agents

HANDBOOK FOR CONCRETE AND CEMENT ...Aggregates, Extenders, Fillers, Cement, Concrete, Handbooks, Sealant Materials, Water, ...8.0235

CONCRETE CURING COMPOUND INVESTIGATIONS ...Cement, Concrete, Dam, Canal, Organic-general, Weathering, ...8.0075

Materials Inspection & Control

Flaw Detection

Ultrasonic and Sonic

INVESTIGATION OF TESTING METHODS AND APPARATUS ...Atomic Absorption, Cement, Concrete, Infrared, Instrumentation, Plant Equip., Standards, Specifications, Test Methods, ...8.0234

ULTRASONIC TESTING OF ROCK AND CONCRETE ...Attenuation, Cement, Concrete, Consolidated Material, Structure Location, Ultrasonics, ...8.0116

Quality Control-materials

IMPROVEMENTS IN MASS CONCRETE MIXTURE PROPORTIONING ...Aggregates, Extenders, Fillers, Cement, Concrete, Composition Parameters-other, Costs, Homogeneity, ...8.0260

EVALUATION AND DEVELOPMENT OF SPECIFICATIONS AND TEST METHODS FOR CEMENT AND POZZOLAN ...Cement, Concrete, Composition Parameters-other, Compression, Standards, Specifications, Test Methods, ...8.0101

EFFECT OF THE MAGNITUDE OF COMPRESSIVE STRENGTH OF CONCRETE AT VARIOUS AGES ON THE STANDARD DEVIATION AND COEFFICIENT OF VARIATION ...Cement, Concrete, Compression, Engineering Structures-general, ...8.0111

Test Methods

PREPARE AN OPERATIONAL PLAN, CONCEPTUAL DESIGN AND PLANS AND SPECIFICATIONS FOR A SEAWATER CORROSION TEST FACILITY ...Construction-general, Desalination, Manufacturing, Research Facilities, Water, ...3.0297

EVALUATION OF CORROSION RATE TESTERS ...Corrosion General, Low Temperature -, Medium Temperature - 300-1000k, Water, ...8.0176

STUDIES OF CORROSION SPECIMENS ...Galvanized, Pipe, Tube, Water, Water Quality-general, ...8.0177

SUBJECT INDEX

Mathematical Analysis

INVESTIGATION OF TESTING METHODS AND APPARATUS ...Atomic Absorption, Cement, Concrete, Infrared, Instrumentation, Plant Equip., Standards, Specifications, Ultrasonic and Sonic, ...8.0234

INVESTIGATION OF CONCRETING MATERIAL (OTHER THAN AGGREGATE AND CEMENTITIOUS MATERIALS) ...Cement, Concrete, Construction Materials-other, Standards, Specifications, ...8.0247

CONCRETE AGGREGATE RESEARCH ...Aggregates, Extenders, Fillers, Cement, Concrete, Chert, Non-foliated Rocks, Sandstones, Standards, Specifications, ...8.0237

RESEARCH ON PROPERTIES OF CEMENTITIOUS MATERIAL ...Cement, Concrete, Mechanical Properties-general, Physical Properties-general, Standards, Specifications, ...8.0249

INVESTIGATION OF SHOTCRETE ...Cement, Concrete, Mechanical Properties-general, Physical Properties-general, ...8.0261

CHANGES IN PHYSICAL CHARACTERISTICS OF ASPHALT MATERIAL ...Aging, Asphalt - Tar Sands, Bituminous, Cement, Concrete, Linings-pavings, ...8.0105

EVALUATION AND DEVELOPMENT OF SPECIFICATIONS AND TEST METHODS FOR CEMENT AND POZZOLAN ...Cement, Concrete, Composition Parameters-other, Compression, Quality Control-materials, Standards, Specifications, ...8.0101

EFFECT OF AGGREGATE PROPERTIES AND CEMENT CONTENT ON THE TENSILE STRENGTH OF CONCRETE ...Aggregates, Extenders, Fillers, Cement, Concrete, Composition Parameters-other, Tensile, ...8.0110

DEVELOPMENT AND EVALUATION OF TEST PROCEDURES FOR DETERMINING REACTIVE EXPANSION, AIR AND WATER PERMEABILITY, AND BONDING EFFICIENCY ...Adhesives, Bonding - Other, Cement, Concrete, Porosity, Permeability, Repairing, ...8.0112

POURBAIX DIAGRAM FOR CORROSION EVALUATION ...Soil Chemical Properties, Soils, Water, ...8.0022

SCREENING TESTS ON NEW ASPHALTIC, PLASTIC, AND RUBBER PRODUCTS ...Bituminous, Elastomers Rubber, Standards, Specifications, ...8.0079

INSULATING MINERAL OILS AND SYNTHETIC LIQUIDS AND LUBRICATING OILS ...Electrical Materials, Liquid Lubricants, Lubricants and Fluids - Other, Oxidation, Standards, Specifications, ...8.0059

ALLOY SELECTION FOR CAVITATION RESISTANCE ...Cavitation, Cavitation-other, Metallic Alloys, Turbine-other, ...8.0025

Materials Joining & Assembling

Bonding

Bonding - Other

DEVELOPMENT AND EVALUATION OF TEST PROCEDURES FOR DETERMINING REACTIVE EXPANSION, AIR AND WATER PERMEABILITY, AND BONDING EFFICIENCY ...Adhesives, Cement, Concrete, Porosity, Permeability, Repairing, Test Methods, ...8.0112

Joining, Bonding-general

EVALUATION OF POLYVINYL CHLORIDE (PVC) AND VINYL CLAD ALUMINUM PIPE USED FOR CARRYING IRRIGATION WATER WHEN BURIED WITHIN THE FROST ZONE ...Aluminum, Cladding, Irrigation-general, Pipe, Tube, Polyvinyls-other, Soils, ...8.0271

DEVELOPMENT AND DEMONSTRATION OF MATERIALS TO REDUCE OR ELIMINATE WATER INFILTRATION INTO SEWERAGE ...Groundwater Movement, Linings-pavings, Other, Pipe-other, Sealant Materials, ...5.1186

SHEAR EVALUATION OF WEAK ROCK FOUNDATIONS ...Cement, Concrete, Foundations, Ohio River, Shear Strength, Soil Test - Insitu, ...8.0273

Mechanical Joining, Assembling

Mechanical Joining - Other

CROP AND SOIL MANAGEMENT OVER SHALLOW PLASTIC-LINED MOLE DRAINS ...Management, Plastics - General, Soil and Rock Leaching, ...4.0262

Repairing

EPOXY RESINS FOR CIVIL WORKS PROJECTS ...Concrete-other, Construction-other, Epoxies, Fracture Mechanics, Maintenance, ...8.0248

DEVELOPMENT AND EVALUATION OF TEST PROCEDURES FOR DETERMINING REACTIVE EXPANSION, AIR AND

WATER PERMEABILITY, AND BONDING EFFICIENCY ...Adhesives, Bonding - Other, Cement, Concrete, Porosity, Permeability, Test Methods, ...8.0112

Materials- Physical Properties

Adhesion

POLYMERIC COATINGS FOR PROTECTION ON CONCRETE EXPOSED TO AQUEOUS SALINE ENVIRONMENTS ...Cement, Concrete, Depolymerization, Organic-general, Plastics - General, Salinity, Water, ...3.0405

Dimensions, Expansion

PREPARATION OF SMALL TUBES AND THE DETERMINATION OF THEIR PROPERTIES FOR REVERSE OSMOSIS ...Mechanical Properties-general, Permeability, Pipe, Tube, Reverse Osmosis, Stretch Forming, Cryoform, ...3.0387

RESEARCH AND DEVELOPMENT OF ULTRATHIN FILM MEMBRANES FOR REVERSE OSMOSIS DESALINATION ...Brackish Water, Cellulosics, Desalination, Membranes-other, Reverse Osmosis, ...3.0298

CEMENT - AGGREGATE REACTION ...Aggregates, Extenders, Fillers, Alkali Metals-general, Cement, Concrete, Reaction-general, ...8.0236

INVESTIGATION OF CREEP IN CONCRETE ...Cement, Concrete, Creep, Water, ...8.0240

Electromagnetic Radiation

Color

INFLUENCE OF WATER QUALITY IN MAINTAINING WHITENESS WHEN LAUNDERING WHITE FABRICS ...Cleansing Agents, Cotton, Hardness-minerals, Laundering, Pollution - Effects of, Strength, Cohesion, ...3.0382

Physical Properties-general

RESEARCH ON PROPERTIES OF CEMENTITIOUS MATERIAL ...Cement, Concrete, Mechanical Properties-general, Standards, Specifications, Test Methods, ...8.0249

INVESTIGATION OF SHOTCRETE ...Cement, Concrete, Mechanical Properties-general, Test Methods, ...8.0261

REVIATION OF CONCRETE AND MASONRY ...Cement, Concrete, Concrete-other, Mechanical Vibrations-other, Standards, Specifications, Vibration, ...8.0108

Porosity, Permeability

RESEARCH ON POROUS GLASS MEMBRANES FOR REVERSE OSMOSIS ...Desalination, Fiber, Filament, Whisker, Glass, Membranes-other, Reverse Osmosis, Waste Water Treatment-other, ...3.0068

STORAGE AND CONVEYANCE OF IRRIGATION WATER ...Biological, Irrigation-general, Leakage, Linings-pavings, Stability, Weathering, ...2.1071

DEVELOPMENT AND EVALUATION OF TEST PROCEDURES FOR DETERMINING REACTIVE EXPANSION, AIR AND WATER PERMEABILITY, AND BONDING EFFICIENCY ...Adhesives, Bonding - Other, Cement, Concrete, Repairing, Test Methods, ...8.0112

Stability

STORAGE AND CONVEYANCE OF IRRIGATION WATER ...Biological, Irrigation-general, Leakage, Linings-pavings, Porosity, Permeability, Weathering, ...2.1071

Mathematical Analysis

MODEL RIVER SYSTEM STUDIES ...Flume Studies, Model Studies, Radioactivity-general, Streams, Turbidity, ...2.1010

MOVEMENT OF RADIONUCLIDES IN THE COLUMBIA RIVER ESTUARY ...Columbia River, Estuaries, Pollutants - Path of, Radioactivity-general, Water Sampling, ...5.0986

DYNAMIC GROUND-WATER STORAGE ...Groundwater Movement, Storage of Water, Unsteady Flow, ...2.0765

THE PREDICTION AND OPTIMIZATION OF STREAM RESPONSES TO POLLUTANT WASTES ...Forecasting-prediction, Model Studies, Physical Parameters, Pollution - Effects of, Streams, ...5.0743

MATHEMATICAL SIMULATION OF CYCLIC SEDIMENTATION ...Deposition-other, Model Studies, Simulation Theory, ...2.0131

- STUDIES OF THE PHYSICAL CHEMISTRY OF ELECTROLYTE SOLUTIONS ...Conductivity, Desalination, Electrolytes, Model Studies, Nuclear Magnetic, ...1.0085
- OPTIMAL DESALINATION BY GEOMETRIC PROGRAMMING AND MATHEMATICAL DECOMPOSITION ...Cost Analysis, Decompositions, Desalination, Optimal Statistics, Other Programming, ...3.0077
- THE DEVELOPMENT OF AN ANALYTICAL MODEL OF A FLASH STAGE .. Desalination, Flash Distillation, Model Studies, ...3.0156
- INFLUENCE OF TOPOGRAPHIC FEATURES ON RAINFALL IN WEST VIRGINIA ...Forecasting, Patterns, Topographic Influences, Weather Charts-maps, West Virginia, ...2.1140
- RECESSION CHARACTERISTICS OF IOWA STREAMS ...Iowa, Low Flow, Streams, Variation in Time, ...5.0413
- DEVELOPMENT OF DRAINAGE ASSESSMENT PROCEDURES BASED ON PHYSICAL FEATURES IN ILLINOIS ...Benefit-cost Analysis, Drainage, Drainage Engineering, Illinois, Terrain Analysis, ...6.0207
- EFFECTS OF AREAL AND TIME DISTRIBUTION OF RUNOFF SUPPLY ON WATERSHED HYDROGRAPHS ...Hydrographs, Model Studies, Other Model Modif, Runoff, Watersheds-general, ...2.0666
- SEDIMENTATION AND IN-PLACE FILTRATION DURING FLOW THROUGH EARTH FRACTURES ...Analog Computers, Filtration, Joints-fractures, Model Studies, Sedimentology-general, ...4.0018
- SOLAR HEATING OF WATER TO VERY HIGH TEMPERATURES ...Conductivity, Desalination, Medium Temperature - 300-1000k, Sunshine, Water, ...3.0331
- GROUND WATER BASIN DYNAMICS ...Dispersion -water, Groundwater Basins, Model Studies, Natural Recharge, Ohio, ...2.0851
- MASS TRANSFER AND CHEMICAL REACTION IN TWO PHASE FLOW ...Close Channel, Mass Transfer, Model Studies, Phase Relationship, Waste Water Treatment-general, ...5.0225
- DEVELOPMENT OF A MATHEMATICAL MODEL TO PREDICT THE ROLE OF SURFACE RUNOFF AND GROUND WATER FLOW IN OVERFERTILIZATION OF SURFACE WATERS ...Eutrophication, Minnesota, Nutrients, Runoff, Surface Water, ...5.0606
- PHASE TWO - EXPERIMENTAL INVESTIGATION OF SMALL WATERSHED FLOODS ...Floods, Model Studies, Rain-general, Runoff, Small Watersheds, ...2.0233
- UNSTEADY FLOW TOWARD PARTIALLY PENETRATING ARTESIAN WELLS ...Artesian Flow, Groundwater Movement, Seepage, Unsteady, Unsteady Flow, ...2.0522
- PLANT SOIL MOISTURE ENVIRONMENT AND ITS EFFECT ON WATER MOVEMENT INTO PLANT ROOTS ...Moisture Levels, Moisture Tension, Soil Environment, Soil-water-plant Relationships, ...2.0521
- WATER QUALITY CRITERIA FOR SELECTED RECREATION USES ...Illinois, Pollution-water, Recreation Sites, User Characteristics -other, Water Quality-general, ...5.0381
- STOCHASTIC ANALYSIS OF HYDROLOGIC SYSTEMS ...Computers-general, Model Studies, River Basins, Stochastic Models, Systems Analysis, ...6.0203
- DECISION MODELS FOR MINIMIZING COST OF INFORMATION OR ERROR IN ESTIMATING BENEFIT-WATER RELATIONSHIPS IN IRRIGATION. (ABBREV) ...Benefit-cost Analysis, Irrigation-general, Model Studies, Reliability, Systems Analysis, ...6.0359
- TIME DISTRIBUTION OF RAINFALL INTENSITIES ...Atmosphere Disturbance, Patterns, ...2.0920
- FLOW ANALYSIS OF HYDRAULIC CONNECTORS IN ARTIFICIAL RECHARGE SYSTEMS ...Artificial Recharge, Flow Characteristics -water, Model Studies, ...2.0859
- THE STORAGE COEFFICIENT AS A FUNCTION OF WATER TABLE CELERITY ...Drainage, Permeability, Storage of Water, Unsteady Flow, Water Table Fluctuation, ...2.1121
- EFFECT OF PHYSICAL PROPERTIES OF POROUS MEDIA ON WATER MOVEMENT ...Permeability, Porosity, Porous Media - Flow Through, Size, Subsurface Flow, ...2.0391
- QUANTIFICATION AND PREDICTION OF THE INFILTRATION PHASE OF THE HYDROLOGIC CYCLE ...Hydrographs, Infiltration, Internal Water Movement, Soil Environment, ...2.0468
- DYNAMICS OF WATER INFILTRATION INTO SOIL AS GOVERNED BY SURFACE CRUSTING AND SEALING ...Infiltration, Moisture Tension, ...2.0469
- DEVELOPMENT OF A MATHEMATICAL MODEL FOR THE SIMULATION OF FLAT-LAND WATERSHED HYDRAULICS ...Development of Models, Hydraulics-general, Model Studies, Technique Development, Wetlands, ...4.0102
- MATHEMATICAL MANAGEMENT MODEL UNCONFINED AQUIFER ...Carbonate Aquifers, Groundwater, Management, Model Studies, Water Movement-general, ...4.0246
- HYDROLOGIC ANALYSIS OF GROUNDWATER BASINS BY DIGITAL COMPUTER SIMULATION ...Aquifers-general, Digital Computers, Groundwater Basins, Groundwater Movement, Model Studies, ...4.0043
- SYSTEM IDENTIFICATION AND MULTI-LEVEL OPTIMIZATION OF INTEGRATED GROUND WATER SYSTEMS ...Aquifers-general, Model Studies, Systems Analysis, ...6.0062
- MODELING AND OPTIMIZATION OF WATER RESOURCES SYSTEMS ...Management, Model Studies, Multiple-purpose Projects, Optimization, Reservoirs and Impoundments, ...6.0234
- THE INTERFLOW PROCESS ON SLOPING WATERSHED AREAS ...Forecasting-prediction, Groundwater Movement, Physical Properties-general, Rain-general, Tracers-general, ...2.0961
- DELAWARE ESTUARY AND BAY WATER QUALITY SAMPLING AND MATHEMATICAL MODELING PROJECT ...Data Analysis - General, Delaware Bay, Model Studies, Pollution Abatement, Technique Development, ...5.0749
- USE OF NEW ANALYTICAL METHODS FOR WATER RESOURCES DEVELOPMENT ...Optimization, Optimization Technique, Planning, Reservoirs and Impoundments, Water Resources Development, ...6.0545
- A MATHEMATICAL MODEL FOR REGIONAL TREATMENT OF WATER POLLUTION SYSTEMS ...Estuaries, Public Utilities, Public Works, Regional Areas, Sewerage Systems-other, Value Analysis, ...5.0114
- THERMAL STRATIFICATION IN RESERVOIRS ...Forecasting-prediction, Model Studies, Reservoirs and Impoundments, Stratification, Temperature, ...2.0616
- INDUCED AIR MIXING OF LARGE BODIES OF POLLUTED WATER ...Aeration, Injector, Mixing, Model Studies, Organic Matter, ...5.0477
- FORMULATION OF A GENERAL MATHEMATICAL MODEL FOR THE PREDICTION OF THERMAL ENERGY CHANGES IN IMPOUNDMENTS ...Columbia River, Forecasting-prediction, Model Studies, Reservoirs and Impoundments, Thermal Pollution, ...5.0163
- MATHEMATICAL MODEL OF THE ELECTRODIALYSIS PROCESS FOR ADVANCED WASTE TREATMENT ...Electrodialysis, Process Design, Waste Water Treatment-general, ...5.0531
- CHARACTERIZATION OF THE ACTIVATED SLUDGE PROCESS AT THE HYPERION TREATMENT PLANT ...Activated, California, Model Studies, Waste Water Treatment-general, Water Purification Plants, ...5.0107
- DEVELOPMENT OF MATHEMATICAL MODEL OF SEWAGE SLUDGE FLUIDIZED BED INCINERATORS ...Computers-general, Disposal, Fluidized Bed, Model Studies, ...5.0344
- MECHANICS OF DISPERSION IN ESTUARY POLLUTION ...Dispersion -water, Estuaries, Model Studies, Pollutants - Path of, Tides, ...5.0528
- AMMONIA STRIPPING MATHEMATICAL MODEL FOR WASTE WATER TREATMENT ...Aeration, Ammonia, Finance, Model Studies, Waste Treatment-economics, ...5.0337
- SNOW HYDROLOGY ...Arizona, Energy Budgets, Forest Watersheds, Snow, Snowmelt, ...2.0064
- HYDRAULICS OF SURFACE IRRIGATION ...Channel Roughness, Flow Characteristics -water, Irrigation, Irrigation Engineering, Soils -general, Surface Irrigation -general, ...2.0215
- HYDROLOGIC CHARACTERIZATION OF SMALL WATERSHEDS ...Aerial, Area, Illinois, Slopes, Small Watersheds, ...6.0206
- MOVEMENT OF WATER AND GASES IN SOIL ...Density, Internal Water Movement, Physical Properties-general, Water Table Fluctuation, ...2.0480
- HYDROLOGIC CHARACTERIZATION OF SMALL WATERSHEDS ...Flow Characteristics -water, Gaging, Model Studies, Small Watersheds, Topographic, ...4.0104
- HYDROLOGIC CHARACTERIZATION OF SMALL WATERSHEDS ...Cold - Climates, Model Studies, Peak Flow, Runoff, Small Watersheds, ...4.0143
- HYDRAULICS OF SURFACE IRRIGATION ...Model Studies, Surface Flow, Surface Irrigation -general, ...3.0307
- BASE FLOW ANALYSIS OF SELECTED DRAINAGE BASINS. ...Baseflow, New Hampshire, Seasonal, Small Watersheds, ...2.0742
- HYDROLOGIC CHARACTERIZATION OF SMALL WATERSHEDS ...Hydrology-general, Model Studies, Runoff, Small Watersheds, Stochastic Models, ...4.0197

SUBJECT INDEX

Mathematical Analysis

- HYDRAULICS OF SURFACE IRRIGATION ...Model Studies, Other Models, Surface Flow, Surface Irrigation -general, Unsteady Flow, ...4.0268
- HYDRAULICS OF FLOOD MOVEMENTS ...Analog Computers, Floods, Open Channel Flow, Partial, Routing, Unsteady Flow, ...2.0348
- STOCHASTIC ANALYSIS OF RAINFALL-RUNOFF RELATIONSHIP ...Amount, North Carolina, Runoff, Stochastic Processes, ...2.0428
- SYSTEMS METHODOLOGY FOR WATER-RESOURCE PLANNING IN A REGIONAL DEVELOPMENT CONTEXT ...Economics-general, Regional Areas, Social Aspects, Systems Analysis, Water Resources Development, ...6.0288
- ESTUARINE ECOLOGY ...Aquatic Ecology, Contamination - Water, Estuaries, Washington, Water Quality-general, ...6.0620
- FLOW IN HETEROGENEOUS POROUS MEDIA ...Model Studies, Porous Media - Flow Through, Statistical Models, Two-phase-other, ...8.0190
- GENERALIZED ANALYSIS OF SMALL WATERSHED RESPONSES ...Rain-general, Sequences - Series, Small Watersheds, Water Yield, ...2.0085
- MATHEMATICAL MODELING OF SMALL WATERSHED FLOODS ...Floods, Model Studies, Rain-general, Runoff, Small Watersheds, ...4.0073
- PILOT-STUDY OF SMALL WATERSHED HYDROLOGY ...Data Analysis - General, Floods, Instrumentation-general, Rain-general, Runoff, Small Watersheds, ...2.0379
- THEORETICAL ANALYSIS OF REGIONAL GROUND-WATER FLOW IN THE HAVANA AREA ...Groundwater Movement, Illinois, Model Studies, Subsurface Flow, Water Table Fluctuation, ...2.0410
- LAKE MICHIGAN WATER QUALITY MODEL ...Discharge-general, Hardness-minerals, Lake Michigan, Management, Water Quality-general, ...6.0198
- MATHEMATICAL SIMULATION OF HYDROLOGIC EVENTS ON UNGAGED WATERSHEDS ...Hydrographs, Hydrology-general, Model Studies, Research - Development, Runoff, Watersheds-general, ...2.0462
- HYDROLOGIC BEHAVIOR OF SELECTED WATERSHEDS IN THE NORTHERN APPALACHIAN REGION ...Clouds-precipitation, Forecasting-prediction, Model Studies, Runoff, Valley and Ridge Province, Watersheds-general, ...2.0922
- WATERSHED WATER BUDGET ...Agricultural Watersheds, Evapotranspiration, Moisture Content, Runoff, Water Balance-budget, ...2.1157
- SIMULATED OPEN CHANNEL HYDRAULICS ...Cumberland River, Model Studies, Numerical Analysis-other, Open Channel Flow, Tennessee, ...2.0983
- TEMPERATURE DISTRIBUTION IN THE VICINITY OF WASTE HEAT DISCHARGES ...Electric Power Plants, Mixing, Stratification, Temperature, Thermal Pollution, ...5.1120
- TRANSPORT PROCESSES IN FLUID FLOWS ...Clastic Aquifers, Dispersion -water, Dyes, Model Studies, Porous Media - Flow Through, ...2.0368
- A TEST OF CERTAIN EVALUATION DESIGNS FOR CLOUD-SEEDING EXPERIMENTS ...Clouds-precipitation, Forecasting, Model Studies, Oklahoma, Weather Charts-maps, ...2.0180
- DEVELOPMENT AND REFINEMENT OF METHODS FOR PREDICTING FIELD RUNOFF AND SOIL LOSS ...Conservation, Erosion-general, Forecasting-prediction, Runoff, Sediment Yield, Soil Environment, Soil Erosion -non-specific, ...2.0477
- OPTIMUM UTILIZATION OF SURFACE AND SUBSURFACE WATER FACILITIES ...Aquifers-general, Conjunctive Use, Operations Research, Storage of Water, Survey Studies, ...4.0110

Analytical Methods

Decompositions

- OPTIMAL DESALINATION BY GEOMETRIC PROGRAMMING AND MATHEMATICAL DECOMPOSITION ...Cost Analysis, Desalination, Mathematical Analysis, Optimal Statistics, Other Programming, ...3.0077

Concept

Dynamic

- WATER QUALITY MODELING AND PREDICTION ...Pollutants - Path of, Prediction Models, Quality Control, Waste Water Treatment-other, ...5.0432
- DYNAMIC SYSTEM MODELING AND SIMULATION OF A RIVER BASIN ...Hybrid Computers, Michigan, Model Studies, River Basins, Stochastic Models, ...6.0301

Non-autonomous

- SYSTEMS APPROACH TO FLOW PREDICTION IN WATER RESOURCE PLANNING ...Fourier Transform, Hydrology-general, Monte Carlo Methods, Prediction Models, Regression Analysis, Spectral Analysis, ...2.0915
- THE FINITE ELEMENT METHOD IN FLUID MECHANICS ...Degradation, Finite Differences, Fluid Dynamics, Groundwater Movement, Saturated Flow, ...5.0302

Nonlinearity

- WATER RESOURCE SYSTEM OPTIMIZATION BY GEOMETRIC PROGRAMMING ...Algorithms, Design of Experiments, Optimization, Optimization Technique, Research - Development, ...6.0552

Differential Equations

Ordinary

- SIMULATION OF MULTISTAGE FLASH TEST MODULI (9-STAGE SAN DIEGO PLANT) ...Desalination, Development of Models, Digital Computers, Flash Distillation, Hybrid Computers, ...3.0322
- SYSTEM ANALYSIS OF RAINFALL-RUNOFF RELATIONSHIP ...Amount, Digital Computers, Digital Computers, Runoff, Systems Analysis, ...2.0427
- TRANSPORT MECHANISMS IN WATER FILTRATION ...Development of Models, Filtration, Flow of Dispersed Solids, Model Studies, Transport, ...5.0811

Partial

- FREE-STREAMLINE FLOW OVER DISCONTINUITIES IN A BOUNDARY LAYER ...Boundary-layer-other, Differential Equations, Rotating Fluids, Supercavitating Flow, ...2.0658
- LAMINAR AND TURBULENT FLOW OF FLUIDS THROUGH POROUS MEDIA ...Compressible Fluid, Incompressible Fluid, Porous Media - Flow Through, Statistics-general, ...2.0227
- STUDY OF LOCAL WATER CONTAMINATION PROBLEMS ...Forecasting-prediction, Model Studies, Pollutants - Path of, Potable Water, Radioactivity-general, ...5.0535
- HYDRAULICS OF FLOOD MOVEMENTS ...Analog Computers, Floods, Mathematical Analysis, Open Channel Flow, Routing, Unsteady Flow, ...2.0348
- CONVECTIVE INSTABILITY IN TRANSIENT SYSTEMS ...Approximations, Stability, Transport-other, ...1.0048
- NUMERICAL ANALYSIS OF TIME-DEPENDENT FREE SURFACE FLOWS ...Capillarity, Dimension-three, Finite Differences, Open Channel, Unsteady, ...2.0441
- SOIL MOISTURE FLOW PROBLEMS AND SOLUTIONS IN THE CORN BELT REGION ...Corn Belt, Flow Characteristics -water, Internal Water Movement, Management-general, ...2.0440

Elasticity

- ARCH DAM ANALYSES BASED ON THE MATHEMATICAL THEORY OF ELASTICITY ...Analysis Structural, Arch Dams, Development of Models, Engineering Structures-general, Foundations-general, ...8.0089

Integral Transforms

Fourier Transform

- SYSTEMS APPROACH TO FLOW PREDICTION IN WATER RESOURCE PLANNING ...Hydrology-general, Monte Carlo Methods, Non-autonomous, Prediction Models, Regression Analysis, Spectral Analysis, ...2.0915

Laplace Transform

- FLOW OF WATER INTO TILE DRAINS ON STRATIFIED SOILS ...Drainage Systems, Percolation, Seepage, ...2.0486

Measure - Integration

Integrals

- TURBULENT BOUNDARY LAYERS IN PRESSURE GRADIENTS ...Analysis-other, Laminar - Turbulent, Pressure Gradient, Separation, ...8.0181

Sequences - Series

- GENERALIZED ANALYSIS OF SMALL WATERSHED RESPONSES ...Mathematical Analysis, Rain-general, Small Watersheds, Water Yield, ...2.0085

Mathematical Biophysics

Models of Biological Systems

Physico - Chem - Metab

OXYGEN TRANSFER IN CONCENTRATED MICROBIAL SYSTEMS ...Degradation, Microbial-bacterial, Mixed Culture, Model Studies, Oxygen, ...5.0801

Mathematical Models

Development of Models

SIMULATION OF MULTISTAGE FLASH TEST MODUL. (9-STAGE SAN DIEGO PLANT) ...Desalination, Digital Computers, Flash Distillation, Hybrid Computers, Ordinary, ...3.0328

EVAPORATION FROM SOIL SURFACES AS AFFECTED BY SALT, STRUCTURE AND TEXTURE ...Boundary Process (moisture), Computers-general, Evaporation, Saline Properties, Soil Morphology, Profiles, Water Movement-general, ...2.0216

STUDY OF FACTORS AFFECTING THE CHANNEL PHASE OF RUNOFF FROM SMALL WATERSHEDS BY MATHEMATICAL MODELING ...Finite Differences, Flow Characteristics - water, Runoff, Small Watersheds, Streams, ...2.0665

OPTIMIZATION OF STEP AERATION WASTE TREATMENT PROCESSES ...Aeration, Dynamic Programming, Optimization, Process Design, Systems Analysis, ...5.0426

THE DETERMINATION OF ZONES OF INTENSE CONTRIBUTION TO STREAM FLOW AS RELATED TO THE CONCEPT OF PARTIAL AREA CONTRIBUTIONS ...Digital Computers, Model Studies, Runoff, Synthetic Hydrology-general, Watersheds-general, ...2.0580

COMPUTER MODELS FOR WATER DISTRIBUTION SYSTEMS ...Algorithms, Laminar Flow, Model Studies, Water Allocation, Water Transfer, ...8.0286

DEVELOPMENT OF A STATE WATER PLANNING MODEL ...Application, Model Studies, Montana, Planning, River Basins, ...6.0325

THE DEVELOPMENT OF A SIMULATION MODEL FOR THE BEAR RIVER BASIN ...Analog Computers, Model Studies, Planning, River Basins, Utah, ...6.0586

EFFECTS OF FOREST COVER MANIPULATION ON WATER YIELD AS STUDIED BY AN ELECTRIC ANALOG ...Analog Computers, Forest Watersheds, Soils and Fertilizer, Washington, Water Yield, ...3.0484

DEVELOPMENT OF A MATHEMATICAL MODEL FOR THE SIMULATION OF FLAT-LAND WATERSHED HYDRAULICS ...Hydraulics-general, Mathematical Analysis, Model Studies, Technique Development, Wetlands, ...4.0102

DEVELOP A COMPUTERIZED METHODOLOGY FOR EVALUATION OF MUNICIPAL WATER CONSERVATION RESEARCH PROGRAMS ...Conservation-general, Cost Analysis, Digital Computers, Urban Environments, ...3.0253

STOCHASTIC BASIS FOR COMPREHENSIVE RIVER BASIN PLANNING ...Digital Computers, Monte Carlo Methods, New York, Planning, Stochastic Processes, Systems Analysis, ...6.0374

HYBRID COMPUTER SIMULATION OF GROUND-WATER BASINS ...Groundwater, Groundwater Basins, Hybrid Computers, Model Studies, Water Quality Control-general, ...2.0106

WATER UTILIZATION ASPECTS OF WEATHER MODIFICATION AS APPLIED TO KANSAS ...Amount, Clouds-precipitation, Kansas, Model Studies, Water Harvesting, ...2.0505

COMPUTER SIMULATION OF AQUIFERS OF COASTAL PLAIN OF NORTH CAROLINA ...Analog Computers, Carbonate Aquifers, Digital Computers, Model Studies, North Carolina, ...2.0822

DEVELOPMENT OF LAND USE EQUATIONS FOR THE SLOPING SOILS OF INDIANA ...Erosion-general, Indiana, Land Use, Slopes, Tillage, Cropping Systems, ...2.0464

COMPUTER-ORIENTED MATHEMATICAL MODEL FOR CONTINUOUS STREAMFLOW PREDICTION ...Amount, Computers-general, Discharge-general, Prediction Models, ...2.0985

ARCH DAM ANALYSES BASED ON THE MATHEMATICAL THEORY OF ELASTICITY ...Analysis Structural, Arch Dams, Elasticity, Engineering Structures-general, Foundations-general, ...8.0089

HIGH-VOLTAGE A-C TRANSMISSION ...Analog Computers, Digital Computers, Electrical Engineering-general, Power Transmission, Switching, ...8.0056

ENGINEERING ANALYSIS OF WASTE TREATMENT ...Activated Carbon, Digital Computers, Electrodialysis, Optimization, Sewerage Systems-other, ...5.0861

COMPUTERIZED DESIGN AND SYSTEMS ANALYSIS OF WASTEWATER TREATMENT PLANTS ...Application, Digital Computers, Forecasting-prediction, System, Analysis, Waste Water Treatment-general, ...6.0421

TRANSPORT MECHANISMS IN WATER FILTRATION ...Filtration, Flow of Dispersed Solids, Model Studies, Ordinary, Transport, ...5.0811

Modification of Models

Applications

FLOW REGIMES IN POROUS MEDIA ...Flow Characteristics - water, Model Studies, Porosity, Porous Media - Flow Through, Viscous, ...8.0189

NUMERICAL PREDICTION OF CLOUDINESS AND PRECIPITATION ...Forecasting, Prediction Models, ...2.0266

Other Model Modif

EFFECTS OF AREAL AND TIME DISTRIBUTION OF RUNOFF SUPPLY ON WATERSHED HYDROGRAPHS ...Hydrographs, Mathematical Analysis, Model Studies, Runoff, Watersheds-general, ...2.0666

INTRODUCTION OF RISK AND UNCERTAINTY CONCEPTS TO OPTIMIZATION OF WATER RESOURCE SYSTEM DESIGN ...Application, Optimization, Optimization Technique, Risk & Uncertainty, Water Resources Development, ...6.0548

Other Models

ECONOMIC EVALUATION OF WATER - A DYNAMIC INTER-REGIONAL INPUT-OUTPUT PROGRAMMING MODEL OF CALIFORNIA AND THE WESTERN STATES WATER ECONOMY ...Available Water, California, Economics-general, ...6.0044

SIMULATION OF THE HYDROLOGIC CYCLE ON SMALL AGRICULTURAL WATERSHEDS BY DIGITAL TECHNIQUES ...Agricultural Watersheds, Algorithms, Digital Computers, Virginia, Water Cycle, ...2.1109

THE MODIFICATION OF A PREDICTIVE RIVER BASIN MODEL ...Economic Impact, Missouri, River Basins, Systems Analysis, ...6.0493

PREDICTION OF WATER MOVEMENT IN UNSATURATED SOILS ...Boundary Process (moisture), Electrical Properties, Internal Water Movement, Unsaturated Flow, Water Movement-general, ...2.1076

HYDRAULICS OF SURFACE IRRIGATION ...Mathematical Analysis, Model Studies, Surface Flow, Surface Irrigation -general, Unsteady Flow, ...4.0268

EXPERIMENTAL INVESTIGATION OF HYDROLOGICAL PARAMETERS OF AQUIFERS THROUGH ELECTRICAL RESISTIVITY MEASUREMENTS ...Aquifers-general, Borehole Geophysics, Electric Logging, Hydrology-general, Porosity-permeability, ...7.0028

Prediction Models

SYSTEMS APPROACH TO FLOW PREDICTION IN WATER RESOURCE PLANNING ...Fourier Transform, Hydrology-general, Monte Carlo Methods, Non-autonomous, Regression Analysis, Spectral Analysis, ...2.0915

WATER QUALITY MODELING AND PREDICTION ...Dynamic, Pollutants - Path of, Quality Control, Waste Water Treatment-other, ...5.0432

WATERSHED RESPONSE TO HYDROLOGIC INFLUENCES ...Evaporation, Massachusetts, Reservoirs and Impoundments, Stratification, ...2.0608

TURBULENT FLOW THROUGH POROUS MEDIA ...Digital Computers, Digital Computers, Finite Differences, Porous Media - Flow Through, Turbulent, Turbulent Flow, ...2.0354

NUMERICAL PREDICTION OF CLOUDINESS AND PRECIPITATION ...Applications, Forecasting, ...2.0266

COMPUTER-ORIENTED MATHEMATICAL MODEL FOR CONTINUOUS STREAMFLOW PREDICTION ...Amount, Computers-general, Development of Models, Discharge-general, ...2.0985

WATER AVAILABILITY OF MUSCATINE ISLAND, IOWA ...Aquifers-general, Available Water, Chemical-general, Iowa, Water Resources Development, ...2.0488

HYDROGEOLOGY OF GLACIAL OUTWASH NEAR SIOUX FALLS, SOUTH DAKOTA ...Analog Computers, Available

Water, Outwash Plains, Projections and Estimations, South Dakota, ...2.0975

Statistical Models

- DISPERSION DURING FLOW IN HETEROGENEOUS POROUS MEDIA ...Differential Equations General, Dispersion -water, Model Studies, Porous Media - Flow Through, Seepage, ...5.0394
- FLOW IN HETEROGENEOUS POROUS MEDIA ...Mathematical Analysis, Model Studies, Porous Media - Flow Through, Two-phase-other, ...8.6190
- FLOOD FREQUENCY AND LOW-FLOW ANALYSES ...Floods, Flow Characteristics -water, Low Flow, Maryland, Peak Flow, ...5.0481
- STATISTICAL INFERENCE AND MODELS ...Aquifers-general, Dendrochronology, Distributions, Stochastic Processes, Water Table Fluctuation, ...7.0108

Stochastic Models

- A STUDY OF SERIAL CORRELATION IN ANNUAL STREAM RUNOFF ...Annual, Correlation, Runoff, Streams, ...2.1132
- STOCHASTIC MODELS FOR WATER RESOURCES MANAGEMENT ...Alternative Planning, Application, Management, Runoff, Streams, ...6.0383
- THE OPTIMUM RELEASE POLICY FOR A MULTIPURPOSE RESERVOIR USING STOCHASTIC HYDROLOGY ...Flow Augmentation, Multiple-purpose Projects, Reservoirs and Impoundments, Stochastic Processes, Synthetic Hydrology-general, ...6.0337
- DYNAMIC SYSTEM MODELING AND SIMULATION OF A RIVER BASIN ...Dynamic, Hybrid Computers, Michigan, Model Studies, River Basins, ...6.0301
- ADVANCED METHODOLOGIES FOR WATER RESOURCES PLANNING ...Illinois, Mathematical Programming, Optimization Technique, Planning, ...6.0202
- STOCHASTIC ANALYSIS OF HYDROLOGIC SYSTEMS ...Computers-general, Mathematical Analysis, Model Studies, River Basins, Systems Analysis, ...6.0203
- A COMPUTER PROGRAM FOR FORECASTING POLLUTION AND DISSOLVED OXYGEN IN STREAMS ...Distributions, Forecasting-prediction, Model Studies, Oxygen, Water Quality-general, ...5.1210
- HYDROLOGIC CHARACTERIZATION OF SMALL WATERSHEDS ...Hydrology-general, Mathematical Analysis, Model Studies, Runoff, Small Watersheds, ...4.0197

Testing of Models

- MATHEMATICAL SIMULATION OF HYDROLOGIC EVENTS ON UNGAGED WATERSHEDS ...Digital Computers, Hydrographs, Runoff, Sensitivity Problems, Watersheds-general, ...2.0461
- INVESTIGATION OF A LINEAR MODEL TO DESCRIBE THE HYDROLOGIC PHENOMENON OF DRAINAGE BASINS ...Amount, Hydrographs, Model Studies, Runoff, Small Watersheds, ...2.1041
- DEVELOPMENT OF A REFINED PREDICTIVE SYSTEM FOR USE IN FORECASTING MUNICIPAL WATER NEEDS ...Digital Computers, Forecasting-prediction, Urban Environments, Water Utilization -domestic, ...6.0253

Measurements - Metrology

Electrical

Dielectric Parameters

- INTERNAL WATER STATUS OF PLANTS ...Instrumental Services, Plant Water Use-other, Refractometry, Technique Development, Translocation, ...2.0722

Electromagnetic Attenuation

- (U) RADAR MEASUREMENT OF RAINFALL ...Radar, ...2.0423

Non-electrical Measurements

- KINETICS OF ADSORPTION VIA DOUBLE LAYER CAPACITY MEASUREMENTS ...Aqueous, Electrode, Interface, Methodology, ...1.0100
- AIRBORNE RADIOMETRIC SNOW SURVEY ...Aircraft, Composition, Gamma Radiation, Radioisotopes, Snowmelt, ...7.0071

Mechanical Power

Compressors

- DESIGN AND ECONOMIC STUDY OF A GAS TURBINE POWERED VAPOR COMPRESSION PLANT FOR EVAPORATION OF SEAWATER ...Desalination, Evaporation, Gas, Heat Recovery, Water Costs, ...3.0421
- APPLICATION OF THE HIGH TEMPERATURE WATER JET COMPRESSOR TO THREE MAJOR DESALINATION PROCESSES ...Desalination, Distilling Units, Water Costs, ...3.0346

Engines

Diesel

- A UNIFIED APPROACH TO WATER, FOOD AND POWER IN A COASTAL DESERT COMMUNITY ...Arid and Desert, Desalination, Deserts, Distilling Units, Electric Power Plants, Greenhouse, Use of Impaired Water, ...3.0015

Fluid Devices

Diffuser

- TURBULENT MIXING IN SURFACE AERATION ...Aeration, Dyes, Mixing, Synthetic Hydrology-general, Turbulent Flow, ...5.1061
- DYNAMICS OF RESERVOIR DESTRATIFICATION ...Aeration, Destratification, Oklahoma, Reservoirs and Impoundments, Rotating Fluids, ...5.0911

Fluid-device-other

- COALESCING MARINE OIL-WATER SEPARATOR ...Boat Discharges, Technique Development, Two-phase-other, Waste Water Treatment-general, ...5.0747

Fuel Induction Devices

- DRAFT TUBE SURGES ...Hydraulic, Hydraulic Equipment, ...8.0026

Hydraulic Equipment

- FLUID ELASTIC OPERATORS FOR UNDER-STREAMLINED STRUCTURES ...Compressible Fluid, Deformations, Geometric Configuration, ...2.0472
- DRAFT TUBE SURGES ...Fuel Induction Devices, Hydraulic, ...8.0026
- INVESTIGATION EVALUATION AND DESIGN OF OPEN AND CLOSED CONDUIT SYSTEMS AS IT RELATES CONVEYANCE AND DISTRIBUTION SYSTEMS ...Conduit, Irrigation Engineering, Irrigation-general, Remote Sensing -other, Water Distribution Systems, Water Transfer, ...8.0169

Injector

- INDUCED AIR MIXING OF LARGE BODIES OF POLLUTED WATER ...Aeration, Mathematical Analysis, Mixing, Model Studies, Organic Matter, ...5.0477

Nozzles

- DYNAMIC SEPARATION OF SUSPENDED SOLIDS ...Flow Characteristics -water, Sediments, Separation-flow-other, ...5.0674
- ATOMIZATION AND DROP SIZE OF NON-NEWTONIAN FLUID ...Atomization, Distribution, Non - Newtonian, Solution, Spray Devices, ...5.0796
- DETERMINATION OF HOWELL-BUNGER VALVE AERATION EFFICIENCY ...Aeration, Reservoirs and Impoundments, Valves, ...5.1141

Pneumatic-device

- POLLUTION CONTROL OF BATHING BEACHES BY USE OF A PNEUMATIC CURTAIN ...Close Channel, Jet Flow-other, Shoreline - Coastline, Ventilated Cavities, Water Quality Control-general, ...5.0784

Spray Devices

- DEVELOPMENT OF AUTOMATED SUBIRRIGATION SYSTEM ...Arkansas, Automated Equipment, Design Criteria, Irrigation Engineering, Pipelines, Subsurface Irrigation, ...3.0025
- ATOMIZATION AND DROP SIZE OF NON-NEWTONIAN FLUID ...Atomization, Distribution, Non - Newtonian, Nozzles, Solution, ...5.0796
- PERFORMANCE AND SCIENTIFIC DESIGN OF SPRINKLERS USED FOR IRRIGATION ...Fluid Dynamics, Irrigation Engineering, Sprinkler Irrigation, ...3.0230

Mechanical Power

PERFORMANCE CHARACTERISTICS OF SOLID COVERAGE SPRINKLER IRRIGATION SYSTEMS ...Irrigation, Irrigation Engineering, Regression Analysis, Sprinkler Irrigation, ...2.0897
POWER PRODUCTION ...Electric Power Plants, Nuclear Power, Power Development, Reservoir Systems, Thermal Pollution, ...5.0983

Tanks

COMPARISON OF EVAPORATION INSTRUMENTS ...Evaporation, Instrumentation-general, Techniques, ...2.0450
A PILOT FACILITY TO DEMONSTRATE OFF-SHORE, UNDERWATER, TEMPORARY STORAGE OF STORM OVERFLOW FROM A COMBINED SEWER ...Combined Sewer, Pumping Stations, Storage of Water, Storage-retention-facilities, Storm Water, ...5.0838
DESIGN OF INSTRUCTIONAL EQUIPMENT FOR LABORATORY DEMONSTRATIONS IN FLUID MECHANICS ...Model Studies, Water Tunnels Tables, Wind Tunnels, ...8.0194
CONCRETE TEST VESSEL ...Cement, Concrete, Concrete-other, Desalination, Pressure Vessel Materials, Water, ...8.0113

Heat and Cooling Devices

Distilling Units

THE CONTROL OF SCALING ON HEAT TRANSFER SURFACES BY DIRECT CONTACT WITH A FLUIDIZED BED OF GRANULAR MATERIAL ...Desalination, Filtration, Fluidized Bed, Heat-transfer-other, Scale Formation, ...3.0370
SEPTON FLASH TUBE (VORTEX TUBE) PROCESS ...Desalination, Distillation-other, Flexible, Vortex, ...3.0081
AN INTERFEROMETRIC INVESTIGATION OF TRANSPORT PHENOMENA IN PARTIAL PRESSURE DISTILLATION ...Demineralization, Evaporation, Films, Heat Transfer, Interface, ...3.0489
DISTILLATION PLANT AND COMPONENT STUDIES ...Desalination, Distillation-other, Heat Transfer, Reverse Osmosis, ...3.0439
INVESTIGATION OF THE USE OF LOW-COST PLASTIC FILMS FOR SOLAR STILL CONSTRUCTION ...Costs, Film, Glass, Plastics - General, Structural, Weathering, ...3.0391
LIFE TEST OF NOVEL EVAPORATOR ...Desalination, Heat Trans Coefficient, Pilot Plants, Sea Water-general, ...3.0368
SCALE CONTROL WITH GRAPHITE HEAT-TRANSFER TUBES OF CONTROLLED PERMEABILITY TO STEAM ...Desalination, Distillation-other, Heat Exchangers, Heat Transfer, Sealing, Encrusting, ...3.0390
ENGINEERING FEASIBILITY STUDY OF THE HORIZONTAL TUBE MULTIPLE EFFECT DISTILLATION PROCESS ...Desalination, Economic Efficiency, Heat Transfer, North Carolina, Rate of Reaction, ...3.0352
APPLICATION OF THE HIGH TEMPERATURE WATER JET COMPRESSOR TO THREE MAJOR DESALINATION PROCESSES ...Compressors, Desalination, Water Costs, ...3.0346

ENGINEERING SERVICES - 50-150 MM GALLON PER DAY MULTISTAGE, MULTIFLASH DESALINATION PROCESS ...Desalination, Flash Distillation, Fluid Flow-other, Gaseous, Removal-inorganics, ...3.0064

A STUDY OF HEAT TRANSFER IN THE FLUTED VERTICAL TUBE EVAPORATOR ...Desalination, Distillation-other, Heat Transfer Coefficients, Heat-transfer-other, ...3.0456

A UNIFIED APPROACH TO WATER, FOOD AND POWER IN A COASTAL DESERT COMMUNITY ...Arid and Desert, Desalination, Deserts, Diesel, Electric Power Plants, Greenhouse, Use of Impaired Water, ...3.0015

LIGHTWEIGHT WATER PURIFICATION UNIT ...Brackish Water, Density, Desalination, Distillation-other, Mobile, Plastic Matrix, Technique Development, Waste Water Treatment-general, ...3.0250

HYDRAULIC MODEL STUDIES OF A PUMP INLET MANIFOLD ...Axial Flow, Critical, Desalination, Flash Distillation, High Pressure, Models, ...3.0120

Heat Exchangers

SCALE CONTROL WITH GRAPHITE HEAT-TRANSFER TUBES OF CONTROLLED PERMEABILITY TO STEAM ...Desalination, Distillation-other, Distilling Units, Heat Transfer, Sealing, Encrusting, ...3.0390

DEVELOPMENT OF PARYLENE COATING FOR DROPWISE CONDENSATION OF WATER ON HEAT EXCHANGERS ...Condensation, Copper, Desalination, Organic-general, Plastics-other, ...3.0322

SUBJECT INDEX

Mechanical Devices

Controls

DEVELOPMENT OF AN OPERATIONS CONTROL PLAN ...Channel Regulation-other, Engineering Studies-other, Pump-other, Reservoirs, ...6.0072
AUTOMATION OF CANAL SYSTEMS ...Canals, Channel Regulation-other, Control Gate, Open Channel, Other Control Systems, ...8.0138

Energy Dissipators

USE OF LARGE ROUGHNESS ELEMENTS FOR HYDRAULIC ENERGY DISSIPATION ...Channel Roughness, Culvert, Drainage, Models, Open Channel, ...8.0295
MODEL STUDY OF DISSIPATING STRUCTURES ...Models, Safety, Standards & Criteria, ...8.0008
GENERAL SPILLWAY TESTS ...Control Gate, Design Criteria, Ext Pressure on Struct-other, Spillways, Weir, ...8.0242
DESIGN OF RUBBLE WAVE ABSORBERS ...Breakwaters, Wave Action, Waves, ...7.0066
ENERGY DISSIPATORS ...Fluid Dynamics, Model Studies, Technique Development, ...8.0114

Machines

PERFORMANCE OF CONSTRUCTION PLANT AND EQUIPMENT ...Concrete-general, Construction, Equipment, ...8.0251
RAPID SOILS EXCAVATION ...Construction, Excavation, Nuclear Excavation, Technique Development, ...8.0082

Seals

GATES, VALVES, AND ORIFICES ...Control Gate, Design Criteria, Models, Orifice, Valves, ...8.0037
DESIGN IMPROVEMENTS--GATES AND VALVES ...Channel Regulation-other, Control Gate, Dam, Canal, Galvanic, Valves, ...8.0088

Valves

TRANSIENT FLOW THROUGH CLOSED CONDUITS ...Acoustic Effects, Eigenvalues, Error Analysis, Interpolation, Pipes, Transient, ...2.0634
DUWAMISH RIVER-ELLIOTT BAY STORM WATER CONTROL SYSTEM ...Combined Sewer, Interceptor-station, Loading, Storage-retention-facilities, ...5.1254
DETERMINATION OF HOWELL-BUNGER VALVE AERATION EFFICIENCY ...Aeration, Nozzles, Reservoirs and Impoundments, ...5.1141
GATES, VALVES, AND ORIFICES ...Control Gate, Design Criteria, Models, Orifice, Seals, ...8.0037
DESIGN IMPROVEMENTS--GATES AND VALVES ...Channel Regulation-other, Control Gate, Dam, Canal, Galvanic, Seals, ...8.0088

Nuclear Power

HIGH POWERED FLOATING NUCLEAR POWER PLANT CONCEPTUAL STUDY ...Desalination, Marketing, Nuclear, Other, ...8.0296

OCEANOGRAPHIC FACTORS IN THE FUNCTIONAL DESIGN OF WASTE DISPOSAL SYSTEMS ...Jet Flow-other, Mixing, Outlet, Process Design, Sewers, ...5.0115

HYDROLOGY OF SUBSURFACE WASTE DISPOSAL - NATIONAL REACTOR TESTING STATION, IDAHO ...Geochemical Analysis, Groundwater Movement, Radioactivity-general, Underground Waste Disposal, Water Cycle, ...5.0319

EXPLOSIVE EXCAVATION IN THE DEVELOPMENT OF WATER RESOURCES ...Earth & Rockfill Dams, Excavation, Open Channel, Reservoirs, Water Resources Development, ...8.0041

POWER PRODUCTION ...Electric Power Plants, Power Development, Reservoir Systems, Spray Devices, Thermal Pollution, ...5.0983

Power Cycle

EVALUATION OF EXISTING AND UNCONVENTIONAL MEANS FOR PUMPING AND ENERGY RECOVERY IN A REVERSE OSMOSIS DESALINATION PLANT ...Benefit-cost Analysis, Desalination, Hydraulic, Pump-other, Reverse Osmosis, ...3.0275

SUBJECT INDEX

Mechanical Properties - Mtls.

Power Plant

DESIGN OF UNDERGROUND POWERPLANTS ...Borehole Geophysics, Digital Computers, Electric Power Plants, Mechanics of Structures-other, Rock Mechanics, ...8.0031

Propulsion

Marine

EXPLORATORY DEVELOPMENT OF WATER PROPULSION FOR COMBAT VEHICLES ...Amphibious Vehicles, Other, Streams, Systems Analysis, ...8.0215

Other

EXPLORATORY DEVELOPMENT OF WATER PROPULSION FOR COMBAT VEHICLES ...Amphibious Vehicles, Marine, Streams, Systems Analysis, ...8.0215

Pumps

Axial Flow

EVALUATION OF HIGH PRESSURE PUMPS FOR REVERSE OSMOSIS PROCESS ...Brines, Pumping, Reverse Osmosis, Sea Water-general, ...3.0410

HYDRAULIC MODEL STUDIES OF A PUMP INLET MANIFOLD ...Critical, Desalination, Distilling Units, Flash Distillation, High Pressure, Models, ...3.0120

Pump-other

RADIOISOTOPE WATER FLOW MEASUREMENT IN HIGH-HEAD TURBINES AND PUMPS ...Fluids, Open Channel Flow, Radioisotopes, Technique Development, Turbine-other, ...4.0057

EVALUATION OF EXISTING AND UNCONVENTIONAL MEANS FOR PUMPING AND ENERGY RECOVERY IN A REVERSE OSMOSIS DESALINATION PLANT ...Benefit-cost Analysis, Desalination, Hydraulic, Power Cycle, Reverse Osmosis, ...3.0275

SPRAY DISPOSAL OF LIQUID COW MANURE ...Animal Waste Removal-treatment, Animal Wastes - Feed Lots, Effluent-standards, Farm Wastes, Waste Disposal-underground, ...5.0224

SOLAR POWERED EQUIPMENT FOR OPERATING A SMALL IRRIGATION PUMP. ...Irrigation, Irrigation Engineering, Irrigation-other, Pumping, Solar Power-general, ...4.0201

CLAY SLURRY FLOW CHARACTERISTICS ...Clay, Pipelines, ...1.0125

DEVELOPMENT OF AN OPERATIONS CONTROL PLAN ...Channel Regulation-other, Controls, Engineering Studies-other, Reservoirs, ...6.0072

INDIVIDUAL WATER FILTRATION DEVICE ...Filtration, Porous Media - Flow Through, Sediments, Technique Development, Waste Water Treatment-general, ...3.0252

TURBINE AND PUMP TESTING ...Discharge-general, Pumping, Turbine-other, ...8.0077

TRANSIENT FLOW IN OPEN CHANNELS ...Channel Geometry, Hydraulic Gradient, Open Channel Flow, Siphon, Transient, ...8.0039

Solar Power-general

SOLAR POWERED EQUIPMENT FOR OPERATING A SMALL IRRIGATION PUMP. ...Irrigation, Irrigation Engineering, Irrigation-other, Pump-other, Pumping, ...4.0201

Turbines

Gas

DESIGN AND ECONOMIC STUDY OF A GAS TURBINE POWERED VAPOR COMPRESSION PLANT FOR EVAPORATION OF SEAWATER ...Compressors, Desalination, Evaporation, Heat Recovery, Water Costs, ...3.0421

Hydraulic

EVALUATION OF EXISTING AND UNCONVENTIONAL MEANS FOR PUMPING AND ENERGY RECOVERY IN A REVERSE OSMOSIS DESALINATION PLANT ...Benefit-cost Analysis, Desalination, Power Cycle, Pump-other, Reverse Osmosis, ...3.0275

FISH PASSAGE THROUGH TURBINES ...Fish -non-specific, Management -other, Mortality Rates, Power Development, Stamina, ...8.0312

DRAFT TUBE SURGES ...Fuel Induction Devices, Hydraulic Equipment, ...8.0026

Turbine-other

RADIOISOTOPE WATER FLOW MEASUREMENT IN HIGH-HEAD TURBINES AND PUMPS ...Fluids, Open Channel Flow, Pump-other, Radioisotopes, Technique Development, ...4.0057

FISHERIES-TURBINE RESEARCH COMPENDIUM COMPILATION ...Electric Power Plants, Fish -non-specific, Migration, Mortality Rates, ...8.0310

COLLECTION OF JUVENILE SALMON IN TURBINE INTAKES ...Columbia River, Control Gate, Electric Power Plants, Mortality Rates, Salmon & Trout - Non-specific, ...8.0299

TURBINE RATING FRAME INTERFERENCE STUDY ...Electric Power Plants, Gaging, Inflow, Tennessee River, ...8.0287

TURBINE AND PUMP TESTING ...Discharge-general, Pump-other, Pumping, ...8.0077

ALLOY SELECTION FOR CAVITATION RESISTANCE ...Cavitation, Cavitation-other, Metallic Alloys, Test Methods, ...8.0025

Mechanical Properties - Mtls.

Compression

COMPRESSIVE CREEP TESTS OF CONCRETE ...Aggregates, Extenders, Fillers, Cement, Concrete, Creep, Engineering Structures-general, ...8.0068

EVALUATION AND DEVELOPMENT OF SPECIFICATIONS AND TEST METHODS FOR CEMENT AND POZZOLAN ...Cement, Concrete, Composition Parameters-other, Quality Control-materials, Standards, Specifications, Test Methods, ...8.0101

EFFECT OF THE MAGNITUDE OF COMPRESSIVE STRENGTH OF CONCRETE AT VARIOUS AGES ON THE STANDARD DEVIATION AND COEFFICIENT OF VARIATION ...Cement, Concrete, Engineering Structures-general, Quality Control-materials, ...8.0111

Creep

MECHANICAL PROPERTIES OF ULTRA-THIN LIPID MEMBRANE ...Elasticity - General, Fracture - General, Laminates, Natural Occuring, Permeability, ...3.0342

INVESTIGATION OF CREEP IN CONCRETE ...Cement, Concrete, Dimensions, Expansion, Water, ...8.0240

COMPRESSIVE CREEP TESTS OF CONCRETE ...Aggregates, Extenders, Fillers, Cement, Concrete, Compression, Engineering Structures-general, ...8.0068

Dynamic Properties

Vibration

REVIBRATION OF CONCRETE AND MASONRY ...Cement, Concrete, Concrete-other, Mechanical Vibrations-other, Physical Properties-general, Standards, Specifications, ...8.0108

Elastic

Elasticity - General

MECHANICAL PROPERTIES OF ULTRA-THIN LIPID MEMBRANE ...Creep, Fracture - General, Laminates, Natural Occuring, Permeability, ...3.0342

INVESTIGATION IN THE DEVELOPMENT AND IMPROVEMENT OF SPECIAL CEMENTS ...Cement, Concrete, Durability, Deterioration, Engineering Structures-general, Setting, Curing, Strength, Cohesion, ...8.0048

Photoelasticity

DEVELOPMENT OF THREE-DIMENSIONAL PHOTOELASTIC TECHNIQUES ...Epoxies, Optical, ...8.0109

Fracture

Crack Initiation, Propagation

THE ROLE OF BRITTLE SURFACE FILMS IN STRESS-CORROSION CRACKING ...Desalination, Iron, Magnesium, Stress Corrosion, ...3.0255

TENSILE CRACK EXPOSURE TESTS ...Beams - Bars, Cement, Concrete, Reinforcing Steel, Standards, Specifications, Weathering, ...8.0252

ANALYSIS OF LENGTH CHANGE OF CONCRETE ...Aggregates, Extenders, Fillers, Cement, Concrete, Drying, Failure Analysis, Reliability, Shrinking, ...8.0103

Mechanical Properties - Mtls.

SUBJECT INDEX

Failure Analysis, Reliability

ANALYSIS OF LENGTH CHANGE OF CONCRETE ...Aggregates, Extenders, Fillers, Cement, Concrete, Crack Initiation, Propagation, Drying, Shrinking, ...8.0103

Fracture - General

MECHANICAL PROPERTIES OF ULTRA-THIN LIPID MEMBRANE ...Creep, Elasticity - General, Laminates, Natural Occurring, Permeability, ...3.0342

Impact

PLASTICS TECHNOLOGY AND ENGINEERING APPLICATIONS ...Polyamides, Polyethylene, Tensile, ...8.0133

Mechanical Properties-general

PREPARATION OF SMALL TUBES AND THE DETERMINATION OF THEIR PROPERTIES FOR REVERSE OSMOSIS ...Dimensions, Expansion, Permeability, Pipe, Tube, Reverse Osmosis, Stretch Forming, Cryoform, ...3.0387

STRUCTURE AND MECHANICAL BEHAVIOR OF POLYMERIC MEMBRANES ...Cellulose Acetate, Celluloses, Morphology-other, Reverse Osmosis, Structure-materials-general, ...8.0269

RESEARCH ON PROPERTIES OF CEMENTITIOUS MATERIAL ...Cement, Concrete, Physical Properties-general, Standards, Specifications, Test Methods, ...8.0249

INVESTIGATION OF SHOTCRETE ...Cement, Concrete, Physical Properties-general, Test Methods, ...8.0261

EVALUATION OF CONCRETE PROPERTIES OF CORES FROM OLD STRUCTURES ...Cement, Concrete, Dams-other, Engineering Structures-general, Time, ...8.0063

Plastic

Brittleness

THE ROLE OF BRITTLE SURFACE FILMS IN STRESS-CORROSION CRACKING ...Alloys and Systems, Austenitic, Copper, Film, Stress Corrosion, Titanium, ...3.0254

Plasticity

INVESTIGATIONS OF PLACABILITY OF CONCRETE ...Cement, Concrete, Equipment, Methods, ...8.0258

Strength, Cohesion

INFLUENCE OF WATER QUALITY IN MAINTAINING WHITENESS WHEN LAUNDERING WHITE FABRICS ...Cleansing Agents, Color, Cotton, Hardness-minerals, Laundering, Pollution - Effects of, ...3.0382

THE DEVELOPMENT OF CONCRETE-POLYMER MATERIALS ...Cement, Concrete, Ceramic Matrix, Durability, Deterioration, In-situ, Plastics - General, Radiation Induced, ...8.0045

INVESTIGATION IN THE DEVELOPMENT AND IMPROVEMENT OF SPECIAL CEMENTS ...Cement, Concrete, Durability, Deterioration, Elasticity - General, Engineering Structures-general, Setting, Curing, ...8.0048

Stress, Strain

EVALUATION OF DESALINATION PROPERTIES OF CELLULOSE ACETATE MEMBRANES IN FLAT, TUBULAR AND SPIRAL WOUND CONFIGURATIONS ...Desalination, Film, Membranes-other, Natural Occurring, Saline Conversion, ...3.0052

CORROSION OF METALS IN CONCRETE ...Cement, Concrete, Chloride, Low Alloy Steels, Water, ...8.0023

Tensile

EFFECT OF AGGREGATE PROPERTIES AND CEMENT CONTENT ON THE TENSILE STRENGTH OF CONCRETE ...Aggregates, Extenders, Fillers, Cement, Concrete, Composition Parameters-other, Test Methods, ...8.0110

PLASTICS TECHNOLOGY AND ENGINEERING APPLICATIONS ...Impact, Polyamides, Polyethylene, ...8.0133

Wear, Friction

Erosion

ADHESIVE PROTECTION FOR CONCRETE ...California, Cavitation, Cement, Concrete, Coatings-general, Epoxies, ...8.0015

PROTECTIVE LININGS FOR WATER PASSAGE SURFACES OF FERROUS METALWORK ...Linings-pavings, Organic-general, Pipe, Tube, Water, ...8.0087

Media

SURVEY OF CLOSTRIDIUM BOTULINUM TYPE E ...Clostridium Botulinum, Growth (non-specific & Ot.), Microbiological Analysis, Pathology, ...5.1310

RECOVERY OF INDICATOR BACTERIA ON SELECTIVE MEDIA DURING DECREASE OF VIABLE COUNTS ...Bacteria (non-specific), Bioindicators, Tests of Cell Viability, Water Bacteria, ...5.0587

SPORULATION AND GERMINATION OF CLOSTRIDIUM BOTULINUM ...Bacterial Exotoxins, Cell. env.(non-specific & Ot.), Clostridium Botulinum, Growth (non-specific & Ot.), Spore Studies, ...5.0568

Meetings

CITIZENS WORKSHOPS ON CLEAN WATER FOR AMERICA ...Citizen's Participation, State-local Government, Water Quality-general, Water Standards, ...6.0191

NATIONAL SYMPOSIUM ON THERMAL POLLUTION ...Management, Oregon, Pollution - Effects of, Tennessee, Thermal Pollution, ...5.1138

HYDROLOGY TRAINING AND METHODOLOGY ...Computers-general, Education and Training, Hydraulic Engineering-other, Hydrology-general, ...9.0001

GENERAL WATER QUALITY INVESTIGATIONS ...Control and Protection, Pollutants-general, State-local Government, Technique Development, Water Quality-general, ...5.0186

CONFERENCE ON SANITARY ENGINEERING EDUCATION ...Air Pollution Control, Atmospheric Pollution-general, Education and Training, Management, Water Quality-general, ...5.1152

Membrane- Cellular

Mitochondrial Membranes

TRANSFER OF SALT AND WATER ACROSS MEMBRANES OF PLANT MITOCHONDRIA ...Active Transport, Bioenergetics, Desalination, Salt, Water Movement, ...3.0218

Model Membranes

STUDIES OF NATURALLY OCCURRING ACIDIC LIPIDS - IONIC, SURFACE AND MEMBRANE PROPERTIES ...Cephalin, Lecithin, Permeability, Sphingomyelin, Surface Properties-other, ...3.0354

TEMPERATURE EFFECTS ON BIOLOGICALLY INTERESTING MEMBRANE SYSTEMS ...Action- & Bioelectrical Pot., Membranes-other, Oils -fats, Permeability, Temperature, ...3.0182

Plasma Membrane

STUDIES ON THE MOLECULAR STRUCTURE OF BIOLOGICAL MEMBRANES ...Active Transport, Desalination, Membranes-other, Purification and Isolation, Structure, ...3.0388

SALINITY AND ION TRANSPORT MECHANISMS OF PLANT CELL MEMBRANES ...Absorption (non-specific), Halophytic, Ion Transport and Elect. pot., Salinity, Salt, ...3.0044

Membranes

CHARACTERIZATION OF CELLULOSE ACETATE MEMBRANES AND ULTRATHIN FILMS FOR REVERSE OSMOSIS ...Desalination, Electrical Properties, Film, Membranes-other, Natural Occurring, Reverse Osmosis, ...3.0362

Mercury

CURRENT FISH AND WILDLIFE PESTICIDE PROBLEMS ...Azodrin, Endrin, Guthion, of Aquatic Plants, Seed Treatment, Thiodan, Wildlife, ...4.0042

Metabolic Inhibitors

A STUDY OF INHIBITORY COMPOUNDS PRODUCED BY FRESH-WATER ALGAE ...Algal Pollutant Sources, Chemicals (incl. algicides), Chlorophyceae (non-specific & ot), Eutrophication, of Aquatic Plants, ...5.0446

Metabolism

ECOLOGICAL SIGNIFICANCE OF ORGANIC RELEASE PRODUCTS OF MARINE AND FRESHWATER ANIMALS ...Aquatic Ecology, Biological Rhythms, Mucus, Productivity - Food Chain, ...2.0342

SUBJECT INDEX

Metallic Alloys

THE UPTAKE OF DIELDRIN IN THE THREE RIDGED NAIAD, AMBLEMA PLICATA ...Bioindicators, Dieldrin, Freshwater Mussels, Scallops, Ohio River, Pollution Effects, ...5.0386

A FIELD AND LABORATORY STUDY OF FLUORIDE UPTAKE BY OYSTERS ...Estuaries, Fluoride, Laboratory, Mining Activities, Oysters, Phosphate, Phosphite, ...6.0407

EFFECTS OF PESTICIDES ON MARINE ANIMALS ...Dieldrin, Laboratory Animals, Mode of Action -animal, Respiration, ...5.0261

STUDY OF EXCRETORY PATTERNS IN CRAYFISHES ...Crayfish, All, Nitrogen, Osmoregulation, Stress, Urea, ...6.0376

RADIONUCLIDE METABOLISM IN AQUATIC ANIMALS ...Clams, Contamination - Water, Fish -non-specific, Radiation Effects-non-specific, Reactor Sites & Rad Waste, ...5.0101

SCREENING AQUATIC INVERTEBRATES TO DETECT AN ORGANISM SUITABLE FOR USE IN A MONITORING PROGRAM ...Bioassays, Bioindicators, Cholinesterase, Fish -non-specific, Invertebrates -non-specific, Monitoring Systems, ...5.0639

INFLUENCE OF PROTOZOAN ACTIVITY ON HALOGENATED HYDROCARBON RESIDUES - INTERACTION BETWEEN MICROORGANISMS AND PESTICIDES ...Axenic Culture, Mode of Action -animal, Petroleum Cpd. -non-specific, Protozoa -other, ...5.0642

ACCUMULATION OF RADIOACTIVITY BY INVERTEBRATES ...Contamination - Water, Pollution Effects, Productivity - Food Chain, Radioactivity-general, ...5.0804

UPTAKE OF ORGANIC COMPOUNDS BY MARINE INVERTEBRATES ...Amino Acids, Amino Acids -non-specific, Chemoreceptors, Invertebrates -non-specific, Marine Biology, Nutrition - Invertebrate, Pulse-labelling, ...6.0058

DEPURATION OF CHEMICAL POLLUTANTS IN SHELLFISH ...Chromium, Contamination - Water, Oysters, Pesticides -non-specific, Shellfish Depuration, ...5.0020

Metabolism -animal

EFFECTS OF LIMNOLOGICAL FACTORS ON UPTAKE OF CS137 BY FISH ...Cesium, ...1.0068

SUBLETHAL INFLUENCE OF POLLUTANTS ON FISH METABOLISM ...Contamination - Water, Fish -non-specific, Growth Rate, Pollution - Effects of, ...5.0901

COMPARATIVE UPTAKE OF 10 CHLORINATED HYDROCARBON PESTICIDES BY FISH ...Chlorinated Hydrocarbons, Fish -non-specific, Residue Analysis -other, Wildlife, ...5.0628

2,4-D UPTAKE AND METABOLISM - METABOLISM OF PESTICIDES IN FISH ...Channel Catfish, Goldfish, Laboratory Animals, Rainbow Trout, Steelhead Trout, 2,4-d, ...5.0659

DDT AND DIELDRIN METABOLISM AND STORAGE BY CHINOOK SALMON UNDER LABORATORY CONDITIONS ...DDT, Dieldrin, Laboratory Animals, Salmon -coho, chinook, sockeye..., ...5.0660

LITERATURE SURVEY OF PESTICIDE METABOLISM IN FISH - METABOLISM OF PESTICIDES IN FISH .. Mode of Action - animal, Pesticides -non-specific, Survey Studies, Wildlife, ...5.0661

INVESTIGATION OF STRESS-INDUCED MOBILIZATION OF INSECTICIDE RESIDUES - CHRONIC TOXICITY OF PESTICIDES TO FISH ...DDT, Dieldrin, Salmon -coho, chinook, sockeye..., Stress, Wildlife, ...5.0655

INTERACTION OF ENDRIN AND PROLACTING-INDUCED FAT SYNTHESIS IN THE PLAINS KILLFISH - PESTICIDE EFFECTS ON FISH ENDOCRINE FUNCTIONS ...Adipose, Endrin X Biocid, Killifish - Cyprinodon, Photoperiod, ...5.0657

PHYSIOLOGIC AND METABOLIC RESPONSE AS INDICATORS OF STRESS ...Environmental Physiology, Gases, Dissolved -water, Ions and Gases, Oxygen, Stress, ...5.0592

THE INVESTIGATION AND ANALYSIS OF BIOCHEMICAL PROCESSES OF AQUATIC ORGANISMS UNDER STRESS ...Animal Origin, Aquatic Ecology, Fish -non-specific, Other, Stress, ...5.0585

Mineral

EFFECTS OF POSSIBLE POLLUTANTS ON ENERGY PRODUCTION BY BLUEGILL LIVER MITOCHONDRIA ...Bluegills, Bream, Metallic Ions, Mineral Origin, Respiration, ...5.0348

MINERAL IMBALANCE IN BLUEGILLS EXPOSED TO MALATHION PESTICIDE-INDUCED MINERAL IMBALANCE IN FISH ...Bluegills, Bream, Malathion, Wildlife, ...5.0658

CHRONIC EFFECTS OF HEAVY METALS ON FISH ...Computer Matching-code, Contamination - Water, Industrial Wastes, Mineral Origin, Radioisotopes, ...5.0584

Respiration

EFFECTS OF WATER TEMPERATURE UPON RESPIRATORY METABOLISM OF CUTTHROAT TROUT, SALMO CLARKI ...Cutthroat Trout, Environmental Physiology, Temperature, Utah, Water Temperature-non-specific, ...5.1192

EFFECTS OF PESTICIDES ON MARINE ANIMALS ...Dieldrin, Laboratory Animals, Metabolism, Mode of Action -animal, ...5.0261

Water

SALINE WATERS AND LIVESTOCK PRODUCTION ...Ruminants -non-specific, Salinity, Swine, Water Utilization -animal, ...5.0031

Metallic Alloys

THE EFFECTS OF VELOCITY ON THE PASSIVATION OF ALLOYS IN BRACKISH WATER ...Brackish Water, Desalination, Electrolytes, Passivation, Velocity -water, ...3.0136

CORROSION PROTECTION BY INHIBITOR CROSS-LINKING AND SURFACE COATING GRAFTING ...Cement, Concrete, Crosslinked, Inhibitors, Metals, Radiation Induced, ...3.0404

THE ELECTROCHEMICAL BEHAVIOR OF METALS AND ALLOYS IN SEA WATER AND THE EFFECT OF BIOLOGICAL SLIMES ON THEIR RATES OF CORROSION ...Bacteria, Biological, Desalination, High, Water, ...3.0181

ALLOY SELECTION FOR CAVITATION RESISTANCE ...Cavitation, Cavitation-other, Test Methods, Turbine-other, ...8.0025

Aluminum

CORROSION AND MASS TRANSFER FROM CYLINDERS OF METALS ROTATING IN SEAWATER AT HIGH TEMPERATURES AND PRESSURES ...Desalination, High, Water, ...3.0247

INVESTIGATION OF CORROSION FUNDAMENTALS AS RELATED TO ALLOYING ...Additives, Alloy & Systems, Copper, Corrosion General, ...3.0415

Copper

A STUDY OF THE STRESS-CORROSION SUSCEPTIBILITY OF CUPRO-NICKEL AND TITANIUM UNDER DESALINATION CONDITIONS ...Desalination, Stress Corrosion, Temperature General, Titanium, Water, ...3.0137

DEVELOPMENT OF PARYLENE COATING FOR DROPWISE CONDENSATION OF WATER ON HEAT EXCHANGERS ...Condensation, Desalination, Heat Exchangers, Organic-general, Plastics-other, ...3.0322

DEVELOPMENT OF LOW-COST, CORROSION-RESISTANT ALLOYS AND ON ELECTRO-CHEMICAL TECHNIQUES FOR THEIR PROTECTION IN DESALINATION SYSTEMS ...Corrosion Prevention-other, Desalination, Saline Conversion, Water, Zinc, ...3.0290

INVESTIGATION OF CORROSION FUNDAMENTALS AS RELATED TO ALLOYING ...Additives, Alloy & Systems, Aluminum, Corrosion General, ...3.0415

A STUDY OF PRESCALING DEPOSITION ...Desalination, Radioisotopes, Saline Conversion, Scaling, Encrusting, ...1.0011

PRODUCTION OF 90-10 COPPER NICKEL TUBING FOR DESALTING ...Desalination, Equipment Purchase Operation, Pipe, Tube, ...3.0158

IMPROVEMENT OF THE CORROSION RESISTANCE OF ALUMINUM BRASS FOR USE IN SEA WATER CONVERSION PLANTS ...Desalination, Films, High, Oxidizing Atmosphere, Water, ...3.0213

THE ROLE OF BRITTLE SURFACE FILMS IN STRESS-CORROSION CRACKING ...Alloys and Systems, Austenitic, Brittleness, Film, Stress Corrosion, Titanium, ...3.0254

Magnesium

Alloys and Systems

THE ROLE OF BRITTLE SURFACE FILMS IN STRESS-CORROSION CRACKING ...Austenitic, Brittleness, Copper, Film, Stress Corrosion, Titanium, ...3.0254

Titanium

THE ROLE OF BRITTLE SURFACE FILMS IN STRESS-CORROSION CRACKING ...Alloys and Systems, Austenitic, Brittleness, Copper, Film, Stress Corrosion, ...3.0254

Zinc

DEVELOPMENT OF LOW-COST, CORROSION-RESISTANT ALLOYS AND ON ELECTRO-CHEMICAL TECHNIQUES FOR THEIR PROTECTION IN DESALINATION SYSTEMS ...Copper, Corrosion Prevention-other, Desalination, Saline Conversion, Water, ...3.0290

Metallic Deposits - Ores**Lead**

THE IMPACT OF LEAD-ZINC MINING ON THE QUALITY AND ECOLOGY OF SURFACE WATERS IN SOUTHEAST MISSOURI ...Adsorption-other, Atomic Absorption, Missouri, Trace Elements, Zinc, ...5.0689

STREAM POLLUTION IN THE NEW LEAD BELT OF SOUTHEAST MISSOURI ...Mining Activities, Missouri, Pollution - Effects of, Streams, Water Quality-general, Zinc, ...5.0693

Metallic Deposits-other

MINERAL RESOURCE STUDY--RESERVOIR SITES ...Appraisals-general, Pre-impoundment Sites, Reservoirs and Impoundments, Resource Inventories, Texas, ...2.1008

Zinc

THE IMPACT OF LEAD-ZINC MINING ON THE QUALITY AND ECOLOGY OF SURFACE WATERS IN SOUTHEAST MISSOURI ...Adsorption-other, Atomic Absorption, Lead, Missouri, Trace Elements, ...5.0689

STREAM POLLUTION IN THE NEW LEAD BELT OF SOUTHEAST MISSOURI ...Lead, Mining Activities, Missouri, Pollution - Effects of, Streams, Water Quality-general, ...5.0693

Metallic Ions

EFFECTS OF POSSIBLE POLLUTANTS ON ENERGY PRODUCTION BY BLUEGILL LIVER MITOCHONDRIA ...Bluegills, Bream, Mineral, Mineral Origin, Respiration, ...5.0348

Metals

DEVICE FOR FIELD DETERMINATION OF HEAVY METALS IN NATURAL WATERS ...Chemical Analysis (water), Electrode, Heavy Elements, Ions and Gases, Polarography, ...7.0032

BIOLOGICAL EFFECTS OF HEAVY METAL POLLUTION ...Biological, Heavy Elements, Microbial-bacterial, Mining Industry, Pollution - Effects of, ...5.0034

Metals Ns

EFFECT OF METAL POISONING ON VARIOUS ENZYMES IN FISH ...Atpase, Chemical Effect-other, Inhibitors, Killifish - Cyprinodon, Mineral Origin, ...5.1091

PHARMACOLOGY OF METAL POISONING IN ESTUARINE FISHES ...Contamination - Water, Estuaries, Killifish - Cyprinodon, Stress, ...5.1083

Meteorological Condensation**Condensation-general**

CLOUD AND PRECIPITATION FORECAST MODEL ...Cloud Cover, Forecasting, Latent Heats, Model Studies, Weather Forecasting, ...2.0267

Dew

THE WATER ECONOMY OF TURFGRASS ...Management, Moisture Content, Soil Types, Soil-water-plant Relationships, Species and Variety Evaluation, ...2.0941

SUBSYNOPTIC WEATHER SPECIFICATION ...Cloud Cover, Data Analysis Applications, Micrometeorology, Model Studies, Temperature, Weather Forecasting, ...2.0592

Fog-haze-mist

CLIMATOLOGICAL MEASUREMENTS RELATED TO AGRICULTURE ...Amount, Land Use, Physical Climatology, Sunshine, Temperature, Water Utilization -general, ...2.0741

Frost

SNOW AND ICE COVER INVESTIGATIONS ...Arctic, Sea Ice, Snowmelt, Snowpack, Weather Forecasting, ...2.0747

Methodology

KINETICS OF ADSORPTION VIA DOUBLE LAYER CAPACITY MEASUREMENTS ...Aqueous, Electrode, Interface, Non-electrical Measurements, ...1.0100

Mexico

SYSTEMATIC AND BIOGEOGRAPHIC STUDIES OF AQUATIC AND SEMI-AQUATIC ORGANISMS IN NORTHERN MEXICO ...Animal Taxonomy, Aquatic Ecology, Habitat Studies, Plant Taxonomy, ...2.0038

DOCTORAL DISSERTATION RESEARCH IN POLITICAL SCIENCE ...Federal Government, Irrigation-general, Policy Making, Power Structure, Water Supply-general, ...3.0157

PROBABLE MAXIMUM PRECIPITATION FOR THE LOWER RIO GRANDE ...Amount, River Basins, ...2.0598

Mhd**Flow****Turbulent**

APPLICATION OF MAGNETOHYDRODYNAMICS TO MEASUREMENT OF LIQUID VELOCITY AND TURBULENCE ...Analog Computers, Analog Computers Math, Technique Development, Turbulent Flow, Velocity, Velocity -water, ...2.1166

Velocity

APPLICATION OF MAGNETOHYDRODYNAMICS TO MEASUREMENT OF LIQUID VELOCITY AND TURBULENCE ...Analog Computers, Analog Computers Math, Technique Development, Turbulent, Turbulent Flow, Velocity -water, ...2.1166

Michigan

PREDICTION OF THE MAGNITUDES AND FREQUENCIES OF FLOODS IN MICHIGAN ...Drainage, Floods, Forecasting-prediction, Morphology-general, Rain-general, ...2.0635

STUDIES ON PLANTED BROOK TROUT IN RELATION TO NUMBERS PLANTED, LIMNOLOGICAL CONDITIONS AND FOOD SUPPLIES IN UNFISHED LAKES ...Food Supply, Lake Trout, Brook Trout, Lakes, Population Dynamics, Stocking of Fish & Shellfish, ...6.0303

THE RELATIONSHIP OF SEWAGE HANDLING PRACTICE TO PESTICIDE RESIDUE LEVELS AND INVERTEBRATE ECOLOGY ...Aquatic Ecology, Aquatic Soils, Insecticides -non-specific, Pollutants - Path of, Pollution Effects, ...5.0572

THE EFFECTS OF LIMNOLOGICAL FACTORS ON THE UPTAKE OF CS137 BY FISH ...Atomic Absorption, Cesium, Emission, Lakes, Radioactive Fallout, ...2.0653

GEOCHEMICAL INVESTIGATION OF THE GROUNDWATER SYSTEM IN THE LANSING, MICHIGAN, AREA ...Aquifers-general, Chemical-general, Groundwater, Ions and Gases, Water Quality-general, ...1.0069

WATERSHED ANALYSIS RELATING TO EUTROPHICATION OF LAKE MICHIGAN ...Data Analysis - General, Economics-general, Eutrophication, Great Lakes-general, Social Aspects, ...6.0302

METAMORPHOSIS OF SNOWPACK PROFILES AND CHANGES IN WATER STORAGE FOLLOWING STRIP CUTTING IN PINE FORESTS IN MICHIGAN ...Cutting Operations, Natural Recharge, Nuclear Moisture Meters, Snowmelt, Water Yield, ...2.0655

DYNAMIC SYSTEM MODELING AND SIMULATION OF A RIVER BASIN ...Dynamic, Hybrid Computers, Model Studies, River Basins, Stochastic Models, ...6.0301

ECOLOGY OF PESTICIDES IN AN AQUATIC ECOSYSTEM ...Food Chains, Animal And/or Man, Insecticides -non-specific, Pollutants - Path of, Pollution - Effects of, Pollution Effects, ...5.0563

HYDROLOGY OF RIVER-BASED RECREATION ...Glacial Features-general, Morphology-general, Recreation Sites, Streams, Water Quality-general, ...6.0304

Microbiological Analysis

BIOLOGICAL PROPERTIES OF SEWAGE LAGOONS AT TUSKEGEE, ALABAMA ...Bioindicators, Biological Treatment-general, Microorganisms (non-specific), Pollution - Effects of, Sewage Lagoons, ...5.0024

SUBJECT INDEX

Military Aspects

- BACTERIOLOGICAL WATER QUALITY ANALYSES OF METHODS FOR DETECTING FECAL POLLUTION ...Bacterial Pollutant Sources, Bioindicators, Coliforms (non-specific), Salmonella (non-specific & Ot), Streptococcus Fecalis, ...5.1113
- INDICATOR-PATHOGEN DENSITY RELATIONSHIPS IN TRIBUTARY STREAMS ...Bacterial Pollutant Sources, Bioindicators, Coliforms (non-specific), Pollutants - Path of , Streams, ...5.0562
- SURVEY OF CLOSTRIDIUM BOTULINUM TYPE E ...Clostridium Botulinum, Growth (non-specific & Ot.), Media, Pathology, ...5.1310
- MICROBIOLOGY OF MARINE AND ESTUARINE INVERTEBRATES ...Estuaries, Marine Bacteria (non-specific), Oysters, ...2.0586
- DEVELOPMENT OF A METHOD FOR CHRONIC TOXICITY BIOASSAY USING MARINE PLANKTONIC ALGAE ...Algal Culture, Bioassays, Marine Plants, Monitoring (long Term Studies), Phytoplankton, Technique Development, Toxicology, ...5.1088
- STUDY OF NITROGEN METABOLISM IN MARINE ALGAE ...Bioindicators, Enzymes, Marine Plants, Pollution - Effects of , Quantitative & Qualitative, ...5.1089
- STUDY OF GROWING AREA STANDARD BY EXAMINING ENTEROPATHOGENS AND INDICATOR ...Bioindicators, Enteroviruses of Humans, Number, Salmonella (non-specific & Ot), Sewage, ...5.1069

Microbiology -soil

- MICROBIOL ADSORPTION IN SOILS ...Adsorption Capacity, Biological Pollutants -general, Electrical Properties, Percolation, Soil Environment, ...2.0213
- CHEMICAL, PHYSICAL AND BIOLOGICAL REACTIONS OF PESTICIDES WITH SOILS AFFECTING SOIL PRODUCTIVITY AND PESTICIDE STABILITY ...Movement, Leaching, Pesticides -non-specific, Pollutants - Path of , Residue Analysis -other, Soil Conditions, Soil Temp. -non-specific, ...5.0202
- MEADOW SOD MAT ACCUMULATION AND DECOMPOSITION ...Ecology - Soil, High Organic Soils, Maintenance, Soil Depth, Soil Physical Properties, ...2.0238

Microbiology- Med & Veterinary

Detection

- DETECTION AND ENUMERATION OF VIRUS IN NATURAL WATERS ...Assay , Bioindicators, Enteroviruses of Animals, Technique Development, Viral Pollutant Sources, ...5.0713
- RELATION OF SWIMMING WATER QUALITY TO THE OCCURRENCE OF EAR INFECTIONS ...Conduction, Pollution-water, ...5.0588
- QUANTITATIVE DETECTION AND ENUMERATION OF POLLUTION INDICATOR BACTERIA OF WASTE WATERS AND SEWAGE TREATMENT PLANT EFFLUENTS ...Bacteria, Bacterial Pollutant Sources, Bioindicators, Membrane, Sewage Testing, ...5.0853
- INCIDENCE OF PATHOGENIC ENTEROBACTERIACEAE AND ENTEROVIRUSES IN ESTUARINE AREAS ...Enteroviruses of Humans, Estuaries, Intestinal Bacteria, Puget Sound, ...5.1226

Septicemia

Viremia

- FACTORS LIMITING WATERFOWL PRODUCTION ON THE SPRING-FED SALT MARSHES WEST OF THE GREAT SALT LAKE ...Mallard, Nutrition -other, Productivity (agricultural), Swamps-marshes, Utah, ...5.1194

Microorganisms (non-specific)

- HYDROSTATIC PRESSURE-TEMPERATURE, AS ENVIRONMENTAL PARAMETERS, ON GROWTH, BIOCHEMISTRY AND PHYSIOLOGY OF MICROORGANISMS ...Growth (non-specific & Ot.), Marine Biology (non-specific), Pressure & Mech Stress, Temperature, ...6.0459
- DEVELOPMENT OF STORAGE TECHNIQUES FOR REVERSE OSMOSIS MEMBRANES ...Cellulose Acetate, Other, Reverse Osmosis, Storage, ...3.0058
- BIOCHEMICAL EFFECTS OF MICROORGANISMS UPON THE SALT MARSH ENVIRONMENT ...Aquatic Soils, Chemical, Core Analysis, Salinity, Swamps-marshes, Tidewater Areas, ...1.0026

- PHOSPHATE UPTAKE, STORAGE, AND RELEASE BY MICROORGANISMS IN WASTEWATER TREATMENT ...Chemostat, Nutrition, Phosphate, Phosphite, Storage, Waste Water Treatment-general, ...5.1282
- INFLUENCE OF SUSPENDED MICROSCOPIC SUBSTANCES ON THE METABOLISM OF MICROORGANISMS RESPONSIBLE FOR BIOLOGICAL ENRICHMENT OF WATER ...Adsorption Capacity, Chemical, Eutrophication, Pollution - Effect of , Sediments, ...5.0877
- BIOLOGICAL PROPERTIES OF SEWAGE LAGOONS AT TUSKEGEE, ALABAMA ...Bioindicators, Biological Treatment-general, Microbiological Analysis, Pollution - Effects of , Sewage Lagoons, ...5.0024
- THE KINETICS OF MICROBIOLOGICAL MODIFICATION OF ORGANIC SUBSTANCES OCCURRING IN NATURAL WATERS ...Active Transport, Biological-general, Cell. env.(non-specific & Ot.), Organic-general, ...1.0006
- MICROBIAL RELEASE OF SOLUBLE PHOSPHATE IN AN ACTIVATED SLUDGE ENVIRONMENT ...Cell. env.(non-specific & Ot.), Oxygen, Phosphate, Phosphite, ...5.1213
- ADAPTATION BY MICROBIAL POPULATIONS ...Adaptation, Biological Pollutants -general, Plant Succession, Waste Water Treatment-general, ...5.0770
- KINETICS OF BIOLOGICAL FILTERS ...Growth Rate, Microbial-bacterial, Organic Wastes, Pollutant-other, Trickling, ...5.1103
- BIOLOGICAL METHODS OF SLUDGE DEWATERING ...Activated, Biological Treatment-other, Butyric Acid, Depolymerase, Drying-dewatering, ...5.0089
- RESEARCH AND FIELD ENGINEERING STUDIES FOR OPTIMIZING LIPID BIOSTABILIZATION PROCESSES ...Anaerobic, Destratification, Fats -non-specific, Model Studies, Process Design, ...5.0684
- MICROBIAL ECOLOGY OF LAKE CHAMPLAIN AS INFLUENCED BY PESTICIDES ...Biodegradation, Freshwater Ecology, Lakes, Nitrogen Bacteria, ...5.1202
- MICROBIOLOGICAL INVESTIGATIONS ...Biological, Biological Pollutants -general, Marine Fouling, Water Supply-general, ...3.0133
- EFFECTS OF PESTICIDES ON PROTEIN, CARBOHYDRATE, AND NUCLEIC ACID METABOLISM. INTERACTION BETWEEN MICROORGANISMS AND PESTICIDES ...Biosynthesis, Cell Injury and Autolysis, Mode of Action -animal, Mode of Action -plant, Pesticides -non-specific, Respiration, ...5.0643

Microscopy

Electron

- STUDIES OF FUNDAMENTAL MECHANISMS IN THE DEPOSITION OF CALCIUM SULFATE SCALE ...Grines, Dilatometry, Nucleation, Phase Relationship, Scale Formation, ...3.0293
- STRUCTURE AND MORPHOLOGY OF INORGANIC MEMBRANES ...Complexes, Gel, Membranes-other, Transport, ...3.0463
- BACTERIOLOGY OF BIODEGRADABLE SURFACTANTS ...Cell Injury and Autolysis, Gram-negative Bacteria, Gram-positive Bacteria, Repression, Surfactants, ...5.0106
- COLD REGIONS PHYSICAL SCIENCE ...Arctic, Cloud Physics, Ice Fog, Petrofabrics, ...2.0757

Microscopy-other

- SALINE WATER BY FREEZING - A PROGRAM OF INVESTIGATION ...Desalination, Evaporation, Freezing, Nucleation, Washing, ...3.0343

Middle-east-general

- STATISTICAL, METEOROLOGICAL AND DEPTH-AREA ANALYSIS OF RAINFALL ...Data Analysis Applications, Forecasting, Hydrology-general, Patterns, ...2.0492

Military Aspects

- FOAM SEPARATION FOR FIELD WATER TREATMENT ...Aeration, Foam, Potable Water, Sterilants, Surfactants, ...5.0444
- DISINFECTION OF SMALL QUANTITIES OF DRINKING WATER ...Chemical Treatment-general, Chlorine, Iodine, Potable Water, Sterilants, ...5.0374

Military Aspects

REVERSE OSMOSIS WATER PURIFICATION ...Cellulose Acetate, Mobile, Other, Potable Water, Reverse Osmosis, ...3.0251

Military Tactics

Airborne-operation

FREE DROP WATER CONTAINER ...Equipment, Laminates, Logistics, Pipe, Tube, Urethanes, ...8.0209

Equipment

FREE DROP WATER CONTAINER ...Airborne-operation, Laminates, Logistics, Pipe, Tube, Urethanes, ...8.0209

Logistics

FREE DROP WATER CONTAINER ...Airborne-operation, Equipment, Laminates, Pipe, Tube, Urethanes, ...8.0209

Mineralization

Mineralized Rock

METHODS FOR IMPROVING ROCK PERMEABILITY ...Augmentation-general, Permeability, Rock Fragmentation Methods, Soil and Rock Leaching, ...3.0018

Mineralogy

INFRARED IMAGER STUDIES ...Detectors, Geophysical Equipment, Image Amp, Infrared Radiation, Instrumental Services, ...6.0299

ADSORPTION OF VIRUSES ON MINERAL SURFACES ...Adsorption, Adsorption Capacity, Control of Viruses, Escherichia Coli, Viral Pollutant Sources, ...5.0474

MINERALOGIC CONTROLS ON CHEMISTRY OF GROUND WATER ...Carbon-14, Chemical-general, Clay, Groundwater, Reverse Osmosis, ...2.1094

GEOHYDROLOGY OF THE POTOMAC-RARITAN-MAGOTHY AQUIFER SYSTEM ...Aquifers-general, Calcite Group, Clay Minerals-general, Groundwater, Solution Chemistry, ...2.0768

Minerals

Carbonates

Calcite Group

GEOHYDROLOGY OF THE POTOMAC-RARITAN-MAGOTHY AQUIFER SYSTEM ...Aquifers-general, Clay Minerals-general, Groundwater, Mineralogy, Solution Chemistry, ...2.0768

Clay Minerals

Bentonite

CONTROL OF SEEPAGE FROM CANALS AND STORAGE PONDS IN NEVADA ...Canals, Linings-pavings, Seepage, Water Loss Control, ...8.0263

Clay Minerals-general

THE EXTRACTION OF POTASSIUM FROM FRESH AND SALINE WATERS BY CLAY MINERALS ...Adsorption Capacity, Analysis and Detection, Extraction, Potassium, ...2.0359

THE MINERALOGY AND CHEMISTRY OF SOILS AND SEDIMENTS OF HIGH PLAINS PLAYAS ...Evaporation, Mineralogy, Permeability, Playas, Soil Chemical Properties, ...3.0460

THE EFFECT OF CLAY MINERALS ON THE CHEMICAL COMPOSITION OF FRESH AND SALINE WATERS ...Adsorption-other, Chemical-general, Core Analysis, Exchange-other, Groundwater, Interstitial - Connate Water, ...2.0360

DESIGN REQUIREMENTS FOR MUNICIPAL DIATOMITE FILTERS ...Bacteria, Coagulation, Diatomite, Filtration, Waste Treatment-economics, ...8.0197

CLAY MINERAL STABILITY AND WATER COMPOSITION ...Fine-grained Clastics, Interstitial - Connate Water, Mineral Reactions, Mineralogy, Moisture Content, ...5.1238

TRACE ELEMENTS IN RESIDUAL SOILS ...Lateritic, Mineralogy, Soil Chemical Properties, Soil Chemistry, Trace Element Analysis, ...2.0931

INTERACTION OF ANIMAL VIRUSES WITH CLAY MINERALS ...Adsorption Capacity, Animal Viruses (non-specific), Filtration, Viral Pollutant Sources, Waste Water Treatment-general, ...5.1051

SUBJECT INDEX

THE PROPERTIES OF CLAY-ADSORBED WATER ...Clay, Flow, Moisture-other, ...1.0050

CLAY MINERAL STABILITY AND WATER COMPOSITION ...Clays, Interstitial - Connate Water, Mineralization, Moisture Content, Stability Fields, ...1.0124

GEOHYDROLOGY OF THE POTOMAC-RARITAN-MAGOTHY AQUIFER SYSTEM ...Aquifers-general, Calcite Group, Groundwater, Mineralogy, Solution Chemistry, ...2.0768

INFLUENCES OF WATER-SEEPAGE CHARACTERISTICS ON THE COMPOSITION OF EXCHANGEABLE PORE-WATER SOLUTES ...Exchange Capacity, Groundwater, Moisture Content, Seepage, Water Quality-general, ...2.0126

Kaolinite

ACCUMULATION AND MOVEMENT OF FISSION PRODUCTS IN SOILS AND PLANTS ...Movement, Availability, Radioactive Contamination, Strontium, ...5.0484

Mountmorillonite

PHOSPHATE MINING EFFLUENT IN ESTUARINE ECOLOGY ...Applied Ecology, Estuaries, Mining Activities, Phosphate, Phosphate, Pollution - Effects of, ...5.0821

Multiple Oxides

Spinel Group

APPLICATIONS OF POWDERED MAGNETIC IRON OXIDE FOR THE REMOVAL OF PATHOGENIC MICROORGANISMS ...Adsorption-absorption-other, Electric Field, Electrochemistry-other, Magnetic, Virus, ...5.0400

Other

PHYLLOSILICATE WEATHERING IN UNCONSOLIDATED MATERIAL OF WISCONSIN AGE IN A HUMID TEMPERATURE ENVIRONMENT ...Glacial, Infiltration, Soil Genesis, Soil Morphology, Profiles, ...2.0801

Silicate-general

LIME SLUDGE RECOVERY AND REUSE ...Demineralization, Lime Treatment, Material Recovery Wastes, Phosphate, Phosphate, Treatment-other, ...5.0858

Sio2 Group

Quartz

WATER ADSORPTION AND ITS INTERACTIONS WITH CLAY AND QUARTZ ...Adsorption Capacity, Bonding, Clay, Internal Water Movement, Subsurface Flow, ...2.0663

CHARACTERISTICS OF THE SOIL MATRIX THAT AFFECT WATER STORAGE AND MOVEMENT ...Clay, Soil Environment, Storage of Water, Water Movement-general, ...2.0664

TURBULENCE IN LIQUIDS ...Detectors and Sensors, Turbulence, Turbulent, ...8.0187

Sulfates

Hydrated Acid and Norm

MECHANISM OF FROST HEAVING ...Frost Heaving, Liquid - Solid Interactions, Particle Surface, Permafrost-frozen, Silicones, Wax, Paraffin, ...2.0802

PREDICTING THE EFFECT OF WATER QUALITY AND GYPSUM ON THE CHEMICAL AND PHYSICAL PROPERTIES OF SALINE AND ALKALI SOILS ...Calcium, Forecasting-prediction, Model Studies, Pollution - Effects of, Soil Chemical Properties, ...3.0013

HYDROLOGY STUDY IN U. S. GYPSUM MINE, SHOALS, INDIANA ...Artesian Flow, Carbonate Aquifers, Indiana, Mine Drainage Control, Mine Hydrology, ...5.0386

Sulfides

Pyrite Group

CHEMICAL CHARACTERISTICS OF WATERS IN FLOODED BITUMINOUS-COAL MINESHAFTS ...Acidity, Bituminous, Geochemical Analysis, Mine Drainage Control, Mine Hydrology, ...5.1279

STUDY OF THE SULFIDE-TO-SULFATE REACTION MECHANISM ...Adsorption-other, Biological Cycles, Oxidation-general, Properties and Structure, Solution Chemistry, Sulfate, Sulfite, Sulfide, ...5.0880

ACIDITY OF SPOIL BANKS ...Mineralogy, Spoil Banks, Strip Mines, ...5.0447

SUBJECT INDEX

Minnesota

FACTORS AFFECTING MINE DRAINAGE AND THE GROUND WATER INTERACTIONS IN SELECTED AREAS OF WESTERN PENNSYLVANIA (PART 1) ...Acidity, Groundwater Movement, Iron Bacteria, Mine Drainage Control, Soil and Rock Leaching, ...1.0107

FACTORS AFFECTING MINE DRAINAGE AND THE GROUND WATER INTERACTIONS IN SELECTED AREAS OF WESTERN PENNSYLVANIA (PART 2) ...Acidity, Baseflow, Groundwater Movement, Mine Drainage Control, Stratified Flow, ...5.1044

Uraninite Group

CARBON, OXYGEN AND SULFUR ISOTOPES AND THE ORIGIN AND SOURCES OF URANIUM MINERALIZATION ...Mineral Genesis, Ore Deposits, Radiochemical Techniques, Solution Chemistry, Thermophysical Properties, Transfer Processes, ...2.1083

Mining Studies

Mine Engineering

Mine Structures

STRENGTH OF ROCK MASSES ...Engineering Structures-general, Geology - Engineering, Joints, Joints-fractures, Rock Mechanics, ...8.0029

Mine Hydrology

CHEMICAL CHARACTERISTICS OF WATERS IN FLOODED BITUMINOUS-COAL MINESHAFTS ...Acidity, Bituminous, Geochemical Analysis, Mine Drainage Control, Pyrite Group, ...5.1279

STUDY OF THE USE OF INERT GASES TO ELIMINATE ACID POLLUTION FROM ABANDONED DEEP MINES ...Acid Mine Wastes, Air-general, Mine Atmosphere Conditions, Pennsylvania, Underground Workings, ...4.0203

CATAWISSA CREEK MINE DRAINAGE POLLUTION ABATEMENT PROJECT ...Acidity, Mining Industry, Pennsylvania, Pollution Abatement, ...5.0998

HYDROLOGY STUDY IN U. S. GYPSUM MINE, SHOALS, INDIANA ...Artesian Flow, Carbonate Aquifers, Hydrated Acid and Norm, Indiana, Mine Drainage Control, ...5.0386

Mine Safety

Mine Atmosphere Conditions

STUDY OF THE USE OF INERT GASES TO ELIMINATE ACID POLLUTION FROM ABANDONED DEEP MINES ...Acid Mine Wastes, Air-general, Mine Hydrology, Pennsylvania, Underground Workings, ...4.0203

THE USE OF INERT GASES TO ELIMINATE POLLUTION FROM ABANDONED MINES ...Acid Mine Wastes, Air-general, Ammonia, Chlorine, Nitrogen, ...4.0205

Mine Types

Placer

THE EFFECTS OF EXTREME FLOODS AND PLACER MINING ON THE BASIC PRODUCTIVITY OF SUBARCTIC STREAMS ...Alaska, Benthic Fauna, Bottom Sampling, Floods, Meteorological Extremes, Productivity - Food Chain, ...2.0022

Strip Mines

STRIP-MINING AND WATER QUALITY ...Ions and Gases, Mining Industry, Ohio, Storm Water, Water Quality-general, ...5.0888

EFFECTS OF IRRIGATION OF MUNICIPAL SEWAGE EFFLUENT ON SPOILS BANKS ...Irrigation, Mine Wastes, Sewage, Spoil Banks, Waste Disposal -underground, ...5.1045

ACIDITY OF SPOIL BANKS ...Mineralogy, Pyrite Group, Spoil Banks, ...5.0447

HYDROLOGY AND WATER QUALITY OF SURFACE MINING FOR COAL IN PIKE COUNTY, INDIANA ...Coal-general, Hydrology-general, Indiana, Water Quality-general, ...5.0384

COAL STRIP MINE WATERSHED STUDY ...Aquatic Ecology, Coal-general, Mining Activities, Pollution - Effects of , Soil Management -non-specific, Stream Rehabilitation, ...2.0980

HYDROLOGIC INFLUENCES OF STRIP MINING, BEAVER CREEK, KENTUCKY ...Appalachia, Coal-general, Hydrology-general, Mining Activities, Pollution - Effects of , ...5.0890

Underground Workings

STUDY OF THE USE OF INERT GASES TO ELIMINATE ACID POLLUTION FROM ABANDONED DEEP MINES ...Acid Mine Wastes, Air-general, Mine Atmosphere Conditions, Mine Hydrology, Pennsylvania, ...4.0203

Mine Wastes

EFFECTS OF IRRIGATION OF MUNICIPAL SEWAGE EFFLUENT ON SPOILS BANKS ...Irrigation, Sewage, Spoil Banks, Strip Mines, Waste Disposal -underground, ...5.1045

LEACHING AND RECOVERY OF COPPER FROM ORES AND WASTE DUMPS ...Copper, ...3.0478

Rock Fragmentation Methods

METHODS FOR IMPROVING ROCK PERMEABILITY ...Augmentation-general, Mineralized Rock, Permeability, Soil and Rock Leaching, ...3.0018

Minnesota

CHEMICAL STUDIES ON THE WATERS AND SOILS OF LAKES AND WETLANDS, WITH SPECIAL REFERENCE TO MINOR ELEMENTS ...Chemical, Chemical-general, Lakes, Trace Element Analysis, Wetlands, ...2.0660

FACTORS AFFECTING PRIMARY AND SECONDARY PRODUCTION IN TEMPERATE LAKES ...Lakes, Productivity - Food Chain, Regression Analysis, Temperate, Zooplankton, ...2.0157

DETERMINING CHANGES IN PHYTOPLANKTON POPULATIONS IN CLOUDS OF FLUORESCENT DYE MOVING IN THE MISSISSIPPI RIVER ...Dyes, Fluorometry, Mississippi River, Phytoplankton, Standing Crops, ...5.0617

RELATION OF PHOSPHORUS IN LAKE BOTTOM DEPOSITS AND POLLUTIONAL HISTORY OF MINNESOTA LAKES ...Chemical, Core Analysis, Lakes, Phosphorus, ...5.0602

METHODOLOGY FOR INTEGRATING WATER QUALITY MANAGEMENT WITH THE MANAGEMENT OF THE TOTAL WATER RESOURCES IN MINNESOTA ...Data Acquisition-general, Management, Technique Development, Water Quality Control-general, ...5.0605

ECONOMICS OF FLOOD CONTROL STRUCTURES IN THE LOWER MINNESOTA RIVER WATERSHED DISTRICT ...Economics-general, Floodproofing, Floods, Water Control Works-other, Water Loss Control, ...6.0305

DEVELOPMENT OF A MATHEMATICAL MODEL TO PREDICT THE ROLE OF SURFACE RUNOFF AND GROUND WATER FLOW IN OVERFERTILIZATION OF SURFACE WATERS ...Eutrophication, Mathematical Analysis, Nutrients, Runoff, Surface Water, ...5.6606

ECONOMICS OF WATER QUALITY CONTROL IN THE UPPER MISSISSIPPI RIVER (MINNESOTA) ...Mississippi River, Model Studies, Optimization, Water Quality Control-general, Water Standards, ...6.0311

EFFECT OF PAPER FIBER WASTES ON FISH EGGS AND JUVENILES ...Fish -non-specific, Oxygen, Pollution - Effects of , Pulp, Paper , and Logging, Sphacrotilus, ...5.0614

PEAT BOG WASTE STABILIZATION ...Characterization, Drying-dewatering, Industrial Wastes, Pulp and Paper Wastes, Waste Water Treatment-general, ...5.0611

MODIFICATIONS TO PUMPING STATION AT SHAGOWA LAKE, FIELD SITE, ELY, MINNESOTA ...Chemical Analysis, Demineralization, Equipment Purchase Operation, Pumping, ...5.0932

ECONOMIC PROBLEMS IN THE USE, ALLOCATION, REGULATION AND PRICING OF WATER ...Conflicts, Price & Value, Water Allocation, Water Demand, Water Law-general, ...6.0310

ECOLOGY AND MANAGEMENT OF BOUNDARY WATERS CANOE AREA CAMPSITES ...Frequency of Use, Inventories, Loss and Damages, Management, Recreation Sites, ...6.0309

THE IMPROVEMENT OF SOILS DEVELOPED UNDER FOREST VEGETATION ...Forests, Mineralogy, Soil Morphology, Profiles, Soils and Fertilizer, ...2.0662

ANALYSIS OF PUBLIC INVESTMENTS IN NATURAL RESOURCES WITHIN MINNESOTA ...Economics-general, Inventories, ...2.0669

INFLUENCE OF WATER POLLUTANTS AND WATER QUALITY ON EARLY LIFE HISTORY AND POPULATION DYNAMICS OF MINNESOTA FISHES ...Fish -non-specific, Life History Studies, Pollution - Effects of , Pollution Effects, Population Dynamics, ...5.0615

Minnesota

SUBJECT INDEX

- HYDROLOGIC PARAMETERS CONTROLLING RECREATIONAL USE OF MINNESOTA RIVERS ...Morphology-general, Projections and Estimations, Recreation Sites, Water Quality-general, Wild Rivers, ...6.0307
- VALUE PRODUCTIVITY OF WATER IN AGRICULTURE ...Agriculture Industry, Economic Efficiency, Irrigation-general, Technological Development, Water Demand, ...6.0308

Mississippi

- FLOOD FREQUENCY FOR SMALL DRAINAGE AREAS ...Discharge-general, Drainage, Floods, Small Watersheds, ...2.0291
- FOOD HABITS STUDY ...Aquatic Ecology, Benthic Organisms (non-specif), Food Supply, Lakes, Plankton (non-specific), ...6.0314
- WATERFOWL STUDY-EVALUATION OF PHYSICAL CHANGES IN MARSH PONDS ON THE WISNER AND BILOXI DEVELOPMENT ...Land Use, Management, Physical-general, Survey Studies, Swamps-marshes, Water Fowl, N.s., ...4.0128
- FOREST SITE AMELIORATION IN THE COASTAL FLAT-WOODS OF MISSISSIPPI - ECONOMIC AND BIOLOGICAL CONSIDERATIONS ...Moisture Tension, Pines, Site Index and Site Quality, Water Table - Depth of, Water Table Fluctuation, ...2.0682
- POLITICAL PROCESSES IN THE PROMOTION OF WATER RESOURCE DEVELOPMENT PROGRAMS ...Federal Government, Intergovernmental Relations, Management and Administration, State-local Government, Water Resources Development, ...6.0316
- AN ECOLOGICAL AND RECREATIONAL USE SURVEY OF A SMALL MISSISSIPPI RIVER JUST BEFORE CHANNELIZATION ...Channels, Frequency of Use, Recreation Sites, Streams, ...6.0315
- COMMUNITY INVOLVEMENT OF PARTICIPANTS IN WATERSHED PLANNING ...Citizen's Participation, Planning, Social Aspects, Water Resources Development, Watersheds-general, ...6.0318
- INTERRELATION OF MOISTURE REGIME & NUTRIENT LEVELS OF SELECTED MISSISSIPPI SOILS & THEIR RELATION TO THE SITE INDEX OF LOBLOLLY PINE ...Forest Watersheds, Moisture Tension, Pines, Site Index and Site Quality, Soils and Fertilizer, ...2.0683
- CITY OF JACKSON, WATER RESOURCES STUDY, MISSISSIPPI ...Control and Protection, Floods, Groundwater, Urban Environments, Water Supply-general, ...4.0148
- SUBSURFACE AND GROUND WATER ACCRETION, DEPLETION, MOVEMENT AND CONTRIBUTION TO STREAMFLOW ...Agricultural Watersheds, Aquifers-general, Baseflow, Groundwater Movement, Natural Recharge, ...2.0336

Mississippi River

- OPERATION RIVERPORTS ...Canals, Harbors, Missouri River, Streams, Water Transportation, ...6.0183
- STREAM BIOLOGY AND ITS RELATION TO FISH PRODUCTION ...Food Supply, Growth Rate, Shiners, Streams, Vertical Distribution, ...6.0223
- THE EFFECTS OF DREDGING AND SILTATION ON DIVING DUCK FOODS AND FEEDING HABITS ON THE MISSISSIPPI RIVER ...Food Supply, Sediments, Silting, Water Fowl, N.s., ...5.0411
- A STUDY OF COLIFORM BACTERIA AND ESCHERICHIA COLI ON POLLUTED AND UNPOLLUTED OYSTER BOTTOMS OF MISSISSIPPI ...Coliforms (non-specific), Identification, Sewage, Vertical Distribution, Water Sampling, ...5.0619
- COOPERATIVE GULF OF MEXICO INVENTORY AND STUDY - IV BIOLOGY ...Aquatic Ecology, Atlases-maps, Environmental Ecology, Estuaries, Gulf of Mexico, ...2.0672
- COOPERATIVE GULF OF MEXICO INVENTORY AND STUDY (AREA DESCRIPTION) ...Atlases-maps, Estuaries, Gulf of Mexico, Industrial-general, Water Properties-general, ...7.0061
- BRETON SOUND - MOUTH OF MISSISSIPPI RIVER SYSTEM ...Aquatic Ecology, Nets, Number Or Density, Plankton Sampling, ...2.0544
- DETERMINING CHANGES IN PHYTOPLANKTON POPULATIONS IN CLOUDS OF FLUORESCENT DYE MOVING IN THE MISSISSIPPI RIVER ...Dyes, Fluorometry, Minnesota, Phytoplankton, Standing Crops, ...5.0617
- ECONOMICS OF WATER QUALITY CONTROL IN THE UPPER MISSISSIPPI RIVER (MINNESOTA) ...Minnesota, Model Studies, Optimization, Water Quality Control-general, Water Standards, ...6.0311

- HYDROLOGY OF SMALL AGRICULTURAL WATERSHEDS ...Hydrology-general, Reservoirs and Impoundments, Runoff, Small Watersheds, Water Loss-general, ...4.0151
- RELATION OF SOIL FERTILITY TO THE EXCHANGE COMPLEX ...Drainage, Fertilizer Losses, Mineral Nutrition, Soil Environment, Soil pH, ...5.0678
- FLOOD INUNDATION MAPPING - JEFFERSON COUNTY, MISSOURI ...Design Flow-flood, Floodproofing, Floods, Flow Characteristics -water, Mapping, ...4.0157
- HYDROLOGY OF STREAMS, ST. LOUIS METROPOLITAN AREA ...Floods, Runoff, Streams, Urban Environments, ...4.0158
- CHRONIC EFFECTS OF METHOXYCHLOR ON BLUEGILLS AT COLUMBIA, MISSOURI ...Bluegills, Bream, Methoxychlor, Pollution - Effects of, ...5.0647
- DIVERTING MISSISSIPPI RIVER WATER TO TEXAS - A PRELIMINARY EVALUATION OF PLANS ...Control and Protection, Streams, Texas, Water Transfer, ...8.0205
- MAYFLY DISTRIBUTION AS A WATER QUALITY INDEX ...Bioindicators, Habitat Studies, Mayflies, Population Dynamics, Survey Methods, ...5.0618
- THE RELOCATION OF INDUSTRY AND THE LOCATION OF NEW INDUSTRY AS AFFECTED BY THE AVAILABILITY OF WATER SITES ...Available Water, Industrial-general, ...4.0090
- THE DEVELOPMENT OF COMMERCE IN THE UPPER MISSISSIPPI BASIN IN THE PERIOD PRIOR TO THE CIVIL WAR (ABBREV) ...Economic Impact, History, ...7.0029
- REDUCTION OF FLOOD RUNOFF, SEDIMENTATION AND STREAMFLOW IMPROVEMENT IN UNGLACIATED AREAS ...Erosion-general, Forest Watersheds, Runoff, Slope - Degree of, Stream Rehabilitation, Water Loss Control, ...4.0275

Missouri

- RATE OF EVAPOTRANSPIRATION ...Drought, Energy Budgets, Evapotranspiration, Precipitation-general, Yield, ...2.0692
- THE IMPACT OF LEAD-ZINC MINING ON THE QUALITY AND ECOLOGY OF SURFACE WATERS IN SOUTHEAST MISSOURI ...Adsorption-other, Atomic Absorption, Lead, Trace Elements, Zinc, ...5.0689
- THE MODIFICATION OF A PREDICTIVE RIVER BASIN MODEL ...Economic Impact, Other Models, River Basins, Systems Analysis, ...6.0493
- AN EVALUATION OF ALTERNATIVES FOR WATER RESOURCES REGULATION IN MISSOURI ...Alternative Planning, Law Enforcement, Legal Review, State Government, ...6.0321
- SEASONAL SHALLOW STORAGE AND DEEP SEEPAGE COMPONENTS FOR THE HYDROLOGIC BUDGET OF A SMALL FORESTED OZARK WATERSHED ...Amount, Forest Watersheds, Groundwater Movement, Seismic Surveys, Storage of Water, ...2.0700
- STREAM POLLUTION IN THE NEW LEAD BELT OF SOUTHEAST MISSOURI ...Lead, Mining Activities, Pollution - Effects of, Streams, Water Quality-general, Zinc, ...5.0693
- CONTROL OF UNDESIRABLE AQUATIC VEGETATION IN LAKE TANAYCOMO, MISSOURI ...Herbicides -non-specific, Lakes, of Aquatic Plants, ...5.0682
- FOREST COVER ...Cover Crops, Forest Watersheds, Forests, Interception, Soils and Fertilizer, ...4.0156
- HYDROLOGY OF SMALL AGRICULTURAL WATERSHEDS ...Hydrology-general, Reservoirs and Impoundments, Runoff, Small Watersheds, Water Loss-general, ...4.0151
- RELATION OF SOIL FERTILITY TO THE EXCHANGE COMPLEX ...Drainage, Fertilizer Losses, Mineral Nutrition, Soil Environment, Soil pH, ...5.0678
- FLOOD INUNDATION MAPPING - JEFFERSON COUNTY, MISSOURI ...Design Flow-flood, Floodproofing, Floods, Flow Characteristics -water, Mapping, ...4.0157
- HYDROLOGY OF STREAMS, ST. LOUIS METROPOLITAN AREA ...Floods, Runoff, Streams, Urban Environments, ...4.0158
- CHRONIC EFFECTS OF METHOXYCHLOR ON BLUEGILLS AT COLUMBIA, MISSOURI ...Bluegills, Bream, Methoxychlor, Pollution - Effects of, ...5.0647

Missouri River

- OPERATION RIVERPORTS ...Canals, Harbors, Mississippi River, Streams, Water Transportation, ...6.0183
- SAUGER AND WALLEYE INVESTIGATIONS IN THE MISSOURI RIVER ...Biological Rhythms, Population Dynamics, Sauger, Walleyes, ...6.0334
- INVESTIGATIONS OF THE RELATION BETWEEN THE USE OF CHLORINATED HYDROCARBONS AND THEIR RESIDUES IN CHANNEL CATFISH ...Channel Catfish, Chlorinated Hydrocarbons, Environmental Effects, Nebraska, Wildlife, ...5.0702
- FLATHEAD CATFISH INVESTIGATIONS IN THE MISSOURI RIVER ...Ictaluridae -other, Life History Studies, Number Or Density, Population Dynamics, ...6.0335
- PROBLEMS AND OPPORTUNITIES OF WATER RESOURCE UTILIZATION IN THE UPPER COLUMBIA AND MISSOURI RIVER BASINS ...Columbia River, Economics-general, Water - Alternative Uses, Water Resources Development, Water Utilization -domestic, ...6.0328

SUBJECT INDEX

Model Studies

- A QUANTITATIVE STUDY OF TRACE ELEMENTS ON ABIOTIC AND BIOTIC AGGREGATES IN THE MISSOURI RIVER ...Bacterial Pollutant Sources, Food Pyramids, Silting, Trace Elements, ...5.0688
- SCOUR AND FILL IN THE MISSOURI RIVER AS RELATED TO THE WATER RESOURCES PLANNING ...Energy-dynamics, Planning, Scouring, Sediment Yield, South Dakota, ...2.0966
- A CASE STUDY OF WATER RESOURCES DEVELOPMENT - AN ANALYSIS OF A PROPOSED PROJECT ON THE MISSOURI RIVER ...Alternative Planning, Benefit-cost Analysis, Economic Impact, Land Use, Social Aspects, Water Resources Development, ...6.0389
- ORGANICS CAUSING TASTE OR ODOR IN THE MISSOURI RIVER ...Gas, Infrared, Library, Organic Matter, Taste and Odor, ...5.0683
- EFFECT OF RECLAMATION PROJECTS UPON THE QUALITY OF WATER OF THE MISSOURI RIVER ABOVE SIOUX CITY, IOWA ...Data Acquisition-general, River Basins, Water Quality-general, ...5.0191
- ECONOMICS OF WESTERN STREAMFLOW ACCRETIONS ...Benefit-cost Analysis, Irrigation-general, Water Allocation, Water Rights-general, Water Transfer, ...6.0100

Mixing

- R.I.-MIXING PROCESSES IN ESTUARIES ...Dispersion -water, Estuaries, Flume Studies, Model Studies, Turbulent Flow, ...5.0063
- VOLUME CHANGES ON MIXING SOLUTIONS OF ELECTROLYTES ...Binary Mixtures, Concentration, Dilatometry, Electrolytes, ...1.0086
- TURBULENT MIXING IN SUBMERGED FLUID JETS ...Fluid Mixing, Pollutants - Path of, Thermal Pollution, Turbulent, ...5.1130
- THE ROLE OF LANGMUIR CIRCULATIONS IN MIXING OF LAKE GEORGE ...Circulation -water, Evaporation, Heat Flow, Lakes, New York, ...2.0779
- STORAGE OF FRESH WATER IN UNDERGROUND RESERVOIRS CONTAINING SALINE WATER ...Artificial Recharge, Flow Characteristics -water, Model Studies, Recharge Pits - Wells, Storage of Water, ...4.0115
- RELATION OF PASS OPENINGS ON PHYSICAL EXCHANGE AND SALINITY IN ESTUARIES ...Estuaries, Saline Water Intrusion, Salinity, Shoreline Structures, Texas, ...2.1012
- THE ROLE OF LANGMUIR CIRCULATIONS IN MIXING OF LAKE GEORGE ...Lakes, Mixed Modes, New York, Rotating Fluids, Temperature, ...2.0780
- EDDY DIFFUSION AND BACTERIAL REDUCTION IN WASTE FIELDS ...Bacterial Pollutant Sources, Diffusion, Dispersion -water, Dyes, Pollutants - Path of, Sewers, ...5.0111
- MIXING AND DISPERSION OF CONTAMINANTS IN RESERVOIRS ...Currents -water, Dispersion -water, Reservoirs and Impoundments, Tracers-general, Velocity -water, ...5.1153
- TURBULENT DIFFUSION AND REAERATION IN NATURAL RIVERS ...Aeration, Flow of Gas in Liquid, Model Studies, Tracers-general, Turbulent Flow, ...5.1136
- FLUSHING OF SMALL SHALLOW LAKES ...Circulation -water, Discharge-other, Lakes, Pollution Abatement, Self-purification, ...5.1242
- INDUCED AIR MIXING OF LARGE BODIES OF POLLUTED WATER ...Aeration, Injector, Mathematical Analysis, Model Studies, Organic Matter, ...5.0477
- MIXING PROCESSES IN SATURATED AND UNSATURATED SOIL-WATER SYSTEMS IN RELATION TO POLLUTION ...Chemical-general, Internal Water Movement, Pollutants - Path of, Saturated Flow, Unsaturated Flow, ...2.0086
- TURBULENT MIXING IN SURFACE AERATION ...Aeration, Diffuser, Dyes, Synthetic Hydrology-general, Turbulent Flow, ...5.1061
- ANALYSIS OF MIXING PHENOMENA ASSOCIATED WITH THE RISE OF GASEOUS BUBBLES THRU A STRATIFIED LIQUID ...Bubbles, Destratification, Model Studies, Salinity, Stratification, ...1.0072
- TEMPERATURE DISTRIBUTION IN THE VICINITY OF WASTE HEAT DISCHARGES ...Electric Power Plants, Mathematical Analysis, Stratification, Temperature, Thermal Pollution, ...5.1120
- SALINITY INTRUSION AND RELATED PHENOMENA ...Currents -water, General Deposition, Open Channel Flow, Saline Water Intrusion, Sediment Transport-general, ...2.0687
- MARINE HYDROLOGY AND GEOCHEMISTRY, ATLANTIC CONTINENTAL SHELF AND SLOPE ...Chemistry, Continental

Shelf, Distribution, Ocean Environment, Saline Water Intrusion, ...2.0623

Model Studies

- A STUDY OF STORM WATER INLET CAPACITIES ...Drainage, Inlet, Louisiana, Storm Sewer Quantity-other, Storm Water, ...8.0206
- HYDROLOGIC FORECASTING AND EFFECTS OF FLOODS ON MEANDERING ALLUVIAL RIVERS WITH LARGE FLOODPLAINS ...Floodplains, Floods, Forecasting-prediction, Meanders, Yugoslavia, ...4.0283
- FIELD EXPERIMENTS ON THE FLUX OF RADIONUCLIDES THROUGH A SALT MARSH ECOSYSTEM, RENEWAL ...Chlorideae -other, Georgia, Productivity - Food Chain, Swamps-marshes, Water Cycle, ...2.0345
- MODEL RIVER SYSTEM STUDIES ...Flume Studies, Mathematical Analysis, Radioactivity-general, Streams, Turbidity, ...2.1010
- THE HYDRAULICS OF GROUND WATER TESTS ...Aquifers-general, Dispersion -water, Groundwater Movement, Tracers-general, ...2.0288
- SIMULATION MODELING OF THERMAL EFFECTS ON SELECTED RIVER SYSTEMS ...Atomic Plants, Digital Computers, Forecasting-prediction, Self-purification, Thermal Pollution, ...4.0270
- HYDROLOGIC MODELS FOR PREDICTING THE EFFECTS OF URBANIZATION ...Groundwater Movement, Land Use, Moisture Content, Seepage, Surface Flow, Urban Environments, ...2.0913
- NATURAL CONVECTION IN WATER-SATURATED POROUS MEDIA ...Flow Types-other, Porous Media - Flow Through, Velocity, Viscosity, ...2.0917
- COMPUTER SIMULATION OF ESTUARINE DISPERSION ...Computers-general, Dispersion -water, Estuaries, Seasonal, Tides, ...5.0935
- R.I.-MIXING PROCESSES IN ESTUARIES ...Dispersion -water, Estuaries, Flume Studies, Mixing, Turbulent Flow, ...5.0063
- THE PREDICTION AND OPTIMIZATION OF STREAM RESPONSES TO POLLUTANT WASTES ...Forecasting-prediction, Mathematical Analysis, Physical Parameters, Pollution - Effects of, Streams, ...5.0743
- FLOW REGIMES IN POROUS MEDIA ...Applications, Flow Characteristics -water, Porosity, Porous Media - Flow Through, Viscosity, ...8.0189
- MATHEMATICAL SIMULATION OF CYCLIC SEDIMENTATION ...Deposition-other, Mathematical Analysis, Simulation Theory, ...2.0131
- A STUDY OF THE HYDROLOGIC EFFECTS OF RAINFALL AUGMENTATION ...Amount, Augmentation-general, Clouds-precipitation, Digital Computers, Watersheds-general, ...3.0076
- DYNAMICS OF THE CIRCULATION IN THE GREAT LAKES ...Circulation General, Hydrodynamics, Lake Huron, Lake Michigan, Wind-water Interaction, ...2.0407
- STUDY OF LOCAL WATER CONTAMINATION PROBLEMS ...Forecasting-prediction, Partial, Pollutants - Path of, Potable Water, Radioactivity-general, ...5.0535
- AN ANALYTICAL AND EXPERIMENTAL STUDY OF BED FORMS UNDER WATER WAVES ...Channel Roughness, Friction, Geomorphology-topography, Water Tunnels Tables, Wave Action, Waves, ...2.0347
- STUDIES OF THE PHYSICAL CHEMISTRY OF ELECTROLYTE SOLUTIONS ...Conductivity, Desalination, Electrolytes, Mathematical Analysis, Nuclear Magnetic, ...1.0085
- AN EXPERIMENTAL STUDY OF VARIABLE PHYSICAL PROPERTY AND NATURAL CONVECTION EFFECTS IN POROUS MEDIA ...Dispersion -water, Flow of Dispersed Solids, Porous Media - Flow Through, ...3.0358
- THE DEVELOPMENT OF AN ANALYTICAL MODEL OF A FLASH STAGE ...Desalination, Flash Distillation, Mathematical Analysis, ...3.0156
- OPTIMIZATION STUDY OF HIGH RECOVERY REVERSE OSMOSIS PLANTS ...Material Recovery, Optimization, Other, Reverse Osmosis, ...3.0053
- A STUDY OF THE DEMAND FOR OUTDOOR RECREATION BASED ON THE ANALYSES OF THE NATIONAL RECREATION SURVEYS OF 1960 AND 1965 ...Demand Analysis, Inventories, Recreation Sites, Survey, ...6.0350
- A STUDY OF THE BIOLOGICAL, CHEMICAL AND PHYSICAL NATURE OF WATER QUALITY FACTORS UNDER UTAH CONDITIONS ...Biological-general, Chemical-general, Mountains-alpine, Physical-general, Pollutants - Path of, ...5.1195

Model Studies

SUBJECT INDEX

- SYSTEMS ANALYSIS FOR GROUNDWATER MANAGEMENT ...Economic Efficiency, Groundwater Basins, Management, Saline Water Intrusion, Systems Analysis, ...5.0071
- ECONOMICS OF GROUND WATER DEVELOPMENT IN THE HIGH PLAINS OF COLORADO ...Alternative Planning, Economic Impact, Economics, Groundwater Basins, Water Resources Development, ...6.0108
- ECONOMIC EFFECTS OF WATER ALLOCATION AMONG ALTERNATIVE INDUSTRIAL (NON-AGRICULTURAL) USES ...Economic Impact, Industry, Mineral Processing Industry, Water - Alternative Uses, Water Allocation, ...6.0597
- CHARACTERISTICS OF STREAM FLOW OF SMALL WATERSHEDS IN PENNSYLVANIA AND INFLUENCING FACTORS ...Climate, Flow Characteristics -water, Land Use, Morphology-general, Small Watersheds, Water Yield, ...2.0929
- A WATER SUPPLY-DEMAND ANALYSIS IN CLINTON COUNTY, PENNSYLVANIA - A STUDY IN ECONOMIC HYDROLOGY ...Available Water, Economic Impact, Water Demand, Water Quality-general, Water Utilization -general, ...6.0477
- EFFECTS OF IRRIGATION DEVELOPMENT ON TRADE PATTERNS AND INCOME GENERATION ...Economic Impact, Input - Output Analysis, Irrigation-general, Planning, ...6.0412
- THE GROUND-WATER FLOW SYSTEM IN THE DELMARVA PENINSULA ...Aquifers-general, Delaware, Flow Characteristics -water, Groundwater, Water Balance-budget, ...2.0254
- A LEGAL-ECONOMIC ANALYSIS OF ADMINISTRATIVE AND MARKET PROCEDURES USED IN THE TRANSFER OF WATER RIGHTS ...Administrative Structures, Economic Efficiency, Production - Supply, State Government, Water Allocation, Water Transfer, ...2.0726
- THE EFFECT OF URBANIZATION ON RUNOFF IN SMALL WATERSHEDS ...Indiana, Land Use, Runoff, Small Watersheds, Urban Environments, ...2.0458
- STORAGE OF FRESH WATER IN UNDERGROUND RESERVOIRS CONTAINING SALINE WATER ...Artificial Recharge, Flow Characteristics -water, Mixing, Recharge Pits - Wells, Storage of Water, ...4.0115
- APPLICATION OF RADIOISOTOPE TECHNIQUES TO A CRITICAL WATER RESOURCES PROBLEM AREA (NUTRITIONAL POLLUTION) ...Algae, Nutrients, Phosphorus, Radioisotopes, ...5.0919
- INVESTIGATION OF THE CIRCULATION OF LAKE SUPERIOR ...Circulation -water, Stratified Flow, Temperature, Velocity -water, ...2.1161
- EVALUATION OF RESOURCE USE AND ECONOMIC EFFECTS DUE TO IRRIGATION WATER AVAILABILITY IN TEXAS ...Agriculture Industry, Economic Impact, Planning, Projections and Estimations, Texas, ...6.0558
- SIMULATION OF WATER RESOURCE REGIMES ...Analog Computers, Estuaries, Groundwater, Surface Water, ...7.0047
- MATHEMATICAL SIMULATION OF RAINFALL RUNOFF PROCESSES ...Computers-general, Hydrographs, Optimization, Other Computers, Runoff, Storms-general, ...2.1015
- ECONOMIC IMPLICATIONS OF WATER POLICY IN ARIZONA ...Arizona, Economic Efficiency, Economic Impact, Legal Review, Water Resources Development, ...6.0011
- EFFECTS OF AREAL AND TIME DISTRIBUTION OF RUNOFF SUPPLY ON WATERSHED HYDROGRAPHS ...Hydrographs, Mathematical Analysis, Other Model Modii, Runoff, Watersheds-general, ...2.0666
- EFFECT OF RAINDROP IMPACT AND SURFACE ROUGHNESS ON SHEET FLOW ...Flow Characteristics -water, Rain-other, Rainfall Simulators, Roughness, Sheetflow, ...2.0447
- ECONOMIC ANALYSIS OF ALTERNATIVE WATER POLLUTION CONTROL MEASURES ...Alternative Planning, Economics-general, Waste Water Treatment-general, Water Quality Control-general, ...6.0231
- SEDIMENTATION AND IN-PLACE FILTRATION DURING FLOW THROUGH EARTH FRACTURES ...Analog Computers, Filtration, Joints-fractures, Mathematical Analysis, Sedimentology-general, ...4.0018
- PREDICTION MODEL FOR WATER USE BY POPULATION STRUCTURE ...Florida, Forecasting-prediction, Other, Projections & Forecasting, Water Utilization -domestic, ...6.0150
- PREDICTION MODELS FOR WATER QUALITY PARAMETERS ...Oxygen, Projections and Estimations, Social Aspects, Systems Analysis, Temperature, Water Standards, ...6.0164
- INTERNAL CURRENTS RESULTING FROM INTERMEDIATE DENSITY INFLOWS INTO STRATIFIED RESERVOIRS ...Inflow, Reservoirs and Impoundments, Stratification, Stratified Flow, Temperature, ...5.1264
- MAXIMIZING PRODUCTIVITY OF WATER USED FOR IRRIGATION OF AGRICULTURAL LANDS ...Irrigation-general, Optimization, Water - Alternative Uses, Water Allocation, ...6.0610
- ECONOMIC IMPACT OF WATER IMPOUNDMENT - VALIDITY TESTING OF A COMPARATIVE- PROJECTION MODEL ...Economic Impact, Projections and Estimations, Recreation Sites, Reservoirs and Impoundments, Texas, ...6.0554
- APPLICATION OF AN ELECTRONIC ANALOG COMPUTER TO THE SIMULATION OF THE TOTAL HYDROLOGIC-ECONOMIC FLOW SYSTEM ...Analog Computers, Economics-general, Hydrology-general, River Basins, ...6.0585
- GROUND WATER BASIN DYNAMICS ...Dispersion -water, Groundwater Basins, Mathematical Analysis, Natural Recharge, Ohio, ...2.0851
- THE USE OF SYSTEMS ANALYSIS IN THE DEVELOPMENT OF WATER RESOURCES MANAGEMENT PLANS FOR NEW YORK STATE ...Management, New York, Planning, Systems Analysis, ...6.0373
- A CONTINUATION OF THE STUDY TO DETERMINE THE COSTS OF WATER IN INDUSTRIAL USES ...Benefit-cost Analysis, Computers-general, Industrial-general, Water Costs, Water Demand, ...6.0468
- BENEFITS FROM INTEGRATED WATER MANAGEMENT IN THE NEW YORK METROPOLITAN REGION ...Administrative Structures, Management, New York, Urban Environments, Water Sources-general, ...6.0393
- MULTISTRUCTURAL DEMAND MODELS FOR WATER REQUIREMENT FORECASTING ...Industrial-general, Projections and Estimations, Social Aspects, Water Demand, ...6.0442
- DECISION MAKING UNDER UNCERTAINTY - ECONOMIC EVALUATION OF STREAMFLOW FORECASTS ...Benefit-cost Analysis, Flow Characteristics -water, Forecasting-prediction, Projections and Estimations, Water Supply-general, ...6.0296
- SYSTEMS APPROACH TO WATER RESOURCE MANAGEMENT ...Administrative Structures, Economics-general, Legal Review, Social Aspects, Systems Analysis, Water Allocation, ...6.0080
- DEVELOPMENT OF COMPUTER MODELS & METHODOLOGY FOR FORECASTING & EVALUATING MUNICIPAL & INDUSTRIAL WATER REQUIREMENTS ...Digital Computers, Maryland, Projections and Estimations, Urban Environments, Water Demand, ...6.0252
- URBAN WATER POLITICS AND DECISION MAKING IN THE DETROIT METROPOLITAN REGION ...Decision Theory, Optimization Technique, Politics, Urban Environments, ...6.0298
- UTILIZATION OF PHYSICAL AND MATHEMATICAL MODELS IN ESTUARINE WATER RESOURCES RESEARCH AND MANAGEMENT ...Computers-general, Estuaries, Management, Shoreline - Coastline, Tides, ...6.0607
- ADAPTING THE WATER RESOURCE PLANNING PROCESS TO PROBLEMS AND NEEDS OF METROPOLITAN AREAS ...Planning, River Basins, Systems Analysis, Urban Environments, Water Resources Development, ...6.0402
- A THREE DIMENSIONAL STUDY OF PARAMETERS RELATED TO THE CURRENT DISTRIBUTION IN LAKE ROOSEVELT ...Currents -water, Reservoirs and Impoundments, Stratification, Temperature, Water Quality-general, ...5.1245
- HORIZONTAL DISPERSION IN SHALLOW ESTUARIES OF IRREGULAR SHAPE ...Circulation -water, Dispersion -water, Estuaries, Gulf of Mexico, Water Quality-general, ...2.1013
- APPLICATION OF SIMULATION THEORY TO WATER RESOURCES PLANNING AND MANAGEMENT ...Management, Optimization, Planning, River Basins, ...6.0340
- THEORETICAL AND EMPIRICAL STUDIES OF STOCHASTIC MODELS FOR THE ANALYSIS OF FLOOD CONTROL AND RELIEF POLICIES ...Alternative Planning, Floodproofing, Inter-governmental Relations, Other, Policy Making, ...6.0047
- EXPERIMENTAL AND THEORETICAL STUDY OF THE HYDRODYNAMICS OF DISPERSION IN RIVERS AND ESTUARIES ...Dispersion -water, Estuaries, Flow Characteristics -water, Streams, Velocity -water, ...2.0584
- PROGRAMMED SELECTION OF OPTIMUM USES OF A SMALL WATER RESOURCE SUBJECTED TO COMPLEX SIMULTANEOUS DEMAND STRESSES ...Computers-general, Optimization, Water - Alternative Uses, Water Demand, Water Supply-general, ...6.0281
- PROCESS CONTROL MODEL FOR OXYGEN REGENERATION OF POLLUTED RIVERS ...Aeration, Automatic, Chemical Oxygen Demand, Detectors and Sensors, Oxygen, Streams, ...5.0727
- DYNAMIC BEHAVIOR OF SOILS ...Deformation, Shear Strength, Soil Dynamics, Soil Environment, Soil Liquefaction, ...8.0284

SUBJECT INDEX

Model Studies

- NUMERICAL MODELING OF GROUND WATER FLOW ...Aquifers-general, Artificial Recharge, Groundwater Movement, Subsurface Flow, ...2.0506
- SPATIAL BEHAVIOR OF ROUGHNESS IN LABORATORY WATERSHED, PHASE II ...Energy Loss -water, Roughness, Runoff, Structure-size, Surface Flow, Synthetic Hydrology-general, ...2.0703
- COMPUTER SIMULATION OF THE HYDROLOGIC SYSTEM OF A MOUNTAIN WATERSHED ...Digital Computers, Groundwater, Hydrology-general, Mountains-alpine, Surface Water, Watersheds-other, ...2.0707
- EVALUATION OF GROUNDWATER RESOURCES, LIVERMORE VALLEY, CALIFORNIA ...Data Acquisition-general, Groundwater Basins, Management, Subsurface Flow, Water Yield, ...4.0025
- THE DETERMINATION OF ZONES OF INTENSE CONTRIBUTION TO STREAM FLOW AS RELATED TO THE CONCEPT OF PARTIAL AREA CONTRIBUTIONS ...Development of Models, Digital Computers, Runoff, Synthetic Hydrology-general, Watersheds-general, ...2.0580
- DEVELOPMENT AND EVALUATION OF HYDROLOGIC SIMULATION MODELS ...Runoff, South Carolina, Synthetic Hydrology-general, Technique Development, Watersheds-general, ...2.0954
- COMPUTER MODELS FOR WATER DISTRIBUTION SYSTEMS ...Algorithms, Development of Models, Laminar Flow, Water Allocation, Water Transfer, ...8.0286
- MASS TRANSFER AND CHEMICAL REACTION IN TWO PHASE FLOW ...Close Channel, Mass Transfer, Mathematical Analysis, Phase Relationship, Waste Water Treatment-general, ...5.0225
- PARAMETERIZATION OF THE OBSERVED HYDROGRAPH AS A MEANS OF UNDERSTANDING RUNOFF PHENOMENA FROM SMALL WATERSHEDS ...Forecasting-prediction, Hydrographs, Runoff, Small Watersheds, Vermont, ...2.1085
- INVESTIGATION OF A LINEAR MODEL TO DESCRIBE THE HYDROLOGIC PHENOMENON OF DRAINAGE BASINS ...Amount, Hydrographs, Runoff, Small Watersheds, Testing of Models, ...2.1041
- TIDAL EFFECTS ON GROUND WATER HYDRAULICS IN HAWAII ...Analog Computers, Groundwater, Hawaii, Hydraulics-general, Tides, ...2.0378
- PHYSICAL, CHEMICAL AND MICROBIOLOGICAL FACTORS AFFECTING THE DISCHARGE OF WATER INTO DRAIN TILE ...Drainage, Drainage Engineering, Water Properties-general, ...2.0145
- INVESTIGATION OF THE INFLUENCE OF VALENCE STATES OF IRON AND MANGANESE UPON THE BIOTA OF THE HYPOLIMNION ...Biological-general, Chemical-general, Electron Spin, Ions and Gases, Reservoirs and Impoundments, ...5.0298
- ECONOMICS OF WATER QUALITY CONTROL IN THE UPPER MISSISSIPPI RIVER (MINNESOTA) ...Minnesota, Mississippi River, Optimization, Water Quality Control-general, Water Standards, ...6.0311
- DYNAMIC SYSTEM MODELING AND SIMULATION OF A RIVER BASIN ...Dynamic, Hybrid Computers, Michigan, River Basins, Stochastic Models, ...6.0301
- A SYSTEMATIC TREATMENT OF THE PROBLEM OF INFILTRATION ...Hysteresis, Infiltration, Moisture Content, Patterns, Soil Profile, ...2.0219
- PHASE TWO - EXPERIMENTAL INVESTIGATION OF SMALL WATERSHED FLOODS ...Floods, Mathematical Analysis, Rain-general, Runoff, Small Watersheds, ...2.0233
- A METHODOLOGY FOR PLANNING OPTIMAL REGIONAL WASTE MANAGEMENT SYSTEMS ...Effluents-waste Water, Management, Optimization, Regional Areas, Waste Water Treatment-general, ...6.0280
- STOCHASTIC ANALYSIS OF HYDROLOGIC SYSTEMS ...Computers-general, Mathematical Analysis, River Basins, Stochastic Models, Systems Analysis, ...6.0203
- SIMULATION MODEL FOR EVALUATION OF INTERCEPTION FROM FOREST TREES ...Digital Computers, Environment, Forests, Interception, Snow-general, ...2.0390
- DECISION MODELS FOR MINIMIZING COST OF INFORMATION OR ERROR IN ESTIMATING BENEFIT-WATER RELATIONSHIPS IN IRRIGATION. (ABBREV) ...Benefit-cost Analysis, Irrigation-general, Mathematical Analysis, Reliability, Systems Analysis, ...6.0359
- MODEL STUDY TO PREDICT SALT DISTRIBUTION AND CONCENTRATION OF WATER IN SOIL PROFILES ...Arid and Desert, Irrigation-general, Moisture Content, Saline Properties, Soil Chemical Properties, ...5.0750
- EVALUATION OF SELECTED COMPUTER PROGRAMS IN HYDROLOGY ...Hydrology-general, Routing, Runoff, Spillways, Storm Water, ...2.0659
- DEVELOPMENT OF A STATE WATER PLANNING MODEL ...Application, Development of Models, Montana, Planning, River Basins, ...6.0325
- FLOW ANALYSIS OF HYDRAULIC CONNECTORS IN ARTIFICIAL RECHARGE SYSTEMS ...Artificial Recharge, Flow Characteristics -water, Mathematical Analysis, ...2.0859
- EXPERIMENTAL INVESTIGATION OF HYDRAULIC TRANSIENTS IN RIVER-RESERVOIR SYSTEMS ...Hydraulics-general, Open Channel, Reservoirs, Streams, Transition Sections, ...2.0993
- VERIFICATION OF MODELS USED IN THE MANAGEMENT AND CONTROL OF WATER QUALITY ...Disposal Wastes, Management, Washington, Water Quality Control-general, ...5.1261
- THE DEVELOPMENT OF A SIMULATION MODEL FOR THE BEAR RIVER BASIN ...Analog Computers, Development of Models, Planning, River Basins, Utah, ...6.0586
- LOSS COEFFICIENT IN A CHANNEL BEND WITH NATURALLY DEFORMED BED ...Energy Losses-other, Open Channel, Surface Phenomena, Transition Sections, Velocity, ...2.0934
- PARTIAL AREA CONTRIBUTION TO STREAM FLOW ...Digital Computers, Flow Characteristics -water, Runoff, Water Yield, Watersheds-general, ...2.0581
- EFFECT OF FORMATION DIP ON THE MOVEMENT OF FRESH WATER STORED IN SALINE AQUIFERS ...Aquifers-other, Artificial Recharge, Fresh Water, Local Structure, Storage of Water, ...4.0122
- RELATIONSHIP OF ACTIVATED SLUDGE BULKING TO ORGANIC LOADING, OXYGEN AVAILABILITY, AND HYDRAULIC CHARACTERISTICS OF THE AERATION TANK ...Activated, Aeration, Organics, Process Design, ...5.0879
- SORPTION AND DESORPTION OF CHLORINATED HYDROCARBON PESTICIDES IN AQUATIC SEDIMENT MINERALS ...Absorption, Fixation, Exchange, Adsorption Capacity, Adsorption-desorption, Equilibrium-other, Pesticides, ...5.0690
- DEVELOPMENT OF A MATHEMATICAL MODEL FOR THE SIMULATION OF FLAT-LAND WATERSHED HYDRAULICS ...Development of Models, Hydraulics-general, Mathematical Analysis, Technique Development, Wetlands, ...4.0102
- SYSTEMATIC ANALYSIS OF MANAGEMENT EFFECTIVENESS OF THE WATER QUALITY CONTROL BOARD SYSTEM OF CALIFORNIA ...California, Management, Operations Research, State-local Government, Water Quality Control-general, ...6.0035
- MATHEMATICAL MANAGEMENT MODEL UNCONFINED AQUIFER ...Carbonate Aquifers, Groundwater, Management, Mathematical Analysis, Water Movement-general, ...4.0246
- RESEARCH ON DATA AND ANALYTICAL SYSTEMS FOR PREPARING NATIONAL WATER ASSESSMENTS ...Data & Statistics Info Storage, Data Acquisition-general, Statistics-general, Water Quality-general, Water Quantity-general, ...6.0397
- A GENERALIZED, PROBABILISTIC APPROACH TO REGIONAL WATER SUPPLY ASSESSMENT ...Available Water, Confidence Intervals, Patterns, Regional Areas, Runoff, ...6.0059
- HYDROLOGIC ANALYSIS OF GROUNDWATER BASINS BY DIGITAL COMPUTER SIMULATION ...Aquifers-general, Digital Computers, Groundwater Basins, Groundwater Movement, Mathematical Analysis, ...4.0043
- ECONOMIC EVALUATION OF WATER, A DYNAMIC INTERREGIONAL INPUT-OUTPUT PROGRAMMING MODEL OF CALIFORNIA AND THE WESTERN STATES WATER ECONOMY ...Economics, Economics-general, Input - Output Analysis, Regional Areas, ...6.0045
- SYSTEM IDENTIFICATION AND MULTI-LEVEL OPTIMIZATION OF INTEGRATED GROUND WATER SYSTEMS ...Aquifers-general, Mathematical Analysis, Systems Analysis, ...6.0062
- MODELING AND OPTIMIZATION OF WATER RESOURCES SYSTEMS ...Management, Mathematical Analysis, Multiple-purpose Projects, Optimization, Reservoirs and Impoundments, ...6.0234
- HYBRID COMPUTER SIMULATION OF GROUND-WATER BASINS ...Development of Models, Groundwater, Groundwater Basins, Hybrid Computers, Water Quality Control-general, ...2.0106
- WATER UTILIZATION ASPECTS OF WEATHER MODIFICATION AS APPLIED TO KANSAS ...Amount, Clouds-precipita-

Model Studies

SUBJECT INDEX

- tion, Development of Models, Kansas, Water Harvesting, ...2.0505
- PLANNING ANALYSIS FOR THE NON-MARKET VALUES OF WATER RESOURCES WITH PARTICULAR EMPHASIS ON RECREATION ...Lakes, New York, Projected Demand, Recreation Sites, ...6.0391
- RESERVOIR WATER QUALITY PREDICTION BASED ON LIMNOLOGICAL PARAMETERS ...Nutrients, Primary Productivity, Reservoirs and Impoundments, Water Properties-general, ...5.1102
- A MODEL RELATING WATER QUALITY VEGETATIONAL STRUCTURE AND URBANIZATION IN THE SAN JACINTO RIVER BASIN ...Land Use, River Basins, Texas, Urban Environments, Water Quality-general, ...4.0242
- A COMPUTER PROGRAM FOR FORECASTING POLLUTION AND DISSOLVED OXYGEN IN STREAMS ...Distributions, Forecasting-prediction, Oxygen, Stochastic Models, Water Quality-general, ...5.1210
- UNSTEADY FLOW OF GROUNDWATER--DISPERSION AND SALT WATER INTRUSION IN NON-HOMOGENEOUS MEDIA ...Dispersion -water, Saline Water Intrusion, Unsteady, Unsteady Flow, ...2.1159
- MULTIPURPOSE RESERVOIRS AND URBAN DEVELOPMENT ...Land Use, Reservoirs and Impoundments, Urban Environments, ...2.0823
- COMPUTER SIMULATION OF AQUIFERS OF COASTAL PLAIN OF NORTH CAROLINA ...Analog Computers, Carbonate Aquifers, Development of Models, Digital Computers, North Carolina, ...2.0822
- ANALOG MODELING TO DETERMINE FRESH WATER AVAILABILITY ON THE OUTER BANKS OF NORTH CAROLINA ...Analog Computers, Groundwater, Groundwater Movement, North Carolina, Water Yield, ...3.0375
- A WATER QUALITY COMPUTER MODEL OF COOK INLET (PHASE ONE - THE HYDRAULIC MODEL) ...Alaska, Computers-general, Estuaries, Hydraulics-general, Water Quality-general, ...7.0002
- EXPLORATORY STUDY OF SOCIOLOGICAL ASPECTS OF WATER RESOURCES RESEARCH ...Methodology, Social Aspects, Social Change, ...6.0405
- THE ECONOMICS OF WATER SUPPLY AND QUALITY ...Benefit-cost Analysis, Delaware River, Flow Augmentation, Pollution Abatement, Urban Environments, Water Allocation, ...6.0286
- OXYGEN TRANSFER IN CONCENTRATED MICROBIAL SYSTEMS ...Degradation, Microbial-bacterial, Mixed Culture, Oxygen, Physico - Chem - Metab, ...5.0801
- DYNAMIC MODEL STUDY OF LAKE ERIE ...Hydraulics-general, Inflow, Lake Erie, Synthetic Hydrology-general, ...5.0766
- ECONOMIC EVALUATION OF WATER QUALITY ...Benefit-cost Analysis, Computers-general, Management, Systems Analysis, Waste Water Treatment-general, ...6.0046
- VERTICAL CURRENT STRUCTURE IN THE GREAT LAKES ...Buoys, Currents -water, Forecasting-prediction, Great Lakes-general, Wind-water Interaction, ...2.0632
- A MODEL FOR QUANTIFYING FLOW AUGMENTATION BENEFITS ...Flood Control, Flow Augmentation, Other Methods, River Basins, Systems Analysis, Water Distribution Systems, ...6.0152
- DISPERSION DURING FLOW IN HETEROGENEOUS POROUS MEDIA ...Differential Equations General, Dispersion -water, Porous Media - Flow Through, Seepage, Statistical Models, ...5.0394
- TURBULENT DIFFUSION AND REAERATION IN NATURAL RIVERS ...Aeration, Flow of Gas in Liquid, Mixing, Tracers-general, Turbulent Flow, ...5.1136
- EUTROPHICATION FACTORS IN NORTH CENTRAL FLORIDA LAKES ...Administrative Structures, Eutrophication, Florida, Lakes, Systems Analysis, ...5.0258
- EVALUATION OF AN OXIDATION-DITCH WASTEWATER TREATMENT PLANT IN SUBARCTIC ALASKA ...Chemical Oxygen Demand, Dilution-other, Sub - Polar, Waste Treatment-economics, ...5.0038
- DELAWARE ESTUARY AND BAY WATER QUALITY SAMPLING AND MATHEMATICAL MODELING PROJECT ...Data Analysis - General, Delaware Bay, Mathematical Analysis, Pollution Abatement, Technique Development, ...5.0749
- SEQUENTIAL USE WITHIN A HYDROLOGIC COMPLEX ...Hydrology-general, Management, Other Data Analysis, Systems Analysis, Water Quality-general, ...5.1189
- A STOCHASTIC MODEL FOR POLLUTION IN ESTUARIES ...Estuaries, Ions and Gases, Oxygen, Water Quality Control-general, Water Quality-general, ...5.1211
- MINERAL-WATER CHEMISTRY, GREAT LAKES ...Chemical Reactions, Great Lakes-general, Mineral Equilibria, Mineral Genesis, Phase Relationships, Solution Chemistry, ...5.0552
- KINETICS OF ALGAL SYSTEMS IN WASTE TREATMENT ...Algae, Biological, Nutrients, Pilot Plant, Process Design, ...5.0069
- THERMAL STRATIFICATION IN RESERVOIRS ...Forecasting-prediction, Mathematical Analysis, Reservoirs and Impoundments, Stratification, Temperature, ...2.0616
- WATER-QUALITY REGIMEN OF TAHOE-TRUCKEE SYSTEM ...California, Digital Computers, Lakes, Nevada, Water Quality-general, ...5.0706
- BIOLOGICAL TREATMENT OF ACID MINE WATER ...Acid Mine Wastes, Acidity, Anaerobic, Iron, Mining Activities, Process Design, ...5.0795
- ENTERIC BACTERIAL DEGRADATION OF STREAM DETRITUS ...Bacterial Pollutant Sources, Intestinal Bacteria, Organic-general, Sanitation, Self-purification, ...5.0291
- INDUCED AIR MIXING OF LARGE BODIES OF POLLUTED WATER ...Aeration, Injector, Mathematical Analysis, Mixing, Organic Matter, ...5.0477
- COMPLEMENTARY - COMPETITIVE ASPECTS OF WATER STORAGE ...Benefit-cost Analysis, Computers-general, Reservoirs and Impoundments, Storage of Water, Water - Alternative Uses, ...5.0144
- BIOLOGICAL MODELS OF FRESHWATER COMMUNITIES ...Aquatic Ecology, Fresh Water, Freshwater Ecology, Nutrients, Urban Environments, ...5.1270
- MATHEMATICAL MODELS OF HYDROLOGIC SYSTEMS ...Economics-general, Hydraulic Structures, Open Channel, Unsteady, Unsteady Flow, Water Quality-general, ...6.0382
- RENOVATION OF MUNICIPAL WASTEWATER BY REVERSE OSMOSIS SYSTEMS ...Depolymerization, Membranes-other, Process Design, Reverse Osmosis, Urban Environments, ...5.0092
- MANAGEMENT OF INDUSTRIAL WASTE DISCHARGES IN COMPLEX ESTUARINE SYSTEMS ...Estuaries, Industrial Wastes, Management, Texas, Water Standards, ...5.1156
- INVESTIGATION FOR CONTROL OF WATER POLLUTION FROM COMBINED SEWERS IN ROANOKE, VIRGINIA ...Alternative Planning, Combined Sewer, Rain Fall Intensity, Runoff, Sanitary Sewage Quantity-other, Storm Water, Water Quality Control-general, ...5.1220
- FORMULATION OF A GENERAL MATHEMATICAL MODEL FOR THE PREDICTION OF THERMAL ENERGY CHANGES IN IMPOUNDMENTS ...Columbia River, Forecasting-prediction, Mathematical Analysis, Reservoirs and Impoundments, Thermal Pollution, ...5.0163
- RESEARCH AND FIELD ENGINEERING STUDIES FOR OPTIMIZING LIPID BISTABILIZATION PROCESSES ...Anaerobic, Destratification, Fats -non-specific, Microorganisms (non-specific), Process Design, ...5.0684
- CHARACTERIZATION OF THE ACTIVATED SLUDGE PROCESS AT THE HYPERION TREATMENT PLANT ...Activated, California, Mathematical Analysis, Waste Water Treatment-general, Water Purification Plants, ...5.0107
- DEVELOPMENT OF A MATHEMATICAL MODEL FOR SEPARATION COAGULATION AND SEDIMENTATION PROCESS USING ADDITION OF CHEMICALS ...Coagulation, Lime Treatment, Process Design, Sedimentation, Waste Treatment-economics, ...5.0343
- DEVELOPMENT OF MATHEMATICAL MODEL OF SEWAGE SLUDGE FLUIDIZED BED INCINERATORS ...Computers-general, Disposal, Fluidized Bed, Mathematical Analysis, ...5.0344
- MECHANICS OF DISPERSION IN ESTUARY POLLUTION ...Dispersion -water, Estuaries, Mathematical Analysis, Pollutants - Path of, Tides, ...5.0528
- AMMONIA STRIPPING MATHEMATICAL MODEL FOR WASTE WATER TREATMENT ...Aeration, Ammonia, Finance, Mathematical Analysis, Waste Treatment-economics, ...5.0337
- PREDICTING THE EFFECT OF WATER QUALITY AND GYPSUM ON THE CHEMICAL AND PHYSICAL PROPERTIES OF SALINE AND ALKALI SOILS ...Calcium, Forecasting-prediction, Hydrated Acid and Norm, Pollution - Effects of, Soil Chemical Properties, ...3.0013
- FACTORS INFLUENCING THE FLOW OF SUBSOIL WATER IN THE IMMEDIATE PROXIMITY OF, AND INTO DRAINAGE FACILITIES ...Capillarity, Drainage Systems, Grain Size and Distribution, Methods, Seepage, ...2.0212

SUBJECT INDEX

Model Studies

- EFFECT OF EXTERNAL AIR PRESSURE ON LIQUID FLOW THROUGH A POROUS MEDIUM ...Canals, Permeability, Physical Properties -other, Pressure-density, Seepage, ...2.0392
- FACTORS INFLUENCING THE FLOW OF SUBSOIL WATER IN THE IMMEDIATE PROXIMITY OF AND INTO DRAINAGE FACILITIES ...Design Criteria, Drainage Systems, Flow Characteristics -water, Other, Seepage, ...4.0088
- HYDROLOGIC CHARACTERIZATION OF SMALL WATERSHEDS ...Flow Characteristics -water, Gaging, Mathematical Analysis, Small Watersheds, Topographic, ...4.0104
- HYDROLOGIC CHARACTERIZATION OF SMALL WATERSHEDS ...Cold - Climates, Mathematical Analysis, Peak Flow, Runoff, Small Watersheds, ...4.0143
- DISTRIBUTION, APPLICATION AND USE OF WATER ...Furrow Irrigation, Irrigation Engineering, Moisture Content, Soil-plant Relationships, Water Yield, ...3.0304
- HYDRAULICS OF SURFACE IRRIGATION ...Mathematical Analysis, Surface Flow, Surface Irrigation -general, ...3.0307
- THE ECONOMICS OF WATER TRANSFER - AN APPRAISAL OF INSTITUTIONS ...Administrative Structures, Alternative Planning, Economic Efficiency, Legal Review, Water Transfer, Welfare Economics, ...4.0169
- FLOW OF COLLOIDAL SUSPENSIONS IN POROUS MEDIA ...Colloidal Phenomena, Porous Media - Flow Through, Radioisotopes, Suspension, ...2.0871
- HYDROLOGIC CHARACTERIZATION OF SMALL WATERSHEDS ...Hydrology-general, Mathematical Analysis, Runoff, Small Watersheds, Stochastic Models, ...4.0197
- LAND AND WATER USE, CONSERVATION, AND DEVELOPMENT IN OKLAHOMA WATERSHEDS ...Administrative Structures, Agriculture, Floodplains, Floodproofing, Land, Land Use, ...6.0443
- HYDRAULICS OF SURFACE IRRIGATION ...Irrigation Engineering, Math Models, Surface Flow, Surface Irrigation -general, Water Application Methods, ...4.0252
- HYDRAULICS OF SURFACE IRRIGATION ...Mathematical Analysis, Other Models, Surface Flow, Surface Irrigation -general, Unsteady Flow, ...4.0268
- ECONOMIC AND LEGAL FACTORS IN PROVIDING, USING AND MANAGING WATER RESOURCES IN AGRICULTURE ...Administrative Structures, Economic Impact, Impact, Policy Making, Recreation Sites, Social Aspects, Water Rights-general, ...6.0646
- THE EFFECT OF HETEROGENEITIES OF THE SOIL UPON INFILTRATION ...Infiltration, Physical Properties -other, ...2.1165
- WATER IN RELATION TO ECONOMIC GROWTH IN AN ARID ENVIRONMENT ...Arid and Desert, Arizona, Economic Impact, Groundwater, Water Costs, ...6.0013
- TREATING AN INADEQUACY OF THE UNIT HYDROGRAPH HYPOTHESIS BY STORAGE ROUTING WITH VARIABLE EMPIRICAL VALUES OF LAG AND STORAGE ...Amount, Arizona, Hydrographs, Runoff, Storage of Water, ...2.0063
- DESIGN OF INSTRUCTIONAL EQUIPMENT FOR LABORATORY DEMONSTRATIONS IN FLUID MECHANICS ...Tanks, Water Tunnels Tables, Wind Tunnels, ...8.0194
- FREE SURFACE FLOW AND WAVE PROPAGATION THROUGH CHANNEL-FLOOD PLAIN GEOMETRIES ...Channels, Conduit Flow-other, Floodplains, Flow Characteristics -water, Free Surface Waves, ...8.0196
- THE CHARACTERIZATION OF OVERLAND FLOW ON VERY ROUGH SURFACES ...Channel Roughness, Channels, Data Analysis Applications, Flow Characteristics -water, Surface Flow, ...8.0192
- WATER POLLUTION STUDY OF THE WABASH RIVER ...Data Acquisition-general, Indiana, Low Flow, Oxygen, Water Quality-general, ...5.0390
- SYSTEMATIC ANALYSIS OF THE MOISTURE-TEMPERATURE INTERACTIONS ON CORN YIELD ...Corn, Moisture Content, Yield, ...2.0442
- COMPUTER SIMULATION AND EVALUATION OF CLIMATOLOGICAL MODELS ...Computers-general, Patterns, Statistics-general, ...7.0044
- A REGIONAL STUDY OF THE CHANGING OCCUPANCY AND DEVELOPMENT OF AN ALLUVIAL LOWLAND ...Alluvial Deposits, Land Use, Management, Mississippi, Regional Areas, ...7.0031
- FEASIBILITY OF RATING CURRENT METERS IN A VELOCITY FIELD ...Currents -water, Gaging, Mass, Velocity -water, ...7.0107
- FLOW IN HETEROGENEOUS POROUS MEDIA ...Mathematical Analysis, Porous Media - Flow Through, Statistical Models, Two-phase-other, ...8.0190
- PROJECTING THE DEMAND FOR AND SUPPLY OF WATER ...Projections and Estimations, Regional Areas, River Basins, Water Demand, Water Quality Control-general, Water Supply-general, ...6.0357
- MATHEMATICAL MODEL OF STORM AND SANITARY INTERCEPTOR SYSTEM ...Design-other, Inflow, Peak Flow, Rain Fall Intensity, Storm Water, ...5.0597
- HYDRAULIC STUDIES AND RESEARCH ON CALIFORNIA WATER FACILITIES ...Flow Characteristics -water, Fluid Flow-general, Irrigation, Irrigation-general, Synthetic Hydrology-general, ...7.0010
- SACRAMENTO-SAN JOAQUIN DELTA ANALOG MODEL STUDIES ...Analog Computers, Deltas, Electronics - Applied, Instrumental Services, Sacramento River, ...7.0008
- IRRIGATION IN RELATION TO CROPPING SYSTEMS ...Irrigation-general, Water Allocation, Water Costs, Water Sources -general, Water Yield, ...6.0053
- A STUDY OF THE SOCIAL MECHANISM OF RURAL-URBAN WATER TRANSFERS WITH SPECIAL REFERENCE TO EXTERNAL EFFECTS ...Administrative Structures, Agriculture, Base Studies, Economic Efficiency, Fiscal, Social Aspects, Water Allocation, Water Transfer, Welfare Economics, ...6.0105
- GROUND WATER RESOURCES ...Colorado, Groundwater, Management, Technique Development, Water Resources Development, ...4.0067
- MATHEMATICAL MODELING OF SMALL WATERSHED FLOODS ...Floods, Mathematical Analysis, Rain-general, Runoff, Small Watersheds, ...4.0073
- DEVELOPMENT OF COST CRITERIA FOR WATER SUPPLY ...Reservoirs and Impoundments, Water - Alternative Uses, Water Costs, Water Supply-general, Water Transfer, Water Wells, ...4.0098
- THEORETICAL ANALYSIS OF REGIONAL GROUND-WATER FLOW IN THE HAVANA AREA ...Groundwater Movement, Illinois, Mathematical Analysis, Subsurface Flow, Water Table Fluctuation, ...2.0410
- WATER RESOURCE DEVELOPMENT AND MANAGEMENT MODEL ...Alternative Planning, Available Water, State-local Government, Systems Analysis, Water Resources Development, ...6.0201
- WATER QUALITY MODEL DERIVED FROM SYSTEM ANALYSES ...Management, Optimization, Systems Analysis, Water Quality-general, ...6.0200
- MATHEMATICAL SIMULATION OF HYDROLOGIC EVENTS ON UNGAGED WATERSHEDS ...Hydrographs, Hydrology-general, Mathematical Analysis, Research - Development, Runoff, Watersheds-general, ...2.0462
- AGRICULTURAL AND INDUSTRIAL DEVELOPMENT IN RELATION TO IOWAS ECONOMIC GROWTH ...Agriculture, Base Studies, Economics-general, Income, Iowa, Requirement and Resources, Water Resources Development, ...7.0043
- IOWA ECONOMETRIC MODEL ...Economics-general, Iowa, Planning, Projections and Estimations, River Basins, ...6.0225
- APPLICATION OF OPTIMIZATION TECHNIQUES TO PROBLEMS TO AGRICULTURE ...Analog Computers, Animal Waste Removal-treatment, Digital Computers, Optimization, Solid Waste, Waste Water Treatment-general, ...5.0427
- EVALUATION OF MAGOTHY AQUIFER - ANNAPOLIS AREA ...Atlases-maps, Available Water, Clastic Aquifers, Maryland, Saline Water Intrusion, ...2.0564
- A PHYSICAL AND ECONOMIC ANALYSIS OF ALTERNATIVE IRRIGATION METHODS IN A SUB-HUMID CLIMATE ...Applied Climatology, Evapotranspiration, Irrigation-general, Sub-Humid, Water Balance-budget, ...3.0384
- THE EXTENT OF IRRIGATION DEVELOPMENT IN NORTH DAKOTA AND ITS ECONOMIC IMPACT ...Economic Impact, Impact, Irrigation-general, Production & Processing, Water - Alternative Uses, Water Resources Development, ...3.0380
- HYDRAULICS OF WELLS ...Aquifers-other, Drawdown, Hydraulic Engineering-other, Unsteady Flow, Water Wells, ...7.0077
- SUPPLY AND DEMAND FOR WATER ...Projections and Estimations, Water Costs, Water Demand, Water Supply-general, Water Transfer, ...6.0385
- AN ECONOMIC EVALUATION OF WATER POLLUTION CONTROL, YAQUINA BAY, ORE ...Alternative Planning, Bays, Benefit-cost Analysis, Oregon, Systems Analysis, Water Quality Control-general, ...6.0454
- SIMULATION AS A MEANS OF STUDYING RESOURCE ALLOCATIONS ...Alternative Planning, Economics-general, River Basins, Simulation Theory, Water Allocation, ...6.0456
- DEVELOPMENT OF A MODEL RESOURCE ANALYSIS FOR RANGE WATERSHEDS ...Mapping, Quality and Utilization, Species and Species Evaluation, ...6.0460

Model Studies

SUBJECT INDEX

HYDROLOGIC BEHAVIOR OF SELECTED WATERSHEDS IN THE NORTHERN APPALACHIAN REGION ...Clouds-precipitation, Forecasting-prediction, Mathematical Analysis, Runoff, Valley and Ridge Province, Watersheds-general, ...2.0922

METHODOLOGY FOR DETERMINING VALUATIONS OF WATER FOR ALTERNATIVE USES ...Economic Efficiency, Input - Output Analysis, Water - Alternative Uses, Water Allocation, Water Costs, ...6.0592

ELECTRONIC ANALOG MODEL STUDIES OF RIVER BASINS ...Analog Computers, Groundwater, Management, Precipitation-general, River Basins, Runoff, Water Cycle, Water Resources Development, ...2.1059

A STUDY OF THE INTEGRATION OF THE WATER RESOURCES OF THE BEAR, WEBER, AND JORDAN RIVERS IN NORTHERN UTAH ...Analog Computers, Analog Computers Math, Planning, Utah, Water Transfer, ...6.0587

INVESTIGATION OF RAINFALL DISTRIBUTION ON URBAN RUNOFF FOR IMPERVIOUS AREAS ...Drainage, Hydrographs, Patterns, Runoff, Urban Environments, ...2.0306

HYDROLOGIC MODEL FOR STREAMFLOW FORECASTING ...Flow Characteristics -water, Forecasting-prediction, Hydrographs, Peak Flow, Precipitation-general, Runoff, ...2.0600

ANALYSIS OF MIXING PHENOMENA ASSOCIATED WITH THE RISE OF GASEOUS BUBBLES THRU A STRATIFIED LIQUID ...Bubbles, Destratification, Mixing, Salinity, Stratification, ...1.0072

SIMULATED OPEN CHANNEL HYDRAULICS ...Cumberland River, Mathematical Analysis, Numerical Analysis-other, Open Channel Flow, Tennessee, ...2.0983

DEVELOPMENT OF HYDROLOGIC ANALYSIS TECHNIQUES ...Computers-general, Data Analysis - General, Hydrology-general, Land Use, Technique Development, ...2.0988

EFFECTS OF TEMPERATURE ON AQUATIC LIFE ...Aquatic Ecology, Fish -non-specific, Productivity - Food Chain, Temperature, Warm Water, ...5.1121

GENERAL COASTAL INLET STUDIES ...Coastal Engineering-other, Coastlines-shorelines, Discharge-other, Synthetic Hydrology-general, Tides, Velocity -water, ...2.0689

GREAT LAKES RESEARCH - COASTAL AREA SEDIMENTATION ...Beach, Development, General Transport Effects, Great Lakes-general, Lakeshores-inlets, ...2.0651

GREAT LAKES RESEARCH - WATER-LEVEL DISTURBANCES ...Lake Erie, Lake Michigan, Seiches, Tides, Water Level Fluctuation, ...2.0640

GREAT LAKES RESEARCH - HARBOR CURRENTS ...Currents -water, Great Lakes-general, Harbors, Pressure-density, Water Level Fluctuation, Wind-general, ...2.0642

MECHANICS OF SAND MOVEMENT BY WAVES ...Ocean Waves - Currents, Shoreline Structures, Size, Wave Motion in Fluids-other, Waves, ...2.0259

HYDRAULIC INSTRUMENTATION ...Instrumentation-general, Technique Development, Turbulent Flow, Water Level Fluctuation, ...7.0063

HYDROLOGIC EFFECT OF VEGETATION MODIFICATION ...Hydrology-general, Modified Water Use, Water Development, Water Movement, Velocity, Water Yield, ...3.0009

TRANSPORT PROCESSES IN FLUID FLOWS ...Clastic Aquifers, Dispersion -water, Dyes, Mathematical Analysis, Porous Media - Flow Through, ...2.0368

SPATIAL DISTRIBUTION OF CHEMICAL CONSTITUENTS IN GROUND WATER ...Carbonates, Chemical-general, Groundwater, Sedimentary Petrogenesis, Solution Chemistry, Statistical, ...1.0120

ANALYTICAL MODEL OF THE LAND PHASE OF THE HYDROLOGIC CYCLE ...Hydrology-general, Water Cycle, ...2.0117

MATHEMATICAL GEOMORPHOLOGY ...Erosion, Features, Geomorphology-quantitative, Processes, Terrain Analysis, ...2.0425

ELECTRICAL ANALOG MODELS OF HYDROLOGIC SYSTEMS ...Analog Computers, Flow Characteristics -water, Groundwater, Groundwater Movement, Surface Water, ...2.0037

UNSTEADY FLOW AND SALINE INTRUSION IN ESTUARIES ...Channels, Estuaries, Open Channel Flow, Saline Water Intrusion, Unsteady Flow, ...2.1091

EVALUATION OF VARIABLES IN ALLUVIAL CHANNEL FLOW ...Bed Load, Channels, Flow Characteristics -water, Morphology-general, Velocity -water, ...2.0237

MILL CREEK VALLEY ANALOG MODEL STUDY, OHIO ...Analog Computers, Aquifers-general, Artificial Recharge, Ohio, Recharge Pits - Wells, ...4.0195

WATER RESOURCES, COLUMBUS, INDIANA AREA ...Alternative Planning, Clastic Aquifers, Groundwater, Indiana, Water Development, ...2.0456

ELECTRICAL-ANALOG ANALYSIS OF HYDROLOGIC DATA, ARVA VALLEY, ARIZ ...Analog Computers, Arizona, Groundwater, Pumping, Water Table Fluctuation, ...2.0044

NUMERICAL SIMULATION OF HYDRODYNAMIC PHENOMENA BY DIGITAL COMPUTER ...Groundwater, Open Channel Flow, Porous Media - Flow Through, Subsurface Flow, Waves, ...2.1096

RESERVOIR AND RIVER OPERATION PROCEDURES ...Available Water, Management, Optimization, Reservoirs and Impoundments, River Basins, ...6.0095

ENERGY DISSIPATORS ...Energy Dissipators, Fluid Dynamics, Technique Development, ...8.0114

DEVELOPMENT OF STANDARD DESIGNS FOR CANAL STRUCTURES ...Canals, Construction, Design Criteria, Energy Losses-general, Open Channel, ...8.0064

AQUIFERS AND DRAINAGE ...Aquifers-other, Brackish Water, Drainage, Groundwater Movement, Irrigation-general, ...2.0166

MODEL STUDY OF UNDERGROUND OPENINGS ...Dams-general, Foundations-general, Geology - Engineering, Rock Mechanics, Structural Analysis-general, Tunnel, ...8.0067

SOIL PRESSURES ON FLEXIBLE STEEL PIPE ...Pipes, Pressure-general, Soil-structure Interaction, Triaxial, ...8.0072

QUALITY OF WATER AS AFFECTED BY STRATIFIED FLOW (RESERVOIRS) ...Ions and Gases, Reservoirs and Impoundments, Stratification, Stratified Flow, Turbidity, ...5.0185

BEHAVIOR OF STRUCTURAL ELEMENTS OR MODELS UNDER TEMPERATURE AND DYNAMIC LOADS ...Dynamic-other, Earthquakes, Engineering Structures-general, Mechanical Vibrations-other, Structures-other, ...8.0100

SKYWATER--PARK RANGE FOREST HYDROLOGY ...Colorado, Forest Watersheds, Mountains-alpine, Topographic Influences, Weather Modification-general, ...2.0172

CONVECTIVE CLOUD SYSTEMS, NORTHERN GREAT PLAINS, ATMOSPHERIC WATER RESOURCES ...Cloud Structure, Clouds-precipitation, Convection, Cumulus, Great Plains Province, ...2.0193

PRODUCTION AND DETECTION OF ARTIFICIAL ICE NUCLEI ...Cloud Physics, Formation, Modification, Nucleation Physics, Precipitation Instruments, ...2.0173

HYDROLOGIC BEHAVIOR OF SELECTED WATERSHEDS IN THE NORTHERN APPALACHIAN REGION ...Appalachian Highlands-other, Clouds-precipitation, Flow Characteristics -water, Modification, Watersheds-general, ...2.0184

COASTAL DIFFUSION OF POLLUTANTS ...Currents-other, Ocean, Oregon, Outlet, Pulp and Paper Wastes, ...5.0973

HYDRAULIC DESIGN OF STRUCTURES FOR WATER USE AND CONTROL IN THE CORN BELT ...Construction, Corn Belt, Design Criteria, Routing, Water Control Works-general, ...8.0216

PRINCIPLES, FACILITIES, AND SYSTEMS FOR WATER HARVEST ...Rainfall Simulators, Runoff, Stabilization-other, Storage of Water, Water Harvesting, ...3.0006

IRRIGATION SYSTEMS FOR EFFICIENT WATER USE ...Evapotranspiration, Infiltration-general, Water Application Methods, Water Loss Control, ...8.0003

SURFACE AND SPRINKLER IRRIGATION SYSTEM DESIGN AND OPERATION FOR EFFICIENT WATER USE IN THE PACIFIC NORTHWEST ...Evapotranspiration, Irrigation, Sprinkler Irrigation, Surface Irrigation -general, Technique Development, ...3.0204

APPLICATIONS OF ANALOG COMPUTER SIMULATION TECHNIQUES FOR RUNOFF PREDICTIONS WITHIN THE REYNOLDS CREEK WATERSHED ...Analog Computers, Forecasting-prediction, Idaho, Runoff, Simulation Theory, ...7.0106

THE SIMULATION OF HYDROLOGIC EVENTS IN ARID REGIONS ...Analog Computers, Arid and Desert, Hydrology-general, Management, Surface Water, ...2.1075

LABORATORY CATCHMENT INVESTIGATIONS RELATING TO HYDROLOGIC SYSTEMS ANALYSIS ...Gaging, Hydrology-general, Morphology-general, Systems Analysis, ...6.0574

ECONOMICS OF ALTERNATIVE ROUTINES FOR DELIVERING IRRIGATION WATER ...Agriculture Industry, Economic Efficiency, Irrigation-general, Legal Review, Water - Alternative Uses, ...6.0101

THE ECONOMIC ANALYSIS OF WATER POLLUTION BY PESTICIDES AND OTHER AGRICULTURAL WASTES ...Agricultural Watersheds, Benefit-cost Analysis, Economic Im-

SUBJECT INDEX

Mollusks

pect, Pesticides -non-specific, Pollution, Pollution Abatement, ...5.0238

TRANSPORT MECHANISMS IN WATER FILTRATION ...Development of Models, Filtration, Flow of Dispersed Solids, Ordinary, Transport, ...5.0811

Model Studies-general

SOIL CHARACTERISTICS AFFECTING SUBSURFACE DRAINAGE ...Computers-general, Permeability, Void Ratio and Porosity, ...4.0194

PREDICTING NITRATE CONTENT OF AGRICULTURAL DRAIN WATER ...Agricultural Watersheds, Computers-general, Drainage, Moisture Content, Nitrate, Nitrite, Nitrogen, ...5.0181

Rheological

SOIL STRUCTURE - TILLAGE INTERACTIONS ...Deformation Mechanics, Other Water Conditions, Soil Environment, Soil-water-plant Relationships, Stability, ...2.0499

Models

Math Models

HYDRAULICS OF SURFACE IRRIGATION ...Irrigation Engineering, Measurement, Porous Media - Flow Through, Surface Flow, Surface Irrigation -general, ...2.0047

HYDRAULICS OF SURFACE IRRIGATION ...Irrigation Engineering, Model Studies, Surface Flow, Surface Irrigation -general, Water Application Methods, ...4.0252

Moisture Content -plants

WATER REQUIREMENTS BY SUGARCANE UNDER IRRIGATION ...Consumptive Use, Irrigation, Requirements for Water, Sugar Cane, ...3.0424

EFFECT OF WATER AVAILABILITY ON PHOTOSYNTHESIS OF PLANTS ...Available Water, Corn, Drought, Irrigation-general, Photosynthesis, Soybean, ...2.0426

WATER REQUIREMENT BY SUGARCANE UNDER IRRIGATION ...Evapotranspiration, Irrigation, Percolation, Requirements for Water, Sugarcane, ...2.0933

Moisture Meters

DEVELOPMENT AND EVALUATION OF IMPROVED TECHNIQUES TO MEASURE WATER-CONTENT OF SNOW ...Composition, Instrumental Services, Other Telemetry, Technique Development, Transducers, ...7.0103

SOIL WATER MOVEMENT ...Conservation-general, Groundwater Movement, Management, Moisture Tension, Movement, Availability, ...3.0245

THE USE OF WATER IN THE PRODUCTION OF HORTICULTURE CROPS ...Drought, Modified Water Use, Quality -non-specific, Soil-water-plant Relationships, ...2.0695

IMPROVING IRRIGATION WATER SUPPLY FORECASTS AND THEIR USE ...Forecasting-prediction, Frost and Permafrost, Irrigation-general, Moisture Content, Runoff, Water Yield, ...3.0401

INVESTIGATION OF BLOSSOM-END ROT OF PEAR TOMATOES ...Antitranspirants, Blossom End Rot, Modified Water Use, Tomatoes, Water-borne, ...2.1044

SOIL MOISTURE SURVEY FOR SOUTH PLAINS OF NORTHWEST TEXAS ...Moisture Content, Moisture Tension, Soil Depth, Texas, ...2.1051

Molecular Collisions

SCATTERING MEASUREMENTS ON ALKALI - WATER SYSTEMS ...Alkali Metals-general, Atomic Collisions, Other, Water, ...1.0022

Mollusks

Clams

RADIONUCLIDE METABOLISM IN AQUATIC ANIMALS ...Contamination - Water, Fish -non-specific, Metabolism, Radiation Effects-non-specific, Reactor Sites & Rad Waste, ...5.0101

ECOLOGY AND DISTRIBUTION OF OYSTERS AND CLAMS ...Chesapeake Bay, Commercial Fishing, Food Supply, Food Webs, Oysters, ...6.0268

HISTOPATHOLOGIC EFFECTS OF POLLUTANTS ON CELLS AND TISSUES OF MARINE INVERTEBRATES ...Computer Matching Code, Contamination - Water, Invertebrate Pathology, Pollution - Effects of, Pollution Effects, Pollution-other, ...5.1081

THE NORMAL ANATOMY AND HISTOLOGY OF SOME MARINE INVERTEBRATES ...Histology and Cytology, Invertebrate Anatomy, Pollution Effects, Water Quality-general, ...5.1095

THE DEVELOPMENT OF OPERATIONAL SHELLFISH DEPURATION AND RELAYING SYSTEMS ...Bacterial Pollutant Sources, Salmonella Typhimurium, Thermal Pollution, Trace Elements, ...5.1068

PURIFICATION OF HARD CLAMS FROM POLLUTED WATERS ...Animal Viruses (non-specific), Contamination - Water, Estuaries, Intestinal Bacteria, New Jersey, ...5.0729

ORGANISMS RESPONSIBLE FOR TOXICITY OF ALASKAN CLAMS ...Alaska, Biological Pollutants -general, Food Spoilage Detection, Microbiological, Pollutants-general, ...5.0032

MICROBIOLOGY OF ESTUARINE AND SHELLFISH POLLUTION ...Bioindicators, Estuaries, Oysters, Pollution Effects, Shellfish Depuration, Waste Water Treatment-general, ...5.0719

BACTERIAL DEPURATION OF WEST COAST SHELLFISH ...Oysters, Pilot Plants, Salinity, Shellfish Depuration, Turbidity, ...5.1229

Freshwater Mussels, Scallops

THE UPTAKE OF DIELDRIN IN THE THREE RIDGED NAIAD, AMBLEMA PLICATA ...Bioindicators, Dieldrin, Metabolism, Ohio River, Pollution Effects, ...5.0886

RELATIONSHIP OF THE SOURCE TO LEVELS OF TOXIC CHEMICALS IN SHELLFISH ...Heavy Elements, Industrial Wastes, Legal Standards, Pollutants - Path of, Pollution - Effects of, ...5.1073

EPIZOOTICS IN EXPERIMENTAL MARINE SHELLFISH POPULATIONS ...Epizootic, Mortality Rates, Oysters, Pathology, ...6.0631

Gastropods -slugs,conch,snails

CORRELATION OF STRUCTURE VS. ACTIVITY OF POLLUTANTS OF FRESH WATER ...Bioindicators, Molluscicides -non-specific, Pesticide-other, Screening Potential Pesticides, Thiocarbamate, N.S., ...5.1050

EFFECT OF WATER TEMPERATURE AND/OR DISSOLVED OXYGEN REQUIREMENTS ON SELECTED MOLLUSKS ...Environmental Physiology, Freezing & Below, Gases, Dissolved -water, Oxygen, Warm Water, ...5.0555

ECOLOGICAL STUDIES OF LARVAL TREMATODES AND THEIR SNAIL-HOSTS IN THE LAKE CHAMPLAIN WATERSHED ...Aquatic, Aquatic Ecology, Digenea -other, Effect of Parasite on Host, Survey Studies, ...6.0396

Mollusks -non-specific & Other

A STUDY OF A POLLUTED RIVER, THE ILLINOIS ...Aquatic Ecology, Bioindicators, Contamination - Water, Fish -non-specific, Illinois River, ...2.0408

DISTRIBUTION AND ECOLOGY OF RIVER MOLLUSKS IN CENTRAL AND WESTERN NORTH DAKOTA ...Aquatic Ecology, North Dakota, Pollution - Effects of, Pollution Effects, Streams, ...6.0416

ECOLOGY OF COLORADO MOLLUSKS ...Colorado, Pollution - Effects of, Pollution -non-specific, Pollution Effects, Range Or Territorial Distr., ...5.0178

THERMAL EFFECTS ON MARINE AND ESTUARINE SHELLFISH ...Aquatic Ecology, Crustacea -non-specific, Environmental Physiology, Pollution - Effects of, Water Temperature-non-specific, ...5.1251

VIBRIO PARAHAEOLYTICUS IN THE ESTUARINE ENVIRONMENT ...Crustacea -non-specific, Estuaries, Isolation From Nat. environ., Temporal Distribution, Vibrio N S., ...2.1115

TOXIC AND OTHER CHEMICALS IN MARINE BIOTA ...Bioassay, Dibrom, Diquat, Paraquat, ...5.1074

INVESTIGATIONS ON CIGUATERA-LIKE BIOTOXINS IN SHELLFISH ...Algal Culture, Algal Toxins, Bulk Culture -other, Crustacea -non-specific, Gymnodinium, ...5.0018

COOPERATIVE STUDIES WITH FEDERAL AND STATE AGENCIES ...Bioassays, Crustacea -non-specific, Public Health Ecology, Survey Studies, Water Quality-general, ...7.0111

Mollusks

GENERAL TECHNICAL ASSISTANCE ...Committee-support, Crustacea -non-specific, Shellfish Depuration, Water Quality-general, ...5.1075

Oysters

COLUMBIA RIVER STUDIES ...Columbia River, Contamination - Water, Invertebrates, Pollution Effects, Radioactivity-general, Reproductive System, ...5.1268

MASS MORTALITY OF PACIFIC OYSTERS ALONG THE WASHINGTON COAST ...Bays, Environmental Ecology, Mortality Rates, Pathology, Puget Sound, ...5.1230

MASS MORTALITY OF OYSTERS ALONG THE OREGON COAST ...Bays, Invertebrate Pathology, Mortality Rates, Oregon, Pathology, ...5.0985

CHARTING OF SUBTIDAL OYSTER BEDS AND EXPERIMENTAL TRANSPLANTING OF SEED OYSTERS FROM POLLUTED SEED OYSTER BEDS ...Captive Rearing, Commercial Fishing, Estuaries, South Carolina, Stocking of Fish & Shellfish, ...5.1101

OYSTER LEASE CONTROL MONUMENTS - BAY ADAM, BASTIAN BAY AND SANDY POINT BAY AREAS ...Commercial Fishing, Gulf of Mexico, Louisiana, Plane, Tides, ...6.0249

A FIELD AND LABORATORY STUDY OF FLUORIDE UPTAKE BY OYSTERS ...Estuaries, Fluoride, Laboratory, Metabolism, Mining Activities, Phosphate, Phosphite, ...6.0407

ENTERIC BACTERIA AND VIRUSES IN SEWAGE, WATER, AND SHELLFISH ...Bacterial Pollutant Sources, Coliforms (non-specific), Pollution Effects, Sewage, Viral Pollutant Sources, ...5.0718

STUDIES IN OYSTER PATHOLOGY ...Histology and Cytology, Mortality Rates, Pathology, ...6.0630

OIL CONTAMINATION OF OYSTERS FROM OIL WELL DRILLING MUDS ...Industrial Wastes, Oil, Petroleum Industry, Pollution Effects, ...5.0449

ECOLOGICAL FACTORS AFFECTING REPRODUCTION OF SHELLFISH (PHYSIOECOLOGY OF SHELLFISH PROGRAM) ...Connecticut, Environmental Ecology, Reproductive System, Spawn Or Nesting Sites, Water Properties-general, ...6.0114

CULTURE OF SHELLFISH IN ARTIFICIAL AND NATURAL SALT PONDS ...Captive Rearing, Commercial Fishing, Growth Rate, Maryland, Ponds, ...6.0267

POTENTIAL OYSTER SETTING CAPACITY - LOCAL AREAS ...Chesapeake Bay, Commercial Fishing, Other, Spawn Or Nesting Sites, Streams, ...5.0507

ECOLOGY AND DISTRIBUTION OF OYSTERS AND CLAMS ...Chesapeake Bay, Clams, Commercial Fishing, Food Supply, Food Webs, ...6.0268

SHELLFISH MORTALITY - CHESAPEAKE BAY ...Chesapeake Bay, Computer Matching Code, Mortality Rates, Pathology, Protozoa, ...6.0264

PESTICIDE MONITORING PROGRAM ...Bioindicators, Estuaries, Gas, Monitoring Systems, ...5.0268

MICROBIOLOGY OF MARINE AND ESTUARINE INVERTEBRATES ...Estuaries, Marine Bacteria (non-specific), Microbiological Analysis, ...2.0586

PACIFIC OYSTER MORTALITY STUDIES ...Invertebrate Pathology, Invertebrates, Mortality Rates, Pathology, ...6.0266

GROWTH, CONDITION, AND SURVIVAL OF SHELLFISH ...Adaptation, Environmental Physiology, Maryland, Water Quality-general, Water Salinity, ...6.0269

FREQUENCY DISTRIBUTION OF BIOLOGICAL POLLUTANTS IN SHELLFISH AND THE MARINE ENVIRONMENT ...Biology, Coliforms (non-specific), Enteroviruses of Humans, Gulf of Mexico, Pollution-water, ...5.0016

EPIZOOTICS IN EXPERIMENTAL MARINE SHELLFISH POPULATIONS ...Epizootic, Freshwater Mussels, Scallops, Mortality Rates, Pathology, ...6.0631

EFFECT OF ANTIBIOTICS ON FUNGUS PARASITES IN OYSTERS ...Antibiotics, Chemicals - Fungicides, Dermocystidium, Fungal Culture, Host Specificity, ...5.1171

BIOLOGICAL ACTIVITIES OF MARINE FUNGI ...Endoparasites - other, Host-parasite Interactions, Invertebrate Pathology, Marine Fungi (non-specific), Pathological Physiology, Plant Developmental Biology, ...5.0289

CONTAMINATION OF OYSTERS BY PESTICIDES ...Dieldrin, Endrin, Mode of Action -animal, Residues in Foods, ...5.0462

MICROBIOLOGY OF ESTUARINE AND SHELLFISH POLLUTION ...Bioindicators, Clams, Estuaries, Pollution Effects, Shellfish Depuration, Waste Water Treatment-general, ...5.0719

SUBJECT INDEX

DEPURATION OF CHEMICAL POLLUTANTS IN SHELLFISH ...Chromium, Contamination - Water, Metabolism, Pesticides - non-specific, Shellfish Depuration, ...5.0020

DEPURATION OF MICROBIAL POLLUTANTS IN SHELLFISH ...Microbiological, Shellfish Depuration, Ultra Violet, Viral Pollutant Sources, ...5.0019

OCEANOGRAPHIC DATA COLLECTION - MIDDLE PUGET SOUND ...Data Acquisition, Puget Sound, Salinity, Temperature, Trace Elements, ...7.0112

ACCUMULATION AND ELIMINATION OF VIRUSES BY SHELLFISH ...Enteroviruses of Humans, Pathology, ...5.1227

BACTERIAL DEPURATION OF WEST COAST SHELLFISH ...Clams, Pilot Plants, Salinity, Shellfish Depuration, Turbidity, ...5.1225

Monitoring (long Term Studies)

LAKE ERIE ENVIRONMENTAL STUDIES PROGRAM ...Biological, Biological-general, Chemical, Chemical-general, Deltas, Eutrophication, Lake Erie, Meteorological Studies-general, Physical-general, Sedimentology-general, ...2.0783

DEVELOPMENT OF A METHOD FOR CHRONIC TOXICITY BIOASSAY USING MARINE PLANKTONIC ALGAE ...Algal Culture, Bioassays, Marine Plants, Microbiological Analysis, Phytoplankton, Technique Development, Toxicology, ...5.1088

Monocots

Asparagus

INFLUENCE OF SOIL MOISTURE AND SOIL FERTILITY LEVELS ON ASPARAGUS YIELD AND QUALITY ...Coastal Plain, Moisture Content, Moisture Levels, Rates Or Levels of Application, ...2.0760

Elodea, Waterweed, Thalassia

THE ECOLOGY OF SELECTED SUBMERSED AQUATIC WEEDS ...Mineral Nutrition, of Aquatic Plants, Potamogeton, Ruppia, Zostera..., Submerged Plants, Water Milfoil, Waterweed..., ...2.0764

THE ECOLOGY OF SELECTED SUBMERSED AQUATIC WEEDS ...of Aquatic Plants, Potamogeton, Ruppia, Zostera..., Submerged Plants, Water Properties-general, ...2.0805

Grasses

Bahia Grass, Dallisgrass

ECONOMIC AND AGRONOMIC EVALUATION OF FERTILIZER RESPONSE OF FORAGE CROPS ...Bermuda Grass, Management, Moisture Levels, Soil Fertility, Yield, ...3.0190

Barley

DROUGHT INJURY AND RESISTANCE IN PLANTS ...Drought, Moisture Deficiency, ...2.0834

DROUGHT RESISTANCE IN BARLEY VARIETIES ...Drought, Moisture Deficiency, Photoperiod -non-specific, ...2.0449

Bermuda Grass

ECONOMIC AND AGRONOMIC EVALUATION OF FERTILIZER RESPONSE OF FORAGE CROPS ...Bahia Grass, Dallisgrass, Management, Moisture Levels, Soil Fertility, Yield, ...3.0190

Chlorideae -other

THE ACCUMULATION OF FISSION PRODUCTS BY MARINE FISH AND SHELLFISH ...Contamination - Water, Estuaries, Food Chains, Radioactivity-general, Radioecology, ...5.0805

FIELD EXPERIMENTS ON THE FLUX OF RADIONUCLIDES THROUGH A SALT MARSH ECOSYSTEM, RENEWAL ...Georgia, Model Studies, Productivity - Food Chain, Swamps-marshes, Water Cycle, ...2.0345

Corn

EFFECT OF WATER AVAILABILITY ON PHOTOSYNTHESIS OF PLANTS ...Available Water, Drought, Irrigation-general, Moisture Content -plants, Photosynthesis, Soybean, ...2.0426

THE EFFECT OF WATER STRUCTURE ON BIOLOGICAL ACTIVITY ...Bacteria (non-specific), Molecular Interaction, Water, Water Movement, ...1.0047

FIELD INVESTIGATIONS OF SUBSURFACE AND SURFACE DRAINAGE ...Drainage, Soybean, ...4.0103

INJURY AND RESISTANCE IN PLANTS ...Drought, Moisture Deficiency, Soybean, Translocation, ...2.0487

SUBJECT INDEX

Montana

SYSTEMATIC ANALYSIS OF THE MOISTURE-TEMPERATURE INTERACTIONS ON CORN YIELD ...Model Studies, Moisture Content, Yield, ...2.0442

IRRIGATION OF COTTON AND CORN. ...Cotton, Irrigation, Irrigation-general, Rates Or Levels of Application, Yield, ...2.0960

PHYSIOLOGY OF MINERAL ACCUMULATION IN PLANTS ...Adhesion, Calcium, Drought, Mineral Nutrition, Nutrition, ...2.0107

EFFECTS OF NUTRITION, CULTURAL PRACTICES AND WEATHER ON THE GROWTH, DEVELOPMENT, YIELD AND QUALITY OF CORN ...Cultivation Methods, Ns, Management, Yield, ...3.0260

Grasses -non-specific

MOISTURE CONTENT OF VARIOUSLY TREATED CHAPARRAL SOILS IN RELATION TO SEEDLING ESTABLISHMENT OF ADAPTED PERENNIAL GRASSES ...Adaptation, California, Cover Crops, Moisture Tension, Soil-water-plant Relationships, ...2.0142

IRRIGATED GRASS INVESTIGATIONS ON THE BELLE FOURCHE PROJECT ...Alfalfa, Harvest and Storage, Irrigation-general, South Dakota, ...2.0977

REMOVAL OF NUTRIENTS FROM ENRICHED FLOWS & WASTE EFFLUENTS BY THE HYDROPONIC CULT OF SUITABLE FORAGE PLANTS & GRASSES ...Hydroponic, Management, Nutrients, Process Design, Waste Water Treatment-general, ...5.0910

IRRIGATED PASTURE AND MEADOW ESTABLISHMENT AND MANAGEMENT ...Flood Irrigation, Irrigation, Legume-grass Mixtures, Legumes -other...mesquite... , Montana, North Dakota, Oregon, ...3.0472

Kentucky Bluegrass

CONTROL OF CANADA THISTLE AND WATER WEEDS ...Evaluation, Montana, of Aquatic Plants, Phenology, Reed Canary, ...3.0308

Oats

WEATHER INFORMATION FOR AGRICULTURE ...Applied Climatology, General Synoptic Observations, Iowa, Moisture Content, Soil Environment, ...2.0484

Panicum -other

SALT TOLERANCE IN BLUE PANICGRASS, PANICUM ANTIDOTALE ...Environment Effects on Genome, Halophytic, Saline Soils, Selection & Breeding, ...3.0023

Rice

PHOSPHATE TRANSFORMATION IN WATERLOGGED SOILS ...Phosphate, Phosphite, Soil-water-plant Relationships, ...4.0124

PROPERTIES OF SUBMERGED SOILS ...Excessive Moisture, Moisture Content, Soil Chemical Properties, Soil Saturation, ...2.0093

RICE CULTURE ...Concentration Within Fertilize, Management, Maturity & Growth Stages, Methods of Application, Other, Rates Or Levels of Application, Varietal Evaluation, Yield, ...2.0570

Sugarcane

WATER REQUIREMENTS OF CROPS UNDER IRRIGATION IN LAJAS VALLEY, PUERTO RICO ...Consumptive Use, Evapotranspiration, Irrigation, Puerto Rico, ...4.0210

PILOT EVAPOTRANSPIRATION STUDY WITH LYSIMETERS OF WATER USE BY SUGAR CANE, PINEAPPLE AND TROPICAL TRUCK CROPS ...Evapotranspiration, Lysimeters, Pineapple, Tropic, Yield, ...2.0372

WATER REQUIREMENT BY SUGARCANE UNDER IRRIGATION ...Evapotranspiration, Irrigation, Moisture Content -plants, Percolation, Requirements for Water, ...2.0933

Onion, Garlic, Shallot, Leeks

CULTURAL PRACTICES OF VEGETABLE CROPS ...Irrigation, Quality -non-specific, Umbelliferae, Yield, ...2.1049

Palms

WATER CONTROL FOR FOREST PRODUCTION ...Available Water, Cultural Control, Pines, Timber Stand Improvement, Water Loss Control, ...3.0175

WATER CONTROL FOR FOREST PRODUCTION ...Drainage, Forests, Irrigation-general, Moisture Content, Water Table Fluctuation, ...2.0314

Pineapple

PILOT EVAPOTRANSPIRATION STUDY WITH LYSIMETERS OF WATER USE BY SUGAR CANE, PINEAPPLE AND TROPICAL TRUCK CROPS ...Evapotranspiration, Lysimeters, Sugarcane, Tropic, Yield, ...2.0372

Potamogeton, Ruppia, Zostera..

WATERFOWL UTILIZATION OF SAGO PONDWEED (POTAMOGETON PECTINATUS) ON A SELECTED MARSH IN NORTHERN UTAH ...Food Supply, Mallard, Storage, Swamps-marshes, Utah, ...6.0588

ECOLOGY & NITROGEN CYCLE IN A MARINE PLANT COMMUNITY ...Bering Sea, Nitrogen, Physiological Ecology, Primary Productivity, Sewage, ...5.0035

THE ECOLOGY OF SELECTED SUBMERSED AQUATIC WEEDS ...Elodea, Waterweed, Thalassia, Mineral Nutrition, of Aquatic Plants, Submerged Plants, Water Milfoil, Waterweed... , ...2.0764

THE ECOLOGY OF SELECTED SUBMERSED AQUATIC WEEDS ...Elodea, Waterweed, Thalassia, of Aquatic Plants, Submerged Plants, Water Properties-general, ...2.0805

Montana

DRAINAGE AREA FLOW RESEARCH ...Discharge-general, Drainage, Small Watersheds, ...2.0270

CONTROL OF CANADA THISTLE AND WATER WEEDS ...Evaluation, Kentucky Bluegrass, of Aquatic Plants, Phenology, Reed Canary, ...3.0308

INFLUENCE OF SEDIMENTATION UPON THE PRODUCTION OF GAME FISHES ...Fish -non-specific, Pollution - Effects of , Population Dynamics, Sediments, Streams, ...4.0669

INTERAGENCY FRAIL LANDS STUDY - MONTANA IV. WATER QUANTITY MANAGEMENT ...Conservation, Erosion-general, Runoff, Slopes, Soil Erosion -non-specific, ...4.0161

EFFECTS OF DEWATERING ON A TROUT POPULATION ...Dewatering, Population Dynamics, Recreation Sites, Salmon & Trout - Non-specific, Streams, ...6.0330

INVENTORY & EVALUATION OF THE GROUND-WATER RESOURCES OF SUMMIT VALLEY & UPPER SILVER BOW CREEK DRAINAGE AREA ...Groundwater, Survey Studies, Tables, Compilations, Catalogs, Urban Environments, Water Quality-general, ...2.0711

THE AQUATIC PLANT RESOURCES OF WESTERN MONTANA ...Aquatic Plants (non-specific), Collections, Plant Taxonomy, Publications -other, ...2.0717

NATURAL WATER SYSTEMS IN WESTERN MONTANA ...Freshwater Ecology, Lakes, Phytoplankton, Streams, Zooplankton, ...2.0719

A GEOLOGIC, GEOCHEMICAL AND MICROBIOLOGIC STUDY OF FLATHEAD LAKE ...Charts, Chemical, Lakes, Physical Properties-general, Topographic, ...2.0718

THE DETERMINATION OF PLANT ROOTING AND WATER ABSORPTION PATTERNS WITH RADIOIODINE ...Absorption, Fixation, Exchange, Iodine, Requirements for Water, Root Absorption, Soil Moisture -non-specific, ...2.0716

HYDROLOGIC ANALYSIS OF THE NORTH FORK OF ELK CREEK ...Automatic Data Acquisition, Discharge-general, Observation Wells, Water Table Fluctuation, ...2.0714

GRAVITY INVESTIGATION OF WATER-BEARING STRATA IN SWAN VALLEY, MONTANA ...Density, Gravity Surveys, Local Structure, Porosity, Valley, Buried, ...2.0713

WATER RESOURCES IN SOURDOUGH AND MIDDLE CREEK WATERSHEDS - A COMPARATIVE STUDY OF QUALITY AND HYDROLOGY ...Conservation-general, Hydrology-general, Land Use, Water Quality Control-general, Watersheds-general, ...5.0695

A STUDY OF WATER RESOURCES RESEARCH NEEDS IN MONTANA ...Operations Research, Projections and Estimations, Water Resources Development, ...6.0326

WATER AND RECREATION USE, BLACKFOOT RIVER DRAINAGE, WESTERN MONTANA ...Frequency of Use, Recreation Sites, Residence, User Patterns, ...6.0332

LEGAL RESEARCH, WRITING AND DRAFTING TOWARD IMPROVING MONTANA WATER LAWS ...Conservation-general, Legislation, State Government, Water Utilization -general, ...6.0333

COPPER TOXICITY ON ALGAE OF THE BIG BLACKFOOT RIVER ...Contamination, Pollution-water, Copper, Environment, Mining Activities, Pollution - Effects of , ...5.0701

Montana

SUBJECT INDEX

- WATER DATING TECHNIQUES AS APPLIED TO THE MISSOULA GROUNDWATER RESERVOIR, MONT. ...Carbon-14, Geochemical Analysis, Groundwater Movement, Unconsolidated Aquifers, ...2.0715
- DEVELOPMENT OF A STATE WATER PLANNING MODEL ...Application, Development of Models, Model Studies, Planning, River Basins, ...6.0325
- HYDROGEOCHEMICAL INVESTIGATION OF SELECTED WATERSHEDS IN SOUTHWESTERN MONTANA ...Chemical-general, Environmental Effects-geologic, Hydrogeochemical Properties, Rocks - Bedrock, Small Watersheds, ...5.0698
- MICROBIOLOGICAL STUDIES IN AN OPEN AND A CLOSED WATERSHED ...Bacterial Pollutant Sources, Coliforms (non-specific), Recreation Sites, Streptococcus Fecalis, Watersheds-general, ...5.0696
- HYDROBIOLOGY OF THE MADISON RIVER AND ITS HEADWATERS ...Aquatic Plants (non-specific), Organic-general, Photosynthesis, Physiological Ecology, Respiration, ...5.0697
- EVALUATION OF HYDROLOGIC INSTRUMENTATION ON MAYNARD CREEK WATERSHED ...Data Acquisition Systems, Data Processing Services, Evaluation Other, ...7.0073
- SKYWATER ...Amount, Clouds-precipitation, Fronts, Storms-general, Topographic Influences, ...2.0200
- HYDROLOGY OF HUNGRY HORSE RESERVOIR MONTANA ...Inflow, Low Flow, Reservoirs and Impoundments, Water Balance-budget, ...2.0124
- RESEARCH IN ATMOSPHERIC SCIENCES AS RELATED TO INCREASING WATER SUPPLY ...Modification, Nucleation Physics, Snowmelt, Topographic Influences, ...2.0904
- IRRIGATED PASTURE AND MEADOW ESTABLISHMENT AND MANAGEMENT ...Flood Irrigation, Grasses -non-specific, Irrigation, Legume-grass Mixtures, Legumes -other...mesquite..., North Dakota, Oregon, ...3.0472

Motors and Appliances

- ELECTRICAL MACHINERY TEMPERATURE CONTROL ...Electric Power Plants, Other Control Systems, Power Regulator, Temperature, ...8.0125

Mountains-alpine

- SNOW DISTRIBUTION MAPPING FROM SATELLITE PHOTOGRAPHY ...Aerospatial, Mapping, Maps-general, Patterns, ...8.0214
- STUDIES ON THE GEOSCIENCE VALUE OF RADAR IMAGERY ...Bibliography, Mapping, Photogrammetry, Radar, River Basins, ...8.0199
- TELEMETERING OF HYDROLOGIC DATA FROM REMOTE AREAS ...Automatic Data Acquisition, Data Transmission Systems, Other Telemetry, Remote Areas, Technique Development, ...7.0026
- MOUNTAIN MEADOW RESTORATION ...Agricultural Land Use Effects, Conservation, Conservation-general, Management and Fertility, Other Water Conditions, ...4.0166
- SURFACE WATER MANAGEMENT ...Channels, Forest Watersheds, Hydrographs, Seepage, Soil-water-plant Relationships, ...4.0060
- A STUDY OF THE BIOLOGICAL, CHEMICAL AND PHYSICAL NATURE OF WATER QUALITY FACTORS UNDER UTAH CONDITIONS ...Biological-general, Chemical-general, Model Studies, Physical-general, Pollutants - Path of, ...5.1195
- COMPUTER SIMULATION OF THE HYDROLOGIC SYSTEM OF A MOUNTAIN WATERSHED ...Digital Computers, Groundwater, Hydrology-general, Model Studies, Surface Water, Watersheds-other, ...2.0707
- A SYSTEM FOR GEOLOGIC EVALUATION OF POLLUTION POTENTIAL AT MOUNTAIN DWELLING SITES ...Joints-fractures, Sewage, ...5.0199
- A STUDY OF SUBSURFACE FLOW INTO MOUNTAIN STREAMS AS RELATED TO TOPOGRAPHY AND PARTIAL SOURCE AREAS ...Baseflow, Georgia, Japan, Relief, ...2.0340
- EVAPOTRANSPIRATION PATTERNS OF FOREST AND BRUSH VEGETATION ON THE EAST SLOPE OF THE SIERRA NEVADA ...Evapotranspiration, Forest Watersheds, Moisture Levels, Sierra Nevada, Slope - Direction of, ...4.0167
- RESEARCH ON GEOHYDROLOGY OF THE EASTERN SLOPE OF WEST MAUI ...Aquifers-general, Hawaii, Patterns, Projections and Estimations, Slopes, Water Yield, ...6.0170
- BOTTOM FAUNA IN THE NORTH ST. VRAIN CREEK, COLORADO ...Aquatic Ecology, Benthic Fauna, Colorado, Streams, Vertical Distribution, ...2.0158

- LEVELS OF SECONDARY PRODUCTIVITY IN COLORADO MOUNTAIN STREAMS ...Colorado, Productivity - Food Chain, Secondary Productivity, Streams, ...5.0179
- HYDROMETEOROLOGY ...Orographic Effects, Snowpack, Topographic Influences, Turbulence-other, Velocity, ...2.0218
- MOUNTAIN RESEARCH ...General, ...2.0753
- SKYWATER-PARK RANGE FOREST HYDROLOGY ...Colorado, Forest Watersheds, Model Studies, Topographic Influences, Weather Modification-general, ...2.0172
- MATHEMATICAL METHODS OF EVALUATION OF RESULTS OF ATMOSPHERIC WATER RESOURCES PROGRAMS ...Error Analysis, Intermontane Plateaus-other, Physiography-general, Reliability Theory, Weather Modification-general, ...2.0189
- PREVENTING OR CONTROLLING ACCELERATED EROSION OF UNSTABLE FOREST SOILS ...Erosion-general, Movement, Availability, Open Channel, Slopes, Soil Science -other, Soil Stability Analysis, ...5.0316
- WATER YIELD IMPROVEMENT IN THE SNOWPACK TIMBER ZONE, RUNOFF FROM RANGELANDS ...Erosion-general, Gully Or Channel Erosion, Radiation-general, Snowmelt, Water Yield, ...3.0143
- SNOW ACCUMULATION AND MELT ON STUDY AREAS ...Energy-general, Idaho, Patterns, Photogrammetry, Snowmelt, ...2.0388
- INFILTRATION AS INFLUENCED BY SOIL-VEGETATION COMPLEXES ...Infiltration, Semi - Arid, Soil-water-plant Relationships, ...2.0385
- FACILITIES AND SYSTEMS FOR WATER HARVEST IN THE INTER-MOUNTAIN BASIN ...Durability, Deterioration, Film, Storage of Water, Water Harvesting, Water Loss Control, ...8.0292

Mucus

- ECOLOGICAL SIGNIFICANCE OF ORGANIC RELEASE PRODUCTS OF MARINE AND FRESHWATER ANIMALS ...Aquatic Ecology, Biological Rhythms, Metabolism, Productivity - Food Chain, ...2.0342

Multiple-purpose Projects

- INPUT-OUTPUT ANALYSIS OF WATER USE FOR NEBRASKA INDUSTRIES - WATER RESOURCE PLANNING - WATER DEMAND ...Industrial-general, Nebraska, Water Demand, ...6.0336
- THE IMPACT OF IMPOSING A WATER QUALITY STANDARD ON A LIVE STREAM ...Flow Augmentation, Low Flow, Pollution Abatement, Reservoirs and Impoundments, Water Standards, ...6.0494
- THE OPTIMUM RELEASE POLICY FOR A MULTIPURPOSE RESERVOIR USING STOCHASTIC HYDROLOGY ...Flow Augmentation, Reservoirs and Impoundments, Stochastic Models, Stochastic Processes, Synthetic Hydrology-general, ...6.0337
- THE POTOMAC RIVER BASIN DEMONSTRATION PROJECT IN GEORGES CREEK ...Alternative Planning, Potomac River, River Basins, State-local Government, ...6.0261
- AN ECONOMIC EVALUATION OF THE TOLEDO BEND RESERVOIR PROJECT ...Benefit-cost Analysis, Louisiana, Policy Making, Reservoirs and Impoundments, Texas, Water Law-general, Welfare Economics, ...6.0246
- MODELING AND OPTIMIZATION OF WATER RESOURCES SYSTEMS ...Management, Mathematical Analysis, Model Studies, Optimization, Reservoirs and Impoundments, ...6.0234
- MULTIPLE PURPOSE WATER RESOURCE INVESTIGATIONS ...Land Use, Management, New York, Reservoirs and Impoundments, Urban Environments, ...6.0390
- DEVELOPMENT OF METHODS FOR PLANNING AND TIMING OF WATER RESOURCES INVESTMENTS ...Finance, Operations Research, Planning, Risk & Uncertainty, Water Resources Development, ...6.0065
- DEVELOPMENT OF MULTIPLE-USE PRODUCTION/OUTPUT INFORMATION FOR OWNERS OF SMALL WOODLANDS IN THE CENTRAL HARDWOOD REGION ...Control and Protection, Erosion-general, Forest Watersheds, General Information Services, Input - Output Analysis, ...7.0027
- NATURAL RESOURCE MANAGEMENT AND CONSERVATION IN THE SOVIET UNION ...Conservation-general, Russia, Survey Studies, Water Allocation, Water Quality-general, ...3.0485
- REGIONAL COMPREHENSIVE MULTI-PURPOSE WATER RESOURCES PLANNING STUDIES ...Augmentation-general, New York, Planning, Public Utilities, Water Resources Development, ...6.0370

SUBJECT INDEX

New Hampshire

INDUSTRIAL WATER USE IN THE UNITED STATES
...Economics-general, Extractive Natural Resources, Industry,
Manufacturing, Water Utilization -general, ...5.0239

NORTH FORK CITICO CREEK WATERSHED RESEARCH
...Construction, Forest Watersheds, Hydrology-general, Land Use,
...4.0220

THE DEVELOPMENT OF METHODS USED IN EVALUATING
RECREATIONAL BENEFITS OF MULTIPLE-PURPOSE
WATER RESOURCE PROJECTS ...Benefit-cost Analysis, Con-
sumption, Demand Analysis, Methods, Recreation Sites, Theory,
...6.0534

HYDROLOGY OF HUNGRY HORSE RESERVOIR, MONTANA
...Flow Characteristics -water, Forecasting-prediction, Hydrology-
general, Reservoirs and Impoundments, Total Volume, ...2.0705

Musculoskeletal System

DEVELOPMENT OF MARKING METHODS FOR SMALL FISH
...Dyes, Largemouth Bass, Other, Tags, ...7.0081

Museum

CYTOTAXONOMY AND RELATED STUDIES OF HOLARCTIC
MIDGES ...Animal Taxonomy, Arctic, Bloodworms, Aquatic
Midges, Collections, Nearctic, ...5.0756

Nebraska

LIMNOLOGY OF DESOTO BEND LAKE, IOWA AND
NEBRASKA ...Benthic Organisms (non-specific), Iowa, Lakes,
Plankton (non-specific), Stratification, ...7.0040

INVESTIGATIONS OF THE RELATION BETWEEN THE USE
OF CHLORINATED HYDROCARBONS AND THEIR
RESIDUES IN CHANNEL CATFISH ...Channel Catfish,
Chlorinated Hydrocarbons, Environmental Effects, Missouri
River, Wildlife, ...5.0702

ENERGY SOURCES FOR EVAPOTRANSPIRATION IN THE
PLAINS REGION ...Antitranspirants, Evapotranspiration, Lysime-
ters, Radiation-general, Water Loss Control, ...2.0721

INPUT-OUTPUT ANALYSIS OF WATER USE FOR NEBRASKA
INDUSTRIES - WATER RESOURCE PLANNING - WATER
DEMAND ...Industrial-general, Multiple-purpose Projects, Water
Demand, ...6.0336

ENGINEERING PHASES OF LAND SHAPING FOR SOIL AND
WATER CONSERVATION ...Available Water, Conservation &
Management Eng, Runoff, Soil Environment, Water Loss Control,
...3.0312

UTILIZATION OF THE STORAGE POTENTIAL OF RIVER
VALLEY AQUIFERS (ABBREV) ...Recharge -general, River
Basins, Storage of Water, Valley, Buried, Water Quality-general,
...4.0162

ENGINEERING AND AGRONOMIC STUDIES ASSOCIATED
WITH LAND SHAPING, ETC. ...Conservation & Management
Eng, Erosion-general, Tillage, Cropping Systems, Water Loss
Control, ...4.0163

DETACHABILITY OF SOIL PARTICLES ...Cover Crops, Manage-
ment Effects, Rain, Soil Analysis, ...2.0723

AGROCLIMATIC PARAMETERS ...Agricultural Studies -general,
Applied Climatology, Climate-general, Phenology, Seasonal,
...2.0724

MAXIMUM PRODUCTION OF CROPS UNDER IRRIGATION IN
WESTERN NEBRASKA ...Chemical Analysis - Soils, Irrigation,
Moisture Content, Subsurface Irrigation, Yield, ...2.0727

LIMNOLOGY OF NEBRASKA ...Lakes, Life History Studies,
Phenology, Reservoirs and Impoundments, Water Properties-
general, ...2.0720

Nematodes

Nematoda -other

WATER RESOURCES NEMATOLOGY ...Animal Pollutant
Sources, Aquatic Ecology, Environmental Ecology, Mans Activi-
ties, Productivity - Food Chain, ...5.0001

STUDIES ON THE INTERACTIONS OF BACTERIA AND
AQUATIC NEMATODES ...Animal Pollutant Sources, Aquatic
Ecology, Bacteria (non-specific), Bacterial Pollutant Sources, In-
terbiotic Relat.(non-specif), ...5.0013

ECOLOGY OF NEMATODES IN IRRIGATION WATER ...Animal
Wastes - Feed Lots, Bioindicators, Irrigation-general, Longevity,
Pollution - Effect of , ...5.1232

FACTORS INFLUENCING FREE-LIVING NEMATODES IN
WATER SUPPLIES ...Aquatic Ecology, Chemical Treatment-
general, Evaluation, Mode of Action -animal, Sand, ...5.0368

NEMATODES ASSOCIATED WITH SEWAGE TREATMENT
AND THEIR SIGNIFICANCE ...Animal Taxonomy, Contamina-
tion - Water, Sewage, Streams, Waste Water Treatment-general,
...5.0251

Rhabditoidea

ROOT-KNOT NEMATODE CONTROL (MELOIDOGYNE
NAASI-FRANKLIN) ...Animal Pollutant Sources, Formu-
lation,rate,concentration, Nematocides -non-specific, Nematodes,
Population Dynamics, ...3.0042

Nevada

ECOLOGY OF SCHISTOSOME DERMATITIS IN WESTERN
AND NORTHERN NEVADA WATERS ...Animal Pollutant
Sources, Contamination - Water, Lakes, ...6.0338

RESEARCH AND ANALYSIS TO PLAN, DEVELOP, AND
MANAGE A GROUND AND SURFACE WATER SUPPLY
...Management, Price & Value, Water Supply-general, ...6.0339

STATE WATER LAW ORIENTATION TOWARD SCIENTIFIC
AND TECHNOLOGICAL BASES FOR EFFECTIVE
PLANNING AND MANAGEMENT ...Conflicts, Water Alloca-
tion, ...6.0341

WATER-QUALITY REGIMEN OF TAHOE-TRUCKEE SYSTEM
...California, Digital Computers, Lakes, Model Studies, Water
Quality-general, ...5.0706

CLIMATE AND PHENOLOGICAL PATTERNS FOR AGRICUL-
TURE IN THE WESTERN REGION ...Patterns, ...2.0730

WATER REQUIREMENTS OF MAJOR CROPS IN SOUTHERN
NEVADA ...Moisture Content, Requirements for Water,
Seasonal, Soil and Rock Leaching, ...2.0728

PESTICIDAL RESIDUES OF AGRICULTURAL CHEMICALS
...Persistence in Soils, Pesticides -non-specific, Pollutants-general,
Residue Analysis -other, Soil Degradation -other, ...5.0707

FERTILIZER-WATER-CULTURAL PRACTICES ...Arid and
Desert, Management, Plant Water Use-other, Seed Production -
non-specific, ...6.0342

IMPROVEMENT AND MANAGEMENT OF THE COMMUNITY
PASTURES OF THE PERSHING COUNTY WATER CONSER-
VATION DISTRICT NEAR BATTLE MOUNTAIN, NEVADA
...Evaluation, in Forages and Pasture, Management,
Phreatophytes, Storage of Water, ...3.0316

VELOCITIES OF RADIONUCLIDES AT ARNAR GOSA SITE
...Groundwater, Pollutants - Path of , Radioactivity-underground
Test, Transport, ...2.0174

LARGE IMPOUNDMENTS ...Arid and Desert, Eutrophication,
Reservoirs and Impoundments, Water Properties-general, Water
Quality-general, ...5.0184

New Hampshire

HYDROLOGIC-MINERAL CYCLE INTERACTION IN SMALL
UNDISTURBED AND MANMANIPULATED ECOSYSTEMS
...Chemical Reactions, Environment, Mineral Associations, Small
Watersheds, Water Cycle, ...2.0745

RESIDENT POPULATION DETERMINATION ...Effluents-waste
Water, Pollution - Effects of , Pollution Effects, Thermal Pollu-
tion, ...5.0709

DETERMINATION OF THE STAGES OF EUTROPHICATION OF
SOME OF NEW HAMPSHIRE'S LARGE LAKES PHASE II
...Eutrophication, Lakes, Phytoplankton, Primary Productivity,
Water Properties-general, Zooplankton, ...2.0746

A STUDY OF ALGAL POPULATIONS ASSOCIATED WITH DIFF-
ERENT LEVELS OF WATER QUALITY IN NEW
HAMPSHIRE ...Algal Pollutant Sources, Bioindicators, Eutrophica-
tion, Nutrition Studies, Water Quality-general, ...5.0712

A COMPENDIUM OF WATER LAW AND ECONOMICS IN
NEW HAMPSHIRE ...Conjunctive Use, Economic Impact, Water
Law-general, Water Quality-general, Water Rights-general, Water
Utilization -domestic, ...6.0283

OCCURRENCE AND CHARACTERISTICS OF FRACTURES IN
CRYSTALLINE ROCKS OF SOUTHEASTERN NEW
HAMPSHIRE AND THEIR RELATIONSHIP TO THE YIELD
OF DRILL ...Groundwater Mining, Joints-fractures, Mapping,
Water Wells, Water Yield, ...2.0744

ULTRAVIOLET ABSORPTION AND ITS POSSIBLE RELATION
TO EUTROPHICATION IN LARGE NEW HAMPSHIRE LAKES
...Eutrophication, Filtration, Lakes, Technique Development, Ul-
traviolet, ...5.0714

New Hampshire

BASE FLOW ANALYSIS OF SELECTED DRAINAGE BASINS.
...Baseflow, Mathematical Analysis, Seasonal, Small Watersheds,
...2.0742

New Jersey

A STUDY OF THE ECONOMIC IMPACT OF DROUGHT ON WATER SUPPLY SYSTEMS IN THE PASSAIC RIVER BASIN, NEW JERSEY ...Economic Impact, Meteorological Extremes, Public Utilities, River Basins, Water Quality-general, ...2.0761

HYDROLOGY OF SUBURBAN AREAS ...Amount, Conservation-general, Land, Runoff, Suburban Areas, ...4.0173

USE OF WATER BY LOWLAND VEGETATION IN NEW JERSEY COASTAL PINE REGION ...Consumptive Use, Evapotranspiration, Plant Water Use-other, Transpiration and Evap, Water Yield, ...2.0759

THE EFFECTIVENESS OF GOVERNMENTAL ACTION FOR WATER POLLUTION CONTROL IN NEW JERSEY ...Administrative Structures, Local Government, Pollution Sources-general, Survey Studies, Water Quality Control-general, ...6.0349

PHOTOSYNTHETIC REAERATION IN THE UPPER PASSAIC RIVER ...Aeration, Chemical Oxygen Demand, Photosynthesis, Self-purification, Streams, ...5.0733

EFFECT OF WATER QUALITY ON RESIDENTIAL LOCATION DECISIONS ...Economic Impact, Location Choice, Pollution - Effects of, Water Costs, ...6.0348

SOIL DRAINAGE ...Amount, Drainage, Soil Morphology, Profiles, Water Table Fluctuation, ...4.0171

SOIL-PLANT-WATER RELATIONSHIPS ...Drought, Evaporation, Growth Rate, Soil-water-plant Relationships, Water Loss Control, ...2.0758

INTERCEPTION AND WATER LOSSES FROM A FOREST FLOOR-SHRUB LAYER ...Ecology and Morphology, Intereception, Lysimeters, Other Water Conditions, Water Loss Control, ...2.0770

HYDROLOGY OF CONSOLIDATED ROCK AQUIFERS NEAR PENNINGTON, NEW JERSEY ...Aquifers-general, Circulation - water, Permeability, Recharge -general, Reservoirs and Impoundments, ...2.0767

PURIFICATION OF HARD CLAMS FROM POLLUTED WATERS ...Animal Viruses (non-specific), Clams, Contamination - Water, Estuaries, Intestinal Bacteria, ...5.0729

EFFECT OF THE EFFLUENT FROM AN ATOMIC POWER PLANT ON THE ADJACENT PORTION OF BARNEGAT BAY, NEW JERSEY ...Bays, Pollution - Effects of, Pollution Effects, Reactor Sites & Rad Waste, Thermal Pollution, Water Temperature-non-specific, ...5.1076

New Mexico

FLOOD FREQUENCY STUDY ...Bridges & Culverts, Culvert, Floods, Peak Flow, Rio Grande, ...2.0772

SAN LUIS WATERSHED STUDY ...Conservation-general, Management, Sediment Yield, Small Watersheds, Water Yield, ...2.0234

SAN ISIDRO WASH STUDY FLOW LOSSES IN AN EPHEMERAL STREAM CHANNEL ...Ephemeral, Evapotranspiration, Gaging, Infiltration, Morphology-general, ...2.0177

EVALUATION OF MARINE AND ALKALI TOLERANT SPECIES INTRODUCTION IN THE LOWER PECOS RIVER ...Centrarchidae -other, Drums, Fish -other, Migration, Stocking of Fish & Shellfish, ...6.0368

THE EFFECT OF IRRIGATION METHOD, AND MOISTURE AND FERTILITY LEVELS UPON MAXIMIZING WATER USE EFFICIENCY AND QUALITY COTTON FIBER PRODUCTION ...Cotton, Furrow Irrigation, Rates Or Levels of Application, Soil Fertility, Subsurface Irrigation, Water Loss Control, ...3.0337

A COMPREHENSIVE WATER RESOURCES ANALYSIS OF A TYPICAL OVERDRAWN BASIN IN AN IRRIGATED SEMIARID AREA - PECOS RIVER BASIN, NEW MEXICO ...Impact, Land, Management, River Basins, Systems Analysis, ...6.0366

A HISTORY OF WATER UTILIZATION IN THE SOUTHWEST, WITH PARTICULAR REFERENCE TO NEW MEXICO ...Administrative Structures, Economies-general, History, Water Law-general, Water Utilization -domestic, ...2.0774

IRRIGABLE ACREAGE IN NEW MEXICO AND PROJECTED DEMANDS FOR IRRIGATION WATER ...Economies-general, Irrigation, Irrigation-general, Water Costs, Water Demand, ...6.0360

IRRIGABILITY CLASSIFICATION OF NEW MEXICO SOILS AS A GUIDE FOR WATER IMPORTATION ...Irrigation-general, Soil Environment, Soil Types, ...2.0773

SUBJECT INDEX

A COMPREHENSIVE ANALYSIS OF THE TULAROSA BASIN SALINE WATER RESOURCES - THEIR AVAILABILITY AND POTENTIAL ECONOMIC DEVELOPMENT ...Atomic Plants, Brines, Desalination, Electric Power Plants, Impact, ...7.0076

A COMPREHENSIVE WATER RESOURCES ANALYSIS OF A TYPICAL OVERDRAWN BASIN IN AN IRRIGATED SEMIARID AREA - PECOS RIVER BASIN, NEW MEXICO ...River Basins, Semi - Arid, Systems Analysis, ...6.0362

COMPARATIVE PRODUCTIVITIES OF SMALL BODIES OF WATER IN DESERT AND MONTANE AREAS OF SOUTHERN NEW MEXICO ...Phytoplankton, Plant Prod. (non-specific), Ponds, Productivity - Food Chain, Zooplankton, ...3.0336

EFFECT OF RANGE AND WATER ON MULE DEER POPULATION ...Odocoileus, Population Dynamics, Range Or Territorial Distr., Relations - Forage - Timber, Water Utilization -animal, ...3.0338

CULTURAL AND MANAGEMENT STUDIES FOR GRAIN SORGHUM ON THE HIGH PLAINS OF EASTERN NEW MEXICO ...Irrigation, Irrigation-general, Management, Milo and Grain Sorghum, Space Competition, ...6.0358

EVALUATION OF IRRIGATED PASTURE GRASSES ...Harvest and Storage, Irrigation, Nitrogen, ...6.0369

TURFGRASS MANAGEMENT ...in Turf, Management, Nitrogen, Phosphorus, Potassium, Species and Variety Evaluation, ...6.0367

FARM IRRIGATION EFFICIENCY AS INFLUENCED BY DESIGN, CONSTRUCTION, AND OPERATION OF IRRIGATION SYSTEMS IN SOUTHWESTERN NEW MEXICO ...Irrigation, Irrigation Engineering, Irrigation-general, Rhizosphere, ...2.0775

LAND AND WATER VALUES IN EASTERN NEW MEXICO ...Groundwater, Irrigation-general, Land, Price & Value, Water Costs, ...6.0361

CONSUMPTIVE USE OF WATER BY SALT CEDARS ...Consumptive Use, Lysimeters, Other Water Conditions, Saltcedar, Tamarisk, Water Table - Depth of, ...3.0113

WEED CONTROL AND REVEGETATION ...of Aquatic Plants, of Trees and Shrubs, Rio Grande River, Riparian Land, ...3.0118

CONTROL OF WOODY PLANTS ...Aerial - Airplane, Herbicides - non-specific, Rio Grande River, Weed Control -other, ...3.0121

CHANNELIZATION STUDIES ...Channel Geometry, Channels, Control and Protection, Sedimentation, Silting, ...8.0053

WEED CONTROL AND REVEGETATION ...Control and Protection, Plant Pollutants, Rio Grande River, Weed Control -other, ...3.0111

ATMOSPHERIC WATER RESOURCES RESEARCH IN THE STATE OF NEW MEXICO ...Clouds-general, Clouds-precipitation, Precipitation Instruments, Rio Grande, Storms-general, ...2.0175

PROJECT SKYWATER - NEW MEXICO ...Automatic Stations, Gages, Instrumental Services, Other Telemetry, Snow-general, Technique Development, ...2.0203

New York

ANALYSIS OF RECHARGE BASINS ...Artificial Recharge, Drainage, Recharge Pits - Wells, Runoff, ...2.0777

EFFECT OF LIMNOLOGICAL CHANGES ON SURVIVAL OF YOUNG FISH IN ONEIDA LAKE ...Fish -non-specific, Food Supply, Lakes, Urban Environments, Water Quality-general, ...6.0372

WATER SUPPLY-DEMAND ...Operations Research, Planning, Projections and Estimations, Water Demand, Water Supply-general, ...2.0795

IMPACT OF WATER BASED RECREATION ...Benefit-cost Analysis, Lakes, Planning, Recreation Sites, Reservoirs and Impoundments, ...6.0384

THE ROLE OF LANGMUIR CIRCULATIONS IN MIXING OF LAKE GEORGE ...Circulation -water, Evaporation, Heat Flow, Lakes, Mixing, ...2.0779

WATER RIGHTS & WATER LAW & THE EFFECTS OF THESE ON THE DEVELOPMENT & UTILIZATION OF THE WATER RESOURCES OF NY STATE (ABBREV) ...Administrative Structures, Law Enforcement, Riparian Rights, State Government, Water Utilization -general, ...6.0380

GLACIAL GEOLOGY OF THE CHAMPLAIN VALLEY ...Clays, Glacial History, Mapping, Till, Vermont, ...2.1089

THE USE OF SYSTEMS ANALYSIS IN THE DEVELOPMENT OF WATER RESOURCES MANAGEMENT PLANS FOR NEW YORK STATE ...Management, Model Studies, Planning, Systems Analysis, ...6.0373

SUBJECT INDEX

Nitrogen

- BENEFITS FROM INTEGRATED WATER MANAGEMENT IN THE NEW YORK METROPOLITAN REGION ...Administrative Structures, Management, Model Studies, Urban Environments, Water Sources -general, ...**6.0393**
- DISCHARGE OF INDUSTRIAL WASTES TO MUNICIPAL SEWER SYSTEMS ...Canning Wastes, Disposal Wastes, Metal Pickling Wastes, Organic Wastes, Pulp and Paper Wastes, ...**5.0768**
- THE ROLE OF LANGMUIR CIRCULATIONS IN MIXING OF LAKE GEORGE ...Lakes, Mixed Modes, Mixing, Rotating Fluids, Temperature, ...**2.0780**
- DIATOM POPULATIONS CHANGES IN LAKE GEORGE ...Algae- Diatoms, Eutrophication, Plankton Sampling, Plant Succession, Recreation Sites, ...**2.0816**
- STOCHASTIC BASIS FOR COMPREHENSIVE RIVER BASIN PLANNING ...Development of Models, Digital Computers, Monte Carlo Methods, Planning, Stochastic Processes, Systems Analysis, ...**6.0374**
- A STUDY OF POTENTIAL INSTITUTIONAL ARRANGEMENTS FOR WATER POLLUTION CONTROL IN THE HUDSON-MOHAWK RIVER BASIN ...Administrative Structures, Government -other, River Basins, Systems Analysis, Water Quality Control-general, ...**6.0379**
- PLANNING ANALYSIS FOR THE NON-MARKET VALUES OF WATER RESOURCES WITH PARTICULAR EMPHASIS ON RECREATION ...Lakes, Model Studies, Projected Demand, Recreation Sites, ...**6.0391**
- SPRING CREEK AUXILIARY WATER POLLUTION CONTROL PROJECT ...Bays, Combined Sewer, Effluents-waste Water, Overflow, ...**5.0759**
- MULTIPLE PURPOSE WATER RESOURCE INVESTIGATIONS ...Land Use, Management, Multiple-purpose Projects, Reservoirs and Impoundments, Urban Environments, ...**6.0390**
- CLIMATE OF THE NORTHEAST - ANALYSIS AND RELATIONSHIP TO PLANT RESPONSE ...Ash Trees, Flowering, Phenology, Physical Climatology, ...**2.0791**
- LIMNOLOGICAL INVESTIGATION OF ONEIDA LAKE ...Food Chains, Lakes, Phytoplankton, Primary Productivity, Zooplankton, ...**5.0773**
- MAJOR FACTORS INFLUENCING PRODUCTION OF PHYTOPLANKTON IN NEW YORK LAKES ...Energy, Lakes, Nutrients, Phytoplankton, ...**2.0796**
- AN EVALUATION OF THE REJUVENATION OF THE BUFFALO RIVER ...Chemical-general, Flow Augmentation, Sediments, Streams, Turbidity, ...**4.0181**
- FLORA OF THE GENESEE COUNTRY--AQUATIC VASCULAR PLANTS CONESUS LAKE COMMUNITY STUDIES ...Aquatic Plants (non-specific), Bacterial Pollutant Sources, Budgets -other, Floras, Range Or Territorial Distr. , ...**6.0378**
- SEASONAL VARIATIONS OF SOME LIMNOLOGICAL FACTORS IN LITTLE SODUS BAY, NEW YORK ...Bays, Chemical-general, Eutrophication, Lake Ontario, Productivity - Food Chain, ...**3.0355**
- ECOLOGY OF YEASTS IN LAKE CHAMPLAIN ...Lakes, Millipore, Plant Taxonomy, Yeast N S, ...**6.0395**
- REGIONAL COMPREHENSIVE MULTI-PURPOSE WATER RESOURCES PLANNING STUDIES ...Augmentation-general, Multiple-purpose Projects, Planning, Public Utilities, Water Resources Development, ...**6.0370**
- TREE NUTRITION AND FOREST FERTILIZATION ...Growth Rate, Irrigation-general, Site Index and Site Quality, Soils and Fertilizer, ...**2.0788**
- AQUATIC BIOLOGY INVESTIGATIONS ...Cricetidae -other, Lake Trout, Brook Trout, Lakes, Streams, Water Fowl, N.s. , ...**2.0786**
- A STUDY OF SNOW INTERCEPTED BY CONIFEROUS TREE CROWNS AND ITS DISPOSITION UNDER THE CLIMATIC CONDITIONS OF CENTRAL NEW YORK ...Coniferous Forests, Conifers -non-specific, Interception, Snow, Snow-other, ...**2.0787**
- A COMPARATIVE STUDY OF THE MACROSCOPIC BENTHIC FAUNA OF TWO CENTRAL ADIRONDACK LAKES ...Animal Taxonomy, Benthic Fauna, Comparative Physiology, Lakes, Productivity - Food Chain, ...**2.0814**
- FISH MOVEMENTS IN THE NORTH INLET OF WOLF LAKE, HUNTINGTON FOREST ...Behavioral Ecology, Environmental Ecology, Lake Trout, Brook Trout, Locomotion -animal, Streams, ...**2.0813**
- GEOLOGIC ASPECTS OF SEA-WATER ENCROACHMENT - RECOGNITION OF LATE GLACIAL SUBSTAGES IN NEW YORK AND NEW ENGLAND ...Field Studies, Quaternary Period, Saline Water Intrusion, Sea Level Variations, Shoreline - Coastline, ...**2.0300**

- QUANTITATIVE WATER-BUDGET ANALYSIS OF WESTERN LONG ISLAND, NEW YORK ...Alternative Planning, Groundwater Basins, Management, Water Balance-budget, Water Resources Development, ...**2.0809**

Nickel Alloys

- WATER RESEARCH PROGRAM III CORROSION ...Brinzes, Composition Parameters-other, Pitting, Titanium, ...**3.0438**

Nitrate, Nitrite

- CHEMICAL REMOVAL OF NITRATE FROM POTABLE WATER SUPPLIES ...Ion Exchange-other, Potable, Potable Water, Reduction-other, ...**5.0423**
- FLUIDIZED EXCHANGE SYSTEMS FOR REMOVAL OF NITROGEN AND PHOSPHOROUS FROM WASTEWATER ...Fluidized Bed, Ion Exchange-other, Nutrients, Phosphate, Phosphite, Waste Water Treatment-general, ...**5.0556**
- REAGENTS FOR DETERMINATIONS OF TRACE IMPURITIES IN WATER ...Analysis and Detection, Cobalt, Inorganic, Nitroso Compounds, Spectroscopy-general, ...**5.0330**
- SPECTROPHOTOMETRIC AND FLUOROMETRIC DETERMINATION OF SELECTED ANION WATER CONTAMINANTS ...Chemical Analysis (water), Chemical Identification, Fluoride, Fluorometry, Spectroscopy-general, ...**5.0671**
- NITRATE ACCUMULATION IN KANSAS GROUND WATER ...Fertilizers, Groundwater, Ions and Gases, Kansas, Percolation, ...**5.0434**
- AUTOMATED POTENTIOMETRIC TECHNIQUES FOR THE ON-SITE MONITORING OF ANION CONCENTRATIONS IN WATER ...Analysis and Detection, Automatic Systems, Electrode, Potentiometry, Technique Development, ...**5.0676**
- NITRATES IN WATER SUPPLIES ...Animal Wastes - Feed Lots, Nitrogen, Physical Properties-general, Pollutants - Path of , Soil Sampling, Waste Disposal -underground, ...**5.0679**
- BOD, SOLIDS AND NUTRIENT REMOVAL FROM SECONDARY EFFLUENT BY FOAM FRACTIONATION ...Denitrification, Foam, Phosphate, Phosphite, Pilot Plant, ...**5.0155**
- DILUTE SOLUTION REACTIONS OF NITRATE ION AS APPLIED TO WATER RECLAMATION ...Decomposition-general, Denitrification, Reduction-general, Survey Studies, ...**5.0073**
- BASIC SALINOGEN ION EXCHANGE RESINS FOR SELECTIVE NITRATE REMOVAL FROM POTABLE AND EFFLUENT WATER ...Effluents-waste Water, Ion Exchange-other, Organic, Potable Water, Selective-removal, ...**5.0537**
- SELECTIVE NITRATE AND PHOSPHATE REMOVAL ...Denitrification, Ion Exchange-other, Ion Selective, Phosphate, Phosphite, Selective-removal, Waste Treatment-economics, ...**5.0532**
- NITRATES IN PLANTS ...Fertilizer Losses, Fertilizers, Management, Pollution - Effects of , Survey Studies, ...**5.0680**
- NITROGEN TRANSFORMATIONS IN SOIL ...Agricultural Watersheds, Fertilizers, Pollutants - Path of , Runoff, Soil-water-plant Relationships, ...**5.0045**
- NITRATE IN SURFACE WATERS IN ILLINOIS ...Fertilizers, Small Watersheds, Soil Types-other, Surface Water, ...**8.0179**
- PREDICTING NITRATE CONTENT OF AGRICULTURAL DRAIN WATER ...Agricultural Watersheds, Computers-general, Drainage, Model Studies-general, Moisture Content, Nitrogen, ...**5.0181**
- NITRATE BEHAVIOR IN SOIL WATER UNDER FIELD CONDITIONS ...Groundwater Movement, Infiltration, Movement, Availability, Nitrogen, Permeability, ...**5.0180**
- NITRATE REMOVAL FROM THE AGRICULTURAL EFFLUENTS IN THE SAN LUIS DRAIN UTILIZING ION EXCHANGE RESINS ...Chemical Treatment-other, Ion Exchange-other, Resins, Runoff, Waste Treatment-economics, ...**5.0182**
- FATE OF POLLUTANTS IN GROUND WATER ...Aquifers-general, Artificial Recharge, Chlorinated Hydrocarbons, Playas, Pollutants - Path of , ...**5.0917**
- NITRATE DETERMINATION USING CHROMIUM (II) COMPLEXES ...Chromium, Complexes, Electroanalyses-other, Other, Reduction-other, ...**1.0121**

Nitrogen

- POROSITY AND PERMEABILITY OF VIRGINIA AGGREGATES ...Aggregates - Crushed Rock, Permeability, Porosity, Virginia, ...**2.1111**
- SEASONAL VARIATIONS IN THE PHYTOPLANKTON - BACTERIA POPULATIONS AND THE NUTRIENT CONCENTRA-

Nitrogen

SUBJECT INDEX

- TION IN BEAVER RESERVOIR ...Phosphorus, Phytoplankton, Reservoirs and Impoundments, Temporal Distribution, Water Bacteria, ...6.0027
- AN ANALYSIS OF PHOSPHORUS AND NITROGEN COMPOUNDS IN TIDAL MARSHLAND DRAINAGE - LABORATORY PROCEDURES ...Colorimetric, Computers-general, Conductometry, Management, Phosphate, Phosphite, Swamps-marshes, ...1.0024
- AN INVESTIGATION OF THE EFFECT OF CONTROLLED RELEASES ON THE PHYSICAL, CHEMICAL AND BACTERIOLOGICAL CHARACTERISTICS OF FORT LOUDOUN RESERVOIR ...Phosphate, Phosphite, Stratified Flow, Suspension, Temperature-other, Tennessee, ...5.1128
- BIOLOGICAL AND CHEMICAL STUDY OF VIRGINIA'S ESTUARIES ...Estuaries, Phosphorus, Phytoplankton, Population Dynamics, Primary Productivity, Virginia, ...2.1112
- BIOLOGICAL FIXATION AND TRANSFORMATION OF NITROGEN IN SMALL IMPOUNDMENTS ...Ions and Gases, Nitrogen Fixation, Radioisotopes, Reservoirs and Impoundments, ...2.0881
- EUTROPHIC EVALUATION OF A SMALL MULTI-LAND USE WATERSHED ...Eutrophication, Phosphorus, Small Watersheds, Urban Environments, Wisconsin, ...5.1319
- WATER QUALITY DEGRADATION BY SEPTIC TANK DRAINAGE ...Degradation, Drainage, Lakes, Phosphorus, Septic Tanks, ...5.0468
- BIOLOGICAL NITROGEN FIXATION IN LAKES ...Acetylene, Ethylene, Gas, Lakes, Mobile, Nitrogen Fixation, ...5.1299
- DETECTION OF LIMITING AND SURPLUS NUTRIENTS IN ALGAE ...Nutrients, Nutrition, Nutrition Studies, Repression, ...5.1303
- DYNAMICS OF THE NITROGEN CYCLE IN LAKES ...Denitrification, Lakes, Nitrogen Fixation, Respiration, ...5.0033
- ECOLOGY & NITROGEN CYCLE IN A MARINE PLANT COMMUNITY ...Bering Sea, Physiological Ecology, Potamogeton, Ruppia, Zostera, Primary Productivity, Sewage, ...5.0035
- CHEMISTRY OF NITROGEN IN NATURAL WATERS ...Analysis and Detection, Denitrification, Fixation, Lakes, Radioisotopes, ...5.0250
- THE USE OF INERT GASES TO ELIMINATE POLLUTION FROM ABANDONED MINES ...Acid Mine Wastes, Air-general, Ammonia, Chlorine, Mine Atmosphere Conditions, ...4.0205
- A STUDY OF THE REMOVAL OF CARBONACEOUS, NITROGENOUS AND PHOSPHORUS MATERIALS FROM CONCENTRATED PROCESS WASTE STREAMS ...Carbon, Digestion, Phosphorus, Process Design, Streams, ...5.0060
- STUDY OF EXCRETORY PATTERNS IN CRAYFISHES ...Crayfish, All, Metabolism, Osmoregulation, Stress, Urea, ...6.0376
- STUDIES ON INORGANIC NUTRIENT ASSIMILATION RATES IN ESTUARINE PONDS ...Estuaries, Mineral Content -water, Nutrients, Phosphorus, Self-purification, ...5.0621
- DETERMINATION OF CRITICAL PHOSPHATE AND NITRATE CONCENTRATIONS FOR ALGAL BLOOM CONDITIONS IN LAKE ERIE ...Algal Pollutant Sources, Eutrophication, Growth and Differentiation, Phosphorus, ...6.0086
- WATER QUALITY ASPECTS OF RECREATIONAL LAKES ...Lakes, Phosphorus, Recreation Sites, Septic Tanks, Waste Water Treatment-general, ...5.0469
- NITROGEN REQUIREMENT FOR SKIP-ROW COTTON ...Cotton, Rates Or Levels of Application, Soil Tillage Methods -other, ...3.0303
- TURFGRASS MANAGEMENT ...in Turf, Management, New Mexico, Phosphorus, Potassium, Species and Variety Evaluation, ...6.0367
- EFFECT OF SUPERSATURATION OF DISSOLVED NITROGEN ON MIGRATING SALMONIDS ...Gases, Dissolved -water, Mortality Rates, Pathology, Salmon & Trout - Non-specific, ...6.0614
- REMOVAL OF NITROGEN COMPOUNDS FROM MUNICIPAL WASTEWATER ...Aeration, Denitrification, Microbial-bacterial, Urban Environments, ...5.0855
- DISSOLVED INORGANIC REMOVAL BIOASSAY OF ALGAL GROWTH POTENTIAL ...Bioindicators, Denitrification, Phosphorus, Waste Water Treatment-general, ...5.0852
- TRAVEL OF NITROGEN IN SOILS ...Animal Waste Removal-treatment, Groundwater, Movement, Availability, Pollutants - Path of, Soil Tests, ...1.0070

Nitrogen Cycle

Denitrification

- MICROBIOLOGY OF SLUDGE - DNA ANALYSES AND N₂ REMOVAL ...Activated, ...5.0694
- METHODS FOR WATER QUALITY IMPROVEMENT AND ITS STORAGE UNDERGROUND ...Computers-general, Groundwater Basins, Management, Natural Recharge, Percolation, Underground Waste Disposal, Waste Water Treatment-general, ...4.0005

Nitrification

- CONTROL OF BIOLOGICAL GROWTHS IN RAPID SAND FILTERS AS RELATED TO IRON REMOVAL ...Disinfection, Iron, Nitrogen Bacteria, Repression, Sand, ...5.0377
- NITRIFICATION BY MARINE MICROORGANISMS ...Autotrophic, Bact. morphology (general), Bacterial Culture, Isolation From Nat. environ., Marine Bacteria (non-specific), Nitrogen Bacteria, Range Or Territorial Distr., ...1.0066

Nitrogen Fixation

Symbiotic Nitrogen Fixation

- AZOTOBACTER ECOLOGY ...Azotobacter -non-specific, Bioindicators, Effluents-waste Water, Streams, ...5.0322

Non-structural Alternative

- AN ENGINEERING INVESTIGATION OF STORM AND COMBINED SEWER PROBLEMS ...Combined Sewer, Land Use, Pollution Abatement, Runoff, Storm Water, ...5.0229

North Carolina

- OPTIMUM ECOLOGICAL DESIGNS FOR ESTUARINE SYSTEMS OF NORTH CAROLINA ...Domestic Wastes-general, Estuaries, Marine Biology (non-specific), Pollution - Effects of, Pollution Effects, Productivity - Food Chain, ...2.0820
- COOPERATIVE RESEARCH PROJECT IN WESTERN NORTH CAROLINA ...Agricultural Watersheds, Agriculture Industry, Cover Crops, Land Use, Modified Water Use, ...2.0830
- DEVELOPMENT OF THE VACUUM FREEZING VAPOR COMPRESSION PROCESS FOR USE WITH BRACKISH WATERS ...Brackish Water, Desalination, Freezing, Mobile, Pilot Plants, ...3.0487
- ENGINEERING FEASIBILITY STUDY OF THE HORIZONTAL TUBE MULTIPLE EFFECT DISTILLATION PROCESS ...Desalination, Distilling Units, Economic Efficiency, Heat Transfer, Rate of Reaction, ...3.0352
- ANALYSIS OF VEGETATIVE CHANGES RESULTING FROM WATER LEVEL CONTROL ...Biomes (non-specific), Mapping, Swamps-marshes, Water Level Fluctuation, ...4.0184
- QUANTITATIVE AND QUALITATIVE MEASUREMENT OF AQUATIC VEGETATION-CURRITUCK SOUND ...Aquatic Plants (non-specific), Mapping, Pollution - Effects of, Saline Water Intrusion, Virginia, ...5.0816
- CHANGES DURING EUTROPHICATION OF AN ESTUARY ...Estuaries, Eutrophication, Plankton (non-specific), Pollution - Effects of, ...5.0820
- A PRELIMINARY STUDY OF THE ECOLOGY, PRESENT AND ALTERNATIVE FUTURE LAND USE PATTERNS IN THE DISMAL SWAMP AREA OF NORTH CAROLINA ...Agricultural Land Use Effects, Economic Impact, Game Reserves & Preserves, Land Use, Wetlands, ...6.0404
- DESIGNING AND TESTING A WATER MONITORING SYSTEM FOR PESTICIDES IN NORTH CAROLINA ...Agricultural Watersheds, Chemical Identification, DDT, Endrin, Monitoring Systems, Technique Development, ...7.0087
- WATER RESOURCES OF NORTH CAROLINA - AN INVENTORY OF INFORMATION AND DATA ...Atlases-maps, Indexes, Tables, Compilations, Catalogs, Water Resources - General, ...7.0085
- COMPUTER SIMULATION OF AQUIFERS OF COASTAL PLAIN OF NORTH CAROLINA ...Carbonate Aquifers, Computers-general, Mining Industry, Saline Water Intrusion, Water Table Fluctuation, ...2.0821
- QUALITY OF STORM WATER DRAINAGE FROM URBAN LAND AREAS IN NORTH CAROLINA ...Land Use, Runoff, Storm Water, Urban Environments, Water Quality-general, ...5.0815

SUBJECT INDEX

Nuclear Moisture Meters

- WATER TABLE CONTROL AND SUBSURFACE IRRIGATION IN MINERAL AND HIGH ORGANIC COASTAL PLAIN SOILS ...Groundwater Movement, Management, Subsurface Irrigation, Water Table Fluctuation, ...2.0828
- WATER CONTAMINATION BY FERTILIZER NITROGEN AND PHOSPHORUS ...Agricultural Watersheds, Fertilizers, Nitrogen, Phosphorus, Runoff, Subsurface Flow, ...5.0823
- WATER QUALITY MANAGEMENT OF IMPOUNDMENTS ...Destratification, Eutrophication, Management, Reservoirs and Impoundments, Water Quality Control-general, ...5.0813
- ECONOMIC EVALUATION OF CHANGES IN LAND USE OF A MUNICIPAL WATERSHED AS A GUIDE TO DECISION-MAKING ...Discharge-general, Land Use, Reservoirs and Impoundments, Urban Environments, Water Costs, ...6.0408
- COMPUTER SIMULATION OF AQUIFERS OF COASTAL PLAIN OF NORTH CAROLINA ...Analog Computers, Carbonate Aqifers, Development of Models, Digital Computers, Model Studies, ...2.0822
- ANALOG MODELING TO DETERMINE FRESH WATER AVAILABILITY ON THE OUTER BANKS OF NORTH CAROLINA ...Analog Computers, Groundwater, Groundwater Movement, Model Studies, Water Yield, ...3.0375
- DEVELOPMENT OF A SYSTEM OF DETERMINING THE CAPACITY OF WATER RESOURCES TO SUPPORT VARIOUS TYPES AND COMBINATIONS OF RECREATION USE ...Forecasting-prediction, Recreation Sites, ...6.0406
- DISTRIBUTION OF LIFE WITH DEPTH ...Continental Shelf, Marine Photography-television, Photography-other, Vertical Distribution, ...5.0272
- THE DISPOSITION OF PESTICIDES IN THE SOIL ...Adsorption Capacity, Drainage, Movement, Leaching, Persistence in Soils, ...5.0826
- STOCHASTIC ANALYSIS OF RAINFALL-RUNOFF RELATIONSHIP ...Amount, Mathematical Analysis, Runoff, Stochastic Processes, ...2.0428
- EFFECT OF ENVIRONMENTAL CHANGES ON BLUE CRAB ABUNDANCE ...Crabs, All, Environmental Changes, Life History Studies, Migration, Population Dynamics, ...6.0400

North Dakota

- WATERSHED SHAPE-FACTOR ...Culvert, Design Criteria, Drainage, Engineering Structures-general, Peak Flow, ...2.0277
- EVALUATION OF METHODS DESIGNED TO PREVENT WINTER-KILL ...Aeration, Chemical-general, Circulation -water, Lakes, Mortality Rates, ...5.0828
- LIFE HISTORY OF THE GOLDEYE (HODON ALOSOIDES) IN GARRISON RESERVOIR, NORTH DAKOTA ...Biological Rhythms, Life History Studies, Nets, Reservoirs and Impoundments, Spawn Or Nesting Sites, ...5.0827
- THE RELATIONSHIP BETWEEN TURBIDITY CURRENTS AND FISH MOVEMENTS IN GARRISON RESERVOIR ...Currents -water, Nets, Reservoirs and Impoundments, Turbidity Turbidity & Suspended Matter, ...5.0829
- NORTH DAKOTA STATE COMPREHENSIVE OUTDOOR RECREATION PLAN ...Land Use, Projected Demand, Recreation Sites, Social Aspects, Water Resources Development, ...6.0409
- EFFECTS OF GROUNDWATER SEEPAGE ON STREAM REGIMEN ...Baseflow, Flume Studies, Groundwater, Seepage, Suspension, ...2.0832
- A LIMNOLOGICAL STUDY OF SPIRITWOOD, NORTH DAKOTA - WATER QUALITY AND SEASONAL CYCLES ...Biological-general, Chemical-general, Lakes, Physical-general, Recreation Sites, ...2.0833
- SECONDARY TREATMENT OF HOG WASTE IN AN ANAEROBIC STABILIZATION POND ...Anaerobic, Animal Wastes - Feed Lots, Secondary Treatment, Septic Tanks, Sewage Lagoons, ...5.0830
- PRIMARY PRODUCTIVITY, AND STANDING CROPS IN RELATION TO WATER QUALITY IN LAKE ASHTABULA RESERVOIR, NORTH DAKOTA ...Phytoplankton, Productivity - Food Chain, Reservoirs and Impoundments, Water Quality-general, Zooplankton, ...6.0414
- RAINWASH AND SOIL CREEP IN WESTERN NORTH DAKOTA ...Creep, Environmental Effects-geologic, Erosion-general, Morphology-general, Slopes, ...2.0848
- DISTRIBUTION AND ECOLOGY OF RIVER MOLLUSKS IN CENTRAL AND WESTERN NORTH DAKOTA ...Aquatic Ecology, Mollusks -non-specific & Other, Pollution - Effects of, Pollution Effects, Streams, ...6.0416

- THE LIMNOBIOCHEMISTRY OF DEVILS LAKE, NORTH DAKOTA ...Aquatic Ecology, Benthic Organisms (non-specif), Biological-general, Lakes, Salinity, ...6.0417
- A PHYSICAL AND ECONOMIC ANALYSIS OF ALTERNATIVE IRRIGATION METHODS IN A SUB-HUMID CLIMATE ...Agriculture, Irrigation-general, Production & Processing, Sub - Humid, ...6.0415
- EFFECTS OF SUGAR REFINING LAGOON EFFLUENTS ON BIOLOGICAL, PHYSICAL, AND CHEMICAL PROPERTIES OF FARGO CLAY ...Clay, Effluents-waste Water, Food Processing Industry, Industrial Processes-other, Soil Contamination -other, Soil Properties - Other, ...5.0834
- THE IMPORTANCE OF THE FOOD CHAIN IN BOTULISM INTOXICATION AMONG WATERFOWL LAKES AND SLOUGHS OF THE DEVILS LAKE REGION IN NORTH DAKOTA ...Bioindicators, ...6.0418
- ECONOMIC EVALUATION OF IRRIGATION IN NORTH DAKOTA ...Computers-general, Economics-general, Irrigation-general, Optimization, ...3.0379
- WEATHER MODIFICATION IN NORTH DAKOTA ...Amount, Clouds-precipitation, Hail, Modification, Weather, ...2.0831
- GEOLOGY AND GROUND WATER RESOURCES OF WARD COUNTY ...Aquifers-general, Geology-general, Groundwater, Hydrology-general, Water Quality-general, ...2.0841
- GEOLOGY AND GROUND WATER RESOURCES OF RENVILLE COUNTY ...Aquifers-general, Geology-general, Groundwater, Water Resources - General, Water Wells, ...2.0843
- HYDROLOGY OF PRAIRIE POTHOLE ...Management -other, Potholes, Seepage, Water Balance-budget, Water Fowl, N.s. , Water Utilization -animal, ...2.0170
- LIMNOLOGICAL INVESTIGATIONS OF PRAIRIE POTHOLE ...Chemical-general, Habitat Studies, Potholes, Water Fowl, N.s. , ...2.0850
- DISTRIBUTION AND DENSITY OF BREEDING WATERFOWL POPULATIONS AS RELATED TO QUANTITY AND QUALITY OF WETLAND HABITAT IN NORTH DAKOTA ...Geography-physical, Number Or Density, Spawn Or Nesting Sites, Water Fowl, N.s. , Wetlands, ...6.0420
- IRRIGATED PASTURE AND MEADOW ESTABLISHMENT AND MANAGEMENT ...Flood Irrigation, Grasses -non-specific, Irrigation, Legume-grass Mixtures, Legumes -other..mesquite... , Montana, Oregon, ...3.0472
- ECONOMICS OF WATER MANAGEMENT TECHNIQUES IN NORTH DAKOTA ...Agricultural Watersheds, Economics-general, Great Plains Province, Irrigation-general, Management, ...4.0188

Nuclear Excavation

- RESEARCH TO DETERMINE THE FEASIBILITY OF NUCLEAR EXCAVATION ...Excavation, Geology - Engineering, Nuclear Explosion, ...2.0102
- POTENTIAL APPLICATIONS OF NUCLEAR EXPLOSIVES IN WATER RESOURCE DEVELOPMENT ...Economics-general, Hydrology-general, Nuclear Explosion, Water Law-general, Water Resources Development, ...3.0067
- RAPID SOILS EXCAVATION ...Construction, Excavation, Machines, Technique Development, ...8.0082

Nuclear Magnetic Resonance

- NMR AND X-RAY STUDIES OF STRUCTURE IN AQUEOUS ELECTROLYTE SOLUTIONS ...Adsorption-other, Electrolytes, Nuclear Magnetic, Reaction-general, Solution, X-ray, ...1.0073

Nuclear Moisture Meters

- INVESTIGATION OF NEW METHODS (NUCLEAR EQUIPMENT) FOR DETERMINING MOISTURE CONTENTS, AND COMPACTION DENSITIES OF SOILS AND AGGREGATES ...Aggregate, Compacted, Density, Moisture Content, Water Content, ...2.0383
- METAMORPHOSIS OF SNOWPACK PROFILES AND CHANGES IN WATER STORAGE FOLLOWING STRIP CUTTING IN PINE FORESTS IN MICHIGAN ...Cutting Operations, Michigan, Natural Recharge, Snowmelt, Water Yield, ...2.0655
- ENERGY AND WATER BALANCE ...Evapotranspiration, Moisture Tension, Soil Moisture -non-specific, Soil-water-plant Relationships, Soils and Fertilizer, ...2.0691
- SOIL - PLANT - WATER RELATIONSHIPS ...Moisture Tension, Soil Morphology, Profiles, Soil-water-plant Relationships, Water Movement, Velocity, ...2.0923

Nuclear Moisture Meters

MANIPULATION OF TREMBLING ASPEN AND GAMBEL OAK FOR INCREASED WATER YIELD ...Cutting Operations, Oaks, Poplars, Aspens, Cottonwoods, Snowmelt, Water Loss Control, Water Yield, ...4.0259

PREDICTION OF WATER MOVEMENT IN UNSATURATED SOILS ...Electrical Properties, Hysteresis, Internal Water Movement, Moisture Content, Saturated-unsaturated, Temperature, ...2.1119

HIGH ALTITUDE EVAPOTRANSPIRATION FROM NATIVE MEADOWS ...Energy Budgets, Evapotranspiration, Harvest and Storage, Lysimeters, Microclimate-general, ...3.0493

Nuclear Reactors

REDUCTION OF RADIOISOTOPES IN HANFORD REACTOR EFFLUENTS ...Atomic Plants, Effluents-waste Water, Neutron Activation, Radioactivity-general, ...5.1253

Numerical Analysis

Computers

Facilities

A GENERALIZED COMPUTER LANGUAGE FOR HYDROLOGIC AND HYDRAULIC ANALYSIS ...Data Analysis - General, Digital Computers, Hydraulic Engineering-other, Problem Oriented Languages, ...8.0213

MATHEMATICAL AND COMPUTER SERVICES FOR THE ANALYSIS OF DATA AND DESIGN OF EXPERIMENTS FOR CERTAIN FWPCA PROGRAMS ...Computers-general, Data Analysis - General, Instrumental Services, Oregon, ...5.0934

Research - Development

A METHOD FOR SYSTEM EVALUATION AND COST-EFFECTIVENESS OF LARGE MULTISTAGE FLASH DESALTING PLANTS ...Computers-general, Cost Analysis, Desalination, Flash Distillation, Systems Analysis, ...3.0166

OPERATIONS RESEARCH STUDY OF WATER RESOURCES DEVELOPMENT AND MANAGEMENT IN THE TUCSON AREA ...Arizona, Management, Operations Research, Optimization Technique, Simulation Theory, Water Resources Development, ...6.0015

NUMERICAL SIMULATION OF GROUNDWATER FLOW SYSTEMS ...Computers-general, Groundwater Movement, Management, Simulation Theory, ...2.0918

WATER RESOURCE SYSTEM OPTIMIZATION BY GEOMETRIC PROGRAMMING ...Algorithms, Design of Experiments, Nonlinearity, Optimization, Optimization Technique, ...6.0552

COMPUTER ANALYSIS OF WATERSHED CHARACTERISTICS AFFECTING FLOOD HYDROLOGY ...Data Analysis - General, Economic Efficiency, Floods, Small Watersheds, Water Loss Control, ...2.0523

MATHEMATICAL SIMULATION OF HYDROLOGIC EVENTS ON UNGAGED WATERSHEDS ...Hydrographs, Hydrology-general, Mathematical Analysis, Model Studies, Runoff, Watersheds-general, ...2.0462

HYDROLOGIC SIMULATION - MONTHLY AND ANNUAL STREAMFLOW ...Annual, Correlation, Forecasting-prediction, Regression Analysis, Simulation, Water Supply-general, ...6.0074

Simulation

HYDROLOGIC INVESTIGATION OF WATERSHEDS IN OHIO ...Discharge-general, Hydrology-general, Ohio, Small Watersheds, ...2.0861

A EUTROPHICATION MODEL OF THE WHITE RIVER BASIN ABOVE BEAVER RESERVOIR IN NORTHWEST ARKANSAS ...Arkansas, Eutrophication, Forecasting-prediction, Nutrients, Reservoirs and Impoundments, ...5.0053

SIMULATION MODEL FOR THE STUDY OF THE HYDROLOGY OF THE WISCONSIN RIVER ...Flow Characteristics -water, Hydrology-general, Reservoirs and Impoundments, River Basins, Wisconsin, ...2.1155

HYDROLOGIC SIMULATION - MONTHLY AND ANNUAL STREAMFLOW ...Annual, Correlation, Forecasting-prediction, Regression Analysis, Research - Development, Water Supply-general, ...6.0074

DRAINAGE FACILITIES, METHODS, AND DESIGN CRITERIA FOR PROTECTION AND IMPROVEMENT OF AGRICULTURAL CROPS AND SOILS IN THE NORTHERN PLAINS ...Design Criteria, Drainage, Drainage Systems, Flow Characteristics -water, ...4.0064

SUBJECT INDEX

Numerical Analysis-other

MECHANICS OF FLOW IN OPEN CHANNEL SYSTEMS ...Open Channel, Shock Waves, Steady, Unsteady, Waves in Liquids, ...2.0097

SIMULATED OPEN CHANNEL HYDRAULICS ...Cumberland River, Mathematical Analysis, Model Studies, Open Channel Flow, Tennessee, ...2.0983

Numerical Methods

Algorithms

SIMULATION OF THE HYDROLOGIC CYCLE ON SMALL AGRICULTURAL WATERSHEDS BY DIGITAL TECHNIQUES ...Agricultural Watersheds, Digital Computers, Other Models, Virginia, Water Cycle, ...2.1109

COMPUTER MODELS FOR WATER DISTRIBUTION SYSTEMS ...Development of Models, Laminar Flow, Model Studies, Water Allocation, Water Transfer, ...8.0286

WATER RESOURCE SYSTEM OPTIMIZATION BY GEOMETRIC PROGRAMMING ...Design of Experiments, Nonlinearity, Optimization, Optimization Technique, Research - Development, ...6.0552

PLANNING ALGORITHMS FOR REGIONAL WATER RESOURCE SYSTEMS ...Digital Computers, Economic Efficiency, Planning, Systems Analysis, Water Resources Development, ...7.0012

Approximations

GROUND WATER SEEPAGE PATTERNS TO WELLS FOR UNCONFINED FLOW ...Flow Characteristics -water, Groundwater, Seepage, ...2.0478

CONVECTIVE INSTABILITY IN TRANSIENT SYSTEMS ...Partial, Stability, Transport-other, ...1.0048

GROUND WATER DISPERSION DURING PUMPING AND RECHARGE OPERATIONS ...Artificial Recharge, Dimension-two, Dispersion -water, Finite Differences, Groundwater, Porous Media - Flow Through, Steady, ...5.0529

Computation Techniques

RESEARCH INTO RECENT CLIMATIC CHANGES ...Climatology-general, Correlation, Physical Climatology, ...2.0321

A SYNTHETIC COMPUTER LANGUAGE FOR SANITARY ENGINEERING ...Other Man-machine, Solid Waste-general, ...5.1014

Differential Equations

FREE-STREAMLINE FLOW OVER DISCONTINUITIES IN A BOUNDARY LAYER ...Boundary-layer-other, Partial, Rotating Fluids, Supercavitating Flow, ...2.0658

HYDRAULICS OF SURFACE IRRIGATION ...Digital Computers, Irrigation, Steady, Surface Irrigation-general, Unsteady, ...2.0098

Eigenvalues

UNSTEADY FREE SURFACE FLOW IN LONG STORM DRAIN ...Drainage, Engineering Structures-general, Other Methods, Pipes, Steady, Transition Sections, Unsteady, ...8.0142

TRANSIENT FLOW THROUGH CLOSED CONDUITS ...Acoustic Effects, Error Analysis, Interpolation, Pipes, Transient, Valves, ...2.0634

Error Analysis

TRANSIENT FLOW THROUGH CLOSED CONDUITS ...Acoustic Effects, Eigenvalues, Interpolation, Pipes, Transient, Valves, ...2.0634

OPTIMUM LINEAR SYNTHESIS IN URBAN HYDROLOGY ...Hydrographs, Optimization Technique, Prediction, Runoff, Urban Environments, ...6.3287

HYDROLOGIC MEASUREMENT SYSTEMS ...Amount, Data Networks, Gages, Hydrology-general, Instrumentation-general, Rain-general, Technique Development, Urban Environments, ...7.0056

Finite Differences

STUDY OF FACTORS AFFECTING THE CHANNEL PHASE OF RUNOFF FROM SMALL WATERSHEDS BY MATHEMATICAL MODELING ...Development of Models, Flow Characteristics -water, Runoff, Small Watersheds, Streams, ...2.0665

TURBULENT FLOW THROUGH POROUS MEDIA ...Digital Computers, Digital Computers, Porous Media - Flow Through, Prediction Models, Turbulent, Turbulent Flow, ...2.0354

FLOW THROUGH ANISOTROPIC LAYERED MEDIA ...Matrix Methods, Permeability, Porous Media - Flow Through, Recharge-general, Seepage, ...2.0355

SUBJECT INDEX

Nutrition - Vertebrates

THE FINITE ELEMENT METHOD IN FLUID MECHANICS
...Degradation Fluid Dynamics, Groundwater Movement, Non-autonomous, Saturated Flow, ...5.0302

NUMERICAL ANALYSIS OF TIME-DEPENDENT FREE SURFACE FLOWS ...Capillarity, Dimension-three, Open Channel, Partial, Unsteady, ...2.0441

GROUND WATER DISPERSION DURING PUMPING AND RECHARGE OPERATIONS ...Approximations, Artificial Recharge, Dimension-two, Dispersion -water, Groundwater, Porous Media - Flow Through, Steady, ...5.0529

STRUCTURAL ANALYSIS ...Analysis Structural, Beams - Bars, Concrete-other, Frame, Arch, truss, Other Computers, ...8.0020

DESIGN OF UNDERGROUND POWERPLANTS ...Borehole Geophysics, Digital Computers, Electric Power Plants, Mechanics of Structures-other, Power Plant, Rock Mechanics, ...8.0031

Graphs and Matroids

ANALYSIS AND SYNTHESIS OF BEDLOAD FORMULAS ...Bed Load, Reliability, Survey Studies, ...2.0916

Integration, Quadrature

DATA REDUCTION METHODS FOR STREAMFLOW FROM SMALL, WILD AND WATERSHEDS ...Computers-general, Data Analysis - General, Discharge-general, Gaging, Small Watersheds, Utah, ...2.1068

Interpolation

TRANSIENT FLOW THROUGH CLOSED CONDUITS ...Acoustic Effects, Eigenvalues, Error Analysis, Pipes, Transient, Valves, ...2.0634

Mathematical Programming

ADVANCED METHODOLOGIES FOR WATER RESOURCES PLANNING ...Illinois, Optimization Technique, Planning, Stochastic Models, ...6.0202

Matrix Methods

FLOW THROUGH ANISOTROPIC LAYERED MEDIA ...Finite Differences, Permeability, Porous Media - Flow Through, Recharge -general, Seepage, ...2.0355

Monte Carlo Methods

SYSTEMS APPROACH TO FLOW PREDICTION IN WATER RESOURCE PLANNING ...Fourier Transform, Hydrology-general, Non-autonomous, Prediction Models, Regression Analysis, Spectral Analysis, ...2.0915

STOCHASTIC BASIS FOR COMPREHENSIVE RIVER BASIN PLANNING ...Development of Models, Digital Computers, New York, Planning, Stochastic Processes, Systems Analysis, ...6.0374

COMPUTE SIMULATION OF DIFFUSION STUDIES ...Dispersion -water, Simulation Theory, Turbulent Flow, Velocity -water, ...5.0785

Optimization Technique

OPTIMIZATION OF WATER RESOURCES DEVELOPMENT-II ...Dynamic Programming, Optimization, Systems Analysis, Water Resources Development, ...6.0064

AN OPTIMAL WATER MANAGEMENT PLAN FOR THE MIAMI VALLEY ...Alternative Planning, Artificial Recharge, Augmentation-general, Conjunctive Use, Floodproofing, Systems Analysis, ...6.0467

Other Methods

UNSTEADY FREE SURFACE FLOW IN LONG STORM DRAIN ...Drainage, Eigenvalues, Engineering Structures-general, Pipes, Steady, Transition Sections, Unsteady, ...8.0142

A MODEL FOR QUANTIFYING FLOW AUGMENTATION BENEFITS ...Flood Control, Flow Augmentation, Model Studies, River Basins, Systems Analysis, Water Distribution Systems, ...6.0152

Simulation Theory

MATHEMATICAL SIMULATION OF CYCLIC SEDIMENTATION ...Deposition-other, Mathematical Analysis, Model Studies, ...2.0131

OPERATIONS RESEARCH STUDY OF WATER RESOURCES DEVELOPMENT AND MANAGEMENT IN THE TUCSON AREA ...Arizona, Management, Operations Research, Optimization Technique, Research - Development, Water Resources Development, ...6.0015

RESIDENCE TIMES OF WATERS BEHIND BARRIER ISLANDS ...Bays, Circulation General, Tides, Wind-water Interaction, ...5.0253

THE USE OF SYSTEMS ANALYSIS IN THE DEVELOPMENT OF WATER RESOURCES MANAGEMENT PLANS FOR NEW YORK STATE ...Management, Model Studies, New York, Planning, Systems Analysis, ...6.0373

THE ENGINEERING APPLICATIONS OF DISTRIBUTED AND MULTIVARIABLE SYSTEM THEORY TO THE DYNAMICS OF WATER POLLUTION CONTROL ...Optimization, Systems Analysis, ...5.0728

NUMERICAL SIMULATION OF GROUNDWATER FLOW SYSTEMS ...Computers-general, Groundwater Movement, Management, Research - Development, ...2.0918

COMPUTE SIMULATION OF DIFFUSION STUDIES ...Dispersion -water, Monte Carlo Methods, Turbulent Flow, Velocity -water, ...5.0785

COMPUTER SIMULATION OF EFFECTS OF LAND MANAGEMENT AND WEATHER MODIFICATION ON WATERSHED ECOSYSTEMS ...Land Use, Multivariate Analysis, Plant Ecosystems(non-specific), Water Yield, Weather Modification-general, ...6.0297

SIMULATION AS A MEANS OF STUDYING RESOURCE ALLOCATIONS ...Alternative Planning, Economics-general, Model Studies, River Basins, Water Allocation, ...6.0456

NUMERICAL PRECIPITATION MODEL ...Computers-general, Forecasting, Model Studies, Western, ...2.0588

APPLICATIONS OF ANALOG COMPUTER SIMULATION TECHNIQUES FOR RUNOFF PREDICTIONS WITHIN THE REYNOLDS CREEK WATERSHED ...Analog Computers, Forecasting-prediction, Idaho, Model Studies, Runoff, ...7.0106

Nutrition - Invertebrate

ZOOPLANKTON NUTRITION IN LARGE RESERVOIRS ...Population Dynamics, Productivity - Food Chain, Reservoirs and Impoundments, Water Bacteria, Zooplankton, ...2.0515

FEEDING PATTERNS OF THE FRESHWATER ISOPOD LIRCEUS BRACHYURUS ...Aquatic Ecology, Behavioral Ecology, Food Supply, Isopods, Pennsylvania, Streams, ...7.0093

UPTAKE OF ORGANIC COMPOUNDS BY MARINE INVERTEBRATES ...Amino Acids, Amino Acids -non-specific, Chemoreceptors, Invertebrates -non-specific, Marine Biology, Metabolism, Pulse-labelling, ...6.0058

Nutrition - Medical

Regulation and Selection

MECHANISMS OF ENVIRONMENTAL EXPOSURE ...Columbia River, Radioactive Isotopes, Radioactivity-general, Radiologic Health, Toxicological and Allergy, ...5.1244

Toxicological and Allergy

RADIOACTIVE FOOD-CHAINS IN THE SUBARCTIC ENVIRONMENT ...Productivity - Food Chain, Radioactive Fallout, Radioactive Isotopes, Radiologic Health, Sub - Polar, ...2.0308

MECHANISMS OF ENVIRONMENTAL EXPOSURE ...Columbia River, Radioactive Isotopes, Radioactivity-general, Radiologic Health, Regulation and Selection, ...5.1244

THERMAL DESTRUCTION OF TYPE E CLOSTRIDIUM BOTULINUM ...Cell Injury and Autolysis, Clostridium Botulinum, Heat Resistance, Microbiological, Spore Studies, ...5.0233

MULTIPLICATION OF ENTERIC VIRUSES IN SHELLFISH ...Clams, Enteroviruses of Humans, Microbiological, Oysters, Sewage, ...5.1052

ORGANISMS RESPONSIBLE FOR TOXICITY OF ALASKAN CLAMS ...Alaska, Biological Pollutants -general, Clams, Food Spoilage Detection, Microbiological, Pollutants-general, ...5.0032

FREQUENCY DISTRIBUTION OF CHEMICAL POLLUTANTS IN SHELLFISH AND THE MARINE ENVIRONMENT ...Food, Organophosphorous Cpd., Oysters, Pollution - Effects of, Southern, ...5.0021

Nutrition - Vertebrates

Diet Or Ration Components

Diet Or Ration -other

EFFECT OF GRAZING MANAGEMENT ON RANGE LIVESTOCK NUTRITION AND ON THE RANGE RESOURCE ...Cattle, Cutting &/or Grazing Effects, Management, Management and Fertility, Quality and Utilization, ...2.0971

Nutrition - Vertebrates

Energy

TEMPERATURE REQUIREMENTS OF SALMONIDS IN RELATION TO THEIR FEEDING, BIOENERGETICS, GROWTH AND BEHAVIOR ...Behavior -animal, Growth Rate, Rainbow Trout, Steelhead Trout, Salmon -coho, chinook, sockeye..., Water Temperature -non-specific, ...5.0942

FOOD AND FOOD ENERGY REQUIREMENTS OF WILD DUCKLINGS ...Food Supply, Habitat Studies, Pintail, Anas Acuta, Scaup, Lesser, Widgeon, American, ...6.0583

Nutrition -other

FACTORS LIMITING WATERFOWL PRODUCTION ON THE SPRING-FED SALT MARSHES WEST OF THE GREAT SALT LAKE ...Mallard, Productivity (agricultural), Swamps-marshes, Utah, Viremia, ...5.1194

States of General Malnut

Fasting - Starvation

THE ROLE OF FOOD IN THE MORTALITY OF LARGEMOUTH BASS LARVAE ...Environmental Physiology, Food Supply, Largemouth Bass, Maturity & Growth Stages, Mortality Rates, ...7.0079

Malnutrition -other

FOOD INTAKE OF LARGEMOUTH BASS ...Food Supply, Lakes, Largemouth Bass, Size, ...6.0182

Tox & Allergenic Effects

EFFECTS OF CHEMICAL AND BIOLOGICALLY MODIFIED PULPING EFFLUENTS ON THE PRODUCTION OF FISH ...Effluents-waste Water, Fish -non-specific, Industrial Wastes, Pulp, Paper, and Logging, Self-purification, Willamette River, ...5.0936

Observation Wells

DETERMINATION OF THE DISTRIBUTION OF RADIONUCLIDES DISCHARGED TO THE GROUND AT THE NRTS, IDAHO ...Artesian Flow, Discharge-general, Pollutants - Path of, Radioactivity-general, Radioisotopes, ...5.0318

DRILLED WELL INVESTIGATION OF DOLOMITE AQUIFER CHARACTERISTICS ...Carbonate Aquifers, Dolomite, Groundwater Movement, Permeability, Storage of Water, ...2.0704

HYDROLOGIC ANALYSIS OF THE NORTH FORK OF ELK CREEK ...Automatic Data Acquisition, Discharge-general, Montana, Water Table Fluctuation, ...2.0714

AQUIFER PERFORMANCE TESTS UNDER TWO PHASE FLOW CONDITIONS ...Aquifers-general, Subsurface Flow, Synthetic Hydrology-general, Two-phase-other, ...2.0008

PERFORMANCE OF DRAINAGE SYSTEMS ...Drainage Systems, Drawdown, Hydraulic Gradient, Permeability, Water Table Fluctuation, ...4.0174

GROUND WATER TABLE FLUCTUATIONS ...Data Networks, Other Data Analysis, Water Table Fluctuation, ...4.0062

GROUND-WATER GEOLOGY OF OGLE COUNTY, ILLINOIS ...Aerial, Available Water, Groundwater, Joints-fractures, Unconsolidated Aquifers, ...7.0034

EFFECTS OF TUTTLE CREEK RESERVOIR ON GROUND WATER LEVELS BELOW THE DAM ...Project Post-evaluation, Pumping, Water Level Fluctuation, Water Table Fluctuation, Water Wells, ...4.0117

MEASUREMENT OF RUNOFF AND SOIL LOSS DIFFERENCES BETWEEN ESTABLISHED PLOTS ...Artesian Flow, Erosion-general, Runoff, Soil Environment, Water Table Fluctuation, ...2.1019

GROUNDWATER RECHARGE ...Applied Climatology, Forecasting-prediction, Groundwater, Natural Recharge, Water Table Fluctuation, ...3.0430

PERMEABILITY RESEARCH ...Groundwater Movement, Permeability, Porous Media - Flow Through, Saturated Flow, Unsaturated Flow, ...2.0183

HYDROLOGICAL STUDIES OF THE SAVANNAH RIVER PLANT, SOUTH CAROLINA -GEOHYDROLOGY OF WASTE TANK FARMS ...Internal Water Movement, Permeability, Pumping, Soil Tests, South Carolina, ...4.0216

SALT-WATER ENCROACHMENT IN THE BRUNSWICK AREA, GEORGIA ...Aquifers-general, Georgia, Piezometry, Pumping, Saline Water Intrusion, ...5.0306

GEOHYDROLOGY OF SHALLOW AQUIFERS IN HENRY AND WEAKLEY COUNTIES, TENNESSEE ...Aquifers-general,

SUBJECT INDEX

Groundwater, Pollution Sources-general, Pumping, Tennessee, ...2.0998

WATER RESOURCES OF THE GREATER JUNEAU BOROUGH, ALASKA ...Alaska, Unconsolidated Aquifers, Urban Environments, Water Resources Development, Water Table Fluctuation, ...2.0014

HYDROLOGY OF BURIED PENNSYLVANIAN CHANNEL SANDSTONE, KENTUCKY ...Clastic Aquifers, Kentucky, Pennsylvanian Period, Salinity, Valley, Buried, ...2.0527

GROUND WATER CONDITIONS OF THE CENTRAL BOSTON AREA, MASSACHUSETTS ...Aquifers-general, Massachusetts, Structure Sites, Unconsolidated Deposits, Water Table Fluctuation, ...2.0613

Ocean Coring and Dredging

ESTUARINE DREDGE HOLE INVESTIGATIONS ...Aquatic Ecology, Estuaries, Fish -non-specific, Habitat Studies, ...6.0354

DEVELOPMENT OF OFFSHORE SOURCES OF SAND SUITABLE FOR BEACH RESTORATION AND NOURISHMENT ...Beach, Marine Mapping, Ocean Mining, Shoreline Structures, Size, ...8.0154

Ocean Engineering Studies

Engineering Studies-general

CORROSION MITIGATION -CATHODIC PROTECTION OF WATER-IMMERSED STEEL STRUCTURES ...Cathodic Protection, Coatings-general, Hydraulic Structures, Low Alloy Steels, ...8.0172

Engineering Studies-other

CIVIL ENGINEERING STRUCTURES IN THE OCEANS ...Foundations-general, Hydraulic Structures, Hydrodynamics, Mechanical Properties, Soil Dynamics, Wave Action, ...8.0165

Marine Fouling

CORROSION MITIGATION ...Corrosion Prevention-other, Deep, Low Alloy Steels, Pre-stressed, Water, ...8.0157

MICROBIOLOGICAL INVESTIGATIONS ...Biological, Biological Pollutants-general, Microorganisms (non-specific), Water Supply-general, ...5.0133

Navigation

ECONOMIC EVALUATION OF NAVIGATION IMPROVEMENTS ...Benefit-cost Analysis, Modes, Optimization, Price & Value, Water Transportation, Welfare Economics, ...6.0190

GREAT LAKES RESEARCH - GREAT LAKES DEICING ...Bibliography, Great Lakes-general, Harbors, Origin, Sea Ice, ...2.0643

HARBOR DESIGN STUDIES ...Harbors, Waves, ...8.0231

Sewers

EDDY DIFFUSION AND BACTERIAL REDUCTION IN WASTE FIELDS ...Bacterial Pollutant Sources, Diffusion, Dispersion - water, Dyes, Mixing, Pollutants - Path of, ...5.0111

SALT WATER ENTRAINMENT FOR DILUTION IN SEWER OUTFALLS ...Conduit Flow-other, Dispersion -water, Fluid Flow-other, Fluid Mixing, Ocean, Outlet, Two-phase-other, ...5.1265

DEMONSTRATION OF THE LIMITATIONS AND EFFECTS OF WASTE DISPOSAL ON AN OCEAN SHELF ...Marine Plants, Ocean, Outlet, Pollution - Effects of, Pollution Effects, ...5.0248

OCEANOGRAPHIC FACTORS IN THE FUNCTIONAL DESIGN OF WASTE DISPOSAL SYSTEMS ...Jet Flow-other, Mixing, Nuclear Power, Outlet, Process Design, ...5.0115

Shoreline Structures

WAVE FORCES ON SUBMERGED STRUCTURES ...Drag, Hydraulic Structures, Lift, Wave Action, Waves, ...2.0629

RELATION OF PASS OPENINGS ON PHYSICAL EXCHANGE AND SALINITY IN ESTUARIES ...Estuaries, Mixing, Saline Water Intrusion, Salinity, Texas, ...2.1012

COASTAL ENGINEERING STUDIES RELATED TO FLORIDA'S SHORELINE AND BEACH EROSION PROBLEMS ...Beach, Bypassing, Erosion-general, General, Storms-general, Waves, ...8.0160

SHORE-LINE ENGINEERING STUDIES ON GREAT SALT LAKE ...Great Salt Lake, Hydraulic Structures, Hydrographic, Shoreline - Coastline, Wave Action, ...8.0293

SUBJECT INDEX

Oil - Technological Testing

- WAVE FORCES ON BREAKWATERS ...Breakwaters, Ext Pressure on Struct-general, Wave Action, Waves, ...8.0232
- STABILITY OF RUBBLE-MOUND BREAKWATERS ...Breakwaters, Design Criteria, Engineering Structures-general, Hydrodynamics, Wave Action, Waves, ...8.0230
- WAVE ACTION ON STRUCTURES ...Engineering Structures-general, Hydrodynamic Structures, Models, Stability, Wave Action, ...8.0150
- MECHANICS OF SAND MOVEMENT BY WAVES ...Model Studies, Ocean Waves - Currents, Size, Wave Motion in Fluids-other, Waves, ...2.0259
- CORRELATION OF BEACH PROPERTIES AND INCIDENT WAVES ...Beach, Development, Engineering Structures-general, Waves, ...2.0260
- COASTAL WORKS EVALUATION FOR CHECKING, IMPROVING AND DEVELOPING DESIGN RELATIONSHIPS AND CONSTRUCTION TECHNIQUE ...Breakwaters, Construction, Development, Groin, Jetty, ...8.0148
- DEVELOPMENT OF OFFSHORE SOURCES OF SAND SUITABLE FOR BEACH RESTORATION AND NOURISHMENT ...Beach, Marine Mapping, Ocean Coring and Dredging, Ocean Mining, Size, ...8.0154
- METHODS OF BYPASSING SAND PAST INLETS ...By-passing, Coastal Engineering-other, Ocean Waves - Currents, Size, ...2.0264
- STRUCTURAL DESIGN OF SHORE STRUCTURES ...Coastal Engineering-general, Engineering Structures-general, Hydrodynamic Structures, Models, Wave Action, ...8.0151
- DEVELOPMENT OF CRITERIA FOR ARTIFICIAL BEACHES ...Beach, Beaches, Coastal Engineering-other, Design Criteria, Statistics-general, ...8.0155
- RUBBLE-MOUND PROTOTYPE STUDIES ...Breakwaters, Jetty, Water Motion Recorders, Wave Action, Waves, ...8.0156

Ocean Environment

- COMPARATIVE STUDY OF THE BENTHIC MICROBIAL BIOTA IN SOME COASTAL AREAS OF PUERTO RICO ...Benthic Flora, Benthonic-bottom, Pollution - Effects of, Puerto Rico, Standing Crops, ...6.0478
- SUBMARINE SPRINGS ...Bibliography, Discharge-general, Marine Geology-general, Springs, Subsurface Environments, ...2.0319
- MARINE HYDROLOGY AND GEOCHEMISTRY, ATLANTIC CONTINENTAL SHELF AND SLOPE ...Chemistry, Continental Shelf, Distribution, Mixing, Saline Water Intrusion, ...2.0623

Ocean Meteorological Studies

- MARINE SURFACE FORECASTING TECHNIQUES ...Forecasting-prediction, Lake Erie, Storms-general, Surface Environments, Tides, ...2.0599
- GREAT LAKES RESEARCH - LAKE PRECIPITATION ...Amount, Forecasting, Great Lakes-general, Lake Erie, Lake Michigan, ...2.0638
- GREAT LAKES RESEARCH - CHARACTERISTICS OF LAKE WATER ...Chemical-general, Currents -water, Great Lakes-general, Physical-general, Water Quality-general, ...2.0648

Ocean Mining

- DEVELOPMENT OF OFFSHORE SOURCES OF SAND SUITABLE FOR BEACH RESTORATION AND NOURISHMENT ...Beach, Marine Mapping, Ocean Coring and Dredging, Shoreline Structures, Size, ...8.0154

Ohio

- INVESTIGATION AND ANALYSIS OF FLOODS FROM SMALL DRAINAGE AREAS IN OHIO ...Drainage Systems, Floods, Small Watersheds, ...2.0275
- A SOCIO-ENVIRONMENTAL STUDY OF A RIVER VALLEY ...Ecology, Mans Activities, River Basins, Social Aspects, ...6.0422
- THE EFFECT OF DIELDRIN ON SURVIVAL AND DEVELOPMENT OF FISH EGGS ...Aldrin, Basic Embryology, Dieldrin, Mode of Action -animal, Pollution - Effects of, ...5.0885
- COLONIZATION RATES OF BENTHIC INVERTEBRATES IN AN OHIO RESERVOIR ...Benthic Fauna, Intertidal Areas, Productivity - Food Chain, Reservoirs and Impoundments, Water Level Fluctuation, ...6.0424
- STRIP-MINING AND WATER QUALITY ...Ions and Gases, Mining Industry, Storm Water, Strip Mines, Water Quality-general, ...5.0888

- HYDROLOGIC INVESTIGATION OF WATERSHEDS IN OHIO ...Discharge-general, Hydrology-general, Simulation, Small Watersheds, ...2.0861

- GROUND WATER BASIN DYNAMICS ...Dispersion -water, Groundwater Basins, Mathematical Analysis, Model Studies, Natural Recharge, ...2.0851

- A STUDY OF BIOLOGICAL SYSTEMS IN THE SCIOTO RIVER AS INDICES TO WATER QUALITY ...Bioindicators, Chemical-general, Physical-general, Systems Analysis, Water Sampling, ...5.0875

- RAPID-FLOW COMBUSTIBLE FILTER FOR TREATMENT OF COMBINED SEWER OVERFLOW ...Combined Sewer, Combustible, Rapid, Sewage Treatment Plant, Waste Treatment-economics, ...5.0871

- MODIFICATION OF WHITTIER STREET STORM STANDBY TANKS ...Appurtenances, Combined Sewer, Pump, Runoff, Storm Water, ...5.0873

- EFFECTS OF SOIL MANAGEMENT TREATMENTS ON ERODIBILITY AND INFILTRATION CHARACTERISTICS ...Infiltration, Management Effects, ...2.0860

- FLORISTIC AND FAUNISTIC SURVEY IN THE CUYAHOGA RIVER WATERSHED ...Aquatic Ecology, Freshwater Ecology, Physical-general, Pollution - Effects of, Survey Studies, ...6.0436

- A SURVEY OF PHYTOPLANKTON IN AND OLD AND A NEW RESERVOIR ...Algal Pollutant Sources, Phytoplankton, Reservoirs and Impoundments, ...6.0434

- THE ROLE OF TEMPERATURE AND ILLUMINATION IN THE BIOLOGY OF OSCILLATORIA RUBESCENS ...Lakes, Optical Properties, Temperature, Temporal Distribution, ...6.0435

- TROPHIC TYPOLOGY OF OHIO LAKES ...Eutrophication, Freshwater Ecology, Lakes, Nutrients, Plant Succession, ...5.0893

- ECOLOGICAL SUCCESSION IN A NORTHEASTERN OHIO RESERVOIR ...Eutrophication, Nutrients, Plankton (non-specific), Plant Succession, Reservoirs and Impoundments, ...5.0894

- THE ALGAE AND ZOOPLANKTON OF PROTECTED AND EXPLOITED LENTIC HABITATS IN NORTHEASTERN OHIO ...Algae- General, Aquatic Ecology, Freshwater Ecology, Habitat Studies, Zooplankton, ...6.0431

- DAILY HEAT BUDGETS IN ENVIRONMENTAL FLUIDS ...Heat Budget, Heat Flow, Illinois, Temperature Or Heat Budgets, ...2.0405

- EFFICIENT SYSTEM OF WATER QUALITY MANAGEMENT FOR THE MIAMI BASIN ...Alternative Planning, Economic Efficiency, Management, River Basins, Water Quality Control-general, ...5.1015

- ACCUMULATION OF CLIMATOLOGICAL DATA ...Ash Trees, Flowering, Soil Depth, Soil Temp. -non-specific, ...7.0090

- MILL CREEK VALLEY ANALOG MODEL STUDY, OHIO ...Analog Computers, Aquifers-general, Artificial Recharge, Model Studies, Recharge Pits - Wells, ...4.0195

- SPRINGFIELD AREA INFILTRATION STUDY, OHIO ...Artificial Recharge, Clastic Aquifers, Flow Characteristics -water, Induced Infiltration, Water Yield, ...4.0196

Ohio River

- DOCTORAL DISSERTATION RESEARCH IN GEOGRAPHY ...Data Analysis - General, General Synoptic Observations, Geography-physical, Humidity, Water Balance-budget, ...3.0392

- THE UPTAKE OF DIELDRIN IN THE THREE RIDGED NAIAD, AMBLEMA PPLICATA ...Bioindicators, Dieldrin, Freshwater Mussels, Scallops, Metabolism, Pollution Effects, ...5.0886

- A STUDY OF THE QUALITY OF INDIANA SURFACE WATERS ...Indiana, Ions and Gases, Lake Michigan, Surface Water, Water Quality-general, ...5.0389

- SHEAR EVALUATION OF WEAK ROCK FOUNDATIONS ...Cement, Concrete, Foundations, Joining, Bonding-general, Shear Strength, Soil Test - Insitu, ...8.0273

- PROTOTYPE ANALYSIS-STRUCTURAL BEHAVIOR ...Gravity Dams, Mass, Piezometers, Seepage, Uplift, ...8.0149

Oil - Technological Testing

- MARINE OIL-WATER MONITORING INSTRUMENTATION SYSTEM SUBGROUP V ...Detectors, Industrial Waste-other, Infrared, Infrared Radiation, Instrumental Services, Oil, ...5.0336

- USE OF COAGULATION IN THE FLOTATION OF WASTE-WATER ...Biochemical Oxygen Demand, Coagulation, Flotation, Industrial Wastes, Primary Treatment, ...5.0338

- FILTRATION OF AQUEOUS EFFLUENTS CARRYING EMULSIFIED OILS ...Coagulation, Effluents-waste Water, Emulsion, Filter-other, ...1.0008

Oil and Natural Gas - Sulfur**Drilling Operation**

DRILL PERFORMANCE MONITOR ...Borehole Geophysics, Foundations-general, Pressure, Soil Exploration, Temperature, ...8.0097

Fluid Properties

ANALYTICAL METHODS - OILFIELD WATER CHEMISTRY ...Brines, Chemical Analysis (water), General, Technique Development, ...2.0874

SOLUBILITIES OF THE SULFATES OF BARIUM AND STRONTIUM IN OILFIELD WATERS ...Barium, Brines, Radioisotopes, Solution Chemistry, Strontium, Thermal Properties-other, ...1.0097

Recovery - Production**General**

ANALYTICAL METHODS - OILFIELD WATER CHEMISTRY ...Brines, Chemical Analysis (water), Fluid Properties, Technique Development, ...2.0874

Primary Recovery

CHEMISTRY OF SUBSURFACE OILFIELD BRINES ...Brines, Chemical-general, Fresh Water, ...2.0873

Secondary Recovery

REUSE OF WASTE IRRIGATION WATER TO RECOVER ADDITIONAL PETROLEUM BY WATERFLOODING ...Chemical Analysis (water), D.t.a., Irrigation-other, Petroleum Industry, Spectroscopy-general, Water Reuse, ...5.0154

MINING-POLLUTION CONTROL TECHNOLOGY - OIL PRODUCTION GROUND-WATER RECLAMATION BY SELECTIVE PUMPING ...Brines, Groundwater, Mine Drainage Control, Petroleum Industry, Pumping, Saline Water Intrusion, ...5.0913

Oklahoma

INVESTIGATION AND ANALYSIS OF FLOODS FROM SMALL WATERSHEDS IN OKLAHOMA ...Floods, Flow Characteristics -water, Gaging, Peak Flow, Small Watersheds, ...2.0278

SUMMER RESEARCH AT THE UNIVERSITY OF OKLAHOMA BIOLOGICAL STATION ...Personnel, Research Facilities, Training Grants, Fellowships, Water Resources - General, ...9.0011

ASSESSMENT OF ENVIRONMENT FACTORS INFLUENCING THE DISTRIBUTION OF BOTTOM FISHES IN RESERVOIRS ...Nets, Organic, Physical Properties-general, Reservoirs and Impoundments, Turbidity & Suspended Matter, ...5.0924

WATER RESOURCES PLANNING STUDIES - ARKANSAS AND OKLAHOMA ...Arkansas, Daily, River Basins, Water Allocation, Water Quality-general, ...6.0028

COMPARISON OF ENERGY FLOW PARAMETERS OF MIDGE POPULATIONS IN BIOLOGICAL OXIDATION PONDS ...Bloodworms, Aquatic Midges, Energy Budgets, Pollution Effects, Productivity - Food Chain, Sewage Lagoons, ...5.0929

A PRELIMINARY ANALYSIS OF THE IMPACT OF THE ARKANSAS WATERWAY ON LAND TENURE AND VALUE IN OKLAHOMA ...Economic Impact, Engineering Structures-general, Land, ...6.0446

STUDIES OF THE SOIL-MOISTURE-PLANT REGIME FOR THE CONDITIONS OF WESTERN OKLAHOMA ...Analog Computers, Climate-general, Consumptive Use, Evapotranspiration, Soil-water-plant Relationships, ...2.0880

RADIO METHODS FOR DETERMINING WATER VAPOR CONTENT OF AIR ...Evaporation, Heat Budget, Humidity, Humidity Instruments, Reservoirs and Impoundments, Transmission Characteristics, Velocity, Water Loss Control, ...3.0114

A TEST OF CERTAIN EVALUATION DESIGNS FOR CLOUD-SEEDING EXPERIMENTS ...Clouds-precipitation, Forecasting, Mathematical Analysis, Model Studies, Weather Charts-maps, ...2.0180

A STUDY OF NATURAL EVAPORATION FROM FREE WATER SURFACES ...Boundary Layer Studies, Evaporation, Patterns, Water Loss Control, Waves, ...3.0129

EFFECT OF IMPOUNDMENTS ON WATER QUALITY ...Optimization, Pre-impoundment Sites, Reservoirs and Impoundments, Water Quality Control-general, Water Sampling, ...5.0904

DYNAMICS OF RESERVOIR DESTRATIFICATION ...Aeration, Destratification, Diffuser, Reservoirs and Impoundments, Rotating Fluids, ...5.0911

Operations Research

WATER SUPPLY-DEMAND ...New York, Planning, Projections and Estimations, Water Demand, Water Supply-general, ...2.0795

WATER RESOURCE OPERATIONS STUDY ...Conjunctive Use, Planning, Water Cycle, Weather Modification-general, Wyoming, ...6.0652

OPERATIONS RESEARCH STUDY OF WATER RESOURCES DEVELOPMENT AND MANAGEMENT IN THE TUCSON AREA ...Arizona, Management, Optimization Technique, Research - Development, Simulation Theory, Water Resources Development, ...6.0015

DEVELOPEMNT AND IMPLEMENTATION OF A MANAGEMENT STRATEGY FOR WATER RESOURCES RESEARCH ...Management, Planning, Projections and Estimations, Systems Analysis, Water Resources Development, ...6.0112

A STUDY OF WATER RESOURCES RESEARCH NEEDS IN MONTANA ...Montana, Projections and Estimations, Water Resources Development, ...6.0326

APPLICATION OF OPERATIONS RESEARCH TECHNIQUES FOR ALLOCATION OF COLORADO RIVER WATERS IN UTAH ...Colorado River, Optimization, Utah, Water Allocation, ...6.0575

THE DECISION SEQUENCE IN WATER RESOURCE PLANNING ...Decision Making, Decision Theory, Planning, ...6.0069

SYSTEMATIC ANALYSIS OF MANAGEMENT EFFECTIVENESS OF THE WATER QUALITY CONTROL BOARD SYSTEM OF CALIFORNIA ...California, Management, Model Studies, State-local Government, Water Quality Control-general, ...6.0035

RESEARCH ON DECISION MAKING AND RELATED MANAGERIAL ASPECTS OF BRITISH WATER RESOURCES PROGRAMS ...Administrative Structures, British Isles, Management, Water Law-general, ...6.0381

OPERATIONS RESEARCH IN WATER QUALITY MANAGEMENT ...Channel Regulation-other, Control and Protection, Engineering Structures-general, Management, Water Quality Control-general, ...5.0526

DATA COLLECTION ECONOMICS FOR WATER POLLUTION STUDIES ...Data Acquisition-general, Economic Efficiency, Water Quality Control-general, ...7.0055

DEVELOPMENT OF METHODS FOR PLANNING AND TIMING OF WATER RESOURCES INVESTMENTS ...Finance, Multiple-purpose Projects, Planning, Risk & Uncertainty, Water Resources Development, ...6.0065

WATER RESOURCES SYSTEM ANALYSIS ...Water Resources Development, ...6.0204

REGIONAL UTILITIES STUDY-WATER SUPPLY, SEWERAGE, DRAINAGE AND REFUSE DISPOSAL ...Connecticut, Municipal-waste-other, Planning, Sewage, Water Supply-general, ...5.0207

RESERVOIR WATER QUALITY INVESTIGATION ...Forecasting-prediction, Planning, Reservoirs and Impoundments, Storage of Water, Water Quality Control-general, ...5.0237

OPTIMUM UTILIZATION OF SURFACE AND SUBSURFACE WATER FACILITIES ...Aquifers-general, Conjunctive Use, Mathematical Analysis, Storage of Water, Survey Studies, ...4.0110

Optical Devices

OIL SLICK ANALYSES ...Aircraft, Instrumental Services, Oil, Satellites, Transducers, ...6.0275

Optical Techniques**Colorimetric**

DEVELOPMENT OF FIELD TEST FOR FREE CHLORINE ...Bromine, Chlorine, Membranes-other, Sterilants, Technique Development, ...5.0808

(U) DETERMINATION OF FREE BROMINE IN WATER (US 14) ...Amines, Analysis and Detection, Bromine, Chlorine, ...5.0372

AN ANALYSIS OF PHOSPHORUS AND NITROGEN COMPOUNDS IN TIDAL MARSHLAND DRAINAGE - LABORATORY PROCEDURES ...Computers-general, Conductrometry, Management, Nitrogen, Phosphate, Phosphite, Swamps-marshes, ...1.0024

LIGAND EXCHANGE REAGENTS ...Complexes, Compound, Dyes and Coloring, Ion Exchange-other, Spectroscopy-other, ...5.0431

SUBJECT INDEX

Organic Fertility -soil

FIELD TECHNIQUES FOR CHEMICAL ANALYSIS OF WETLAND CRITERIA ...Chemical Analysis (water), Chromatography-other, Translation Grants, Wetlands, ...1.0091

METHODS OF ANALYSIS FOR INSECT-CONTROL CHEMICALS ...Chemical Analysis, Extraction-other, Gas, Reaction-general, Spectroscopy-other, ...5.0491

Light Scattering

THE MECHANISM FOR FORMATION OF A SKINNED TYPE MEMBRANE ...Desalination, Evaporation, Interface, Membranes-other, Solvent-other, ...3.0265

COMPARISON OF OPTICAL PROPERTIES WITH DIRECT MEASUREMENTS OF CONCENTRATION AND SIZE DISTRIBUTION OF SUSPENDED MATERIALS ...Chesapeake Bay, Fluorometry, Optical Properties, Size, Turbidity, ...2.0559

Refractometry

SOLAR REFLECTANCE OF MONOLAYER-COVERED WATER SURFACES AS RELATED TO EVAPORATION SUPPRESSION ...Evaporation, Evaporation Control, Monolayers, Organics-general, Water Loss Control, ...2.1110

Optics

Instrumentation

Optical Systems

MEASUREMENT OF WATER VAPOR FLUX ABOVE A LAKE SURFACE BY MEANS OF OPTICAL TECHNIQUES ...Absorption Spectra, Humidity Instruments, Infrared, Infrared Radiation, Water, ...2.0811

Oregon

CRATER LAKE VERTICAL TEMPERATURE PROFILES ...Electronics - Applied, Lakes, Radioactive Fallout, Temperature, Water Sampling, ...2.0101

ECOLOGICAL-PHYSIOLOGICAL INVESTIGATIONS OF LITTORAL DIATOM COMMUNITIES OF THE YAQUINA RIVER ESTUARY ...Algae- Diatoms, Environment, Intertidal Areas, Physiological Ecology, ...5.0949

INVESTIGATE THE FEASIBILITY OF INTRODUCING SOCKEYE SALMON INTO RESERVOIRS ...Reservoirs and Impoundments, Salmon -coho, chinook, sockeye..., Stocking of Fish & Shellfish, ...6.0464

MASS MORTALITY OF OYSTERS ALONG THE OREGON COAST ...Bays, Invertebrate Pathology, Mortality Rates, Oysters, Pathology, ...5.0985

A CLASSIFICATION OF THE LAKES OF THE STATE OF OREGON ...Data Acquisition-general, Lakes, Survey Studies, Water Properties-general, ...2.0891

SOCIO-CULTURAL IMPACTS OF WATER RESOURCE DEVELOPMENT IN THE SANTIAM ...Attitudes & Attitude Change, Economic Impact, Reservoirs and Impoundments, Social Aspects, Water Resources Development, ...6.0457

SEDIMENT-WATER-BACTERIA INTERACTIONS IN EUTROPHICATION ...Deposits-other, Eutrophication, Lakes, Nutrients, Water Bacteria, ...5.0953

NATIONAL SYMPOSIUM ON THERMAL POLLUTION ...Management, Meetings, Pollution - Effects of, Tennessee, Thermal Pollution, ...5.1138

MATHEMATICAL AND COMPUTER SERVICES FOR THE ANALYSIS OF DATA AND DESIGN OF EXPERIMENTS FOR CERTAIN FWPCA PROGRAMS ...Computers-general, Data Analysis - General, Facilities, Instrumental Services, ...5.0934

BIONOMICS OF FISHES AND SHELLFISHES ...Aquaculture & Fish-farming, Bays, Economics-general, Environmental Ecology, Productivity - Food Chain, ...2.0896

EPIDEMIOLOGICAL RELATIONSHIPS OF PESTICIDE APPLICATION TO PESTICIDE RESIDUES IN WILDLIFE TISSUES AND HABITATS ...Aquatic Ecology, Habitat Studies, Terrestrial-other, Wildlife -non-specific, ...5.0960

EVALUATION OF UPSTREAM AND DOWNSTREAM ANADROMOUS FISH PASSAGE AT RIVER MILL AND FARADAY DAMS ON THE CLACKAMAS RIVER, OREGON ...Engineering Structures-general, Management -other, Migration, Rainbow Trout, Steelhead Trout, Reservoirs and Impoundments, ...8.0279

OREGON FISHES - THEIR CLASSIFICATIONS, DISTRIBUTIONS AND LIFE HISTORIES ...Animal Taxonomy, Fresh Water, Life History Studies, Vertical Distribution, ...6.0450

VEGETABLE CROPS FERTILIZER, PLANT NUTRITION, AND IRRIGATION PROBLEMS ...Aerial, Irrigation, Irrigation-general, Root, Soil Fertility -nor-specific, ...2.0895

AN ECONOMIC EVALUATION OF WATER POLLUTION CONTROL, YAQUINA BAY, ORE ...Alternative Planning, Bays, Benefit-cost Analysis, Model Studies, Systems Analysis, Water Quality Control-general, ...6.0454

ECOLOGY OF SPRING CHINOOK SALMON ...Aquatic Ecology, Life History Studies, Productivity - Food Chain, Salmon -coho, chinook, sockeye..., Streams, ...6.0447

RELATIONS OF NUISANCE ALGAE TO FISH IN KLAMATH LAKE ...Algal Toxins, Bioassays, Cyanophyta (non-specific & Ot), Fish -non-specific, Lakes, ...5.0937

FACTORS INFLUENCING THE FRESHWATER RESIDENCE OF JUVENILE FALL CHINOOK SALMON ...Aquatic Ecology, Fresh Water, Life History Studies, Salmon -coho, chinook, sockeye..., Streams, ...6.0448

GENERAL SOIL MAPS OF REGIONS IN OREGON WITH POTENTIAL FOR IRRIGATION ...Acrospatial, Irrigation-general, Mapping, Saline Properties, Soil Morphology, Profiles, ...6.0463

ECOLOGY OF RECREATIONALLY IMPORTANT ESTUARINE FISHES IN OREGON ...Aquatic Ecology, Environmental Ecology, Estuaries, Fishing, Migration, Population Dynamics, ...6.0458

NUTRITIONAL AND SOIL MOISTURE REQUIREMENTS OF PEAR ORCHARDS OF SOUTHERN OREGON ...Pears, Quality -non-specific, Requirements for Water, Trees, Yield, ...2.0899

EVALUATION OF ANADROMOUS FISH PASSAGE FACILITIES AT FALL CREEK DAM, BIG FALL CREEK, OREGON ...Aquatic Ecology, Engineering Structures-general, Migration, Rainbow Trout, Steelhead Trout, Salmon & Trout - Non-specific, ...8.0280

ESTIMATION OF RECREATION WATER REQUIREMENTS - ULTIMATE NEEDS STUDY (OREGON) ...Consumptive Use, Projected Demand, Recreation Sites, Water Demand, ...6.0612

SEDIMENTATION IN SMALL FORESTED DRAINAGE BASINS ...Forest Watersheds, Logging, Transport, Equipment, Runoff, Soil Erosion -non-specific, ...2.0901

COASTAL DIFFUSION OF POLLUTANTS ...Currents-other, Model Studies, Ocean, Outlet, Pulp and Paper Wastes, ...5.0973

ESTUARINE DIFFUSION OF POLLUTANTS ...Dilution-other, Estuaries, Pollutants - Path of, Salinity, Stratification, ...5.0974

IRRIGATED PASTURE AND MEADOW ESTABLISHMENT AND MANAGEMENT ...Flood Irrigation, Grasses -non-specific, Irrigation, Legume-grass Mixtures, Legumes -other, mesquite..., Montana, North Dakota, ...3.0472

Organ Sampling Devices

ECOLOGICAL STUDIES OF RADIOACTIVITY IN THE COLUMBIA RIVER ESTUARY AND ADJACENT PACIFIC OCEAN ...Columbia River, Contamination - Water, Pacific Ocean-north, Pollutants - Path of, Radioactivity, ...6.0452

Organic Evolution

Biochemical

PHYTOCHEMISTRY OF NARCOTIC PRINCIPLES IN CAULERPA ...Biochemical Analysis, Caulerpa, Cyclopropane, Medicinal Plants, Phacophyta (non-specific & Ot), ...6.0172

Ecological

EVOLUTION OF ALLOPATRIC POPULATIONS ...Captive Rearing, Lake Trout, Brook Trout, Maine, Population Dynamics, ...5.0464

Organic Fertility -soil

Manure

FARM ANIMAL WASTE DISPOSAL ...Animal Waste Removal-treatment, Animal Wastes - Feed Lots, Management, Pollution - Effects of, ...5.0736

LIVESTOCK WASTE MANAGEMENT AND SANITATION ...Acrobic, Animal Waste Removal-treatment, Computer Methods -other, General Sanitation Methods, ...5.0360

Organic Fertility -other

COMPARISON OF VARIOUS FORAGES FOR AGRICULTURAL WASTE WATER DISPOSAL ...Infiltration, Sprinkler Irrigation, Use of Impaired Water, Waste Disposal -underground, ...5.0494

Organic Fertility -soil

APPLICATION OF SEWAGE SLUDGE TO FIELD CROPS
...Disposal, Fertilizing, Planting & Cult, Methods of Application,
Sewage, Source of Fertilizer, Waste Disposal -underground,
...5.0363

Plant Residues, Humus, Compost

SOIL SURFACE MANAGEMENT PROCEDURES FOR SOIL
AND WATER CONSERVATION ...Conservation, Conservation-
general, Tillage, Cropping Systems, Yield, ...2.0878

THE ROLE OF SOIL STRUCTURE IN CROP PRODUCTION
AND METHODS FOR IMPROVING SOIL PHYSICAL CONDI-
TIONS ...Groundwater Movement, Management Effects, Soil En-
vironment, Soil Structure, Texas, ...2.1055

MANAGEMENT PRACTICES FOR SALINE AND SODIC SOILS
IN IMPERIAL VALLEY ...California, Management, Tillage,
Cropping Systems, ...3.0037

Organic Matter -soil

Characterization

PEAT BOG WASTE STABILIZATION ...Drying-dewatering, Indus-
trial Wastes, Minnesota, Pulp and Paper Wastes, Waste Water
Treatment-general, ...5.0611

Maintenance

MEADOW SOD MAT ACCUMULATION AND DECOMPOSI-
TION ...Ecology - Soil, High Organic Soils, Microbiology -soil,
Soil Depth, Soil Physical Properties, ...2.0238

Physical Property Effects

SOILS, PESTICIDES AND THE QUALITY OF WATER ...Move-
ment, Leaching, Organic Matter, Organophosphorous Cpd., Soil
and Rock Leaching, Soil Environment, ...5.0325

CHARACTERISTICS OF FARM ANIMAL MANURES AFFECT-
ING DESIGN OF DISPOSAL FACILITIES ...Animal Waste
Removal-treatment, Farm Wastes, Waste Disposal -underground,
Waste Disposal-general, ...3.0300

IRRIGATION REQUIREMENTS, PRINCIPLES AND PRACTICES
FOR EFFICIENT USE OF WATER IN THE PACIFIC
NORTHWEST ...Evapotranspiration, Irrigation, Irrigation-general,
Management, Southern, ...3.0203

Osmoregulation

STUDY OF BIOLOGICAL DESALINATION PHENOMENA AND
SALT TRANSPORT MECHANISMS OF SELECTIVE AVIAN
SALT GLANDS ...Active Transport, Anseriformes -other, Chemi-
cal Analysis, Ion Selective, Transport, ...3.0479

STUDY OF EXCRETORY PATTERNS IN CRAYFISHES ...Cray-
fish, Ali, Metabolism, Nitrogen, Stress, Urea, ...6.0376

SURVIVAL REQUIREMENTS OF JUVENILE AND ADULT
BLUE CRABS ...Biological Rhythms, Crabs, All, Environmental
Physiology, Laboratory, Water Properties-general, ...6.0401

Other

SPORT FISHERY POTENTIAL IN RECLAIMED WASTEWATER
...Channel Catfish, Growth Rate, Salmon & Trout - Non-specific,
Stream Rehabilitation, Tilapia, Cichlids, ...5.0050

THE EFFECT OF WATER STRUCTURE ON BIOLOGICAL AC-
TIVITY ...Bacteria (non-specific), Corn, Molecular Interaction,
Water, Water Movement, ...1.0047

EFFECTS OF POSSIBLE POLLUTANTS ON ENERGY PRODUC-
TION BY BLUEGILL LIVER MITOCHONDRIA ...Bluegills,
Bream, Metallic Ions, Mineral, Mineral Origin, Respiration,
...5.0348

DEVELOPMENT OF NX BOREHOLE INSTRUMENT FOR
DEFORMATION MODULUS ...Borehole Geophysics, Deforma-
tion, Drilling and Coring, ...8.0047

PHYSIOLOGICAL STUDIES OF ALFALFA AS RELATED TO
COLD AND HEAT TOLERANCE, DROUGHT RESISTANCE,
AND FORAGE QUALITY AND YIELD ...Alfalfa, Blood Albu-
min, Cold Resistance and Hardiness, Drought, Respiration,
...2.0572

MARINE TOXINS OF THE TROPICAL PACIFIC ...Algal
Metab.(non-specific &ot), Animal Origin, Fish -non-specific,
Polynesia, Toxicology, ...5.0315

Compound

LIGAND EXCHANGE REAGENTS ...Colorimetric, Complexes,
Dyes and Coloring, Ion Exchange-other, Spectroscopy-other,
...5.0431

SUBJECT INDEX

Overturn

CHEMISTRY OF THE HYPOLIMNION OF LAKE ERIE ...Chemi-
cal-general, Ions and Gases, Lake Erie, Oxygen, Stratification,
...2.0625

Oxygen

STUDY OF LIGHT ISOTOPES IN LACUSTRINE ENVIRON-
MENTS ...Gaseous Atmosphere, Lakes, ...2.0242

DEVELOPMENT OF A COULOMETRIC METHOD FOR THE
MEASUREMENT OF DISSOLVED OXYGEN IN SEA WATER
...Analysis and Detection, Coulometry, Electrolytic, Gases,
Technique Development, ...2.0914

STABLE CARBON AND OXYGEN ISOTOPE RATIO VARIA-
TIONS IN THE FLOW TO CARBON AND OXYGEN
THROUGH NORMAL AND POLLUTED AQUATIC SYSTEMS
...Analysis and Detection, Carbon, Element Ratios, Organic-
general, Pollutants - Path of, Sewerage Systems-other, ...5.1183

DETERMINATION OF OXYGEN IN SEA WATER ...Chemical
Analysis, Electroanalyses-other, Gases, Salt, ...1.0009

DEVELOPMENT OF A CALIBRATION MODULE FOR TRACE
OXYGEN ANALYZERS ...Analyzing, Calibration Devices,
Chemical Analysis (water), Inorganic, Technique Development,
...3.0055

ASSEMBLY AND EVALUATION OF AN IMPROVED PPB OX-
YGEN ANALYZER FOR SEA WATER ...Automatic, Calibration
Devices, Gases, Inorganic, Technique Development, ...3.0453

EFFECTS OF DISSOLVED OXYGEN CONCENTRATION ON
SURVIVAL OF LARGEMOUTH BASS EMBRYOS ...Basic Emb-
ryology, Gases, Dissolved -water, Largemouth Bass, Mortality
Rates, Water Movement, Currents,, Water Temperature-non-
specific, ...5.0771

EFFECTS OF SIMULTANEOUS VARIATION OF TEMPERA-
TURE AND DISSOLVED OXYGEN ON THE RESISTANCE OF
FISHES TO CONTROLLED POLLUTANTS ...Contamination -
Water, Gases, Dissolved -water, Pollution - Effects of, Tempera-
ture, Water Temperature-non-specific, ...5.0220

THE EFFECT OF SURFACTANTS ON THE AQUEOUS SOLU-
BILITY OF OXYGEN AND HYDROGEN SULFIDE ...Micelle,
Solubility, Sulfide, Surfactants, Wettability, ...1.0001

DIFFUSION OF OXYGEN AND HYDROGEN SULFIDE IN
WATER AS EFFECTED BY DISSOLVED SURFACTANTS
...Diffusion-other, Sulfide, Surfactants, ...1.0002

PREDICTION MODELS FOR WATER QUALITY PARAMETERS
...Model Studies, Projections and Estimations, Social Aspects,
Systems Analysis, Temperature, Water Standards, ...6.0164

PROCESS CONTROL MODEL FOR OXYGEN REGENERATION
OF POLLUTED RIVERS ...Aeration, Automatic, Chemical Ox-
ygen Demand, Detectors and Sensors, Model Studies, Streams,
...5.0727

OXYGEN STATUS OF SOIL AIR AND SOIL WATER AS IN-
FLUENCED BY OXYGEN TRANSFER THROUGH THE SOIL
PROFILE ...Activation Analysis, Moisture-other, Polarography,
Soil Chemical Properties, Soil Environment, ...2.0248

PIGMENT INDICES OF ENVIRONMENTAL OXYGEN STRESS
...Environmental Physiology, Hemoglobin, Respiratory Or Blood,
...5.0810

DIFFUSIVITY OF OXYGEN AND SULFIDE SPECIES IN AQUE-
OUS SOLUTIONS ...Chemical Treatment, Gas/liquid, Solution,
Sulfide, Surfactants, ...1.0003

MICROBIAL RELEASE OF SOLUBLE PHOSPHATE IN AN AC-
TIVATED SLUDGE ENVIRONMENT ...Cell. env.(non-specific
& Ot.), Microorganisms (non-specific), Phosphate, Phosphite,
...5.1213

THE EFFECT OF DETERGENTS ON THE OXYGENATION OF
WATER ...Absorption-other, Activated, Isotherm, Surfactants,
...5.1207

A COMPUTER PROGRAM FOR FORECASTING POLLUTION
AND DISSOLVED OXYGEN IN STREAMS ...Distributions,
Forecasting-prediction, Model Studies, Stochastic Models, Water
Quality-general, ...5.1210

DISSOLVED OXYGEN DETERMINATION IN NATURAL AND
WASTE WATERS ...Chemical Analysis (water), Ions and Gases,
Potentiometry, Technique Development, Voltammetry, ...5.0553

OXYGEN TRANSFER IN CONCENTRATED MICROBIAL
SYSTEMS ...Degradation, Microbial-bacterial, Mixed Culture,
Model Studies, Physico - Chem - Metab, ...5.0801

DISSOLVED OXYGEN REQUIREMENTS OF FRESHWATER
FISH ...Aquatic Ecology, Environmental Ecology, Fish -non-
specific, Gases, Dissolved -water, Ions and Gases, ...5.0962

SUBJECT INDEX

Particle Size Tests

BENTHONIC INVERTEBRATES AS AN INDEX OF WATER QUALITY ...Benthic Fauna, Bioindicators, Gases, Dissolved - water, Water Quality Control-general, ...5.0601

EFFECT OF PAPER FIBER WASTES ON FISH EGGS AND JUVENILES ...Fish -non-specific, Minnesota, Pollution - Effects of, Pulp, Paper, and Logging, Sphaerotilus, ...5.0614

OXYGEN RELATIONSHIPS IN SMALL STREAMS ...Aeration, Ions and Gases, Self-purification, Streams, ...5.0357

OXYGEN REGENERATION OF POLLUTED RIVERS ...Aeration, Delaware River, Economic Efficiency, Instrumentation-general, Pollution Abatement, Streams, ...5.0740

A STOCHASTIC MODEL FOR POLLUTION IN ESTUARIES ...Estuaries, Ions and Gases, Model Studies, Water Quality Control-general, Water Quality-general, ...5.1211

OXYGENATION KINETICS OF REDUCED SULFUR SPECIES ...Order, Other, Oxidation-general, ...5.0496

WATER QUALITY REQUIREMENTS FOR AQUATIC INSECTS ...Growth Rate, ...5.0699

EFFECT OF WATER TEMPERATURE AND/OR DISSOLVED OXYGEN REQUIREMENTS ON SELECTED MOLLUSKS ...Environmental Physiology, Freezing & Below, Gases, Dissolved - water, Gastropods -slugs, conch, snails, Warm Water, ...5.0555

OXYGENATION OF AQUEOUS BODIES USING LIQUID OXYGEN ...Aeration, Diffusion-other, Solution, Waste Treatment-economics, ...5.0685

DIFFUSION OF OXYGEN ACROSS THE MUD-WATER INTERFACE IN AQUATIC ENVIRONMENTS ...Aquatic Environments, Diffusion-other, Electroanalyses-other, Ions and Gases, ...2.0797

WATER POLLUTION STUDY OF THE WABASH RIVER ...Data Acquisition-general, Indiana, Low Flow, Model Studies, Water Quality-general, ...5.0390

OXYGEN TRANSFER TO WATER DROPLETS ...Air-general, Diffusion-other, Water, ...1.0038

STRUCTURE OF CARBON-OXYGEN COMPLEXES ...Adsorption-other, Carbon, Complexes, Infrared, Surface-other, ...1.0082

THE PHYSICAL AND CHEMICAL PROPERTIES OF WATER AND SOILS AS RELATED TO THE SUCCESSFUL GROWTH OF WATERFOWL FOOD AND COVER PLANTS ...Flooding, Food Supply, Phytotoxic, Soil (wildlife) Cover, Soil Conditions, Water Fowl, N.s., ...2.0799

REAERATION IN OPEN CHANNEL FLOW ...Aeration, Degradation, Freshwater Ecology, Open Channel Flow, Oxygen Content - water, ...2.0224

CHEMISTRY OF THE HYPOLIMNION OF LAKE ERIE ...Chemical-general, Ions and Gases, Lake Erie, Overturn, Stratification, ...2.0625

OXYGEN DEMAND OF LAKE ERIE SEDIMENT ...Aquatic Soils, Deposits-other, Transfer Processes, ...2.0627

STREAM REAERATION ...Aeration, Morphology-general, Organic-general, Photosynthesis, Streams, ...5.0905

PHYSIOLOGIC AND METABOLIC RESPONSE AS INDICATORS OF STRESS ...Environmental Physiology, Gases, Dissolved -water, Ions and Gases, Metabolism -animal, Stress, ...5.0592

DETERMINATION OF SELECTED ENVIRONMENTAL REQUIREMENTS OF IMPORTANT SPECIES OF MARINE ZOOPLANKTON ...Copepods, Water Salinity, Water Temperature-non-specific, Zooplankton, ...5.1097

Pacific Mountain System

Cascade - Sierra Mountains

STATE OF WASHINGTON DEPARTMENT OF WATER RESOURCES CASCADE ATMOSPHERIC WATER RESOURCES PROGRAM ...Augmentation-general, Clouds-precipitation, Nucleation Physics, Patterns, Washington, ...2.0195

Pacific Ocean-general

PACIFIC OCEAN INFLUENCE UPON CALIFORNIA RAINFALL ...California, Forecasting, Patterns, Rain-other, Temperature, ...2.0104

CLOSTRIDIUM OUTGROWTH AND TOXIN PRODUCTION DURING STORAGE OF SHELLFISH ...Bacterial Pollutant Sources, Clostridium Botulinum, Microbiological, Oysters, Shelf Life & Storage, ...5.1223

Pacific Ocean-north

ECOLOGICAL STUDIES OF RADIOACTIVITY IN THE COLUMBIA RIVER ESTUARY AND ADJACENT PACIFIC OCEAN

...Columbia River, Contamination - Water, Organ Sampling Devices, Pollutants - Path of, Radioactivity, ...6.0452

Pakistan

ORGANISMS WHICH ATTACK THE AQUATIC PLANT, EURASIAN WATERMILFOIL IN PAKISTAN ...Animal Taxonomy, Insects -non-specific, Life History Studies, Other, Water Milfoil, Waterweed..., ...4.0202

Paleobotany

Phylum Thallophyta

Algae

ECOLOGY OF DIATOMS IN HARDWATER HABITATS ...Algae-Diatoms, Environmental Changes, Habitat Studies, Paleoecology, Pollen, ...5.0406

Paleoenvironments

THE POST-PLEISTOCENE EPICYCLE SEQUENCE OF ALLUVIATION AND EROSION IN THE LOWER SAN JUAN DRAINAGE ...Alluvial Deposits, Archeology, Gullies - Arroyos, Paleohydrology, San Juan, ...2.1097

Paleohydrology

CARBON-14 CONTENT OF FRESH WATER CARBONATES ...Carbon-14, Carbonates-general, Chemical, Paleoclimatology, Playas, ...2.6048

MOLLUSK STUDIES ...Agricultural Watersheds, Forest Watersheds, Mollusca - General Studies, Percolation, Strontium, ...1.0114

THE POST-PLEISTOCENE EPICYCLE SEQUENCE OF ALLUVIATION AND EROSION IN THE LOWER SAN JUAN DRAINAGE ...Alluvial Deposits, Archeology, Gullies - Arroyos, Paleoenvironments, San Juan, ...2.1097

Paleontology

Microfossils

DIVERSITY AND ECOLOGICAL NICHES IN MULTI-SPECIES ASSOCIATIONS OF CHYORID CLADOCERA (CRUSTACEA) ...Cladocera, Environmental Ecology, Habitat Studies, Interbiotic Relat.(non-specific), Lakes, ...2.0911

Paleoecology

STUDIES OF NEAR-SURFACE SEDIMENTS IN LAKES, AND RELATIONSHIPS BETWEEN SURFACE SEDIMENT POLLEN SPECTRA AND VEGETATION ...Canada, Lakes, New England Province, ...2.0555

Pollen

STUDIES OF NEAR-SURFACE SEDIMENTS IN LAKES, AND RELATIONSHIPS BETWEEN SURFACE SEDIMENT POLLEN SPECTRA AND VEGETATION ...Canada, Lakes, New England Province, Paleoecology, ...2.0555

ECOLOGY OF DIATOMS IN HARDWATER HABITATS ...Algae, Algae-Diatoms, Environmental Changes, Habitat Studies, Paleoecology, ...5.0406

Paleontology - Invertebrate

Mollusca - General Studies

MOLLUSK STUDIES ...Agricultural Watersheds, Forest Watersheds, Paleohydrology, Percolation, Strontium, ...1.0114

Particle Size Tests

Distribution

ATOMIZATION AND DROP SIZE OF NON-NEWTONIAN FLUID ...Atomization, Non - Newtonian, Nozzles, Solution, Spray Devices, ...5.0796

PREPARATION OF MONODISPERSE EMULSIONS ...Emulsion, Kinetic-general, Nucleation, Precipitation, ...5.0064

ACCESSIBILITY OF PORES IN POROUS MEDIA ...Porosity, Porous Media - Flow Through, ...8.0017

Pennsylvania

Pesticidal Control Measures

Absorption and Translocation

Plant -other

FATE OF HERBICIDES IN WATER AND CROPS IRRIGATED WITH WATER CONTAINING HERBICIDES ...Herbicides -non-specific, Persistence of Residues, Pesticides, Residues in Foods, Sprinkler Irrigation, ...5.1327

FATE OF PESTICIDES ...Absorption, Fixation, Exchange, Aldrin, Biodegradation, DDT, 2,4-d, ...5.0741

Root

PHREATOPHYTE CONTROL - LAHONTAN AND HUMBOLDT BASINS ...Phenology, Phreatophytes, Reservoirs and Impoundments, Saltcedar, Tamarisk, Weed Control -other, ...3.0317

Anti-transpirants

PLANT-WATER-USE EFFICIENCY WITH GROWTH REGULATORS AND TRANSPIRATION SUPPRESSANTS ...Antitranspirants, Fruit-set, Growth Rate, Growth Regulators, Modified Water Use, ...3.0160

THE EFFECTS OF PLANT TRANSPIRATION RETARDANTS ON TRANSPIRATION, LEAF TEMPERATURE, STOMATAL BEHAVIOR AND OSMOTIC PRESSURE ...Modified Water Use, Osmotic and Turgor Pressure, Temperature - Internal, Transpiration, Transpiration and Evap, ...2.0403

CONTROL OF EVAPORATION AND TRANSPIRATION THROUGH SOIL, PLANT AND AIR - WATER INTERFACE MODIFICATIONS ...Evaporation, Modified Water Use, Transpiration, Transpiration and Evap, Water Loss Control, ...2.1040

Aquatic Or Soil-aquatic Cycles

THE CYCLING OF C1-36 LABELED DDT IN NATURAL ECOSYSTEMS ...DDT, Monitoring Systems, Persistence of Residues, Pollution - Effects of, Radioisotopes, ...5.0876

OCCURRENCE OF PESTICIDES IN AQUATIC ENVIRONMENTS ...Food Chains, Animal And/or Man, Irrigation-general, Reservoirs and Impoundments, Runoff, ...5.1237

SOILS, PESTICIDES, AND THE QUALITY OF WATER ...Hawaii, Movement, Leaching, Soil Environment, Triazines -non-specific, Urea Cpd., -non-specific, ...5.0044

SOILS, PESTICIDES AND THE QUALITY OF WATER ...Absorption, Fixation, Exchange, Boundary Process (moisture), Groundwater Movement, Movement, Leaching, Pesticides -non-specific, ...5.0079

SOIL, PESTICIDES AND THE QUALITY OF WATER ...Atrazine, Monuron, Movement, Leaching, Pesticides, Soil Environment, ...5.0196

THE DISPOSITION OF PESTICIDES IN THE SOIL ...Atrazine, Groundwater Movement, Microbial Degradation, Movement, Leaching, Rhizosphere, Trifluralin, ...5.0290

RELATIONSHIPS BETWEEN PESTICIDES AND GEORGIA FARM POND ECOSYSTEMS ...Clay, DDT, Endrin, Farm Pond, Georgia, Pollution - Effects of, Soil Types, ...5.0288

DEGRADATION - DEPLETION OF HERBICIDES IN IRRIGATION WATER AND ACCUMULATION OF HERBICIDE RESIDUES IN CROPS FROM TREATED WATER ...Biodegradation, Degradation, Persistence of Residues, Persistence in Soils, ...5.1326

CHEMICAL BRUSH CONTROL - BIOCHEMISTRY AND TOXIC HAZARD ...Environmental Effects, Herbicides -non-specific, Other, Pesticides, Range, ...5.0944

BEHAVIOR OF POLLUTANTS IN WATER ...Decomposition-general, Infiltration, Movement, Leaching, Persistence in Soils, Pesticides -non-specific, Pollutants - Path of, ...5.0190

ESTUARINE ECOSYSTEMS ...Estuaries, Pesticides -non-specific, Pollution - Effects of, Pollution Effects, Water Properties-general, ...2.0324

PESTICIDE KINETICS ...Degradation -non-specific, Estuaries, Insecticides -non-specific, Marine Biology (non-specific), Pollutants - Path of, ...5.0271

DEGRADATION KINETICS OF VARIOUS ESTER FORMULATIONS OF 2%2,4,5 TRICHLOROPHENOXYPROPRIONIC ACID %SILVEX...Biodegradation, Chemical Degradation, Degradation, Physical Degradation, Silvex, ...5.0285

PESTICIDE POLLUTION OF FARMSTEAD WATER SUPPLIES ...Handling & Application, Pollutants - Path of, Residues in Potable Water, Water Utilization -domestic, ...5.0485

Atmospheric Contamination

REDUCTION OF INSECTICIDAL HAZARDS ...Insecticides -non-specific, Movement, Leaching, Persistence in Soils, Pest Control, Pollution - Effects of, ...5.0393

INFORMATION PROCEDURES IN ENVIRONMENTAL CONTAMINATION ...Atmpopheric Pollution-general, General Information Services, Pesticides -non-specific, ...7.0070

Degradation

Biodegradation

KINETIC STUDIES OF THE OXIDATIVE DEGRADATION OF DETERGENT, AND RELATED CHEMICAL SPECIES IN AQUEOUS SOLUTION ...Biological, Chemical Degradation, Kinetic-general, Physical Degradation, Surfactants, Waste Water Treatment-general, ...5.0495

ANALYTICAL METHODS FOR PESTICIDES AND PESTICIDE DEGRADATION PRODUCTS ...Persistence of Residues, Residue Analysis -other, Soil Degradation -other, Technique Development, ...5.1031

MICROBIAL ECOLOGY OF LAKE CHAMPLAIN AS INFLUENCED BY PESTICIDES ...Freshwater Ecology, Lakes, Microorganisms (non-specific), Nitrogen Bacteria, ...5.1202

DEGRADATION - DEPLETION OF HERBICIDES IN IRRIGATION WATER AND ACCUMULATION OF HERBICIDE RESIDUES IN CROPS FROM TREATED WATER ...Aquatic Or Soil-aquatic Cycles, Degradation, Persistence of Residues, Persistence in Soils, ...5.1326

PESTICIDES AND WILDLIFE ...Food Chains, Animal And/or Man, Habitat Studies, Insecticides -non-specific, Preventative Measures, Wildlife -non-specific, ...5.0138

ROLE OF ENTERIC MICROORGANISMS IN DETOXIFICATION - INTERACTION BETWEEN MICROORGANISMS AND PESTICIDES ...Bacterial Culture, Fish -non-specific, Identification, Insecticides -non-specific, Intestinal Bacteria, ...5.0641

BIOTRANSFORMATION OF ALDRIN AND DIELDRIN BY BACTERIA - INTERACTION BETWEEN MICROORGANISMS AND PESTICIDES ...Aldrin, Cell. env.(non-specific & Ot.), Dieldrin, Other, Soil Bacteria, Water Bacteria, ...5.0644

BIOTRANSFORMATION OF HEPTACHLOR BY BACTERIA - INTERACTION BETWEEN MICROORGANISMS AND PESTICIDES ...Bacterial Pollutant Sources, Heptachlor, Other, Soil Bacteria, Water Bacteria, ...5.0645

SOURCE DISTRIBUTION AND FATE OF C14 LABELED AND CHLORINATION HYDROCARBON INSECTICIDE RESIDUES IN FISH ...Carbon, Food Chains, Animal And/or Man, Persistence of Residues, Wildlife, ...5.0281

DEGRADATION KINETICS OF VARIOUS ESTER FORMULATIONS OF 2%2,4,5 TRICHLOROPHENOXYPROPRIONIC ACID %SILVEX...Aquatic Or Soil-aquatic Cycles, Chemical Degradation, Degradation, Physical Degradation, Silvex, ...5.0285

DETERMINATION OF RESIDUES OF INSECT CONTROL CHEMICALS IN PLANT AND ANIMAL PRODUCTS AND IN SOILS ...Insecticides -non-specific, Persistence of Residues, Residues in Foods, ...5.0482

FATE OF PESTICIDES ...Absorption, Fixation, Exchange, Aldrin, DDT, Plant -other, 2,4-d, ...5.0741

Chemical Degradation

BIOLOGICAL AND CHEMICAL OXIDATION OF SELECTED ORGANIC PESTICIDES ...Biological, Chlorinated Hydrocarbons, Chlorination, Degradation, Gas, Pesticides, ...5.0010

KINETIC STUDIES OF THE OXIDATIVE DEGRADATION OF DETERGENT, AND RELATED CHEMICAL SPECIES IN AQUEOUS SOLUTION ...Biodegradation, Biological, Kinetic-general, Physical Degradation, Surfactants, Waste Water Treatment-general, ...5.0495

DEGRADATION KINETICS OF VARIOUS ESTER FORMULATIONS OF 2%2,4,5 TRICHLOROPHENOXYPROPRIONIC ACID %SILVEX...Aquatic Or Soil-aquatic Cycles, Biodegradation, Degradation, Physical Degradation, Silvex, ...5.0285

Degradation -non-specific

PESTICIDE KINETICS ...Aquatic Or Soil-aquatic Cycles, Estuaries, Insecticides -non-specific, Marine Biology (non-specific), Pollutants - Path of, ...5.0271

Degradation -other

FATE AND PERSISTENCE OF PESTICIDES AND PHYSIOLOGICALLY ACTIVE DEGRADATION PRODUCTS ...Chemical Identification, Decomposition-other, Infrared, Persistence of Residues, ...5.1032

Pesticidal Control Measures

SUBJECT INDEX

Physical Degradation

KINETIC STUDIES OF THE OXIDATIVE DEGRADATION OF DETERGENT, AND RELATED CHEMICAL SPECIES IN AQUEOUS SOLUTION ...Biodegradation, Biological, Chemical Degradation, Kinetic-general, Surfactants, Waste Water Treatment-general, ...5.0495

FACTORS INFLUENCING INSECTICIDE RESIDUES ON OR IN FOOD AND FORAGE CROPS ...Environmental Effects, Kansas, Organophosphorous Cpd., Persistence of Residues, Persistence in Soils, Pollution Effects, ...5.0429

DEGRADATION KINETICS OF VARIOUS ESTER FORMULATIONS OF 2,4,5 TRICHLOROPHENOXYPROPRIONIC ACID %SILVEX...Aquatic Or Soil-aquatic Cycles, Biodegradation, Chemical Degradation, Degradation, Silvex, ...5.0285

Economics of Chemical Control

ECONOMIC ANALYSIS OF RESOURCE POLLUTION BY PESTICIDES AND OTHER WASTE MATERIALS ...Economic Impact, Pesticides, Production & Processing, ...5.1204

Endogenous Biological Extracts

Endogenous Cpd. -plants

AQUATIC PLANT CHEMISTRY-ITS APPLICATION TO ECOLOGY ...Aquatic Plants (non-specific), Bacterial Pollutant Sources, Bactericides -non-specific, Water Quality Control-general, ...5.0793

BIOLOGICAL ALGICIDES ...Algicides -non-specific, Algal Virus, Cell Injury and Autolysis, Mixed Culture, ...5.0226

Environmental Effects

INVESTIGATIONS OF THE RELATION BETWEEN THE USE OF CHLORINATED HYDROCARBONS AND THEIR RESIDUES IN CHANNEL CATFISH ...Channel Catfish, Chlorinated Hydrocarbons, Missouri River, Nebraska, Wildlife, ...5.0702

STATEWIDE FISHERIES RESEARCH ...Bioindicators, Bluegills, Bream, Pollution - Effects of, Rotenone, Temperature, ...5.0817

FACTORS INFLUENCING INSECTICIDE RESIDUES ON OR IN FOOD AND FORAGE CROPS ...Kansas, Organophosphorous Cpd., Persistence of Residues, Persistence in Soils, Physical Degradation, Pollution Effects, ...5.0429

AN EVALUATION OF WIDELY USED HERBICIDES ON AQUATIC PLANTS, FISH AND FISH-FOOD ORGANISMS ...Food Supply, Herbicides -non-specific, Wildlife, ...5.0570

INCREASING CHAPARRAL WATERSHED YIELD THROUGH IMPROVED USE OF PHENOXY-TYPE HERBICIDES ...Herbicides -non-specific, Moisture Tension, Temperature, Translocation, Water Yield, Watersheds-other, ...3.0089

CHEMICAL BRUSH CONTROL - BIOCHEMISTRY AND TOXIC HAZARD ...Aquatic Or Soil-aquatic Cycles, Herbicides -non-specific, Other, Pesticides, Range, ...5.0944

LABORATORY STUDY OF AQUATIC ENVIRONMENTAL FACTORS AND PLANT GROWTH STAGES ON AQUATIC WEED GROWTH AND HERBICIDAL RESPONSE ...Herbicides -non-specific, Light -other, Maturity & Growth Stages, of Aquatic Plants, Water Temperature -other, ...3.0127

INFLUENCE OF SALINITY AND TEMPERATURE ON TOXICITY OF SOME PESTICIDES TO BRINE SHRIMP ...Salinity, Shrimps - Brine Or Fairy, Temperature, ...5.0663

PRINCIPLES AND PRACTICES FOR THE CONTROL OF SUBMERSED, FLOATING, AND IMMERSED AQUATIC WEEDS ...Biocontrol, Canals, Evaluation, Herbicides -non-specific, of Aquatic Plants, ...5.1329

CONTROLLING UNDESIRABLE PHREATOPHYTES ...Evaluation, Herbicides -non-specific, Integrated Physical Control, Phreatophytes, ...3.0496

Evaluation

METHODS FOR CONTROLLING ALLIGATORWEED AND OTHER WEEDS IN CANALS, WATERWAYS, AND ADJACENT WATERS IN THE SOUTHEASTERN U. S. ...Canals, Herbicides -non-specific, Integrated Biological Control, of Aquatic Plants, Southeast, ...8.0210

CONTROL OF CANADA THISTLE AND WATER WEEDS ...Kentucky Bluegrass, Montana, of Aquatic Plants, Phenology, Reed Canary, ...3.0308

CHEMICAL CONTROL OF CREOSOTE BUSH AND MESQUITE ...Legumes -other, mesquite, Management Effects, Phreatophytes, Range, Watersheds-general, Zygophyllaceae, ...4.0177

FISH TOXICANT STUDIES ...Ammonium, Control of Nuisance Species, Fish -non-specific, Piscicides -non-specific, Screening Potential Pesticides, ...5.1147

FACTORS INFLUENCING FREE-LIVING NEMATODES IN WATER SUPPLIES ...Aquatic Ecology, Chemical Treatment-general, Mode of Action -animal, Nematoda -other, Sand, ...5.0368

COOPERATIVE BIOLOGICAL PEST CONTROL RESEARCH ...Biological Pollutants -general, California, Canals, of Aquatic Plants, Reservoirs and Impoundments, ...5.0087

EVALUATION OF HERBICIDES FOR CONTROL OF AQUATIC WEEDS ...Application Rates, Floating Plants, Herbicides -non-specific, of Aquatic Plants, Submerged Plants, ...5.0247

CHEMICAL CONTROL OF AQUATIC VEGETATION ...Illinois, Lakes, of Aquatic Plants, Pre-emergents (plants), ...5.0349

IMPROVEMENT AND MANAGEMENT OF THE COMMUNITY PASTURES OF THE PERSHING COUNTY WATER CONSERVATION DISTRICT NEAR BATTLE MOUNTAIN, NEVADA ...in Forages and Pasture, Management, Nevada, Phreatophytes, Storage of Water, ...3.0316

THIODAN AS A TOXICANT FOR ERADICATION OF FISHES IN LAKE MANAGEMENT ...Control of Nuisance Species, Lakes, Management, Thiodan, ...6.0567

RESULTS OF APPLICATIONS OF KARMEX FOR CONTROL OF PLANTS IN PONDS AND LAKES ...Aquatic Plants (non-specific), Diuron, Lakes, of Aquatic Plants, Water Quality-general, ...6.0568

UNDESIRABLE SHRUB AND TREE CONTROL ...Forest Watersheds, in Forests, of Trees and Shrubs, Relations - Forage - Timber, Utah, ...3.0475

AROMATIC SOLVENT AQUATIC HERBICIDES AND EMULSIFYING AGENT TESTING ...Aromatic Cpd., Chemical Analysis, Herbicides -non-specific, of Aquatic Plants, Petroleum Cpd., -non-specific, Plant Pollutants, ...3.0107

EFFECT OF EURASIAN WATERMILFOIL CONTROL PROCEDURES ON WILDLIFE AND OTHER ORGANISMS IN AQUATIC ENVIRONMENTS ...Aquatic Environments, Contamination - Water, Diquat, Water Milfoil, Waterweed, ...2,4-d, ...5.0505

LAKE MICHIGAN CHEMICAL CONTROL OF SEA LAMPREY ...Animal Pollutant Sources, Control of Nuisance Species, Lampreys, Larvicides, ...5.0576

BIOASSAY ...Animal Pollutant Sources, Lampreys, Piscicides -non-specific, Streams, Water Properties-general, ...5.0580

IMPROVED CULTURAL PRACTICES FOR PRODUCING SAFFLOWER UNDER IRRIGATED AND NON-IRRIGATED CONDITIONS ...Application Rates, Irrigation, Safflower, ...3.0256

PRINCIPLES AND PRACTICES FOR THE CONTROL OF SUBMERSED, FLOATING, AND IMMERSED AQUATIC WEEDS ...Biocontrol, Canals, Environmental Effects, Herbicides -non-specific, of Aquatic Plants, ...5.1329

CONTROLLING UNDESIRABLE PHREATOPHYTES ...Environmental Effects, Herbicides -non-specific, Integrated Physical Control, Phreatophytes, ...3.0496

Food Chains, Animal And/or Man

TRANSPORT, STORAGE, AND TOXICITY OF INSECTICIDES IN AQUATIC ENVIRONMENTS ...Farm Pond, Mode of Action -animal, Pollutants - Path of, ...5.0575

INTERACTION OF PESTICIDE POLLUTANTS AND AQUATIC FOOD-CHAIN ORGANISMS ...DDT, Persistence of Residues, Pollutants - Path of, Pollution - Effects of, ...5.1107

OCCURRENCE OF PESTICIDES IN AQUATIC ENVIRONMENTS ...Aquatic Or Soil-aquatic Cycles, Irrigation-general, Reservoirs and Impoundments, Runoff, ...5.1237

ECOLOGY OF PESTICIDES IN AN AQUATIC ECOSYSTEM ...Insecticides -non-specific, Michigan, Pollutants - Path of, Pollution - Effects of, Pollution Effects, ...5.0563

PHARMACOLOGICAL AND ECOLOGICAL EFFECTS OF PESTICIDES ...Fresh Water, Pollution - Effects of, Productivity - Food Chain, ...5.0964

PESTICIDES AND WILDLIFE ...Biodegradation, Habitat Studies, Insecticides -non-specific, Preventative Measures, Wildlife -non-specific, ...5.0138

TOXICOLOGY OF PESTICIDES IN THE ENVIRONMENT ...Animal Tox. or Resid. -other, Mode of Action -animal, Persistence in Soils, Pesticides -non-specific, ...5.0943

THE EFFECT OF PESTICIDES ON AN ECOSYSTEM ...Environments-general, Persistence of Residues, Pesticides -non-specific, Physical Properties-general, Pollution - Effects of, Soil Chemical Properties, ...5.1154

SUBJECT INDEX

Pesticidal Control Measures

MECHANISMS OF PESTICIDE ACCUMULATION IN AQUATIC ORGANISMS ...Chlorinated Hydrocarbons, Insecticides -non-specific, Pollution Effects, Productivity - Food Chain, ...5.0546

SOURCE DISTRIBUTION AND FATE OF C14 LABELED AND CHLORINATION HYDROCARBON INSECTICIDE RESIDUES IN FISH ...Biodegradation, Carbon, Persistence of Residues, Wildlife, ...5.0281

TOXICOLOGY OF PESTICIDES IN THE ENVIRONMENT ...Air Pollution -other, Contamination - Water, Pesticides -non-specific, Pollution Effects, Soil Contamination -other, ...5.0945

RELATIONSHIP OF PESTICIDES IN SOIL, WATER AND PLANTS ...Bioindicators, Degradation, Pesticides, Soil-water-plant Relationships, ...5.0567

PESTICIDE RESISTANT FISH IN NATURAL ECOSYSTEMS ...Animal Resistance, Endrin, Pollution Effects, Tolerance Rates, Wildlife, ...5.0624

Formulation

Formulations -non-specific

FIELD EVALUATION OF SOIL-APPLIED HERBICIDE FOR TOTAL VEGETATION CONTROL ...Herbicides -non-specific, Soil Treatments -non-specific, Weed Control -other, ...3.0126

Granules, Capsules

INSECTICIDE LEACHING TESTS ...Bioassay, Insecticides -non-specific, Persistence in Soils, Soil and Rock Leaching, ...2.0959

Liquids Or Sprays

CONSERVING SOIL MOISTURE BENEATH RED PINE BY MEANS OF A FOLIAR SPRAY OF A STOMATA - CLOSING CHEMICAL ...Moisture Content, Pines, PMA, Soil Environment, Soils and Fertilizer, Transpiration, ...3.0151

INVESTIGATIONS OF ALGAE INHIBITING MATERIALS ...Cement, Concrete, Coatings-other, Fouling, Inhibitors, Organic Wastes, Water Distribution Systems, ...3.0106

Surfactants - Wetting Agents

SOIL WETTABILITY AND TREATMENT IN RELATION TO WATER MOVEMENT IN SOILS ...Absorption, Fixation, Exchange, Internal Water Movement, Mineralogy, ...2.1090

CONSERVATION OF WATER RESOURCES THROUGH MODIFICATION OF THE PHYSICAL AND CHEMICAL PROPERTIES OF SOIL ...Conservation-general, Persistence in Soils, Sand, Soil Environment, Storage of Water, ...2.0312

SYNERGISM OF PESTICIDES AND DETERGENTS ...Chlorinated Hydrocarbons, Fish -non-specific, Mode of Action -animal, Other, Synergism and Synergists, ...5.0800

Growth Retardation of Plants

FOLIAR PENETRATION OF CHEMICALS WHICH INCREASE DROUGHT AND SALT TOLERANCE ...Drought Resistance, Foliar Absorption, Modified Water Use, Saline Soils, Surface Properties -other, ...3.0049

Integrated Biological Control

METHODS FOR CONTROLLING ALLIGATORWEED AND OTHER WEEDS IN CANALS, WATERWAYS, AND ADJACENT WATERS IN THE SOUTHEASTERN U. S. ...Canals, Evaluation, Herbicides -non-specific, of Aquatic Plants, Southeast, ...8.0210

Integrated Cultural Control

CONTROL OF UNDESIRABLE SHRUBS AND REVEGETATION OF SOUTHERN ARIZONA RANGES ...Arid and Desert, Arizona, Cultural Control, Maturity Or Growth Stage of, Range, ...4.0011

Integrated Physical Control

CONTROLLING UNDESIRABLE PHREATOPHYTES ...Environmental Effects, Evaluation, Herbicides -non-specific, Phreatophytes, ...3.0496

Larvicides

DISPERSAL OF CONCENTRATED OR UNDILUTED INSECTICIDES FOR IMPROVED MOSQUITO CONTROL ...Animal Appl. -other, California, Insecticides -non-specific, Mosquitoes -non-specific, ...5.0493

INVESTIGATIONS ON NEW INSECTICIDES AND TECHNIQUES FOR THE CONTROL OF PEST AND VECTOR MOSQUITOES ...Culex Mosquitoes, Screening Potential Pesticides, Wildlife, ...5.0141

LAKE SUPERIOR CHEMICAL CONTROL OF SEA LAMPREY ...Control of Nuisance Species, Flow Characteristics -water, Lake Superior, Lampreys, Streams, ...5.0577

LAKE MICHIGAN CHEMICAL CONTROL OF SEA LAMPREY ...Animal Pollutant Sources, Control of Nuisance Species, Evaluation, Lampreys, ...5.0576

Methods of Appl & Placement

Aerial - Airplane

CONTROL OF WOODY PLANTS ...Herbicides -non-specific, New Mexico, Rio Grande River, Weed Control -other, ...3.0121

Animal Appl. -other

DISPERSAL OF CONCENTRATED OR UNDILUTED INSECTICIDES FOR IMPROVED MOSQUITO CONTROL ...California, Insecticides -non-specific, Larvicides, Mosquitoes -non-specific, ...5.0493

Fumigation

SOIL AND WATER MANAGEMENT AS RELATED TO FORAGE CROP PRODUCTION ...Irrigation, Lime, Management, Soil-water-plant Relationships, Tillage, Cropping Systems, ...2.1104

Pre-emergents (plants)

CHEMICAL CONTROL OF AQUATIC VEGETATION ...Evaluation, Illinois, Lakes, of Aquatic Plants, ...5.0349

Seed Treatment

CURRENT FISH AND WILDLIFE PESTICIDE PROBLEMS ...Azodrin, Endrin, Guthion, Mercury, of Aquatic Plants, Thiodan, Wildlife, ...4.0042

Soil Treatments -non-specific

FIELD EVALUATION OF SOIL-APPLIED HERBICIDE FOR TOTAL VEGETATION CONTROL ...Formulations -non-specific, Herbicides -non-specific, Weed Control -other, ...3.0126

Water Application

RELATIONSHIPS BETWEEN PESTICIDAL APPLICATION AND WATER CONTAMINATION UNDER IRRIGATION IN THE GREAT PLAINS ...Great Plains Province, Irrigation-general, Kansas, Pesticides -non-specific, Pollutants - Path of, ...5.0430

Mode of Action -animal

THE EFFECT OF DIELDRIN ON SURVIVAL AND DEVELOPMENT OF FISH EGGS ...Aldrin, Basic Embryology, Dieldrin, Ohio, Pollution - Effects of, ...5.0885

ACUTE TOXICITY OF PESTICIDES TO FRESHWATER FISH AND OTHER VERTEBRATES ...Insecticides -non-specific, Maturity & Growth Stages, Pollution - Effects of, Pollution Effects, Wildlife, ...5.0649

EFFECTS OF CHRONIC SUBLETHAL DOSAGES OF DDT ON THE SWIMMING PERFORMANCE OF ATLANTIC SALMON PARR ...Atlantic Salmon, Sebago Salmon, DDT, Locomotion - animal, Stamina, Wildlife, ...5.0472

THE EFFECTS OF DIELDRIN ON MALLARD DUCKLING BEHAVIOR ...Behavior -animal, Dieldrin, Light Quality -non-specific, Mallard, Visual, ...6.0580

TRANSPORT, STORAGE, AND TOXICITY OF INSECTICIDES IN AQUATIC ENVIRONMENTS ...Farm Pond, Food Chains, Animal And/or Man, Pollutants - Path of, ...5.0575

FACTORS INFLUENCING FREE-LIVING NEMATODES IN WATER SUPPLIES ...Aquatic Ecology, Chemical Treatment-general, Evaluation, Nematoda -other, Sand, ...5.0368

EFFECTS OF PESTICIDES ON MARINE ANIMALS ...Dieldrin, Laboratory Animals, Metabolism, Respiration, ...5.0261

WATER QUALITY PROTECTION - SYNTHESIS OF POTENTIAL MOLLUSCICIDES ...Animal Pollutant Sources, Molluscicides -non-specific, Schistosoma, Screening Potential Pesticides, ...5.1066

TOXICOLOGY OF PESTICIDES IN THE ENVIRONMENT ...Animal Tox. or Resid. -other, Food Chains, Animal And/or Man, Persistence in Soils, Pesticides -non-specific, ...5.0943

CHRONIC EFFECTS OF MALATHION ON BLUEGILLS ...Bluegills, Bream, Channel Catfish, Malathion, Pollution - Effects of, Wildlife, ...5.0646

BIOCHEMISTRY OF FISH SEMEN ...Cutthroat Trout, Endrin, Fertility, Male Gametes, ...5.0627

SEASONAL CHANGES IN ESTERASE ACTIVITY IN FISH AND INVERTEBRATES. INTERACTIONS BETWEEN PESTICIDES ON FISH ENZYME SYSTEMS ...Biochemical Analysis, Bluegills, Bream, Cholinesterase, Invertebrates -non-specific, Pesticides -non-specific, ...5.0638

Pesticidal Control Measures

SUBJECT INDEX

METHOXYCHLOR-CAUSED EFFECTS ON CUTTHROAT TROUT PHYSIOLOGY CHRONIC TOXICITY OF INSECTICIDES TO COLD-WATER FISH ...Cutthroat Trout, Methoxychlor, Wildlife, Wyoming, ...5.0666

EFFECTS OF MALATHION ON LEARNING AND RETENTION IN THE GOLDFISH ...Escape and Avoidance, Goldfish, Malathion, Pesticides, Pollution - Effects of, ...5.0667

INFLUENCE OF PROTOZOAN ACTIVITY ON HALOGENATED HYDROCARBON RESIDUES - INTERACTION BETWEEN MICROORGANISMS AND PESTICIDES ...Axenic Culture, Metabolism, Petroleum Cpd. -non-specific, Protozoa -other, ...5.0642

EFFECTS OF PESTICIDES ON PROTEIN, CARBOHYDRATE, AND NUCLEIC ACID METABOLISM. INTERACTION BETWEEN MICROORGANISMS AND PESTICIDES ...Biosynthesis, Cell Injury and Autolysis, Microorganisms (non-specific), Mode of Action -plant, Pesticides -non-specific, Respiration, ...5.0643

LITERATURE SURVEY OF PESTICIDE METABOLISM IN FISH - METABOLISM OF PESTICIDES IN FISH ...Metabolism - animal, Pesticides -non-specific, Survey Studies, Wildlife, ...5.0661

SERUM ANALYSIS OF CUTTHROAT TROUT EXPOSED CHRONICALLY TO METHOXYCHLOR PESTICIDE EFFECTS ON FISH ENDOCRINE FUNCTIONS ...Blood Plasma and Serum, Cutthroat Trout, Endocrine -other, Methoxychlor, ...5.0629

THE CONSTITUENTS AND PHYSICO-CHEMICAL PROPERTIES OF SERUM FROM GOLD-FISH EXPOSED CHRONICALLY TO MALATHION AND ENDRIIN ...Blood Plasma and Serum, Endocrine -other, Endrin, Goldfish, Malathion, ...5.0630

THYROID FUNCTION OF GOLDFISH AND RAINBOW TROUT EXPOSED CHRONICALLY TO MALATHION AND ENDRIIN - PESTICIDE EFFECTS ON FISH ENDOCRINE FUNCTIONS ...Endrin, Goldfish, Malathion, Rainbow Trout, Steelhead Trout, Thyroid, ...5.0631

BLOOD OXYGEN AND CO2 CARRYING CAPACITY OF 4 FISH EXPOSED TO MALATHION AND ENDRIIN - PESTICIDE EFFECTS ON FISH ENDOCRINE FUNCTIONS ...Blood Cells, Endrin, Laboratory Animals, Malathion, Sevin, ...5.0632

EFFECTS OF MALATHION ON THE SEXUAL DEVELOPMENT OF MALE RAINBOW TROUT - PESTICIDE EFFECTS ON FISH ENDOCRINE FUNCTIONS ...Gonadotrophins, Gonadotropins, Malathion, Pollution - Effects of, Rainbow Trout, Steelhead Trout, ...5.0633

EFFECTS OF ENDRIIN & MALATHION ON GONADAL HYDRATION RESPONSE OF MALE GOLDFISH & RAINBOW TROUT. PESTICIDE EFFECTS ON FISH ENDOCRINE FUNCTION ...Endrin, Goldfish, Malathion, Male Gametes, Pesticides, Rainbow Trout, Steelhead Trout, ...5.0634

REMOVAL OF PESTICIDES FROM FRESHWATER FISH ...Bioassay, Fish -non-specific, Fish Meals, Pesticides -non-specific, Removal of Residues, ...5.0543

SYNERGISM OF PESTICIDES AND DETERGENTS ...Chlorinated Hydrocarbons, Fish -non-specific, Other, Surfactants - Wetting Agents, Synergism and Synergists, ...5.0800

CONTAMINATION OF OYSTERS BY PESTICIDES ...Dieldrin, Endrin, Oysters, Residues in Foods, ...5.0462

Mode of Action -plant

EFFECT OF HERBICIDES ON AN AQUATIC ENVIRONMENT ...Herbicides -non-specific, Persistence of Residues, Pollution - Effects of, Wildlife, ...5.0003

INTERACTION OF TEMPERATURE WITH OTHER FACTORS ON THE RESPONSE OF CANADA THISTLE TO HERBICIDES ...Herbicides -non-specific, Mineral Nutrition, Modified Water Use, Soil Moisture -non-specific, Temperature Levels Or Ranges, ...2.0395

MOVEMENT AND PERSISTENCE OF HERBICIDES IN THE SOIL ...Herbicides -non-specific, Movement, Leaching, Persistence in Soils, Soil Profile, ...5.1125

EFFECTS OF PESTICIDES ON PROTEIN, CARBOHYDRATE, AND NUCLEIC ACID METABOLISM. INTERACTION BETWEEN MICROORGANISMS AND PESTICIDES ...Biosynthesis, Cell Injury and Autolysis, Microorganisms (non-specific), Mode of Action -animal, Pesticides -non-specific, Respiration, ...5.0643

Other

INTERACTION OF INORGANIC AND ORGANIC FERTILIZER MATERIALS WITH PESTICIDES AS RELATED TO WATER QUALITY IN SOILS ...Fertilizers, ...5.0051

REDUCTION OF HAZARDS ASSOCIATED WITH THE PRESENCE OF RESIDUES OF INSECTICIDAL CHEMICALS IN THE ENVIRONMENT ...Chlorinated Hydrocarbons, Organophosphorous Cpd., Persistence in Soils, Pesticides, Residues in Foods, ...5.0404

INTERACTION OF INORGANIC AND ORGANIC FERTILIZER MATERIALS WITH PESTICIDES AS RELATED TO WATER QUALITY IN SOILS ...Absorption, Fixation, Exchange, Aldrin, Chemical Degradation, Fertilizers, Pesticides, ...5.0052

CHEMICAL BRUSH CONTROL - BIOCHEMISTRY AND TOXIC HAZARD ...Aquatic Or Soil-aquatic Cycles, Environmental Effects, Herbicides -non-specific, Pesticides, Range, ...5.0944

SYNERGISM OF PESTICIDES AND DETERGENTS ...Chlorinated Hydrocarbons, Fish -non-specific, Mode of Action -animal, Surfactants - Wetting Agents, Synergism and Synergists, ...5.0800

Persistence of Residues

THE CYCLING OF C1-36 LABELED DDT IN NATURAL ECOSYSTEMS ...Aquatic Or Soil-aquatic Cycles, DDT, Monitoring Systems, Pollution - Effects of, Radioisotopes, ...5.0876

PESTICIDE RESIDUE DATA PROCESSING ...Chemical Analysis, Data Analysis - General, Document & Literature Info, Information Retrieval Methods, Pesticides -non-specific, ...5.0147

LIMNOLOGICAL FACTORS AFFECTING PESTICIDE RESIDUES IN SURFACE WATERS ...Chlorinated Hydrocarbons, Iowa, Phytoplankton, Reservoirs and Impoundments, Runoff, Surface Water, ...5.0416

INTERACTION OF PESTICIDE POLLUTANTS AND AQUATIC FOOD-CHAIN ORGANISMS ...DDT, Food Chains, Animal And/or Man, Pollutants - Path of, Pollution - Effects of, ...5.1107

EFFECT OF HERBICIDES ON AN AQUATIC ENVIRONMENT ...Herbicides -non-specific, Mode of Action -plant, Pollution - Effects of, Wildlife, ...5.0003

AN EVALUATION OF THE INSECTICIDE SEVIN AS A WATERSHED POLLUTANT ...Forest Watersheds, Pollution - Effects of, Sevin, ...5.1206

FACTORS INFLUENCING INSECTICIDE RESIDUES ON OR IN FOOD AND FORAGE CROPS ...Environmental Effects, Kansas, Organophosphorous Cpd., Persistence in Soils, Physical Degradation, Pollution Effects, ...5.0429

PESTICIDE CONTAMINATION OF THE ENVIRONMENT AND ITS SIGNIFICANCE ...Carbamates -non-specific, Louisiana, Monitoring Systems, Organophosphorous Cpd., ...5.0451

THE MOVEMENT OF HERBICIDES OFF, INTO, AND THROUGH SOILS ...Agricultural Watersheds, Herbicides -non-specific, Movement, Leaching, Runoff, Soil Sampling, ...5.0487

ANALYTICAL METHODS FOR PESTICIDES AND PESTICIDE DEGRADATION PRODUCTS ...Biodegradation, Residue Analysis -other, Soil Degradation -other, Technique Development, ...5.1031

FATE AND PERSISTENCE OF PESTICIDES AND PHYSIOLOGICALLY ACTIVE DEGRADATION PRODUCTS ...Chemical Identification, Decomposition-other, Degradation -other, Infrared, ...5.1032

INSECTICIDE RESIDUES ON ALFALFA ...Insecticides -non-specific, Persistence in Soils, Pest Control, Soil Chemical Properties, ...5.1115

DEGRADATION - DEPLETION OF HERBICIDES IN IRRIGATION WATER AND ACCUMULATION OF HERBICIDE RESIDUES IN CROPS FROM TREATED WATER ...Aquatic Or Soil-aquatic Cycles, Biodegradation, Degradation, Persistence in Soils, ...5.1326

FATE OF HERBICIDES IN WATER AND CROPS IRRIGATED WITH WATER CONTAINING HERBICIDES ...Herbicides -non-specific, Pesticides, Plant -other, Residues in Foods, Sprinkler Irrigation, ...5.1327

EFFECTS OF PESTICIDES ON ESTUARINE ORGANISMS ...Bioassay, Estuaries, Pollution - Effects of, Sevin, Swamps-marshes, ...5.0950

THE EFFECT OF PESTICIDES ON AN ECOSYSTEM ...Environments-general, Food Chains, Animal And/or Man, Pesticides -non-specific, Physical Properties-general, Pollution - Effects of, Soil Chemical Properties, ...5.1154

HERBICIDE RESIDUES ...Irrigation-general, Soil Contamination -other, 2,4-d, 2,4,5-t, ...3.0109

SOURCE DISTRIBUTION AND FATE OF C14 LABELED AND CHLORINATION HYDROCARBON INSECTICIDE RESIDUES IN FISH ...Biodegradation, Carbon, Food Chains, Animal And/or Man, Wildlife, ...5.0281

PERSISTENCE AND FATE OF HERBICIDES IN WATER AND AQUATIC SOILS AND THE EFFECTS OF HERBICIDES IN IRRIGATION WATER ON CROP PLANTS ...Canals, Herbicides -non-specific, Irrigation, Persistence in Soils, Pollutants - Path of , ...5.1330

DETERMINATION OF RESIDUES OF INSECT CONTROL CHEMICALS IN PLANT AND ANIMAL PRODUCTS AND IN SOILS ...Biodegradation, Insecticides -non-specific, Residues in Foods, ...5.0482

Phytotoxicity

GROWTH HABITS, SPREAD AND HERBICIDAL RESPONSES OF TRUMPET CREEPER ...Moisture Content, Movement, Leaching, Persistence in Soils, ...5.1162

CONTROLLING WEEDS ON DITCHBANKS AND OTHER NON-CROP AREAS ...Biocontrol, Persistence in Soils, Physical Control, Soil Erosion -non-specific, ...5.1328

Rates, Doses, Concentrations

Absorption Rates

MOVEMENT AND ADSORPTION OF PESTICIDES IN STERILIZED SOIL COLUMNS ...Absorption, Fixation, Exchange, Column Leaching & Diffusing, Internal Water Movement, Movement, Leaching, Pesticides -non-specific, Soil Tests, ...5.0256

Application Rates

EVALUATION OF HERBICIDES FOR CONTROL OF AQUATIC WEEDS ...Evaluation, Floating Plants, Herbicides -non-specific, of Aquatic Plants, Submerged Plants, ...5.0247

IMPROVED CULTURAL PRACTICES FOR PRODUCING SAFFLOWER UNDER IRRIGATED AND NON-IRRIGATED CONDITIONS ...Evaluation, Irrigation, Safflower, ...3.0256

Formulation, rate, concentration

ROOT-KNOT NEMATODE CONTROL (MELOIDOGYNE NAASI-FRANKLIN) ...Animal Pollutant Sources, Nematocides -non-specific, Nematodes, Population Dynamics, Rhabditoidea, ...3.0042

Tolerance Rates

PESTICIDE RESISTANT FISH IN NATURAL ECOSYSTEMS ...Animal Resistance, Endrin, Food Chains, Animal And/or Man, Pollution Effects, Wildlife, ...5.0624

Removal of Residues

TOXAPHENE FILTRATION PUBLICATION ...Carbon, Filtration, Publications -other, Toxaphene, ...5.1146

EVALUATION OF EARTHY MATERIALS FOR USE IN DECONTAMINATION OF WATER ...Clay, Waste Water Treatment-general, ...5.0002

EFFECT OF PESTICIDE RESIDUES AND OTHER ORGANO-TOXICANTS ON THE QUALITY OF SURFACE AND GROUNDWATER RESOURCES ...Carbamates -non-specific, Groundwater, Movement, Leaching, Persistence in Soils, Water Quality Control-general, ...5.0396

INTERACTION OF HERBICIDES AND SOIL MICROORGANISMS ...Chlorinated Hydrocarbons, Degradation, Microbial Degradation, Water Quality Control-other, ...5.0802

DEMONSTRATION OF A FACILITY FOR THE BIOLOGICAL TREATMENT OF COMPLEX CHLOROPHENOLIC WASTE ...Aerobic, Alcohols, Organics, Pesticides, Pond, ...5.0055

REDUCTION OF HAZARDS ASSOCIATED WITH INSECTICIDAL CHEMICALS IN THE ENVIRONMENT ...Insecticides -non-specific, Persistence in Soils, Pollution - Effects of , Pollution Effects, Residues in Foods, ...5.0359

IDENTIFICATION AND REMOVAL OF PESTICIDES FROM RURAL WATER SUPPLIES ...Pesticides -non-specific, Residues in Potable Water, Rural Areas, Waste Water Treatment-general, Water Utilization -domestic, ...5.0448

LITERATURE SEARCH FOR POSSIBLE PESTICIDE DETOXYFICATING AGENTS - CHEMICAL AND PHYSICAL STUDIES ON REDUCTION OF PESTICIDE HAZARDS ...Survey Studies, Toxicology, ...5.0635

SCREENING FOR PESTICIDE DETOXIFICATION AGENTS - CHEMICAL AND PHYSICAL STUDIES ON REDUCTION OF PESTICIDE HAZARDS ...Aldrin, DDT , Dieldrin, Screening Potential Pesticides, ...5.0636

REMOVAL OF PESTICIDES FROM FRESHWATER FISH ...Bioassay, Fish -non-specific, Fish Meals, Mode of Action -animal, Pesticides -non-specific, ...5.0543

Residue Analysis

Bioassay

THE BIOASSAY OF WATER POLLUTANTS WITH CULTURED MAMMALIAN CELLS ...Bioassays, Herbicides -non-specific, Toxicity Or Residues -other, ...5.1055

EFFECTS OF PESTICIDES ON ESTUARINE ORGANISMS ...Estuaries, Persistence of Residues, Pollution - Effects of , Sevin, Swamps-marshes, ...5.0950

INSECTICIDE LEACHING TESTS ...Granules, Capsules, Insecticides -non-specific, Persistence in Soils, Soil and Rock Leaching, ...2.0959

ACUTE TOXICITY OF PESTICIDES TO FRESHWATER INVERTEBRATES ...Age, Chemical Measurements -water, Chemical-general, Laboratory Animals, Water Temperature-non-specific, ...5.0662

RELATIVE SUSCEPTIBILITIES OF FISH FAMILIES TO INSECTICIDES - ACUTE TOXICITY OF PESTICIDES TO FRESHWATER FISH AND OTHER VERTEBRATES ...Bioassays, Carbamates -non-specific, Chlorinated Hydrocarbons, Organophosphorous Cps. , Wildlife, ...5.0653

CONTINUOUS-FLOW INVERTEBRATE BIOASSAYS AND PESTICIDES AT COLUMBIA, MO. - ACUTE TOXICITY OF PESTICIDES TO FRESHWATER INVERTEBRATES ...Herbicides -non-specific, Insecticides -non-specific, Invertebrates -non-specific, Laboratory Animals, ...5.0665

THE INFLUENCES OF ENVIRONMENTAL CONDITIONS ON THE TOXICITY OF PESTICIDES ...Environmental Ecology, Fish -non-specific, Pollution - Effects of , Wildlife, ...5.0656

REMOVAL OF PESTICIDES FROM FRESHWATER FISH ...Fish -non-specific, Fish Meals, Mode of Action -animal, Pesticides -non-specific, Removal of Residues, ...5.0543

TOXIC AND OTHER CHEMICALS IN MARINE BIOTA ...Dibrom, Diquat, Mollusks -non-specific & Other, Paraquat, ...5.1074

Chemical Analysis

PESTICIDE RESIDUE DATA PROCESSING ...Data Analysis -General, Document & Literature Info, Information Retrieval Methods, Persistence of Residues, Pesticides -non-specific, ...5.0147

DETECTION AND IDENTIFICATION OF MOLECULAR WATER POLLUTANTS BY LASER RAMAN SPECTROSCOPY ...Detectors and Sensors, Industrial Wastes, Lasers and Masers, Pesticides -non-specific, Physical Parameters, Raman, Surfactants, ...5.0441

DEVELOPMENT OF ANALYTICAL METHODS FOR PESTICIDE CONTAMINANTS IN DOMESTIC, IRRIGATION, LAKE, AND POND WATERS ...Chemical Analysis (water), Chemical Treatment-general, Irrigation-general, Lakes, Pesticides -non-specific, Ponds, ...5.0139

AROMATIC SOLVENT AQUATIC HERBICIDES AND EMULSIFYING AGENT TESTING ...Aromatic Cps, Evaluation, Herbicides -non-specific, of Aquatic Plants, Petroleum Cps, -non-specific, Plant Pollutants, ...3.0107

METHODS OF ANALYSIS FOR INSECT-CONTROL CHEMICALS ...Colorimetry, Extraction-other, Gas, Reaction-general, Spectroscopy-other, ...5.0491

Monitoring Systems

THE CYCLING OF C1-36 LABELED DDT IN NATURAL ECOSYSTEMS ...Aquatic Or Soil-aquatic Cycles, DDT , Persistence of Residues, Pollution - Effects of , Radioisotopes, ...5.0876

PESTICIDE RESIDUE STUDY IN SPORT FISH WATERS ...Chemical Analysis (water), Filtration, Pesticides -non-specific, Pollution - Effects of , ...5.1231

DESIGNING AND TESTING A WATER MONITORING SYSTEM FOR PESTICIDES IN NORTH CAROLINA ...Agricultural Watersheds, Chemical Identification, DDT , Endrin, North Carolina, Technique Development, ...7.0087

MASSACHUSETTS PESTICIDE MONITORING STUDY ...Massachusetts, Pesticides -non-specific, Sampling, Watersheds-general, ...5.0539

PESTICIDE CONTAMINATION OF THE ENVIRONMENT AND ITS SIGNIFICANCE ...Carbamates -non-specific, Louisiana, Organophosphorous Cps. , Persistence of Residues, ...5.0451

WATER QUALITY MONITORING STUDIES ...Aquatic Ecology, Chemical-general, Dams, Land Use, Survey Studies, Water Quality-general, ...6.0639

SCREENING AQUATIC INVERTEBRATES TO DETECT AN ORGANISM SUITABLE FOR USE IN A MONITORING PRO-

Pesticidal Control Measures

- GRAM ...Bioassays, Bioindicators, Cholinesterase, Fish -non-specific, Invertebrates -non-specific, Metabolism, ...5.0639
- PESTICIDE MONITORING PROGRAM ...Bioindicators, Estuaries, Gas, Oysters, ...5.0268
- MONITORING OF PESTICIDE LEVELS IN THE GREAT LAKES ...Great Lakes-general, Insecticides -non-specific, Pollutants-general, Water Sampling, ...5.0544

Residue Analysis -other

- PESTICIDAL RESIDUES OF AGRICULTURAL CHEMICALS ...Nevada, Persistence in Soils, Pesticides -non-specific, Pollutants-general, Soil Degradation -other, ...5.0707
- ANALYTICAL METHODS FOR PESTICIDES AND PESTICIDE DEGRADATION PRODUCTS ...Biodegradation, Persistence of Residues, Soil Degradation -other, Technique Development, ...5.1031
- PROJECT 2203 EFFECTS ON PHYSIOLOGY WORK UNIT 53 CHRONIC EFFECTS OF ENDRIN ON BLUEGILLS ...Alabama, Bluegills, Bream, Computer Matching Code, Endrin, Wildlife, ...5.0022
- COMPARATIVE UPTAKE OF 10 CHLORINATED HYDROCARBON PESTICIDES BY FISH ...Chlorinated Hydrocarbons, Fish -non-specific, Metabolism -animal, Wildlife, ...5.0628
- CHEMICAL, PHYSICAL AND BIOLOGICAL REACTIONS OF PESTICIDES WITH SOILS AFFECTING SOIL PRODUCTIVITY AND PESTICIDE STABILITY ...Microbiology -soil, Movement, Leaching, Pesticides -non-specific, Pollutants - Path of , Soil Conditions, Soil Temp. -non-specific, ...5.0202

Resistance & Tolerance

Animal Resistance

- PESTICIDE RESISTANT FISH IN NATURAL ECOSYSTEMS ...Endrin, Food Chains, Animal And/or Man, Pollution Effects, Tolerance Rates, Wildlife, ...5.0624

Plant Resistance

- GROWTH SUPPRESSION AND REDUCTION IN REGROWTH POTENTIAL OF AQUATIC WEEDS ...Aerolein, Biological Pollutants -other, Maturity Or Growth Stage of , of Aquatic Plants, Submerged Plants, ...2.0191

Safety Measures

Handling & Application

- PESTICIDE POLLUTION OF FARMSTEAD WATER SUPPLIES ...Aquatic Or Soil-aquatic Cycles, Pollutants - Path of , Residues in Potable Water, Water Utilization -domestic, ...5.0485

Preventative Measures

- PESTICIDES AND WILDLIFE ...Biodegradation, Food Chains, Animal And/or Man, Habitat Studies, Insecticides -non-specific, Wildlife -non-specific, ...5.0138

Screening Potential Pesticides

- FISH TOXICANT STUDIES ...Ammonium , Control of Nuisance Species, Evaluation, Fish -non-specific, Piscicides -non-specific, ...5.1147
- CORRELATION OF STRUCTURE VS. ACTIVITY OF POLLUTANTS OF FRESH WATER ...Bioindicators, Gastropods -slugs, conch, snails, Molluscicides -non-specific, Pesticide-other, Thiocarbamate, N.s. , ...5.1050
- WATER QUALITY PROTECTION - SYNTHESIS OF POTENTIAL MOLLUSCICIDES ...Animal Pollutant Sources, Mode of Action -animal, Molluscicides -non-specific, Schistosoma, ...5.1066
- INVESTIGATIONS ON NEW INSECTICIDES AND TECHNIQUES FOR THE CONTROL OF PEST AND VECTOR MOSQUITOES ...Culex Mosquitoes, Larvicides, Wildlife, ...5.0141
- INVESTIGATION OF AQUATIC WEED PROBLEMS AND MEANS OF CONTROL WITH EMPHASIS ON BRAZILIAN WATERWEED ...Applied Ecology, Herbicides -non-specific, of Aquatic Plants, Water Milfoil, Waterweed, ...5.0938
- EFFECTS OF VARIOUS PRE-HARVEST AND POST-HARVEST TREATMENTS ON SWEET POTATOES ...Herbicides -non-specific, Irrigation, Root, Sweetpotatoes, ...6.0560
- SCREENING FOR PESTICIDE DETOXIFICATION AGENTS - CHEMICAL AND PHYSICAL STUDIES ON REDUCTION OF PESTICIDE HAZARDS ...Aldrin, DDT , Dieldrin, Removal of Residues, ...5.0636
- ACUTE TOXICITY OF PESTICIDES TO FRESHWATER FISH AND OTHER VERTEBRATES ...Fish -non-specific, Pesticides -

SUBJECT INDEX

- non-specific, Temperature, Water Quality-general, Wildlife, ...5.0652

Selectivity

- LAKE HURON CHEMICAL CONTROL ...Bioindicators, Chemical-general, Ectoparasites, Flow Characteristics -water, ...5.0578

Soil Environment

Chemical Degradation

- INTERACTION OF INORGANIC AND ORGANIC FERTILIZER MATERIALS WITH PESTICIDES AS RELATED TO WATER QUALITY IN SOILS ...Absorption, Fixation, Exchange, Aldrin, Fertilizers, Other, Pesticides, ...5.0052

Microbial Degradation

- INTERACTION OF HERBICIDES AND SOIL MICROORGANISMS ...Chlorinated Hydrocarbons, Degradation, Removal of Residues, Water Quality Control-other, ...5.0802
- THE DISPOSITION OF PESTICIDES IN THE SOIL ...Evaporation, Movement, Leaching, Soil and Rock Leaching, Soil Environment, ...5.0004
- THE DISPOSITION OF PESTICIDES IN THE SOIL ...Aquatic Or Soil-aquatic Cycles, Atrazine, Groundwater Movement, Movement, Leaching, Rhizosphere, Trifluralin, ...5.0290

Movement, Leaching

- EFFECT OF PESTICIDE RESIDUES AND OTHER ORGANO-TOXICANTS ON THE QUALITY OF SURFACE AND GROUNDWATER RESOURCES ...Carbamates -non-specific, Groundwater, Persistence in Soils, Removal of Residues, Water Quality Control-general, ...5.0396
- INTERACTION OF INORGANIC AND ORGANIC FERTILIZER MATERIALS WITH PESTICIDES AS RELATED TO WATER QUALITY IN SOILS ...Fertilizers, ...5.0051
- MOVEMENT AND ADSORPTION OF PESTICIDES IN STERILIZED SOIL COLUMNS ...Absorption Rates, Absorption, Fixation, Exchange, Column Leaching & Diffusing, Internal Water Movement, Pesticides -non-specific, Soil Tests, ...5.0256
- SORPTION AND MOVEMENT OF POLLUTED WATER IN SOIL ...Absorption, Fixation, Exchange, Internal Water Movement, Persistence in Soils, Pollutants - Path of , Soil Environment, Soil-water-plant Relationships, ...5.0078
- THE DISPOSITION OF PESTICIDES IN THE SOIL ...Evaporation, Microbial Degradation, Soil and Rock Leaching, Soil Environment, ...5.0004
- SOILS, PESTICIDES, AND THE QUALITY OF WATER ...Aquatic Or Soil-aquatic Cycles, Hawaii, Soil Environment, Triazines -non-specific, Urea Cpd. -non-specific, ...5.0044
- SOILS, PESTICIDES AND THE QUALITY OF WATER ...Absorption, Fixation, Exchange, Aquatic Or Soil-aquatic Cycles, Boundary Process (moisture), Groundwater Movement, Pesticides -non-specific, ...5.0079
- SORPTION AND DESORPTION FACTORS INFLUENCING TRANSPORT, PERSISTENCE, & ALTERATION OF PESTICIDES IN VARIOUS AGRICULTURAL SOILS ...Boundary Process (moisture), Pesticides -non-specific, Physical Properties-general, Radioisotopes, Soil Chemical Properties, ...5.0140
- SOIL, PESTICIDES AND THE QUALITY OF WATER ...Aquatic Or Soil-aquatic Cycles, Atrazine, Monuron, Pesticides, Soil Environment, ...5.0196
- THE DISPOSITION OF PESTICIDES IN THE SOIL ...Georgia, Groundwater Movement, Persistence in Soils, Pesticides -non-specific, Soil Environment, ...5.0287
- THE DISPOSITION OF PESTICIDES IN THE SOIL ...Aquatic Or Soil-aquatic Cycles, Atrazine, Groundwater Movement, Microbial Degradation, Rhizosphere, Trifluralin, ...5.0290
- SOILS, PESTICIDES AND THE QUALITY OF WATER ...Organic Matter, Organophosphorus Cpd. , Physical Property Effects, Soil and Rock Leaching, Soil Environment, ...5.0325
- REDUCTION OF INSECTICIDAL HAZARDS ...Atmospheric Contamination, Insecticides -non-specific, Persistence in Soils, Pest Control, Pollution - Effects of , ...5.0393
- THE MOVEMENT OF HERBICIDES OFF, INTO, AND THROUGH SOILS ...Agricultural Watersheds, Herbicides -non-specific, Persistence of Residues, Runoff, Soil Sampling, ...5.0487
- ALTERATIONS OF THE PERSISTENCE AND MOVEMENT OF HERBICIDES IN SOIL, WATER, AND PLANTS ...Fungicides -non-specific, Herbicides -non-specific, Pollutants - Path of , Soil Degradation -other, ...5.0486
- SOILS, PESTICIDES, AND THE QUALITY OF WATER ...Bensulide, Groundwater Movement, Management, Soil Environment, 2,4-d, ...5.0752

SUBJECT INDEX

Pesticidal Control Measures

THE DISPOSITION OF PESTICIDES IN THE SOIL ...Adsorption Capacity, Drainage, North Carolina, Persistence in Soils, ...5.0826

MOVEMENT AND PERSISTENCE OF HERBICIDES IN THE SOIL ...Herbicides -non-specific, Mode of Action -plant, Persistence in Soils, Soil Profile, ...5.1125

GROWTH HABITS, SPREAD AND HERBICIDAL RESPONSES OF TRUMPET CREEPER ...Moisture Content, Persistence in Soils, Phytotoxicity, ...5.1162

THE DISPOSITION OF PESTICIDES IN THE SOIL ...Internal Water Movement, Mineralogy, Pollutants - Path of , Soil Chemical Properties, ...5.1163

SOILS, PESTICIDES, AND THE QUALITY OF WATER ...Adsorption Capacity, Internal Water Movement, Pollutants - Path of , Thermal Properties-other, ...6.0590

THE DISPOSITION OF PESTICIDES IN THE SOIL ...Mineralogy, Persistence in Soils, Soil Chemical Properties, ...5.1208

SOILS, PESTICIDES AND THE QUALITY OF WATER ...Groundwater Movement, Infiltration, Pollutants - Path of , Rhizosphere, ...5.1239

SOILS, PESTICIDES, AND THE QUALITY OF WATER ...Management, Pollutants - Path of , Soil and Rock Leaching, Soil Properties - Other, ...5.0312

BEHAVIOR OF POLLUTANTS IN WATER ...Aquatic Or Soil-aquatic Cycles, Decomposition-general, Infiltration, Persistence in Soils, Pesticides -non-specific, Pollutants - Path of , ...5.0190

FATE AND EFFECTS OF PESTICIDES IN FOREST SOILS AND WATER ...DDT , Forests, Groundwater Movement, Persistence in Soils, Soils and Fertilizer, ...5.0968

CHEMICAL, PHYSICAL AND BIOLOGICAL REACTIONS OF PESTICIDES WITH SOILS AFFECTING SOIL PRODUCTIVITY AND PESTICIDE STABILITY ...Microbiology -soil, Pesticides -non-specific, Pollutants - Path of , Residue Analysis -other, Soil Conditions, Soil Temp. -non-specific, ...5.0202

Persistence in Soils

EFFECT OF PESTICIDE RESIDUES AND OTHER ORGANO-TOXICANTS ON THE QUALITY OF SURFACE AND GROUNDWATER RESOURCES ...Carbamates -non-specific, Groundwater, Movement, Leaching, Removal of Residues, Water Quality Control-general, ...5.0396

SORPTION AND MOVEMENT OF POLLUTED WATER IN SOIL ...Absorption, Fixation, Exchange, Internal Water Movement, Movement, Leaching, Pollutants - Path of , Soil Environment, Soil-water-plant Relationships, ...5.0078

THE BEHAVIOR AND FATE OF DDT AND ZECTRAN IN A FOREST SOIL ...DDT , Soils and Fertilizer, Zectran, ...5.1205

CONSERVATION OF WATER RESOURCES THROUGH MODIFICATION OF THE PHYSICAL AND CHEMICAL PROPERTIES OF SOIL ...Conservation-general, Sand, Soil Environment, Storage of Water, Surfactants - Wetting Agents, ...2.0312

THE DISPOSITION OF PESTICIDES IN THE SOIL ...Georgia, Groundwater Movement, Movement, Leaching, Pesticides -non-specific, Soil Environment, ...5.0287

REDUCTION OF HAZARDS ASSOCIATED WITH INSECTICIDAL CHEMICALS IN THE ENVIRONMENT ...Insecticides -non-specific, Pollution - Effects of , Pollution Effects, Removal of Residues, Residues in Foods, ...5.0359

REDUCTION OF INSECTICIDAL HAZARDS ...Atmospheric Contamination, Insecticides -non-specific, Movement, Leaching, Pest Control, Pollution - Effects of , ...5.0393

REDUCTION OF HAZARDS ASSOCIATED WITH THE PRESENCE OF RESIDUES OF INSECTICIDAL CHEMICALS IN THE ENVIRONMENT ...Chlorinated Hydrocarbons, Organophosphorous Cpds. , Other, Pesticides, Residues in Foods, ...5.0404

FACTORS INFLUENCING INSECTICIDE RESIDUES ON OR IN FOOD AND FORAGE CROPS ...Environmental Effects, Kansas, Organophosphorous Cpds. , Persistence of Residues, Physical Degradation, Pollution Effects, ...5.0429

THE PERSISTENCE, ACCUMULATION AND FATE OF PESTICIDES IN CRANBERRY SOILS AND RESERVOIRS ...Blueberries, Cranberries, Chlorinated Hydrocarbons, Organophosphorous Cpds. , Reservoirs and Impoundments, Swamps-marshes, ...5.0533

PESTICIDAL RESIDUES OF AGRICULTURAL CHEMICALS ...Nevada, Pesticides -non-specific, Pollutants-general, Residue Analysis -other, Soil Degradation -other, ...5.0707

THE DISPOSITION OF PESTICIDES IN THE SOIL ...Adsorption Capacity, Drainage, Movement, Leaching, North Carolina, ...5.0826

INSECTICIDE RESIDUES ON ALFALFA ...Insecticides -non-specific, Persistence of Residues, Pest Control, Soil Chemical Properties, ...5.1115

MOVEMENT AND PERSISTENCE OF HERBICIDES IN THE SOIL ...Herbicides -non-specific, Mode of Action -plant, Movement, Leaching, Soil Profile, ...5.1125

GROWTH HABITS, SPREAD AND HERBICIDAL RESPONSES OF TRUMPET CREEPER ...Moisture Content, Movement, Leaching, Phytotoxicity, ...5.1162

THE DISPOSITION OF PESTICIDES IN THE SOIL ...Mineralogy, Movement, Leaching, Soil Chemical Properties, ...5.1208

DEGRADATION - DEPLETION OF HERBICIDES IN IRRIGATION WATER AND ACCUMULATION OF HERBICIDE RESIDUES IN CROPS FROM TREATED WATER ...Aquatic Or Soil-aquatic Cycles, Biodegradation, Degradation, Persistence of Residues, ...5.1326

EFFECT OF PESTICIDE RESIDUES AND OTHER ORGANO-TOXICANTS ON THE QUALITY OF SURFACE AND GROUND WATER RESOURCES ...Groundwater, Pesticides -non-specific, Pollution - Effects of , Surface Water, Water Quality Control-general, ...5.0392

TOXICOLOGY OF PESTICIDES IN THE ENVIRONMENT ...Animal Tox. or Resid. -other, Food Chains, Animal And/or Man, Mode of Action -animal, Pesticides -non-specific, ...5.0943

INSECTICIDE LEACHING TESTS ...Bioassay, Granules, Capsules, Insecticides -non-specific, Soils and Rock Leaching, ...2.0959

BEHAVIOR OF POLLUTANTS IN WATER ...Aquatic Or Soil-aquatic Cycles, Decomposition-general, Infiltration, Movement, Leaching, Pesticides -non-specific, Pollutants - Path of , ...5.0190

CONTROLLING WEEDS ON DITCHBANKS AND OTHER NON-CROP AREAS ...Biocontrol, Physical Control, Phytotoxicity, Soil Erosion -non-specific, ...5.1328

PERSISTENCE AND FATE OF HERBICIDES IN WATER AND AQUATIC SOILS AND THE EFFECTS OF HERBICIDES IN IRRIGATION WATER ON CROP PLANTS ...Canals, Herbicides -non-specific, Irrigation, Persistence of Residues, Pollutants - Path of , ...5.1330

FATE AND EFFECTS OF PESTICIDES IN FOREST SOILS AND WATER ...DDT , Forests, Groundwater Movement, Movement, Leaching, Soils and Fertilizer, ...5.0968

Soil Degradation -other

ALTERATIONS OF THE PERSISTENCE AND MOVEMENT OF HERBICIDES IN SOIL, WATER, AND PLANTS ...Fungicides -non-specific, Herbicides -non-specific, Movement, Leaching, Pollutants - Path of , ...5.0486

PESTICIDAL RESIDUES OF AGRICULTURAL CHEMICALS ...Nevada, Persistence in Soils, Pesticides -non-specific, Pollutants-general, Residue Analysis -other, ...5.0707

ANALYTICAL METHODS FOR PESTICIDES AND PESTICIDE DEGRADATION PRODUCTS ...Biodegradation, Persistence of Residues, Residue Analysis -other, Technique Development, ...5.1031

Sterilization (chemical)

Soil Sterilants

WEED AND ALGAE CONTROL, SMALL IMPOUNDMENT INVESTIGATIONS ...Georgia, of Aquatic Plants, Plant Pollutants, Reservoirs and Impoundments, ...5.0304

Substances Or Chemicals

CHEMICAL ANALYSES ...Chlorinated Hydrocarbons, Estuaries, ...1.0034

Synergism and Synergists

SYNERGISM OF PESTICIDES AND DETERGENTS ...Chlorinated Hydrocarbons, Fish -non-specific, Mode of Action -animal, Other, Surfactants - Wetting Agents, ...5.0800

Timing of Application

Maturity Or Growth Stage of

CONTROL OF UNDESIRABLE SHRUBS AND REVEGETATION OF SOUTHERN ARIZONA RANGES ...Arid and Desert, Arizona, Cultural Control, Integrated Cultural Control, Range, ...4.0011

GROWTH SUPPRESSION AND REDUCTION IN REGROWTH POTENTIAL OF AQUATIC WEEDS ...Acrolein, Biological Pollutants -other, of Aquatic Plants, Plant Resistance, Submerged Plants, ...2.0191

Pesticidal Control Measures

Timing -non-specific

WEED CONTROL IN IRRIGATION AND DRAINAGE SYSTEMS
... Amphibious Plants, Aquatic Soils, Herbicides -non-specific, of
Aquatic Plants, Plant Pollutants, Submerged Plants, ...3.0094

Toxicity Or Residue in Animals

Animal Tox. or Resid. -other

TOXICOLOGY OF PESTICIDES IN THE ENVIRONMENT ...Food
Chains, Animal And/or Man, Mode of Action -animal, Persistence
in Soils, Pesticides -non-specific, ...5.0943

Laboratory Animals

EFFECTS OF THE CHLORINATED HYDROCARBONS, ALDRIN
AND DIELDRIN, ON FRESHWATER SEED SHRIMP (OS-
TRACODA) ...Aldrin, Contamination - Water, Dieldrin, Fresh
Water, Pollution - Effects of, Shrimps - Seed Or Mussel,
...5.1117

EFFECTS OF PESTICIDES ON MARINE ANIMALS ...Dieldrin,
Metabolism, Mode of Action -animal, Respiration, ...5.0261

EFFECTS OF PESTICIDES ON AQUATIC ANIMALS IN THE
ESTUARINE AND MARINE ENVIRONMENT (ABBREV)
...Bioindicators, Estuaries, Pesticides -non-specific, Pollution - Ef-
fects of, ...5.0062

2,4-D UPTAKE AND METABOLISM - METABOLISM OF PESTI-
CIDES IN FISH ...Channel Catfish, Goldfish, Metabolism -animal,
Rainbow Trout, Steelhead Trout, 2,4-d, ...5.0659

DDT AND DIELDRIN METABOLISM AND STORAGE BY
CHINOOK SALMON UNDER LABORATORY CONDITIONS
...DDT, Dieldrin, Metabolism -animal, Salmon -coho, chin-
ook, sockeye, ...5.0660

ACUTE TOXICITY OF PESTICIDES TO FRESHWATER INVER-
TEBRATES ...Age, Bioassay, Chemical Measurements -water,
Chemical-general, Water Temperature-non-specific, ...5.0662

ACUTE TOXICITY OF PESTICIDES TO FRESHWATER INVER-
TEBRATES - DEVELOPMENT OF A LABORATORY STREAM
FOR REARING AND TESTING AQUATIC INVERTEBRATES
...Captive Rearing, Invertebrate Cultures, Invertebrates -non-
specific, Laboratory, Pesticides -non-specific, ...6.0319

CONTINUOUS-FLOW INVERTEBRATE BIOASSAYS AND
PESTICIDES AT COLUMBIA, MO. - ACUTE TOXICITY OF
PESTICIDES TO FRESHWATER INVERTEBRATES ...Bioassay,
Herbicides -non-specific, Insecticides -non-specific, Invertebrates -
non-specific, ...5.0665

BLOOD OXYGEN AND CO₂ CARRYING CAPACITY OF 4 FISH
EXPOSED TO MALATHION AND ENDRIIN - PESTICIDE EF-
FECTS ON FISH ENDOCRINE FUNCTIONS ...Blood Cells, En-
drin, Malathion, Mode of Action -animal, Sevin, ...5.0632

LABORATORY BIOASSAYS ...Contamination - Water, Laborato-
ry, Pollution - Effects of, Pollution-general, Wildlife, ...5.0270

Wildlife

RELATIONSHIPS BETWEEN SUB-LETHAL PESTICIDES AND
REPRODUCTION AND BEHAVIOR OF FISHES ...Behavior -
animal, DDT, Killifish - Cyprinodon, Pesticides -non-specific,
Reproduction Studies (general), ...5.0292

THE EFFECTS OF PESTICIDE RESIDUES ON LARVAL AND
JUVENILE WINTER FLOUNDER IN THE WEWEANTIC
RIVER ESTUARY, MASSACHUSETTS ...Estuaries, Mas-
sachusetts, Pollution - Effects of, Righteye Flounders, ...5.0509

ACUTE TOXICITY OF PESTICIDES TO FRESHWATER FISH
AND OTHER VERTEBRATES ...Insecticides -non-specific,
Maturity & Growth Stages, Mode of Action -animal, Pollution -
Effects of, Pollution Effects, ...5.0649

EFFECTS OF CHRONIC SUBLETHAL DOSAGES OF DDT ON
THE SWIMMING PERFORMANCE OF ATLANTIC SALMON
PARR ...Atlantic Salmon, Sebago Salmon, DDT, Locomotion -
animal, Mode of Action -animal, Stamina, ...5.0472

INVESTIGATIONS OF THE RELATION BETWEEN THE USE
OF CHLORINATED HYDROCARBONS AND THEIR
RESIDUES IN CHANNEL CATFISH ...Channel Catfish,
Chlorinated Hydrocarbons, Environmental Effects, Missouri
River, Nebraska, ...5.0702

CURRENT FISH AND WILDLIFE PESTICIDE PROBLEMS
...Azodrin, Endrin, Guthion, Mercury, of Aquatic Plants, Seed
Treatment, Thiodan, ...4.0042

EFFECT OF HERBICIDES ON AN AQUATIC ENVIRONMENT
...Herbicides -non-specific, Mode of Action -plant, Persistence of
Residues, Pollution - Effects of, ...5.0003

CHEMICAL CONTROL OF WEEDS IN PONDS ...Algicides -non-
specific, Herbicides -non-specific, of Aquatic Plants, Plant Pollu-
tants, Ponds, ...5.0009

SUBJECT INDEX

AN EVALUATION OF WIDELY USED HERBICIDES ON
AQUATIC PLANTS, FISH AND FISH-FOOD ORGANISMS
...Environmental Effects, Food Supply, Herbicides -non-specific,
...5.0570

LIMNOLOGY AND MANAGEMENT OF OREGON FARM
PONDS AND SMALL IMPOUNDMENTS ...Aquaculture & Fish-
farming, Farm Pond, Management, Productivity - Food Chain,
Reservoirs and Impoundments, Trifluralin, ...6.0449

INVESTIGATIONS ON NEW INSECTICIDES AND TECHNIQUES
FOR THE CONTROL OF PEST AND VECTOR MOSQUITOES
...Culex Mosquitoes, Larvicides, Screening Potential Pesticides,
...5.0141

EFFECT OF PESTICIDES ON WILDLIFE, (SONGBIRDS, HER-
RING GULLS AND FISH) ...DDT, Pollution Effects, Wildlife -
non-specific, Wisconsin, ...5.1309

SURVEY OF DDT AND DIELDRIN RESIDUES IN FISHES IN
WISCONSIN WATERS ...DDT, Dieldrin, Survey Studies,
Wisconsin, ...5.1291

DDT RESIDUE ACCUMULATION IN WISCONSIN FISH AND
THE EFFECT ON REPRODUCTION ...DDT, Maturity &
Growth Stages, Reproduction Studies (general), Walleyes,
Wisconsin, ...5.1292

AQUATIC PLANT CONTROL ...Environmental Ecology, Fish -
non-specific, Herbicides -non-specific, of Aquatic Plants ...8.0168

CHRONIC EFFECTS OF MALATHION ON BLUEGILLS
...Bluegills, Bream, Channel Catfish, Malathion, Mode of Action -
animal, Pollution - Effects of, ...5.0646

PROJECT 2203 EFFECTS ON PHYSIOLOGY WORK UNIT 53
CHRONIC EFFECTS OF ENDRIIN ON BLUEGILLS ...Alabama,
Bluegills, Bream, Computer Matching Code, Endrin, Residue
Analysis -other, ...5.0022

COMPARATIVE UPTAKE OF 10 CHLORINATED HYDROCAR-
BON PESTICIDES BY FISH ...Chlorinated Hydrocarbons, Fish -
non-specific, Metabolism -animal, Residue Analysis -other,
...5.0628

MINERAL IMBALANCE IN BLUEGILLS EXPOSED TO
MALATHION PESTICIDE-INDUCED MINERAL IMBALANCE
IN FISH ...Bluegills, Bream, Malathion, Mineral, ...5.0658

METHOXYCHLOR-CAUSED EFFECTS ON CUTTHROAT
TROUT PHYSIOLOGY CHRONIC TOXICITY OF INSECTI-
CIDES TO COLD-WATER FISH ...Cutthroat Trout, Methox-
ychlor, Mode of Action -animal, Wyoming, ...5.0666

LITERATURE SURVEY OF PESTICIDE METABOLISM IN FISH
- METABOLISM OF PESTICIDES IN FISH ...Metabolism -
animal, Mode of Action -animal, Pesticides -non-specific, Survey
Studies, ...5.0661

ACUTE TOXICITY OF PESTICIDES TO FRESHWATER FISH
AND OTHER VERTEBRATES ...Pesticides -non-specific, Pollu-
tion - Effects of, Stamina, ...5.0651

ACUTE TOXICITY OF PESTICIDES TO FRESHWATER FISH
AND OTHER VERTEBRATES ...Fish -non-specific, Pesticides -
non-specific, Screening Potential Pesticides, Temperature, Water
Quality-general, ...5.0652

RELATIVE SUSCEPTIBILITIES OF FISH FAMILIES TO INSEC-
TICIDES - ACUTE TOXICITY OF PESTICIDES TO FRESH-
WATER FISH AND OTHER VERTEBRATES ...Bioassay, Bioas-
says, Carbamates -non-specific, Chlorinated Hydrocarbons, Or-
ganophosphorous Cpd., ...5.0653

EFFECTS OF CHRONIC EXPOSURE TO SUBLETHAL LEVELS
OF INSECTICIDES ON REPRODUCTION IN BROOK TROUT.
CHRONIC TOXICITY OF PESTICIDES TO FISH ...Carbamates
-non-specific, Chlorinated Hydrocarbons, Lake Trout, Brook
Trout, Organophosphorous Cpd., Pollution - Effects of,
Reproduction Studies (general), ...5.0654

INVESTIGATION OF STRESS-INDUCED MOBILIZATION OF
INSECTICIDE RESIDUES - CHRONIC TOXICITY OF PESTI-
CIDES TO FISH ...DDT, Dieldrin, Metabolism -animal, Salmon -
coho, chinook, sockeye, Stress, ...5.0655

THE INFLUENCES OF ENVIRONMENTAL CONDITIONS ON
THE TOXICITY OF PESTICIDES ...Bioassay, Environmental
Ecology, Fish -non-specific, Pollution - Effects of, ...5.0656

LABORATORY BIOASSAYS ...Contamination - Water, Laborato-
ry, Laboratory Animals, Pollution - Effects of, Pollution-general,
...5.0270

RATES OF PESTICIDE BUILDUP IN SALMONIDS RECENTLY
INTRODUCED IN THE GREAT LAKES ...Insecticides -non-
specific, Pollution Effects, ...5.0545

SOURCE DISTRIBUTION AND FATE OF C¹⁴ LABELED AND
CHLORINATION HYDROCARBON INSECTICIDE RESIDUES
IN FISH ...Biodegradation, Carbon, Food Chains, Animal And/or
Man, Persistence of Residues, ...5.0281

SUBJECT INDEX

Pesticides

PESTICIDE RESISTANT FISH IN NATURAL ECOSYSTEMS
...Animal Resistance, Endrin, Food Chains, Animal And/or Man,
Pollution Effects, Tolerance Rates, ...5.0624

Toxicity Or Residues -other

THE BIOASSAY OF WATER POLLUTANTS WITH CULTURED
MAMMALIAN CELLS ...Bioassay, Bioassays, Herbicides -non-
specific, ...5.1055

Toxicity Or Residues in Humans

Human Tox. or Residues -other

OCCUPATIONAL AND ENVIRONMENTAL HEALTH ...Food,
Occupational Hazards, Pollution - Effects of, Pollution-at-
mosphere, Radiologic Health, ...5.0518

Residues in Foods

REDUCTION OF HAZARDS ASSOCIATED WITH INSEC-
TICIDAL CHEMICALS IN THE ENVIRONMENT ...Insecticides
-non-specific, Persistence in Soils, Pollution - Effects of, Pollu-
tion Effects, Removal of Residues, ...5.0359

REDUCTION OF HAZARDS ASSOCIATED WITH THE
PRESENCE OF RESIDUES OF INSECTICIDAL CHEMICALS
IN THE ENVIRONMENT ...Chlorinated Hydrocarbons, Or-
ganophosphorous Cpd., Other, Persistence in Soils, Pesticides,
...5.0404

FATE OF HERBICIDES IN WATER AND CROPS IRRIGATED
WITH WATER CONTAINING HERBICIDES ...Herbicides -non-
specific, Persistence of Residues, Pesticides, Plant -other, Sprin-
kler Irrigation, ...5.1327

DETERMINATION OF RESIDUES OF INSECT CONTROL
CHEMICALS IN PLANT AND ANIMAL PRODUCTS AND IN
SOILS ...Biodegradation, Insecticides -non-specific, Persistence of
Residues, ...5.0482

CONTAMINATION OF OYSTERS BY PESTICIDES ...Dieldrin,
Endrin, Mode of Action -animal, Oysters, ...5.0462

Residues in Potable Water

IDENTIFICATION AND REMOVAL OF PESTICIDES FROM
RURAL WATER SUPPLIES ...Pesticides -non-specific, Removal
of Residues, Rural Areas, Waste Water: Treatment-general, Water
Utilization -domestic, ...5.0448

PESTICIDE POLLUTION OF FARMSTEAD WATER SUPPLIES
...Aquatic Or Soil-aquatic Cycles, Handling & Application, Pollu-
tants - Path of, Water Utilization -domestic, ...5.0485

Pesticides

Aldrin

THE EFFECT OF DIELDRIN ON SURVIVAL AND DEVELOP-
MENT OF FISH EGGS ...Basic Embryology, Dieldrin, Mode of
Action -animal, Ohio, Pollution - Effects of, ...5.0885

EFFECTS OF THE CHLORINATED HYDROCARBONS, ALDRIN
AND DIELDRIN, ON FRESHWATER SEED SHRIMP (OS-
TRACODA) ...Contamination - Water, Dieldrin, Fresh Water,
Laboratory Animals, Pollution - Effects of, Shrimps - Seed Or
Mussel, ...5.1117

INTERACTION OF INORGANIC AND ORGANIC FERTILIZER
MATERIALS WITH PESTICIDES AS RELATED TO WATER
QUALITY IN SOILS ...Absorption, Fixation, Exchange, Chemical
Degradation, Fertilizers, Other, Pesticides, ...5.0052

BIOTRANSFORMATION OF ALDRIN AND DIELDRIN BY BAC-
TERIA - INTERACTION BETWEEN MICROORGANISMS AND
PESTICIDES ...Biodegradation, Cell. env.(non-specific & Ot.),
Dieldrin, Other, Soil Bacteria, Water Bacteria, ...5.0644

SCREENING FOR PESTICIDE DETOXIFICATION AGENTS -
CHEMICAL AND PHYSICAL STUDIES ON REDUCTION OF
PESTICIDE HAZARDS ...DDT, Dieldrin, Removal of Residues,
Screening Potential Pesticides, ...5.0636

FATE OF PESTICIDES ...Absorption, Fixation, Exchange,
Biodegradation, DDT, Plant -other, 2,4-d, ...5.0741

Algacides

Algacides -non-specific

CHEMICAL CONTROL OF WEEDS IN PONDS ...Herbicides -
non-specific, of Aquatic Plants, Plant Pollutants, Ponds, Wildlife,
...5.0009

REVIEW OF ALGALCIDES ...Algal Pollutant Sources, Public Utili-
ties, Residential, Survey Studies, Water Distribution Systems,
...5.0358

BIOLOGICAL ALGICIDES ...Algal Virus, Cell Injury and Autoly-
sis, Endogenous Cpd. -plants, Mixed Culture, ...5.0226

Copper Sulfate

EFFECT OF COPPER SULFATE ON AQUATIC WEEDS ...Al-
kalinity, Canals, Copper, Irrigation-general, of Aquatic Plants,
...3.0108

Azodrin

CURRENT FISH AND WILDLIFE PESTICIDE PROBLEMS ...En-
drin, Guthion, Mercury, of Aquatic Plants, Seed Treatment,
Thiodan, Wildlife, ...4.0042

Bactericides

Bactericides -non-specific

BACTERIAL EFFECTS OF ALGAE ON ENTERIC ORGAN-
ISMS ...Algae- General, Algal Culture, Intestinal Bacteria, Sanita-
tion, Sewage, ...5.1151

AQUATIC PLANT CHEMISTRY-ITS APPLICATION TO ECOLO-
GY ...Aquatic Plants (non-specific), Bacterial Pollutant Sources,
Endogenous Cpd. -plants, Water Quality Control-general,
...5.0793

Carbamates -non-specific

EFFECT OF PESTICIDE RESIDUES AND OTHER ORGANO-
TOXICANTS ON THE QUALITY OF SURFACE AND
GROUNDWATER RESOURCES ...Groundwater, Movement,
Leaching, Persistence in Soils, Removal of Residues, Water Quali-
ty Control-general, ...5.0396

PESTICIDE CONTAMINATION OF THE ENVIRONMENT AND
ITS SIGNIFICANCE ...Louisiana, Monitoring Systems, Or-
ganophosphorous Cpd., Persistence of Residues, ...5.0451

RELATIVE SUSCEPTIBILITIES OF FISH FAMILIES TO INSEC-
TICIDES - ACUTE TOXICITY OF PESTICIDES TO FRESH-
WATER FISH AND OTHER VERTEBRATES ...Bioassay, Bioas-
says, Chlorinated Hydrocarbons, Organophosphorous Cpd., Wil-
dlife, ...5.0653

EFFECTS OF CHRONIC EXPOSURE TO SUBLETHAL LEVELS
OF INSECTICIDES ON REPRODUCTION IN BROOK TROUT.
CHRONIC TOXICITY OF PESTICIDES TO FISH ...Chlorinated
Hydrocarbons, Lake Trout, Brook Trout, Organophosphorous
Cpd., Pollution - Effects of, Reproduction Studies (general),
Wildlife, ...5.0654

MEASUREMENT OF THE EFFECTS OF PESTICIDES ON IN-
VERTEBRATE RESPIRATION - ACUTE TOXICITY OF PESTI-
CIDES TO FRESHWATER INVERTEBRATES ...Chlorinated
Hydrocarbons, Organophosphorous Cpd., Pollution - Effects of,
Respiratory System, ...5.0664

HIGH RESOLUTION NUCLEAR MAGNETIC RESONANCE
SPECTRA OF ORGANIC PESTICIDES ...Chlorinated Hydrocar-
bons, Concentration, Decomposition-general, Isotopic, Nuclear
Magnetic Resonance, Organophosphorous Cpd., Temperature-
other, ...5.0283

Chlorinated Hydrocarbons

INVESTIGATIONS OF THE RELATION BETWEEN THE USE
OF CHLORINATED HYDROCARBONS AND THEIR
RESIDUES IN CHANNEL CATFISH ...Channel Catfish, Environ-
mental Effects, Missouri River, Nebraska, Wildlife, ...5.0702

BIOLOGICAL AND CHEMICAL OXIDATION OF SELECTED
ORGANIC PESTICIDES ...Biological, Chemical Degradation,
Chlorination, Degradation, Gas, Pesticides, ...5.0010

ALTERNATE METHODS OF MOSQUITO CONTROL TO
REDUCE CHEMICAL POLLUTION OF WATERS FOR
RECHARGE OF THE OGALALLA FORMATION ...Alternative
Planning, Aquifers-general, Insecticides -non-specific, Mosquitoes
-non-specific, Playas, Pollution Abatement, ...5.1180

DEVELOPMENT OF ANALYTICAL METHODS FOR PESTI-
CIDE CONTAMINANTS IN DOMESTIC, IRRIGATION AND
POND WATERS ...Emission, Gas, Irrigation-general, Pollutants-
general, Ponds, ...5.0137

LIMNOLOGICAL FACTORS AFFECTING PESTICIDE
RESIDUES IN SURFACE WATERS ...Iowa, Persistence of
Residues, Phytoplankton, Reservoirs and Impoundments, Runoff,
Surface Water, ...5.0416

INTERACTION OF HERBICIDES AND SOIL MICROORGAN-
ISMS ...Degradation, Microbial Degradation, Removal of
Residues, Water Quality Control-other, ...5.0802

REDUCTION OF HAZARDS ASSOCIATED WITH THE
PRESENCE OF RESIDUES OF INSECTICIDAL CHEMICALS
IN THE ENVIRONMENT ...Organophosphorous Cpd., Other,
Persistence in Soils, Pesticides, Residues in Foods, ...5.0404

THE PERSISTENCE, ACCUMULATION AND FATE OF PESTI-
CIDES IN CRANBERRY SOILS AND RESERVOIRS ...Blueber-

Pesticides

SUBJECT INDEX

Pesticides -non-specific

- RELATIONSHIPS BETWEEN SUB-LETHAL PESTICIDES AND REPRODUCTION AND BEHAVIOR OF FISHES ...Behavior - animal, DDT , Killifishs - Cyprinodon, Reproduction Studies (general), Wildlife, ...5.0292
- PESTICIDE RESIDUE DATA PROCESSING ...Chemical Analysis, Data Analysis - General, Document & Literature Info, Information Retrieval Methods, Persistence of Residues, ...5.0147
- PESTICIDE RESIDUE STUDY IN SPORT FISH WATERS ...Chemical Analysis (water), Filtration, Monitoring Systems, Pollution - Effects of , ...5.1231
- THE ECOLOGY OF THE YOUNG FISHES OF THE WEWEANTIC RIVER ESTUARY ...Aquatic Ecology, Estuaries, Massachusetts, Pollution - Effects of , Population Dynamics, ...2.0607
- RELATIONSHIPS BETWEEN PESTICIDAL APPLICATION AND WATER CONTAMINATION UNDER IRRIGATION IN THE GREAT PLAINS ...Great Plains Province, Irrigation-general, Kansas, Pollutants - Path of , Water Application, ...5.0430
- ELECTROPHORETIC CLARIFICATION OF WATER ...Bacterial Pollutant Sources, Colloidal Phenomena, Desalination, Other, Tertiary Treatment, Waste Water Treatment-general, ...5.1157
- MOVEMENT AND ADSORPTION OF PESTICIDES IN STERILIZED SOIL COLUMNS ...Absorption Rates, Absorption, Fixation, Exchange, Column Leaching & Diffusing, Internal Water Movement, Movement, Leaching, Soil Tests, ...5.0256
- DETECTION AND IDENTIFICATION OF MOLECULAR WATER POLLUTANTS BY LASER RAMAN SPECTROSCOPY ...Chemical Analysis, Detectors and Sensors, Industrial Wastes, Lasers and Masers, Physical Parameters, Raman, Surfactants, ...5.0441
- MASSACHUSETTS PESTICIDE MONITORING STUDY ...Massachusetts, Monitoring Systems, Sampling, Watersheds-general, ...5.0539
- SOILS, PESTICIDES AND THE QUALITY OF WATER ...Absorption, Fixation, Exchange, Aquatic Or Soil-aquatic Cycles, Boundary Process (moisture), Groundwater Movement, Movement, Leaching, ...5.0079
- SORPTION AND DESORPTION FACTORS INFLUENCING TRANSPORT, PERSISTENCE, & ALTERATION OF PESTICIDES IN VARIOUS AGRICULTURAL SOILS ...Boundary Process (moisture), Movement, Leaching, Physical Properties-general, Radioisotopes, Soil Chemical Properties, ...5.0140
- THE DISPOSITION OF PESTICIDES IN THE SOIL ...Georgia, Groundwater Movement, Movement, Leaching, Persistence in Soils, Soil Environment, ...5.0287
- IDENTIFICATION AND REMOVAL OF PESTICIDES FROM RURAL WATER SUPPLIES ...Removal of Residues, Residues in Potable Water, Rural Areas, Waste Water Treatment-general, Water Utilization -domestic, ...5.0448
- BIOCHEMICAL AND ECOLOGICAL RELATIONSHIPS OF PESTICIDES AND THE BIOLOGICAL CONSTITUENTS OF AQUATIC COMMUNITIES ...Applied Ecology, Bioenergetics, Cell Injury and Autolysis, Mortality Rates, Sterility, ...5.0566
- PESTICIDAL RESIDUES OF AGRICULTURAL CHEMICALS ...Nevada, Persistence in Soils, Pollutants-general, Residue Analysis -other, Soil Degradation -other, ...5.0707
- DEVELOPMENT OF ANALYTICAL METHODS FOR PESTICIDE CONTAMINANTS IN DOMESTIC IRRIGATION, LAKE, AND POND WATERS ...Chemical Analysis, Chemical Analysis (water), Chemical Treatment-general, Irrigation-general, Lakes, Ponds, ...5.0139
- EFFECT OF PESTICIDE RESIDUES AND OTHER ORGANO-TOXICANTS ON THE QUALITY OF SURFACE AND

SUBJECT INDEX

- GROUND WATER RESOURCES ...Groundwater, Persistence in Soils, Pollution - Effects of , Surface Water, Water Quality Control-general, ...5.0392
- TOXICOLOGY OF PESTICIDES IN THE ENVIRONMENT ...Animal Tox. or Resid. -other, Food Chains, Animal And/or Man, Mode of Action -animal, Persistence in Soils, ...5.0943
- CHEMICAL BIOCIDES IN LAKES ...Lakes, Pollution - Effects of , Pollution Effects, Productivity - Food Chain, South Dakota, ...5.1111
- THE EFFECT OF PESTICIDES ON AN ECOSYSTEM ...Environments-general, Food Chains, Animal And/or Man, Persistence of Residues, Physical Properties-general, Pollution - Effects of , Soil Chemical Properties, ...5.1154
- BEHAVIOR OF POLLUTANTS IN WATER ...Aquatic Or Soil-aquatic Cycles, Decomposition-general, Infiltration, Movement, Leaching, Persistence in Soils, Pollutants - Path of , ...5.0190
- EFFECTS OF PESTICIDES ON AQUATIC ANIMALS IN THE ESTUARINE AND MARINE ENVIRONMENT (ABBREV) ...Bioindicators, Estuaries, Laboratory Animals, Pollution - Effects of , ...5.0062
- COMPARISON OF METHODS USED TO MEASURE ESTERASE ACTIVITY. INTERACTIONS BETWEEN PESTICIDE ON FISH ENZYME SYSTEMS ...Bluegills, Bream, Channel Catfish, Cholinesterase, Cutthroat Trout, Manometers, Visible, ...5.0637
- SEASONAL CHANGES IN ESTERASE ACTIVITY IN FISH AND INVERTEBRATES. INTERACTIONS BETWEEN PESTICIDES ON FISH ENZYME SYSTEMS ...Biochemical Analysis, Bluegills, Bream, Cholinesterase, Invertebrates -non-specific, Mode of Action -animal, ...5.0638
- EFFECTS OF PESTICIDES ON PROTEIN, CARBOHYDRATE, AND NUCLEIC ACID METABOLISM. INTERACTION BETWEEN MICROORGANISMS AND PESTICIDES ...Biosynthesis, Cell Injury and Autolysis, Microorganisms (non-specific), Mode of Action -animal, Mode of Action -plant, Respiration, ...5.0643
- LITERATURE SURVEY OF PESTICIDE METABOLISM IN FISH - METABOLISM OF PESTICIDES IN FISH ...Metabolism - animal, Mode of Action -animal, Survey Studies, Wildlife, ...5.0661
- ACUTE TOXICITY OF PESTICIDES TO FRESHWATER INVERTEBRATES - DEVELOPMENT OF A LABORATORY STREAM FOR REARING AND TESTING AQUATIC INVERTEBRATES ...Captive Rearing, Invertebrate Cultures, Invertebrates -non-specific, Laboratory, Laboratory Animals, ...6.0319
- ACUTE TOXICITY OF PESTICIDES TO FRESHWATER FISH AND OTHER VERTEBRATES ...Pollution - Effects of , Stamina, Wildlife, ...5.0651
- ACUTE TOXICITY OF PESTICIDES TO FRESHWATER FISH AND OTHER VERTEBRATES ...Fish -non-specific, Screening Potential Pesticides, Temperature, Water Quality-general, Wildlife, ...5.0652
- BEHAVIOR OF ESTUARINE ANIMALS ...Behavior -animal, Estuaries, Pollution - Effects of , Pollution Effects, ...2.0323
- ESTUARINE ECOSYSTEMS ...Aquatic Or Soil-aquatic Cycles, Estuaries, Pollution - Effects of , Pollution Effects, Water Properties-general, ...2.0324
- REMOVAL OF PESTICIDES FROM FRESHWATER FISH ...Bioassay, Fish -non-specific, Fish Meals, Mode of Action - animal, Removal of Residues, ...5.0543
- RURAL RUNOFF CONTROL ...Adsorption-desorption, Nutrients, Runoff, Rural Areas, Thermal Properties-other, ...5.0282
- THE DISPOSITION OF PESTICIDES IN SOIL AND CLOSELY RELATED WATER ...Farm Pond, Louisiana, Management, Pollutants - Path of , Soil and Rock Leaching, ...5.0276
- CHEMICAL, PHYSICAL AND BIOLOGICAL REACTIONS OF PESTICIDES WITH SOILS AFFECTING SOIL PRODUCTIVITY AND PESTICIDE STABILITY ...Microbiology -soil, Movement, Leaching, Pollutants - Path of , Residue Analysis -other, Soil Conditions, Soil Temp. -non-specific, ...5.0202
- THE ECONOMIC ANALYSIS OF WATER POLLUTION BY PESTICIDES AND OTHER AGRICULTURAL WASTES ...Agricultural Watersheds, Benefit-cost Analysis, Economic Impact, Model Studies, Pollution, Pollution Abatement, ...5.0238
- TOXICOLOGY OF PESTICIDES IN THE ENVIRONMENT ...Air Pollution -other, Contamination - Water, Food Chains, Animal And/or Man, Pollution Effects, Soil Contamination -other, ...5.0945
- INFORMATION PROCEDURES IN ENVIRONMENTAL CONTAMINATION ...Atmospheric Contamination, Atmospheric Pollution-general, General Information Services, ...7.0070

SUBJECT INDEX

Petrology

THE EFFECT OF SELECTED PESTICIDES ON INTERTIDAL BIOTA ...Insecticides -non-specific, Intertidal Areas, Pollutants-general, Pollution Effects, Productivity - Food Chain, Swamps-marshes, ...5.0522

DEPURATION OF CHEMICAL POLLUTANTS IN SHELLFISH ...Chromium, Contamination - Water, Metabolism, Oysters, Shellfish Depuration, ...5.0020

Petroleum Cpds. -non-specific

AROMATIC SOLVENT AQUATIC HERBICIDES AND EMULSIFYING AGENT TESTING ...Aromatic Cpds, Chemical Analysis, Evaluation, Herbicides -non-specific, of Aquatic Plants, Plant Pollutants, ...3.0107

INFLUENCE OF PROTOZOAN ACTIVITY ON HALOGENATED HYDROCARBON RESIDUES - INTERACTION BETWEEN MICROORGANISMS AND PESTICIDES ...Axenic Culture, Metabolism, Mode of Action -animal, Protozoa -other, ...5.0642

Piscicides

Piscicides -non-specific

FISH TOXICANT STUDIES ...Ammonium, Control of Nuisance Species, Evaluation, Fish -non-specific, Screening Potential Pesticides, ...5.1147

BIOLOGICAL FACTORS IN THE MANAGEMENT OF LAKE FLIES ...Lakes, Midges, Pollution - Effects of, Predation, Predators and Parasite, Wisconsin, ...6.0644

BIOASSAY ...Animal Pollutant Sources, Evaluation, Lampreys, Streams, Water Properties-general, ...5.0580

Rotenone

STATEWIDE FISHERIES RESEARCH ...Bioindicators, Bluegills, Bream, Environmental Effects, Pollution - Effects of, Temperature, ...5.0817

Sevin

LONG-TERM EFFECTS OF PESTICIDES ON AQUATIC INVERTEBRATES ...Endrin, Malathion, Parathion, Pollution - Effects of, Pollution Effects, ...5.0548

AN EVALUATION OF THE INSECTICIDE SEVIN AS A WATERSHED POLLUTANT ...Forest Watersheds, Persistence of Residues, Pollution - Effects of, ...5.1206

EFFECTS OF PESTICIDES ON ESTUARINE ORGANISMS ...Bioassay, Estuaries, Persistence of Residues, Pollution - Effects of, Swamps-marshes, ...5.0950

BLOOD OXYGEN AND CO₂ CARRYING CAPACITY OF 4 FISH EXPOSED TO MALATHION AND ENDRIN - PESTICIDE EFFECTS ON FISH ENDOCRINE FUNCTIONS ...Blood Cells, Endrin, Laboratory Animals, Malathion, Mode of Action -animal, ...5.0632

Thiocarbamate, N.s.

CORRELATION OF STRUCTURE VS. ACTIVITY OF POLLUTANTS OF FRESH WATER ...Bioindicators, Gastropods - slugs, conch, snails, Molluscicides -non-specific, Pesticide-other, Screening Potential Pesticides, ...5.1050

Thiodan

CURRENT FISH AND WILDLIFE PESTICIDE PROBLEMS ...Azodrin, Endrin, Guthion, Mercury, of Aquatic Plants, Seed Treatment, Wildlife, ...4.0042

THIODAN AS A TOXICANT FOR ERADICATION OF FISHES IN LAKE MANAGEMENT ...Control of Nuisance Species, Evaluation, Lakes, Management, ...6.0567

Toxaphene

TOXAPHENE FILTRATION PUBLICATION ...Carbon, Filtration, Publications -other, Removal of Residues, ...5.1146

Triazines -non-specific

SOILS, PESTICIDES, AND THE QUALITY OF WATER ...Aquatic Or Soil-aquatic Cycles, Hawaii, Movement, Leaching, Soil Environment, Urea Cpds. -non-specific, ...5.0044

Zectran

THE BEHAVIOR AND FATE OF DDT AND ZECTRAN IN A FOREST SOIL ...DDT, Persistence in Soils, Soils and Fertilizer, ...5.1205

Petrography

PERMEABILITY DISTRIBUTION AND SEDIMENTATIONAL FEATURES ...Big Horn, Clastic Aquifers, Permeability, Sedimentary Structures-other, Water Yield, ...2.0271

EVALUATION OF ROCK RIPRAP AND DEVELOPMENT OF SUBSTITUTES ...Aggregates - Crushed Rock, Engineering Structures-general, Erosion Control, Slopes, Soil Cement, Wave Action, ...8.0081

PETROGRAPHIC INVESTIGATIONS ...Aggregates, Extenders, Fillers, Cement, Concrete, Construction Materials-other, Structure-materials-general, ...8.0119

DEVELOPMENT OF SOIL TESTING PROCEDURES AND ANALYSIS OF RESULTS ...Compaction, Direct Shear and Plane Shear, Soil Sampling, Triaxial, Vane, ...8.0084

Petroleum

EFFECTS OF PETROLEUM AND PETROLEUM WASTES UPON IMPORTANT SPECIES OF ESTUARINE PHYTOPLANKTON AND ZOOPLANKTON ...Contamination - Water, Contamination, Pollution-water, Estuaries, Oil, Phytoplankton, Zooplankton, ...5.1086

Petroleum Chemistry

MARINE OIL-WATER SEPARATION SYSTEM SUBGROUP V ...Filtration, Removal-organics, Ship Wastes, ...5.0209

DEMONSTRATION OF INDUSTRIAL WATER RENOVATION PLANT AT ODESSA, TEXAS ...Chemical Manufacturing Wastes, Process Design, Recycle, Waste Treatment-economics, Water Reuse, ...5.1181

SOLUBILITIES OF SILICATES IN SALINE WATERS ...Silicate, Solubility, ...1.0096

EFFECTS OF CRUDE OILS AND THEIR EMULSIONS TO MARINE ORGANISMS ...Chelating Agents, Emulsion, Oil, Poisons-other, Removal-organics, ...5.1082

THE CHARACTERISTICS AND POLLUTIONAL PROBLEMS OF PETROCHEMICAL WASTES ...Groundwater, Mining Activities, Other, Petroleum Industry, Pollution - Effects of, ...5.0908

RESEARCH NEEDS PERTAINING TO PETROLEUM WASTE WATERS ...Industrial Processes-other, Mining Activities, Petroleum Industry, Water Quality Control-general, ...5.0914

Petrology

General Petrology

BASIC ROCK PHYSICS ...Engineering Structures-general, Foundations-general, Geology - Engineering, Joints-fractures, Weathering, ...8.0118

Igneous Rocks

Crystalline

HYDROLOGY OF THE CRYSTALLINE ROCK SYSTEM IN SOUTHEASTERN STATES ...Groundwater, Groundwater Movement, Hydrology-general, Water Quality-general, Water Wells, Water Yield, ...2.0825

Intrusives

FACTORS RESTRICTING INFILTRATION RATES ON DECOMPOSED GRANITIC SOILS ...Floods, Infiltration, Organic-general, Sand, Sierra Nevada, ...2.0732

Metamorphic Rocks

Non-foliated Rocks

CONCRETE AGGREGATE RESEARCH ...Aggregates, Extenders, Fillers, Cement, Concrete, Chert, Sandstones, Standards, Specifications, Test Methods, ...8.0237

Textures and Structure

Igneous Rocks

HYDROLOGY OF THE COLUMBIA RIVER BASALT ...Columbia Plateaus, Hydrology-general, Infiltration, Runoff, Specific Rock Unit, Tectonics-general, ...2.0905

Pharmacology

Side Effects

- EFFECTIVENESS OF IODINE FOR DISINFECTION OF PUBLIC WATER SUPPLIES & TO DETERMINE PHYSIOLOGICAL EFFECTS ON A HUMAN POPULATION (ABBREV) ...Chemical Treatment-other, Iodine, Pollution-water, ...5.0249

Toxicology

- LITERATURE SEARCH FOR POSSIBLE PESTICIDE DETOXYFICING AGENTS - CHEMICAL AND PHYSICAL STUDIES ON REDUCTION OF PESTICIDE HAZARDS ...Removal of Residues, Survey Studies, ...5.0635
- DEVELOPMENT OF A METHOD FOR CHRONIC TOXICITY BIOASSAY USING MARINE PLANKTONIC ALGAE ...Algal Culture, Bioassays, Marine Plants, Microbiological Analysis, Monitoring (long Term Studies), Phytoplankton, Technique Development, ...5.1088
- MARINE TOXINS OF THE TROPICAL PACIFIC ...Algal Metab.(non-specific &ot), Animal Origin, Fish -non-specific, Other, Polynesia, ...5.0315
- COMPARATIVE STUDIES OF DINOFLLAGELLATE TOXINS ...Action- & Bioelectrical Pot. , Algal Culture, Algal Toxins, Dinophyceae (non-specific &ot), ...5.0716

Phosphate, Phosphite

- PHOSPHATE TRANSFORMATION IN WATERLOGGED SOILS ...Rice, Soil-water-plant Relationships, ...4.0124
- AN ANALYSIS OF PHOSPHORUS AND NITROGEN COMPOUNDS IN TIDAL MARSHLAND DRAINAGE - LABORATORY PROCEDURES ...Colorimetric, Computers-general, Conductometry, Management, Nitrogen, Swamps-marshes, ...1.0024
- AN INVESTIGATION OF THE EFFECT OF CONTROLLED RELEASES ON THE PHYSICAL, CHEMICAL AND BACTERIOLOGICAL CHARACTERISTICS OF FORT LOUDON RESERVOIR ...Nitrogen, Stratified Flow, Suspension, Temperature-other, Tennessee, ...5.1128
- FLUIDIZED EXCHANGE SYSTEMS FOR REMOVAL OF NITROGEN AND PHOSPHOROUS FROM WASTEWATER ...Fluidized Bed, Ion Exchange-other, Nitrate, Nitrite, Nutrients, Waste Water Treatment-general, ...5.0556
- DETERMINATION OF THE FEASIBILITY OF REMOVAL OF ALGAL NUTRIENTS IN LAKE WATERS BY ION-EXCHANGE ...Algae- General, Eutrophication, Ion Exchange-other, Lakes, Nutrients, ...2.0610
- PHOSPHATE UPTAKE, STORAGE, AND RELEASE BY MICROORGANISMS IN WASTEWATER TREATMENT ...Chemostat, Microorganisms (non-specific), Nutrition, Storage, Waste Water Treatment-general, ...5.1282
- RELATIONSHIPS BETWEEN PHOSPHATE AND OTHER CHEMICALS AT THE WATERSUBSTRATE INTERFACE IN WESTERN LAKE ERIE ...Aquatic Soils, Chemical, Chemical-general, Sediments, ...5.0874
- PRECIPITATION OF PHOSPHATES FROM WATER WITH FERROUS SALTS ...Biochemical Oxygen Demand, Chemical Treatment, Iron, Precipitation, Waste Water Treatment-general, ...5.0882
- MICROBIAL RELEASE OF SOLUBLE PHOSPHATE IN AN ACTIVATED SLUDGE ENVIRONMENT ...Cell. env.(non-specific & Ot.), Microorganisms (non-specific), Oxygen, ...5.1213
- REMOVAL OF PHOSPHATE FROM WATER BY ALUMINUM AND IRON ...Aluminum, Complexes, Iron, Mechanisms, Waste Water Treatment-general, ...5.0732
- SPECTROPHOTOMETRIC AND FLUOROMETRIC DETERMINATION OF SELECTED ANION WATER CONTAMINANTS ...Carbonate, Bicarbonate, Chemical Identification, Fluorometry, Iodide, Spectroscopy-general, Thiocyanate, ...5.0672
- A FIELD AND LABORATORY STUDY OF FLUORIDE UPTAKE BY OYSTERS ...Estuaries, Fluoride, Laboratory, Metabolism, Mining Activities, Oysters, ...6.0407
- BOD, SOLIDS AND NUTRIENT REMOVAL FROM SECONDARY EFFLUENT BY FOAM FRACTIONATION ...Denitrification, Foam, Nitrate, Nitrite, Pilot Plant, ...5.0155
- PHOSPHATE REMOVAL BY BIOLOGICAL PROCESS ...Activated, Drying-dewatering, Process Design, ...5.0582
- PHOSPHATE EXCHANGE WITH SEDIMENTS ...Chemical-general, Eutrophication, Pollution - Effects of , Pollution Abatement, Water Quality Control-general, ...5.0525
- PHOSPHATE MINING EFFLUENT IN ESTUARINE ECOLOGY ...Applied Ecology, Estuaries, Mining Activities, Mountmorillanite, Pollution - Effects of , ...5.0821
- UPTAKE AND RELEASE OF SOLUBLE ORTHOPHOSPHATE BY ACTIVATED SLUDGE ...Activated, Aeration, Concentration, Effluents-waste Water, ...5.0365
- PHOSPHORUS REMOVAL BY ADDITION OF ALUMINUM TO THE ACTIVATED SLUDGE PROCESS ...Activated, Aluminum, Waste Treatment-economics, ...5.0109
- PHOSPHORUS REMOVAL AND DISPOSAL FROM MUNICIPAL WASTEWATER ...Biological Treatment-other, Chemical Treatment, Domestic Wastes-general, Waste Disposal-general, Waste Treatment-economics, ...5.1172
- PHOSPHORUS REMOVAL IN THE ACTIVATED SLUDGE PLANT ...Activated, Aeration, Aluminum, Precipitation, Sewage - Domestic, ...5.0788
- PROCESS TO REMOVE CARBONACEOUS, AND PHOSPHORUS-MATERIALS FROM ANAEROBIC DIGESTER SUPERNATANT AND RELATED PROCESS STREAMS ...Anaerobic, Coagulation, Denitrification, Lime Treatment, Organics, ...5.0156
- AN ELECTROCHEMICAL METHOD FOR REMOVAL OF PHOSPHATES FROM WASTEWATERS ...Electrochemistry-other, Electrode, Waste Treatment-economics, ...5.0523
- A STUDY OF A PROCESS FOR PHOSPHATE REMOVAL FROM WATER SUPPLIES USING LANTHANUM PRECIPITATION ...Lanthanum, Material Recovery Wastes, Process Design, Waste Treatment-economics, Waste Water Treatment-other, ...5.0074
- PARAMETRIC STUDY OF THE KINETICS OF PRECIPITATION AND NATURE OF THE PRECIPITATE OBTAINED IN PHOSPHATE REMOVAL USING IRON AND ALUMINUM SALT ...Aluminum, Iron, Precipitation, Solubility, Tertiary Treatment, ...5.0075
- ULTIMATE DISPOSAL OF PHOSPHATE FROM WASTEWATER BY RECOVERY AS FERTILIZER ...Activated, Ammonia, Disposal, Fertilizers, Material Recovery Wastes, Nutrients, ...5.0342
- SELECTIVE NITRATE AND PHOSPHATE REMOVAL ...Denitrification, Ion Exchange-other, Ion Selective, Nitrate, Nitrite, Selective-removal, Waste Treatment-economics, ...5.0532
- STUDY OF UTILIZATION AND DISPOSAL OF LIME SLUDGES CONTAINING PHOSPHATES ...Disposal, Lime Treatment, Material Recovery Wastes, Waste Treatment-economics, Waste Water Treatment-general, ...5.0892
- EXPERIMENTS TO DETERMINE THE EFFECTIVENESS OF PHOSPHATE REMOVAL BY MEANS OF THE MOVING BED FILTER ...Filtration, Flocculation, Process Design, Solid Waste, Waste Treatment-economics, ...5.0723
- ALUMINA COLUMNS FOR THE SELECTIVE REMOVAL OF PHOSPHORUS FROM WASTEWATERS AND THE ULTIMATE DISPOSAL OF PHOSPHORUS AS CALCIUM PHOSPHATE ...Aluminum, Material Recovery Wastes, Process Design, Regeneration-other, Selective-removal, ...5.1243
- STORM WATER TREATMENT FACILITIES ...Chemical Treatment-general, Lime Treatment, Overflow, Sewage Treatment Plant, Storm Water, ...5.1164
- INTERRELATIONSHIPS OF SOIL PHYSICAL PROPERTIES AND SOIL WATER MOVEMENTS ...Adsorption Capacity, Drawdown, Internal Water Movement, Moisture Tension, Permeability, ...2.0829
- FIXATION AND AVAILABILITY OF ADDED PHOSPHORUS IN SOILS ...Absorption, Fixation, Exchange, Fertilizer Technology - other, Phosphorus, Soil Environment, ...1.0053
- SOLUBLE PHOSPHORUS REMOVAL IN THE ACTIVATED SLUDGE PROCESS ...Activated, Aeration, Aluminum, Chemical Treatment, Digestion, Filter-other, ...5.1037
- DETERMINATION OF THE PHOSPHATE CONTENT OF NATURAL WATERS, AT THE NUTRIENT LEVEL, BY SOLVENT EXTRACTION ...Automatic Systems, Extraction other, Fresh Water, Nutrients, Trace Analyses-other, ...1.0015
- INVESTIGATION AND CONTROL OF ALGAE BLOOMS AND NUISANCE GROWTHS OF WATER WEEDS ...Eutrophication, of Aquatic Plants, ...6.0110
- PEACE RIVER POLLUTION INVESTIGATIONS ...Fish -non-specific, Florida, Industrial Wastes, Pollution - Effects of , Pollution Effects, Streams, ...5.0273
- REMOVAL OF PHOSPHATE FROM WATER BY ALUMINUM AND IRON ...Aluminum, Chemical Treatment, Chemical Treatment-general, Iron, Reaction-general, ...5.0738
- LIME SLUDGE RECOVERY AND REUSE ...Demineralization, Lime Treatment, Material Recovery Wastes, Silicate-general, Treatment-other, ...5.0858

SUBJECT INDEX

Photography

- PHOSPHATE REMOVAL BY ACTIVATED SLUDGE PROCESS SPECIFICATION - PLANT SCALE RESEARCH ...Pilot Plant, ...5.0915
- PHOSPHATE REMOVAL BY ACTIVATED SLUDGE PROCESS APPLICATION - PLANT SCALE DEMONSTRATION ...Activated, Location, Mechanisms, Pollutant-other, Sewage Treatment Plant, ...5.0912
- STUDY OF MICROBIOLOGICAL-BIOCHEMICAL PHOSPHATE SORPTION MECHANISM BY ACTIVATED SLUDGE ...Absorption-other, Activated, Mechanisms, Other, Sewage Bacteria, ...5.0907

Phosphorus

- IN SITU STUDY OF FACTORS CONTROLLING NUTRIENT REGENERATIONS IN THE BOTTOM SEDIMENTS ...Adirondack Province, Aquatic Soils, Exchange Capacity, Mineral Content -water, Nutrients, Ponds, ...2.0806
- SEASONAL VARIATIONS IN THE PHYTOPLANKTON - BACTERIAL POPULATIONS AND THE NUTRIENT CONCENTRATION IN BEAVER RESERVOIR ...Nitrogen, Phytoplankton, Reservoirs and Impoundments, Temporal Distribution, Water Bacteria, ...6.0027
- PHOSPHORUS BUDGETS OF LAKES SIDNEY, LANIER AND HARTWELL ...Chemical-general, Georgia, Nutrients, Pollutants - Path of, Reservoirs and Impoundments, ...5.0293
- APPLICATION OF RADIOISOTOPE TECHNIQUES TO A CRITICAL WATER RESOURCES PROBLEM AREA (NUTRITIONAL POLLUTION) ...Algae, Nutrients, Radioisotopes, ...5.0919
- RELATION OF PHOSPHORUS IN LAKE BOTTOM DEPOSITS AND POLLUTIONAL HISTORY OF MINNESOTA LAKES ...Chemical, Core Analysis, Lakes, Minnesota, ...5.0602
- BIOLOGICAL AND CHEMICAL STUDY OF VIRGINIA'S ESTUARIES ...Estuaries, Nitrogen, Phytoplankton, Population Dynamics, Primary Productivity, Virginia, ...2.1112
- STUDIES ON PHOSPHORUS TRANSFORMATIONS IN EUTROPHIC LAKES ...Bacterial Culture, Bacterial Pollutant Sources, Budgets -other, Connecticut, Eutrophication, Nutrition, ...5.0216
- INVESTIGATION OF PHOSPHORUS AVAILABILITY IN OLIGOTROPHIC LAKES ...Adsorption Capacity, Aquatic Ecology, Chemical, Exchange Capacity, Lakes, ...2.0807
- EUTROPHIC EVALUATION OF A SMALL MULTI-LAND USE WATERSHED ...Eutrophication, Nitrogen, Small Watersheds, Urban Environments, Wisconsin, ...5.1319
- LUXURY METABOLIC STORAGE OF PHOSPHORUS IN THE ACTIVATED SLUDGE FLOC ...Activated, Adsorption-absorption-other, Flocculation, Nutrients, Waste Water Treatment-general, ...5.1318
- WATER QUALITY DEGRADATION BY SEPTIC TANK DRAINAGE ...Degradation, Drainage, Lakes, Nitrogen, Septic Tanks, ...5.0468
- MICROBIOLOGICAL CHARACTERIZATION OF ACTIVATED SLUDGE IN A WASTEWATER TREATMENT PLANT CHEMICALLY MODIFIED FOR PHOSPHORUS REMOVAL ...Activated, Aerobic, Cell. env.(non-specific & Ot.), Chemical Treatment, Sewage Bacteria, ...5.1046
- NUTRIENT ASSIMILATION RATES - FIELD STUDIES ...Estuaries, Fertilizers -aquatic, Nutrients, Ponds, ...5.0620
- SEWAGE PHOSPHORUS REMOVAL BY AN ACTIVATED SLUDGE PLANT ...Activated, Aerobic, Digestive Tanks, Sewage Testing, ...5.1321
- ENZYMATIC TECHNIQUE FOR DETECTION OF SURPLUS PHOSPHORUS UPTAKE BY ACTIVATED SLUDGE ...Activated, Biological Techniques, Nutrients, ...5.1129
- A STUDY OF THE REMOVAL OF CARBONACEOUS, NITROGENOUS AND PHOSPHORUS MATERIALS FROM CONCENTRATED PROCESS WASTE STREAMS ...Carbon, Digestion, Nitrogen, Process Design, Streams, ...5.0060
- PHOSPHORUS IN LAKE SEDIMENTS ...Aquatic Soils, Lakes, Mineral Equilibria, Soil Environment, Temperature, ...5.0210
- STUDY OF ROOT DISTRIBUTION AND DENSITY OF VEGETABLE CROPS ...Absorption, Fixation, Exchange, Root Absorption, Soil Morphology, Profiles, Soil Types, Water Loss-other, ...2.0583
- FIXATION AND AVAILABILITY OF ADDED PHOSPHORUS IN SOILS ...Absorption, Fixation, Exchange, Fertilizer Technology - other, Soil Environment, ...1.0053
- STUDIES ON INORGANIC NUTRIENT ASSIMILATION RATES IN ESTUARINE PONDS ...Estuaries, Mineral Content -water, Nitrogen, Nutrients, Self-purification, ...5.0621

- DETERMINATION OF CRITICAL PHOSPHATE AND NITRATE CONCENTRATIONS FOR ALGAL BLOOM CONDITIONS IN LAKE ERIE ...Algal Pollutant Sources, Eutrophication, Growth and Differentiation, Nitrogen, ...6.0086
- WATER QUALITY ASPECTS OF RECREATIONAL LAKES ...Lakes, Nitrogen, Recreation Sites, Septic Tanks, Waste Water Treatment-general, ...5.0469
- TURFGRASS MANAGEMENT ...in Turf, Management, New Mexico, Nitrogen, Potassium, Species and Variety Evaluation, ...6.0367
- DISSOLVED INORGANIC REMOVAL BIOASSAY OF ALGAL GROWTH POTENTIAL ...Bioindicators, Denitrification, Nitrogen, Waste Water Treatment-general, ...5.0852

Photogrammetry

- STUDIES ON THE GEOSCIENCE VALUE OF RADAR IMAGERY ...Bibliography, Mapping, Mountains-alpine, Radar, River Basins, ...8.0199
- SNOW ACCUMULATION AND MELT ON STUDY AREAS ...Energy-general, Idaho, Mountains-alpine, Patterns, Snowmelt, ...2.0388

Photography

- THREE BASIC PROBLEMS IN FLUID MECHANICS EVAPORATIVE CONVECTION, ELECTRO-OSMOSIS, INTERNAL WAVES ...Electrochemistry-other, Flow Characteristics -water, Fluid Dynamics, Internal Waves, Reverse Osmosis, Wave Motion in Fluids-other, ...3.0074

Aerial

- HYDROLOGY PROGRAM ADMINISTRATION AND SUPPORT ...Aircraft, E M Radiation-general, Hydrology-general, Satellites, Water Resources - General, ...6.0141
- URBAN AND METROPOLITAN STUDIES ...Geography-physical, Planning, Remote Sensing-general, Urban, Urban Environments, ...6.0139
- CARTOGRAPHIC MAPPING ...Aerospatial, Compilation, Resource Inventories, Satellites, Topographic, ...6.0140
- HYDROLOGICAL DATA ACQUISITION THROUGH REMOTE RECONNAISSANCE SYSTEMS ...Data Acquisition-other, Hydrology-general, Infrared Radiation, Mapping, Moisture Content, Reflectance, ...7.0075
- APPLICATION OF AERIAL PHOTOGRAPHS FOR THE INVESTIGATION OF THE DISCHARGE PROPERTIES OF DRAINAGE BASINS ...Data Acquisition-general, Discharge-general, Photogrammetry, River Basins, Water Yield, ...2.0792
- HYDROLOGIC CHARACTERIZATION OF SMALL WATERSHEDS ...Area, Illinois, Mathematical Analysis, Slopes, Small Watersheds, ...6.0206
- GROUND-WATER GEOLOGY OF DEKALB AND BOONE COUNTIES, ILLINOIS ...Clastic Aquifers, Deposits, Geophysical Analysis, Groundwater, Local Stratigraphy, Mapping, ...4.0096
- GROUND-WATER GEOLOGY OF OGLE COUNTY, ILLINOIS ...Available Water, Groundwater, Joints-fractures, Observation Wells, Unconsolidated Aquifers, ...7.0034
- INVESTIGATIONS OF SHORE EROSION ALONG THE OHIO SHORELINE OF LAKE ERIE ...Engineering Structures-general, Erosion-general, Gaging, Lake Erie, Shoreline - Coastline, ...8.0275
- GREAT LAKES RESEARCH - ICE CHARACTERISTICS ...Lake Superior, Micrometeorology, Origin, Petrofabrics, Radiation-terrestrial, Sea Ice, ...2.0644
- GREAT LAKES RESEARCH - ICE COVER DISTRIBUTION ...Aerospatial, Alteration, Great Lakes-general, Petrofabrics, Sea Ice, ...2.0645
- AERIAL MEASUREMENT OF HYDROLOGIC PHENOMENA ...Data Acquisition-general, Geophysical Analysis, Humidity Instruments, Hydrology-general, Infrared Radiation, ...7.0003
- REMOTE SENSING OF ESTUARINE WATER AND VEGETATION, MARYLAND ...Bioindicators, Chemical-general, Estuaries, Physical-general, Remote Sensing -other, ...2.0268
- COORDINATION OF ESTUARINE REMOTE SENSING IN ATLANTIC COAST REGION ...Atlantic Ocean-general, Estuaries, Satellites, ...2.0910
- ENGINEERING GEOLOGIC PROPERTIES OF ROCK ...Borehole Geophysics, Foundations-general, Geology - Engineering, Microstructure, Technique Development, ...8.0098

Photography

Laboratory

SUSPENDED SEDIMENTS IN THE UPPER CHESEPECKE BAY - EVALUATION OF METHODS FOR SIZE ANALYSIS OF SUSPENDED MATERIALS ...Chesapeake Bay, Sampling, Size, Size Frequency Distribution, Turbidity, ...2.0557

Motion

Other

COOPERATIVE GULF OF MEXICO INVENTORY AND STUDY (AUDIO-VISUAL FILM) ...Estuaries, Gulf of Mexico, Survey Studies, ...7.0060

Photography-general

ASYMMETRIC BUBBLE COLLAPSE STUDIES 6310 ...I ubbles, Cavity Flow, Coaxial, Pressure Gradient, ...1.0067

Photography-other

USE OF INFRARED AND OTHER RADIATION TECHNIQUES TO EVALUATE DROUGHT IN IOWA AND ADJACENT AREAS ...Drought, Infrared Radiation, Iowa, Spectral Reflectance, ...2.0483

DISTRIBUTION OF LIFE WITH DEPTH ...Continental Shelf, Marine Photography-television, North Carolina, Vertical Distribution, ...5.0272

DEVELOPMENT OF IDENTIFICATION KEYS TO LARVAL, AND JUVENILE RESERVIOR FISHES ...Animal Taxonomy, Captive Rearing, Fish -non-specific, Maturity & Growth Stages, Reservoirs and Impoundments, ...6.0018

Photometric Techniques

ANALYTICAL METHODS - WATER CHEMISTRY ...Analysis and Detection, Chemical Analysis (water), Chromatography-general, Emission, Other, ...2.0196

Phycobilins

THE INCORPORATION OF C14 BICARBONATE INTO PIGMENTS OF A NATURALLY OCCURRING BLUE-GREEN ALGAE COMMUNITY WITH RESPONSE TO WAVELENGTH ...Chlorophyll, Oscillatoria, Physiological Ecology, Pigments, Vitamins, ...6.0432

THE INCORPORATION OF C14-BICARBONATE INTO THE PIGMENTS OF BLUE-GREEN ALGAE POPULATION ...Carotenoid Pigments, Chlorophyll, Nutrients, Oscillatoria, Pigments, ...6.0433

Physical Forces

Pressure & Mech Stress

HYDROSTATIC PRESSURE-TEMPERATURE, AS ENVIRONMENTAL PARAMETERS, ON GROWTH, BIOCHEMISTRY AND PHYSIOLOGY OF MICROORGANISMS ...Growth (non-specific & Ot.), Marine Biology (non-specific), Microorganisms (non-specific), Temperature, ...6.0459

THEORETICAL AND EXPERIMENTAL INVESTIGATIONS OF THE MECHANISM OF FLOW OF WATER AND SOLUTES IN PLANT ROOTS ...Ionic Effect, Osmotic and Turgor Pressure, Thermodynamics, Ultrafiltration, Water Movement, ...2.0497

Physics - Theoretical

Quantum Mechanics

Approximations

THEORY OF LIQUIDS ...Interparticle Forces, Perturbation Methods, Potential Functions, Solution-other, Statistical, ...1.0016

Perturbation Methods

THEORY OF LIQUIDS ...Approximations, Interparticle Forces, Potential Functions, Solution-other, Statistical, ...1.0016

Self Consistent Fields

THE BASIC NATURE OF LIQUIDS ...Absorption Spectra, Infrared, Interparticle Forces, Spin-orbit Interaction, ...1.0117

SUBJECT INDEX

Physiography

Erosion

SOURCES, MOVEMENT, AND DISTRIBUTION OF SEDIMENT IN A SMALL WATERSHED ...Energy-dynamics, Sediment Transport-general, Slopes, Small Watersheds, ...2.0567

PHYSIOGRAPHIC STUDY OF PART OF THE HENRY MOUNTAINS REGION, UTAH ...Henry Mountains, Physical Features-general, Physiography-general, Processes, Utah, ...2.0563

INVESTIGATIONS OF EROSION CONTROL AND WATER CONSERVATION ...Amount, Conservation-general, Gullies - Arroyos, Land Use, Runoff, Sediment Yield, Stabilization-general, ...3.0226

MATHEMATICAL GEOMORPHOLOGY ...Features, Geomorphology-quantitative, Model Studies, Processes, Terrain Analysis, ...2.0425

SEDIMENT YIELD FROM RANGELAND WATERSHEDS IN THE SOUTHWEST ...Agricultural Watersheds, Land Use, Sediment Transport-other, Sediment Yield, Supply Rate, ...2.0041

Physical Features-general

PHYSIOGRAPHIC STUDY OF PART OF THE HENRY MOUNTAINS REGION, UTAH ...Erosion, Henry Mountains, Physiography-general, Processes, Utah, ...2.0563

MISSOURI SPRINGFLOW CHARACTERISTICS ...Aquifers-general, Chemical-general, Discharge-general, Springs, Water Supply-general, ...2.0701

Physiography-general

PHYSIOGRAPHIC STUDY OF PART OF THE HENRY MOUNTAINS REGION, UTAH ...Erosion, Henry Mountains, Physical Features-general, Processes, Utah, ...2.0563

INFLUENCE OF GEOHYDROLOGY ON LANDSCAPE AND SOIL FORMATION ...Hydrology-general, Morphology-general, Soil Genesis, Weathering-general, ...5.0409

HYDRAULIC GEOMETRY OF STREAMS ...Flow Characteristics - water, Hydraulics-general, Ions and Gases, Low Flow, River Basins, ...2.0444

DEVELOPING COMPUTER PROGRAMS FOR SOLUTION OF HYDROLOGIC PROBLEMS RELATED TO SMALL WATERSHEDS ...Climate-general, Forecasting-prediction, Hydrographs, Small Watersheds, Water Yield, ...7.0102

MATHEMATICAL METHODS OF EVALUATION OF RESULTS OF ATMOSPHERIC WATER RESOURCES PROGRAMS ...Error Analysis, Intermontane Plateaus-other, Mountains-alpine, Reliability Theory, Weather Modification-general, ...2.0189

ESTUARINE INVENTORY (FORMERLY CHEMICAL ENVIRONMENT) ...Estuaries, Florida, Gulf of Mexico, Marine Biology, Sedimentology-general, ...2.0325

RELATION OF CLIMATIC AND WATERSHED PHYSIOGRAPHIC AND CULTURAL FACTORS TO WATER YIELD ...Agricultural Watersheds, Conservation-general, Flow Characteristics -water, Land Use, Water Yield, ...3.0462

RUNOFF AND SEDIMENT MOVEMENT ON UNIT SOURCE WATERSHEDS OF THE PACIFIC INFLUENCED BY CLIMATE, SOILS, VEGETATION AND TOPOGRAPHY ...Idaho, Runoff, Sediment Yield, Water Yield, Watersheds-general, ...2.0387

Terrain Analysis

GEOHERMAL INVESTIGATIONS - YELLOWSTONE PARK ...Gravity Surveys, Hot Springs, Magnetic Surveys, Satellites, Seismic Surveys, Yellowstone Plateau, ...6.0147

DEVELOPMENT OF DRAINAGE ASSESSMENT PROCEDURES BASED ON PHYSICAL FEATURES IN ILLINOIS ...Benefit-cost Analysis, Drainage, Drainage Engineering, Illinois, Mathematical Analysis, ...6.0207

SHALLOW WELLS AND IRRIGATION PITS FOR IRRIGATION AND OTHER FARM WATER SUPPLY IN THE COASTAL PLAINS ...Aquifers-general, Coastal Plain, Irrigation-general, Pumping, Water Wells, ...3.0194

ENVIRONMENTAL GEOLOGY OF MCHENRY COUNTY, ILLINOIS ...Aquifers-general, Illinois, Land Use, Potential of Deposit, Subsurface, ...6.0192

MATHEMATICAL GEOMORPHOLOGY ...Erosion, Features, Geomorphology-quantitative, Model Studies, Processes, ...2.0425

SUBJECT INDEX

Piezometers

Phytoplankton

- BIOLOGY AND CHEMISTRY OF MARINE PLANKTON POPULATIONS ...Buoys, Chlorophyll, Food Chains, Nutrients, Vertical Distribution, Zooplankton, ...6.0289
- THE BIOLOGY AND CHEMISTRY OF TRACE ELEMENTS IN MARINE AND ESTUARINE WATERS ...Chesapeake Bay, Estuaries, Productivity - Food Chain, Trace Element Analysis, Zooplankton, ...2.0556
- ENERGY SOURCES OF HETEROTROPHIC MICROORGANISMS IN AN AQUATIC ENVIRONMENT ...Bioenergetics, Glycolic Acid Cpd, Heterotrophic Bacteria, Photosynthesis, ...2.0622
- AMERICAN RIVER HYDROBIOLOGIC POTENTIAL STUDY ...Bioindicators, California, Lower Plants, Primary Productivity, Water Quality-general, ...5.0143
- SEASONAL VARIATIONS IN THE PHYTOPLANKTON - BACTERIA POPULATIONS AND THE NUTRIENT CONCENTRATION IN BEAVER RESERVOIR ...Nitrogen, Phosphorus, Reservoirs and Impoundments, Temporal Distribution, Water Bacteria, ...6.0027
- BIOPOTENTIAL OF NATURAL WATERS ...Acidity, Atomic Absorption, Lakes, Primary Productivity, Visible, Wisconsin, ...7.0114
- DETERMINATION OF THE STAGES OF EUTROPHICATION OF SOME OF NEW HAMPSHIRE'S LARGE LAKES PHASE II ...Eutrophication, Lakes, New Hampshire, Primary Productivity, Water Properties-general, Zooplankton, ...2.0746
- LIMNOLOGY OF LAKE CHAMPLAIN ...Biological-general, Chemical-general, Physical-general, Pollution - Effects of, Sediments, Zooplankton, ...2.1088
- NATURAL WATER SYSTEMS IN WESTERN MONTANA ...Freshwater Ecology, Lakes, Montana, Streams, Zooplankton, ...2.0719
- LIMNOLOGICAL STUDIES OF LENTIC WATERS IN IDAHO ...Alpine, Idaho, Lakes, Primary Productivity, Productivity - Food Chain, Reservoirs and Impoundments, ...2.0398
- DETERMINING CHANGES IN PHYTOPLANKTON POPULATIONS IN CLOUDS OF FLUORESCENT DYE MOVING IN THE MISSISSIPPI RIVER ...Dyes, Fluorometry, Minnesota, Mississippi River, Standing Crops, ...5.0617
- MICROBIAL INTERVENTION IN THE EUTROPHICATION PROCESS ...Eutrophication, Food Chains, Nutrients, Organic, Water Bacteria, ...5.0515
- BASIC RESEARCH IN THE AQUATIC ENVIRONMENT EFFECTS OF EUTROPHICATION ON PLANKTON ALGAE AND BENTHIC PLANTS COMMUNITIES ...Eutrophication, Nutrients, ...2.0803
- BIOLOGICAL AND CHEMICAL STUDY OF VIRGINIA'S ESTUARIES ...Estuaries, Nitrogen, Phosphorus, Population Dynamics, Primary Productivity, Virginia, ...2.1112
- PRIMARY PRODUCTIVITY, AND STANDING CROPS IN RELATION TO WATER QUALITY IN LAKE ASHTABULA RESERVOIR, NORTH DAKOTA ...North Dakota, Productivity - Food Chain, Reservoirs and Impoundments, Water Quality-general, Zooplankton, ...6.0414
- BUOYANCY AND SINKING CHARACTERISTICS OF FRESHWATER PHYTOPLANKTON ...Algal Pollutant Sources, Fresh Water, Herbicides -non-specific, Primary Productivity, Vertical Distribution, ...5.1064
- COMPARATIVE PRODUCTIVITIES OF SMALL BODIES OF WATER IN DESERT AND MONTANE AREAS OF SOUTHERN NEW MEXICO ...New Mexico, Plant Prod. (non-specific), Ponds, Productivity - Food Chain, Zooplankton, ...3.0336
- NUTRITIONAL ECOLOGY AND COMMUNITY STRUCTURE OF THE PHYTOPLANKTON OF GREEN BAY ...Bays, Mineral Composition, Nutrition Studies, Physiological Ecology, Wisconsin, ...5.1290
- LIMNOLOGICAL FACTORS AFFECTING PESTICIDE RESIDUES IN SURFACE WATERS ...Chlorinated Hydrocarbons, Iowa, Persistence of Residues, Reservoirs and Impoundments, Runoff, Surface Water, ...5.0416
- A STUDY OF PHYTOPLANKTON DYNAMICS IN LAKE FAYETTEVILLE AS A MEANS OF ASSESSING WATER QUALITY ...Algal Culture, Bioindicators, Eutrophication, Growth Rate, Primary Productivity, ...6.0031
- ANNUAL PHYTOPLANKTON PRODUCTION IN PUGET SOUND WATERS ...Copepods, Invertebrate Cultures, Puget Sound, Standing Crops, Tides, ...5.1256
- THE AUTECOLOGY OF SOME BLUE-GREEN PLANKTON ALGAE ...Algal Culture, Cyanophyta (non-specific & Ot), Eutrophication, Mixed Culture, Nutrition Studies, ...5.0955

- A DETAILED STUDY OF LAKE MICHIGAN PLANKTON DIATOMS ...Lake Michigan, Planktonic - Floating, Plant Taxonomy, Range Or Territorial Distr. , ...5.0554
- COLLECTION AND ESTABLISHMENT IN CULTURE OF SPECIES AND STRAINS OF MARINE PHYTOPLANKTON ORGANISMS ...Algal Culture, Culture Collections, Marine Plants, Pollution-general, ...5.1063
- LIMNOLOGICAL INVESTIGATION OF ONEIDA LAKE ...Food Chains, Lakes, New York, Primary Productivity, Zooplankton, ...5.0773
- MAJOR FACTORS INFLUENCING PRODUCTION OF PHYTOPLANKTON IN NEW YORK LAKES ...Energy, Lakes, New York, Nutrients, ...2.0796
- A SURVEY OF PHYTOPLANKTON IN AND OLD AND A NEW RESERVOIR ...Algal Pollutant Sources, Ohio, Reservoirs and Impoundments, ...6.0434
- COMPARATIVE STUDY OF PHYTOPLANKTON IN NEW AND RECLAIMED ACID MINE DRAINAGE PONDS ...Acidity, Mining Activities, Nutrition Studies, Ponds, Waste Water Treatment-general, ...6.0437
- BIOLOGICAL ASPECTS OF TERTIARY PONDS ...Effluents-waste Water, Pond, Protozoa -other, Sewage, Tertiary Treatment, ...5.0352
- PLANKTON-PERIPHYTON STUDIES IN THE COLUMBIA RIVER ...Columbia River, Food Webs, Periphyton, Radioactivity-general, Radioecology, ...2.1127
- FACTORS INFLUENCING THE PRODUCTION OF PLANKTONIC AND BENTHIC PLANTS ...Benthic Flora, Growth Rate, Nutrition, Secretions and Products, Standing Crops, ...5.1119
- HYDROLOGY OF CACHUMA RESERVOIR ...Aeration, Destratification, Reservoirs and Impoundments, Stratification, ...5.0118
- GENERAL HYDROGRAPHIC FEATURES OF OAHE RESERVOIR AND LAKE SHARPE ...Chemical Analysis (water), South Dakota, Temperature, Turbidity, Zooplankton, ...6.0516
- PRIMARY PRODUCTIVITY IN LAKE FRANCIS CASE ...Bays, Benthic Fauna, Primary Productivity, Reservoirs and Impoundments, Standing Crops, ...6.0524
- PRIMARY PRODUCTIVITY IN LEWIS AND CLARK LAKE ...Photosynthesis, Primary Productivity, Reservoirs and Impoundments, South Dakota, ...6.0525
- PLANKTON POPULATIONS IN LEWIS AND CLARK LAKE AND LAKE FRANCIS CASE ...Plankton Sampling, Reservoirs and Impoundments, Zooplankton, ...6.0526
- PLANKTON ECOLOGY ...Estuaries, Eutrophication, Gulf of Mexico, Gymnodinium, Range Or Territorial Distr. , ...6.0155
- USE OF MARINE PLANKTONIC ORGANISMS FOR EVALUATING THE QUALITY OF MARINE AND ESTUARINE WATERS ...Bioassays, Estuaries, Pollution - Effects of, Pollution Effects, Zooplankton, ...5.1093
- DETERMINATION OF SELECTED ENVIRONMENTAL REQUIREMENTS OF IMPORTANT MARINE PHYTOPLANKTON SPECIES ...Axenic Culture, Environment, Growth and Differentiation, Marine Biology, Marine Plants, ...5.1094
- EFFECTS OF PETROLEUM AND PETROLEUM WASTES UPON IMPORTANT SPECIES OF ESTUARINE PHYTOPLANKTON AND ZOOPLANKTON ...Contamination - Water, Contamination, Pollution-water, Estuaries, Oil, Petroleum, Zooplankton, ...5.1086
- INTEGRATED FIELD AND LABORATORY SYSTEM FOR AS-SAYING THE EFFECTS OF POLLUTANTS AND TOXICANTS UPON WATER QUALITY ...Algal Culture, Axenic Culture, Environment, Pollution - Effects of, ...5.1087
- EFFECT OF NITRILOTRIACETIC ACID (NTA) UPON THE TOXICITY OF METALS TO SELECTED SPECIES OF ESTUARINE PHYTOPLANKTON ...Acids, Carbon, Chemicals (incl. algicides), Estuaries, Radioisotopes, ...5.1085
- DEVELOPMENT OF A METHOD FOR CHRONIC TOXICITY BIOASSAY USING MARINE PLANKTONIC ALGAE ...Algal Culture, Bioassays, Marine Plants, Microbiological Analysis, Monitoring (long Term Studies), Technique Development, Toxicology, ...5.1088

Piezometers

- DESIGN OF OPEN CHANNELS TO PREVENT BANK FAILURE ...Seepage, Subsurface Flow, ...4.0253
- OBSERVATION AND EVALUATION OF INSTRUMENTATION IN THE FOUNDATION AND EMBANKMENT OF MORaine STATE PARK DAM ...Embankments, Foundations-general, Soil Settlements, Soil Stability Analysis, Uplift, ...8.0170

Piezometers

- PROTOTYPE ANALYSIS-STRUCTURAL BEHAVIOR ...Gravity Dams, Mass, Ohio River, Seepage, Uplift, ...**8.0149**
DEVELOPMENT AND EVALUATION OF SURFACE AND SUB-SURFACE DRAINAGE PRACTICES ...Drainage, Interception, Seepage, Subsurface Flow, Surface Flow, ...**4.0132**

Piezometry

- THE ARTESIAN SYSTEM IN GEORGIA STRATIGRAPHY AND HYDROLOGY OF THE Ocala ...Artesian Flow, Carbonate Aquifers, Georgia, Groundwater Movement, Natural Recharge, ...**4.0082**
DEVELOPMENT OF GROUND WATER CONTROL METHODS FOR THE HEAVY SOILS OF THE LAJAS VALLEY ...Aquifers-general, Groundwater, Hydrology-general, Puerto Rico, Soil Environment, ...**4.0209**
RELATIONSHIP BETWEEN EXCESSIVE SOIL MOISTURE AND CITRUS ROOT DAMAGE ...Citrus, Drainage, Drainage Engineering, Excessive Moisture, Other Environmental Conditions, ...**2.0316**
SALT-WATER ENCROACHMENT IN THE BRUNSWICK AREA, GEORGIA ...Aquifers-general, Georgia, Observation Wells, Pumping, Saline Water Intrusion, ...**5.0306**

Pigments -animal

Respiratory Or Blood

- PIGMENT INDICES OF ENVIRONMENTAL OXYGEN STRESS ...Environmental Physiology, Hemoglobin, Oxygen, ...**5.0810**

Pilot Plant

- DEVELOPMENT OF PERMANENT SYSTEMS FOR DROPWISE CONDENSATION ...Condensation, Distillation-other, Films, Heat Transfer, Vapor, ...**3.0411**
DEVELOPMENT OF ADVANCED TRANSPORT DEPLETION PROCESSES ...Brackish Water, Desalination, Electrodialysis, Ion Selective, ...**3.0002**
REVERSE OSMOSIS TUBULAR MODULE OPTIMIZATION ...Desalination, Digital Computers, Membranes-other, Reverse Osmosis, ...**3.0070**
DESIGN AND CONSTRUCTION OF A REVERSE OSMOSIS PILOT PLANT FOR THE DESALINATION OF SEA WATER ...Desalination, Membranes-other, Nitrogen, Reverse Osmosis, Sea Water-general, ...**3.0051**
THE DESIGN, CONSTRUCTION AND TESTING OF A 10,000 GPD TRANSPORT DEPLETION DESALINATION PILOT PLANT ...Cost Analysis, Desalination, Ion Selective, Other, ...**3.0148**
HYDRODYNAMIC STUDIES FOR ELECTRODIALYSIS ...Electrodialysis, Membranes-other, ...**5.0121**
TRAINING, TECHNICAL SUPERVISION, AND ASSISTANCE REGARDING THE OPERATION OF A SKID-MOUNTED MSF UNIT ...Aeration, Distillation-other, Foam, Mobile, Other, ...**3.0491**
AN EVAPORATIVE FREEZING PROCESS FOR DESALTING WATER ...Batch, Desalination, Evaporation, Freezing, ...**3.0163**
REVERSE OSMOSIS MEMBRANES CONTAINING GRAPHITIC OXIDE ...Desalination, Graphite, Membranes-other, Reverse Osmosis, ...**3.0416**
REVERSE OSMOSIS PERMEATORS - DESIGN STUDY ...Cost Analysis, Membranes-other, Other, Reverse Osmosis, ...**3.0367**
ELECTROLYTIC REGENERATION OF ION EXCHANGE RESINS ...Brackish Water, Desalination, Ion Exchange-other, Regeneration-other, ...**3.0327**
CONTROLLED FLASH EVAPORATOR, ECONOMIC ANALYSIS AND THE DESIGN OF A DEMONSTRATION PLANT ...Cost Analysis, Desalination, Evaporation, ...**3.0326**
CONSTRUCTION AND OPERATION OF 7-GPM PILOT PLANT FOR SILICA REMOVAL ...Adsorption-other, Evaporation, Hardness, Pollutant-other, Silicon, ...**3.0323**
REVERSE OSMOSIS PILOT PLANT INVESTIGATIONS ...Cost Analysis, Desalination, Membranes-other, Other, Reverse Osmosis, ...**3.0056**
PROCESS AND CONFIGURATION DEVELOPMENT FOR TUBULAR REVERSE OSMOSIS UNITS ...Brackish Water, Desalination, Other, Reverse Osmosis, ...**3.0057**
CONCEPTUAL DESIGN STUDY ON REVERSE OSMOSIS MEMBRANE ASSEMBLY MODULAR UNIT ...Desalination, Membranes-other, Process Development-other, Reverse Osmosis, ...**3.0215**

SUBJECT INDEX

- BRACKISH WATER FIELD TEST EVALUATION OF MEMBRANE PROCESSES ...Brackish Water, Desalination, Economic Efficiency, Membranes-other, ...**3.0072**
PARAMETRIC ECONOMIC AND ENGINEERING EVALUATION STUDY OF THE REVERSE OSMOSIS PROCESS ...Cost Analysis, Marketing, Membranes-other, Reverse Osmosis, ...**3.0164**
TEST OPERATION OF A 2,500 GPD TWO-STAGE SEA WATER REVERSE OSMOSIS PILOT PLANT ...Brines, Cost Analysis, Desalination, Membranes-other, Optimization, Reverse Osmosis, ...**3.0079**
DEVELOPMENT OF A WATER DESALINATION SYSTEM BASED ON HOLLOW FINE FIBER MEMBRANES ...Celluloses, Desalination, Fiber, Filament, Whisker, Membranes-other, Reverse Osmosis, ...**3.0274**
OPERATION OF A 50,000 GPD PORTABLE PILOT PLANT ...Membranes-other, Mobile, Reverse Osmosis, Scale Formation, Zeolite, ...**3.0029**
PARAMETRIC ECONOMIC AND ENGINEERING EVALUATION STUDY OF THE ELECTRODIALYSIS PROCESS ...Brackish Water, Cost Analysis, Desalination, Electrodialysis, Other, ...**3.0270**
CONCEPTUAL DESIGN STUDY ON ELECTRODIALYSIS MEMBRANE ASSEMBLY MODULAR UNIT DESIGN ...Cost Analysis, Desalination, Electrodialysis, Membranes-other, Potable, ...**3.0228**
DEVELOPMENT OF THE VACUUM FREEZING VAPOR COMPRESSION PROCESS ...Desalination, Evaporation, Freezing, High, Potable Water, ...**1.0128**
SEWAGE TREATMENT, PILOT PLANT EVALUATION ...Ash-coal, Coal, Coal-general, Industrial Wastes, Waste Treatment-economics, ...**5.0870**
AN EVALUATION OF RECENT APPROACHES FOR THE DESIGN OF BIOLOGICAL WASTES TREATMENT ...Biological Treatment-general, Data Analysis - General, Process Design, Waste Water Treatment-general, ...**5.0928**
PRACTICAL APPLICATION OF FOAM FRACTIONATION TREATMENT OF LOW QUALITY WATER ...Color, Cost Analysis, Foam, Groundwater, Iron, ...**5.0037**
DEVELOPMENT OF PULSATING ADSORPTION FILTER FOR TERTIARY TREATMENT OF WASTE WATERS ...Adsorption-other, Ash-coal, Biological, Sand, Tertiary Treatment, ...**5.0408**
FLOC STRENGTH AND FILTERABILITY OF PRE-TREATED WATER ...Coagulation, Filtration, Flocculation, Sand, Waste Water Pre-treatment, ...**5.0061**
BOD, SOLIDS AND NUTRIENT REMOVAL FROM SECONDARY EFFLUENT BY FOAM FRACTIONATION ...Denitrification, Foam, Nitrate, Nitrite, Phosphate, Phosphite, ...**5.0155**
TREATMENT OF SELECTED INTERNAL KRAFT MILL WASTES IN COOLING TOWERS ...Economic Efficiency, Pulp and Paper Wastes, Recycle, Thermal Pollution, Waste Treatment-economics, ...**5.0308**
AEROBIC TREATMENT OF PACKHOUSE WASTES ...Aerobic, Food Processing Industry, Industrial Processes-other, Pilot Plants, Waste Water Treatment-general, ...**5.0418**
USE OF MODIFIED ACTIVATED SLUDGE TREAT TO ACHIEVE NUTRIENT REMOVAL & TO PROVIDE CONSISTENT FEED TO TERTIARY TREATMENT SYSTEM ...Activated, Aeration, Pollutant-other, Tertiary Treatment, Waste Treatment-economics, ...**5.0245**
IMPROVEMENTS TO THE BOROUGH OF NEW PROVIDENCE SEWAGE PUMPING STATION AND TREATMENT FACILITIES ...Chlorination, Plastics - General, Polyelectrolytes, Pumping Stations, Sedimentation, Trickling, ...**6.0353**
SPREADING TREATED SEWAGE FOR GROUNDWATER RECHARGE ...Artificial Recharge, Groundwater, Loading, Percolation, Sewage, ...**3.0005**
TERTIARY TREATMENT OF COMBINED STORM WATER, SANITARY RELIEF DISCHARGE AND SEWAGE TREATMENT PLANT EFFLUENT ...Activated Carbon, Combined Sewer, Filtration, Process Design, Sedimentation, Storm Water, ...**5.0387**
MODEL ADVANCED WASTE-TREATMENT PLANT ...Activated Carbon, Lime Treatment, Material Recovery Wastes, Process Design, Solid Waste, ...**5.0504**
PILOT-SCALE STUDY OF IMPROVED PHOSPHATE REMOVAL BY MODIFIED ACTIVATED SLUDGE PROCESS ...Activated, Algal Pollutant Sources, Bacteria, Disposal, Waste Treatment-economics, ...**5.0560**
DEMONSTRATION AND EVALUATION OF POLYMERIC ADDITIVES IN THE TREATMENT OF STORM SEWER OVERFLOW ...Combined Sewer, Polymer Type-other, ...**5.0579**

SUBJECT INDEX

Plankton (non-specific)

- COMBINED INDUSTRIAL AND MUNICIPAL WASTE TREATMENT ...Biological Treatment-other, Combined Sewer, Process Design, Pulp and Paper Wastes, Waste Water Treatment-general, ...5.1289
- KINETICS OF ALGAL SYSTEMS IN WASTE TREATMENT ...Algae, Biological, Model Studies, Nutrients, Process Design, ...5.0069
- IDENTIFICATION OF LIMITING FACTORS IN THE BIOLOGICAL TREATMENT OF SEWAGE ...Activated, Biological Treatment-other, Other, Sewage Bacteria, ...5.0230
- OPTIMIZATION AND DEVELOPMENT OF IMPROVED CHEMICAL TECHNIQUES FOR THE TREATMENT OF COAL MINE DRAINAGE ...Acid Mine Wastes, Chemical Treatment, Drainage, Mining Activities, Optimization, Process Design, ...5.0999
- ALGAL BIOASSAY TO DETERMINE THE EXTENT OF NUTRIENT REMOVAL BY AWT AT THE WASTE TREATMENT PLANT AT ELY, MINNESOTA ...Algae, Bioassays, Denitrification, Nutrients, Waste Water Treatment-general, ...5.1304
- USE OF PURE STRAINS OF ALGAE AND MIXED ALGAE-PROTOZOA, AND ALGAE-BACTERIA CULTURES IN SEWAGE TREATMENT ...Algae, Algal Culture, Microbial-bacterial, Waste Water Treatment-general, ...5.0382
- SECONDARY EFFLUENT POLLISHING BY RAPID SAND FILTRATION ...Activated, Biochemical Oxygen Demand, Chemical Oxygen Demand, Sand, Solid Waste, ...5.0362
- PROGRAM FOR FIELD EVALUATION OF REVERSE OSMOSIS PILOT PLANTS ON BRACKISH WATERS ...Brackish Water, Cost Analysis, Membranes-other, Other, Reverse Osmosis, ...3.0115
- DEVELOPMENT OF WASTE STABILIZATION LAGOONS FOR APPLICATION IN ALASKA ...Alaska, Lagoon, Process Design, Sewage Lagoons, Storage-retention-facilities, ...5.0026
- COMPLETE MIX ACTIVATED SLUDGE UNIT PROCESS ADAPTION TO LOW TEMP ...Activated, Loading, Low, Separation-other, Solid Waste, ...5.0028
- PHOSPHATE REMOVAL BY ACTIVATED SLUDGE PROCESS SPECIFICATION - PLANT SCALE RESEARCH ...Phosphate, Phosphite, ...5.0915

Pilot Plants

- DEVELOPMENT OF THE VACUUM FREEZING VAPOR COMPRESSION PROCESS FOR USE WITH BRACKISH WATERS ...Brackish Water, Desalination, Freezing, Mobile, North Carolina, ...3.0487
- EVALUATION OF BRINE DESULFATING PROCESS AS APPLIED TO FEEDWATER FOR DESALINATION PLANTS ...Cost Analysis, Desalination, Economics-general, Sulfate, Sulfite, ...3.0409
- LIFE TEST OF NOVEL EVAPORATOR ...Desalination, Distilling Units, Heat Trans Coefficient, Sea Water-general, ...3.0368
- DESALINATION BY THE INVERSION ON THE ORDER OF MELTING BY APPLIED PRESSURE ...Crystallization, Desalination, Freezing, Heat Transfer, ...3.0240
- JET-PUMP TOPPING-UNIT PILOT PLANT ...Desalination, ...3.0276
- DESIGN, CONSTRUCTION AND OPERATION OF A SKID-MOUNTED ION EXCHANGE PILOT PLANT ...Cost Analysis, Desalination, Economics-general, Ion Exchange-other, Mobile, ...3.0329
- OPERATION AND EVALUATION OF A 50,000 GALLONS PER DAY REVERSE OSMOSIS PILOT PLANT ...Cost Analysis, Desalination, Economic Efficiency, Reverse Osmosis, ...3.0061
- CONSTRUCTION AND DEVELOPMENT OF SPIRAL DESIGN ELECTRODIALYSIS MODULE ...Desalination, Electrodialysis, Membranes-other, ...3.0154
- NITRATE REMOVAL FROM ACTIVATED SLUDGE SYSTEMS ...Activated, Denitrification, Process Design, Washington, Waste Water Treatment-general, ...5.1257
- AEROBIC TREATMENT OF PACKINGHOUSE WASTES ...Aerobic, Food Processing Industry, Industrial Processes-other, Pilot Plant, Waste Water Treatment-general, ...5.0418
- MICROTRAINING PILOT TESTS OF STORM WATER OVERFLOWS FROM COMBINED STORM AND SANITARY SEWER SYSTEMS ...Chlorination, Combined Sewer, Ozonization, Screening, ...5.1003
- WATER TREATMENT BY REVERSE OSMOSIS METHOD ...Fresh Water, Membranes-other, Reverse Osmosis, Waste Water Treatment-general, ...5.0164

- NUTRIENT REMOVAL FROM AGRICULTURAL WASTE WATERS ...California, Denitrification, Eutrophication, Nutrients, San Francisco Bay, Waste Water Treatment-general, ...4.0032
- EUTROPHICATION - PILOT OPERATIONS ...Economics-general, Eutrophication, Systems Analysis, Water Quality Control-general, ...5.0981
- BACTERIAL DEPURATION OF WEST COAST SHELLFISH ...Clams, Oysters, Salinity, Shellfish Depuration, Turbidity, ...5.1229

Pipe, Tube

- PREPARATION OF SMALL TUBES AND THE DETERMINATION OF THEIR PROPERTIES FOR REVERSE OSMOSIS ...Dimensions, Expansion, Mechanical Properties-general, Permeability, Reverse Osmosis, Stretch Forming, Cryoform, ...3.0387
- PRODUCTION OF 90-10 COPPER NICKEL TUBING FOR DESALTING ...Copper, Desalination, Equipment Purchase Operation, ...3.0158
- APPLICATION OF IRON-ALUMINUM BASE ALLOYS TO SALINE WATER CONVERSION ...Alloy & Systems, Cost Analysis, Desalination, Stainless Steels-other, Water, ...3.0099
- EVALUATION OF POLYVINYL CHLORIDE (PVC) AND VINYL CLAD ALUMINUM PIPE USED FOR CARRYING IRRIGATION WATER WHEN BURIED WITHIN THE FROST ZONE ...Aluminum, Cladding, Irrigation-general, Joining, Bonding-general, Polyvinyls-other, Soils, ...8.0271
- DRAINAGE DESIGNS AS INFLUENCED BY CONDITIONS IN THE VICINITY OF THE DRAIN LINE ...Drainage Systems, Erosion Control, Pipes, Plastics - General, Seepage, ...8.0010
- STUDIES OF CORROSION SPECIMENS ...Galvanized, Test Methods, Water, Water Quality-general, ...8.0177
- FREE DROP WATER CONTAINER ...Airborne-operation, Equipment, Laminates, Logistics, Urethanes, ...8.0209
- FACTORS INFLUENCING THE DURABILITY OF CONCRETE ...Cement, Concrete, Chemicals, Durability, Deterioration, Organic-general, Sulfate, Sulfite, ...8.0043
- PROTECTIVE LININGS FOR WATER PASSAGE SURFACES OF FERROUS METALWORK ...Erosion, Linings-pavings, Organic-general, Water, ...8.0087
- PLASTIC PIPE AND TUBING ...Ceramic Matrix, Corrosion General, Engineering Structures-general, Plastic Matrix, Plastics - General, ...8.0132
- GLASS FIBER REINFORCED PLASTIC MORTAR PIPE FOR PRESSURE IRRIGATION DISTRIBUTION SYSTEM ...Fiber, Filament, Whisker, Glass, Irrigation Engineering, Pipelines, Plastic Matrix, ...8.0027
- IMPROVEMENT AND MODERNIZATION OF SURFACE AND SUBSURFACE DRAINAGE PRACTICES AND FACILITIES IN THE CORN BELT ...Corn Belt, Drainage, Drainage Systems, Plastics - General, ...4.0191

Pipelines

- DEVELOPMENT OF AUTOMATED SUBIRRIGATION SYSTEM ...Arkansas, Automated Equipment, Design Criteria, Irrigation Engineering, Spray Devices, Subsurface Irrigation, ...3.0025
- PHYSICAL, CHEMICAL AND MICROBIOLOGICAL FACTORS AFFECTING THE DISCHARGE OF WATER INTO DRAIN TILE ...Drainage, Drainage Engineering, Water Properties-general, ...2.0145
- PIPELINE AND TUNNEL HYDRAULICS ...Conduit, Friction, Hydraulics-general, Pipes, Texas, ...8.0042
- GLASS FIBER REINFORCED PLASTIC MORTAR PIPE FOR PRESSURE IRRIGATION DISTRIBUTION SYSTEM ...Fiber, Filament, Whisker, Glass, Irrigation Engineering, Pipe, Tube, Plastic Matrix, ...8.0027
- DRAINAGE SYSTEMS - PIPE AND FILTERS ...Drainage Engineering, Drainage Systems, Filters, Hydraulic Gradient, Pipes, ...8.0018

Plankton (non-specific)

- LIMNOLOGY OF ROSS ISLAND, ANTARCTICA ...Antarctica, Benthic Organisms (non-specific), Chemical-general, Lakes, Publications -other, ...2.0087
- LIMNOLOGY OF DESOTO BEND LAKE, IOWA AND NEBRASKA ...Benthic Organisms (non-specific), Iowa, Lakes, Nebraska, Stratification, ...7.0040
- PLANKTON STUDIES ...Chemical-general, Lakes, Number, Water Level Fluctuation, ...4.0125

Plankton (non-specific)

SUBJECT INDEX

- FOOD HABITS STUDY ...Aquatic Ecology, Benthic Organisms (non-specific), Food Supply, Lakes, Mississippi, ...6.0314
- ATCHAFALAYA RIVER - CALLIOU LAKE SYSTEM ...Lakes, Louisiana, Number Or Density, Physical-general, Vertical Distribution, ...2.0545
- CHANGES DURING EUTROPHICATION OF AN ESTUARY ...Estuaries, Eutrophication, North Carolina, Pollution - Effects of, ...5.0820
- PRIMARY PRODUCTIVITY OF MINNESOTA LAKES ...Chemical-general, Lakes, Primary Productivity, Trace Element Analysis, Water Sampling, ...5.0607
- EFFECT OF INDUST WASTES OF MEMPHIS & SHELBY COUNTY ON PRIMARY PLANKTONIC PRODUCERS ...Cell Cloning, Drainage, Industrial Wastes, Primary Productivity, Tennessee, ...5.1134
- ECOLOGICAL SUCCESSION IN A NORTHEASTERN OHIO RESERVOIR ...Eutrophication, Nutrients, Ohio, Plant Succession, Reservoirs and Impoundments, ...5.0894
- DIATOM REMOVAL BY FLOCCULATION ...Algae- Diatoms, Algal Pollutant Sources, Flocculation, Sand, ...5.0353
- PRIMARY PRODUCTION ...Primary Productivity, Strontium, ...2.1001
- A COMPARATIVE STUDY OF TRACE ELEMENT CYCLES IN SIX LAKES IN SOUTH CAROLINA ...Chemical-general, Lakes, South Carolina, Trace Element Analysis, Water Cycle, ...2.0944
- WATER QUALITY AND NUTRIENTS, SACRAMENTO-SAN JOAQUIN RIVER SYSTEM ...Environmental Ecology, Eutrophication, Fish -non-specific, Nutrients, Water Quality-general, ...2.0127
- EVAPORATION REDUCTION INVESTIGATIONS STUDY OF THE EFFECTS OF FATTY ALCOHOLS ON THE ECOLOGY OF LAKE HEFNER ...Alcohols, Antitranspirants, Lakes, Physiological Ecology, Texas, ...3.0130

Plankton Sampling

- WALLEYE FRY - ZOOPLANKTON RELATIONSHIPS IN SOUTHEASTERN WISCONSIN LAKES ...Aquatic Ecology, Food Supply, Lakes, Walleyes, Zooplankton, ...6.0640
- DEVELOPMENT AND IMPROVEMENT OF INSTRUMENTATION AND SAMPLING GEAR FOR USE IN LIMNOLOGY AND FISHERY BIOLOGY ...Basses -sea,white, White Perch, Nets, Salmon & Trout - Non-specific, Tags, Telemetry, ...7.0115
- LAKEBOGNE-CHANDELEUR SOUND SYSTEM ...Aquatic Ecology, Louisiana, Nets, Number Or Density, Tides, ...2.0543
- BRETON SOUND - MOUTH OF MISSISSIPPI RIVER SYSTEM ...Aquatic Ecology, Mississippi River, Nets, Number Or Density, ...2.0544
- VERMILION - CALCASIEU - SABINE SYSTEM ...Aquatic Ecology, Data Acquisition-general, Louisiana, Nets, Number Or Density, ...2.0546
- TIMBALIER - TERREBONNE BAYS SYSTEM ...Aquatic Ecology, Data Acquisition-general, Louisiana, Nets, Number Or Density, ...2.0547
- A STUDY OF THE OPEN WATER DISTRIBUTION AND ABUNDANCE OF NET-PLANKTON AS AN INDEX OF EUTROPHICATION IN LAKE SUPERIOR ...Automatic Data Acquisition, Bioindicators, Lake Superior, Water Quality-general, Zooplankton, ...5.0600
- DIATOM POPULATIONS CHANGES IN LAKE GEORGE ...Algae- Diatoms, Eutrophication, New York, Plant Succession, Recreation Sites, ...2.0816
- FARMINGTON RIVER SHAD STUDIES ...Alewife,menhaden,shad,herring, Bottom Sampling, Migration, Water Properties-general, Water Sampling, ...6.0117
- RELICT COPEPODS FROM LAKE TUBORG, ELLESMERE ISLAND ...Brackish Water, Canada, Carbon-14, Copepods, Lakes, ...2.0257
- PLANKTON POPULATIONS IN LEWIS AND CLARK LAKE AND LAKE FRANCIS CASE ...Phytoplankton, Reservoirs and Impoundments, Zooplankton, ...6.0526
- EARLY LIFE HISTORY STAGES OF OAAE AND BIG BEND RESERVOIR FISHES ...Animal Taxonomy, Aquatic Ecology, Life History Studies, Reservoirs and Impoundments, South Dakota, ...6.0522
- PRODUCTIVITY OF ESTUARINE AND MARINE ECOSYSTEMS (A COOPERATIVE AGREEMENT WITH THE ATOMIC ENERGY COMMISSION) ...Estuaries, Ions and Gases, Productivity - Food Chain, Radioactivity, Radioactivity-general, ...2.0818

- ROUTINE SAMPLING AT SEVEN INDEX STATIONS ...Bottom Sampling, Data Acquisition-general, Fish -non-specific, Lake Erie, Water Sampling, ...6.0438

Planktonic - Floating

- A DETAILED STUDY OF LAKE MICHIGAN PLANKTON DIATOMS ...Lake Michigan, Phytoplankton, Plant Taxonomy, Range Or Territorial Distribution, ...5.0554

Planning

- COLORADO COMPREHENSIVE PLAN FOR OUTDOOR RECREATION ...Colorado, Economic Impact, Mapping, Other, Recreation Sites, ...6.0324
- CULTURAL, SOCIAL ORGANIZATIONAL, AND SOCIAL PSYCHOLOGICAL FACTORS ASSOCIATED WITH PROPOSED CHANGES IN WATER USE PATTERNS ...River Basins, Social Aspects, Water Resources Development, ...6.0572
- WATER SUPPLY-DEMAND ...New York, Operations Research, Projections and Estimations, Water Demand, Water Supply-general, ...2.0795
- WATER RESOURCE OPERATIONS STUDY ...Conjunctive Use, Operations Research, Water Cycle, Weather Modification-general, Wyoming, ...6.0652
- THE DEVELOPMENT OF WATER RESOURCES IN CALIFORNIA IN RELATIONSHIP TO PLANS AND PROGRAMS FOR WESTERN REGIONAL WATER DEVELOPMENT ...California, Regional Areas, Social Aspects, Water Resources Development, Water Transfer, ...6.0063
- IMPACT OF WATER BASED RECREATION ...Benefit-cost Analysis, Lakes, New York, Recreation Sites, Reservoirs and Impoundments, ...6.0384
- INTERRELATIONS BETWEEN RIVER BASIN DEVELOPMENTS AND DEVELOPMENT OF METROPOLITAN AREAS ...Redevelopment of Land, River Basins, Urban Research, Water Resources Development, ...6.0165

- WATER RESOURCES PLANNING STUDIES - OKLAHOMA AND ARKANSAS ...Arkansas River, Data Acquisition-general, Federal Government, State-local Government, Storage of Water, ...6.0445
- EVALUATION OF RESOURCE USE AND ECONOMIC EFFECTS DUE TO IRRIGATION WATER AVAILABILITY IN TEXAS ...Agriculture Industry, Economic Impact, Model Studies, Projections and Estimations, Texas, ...6.0558
- ANALYSIS OF LITERATURE ON THE RECREATIONAL ASPECTS OF WATER RESOURCES RESEARCH ...Management, Recreation Sites, Survey Studies, ...6.0212
- APPLICATION OF SPECIALIZED OPTIM TECH IN WATER QUANTITY & QUALITY MANAGEMENT WITH RESPECT TO PLANNING FOR THE TRINITY RIVER BASIN ...Optimization, River Basins, Texas, Water Quality-general, Water Quantity-general, ...6.0551
- COMMUNITY REACTIONS TO WATER RESOURCES PROBLEMS IN RELATION TO PLANNING ...Floods, Pollution - Effects of, Social Aspects, Urban Environments, ...6.0425
- THE USE OF SYSTEMS ANALYSIS IN THE DEVELOPMENT OF WATER RESOURCES MANAGEMENT PLANS FOR NEW YORK STATE ...Management, Model Studies, New York, Systems Analysis, ...6.0373
- ADAPTING THE WATER RESOURCE PLANNING PROCESS TO PROBLEMS AND NEEDS OF METROPOLITAN AREAS ...Model Studies, River Basins, Systems Analysis, Urban Environments, Water Resources Development, ...6.0402
- APPLICATION OF SIMULATION THEORY TO WATER RESOURCES PLANNING AND MANAGEMENT ...Management, Model Studies, Optimization, River Basins, ...6.0340
- DEVELOPMENT AND IMPLEMENTATION OF A MANAGEMENT STRATEGY FOR WATER RESOURCES RESEARCH ...Management, Operations Research, Projections and Estimations, Systems Analysis, Water Resources Development, ...6.0112
- INSTITUTIONAL PATTERNS FOR EVOLVING REGIONAL PROGRAMS FOR WATER RESOURCE MANAGEMENT ...Administrative Structures, Conflicts, Regional Areas, Water Resources Development, ...6.0284
- INSTITUTIONAL FACTORS INFLUENCING WATER DEVELOPMENT IN TEXAS ...Administrative Structures, Economic Impact, Texas, Water Law-general, Water Resources Development, ...6.0562

SUBJECT INDEX

Plant Characteristics

SEDIMENTATION AND CONTAMINANT CRITERIA FOR WATER RESOURCES PLANNING AND MANAGEMENT ...Dispersion -water, Management, Pollutants - Path of, Sediment Yield, Sedimentology-general, Watersheds-general, ...4.0066

ADVANCED METHODOLOGIES FOR WATER RESOURCES PLANNING ...Illinois, Mathematical Programming, Optimization Technique, Stochastic Models, ...6.0202

DEVELOPMENT OF A STATE WATER PLANNING MODEL ...Application, Development of Models, Model Studies, Montana, River Basins, ...6.0325

SCOUR AND FILL IN THE MISSOURI RIVER AS RELATED TO THE WATER RESOURCES PLANNING ...Energy-Dynamics, Missouri River, Scouring, Sediment Yield, South Dakota, ...2.0966

THE DEVELOPMENT OF A SIMULATION MODEL FOR THE BEAR RIVER BASIN ...Analog Computers, Development of Models, Model Studies, River Basins, Utah, ...6.0586

AN ANALYSIS OF PRICING PRACTICES AND POLICIES OF WATER SERVICE UTILITIES IN SMALL COMMUNITIES IN MISSISSIPPI ...Finance, Price & Value, Urban Environments, Water Costs, ...6.0317

COMMUNITY INVOLVEMENT OF PARTICIPANTS IN WATERSHED PLANNING ...Citizen's Participation, Mississippi, Social Aspects, Water Resources Development, Watersheds-general, ...6.0318

THE DECISION SEQUENCE IN WATER RESOURCE PLANNING ...Decision Making, Decision Theory, Operations Research, ...6.0069

STOCHASTIC BASIS FOR COMPREHENSIVE RIVER BASIN PLANNING ...Development of Models, Digital Computers, Monte Carlo Methods, New York, Stochastic Processes, Systems Analysis, ...6.0374

SYSTEMS SIMULATION FOR MANAGEMENT OF A TOTAL WATER RESOURCE ...Conjunctive Use, Management, Optimization, River Basins, Water Transfer, ...4.0230

COMPREHENSIVE PLANNING FOR WATER RESOURCES MANAGEMENT IN METROPOLITAN ENVIRONMENTS ...Administrative Structures, District of Columbia, Policy Making, Public-works, Survey Studies, ...6.0123

CONSERVATION AND DEVELOPMENT PLANNING FOR THE ESTUARINE ZONE (A CASE STUDY IN THE TOWN OF SOUTHD, LONG ISLAND) ...Administrative Structures, Estuaries, Long Island Sound, Systems Analysis, Water Resources Development, ...6.0388

INTERSTATE REGIONAL PLANNING FOR WATER SUPPLY AND WASTE DISPOSAL ...Delaware River, Disposal-general, Interstate, Water Distribution Systems, Water Quality Control-general, Water Supply-general, ...5.0748

USE OF NEW ANALYTICAL METHODS FOR WATER RESOURCES DEVELOPMENT ...Mathematical Analysis, Optimization, Optimization Technique, Reservoirs and Impoundments, Water Resources Development, ...6.0545

DEVELOPMENT OF METHODS FOR PLANNING AND TIMING OF WATER RESOURCES INVESTMENTS ...Finance, Multiple-purpose Projects, Operations Research, Risk & Uncertainty, Water Resources Development, ...6.0065

PLANNING ALGORITHMS FOR REGIONAL WATER RESOURCE SYSTEMS ...Algorithms, Digital Computers, Economic Efficiency, Systems Analysis, Water Resources Development, ...7.0012

INTERNATIONAL RIVER PLANNING IN AFRICA ...Africa-other, International Affairs, River Basins, Streams, Water Resources Development, ...6.0188

REGIONAL UTILITIES STUDY-WATER SUPPLY, SEWERAGE, DRAINAGE AND REFUSE DISPOSAL ...Connecticut, Municipal-waste-other, Operations Research, Sewage, Water Supply-general, ...5.0207

IOWA ECONOMETRIC MODEL ...Economics-general, Iowa, Model Studies, Projections and Estimations, River Basins, ...6.0225

REGIONAL COMPREHENSIVE MULTI-PURPOSE WATER RESOURCES PLANNING STUDIES ...Augmentation-general, Multiple-purpose Projects, New York, Public Utilities, Water Resources Development, ...6.0370

AN INTEGRATED RECREATION AND NATURAL AREA PRESERVATION PLAN FOR OHIO AND MARSHALL COUNTIES, WEST VIRGINIA ...Camping, Fishing, Hunting, Inventories, Recreation Sites, West Virginia, ...6.0634

PROBABILITIES OF SEQUENCES OF DRY DAYS IN TEXAS ...Computers-general, Forecasting, Irrigation-general, Tables, Compilations, Catalogs, Water Supply-general, ...3.0442

A STUDY OF THE INTEGRATION OF THE WATER RESOURCES OF THE BEAR, WEBER, AND JORDAN RIVERS IN NORTHERN UTAH ...Analog Computers, Analog Computers Math, Model Studies, Utah, Water Transfer, ...6.0587

WETLANDS ECOLOGY LITERATURE REVIEW ...Bibliography, Wetlands, Wisconsin, ...7.0113

STATE WATER PLANNING FOR WYOMING ...Data Analysis - General, State-local Government, Water Supply-general, Wyoming, ...6.0653

PLAN FORMULATION AND EVALUATION STUDIES - RECREATION DESIGN CRITERIA AND DEMAND ...Computers-general, Costs, Frequency of Use, Projected Demand, Survey, ...6.0078

RESERVOIR WATER QUALITY INVESTIGATION ...Forecasting-prediction, Operations Research, Reservoirs and Impoundments, Storage of Water, Water Quality Control-general, ...5.0237

SYSTEMS STUDY - MARYLAND PROJECT ...Alternative Planning, Hydrology-general, Management, Maryland, Water Resources Development, ...6.0603

FLOOD PROFILES AND FLOOD-PLAIN INFORMATION, CEDAR RAPIDS, IOWA ...Floodplains, Floods, Iowa, Urban Environments, Water Law-general, ...2.0490

VALUE OF DESALTED WATER FOR IRRIGATION ...Augmentation-general, Benefit-cost Analysis, Desalination, Irrigation-general, Use of Impaired Water, ...3.0122

USE OF WATER ON FEDERAL IRRIGATION PROJECTS ...Irrigation Engineering, Irrigation-general, Water Utilization - general, ...6.0175

ISLAND STUDY ...Conservation-general, Inventories, Islands, Recreation Sites, Survey Studies, ...3.0171

Plant Characteristics

Adaptation

ECOLOGY AND PHYSIOLOGY OF THERMOPHILIC BLUE-GREEN ALGAE ...Cyanophyta (non-specific & Ot), Habitat Studies, High Temp. - 85f Or Above, Hot Springs, ...2.0898

SEEDING ARID RANGELANDS OF ARIZONA ...Management and Fertility, Range, ...4.0012

ADAPTATION BY MICROBIAL POPULATIONS ...Biological Pollutants -general, Microorganisms (non-specific), Plant Succession, Waste Water Treatment-general, ...5.0770

MOISTURE CONTENT OF VARIOUSLY TREATED CHAPARRAL SOILS IN RELATION TO SEEDLING ESTABLISHMENT OF ADAPTED PERENNIAL GRASSES ...California, Cover Crops, Grasses -non-specific, Moisture Tension, Soil-water-plant Relationships, ...2.0142

Aesthetic

ROADSIDE DEVELOPMENT AND BEAUTIFICATION ...Cover Crops, Erosion-general, Plant Growth, Roads and Highways, ...2.0109

Flowering

CLIMATE OF THE NORTHEAST - ANALYSIS AND RELATIONSHIP TO PLANT RESPONSE ...Ash Trees, New York, Phenology, Physical Climatology, ...2.0791

ACCUMULATION OF CLIMATOLOGICAL DATA ...Ash Trees, Ohio, Soil Depth, Soil Temp. -non-specific, ...7.0090

Fruit-set

PLANT-WATER-USE EFFICIENCY WITH GROWTH REGULATORS AND TRANSPIRATION SUPPRESSANTS ...Anti-transpirants, Antitranspirants, Growth Rate, Growth Regulators, Modified Water Use, ...3.0160

MACADAMIA CULTURE ...Hawaii, Irrigation, Macadamia, Trees, ...2.0377

Growth Rate

VEGETATIVE SUCCESSION IN NEWLY CONTROLLED MARSHES ...Environmental Ecology, Plant Succession, South Carolina, Swamps-marshes, Water Level Fluctuation, ...4.0215

PLANT-WATER-USE EFFICIENCY WITH GROWTH REGULATORS AND TRANSPIRATION SUPPRESSANTS ...Anti-transpirants, Antitranspirants, Fruit-set, Growth Regulators, Modified Water Use, ...3.0160

INFLUENCE OF IRRIGATION PRACTICES ...Irrigation, Soil Structure, ...2.0210

Plant Characteristics

SUBJECT INDEX

- EFFECTS OF WATER APPLICATION ON CROP PLANTS ...Evaporation, Requirements for Water, Water Application Methods, Water Balance-budget, ...2.0652
- INFLUENCE OF SPECIFIC IONS ON GROWTH PATTERN OF PLANTS ...Osmotic and Turgor Pressure, Requirements for Water, Transpiration and Evap, ...2.0708
- WATER-SOIL-PLANT RELATIONS ...Drought, Maturity & Growth Stages, Osmotic and Turgor Pressure, Soil-water-plant Relationships, Transpiration and Evap, ...1.0075
- SOIL-PLANT-WATER RELATIONSHIPS ...Drought, Evaporation, New Jersey, Soil-water-plant Relationships, Water Loss Control, ...2.0758
- DROUGHT INJURY AND RESISTANCE IN PLANTS ...Drought, ...2.0857
- EFFECT OF MOISTURE STRESS ON RATES OF PHOTOSYNTHESIS ...Drought, Photosynthesis, Pines, Respiration, ...2.0956
- IRRIGATION AND FERTILIZER ON UPLAND FOREST ...Drought, Ecology and Morphology, Irrigation, Measurement of Trees & Stands, South Carolina, ...6.0488
- DETERMINATION OF FACTORS AFFECTING THE COMPETITIVE ABILITY OF WEEDS IN SEM-ARID AREAS ...Roots, Semi - Arid, Vase, plant Competition -other, Weeds -physiological Studies, ...2.1016
- MINERAL NUTRITION AND PLANT GENETIC VARIABILITY ...Moisture Levels, Requirements for Water, Transpiration, Transpiration and Evap, Variation, ...2.1171
- EFFECT OF SOIL MOISTURE AND POTASSIUM FERTILIZATION ON THE TRANSPIRATION RATE OF SOYBEANS (GLYCINE MAX) ...Moisture Levels, Potassium, Soybean, Transpiration, Transpiration and Evap, ...2.0404
- IRRIGATION STUDIES WITH APRICOTS AT WOLFESKILL EXPERIMENTAL ORCHARDS ...Apricot, Irrigation, Irrigation-general, Trees, Yield, ...2.0099
- THE EFFECTS OF FLUORIDES IN AIR, WATER AND SOIL ON GROWTH, QUALITY AND YIELDS OF TREE, FIELD AND VEGETABLE CROPS ...Contamination, Pollution-water, Fluorine, Irrigation, Mineral Nutrition, Western, ...3.0088
- HORTICULTURAL CROP RESPONSE TO IRRIGATION PRACTICES ...Evaporation, Hawaii, Irrigation, Moisture Tension, ...2.0382
- TILLAGE STUDIES ...Groundwater Movement, Physical Properties -other, Plowing, Soil Depth, Tillage, Cropping Systems, ...4.0119
- SOIL MOISTURE AND FRUIT GROWTH IN RELATION TO WEATHER CHECKING OF MCINTOSH APPLES ...Apples, Moisture Content, Moisture Levels, Weather Checking, ...2.0789
- TREE NUTRITION AND FOREST FERTILIZATION ...Irrigation-general, New York, Site Index and Site Quality, Soils and Fertilizer, ...2.0788
- PHYSICAL AND CHEMICAL CHANGES IN WEATHERING COAL SPOILS-EFFECT ON WATER SUPPLY AND PLANT GROWTH ...Coal-general, Regeneration & Seed Production, Runoff, Soil and Rock Leaching, Spoil Banks, Spoil Banks, Strip Mine Soils, ...5.0903
- DIFFERENTIAL RESPONSE OF SORGHUMS TO DIFFERENCES IN CULTURE AND ENVIRONMENT ...Drought, Milo and Grain Sorghum, Modified Water Use, Moisture Deficiency, Rates Or Levels of Application, ...2.0578
- DRAINAGE REQUIREMENTS OF CROPS IN THE SOUTH ...Drainage, Southern, Water Table - Depth of, ...3.0197
- IMPROVEMENT AND MANAGEMENT OF SALINE AND SODIC SOILS OF THE NORTHERN PLAINS ...Saline and Alkaline Soils, Saline Soils, Soil - Alkaline, Soil Amendments, ...3.0385
- TOLERANCE AND PHYSIOLOGICAL REACTIONS OF PLANTS TO SALINITY AND RELATED FACTORS ...Modified Water Use, Saline Soils, Salinity, ...4.0040

Halophytic

- STUDIES OF PHOTOSYNTHETIC HALOPHILES FROM OWENS LAKE ...California, Exobiology, Ionic Effect, Playas, Temperature, ...6.0057
- ION TRANSPORT IN SOME HALOPHILIC ORGANISMS ...Active Transport, Ions (inorganic), Thermodynamics, ...3.0232
- SALINITY AND ION TRANSPORT MECHANISMS OF PLANT CELL MEMBRANES ...Absorption (non-specific), Ion Transport and Elect. pot., Plasma Membrane, Salinity, Salt, ...3.0044
- A COMPARATIVE STUDY OF SODIUM TRANSLOCATION IN PLANTS ...Ion Transport and Elect. pot., Sodium, Tobacco, Translocation, ...2.0110

- SALT TOLERANCE IN BLUE PANICGRASS, PANICUM AN-TIDOTALE ...Environment Effects on Genome, Panicum -other, Saline Soils, Selection & Breeding, ...3.0023

Longevity

- SURVIVAL OF INDICATOR ORGANISMS AND ENTERIC BACTERIA IN WATER ...Bacterial Pollutant Sources, Bioindicators, Dyes, Nutrients, Tennessee, ...5.1133
- TESTS OF DOUGLAS-FIR PLANTING STOCK FOR SURVIVAL UNDER DROUGHT STRESS ...Douglas Fir, Drought, Mycorrhiza, Physiology, Plant Chemistry, Site Index and Site Quality, ...2.0894

Maturity & Growth Stages

- WATER-SOIL-PLANT RELATIONS ...Drought, Growth Rate, Osmotic and Turgor Pressure, Soil-water-plant Relationships, Transpiration and Evap, ...1.0075
- LABORATORY STUDY OF AQUATIC ENVIRONMENTAL FACTORS AND PLANT GROWTH STAGES ON AQUATIC WEED GROWTH AND HERBICIDAL RESPONSE ...Environmental Effects, Herbicides -non-specific, Light -other, of Aquatic Plants, Water Temperature -other, ...3.0127
- RICE CULTURE ...Concentration Within Fertilize, Management, Methods of Application, Other, Rates Or Levels of Application, Rice, Varietal Evaluation, Yield, ...2.0570

Mechanical Harvest

- ORCHARD MANAGEMENT ...Evaporation, Irrigation, Trees, ...2.1118

Number

- PLANKTON STUDIES ...Chemical-general, Lakes, Plankton (non-specific), Water Level Fluctuation, ...4.0125
- OCCURRENCE OF PROSTHECATE BACTERIA IN A GRADIENT-POLLUTED RIVER ...Bact. morphology (other Specif), Bacterial Pollutant Sources, Classification Or Taxonomy, Freshwater Ecology, Streams, ...5.0571
- PLANT POPULATION EFFECTS ON THE EFFICIENT USE OF WATER ...Energy Budgets, Evapotranspiration, Modified Water Use, Requirements for Water, Soil-water-plant Relationships, ...3.0399
- MICROBIOLOGY OF SLUDGE - DNA ANALYSES AND N2 REMOVAL ...Activated, Denitrification, ...5.0694
- STUDY OF GROWING AREA STANDARD BY EXAMINING ENTEROPATHOGENS AND INDICATOR ...Bioindicators, Enteroviruses of Humans, Microbiological Analysis, Salmonella (non-specific & Ot), Sewage, ...5.1069

Perennial

- BIOLOGY AND CONSUMPTIVE WATER USE OF PERENNIAL RANGE PLANTS UNDER DESERT CONDITIONS ...Arid and Desert, Consumptive Use, Flood Irrigation, Management and Fertility, Phenology, Soil-water-plant Relationships, ...3.0231

Quality -non-specific

- THE USE OF WATER IN THE PRODUCTION OF HORTICULTURE CROPS ...Drought, Modified Water Use, Moisture Meters, Soil-water-plant Relationships, ...2.0695
- EFFECT OF WATER APPLICATIONS TO SOD AND MULCH UPON QUALITY ATTRIBUTES OF APPLE FRUITS ...Apples, Irrigation, Mulches -other, Sprinkler Irrigation, Storage Changes, Trees, ...2.0853
- CRITERIA FOR FUNCTIONAL ANALYSIS OF SOIL-PLANT-WATER SYSTEMS ...Applied Ecology, Management, Soil-water-plant Relationships, South Carolina, Yield, ...2.0952
- IRRIGATION OF FIELD AND TRUCK CROPS ...Aerial, Irrigation, Root, Yield, ...2.0091
- IMPROVEMENT OF HIGH ALTITUDE (7600) VEGETABLE CROPS ...Brassica -the Cabbage Group, Elevational Levels, Altitude, Irrigation, Irrigation-general, Lettuce, ...4.0055
- NUTRITIONAL AND SOIL MOISTURE REQUIREMENTS OF PEAR ORCHARDS OF SOUTHERN OREGON ...Oregon, Pears, Requirements for Water, Trees, Yield, ...2.0899
- FERTILIZER TREATMENTS AND CULTURAL PRACTICES ON VEGETABLES ...Aerial, Rates Or Levels of Application, Root, Texas, Yield, ...6.0553
- CULTURAL PRACTICES OF VEGETABLE CROPS ...Irrigation, Onion, Garlic, Shallot, Leeks, Umbelliferae, Yield, ...2.1049

SUBJECT INDEX

Plant Characteristics

THE EFFECTS OF IRRIGATION AND FERTILIZATION UPON A PONDEROSA PINE FOREST STAND ...Irrigation, Soil Fertility onon-specific, Soils and Fertilizer, Washington, ...2.1125

Size

IRRIGATION PRACTICES WITH RANGER PEACHES ...Fruit, Irrigation-general, Peaches, Yield, ...2.1053

Variation

FOREST AND BOG OF SOUTH COASTAL ALASKA - INTRA-TYPE VARIATION AND ASSOCIATED HABITAT FEATURES ...Alaska, Forests, Habitat Studies, Peat, Swamps-marshes, ...2.0023

MINERAL NUTRITION AND PLANT GENETIC VARIABILITY ...Growth Rate, Moisture Levels, Requirements for Water, Transpiration, Transpiration and Evap, ...2.1171

Vigor

VEGETATION AND SOIL RESPONSE TO SOIL SURFACE TREATMENTS ...Economic Efficiency, Erosion-general, Management and Fertility, Tillage, Cropping Systems, Utah, ...3.0476

Yield

RATE OF EVAPOTRANSPIRATION ...Drought, Energy Budgets, Evapotranspiration, Missouri, Precipitation-general, ...2.0692

METHODS FOR DETERMINING THE ECONOMIC PRODUCTIVITY OF IRRIGATION WATER FOR THE PRODUCTION OF SUGAR IN HAWAII ...Hawaii, Irrigation-general, Management, Sugar Cane, ...6.0171

EVALUATION AND FUNCTIONAL OPERATION OF IRRIGATION SYSTEMS ...Irrigation Engineering, Irrigation-general, Management, South Dakota, ...3.0433

SOYBEAN YIELD AND QUALITY AS AFFECTED BY CLIMATIC, CULTURAL AND SOIL FACTORS ...Alabama, Drought, Irrigation, Moisture Tension, Soybeans, ...3.0001

SOIL AND WATER CONSERVATION MANAGEMENT ...Conservation-general, Erosion-general, Soil Erosion -non-specific, Tillage, Cropping Systems, ...4.0150

EFFICIENT ESTABLISHMENT AND PRODUCTION OF FORAGE CROPS ON IRRIGATED LANDS ...Irrigation, Management, Saline and Alkaline Soils, Soil-water-plant Relationships, Space Competition, ...2.0733

SOIL-PLANT-WATER RELATIONSHIPS ...Irrigation-general, Soil - Crop Relationships, Soil Environment, Soil Morphology, Profiles, ...2.0790

THE EFFICIENCY OF WATER USE UNDER VARYING CONDITIONS OF PLANT WATER STRESS ...Drought, Moisture Deficiency, Soil-water-plant Relationships, ...2.0836

SOIL SURFACE MANAGEMENT PROCEDURES FOR SOIL AND WATER CONSERVATION ...Conservation, Conservation-general, Plant Residues, Humus, Compost, Tillage, Cropping Systems, ...2.0878

CRITERIA FOR FUNCTIONAL ANALYSIS OF SOIL-PLANT-WATER SYSTEMS ...Applied Ecology, Management, Quality - non-specific, Soil-water-plant Relationships, South Carolina, ...2.0952

MOISTURE USE CHARACTERISTICS OF CERTAIN CROP PLANTS ...Climate-general, Moisture Levels, Plant Water Use-other, Soil Fertility, Varietal Evaluation, ...2.0991

AGRICULTURAL UTILIZATION OF SOILS AFFECTED BY SALINITY ...Absorption, Fixation, Exchange, Brackish Water, Mineral Nutrition, Movement, Availability, Saline Soils, ...3.0237

SYSTEMATIC ANALYSIS OF THE MOISTURE-TEMPERATURE INTERACTIONS ON CORN YIELD ...Corn, Model Studies, Moisture Content, ...2.0442

ECONOMICS OF CLIMATE ...Applied Climatology, Economic Impact, Kansas, Risk & Uncertainty, Weather, ...2.0511

SOIL PHYSICAL CHANGES DUE TO MANAGEMENT PRACTICES ...Arizona, Management, Management Effects, Tillage, Cropping Systems, ...2.0050

IRRIGATION STUDIES WITH APRICOTS AT WOLFSKILL EXPERIMENTAL ORCHARDS ...Apricot, Growth Rate, Irrigation, Irrigation-general, Trees, ...2.0099

IRRIGATION OF FIELD AND TRUCK CROPS ...Aerial, Irrigation, Quality -non-specific, Root, ...2.0091

WATER AND SOIL TEMPERATURE IN RELATION TO PLANT GROWTH ...Irrigation, Low Temp. - But Above 32f, Soil-water-plant Relationships, Temperature, ...2.0089

THE EFFECT OF VARIOUS COMMERCIAL FERTILIZER PLACEMENTS AND IRRIGATION PRACTICES ON THE YIELD AND QUALITY OF RUSSET BURBANK POTATOES ...Band Width, Irrigation, Irrigation-general, Potatoes, Soil Temp. -non-specific, ...2.0228

ECONOMIC AND AGRONOMIC EVALUATION OF FERTILIZER RESPONSE OF FORAGE CROPS ...Bahia Grass, Dallisgrass, Bermuda Grass, Management, Moisture Levels, Soil Fertility, ...3.0190

THE RESPONSE OF PEANUTS TO SUPPLEMENTAL IRRIGATION ...Excessive Moisture, Irrigation, Moisture Content, Peanut, ...2.0364

PILOT EVAPOTRANSPIRATION STUDY WITH LYSIMETERS OF WATER USE BY SUGAR CANE, PINEAPPLE AND TROPICAL TRUCK CROPS ...Evapotranspiration, Lysimeters, Pineapple, Sugarcane, Tropic, ...2.0372

IRRIGATION INVESTIGATION IN IOWA ...Corn, Iowa, Irrigation-general, ...4.0105

STUDY OF ENGINEERING PRACTICES OF IRRIGATION IN KANSAS ...Irrigation Engineering, Irrigation-general, Kansas, Slopes, Terrace-bench, Tillage, Cropping Systems, ...8.0201

IRRIGATION ...Economics-general, Irrigation, Irrigation Engineering, Meteorological Extremes, Sprinkler Irrigation, ...2.0673

MAXIMUM PRODUCTION OF CROPS UNDER IRRIGATION IN WESTERN NEBRASKA ...Chemical Analysis - Soils, Irrigation, Moisture Content, Nebraska, Subsurface Irrigation, ...2.0727

IRRIGATION STUDIES WITH TOMATOES ...Irrigation, Moisture Levels, Tomatoes, ...2.0804

NUTRITIONAL AND SOIL MOISTURE REQUIREMENTS OF PEAR ORCHARDS OF SOUTHERN OREGON ...Oregon, Pears, Quality -non-specific, Requirements for Water, Trees, ...2.0899

STUDIES WITH BARBADOS OR WEST INDIAN CHERRY (MALPIGHIA PUNICIFOLIA, L.) ...Malpighiaceae, Puerto Rico, Shrubs, Vitamins, ...6.0482

DRAINAGE OF SUGARCANE LANDS IN THE HUMID SECTIONS OF PUERTO RICO ...Drainage, Humid, Puerto Rico, Sugar Cane, Water Table - Depth of, Water Table Fluctuation, ...2.0936

THE INFLUENCE OF WATER AND CLIMATE ON THE YIELD AND SUCROSE CONTENT OF SUGARCANE ...Applied Climatology, Irrigation-general, Microclimate-general, Puerto Rico, Sugar Cane, ...4.0211

IRRIGATION OF COTTON AND CORN. ...Corn, Cotton, Irrigation, Irrigation-general, Rates Or Levels of Application, ...2.0960

BREEDING AND CULTURAL PRACTICES TO AID PRODUCTION OF VEGETABLES IN SOUTH DAKOTA ...Irrigation, Low Temp. - But Above 32f, Mist Irrigation, South Dakota, ...3.0435

FERTILIZER TREATMENTS AND CULTURAL PRACTICES ON VEGETABLES ...Aerial, Quality -non-specific, Rates Or Levels of Application, Root, Texas, ...6.0553

THE EFFECT OF BENCH LEVELING AND CONTRIBUTING WATERSHED AREAS ON SOIL MOISTURE STORAGE AND CROP YIELDS IN THE ROLLING PLAINS ...Agricultural Watersheds, Clay, Conservation & Management Eng, Soil Management -other, Water Costs, ...3.0449

CULTURAL PRACTICES OF VEGETABLE CROPS ...Irrigation, Onion, Garlic, Shallot, Leeks, Quality -non-specific, Umbelliferae, ...2.1049

IRRIGATION PRACTICES WITH RANGER PEACHES ...Fruit, Irrigation-general, Peaches, Size, ...2.1053

EFFECTS OF NUTRITION, CULTURAL PRACTICES AND WEATHER ON THE GROWTH, DEVELOPMENT, YIELD AND QUALITY OF CORN ...Corn, Cultivation Methods, Ns, Management, ...3.0260

RICE CULTURE ...Concentration Within Fertilize, Management, Maturity & Growth Stages, Methods of Application, Other, Rates Or Levels of Application, Rice, Varietal Evaluation, ...2.0570

CULTURAL MANAGEMENT PRACTICES OF FORAGE CROPS FOR PASTURES HAY OR SILAGE ...Formulation, Irrigation, Quality and Utilization, Rates Or Levels of Application, ...3.0176

SALINE AND SODIC SOILS AND IRRIGATION WATER QUALITY PROBLEMS IN THE RIO GRANDE RIVER BASIN ...Irrigation-general, Management, Saline and Alkaline Soils, Saline Soils, Soil and Rock Leaching, Water Quality-general, ...3.0466

OPTIMUM PATTERNS OF DIVERSIFIED CROP PRODUCTION ON THE MOLOKAI DIVERSION PROJECT ...Economic Feasibility, Irrigation, Land Use, Water Costs, Water Demand, ...6.0173

Plant Developmental Biology

SUBJECT INDEX

Plant Developmental Biology

BIOLOGICAL ACTIVITIES OF MARINE FUNGI ...Endoparasites - other, Hostiparasite Interactions, Invertebrate Pathology, Marine Fungi (non-specific), Oysters, Pathological Physiology, ...5.0289

Plant Diseases

Blossom Drop

SOIL AND WATER RELATIONSHIPS OF VEGETABLE CROPS ...Drought, Evaporation, Requirements for Water, Soil-water-plant Relationships, Washington, ...2.1116

Blossom End Rot

INVESTIGATION OF BLOSSOM-END ROT OF PEAR TOMATOES ...Antitranspirants, Modified Water Use, Moisture Meters, Tomatoes, Water-borne, ...2.1044

Internal Necrosis

PRUNE ORCHARD MANAGEMENT ...Nitrogen, Plums, Rates Or Levels of Application, Trees, ...6.0611

Weather Checking

SOIL MOISTURE AND FRUIT GROWTH IN RELATION TO WEATHER CHECKING OF MCINTOSH APPLES ...Apples, Growth Rate, Moisture Content, Moisture Levels, ...2.0789

Plant Morphology Parameters

Epidermis

POTENTIAL USEFULNESS OF ANTITRANSPIRANTS FOR INCREASING WATER USE EFFICIENCY OF PLANTS ...Antitranspirants, Growth and Differentiation, Osmotic and Turgor Pressure, Photosynthesis, Temperature - Internal, ...3.0045

EVAPORATION MECHANISMS ...Atmosphere Disturbance-general, Boundary Process (moisture), Capillary Movement, Evaporation, Transpiration, Transpiration and Evap, ...2.1164

INFLUENCE OF PLANT AND ENVIRONMENTAL FACTORS ON PHOTOSYNTHESIS, STOMATAL APERTURE AND TRANSPIRATION ...Diffusion, Gases, Osmotic and Turgor Pressure, Photosynthesis, Transpiration and Evap, ...2.0501

Floral

ENVIRONMENTAL HISTORY OF THE GALAPAGOS ISLANDS ...Galapagos Islands, Lakes, Plant Succession, Plant Taxonomy, Productivity - Food Chain, ...2.0852

THE EFFECT OF BOLL MOISTURE STRESS ON DEVELOPMENT AND LINT QUALITY OF COTTON ...Climate-general, Cotton, Growth, Israel, Soil Environment, ...3.0236

Fruit

IRRIGATION PRACTICES WITH RANGER PEACHES ...Irrigation-general, Peaches, Size, Yield, ...2.1053

Leaves

THE RELATION OF ENVIRONMENT CONDITIONS TO THE WATER POTENTIAL OF PLANT LEAVES ...Evapotranspiration, Soil-water-plant Relationships, Translocation, Transpiration and Evap, ...2.1156

Roots

THE NATURE AND MAGNITUDE OF THE RESISTANCE TO FLOW OF WATER IN ROOTS ...Exudates, Gases, Osmotic and Turgor Pressure, Temperature, Transpiration and Evap, Water Movement, ...2.0245

DETERMINATION OF FACTORS AFFECTING THE COMPETITIVE ABILITY OF WEEDS IN SEM-ARID AREAS ...Growth Rate, Semi - Arid, Vasc. plant Competition -other, Weeds - physiological Studies, ...2.1016

EFFECTS OF TREE ROOTS ON HYDRAULIC CONDUCTIVITY AND POROSITY OF FOREST SOILS IN THE ALLEGHENY-CUMBERLAND PLATEAU ...Forests, Soil Compaction Or Density, Soil Environment, Soils and Fertilizer, Subsurface Flow, ...2.0855

Stems

Storage

WATERFOWL UTILIZATION OF SAGO PONDWEED (POTAMOGETON PECTINATUS) ON A SELECTED MARSH IN NORTHERN UTAH ...Food Supply, Mallard, Potamogeton, Ruppia, Zostera., Swamps-marshes, Utah, ...6.0588

Vascular

Xylem

INSTRUMENTATION FOR ENERGY BUDGET EVAPOTRANSPIRATION STUDIES ...Energy Budgets, Evapotranspiration, Soil-water-plant Relationships, Temperature - Internal, Translocation, ...7.0016

Plant Pathology

Environmental-disease Relation

MICROMETEOROLOGY OF SOYBEANS ...Evapotranspiration, Furrow Irrigation, Irrigation, Micrometeorology, Soybeans, ...2.0070

Host-parasite Interactions

BIOLOGICAL ACTIVITIES OF MARINE FUNGI ...Endoparasites - other, Invertebrate Pathology, Marine Fungi (non-specific), Oysters, Pathological Physiology, Plant Developmental Biology, ...5.0289

Method of Disease Transmission

Water-borne

INVESTIGATION OF BLOSSOM-END ROT OF PEAR TOMATOES ...Antitranspirants, Blossom End Rot, Modified Water Use, Moisture Meters, Tomatoes, ...2.1044

Nematodes

ROOT-KNOT NEMATODE CONTROL (MELOIDOGYNE NAASI-FRANKLIN) ...Animal Pollutant Sources, Formulation, rate, concentration, Nematocides -non-specific, Population Dynamics, Rhabditoidea, ...3.0042

Other Environmental Conditions

MOISTURE REQUIREMENTS OF DECIDUOUS ORCHARDS ...Cracking, Moisture Tension, Peaches, Plums, Trees, ...4.0030

RELATIONSHIP BETWEEN EXCESSIVE SOIL MOISTURE AND CITRUS ROOT DAMAGE ...Citrus, Drainage, Drainage Engineering, Excessive Moisture, Piezometry, ...2.0316

NORTHERN IDAHO ALFALFA PROBLEM ...Alfalfa, Idaho, Internal Water Movement, Soil Conditions, Soil-water-plant Relationships, ...2.0397

Plant Physiology

Absorption (incl. adsorption)

Absorption (non-specific)

SALINITY AND ION TRANSPORT MECHANISMS OF PLANT CELL MEMBRANES ...Halophytic, Ion Transport and Elect. pot., Plasma Membrane, Salinity, Salt, ...3.0044

INTERRELATIONS BETWEEN THE SUPPLY, UPTAKE, AND USE OF INORGANIC NUTRIENTS AND WATER ...Mineral Nutrition, Natural Variation of Water USE, Soil Conditions, Soil-water-plant Relationships, ...2.0143

Foliar Absorption

TRITIATED WATER STUDIES OF THE SIGNIFICANCE OF DEW AND VAPOR IN PLANT WATER ECONOMY ...Arid and Desert, Dew, Humidity, Hydrogen, Osmotic and Turgor Pressure, Thermodynamics, ...2.0112

FOLIAR PENETRATION OF CHEMICALS WHICH INCREASE DROUGHT AND SALT TOLERANCE ...Drought Resistance, Growth Retardation of Plants, Modified Water Use, Saline Soils, Surface Properties -other, ...3.0049

Root Absorption

THE LOSS OF ORGANIC AND INORGANIC MATERIALS FROM ABOVE-GROUND PLANT PARTS, WITH REFERENCE TO DECONTAMINATION OF PARTS UTILIZED FOR FOOD ...Adsorption & Interface, Atomic Bomb, Leaching-aerial, Radioactive, Fallout, ...5.0776

SUBJECT INDEX

Plant Physiology

THE DETERMINATION OF PLANT ROOTING AND WATER ABSORPTION PATTERNS WITH RADIOIODINE ...Absorption, Fixation, Exchange, Iodine, Montana, Requirements for Water, Soil Moisture -non-specific, ...2.0716

A WATER TRANSPORT IN THE SYSTEM, SOIL-PLANT-ATMOSPHERE ...Air - Water - Plant Relations, Evaporation, Soil-water-plant Relationships, Transpiration and Evap, ...2.0432

WATER-SOIL-PLANT RELATIONS ...Antitranspirants, Soil-water-plant Relationships, Translocation, Water Movement, ...2.0059

WATER-SOIL-PLANT RELATIONS ...Drought, Soil-water-plant Relationships, ...2.0211

WATER ABSORPTION BY ASPARAGUS ...Modified Water Use, Mulches -other, Soil-water-plant Relationships, Tillage, Cropping Systems, ...2.0252

STUDY OF ROOT DISTRIBUTION AND DENSITY OF VEGETABLE CROPS ...Absorption, Fixation, Exchange, Phosphorus Soil Morphology, Profiles, Soil Types, Water Loss-other, ...2.0583

WATER-SOIL-PLANT RELATIONS ...Antitranspirants, Drought, Osmotic and Turgor Pressure, Rhizosphere, Soil-water-plant Relationships, ...2.1077

ENVIRONMENTAL RADIATION STUDIES - EVALUATION OF FISSION PRODUCT DISTRIBUTION AND MOVEMENT IN TERRESTRIAL ENVIRONMENTS ...Absorption, Fixation, Exchange, Plants, Radioactive Contamination, Radioactivity-general, Soil Environment, ...1.0116

SOIL-MOISTURE-PLANT GROWTH RELATIONSHIPS ...Moisture Content, Moisture Retention, Moisture Tension, Radioisotopes, Soil-water-plant Relationships, Translocation, ...2.0438

UNDERSTANDING AND IMPROVING SOIL-PLANT-ATMOSPHERIC RELATIONSHIPS FOR MORE EFFICIENT UTILIZATION OF WATER ...Irrigation, Micrometeorology, Soil-water-plant Relationships, ...2.1057

MOVEMENT OF WATER AND AIR TO AND INTO PLANT ROOTS IN SOILS OF THE GREAT BASIN ...Air - Water - Plant Relations, Saline and Alkaline Soils, Soil Amendments, Soil Analysis, Soil-water-plant Relationships, ...2.0729

Cold Resistance and Hardiness

THE PHYSIOLOGICAL BASIS OF THE TOLERANCE OF HORTICULTURAL CROPS TO COLD, DROUGHT, AND WATER ...Drought, ...2.0500

PHYSIOLOGICAL STUDIES OF ALFALFA AS RELATED TO COLD AND HEAT TOLERANCE, DROUGHT RESISTANCE, AND FORAGE QUALITY AND YIELD ...Alfalfa, Blood Albumin, Drought, Respiration, ...2.0572

Dormancy (excl. respiration)

Plants

TOLERANCE OF CITRUS TO LOW TEMPERATURES ...Citrus, Cold, Low Temp. - But Above 32f, Trees, ...3.0184

Drought

EFFECT OF WATER AVAILABILITY ON PHOTOSYNTHESIS OF PLANTS ...Available Water, Corn, Irrigation-general, Moisture Content -plants, Photosynthesis, Soybean, ...2.0426

INFLUENCES OF MIST IRRIGATION ON MOISTURE STRESS, GROWTH, YIELD, AND QUALITY OF POTATOES AND OTHER VEGETABLE CROPS ...Irrigation, Mist Irrigation, Moisture Tension, Potatoes, ...2.0668

USE OF INFRARED AND OTHER RADIATION TECHNIQUES TO EVALUATE DROUGHT IN IOWA AND ADJACENT AREAS ...Infrared Radiation, Iowa, Photography-other, Spectral Reflectance, ...2.0483

SOYBEAN YIELD AND QUALITY AS AFFECTED BY CLIMATIC, CULTURAL AND SOIL FACTORS ...Alabama, Irrigation, Moisture Tension, Soybeans, Yield, ...3.0001

WATER-SOIL-PLANT RELATIONS ...Laboratory Analysis, Soil-water-plant Relationships, ...2.0088

WATER-SOIL-PLANT RELATIONS ...Root Absorption, Soil-water-plant Relationships, ...2.0211

SOIL-PLANT-WATER RELATIONSHIPS ...Evaporation, Growth Rate, New Jersey, Soil-water-plant Relationships, Water Loss Control, ...2.0758

DROUGHT INJURY AND RESISTANCE IN PLANTS ...Moisture Deficiency, ...2.0834

THE EFFICIENCY OF WATER USE UNDER VARYING CONDITIONS OF PLANT WATER STRESS ...Moisture Deficiency, Soil-water-plant Relationships, ...2.0836

WATER-SOIL PLANT RELATIONS ...Moisture Content, Moisture Tension, Soil-water-plant Relationships, Transpiration and Evap, ...2.0886

EFFECT OF MOISTURE STRESS ON RATES OF PHOTOSYNTHESIS ...Growth Rate, Photosynthesis, Pines, Respiration, ...2.0956

WATER-SOIL-PLANT RELATIONS ...Antitranspirants, Osmotic and Turgor Pressure, Rhizosphere, Root Absorption, Soil-water-plant Relationships, ...2.1077

THE PHYSIOLOGICAL BASIS OF THE TOLERANCE OF HORTICULTURAL CROPS TO COLD, DROUGHT, AND WATER ...Cold Resistance and Hardiness, ...2.0500

PHYSIOLOGICAL ADAPTATION OF PLANTS TO MOISTURE AND OSMOTIC STRESSES WITH RESPECT TO SALT ACCUMULATION ...Bioenergetics, Ionic Effect, Mineral Nutrition, Osmotic and Turgor Pressure, Respiration, ...3.0229

DROUGHT RESISTANCE IN BARLEY VARIETIES ...Moisture Deficiency, Photoperiod -non-specific, ...2.0449

TESTS OF DOUGLAS-FIR PLANTING STOCK FOR SURVIVAL UNDER DROUGHT STRESS ...Douglas Fir, Longevity, Mycorrhiza, Physiology, Plant Chemistry, Site Index and Site Quality, ...2.0894

SOIL AND WATER RELATIONSHIPS OF VEGETABLE CROPS ...Blossom Drop, Evaporation, Requirements for Water, Soil-water-plant Relationships, Washington, ...2.1116

PHYSIOLOGY OF MINERAL ACCUMULATION IN PLANTS ...Adhesion, Calcium, Corn, Mineral Nutrition, Nutrition, ...2.0107

DIFFERENTIAL RESPONSE OF SORGHUMS TO DIFFERENCES IN CULTURE AND ENVIRONMENT ...Growth Rate, Milo and Grain Sorghum, Modified Water Use, Moisture Deficiency, Rates Or Levels of Application, ...2.0578

PHYSIOLOGICAL STUDIES OF ALFALFA AS RELATED TO COLD AND HEAT TOLERANCE, DROUGHT RESISTANCE, AND FORAGE QUALITY AND YIELD ...Alfalfa, Blood Albumin, Cold Resistance and Hardiness, Respiration, ...2.0572

Envir. responses (non-specific)

CLIMATE OF THE NORTHEAST - ANALYSES & RELATIONSHIP TO PLANT RESPONSE (NE-35 ...Aerial, Beans (garden), Climate-general, Delaware, General Synoptic Observations, ...2.0251

SURFACE AND SUBSURFACE DRAINAGE FOR SLOWLY PERMEABLE SOILS ...Drainage, Drainage Engineering, Soil Moisture -non-specific, Soil-water-plant Relationships, ...4.0192

EFFECTS OF FERTILIZER AND SOIL MANAGEMENT PRACTICES, IRRIGATION, PLANT SPACING, AND OTHER CULTURAL TREATMENTS ON BERRY PRODUCTION ...Irrigation, Irrigation-general, Management, Mineral Nutrition, Shrubs, Vines, ...3.0259

Growth

LETTUCE PHYSIOLOGY ...Fertilizer Types -other, Irrigation, Moisture Content, Moisture Levels, ...2.0032

GROWTH AND DEVELOPMENT OF NATIVE HARDWOODS AND PINE ...Available Water, Pines, Soil Environment, Soil Types, Soils and Fertilizer, ...2.0430

THE EFFECT OF BOLL MOISTURE STRESS ON DEVELOPMENT AND LINT QUALITY OF COTTON ...Climate-general, Cotton, Floral, Israel, Soil Environment, ...3.0236

Growth and Differentiation

POTENTIAL USEFULNESS OF ANTITRANSPIRANTS FOR INCREASING WATER USE EFFICIENCY OF PLANTS ...Antitranspirants, Epidermis, Osmotic and Turgor Pressure, Photosynthesis, Temperature - Intc ...3.0045

Metabolism

Enzymes

THE PHYSIOLOGICAL BASIS OF THE TOLERANCE OF HORTICULTURAL CROPS TO COLD, DROUGHT, AND WATER ...Cold Resistance and Hardiness, Drought, ...2.0500

Herbicides and Other Chem

A STUDY OF THE PHYSIOLOGIC AND CULTURAL FACTORS WHICH INFLUENCE PRODUCTION OF TREE FRUITS ...Drought, Irrigation, Irrigation-general, Trees, ...2.0074

Ion Transport and Elect. pot.

- SALINITY AND ION TRANSPORT MECHANISMS OF PLANT CELL MEMBRANES ...Absorption (non-specific), Halophytic, Plasma Membrane, Salinity, Salt, ...3.0044
- A COMPARATIVE STUDY OF SODIUM TRANSLOCATION IN PLANTS ...Sodium, Tobacco, Translocation, ...2.0110
- TOXICITIES OF CATIONS VS. ANIONS ACCUMULATED FROM SALINE SOILS ...Saline Properties, Saline Soils, Soil Chemical Properties, ...5.0136
- RELATION OF SALINITY TO STATE AND TRANSPORT OF WATER AND IONS IN SOIL AND PLANTS ...Internal Water Movement, Natural Variation of Water USE, Salinity, Soil Environment, Soil-water-plant Relationships, ...3.0085

Mineral Composition

- ECOLOGICAL PERIODICITIES OF NITROGEN AND PHOSPHORUS IN SALT MARSH FLORA AND SURROUNDING WATERS ...Swamps-marshes, ...6.0118

Mineral Nutrition

- PHOSPHATE TRANSFORMATION IN WATERLOGGED SOILS ...Phosphate, Phosphite, Rice, Soil-water-plant Relationships, ...4.0124
- FACTORS AFFECTING THE QUALITY OF ARIZONA MELONS ...Cantalope, Muskmelon, Honeydew, Irrigation, Moisture Levels, Nitrogen, Vines, ...2.0031
- FACTORS AFFECTING PRODUCTION OF PECANS IN ARIZONA ...Irrigation, Irrigation-general, Moisture Content, Pecans, Hickory Nuts, Saline Properties, Saline Soils, ...2.0046
- INTERACTION OF TEMPERATURE WITH OTHER FACTORS ON THE RESPONSE OF CANADA THISTLE TO HERBICIDES ...Herbicides -non-specific, Mode of Action -plant, Modified Water Use, Soil Moisture -non-specific, Temperature Levels Or Ranges, ...2.0395
- RELATION OF SOIL FERTILITY TO THE EXCHANGE COMPLEX ...Drainage, Fertilizer Losses, Missouri, Soil Environment, Soil pH, ...5.0678
- THE ECOLOGY OF SELECTED SUBMERSED AQUATIC WEEDS ...Elodea, Waterweed, Thalassia, of Aquatic Plants, Potamogeton, Ruppia, Zostera, Submerged Plants, Water Milfoil, Waterweed, ...2.0764
- AGRICULTURAL UTILIZATION OF SOILS AFFECTED BY SALINITY ...Absorption, Fixation, Exchange, Brackish Water, Movement, Availability, Saline Soils, Yield, ...3.0237
- PHYSIOLOGICAL ADAPTATION OF PLANTS TO MOISTURE AND OSMOTIC STRESSES WITH RESPECT TO SALT ACCUMULATION ...Bioenergetics, Drought, Ionic Effect, Osmotic and Turgor Pressure, Respiration, ...3.0229
- THE EFFECTS OF FLUORIDES IN AIR, WATER AND SOIL ON GROWTH, QUALITY AND YIELDS OF TREE, FIELD AND VEGETABLE CROPS ...Contamination, Pollution-water, Fluorine, Growth Rate, Irrigation, Western, ...3.0088
- INTERRELATIONS BETWEEN THE SUPPLY, UPTAKE, AND USE OF INORGANIC NUTRIENTS AND WATER ...Absorption (non-specific), Natural Variation of Water USE, Soil Conditions, Soil-water-plant Relationships, ...2.0143
- PHYSIOLOGY OF MINERAL ACCUMULATION IN PLANTS ...Adhesion, Calcium, Corn, Drought, Nutrition, ...2.0107
- NUTRITION OF WATER WEEDS ...of Aquatic Plants, Reservoirs and Impoundments, Water Quality Control-general, ...5.0023
- EFFECTS OF NUTRITION, CULTURAL PRACTICES AND WEATHER ON THE GROWTH, DEVELOPMENT, YIELD AND QUALITY OF CORN ...Corn, Cultivation Methods, Ns, Management, Yield, ...3.0260
- EFFECTS OF FERTILIZER AND SOIL MANAGEMENT PRACTICES, IRRIGATION, PLANT SPACING, AND OTHER CULTURAL TREATMENTS ON BERRY PRODUCTION ...Envir. responses (non-specific, Irrigation, Irrigation-general, Management, Shrubs, Vines, ...3.0259

Nitrogen Fixation

- BIOLOGICAL FIXATION AND TRANSFORMATION OF NITROGEN IN SMALL IMPOUNDMENTS ...Ions and Gases, Nitrogen, Radioisotopes, Reservoirs and Impoundments, ...2.0881
- BIOLOGICAL NITROGEN FIXATION IN LAKES ...Acetylene, Ethylene, Gas, Lakes, Mobile, Nitrogen, ...5.1299

Osmotic and Turgor Pressure

- THE NATURE AND MAGNITUDE OF THE RESISTANCE TO FLOW OF WATER IN ROOTS ...Exudates, Gases, Roots, Temperature, Transpiration and Evap, Water Movement, ...2.0245

- POTENTIAL USEFULNESS OF ANTITRANSPIRANTS FOR INCREASING WATER USE EFFICIENCY OF PLANTS ...Antitranspirants, Epidermis, Growth and Differentiation, Photosynthesis, Temperature - Internal, ...3.0045
- THE WATER RELATIONS OF DESERT PLANTS ...Arid and Desert, Phenology, Plant Water Use-other, Seasonal, Xeric, ...2.0737
- WATER-SOIL-PLANT RELATIONS ...Drought, Root Absorption, Soil-water-plant Relationships, ...2.0211
- INFLUENCE OF SPECIFIC IONS ON GROWTH PATTERN OF PLANTS ...Growth Rate, Requirements for Water, Transpiration and Evap, ...2.0708
- WATER-SOIL-PLANT RELATIONS ...Drought, Growth Rate, Maturity & Growth Stages, Soil-water-plant Relationships, Transpiration and Evap, ...1.0075
- DROUGHT INJURY AND RESISTANCE IN PLANTS ...Drought, ...2.0857
- WATER-SOIL-PLANT RELATIONS ...Antitranspirants, Drought, Rhizosphere, Root Absorption, Soil-water-plant Relationships, ...2.1077
- COMBINED INFLUENCE OF ATMOSPHERIC DESICCATION AND SOIL WATER POTENTIAL ON THE IRRIGATION NEED AND WATER POTENTIAL OF PLANTS ...Energy-general, Evapotranspiration, Irrigation-general, Moisture Tension, ...2.1078
- THEORETICAL AND EXPERIMENTAL INVESTIGATIONS OF THE MECHANISM OF FLOW OF WATER AND SOLUTES IN PLANT ROOTS ...Ionic Effect, Pressure & Mech Stress, Thermodynamics, Ultrafiltration, Water Movement, ...2.0497
- INFLUENCE OF PLANT AND ENVIRONMENTAL FACTORS ON PHOTOSYNTHESIS, STOMATAL APERTURE AND TRANSPIRATION ...Diffusion, Epidermis, Gases, Photosynthesis, Transpiration and Evap, ...2.0501
- PHYSIOLOGICAL ADAPTATION OF PLANTS TO MOISTURE AND OSMOTIC STRESSES WITH RESPECT TO SALT ACCUMULATION ...Bioenergetics, Drought, Ionic Effect, Mineral Nutrition, Respiration, ...3.0229
- TRITIATED WATER STUDIES OF THE SIGNIFICANCE OF DEW AND VAPOR IN PLANT WATER ECONOMY ...Arid and Desert, Dew, Foliar Absorption, Humidity, Hydrogen, Thermodynamics, ...2.0112
- THE EFFECTS OF PLANT TRANSPIRATION RETARDANTS ON TRANSPIRATION, LEAF TEMPERATURE, STOMATAL BEHAVIOUR AND OSMOTIC PRESSURE ...Anti-transpirants, Modified Water Use, Temperature - Internal, Transpiration, Transpiration and Evap, ...2.0403
- Photosynthesis**
- MEASURING EVAPOTRANSPIRATION AND PHOTOSYNTHESIS OVER SHORT PERIODS OF TIME IN THE FIELD ...Alfalfa, Evapotranspiration, Humidity, Lysimeters, Wind Or Air Movement, ...2.0725
- PHOTOSYNTHETIC REAERATION IN THE UPPER PASSAIC RIVER ...Aeration, Chemical Oxygen Demand, New Jersey, Self-purification, Streams, ...5.0733
- POTENTIAL USEFULNESS OF ANTITRANSPIRANTS FOR INCREASING WATER USE EFFICIENCY OF PLANTS ...Antitranspirants, Epidermis, Growth and Differentiation, Osmotic and Turgor Pressure, Temperature - Internal, ...3.0045
- EFFECT OF WATER AVAILABILITY ON PHOTOSYNTHESIS OF PLANTS ...Available Water, Corn, Drought, Irrigation-general, Moisture Content -plants, Soybean, ...2.0426
- USE OF REACTOR COOLING WATER FROM NUCLEAR POWER PLANTS FOR IRRIGATION OF AGRICULTURAL CROPS ...Atomic Plants, High Temp. - 85f Or Above, Irrigation-general, Respiration, Transpiration and Evap, ...3.0400
- HYDROBIOLOGY OF THE MADISON RIVER AND ITS HEADWATERS ...Aquatic Plants (non-specific), Montana, Organic-general, Physiological Ecology, Respiration, ...5.0697
- EFFECT OF MOISTURE STRESS ON RATES OF PHOTOSYNTHESIS ...Drought, Growth Rate, Pines, Respiration, ...2.0956
- INFLUENCE OF PLANT AND ENVIRONMENTAL FACTORS ON PHOTOSYNTHESIS, STOMATAL APERTURE AND TRANSPIRATION ...Diffusion, Epidermis, Gases, Osmotic and Turgor Pressure, Transpiration and Evap, ...2.0501
- STREAM REAERATION ...Aeration, Morphology-general, Organic-general, Oxygen, Streams, ...5.0905
- FACTORS INFLUENCING PLANT TRANSPIRATION IN THE SOUTH ...Humidity, Light Quality -non-specific, Light Quantity -non-specific, Temperature -non-specific, Transpiration, ...2.0684

SUBJECT INDEX

Plant Process

Respiration

- RESPIRATION OF AQUATIC MACROPHYTES IN EUTROPHIC SYSTEMS ...Environmental Effects-ecologic, Eutrophication, Nutrients, of Aquatic Plants, Plant Pollutants, ...5.1041
- USE OF REACTOR COOLING WATER FROM NUCLEAR POWER PLANTS FOR IRRIGATION OF AGRICULTURAL CROPS ...Atomic Plants, High Temp. - 85f Or Above, Irrigation-general, Photosynthesis, Transpiration and Evap, ...3.0400
- HYDROBIOLOGY OF THE MADISON RIVER AND ITS HEAD-WATERS ...Aquatic Plants (non-specific), Montana, Organic-general, Photosynthesis, Physiological Ecology, ...5.0697
- EFFECT OF MOISTURE STRESS ON RATES OF PHOTOSYNTHESIS ...Drought, Growth Rate, Photosynthesis, Pines, ...2.0956

Temperature - Internal

- POTENTIAL USEFULNESS OF ANTITRANSPIRANTS FOR INCREASING WATER USE EFFICIENCY OF PLANTS ...Antitranspirants, Epidermis, Growth and Differentiation, Osmotic and Turgor Pressure, Photosynthesis, ...3.0045
- THE EFFECTS OF PLANT TRANSPIRATION RETARDANTS ON TRANSPIRATION, LEAF TEMPERATURE, STOMATAL BEHAVIOUS AND OSMOTIC PRESSURE ...Anti-transpirants, Modified Water Use, Osmotic and Turgor Pressure, Transpiration, Transpiration and Evap, ...2.0403
- INSTRUMENTATION FOR ENERGY BUDGET EVAPOTRANSPIRATION STUDIES ...Energy Budgets, Evapotranspiration, Soil-water-plant Relationships, Translocation, Xylem, ...7.0016

Translocation

- EXPANDED AQUATIC PLANT CONTROL PROJECT ...Amaranthaceae -alligatorweed., of Aquatic Plants, Submerged Plants, 2,4-d, ...6.0248
- A COMPARATIVE STUDY OF SODIUM TRANSLOCATION IN PLANTS ...Ion Transport and Elect. pot., Sodium, Tobacco, ...2.0110
- PHYSICAL, METEOROLOGICAL, AND HYDROLOGIC ASPECTS OF EVAPOTRANSPIRATION ...Evapotranspiration, Meteorological Studies-general, Soil-water-plant Relationships, Water Balance-budget, Water Yield, ...2.0951
- INTERNAL WATER STATUS OF PLANTS ...Dielectric Parameters, Instrumental Services, Plant Water Use-other, Refractometry, Technique Development, ...2.0722
- WATER-SOIL-PLANT RELATIONS ...Antitranspirants, Root Absorption, Soil-water-plant Relationships, Water Movement, ...2.0059
- WATER-SOIL-PLANT RELATIONS ...Drought, Laboratory Analysis, Soil-water-plant Relationships, ...2.0088
- INJURY AND RESISTANCE IN PLANTS ...Corn, Drought, Moisture Deficiency, Soybean, ...2.0487
- THE RELATION OF ENVIRONMENT CONDITIONS TO THE WATER POTENTIAL OF PLANT LEAVES ...Evapotranspiration, Leaves, Soil-water-plant Relationships, Transpiration and Evap, ...2.1156
- INCREASING CHAPARRAL WATERSHED YIELD THROUGH IMPROVED USE OF PHENOXY-TYPE HERBICIDES ...Environmental Effects, Herbicides -non-specific, Moisture Tension, Temperature, Water Yield, Watersheds-other, ...3.0089
- INSTRUMENTATION FOR ENERGY BUDGET EVAPOTRANSPIRATION STUDIES ...Energy Budgets, Evapotranspiration, Soil-water-plant Relationships, Temperature - Internal, Xylem, ...7.0016
- SOIL-MOISTURE-PLANT GROWTH RELATIONSHIPS ...Moisture Content, Moisture Retention, Moisture Tension, Radioisotopes, Root Absorption, Soil water-plant Relationships, ...2.0438

Transpiration and Evap

- HEAT BUDGET AND EVAPOTRANSPIRATION OF FRUIT TREES ...Energy Budgets, Evapotranspiration, Temperature Or Heat Budgets, Trees, Water Balance-budget, ...2.0311
- THE NATURE AND MAGNITUDE OF THE RESISTANCE TO FLOW OF WATER IN ROOTS ...Exudates, Gases, Osmotic and Turgor Pressure, Roots, Temperature, Water Movement, ...2.0245
- USE OF WATER BY LOWLAND VEGATATION IN NEW JERSEY COASTAL PINE REGION ...Consumptive Use, Evapotranspiration, New Jersey, Plant Water Use-other, Water Yield, ...2.0759
- PHYSIOLOGICAL CHANGES IN PLANTS PRODUCED BY SALINE SOLUTIONS ...Beans (garden), Brackish Water, Humidity, Repression, Water Movement, ...2.0061

A WATER TRANSPORT IN THE SYSTEM, SOIL-PLANT-ATMOSPHERE ...Air - Water - Plant Relations, Evaporation, Root Absorption, Soil-water-plant Relationships, ...2.0432

USE OF REACTOR COOLING WATER FROM NUCLEAR POWER PLANTS FOR IRRIGATION OF AGRICULTURAL CROPS ...Atomic Plants, High Temp. - 85f Or Above, Irrigation-general, Photosynthesis, Respiration, ...3.0400

INFLUENCE OF SPECIFIC IONS ON GROWTH PATTERN OF PLANTS ...Growth Rate, Osmotic and Turgor Pressure, Requirements for Water, ...2.0708

WATER-SOIL-PLANT RELATIONS ...Drought, Growth Rate, Maturity & Growth Stages, Osmotic and Turgor Pressure, Soil-water-plant Relationships, ...1.0075

WATER-SOIL PLANT RELATIONS ...Drought, Moisture Content, Moisture Tension, Soil-water-plant Relationships, ...2.0886

THE RELATION OF ENVIRONMENT CONDITIONS TO THE WATER POTENTIAL OF PLANT LEAVES ...Evapotranspiration, Leaves, Soil-water-plant Relationships, Translocation, ...2.1156

EVAPORATION MECHANISMS ...Atmosphere Disturbance-general, Boundary Process (moisture), Capillary Movement, Epidermis, Evaporation, Transpiration, ...2.1164

CLIMATE RELATED TO PLANT RESPONSE IN THE MATANUSKA VALLEY ...Alaska, Direction, Evaporation, General Synoptic Observations, Sunshine, Velocity, ...2.0029

INFLUENCE OF PLANT AND ENVIRONMENTAL FACTORS ON PHOTOSYNTHESIS, STOMATAL APERTURE AND TRANSPIRATION ...Diffusion, Epidermis, Gases, Osmotic and Turgor Pressure, Photosynthesis, ...2.0501

MINERAL NUTRITION AND PLANT GENETIC VARIABILITY ...Growth Rate, Moisture Levels, Requirements for Water, Transpiration, Variation, ...2.1171

EFFECT OF SOIL MOISTURE AND POTASSIUM FERTILIZATION ON THE TRANSPIRATION RATE OF SOYBEANS (GLYCINE MAX) ...Growth Rate, Moisture Levels, Potassium, Soybean, Transpiration, ...2.0404

THE EFFECTS OF PLANT TRANSPIRATION RETARDANTS ON TRANSPIRATION, LEAF TEMPERATURE, STOMATAL BEHAVIOUS AND OSMOTIC PRESSURE ...Anti-transpirants, Modified Water Use, Osmotic and Turgor Pressure, Temperature - Internal, Transpiration, ...2.0403

SEASONAL WATER USE BY FOREST VEGETATION ...Conservation-general, Environment, Forest Watersheds, Seasonal, Water Quality Control-general, ...2.0893

PHYSICAL, METEOROLOGICAL, AND HYDROLOGIC ASPECTS OF EVAPOTRANSPIRATION ...Biophysics & Molec. biology, Evapotranspiration, Forest Watersheds, Southeast, Water Yield, ...2.0953

CONTROL OF EVAPORATION AND TRANSPIRATION THROUGH SOIL, PLANT AND AIR - WATER INTERFACE MODIFICATIONS ...Anti-transpirants, Evaporation, Modified Water Use, Transpiration Water Loss Control, ...2.1040

THE ENERGY BUDGET AT THE EARTHS SURFACE ...Energy Budgets, Heat Exchange, Humidity, Moisture Content, Water Balance-budget, Wind Tunnels, ...2.0808

Plant Phys.(non-specific & Ot)

PHYSIOLOGICAL FACTORS IN WATER NEEDS AND USE OF CROPS ...Irrigation, Moisture Content, Moisture Levels, Soil - Crop Relationships, Soil-water-plant Relationships, ...2.0072

Reproductive Physiology

Angiosperms

ECESIS AND STABILIZATION OF PRICKYPEAR (OPUNTIA SPP.) ON THE RIO GRANDE PLAINS ...Arid and Desert, Cacti, Habitat Studies, of Specific Weeds, Range Or Territorial Distr., ...6.0564

Plant Process

Batch

AN EVAPORATIVE FREEZING PROCESS FOR DESALTING WATER ...Desalination, Evaporation, Freezing, Pilot Plant, ...3.0163

Continuous

PURIFICATION OF LOW QUALITY WATERS BY FOAM SEPARATION ...Bacteria, Color, Flotation, Foam, Turbidity, ...5.0742

Plant Process

AIR OXIDATION OF ORGANIC COMPOUNDS IN AQUEOUS SYSTEMS ...Aeration, Chemical Treatment, Mass Transfer, Organics, Wet Oxidation, ...1.6023

Plant Resistance to

Cold

TOLERANCE OF CITRUS TO LOW TEMPERATURES ...Citrus, Low Temp. - But Above 32f, Plants, Trees, ...3.0184

Cracking

MOISTURE REQUIREMENTS OF DECIDUOUS ORCHARDS ...Moisture Tension, Other Environmental Conditions, Peaches, Plums, Trees, ...4.0030

Drought Resistance

WATER USE EFFICIENCY OF FORAGE CROPS ...Breeding, Drought, ...2.0055

DROUGHT RESISTANCE IN BARLEY VARIETIES ...Drought, Moisture Deficiency, Photoperiod -non-specific, ...2.0449

FOLIAR PENETRATION OF CHEMICALS WHICH INCREASE DROUGHT AND SALT TOLERANCE ...Foliar Absorption, Growth Retardation of Plants, Modified Water Use, Saline Soils, Surface Properties -other, ...3.0049

Heat Resistance

THERMAL DESTRUCTION OF TYPE E CLOSTRIDIUM BOTULINUM ...Cell Injury and Autolysis, Clostridium Botulinum, Microbiological, Spore Studies, Toxicological and Allergy, ...5.0233

Soils

TOLERANCE OF CITRUS TO SALINITY AND BORON IN THE SOIL AND IRRIGATION WATER ...Boron, Citrus, Saline Soils, ...3.0186

Storage Changes

EFFECT OF WATER APPLICATIONS TO SOD AND MULCH UPON QUALITY ATTRIBUTES OF APPLE FRUITS ...Apples, Irrigation, Mulches -other, Quality -non-specific, Sprinkler Irrigation, Trees, ...2.0853

Plant Taxonomy

ENVIRONMENTAL HISTORY OF THE GALAPAGOS ISLANDS ...Floral, Galapagos Islands, Lakes, Plant Succession, Productivity - Food Chain, ...2.0852

SYSTEMATIC AND BIOGEOGRAPHIC STUDIES OF AQUATIC AND SEMI-AQUATIC ORGANISMS IN NORTHERN MEXICO ...Animal Taxonomy, Aquatic Ecology, Habitat Studies, Mexico, ...2.0038

THE AQUATIC PLANT RESOURCES OF WESTERN MONTANA ...Aquatic Plants (non-specific), Collections, Montana, Publications -other, ...2.0717

INVASION OF THE AQUATIC HABITAT BY AMPHIBIOUS SPECIES OF POLYGONUM ...Amphibious Plants, Clones, Habitat Studies, of Aquatic Plants, Polygonaceae, ...2.1105

TAXONOMY AND ECOLOGY OF INSHORE MARINE MICROBIOTA ...Algae- General, Animal Taxonomy, Aquatic Ecology, Protozoa -other, Range Or Territorial Distr. , ...7.0024

A DETAILED STUDY OF LAKE MICHIGAN PLANKTON DIATOMS ...Lake Michigan, Phytoplankton, Planktonic - Floating, Range Or Territorial Distr. , ...5.0554

THE FRESHWATER ALGAE OF SOUTH CAROLINA - FLORISTICS AND ECOLOGY ...Algae- General, Freshwater Ecology, South Carolina, Streams, ...6.0487

ECOLOGY OF YEASTS IN LAKE CHAMPLAIN ...Lakes, Millipore, New York, Yeast N S, ...6.0395

ALGAE IN ILLINOIS WATERS ...Algae- General, Illinois, Water Sampling, ...6.0184

COMPARATIVE BIOCHEMICAL AND MORPHOLOGICAL CHARACTERISTICS OF MARINE FUNGI FROM SHELLFISH ...Endoparasites -other, Fungal Culture, Histochemistry - Cytochem, Histology and Cytology, Marine Fungi (non-specific), ...6.0265

ISOLATION AND TAXONOMY OF YEASTS IN LAKES AND SEWAGE ...Bioindicators, Contamination, Pollution-water, Streams, Yeast N S, ...5.0339

SUBJECT INDEX

Plastics

Cellulosics

MEMBRANES FOR REVERSE OSMOSIS DESALINATION BY DIRECT CASTING ON POROUS SUPPORTS ...Cost Analysis, Film, Natural Occurring, Reverse Osmosis, Saline Conversion, ...3.0309

RESEARCH AND DEVELOPMENT OF ULTRATHIN FILM MEMBRANES FOR REVERSE OSMOSIS DESALINATION ...Brackish Water, Desalination, Dimensions, Expansion, Membranes-other, Reverse Osmosis, ...3.0298

PREPARATION OF REVERSE OSMOSIS MEMBRANES BY SURFACE MODIFICATION OF CELLULOSE AND RELATED MATERIALS ...Desalination, Film, Membranes-other, Morphology-other, Reverse Osmosis, ...3.0212

RESEARCH ON IMPROVED REVERSE OSMOSIS MEMBRANES ...Crosslinked, Membranes-other, Polyvinyl Pyrrolidone, Porosity, Reverse Osmosis, Saline Conversion, ...3.0096

STUDY OF REJECTION OF VARIOUS SOLUTES BY REVERSE OSMOSIS MEMBRANES ...Ion Selective, Removal-inorganics, Removal-organics, Reverse Osmosis, Saline Conversion, ...3.0097

DEVELOPMENT OF A WATER DESALINATION SYSTEM BASED ON HOLLOW FINE FIBER MEMBRANES ...Desalination, Fiber, Filament, Whisker, Membranes-other, Pilot Plant, Reverse Osmosis, ...3.0274

STRUCTURE AND MECHANICAL BEHAVIOR OF POLYMERIC MEMBRANES ...Cellulose Acetate, Mechanical Properties-general, Morphology-other, Reverse Osmosis, Structure-materials-general, ...8.0269

Elastomers Rubber

DEMONSTRATION UNDERWATER FACILITY - STORM OVERFLOW ...Combined Sewer, Polyamides, Pressure Ussel Materials, Storage-retention-facilities, Storm Water, ...5.0246

USE OF LATEX AS A SOIL SEALANT TO CONTROL ACID MINE WASTE DRAINAGE ...Acidity, Lining, Linings-pavings, Mine Drainage Control, Sealant Materials, Seepage, ...5.0996

FARM CONVEYANCE AND WATER APPLICATION ...Irrigation Engine ring, Irrigation-general, Plastics - General, Water Transfer, ...3.0473

INVESTIGATION OF WATERSTOPS FOR CONSTRUCTION JOINTS ...Cement, Concrete, Joints, Plastics - General, Sealing, Water, ...8.0229

NEW ROOFING SYSTEMS ...Domestic Structural, Roofs, Standards, Specifications, Weathering, ...8.0078

SCREENING TESTS ON NEW ASPHALTIC, PLASTIC, AND RUBBER PRODUCTS ...Bituminous, Standards, Specifications, Test Methods, ...8.0079

MEMBRANE LININGS-OPEN AND CLOSED CONDUIT RESEARCH PROGRAM ...Bituminous, Lining, Open Channel, Polyethylene, Polyvinyl Chloride, ...8.0051

INVESTIGATION OF GROOVE AND CRACK SEALING MATERIALS ...Bituminous, Canals, Cement, Concrete, Linings-pavings, Polyethylene, Sealant Materials, ...8.0076

Epoxies

ADHESIVE PROTECTION FOR CONCRETE ...California, Cavitation, Cement, Concrete, Coatings-general, Erosion, ...8.0015

EPOXY RESINS FOR CIVIL WORKS PROJECTS ...Concrete-other, Construction-other, Fracture Mechanics, Maintenance, Repairing, ...8.0248

PAINT TESTS ...Paint - General, Polyvinyls-other, Primers, Urethanes, ...8.0173

DEVELOPMENT OF THREE-DIMENSIONAL PHOTOELASTIC TECHNIQUES ...Optical, Photoelasticity, ...8.0109

Halocarbon Plastics

Fluoro Plastics

RESEARCH ON HIGH-EFFICIENCY COMBINED EVAPORATIVE AND CONDENSATIVE HEAT TRANSFER SYSTEM ...Condensation, Heat Transfer, Heat Transfer Coefficients, Other, Tension, Titanium, ...3.0266

Plastics - General

A STUDY OF THE BENEFITS OF PLASTIC MATERIALS IN DESALINATION PLANTS ...Desalination, Distillation-other, Electrodialysis, Freezing, Reverse Osmosis, ...3.0153

SUBJECT INDEX

Pollutant Identification

INVESTIGATION OF THE USE OF LOW-COST PLASTIC FILMS FOR SOLAR STILL CONSTRUCTION ...Costs, Distilling Units, Film, Glass, Structural, Weathering, ...3.0391

POLYMERIC COATINGS FOR PROTECTION ON CONCRETE EXPOSED TO AQUEOUS SALINE ENVIRONMENTS ...Adhesion, Cement, Concrete, Depolymerization, Organic-general, Salinity, Water, ...3.0405

DEVELOPMENT OF DIRECT CONTACT CONDENSATION MULTISTAGE FLASH (DCC-MSF) DISTILLATION PROCESS ...Brines, Condensation, Desalination, Film, Flash Distillation, Heat Transfer, ...3.0040

DRAINAGE DESIGNS AS INFLUENCED BY CONDITIONS IN THE VICINITY OF THE DRAIN LINE ...Drainage Systems, Erosion Control, Pipe, Tube, Pipes, Seepage, ...8.0010

IMPROVEMENTS TO THE BOROUGH OF NEW PROVIDENCE SEWAGE PUMPING STATION AND TREATMENT FACILITIES ...Chlorination, Pilot Plant, Polyelectrolytes, Pumping Stations, Sedimentation, Trickling, ...6.0353

DEVELOPMENT OF AUTOMATED SUBIRRIGATION SYSTEM ...Automated Equipment, Irrigation Engineering, Moisture, Pipes, Subsurface Irrigation, Water Distribution Systems, ...3.0024

FARM CONVEYANCE AND WATER APPLICATION ...Elastomers Rubber, Irrigation Engineering, Irrigation-general, Water Transfer, ...3.0473

CROP AND SOIL MANAGEMENT OVER SHALLOW PLASTIC-LINED MOLE DRAINS ...Management, Mechanical Joining - Other, Soil and Rock Leaching, ...4.0262

STUDY OF MECHANISMS IN SOIL RELATED TO FROST HEAVE AND ITS CONTROL ...Aggregates, Extenders, Fillers, Foam, Porous, Frost and Permafrost, Linings-pavings, ...8.0267

INVESTIGATION OF WATERSTOPS FOR CONSTRUCTION JOINTS ...Cement, Concrete, Elastomers Rubber, Joints, Sealing, Water, ...8.0229

PLASTIC PIPE AND TUBING ...Ceramic Matrix, Corrosion General, Engineering Structures-general, Pipe, Tube, Plastic Matrix, ...8.0132

THE DEVELOPMENT OF CONCRETE-POLYMER MATERIALS ...Cement, Concrete, Ceramic Matrix, Durability, Deterioration, In-situ, Radiation Induced, Strength, Cohesion, ...8.0045

IMPROVEMENT AND MODERNIZATION OF SURFACE AND SUBSURFACE DRAINAGE PRACTICES AND FACILITIES IN THE CORN BELT ...Corn Belt, Drainage, Drainage Systems, Pipe, Tube, ...4.0191

Plastics-other

DEVELOPMENT OF PARYLENE COATING FOR DROPWISE CONDENSATION OF WATER ON HEAT EXCHANGERS ...Condensation, Copper, Desalination, Heat Exchangers, Organic-general, ...3.0322

Polyamides

DEMONSTRATION UNDERWATER FACILITY - STORM OVERFLOW ...Combined Sewer, Elastomers Rubber, Pressure Ussel Materials, Storage-retention-facilities, Storm Water, ...5.0246

PLASTICS TECHNOLOGY AND ENGINEERING APPLICATIONS ...Impact, Polyethylene, Tensile, ...8.0133

Polyethylene

PLASTICS TECHNOLOGY AND ENGINEERING APPLICATIONS ...Impact, Polyamides, Tensile, ...8.0133

MEMBRANE LININGS-OPEN AND CLOSED CONDUIT RESEARCH PROGRAM ...Bituminous, Elastomers Rubber, Lining, Open Channel, Polyvinyl Chloride, ...8.0051

INVESTIGATION OF GROOVE AND CRACK SEALING MATERIALS ...Bituminous, Canals, Cement, Concrete, Elastomers Rubber, Linings-pavings, Sealant Materials, ...8.0076

Silicones

MECHANISM OF FROST HEAVING ...Frost Heaving, Hydrated Acid and Norm, Liquid - Solid Interactions, Particle Surface, Permafrost-frozen, Wax, Paraffin, ...2.0802

Urethanes

FREE DROP WATER CONTAINER ...Airborne-operation, Equipment, Laminates, Logistics, Pipe, Tube, ...8.0209

PAINT TESTS ...Epoxies, Paint - General, Polyvinyls-other, Primers, ...8.0173

Vinyl Plastics

Polyvinyl Chloride

MEMBRANE LININGS-OPEN AND CLOSED CONDUIT RESEARCH PROGRAM ...Bituminous, Elastomers Rubber, Lining, Open Channel, Polyethylene, ...8.0051

Polyvinyl Pyrrolidone

RESEARCH ON IMPROVED REVERSE OSMOSIS MEMBRANES ...Cellulosics, Crosslinked, Membranes-other, Porosity, Reverse Osmosis, Saline Conversion, ...3.0096

Polyvinyls-other

MODIFICATION OF PROTEIN FILMS FOR USE IN DESALINATION ...Desalination, Dialysis, Membranes-other, Natural Occurring, Reverse Osmosis, ...3.0269

EVALUATION OF POLYVINYL CHLORIDE (PVC) AND VINYL CLAD ALUMINUM PIPE USED FOR CARRYING IRRIGATION WATER WHEN BURIED WITHIN THE FROST ZONE ...Aluminum, Cladding, Irrigation-general, Joining, Bonding-general, Pipe, Tube, Soils, ...8.0271

PAINT TESTS ...Epoxies, Paint - General, Primers, Urethanes, ...8.0173

Platinum

NEW DEVELOPMENTS IN CATHODIC PROTECTION AND CORROSION STUDIES ...Cathodic Protection, Coatings-general, Dam, Canal, Titanium, ...8.0024

Playas

STUDIES OF PHOTOSYNTHETIC HALOPHILES FROM OWENS LAKE ...California, Exobiology, Halophytic, Ionic Effect, Temperature, ...6.0057

DISTRIBUTION OF DIATOMS IN DESERT WATERS ...Algae-Diatoms, Branchiopoda -other, Deserts, Plant Prod. (non-specific), Respiratory System, ...2.0138

ALTERNATE METHODS OF MOSQUITO CONTROL TO REDUCE CHEMICAL POLLUTION OF WATERS FOR RECHARGE OF THE OGALLALA FORMATION ...Alternative Planning, Aquifers-general, Chlorinated Hydrocarbons, Insecticides -non-specific, Mosquitoes -non-specific, Pollution Abatement, ...5.1180

THE MINERALOGY AND CHEMISTRY OF SOILS AND SEDIMENTS OF HIGH PLAINS PLAYAS ...Clay Minerals-general, Evaporation, Mineralogy, Permeability, Soil Chemical Properties, ...3.0460

DEVELOPMENT OF SYSTEMS FOR GROUND WATER RECHARGE INTO THE OGALLALA FORMATION ...Artificial Recharge, Filtration, Ponds, Texas, Water Wells, ...4.0243

CARBON-14 CONTENT OF FRESH WATER CARBONATES ...Carbon-14, Carbonates-general, Chemical, Paleoclimatology, Paleohydrology, ...2.0048

FATE OF POLLUTANTS IN GROUND WATER ...Aquifers-general, Artificial Recharge, Chlorinated Hydrocarbons, Nitrate, Nitrite, Pollutants - Path of, ...5.0917

FACILITIES AND PROCEDURES FOR CONSERVATION MANAGEMENT OF RUNOFF WATER FROM AGRICULTURAL LANDS IN THE SOUTHERN PLAINS ...Agricultural Watersheds, Artificial Recharge, Groundwater, Runoff, Storage of Water, ...4.0237

Plutonium

PLUTONIUM REMOVAL IN WATER TREATMENT ...Carbon, Chlorination, Coagulation, Flocculation, Sand, ...5.1019

Poland

SEASONAL VARIABILITY OF SOIL MOISTURE AND LEVELS OF GROUNDWATER TABLE ON LOWLAND AREAS ...Moisture Levels, Seasonal, Soils and Fertilizer, Water Table Fluctuation, Wetlands, ...3.0422

Pollutant Identification

Bioindicators

ENZYMES FOR ANALYSIS AND PURIFICATION OF SALINE WATER SYSTEMS ...Alcohols, Biodegradation, Degradation, Fluorometry, Heavy Elements, Pesticides, ...5.0456

Pollutant Identification

SUBJECT INDEX

- AMERICAN RIVER HYDROBIOLOGIC POTENTIAL STUDY ...California, Lower Plants, Phytoplankton, Primary Productivity, Water Quality-general, ...5.0143
- SENSITIVITY OF SELECTED INSECT SPECIES TO DEPRESSED LEVELS OF PH ...Acidity, Caddis-flies, Mayflies, Mining Industry, Ph, Acidity -water, Stone Flies, Plecoptera, ...5.1034
- ABUNDANCE AND DISTRIBUTION OF BENTHIC MACRO-INVERTEBRATES IN A STREAM RECEIVING OILFIELD WASTEWATERS ...Benthic Fauna, Contamination - Water, Industrial Wastes, Number Or Density, Vertical Distribution, ...5.1028
- THE UPTAKE OF DIELDRIN IN THE THREE RIDGED NAIAD, AMBLEMA PLICATA ...Dieldrin, Freshwater Mussels, Scallops, Metabolism, Ohio River, Pollution Effects, ...5.0886
- EFFECTS OF INCREASE IN SALTON SEA SALINITY ON THE SURVIVAL OF ORANGEMOUTH CORVINA, SARGO, BAIRDIELLA, AND NEANTHES ...Captive Rearing, Fish -other, Pollution - Effects of, Salinity, Salton, Water Salinity, ...5.0146
- A STUDY OF A POLLUTED RIVER, THE ILLINOIS ...Aquatic Ecology, Contamination - Water, Fish -non-specific, Illinois River, Mollusks -non-specific & Other, ...2.0408
- STATEWIDE FISHERIES RESEARCH ...Bluegills, Bream, Environmental Effects, Pollution - Effects of, Rotenone, Temperature, ...5.0817
- EFFECT OF POLLUTING AGENTS ON SURVIVAL OF INDICATOR ORGANISMS ...Intestinal Bacteria, Pollution-water, Salmonella (non-specific & Ot), Shigella (non-specific & Ot), Zooplankton, ...5.1132

- THE IMPORTANCE OF THE FOOD CHAIN IN BOTULISM INTOXICATION AMONG WATERFOWL LAKES AND SLOUGHS OF THE DEVILS LAKE REGION IN NORTH DAKOTA ...North Dakota, ...6.0418
- BACTERIOLOGICAL WATER QUALITY ANALYSES OF METHODS FOR DETECTING FECAL POLLUTION ...Bacterial Pollutant Sources, Coliforms (non-specific), Microbiological Analysis, Salmonella (non-specific & Ot), Streptococcus Fecalis, ...5.1113
- SURVIVAL OF INDICATOR ORGANISMS AND ENTERIC BACTERIA IN WATER ...Bacterial Pollutant Sources, Dyes, Longevity, Nutrients, Tennessee, ...5.1133
- ECOLOGICAL STUDIES OF THE SURFACE WATERS OF THE WHITEWATER CREEK WATERSHED, WALWORTH, ROCK, AND JEFFERSON COUNTIES, WISCONSIN ...Range Or Territorial Distr., Water Quality-general, Watersheds-general, Wisconsin, ...5.1323
- A STUDY OF PHYTOPLANKTON DYNAMICS IN LAKE FAYETTEVILLE AS A MEANS OF ASSESSING WATER QUALITY ...Algal Culture, Eutrophication, Growth Rate, Phytoplankton, Primary Productivity, ...6.0031
- STUDIES ON AQUATIC MYXOBACTERIA ...Bacterial Pollutant Sources, Degradation, Myxobacteria, Nutrition, Range Or Territorial Distr., Streams, ...5.0952
- DETECTION AND SIGNIFICANCE OF ENZOOTIC WATER POLLUTION ...Animal Wastes - Feed Lots, Bacterial Pollutant Sources, Enzootic, Protozoa -other, Sewage Bacteria, ...5.0700
- BENTHONIC INVERTEBRATES AS AN INDEX OF WATER QUALITY ...Benthic Fauna, Gases, Dissolved -water, Oxygen, Water Quality Control-general, ...5.0601
- A COHERENT-AREA STUDY OF SOUTHERN LAKE MICHIGAN ...Chemical Identification, Eutrophication, Lake Michigan, Sedimentology-general, Weather Modification-other, ...5.0547
- PULP MILL EFFLUENT DISPOSAL ...Contamination - Water, Dispersion -water, Industrial Wastes, Pulp and Paper Wastes, ...5.0940
- SENSITIVITY OF BENTHIC MICROFLORA TO POLLUTION GRADIENTS ...Benthic Flora, Estuaries, Marine Plants, Plant Prod. (non-specific), Water Standards, ...5.1059
- INDICATOR-PATHOGEN DENSITY RELATIONSHIPS IN TRIBUTARY STREAMS ...Bacterial Pollutant Sources, Coliforms (non-specific), Microbiological Analysis, Pollutants - Path of, Streams, ...5.0562
- EFFECTS OF CHEMICAL VARIATIONS IN AQUATIC ENVIRONMENTS ...Chemical-general, Fish -non-specific, Mans Activities, Water Environment -other, ...6.0103
- INFLUENCE OF LOG RAFTING ON WATER QUALITY ...Estuaries, Forest Debris, Logging, Transport, Equipment, Pulp, Paper, and Logging, Streams, ...5.0958
- MAYFLY DISTRIBUTION AS A WATER QUALITY INDEX ...Habitat Studies, Mayflies, Mississippi River, Population Dynamics, Survey Methods, ...5.0618
- TAXONOMY AND BIOLOGY OF SLUDGE WORMS ...Animal Taxonomy, Braekish Water, Earthworms, Fresh Water, Pollution Effects, ...5.0167
- AZOTOBACTER ECOLOGY ...Azotobacter -non-specific, Effluents-waste Water, Streams, Symbiotic Nitrogen Fixation, ...5.0322
- A STUDY OF A WATER TOXICITY PROBLEM ...Bioassays, Growth Rate, Management, Potable Water, Toxins and Poisons - other, ...5.0197
- ALGAL GROWTH POTENTIAL OF ILLINOIS WATERS ...Algae- General, Growth (non-specific & Ot), Growth and Differentiation, Illinois, Other, ...6.0199
- THE INSECT ORDER PLECOPTERA AS A BIOLOGICAL INDEX OF FRESH WATER QUALITY IN RHODE ISLAND ...Contamination - Water, Ions and Gases, Rhode Island, Stone Flies, Plecoptera, Streams, ...5.1058
- A COMPARISON OF TOTAL COLIFORM AND FECAL COLIFORM COUNTS IN STREAM POLLUTION SURVEYS ...Bacterial Pollutant Sources, Coliforms (non-specific), Surface Water, Survey Studies, Water Standards, ...5.1296
- REMOTE SENSING OF ESTUARINE WATER AND VEGETATION, MARYLAND ...Aerial, Chemical-general, Estuaries, Physical-general, Remote Sensing -other, ...2.0268
- EFFECTS OF PESTICIDES ON AQUATIC ANIMALS IN THE ESTUARINE AND MARINE ENVIRONMENT (ABBREV) ...Estuaries, Laboratory Animals, Pesticides -non-specific, Pollution - Effects of, ...5.0062
- SCREENING AQUATIC INVERTEBRATES TO DETECT AN ORGANISM SUITABLE FOR USE IN A MONITORING PROGRAM ...Bioassays, Cholinesterase, Fish -non-specific, Invertebrates -non-specific, Metabolism, Monitoring Systems, ...5.0639
- PESTICIDE MONITORING PROGRAM ...Estuaries, Gas, Monitoring Systems, Oysters, ...5.0268
- LAKE HURON CHEMICAL CONTROL ...Chemical-general, Ecoparasites, Flow Characteristics -water, Selectivity, ...5.0578
- RECOVERY OF INDICATOR BACTERIA ON SELECTIVE MEDIA DURING DECREASE OF VIABLE COUNTS ...Bacteria

SUBJECT INDEX

Pollutant Identification

- (non-specific), Media, Tests of Cell Viability, Water Bacteria, ...5.0587
- DISSOLVED INORGANIC REMOVAL BIOASSAY OF ALGAL GROWTH POTENTIAL ...Denitrification, Nitrogen, Phosphorus, Waste Water Treatment-general, ...5.0852
- QUANTITATIVE DETECTION AND ENUMERATION OF POLLUTION INDICATOR BACTERIA OF WASTE WATERS AND SEWAGE TREATMENT PLANT EFFLUENTS ...Bacteria, Bacterial Pollutant Sources, Detection, Membrane, Sewage Testing, ...5.0853
- PHYSIOLOGICAL EVALUATION OF TREATED TOXIC WASTES ...Blood Plasma and Serum, Contamination - Water, Pollution Effects, Pulp, Paper, and Logging, Tissues -biological, ...5.0976
- REARING AND SENSITIVITY STUDIES OF VARIOUS LIFE STAGES OF MARINE MACROINVERTEBRATES ...Crabs, All, Shrimps - Common, Whole Body Culture & Rearing, ...5.1079
- STUDY OF NITROGEN METABOLISM IN MARINE ALGAE ...Enzymes, Marine Plants, Microbiological Analysis, Pollution - Effects of, Quantitative & Qualitative, ...5.1089
- MEASUREMENT OF THE RATE OF CARBON DIOXIDE (C14) FIXATION INTO SUBCELLULAR FRACTIONS OF ALGAE ...Algae- General, Algal Culture, Carbon, Carbon Dioxide Fixation, Growth Rate, Intracellular Localization, ...5.1090
- MARINE BIOTOXINS ...Animal Pollutant Sources, Contamination, Pollution-water, Eutrophication, Gonyaulax, Venom, ...5.1072
- ISOLATION AND TAXONOMY OF YEASTS IN LAKES AND SEWAGE ...Contamination, Pollution-water, Plant Taxonomy, Streams, Yeast N S, ...5.0339
- RELATIONSHIP OF PESTICIDES IN SOIL, WATER AND PLANTS ...Degradation, Food Chains, Animal And/or Man, Pesticides, Soil-water-plant Relationships, ...5.0567
- MICROBIOLOGY OF ESTUARINE AND SHELLFISH POLLUTION ...Clams, Estuaries, Oysters, Pollution Effects, Shellfish Depuration, Waste Water Treatment-general, ...5.0719
- STUDY OF GROWING AREA STANDARD BY EXAMINING ENTEROPATHOGENS AND INDICATOR ...Enteroviruses of Humans, Microbiological Analysis, Number, Salmonella (non-specific & Ot), Sewage, ...5.1069

Chemical Identification

- DESIGNING AND TESTING A WATER MONITORING SYSTEM FOR PESTICIDES IN NORTH CAROLINA ...Agricultural Watersheds, DDT, Endrin, Monitoring Systems, North Carolina, Technique Development, ...7.0087
- SPECTROPHOTOMETRIC AND FLUOROMETRIC DETERMINATION OF SELECTED ANION WATER CONTAMINANTS ...Chemical Analysis (water), Fluoride, Fluorometry, Nitrate, Nitrite, Spectroscopy-general, ...5.0671
- SPECTROPHOTOMETRIC AND FLUOROMETRIC DETERMINATION OF SELECTED ANION WATER CONTAMINANTS ...Carbonate, Bicarbonate, Fluorometry, Iodide, Phosphate, Phosphite, Spectroscopy-general, Thiocyanate, ...5.0672
- EXPLORATORY STUDY ON THE APPLICATION OF NEUTRON ACTIVATION ANALYSIS TECHNIQUES TO WATER RESOURCES RESEARCH AND MANAGEMENT ...Activation Analysis, Management, ...7.0086
- A COHERENT-AREA STUDY OF SOUTHERN LAKE MICHIGAN ...Bioindicators, Eutrophication, Lake Michigan, Sedimentology-general, Weather Modification-other, ...5.0547
- STEROLS AND LIPIDS IN WATER POLLUTION ...Effluents-waste Water, Lipid Hydroperoxides, Pollutants - Path of, Sewage, Sterols, ...5.1173
- APPLICATION OF IMMUNOCHEMICAL TECHNIQUES TO THE DETECTION AND IDENTIFICATION OF CHEMICAL AND BIOLOGICAL POLLUTANTS ...Biological Pollutants -general, Immunology Methods, Mineralization, Technique Development, ...5.0260
- FATE AND PERSISTENCE OF PESTICIDES AND PHYSIOLOGICALLY ACTIVE DEGRADATION PRODUCTS ...Decomposition-other, Degradation -other, Infrared, Persistence of Residues, ...5.1032
- THE DETERMINATION OF THE STRUCTURES OF ORGANIC CONTAMINANTS IN WATER ...Analyzing, Chem Str Determination, Chromatography-other, Distillation-other, Spectroscopy-other, ...5.0278
- TOTAL ORGANIC CARBON AS A POLLUTION CONTROL PARAMETER IN SUB-ARCTIC WATE ...Alaska, Infrared, Organic Matter, Oxidation-general, Technique Development, ...5.0031

CHARACTERIZATION OF ORGANIC CONTAMINANTS IN PAPER MILL EASTE EFFLUENTS ...Chemical Analysis, Chemical Treatment, Distillation-other, Extraction, Organic, Pulp and Paper Wastes, ...5.0284

BIOLOGICAL METHODS RESEARCH ...Crustacea -non-specific, Enteroviruses of Humans, Isolation, Sewage, Viral Pollutant Sources, ...5.0017

Physical Parameters

- THE PREDICTION AND OPTIMIZATION OF STREAM RESPONSES TO POLLUTANT WASTES ...Forecasting-prediction, Mathematical Analysis, Model Studies, Pollution - Effects of, Streams, ...5.0743
- ADVANCE WARNING OF GROUND-WATER POLLUTION HAZARDS, WITH SPECIAL REFERENCE TO AQUIFERS IN GLACIAL OUTWASH ...Electrical, Electromagnetic Probing, Groundwater, Outwash Plains, Unconsolidated Aquifers, ...5.1235
- DETECTION AND IDENTIFICATION OF MOLECULAR WATER POLLUTANTS BY LASER RAMAN SPECTROSCOPY ...Chemical Analysis, Detectors and Sensors, Industrial Wastes, Lasers and Masers, Pesticides -non-specific, Raman, Surfactants, ...5.0441
- THE APPLICATION OF LASER IONIZATION MASS SPECTROMETRY TO THE IDENTIFICATION OF ORGANIC SALTS IN POLLUTED WATER ...Applications of Lasers-masers, Organic Matter, Spectroscopy, Sulfonates (rso3na), Surfactants, ...1.0108
- THERMAL AND INDUSTRIAL POLLUTION - DELAWARE RIVER ...Automatic Data Aquisition, Delaware River, Electric Power Plants, Industrial Wastes, Pulp, Paper, and Logging, Thermal Pollution, ...5.0989
- ULTRAVIOLET ABSORPTION IN COASTAL WATERS ...Biological, Marine Plants, Plant Prod. (non-specific), Sewage, Shoreline - Coastline, ...5.0112
- SYSTEM MONITORING AND REMOTE CONTROL .. Automatic Data Aquisition, Effluents-waste Water, Gages, Instrumental Services, Other Telemetry, ...5.0559
- TECHNIQUES AND INSTRUMENTATION ...Chemical Analysis (water), Mobile, Technique Development, Temperature, Water Sampling, ...5.0187
- DEVELOPMENT OF METHODOLOGY FOR ISOLATION OF VIRUSES FROM SEA WATER ...Animal Viruses (non-specific), Concentration, Marine Biology (non-specific), Viral Pollutant Sources, ...5.1228

Pollutants-general

- WATER QUALITY, STUDIES AND AERIAL MEASUREMENTS ...Aircraft, Biological-general, Chemical-general, Lasers-masers, Remote Sensing-general, ...6.0145
- DEVELOPMENT OF ANALYTICAL METHODS FOR PESTICIDE CONTAMINANTS IN DOMESTIC, IRRIGATION AND POND WATERS ...Chlorinated Hydrocarbons, Emission, Gas, Irrigation-general, Ponds, ...5.0137
- PLAQUING AND FLUORESCENT ANTIBODY METHODS FOR DETECTION AND IDENTIFICATION OF ENTEROVIRUSES ...Assay, Cell Cloning, Detection & Diagnosis, Enteroviruses of Animals, Waste Water Treatment-other, ...5.0046
- EFFECTS OF RIVERS ON THE METABOLISM OF TEXAS BAYS ...Bays, Nutrients, Primary Productivity, Streams, Texas, Water Quality-general, ...5.1182
- UNDERGRADUATE TRAINING FOR CAREERS IN WATER SUPPLY AND POLLUTION CONTROL ...Education and Training, Pollutant-other, Water Quality Control-general, Water Supply-general, ...6.0312
- EVALUATION OF DISPERSED POLLUTIONAL LOAD ...Combined Sewer, Land Use, Pollution Sources-general, Runoff, Sewage Treatment Plant, ...5.0921
- PESTICIDAL RESIDUES OF AGRICULTURAL CHEMICALS ...Nevada, Persistence in Soils, Pesticides -non-specific, Residue Analysis -other, Soil Degradation -other, ...5.0707
- MEASUREMENT OF AIR AND WATER QUALITY ...Atmpopheric Pollution-general, Techniques-other, Water Quality-general, ...5.1178
- AN INVESTIGATION OF FACTORS INFLUENCING WATER QUALITY IN SOUTH FORK, COEUR DALENE RIVER ...Idaho, Pollution Sources-general, Streams, Water Quality-general, ...5.0328
- RETENTION OF NUTRIENTS AND OTHER POLLUTANTS IN SEWAGE BY SOILS ...Analysis and Detection, Moisture Retention, Nutrients, Sewage, Silt, ...5.1312

Pollutant Identification

SUBJECT INDEX

- REMOTE SENSING OF DELAWARE ESTUARY ...Aircraft, Delaware, Estuaries, ...2.0909
- GENERAL WATER QUALITY INVESTIGATIONS ...Control and Protection, Meetings, State-local Government, Technique Development, Water Quality-general, ...5.0186
- POLLUTANTS IN PRODUCT AND PROCESS WATERS FROM OIL-SHALE RETORTING OPERATIONS AND METHODS FOR THEIR REMOVAL ...Material Recovery Wastes, Mining Industry, Oil Shale, Technique Development, Waste Water Treatment-general, ...5.1324
- MONITORING OF PESTICIDE LEVELS IN THE GREAT LAKES ...Great Lakes-general, Insecticides -non-specific, Monitoring Systems, Water Sampling, ...5.0544
- MODEL FOR DETERMINING THE MOST UNFAVORABLE CONDITIONS FOR AREA CLASSIFICATION ...Bays, Pollutants - Path of, Rhode Island, Shellfish, N.s., Water Standards, ...5.1067
- EVALUATION OF METHODS FOR RECOVERY OF ENTEROBACTERIACEAE FROM MARINE SOURCES ...Bacterial Pollutant Sources, Crustacea -non-specific, Estuaries, Intestinal Bacteria, ...5.1225
- TRACE AMOUNT SUBSTANCES IN ENVIRONMENTAL HEALTH ...Chemical Analysis (water), Other, Trace Elements, ...5.0677
- TASTES AND ODORS IN WATER SUPPLIES ...Algal Pollutant Sources, Pollution-water, Studies, Organoleptic, Taste and Odor, Water for Cooking Or Drinking, ...5.0066
- THE EFFECT OF SELECTED PESTICIDES ON INTERTIDAL BIOTA ...Insecticides -non-specific, Intertidal Areas, Pesticides -non-specific, Pollution Effects, Productivity - Food Chain, Swamps-marshes, ...5.0522
- ORGANISMS RESPONSIBLE FOR TOXICITY OF ALASKAN CLAMS ...Alaska, Biological Pollutants -general, Clams, Food Spoilage Detection, Microbiological, ...5.0032

Pollutants - Path of

- ECOLOGICAL STUDIES OF RADIOACTIVITY IN THE COLUMBIA RIVER ESTUARY AND ADJACENT PACIFIC OCEAN ...Columbia River, Contamination - Water, Organ Sampling Devices, Pacific Ocean-north, Radioactivity, ...6.0452
- PATHWAYS OF TRACE ELEMENTS IN ARCTIC LAKE ECOSYSTEMS ...Arctic, Gel Filtration, Lakes, Organic-general, Trace Element Analysis, ...1.0004
- STUDIES ON APPLICATION OF RADIOISOTOPE TECHNIQUES IN STREAM POLLUTION PROBLEMS IN THE PULP AND PAPER INDUSTRY ...Iridium, Radioisotopes, ...5.1233
- MOVEMENT OF RADIONUCLIDES IN THE COLUMBIA RIVER ESTUARY ...Columbia River, Estuaries, Mathematical Analysis, Radioactivity-general, Water Sampling, ...5.0986
- DETERMINATION OF THE DISTRIBUTION OF RADIONUCLIDES DISCHARGED TO THE GROUND AT THE NRTS, IDAHO ...Artesian Flow, Discharge-general, Observation Wells, Radioactivity-general, Radioisotopes, ...5.0318
- STABLE CARBON AND OXYGEN ISOTOPE RATIO VARIATIONS IN THE FLOW TO CARBON AND OXYGEN THROUGH NORMAL AND POLLUTED AQUATIC SYSTEMS ...Analysis and Detection, Carbon, Element Ratios, Organic-general, Oxygen, Sewerage Systems-other, ...5.1183
- STUDY OF LOCAL WATER CONTAMINATION PROBLEMS ...Forecasting-prediction, Model Studies, Partial, Potable Water, Radioactivity-general, ...5.0535
- INVESTIGATIONS ON THE SUBSURFACE DISPOSAL OF WASTE EFFLUENTS AT INLAND SITES ...Artificial Recharge, Dyes, Groundwater Movement, Recharge Pits - Wells, Underground Waste Disposal, ...3.0022
- TRANSPORT, STORAGE, AND TOXICITY OF INSECTICIDES IN AQUATIC ENVIRONMENTS ...Farm Pond, Food Chains, Animal And/or Man, Mode of Action -animal, ...5.0575
- CHANGES IN THE PHYSICAL AND BIOLOGICAL CHARACTERISTICS OF GROUND WATER RESERVOIRS AND ADJACENT SURFACE WATERS ...Bacteria, Bacterial Pollutant Sources, Biological-general, Groundwater Movement, Physical-general, ...1.0017
- A STUDY OF THE BIOLOGICAL, CHEMICAL AND PHYSICAL NATURE OF WATER QUALITY FACTORS UNDER UTAH CONDITIONS ...Biological-general, Chemical-general, Model Studies, Mountains-alpine, Physical-general, ...5.1195
- TURBULENT MIXING IN SUBMERGED FLUID JETS ...Fluid Mixing, Mixing, Thermal Pollution, Turbulent, ...5.1130

- THE EFFECT OF SALTS APPLIED TO HIGHWAYS ON THE INFILTRATION AND PERCOLATION OF WATER THROUGH THE SOILS BANDING HIGHWAYS ...Chloride, Infiltration, Snow and Ice Removal, Sodium, Soil Chemical Properties, ...5.0471
- CHEMICAL CONTAMINANTS FOUND IN SURFACE AND SUBSURFACE WATER AS RELATED TO SOIL AND CLIMATIC CONDITIONS ...Agricultural Chemicals-general, Hardness-minerals, Runoff, Soil and Rock Leaching, Soil Environment, ...5.0476
- POLLUTION EFFECTS ON GROUND WATER RECHARGE IN HAWAII ...Adsorption-absorption-other, Groundwater, Natural Recharge, Pollution - Effects of, Soil Environment, ...5.0313
- PHOSPHORUS BUDGETS OF LAKES SIDNEY, LANIER AND HARTWELL ...Chemical-general, Georgia, Nutrients, Phosphorus, Reservoirs and Impoundments, ...5.0293
- RELATIONSHIPS BETWEEN PESTICIDAL APPLICATION AND WATER CONTAMINATION UNDER IRRIGATION IN THE GREAT PLAINS ...Great Plains Province, Irrigation-general, Kansas, Pesticides -non-specific, Water Application, ...5.0430
- THE RELATIONSHIP OF SEWAGE HANDLING PRACTICE TO PESTICIDE RESIDUE LEVELS AND INVERTEBRATE ECOLOGY ...Aquatic Ecology, Aquatic Soils, Insecticides -non-specific, Michigan, Pollution Effects, ...5.0572
- THE PREDICTION OF UNSATURATED FLOW RATES FROM PHYSICAL PROPERTIES OF THE POROUS MEDIUM ...Permeability, Porous Media - Flow Through, Unsaturated Flow, Water Cycle, ...2.0889
- SEDIMENTATION AND CONTAMINANT CRITERIA FOR WATER RESOURCES PLANNING AND MANAGEMENT ...Dispersion -water, Management, Planning, Sediment Yield, Sedimentology-general, Watersheds-general, ...4.0066
- WATER QUALITY MODELING AND PREDICTION ...Dynamic, Prediction Models, Quality Control, Waste Water Treatment-other, ...5.0432
- EXPERIMENTAL STUDIES OF AIR AND WATER INTERFACIAL INTERACTION ...Turbulence-general, Waves, Wind Tunnels, Wind-water Interaction, ...2.0246
- INTERACTION OF PESTICIDE POLLUTANTS AND AQUATIC FOOD-CHAIN ORGANISMS ...DDT, Food Chains, Animal And/or Man, Persistence of Residues, Pollution - Effects of, ...5.1107
- PHYSIOCHEMICAL RESPONSES OF RIVERS TO NATURAL AND MANMADE ENVIRONMENTAL CHANGES ...Environmental Changes, Mans Activities, Nutrients, Streams, ...5.1150
- EDDY DIFFUSION AND BACTERIAL REDUCTION IN WASTE FIELDS ...Bacterial Pollutant Sources, Diffusion, Dispersion -water, Dyes, Mixing, Sewers, ...5.0111
- NITRATES IN WATER SUPPLIES ...Animal Wastes - Feed Lots, Nitrate, Nitrite, Nitrogen, Physical Properties-general, Soil Sampling, Waste Disposal -underground, ...5.0679
- TRANSPORT AND FATE OF POLLUTANTS IN SOIL ...Disposal, Internal Water Movement, Porous Media - Flow Through, Soil, Unsaturated Flow, ...5.0517
- STEROLS AND LIPIDS IN WATER POLLUTION ...Chemical Identification, Effluents-waste Water, Lipid Hydroperoxides, Sewage, Sterols, ...5.1173
- BACTERIAL ADSORPTION ON SOILS ...Bacterial Pollutant Sources, Recharge -general, Self-purification, Soil Chemical Properties, Temperature, ...5.1190
- INDICATOR-PATHOGEN DENSITY RELATIONSHIPS IN TRIBUTARY STREAMS ...Bacterial Pollutant Sources, Bioindicators, Coliforms (non-specific), Microbiological Analysis, Streams, ...5.0562
- DISPERSION OF WATER POLLUTANTS IN CURVILINEAR FLOWS ...Channel Geometry, Fluid Mixing, Open Channel, Stratified, Turbulent, ...5.0414
- SORPTION AND MOVEMENT OF POLLUTED WATER IN SOIL ...Absorption, Fixation, Exchange, Internal Water Movement, Movement, Leaching, Persistence in Soils, Soil Environment, Soil-water-plant Relationships, ...5.0078
- MECHANICS OF DISPERSION IN ESTUARY POLLUTION ...Dispersion -water, Estuaries, Mathematical Analysis, Model Studies, Tides, ...5.0528
- MIXING PROCESSES IN SATURATED AND UNSATURATED SOIL-WATER SYSTEMS IN RELATION TO POLLUTION ...Chemical-general, Internal Water Movement, Mixing, Saturated Flow, Unsaturated Flow, ...2.0086
- ALTERATIONS OF THE PERSISTENCE AND MOVEMENT OF HERBICIDES IN SOIL, WATER, AND PLANTS ...Fungicides -non-specific, Herbicides -non-specific, Movement, Leaching, Soil Degradation -other, ...5.0486

SUBJECT INDEX

Pollution - Effects of

ECOLOGY OF PESTICIDES IN AN AQUATIC ECOSYSTEM
...Food Chains, Animal And/or Man, Insecticides -non-specific,
Michigan, Pollution - Effects of, Pollution Effects, ...5.0563

ISOTOPES IN THE BIOSPHERE ...Erosion-general, Management,
Radioactive Fallout, Runoff, Strontium, Washout, ...5.0670

THE DISPOSITION OF PESTICIDES IN THE SOIL ...Internal
Water Movement, Mineralogy, Movement, Leaching, Soil Chemi-
cal Properties, ...5.1163

SOILS, PESTICIDES, AND THE QUALITY OF WATER ...Adsorp-
tion Capacity, Internal Water Movement, Movement, Leaching,
Thermal Properties-other, ...6.0590

SOILS, PESTICIDES AND THE QUALITY OF WATER ...Ground-
water Movement, Infiltration, Movement, Leaching, Rhizosphere,
...5.1239

SOILS, PESTICIDES, AND THE QUALITY OF WATER
...Management, Movement, Leaching, Soil and Rock Leaching,
Soil Properties - Other, ...5.0312

CONTAMINATION OF GROUND WATER FROM RADIOAC-
TIVE PACKAGES IMPACTING ON LAND ...Ground Water,
Groundwater, Groundwater Movement, Radioactivity-general,
...4.0240

NITROGEN TRANSFORMATIONS IN SOIL ...Agricultural
Watersheds, Fertilizers, Nitrate, Nitrite, Runoff, Soil-water-plant
Relationships, ...5.0045

DISPERSION OF WATER AND SEDIMENTS IN THE SURF
ZONE ...Beaches, Pollution-general, Shoreline - Coastline, Size,
Waves, ...5.0151

TIME OF TRAVEL - PRINCIPAL MARYLAND STREAMS
...Dyes, Maryland, Streams, Velocity -water, ...2.0565

A STUDY OF LAND DISPOSAL OF SPENT SULFITE LIQUOR
AT BADGER PAPER MILLS, INC., PESHTIGO, WISCONSIN
...Aquifers-general, Disposal, Limestone - General, Neutralization,
Pulp and Paper Wastes, ...5.1295

AQUATIC TRANSPORT OF NUCLEAR DEBRIS ...Canals,
Chemical Reactions, Exchange Capacity, Ion Exchange-other,
Radioactive Fallout, ...1.0012

COLUMBIA RIVER ECOLOGY ...Chromium, Columbia River,
Phosphorus, Radioisotopes, Zinc, ...6.0613

RADIONUCLIDES IN THE SAVANNAH RIVER ESTUARY AND
ADJACENT COASTAL WATERS ...Atomic Plants, Estuaries,
Radioactivity, Radioactivity-general, Tracers, ...5.1095

RADIONUCLIDE MOVEMENT IN GROUNDWATER ...Flow
Characteristics -water, Groundwater Movement, Radioactivity-
general, Radioisotopes, Seepage, ...5.1099

HYDROLOGIC STUDIES LEADING TO SITE UTILIZATION
...Adsorption Capacity, Groundwater, Hydrology-general, Nuclear
Explosion, Radioactivity-underground Test, Sediment Transport-
other, ...3.0134

VELOCITIES OF RADIONUCLIDES AT ARNAR GOSA SITE
...Groundwater, Nevada, Radioactivity-underground Test, Trans-
port, ...2.0174

MOVEMENT OF RADIONUCLIDES IN THE LOWER COLUM-
BIA RIVER ...Absorbed Load, Adsorption Capacity, Columbia
River, Radioactivity-general, ...2.0902

THE MOVEMENT OF RADIONUCLIDES IN THE COLUMBIA
RIVER ESTUARY ...Absorbed Load, Columbia River, Estuaries,
Radioactivity-general, ...2.0903

BEHAVIOR OF POLLUTANTS IN WATER ...Aquatic Or Soil-
aquatic Cycles, Decomposition-general, Infiltration, Movement,
Leaching, Persistence in Soils, Pesticides -non-specific, ...5.0190

QUALITY OF WATER OF THE TEXAS BAYS AND ESTUARIES
...Bays, Estuaries, Nutrients, Texas, Water Quality-general,
...2.1003

IRRIGATION RETURN FLOW ...Irrigation-general, Nutrients, Ru-
noff, Salinity, Water Quality-general, ...5.0183

PESTICIDE KINETICS ...Aquatic Or Soil-aquatic Cycles, Degrada-
tion -non-specific, Estuaries, Insecticides -non-specific, Marine
Biology (non-specific), ...5.0271

ESTUARINE DIFFUSION OF POLLUTANTS ...Dilution-other,
Estuaries, Oregon, Salinity, Stratification, ...5.0974

FATE OF POLLUTANTS IN GROUND WATER ...Aquifers-
general, Artificial Recharge, Chlorinated Hydrocarbons, Nitrate,
Nitrite, Playas, ...5.0917

MODEL FOR DETERMINING THE MOST UNFAVORABLE
CONDITIONS FOR AREA CLASSIFICATION ...Bays, Pollu-
tants-general, Rhode Island, Shellfish, N.s., Water Standards,
...5.1067

RELATIONSHIP OF THE SOURCE TO LEVELS OF TOXIC
CHEMICALS IN SHELLFISH ...Freshwater Mussels, Scallops,
Heavy Elements, Industrial Wastes, Legal Standards, Pollution -
Effects of, ...5.1073

PESTICIDE POLLUTION OF FARMSTEAD WATER SUPPLIES
...Aquatic Or Soil-aquatic Cycles, Handling & Application,
Residues in Potable Water, Water Utilization -domestic, ...5.0485

PERSISTENCE AND FATE OF HERBICIDES IN WATER AND
AQUATIC SOILS AND THE EFFECTS OF HERBICIDES IN IR-
RIGATION WATER ON CROP PLANTS ...Canals, Herbicides -
non-specific, Irrigation, Persistence of Residues, Persistence in
Soils, ...5.1330

THE DISPOSITION OF PESTICIDES IN SOIL AND CLOSELY
RELATED WATER ...Farm Pond, Louisiana, Management, Pesti-
cides -non-specific, Soil and Rock Leaching, ...5.0276

CHEMICAL, PHYSICAL AND BIOLOGICAL REACTIONS OF
PESTICIDES WITH SOILS AFFECTING SOIL PRODUCTIVITY
AND PESTICIDE STABILITY ...Microbiology -soil, Movement,
Leaching, Pesticides -non-specific, Residue Analysis -other, Soil
Conditions, Soil Temp. -non-specific, ...5.0202

INTERACTIONS OF PESTICIDES AND SEDIMENTED OILS
...Chemical Treatment-other, Chlorinated Hydrocarbons, Other,
Pesticides, ...5.0551

TRAVEL OF NITROGEN IN SOILS ...Animal Waste Removal-
treatment, Groundwater, Movement, Availability, Nitrogen, Soil
Tests, ...1.0070

LEAD ISOTOPIC CHEMISTRY FOR POLLUTION RESEARCH
...Analysis and Detection, Lead, Other, Radioisotopes, Transport,
...5.0150

POLLUTION OF SUBSURFACE WATER BY SANITARY LAND-
FILL ...Contamination, Forecasting-prediction, Landfill, Pennsyl-
vania, Subsurface Flow, ...5.1009

Pollution - Effects of

THERMAL POLLUTION AND ITS IMPLICATIONS FOR THE
COAL INDUSTRY-A SURVEY OF THE STATE OF
KNOWLEDGE ...Data Acquisition-general, Electric Power Plants,
Survey Studies, Thermal Pollution, ...5.0208

THE CYCLING OF C1-36 LABELED DDT IN NATURAL
ECOSYSTEMS ...Aquatic Or Soil-aquatic Cycles, DDT, Monitor-
ing Systems, Persistence of Residues, Radioisotopes, ...5.0876

THE PREDICTION AND OPTIMIZATION OF STREAM
RESPONSES TO POLLUTANT WASTES ...Forecasting-predic-
tion, Mathematical Analysis, Model Studies, Physical Parameters,
Streams, ...5.0743

OPTIMUM ECOLOGICAL DESIGNS FOR ESTUARINE
SYSTEMS OF NORTH CAROLINA ...Domestic Wastes-general,
Estuaries, Marine Biology (non-specific), North Carolina, Pollu-
tion Effects, Productivity - Food Chain, ...2.0820

SANITATION, WASTE DISPOSAL AND PEST AND VECTOR
CONTROL ...Nuclear Explosion, Radioactive Fallout, Radiologic
Warfare, Requirement, Sewage, Urban Environments, ...5.0059

PROBABLE EFFECTS ON MARINE ENVIRONMENTS OF
DISPERSING BRINE EFFLUENTS FROM LARGE DESALINA-
TION PLANTS IN THE GULF OF CALIFORNIA ...Atomic
Plants, Brines, Desalination, Gulf of California, Marine Environ-
ments-general, ...3.0020

EFFECTS OF ORGANIC POLLUTION ON HATCHABILITY
AND SURVIVAL OF BROOK TROUT, SALVELINUS FON-
TINALIS, AND GROWTH OF BROWN TROUT, SALMO
TRUTTA ...Brown Trout, Lake Trout, Brook Trout, Nutrients,
Population Dynamics, Streams, ...5.1027

INFLUENCE OF SEDIMENTATION UPON THE PRODUCTION
OF GAME FISHES ...Fish -non-specific, Montana, Population
Dynamics, Sediments, Streams, ...4.0069

FISHES OF THE SOUTH PLATTE RIVER BASIN, COLORADO
...Animal Distr. (non-specific), Colorado, Environmental Changes,
Environmental Ecology, Fish -non-specific, River Basins, ...5.0194

THE EFFECTS OF PESTICIDE RESIDUES ON LARVAL AND
JUVENILE WINTER FLOUNDER IN THE WEWEANTIC
RIVER ESTUARY, MASSACHUSETTS ...Estuaries, Mas-
sachusetts, Righteye Flounders, Wildlife, ...5.0509

THE EFFECT OF DIELDRIN ON SURVIVAL AND DEVELOP-
MENT OF FISH EGGS ...Aldrin, Basic Embryology, Dieldrin,
Mode of Action -animal, Ohio, ...5.0885

ACUTE TOXICITY OF PESTICIDES TO FRESHWATER FISH
AND OTHER VERTEBRATES ...Insecticides -non-specific,
Maturity & Growth Stages, Mode of Action -animal, Pollution Ef-
fects, Wildlife, ...5.0649

DOCUMENT LOGGING DAMAGE ...Biological-general, Chemi-
cal-general, Fish -non-specific, Forest Debris, Logging, Transport,
Equipment, Physical-general, Population Dynamics, ...5.0145

EFFECTS OF INCREASE IN SALTON SEA SALINITY ON THE
SURVIVAL OF ORANGEMOUTH CORVINA, SARGO, BAIR-

- DIELLA, AND NEANTHES ...Bioindicators, Captive Rearing, Fish aother, Salinity, Salton, Water Salinity, ...5.0146
- EFFECTS OF WATER QUALITY ON HATCHING SUCCESS ...Basses -sea,white, White Perch, Captive Rearing, Hatchability, Louisiana, Water Properties-general, ...5.0453
- PESTICIDE RESIDUE STUDY IN SPORT FISH WATERS ...Chemical Analysis (water), Filtration, Monitoring Systems, Pesticides -non-specific, ...5.1231
- QUANTITATIVE AND QUALITATIVE MEASUREMENT OF AQUATIC VEGETATION-CURRITUCK SOUND ...Aquatic Plants (non-specific), Mapping, North Carolina, Saline Water Intrusion, Virginia, ...5.0816
- RESIDENT POPULATION DETERMINATION ...Effluents-waste Water, New Hampshire, Pollution Effects, Thermal Pollution, ...5.0709
- STATEWIDE FISHERIES RESEARCH ...Bioindicators, Bluegills, Bream, Environmental Effects, Rotenone, Temperature, ...5.0817
- FISH ECOLOGY AND PHYSIOLOGY IN RELATION TO ACID MINE DRAINAGE ...Acidity, Aquatic Ecology, Fish -non-specific, Mine Drainage Control, Pollution Effects, ...5.1277
- EFFECTS OF SIMULTANEOUS VARIATION OF TEMPERATURE AND DISSOLVED OXYGEN ON THE RESISTANCE OF FISHES TO CONTROLLED POLLUTANTS ...Contamination - Water, Gases, Dissolved -water, Oxygen, Temperature, Water Temperature-non-specific, ...5.0220
- DETERMINATION OF SAFE LEVELS OF POLLUTION IN PUERTO RICO ...Bays, Contamination - Water, Meteorological Studies-general, Puerto Rico, Recreation Sites, Water Properties-general, ...2.0937

- ECOLOGY OF COLORADO MOLLUSKS ...Colorado, Mollusks -non-specific & Other, Pollution -non-specific, Pollution Effects, Range Or Territorial Distr., ...5.0178
- STUDY OF EFFECTS OF MILL WASTE WATER ON FISH LIFE ...Contamination - Water, Fish -non-specific, Industrial Processes-other, Industrial Wastes, Pollution Effects, ...5.1174
- STUDY OF TEMPERATURE EFFECTS IN COOLING WATER LAKE ...Aquatic Ecology, Lakes, Temperature, Thermal Pollution, Water Temperature-non-specific, ...6.0566
- THERMAL EFFECTS ON MARINE AND ESTUARINE SHELLFISH ...Aquatic Ecology, Crustacea -non-specific, Environmental Physiology, Mollusks -non-specific & Other, Water Temperature-non-specific, ...5.1251
- AQUATIC ECOSYSTEM ...Acidity, Cladocera, Environment Resistance, Ph, Acidity -water, Productivity - Food Chain, ...6.0084
- PEACE RIVER POLLUTION INVESTIGATIONS ...Fish -non-specific, Florida, Industrial Wastes, Phosphate, Phosphite, Pollution Effects, Streams, ...5.0273
- EFFECT OF PESTICIDE RESIDUES AND OTHER ORGANO-TOXICANTS ON THE QUALITY OF SURFACE AND GROUND WATER RESOURCES ...Groundwater, Persistence in Soils, Pesticides -non-specific, Surface Water, Water Quality Control-general, ...5.0392
- INFLUENCE OF WATER POLLUTANTS AND WATER QUALITY ON EARLY LIFE HISTORY AND POPULATION DYNAMICS OF MINNESOTA FISHES ...Fish -non-specific, Life History Studies, Minnesota, Pollution Effects, Population Dynamics, ...5.0615
- INFLUENCES OF WATER QUALITY AND OTHER ENVIRONMENTAL CHANGES ON FISH AND ASSOCIATED ORGANISMS IN INLAND WATERS ...Aquatic Ecology, Environmental Ecology, Fish -non-specific, Mans Activities, Social Aspects, Water Quality-general, ...5.0965
- RELATIONSHIPS OF AQUATIC FLORA TO WATER QUALITY AND POLLUTION ...Freshwater Ecology, Plant Pollutants, Primary Productivity, Streams, Water Quality-general, ...5.0956
- EFFECTS OF PESTICIDES ON ESTUARINE ORGANISMS ...Bioassay, Estuaries, Persistence of Residues, Sevin, Swamps-marshes, ...5.0950
- EFFECTS OF KRAFT PULP MILL EFFLUENTS ON THE GROWTH AND PRODUCTION OF FISH ...Industrial Wastes, Pollution Effects, Pulp, Paper, and Logging, Salmon & Trout - Non-specific, ...5.0966
- CHEMICAL BIOCIDES IN LAKES ...Lakes, Pesticides -non-specific, Pollution Effects, Productivity - Food Chain, South Dakota, ...5.1111
- THE EFFECT OF PESTICIDES ON AN ECOSYSTEM ...Environments-general, Food Chains, Animal And/or Man, Persistence of Residues, Pesticides -non-specific, Physical Properties-general, Soil Chemical Properties, ...5.1154
- BIOLOGICAL FACTORS IN THE MANAGEMENT OF LAKE FLIES ...Lakes, Midges, Piscicides -non-specific, Predation, Predators and Parasite, Wisconsin, ...6.0644
- EFFECT OF REACTOR EFFLUENT ON QUALITY OF COLUMBIA RIVER WATER ...Atomic Plants, Columbia River, Digital Computers, Filtration, Radioactivity-general, ...5.1246
- COAL STRIP MINE WATERSHED STUDY ...Aquatic Ecology, Coal-general, Mining Activities, Soil Management -non-specific, Stream Rehabilitation, Strip Mines, ...2.0980
- COAL STRIP MINE WATERSHED DEMONSTRATION-- JACKSON COUNTY, ALABAMA ...Alabama, Aquatic Ecology, Coal-general, Mining Industry, Water Quality-general, ...5.1124

- GREAT LAKES RESEARCH - SPOIL DISPOSAL EFFECTS ...Dispersion -water, Great Lakes-general, Sedimentation, Sediments, Spoil Banks, Water Properties-general, ...5.0561
- HYDROLOGIC INFLUENCES OF STRIP MINING, BEAVER CREEK, KENTUCKY ...Appalachia, Coal-general, Hydrology-general, Mining Activities, Strip Mines, ...5.0890
- INFLUENCE OF INDUSTRIAL AND MUNICIPAL WASTES ON ESTUARINE AND OFF SHORE WATER QUALITY ...Domestic Wastes-general, Estuaries, Industrial Wastes, Washington, ...5.1271
- CHRONIC EFFECTS OF MALATHION ON BLUEGILLS ...Bluegills, Bream, Channel Catfish, Malathion, Mode of Action - animal, Wildlife, ...5.0646
- CHRONIC EFFECTS OF METHOXYCHLOR ON BLUEGILLS AT COLUMBIA, MISSOURI ...Bluegills, Bream, Methoxychlor, Missouri, ...5.0647
- EFFECTS OF PESTICIDES ON AQUATIC ANIMALS IN THE ESTUARINE AND MARINE ENVIRONMENT (ABBREV) ...Bioindicators, Estuaries, Laboratory Animals, Pesticides -non-specific, ...5.0062
- EFFECTS OF MALATHION ON LEARNING AND RETENTION IN THE GOLDFISH ...Escape and Avoidance, Goldfish, Malathion, Mode of Action -animal, Pesticides, ...5.0667
- ACUTE TOXICITY OF PESTICIDES TO FRESHWATER FISH AND OTHER VERTEBRATES ...Pesticides -non-specific, Stamina, Wildlife, ...5.0651
- EFFECTS OF CHRONIC EXPOSURE TO SUBLETHAL LEVELS OF INSECTICIDES ON REPRODUCTION IN BROOK TROUT. CHRONIC TOXICITY OF PESTICIDES TO FISH ...Carbamates -non-specific, Chlorinated Hydrocarbons, Lake Trout, Brook Trout, Organophosphorous Cpd., Reproduction Studies (general), Wildlife, ...5.0654
- MEASUREMENT OF THE EFFECTS OF PESTICIDES ON INVERTEBRATE RESPIRATION - ACUTE TOXICITY OF PESTICIDES TO FRESHWATER INVERTEBRATES ...Carbamates -non-specific, Chlorinated Hydrocarbons, Organophosphorous Cpd., Respiratory System, ...5.0664
- EFFECTS OF MALATHION ON THE SEXUAL DEVELOPMENT OF MALE RAINBOW TROUT - PESTICIDE EFFECTS ON FISH ENDOCRINE FUNCTIONS ...Gonadotrophins, Gonadotropins, Malathion, Mode of Action -animal, Rainbow Trout, Steelhead Trout, ...5.0633
- THE INFLUENCES OF ENVIRONMENTAL CONDITIONS ON THE TOXICITY OF PESTICIDES ...Bioassay, Environmental Ecology, Fish -non-specific, Wildlife, ...5.0656
- MEASUREMENT OF RADIONUCLIDES IN ESTUARINE AND MARINE ENVIRONMENTS (A COOPERATIVE AGREEMENT WITH ATOMIC ENERGY COMMISSION) ...Estuaries, Marine Environments-general, Pollution Effects, Radioactivity-general, Reactor Sites & Rad Waste, ...2.0819
- THE EFFECTS OF ENVIRONMENTAL CONDITIONS ON THE SPAWNING AND SURVIVAL OF FRY OF THE WALLEYE ...Environmental Effects-geologic, Eutrophication, Temperature, Walleyes, ...5.0900
- BEHAVIOR OF ESTUARINE ANIMALS ...Behavior -animal, Estuaries, Pesticides -non-specific, Pollution Effects, ...2.0323
- LABORATORY BIOASSAYS ...Contamination - Water, Laboratory, Laboratory Animals, Pollution-general, Wildlife, ...5.0270
- RELATION OF RIVER-RUN IMPOUNDMENTS TO SALMON PRODUCTION ...Aquatic Ecology, Engineering Structures-general, Environmental Changes, Environmental Ecology, Mans Activities, Salmon & Trout - Non-specific, ...6.0616
- ESTUARINE ECOSYSTEMS ...Aquatic Or Soil-aquatic Cycles, Estuaries, Pesticides -non-specific, Pollution Effects, Water Properties-general, ...2.0324
- EFFECTS OF INDUSTRIAL EXPANSION ON THE AQUATIC ENVIRONMENT OF ESTUARINE AREAS ...Columbia River, Estuaries, Salmon & Trout - Non-specific, ...2.1131
- ECOLOGY OF WESTERN GULF ESTUARIES ...Estuaries, Gulf of Mexico, Habitat Studies, Plant Prod. (non-specific), Productivity - Food Chain, ...2.1048
- EFFECTS OF D.O., TEMPERATURE AND POTENTIAL TOXICANTS UPON SELECTED MACROINVERTEBRATES (EMPHASIZING NON-ARTHROPODS) ...Contamination - Water, Food Supply, Gases, Dissolved -water, Pollution Effects, Water Temperature-non-specific, ...5.0589
- MARINE BIOLOGICAL ASSESSMENT OF POLLUTIONAL FATE ...Contamination - Water, Crustacea -non-specific, Fish -non-specific, Nets, ...5.0975
- HISTOPATHOLOGIC EFFECTS OF POLLUTANTS ON CELLS AND TISSUES OF MARINE FISHES ...Computer Matching Code, Contamination - Water, Killifish - Cyprinodon, Pollution Effects, ...5.1080

- HISTOPATHOLOGIC EFFECTS OF POLLUTANTS ON CELLS AND TISSUES OF MARINE INVERTEBRATES ...Clams, Computer Matching Code, Contamination - Water, Invertebrate Pathology, Pollution Effects, Pollution-other, ...5.1081
- USE OF MARINE PLANKTONIC ORGANISMS FOR EVALUATING THE QUALITY OF MARINE AND ESTUARINE WATERS ...Bioassays, Estuaries, Phytoplankton, Pollution Effects, Zooplankton, ...5.1093
- INTEGRATED FIELD AND LABORATORY SYSTEM FOR ASSESSING THE EFFECTS OF POLLUTANTS AND TOXICANTS UPON WATER QUALITY ...Algal Culture, Axenic Culture, Environment, Phytoplankton, ...5.1087
- STUDY OF NITROGEN METABOLISM IN MARINE ALGAE ...Bioindicators, Enzymes, Marine Plants, Microbiological Analysis, Quantitative & Qualitative, ...5.1089
- WATER QUALITY REQUIREMENTS FOR AQUATIC LIFE ...Contamination - Water, Fish -non-specific, Toxins and Poisons - other, Water Quality-general, ...5.0844
- STUDY OF ASSIMILATIVE CAPACITY OF ARCTIC AND SUB-ARCTIC STREAMS ...Environmental Effects-geologic, Polar, Self-purification, Streams, ...5.0029
- THE CHARACTERISTICS AND POLLUTIONAL PROBLEMS OF PETROCHEMICAL WASTES ...Groundwater, Mining Activities, Other, Petroleum Chemistry, Petroleum Industry, ...5.0908
- RELATIONSHIP OF THE SOURCE TO LEVELS OF TOXIC CHEMICALS IN SHELLFISH ...Freshwater Mussels, Scallops, Heavy Elements, Industrial Wastes, Legal Standards, Pollutants - Path of, ...5.1073
- OCCUPATIONAL AND ENVIRONMENTAL HEALTH ...Food, Human Tox. or Residues -other, Occupational Hazards, Pollution-atmosphere, Radiologic Health, ...5.0518
- ENVIRONMENT AND VIRUS-HOST INTERACTIONS IN FISHES ...Agricultural Chemicals-general, Environmental Ecology, Pathology, Pollution Effects, Viral Pollutant Sources, ...5.0786
- FREQUENCY DISTRIBUTION OF CHEMICAL POLLUTANTS IN SHELLFISH AND THE MARINE ENVIRONMENT ...Food, Organophosphorous Cpd., Oysters, Southern, Toxicological and Allergy, ...5.0021
- EFFECT OF THE EFFLUENT FROM AN ATOMIC POWER PLANT ON THE ADJACENT PORTION OF BARNEGAT BAY, NEW JERSEY ...Bays, New Jersey, Pollution Effects, Reactor Sites & Rad Waste, Thermal Pollution, Water Temperature-non-specific, ...5.1076

Pollution Sources

Agricultural Chemicals-general

- CHEMICAL CONTAMINANTS FOUND IN SURFACE AND SUB-SURFACE WATER AS RELATED TO SOIL AND CLIMATIC CONDITIONS ...Hardness-minerals, Pollutants - Path of, Runoff, Soil and Rock Leaching, Soil Environment, ...5.0476
- TRACE AND TRACER ELEMENTS IN GROUND WATER ...Arizona, Groundwater, Industrial Wastes, Trace Elements, Tracers-general, ...4.0010
- GREENHOUSE AND OUTDOOR NURSERY CULTURE OF SALTCEDEAR PLANTS TO BE USED IN PHREATOPHYTE CONTROL PROGRAM ...Greenhouse, Saltcedar, Tamarisk, Shrubs & Vines, Mainly Fibrous, Trees, ...3.0131
- ENVIRONMENT AND VIRUS-HOST INTERACTIONS IN FISHES ...Environmental Ecology, Pathology, Pollution - Effects of, Pollution Effects, Viral Pollutant Sources, ...5.0786

Agricultural Chemicals-other

- PILOT PLANT DEVELOPMENT OF THE ION-EXCHANGE PROCESS FOR RECOVERY OF AMINO COMPOUNDS FROM POTATO STARCH FACTORY EFFLUENTS ...Air Pollution - other, Amino Acids -non-specific, Food Processing Industry, Plant Waste Removal, Treatment, Vegetables, ...5.0990

Algal Pollutant Sources

- BLUE-GREEN ALGAE POISONING ...Algal Toxins, Arizona, Cyanophyta (non-specific & Ot), Range Or Territorial Distr., Vegetable Origin, ...5.0041
- A STUDY OF ALGAL POPULATIONS ASSOCIATED WITH DIFFERENT LEVELS OF WATER QUALITY IN NEW HAMPSHIRE ...Bioindicators, Eutrophication, New Hampshire, Nutrition Studies, Water Quality-general, ...5.0712
- CLADOPHORA AS RELATED TO POLLUTION IN WESTERN LAKE ERIE ...Bioindicators, Chemical Analysis, Cladophora, Lake Erie, Mapping, ...5.0883

SUBJECT INDEX

Pollution Sources

- BUOYANCY AND SINKING CHARACTERISTICS OF FRESH-WATER PHYTOPLANKTON ...Fresh Water, Herbicides -non-specific, Phytoplankton, Primary Productivity, Vertical Distribution, ...5.1064
- A STUDY OF INHIBITORY COMPOUNDS PRODUCED BY FRESH-WATER ALGAE ...Chemicals (incl: algacides), Chlorophyceae (non-specif.&ot), Eutrophication, Metabolic Inhibitors, of Aquatic Plants, ...5.0446
- ALGAL GROWTH AND DECOMPOSITION - EFFECTS ON WATER QUALITY ...Algal Culture, Cell Injury and Autolysis, Growth and Differentiation, Mineral Composition, Model Systems, Water Quality-general, ...5.0443
- ALGAE DEGRADATION IN WATERWAYS ...Algal Culture, Cell Injury and Autolysis, Mixed Culture, Water Properties-general, ...5.0126
- PILOT-SCALE STUDY OF IMPROVED PHOSPHATE REMOVAL BY MODIFIED ACTIVATED SLUDGE PROCESS ...Activated, Bacteria, Disposal, Pilot Plant, Waste Treatment-economics, ...5.0560
- POLLUTION AS A RESULT OF FISH CULTURAL ACTIVITIES ...Biological Pollutants -general, Captive Rearing, Management -other, Pollution - Effects of , Water Quality Control-general, ...5.1199
- EFFECT OF PHOSPHORUS REMOVAL PROCESSES ON ALGAL GROWTH ...Algae, Biological Treatment-other, Denitrification, Eutrophication, Nutrients, ...5.0097
- REVIEW OF ALGALCIDES ...Algacides -non-specific, Public Utilities, Residential, Survey Studies, Water Distribution Systems, ...5.0358
- A SURVEY OF PHYTOPLANKTON IN AND OLD AND A NEW RESERVOIR ...Ohio, Phytoplankton, Reservoirs and Impoundments, ...6.0434
- RHEOTAXIS IN ALGAL METABOLISM AND PHOTOSYNTHESIS ...Cladophora, Lake Erie, Motility and Migration, Photosynthesis, Respiration, ...6.0377
- DETERMINATION OF CRITICAL PHOSPHATE AND NITRATE CONCENTRATIONS FOR ALGAL BLOOM CONDITIONS IN LAKE ERIE ...Eutrophication, Growth and Differentiation, Nitrogen, Phosphorus, ...6.0086
- STUDY OF EUTROPHICATION IN LAKES MAGOG & BROME ...Canada, Eutrophication, Freshwater Ecology, Growth and Differentiation, Nutrition Studies, ...5.0165
- DIATOM REMOVAL BY FLOCCULATION ...Algae- Diatoms, Flocculation, Plankton (non-specific), Sand, ...5.0353
- PHYCOVIRUSES - THEIR NATURE, OCCURRENCE, AND APPLICATION ...Algal Virus, Biocontrol, Eutrophication, Isolation, Pathological Physiology, ...5.0859
- TASTES AND ODORS IN WATER SUPPLIES ...Pollutants-general, Pollution-water, Studies, Organoleptic, Taste and Odor, Water for Cooking Or Drinking, ...5.0066
- EXTRACTION OF ALGAE BY FLOCCULATIVE TECHNIQUES ...Additives, Extraction, Flocculation, Public Works, ...5.0398

Animal Pollutant Sources

- ROOT-KNOT NEMATODE CONTROL (MELOIDOGYNE NAASI-FRANKLIN) ...Formulation, rate, concentration, Nematocides -non-specific, Nematodes, Population Dynamics, Rhabditidae, ...3.0042
- ZOOPLANKTON STANDING CROPS IN A SOUTH DAKOTA PRAIRIE LAKE ...Aquatic Ecology, Lakes, Population Dynamics, South Dakota, Zooplankton, ...5.1110
- WATER RESOURCES NEMATOLOGY ...Aquatic Ecology, Environmental Ecology, Mans Activities, Nematoda -other, Productivity - Food Chain, ...5.0001
- STUDIES ON THE INTERACTIONS OF BACTERIA AND AQUATIC NEMATODES ...Aquatic Ecology, Bacteria (non-specific), Bacterial Pollutant Sources, Interbiotic Relat.(non-specif), Nematoda -other, ...5.0013
- ECOLOGY OF SCHISTOSOME DERMATITIS IN WESTERN AND NORTHERN NEVADA WATERS ...Contamination - Water, Lakes, Nevada, ...6.0338
- WATER QUALITY PROTECTION - SYNTHESIS OF POTENTIAL MOLLUSCICIDES ...Mode of Action -animal, Molluscicides -non-specific, Schistosoma, Screening Potential Pesticides, ...5.1066
- LAKE MICHIGAN CHEMICAL CONTROL OF SEA LAMPREY ...Control of Nuisance Species, Evaluation, Lampreys, Larvicides, ...5.0576
- BIOASSAY ...Evaluation, Lampreys, Piscicides -non-specific, Streams, Water Properties-general, ...5.0580

- MARINE BIOTOXINS ...Bioindicators, Contamination, Pollution-water, Eutrophication, Gonyaulax, Venom, ...5.1072

Animal Wastes - Feed Lots

- POLLUTION FROM ANIMAL FEEDLOTS ...Filtration, Rainfall Simulators, Runoff, Solid Waste, Waste Disposal -underground, ...4.0118
- ECOLOGY OF NEMATODES IN IRRIGATION WATER ...Bioindicators, Irrigation-general, Longevity, Nematoda -other, Pollution - Effects of , ...5.1232
- DISPOSAL OF WASTE FROM SWINE FEEDING FLOORS TO MINIMIZE OR ELIMINATE STREAM POLLUTION ...Septic Tanks, Underground Waste Disposal, ...5.0499
- SECONDARY TREATMENT OF HOG WASTE IN AN ANAEROBIC STABILIZATION POND ...Anaerobic, North Dakota, Secondary Treatment, Septic Tanks, Sewage Lagoons, ...5.0830
- BIOLOGICAL TREATMENT OF BEEF ANIMAL WASTES TO REDUCE WATER POLLUTION ...Aeration, Anaerobic, Biochemical Oxygen Demand, Chemical Oxygen Demand, Chemical Treatment, Farm Wastes, Livestock Equipment, ...5.0433
- USING SOIL FILTRATION TO REDUCE POLLUTION POTENTIAL OF LAGOON EFFLUENT ENTERING GROUND WATER SYSTEM ...Filtration, Induced Infiltration, Lagoon, Soil, Soil Conditions, ...5.0402
- (FSCF CATEGORY V D) MANAGEMENT OF CATTLE FEEDLOT WASTES ...Anaerobic, Animal Waste Removal-treatment, Farm Wastes, Lagoon, Sewage Lagoons, ...5.0412
- DETECTION AND SIGNIFICANCE OF ENZOOTIC WATER POLLUTION ...Bacterial Pollutant Sources, Bioindicators, Enzootic, Protozoa -other, Sewage Bacteria, ...5.0700
- NITRATES IN WATER SUPPLIES ...Nitrate, Nitrite, Nitrogen, Physical Properties-general, Pollutants - Path of , Soil Sampling, Waste Disposal -underground, ...5.0679
- CATTLE FEED LOT WASTE WATER TREATMENT ...Aerobic, Anaerobic, Effluent-standards, Lagoon, Water Reuse, ...5.0422
- ROLE OF ANIMAL WASTES IN AGRICULTURAL LAND RUNOFF ...Agricultural Watersheds, Runoff, Small Watersheds, ...5.0822
- DISPOSAL OF WASTES FROM SWINE FEEDING FLOORS TO MINIMIZE STREAM POLLUTION ...Animal Waste Removal-treatment, Farm Wastes, Management, Process Design, Streams, ...5.0500
- SPRAY DISPOSAL OF LIQUID COW MANURE ...Animal Waste Removal-treatment, Effluent-standards, Farm Wastes, Pump-other, Waste Disposal -underground, ...5.0224
- LAGOONS FOR DISPOSAL OF BARN YARD WASTES ...Animal Waste Removal-treatment, Climate, Farm Wastes, Lagoon, Louisiana, Process Design, ...5.0452
- FARM ANIMAL WASTE DISPOSAL ...Animal Waste Removal-treatment, Management, Manure, Pollution - Effects of , ...5.0736
- FEED AND WASTE HANDLING IN THE DAIRY OPERATION ...Animal Waste Removal-treatment, Management, Pennsylvania, Sprinkler Irrigation, ...5.1023
- SUITABILITY FOR SEPTIC TANK DISPOSAL SYSTEMS AND PRODUCTIVITY POTENTIALS OF PENNSYLVANIA SOILS ...Percolation, Septic Tanks, Soil, Waste Water Treatment-general, Water Table Fluctuation, ...5.1039
- ULTIMATE DISPOSAL OF SLUDGES BY SURFACE SPREADING ...Dewatering, Disposal, Transport, Waste Disposal -underground, ...5.0850
- POLLUTION IMPLICATIONS OF ANIMAL WASTE ...Animal Waste Removal-treatment, Farm Wastes, Livestock Equipment, Waste Water Treatment-general, ...5.0916

Bacterial Pollutant Sources

- BIOCHEMICAL EFFECTS OF MICROORGANISMS UPON THE SALT MARSH ENVIRONMENT ...Identification, Laboratory, Marine Bacteria (non-specific), Salinity, Swamps-marshes, ...1.0025
- CHANGES IN THE PHYSICAL AND BIOLOGICAL CHARACTERISTICS OF GROUND WATER RESERVOIRS AND ADJACENT SURFACE WATERS ...Bacteria, Biological-general, Groundwater Movement, Physical-general, Pollutants - Path of , ...1.0017
- ACID MINE DRAINAGE MICROBIOLOGICAL STUDIES ...Acidity, Identification, Mining Activities, Mining Industry, Sewage, ...5.1284
- STUDIES ON THE INTERACTIONS OF BACTERIA AND AQUATIC NEMATODES ...Animal Pollutant Sources, Aquatic

- Ecology, Bacteria (non-specific), Interbiotic Relat.(non-specif), Nematoda bother, ...5.0013
- FACTORS AFFECTING THE MOVEMENTS OF WATER AND ORGANISMS WITHIN A REGULATED MULTIPURPOSE LAKE ...Boundary Layer Studies, Currents -water, Lakes, Sediments, Washington, ...2.1114
- ECOLOGY OF SELECTED AQUATIC BACTERIA IN THE SNAKE RIVER ...Pollution - Effects of , Pulp, Paper , and Logging, Sewage, Snake River, Water Bacteria, ...5.1236
- BIOLOGICAL DEGRADATION OF WASTES UNDER PSYCHROPHILIC ENVIRONMENTS ...Biological, Low Temp. - But Above 32f, Mixed Culture, Polar, Water Bacteria, ...5.0036
- A QUANTITATIVE STUDY OF TRACE ELEMENTS ON ABIOTIC AND BIOTIC AGGREGATES IN THE MISSOURI RIVER . Food Pyramids, Missouri River, Silting, Trace Elements, ...5.0688
- BACTERIOLOGICAL AND ESTHETIC OF PLEASURE BOAT WASTE DISCHARGE ON SMALL HARBORS ...Analysis and Detection, Beautification, Boat Discharges, Harbors, Marinas, ...5.1267
- WATER QUALITY CONTROL WITH SYNTHETIC POLYMERIC FLOCCULANTS ...Activated, Bacteria, Flocculation, Organic, Water Quality Control-general, ...5.0221
- STUDIES ON PHOSPHORUS TRANSFORMATIONS IN EUTROPHIC LAKES ...Bacterial Culture, Budgets -other, Connecticut, Eutrophication, Nutrition, Phosphorus, ...5.0216
- ELECTROPHORETIC CLARIFICATION OF WATER ...Colloidal Phenomena, Desalination, Other, Pesticides -non-specific, Tertiary Treatment, Waste Water Treatment-general, ...5.1157
- OCCURENCE OF PROSTHECATE BACTERIA IN A GRADIENT-POLLUTED RIVER ...Baet. morphology(other Specif), Classification Or Taxonomy, Freshwater Ecology, Number, Streams, ...5.0571
- WATER POLLUTION BY DAIRY FARM WASTES AS RELATED TO METHOD OF WASTE DISPOSAL ...Alabama, Animal Waste Removal-treatment, Chemical Oxygen Demand, Farm Wastes, Management, Sewage Lagoons, Waste Disposal-general, ...5.0011
- METABOLIC ROLE OF SULFATES AND SULFIDES PRODUCING BACTERIA IN THE POLLUTION OF WATERS ...Autotrophic, Budgets -other, Mine Drainage Control, Respiration, Sulfur Bacteria, ...5.0438
- BACTERIOLOGICAL WATER QUALITY ANALYSES OF METHODS FOR DETECTING FECAL POLLUTION ...Bioindicators, Coliforms (non-specific), Microbiological Analysis, Salmonella (non-specific & Ot), Streptococcus Fecalis, ...5.1113
- MICROBIOLOGICAL STUDIES IN AN OPEN AND A CLOSED WATERSHED ...Coliforms (non-specific), Montana, Recreation Sites, Streptococcus Fecalis, Watersheds-general, ...5.0696
- SURVIVAL OF INDICATOR ORGANISMS AND ENTERIC BACTERIA IN WATER ...Bioindicators, Dyes, Longevity, Nutrients, Tennessee, ...5.1133
- STUDIES ON AQUATIC MYXOBACTERIA ...Bioindicators, Degradation, Myxobacteria, Nutrition, Range Or Territorial Distr. , Streams, ...5.0952
- EDDY DIFFUSION AND BACTERIAL REDUCTION IN WASTE FIELDS ...Diffusion, Dispersion -water, Dyes, Mixing, Pollutants - Path of , Sewers, ...5.0111
- DETECTION AND SIGNIFICANCE OF ENZOOTIC WATER POLLUTION ...Animal Wastes - Feed Lots, Bioindicators, Enzoitic, Protozoa -other, Sewage Bacteria, ...5.0700
- ENTERIC BACTERIA AND VIRUSES IN SEWAGE, WATER, AND SHELLFISH ...Coliforms (non-specific), Oysters, Pollution Effects, Sewage, Viral Pollutant Sources, ...5.0718
- A STUDY OF THE METABOLISM OF THE AQUATIC ACTINOMYCETES ...Actinomycetes -non-specific, Respiration, Taste and Odor, ...5.1168
- AQUATIC PLANT CHEMISTRY-ITS APPLICATION TO ECOLOGY ...Aquatic Plants (non-specific), Bactericides -non-specific, Endogenous Cpds -plants, Water Quality Control-general, ...5.0793
- BACTERIAL ADSORPTION ON SOILS ...Pollutants - Path of , Recharge -general, Self-purification, Soil Chemical Properties, Temperature, ...5.1190
- INDICATOR-PATHOGEN DENSITY RELATIONSHIPS IN TRIBUTARY STREAMS ...Bioindicators, Coliforms (non-specific), Microbiological Analysis, Pollutants - Path of , Streams, ...5.0562
- ENTERIC BACTERIAL DEGRADATION OF STREAM DETRITUS ...Intestinal Bacteria, Model Studies, Organic-general, Sanitation, Self-purification, ...5.0291

- APPLICATION OF BACTERIOPHAGES TO ELIMINATE MINE ACIDS ...Acidity, Bacteriophages (non-spec & Ot), Isolation, Mining Industry, ...5.0995
- STUDY OF ESTUARINE POLLUTION IN THE STATE OF HAWAII ...Economics-general, Estuaries, Forecasting-prediction, Hawaii, Sewage, ...5.0311
- WATER POLLUTION ...Cell. env.(non-specific & Ot.), Identification, Self-purification, Septic Tanks, Streams, ...5.0730
- THE MICROBIOLOGY OF FARM PONDS AND OTHER FRESH WATER SYSTEMS ...Domestic Wastes-general, Farm Pond, Pollution - Effects of , ...5.1286
- FLORA OF THE GENESEE COUNTRY--AQUATIC VASCULAR PLANTS CONESUS LAKE COMMUNITY STUDIES ...Aquatic Plants (non-specific), Budgets -other, Floras, New York, Range Or Territorial Distr. , ...6.0378
- STUDIES ON AQUATIC MYXOBACTERIA ...Applied Ecology, Fresh Water, Myxobacteria, Pollution Abatement, Range Or Territorial Distr. , ...5.0954
- ENTEROCOCCI, COLIFORM BACTERIA AND BACTERIOPHAGES IN LAKE WATER ...Bacteriophages (non-spec & Ot), Detection & Diagnosis, Streptococcus Fecalis, ...5.1315
- BACTERIOLOGICAL ANALYSIS OF THE FLOCS OF ACTIVATED SLUDGE OF DOMESTIC SEWAGE ...Activated, Disposal, Flocculation, Microbial-bacterial, Sewage, ...5.1311
- A COMPARISON OF TOTAL COLIFORM AND FECAL COLIFORM COUNTS IN STREAM POLLUTION SURVEYS ...Bioindicators, Coliforms (non-specific), Surface Water, Survey Studies, Water Standards, ...5.1296
- BIOTRANSFORMATION OF HEPTACHLOR BY BACTERIA - INTERACTION BETWEEN MICROORGANISMS AND PESTICIDES ...Biodegradation, Heptachlor, Other, Soil Bacteria, Water Bacteria, ...5.0645
- QUANTITATIVE DETECTION AND ENUMERATION OF POLLUTION INDICATOR BACTERIA OF WASTE WATERS AND SEWAGE TREATMENT PLANT EFFLUENTS ...Bacteria, Bioindicators, Detection, Membrane, Sewage Testing, ...5.0853
- SLIME CONTROL ASSOCIATED WITH PULP MILL EFFLUENTS ...Industrial Wastes, Nutrition, Pulp and Paper Wastes, Sphaerotilus, ...5.0977
- THE DEVELOPMENT OF OPERATIONAL SHELLFISH DEPURATION AND RELAYING SYSTEMS ...Clams, Salmonella Typhimurium, Thermal Pollution, Trace Elements, ...5.1068
- CLOSTRIDIUM OUTGROWTH AND TOXIN PRODUCTION DURING STORAGE OF SHELLFISH ...Clostridium Botulinum, Microbiological, Oysters, Pacific Ocean-general, Shelf Life & Storage, ...5.1223
- EVALUATION OF METHODS FOR QUANTITATION OF FECAL COLIFORM BACTERIA ...Estuaries, ...5.1224
- EVALUATION OF METHODS FOR RECOVERY OF ENTEROBACTERIACEAE FROM MARINE SOURCES ...Crustacea -non-specific, Estuaries, Intestinal Bacteria, Pollutants-general, ...5.1225
- THE ECOLOGY OF CLOSTRIDIUM BOTULINUM IN THE TVA LAKES AREA ...Bacterial Exotoxins, Clostridium Botulinum, Food, Microbiological, Range Or Territorial Distr. , Tennessee, ...2.0990

Biological Pollutants -general

- ADAPTATION BY MICROBIAL POPULATIONS ...Adaptation , Microorganisms (non-specific), Plant Succession, Waste Water Treatment-general, ...5.0770
- RAPID IDENTIFICATION OF MICROBIAL POPULATIONS IN WATER ...Fresh Water, Identification, Membrane, Water Bacteria, ...5.1167
- POLLUTION AS A RESULT OF FISH CULTURAL ACTIVITIES ...Algal Pollutant Sources, Captive Rearing, Management -other, Pollution - Effects of , Water Quality Control-general, ...5.1199
- APPLICATION OF IMMUNOCHEMICAL TECHNIQUES TO THE DETECTION AND IDENTIFICATION OF CHEMICAL AND BIOLOGICAL POLLUTANTS ...Chemical Identification, Immunology Methods, Mineralization, Technique Development, ...5.0260
- COOPERATIVE BIOLOGICAL PEST CONTROL RESEARCH ...California, Canals, Evaluation, of Aquatic Plants, Reservoirs and Impoundments, ...5.0087
- MICROBIOL ADSORPTION IN SOILS ...Adsorption Capacity, Electrical Properties, Microbiology -soil, Percolation, Soil Environment, ...2.0213
- DECONTAMINATION OF WATER CONTAINING CBR AND OTHER MATERIALS ...Chemical-general, Demineralization, Other, Radioactivity-general, Reverse Osmosis, ...5.1217

SUBJECT INDEX

Pollution Sources

MICROBIOLOGICAL INVESTIGATIONS ...Biological, Marine Fouling, Microorganisms (non-specific), Water Supply-general, ...3.0133

ORGANISMS RESPONSIBLE FOR TOXICITY OF ALASKAN CLAMS ...Alaska, Clams, Food Spoilage Detection, Microbiological, Pollutants-general, ...5.0032

Biological Pollutants -other

GROWTH SUPPRESSION AND REDUCTION IN REGROWTH POTENTIAL OF AQUATIC WEEDS ...Acrolein, Maturity Or Growth Stage of , of Aquatic Plants, Plant Resistance, Submerged Plants, ...2.0191

Boat Discharges

COALESCING MARINE OIL-WATER SEPARATOR ...Fluid-device-other, Teehniqne Development, Two-phase-other, Waste Water Treatment-general, ...5.0747

BACTERIOLOGICAL AND ESTHETIC OF PLEASURE BOAT WASTE DISCHARGE ON SMALL HARBORS ...Analysis and Detection, Baeterial Pollutant Sources, Beautification, Harbors, Marinas, ...5.1267

Domestic Wastes-general

OPTIMUM ECOLOGICAL DESIGNS FOR ESTUARINE SYSTEMS OF NORTH CAROLINA ...Estuaries, Marine Biology (non-specific), North Carolina, Pollution - Effects of , Pollution Effects, Productivity - Food Chain, ...2.0820

EFFECTS OF WATER POLLUTION ON ZOOPLANKTON ...Industrial Wastes, Pollution - Effects of , ...5.1127

PHOSPHORUS REMOVAL AND DISPOSAL FROM MUNICIPAL WASTEWATER ...Biological Treatment-other, Chemical Treatment, Phosphate, Phosphite, Waste Disposal-general, Waste Treatment-economics, ...5.1172

INVESTIGATION OF AMPHIPATHIC WATER-SOLUBLE POLYMERS AS FLOCCULANTS AND FLOTATION AIDS IN DOMESTIC WASTEWATER TREATMENT ...Flocculation, Flotation, Polyelectrolytes, Sewage - Domestic, Waste Water Treatment-general, ...5.0222

A STUDY TO EVALUATE THE EFFECT OF SILT AND SILT REMOVAL IN A NORTHERN PRAIRIE LAKE ...Eutrophication, Hardness-minerals, Lakes, Silting, ...5.1116

THE MICROBIOLOGY OF FARM PONDS AND OTHER FRESH WATER SYSTEMS ...Baeterial Pollutant Sources, Farm Pond, Pollution - Effects of , ...5.1286

INFLUENCE OF INDUSTRIAL AND MUNICIPAL WASTES ON ESTUARINE AND OFF SHORE WATER QUALITY ...Estuaries, Industrial Wastes, Pollution - Effects of , Washington, ...5.1271

Effluents-waste Water

ESTUARIES AND SHORE STUDIES AND WATER SURFACE INVESTIGATIONS ...Continental Shelf, Evaporation, Infrared Radiation, Shoreline - Coastline, Thermal Pollution, Visible Light, ...6.0143

A STUDY OF THE DISPOSAL OF THE EFFLUENT FROM A LARGE DESALINATION PLANT ...Construction Sites, Copper, Desalination, Desalination Wastes, Handbooks, ...3.0295

RESIDENT POPULATION DETERMINATION ...New Hampshire, Pollution - Effects of , Pollution Effects, Thermal Pollution, ...5.0709

DETERMINATION, EVALUATION, AND ABATEMENT OF COLOR IN TEXTILE PLANT EFFLUENTS ...Pollution Abatement, Textile Industry, Water Sampling, ...5.0296

EFFECT OF UNLINED TREATED SEWAGE STORAGE PONDS ON WATER QUALITY IN THE OGALLALA FORMATION ...Carbonate Aquifers, Pollution - Effects of , Ponds, Storage of Water, Texas, ...4.0245

EFFECTS OF SUGAR REFINING LAGOON EFFLUENTS ON BIOLOGICAL, PHYSICAL, AND CHEMICAL PROPERTIES OF FARGO CLAY ...Clay, Food Processing Industry, Industrial Processes-other, North Dakota, Soil Contamination -other, Soil Properties - Other, ...5.0834

ANALYSIS OF THERMAL POLLUTION DISPERSION ...Aeration, Dispersion -water, Stratified Flow, Temperature, Thermal Pollution, ...5.0726

A METHODOLOGY FOR PLANNING OPTIMAL REGIONAL WASTE MANAGEMENT SYSTEMS ...Management, Model Studies, Optimization, Regional Areas, Waste Water Treatment-general, ...6.0280

SURVEY OF WATER UTILIZATION AND WASTE CONTROL IN THE PULP AND PAPER INDUSTRY ...Pulp and Paper Wastes, Pulp, Paper , and Logging, Waste Treatment-economics,

Waste Water Treatment-general, Water Utilization -general, ...3.0376

ESTUARINE HYDROGRAPHY AND ITS ROLE IN TRANSPORT OF NATURALLY PRODUCED FOODS AND POLLUTANTS ...Estuaries, Georgia, Water Movement-general, Water Properties-general, Water Quality-general, ...2.0352

STEROLS AND LIPIDS IN WATER POLLUTION ...Chemical Identification, Lipid Hydroperoxides, Pollutants - Path of , Sewage, Sterols, ...5.1173

FILTRATION OF KRAFT PULP LIQUOR THROUGH CHIPS ...Filter-other, Pulp, Paper , and Logging, Pulp, Pulping & Composite, Waste Water Treatment-general, ...5.0824

USE OF FUNGI IMPERFECTI IN WASTE CONTROL ...Canning Wastes, Filtration, Food Processing Industry, Fungal Pollutant Sources, Industrial Wastes, Organics, ...5.0595

EUTROPHICATION OF SURFACE WATERS - LAKE TAHOE ...California, Eutrophication, Lakes, Runoff, ...5.0088

STEAM STRIPPING OF KRAFT PULP MILL EFFLUENT STREAMS ...Effluent-standards, Material Recovery Wastes, Organic Matter, Pulp and Paper Wastes, Pulp, Paper , and Logging, Waste Water Treatment-general, ...5.1263

UPTAKE AND RELEASE OF SOLUBLE ORTHOPHOSPHATE BY ACTIVATED SLUDGE ...Activated, Aeration, Concentration, Phosphate, Phosphite, ...5.0365

SPRING CREEK AUXILIARY WATER POLLUTION CONTROL PROJECT ...Bays, Combined Sewer, New York, Overflow, ...5.0759

SYSTEM MONITORING AND REMOTE CONTROL ...Automatic Data Aquisition, Gages, Instrumental Services, Other Telemetry, Physical Parameters, ...5.0559

BASIC SALINOGEN ION EXCHANGE RESINS FOR SELECTIVE NITRATE REMOVAL FROM POTABLE AND EFFLUENT WATER ...Ion Exchange-other, Nitrate, Nitrite, Organic, Potable Water, Selective-removal, ...5.0537

A MATHEMATICAL MODEL FOR THE FINAL CLARIFIER OF AN ACTIVATED SLUDGE PROCESS ...Activated, Computers-general, Forecasting-prediction, Thickening, Zeta Potential, ...5.1322

WASTE DISPOSAL IN RURAL AREAS ...Aerobic, Animal Waste Removal-treatment, Chemical Analysis (water), Farm Wastes, Rural Areas, Septic Tanks, ...5.0219

AZOTOBACTER ECOLOGY ...Azotobacter -non-specific, Bioindicators, Streams, Symbiotic Nitrogen Fixation, ...5.0322

CONSERVATION AND RENOVATION OF WASTE WATER ...Conservation-general, Natural Recharge, Pollution - Effects of , Soil Properties - General, Surface Irrigation -general, Waste Water Treatment-general, ...5.1035

FILTRATION OF AQUEOUS EFFLUENTS CARRYING EMULSIFIED OILS ...Coagulation, Emulsion, Filter-other, Oil - Technological Testing, ...1.0008

PRODUCTION AND DISPERSAL OF PATHOGENIC BACTERIAL AND VIRAL AEROSOLS BY AERATION OF CONTAMINATED WATERS ...Aeration, Aerosols, Biological Organisms, Monitoring-general, Mycobacterium Tubercul, Wind Tunnels, ...5.0301

STUDIES TO DEVELOP PROCESS DESIGNS FOR EFFLUENT QUALITY CONTROL ...Effluent-standards, Process Design, Waste Water Treatment-general, Water Quality Control-general, ...5.1175

WATER REUSE RESEARCH ...Plants - Systems-general, Sewage Treatment Plant, Urban Environments, Waste Water Treatment-general, Water Reuse, ...5.0176

ARABLE LAND DEGRADATION BY EFFLUENT POLLUTION ...Sanitation, Sewage Lagoons, Soil Chemical Properties, Soil Contamination -other, ...5.0171

BIOLOGICAL ASPECTS OF TERTIARY PONDS ...Phytoplankton, Pond, Protozoa -other, Sewage, Tertiary Treatment, ...5.0352

EFFECTS OF CHEMICAL AND BIOLOGICALLY MODIFIED PULPING EFFLUENTS ON THE PRODUCTION OF FISH ...Fish -non-specific, Industrial Wastes, Pulp, Paper , and Logging, Self-purification, Tox & Allergenic Effects, Willamette River, ...5.0936

STUDY OF THE APPLICABILITY OF EFFLUENT CHARGES TO WATER QUALITY MANAGEMENT IN THE STATE OF WISCONSIN ...Economic Impact, Survey Studies, Water Costs, Water Quality Control-general, Wisconsin, ...5.1307

REDUCTION OF RADIOISOTOPES IN HANFORD REACTOR EFFLUENTS ...Atomic Plants, Neutron Activation, Nuclear Reactors, Radioactivity-general, ...5.1253

THE CHARACTERISTICS AND POLLUTIONAL PROBLEMS OF IRRIGATION RETURN FLOWS ...Groundwater, Irrigation, Streams, Surface Water, Water Quality-general, ...5.0909

Pollution Sources

PIGMENT ANALYSIS FOR THE DETECTION OF ENRICHMENT ...Chemical Analysis (water), Eutrophication, Nutrients, of Aquatic Plants, ...5.0906

Fertilizers

NITRATE ACCUMULATION IN KANSAS GROUND WATER ...Groundwater, Ions and Gases, Kansas, Nitrate, Nitrite, Percolation, ...5.0434

WATER CONTAMINATION BY FERTILIZER NITROGEN AND PHOSPHORUS ...Agricultural Watersheds, Nitrogen, North Carolina, Phosphorus, Runoff, Subsurface Flow, ...5.0823

NITRATES IN PLANTS ...Fertilizer Losses, Management, Nitrate, Nitrite, Pollution - Effects of, Survey Studies, ...5.0680

THE EFFECTS OF FERTILIZATION ON PRODUCTIVITY OF FARM PONDS ...Farm Pond, Physical, Plant Prod. (non-specific), Productivity - Food Chain, ...6.0549

NITROGEN TRANSFORMATIONS IN SOIL ...Agricultural Watersheds, Nitrate, Nitrite, Pollutants - Path of, Runoff, Soil-water-plant Relationships, ...5.0045

INTERACTION OF INORGANIC AND ORGANIC FERTILIZER MATERIALS WITH PESTICIDES AS RELATED TO WATER QUALITY IN SOILS ...Absorption, Fixation, Exchange, Aldrin, Chemical Degradation, Other, Pesticides, ...5.0052

NITRATE IN SURFACE WATERS IN ILLINOIS ...Nitrate, Nitrite, Small Watersheds, Soil Types-other, Surface Water, ...8.0179

THE LOSS OF FERTILIZERS BY LEACHING FROM THE SOILS OF PUERTO RICO ...Fertilizer Losses, Methods of Application, Puerto Rico, Soil and Rock Leaching, ...3.0428

Forest Debris

DOCUMENT LOGGING DAMAGE ...Biological-general, Chemical-general, Fish -non-specific, Logging, Transport, Equipment, Physical-general, Pollution - Effects of, Population Dynamics, ...5.0145

EFFECTS OF LOGGING ON SALMON POPULATIONS IN COASTAL STREAMS ...Douglas Fir, Forest Watersheds, Logging, Transport, Equipment, Population Dynamics, Salmon - coho, chinook, sockeye, ...5.0947

LIMNOLOGICAL EFFECTS OF ORGANIC WATERSHED LITTER ...Flash Floods, Lakes, Southwest, Watersheds-general, ...5.0048

INFLUENCE OF LOG RAFTING ON WATER QUALITY ...Bioindicators, Estuaries, Logging, Transport, Equipment, Pulp, Paper, and Logging, Streams, ...5.0950

Fungal Pollutant Sources

USE OF FUNGI IMPERFECTI IN WASTE CONTROL ...Canning Wastes, Effluents-waste Water, Filtration, Food Processing Industry, Industrial Wastes, Organics, ...5.0595

Industrial Wastes

ABUNDANCE AND DISTRIBUTION OF BENTHIC MACRO-INVERTEBRATES IN A STREAM RECEIVING OILFIELD WASTEWATERS ...Benthic Fauna, Bioindicators, Contamination - Water, Number Or Density, Vertical Distribution, ...5.1028

A BENTHIC COMMUNITY OF THE PENOBSCOT RIVER ESTUARY ...Aquatic Ecology, Benthic Organisms (non-specific), Estuaries, Maine, Productivity - Food Chain, ...5.0473

SEWAGE TREATMENT, PILOT PLANT EVALUATION ...Ash-coal, Coal, Coal-general, Pilot Plant, Waste Treatment-economics, ...5.0870

WATER BALANCE IN SEWAGE STABILIZATION LAGOONS ...Organic Matter, Seepage, Sewage Lagoons, Water Balance-budget, Water Quality-general, ...5.0833

EFFECTS OF PULP MILL EFFLUENTS ON THE GROWTH AND PRODUCTION OF FISH ...Food Supply, Industry Land Use Effects, Pollution - Effects of, Pollution Effects, Pulp, Paper, and Logging, ...5.0961

TRACE AND TRACER ELEMENTS IN GROUND WATER ...Agricultural Chemicals-general, Arizona, Groundwater, Trace Elements, Tracers-general, ...4.0010

PHASE II-STUDY OF A RIVER SYSTEM AS A CHEMICAL REACTOR ...Maine, Other O.r., Reactors-other, Systems Analysis, Water Quality Control-general, ...5.0466

ACTIVITY PATTERNS OF FISH EXPOSED TO TOXIC MATERIALS ...Contamination - Water, Fish -non-specific, Pollution - Effects of, Pollution Effects, ...5.0421

TREATMENT OF DYEING BATH WASTE STREAMS BY FOAMING AND FLOTATION TECHNIQUE ...Color, Complexing, Dye Wastes, Flotation, Foam, ...5.1212

SUBJECT INDEX

EFFECT OF INDUST WASTES OF MEMPHIS & SHELBY COUNTY ON PRIMARY PLANKTONIC PRODUCERS ...Cell Cloning, Drainage, Plankton (non-specific), Primary Productivity, Tennessee, ...5.1134

MICROBIAL DEGRADATION OF ORGANIC POLLUTANTS OF INDUSTRIAL ORIGIN ...Chemical, Microbial-bacterial, Organic Matter, Sewage Bacteria, Toxic Substances -non-specific, ...5.0514

EFFECT OF BORON IN BIOLOGICAL WASTE TREATMENT ...Activated, Aerobic, Boron, Sewage - Domestic, Surfactants, ...5.0223

GAMMA RADIATION OF TEXTILE WASTE WATER TO REDUCE POLLUTION ...Cobalt, Gamma, Other, Textile Wastes, Waste Water Treatment-general, ...5.0006

DETECTION AND IDENTIFICATION OF MOLECULAR WATER POLLUTANTS BY LASER RAMAN SPECTROSCOPY ...Chemical Analysis, Detectors and Sensors, Lasers and Masers, Pesticides -non-specific, Physical Parameters, Raman, Surfactants, ...5.0441

WATER UTILIZATION AND WASTE CONTROL IN THE POULTRY PROCESSING INDUSTRY ...Animal Waste Removal-treatment, Economics-general, Food Processing Industry, Poultry - N S, Waste Water Treatment-general, Water Utilization - general, ...5.0819

EFFECT OF AN ACID-WATER ENVIRONMENT UPON THE SYNTHESIS OF GROWTH FACTORS BY BACTERIA ...Biosynthesis, Ionic Effect, Mining Activities, Waste Water Treatment-general, Water Bacteria, ...5.1285

STUDY OF COSTS OF TREATING TEXTILE WASTES IN MUNICIPAL AND INDUSTRIAL SEWAGE PLANTS ...Economics-general, Process Design, South Carolina, Textile Industry, Urban Environments, ...6.0489

THE DECOMPOSITION OF PETROLEUM PRODUCTS IN OUR NATURAL WATERS ...Anaerobic, Aquatic Environments, Chemical, Chemical Treatment-other, Petroleum Industry, ...5.0623

SHALLOW GROUND-WATER FLOW SYSTEMS IN RELATION TO INDUSTRIAL AND MUNICIPAL WATER SUPPLY AND WASTE DISPOSAL REQUIREMENTS ...Disposal Wastes, Groundwater Movement, Sanitary Landfills, Wisconsin, ...5.1316

BIOLOGICAL TREATMENT OF SPENT VEGETABLE TANNINS ...Biological, Chemical Treatment, Dyes and Coloring, Tannery Wastes, Waste Water Treatment-general, ...5.1283

EFFECTS OF WATER POLLUTION ON ZOOPLANKTON ...Domestic Wastes-general, Pollution - Effects of, ...5.1127

THERMAL AND INDUSTRIAL POLLUTION - DELAWARE RIVER ...Automatic Data Acquisition, Delaware River, Electric Power Plants, Physical Parameters, Pulp, Paper, and Logging, Thermal Pollution, ...5.0989

PULP MILL EFFLUENT DISPOSAL ...Bioindicators, Contamination - Water, Dispersion -water, Pulp and Paper Wastes, ...5.0940

PEAT BOG WASTE STABILIZATION ...Characterization, Drying-dewatering, Minnesota, Pulp and Paper Wastes, Waste Water Treatment-general, ...5.0611

USE OF FUNGI IMPERFECTI IN WASTE CONTROL ...Canning Wastes, Effluents-waste Water, Filtration, Food Processing Industry, Fungal Pollutant Sources, Organics, ...5.0595

CHARACTERIZATION OF STREAM REAERATION CAPACITY ...Aeration, Pollution - Effects of, Tracers-other, Water Costs, ...5.0303

REVERSE OSMOSIS TREATMENT OF WASTEWATERS ...Membranes-other, Organic Wastes, Polyelectrolytes, Process Design, Reverse Osmosis, ...5.0516

MANAGEMENT OF INDUSTRIAL WASTE DISCHARGES IN COMPLEX ESTUARINE SYSTEMS ...Estuaries, Management, Model Studies, Texas, Water Standards, ...5.1156

OPERATION OF POTATO PROCESSING PLANTS TO REDUCE WASTE AND STREAM POLLUTION ...Food Processing Industry, in Plant Treatment Wastes, Streams, Waste Water Treatment-general, ...5.0058

SORPTION ISOTHEMS OF PHENOL ON ION EXCHANGE RESINS ...Alcohols, Industrial Processes-other, Ion Exchange-other, Isotherm, ...2.0402

STUDY OF EFFECTS OF MILL WASTE WATER ON FISH LIFE ...Contamination - Water, Fish -non-specific, Industrial Processes-other, Pollution - Effects of, Pollution Effects, ...5.1174

PEACE RIVER POLLUTION INVESTIGATIONS ...Fish -non-specific, Florida, Phosphate, Phosphite, Pollution - Effects of, Pollution Effects, Streams, ...5.0273

OIL CONTAMINATION OF OYSTERS FROM OIL WELL DRILLING MUDS ...Oil, Oysters, Petroleum Industry, Pollution Effects, ...5.0449

SUBJECT INDEX

Pollution Sources

- EFFECTS OF CHEMICAL AND BIOLOGICALLY MODIFIED PULPING EFFLUENTS ON THE PRODUCTION OF FISH ...Effluents-waste Water, Fish -non-specific, Pulp, Paper, and Logging, Self-purification, Tox & Allergenic Effects, Willamette River, ...5.0936
- EFFECTS OF KRAFT PULP MILL EFFLUENTS ON THE GROWTH AND PRODUCTION OF FISH ...Pollution - Effects of, Pollution Effects, Pulp, Paper, and Logging, Salmon & Trout - Non-specific, ...5.0966
- INFLUENCE OF INDUSTRIAL AND MUNICIPAL WASTES ON ESTUARINE AND OFF SHORE WATER QUALITY ...Domestic Wastes-general, Estuaries, Pollution - Effects of, Washington, ...5.1271
- EFFECTS OF INDUSTRIAL EXPANSION ON THE AQUATIC ENVIRONMENT OF ESTUARINE AREAS ...Columbia River, Estuaries, Salmon & Trout - Non-specific, ...2.1131
- CHRONIC EFFECTS OF HEAVY METALS ON FISH ...Computer Matching-code, Contamination - Water, Mineral, Mineral Origin, Radioisotopes, ...5.0584
- SLIME CONTROL ASSOCIATED WITH PULP MILL EFFLUENTS ...Bacterial Pollutant Sources, Nutrition, Pulp and Paper Wastes, Sphaerotilus, ...5.0977
- MICROBIOLOGICAL TREATMENT OF POTATO WASTES ...Additives, Agricultural Microbiology, Canning Wastes, Material Recovery Wastes, Microbial-bacterial, Plant Waste Removal, Treatment, Trace Analyses-other, ...5.0978
- RELATIONSHIP OF THE SOURCE TO LEVELS OF TOXIC CHEMICALS IN SHELLFISH ...Freshwater Mussels, Scallops, Heavy Elements, Legal Standards, Pollutants - Path of, Pollution - Effects of, ...5.1073
- EFFECTS OF USING SALINE AND INDUSTRIAL WASTE WATERS ON YIELD AND QUALITY OF PLANTS ...Brackish Water, Irrigation, Irrigation-general, Saline and Alkaline Soils, Soil and Rock Leaching, Soil-water-plant Relationships, ...3.0258

Mans Activities

- A SOCIO-ENVIRONMENTAL STUDY OF A RIVER VALLEY ...Ecology, Ohio, River Basins, Social Aspects, ...6.0422
- UPDATING AND REPUBLICATION OF FACTORS INFLUENCING THE RESTORATION AND DEVELOPMENT OF OGDEN BAY REFUGE ...Publications -other, Swamps-marshes, Water Demand, Water Fowl, N.s., Water Utilization -animal, ...6.0594
- WATER RESOURCES NEMATOLOGY ...Animal Pollutant Sources, Aquatic Ecology, Environmental Ecology, Nematoda - other, Productivity - Food Chain, ...5.0001
- A STUDY OF SELECTED CHEMICAL AND BIOLOGICAL CONDITIONS OF THE LOWER TRINITY RIVER AND THE UPPER TRINITY BAY ...Commercial Fishing, Estuaries, Pollution - Effects of, Spawn Or Nesting Sites, Texas, ...6.0546
- PHYSIOCHEMICAL RESPONSES OF RIVERS TO NATURAL AND MANMADE ENVIRONMENTAL CHANGES ...Environmental Changes, Nutrients, Pollutants - Path of, Streams, ...5.1150
- EFFECTS OF CHEMICAL VARIATIONS IN AQUATIC ENVIRONMENTS ...Bioindicators, Chemical-general, Fish -non-specific, Water Environment -other, ...6.0103
- ST. JOHNS RIVER FISHERY PROJECT ...Environmental Ecology, Florida, Pollution Effects, Population Dynamics, Streams, ...3.0173
- INFLUENCES OF WATER QUALITY AND OTHER ENVIRONMENTAL CHANGES ON FISH AND ASSOCIATED ORGANISMS IN INLAND WATERS ...Aquatic Ecology, Environmental Ecology, Fish -non-specific, Pollution - Effects of, Social Aspects, Water Quality-general, ...5.0965
- WATER RESOURCES OF SOUTHEASTERN WISCONSIN - FOX RIVER BASIN ...Available Water, Groundwater Movement, Projections and Estimations, Surface Water, Wisconsin, ...4.0277
- RELATION OF RIVER-RUN IMPOUNDMENTS TO SALMON PRODUCTION ...Aquatic Ecology, Engineering Structures-general, Environmental Changes, Environmental Ecology, Pollution - Effects of, Salmon & Trout - Non-specific, ...6.0616

Mineralization

- THE ACCEPTABILITY OF MINERAL TASTE IN DOMESTIC WATER ...California, Potable Water, Taste, Water Utilization - domestic, ...5.0068
- DISSOLVED CONSTITUENTS OF NATURAL WATERS - CONTRIBUTIONS FROM MINERALIZED AREAS ...Chemical Reactions, Geochemical Analysis, Groundwater, Mineralogy-petrology, Ore Minerals, ...2.0734
- APPLICATION OF MODERN ELECTROANALYTICAL TECHNIQUES TO THE ANALYSIS OF HEAVY METALS IN

- WATER ...Analysis and Detection, Chronopotentiometry, Heavy Elements, Polarography, Trace Analyses-other, ...1.0040
- GRAND VALLEY SALINITY CONTROL DEMONSTRATION PROJECT ...Brackish Water, Canals, Colorado River, Linings-pavings, Natural Recharge, ...5.0203
- APPLICATION OF IMMUNOCHEMICAL TECHNIQUES TO THE DETECTION AND IDENTIFICATION OF CHEMICAL AND BIOLOGICAL POLLUTANTS ...Biological Pollutants -general, Chemical Identification, Immunology Methods, Technique Development, ...5.0260
- INORGANIC ADDITIONS RESULTING FROM WATER USE ...Composition, Hardness-minerals, Public Utilities, Water Reuse, ...5.0350
- FABRICS AND WATER PROBLEMS ...Hardness-minerals, Laundering, Wear, ...5.1112
- CLAY MINERAL STABILITY AND WATER COMPOSITION ...Clay Minerals-general, Clays, Interstitial - Connate Water, Moisture Content, Stability Fields, ...1.0124
- CORROSION AND ENCRUSTATION MECHANISMS IN WATER SUPPLIES ...Biological, Chemicals, Corrosion Prevention-other, Scaling, Encrusting, ...2.0274
- SELECTED FACTORS INFLUENCING TASTE OF DRINKING WATER ...Hardness-minerals, Potable Water, Saliva, Studies, Organoleptic, Temperature Control, Water for Cooking Or Drinking, ...5.0085

Mining Activities

- THE SPECIES DIVERSITY OF AQUATIC INSECTS AS RELATED TO MINE ACID POLLUTION ...Acidity, Contamination - Water, Insects -non-specific, Ph, Acidity -water, ...5.1033
- THE DISTRIBUTION OF FISH IN PENNSYLVANIA AS RELATED TO MINE ACID DRAINAGE ...Acidity, Contamination - Water, Fish -non-specific, Number Or Density, Pennsylvania, ...5.1026
- AN ECOLOGICAL STUDY OF AN ALKALINE STREAM WITH HEAVY IRON DEPOSITS ORIGINATING FROM TREATMENT OF MINE ACID WATER ...Alkalinity, Lake Trout, Brook Trout, Mineral Content -water, Productivity - Food Chain, Susquehanna River, Water Alkalinity, ...5.1025
- NEUTRALIZATION OF ACID STRIP-MINE LAKES ...Acidity, Lakes, Mine Drainage Control, Neutralization, Stocking of Fish & Shellfish, ...5.0626
- ACID MINE DRAINAGE MICROBIOLOGICAL STUDIES ...Acidity, Bacterial Pollutant Sources, Identification, Mining Industry, Sewage, ...5.1284
- ALTERNATIVE ECONOMIC RESPONSES TO THE ACID MINE DRAINAGE PROBLEM IN SOUTHEASTERN OHIO ...Acidity, Alternative Planning, Benefit-cost Analysis, Drainage, Water Treatment - General, ...5.0887
- EFFECTS OF HEATED WATER, ACID MINE DRAINAGE & ALKALINE ASH DRAINAGE ON WATER QUALITY & RESERVOIR COMMUNITY METABOLISM (ABBREV) ...Mine Drainage Control, Pollution - Effects of, Pollution Effects, Reservoirs and Impoundments, Thermal Pollution, ...5.0668
- TOLERANCE AND CYTOLOGICAL RESPONSE OF ALGAE TO MINE WATER ...Environment, Histology and Cytology, pH, pH -water, Pollution - Effects of, ...5.1276
- COPPER TOXICITY ON ALGAE OF THE BIG BLACKFOOT RIVER ...Contamination, Pollution-water, Copper, Environment, Montana, Pollution - Effects of, ...5.0701
- EFFECT OF AN ACID-WATER ENVIRONMENT UPON THE SYNTHESIS OF GROWTH FACTORS BY BACTERIA ...Biosynthesis, Industrial Wastes, Ionic Effect, Waste Water Treatment-general, Water Bacteria, ...5.1285
- THE EVALUATION OF ENVIRONMENTAL ALTERATION BY THERMAL LOADING AND ACID POLLUTION IN THE COOLING RESERVOIR OF A STEAM-ELECTRIC STATION ...Acidity, Growth Rate, Reservoirs and Impoundments, Thermal Pollution, Warm Water, ...5.0681
- STREAM POLLUTION IN THE NEW LEAD BELT OF SOUTHEAST MISSOURI ...Lead, Missouri, Pollution - Effects of, Streams, Water Quality-general, Zinc, ...5.0693
- A FIELD AND LABORATORY STUDY OF FLUORIDE UPTAKE BY OYSTERS ...Estuaries, Fluoride, Laboratory, Metabolism, Oysters, Phosphate, Phosphite, ...6.0407
- PHYSIOLOGICAL EFFECTS OF SUBLETHAL LEVELS OF ACID WATER ON FISH ...Acidity, Metabolic Efficiency, Ph, Acidity -water, Water Quality-general, West Virginia, ...5.1281
- GROWTH OF THE BROWN BULLHEAD, Ictalurus nebulosus (LESUEUR), IN MINE ACID POLLUTED WATER ...Acidity, Bullheads, Contamination - Water, Growth Rate, Ph, Acidity -water, Pollution Effects, ...5.1278

Pollution Sources

SUBJECT INDEX

- PIPELINE TRANSPORT OF SLUDGE ...Disposal, Mass Transfer, Pump, Sewage Treatment Plant, West Virginia, ...5.0869
- BIOLOGICAL TREATMENT OF ACID MINE WATER ...Acid Mine Wastes, Acidity, Anaerobic, Iron, Model Studies, Process Design, ...5.0795
- PHOSPHATE MINING EFFLUENT IN ESTUARINE ECOLOGY ...Applied Ecology, Estuaries, Mountmorillanite, Phosphate, Phosphite, Pollution - Effects of, ...5.0821
- FEASIBILITY OF THE PURIFICATION OF ACID MINE WATER BY A PARTIAL FREEZING PROCESS ...Acid Mine Wastes, Freezing, Waste Treatment-economics, ...5.0997
- SULFIDE TREATMENT OF ACID MINE DRAINAGE ...Acid Mine Wastes, Regeneration-other, Sludge-general, Sulfide, Waste Treatment-economics, ...5.1004
- OPTIMIZATION AND DEVELOPMENT OF IMPROVED CHEMICAL TECHNIQUES FOR THE TREATMENT OF COAL MINE DRAINAGE ...Acid Mine Wastes, Chemical Treatment, Drainage, Optimization, Pilot Plant, Process Design, ...5.0999
- IN-SITU PRECIPITATION OF SLUDGE RESULTING FROM REACTION OF MINE WATER WITH LOW COST ADDITIVES TO PREVENT MINE DRAINAGE POLLUTION ...Acid Mine Wastes, Drainage, Neutralization, Precipitation, Treatment-other, ...5.1000
- A FIVE YEAR LIMNOLOGICAL STUDY OF A NEWLY CREATED ACID MINE WATER IMPOUNDMENT ...Acidity, Alkalinity, Chemical Analysis (water), Chemical-general, Physical-general, ...5.0895
- COMPARATIVE STUDY OF PHYTOPLANKTON IN NEW AND RECLAIMED ACID MINE DRAINAGE PONDS ...Acidity, Nutrition Studies, Phytoplankton, Ponds, Waste Water Treatment-general, ...6.0437
- STRIP-MINING AND WATER QUALITY ...Chemical-general, Erosion-general, Rainfall Simulators, Runoff, Spoil Banks, ...5.0889
- TREATMENT OF COAL MINE WATERS TO MEET CURRENT COMMONWEALTH WATER DISCHARGE REQUIREMENTS ...Coal-general, Lagoon, Pennsylvania, Waste Treatment-economics, Waste Water Treatment-general, ...5.1038
- COAL STRIP MINE WATERSHED STUDY ...Aquatic Ecology, Coal-general, Pollution - Effects of, Soil Management -non-specific, Stream Rehabilitation, Strip Mines, ...2.0980
- HYDROLOGIC INFLUENCES OF STRIP MINING, BEAVER CREEK, KENTUCKY ...Appalachia, Coal-general, Hydrology-general, Pollution - Effects of, Strip Mines, ...5.0890
- WATER CONTROL - CONTROL TECHNIQUES FIELD TESTING AND EVALUATION ...Acidity, Chemical Analysis (water), Coal-general, Mine Drainage Control, Pollution Abatement, ...5.1018
- THE CHARACTERISTICS AND POLLUTIONAL PROBLEMS OF PETROCHEMICAL WASTES ...Groundwater, Other, Petroleum Chemistry, Petroleum Industry, Pollution - Effects of, ...5.0908
- RESEARCH NEEDS PERTAINING TO PETROLEUM WASTE WATERS ...Industrial Processes-other, Petroleum Chemistry, Petroleum Industry, Water Quality Control-general, ...5.0914

Nutrients

- BIOLOGY AND CHEMISTRY OF MARINE PLANKTON POPULATIONS ...Buoys, Chlorophyll, Food Chains, Phytoplankton, Vertical Distribution, Zooplankton, ...6.0289
- IN SITU STUDY OF FACTORS CONTROLLING NUTRIENT REGENERATIONS IN THE BOTTOM SEDIMENTS ...Adirondack Province, Aquatic Soils, Exchange Capacity, Mineral Content -water, Phosphorus, Ponds, ...2.0806
- EFFECTS OF ORGANIC POLLUTION ON HATCHABILITY AND SURVIVAL OF BROOK TROUT, SALVELINUS FONTINALIS, AND GROWTH OF BROWN TROUT, SALMO TRUTTA ...Brown Trout, Lake Trout, Brook Trout, Pollution - Effects of, Population Dynamics, Streams, ...5.1027
- THE EFFECTS OF NUTRIENTS ADDITIONS AND STREAM DYNAMICS ON STREAM EUTROPHICATION ...Energy-dynamics, Eutrophication, of Aquatic Plants, Productivity - Food Chain, Streams, ...5.1040
- EXCHANGE OF PHOSPHORUS SPECIES BETWEEN LIVING AND NONLIVING SYSTEMS IN FRESH WATER ENVIRONMENTS ...Algae- General, Bioindicators, Biological Treatment-general, Waste Water Treatment-general, ...5.0812
- PHOSPHORUS BUDGETS OF LAKES SIDNEY, LANIER AND HARTWELL ...Chemical-general, Georgia, Phosphorus, Pollutants - Path of, Reservoirs and Impoundments, ...5.0293
- FLUIDIZED EXCHANGE SYSTEMS FOR REMOVAL OF NITROGEN AND PHOSPHOROUS FROM WASTEWATER ...Fluidized Bed, Ion Exchange-other, Nitrate, Nitrite, Phosphate, Phosphite, Waste Water Treatment-general, ...5.0556

- APPLICATION OF RADIOISOTOPE TECHNIQUES TO A CRITICAL WATER RESOURCES PROBLEM AREA (NUTRITIONAL POLLUTION) ...Algae, Phosphorus, Radioisotopes, ...5.0919
- DETERMINATION OF THE FEASIBILITY OF REMOVAL OF ALGAL NUTRIENTS IN LAKE WATERS BY ION-EXCHANGE ...Algae- General, Eutrophication, Ion Exchange-other, Lakes, Phosphate, Phosphite, ...2.0610
- MICROBIAL INTERVENTION IN THE EUTROPHICATION PROCESS ...Eutrophication, Food Chains, Organic, Phytoplankton, Water Bacteria, ...5.0515
- BASIC RESEARCH IN THE AQUATIC ENVIRONMENT EFFECTS OF EUTROPHICATION ON PLANKTON ALGAE AND BENTHIC PLANTS COMMUNITIES ...Eutrophication, ...2.0803
- LIMNOLOGICAL INVESTIGATIONS OF TEXAS IMPOUNDMENTS FOR WATER QUALITY MANAGEMENT PURPOSES ...Chemical-general, Management, Reservoirs and Impoundments, Texas, Water Quality Control-general, ...5.1148
- RESPIRATION OF AQUATIC MACROPHYTES IN EUTROPHIC SYSTEMS ...Environmental Effects-geologic, Eutrophication, of Aquatic Plants, Plant Pollutants, Respiration, ...5.1041
- A EUTROPHICATION MODEL OF THE WHITE RIVER BASIN ABOVE BEAVER RESERVOIR IN NORTHWEST ARKANSAS ...Arkansas, Eutrophication, Forecasting-prediction, Reservoirs and Impoundments, Simulation, ...5.0053
- THE ROLE OF AQUATIC VASCULAR PLANTS IN THE EUTROPHICATION OF SELECTED LAKES IN WESTERN MASSACHUSETTS ...Bioindicators, Eutrophication, Lakes, Massachusetts, Water Properties-general, ...2.0609
- DEVELOPMENT OF A MATHEMATICAL MODEL TO PREDICT THE ROLE OF SURFACE RUNOFF AND GROUND WATER FLOW IN OVERFERTILIZATION OF SURFACE WATERS ...Eutrophication, Mathematical Analysis, Minnesota, Runoff, Surface Water, ...5.0606
- LUXURY METABOLIC STORAGE OF PHOSPHORUS IN THE ACTIVATED SLUDGE FLOC ...Activated, Adsorption-absorption-other, Flocculation, Phosphorus, Waste Water Treatment-general, ...5.1318
- THE EFFECTS OF THERMAL LOADING AND WATER QUALITY ON ESTUARINE PRIMARY PRODUCTION ...Acidity, Estuaries, Primary Productivity, Standing Crops, Thermal Pollution, ...6.0258
- SURVIVAL OF INDICATOR ORGANISMS AND ENTERIC BACTERIA IN WATER ...Bacterial Pollutant Sources, Bioindicators, Dyes, Longevity, Tennessee, ...5.1133
- RESERVOIR WATER QUALITY PREDICTION BASED ON LIMNOLOGICAL PARAMETERS ...Model Studies, Primary Productivity, Reservoirs and Impoundments, Water Properties-general, ...5.1102
- PLANT-AVAILABLE PHOSPHORUS STATUS OF LAKES ...Phosphorus, ...2.1153
- EXPERIMENTAL REVERSAL OF THE LAKE EUTROPHICATION PROCESS ...Biological-general, Circulation -water, Eutrophication, Temperature, Wisconsin, ...5.1308
- PHYSIOCHEMICAL RESPONSES OF RIVERS TO NATURAL AND MANMADE ENVIRONMENTAL CHANGES ...Environmental Changes, Mans Activities, Pollutants - Path of, Streams, ...5.1150
- INVESTIGATIONS OF ZOOGLOEAL FLOCS ...Adhesion, Classification Or Taxonomy, Diffusion, Other, Zooglia, ...5.1313
- EFFECTS OF RIVERS ON THE METABOLISM OF TEXAS BAYS ...Bays, Pollutants-general, Primary Productivity, Streams, Texas, Water Quality-general, ...5.1182
- DETECTION OF LIMITING AND SURPLUS NUTRIENTS IN ALGAE ...Nitrogen, Nutrition, Nutrition Studies, Repression, ...5.1303
- NUTRIENT ASSIMILATION RATES - FIELD STUDIES ...Estuaries, Fertilizers -aquatic, Phosphorus, Ponds, ...5.0620
- DEMONSTRATION OF THE CHANNEL AERATION PROCESS IN TREATMENT OF SEWAGE ...Aeration, Applied Ecology, Enteroviruses of Animals, Enteroviruses of Humans, Salmonella (non-specific & Ot), ...5.0596
- RENOVATION OF A DYSTROPHIC LAKE INTO A EUTROPHIC LAKE ...Aeration, Biological-general, Eutrophication, Lakes, Organic Matter, ...5.0761
- DEMONSTRATING THE EFFECT OF NUTRIENTS IN OXIDATION POND RECEIVING STREAM ...Algae, Bacteria, Biochemical Oxygen Demand, Lagoon, Pond, ...5.0920
- TERTIARY ACTIVATED SLUDGE TREATMENT TO RECLAIM WASTES FOR WATER SUPPLY FOR AGRICULTURAL AND RECREATIONAL PURPOSES ...Activated, Denitrification, Loading, Tertiary Treatment, Waste Treatment-economics, ...5.0077

SUBJECT INDEX

Pollution Sources

KINETICS OF ALGAL SYSTEMS IN WASTE TREATMENT ...Algae, Biological, Model Studies, Pilot Plant, Process Design, ...5.0069

EFFECTS OF POLLUTANTS ON SUBMARINE PLANT SYNECOLOGY ...Applied Ecology, Industrial Wastes, Plant Prod. (non-specific), Plant Succession, Sedimentation, Sediments, ...5.1221

NUTRIENT CONTROL PROJECT - DETROIT LAKES, MINNESOTA ...Eutrophication, Lakes, of Aquatic Plants, Secondary Treatment, Stream Rehabilitation, ...5.0583

EFFECT OF PHOSPHORUS REMOVAL PROCESSES ON ALGAL GROWTH ...Algae, Algal Pollutant Sources, Biological Treatment-other, Denitrification, Eutrophication, ...5.0097

SEDIMENT-WATER-BACTERIA INTERACTIONS IN EUTROPHICATION ...Deposits-other, Eutrophication, Lakes, Oregon, Water Bacteria, ...5.0953

ENZYMATIC TECHNIQUE FOR DETECTION OF SURPLUS PHOSPHORUS UPTAKE BY ACTIVATED SLUDGE ...Activated, Biological Techniques, Phosphorus, ...5.1149

BIOLOGICAL MODELS OF FRESHWATER COMMUNITIES ...Aquatic Ecology, Fresh Water, Freshwater Ecology, Model Studies, Urban Environments, ...5.1270

DEVELOP AND DEMONSTRATE A METHOD FOR ASSESSING THE EXTENT OF POLLUTION FROM STORM WATER RUNOFF IN AN URBAN AREA ...Alternative Planning, Combined Sewer, Iowa, Storm Water, Urban Environments, ...5.0705

ALGAL BIOASSAY TO DETERMINE THE EXTENT OF NUTRIENT REMOVAL BY AWT AT THE WASTE TREATMENT PLANT AT ELY, MINNESOTA ...Algae, Bioassays, Denitrification, Pilot Plant, Waste Water Treatment-general, ...5.1304

ULTIMATE DISPOSAL OF PHOSPHATE FROM WASTEWATER BY RECOVERY AS FERTILIZER ...Activated, Ammonia, Disposal, Fertilizers, Material Recovery Wastes, Phosphate, Phosphite, ...5.0342

THE ECOLOGY OF SELECTED SUBMERSED AQUATIC WEEDS ...Depth, Ions and Gases, of Aquatic Plants, Range Or Territorial Distr., Submerged Plants, ...2.0620

FARM FISH POND MANAGEMENT ...Farm Pond, Fertilizers - aquatic, Food Supply, Management, Productivity - Food Chain, ...6.0300

EQUIPMENT TO AGITATE POND SOILS FOR RELEASE OF NUTRIENTS ...Aquatic Soils, Limestone - General, Ponds, Soil Environment, Technique Development, ...5.0774

MAJOR FACTORS INFLUENCING PRODUCTION OF PHYTOPLANKTON IN NEW YORK LAKES ...Energy, Lakes, New York, Phytoplankton, ...2.0796

THE PROCESSES AND CONDITIONS CONTRIBUTING TO THE ACCUMULATION OF NUTRIENTS IN DRAINAGE WATER FROM IRRIGATED AREA AND SOIL RECLAMATION ...Boron, Nitrogen, ...4.0027

TROPHIC TYPOLOGY OF OHIO LAKES ...Eutrophication, Freshwater Ecology, Lakes, Ohio, Plant Succession, ...5.0893

ECOLOGICAL SUCCESSION IN A NORTHEASTERN OHIO RESERVOIR ...Eutrophication, Ohio, Plankton (non-specific), Plant Succession, Reservoirs and Impoundments, ...5.0894

THE INCORPORATION OF C14-BICARBONATE INTO THE PIGMENTS OF BLUE-GREEN ALGAE POPULATION ...Carotenoid Pigments, Chlorophyll, Oscillatoria, Pheobilins, Pigments, ...6.0433

STUDIES ON INORGANIC NUTRIENT ASSIMILATION RATES IN ESTUARINE PONDS ...Estuaries, Mineral Content -water, Nitrogen, Phosphorus, Self-purification, ...5.0621

DETERMINATION OF THE PHOSPHATE CONTENT OF NATURAL WATERS, AT THE NUTRIENT LEVEL, BY SOLVENT EXTRACTION ...Automatic Systems, Extraction-other, Fresh Water, Phosphate, Phosphite, Trace Analyses-other, ...1.0015

NUTRIENT REMOVAL FROM AGRICULTURAL WASTE WATERS ...California, Denitrification, Eutrophication, Pilot Plants, San Francisco Bay, Waste Water Treatment-general, ...4.0032

NUTRIENT REMOVAL IN A WATER TREATMENT PLANT ...Biological Treatment-other, Coagulation, Denitrification, Flocculation, Potable Water, Sand, ...5.0355

NUTRIENT INPUT TO WASHINGTON SOILS FROM ATMOSPHERIC SOURCES ...Air - Water - Plant Relations, Irrigation, Irrigation-general, Rain-general, Soil and Rock Leaching, ...2.1124

RETENTION OF NUTRIENTS AND OTHER POLLUTANTS IN SEWAGE BY SOILS ...Analysis and Detection, Moisture Retention, Pollutants-general, Sewage, Silt, ...5.1312

EFFECTS OF DEVELOPMENT ON WATER QUALITY ...Coliforms (non-specific), Eutrophication, Land Use, Soil Conditions, Streams, ...5.1118

WATER QUALITY AND NUTRIENTS, SACRAMENTO-SAN JOAQUIN RIVER SYSTEM ...Environmental Ecology, Eutrophication, Fish -non-specific, Plankton (non-specific), Water Quality-general, ...2.0127

QUALITY OF WATER OF THE TEXAS BAYS AND ESTUARIES ...Bays, Estuaries, Pollutants - Path of, Texas, Water Quality-general, ...2.1003

IRRIGATION RETURN FLOW ...Irrigation-general, Pollutants - Path of, Runoff, Salinity, Water Quality-general, ...5.0183

EUTROPHICATION RESEARCH AMERICAN FALLS RESERVOIR STUDY ...Chemical Analysis (water), Eutrophication, Idaho, Reservoirs and Impoundments, Water Quality Control-general, ...5.0317

ENVIRONMENTAL CHANGES IN LAKE ERIE ...Aquatic Ecology, Environmental Changes, Environmental Ecology, Ions and Gases, Lake Erie, ...5.0540

CHEMICAL CHARACTERISTICS OF THE GREAT LAKES ...Chemical Analysis (water), Great Lakes-general, Productivity - Food Chain, Water Quality-general, ...5.0542

ECOLOGICAL ENGINEERING PROJECT ...Atmosphere Radiation, Synthetic Hydrology-general, Temperature, Tracers-general, Velocity -water, ...6.0159

EUTROPHICATION - REMOVAL OF NUTRIENTS - SHAGAWA LAKE ...Activated Carbon, Coagulation, Eutrophication, Ion Exchange-other, Sediments, Tertiary Treatment, Trickling, ...5.0594

EUTROPHICATION - EFFECT OF WEED HARVESTING ...Eutrophication, of Aquatic Plants, Physical Control, Plant Succession, ...5.0970

EUTROPHICATION - SEDIMENT-WATER INTERCHANGE STUDIES ...Eutrophication, Exchange Capacity, Ion Exchange-other, Lakes, Sediments, ...5.0982

PROCESS DEVELOPMENT FOR REMOVAL OF NUTRIENT MATERIALS FROM WASTEWATERS ...Activated, Anaerobic, Denitrification, Loading, Nitration, Pollutant-other, ...5.0841

RURAL RUNOFF CONTROL ...Adsorption-desorption, Pesticides - non-specific, Runoff, Rural Areas, Thermal Properties-other, ...5.0282

PIGMENT ANALYSIS FOR THE DETECTION OF ENRICHMENT ...Chemical Analysis (water), Effluents-waste Water, Eutrophication, of Aquatic Plants, ...5.0906

REMOVAL OF NUTRIENTS FROM ENRICHED FLOWS & WASTE EFFLUENTS BY THE HYDROPONIC CULT OF SUITABLE FORAGE PLANTS & GRASSES ...Grasses -non-specific, Hydroponic, Management, Process Design, Waste Water Treatment-general, ...5.0910

BIOLOGICAL (ENRICHMENT) CHAINS OF RADIONUCLIDES IN FINNISH LAKES ...Cesium, Eutrophication, Finland, Radioactive Fallout, Radioisotopes, ...2.0309

Organic Matter

WATER BALANCE IN SEWAGE STABILIZATION LAGOONS ...Industrial Wastes, See page, Sewage Lagoons, Water Balance-budget, Water Quality-general, ...5.0833

ECOLOGICAL RELATIONSHIPS OF ORGANIC MATTER AND BACTERIA IN TUTTLE CREEK RESERVOIR ...Food Chains, Freshwater Ecology, Kansas, Reservoirs and Impoundments, Water Bacteria, ...5.0428

STRUCTURAL CHEMISTRY OF YELLOW ORGANIC MATTER IN FRESH WATER ...Chemical Analysis (water), Hydrogenolyses, Organic, Organic Content, Organic-general, ...5.1054

THE ECOLOGY OF STREAM BIOTA IN WASTE ASSIMILATION ...Degradation, Periphyton, Self-purification, Streams, Water Bacteria, ...5.0675

THE ORGANIC CONCENTRATION GRADIENT IN AN AERATION COLUMN ...Aeration, Bubbles, Foam, Surfactants, Waste Water Treatment-general, ...5.0734

MICROBIAL DEGRADATION OF ORGANIC POLLUTANTS OF INDUSTRIAL ORIGIN ...Chemical, Industrial Wastes, Microbial-bacterial, Sewage Bacteria, Toxic Substances -non-specific, ...5.0514

ADSORPTION OF ORGANIC COMPOUNDS ONTO SOLIDS FROM AQUEOUS SOLUTIONS ...Adsorption-general, Area, Organics-general, Solution, Surface Energy, Surface-other, ...1.0122

BIOCHEMICAL OXIDATION OF HYDROCARBONS IN NATURAL WATERS ...Bacteria (non-specific), Chemostat, Degradation, Hydrocarbons, Seasonal, ...1.0110

Pollution Sources

- THE APPLICATION OF LASER IONIZATION MASS SPECTROMETRY TO THE IDENTIFICATION OF ORGANIC SALTS IN POLLUTED WATER ...Applications of Lasers-masers, Physical Parameters, Spectroscopy, Sulfonates (rso3na), Surfactants, ...1.0108
- MACRO-FAUNA IN WASTE STABILIZATION LAGOONS ...Biological, Bloodworms, Aquatic Midges, Habitat Studies, Lagoon, Sewage Lagoons, ...5.0946
- ADSORPTION FROM AQUEOUS SOLUTION ...Adsorption, Adsorption-absorption-other, Adsorption-other, Organics, ...5.0558
- RENOVATION OF A DYSTROPHIC LAKE INTO A EUTROPHIC LAKE ...Aeration, Biological-general, Eutrophication, Lakes, Nutrients, ...5.0761
- STEAM STRIPPING OF KRAFT PULP MILL EFFLUENT STREAMS ...Effluent-standards, Effluents-waste Water, Material Recovery Wastes, Pulp and Paper Wastes, Pulp, Paper, and Logging, Waste Water Treatment-general, ...5.1263
- INDUCED AIR MIXING OF LARGE BODIES OF POLLUTED WATER ...Aeration, Injector, Mathematical Analysis, Mixing, Model Studies, ...5.0477
- STUDIES ON EFFECTS OF WATERSHED PRACTICES ON STREAMS ...Chemical-general, Discharge-general, Forest Watersheds, Periphyton, Physical-general, Primary Productivity, ...5.0948
- ORGANICS CAUSING TASTE OR ODOR IN THE MISSOURI RIVER ...Gas, Infrared, Library, Missouri River, Taste and Odor, ...5.0683
- SOILS, PESTICIDES AND THE QUALITY OF WATER ...Movement, Leaching, Organophosphorous Cpd., Physical Property Effects, Soil and Rock Leaching, Soil Environment, ...5.0325
- HETEROGENEOUS OXIDATION OF POLLUTANTS IN WATER ...Chemical Treatment-other, Element, Heterogeneous Catalysis, Oxidants, Regeneration-other, ...5.0789
- ORGANIC DEBRIS ON CONNECTICUT BEACHES AND SHORES ...Catabolism and Degradation, Connecticut, Identification, Physical-general, Shoreline - Coastline, ...5.0204
- RESEARCH IN LIMNOLOGY - INTERRELATIONS OF HYDROLOGY AND AQUATIC ECOLOGY ...Biological-general, Chemical-general, Destratification, Hydrology-general, Physical-general, ...2.0128
- TOTAL ORGANIC CARBON AS A POLLUTION CONTROL PARAMETER IN SUB-ARCTIC WATE ...Alaska, Chemical Identification, Infrared, Oxidation-general, Technique Development, ...5.0031
- ORGANIC MATTER AND ITS ROLE IN WATER QUALITY ...Management, Public Works, Reservoirs and Impoundments, Urban Environments, Waste Water Treatment-general, ...5.0122
- PARTICULATE-ORGANIC EFFECT - SENSORY QUALITY OF WATER ...Adsorption-other, Coagulation, Colloidal Phenomena, Potable Water, Taste and Odor, Waste Water Treatment-other, ...5.1013

Pesticides

- BIOLOGICAL AND CHEMICAL OXIDATION OF SELECTED ORGANIC PESTICIDES ...Biological, Chemical Degradation, Chlorinated Hydrocarbons, Chlorination, Degradation, Gas, ...5.0010
- SOIL, PESTICIDES AND THE QUALITY OF WATER ...Aquatic Or Soil-aquatic Cycles, Atrazine, Monuron, Movement, Leaching, Soil Environment, ...5.0196
- REDUCTION OF HAZARDS ASSOCIATED WITH THE PRESENCE OF RESIDUES OF INSECTICIDAL CHEMICALS IN THE ENVIRONMENT ...Chlorinated Hydrocarbons, Organophosphorous Cpd., Other, Persistence in Soils, Residues in Foods, ...5.0404
- DEVELOPMENT OF TILLAGE-REPLACING HERBICIDE SYSTEMS ...Contamination, Pollution-water, Runoff, Tillage, Cropping Systems, ...5.0884
- FATE OF HERBICIDES IN WATER AND CROPS IRRIGATED WITH WATER CONTAINING HERBICIDES ...Herbicides -non-specific, Persistence of Residues, Plant -other, Residues in Foods, Sprinkler Irrigation, ...5.1327
- INTERACTION OF INORGANIC AND ORGANIC FERTILIZER MATERIALS WITH PESTICIDES AS RELATED TO WATER QUALITY IN SOILS ...Absorption, Fixation, Exchange, Aldrin, Chemical Degradation, Fertilizers, Other, ...5.0052
- CHEMICAL BRUSH CONTROL - BIOCHEMISTRY AND TOXIC HAZARD ...Aquatic Or Soil-aquatic Cycles, Environmental Effects, Herbicides -non-specific, Other, Range, ...5.0944
- EFFECTS OF MALATHION ON LEARNING AND RETENTION IN THE GOLDFISH ...Escape and Avoidance, Goldfish, Malathion, Mode of Action -animal, Pollution - Effects of, ...5.0667

SUBJECT INDEX

- EFFECTS OF ENDRIN & MALATHION ON GONADAL HYDRATION RESPONSE OF MALE GOLDFISH & RAINBOW TROUT. PESTICIDE EFFECTS ON FISH ENDOCRINE FUNCTION ...Endrin, Goldfish, Malathion, Male Gametes, Mode of Action -animal, Rainbow Trout, Steelhead Trout, ...5.0634
- ECONOMIC ANALYSIS OF RESOURCE POLLUTION BY PESTICIDES AND OTHER WASTE MATERIALS ...Economic Impact, Economics of Chemical Control, Production & Processing, ...5.1204
- RELATIONSHIP OF PESTICIDES IN SOIL, WATER AND PLANTS ...Bioindicators, Degradation, Food Chains, Animal And/or Man, Soil-water-plant Relationships, ...5.0567

Plant Pollutants

- REGION 2 - WEED CONTROL ...Contamination - Water, Drainage, Irrigation-general, of Aquatic Plants, ...3.0093
- WEED AND ALGAE CONTROL, SMALL IMPOUNDMENT INVESTIGATIONS ...Georgia, of Aquatic Plants, Reservoirs and Impoundments, Soil Sterilants, ...5.0304
- RESPIRATION OF AQUATIC MACROPHYTES IN EUTROPHIC SYSTEMS ...Environmental Effects-geologic, Eutrophication, Nutrients, of Aquatic Plants, Respiration, ...5.1041
- IMPROVING SURFACE WATER CONDITIONS THROUGH CONTROL AND DISPOSAL OF AQUATIC VEGETATION ...Economic Efficiency, of Aquatic Plants, Plant Waste Removal, Treatment, Water Quality Control-general, ...5.1298
- CHANGES IN WATER ENVIRONMENT RESULTING FROM AQUATIC PLANT CONTROL ...Lakes, of Aquatic Plants, Physical Control, Recreation Sites, ...5.1301
- AQUATIC PLANTS OF POLLUTED WATERS IN S. W. UNITED STATES ...Aquatic Plants (non-specific), Habitat Studies, Pollution Sources-general, Southwest, Tables, Compilations, Catalogs, ...5.1184
- CHEMICAL CONTROL OF WEEDS IN PONDS ...Algicides -non-specific, Herbicides -non-specific, of Aquatic Plants, Ponds, Wildlife, ...5.0009
- AQUATIC WEEDS ...Aquatic Plants (non-specific), Herbicides -non-specific, of Aquatic Plants, Physical-general, Range Or Territorial Distr., ...5.0735
- RELATIONSHIPS OF AQUATIC FLORA TO WATER QUALITY AND POLLUTION ...Freshwater Ecology, Pollution - Effects of, Primary Productivity, Streams, Water Quality-general, ...5.0956
- STUDY OF METHODS FOR CONTROLLING AQUATIC GROWTH AT PYMATUNING RESERVOIR AND CONNEAUT LAKE, PENNSYLVANIA ...Lakes, of Aquatic Plants, Pennsylvania, Pollution Abatement, Reservoirs and Impoundments, ...6.0470
- FIELD INVESTIGATION OF THE SUBMERSED AQUATIC ENVIRONMENT ...Aquatic Ecology, Canals, Irrigation-general, Reservoirs and Impoundments, Submerged Plants, Weeds -phenological Studies, ...3.0125
- AROMATIC SOLVENT AQUATIC HERBICIDES AND EMULSIFYING AGENT TESTING ...Aromatic Cpd., Chemical Analysis, Evaluation, Herbicides -non-specific, of Aquatic Plants, Petroleum Cpd. -non-specific, ...3.0107
- WEED CONTROL AND REVEGETATION ...Control and Protection, New Mexico, Rio Grande River, Weed Control -other, ...3.0111
- WEED CONTROL AND REVEGETATION ...Control and Protection, Cover Crops, Rio Grande River, Weed Control -other, ...3.0119
- WEED CONTROL IN IRRIGATION AND DRAINAGE SYSTEMS ...Amphibious Plants, Aquatic Soils, Herbicides -non-specific, of Aquatic Plants, Submerged Plants, Timing -non-specific, ...3.0094

Pollution Sources-general

- THE EFFECTIVENESS OF GOVERNMENTAL ACTION FOR WATER POLLUTION CONTROL IN NEW JERSEY ...Administrative Structures, Local Government, New Jersey, Survey Studies, Water Quality Control-general, ...6.0349
- GROUND WATER CONTAMINATION RESULTING FROM WASTE DISPOSAL ...Disposal, Groundwater, Pond, Solid Waste, South Dakota, ...5.1109
- AQUATIC PLANTS OF POLLUTED WATERS IN S. W. UNITED STATES ...Aquatic Plants (non-specific), Habitat Studies, Plant Pollutants, Southwest, Tables, Compilations, Catalogs, ...5.1184
- EVALUATION OF DISPERSED POLLUTIONAL LOAD ...Combined Sewer, Land Use, Pollutants-general, Runoff, Sewage Treatment Plant, ...5.0921

SUBJECT INDEX

Pollution Sources

AN INVESTIGATION OF FACTORS INFLUENCING WATER QUALITY IN SOUTH FORK, COEUR DALENE RIVER ...Idaho, Pollutants-general, Streams, Water Quality-general, ...5.0328

EFFECT OF URBANIZATION ON WATER QUALITY ...Kansas, Runoff, Urban Environments, Water Quality-general, ...5.0425

GEOHYDROLOGY OF SHALLOW AQUIFERS IN HENRY AND WEAKLEY COUNTIES, TENNESSE ...Aquifers-general, Groundwater, Observation Wells, Pumping, Tennessee, ...2.0998

Radioactive Fallout

CRATER LAKE VERTICAL TEMPERATURE PROFILES ...Electronics - Applied, Lakes, Oregon, Temperature, Water Sampling, ...2.0101

SANITATION, WASTE DISPOSAL AND PEST AND VECTOR CONTROL ...Nuclear Explosion, Pollution - Effects of, Radiologic Warfare, Requirement, Sewage, Urban Environments, ...5.0059

THE EFFECTS OF LIMNOLOGICAL FACTORS ON THE UPTAKE OF CS137 BY FISH ...Atomic Absorption, Cesium, Emission, Lakes, Michigan, ...2.0653

ISOTOPES IN THE BIOSPHERE ...Erosion-general, Management, Pollutants - Path of, Runoff, Strontium, Washout, ...5.0670

AQUATIC TRANSPORT OF NUCLEAR DEBRIS ...Canals, Chemical Reactions, Exchange Capacity, Ion Exchange-other, Pollutants - Path of, ...1.0012

ACCUMULATION AND MOVEMENT OF FISSION PRODUCTS IN SOILS AND PLANTS ...Movement, Availability, Radioactive Contamination, Strontium, ...5.0484

BIOLOGICAL (ENRICHMENT) CHAINS OF RADIONUCLIDES IN FINNISH LAKES ...Cesium, Eutrophication, Finland, Nutrients, Radioisotopes, ...2.0309

Radioactivity-general

THE ACCUMULATION OF FISSION PRODUCTS BY MARINE FISH AND SHELLFISH ...Chloride-general, Contamination - Water, Estuaries, Food Chains, Radioecology, ...5.0805

A DETAILED STUDY OF THE ENERGY FLOW THROUGH THE BIOTA OF DOE RUN, MEADE COUNTY, KENTUCKY ...Energy Budgets, Kentucky, Radioecology, Streams, ...2.0529

COLUMBIA RIVER STUDIES ...Columbia River, Contamination - Water, Invertebrates, Oysters, Pollution Effects, Reproductive System, ...5.1268

EFFECTS OF LIMNOLOGICAL FACTORS ON UPTAKE OF CS137 BY FISH ...Cesium, Metabolism - animal, ...1.0068

MODEL RIVER SYSTEM STUDIES ...Flume Studies, Mathematical Analysis, Model Studies, Streams, Turbidity, ...2.1010

MOVEMENT OF RADIONUCLIDES IN THE COLUMBIA RIVER ESTUARY ...Columbia River, Estuaries, Mathematical Analysis, Pollutants - Path of, Water Sampling, ...5.0986

DETERMINATION OF THE DISTRIBUTION OF RADIONUCLIDES DISCHARGED TO THE GROUND AT THE NRTS, IDAHO ...Artesian Flow, Discharge-general, Observation Wells, Pollutants - Path of, Radioisotopes, ...5.0318

COLUMBIA RIVER SEDIMENT STUDIES ...Columbia River, Geochemical Analysis, Radiochemical Techniques, Sediments, Self-purification, ...5.1249

EXTREME HYDROLOGIC EVENTS & THEIR EFFECTS ON NUCLEAR FACILITIES ...Floods, Hydrology-general, Natural Recharge, Runoff, Water Table Fluctuation, ...2.0273

THE EVALUATION OF APPLICATION OF C-14 DATING OF GROUND WATER ...Aquifers-general, Carbon-14, Disposal Methods-other, Groundwater, Underground Waste Disposal, ...5.0241

STUDY OF LOCAL WATER CONTAMINATION PROBLEMS ...Forecasting-prediction, Model Studies, Partial, Pollutants - Path of, Potable Water, ...5.0535

CONTAMINATION OF GROUND WATER FROM RADIOACTIVE PACKAGES IMPACTING ON LAN ...Ground Water, Groundwater, Groundwater Movement, Pollutants - Path of, ...4.0240

DETAILED CHARACTERIZATION OF SOILS AND VEGETATION AT SELECTED SITES TO SERVE AS BASIS FOR FUTURE EVALUATION OF RADIOACTIVE CONTAMINATION ...Absorption, Fixation, Exchange, Radioactive Pollution - ns, Small Watersheds, Soil and Rock Leaching, Strontium, ...5.0902

PLANKTON-PERIPHYTON STUDIES IN THE COLUMBIA RIVER ...Columbia River, Food Webs, Periphyton, Phytoplankton, Radioecology, ...2.1127

TRANSLOCATION OF RADIONUCLIDES BY FISH ...Columbia River, Fish - non-specific, Migration, Phosphorus, Zinc, ...2.1130

ENVIRONMENTAL RADIATION STUDIES - EVALUATION OF FISSION PRODUCT DISTRIBUTION AND MOVEMENT IN TERRESTRIAL ENVIRONMENTS ...Absorption, Fixation, Exchange, Plants, Radioactive Contamination, Root Absorption, Soil Environment, ...1.0116

TRACE ELEMENT CYCLES IN A SOUTHEASTERN RESERVOIR LAKE ...Adsorption Capacity, Rate of Deposition, Reservoirs, Reservoirs and Impoundments, Trace Element Analysis, Trace Elements, Water Cycle, ...2.0945

BIOLOGICAL AVAILABILITY OF NUCLEAR DEBRIS TO AQUATIC ANIMALS ...Contamination - Water, Food, Productivity - Food Chain, Radiologic Health, ...5.0102

RADIATION EFFECTS IN AQUATIC SYSTEMS ...Aquatic Ecology, Chronic Radiation, Contamination - Water, Fish - non-specific, Low Level Radiation, Radiation Effects-non-specific, Radiation Treatment, ...5.1248

EFFECT OF REACTOR EFFLUENT ON QUALITY OF COLUMBIA RIVER WATER ...Atomic Plants, Columbia River, Digital Computers, Filtration, Pollution - Effects of, ...5.1246

MECHANISMS OF ENVIRONMENTAL EXPOSURE ...Columbia River, Radioactive Isotopes, Radiologic Health, Regulation and Selection, Toxicological and Allergy, ...5.1244

REDUCTION OF RADIOISOTOPES IN HANFORD REACTOR EFFLUENTS ...Atomic Plants, Effluents-waste Water, Neutron Activation, Nuclear Reactors, ...5.1253

RADIONUCLIDES IN THE SAVANNAH RIVER ESTUARY AND ADJACENT COASTAL WATERS ...Atomic Plants, Estuaries, Pollutants - Path of, Radioactivity, Tracers, ...5.1098

RADIONUCLIDE MOVEMENT IN GROUNDWATER ...Flow Characteristics - water, Groundwater Movement, Pollutants - Path of, Radioisotopes, Seepage, ...5.1099

IMPROVED DETECTION TECHNIQUES TO DETERMINE RADIONUCLIDES IN FRESH AND SEA WATER ...Cesium, Fresh Water, Ion Exchange-other, Sea Water-general, ...5.1100

DECONTAMINATION OF WATER CONTAINING CBR AND OTHER MATERIALS ...Biological Pollutants-general, Chemical-general, Demineralization, Other, Reverse Osmosis, ...5.1217

ION EXCHANGE UNIT, 3000 GPH ...Demineralization, Ion Exchange-other, Mobile, Other, Potable Water, ...5.1215

PHYSICAL CHEMISTRY OF RADIOELEMENTS - RADIOMETRIC METHODS OF ANALYSIS ...Activation Analysis, Electrodeposition, Extraction-other, Organic, Precipitation, ...7.0020

MOVEMENT OF RADIONUCLIDES IN THE LOWER COLUMBIA RIVER ...Absorbed Load, Adsorption Capacity, Columbia River, Pollutants - Path of, ...2.0902

THE MOVEMENT OF RADIONUCLIDES IN THE COLUMBIA RIVER ESTUARY ...Absorbed Load, Columbia River, Estuaries, Pollutants - Path of, ...2.0903

HYDROLOGY OF SUBSURFACE WASTE DISPOSAL - NATIONAL REACTOR TESTING STATION, IDAHO ...Geochemical Analysis, Groundwater Movement, Nuclear Power, Underground Waste Disposal, Water Cycle, ...5.0319

PRODUCTIVITY OF ESTUARINE AND MARINE ECOSYSTEMS (A COOPERATIVE AGREEMENT WITH THE ATOMIC ENERGY COMMISSION) ...Estuaries, Ions and Gases, Plankton Sampling, Productivity - Food Chain, Radioactivity, ...2.0818

MEASUREMENT OF RADIONUCLIDES IN ESTUARINE AND MARINE ENVIRONMENTS (A COOPERATIVE AGREEMENT WITH ATOMIC ENERGY COMMISSION) ...Estuaries, Marine Environments-general, Pollution - Effects of, Pollution Effects, Reactor Sites & Rad Waste, ...2.0819

SEDIMENT MINERALOGY ...Adsorption Capacity, Contamination - Water, Estuaries, Pollution Effects, Productivity - Food Chain, ...5.0806

ACCUMULATION OF RADIOACTIVITY BY INVERTEBRATES ...Contamination - Water, Metabolism, Pollution Effects, Productivity - Food Chain, ...5.0804

ACCUMULATION OF RADIONUCLIDES BY VERTEBRATES ...Contamination - Water, Estuaries, Pollution Effects, Productivity - Food Chain, ...5.0803

Radioactivity-other

UNDERSTANDING OF THE INFILTRATION OF RAIN INTO BURIED WASTE ...Groundwater Movement, Infiltration, Moisture Content, Porosity, Unsaturated Flow, ...2.0948

Radioactivity-underground Test

HYDROLOGIC STUDIES LEADING TO SITE UTILIZATION ...Adsorption Capacity, Groundwater, Hydrology-general, Nuclear Explosion, Pollutants - Path of, Sediment Transport-other, ...3.0134

Pollution Sources

SUBJECT INDEX

VELOCITIES OF RADIONUCLIDES AT ARNAR GOSA SITE
...Groundwater, Nevada, Pollutants - Path of, Transport,
...2.0174

Saline Water Intrusion

QUANTITATIVE AND QUALITATIVE MEASUREMENT OF
AQUATIC VEGETATION-CURRITUCK SOUND ...Aquatic
Plants (non-specific), Mapping, North Carolina, Pollution - Ef-
fects of, Virginia, ...5.0815

SYSTEMS ANALYSIS FOR GROUNDWATER MANAGEMENT
...Economic Efficiency, Groundwater Basins, Management, Model
Studies, Systems Analysis, ...5.0071

RELATION OF PASS OPENINGS ON PHYSICAL EXCHANGE
AND SALINITY IN ESTUARIES ...Estuaries, Mixing, Salinity,
Shoreline Structures, Texas, ...2.1012

COMPUTER SIMULATION OF AQUIFERS OF COASTAL
PLAIN OF NORTH CAROLINA ...Carbonate Aquifers, Compu-
ters-general, Mining Industry, North Carolina, Water Table Fluc-
tuation, ...2.0821

UNSTEADY FLOW OF GROUNDWATER--DISPERSION AND
SALT WATER INTRUSION IN NON-HOMOGENEOUS MEDIA
...Dispersion -water, Model Studies, Unsteady, Unsteady Flow,
...2.1159

AIR INJECTION INTO AN AQUIFER ...Aquifers-general, Labora-
tory Analysis, Permeability, Porous Media - Flow Through,
...2.0358

EVALUATION OF MAGOTHY AQUIFER - ANNAPOLIS AREA
...Atlases-maps, Available Water, Clastic Aquifers, Maryland,
Model Studies, ...2.0564

EXTENT OF BRACKISH WATER IN TIDAL RIVERS ...Brackish
Water, Maryland, Salinity, Tidal Streams, Tides, ...2.0562

SALINITY INTRUSION AND RELATED PHENOMENA ...Cur-
rents -water, General Deposition, Mixing, Open Channel Flow,
Sediment Transport-general, ...2.0687

PERMIAN BASIN - ORIGIN OF SALINE WATER DISCHARGE
...Brines, Groundwater Movement, Permian Period, Subsurface
Flow, Texas, ...2.1004

UNSTEADY FLOW AND SALINE INTRUSION IN ESTUARIES
...Channels, Estuaries, Model Studies, Open Channel Flow, Un-
steady Flow, ...2.1091

GEOLOGIC ASPECTS OF SEA-WATER ENCROACHMENT -
RECOGNITION OF LATE GLACIAL SUBSTAGES IN NEW
YORK AND NEW ENGLAND ...Field Studies, New York,
Quaternary Period, Sea Level Variations, Shoreline - Coastline,
...2.0300

ARTIFICIAL RECHARGE OF TREATED SEWAGE WATER AT
BAY PARK, N.Y. ...Artificial Recharge, ...4.0183

MARINE HYDROLOGY AND GEOCHEMISTRY, ATLANTIC
CONTINENTAL SHELF AND SLOPE ...Chemistry, Continental
Shelf, Distribution, Mixing, Ocean Environment, ...2.0623

SALT-WATER ENCROACHMENT IN THE BRUNSWICK AREA,
GEORGIA ...Aquifers-general, Georgia, Observation Wells,
Piezometry, Pumping, ...5.0306

HYDROLOGY OF COASTAL AREA IN THE VICINITY OF
RICEBORO, GEORGIA ...Artesian Flow, Dispersion -water,
Estuaries, Georgia, Water Quality-general, ...5.0305

SALT-WATER ENCROACHMENT IN NORTH CAROLINA
ESTUARIES ...Chemical-general, Estuaries, Flow Characteristics -
water, Industrial-general, Water Sampling, ...2.0826

THE EFFECT OF OCEAN WATER INTRUSION INTO BACK
BAY, VIRGINIA, AND CURRITUCK SOUND, NORTH
CAROLINA, ON THE WATERFOWL AND FISH HABITAT
...Aquatic Ecology, Brackish Water, Fish -non-specific, Habitat
Studies, Water Fowl, N.s., Water Salinity, ...2.0585

MINING-POLLUTION CONTROL TECHNOLOGY - OIL
PRODUCTION GROUND-WATER RECLAMATION BY
SELECTIVE PUMPING ...Brines, Groundwater, Mine Drainage
Control, Petroleum Industry, Pumping, Secondary Recovery,
...5.0913

Sanitary Landfills

SHALLOW GROUND-WATER FLOW SYSTEMS IN RELATION
TO INDUSTRIAL AND MUNICIPAL WATER SUPPLY AND
WASTE DISPOSAL REQUIREMENTS ...Disposal Wastes,
Groundwater Movement, Industrial Wastes, Wisconsin, ...5.1316

HYDROGEOLOGY OF SOLID WASTE DISPOSAL SITES
...Chemical Analysis (water), Groundwater Movement, Hydrology-
general, Illinois, ...5.0347

SUBSURFACE WATER POLLUTION FROM SANITARY LAND-
FILLS IN CARBONATE ROCK TERRAIN ...Chemical Analysis

(water), Disposal, Dolomite, Groundwater, Soil and Rock
Leaching, ...5.1030

Sediments

COLUMBIA RIVER SEDIMENT STUDIES ...Columbia River,
Geochemical Analysis, Radioactivity-general, Radiochemical
Techniques, Self-purification, ...5.1249

WIND EFFECTS ON THE DISPERSION OF PARTICULATE
POLLUTANTS IN TURBULENT OPEN-CHANNEL FLOW
...Dispersion -water, Flow of Dispersed Solids, Open Channel
Flow, Turbulent Flow, Wind-other, ...2.0220

INFLUENCE OF ACCUMULATED SEDIMENTS UPON WATER
VELOCITY OF MICROHABITATS OCCUPIED BY TROUTS
...Colorado, Habitat Studies, Rio Grande River, Salmon & Trout -
Non-specific, Velocity -water, ...4.0068

INFLUENCE OF SEDIMENTATION UPON THE PRODUCTION
OF GAME FISHES ...Fish -non-specific, Montana, Pollution - Ef-
fects of, Population Dynamics, Streams, ...4.0069

THE EFFECTS OF DREDGING AND SILTATION ON DIVING
DUCK FOODS AND FEEDING HABITS ON THE MISSISSIPPI
RIVER ...Food Supply, Mississippi River, Silting, Water Fowl,
N.s., ...5.0411

LIMNOLOGY OF LAKE CHAMPLAIN ...Biological-general,
Chemical-general, Physical-general, Phytoplankton, Pollution - Ef-
fects of, Zooplankton, ...2.1088

FACTORS AFFECTING THE MOVEMENTS OF WATER AND
ORGANISMS WITHIN A REGULATED MULTIPURPOSE
LAKE ...Bacterial Pollutant Sources, Boundary Layer Studies,
Currents -water, Lakes, Washington, ...2.1114

INFLUENCE OF SUSPENDED MICROSCOPIC SUBSTANCES
ON THE METABOLISM OF MICROORGANISMS RESPONSIB-
LE FOR BIOLOGICAL ENRICHMENT OF WATER ...Adsorp-
tion Capacity, Chemical, Eutrophication, Microorganisms (non-
specific), Pollution - Effects of, ...5.0877

RELATIONSHIPS BETWEEN PHOSPHATE AND OTHER
CHEMICALS AT THE WATERSUBSTRATE INTERFACE IN
WESTERN LAKE ERIE ...Aquatic Soils, Chemical, Chemical-
general, Phosphate, Phosphite, ...5.0874

THE ECOLOGIC IMPACT OF THE INTERACTIONS AMONG
MICROORGANISMS AND AQUATIC CONTAMINANTS IN
LAKE ERIE ...Environment, Lake Erie, Pollution - Effects of,
Primary Productivity, Water Bacteria, ...6.0427

DISTRIBUTION OF DISSOLVED IONS IN ALASKAN WATERS
...Alaska, General Transport Effects, Glaciers, Ions and Gases,
Suspension, Water, ...2.0020

DYNAMIC SEPARATION OF SUSPENDED SOLIDS ...Flow
Characteristics -water, Nozzles, Separation-flow-other, ...5.0674

THE EFFECT OF INORGANIC SEDIMENT ON STREAM BIOTA
...Aquatic Ecology, Contamination - Water, Pollution - Effects of,
Pollution Effects, Streams, ...5.0388

REMOVAL OF COLLOIDAL MATTER FROM WASTE WATER
...Microbial-bacterial, Organic Wastes, Pollutant-other, Rate of
Reaction, Waste Water Treatment-general, ...5.0599

EFFECTS OF POLLUTANTS ON SUBMARINE PLANT
SYNECOLOGY ...Applied Ecology, Industrial Wastes, Nutrients,
Plant Prod. (non-specific), Plant Succession, Sedimentation,
...5.1221

ROCK CREEK PARK CLARIFICATION PROJECT ...Chlorination,
Coagulation, District of Columbia, Polyelectrolytes, Streams,
...4.0044

REMOVAL OF SUSPENDED MATTER AND TURBIDITY FROM
WATER BY FLOCCULATION WITH POLYELECTROLYTE
COAGULANTS AND COAGULATION ACIDS ...Electrophore-
sis, Flocculation, Polyelectrolytes, Waste Water Treatment-
general, ...4.0109

AN EVALUATION OF THE REJUVENATION OF THE BUF-
FALO RIVER ...Chemical-general, Flow Augmentation, New
York, Streams, Turbidity, ...4.0181

WATER POLLUTION FROM ERODED SEDIMENTS ...Flow
Characteristics -water, Other Transport Effects, Rain-general,
Suspension, Velocity -water, ...2.1042

INDIVIDUAL WATER FILTRATION DEVICE ...Filtration, Porous
Media - Flow Through, Pump-other, Technique Development,
Waste Water Treatment-general, ...3.0252

GREAT LAKES RESEARCH - SPOIL DISPOSAL EFFECTS
...Dispersion -water, Great Lakes-general, Pollution - Effects of,
Sedimentation, Spoil Banks, Water Properties-general, ...5.0561

TIDAL DISCHARGE RESEARCH, NEW JERSEY ...Data Acquisi-
tion-general, Discharge-general, Other Data Analysis, Tides,
Water Quality-general, ...2.0769

SUBJECT INDEX

Pollution Sources

- EUTROPHICATION - REMOVAL OF NUTRIENTS - SHAGAWA LAKE ...Activated Carbon, Coagulation, Eutrophication, Ion Exchange-other, Nutrients, Tertiary Treatment, Trickling, ...5.0594
- EUTROPHICATION - SEDIMENT-WATER INTERCHANGE STUDIES ...Eutrophication, Exchange Capacity, Ion Exchange-other, Lakes, Nutrients, ...5.0982
- RESERVOIR SEDIMENTATION STUDIES IN CORN BELT STATES ...Design Criteria, General Deposition, Reservoirs, Reservoirs and Impoundments, Sediment Yield, ...2.0868
- TECHNOLOGY AND ECONOMICS OF CONSERVATION ...Alternative Planning, Benefit-cost Analysis, Conservation-general, Erosion-general, Land Use, ...4.0106

Sewage

- A STUDY OF COLIFORM BACTERIA AND ESCHERICHIA COLI ON POLLUTED AND UNPOLLUTED OYSTER BOTTOMS OF MISSISSIPPI ...Coliforms (non-specific), Identification, Mississippi River, Vertical Distribution, Water Sampling, ...5.0619
- ACID MINE DRAINAGE MICROBIOLOGICAL STUDIES ...Acidity, Bacterial Pollutant Sources, Identification, Mining Activities, Mining Industry, ...5.1284
- ECOLOGY OF SELECTED AQUATIC BACTERIA IN THE SNAKE RIVER ...Bacterial Pollutant Sources, Pollution - Effects of, Pulp, Paper - and Logging, Snake River, Water Bacteria, ...5.1236
- THE ENGINEERING AND ECONOMIC ASPECTS OF USING SEWAGE EFFLUENT FOR IRRIGATION ...Irrigation-general, Louisiana, Use of Impaired Water, Water Costs, ...5.0463
- A SYSTEM FOR GEOLOGIC EVALUATION OF POLLUTION POTENTIAL AT MOUNTAIN DWELLING SITES ...Joints-fractures, ...5.0199
- AN ATTEMPT TO DETECT HIGHLY DILUTED VIRUSES IN WATERS BY FLOCCULATION ...Assay, Biochemical Oxygen Demand, Flocculation, Precipitation & Sedimentation, Viral Pollutant Sources, ...4.0139
- WATER QUALITY CRITERIA TO PROTECT THE FISH POPULATION DIRECTLY BELOW SEWAGE OUTFALLS ...Effluent-standards, Fish -non-specific, Population Dynamics, Water Properties-general, Water Standards, ...5.0501
- EFFECTS OF IRRIGATION OF MUNICIPAL SEWAGE EFFLUENT ON SPOILS BANKS ...Irrigation, Mine Wastes, Spoil Banks, Strip Mines, Waste Disposal -underground, ...5.1045
- ENTERIC BACTERIA AND VIRUSES IN SEWAGE, WATER, AND SHELLFISH ...Bacterial Pollutant Sources, Coliforms (non-specific), Oysters, Pollution Effects, Viral Pollutant Sources, ...5.0718
- U. S. S. R. LITERATURE ON WATER SUPPLY AND POLLUTION CONTROL ...Discharge-general, Russia, Sewerage Systems-general, Survey Studies, Waste Disposal-general, ...5.0228
- MARINE WASTE DISPOSAL AND SEA URCHIN ECOLOGY ...California, Pollution Effects, Productivity - Food Chain, Sea Urchins & Other Echinoderm, ...5.0130
- STEROLS AND LIPIDS IN WATER POLLUTION ...Chemical Identification, Effluents-waste Water, Lipid Hydroperoxides, Pollutants - Path of, Sterols, ...5.1173
- NITRIFICATION AND DENITRIFICATION OF WASTE WATER ...Activated, Denitrification, Dairy Wastes, Sewage - Domestic, Waste Water Treatment-general, ...5.0598
- SPREADING TREATED SEWAGE FOR GROUNDWATER RECHARGE ...Artificial Recharge, Groundwater, Loading, Percolation, Pilot Plant, ...3.0005
- TREATMENT NEEDED BY SEWAGE BEFORE INJECTION - WELL RECHARGE ...Artificial Recharge, Carbon, Injection-wells, Sand, Tertiary Treatment, Trickling, ...5.0758
- INTEGRATED ACTIVATED SLUDGE-BIOLOGICAL FILTER PROCESS ...Activated, Biological Treatment-other, Process Design, Trickling, Waste Treatment-economics, ...5.0161
- CANNERY WASTE TREATMENT BY THE KEHR ACTIVATED SLUDGE PROCESS ...Activated, Aeration, Aerobic, Canning Wastes, Waste Treatment-economics, ...5.0157
- BACTERIAL EFFECTS OF ALGAE ON ENTERIC ORGANISMS ...Algae-General, Algal Culture, Bactericides -non-specific, Intestinal Bacteria, Sanitation, ...5.1151
- DISINFECTION OF SEWAGE EFFLUENTS ...Bacteria, Bromine, Chemical-general, Chlorination, Chlorine, Disinfection, ...5.0380
- DEGRADATION OF SEWAGE AND SOIL MICROORGANISMS ...Catabolism and Degradation, Degradation, E. Coli, Micro-organism Enz. Soil Bacteria, ...5.0524

- STUDY OF ESTUARINE POLLUTION IN THE STATE OF HAWAII ...Bacterial Pollutant Sources, Economics-general, Estuaries, Forecasting-prediction, Hawaii, ...5.0311
- THE EFFECTIVENESS OF WATERFOWL IN CARRYING PATHOGENIC MICRO-ORGANISMS ...Swamps-marshes, Utah, Vertebrates, Water Fowl, N.s. ...5.1193
- VACUUM FILTRATION OF SEWAGE SLUDGE ...Filter-other, Filtration, Sludge-other, Vacuum, ...5.0175
- APPLICATION OF SEWAGE SLUDGE TO FIELD CROPS ...Disposal, Fertilizing, Planting & Cult, Methods of Application, Organic Fertility -other, Source of Fertilizer, Waste Disposal -underground, ...5.0363
- NEMATODES ASSOCIATED WITH SEWAGE TREATMENT AND THEIR SIGNIFICANCE ...Animal Taxonomy, Contamination - Water, Nematoda -other, Streams, Waste Water Treatment-general, ...5.0251
- THE FEASIBILITY OF REUSE OF CHLORINATED SEWAGE EFFLUENT FOR FERTILIZATION AND IRRIGATION IN IDAHO (ABBREV) ...Chlorination, Irrigation-general, Stream Rehabilitation, Use of Impaired Water, Water Reuse, ...5.0327
- BIOLOGICAL ASPECTS OF TERTIARY PONDS ...Effluents-waste Water, Phytoplankton, Pond, Protozoa -other, Tertiary Treatment, ...5.0352
- BACTERIOLOGICAL ANALYSIS OF THE FLOCS OF ACTIVATED SLUDGE OF DOMESTIC SEWAGE ...Activated, Bacterial Pollutant Sources, Disposal, Flocculation, Microbial-bacterial, ...5.1311
- RETENTION OF NUTRIENTS AND OTHER POLLUTANTS IN SEWAGE BY SOILS ...Analysis and Detection, Moisture Retention, Nutrients, Pollutants-general, Silt, ...5.1312
- BIOLOGICAL METHODS RESEARCH ...Chemical Identification, Crustacea -non-specific, Enteroviruses of Humans, Isolation, Viral Pollutant Sources, ...5.0017
- MULTIPLICATION OF ENTERIC VIRUSES IN SHELLFISH ...Clams, Enteroviruses of Humans, Microbiological, Oysters, Toxicological and Allergy, ...5.1052
- STUDY OF GROWING AREA STANDARD BY EXAMINING ENTEROPATHOGENS AND INDICATOR ...Bioindicators, Enteroviruses of Humans, Microbiological Analysis, Number, Salmonella (non-specific & Ot), ...5.1069

Surfactants

- THERMODYNAMICS AND TRANSPORT PROPERTIES OF MULTICOMPONENT INTERFACES ...Distillation-other, Extraction, Interface, Other, Viscosity, ...3.0483
- DIFFUSION OF OXYGEN AND HYDROGEN SULFIDE IN WATER AS EFFECTED BY DISSOLVED SURFACTANTS ...Diffusion-other, Oxygen, Sulfide, ...1.0002
- EFFECT OF BORON IN BIOLOGICAL WASTE TREATMENT ...Activated, Aerobic, Boron, Industrial Wastes, Sewage - Domestic, ...5.0223
- ANALYSIS OF SOLUTIONS FOR SURFACE-ACTIVE CONSTITUENTS ...Absorption-other, Detectors and Sensors, Electrochemical-other, Electrode, Electrolytes, ...5.0439
- THE EFFECT OF DETERGENTS ON THE OXYGENATION OF WATER ...Absorption-other, Activated, Isotherm, Oxygen, ...5.1207
- EFFECTS OF SURFACTANTS ON FIBROUS BED COALESCING ...Emulsion, Interface, Packed Bed, Solubility, Water Treatment - General, ...5.0340
- THE SURFACE SHEAR VISCOSITY OF MONOMOLECULAR FILMS ...Viscosity, ...5.0791
- BACTERIOLOGY OF BIODEGRADABLE SURFACTANTS ...Cell Injury and Autolysis, Electron, Gram-negative Bacteria, Gram-positive Bacteria, Repression, ...5.0106

Thermal Pollution

- THERMAL POLLUTION AND ITS IMPLICATIONS FOR THE COAL INDUSTRY-A SURVEY OF THE STATE OF KNOWLEDGE ...Data Acquisition-general, Electric Power Plants, Pollution - Effects of, Survey Studies, ...5.0208
- ESTUARIES AND SHORE STUDIES AND WATER SURFACE INVESTIGATIONS ...Continental Shelf, Effluents-waste Water, Evaporation, Infrared Radiation, Shoreline - Coastline, Visible Light, ...6.0143
- SIMULATION MODELING OF THERMAL EFFECTS ON SELECTED RIVER SYSTEMS ...Atomic Plants, Digital Computers, Forecasting-prediction, Model Studies, Self-purification, ...4.0270

Pollution Sources

SUBJECT INDEX

- RESEARCH AND BASIC DATA ON THERMAL POLLUTION ...Diffusion, Dissipation, Eddies, General Synoptic Observations, Mixed Modes, Streams, ...4.0058
- A RECONNAISSANCE STUDY OF THE CHEAPEAKE BAY ...Chesapeake Bay, Erosion-general, Floods, Sedimentology-general, Shoreline - Coastline, Survey Studies, ...6.0254
- MIGRATORY RESPONSE OF ADULT SALMONIDS TO WATER TEMPERATURE ...Management -other, Migration, Salmon - coho, chinook, sockeye..., Temperature, Warm Water, ...8.0300
- RESIDENT POPULATION DETERMINATION ...Effluents-waste Water, New Hampshire, Pollution - Effects of, Pollution Effects, ...5.0709
- TURBULENT MIXING IN SUBMERGED FLUID JETS ...Fluid Mixing, Mixing, Pollutants - Path of, Turbulent, ...5.1130
- REDUCTION OF RIVER HEAT POLLUTION BY TURBULENCE STIMULATION ...Destratification, Electric Power Plants, Engineering Structures-general, Roughness, Stream Rehabilitation, Turbulent Flow, ...5.0214
- EFFECTS OF HEATED WATER, ACID MINE DRAINAGE & ALKALINE ASH DRAINAGE ON WATER QUALITY & RESERVOIR COMMUNITY METABOLISM (ABBREV) ...Mine Drainage Control, Mining Activities, Pollution - Effects of, Pollution Effects, Reservoirs and Impoundments, ...5.0668
- EFFECTS OF THERMAL POLLUTION ON PRODUCTIVITY AND STABILITY OF ESTUARINE COMMUNITIES ...Aquatic Ecology, Environmental Ecology, Estuaries, Plant Prod. (non-specific), Pollution - Effects of, ...5.0498
- EFFECTS OF THERMAL AND OTHER FORMS OF POLLUTION ON SOME ANADROMOUS FISHES ...Alewife, menhaden, shad, herring, Aquatic Ecology, Basses -sea, white, White Perch, Pollution - Effects of, Pollution Effects, ...5.0739
- WATER TEMPERATURE AS A QUALITY FACTOR IN THE USE OF STREAMS AND RESERVOIR ...Habitat Studies, Reservoirs and Impoundments, Streams, Temperature, Water Fowl, N.s., ...5.0200
- ANALYSIS OF THERMAL POLLUTION DISPERSION ...Aeration, Dispersion -water, Effluents-waste Water, Stratified Flow, Temperature, ...5.0726
- THE EVALUATION OF ENVIRONMENTAL ALTERATION BY THERMAL LOADING AND ACID POLLUTION IN THE COOLING RESERVOIR OF A STEAM-ELECTRIC STATION ...Acidity, Growth Rate, Mining Activities, Reservoirs and Impoundments, Warm Water, ...5.0681
- THE EFFECTS OF THERMAL LOADING AND WATER QUALITY ON ESTUARINE PRIMARY PRODUCTION ...Acidity, Estuaries, Nutrients, Primary Productivity, Standing Crops, ...6.0258
- TURBULENT MIXING IN SUBMERGED TWO-DIMENSIONAL WALL JETS ...Diffusion, Flow of Dispersed Solids, Turbulent, Velocity, ...2.0992
- THERMAL AND INDUSTRIAL POLLUTION - DELAWARE RIVER ...Automatic Data Acquisition, Delaware River, Electric Power Plants, Industrial Wastes, Physical Parameters, Pulp, Paper, and Logging, ...5.0989
- TREATMENT OF SELECTED INTERNAL KRAFT MILL WASTES IN COOLING TOWERS ...Economic Efficiency, Pilot Plant, Pulp and Paper Wastes, Recycle, Waste Treatment-economics, ...5.0308
- STATUS OF THERMAL POLLUTION AND RESEARCH NEEDS ...Bibliography, Hydraulics-general, Pollution - Effects of, Water Quality Control-general, ...5.1139
- STUDIES OF THERMAL POLLUTION IN BISCAYNE BAY ...Aquatic Ecology, Bays, Florida, Pollution - Effects of, Warm Water, ...5.0265
- NATIONAL SYMPOSIUM ON THERMAL POLLUTION ...Management, Meetings, Oregon, Pollution - Effects of, Tennessee, ...5.1138
- FORMULATION OF A GENERAL MATHEMATICAL MODEL FOR THE PREDICTION OF THERMAL ENERGY CHANGES IN IMPOUNDMENTS ...Columbia River, Forecasting-prediction, Mathematical Analysis, Model Studies, Reservoirs and Impoundments, ...5.0163
- TEMPERATURE PREDICTION STUDIES RELATING TO THE DEVELOPMENT OF A POWER REACTOR SITE ON THE LOWER COLUMBIA RIVER ...Atomic Plants, Columbia River, Construction Sites, Data Networks, Dispersion -water, ...8.0303
- EFFECT OF HEATED WATER DISCHARGE FROM IPALCO'S PETERSBURG PLANT ON THE WATERS OF WHITE RIVER, INDIANA ...Biological-general, Chemical-general, Electric Power Plants, Physical-general, Pollution - Effects of, White River, ...5.0383

- STUDY OF TEMPERATURE EFFECTS IN COOLING WATER LAKE ...Aquatic Ecology, Lakes, Pollution - Effects of, Temperature, Water Temperature-non-specific, ...6.0566
- THE PREDICTION OF WATER QUALITY ASPECTS OF THE WENATCHEE RIVER ...Electric Power Plants, Heat Flow, Recreation Sites, Streams, Washington, ...5.1234
- TEMPERATURE DISTRIBUTION IN THE VICINITY OF WASTE HEAT DISCHARGES ...Electric Power Plants, Mathematical Analysis, Mixing, Stratification, Temperature, ...5.1120
- EFFECTS OF HEATED WATER IN A TIDAL ESTUARY ...Bays, Chesapeake Bay, Electric Power Plants, Pollution Effects, Urban Environments, Water Properties-general, ...4.0078
- DISSIPATION AND DIFFUSION OF HEAT IN STREAMS AND LAKES ...Stratification, Temperature, ...2.0303
- PREDICTION OF ENVIRONMENT ...Biological-general, Columbia River, Environmental Ecology, Low Temp. -but Above 32f, Physical-general, Reservoirs and Impoundments, Salmon & Trout - Non-specific, Snake River, Temperature, ...6.0617
- EFFECTS OF INDUSTRIAL EXPANSION ON THE AQUATIC ENVIRONMENT OF ESTUARINE AREAS ...Columbia River, Estuaries, Salmon & Trout - Non-specific, ...2.1131
- FISH BEHAVIOR AND PHYSIOLOGY ...Behavior -animal, Engineering Structures-general, Environmental Physiology, Migration, Salmon & Trout - Non-specific, ...6.0615
- EFFECTS OF TEMPERATURE ON MATURATION, EMBRYONIC DEVELOPMENT AND CONDITION OF FRY IN YELLOW PERCH - LAKE HERRING, SMELT AND WALLEYE ...Basic Embryology, Environmental Physiology, Maturity & Growth Stages, Temperature, Water Temperature-non-specific, Yellow Perch, Darters, ...5.0590
- POWER PRODUCTION ...Electric Power Plants, Nuclear Power, Power Development, Reservoir Systems, Spray Devices, ...5.0983
- THE DEVELOPMENT OF OPERATIONAL SHELLFISH DEPURATION AND RELAYING SYSTEMS ...Bacterial Pollutant Sources, Clams, Salmonella Typhimurium, Trace Elements, ...5.1068
- EFFECT OF THE EFFLUENT FROM AN ATOMIC POWER PLANT ON THE ADJACENT PORTION OF BARNEGAT BAY, NEW JERSEY ...Bays, New Jersey, Pollution - Effects of, Pollution Effects, Reactor Sites & Rad Waste, Water Temperature-non-specific, ...5.1076

Viral Pollutant Sources

- VIRUS REMOVAL BY CHEMICAL FLOCCULATION ...Aluminum, Coagulation, Complexing, Flocculation, Virus, ...5.0364
- DETECTION AND ENUMERATION OF VIRUS IN NATURAL WATERS ...Assay, Bioindicators, Detection, Enteroviruses of Animals, Technique Development, ...5.0713
- AN ATTEMPT TO DETECT HIGHLY DILUTED VIRUSES IN WATERS BY FLOCCULATION ...Assay, Biochemical Oxygen Demand, Flocculation, Precipitation & Sedimentation, Sewage, ...4.0139
- THE GAUZE PAD METHOD FOR THE ISOLATION OF VIRUSES FROM INLAND AND ESTUARINE WATERS ...Assay, Isolation, Precipitation & Sedimentation, Shoreline - Coastline, ...5.1060
- ADSORPTION OF VIRUSES ON MINERAL SURFACES ...Adsorption, Adsorption Capacity, Control of Viruses, Escherichia Coli, Mineralogy, ...5.0474
- ENTERIC BACTERIA AND VIRUSES IN SEWAGE, WATER, AND SHELLFISH ...Bacterial Pollutant Sources, Coliforms (non-specific), Oysters, Pollution Effects, Sewage, ...5.0718
- INTERACTION OF ANIMAL VIRUSES WITH CLAY MINERALS ...Adsorption Capacity, Animal Viruses (non-specific), Clay Minerals-general, Filtration, Waste Water Treatment-general, ...5.1051
- BIOLOGICAL METHODS RESEARCH ...Chemical Identification, Crustacea -non-specific, Enteroviruses of Humans, Isolation, Sewage, ...5.0017
- DEVELOPMENT OF METHODOLOGY FOR ISOLATION OF VIRUSES FROM SEA WATER ...Animal Viruses (non-specific), Concentration, Marine Biology (non-specific), Physical Parameters, ...5.1228
- STUDY ON METHODOLOGY FOR VIRAL EXAMINATION OF SEAWATER AND SHELLFISH ...Enteroviruses of Humans, Food Spoilage Detection, Pollution-general, Shellfish, N.s., ...5.1071
- ENVIRONMENT AND VIRUS-HOST INTERACTIONS IN FISHES ...Agricultural Chemicals-general, Environmental Ecology, Pathology, Pollution - Effects of, Pollution Effects, ...5.0786

SUBJECT INDEX

Potable Water

DEPURATION OF MICROBIAL POLLUTANTS IN SHELLFISH
...Microbiological, Oysters, Shellfish Depuration, Ultra Violet,
...5.0019

Polynesia

MARINE TOXINS OF THE TROPICAL PACIFIC ...Algal
Metab.(non-specific &ot), Animal Origin, Fish -non-specific,
Other, Toxicology, ...5.0315

Ponds

IN SITU STUDY OF FACTORS CONTROLLING NUTRIENT
REGENERATIONS IN THE BOTTOM SEDIMENTS ...Adiron-
dack Province, Aquatic Soils, Exchange Capacity, Mineral Con-
tent -water, Nutrients, Phosphorus, ...2.0806

STUDIES ON THE MECHANISMS OF COMMUNITY STRUC-
TURE AND SUCCESSION IN TEMPORARY PONDS ...Fresh-
water Ecology, Plant Competition -other, Plant Succession,
Productivity - Food Chain, Succession, ...2.0100

FOOD HABITS OF LARGEMOUTH BASS LARVAE ...Aquatic
Ecology, Behavior -animal, Food Supply, Largemouth Bass,
Zooplankton, ...7.0082

SPRING POND ECOLOGY AND MANAGEMENT ...Fishing,
Habitat Studies, Management, Productivity (agricultural), Salmon
& Trout - Non-specific, ...3.0488

PREDICTING AND PREVENTING FISH KILLS ...Chemical Anal-
ysis (water), Mortality Rates, Stratification, ...5.0012

A STUDY OF SUSPECTED LEAD POISONING OF SWANS AND
GESE ...Anseriformes -other, Lead, Rhode Island, ...5.1077

FISH STOCKING EVALUATION ...Captive Rearing, Largemouth
Bass, Management, Nets, Stocking of Fish & Shellfish, ...6.0542

TRACE ELEMENT CHEMISTRY OF A SMALL POND IN RELA-
TION TO PRODUCTIVITY ...Environmental Ecology,
Geochemical Analysis, Population Dynamics, Trace Element
Analysis, Zooplankton, ...6.0232

EFFECT OF UNLINED TREATED SEWAGE STORAGE PONDS
ON WATER QUALITY IN THE OGALLALA FORMATION
...Carbonate Aquifers, Effluents-waste Water, Pollution - Effects
of, Storage of Water, Texas, ...4.0245

DEVELOPMENT OF ANALYTICAL METHODS FOR PESTI-
CIDE CONTAMINANTS IN DOMESTIC, IRRIGATION AND
POND WATERS ...Chlorinated Hydrocarbons, Emission, Gas, Ir-
rigation-general, Pollutants-general, ...5.0137

COMPARATIVE PRODUCTIVITIES OF SMALL BODIES OF
WATER IN DESERT AND MONTANE AREAS OF
SOUTHERN NEW MEXICO ...New Mexico, Phytoplankton,
Plant Prod. (non-specific), Productivity - Food Chain, Zooplank-
ton, ...3.0336

DEVELOPMENT OF SYSTEMS FOR GROUND WATER
RECHARGE INTO THE OGALLALA FORMATION ...Artificial
Recharge, Filtration, Playas, Texas, Water Wells, ...4.0243

NUTRIENT ASSIMILATION RATES - FIELD STUDIES ...Estua-
ries, Fertilizers -aquatic, Nutrients, Phosphorus, ...5.0620

CHEMICAL CONTROL OF WEEDS IN PONDS ...Algicides -non-
specific, Herbicides -non-specific, of Aquatic Plants, Plant Pollu-
tants, Wildlife, ...5.0009

EQUIPMENT TO AGITATE POND SOILS FOR RELEASE OF
NUTRIENTS ...Aquatic Soils, Limestone - General, Nutrients,
Soil Environment, Technique Development, ...5.0774

POND SEALING ...Adsorption Capacity, Lining, Linings-pavings,
Permeability, ...4.0223

COMPARATIVE STUDY OF PHYTOPLANKTON IN NEW AND
RECLAIMED ACID MINE DRAINAGE PONDS ...Acidity, Min-
ing Activities, Nutrition Studies, Phytoplankton, Waste Water
Treatment-general, ...6.0437

DEVELOPMENT OF ANALYTICAL METHODS FOR PESTI-
CIDE CONTAMINANTS IN DOMESTIC, IRRIGATION, LAKE,
AND POND WATERS ...Chemical Analysis, Chemical Analysis
(water), Chemical Treatment-general, Irrigation-general, Lakes,
Pesticides -non-specific, ...5.0139

HYBRID SUNFISH STUDIES ...Centrarchidae -other, Laboratory,
Maturity & Growth Stages, Selection & Breeding, ...6.0195

BIOLOGICAL CONTROL OF AQUATIC VEGETATION
...Biocontrol, Lakes, of Aquatic Plants, Tilapia, Cichlids, ...6.0196

THE EFFECTS OF LIGHT WAVE LENGTHS ON THE RATES
OF PHOTOSYNTHESIS AND ITS REACTION TO OXYGEN
LEVELS IN PONDS ...Autotrophic, Optical Properties, Oxygen
Content -water, Respiration, Water - Light Qual. & Quant. ,
...6.0033

CHRONIC E FECTS OF METHYL PARATHION AND ENDRI-
N ON CHANNEL CATFISH AND GOLDFISH IN PONDS. PESTI-
CIDE-INDUCED CHANGES IN POND ECOLOGY ...Channel
Catfish, Endrin, Goldfish, Parathion, ...5.0648

CULTURE OF SHELLFISH IN ARTIFICIAL AND NATURAL
SALT PONDS ...Captive Rearing, Commercial Fishing, Growth
Rate, Maryland, Oysters, ...6.0267

IMPROVEMENT OF WATER SUPPLY SOURCES AND
STORAGE FACILITIES IN THE CORN BELT ...Corn Belt,
Permeability, Reservoirs, Seepage, Water Loss Control, ...8.0274

EVAPOTRANSPIRATION UNDER NATURAL CONDITIONS
...Evaporation, Moisture Budgets, Moisture Tension, Semi - Arid,
...2.0384

Potable Water

RESEARCH ON LIFE SUPPORT POROUS MEMBRANES FOR
REVERSE OSMOSIS ...Membranes-other, Porosity, Recycle,
Reverse Osmosis, Water Reuse, ...3.0169

FOAM SEPARATION FOR FIELD WATER TREATMENT
...Aeration, Foam, Military Aspects, Sterilants, Surfactants,
...5.0444

DISINFECTION OF SMALL QUANTITIES OF DRINKING
WATER ...Chemical Treatment-general, Chlorine, Iodine, Milita-
ry Aspects, Sterilants, ...5.0374

STUDY OF LOCAL WATER CONTAMINATION PROBLEMS
...Forecasting-prediction, Model Studies, Partial, Pollutants - Path
of, Radioactivity-general, ...5.0535

HIDDEN COSTS OF USING SUBSTANDARD QUALITY
WATER, AS EXPERIENCED BY WATER USERS IN
WEBSTER, SOUTH DAKOTA ...Brackish Water, Desalination,
Economic Impact, South Dakota, Water Costs, ...6.0495

DESIGN AND CONSTRUCTION OF A LOW PRESSURE
HOUSEHOLD REVERSE OSMOSIS UNIT ...Brackish Water,
Cost Analysis, Desalination, Mobile, Reverse Osmosis, ...3.0320

DEVELOPMENT OF THE VACUUM FREEZING VAPOR COM-
PRESSION PROCESS ...Desalination, Evaporation, Freezing,
High, Pilot Plant, ...1.0128

CHEMICAL REMOVAL OF NITRATE FROM POTABLE
WATER SUPPLIES ...Ion Exchange-other, Nitrate, Nitrite, Pot-
able, Reduction-other, ...5.0423

THE ACCEPTABILITY OF MINERAL TASTE IN DOMESTIC
WATER ...California, Mineralization, Taste, Water Utilization -
domestic, ...5.0068

CHARACTERIZATION AND REMOVAL OF REFRACTORY
COLOR COLLOIDS FROM HAWAIIAN SURFACE WATERS
...Coagulation, Colloidal Phenomena, Color, Hawaii, Polyelec-
trolytes, Zeta Potential, ...5.0310

WATER CONSERVATION BY WASTE WATER RECLAMA-
TION AND INJECTION OR RECHARGE ...Activated, Artificial
Recharge, Injection-wells, Tertiary Treatment, Water Standards,
...5.0779

RENOVATION OF WASTE EFFLUENT FOR RECREATION
AND POTABLE WATER SUPPLY USE ...Activated, Effluent-
standards, Filter-other, Waste Water Treatment-general, ...5.0158

A PROGRAM FOR DEMONSTRATING COMBINED SEWER
OVERFLOW CONTROL TECHNIQUE FOR WATER QUALI-
TY IMPROVEMENTS AND BEACH PROTECTION ...Chlorina-
tion, Combined Sewer, Disinfection, Lake Erie, Polyelectrolytes,
Shoreline - Coastline, ...5.0867

BASIC SALINOGEN ION EXCHANGE RESINS FOR SELECTIVE
NITRATE REMOVAL FROM POTABLE AND EFFLUENT
WATER ...Effluents-waste Water, Ion Exchange-other, Nitrate,
Nitrite, Organic, Selective-removal, ...5.0537

A STUDY OF A WATER TOXICITY PROBLEM ...Bioassays,
Bioindicators, Growth Rate, Management, Toxins and Poisons -
other, ...5.0197

NUTRIENT REMOVAL IN A WATER TREATMENT PLANT
...Biological Treatment-other, Coagulation, Denitrification, Flo-
cculation, Nutrients, Sand, ...5.0355

PRODUCTION OF HIGHLY PALATABLE WATER FROM AIR
FOR HOUSEHOLD, LIVESTOCK, AND INDUSTRIAL USE
...Absorption-other, Cost Analysis, Process Development-other,
Solar Still, Water Development, ...3.0242

CW-BW WATER DECONTAMINATION SET ...Chlorination,
Coagulation, Filtration, ...5.1214

DEVELOP DESIGN DATA FOR LIGHT WEIGHT WATER PU-
RIFICATION UNIT ...Filtration, Mobile, Potable, Technique
Development, Waste Water Treatment-other, ...8.0297

COAGULANT DOSAGE TEST KIT ...Coagulation, Potable,
...5.1218

Potable Water

SUBJECT INDEX

- REVERSE OSMOSIS WATER PURIFICATION ...Cellulose Acetate, Military Aspects, Mobile, Other, Reverse Osmosis, ...3.0251
- ION EXCHANGE UNIT, 3000 GPH ...Demineralization, Ion Exchange-other, Mobile, Other, Radioactivity-general, ...5.1215
- ARTIFICIAL RECHARGE OF TREATED SEWAGE WATER AT BAY PARK, N.Y. ...Artificial Recharge, ...4.0183
- BIBLIOGRAPHY ON FLUORIDATION OF PUBLIC WATER SUPPLIES ...Abstracts, Bibliography, Fluoridation, ...7.0088
- SELECTED FACTORS INFLUENCING TASTE OF DRINKING WATER ...Hardness-minerals, Mineralization, Saliva, Studies, Organoleptic, Temperature Control, Water for Cooking Or Drinking, ...5.0085
- CONSUMER ATTITUDES TOWARD MINERAL TASTE IN DOMESTIC WATER ...Attitudes & Attitude Change, California, Hardness-minerals, Taste and Odor, Water Standards, ...6.0039
- PARTICULATE-ORGANIC EFFECT - SENSORY QUALITY OF WATER ...Adsorption-other, Coagulation, Colloidal Phenomena, Organic Matter, Taste and Odor, Waste Water Treatment-other, ...5.1013
- INVESTIGATION OF WATER SUPPLY PROBLEMS IN ARCTIC AND SUB-ARCTIC AREAS ...Arctic, Groundwater, Storage of Water, Surface Water, Water Supply-general, ...3.0004

Potassium

- MINERAL RECOVERY FROM CONCENTRATED BRINES ...Brines, Chloride, Desalination, Great Salt Lake, Magnesium, Regeneration-other, ...5.1198
- THE EXTRACTION OF POTASSIUM FROM FRESH AND SALINE WATERS BY CLAY MINERALS ...Adsorption Capacity, Analysis and Detection, Clay Minerals-general, Extraction, ...2.0359
- TURFGRASS MANAGEMENT ...in Turf, Management, New Mexico, Nitrogen, Phosphorus, Species and Variety Evaluation, ...6.0367

Potholes

- THE EFFECT OF THE NATURAL SEALING OF POTHoles UPON WATER MOVEMENT AND GROUNDWATER RESOURCES ...Groundwater, Internal Water Movement, Linings-pavings, Permeability, Subsurface Flow, ...2.0667
- THE EFFECT OF POTHOLE DRAINAGE UPON GROUNDWATER RESOURCES ...Drainage, Groundwater, Radioisotopes, Unsaturated Flow, ...4.0144
- AN EVALUATION OF SOME MARSH MANAGEMENT TECHNIQUES ...Management, Spawn Or Nesting Sites, Swamps-marshes, Water Fowl, N.s., Water Utilization -animal, ...4.0107
- HYDROLOGY OF PRAIRIE POTHoles ...Management -other, North Dakota, Seepage, Water Balance-budget, Water Fowl, N.s., Water Utilization -animal, ...2.0170
- INTENSIVE COOPERATIVE INVESTIGATIONS OF SELECTED POTHoles ON MISSOURI COTEAU IN DICKEY, WARD AND STUTSMAN COUNTIES, NORTH DAKOTA ...Hydrology-general, Natural Recharge, Water Fowl, N.s., Water Level Fluctuation, Water Loss-general, ...6.0419
- LIMNOLOGICAL INVESTIGATIONS OF PRAIRIE POTHoles ...Chemical-general, Habitat Studies, North Dakota, Water Fowl, N.s., ...2.0850
- CHEMICAL CHARACTERIZATION OF WATERS OF PRAIRIE AND FOREST WETLANDS ...Chemical-general, Habitat Studies, Wetlands, ...1.0092

Potomac River

- THE POTOMAC RIVER BASIN DEMONSTRATION PROJECT IN GEORGES CREEK ...Alternative Planning, Multiple-purpose Projects, River Basins, State-local Government, ...6.0261

Poultry Husbandry

Management

- A STUDY OF A WATER TOXICITY PROBLEM ...Bioassays, Bioindicators, Growth Rate, Potable Water, Toxins and Poisons -other, ...5.0197

Poultry- Other

- POULTRY MANURE PROPERTIES, HANDLING AND DISPOSAL ...Animal Waste Removal-treatment, Solid Waste,

- Waste Disposal-general, Waste Water Treatment-general, ...5.0775

Power Conditioner

- COORDINATION OF PLANT FREQUENCY, D-C-TRANSMISSION AND SYSTEM CONTROL ...Ac-dc, Electric Power Plants, Evaluation Other, Other Generators, Power Transmission, ...8.0126

Power Conversion Systems

Ac-dc

- HIGH-VOLTAGE D-C TRANSMISSION INVESTIGATIONS ...Dc-ac, Digital Computers, Electrical Engineering-general, Power Regulator, Power Transmission, Silicon-controlled-rectifiers, ...8.0054
- COORDINATION OF PLANT FREQUENCY, D-C-TRANSMISSION AND SYSTEM CONTROL ...Electric Power Plants, Evaluation Other, Other Generators, Power Conditioner, Power Transmission, ...8.0126

Dc-ac

- HIGH-VOLTAGE D-C TRANSMISSION INVESTIGATIONS ...Ac-dc, Digital Computers, Electrical Engineering-general, Power Regulator, Power Transmission, Silicon-controlled-rectifiers, ...8.0054

Power Generation

- WATER DISPATCHING OPERATIONS BY ELECTRONIC COMPUTER ...Daily, Design Flow-flood, Dynamic Control System, Electric Power Plants, Inflow, Reservoirs and Impoundments, ...2.0984

Power Regulator

- HIGH-VOLTAGE D-C TRANSMISSION INVESTIGATIONS ...Ac-dc, Dc-ac, Digital Computers, Electrical Engineering-general, Power Transmission, Silicon-controlled-rectifiers, ...8.0054
- ELECTRICAL MACHINERY TEMPERATURE CONTROL ...Electric Power Plants, Motors and Appliances, Other Control Systems, Temperature, ...8.0125

Power Sources

Radioactive Isotope

- DESALINIZATION AND INTERREGIONAL STUDIES ...Atomic Plants, Benefit-cost Analysis, Desalination, Marketing, Water Costs, ...6.0099

Power Transmission

- REACTOR SWITCHING DUTY EVALUATION ...Electrical Engineering-general, Evaluation Other, Relay Circuits, Switching, ...8.0121
- FIELD TESTS OF POWER TRANSMISSION EQUIPMENT ...Colorado River, Field Testing, Relay Circuits, Switching, Transmission Lines, ...8.0036
- RELAY, CONTROL, AND METERING CIRCUIT INVESTIGATIONS ...Control, Evaluation Other, Relay Circuits, ...8.0122
- UNDERGROUND TRANSMISSION AND EQUIPMENT DIELECTRICS--SOLID, LIQUID, AND INERT GAS ...Cables and Transmission Lines, Electric Power Plants, Evaluation Other, Field Testing, Insulators, ...8.0123
- HIGH-VOLTAGE D-C TRANSMISSION INVESTIGATIONS ...Ac-dc, Dc-ac, Digital Computers, Electrical Engineering-general, Power Regulator, Silicon-controlled-rectifiers, ...8.0054
- POWER TRANSMISSION STRUCTURES, NEW TYPES ...Electric Power Plants, Electrical Engineering-general, Public Utilities, Structural, Transmission Lines, ...8.0120
- HIGH-VOLTAGE A-C TRANSMISSION ...Analog Computers, Development of Models, Digital Computers, Electrical Engineering-general, Switching, ...8.0056
- CIRCUIT BREAKER RESEARCH ...Circuit Breaker, Electric Power Plants, Electrical Engineering-general, Evaluation Other, Switching, ...8.0052
- COORDINATION OF PLANT FREQUENCY, D-C-TRANSMISSION AND SYSTEM CONTROL ...Ac-dc, Electric Power Plants, Evaluation Other, Other Generators, Power Conditioner, ...8.0126

SUBJECT INDEX

Precipitation

Pre-impoundment Sites

- EVALUATION OF CLEARED SEINING AREAS ...Land Use, Nets, Reservoirs and Impoundments, Texas, ...6.0540
- SOME EFFECTS OF WATER IMPOUNDMENTS ON WATERFOWL POPULATIONS AND REPRODUCTION ON THE SNAKE RIVER, WASHINGTON ...Other, Reservoirs and Impoundments, Snake River, Washington, Water Utilization -animal, ...6.0609
- IMPOUNDMENT EFFECTS ON WATER QUALITY AS REFLECTED IN PARASITISM OF RESERVOIR BASSES ...Copepods, Pathology, Reservoirs and Impoundments, Water Level Fluctuation, Water Quality-general, ...6.0024
- A STUDY OF THE ECOLOGY OF THE NAVASOTA RIVER, TEXAS ...Aquatic Ecology, Fish -non-specific, Texas, Water Properties-general, Zooplankton, ...6.0547
- A PRELIMINARY RECONNAISSANCE OF AREAS TO BE IMPOUNDED IN THE SALT RIVER BASIN OF KENTUCKY ...Kentucky, Reconnaissance, River Basins, Survey Studies, ...6.0242
- A PRELIMINARY RECONNAISSANCE OF AREAS TO BE IMPOUNDED IN THE SALT RIVER BASIN OF KENTUCKY ...Environmental Effects-geologic, Kentucky, Morphology-general, Water Quality-general, ...6.0243
- WATERFOWL POPULATIONS AND RECREATIONAL USE PATTERNS IN THE PROPOSED SAYLORVILLE RESERVOIR AREA AS RELATED TO PRE-IMPOUNDMENT CONDITIONS ...Access, Frequency of Use, Iowa, Population Dynamics, User Patterns, Water Fowl, N.s., ...6.0227
- A SYSTEMATIC STUDY OF RESPONSES TO IMPENDING INUNDATIONS AND THE DIRECTIONS OF IMPELLED POPULATION MOVEMENT ...Attitudes & Attitude Change, Mobility, Social Aspects, ...6.0238
- MINERAL RESOURCE STUDY--RESERVOIR SITES ...Appraisals-general, Metallic Deposits-other, Reservoirs and Impoundments, Resource Inventories, Texas, ...2.1008
- EFFECT OF IMPOUNDMENTS ON WATER QUALITY ...Oklahoma, Optimization, Reservoirs and Impoundments, Water Quality Control-general, Water Sampling, ...5.0904

Precipitation

Hail and Sleet

Formation

- PRODUCTION AND DETECTION OF ARTIFICIAL ICE NUCLEI ...Cloud Physics, Model Studies, Modification, Nucleation Physics, Precipitation Instruments, ...2.0173

Modification

- METEOROLOGICAL ANALYSIS OF PRECIPITATION EFFECTS OF SWISS HAIL SUPPRESSION EXPERIMENTS ...Clouds-precipitation, Patterns, Pressure-density, Weather Charts-maps, ...2.0108
- WEATHER MODIFICATION IN NORTH DAKOTA ...Amount, Clouds-precipitation, Hail, North Dakota, Weather, ...2.0831
- CLIMATOLOGY OF HAIL ...Applied Climatology, Patterns, Radar, Storms-general, ...4.0097
- PRODUCTION AND DETECTION OF ARTIFICIAL ICE NUCLEI ...Cloud Physics, Formation, Model Studies, Nucleation Physics, Precipitation Instruments, ...2.0173

Patterns

- CLIMATOLOGY OF HAIL ...Applied Climatology, Modification, Radar, Storms-general, ...4.0097

Topographic Influences

- TOPOGRAPHIC INFLUENCES ON PRECIPITATION ...Alaska, Orographic Effects, Patterns, Runoff, ...2.0028
- SKYWATER--PARK RANGE FOREST HYDROLOGY ...Colorado, Forest Watersheds, Model Studies, Mountains-alpine, Weather Modification-general, ...2.0172

Precipitation-general

Amount

- (U) RADAR MEASUREMENT OF RAINFALL ...Radar, ...2.0423
- PROBABLE MAXIMUM PRECIPITATION FOR SOUTHWEST STATES ...Design Flow-flood, Floods, Patterns, Snowmelt, Southwest, Weather Forecasting, ...2.0597
- HYDROLOGIC RELATIONSHIPS IN A CONIFEROUS FOREST ...Evapotranspiration, Forest Watersheds, Groundwater, Storage of Water, Water Balance-budget, ...2.0552

- SEASONAL SHALLOW STORAGE AND DEEP SEEPAGE COMPONENTS FOR THE HYDROLOGIC BUDGET OF A SMALL FORESTED OZARK WATERSHED ...Forest Watersheds, Groundwater Movement, Missouri, Seismic Surveys, Storage of Water, ...2.0700

- WATER UTILIZATION ASPECTS OF WEATHER MODIFICATION AS APPLIED TO KANSAS ...Clouds-precipitation, Development of Models, Kansas, Model Studies, Water Harvesting, ...2.0505

- WEATHER MODIFICATION IN NORTH DAKOTA ...Clouds-precipitation, Hail, Modification, North Dakota, Weather, ...2.0831

- INVESTIGATIONS OF EROSION CONTROL AND WATER CONSERVATION ...Conservation-general, Erosion, Gullies - Arroyos, Land Use, Runoff, Sediment Yield, Stabilization-general, ...3.0226

- CLIMATOLOGICAL MEASUREMENTS RELATED TO AGRICULTURE ...Fog-haze-mist, Land Use, Physical Climatology, Sunshine, Temperature, Water Utilization -general, ...2.0741

- RAINFALL FREQUENCY RELATIONS FOR PENNSYLVANIA ...Design Flow-flood, Gages, Hydrographic, Pennsylvania, Weather Charts-maps, ...2.0926

- RELATION OF CLIMATIC AND WATERSHED CHARACTERISTICS TO STORM RUNOFF IN THE EDWARDS PLATEAU ...Runoff, Small Watersheds, Storm Water, Storms-general, Texas, ...2.1030

- SCALE OF PRECIPITATION ...Clouds-precipitation, Modification, Precipitation Instruments, ...2.0605

- PRECIPITATION ...Forecasting-prediction, Gages, Runoff, Snowpack, Water Yield, ...2.0601

- IMPROVE PRECIPITATION MEASURING EQUIPMENT - D-III PRECIPITATION EQUIPMENT ...Automatic Data Acquisition, Automatic Stations, Gages, Technique Development, ...2.0591

- PROBABLE MAXIMUM PRECIPITATION FOR THE LOWER RIO GRANDE ...Mexico, River Basins, ...2.0598

- GREAT LAKES RESEARCH - LAKE PRECIPITATION ...Forecasting, Great Lakes-general, Lake Erie, Lake Michigan, Ocean Meteorological Studies, ...2.0638

- FLOODING OF SMALL STREAMS IN NASHVILLE-DAVIDSON CO. AREA, TENN. ...Discharge-general, Floods, Gaging, Tennessee, Urban Environments, ...2.0994

Forecasting

- EVALUATION OF CLIMATIC PATTERNS AFFECTING IDAHO AGRICULTURE ...Agricultural Watersheds, Applied Climatology, Data Analysis - General, Evaporation, Idaho, Meteorological Averages, Patterns, ...2.0396

- CALCULATION OF TEMPERATURE AND PRECIPITATION VALUES ...Air Temperature -non-specific, Distributions, Patterns, Temperature, Utah, ...2.1058

- PROBABILITIES OF SEQUENCES OF DRY DAYS IN TEXAS ...Computers-general, Irrigation-general, Planning, Tables, Compilations, Catalogs, Water Supply-general, ...3.0442

- GENERAL CIRCULATION - NUMERICAL MODELING OF PRECIPITATION ...Air Motion-general, Heat Exchange, Humidity, Model Studies, Weather Modification-general, ...2.0265

- NUMERICAL PREDICTION OF CLOUDINESS AND PRECIPITATION ...Applications, Prediction Models, ...2.0266

- WEATHER RADAR - PRECIPITATION RELATIONSHIP ...Automatic Stations, Computers-general, Patterns, Radar, ...2.0876

- CLOUD AND PRECIPITATION FORECAST MODEL ...Cloud Cover, Condensation-general, Latent Heats, Model Studies, Weather Forecasting, ...2.0267

- NATIONWIDE PRECIPITATION - NMC FORECAST TECHNIQUES ...Clouds-general, Computers-general, Forecasting-prediction, General Synoptic Observations, Regression Analysis, ...2.0589

- NUMERICAL PRECIPITATION MODEL ...Computers-general, Model Studies, Simulation Theory, Western, ...2.0588

- GREAT LAKES RESEARCH - LAKE PRECIPITATION ...Amount, Great Lakes-general, Lake Erie, Lake Michigan, Ocean Meteorological Studies, ...2.0638

- A TEST OF CERTAIN EVALUATION DESIGNS FOR CLOUD-SEEDING EXPERIMENTS ...Clouds-precipitation, Mathematical Analysis, Model Studies, Oklahoma, Weather Charts-maps, ...2.0180

- THE DEVELOPMENT OF SYNOPTIC CLIMATOLOGY AND STATISTICAL FORECASTING METHODS AND OROGRAPHIC PRECIPITATION ...Patterns, ...2.0205

- PRECIPITATION PATTERNS ON RANGELAND WATERSHEDS IN THE SOUTHWEST ...Climatology, Patterns, Runoff, Sediment Yield, Southwest, ...2.0040

Precipitation

SUBJECT INDEX

Formation

- ICE FORMATION BY CONTACT NUCLEATION ...Growth and Preparation, Model Studies, Nucleation, Nucleation Physics, Temperature, ...3.0339
- ROCKY MOUNTAIN OROGRAPHIC CLOUD PRECIPITATION AND MODIFICATION ...Cloud Structure, Clouds-precipitation, Colorado, Patterns, Topographic Influences, ...3.0140
- ELECTRIC FIELDS IN THE CONDENSATION AND COALESCENCE OF WATER ...Field Properties, Ionization, Laboratory Analysis, Nucleation Physics, ...3.0299
- NUMERICAL SIMULATION OF THE MACROPHYSICAL AND MICROPHYSICAL PROCESSES OF MOIST CONVECTION ...Cloud Formation and Evolution, Clouds-precipitation, Convection, Model Studies, Thermodynamics, ...2.0239
- CASCADES ATMOSPHERIC WATER RESOURCES PROGRAM ...Augmentation-general, Cascade Mountains, Clouds-precipitation, Data Analysis - General, Washington, ...2.1128

Modification

- NORTH SIERRA OROGRAPHIC, CONVECTIVE CLOUD STUDY - ATMOSPHERIC WATER RESOURCES PROGRAM ...Cloud Physics, Data Display Systems, Hydrology-general, Orographic Effects, Precipitation Instruments, ...2.0731
- METEOROLOGICAL ANALYSIS OF PRECIPITATION EFFECTS OF SWISS HAIL SUPPRESSION EXPERIMENTS ...Clouds-precipitation, Patterns, Pressure-density, Weather Charts-maps, ...2.0108
- DENSE RAINGAGE NETWORK PROJECTS ...Climatology, Data Networks, Gages, Storms-general, Weather Modification-general, ...2.0424

- SCALE OF PRECIPITATION ...Amount, Clouds-precipitation, Precipitation Instruments, ...2.0605
- ATMOSPHERIC WATER RESOURCES PROGRAM ...Augmentation-general, Clouds-precipitation, Reservoirs and Impoundments, Technique Development, Water Quantity-general, ...2.0163
- ATMOSPHERIC WATER RESOURCES RESEARCH ...Augmentation-general, California, Clouds-precipitation, Technique Development, ...2.0206
- ECOLOGICAL EFFECTS OF WEATHER MODIFICATION ...Climate-general, Management, Water Properties-general, Weather Modification-general, ...2.0168
- EVALUATION OF PRECIPITATION MANAGEMENT PROGRAMS BY PRECIPITATION RATE MEASUREMENTS ...Clouds-precipitation, Planning-support, ...2.0199
- INVESTIGATION OF THE FEASIBILITY OF WARM-CLOUD MANAGEMENT ...Cloud Temperature, Clouds-precipitation, Model Studies, Other, ...2.0165
- HYDROLOGIC BEHAVIOR OF SELECTED WATERSHEDS IN THE NORTHERN APPALACHIAN REGION ...Appalachian Highlands-other, Clouds-precipitation, Flow Characteristics - water, Model Studies, Watersheds-general, ...2.0184

Patterns

- PRECIPITATION, STREAMFLOW AND SEDIMENT CONVEYANCE IN A SMALL ARID WATERSHED ...Climate, Deserts, Flash Floods, Flow Characteristics -water, Sediment Transport-other, ...2.0496
- ROCKY MOUNTAIN OROGRAPHIC CLOUD PRECIPITATION AND MODIFICATION ...Cloud Structure, Clouds-precipitation, Colorado, Formation, Topographic Influences, ...3.0140
- PROBABLE MAXIMUM PRECIPITATION FOR SOUTHWEST STATES ...Amount, Design Flow-flood, Floods, Snowmelt, Southwest, Weather Forecasting, ...2.0597
- UTAH ATMOSPHERIC WATER RESOURCES (THE WASATCH WEATHER MODIFICATION PROJECT) ...Automatic Stations, Clouds-precipitation, Data Networks, Gages, Utah, ...2.1074
- A GEOGRAPHIC ANALYSIS OF THE HYDROLOGIC RESPONSE IN THE SOUTHEASTERN UNITED STATES ...Atlases-maps, Drainage, Land Use, Southeast, ...2.0346
- A HYDROMETEOROLOGICAL STUDY RELATED TO THE DISTRIBUTION OF PRECIPITATION AND RUNOFF OVER SMALL DRAINAGE BASINS - URBAN VERSUS RURAL AREAS ...Amount, Runoff, Small Watersheds, Texas, Urban Environments, ...2.1024
- A GENERALIZED, PROBABILISTIC APPROACH TO REGIONAL WATER SUPPLY ASSESSMENT ...Available Water, Confidence Intervals, Model Studies, Regional Areas, Runoff, ...6.0059

- PRECIPITATION AND RUNOFF DISTRIBUTIONS - ANALYSIS AND COMPARISONS ...Data Analysis - General, Discharge-general, Forecasting-prediction, Other Probability, Runoff, ...2.0739

- SOIL-WATER-VEGETATION RELATIONS IN THE DOUGLAS FIR ZONE ...Flow Characteristics -water, Forest Watersheds, Moisture Content, Runoff, Water Balance-budget, Water Cycle, ...3.0027

- EVALUATION OF CLIMATIC PATTERNS AFFECTING IDAHO AGRICULTURE ...Agricultural Watersheds, Applied Climatology, Data Analysis - General, Evaporation, Forecasting, Idaho, Meteorological Averages, ...2.0396

- CLIMATE AND PHENOLOGICAL PATTERNS FOR AGRICULTURE IN THE WESTERN REGION ...Nevada, ...2.0730

- CLIMATE AND PHENOLOGICAL PATTERNS FOR AGRICULTURE IN THE WESTERN REGION ...Applied Climatology, Meteorological Averages, Other Water Conditions, Phenology, Tables, Compilations, Catalogs, ...3.0332

- PREPARATION AND ANALYSIS OF CLIMATOLOGICAL DATA IMPORTANT TO AGRICULTURE AND FORESTRY ...Applied Climatology, Atmospheric Pollution-general, Precipitation -non-specific, Stochastic Processes, Western, ...4.0199

- STATISTICAL ANALYSES OF THE VARIATIONS OF PRECIPITATION-TEMPERATURE AND EVAPORATION IN TEXAS ...Data Analysis Applications, Evaporation, Temperature, Texas, ...2.1027

- CALCULATION OF TEMPERATURE AND PRECIPITATION VALUES ...Air Temperature -non-specific, Distributions, Forecasting, Temperature, Utah, ...2.1058

- THEORY FOR THE DESIGN OF PRECIPITATION NETWORKS FOR HYDROLOGIC ANALYSIS ...Gages, Storms-general, ...7.0000

- COMPUTER SIMULATION AND EVALUATION OF CLIMATOLOGICAL MODELS ...Computers-general, Model Studies, Statistics-general, ...7.0044

- ANALYSIS AND SYNTHESIS OF HYDROLOGIC SYSTEMS ...Computers-general, Flow Characteristics -water, Hydrology-general, Open Channel Flow, Technique Development, ...2.0615

- CHAMPLAIN VALLEY PRECIPITATION STUDY ...Gages, Pulp and Paper, Sulfur, Valleys and Canyons, ...2.0812

- RAINFALL EVALUATION STUDIES ...Data Analysis Applications, Gages, General Synoptic Observations, Modification, Storms-general, ...2.0416

- DROUGHT FREQUENCY, INTENSITY & DURATION - ITS CORRELATION TO STREAMFLOW AND ITS IMPACT UPON SYNTHETIC HYDROLOGY ...Climatology, Flow Characteristics -water, Meteorological Extremes, Synthetic Hydrology-general, Water Loss-general, ...2.0763

- USE OF RADAR FOR HYDROLOGICAL STUDIES ...Cloud Physics, Evaporation, Groundwater Movement, Radar, Structure-size, ...2.0776

- WEATHER RADAR - PRECIPITATION RELATIONSHIP ...Automatic Stations, Computers-general, Forecasting, Radar, ...2.0876

- PRECIPITATION-FREQUENCY MAPS FOR WESTERN UNITED STATES ...Climate, Geomorphology, Weather Charts-maps, Western, ...7.0052

- TOPOGRAPHIC INFLUENCES ON PRECIPITATION ...Alaska, Orographic Effects, Runoff, Topographic Influences, ...2.0028

- PARK RANGE ATMOSPHERIC WATER RESOURCES PROGRAM ...Clouds-precipitation, Colorado, Nucleation Physics, Orographic Effects, Technique Development, ...2.0164

- LARGE SCALE DYNAMIC EFFECTS OF CLOUD SEEDING ...Clouds-precipitation, Statistics-general, ...2.0171

- STATE OF WASHINGTON DEPARTMENT OF WATER RESOURCES CASCADE ATMOSPHERIC WATER RESOURCES PROGRAM ...Augmentation-general, Cascade - Sierra Mountains, Clouds-precipitation, Nucleation Physics, Washington, ...2.0195

- WATER YIELD IN RELATION TO CLIMATIC & WATERSHED CHARACTERISTICS OF LAND ...Agricultural Watersheds, Climate, Morphology-general, Subsurface Flow, Water Yield, ...3.0419

- PRECIPITATION CHARACTERISTICS INFLUENCING RUNOFF FROM AGRICULTURAL WATERSHEDS ...Agricultural Watersheds, Amount, Gages, Runoff, Topographic Influences, ...2.0334

- RELATION OF CLIMATIC AND WATERSHED FACTORS TO STORM RUNOFF IN CORN BELT STATES ...Agricultural Watersheds, Corn Belt, Physical Climatology, Runoff, Storms-general, ...2.0867

SUBJECT INDEX

Precipitation

WATER YIELD AS RELATED TO CLIMATIC WATERSHED CHARACTERISTICS IN THE NORTHERN PLAINS ...Agricultural Watersheds, Climate, Groundwater Movement, Morphology-general, Water Yield, ...3.0145

PRECIPITATION CHARACTERISTICS INFLUENCING HYDROLOGIC PERFORMANCE OF AGRICULTURAL WATERSHEDS IN THE PACIFIC NORTHWEST ...Agricultural Watersheds, Hydrology-general, Runoff, Sediment Yield, Snow-other, ...2.0386

PRECIPITATION PATTERNS ON RANGELAND WATERSHEDS IN THE SOUTHWEST ...Climatology, Forecasting, Runoff, Sediment Yield, Southwest, ...2.0040

PRECIPITATION PATTERNS ON UPSTREAM WATERSHEDS IN CENTRAL AND SOUTHERN CALIFORNIA ...California, Climatology, Runoff, Sediment Yield, Watersheds-general, ...2.0103

Precipitation-general

RATE OF EVAPOTRANSPIRATION ...Drought, Energy Budgets, Evapotranspiration, Missouri, Yield, ...2.0692

RAIN SCAVENGING STUDIES - DATA ANALYSIS, SYNTHESIS AND INTERPRETATION ...Clouds-precipitation, Dust - Particulate Matter, Storms-general, Tracers, Washout, ...7.0057

REVIEW AND ANALYSIS OF PRECIPITATION AND RUNOFF DATA FOR SELECTED WATERSHEDS IN MINNESOTA ...Floods, Hydrographs, Infiltration, Runoff, Watersheds-general, ...4.0140

STUDY OF THE HYDROLOGY FOR MODELS OF THE GREAT LAKES ...Evaporation, Great Lakes-general, Management, Runoff, Systems Analysis, ...2.0435

DRAINAGE CORRELATION RESEARCH PROJECT ...Climatology, Drainage, Floods, Peak Flow, Small Watersheds, ...2.0710

ELECTRONIC ANALOG MODEL STUDIES OF RIVER BASINS ...Analog Computers, Groundwater, Management, Model Studies, River Basins, Runoff, Water Cycle, Water Resources Development, ...2.1059

HYDROLOGIC MODEL FOR STREAMFLOW FORECASTING ...Flow Characteristics -water, Forecasting-prediction, Hydrographs, Model Studies, Peak Flow Runoff, ...2.0600

MISCELLANEOUS FIELD RESEARCH IN CLIMATOLOGY ...Amount, Physical Climatology, Water Resources Development, Water Yield, Weather Modification-general, ...2.0606

GREAT LAKES RESEARCH - LAKE EVAPORATION ...Evaporation, Great Lakes-general, Heat Budget, Humidity, Velocity, ...2.0637

CHEMISTRY OF ATMOSPHERIC PRECIPITATION ...Chemical Composition, Environmental Effects-geologic, Groundwater, Streams, Water Quality-general, ...2.0279

MANAGEMENT FOR IMPROVEMENT OF WATER YIELD IN THE CONIFER ZONE OF CALIFORNIA ...Evapotranspiration, Forest Watersheds, Land Use, Radioisotopes, Snowmelt, Water Yield, ...3.0032

PRECIPITATION AND SNOW MELT CHARACTERISTICS INFLUENCING RUNOFF FROM WATERSHEDS IN CORN BELT ...Agricultural Watersheds, Corn Belt, Permafrost-frozen, Runoff, Snowmelt, ...2.0865

WATER USE UNDER DRYLAND CONDITIONS IN COASTAL VALLEYS OF CALIFORNIA ...Applied Climatology, California, Modified Water Use, Moisture Content, Soil Environment, ...3.0092

Precipitation-other

PROBABILITY TABLES FOR PRECIPITATION ...Moisture-other, Other Probability, Requirements for Water, Tables, Compilations, Catalogs, Weather Forecasting, ...2.0604

DEVELOP PROTOTYPE PRECIPITATION OCCURRENCE SENSOR - DEVELOP AMOS III-70 (AUTOMATIC WEATHER STATION) ...Automatic Data Acquisition, Automatic Stations, Precipitation Instruments, Technique Development, ...7.0053

Topographic Influences

ROCKY MOUNTAIN OROGRAPHIC CLOUD PRECIPITATION AND MODIFICATION ...Cloud Structure, Clouds-precipitation, Colorado, Formation, Patterns, ...3.0140

HYDROMETEOROLOGY ...Mountains-alpine, Orographic Effects, Snowpack, Turbulence-other, Velocity, ...2.0218

TOPOGRAPHIC EFFECTS ON PRECIPITATION ...Applied Climatology, Illinois, Precipitation Instruments, ...2.0412

AIRFLOW AND DIFFUSION PARAMETERS IN CONNECTION WITH ATMOSPHERIC WATER RESOURCES PROGRAM ...Diffusion, Model Studies, Orographic Effects, Weather Modification-other, Wind Tunnels, ...2.0167

THE RELATION OF RAIN, SNOW, AND FROZEN SOILS TO THE HYDROLOGY OF AGRICULTURAL WATERSHEDS ...Agricultural Watersheds, Northeast, Patterns, Permafrost-frozen, ...2.0919

Rain

Amount

A STUDY OF THE HYDROLOGIC EFFECTS OF RAINFALL AUGMENTATION ...Augmentation-general, Clouds-precipitation, Digital Computers, Model Studies, Watersheds-general, ...3.0076

PROBABLE MAXIMUM PRECIPITATION FOR SMALL BASIN IN THE TENNESSEE RIVER DRAINAGE SYSTEM ...Drainage, Storms-general, Tennessee River, Topographic Influences, Weather Forecasting, ...2.0594

WATER LOSS ...Depth, Meteorological Studies-general, Requirements for Water, Water Level Fluctuation, Water Loss-general, ...4.0228

HYDROLOGY OF SUBURBAN AREAS ...Conservation-general, Land, New Jersey, Runoff, Suburban Areas, ...4.0173

HYDROLOGY OF WATER YIELD PREDICTION ...Forecasting-prediction, Forest Watersheds, Moisture Retention, Water Balance-budget, Water Yield, ...2.0892

FLOODS FROM SMALL WATERSHEDS ...Floods, Rural Areas, Small Watersheds, Synthetic Hydrology-general, Systems Analysis, ...2.0231

HYDROLOGY OF SMALL DRAINAGE BASINS FOR DEVELOPING HYDRAULIC DESIGN ...Flow Characteristics -water, Hydrographs, Runoff, Small Watersheds, South Dakota, ...2.0972

PRECIPITATION INTENSITY-FREQUENCY RELATIONSHIPS FOR WEST VIRGINIA ...Digital Computers, Patterns, West Virginia, ...2.1141

INVESTIGATION OF A LINEAR MODEL TO DESCRIBE THE HYDROLOGIC PHENOMENON OF DRAINAGE BASINS ...Hydrographs, Model Studies, Runoff, Small Watersheds, Testing of Models, ...2.1041

RUNOFF GENERATION AS A FUNCTION OF PRECIPITATION AND WATERSHED CHARACTERISTICS ...Hydrographs, Runoff, Washington, Watersheds-general, ...2.1120

A HYDROMETEOROLOGICAL STUDY RELATED TO THE DISTRIBUTION OF PRECIPITATION AND RUNOFF OVER SMALL DRAINAGE BASINS - URBAN VERSUS RURAL AREAS ...Patterns, Runoff, Small Watersheds, Texas, Urban Environments, ...2.1024

HYDROLOGIC AND PHOTOLOGIC DETERMINATION OF RAINFALL, RUNOFF, AND GROUNDWATER RELATIONSHIPS IN A DOLOMITE AREA ...Dolomite, Groundwater, Hydrology-general, Photogrammetry, Runoff, ...2.0702

SMALL WATERSHED YIELDS ...Aquifers-general, Land Use, Runoff, Small Watersheds, Water Yield, ...4.0149

SOIL DRAINAGE ...Drainage, New Jersey, Soil Morphology, Profiles, Water Table Fluctuation, ...4.0171

DEVELOPMENT OF IMPROVED SNOW SURVEYING AND STREAM-FLOW FORECASTING TECHNIQUES ...Antecedent Moisture, Flow Characteristics -water, Forecasting-prediction, Moisture Content, Temperature, ...2.1072

FACTORS AFFECTING WATER YIELDS FROM SMALL WATERSHEDS AND SHALLOW GROUND AQUIFERS ...Applied Climatology, Aquifers-general, Runoff, Small Watersheds, Soil Types-general, Water Yield, ...4.0207

TREATING AN INADEQUACY OF THE UNIT HYDROGRAPH HYPOTHESIS BY STORAGE ROUTING WITH VARIABLE EMPIRICAL VALUES OF LAG AND STORAGE ...Arizona, Hydrographs, Model Studies, Runoff, Storage of Water, ...2.0063

SYSTEM ANALYSIS OF RAINFALL-RUNOFF RELATIONSHIP ...Digital Computers, Digital Computers, Ordinary, Runoff, Systems Analysis, ...2.0427

STOCHASTIC ANALYSIS OF RAINFALL-RUNOFF RELATIONSHIP ...Mathematical Analysis, North Carolina, Runoff, Stochastic Processes, ...2.0428

HYDROLOGIC MEASUREMENT SYSTEMS ...Data Networks, Error Analysis, Gages, Hydrology-general, Instrumentation-general, Rain-general, Technique Development, Urban Environments, ...7.0056

COOPERATIVE WATERSHED MANAGEMENT ON BRUSHLANDS OF CALIFORNIA ...California, Management, Management and Fertility, Runoff, Sediment Yield, ...4.0036

EXPERIMENTAL INVESTIGATION OF SMALL WATERSHED FLOODS ...Floods, Runoff, Small Watersheds, Synthetic Hydrology-general, ...2.0232

Precipitation

SUBJECT INDEX

SHORT-DURATION CONVECTIVE RAINFALL - DEPTH-DURATION AND INTENSITY-DURATION RELATIONSHIPS AND VARIATIONS ...Convection, Gages, Patterns, Thunderstorms, ...2.0921

RUNOFF PRODUCTION FROM UNIT SOURCE WATERSHEDS IN THE EDWARDS PLATEAU ...Forecasting-prediction, Rocks - Bedrock, Runoff, Small Watersheds, Texas, ...2.1028

PRECIPITATION CHARACTERISTICS INFLUENCING RUNOFF FROM AGRICULTURAL WATERSHEDS IN THE BLACKLANDS AND EDWARDS PLATEAU OF TEXAS ...Agricultural Watersheds, Drought, Gages, Runoff, Texas, ...2.1032

RUNOFF AND WATER YIELD AS AFFECTED BY CLIMATIC AND WATERSHED CONDITIONS IN THE BLACKLANDS OF TEXAS ...Agricultural Watersheds, Floods, Runoff, Texas, Water Yield, ...2.1021

COMPUTER-ORIENTED MATHEMATICAL MODEL FOR CONTINUOUS STREAMFLOW PREDICTION ...Computers-general, Development of Models, Discharge-general, Prediction Models, ...2.0985

GENERALIZED HYDROLOGIC DESIGN CRITERIA ...Hydrology-general, Reservoirs and Impoundments, Technique Development, Water Resources Development, ...6.0079

HYDROLOGIC RELATIONS IN HAWAII ...Data Networks, Floodproofing, Hawaii, Hydrology-general, Runoff, ...2.0365

GENERALIZED SOIL - MOISTURE RUNOFF RELATIONS ...Forecasting-prediction, Moisture Content, River Basins, Runoff, ...2.0900

FLOOD-FREQUENCY AND BASIN PARAMETER RELATIONSHIPS IN SMALL DRAINAGE AREAS ...Discharge-general, Floods, Morphology-general, Peak Flow, Small Watersheds, ...2.0280

FLOODS IN NORTH LOUISIANA - RAINFALL-RUNOFF RELATIONSHIPS ...Floods, Gaging, Louisiana, Runoff, Storms-general, ...2.0537

WRAGG SWAMP CANAL INVESTIGATION, ALABAMA ...Alabama, Canals, Control Factors-general, Runoff, Urban Environments, ...4.0001

HYDROLOGIC INVESTIGATIONS OF URBAN AREAS - HOUSTON, TEXAS ...Discharge-general, Floods, Gaging, Texas, Urban Environments, ...4.0233

EVALUATION OF PRECIPITATION MANAGEMENT PROGRAMS BY PRECIPITATION RATE MEASUREMENTS ...Clouds-precipitation, Modification, Planning-support, ...2.0199

A THEORETICAL STUDY OF INFILTRATION INTO RANGE AND FOREST SOILS ...Infiltration, Runoff, ...2.1066

PRECIPITATION CHARACTERISTICS INFLUENCING RUNOFF FROM AGRICULTURAL WATERSHEDS ...Agricultural Watersheds, Gages, Patterns, Runoff, Topographic Influences, ...2.0334

PRECIPITATION CHARACTERISTICS INFLUENCING RUNOFF FROM WATERSHEDS IN THE SOUTHERN PLAINS ...Agricultural Watersheds, Great Plains Province, Patterns, Runoff, Topographic Influences, ...2.1054

Forecasting

STATISTICAL, METEOROLOGICAL AND DEPTH-AREA ANALYSIS OF RAINFALL ...Data Analysis Applications, Hydrology-general, Middle-east-general, Patterns, ...2.0492

TROPICAL STORM RAINFALL AND HURRICANE WIND FIELDS ...Gulf of Mexico, Pressure-density, Tropical Cyclones, Velocity, ...2.0595

INFLUENCE OF TOPOGRAPHIC FEATURES ON RAINFALL IN WEST VIRGINIA ...Mathematical Analysis, Patterns, Topographic Influences, Weather Charts-maps, West Virginia, ...2.1140

PACIFIC OCEAN INFLUENCE UPON CALIFORNIA RAINFALL ...California, Pacific Ocean-general, Patterns, Rain-other, Temperature, ...2.0104

CLIMATIC PATTERNS IN WASHINGTON STATE ...Climate, Data Analysis Applications, Data Networks, Evaporation, Patterns, ...2.1122

Modification

RAINFALL EVALUATION STUDIES ...Data Analysis - General, Gages, Patterns, Sampling-general, Weather Modification-general, ...3.0219

RAINFALL OVER MISSOURI ...Data Analysis - General, Gages, Geography-physical, Patterns, Topographic Influences, ...2.0694

EVALUATION OF PRECIPITATION MANAGEMENT PROGRAMS BY PRECIPITATION RATE MEASUREMENTS ...Clouds-precipitation, Planning-support, ...2.0199

Patterns

STATISTICAL, METEOROLOGICAL AND DEPTH-AREA ANALYSIS OF RAINFALL ...Data Analysis Applications, Forecasting, Hydrology-general, Middle-east-general, ...2.0492

(U) RADAR MEASUREMENT OF RAINFALL ...Radar, ...2.0423

STOCHASTIC STRUCTURE OF HYDROLOGIC SERIES ...Hydrology-general, Runoff, Stochastic Processes, ...6.0109

RAINFALL EVALUATION STUDIES ...Data Analysis - General, Gages, Modification, Sampling-general, Weather Modification-general, ...3.0219

INFLUENCE OF TOPOGRAPHIC FEATURES ON RAINFALL IN WEST VIRGINIA ...Forecasting, Mathematical Analysis, Topographic Influences, Weather Charts-maps, West Virginia, ...2.1140

PRECIPITATION INTENSITY-FREQUENCY RELATIONSHIPS FOR WEST VIRGINIA ...Amount, Digital Computers, West Virginia, ...2.1141

A SYSTEMATIC TREATMENT OF THE PROBLEM OF INFILTRATION ...Hysteresis, Infiltration, Model Studies, Moisture Content, Soil Profile, ...2.0219

TIME DISTRIBUTION OF RAINFALL INTENSITIES ...Atmosphere Disturbance, Mathematical Analysis, ...2.0920

SMALL AGRICULTURAL WATERSHED HYDROLOGY ...Agricultural Watersheds, Floods, Gages, Runoff, Sediment Yield, ...4.0138

RAINFALL OVER MISSOURI ...Data Analysis - General, Gages, Geography-physical, Modification, Topographic Influences, ...2.0694

STATISTICAL ANALYSES OF THE VARIATIONS OF PRECIPITATION-TEMPERATURE AND EVAPORATION IN TEXAS ...Data Analysis Applications, Evaporation, Temperature, Texas, ...2.1027

CLIMATIC PATTERNS IN WASHINGTON STATE ...Climate, Data Analysis Applications, Data Networks, Evaporation, Forecasting, ...2.1122

RAINFALL CHARACTERISTICS, DROUGHT INCIDENCE AND THE DEVELOPMENT OF A RAINFALL DEFICIENCY INDEX FOR THE AGRICULTURAL REGIONS OF PUERTO RICO ...Drought, Irrigation-general, Meteorological Extremes, Puerto Rico, Rain, ...2.0932

RESEARCH ON GEOHYDROLOGY OF THE EASTERN SLOPE OF WEST MAUI ...Aquifers-general, Hawaii, Mountains-alpine, Projections and Estimations, Slopes, Water Yield, ...6.0170

CHAMPLAIN VALLEY PRECIPITATION STUDY ...Gages, Pulp and Paper, Sulfur, Valleys and Canyons, ...2.0812

FACTORS AFFECTING WATER YIELDS FROM SMALL WATERSHEDS AND SHALLOW GROUND AQUIFERS ...Atlases-maps, Moisture Content, Puerto Rico, Runoff, Water Yield, ...4.0208

REGIONAL CORRELATIONS IN HYDROLOGIC VARIABLES ...Annual, Correlation, Data Analysis - General, Evaporation, Runoff, ...7.0097

HYDROMETEOROLOGICAL ANALYSIS OF SEVERE RAINSTORMS ...Illinois, Meteorological Extremes, Radar, Storms-general, Weather Charts-maps, ...2.0414

WATER SUPPLY FROM AGRICULTURAL WATERSHEDS AND UTILIZATION IN IRRIGATION ...Agricultural Watersheds, Forecasting-prediction, Irrigation-general, Moisture Content, Runoff, Water Yield, ...4.0187

SHORT-DURATION CONVECTIVE RAINFALL - DEPTH-DURATION AND INTENSITY-DURATION RELATIONSHIPS AND VARIATIONS ...Amount, Convection, Gages, Thunderstorms, ...2.0921

INVESTIGATION OF RAINFALL DISTRIBUTION ON URBAN RUNOFF FOR IMPERVIOUS AREAS ...Drainage, Hydrographs, Model Studies, Runoff, Urban Environments, ...2.0306

HYDROLOGIC STUDIES (STORM STUDIES) ...Flood Control, Floodproofing, Hydrology-general, Storms-general, Tables, Compilations, Catalogs, ...2.0549

GEOMORPHIC ASPECTS (SISTERS AND WATTS BRANCHES, MARYLAND) ...Energy-dynamics, Ephemeral, Groundwater Movement, Runoff, Sediment Transport-general, Water Cycle, ...2.0283

THE RELATION OF RAIN, SNOW, AND FROZEN SOILS TO THE HYDROLOGY OF AGRICULTURAL WATERSHEDS ...Agricultural Watersheds, Northeast, Permafrost-frozen, Topographic Influences, ...2.0919

PRECIPITATION CHARACTERISTICS INFLUENCING RUNOFF FROM WATERSHEDS IN THE SOUTHERN PLAINS ...Agricultural Watersheds, Amount, Great Plains Province, Runoff, Topographic Influences, ...2.1054

SUBJECT INDEX

Precipitation

Rain-general

- INVESTIGATION AND ANALYSIS OF FLOOD HYDROGRAPHS FROM SMALL DRAINAGE BASINS IN SOUTH DAKOTA ...Bridges & Culverts, Culvert, Drainage, Floods, Hydrographs, Small Watersheds, ...2.0294
- PREDICTION OF THE MAGNITUDES AND FREQUENCIES OF FLOODS IN MICHIGAN ...Drainage, Floods, Forecasting-prediction, Michigan, Morphology-general, ...2.0635
- CHEMICAL CHARACTERISTICS OF PRECIPITATION FALLING IN CHAMPLAIN VALLEY ...Chemical Analysis, Snow-general, Storms-general, Vermont, Water Quality-general, ...2.1086
- PHASE TWO - EXPERIMENTAL INVESTIGATION OF SMALL WATERSHED FLOODS ...Floods, Mathematical Analysis, Model Studies, Runoff, Small Watersheds, ...2.0233
- THE INTERFLOW PROCESS ON SLOPING WATERSHED AREAS ...Forecasting-prediction, Groundwater Movement, Mathematical Analysis, Physical Properties-general, Tracers-general, ...2.0961
- MECHANICS OF SOIL EROSION BY WATER ...Erosion Control, Erosion-general, Particle Surface, Stability, Thermal Properties-general, ...2.0457
- HYDROLOGIC MEASUREMENT SYSTEMS ...Amount, Data Networks, Error Analysis, Gages, Hydrology-general, Instrumentation-general, Technique Development, Urban Environments, ...7.0056
- NEUTRON ACTIVATION ANALYSIS OF IMPURITIES IN RAIN AND SNOW ...Activation Analysis, Calcium, Lake Erie, Snowmelt, Storms-general, Sulfur, ...5.0767
- GENERALIZED ANALYSIS OF SMALL WATERSHED RESPONSES ...Mathematical Analysis, Sequences - Series, Small Watersheds, Water Yield, ...2.0085
- MATHEMATICAL MODELING OF SMALL WATERSHED FLOODS ...Floods, Mathematical Analysis, Model Studies, Runoff, Small Watersheds, ...4.0073
- PILOT-STUDY OF SMALL WATERSHED HYDROLOGY ...Data Analysis - General, Floods, Instrumentation-general, Mathematical Analysis, Runoff, Small Watersheds, ...2.0379
- RADIOACTIVITY IN RAINFALL ...General Synoptic Observations, Illinois, Radioactivity, ...2.0415
- CHARACTERIZATION OF WATER TABLES IN OREGON SOILS WITH REFERENCE TO TRAFFICABILITY ...Dynamic, Moisture Content, Static Load-general, Trafficability, Water Table Fluctuation, ...2.0887
- WATER POLLUTION FROM ERODED SEDIMENTS ...Flow Characteristics -water, Other Transport Effects, Sediments, Suspension, Velocity -water, ...2.1042
- RUNOFF PRODUCTION BY UNIT SOURCE AREA ...Evaporation, Forecasting-prediction, Land Use, Moisture Content, Runoff, ...2.1029
- NUTRIENT INPUT TO WASHINGTON SOILS FROM ATMOSPHERIC SOURCES ...Air - Water - Plant Relations, Irrigation, Irrigation-general, Nutrients, Soil and Rock Leaching, ...2.1124
- IMPROVE COMPONENTS OF THE DATA ACQUISITION SYSTEM - SATELLITE COMMUNICATIONS EQUIPMENT ...Automatic Data Acquisition, Data Acquisition Systems, Instrumental Services, Satellites & Deep Space Probes, Streams, ...7.0050
- NATURAL RECHARGE OF GROUND WATER IN CENTRAL AND SOUTHERN CALIFORNIA ...Infiltration, Natural Recharge, Runoff, ...3.0063

Rain-other

- EFFECT OF RAINDROP IMPACT AND SURFACE ROUGHNESS ON SHEET FLOW ...Flow Characteristics -water, Model Studies, Rainfall Simulators, Roughness, Sheetflow, ...2.0447
- PACIFIC OCEAN INFLUENCE UPON CALIFORNIA RAINFALL ...California, Forecasting, Pacific Ocean-general, Patterns, Temperature, ...2.0104
- EVALUATION OF THE SULFUR SUPPLYING CAPACITY OF HAWAIIAN SOILS ...Hawaii, Irrigation-general, Movement, Availability, Soil Chemical Properties, Sulfur, ...2.0373
- PRECIPITATION SCAVENGING ...Dispersion - Transpiration, Nuclear Explosions - Fallout, Nucleation Physics, Snow-other, Washout, ...5.1252

Structure-size

- SCAVENGING STUDY OF SNOW AND ICE CRYSTALS ...Charge on Droplets, Nucleation Physics, Structure, Washout, ...2.0406
- (U) RADAR MEASUREMENT OF RAINFALL ...Radar, ...2.0423

SPATIAL BEHAVIOR OF ROUGHNESS IN LABORATORY WATERSHED, PHASE II ...Energy Loss -water, Model Studies, Roughness, Runoff, Surface Flow, Synthetic Hydrology-general, ...2.0703

USE OF RADAR FOR HYDROLOGICAL STUDIES ...Cloud Physics, Evaporation, Groundwater Movement, Patterns, Radar, ...2.0776

BASIC PRINCIPLES AND MECHANICS OF RAINFALL, RUNOFF, SOIL MOVEMENT AND LOSS IN THE CORN BELT ...Engineering Properties-general, Erosion-general, Runoff, Sediment Transport-general, Slopes, Surface Flow, ...2.0475

Topographic Influences

PROBABLE MAXIMUM PRECIPITATION FOR SMALL BASIN IN THE TENNESSEE RIVER DRAINAGE SYSTEM ...Amount, Drainage, Storms-general, Tennessee River, Weather Forecasting, ...2.0594

INFLUENCE OF TOPOGRAPHIC FEATURES ON RAINFALL IN WEST VIRGINIA ...Forecasting, Mathematical Analysis, Patterns, Weather Charts-maps, West Virginia, ...2.1140

RAINFALL OVER MISSOURI ...Data Analysis - General, Gages, Geography-physical, Modification, Patterns, ...2.0694

PRECIPITATION CHARACTERISTICS INFLUENCING RUNOFF FROM AGRICULTURAL WATERSHEDS ...Agricultural Watersheds, Amount, Gages, Patterns, Runoff, ...2.0334

PRECIPITATION CHARACTERISTICS INFLUENCING RUNOFF FROM WATERSHEDS IN THE SOUTHERN PLAINS ...Agricultural Watersheds, Amount, Great Plains Province, Patterns, Runoff, ...2.1054

Snow

Amount

DEVELOPMENT OF IMPROVED SNOW SURVEYING AND STREAM-FLOW FORECASTING TECHNIQUES ...Antecedent Moisture, Flow Characteristics -water, Forecasting-prediction, Moisture Content, Temperature, ...2.1072

MISCELLANEOUS FIELD RESEARCH IN CLIMATOLOGY ...Physical Climatology, Precipitation-general, Water Resources Development, Water Yield, Weather Modification-general, ...2.0606

TEST AND EVALUATION OF TELEMETERING STORAGE PRECIPITATION GAGE ...Automatic Data Acquisition, Automatic Stations, Gages, Technique Development, ...7.0048

SKYWATER ...Clouds-precipitation, Fronts, Montana, Storms-general, Topographic Influences, ...2.0200

Formation

LAKE EFFECT STORM STUDY ...Lake Erie, Lake Ontario, Model Studies, Sea of Japan, Weather Forecasting, ...2.0778

Modification

RESEARCH IN ATMOSPHERIC SCIENCES AS RELATED TO INCREASING WATER SUPPLY ...Montana, Nucleation Physics, Snowmelt, Topographic Influences, ...2.0904

Patterns

SNOW DISTRIBUTION MAPPING FROM SATELLITE PHOTOGRAPHY ...Aerospatial, Mapping, Maps-general, Mountains-alpine, ...8.0214

THE RELATION OF RAIN, SNOW, AND FROZEN SOILS TO THE HYDROLOGY OF AGRICULTURAL WATERSHEDS ...Agricultural Watersheds, Northeast, Permafrost-frozen, Topographic Influences, ...2.0919

SNOW ACCUMULATION AND MELT ON STUDY AREAS ...Energy-general, Idaho, Mountains-alpine, Photogrammetry, Snowmelt, ...2.0388

Snow-general

CHEMICAL CHARACTERISTICS OF PRECIPITATION FALLING IN CHAMPLAIN VALLEY ...Chemical Analysis, Rain-general, Storms-general, Vermont, Water Quality-general, ...2.1086

THE URBAN SNOW HAZARD ...Economic Impact, Social Aspects, Urban Environments, Weather, Welfare Economics, ...6.0186

Snow-other

A STUDY OF SNOW INTERCEPTED BY CONIFEROUS TREE CROWNS AND ITS DISPOSITION UNDER THE CLIMATIC CONDITIONS OF CENTRAL NEW YORK ...Coniferous Forests, Conifers -non-specific, Interception, New York, Snow, ...2.0787

Precipitation

PRECIPITATION SCAVENGING ...Dispersion - Transporation, Nuclear Explosions - Fallout, Nucleation Physics, Rain-other, Washout, ...5.1252

PRECIPITATION CHARACTERISTICS INFLUENCING HYDROLOGIC PERFORMANCE OF AGRICULTURAL WATERSHEDS IN THE PACIFIC NORTHWEST ...Agricultural Watersheds, Hydrology-general, Patterns, Runoff, Sediment Yield, ...2.0386

Structure

SCAVENGING STUDY OF SNOW AND ICE CRYSTALS ...Charge on Droplets, Nucleation Physics, Structure-size, Washout, ...2.0406

STUDY OF SNOW CRYSTAL TYPES IN GREAT LAKES SNOWSTORMS ...Activation Analysis, Great Lakes-general, Inorganic, Iodine, Storm Water, ...2.0784

Topographic Influences

LAKE EFFECT SNOW SITUATIONS, EASTERN LAKE ONTARIO AREA ...Atmospheric Pressure, Data Acquisition, General Synoptic Observations, Lake Ontario, ...7.0084

SKYWATER ...Amount, Clouds-precipitation, Fronts, Montana, Storms-general, ...2.0200

RESEARCH IN ATMOSPHERIC SCIENCES AS RELATED TO INCREASING WATER SUPPLY ...Modification, Montana, Nucleation Physics, Snowmelt, ...2.0904

Precipitation Instruments

NORTH SIERRA OROGRAPHIC, CONVECTIVE CLOUD STUDY - ATMOSPHERIC WATER RESOURCES PROGRAM ...Cloud Physics, Data Display Systems, Hydrology-general, Modification, Orographic Effects, ...2.0731

TOPOGRAPHIC EFFECTS ON PRECIPITATION ...Applied Climatology, Illinois, Topographic Influences, ...2.0412

SCALE OF PRECIPITATION ...Amount, Clouds-precipitation, Modification, ...2.0605

DEVELOP PROTOTYPE PRECIPITATION OCCURRENCE SENSOR - DEVELOP AMOS III-70 (AUTOMATIC WEATHER STATION) ...Automatic Data Acquisition, Automatic Stations, Precipitation-other, Technique Development, ...7.0053

ATMOSPHERIC WATER RESOURCES RESEARCH IN THE STATE OF NEW MEXICO ...Clouds-general, Clouds-precipitation, New Mexico, Rio Grande, Storms-general, ...2.0175

PRODUCTION AND DETECTION OF ARTIFICIAL ICE NUCLEI ...Cloud Physics, Formation, Model Studies, Modification, Nucleation Physics, ...2.0173

Gages

RAINFALL EVALUATION STUDIES ...Data Analysis - General, Modification, Patterns, Sampling-general, Weather Modification-general, ...3.0219

UTAH ATMOSPHERIC WATER RESOURCES (THE WASATCH WEATHER MODIFICATION PROJECT) ...Automatic Stations, Clouds-precipitation, Data Networks, Patterns, Utah, ...2.1074

SYSTEM MONITORING AND REMOTE CONTROL ...Automatic Data Acquisition, Effluents-waste Water, Instrumental Services, Other Telemetry, Physical Parameters, ...5.0559

SMALL AGRICULTURAL WATERSHED HYDROLOGY ...Agricultural Watersheds, Floods, Patterns, Runoff, Sediment Yield, ...4.0138

RAINFALL OVER MISSOURI ...Data Analysis - General, Geography-physical, Modification, Patterns, Topographic Influences, ...2.0694

THEORY FOR THE DESIGN OF PRECIPITATION NETWORKS FOR HYDROLOGIC ANALYSIS ...Patterns, Storms-general, ...7.0009

HYDROLOGIC MEASUREMENT SYSTEMS ...Amount, Data Networks, Error Analysis, Hydrology-general, Instrumentation-general, Rain-general, Technique Development, Urban Environments, ...7.0056

CHAMPLAIN VALLEY PRECIPITATION STUDY ...Patterns, Pulp and Paper, Sulfur, Valleys and Canyons, ...2.0812

DENSE RAINGAGE NETWORK PROJECTS ...Climatology, Data Networks, Modification, Storms-general, Weather Modification-general, ...2.0424

RAINFALL EVALUATION STUDIES ...Data Analysis Applications, General Synoptic Observations, Modification, Patterns, Storms-general, ...2.0416

SHORT-DURATION CONVECTIVE RAINFALL - DEPTH-DURATION AND INTENSITY-DURATION RELATIONSHIPS AND

SUBJECT INDEX

VARIATIONS ...Amount, Convection, Patterns, Thunderstorms, ...2.0921

RAINFALL FREQUENCY RELATIONS FOR PENNSYLVANIA ...Amount, Design Flow-flood, Hydrographic, Pennsylvania, Weather Charts-maps, ...2.0926

PRECIPITATION CHARACTERISTICS INFLUENCING RUNOFF FROM AGRICULTURAL WATERSHEDS IN THE BLACKLANDS AND EDWARDS PLATEAU OF TEXAS ...Agricultural Watersheds, Amount, Drought, Runoff, Texas, ...2.1032

PRECIPITATION ...Amount, Forecasting-prediction, Runoff, Snow-paek, Water Yield, ...2.0601

TEST AND EVALUATION OF TELEMETERING STORAGE PRECIPITATION GAGE ...Amount, Automatic Data Acquisition, Automatic Stations, Technique Development, ...7.0048

IMPROVE PRECIPITATION MEASURING EQUIPMENT - PRESSURE TRANSDUCER ANALYSIS ...Automatic Stations, Instrumental Services, Transducers, ...2.0590

IMPROVE PRECIPITATION MEASURING EQUIPMENT - HYDROLOGIC EQUIPMENT IMPROVEMENT ...Atmospheric Pressure, Data Acquisition Systems, Instrumental Services, Technique Development, Transducers, ...7.0051

IMPROVE PRECIPITATION MEASURING EQUIPMENT - D-III PRECIPITATION EQUIPMENT ...Amount, Automatic Data Acquisition, Automatic Stations, Technique Development, ...2.0591

FISHER AND PORTER INSTALLATION METHODS ...Evaporation, Technique Development, Testing Devices, ...7.0049

PROJECT SKYWATER - NEW MEXICO ...Automatic Stations, Instrumental Services, New Mexico, Other Telemetry, Snow-general, Technique Development, ...2.0203

PROJECT SKYWATER - COLORADO - STEAMBOAT SPRINGS ...Automatic Stations, Colorado, Instrumental Services, Other Telemetry, Snow-general, ...2.0204

PRECIPITATION CHARACTERISTICS INFLUENCING RUNOFF FROM AGRICULTURAL WATERSHEDS ...Agricultural Watersheds, Amount, Patterns, Runoff, Topographic Influences, ...2.0334

Pressure Studies

Density

LIGHTWEIGHT WATER PURIFICATION UNIT ...Brackish Water, Desalination, Distillation-other, Distilling Units, Mobile, Plastic Matrix, Technique Development, Waste Water Treatment-general, ...3.0250

Extreme High Pressure - K Bar

TRANSPORT AND DIELECTRIC PROPERTIES OF SALINE SOLUTIONS ...Analysis and Detection, Compressibility-gas-liq, Dielectric Properties, Transference, Water, ...1.0103

High Pressure - 1-1000 Atm

SOLUBILITY OF NATURAL GASES IN CONNATE WATER AND OF WATER IN NATURAL GASES ...Brines, Interstitial - Connate Water, Ions and Gases, Natural Gas, Solubility, Solution Chemistry, ...1.0080

DESALINATION BY HIGH PRESSURE SOLIDIFICATION OF WATER TO ICE ...Crystallization-other, Desalination, Other, ...3.0360

MODIFIED ION-EXCHANGE MEMBRANES FOR WATER PURIFICATION BY REVERSE OSMOSIS ...Cellulose Acetate, Desalination, Ion Exchange-other, Reverse Osmosis, ...3.0289

HIGH-PRESSURE VAPOR EXTRACTION OF SOLUBLE ORGANIC SOLUTES FROM AQUEOUS INDUSTRIAL WASTE STREAMS ...Extraction, Flow of Gas in Liquid, Gaseous, Industrial Processes-other, Two-phase-other, ...5.0070

Variational Pressure

AN INVESTIGATION OF ION MOBILITY IN AQUEOUS SOLUTIONS ...Conductivity, Solution, State Variables - Pvt, Transport, Variable Temperature, ...1.0064

Pressure Ussel Materials

DEMONSTRATION UNDERWATER FACILITY - STORM OVERFLOW ...Combined Sewer, Elastomers Rubber, Polyamides, Storage-retention-facilities, Storm Water, ...5.0246

CONCRETE TEST VESSEL ...Cement, Concrete, Concrete-other, Desalination, Tanks, Water, ...8.0113

SUBJECT INDEX

Probability and Statistics

Preventive Medicine

Sanitation

- BACTERIAL EFFECTS OF ALGAE ON ENTERIC ORGANISMS ...Algae- General, Algal Culture, Bactericides -non-specific, Intestinal Bacteria, Sewage, ...5.1151
- ENTERIC BACTERIAL DEGRADATION OF STREAM DETRITUS ...Bacterial Pollutant Sources, Intestinal Bacteria, Model Studies, Organic-general, Self-purification, ...5.0291
- ARABLE LAND DEGRADATION BY EFFLUENT POLLUTION ...Effluents-waste Water, Sewage Lagoons, Soil Chemical Properties, Soil Contamination -other, ...5.0171

Probability and Statistics

Probability

Distributions

- CALCULATION OF TEMPERATURE AND PRECIPITATION VALUES ...Air Temperature -non-specific, Forecasting, Patterns, Temperature, Utah, ...2.1058

Other Probability

- PRECIPITATION AND RUNOFF DISTRIBUTIONS - ANALYSIS AND COMPARISONS ...Data Analysis - General, Discharge-general, Forecasting-prediction, Patterns, Runoff, ...2.0739
- PROBABILITY TABLES FOR PRECIPITATION ...Moisture-other, Precipitation-other, Requirements for Water, Tables, Compilations, Catalogs, Weather Forecasting, ...2.0604

Stochastic Processes

- STOCHASTIC TREATMENT OF RIVER GEOMETRY ...Channel Geometry, Meanders, Morphology-general, Open Channel, Shape, ...2.0443
- STOCHASTIC STRUCTURE OF HYDROLOGIC SERIES ...Hydrology-general, Patterns, Runoff, ...6.0109
- EFFICIENCY OF DATA COLLECTION SYSTEMS IN HYDROLOGY AND WATER RESOURCES FOR PREDICTION AND CONTROL ...Control and Protection, Economic Efficiency, Hybrid Computers, Hydrology-general, Systems Analysis, ...7.0004
- THE OPTIMUM RELEASE POLICY FOR A MULTIPURPOSE RESERVOIR USING STOCHASTIC HYDROLOGY ...Flow Augmentation, Multiple-purpose Projects, Reservoirs and Impoundments, Stochastic Models, Synthetic Hydrology-general, ...6.0337
- STOCHASTIC BASIS FOR COMPREHENSIVE RIVER BASIN PLANNING ...Development of Models, Digital Computers, Monte Carlo Methods, New York, Planning, Systems Analysis, ...6.0374
- PREPARATION AND ANALYSIS OF CLIMATOLOGICAL DATA IMPORTANT TO AGRICULTURE AND FORESTRY ...Applied Climatology, Atmospheric Pollution-general, Patterns, Precipitation -non-specific, Western, ...4.0199
- STOCHASTIC ANALYSIS OF RAINFALL-RUNOFF RELATIONSHIP ...Amount, Mathematical Analysis, North Carolina, Runoff, ...2.0428
- STATISTICAL INFERENCE AND MODELS ...Aquifers-general, Dendrochronology, Distributions, Statistical Models, Water Table Fluctuation, ...7.0108

Statistics

Confidence Intervals

- A GENERALIZED, PROBABILISTIC APPROACH TO REGIONAL WATER SUPPLY ASSESSMENT ...Available Water, Model Studies, Patterns, Regional Areas, Runoff, ...6.0059

Correlation

- RESEARCH INTO RECENT CLIMATIC CHANGES ...Climatology-general, Computation Techniques, Physical Climatology, ...2.0321
- FACTORS AFFECTING WATER YIELD FROM SMALL WATERSHEDS IN TENNESSEE ...Cover Crops, General Synoptic Observations, Small Watersheds, Tennessee, Water Yield, ...4.0224
- A STUDY OF SERIAL CORRELATION IN ANNUAL STREAM RUNOFF ...Annual, Runoff, Stochastic Models, Streams, ...2.1132
- THE EFFECT OF WATER RESOURCES ON ECONOMIC GROWTH IN THE TENNESSEE VALLEY ...Available Water, Economic Impact, Location, Tennessee River, Water Resources Development, ...6.0537

- HYDROLOGIC SIMULATION - MONTHLY AND ANNUAL STREAMFLOW ...Annual, Forecasting-prediction, Regression Analysis, Research - Development, Simulation, Water Supply-general, ...6.0074

Distributions

- A COMPUTER PROGRAM FOR FORECASTING POLLUTION AND DISSOLVED OXYGEN IN STREAMS ...Forecasting-prediction, Model Studies, Oxygen, Stochastic Models, Water Quality-general, ...5.1210
- STATISTICAL INFERENCE AND MODELS ...Aquifers-general, Dendrochronology, Statistical Models, Stochastic Processes, Water Table Fluctuation, ...7.0108

Error Analysis

- MATHEMATICAL METHODS OF EVALUATION OF RESULTS OF ATMOSPHERIC WATER RESOURCES PROGRAMS ...Intermontane Plateaus-other, Mountains-alpine, Physiography-general, Reliability Theory, Weather Modification-general, ...2.0189

Multivariate Analysis

- COMPUTER SIMULATION OF EFFECTS OF LAND MANAGEMENT AND WEATHER MODIFICATION ON WATERSHED ECOSYSTEMS ...Land Use, Plant Ecosystems(non-specific), Simulation Theory, Water Yield, Weather Modification-general, ...6.0297

Optimal Statistics

- OPTIMAL DESALINATION BY GEOMETRIC PROGRAMMING AND MATHEMATICAL DECOMPOSITION ...Cost Analysis, Decompositions, Desalination, Mathematical Analysis, Other Programming, ...3.0077

Prediction

- OPTIMUM LINEAR SYNTHESIS IN URBAN HYDROLOGY ...Error Analysis, Hydrographs, Optimization Technique, Runoff, Urban Environments, ...6.0287

Regression Analysis

- FACTORS AFFECTING PRIMARY AND SECONDARY PRODUCTION IN TEMPERATE LAKES ...Lakes, Minnesota, Productivity - Food Chain, Temperate, Zooplankton, ...2.0157
- BEHAVIOR AND HABITAT INTERACTION OF BROOK TROUT AND CUTTHROAT TROUT ...Behavioral Ecology, Cutthroat Trout, Habitat Studies, Idaho, Lake Trout, Brook Trout, ...5.0324
- EVALUATION OF HYDROLOGIC EFFECTS OF URBANIZATION ...Hydrology-general, Land Use, Runoff, Small Watersheds, Storm Water, Urban Environments, ...4.0231
- SYSTEMS APPROACH TO FLOW PREDICTION IN WATER RESOURCE PLANNING ...Fourier Transform, Hydrology-general, Monte Carlo Methods, Non-autonomous, Prediction Models, Spectral Analysis, ...2.0915
- PERFORMANCE CHARACTERISTICS OF SOLID COVERAGE SPRINKLER IRRIGATION SYSTEM ...Irrigation, Irrigation Engineering, Spray Devices, Sprinkler Irrigation, ...2.0897
- ECONOMICS OF AGRICULTURAL WATER USE NORTH OF CANADIAN RIVER ...Agriculture Industry, Application, Cost Analysis, Texas, Water Costs, ...6.0559
- NATIONWIDE PRECIPITATION - NMC FORECAST TECHNIQUES ...Clouds-general, Computers-general, Forecasting, Forecasting-prediction, General Synoptic Observations, ...2.0589
- HYDROLOGIC SIMULATION - MONTHLY AND ANNUAL STREAMFLOW ...Annual, Correlation, Forecasting-prediction, Research - Development, Simulation, Water Supply-general, ...6.0074

Reliability Theory

- MATHEMATICAL METHODS OF EVALUATION OF RESULTS OF ATMOSPHERIC WATER RESOURCES PROGRAMS ...Error Analysis, Intermontane Plateaus-other, Mountains-alpine, Physiography-general, Weather Modification-general, ...2.0189

Spectral Analysis

- SYSTEMS APPROACH TO FLOW PREDICTION IN WATER RESOURCE PLANNING ...Fourier Transform, Hydrology-general, Monte Carlo Methods, Non-autonomous, Prediction Models, Regression Analysis, ...2.0915

Statistics-general

- LAMINAR AND TURBULENT FLOW OF FLUIDS THROUGH POROUS MEDIA ...Compressible Fluid, Incompressible Fluid, Partial, Porous Media - Flow Through, ...2.0227

Probability and Statistics

- CHARACTERISTICS OF RIVER BANKS RELATED TO VEHICLE PERFORMANCE WHEN ENTERING & EXITING STREAMS ...Amphibious Vehicles, Stream Banks, Streams, Synthetic Hydrology-general, Water Vessel, ...7.0058
- RESEARCH ON DATA AND ANALYTICAL SYSTEMS FOR PREPARING NATIONAL WATER ASSESSMENTS ...Data & Statistics Info Storage, Data Acquisition-general, Model Studies, Water Quality-general, Water Quantity-general, ...6.0397
- FACTORS AFFECTING WATER YIELDS FROM SMALL WATERSHEDS IN GEORGIA ...Baseflow, Georgia, Runoff, Small Watersheds, Water Yield, ...4.0083
- INVESTIGATION OF THE TURBULENT TRANSPORT MECHANISMS FOR HEAT AND MOMENTUM TRANSFER IN PIPE FLOW ...Digital Computers, Heat-transfer-other, Turbulent, Velocity, ...5.0371
- COMPUTER SIMULATION AND EVALUATION OF CLIMATOLOGICAL MODELS ...Computers-general, Model Studies, Patterns, ...7.0044
- EFFECT OF THE CLIMATE AND MICROCLIMATE ON AGRICULTURE IN SOUTH DAKOTA ...Applied Climatology, Automatic Stations, Digital Computers, Microclimate-general, South Dakota, ...2.0973
- WAVE RECORDING AND ANALYSIS ...Lasers-rasers, Pressure, Radar, Sonar, System Development, Water Motion Recorders, Waves, ...2.0262
- DEVELOPMENT OF CRITERIA FOR ARTIFICIAL BEACHES ...Beach, Beaches, Coastal Engineering-other, Design Criteria, Shoreline Structures, ...8.0155
- LARGE SCALE DYNAMIC EFFECTS OF CLOUD SEEDING ...Clouds-precipitation, Patterns, ...2.0171
- EXPERIMENTAL DESIGN & STATISTICAL EVALUATION OF WEATHER MODIFICATION EXPERIMENTS ...Computers-general, Data Analysis - General, Data Analysis Applications, Technique Development, Weather Modification-general, ...2.0198

Time Series Analysis

- STATISTICAL TREATMENT OF HYDROGEOLOGIC DATA - PART II, WATER QUALITY ASPECTS ...Chemical Analysis (water), ...2.0735
- EFFICIENCY OF DATA COLLECTION SYSTEMS IN HYDROLOGY AND WATER RESOURCES FOR PREDICTION AND CONTROL ...Control and Protection, Economic Efficiency, Hybrid Computers, Hydrology-general, Systems Analysis, ...7.0004

Process Development

Process Development-other

- DEVELOPMENT AND TESTING OF LARGE, SPIRAL-WOUND, MULTI-LEAF REVERSE OSMOSIS MODULES ...Desalination, Economics-general, Reverse Osmosis, ...3.0095
- ANALYSIS OF DESALTING PLANTS AS A SOURCE OF SUPPLEMENTAL SAFE YIELD ...Desalination, Digital Computers, Optimization Technique, Other, ...3.0469
- DEVELOPMENT OF A THIN-LIQUID FILM MEMBRANE DEVICE FOR EFFICIENT DESALINATION BY REVERSE OSMOSIS ...Cost Analysis, Desalination, Membranes-other, Reverse Osmosis, ...3.0155
- CONCEPTUAL DESIGN STUDY ON REVERSE OSMOSIS MEMBRANE ASSEMBLY MODULAR UNIT ...Desalination, Membranes-other, Pilot Plant, Reverse Osmosis, ...3.0215
- TEST OPERATION OF A TUBULAR 4,300 GPD REVERSE OSMOSIS UNIT ON SEA WATER ...Desalination, Membranes-other, Reverse Osmosis, Sea Water-general, ...3.0098
- PRODUCTION OF HIGHLY PALATABLE WATER FROM AIR FOR HOUSEHOLD, LIVESTOCK, AND INDUSTRIAL USE ...Absorption-other, Cost Analysis, Potable Water, Solar Still, Water Development, ...3.0242

Scale Formation

- STUDIES OF FUNDAMENTAL MECHANISMS IN THE DEPOSITION OF CALCIUM SULFATE SCALE ...Brines, Dilatometry, Electron, Nucleation, Phase Relationship, ...3.0293
- THE CONTROL OF SCALING ON HEAT TRANSFER SURFACES BY DIRECT CONTACT WITH A FLUIDIZED BED OF GRANULAR MATERIAL ...Desalination, Distilling Units, Filtration, Fluidized Bed, Heat-transfer-other, ...3.0370
- SEA WATER CORROSION TEST PROGRAM ...Desalination, Inhibitors, Sea Water-general, Water, ...3.0455

SUBJECT INDEX

- BASIC STUDIES OF SCALE CONTROL ...Fluidized Bed, Precipitation, Removal--inorganics, ...3.0284
- A STUDY OF THE EFFECTS OF SURFACE POTENTIAL ON SCALE FORMATION ...Crystal Growth, Desalination, Electrochemistry-other, Metals, Nucleation, ...3.0080
- CORRELATION OF ANOMALOUS ULTRASONIC REFLECTIVITY WITH EARLY SCALE FORMATION ...Desalination, Ultrasonic, ...3.0306
- A STUDY OF PRESCALING DEPOSITION ...Copper, Desalination, Radioisotopes, Saline Conversion, Scaling, Encrusting, ...1.0011
- DEMONSTRATION OF ALUMINUM IN SEAWATER DESALTING ...Aluminum, Desalination, Flash Distillation, Oxygen Containing, Sulfate, Sulfite, ...3.0481
- IMPROVEMENTS IN DESALINATION BY THE FLASH EVAPORATION PROCESS ...Additives, Desalination, Evaporation, Fluidized Bed, Ion Exchange-other, ...3.0408
- OPERATION OF A 50,000 GPD PORTABLE PILOT PLANT ...Membranes-other, Mobile, Pilot Plant, Reverse Osmosis, Zeolite, ...3.0029
- SMALL DESALINATION UNIT TO TEST SCALE REDUCTION ADDITIVES ...Additives, Desalination, Distillation-other, Economic Efficiency, ...3.0429
- COOLING TOWER TREATMENT ...Corrosion Prevention-other, Other, Scaling, Encrusting, Water, Water Purification Plants, ...8.0175
- SEEDING OF BRACKISH WATER ...Desalination Wastes, Evaporation, Material Recovery Wastes, Nucleation, ...5.1216
- SOLUBILITIES OF SILICATES IN SALINE WATERS ...Analysis and Detection, Brines, Desalination, Silicate, Solubility, ...4.0198

Project Post-evaluation

- ECONOMIC SURVEY OF BEAVERHEAD COUNTY, MONTANA ...Economic Impact, Irrigation-general, Water Utilization - general, ...6.0331
- STREAM IMPROVEMENT STUDY ...Engineering Structures-general, Physical-general, Population Dynamics, Salmon & Trout - Non-specific, Streams, ...2.0962
- THE ECONOMIC IMPACT OF FLOOD CONTROL RESERVOIRS ...Benefit-cost Analysis, Economic Impact, Floodproofing, Kentucky, Reservoirs and Impoundments, ...6.0241
- EFFECTS OF TUTTLE CREEK RESERVOIR ON GROUND WATER LEVELS BELOW THE DAM ...Observation Wells, Pumping, Water Level Fluctuation, Water Table Fluctuation, Water Wells, ...4.0117
- ECONOMIC ANALYSIS OF THE SANTEE-COOPER PROJECT - A RETROSPECTIVE STUDY UTILIZING CURRENT EVALUATION STANDARDS ...Benefit-cost Analysis, Economic Impact, Electric Power Plants, Reservoirs and Impoundments, ...6.0491

Projections and Estimations

- EFFECTS OF WEATHER ON CROPS ...Available Water, Evapotranspiration, Meteorological Studies-general, Moisture Tension, Soil Moisture -non-specific, ...2.0482
- WATER SUPPLY-DEMAND ...New York, Operations Research, Planning, Water Demand, Water Supply-general, ...2.0795
- QUANTITATIVE ANALYSIS OF WATER USE PATTERNS IN PUERTO RICO ...Consumptive Use, Public Utilities, Puerto Rico, Water Utilization -general, ...6.0484
- VALUE OF WATER FOR IRRIGATION IN THE KANSAS RIVER VALLEY ...Benefit-cost Analysis, Consumptive Use, Irrigation-general, Water Costs, Water Demand, ...6.0236
- ECONOMIC AND ENGINEERING ASPECTS OF WATER IN DELAWARES AGRI-BUSINESS INDUSTRY ...Agri Business, Disposal Wastes, Food Processing Industry, Irrigation-general, Optimization, Water Resources Development, ...6.0120
- EVALUATION OF RESOURCE USE AND ECONOMIC EFFECTS DUE TO IRRIGATION WATER AVAILABILITY IN TEXAS ...Agriculture Industry, Economic Impact, Model Studies, Planning, Texas, ...6.0558
- PREDICTION MODELS FOR WATER QUALITY PARAMETERS ...Model Studies, Oxygen, Social Aspects, Systems Analysis, Temperature, Water Standards, ...6.0164
- VALUE OF THE GAME AND FISH RESOURCES IN RELATION TO THE FUTURE UTILIZATION OF THE WATER OF THE GREEN RIVER DRAINAGE IN WYOMING ...Economics-general, Survey Studies, Water Quality-general, Water Utilization -general, ...6.0650

SUBJECT INDEX

Protozoa

ECONOMIC IMPACT OF WATER IMPOUNDMENT - VALIDITY TESTING OF A COMPARATIVE- PROJECTION MODEL ...Economic Impact, Model Studies, Recreation Sites, Reservoirs and Impoundments, Texas, ...6.0554

MULTISTRUCTURAL DEMAND MODELS FOR WATER REQUIREMENT FORECASTING ...Industrial-general, Model Studies, Social Aspects, Water Demand, ...6.0442

DECISION MAKING UNDER UNCERTAINTY - ECONOMIC EVALUATION OF STREAMFLOW FORECASTS ...Benefit-cost Analysis, Flow Characteristics -water, Forecasting-prediction, Model Studies, Water Supply-general, ...6.0296

DEVELOPMENT OF COMPUTER MODELS & METHODOLOGY FOR FORECASTING & EVALUATING MUNICIPAL & INDUSTRIAL WATER REQUIREMENTS ...Digital Computers, Maryland, Model Studies, Urban Environments, Water Demand, ...6.0252

DEVELOPEMNT AND IMPLEMENTATION OF A MANAGEMENT STRATEGY FOR WATER RESOURCES RESEARCH ...Management, Operations Research, Planning, Systems Analysis, Water Resources Development, ...6.0112

SYSTEMATIC STUDY AND DEVELOPMENT OF LONG-RANGE PROGRAMS OF URBAN WATER RESOURCES RESEARCH ...Data Acquisition-general, Economics-general, Social Aspects, Systems Analysis, Urban Environments, Water Law-general, ...6.0392

A STUDY OF WATER RESOURCES RESEARCH NEEDS IN MONTANA ...Montana, Operations Research, Water Resources Development, ...6.0326

ECONOMICS OF WATER SUPPLY-PORTALES VALLEY, NEW MEXICO ...Alternative Planning, Available Water, Economic Impact, Water Costs, Water Transfer, ...6.0363

RESEARCH ON GEOHYDROLOGY OF THE EASTERN SLOPE OF WEST MAUI ...Aquifers-general, Hawaii, Mountains-alpine, Patterns, Slopes, Water Yield, ...6.0170

PROJECTING THE DEMAND FOR AND SUPPLY OF WATER ...Model Studies, Regional Areas, River Basins, Water Demand, Water Quality Control-general, Water Supply-general, ...6.0357

WATER RESOURCES RESEARCH NEEDS & CORRESPONDING INSTITUTE CAPABILITIES ...Survey Studies, Water Resources Development, ...6.0068

IOWA ECONOMETRIC MODEL ...Economics-general, Iowa, Model Studies, Planning, River Basins, ...6.0225

EFFECTS OF IRRIGATION DEVELOPMENT ON TRADE PATTERNS AND INCOME GENERATION ...Economic Impact, Income, Irrigation-general, ...6.0411

SUPPLY AND DEMAND FOR WATER ...Model Studies, Water Costs, Water Demand, Water Supply-general, Water Transfer, ...6.0385

SPECIFIC YIELD INVESTIGATION ...Aquifers-general, California, Groundwater Basins, Moisture Content, Water Yield, ...2.0182

HYDROLOGIC PARAMETERS CONTROLLING RECREATIONAL USE OF MINNESOTA RIVERS ...Minnesota, Morphology-general, Recreation Sites, Water Quality-general, Wild Rivers, ...6.0307

FLOOD FLOWS AND SEDIMENT YIELD OF COLMA CREEK BASIN, CALIFORNIA ...California, Construction, Floods, Sediment Yield, Urban Environments, Water Yield, ...4.0038

HYDROGEOLOGY OF GLACIAL OUTWASH NEAR SIOUX FALLS, SOUTH DAKOTA ...Analog Computers, Available Water, Outwash Plains, Prediction Models, South Dakota, ...2.0975

WATER RESOURCES OF SOUTHEASTERN WISCONSIN - FOX RIVER BASIN ...Available Water, Groundwater Movement, Mans Activities, Surface Water, Wisconsin, ...4.0277

WATER RESOURCES OF THE LOWER WISCONSIN RIVER VALLEY, WISCONSIN ...Available Water, Hydrology-general, Water Quality-general, Water Supply-general, Wisconsin, ...2.1149

CORRELATION OF ECONOMIC PHYSICAL FACTORS AFFECTING SELECTION OF LANDS FOR IRRIGATION ...Economic Imp, Irrigation-general, Risk & Uncertainty, ...6.0091

HYDROGEOLOGIC INVESTIGATION TECHNIQUES ...Leakage, Reservoirs and Impoundments, Technique Development, Water Demand, Water Loss Control, ...8.0058

GROUND WATER IN RELATION TO USE AND MANAGEMENT OF RANGELAND WATERSHEDS IN THE SOUTHWEST ...Agricultural Watersheds, Groundwater, Natural Recharge, Runoff, Southwest, ...3.0007

CLIMATOLOGICAL FACTORS AFFECTING WATER USE IN AGRICULTURE ...Climate-general, Consumptive Use, Irrigation-general, Requirements for Water, Water Demand, ...6.0599

Protactinium

ENVIRONMENTAL RADIATION STUDIES ...Core Analysis, Rate of Deposition, Thorium, Uranium, ...1.0113

Protective Materials

Refractory

REFRACTORY ADSORPTION ON CHEMCOKE ...Activated Carbon, Adsorption-other, Carbon, Phy and Chem Properties, ...5.1135

Proteins & Amino Acids

Amino Acids -non-specific

PILOT PLANT DEVELOPMENT OF THE ION-EXCHANGE PROCESS FOR RECOVERY OF AMINO COMPOUNDS FROM POTATO STARCH FACTORY EFFLUENTS ...Agricultural Chemicals-other, Air Pollution -other, Food Processing Industry, Plant Waste Removal, Treatment, Vegetables, ...5.0990

UPTAKE OF ORGANIC COMPOUNDS BY MARINE INVERTEBRATES ...Amino Acids, Chemoreceptors, Invertebrates -non-specific, Marine Biology, Metabolism, Nutrition - Invertebrate, Pulse-labelling, ...6.0058

Blood Albumin

PHYSIOLOGICAL STUDIES OF ALFALFA AS RELATED TO COLD AND HEAT TOLERANCE, DROUGHT RESISTANCE, AND FORAGE QUALITY AND YIELD ...Alfalfa, Cold Resistance and Hardiness, Drought, Respiration, ...2.0572

Blood Proteins -non-specific

FACTORS AFFECTING FISH PRODUCTION PONDS ...Bluegills, Bream, Electrophoresis -other, Environmental Physiology, Protein, Purif and Isol, ...6.0221

Hemoglobin

PIGMENT INDICES OF ENVIRONMENTAL OXYGEN STRESS ...Environmental Physiology, Oxygen, Respiratory Or Blood, ...5.0810

Microorganism Proteins

TREATMENT OF AQUEOUS AGRICULTURAL WASTES FOR CLEAN WATER AND FOR MICROBIAL PROTEIN PRODUCTION ...Aeration, Agricultural Microbiology, Animal Waste Removal-treatment, Fermentation, Plant Waste Removal, Treatment, ...5.0410

Protozoa

Foraminifera

POPULATION ECOLOGY OF FORAMINIFERA IN THE CHOPTANK RIVER ...Aquatic Ecology, Environmental Ecology, Maryland, Population Dynamics, Water Properties-general, ...6.0126

Protozoa -other

EFFECT OF CHLORINATION ON CILIATE PROTOZOA AND THEIR ROLE AS A BARRIER TO STREAM POLLUTION ...Biological-general, Chlorination, Illinois, Population Dynamics, Streams, ...5.0379

DISPERSAL OF VIABLE ALGAE AND PROTOZOA BY AQUATIC INSECTS ...Algae- General, Aquatic Ecology, Insects -non-specific, Interbiotic Relat.(non-specif), Invertebrates, ...5.1170

DETECTION AND SIGNIFICANCE OF ENZOOTIC WATER POLLUTION ...Animal Wastes - Feed Lots, Bacterial Pollutant Sources, Bioindicators, Enzootic, Sewage Bacteria, ...5.0700

TAXONOMY AND ECOLOGY OF INSHORE MARINE MICROBIOTA ...Algae- General, Animal Taxonomy, Aquatic Ecology, Plant Taxonomy, Range Or Territorial Distr. , ...7.0024

TAXONOMY AND PHYSIOLOGY OF PROTOZOA IN CAVE STREAMS AND POOLS ...Animal Taxonomy, Caves, Environmental Physiology, Kentucky, Streams, ...6.0240

BIOLOGICAL ASPECTS OF TERTIARY PONDS ...Effluents-waste Water, Phytoplankton, Pond, Sewage, Tertiary Treatment, ...5.0352

INFLUENCE OF PROTOZOAN ACTIVITY ON HALOGENATED HYDROCARBON RESIDUES - INTERACTION BETWEEN

Protozoa

MICROORGANISMS AND PESTICIDES ...Axenic Culture, Metabolism, Mode of Action -animal, Petroleum Cpds. -non-specific, ...5.0642

Publications

Abstracts

COMPILATION OF EARTH DAM CRITERIA FOR DESIGN USE ...Dams, Design Criteria, Earth & Rockfill Dams, Engineering Structures-general, ...8.0254

BIBLIOGRAPHY ON FLUORIDATION OF PUBLIC WATER SUPPLIES ...Bibliography, Fluoridation, Potable Water, ...7.0088

Bibliography

PROPOSAL FOR COMPILATION OF CUMULATIVE DROUGHT BIBLIOGRAPHY ...Economies-general, Meteorological Extremes, Social Aspects, Weather, ...2.0611

STUDIES ON THE GEOSCIENCE VALUE OF RADAR IMAGERY ...Mapping, Mountains-alpine, Photogrammetry, Radar, River Basins, ...8.0199

GREAT LAKES RESEARCH - GREAT LAKES DEICING ...Great Lakes-general, Harbors, Navigation, Origin, Sea Ice, ...2.0643

WATER RESOURCES SITUATION IN PUERTO RICO - A BIBLIOGRAPHY OF PUBLISHED INFORMATION ...Puerto Rico, Survey Studies, Water Resources - General, ...7.0095

STATUS OF THERMAL POLLUTION AND RESEARCH NEEDS ...Hydraulics-general, Pollution - Effects of, Thermal Pollution, Water Quality Control-general, ...5.1139

WETLANDS ECOLOGY LITERATURE REVIEW ...Planning, Wetlands, Wisconsin, ...7.0113

GREAT LAKES RESEARCH - GREAT LAKES DEICING ...Alteration, Great Lakes-general, Ice Properties-general, Origin, Sea Ice, ...2.0646

SUBMARINE SPRINGS ...Discharge-general, Marine Geology-general, Ocean Environment, Springs, Subsurface Environments, ...2.0319

BIBLIOGRAPHY ON FLUORIDATION OF PUBLIC WATER SUPPLIES ...Abstracts, Fluoridation, Potable Water, ...7.0088

Handbooks

A STUDY OF THE DISPOSAL OF THE EFFLUENT FROM A LARGE DESALINATION PLANT ...Construction Sites, Copper, Desalination, Desalination Wastes, Effluents-waste Water, ...3.0295

SCHOOLS FOR CITIZENS ON WATER USE FOR TOMORROWS LIVING ...Citizen's Participation, Education and Training, Water Quality Control-general, Water Utilization -domestic, ...6.0124

PREPARATION OF A HIGHWAY DRAINAGE POLICY STATEMENT AND PRACTICE MANUAL FOR THE STATE OF ILLINOIS ...Design Criteria, Drainage, Drainage Systems, Illinois, Roads and Highways, Water Law-general, ...6.0205

INSTRUMENTATION IN EMBANKMENTS AND FOUNDATIONS ...Dams, Embankments, Foundations-general, Techniques & Instrumentation, ...7.0062

SOIL SAMPLING MANUAL ...Disturbed/undisturbed, Soil Exploration, Soil Sampling, Soil Test - Insitu, Soil Testing-general, ...8.0238

HANDBOOK FOR CONCRETE AND CEMENT ...Aggregates, Extenders, Fillers, Cement, Concrete, Curing Agents, Sealant Materials, Water, ...8.0235

Indexes

WATER RESOURCES OF NORTH CAROLINA - AN INVENTORY OF INFORMATION AND DATA ...Atlases-maps, North Carolina, Tables, Compilations, Catalogs, Water Resources - General, ...7.0085

Periodicals

CONTINUATION OF WORLD DATA CENTER A - GLACIOLOGY ...Data & Statistics Info Storage, Data and Statistics Centers, Document & Literature Info, Glaciology-general, Research Facilities, ...7.0083

Publications -other

LIMNOLOGY OF ROSS ISLAND, ANTARCTICA ...Antarctica, Benthic Organisms (non-specific), Chemical-general, Lakes, Plankton (non-specific), ...2.0087

TOXAPHENE FILTRATION PUBLICATION ...Carbon, Filtration, Removal of Residues, Toxaphene, ...5.1146

SUBJECT INDEX

UPDATING AND REPUBLICATION OF FACTORS INFLUENCING THE RESTORATION AND DEVELOPMENT OF OGDEN BAY REFUGE ...Mans Activities, Swamps-marshes, Water Demand, Water Fowl, N.s., Water Utilization -animal, ...6.0594

THE AQUATIC PLANT RESOURCES OF WESTERN MONTANA ...Aquatic Plants (non-specific), Collections, Montana, Plant Taxonomy, ...2.0717

Tables, Compilations, Catalogs

THERMOPHYSICAL PROPERTIES OF SEA WATER AND AQUEOUS ELECTROLYTE SOLUTIONS CONTAINING NaCl, KCl, Na₂SO₄, AND MgSO₄ ...Boiling Point, Brines, Conductivity, Density, Vapor Pressure, Viscosity, ...3.0286

INVENTORY & EVALUATION OF THE GROUND-WATER RESOURCES OF SUMMIT VALLEY & UPPER SILVER BOW CREEK DRAINAGE AREA ...Groundwater, Montana, Survey Studies, Urban Environments, Water Quality-general, ...2.0711

WATER RESOURCES OF NORTH CAROLINA - AN INVENTORY OF INFORMATION AND DATA ...Atlases-maps, Indexes, North Carolina, Water Resources - General, ...7.0085

AQUATIC PLANTS OF POLLUTED WATERS IN S. W. UNITED STATES ...Aquatic Plants (non-specific), Habitat Studies, Plant Pollutants, Pollution Sources-general, Southwest, ...5.1184

CLIMATE AND PHENOLOGICAL PATTERNS FOR AGRICULTURE IN THE WESTERN REGION ...Applied Climatology, Meteorological Averages, Other Water Conditions, Patterns, Phenology, ...3.0332

PROBABILITIES OF SEQUENCES OF DRY DAYS IN TEXAS ...Computers-general, Forecasting, Irrigation-general, Planning, Water Supply-general, ...3.0442

PROBABILITY TABLES FOR PRECIPITATION ...Moisture-other, Other Probability, Precipitation-other, Requirements for Water, Weather Forecasting, ...2.0604

HYDROLOGIC STUDIES (STORM STUDIES) ...Flood Control, Floodproofing, Hydrology-general, Patterns, Storms-general, ...2.0549

Puerto Rico

DETERMINATION OF SAFE LEVELS OF POLLUTION IN PUERTO RICO ...Bays, Contamination - Water, Meteorological Studies-general, Pollution - Effects of, Recreation Sites, Water Properties-general, ...2.0937

QUANTITATIVE ANALYSIS OF WATER USE PATTERNS IN PUERTO RICO ...Consumptive Use, Projections and Estimations, Public Utilities, Water Utilization -general, ...6.0484

WATER RESOURCES SITUATION IN PUERTO RICO - A BIBLIOGRAPHY OF PUBLISHED INFORMATION ...Bibliography, Survey Studies, Water Resources - General, ...7.0095

RELEVANCE OF SELECTED ECOLOGICAL FACTORS RELATED TO WATER RESOURCES & SOCIAL ORGANIZATION OF FISHERMEN VILLAGES IN PUERTO RICO (AB-BREV) ...Commercial Fishing, Fish, N.s., Social Aspects, Social Structure, Water Resources - General, ...6.0479

HUMAN FACTORS INVOLVED IN THE DEVELOPMENT OF A WATERSHED PROJECT IN YABUCOA, PUERTO RICO ...Economic Impact, Land, Social Aspects, Water Resources Development, ...6.0481

THE MANAGEMENT AND CONTROL OF WATER IN PUERTO RICO ...Control and Protection, Data Analysis - General, Management, Types of Resources, Water Quality-general, Water Supply-general, ...6.0480

THE DEMAND FOR WATER BASED RECREATION IN SOUTHWEST PUERTO RICO ...Demand Analysis, Frequency of Use, Recreation Sites, Survey, ...6.0483

COMPARATIVE STUDY OF THE BENTHIC MICROBIAL BIOTA IN SOME COASTAL AREAS OF PUERTO RICO ...Benthic Flora, Benthonic-bottom, Ocean Environment, Pollution - Effects of, Standing Crops, ...6.0478

SOCIO-ECONOMIC FACTORS RELATED TO THE INCIDENCE OF A WATER-BORNE DISEASE ...Economic Impact, Intestine, Pollution-water, Social Aspects, Social Environment of The City, ...5.1048

WATER REQUIREMENTS OF CROPS UNDER IRRIGATION IN LAJAS VALLEY, PUERTO RICO ...Consumptive Use, Evapotranspiration, Irrigation, Sugarcane, ...4.0210

RECLAMATION OF SALTY LANDS IN PUERTO RICO ...Saline and Alkaline Soils, Saline Properties, Sodium, Soil Amendments, Soil and Rock Leaching, ...3.0426

RAINFALL CHARACTERISTICS, DROUGHT INCIDENCE AND THE DEVELOPMENT OF A RAINFALL DEFICIENCY INDEX FOR THE AGRICULTURAL REGIONS OF PUERTO RICO

SUBJECT INDEX

Quantitative Chemistry

...Drought, Irrigation-general, Meteorological Extremes, Patterns, Rain, ...2.0932

FACTORS AFFECTING WATER YIELDS FROM SMALL WATERSHEDS AND SHALLOW GROUND AQUIFERS ...Atlases-maps, Moisture Content, Patterns, Runoff, Water Yield, ...4.0208

DEVELOPMENT OF GROUND WATER CONTROL METHODS FOR THE HEAVY SOILS OF THE LAJAS VALLEY ...Aquifers-general, Groundwater, Hydrology-general, Piezometry, Soil Environment, ...4.0209

GUAVA VARIETIES. SELECTION & PROPAGATION OF GUAVA VARIETIES & INVESTIG. OF COMMERCIAL & INDUSTRIAL POSSIBILITIES OF THE FRUIT (ABBREV) ...Irrigation, Myrtaceae, Selection & Breeding, Trees, Varietal Evaluation, ...5.1047

STUDIES WITH BARBADOS OR WEST INDIAN CHERRY (MALPIGHIA PUNICIFOLIA, L.) ...Malpighiaceae, Shrubs, Vitamins, Yield, ...6.0482

THE LOSS OF FERTILIZERS BY LEACHING FROM THE SOILS OF PUERTO RICO ...Fertilizer Losses, Fertilizers, Methods of Application, Soil and Rock Leaching, ...3.0428

LAND FORMING FOR IRRIGATION AND DRAINAGE IN SUGARCANE PRODUCTION UNDER PUERTO RICAN CONDITIONS ...Drainage, Irrigation, Irrigation-general, Sugar Cane, Water Harvesting, ...3.0425

THE LOSS OF FERTILIZERS BY LEACHING FROM THE SUGARCANE SOILS OF PUERTO RICO ...Fertilizer Losses, Lysimeters, Methods of Application, Other, Sugar Cane, ...2.0938

DRAINAGE OF SUGARCANE LANDS IN THE HUMID SECTIONS OF PUERTO RICO ...Drainage, Humid, Sugar Cane, Water Table - Depth of, Water Table Fluctuation, Yield, ...2.0936

THE INFLUENCE OF WATER AND CLIMATE ON THE YIELD AND SUCROSE CONTENT OF SUGARCANE ...Applied Climatology, Irrigation-general, Microclimate-general, Sugar Cane, Yield, ...4.0211

FARM MANAGEMENT STUDY OF THE SUGARCANE FARMS SERVED BY THE LAJAS VALLEY IRRIGATION DISTRICT ...Costs, Irrigation-general, Production & Processing, Sugar Cane, Water Costs, ...3.0427

DESIGN OF FACILITIES FOR ANIMAL WASTE DISPOSAL ...Anaerobic, Animal Waste Removal-treatment, Farm Wastes, Waste Disposal-general, ...5.1049

Puget Sound

MASS MORTALITY OF PACIFIC OYSTERS ALONG THE WASHINGTON COAST ...Bays, Environmental Ecology, Mortality Rates, Oysters, Pathology, ...5.1230

ANNUAL PHYTOPLANKTON PRODUCTION IN PUGET SOUND WATERS ...Copepods, Invertebrate Cultures, Phytoplankton, Standing Crops, Tides, ...5.1256

INCIDENCE OF PATHOGENIC ENTEROBACTERIACEAE AND ENTEROVIRUSES IN ESTUARINE AREAS ...Detection, Enteroviruses of Humans, Estuaries, Intestinal Bacteria, ...5.1226

OCEANOGRAPHIC DATA COLLECTION - MIDDLE PUGET SOUND ...Data Acquisition, Oysters, Salinity, Temperature, Trace Elements, ...7.0112

Pulp and Paper

FLUOROMETRIC QUALITATION AND QUANTITATION OF LIGNIN SULFONATES IN WATER ...Fluorometry, Natural Occurring, Pulp and Paper Wastes, Sulfate, Sulfite, Sulfonates (rs_{o3na}), Type, ...5.0286

Pulse-labelling

UPTAKE OF ORGANIC COMPOUNDS BY MARINE INVERTEBRATES ...Amino Acids, Amino Acids -non-specific, Chemoreceptors, Invertebrates -non-specific, Marine Biology, Metabolism, Nutrition - Invertebrate, ...6.0058

Pumping

EVALUATION OF HIGH PRESSURE PUMPS FOR REVERSE OSMOSIS PROCESS ...Axial Flow, Brines, Reverse Osmosis, Sea Water-general, ...3.0410

RATE AND DIRECTION OF GROUND WATER CIRCULATION IN CLOSE SPACED BEDROCK AND GRAVEL WELLS UNDER THE INFLUENCE OF NON-SYNCHRONOUS PUMPING TIME ...Connecticut, Groundwater Movement, Land Use, Subsurface Flow, ...2.0244

OPTIMIZATION OF WELLS AND RECHARGE FACILITIES IN CONJUNCTIVE USE OF GROUNDWATER RESERVOIRS ...Conjunctive Use, Groundwater Basins, Optimization, Recharge - general, Water Wells, ...6.0054

RELATIONSHIP OF PUMPING LIFT TO ECONOMIC USE OF GROUND WATER FOR IRRIGATION ...Groundwater, Irrigation-other, Optimization, Water Allocation, Water Costs, ...6.0177

EVALUATION BY TEST DRILLING OF GEOPHYSICAL PROSPECTING FOR GROUND WATER IN THE PIEDMONT AREA, ALABAMA ...Chemical Analysis (water), Drilling and Coring, Geophysical Analysis, Groundwater, Water Development, ...2.0006

REDUCTION OF GROUND WATER INFILTRATION INTO SEWERS BY ZONE PUMPING ...Lining, Pump, Sewerage Systems-general, Water Table Fluctuation, Water Wells, ...5.0326

MODIFICATIONS TO PUMPING STATION AT SHAGOWA LAKE, FIELD SITE, ELY, MINNESOTA ...Chemical Analysis, Demineralization, Equipment Purchase Operation, Minnesota, ...5.0932

SOLAR POWERED EQUIPMENT FOR OPERATING A SMALL IRRIGATION PUMP. ...Irrigation, Irrigation Engineering, Irrigation-other, Pump-other, Solar Power-general, ...4.0201

SHALLOW WELLS AND IRRIGATION PITS FOR IRRIGATION AND OTHER FARM WATER SUPPLY IN THE COASTAL PLAINS ...Aquifers-general, Coastal Plain, Irrigation-general, Terrain Analysis, Water Wells, ...3.0194

GROUND-WATER STUDIES - DEEP SANDSTONE AQUIFER IN CHICAGO REGION ...Clastic Aquifers, Groundwater Movement, Permeability, Sandstones, Water Table Fluctuation, ...2.0419

EFFECTS OF TUTTLE CREEK RESERVOIR ON GROUND WATER LEVELS BELOW THE DAM ...Observation Wells, Project Post-evaluation, Water Level Fluctuation, Water Table Fluctuation, Water Wells, ...4.0117

LAND FORMING FOR DRAINAGE AND FURROW IRRIGATION ...Data Analysis - General, Drainage, Furrow Irrigation, Irrigation, Irrigation Engineering, ...5.1131

HYDROLOGICAL STUDIES OF THE SAVANNAH RIVER PLANT, SOUTH CAROLINA -GEOHYDROLOGY OF WASTE TANK FAPMS ...Internal Water Movement, Observation Well, Permeability, Soil Tests, South Carolina, ...4.0216

SALT-WATER ENCROACHMENT IN THE BRUNSWICK AREA, GEORGIA ...Aquifers-general, Georgia, Observation Wells, Piezometry, Saline Water Intrusion, ...5.0306

GEOHYDROLOGY OF SHALLOW AQUIFERS IN HENRY AND WEAKLEY COUNTIES, TENNESSEE ...Aquifers-general, Groundwater, Observation Wells, Pollution Sources-general, Tennessee, ...2.0998

ELECTRICAL-ANALOG ANALYSIS OF HYDROLOGIC DATA, ARVA VALLEY, ARIZ ...Analog Computers, Arizona, Groundwater, Model Studies, Water Table Fluctuation, ...2.0044

TURBINE AND PUMP TESTING ...Discharge-general, Pump-other, Turbine-other, ...8.0077

MINING-POLLUTION CONTROL TECHNOLOGY - OIL PRODUCTION GROUND-WATER RECLAMATION BY SELECTIVE PUMPING ...Brines, Groundwater, Mine Drainage Control, Petroleum Industry, Saline Water Intrusion, Secondary Recovery, ...5.0913

FACILITIES, METHODS AND DESIGN CRITERIA TO PUMP, CONVEY, CONTROL AND MEASURE WATER FOR AGRICULTURAL PURPOSES IN THE NORTHERN PLAINS ...Irrigation-general, Lining, Runoff, Storage of Water, Water Distribution Systems, Water Transfer, ...3.0141

Purification-general

IDENTIFICATION OF NATURAL AND SYNTHETIC ORGANIC COMPOUNDS IN RAW AND TREATED MUNICIPAL WASTES ...Chromatography-other, Filtration, Organics-general, Separation-general, Tertiary Treatment, ...5.0847

Quantitative Chemistry

PLANT-AVAILABLE PHOSPHORUS STATUS OF LAKES ...Phosphorus, ...2.1153

USE OF TOTAL CARBON ANALYZER TO DEFINE MICROBIOLOGICAL PROCESSES ...Carbon, Microbial-bacterial, ...5.1176

Radiation

SUBJECT INDEX

Radiation

Electromagnetic Radiation

Microwave

POWDERED CARBON TREATMENT OF WASTEWATER ...Activated, Chemical, Fluidized Bed, Polyelectrolytes, Waste Treatment-economics, ...5.0857

Nuclear Radiation

Gamma

DETERMINATION OF BULK DENSITY & WATER CONTENT OF SOIL THRU MEASUREMENT OF RADIATION ATTENUATION AT TWO DIFFERENT GAMMA ENERGIES ...Moisture Content, Moisture Tension, Radiation Emission, Soil Chemical Properties, ...1.0123

GAMMA RADIATION OF TEXTILE WASTE WATER TO REDUCE POLLUTION ...Cobalt, Industrial Wastes, Other, Textile Wastes, Waste Water Treatment-general, ...5.0006

Radiation Effects

Chronic Radiation

RADIATION EFFECTS IN AQUATIC SYSTEMS ...Aquatic Ecology, Contamination - Water, Fish -non-specific, Low Level Radiation, Radiation Effects-non-specific, Radiation Treatment, Radioactivity-general, ...5.1248

Direct Effects

Invertebrates

COLUMBIA RIVER STUDIES ...Columbia River, Contamination - Water, Oysters, Pollution Effects, Radioactivity-general, Reproductive System, ...5.1268

Plants

ENVIRONMENTAL RADIATION STUDIES - EVALUATION OF FISSION PRODUCT DISTRIBUTION AND MOVEMENT IN TERRESTRIAL ENVIRONMENTS ...Absorption, Fixation, Exchange, Radioactive Contamination, Radioactivity-general, Root Absorption, Soil Environment, ...1.0116

Dosimetry

SURVIVAL OF FOOD PATHOGENS IN RADIATION PASTEURIZED SEAFOOD ...Fish, N.s., Food, Food Bacteria, Microbiological, Radiation, ...5.0933

Low Level Radiation

RADIATION EFFECTS IN AQUATIC SYSTEMS ...Aquatic Ecology, Chronic Radiation, Contamination - Water, Fish -non-specific, Radiation Effects-non-specific, Radiation Treatment, Radioactivity-general, ...5.1248

Radiation Effects-non-specific

RADIONUCLIDE METABOLISM IN AQUATIC ANIMALS ...Clams, Contamination - Water, Fish -non-specific, Metabolism, Reactor Sites & Rad Waste, ...5.0101

RADIATION EFFECTS IN AQUATIC SYSTEMS ...Aquatic Ecology, Chronic Radiation, Contamination - Water, Fish -non-specific, Low Level Radiation, Radiation Treatment, Radioactivity-general, ...5.1248

Radiation Usage

Diagnostic Procedures

Computer Matching-code

CHRONIC EFFECTS OF HEAVY METALS ON FISH ...Contamination - Water, Industrial Wastes, Mineral, Mineral Origin, Radioisotopes, ...5.0584

Radiations

Atomic Bomb

THE LOSS OF ORGANIC AND INORGANIC MATERIALS FROM ABOVE-GROUND PLANT PARTS, WITH REFERENCE TO DECONTAMINATION OF PARTS UTILIZED FOR FOOD ...Adsorption & Interface, Leaching-aerial, Radioactive, Fallout, Root Absorption, ...5.0776

Radioactive Isotopes

Carbon

MEASUREMENT OF THE RATE OF CARBON DIOXIDE (C14) FIXATION INTO SUBCELLULAR FRACTIONS OF ALGAE ...Algae- General, Algal Culture, Bioindicators, Carbon Dioxide Fixation, Growth Rate, Intracellular Localization, ...5.1090

Cesium

EFFECTS OF LIMNOLOGICAL FACTORS ON UPTAKE OF CS137 BY FISH ...Metabolism -animal, ...1.0068

Chromium

COLUMBIA RIVER ECOLOGY ...Columbia River, Phosphorus, Pollutants - Path of, Radioisotopes, Zinc, ...6.0613

Hydrogen

TRITIATED WATER STUDIES OF THE SIGNIFICANCE OF DEW AND VAPOR IN PLANT WATER ECONOMY ...Arid and Desert, Dew, Foliar Absorption, Humidity, Osmotic and Turgor Pressure, Thermodynamics, ...2.0112

Phosphorus

TRANSLOCATION OF RADIONUCLIDES BY FISH ...Columbia River, Fish -non-specific, Migration, Radioactivity-general, Zinc, ...2.1130

COLUMBIA RIVER ECOLOGY ...Chromium, Columbia River, Pollutants - Path of, Radioisotopes, Zinc, ...6.0613

Radioisotopes -non-specific

NUCLIDE UPTAKE BY ALGAE AND ZOOPLANKTON ...Chlorella, Cladocera, Environment, Ionic Effect, Organic Matter Content -water, ...6.0048

Strontium

PREDATION ON LARGEMOUTH BASS DURING THEIR FIRST YEAR OF LIFE ...Behavioral Ecology, Largemouth Bass, Maturity & Growth Stages, Predation, Tags, ...7.0080

PRIMARY PRODUCTION ...Plankton (non-specific), Primary Productivity, ...2.1001

ACCUMULATION AND MOVEMENT OF FISSION PRODUCTS IN SOILS AND PLANTS ...Movement, Availability, Radioactive Contamination, ...5.0484

Zinc

TRANSLOCATION OF RADIONUCLIDES BY FISH ...Columbia River, Fish -non-specific, Migration, Phosphorus, Radioactivity-general, ...2.1130

COLUMBIA RIVER ECOLOGY ...Chromium, Columbia River, Phosphorus, Pollutants - Path of, Radioisotopes, ...6.0613

Radioactive Waste

Disposal Methods

Disposal Methods-other

THE EVALUATION OF APPLICATION OF C-14 DATING OF GROUND WATER ...Aquifers-general, Carbon-14, Groundwater, Radioactivity-general, Underground Waste Disposal, ...5.0241

Radioactivity

Activation

Neutron Activation

REDUCTION OF RADIOISOTOPES IN HANFORD REACTOR EFFLUENTS ...Atomic Plants, Effluents-waste Water, Nuclear Reactors, Radioactivity-general, ...5.1253

Fallout Products

RAINOUT OF RADIOACTIVITY IN ILLINOIS ...Dispersion - Transporation, Patterns, Storms-general, Washout, ...2.0445

Radioisotopes

ENCAPSULATION AND SOLIDIFICATION OF INTERMEDIATE LEVEL RADIOACTIVE WASTES IN THERMOPLASTICS ...Accidental, Encapsulation, Fire Research-other, Instrumenta-

SUBJECT INDEX

Recharge

tion, Plant Equip. , Polymer-other, Recovery, Scrap and Wastes, ...5.1142

RADIOISOTOPE WATER FLOW MEASUREMENT IN HIGH-HEAD TURBINES AND PUMPS ...Fluids, Open Channel Flow, Water, ...8.0065

Radioactivity Studies-geologic

Exploration Methods

Radioactivity Logging

PHYSICAL CHARACTERISTICS OF BASALT AQUIFERS ...Electric Logging, Flow Characteristics -water, Groundwater Movement, Local Structure, Porosity, ...2.1117

Radiochemical Techniques

DISSOLVED ORGANIC PHOSPHORUS IN NATURAL WATERS ...Analysis and Detection, Organic-general, Precipitation, Removal-inorganics, Saturated Hydrocarbons, ...1.0088

GEOCHEMICAL STUDIES WITH STABLE AND RADIOACTIVE ISOTOPES ...Atmosphere, Mineral Groups, Nuclear - General, Sedimentary Rocks, Uranium, ...2.0134

CARBON, OXYGEN AND SULFUR ISOTOPES AND THE ORIGIN AND SOURCES OF URANIUM MINERALIZATION ...Mineral Genesis, Ore Deposits, Solution Chemistry, Thermophysical Properties, Transfer Processes, Uraninite Group, ...2.1083

COLUMBIA RIVER SEDIMENT STUDIES ...Columbia River, Geochemical Analysis, Radioactivity-general, Sediments, Self-purification, ...5.1249

DIFFERENTIAL ION MOBILITY AT COLLOIDAL SURFACES ...Colloidal Phenomena, Diffusion-other, Hydrophobic, Membranes-other, Transport, ...2.0053

Radiologic Warfare

SANITATION, WASTE DISPOSAL AND PEST AND VECTOR CONTROL ...Nuclear Explosion, Pollution - Effects of , Radioactive Fallout, Requirement, Sewage, Urban Environments, ...5.0059

Rainfall Simulators

POLLUTION FROM ANIMAL FEEDLOTS ...Animal Wastes - Feed Lots, Filtration, Runoff, Solid Waste, Waste Disposal -underground, ...4.0118

EFFECT OF RAINDROP IMPACT AND SURFACE ROUGHNESS ON SHEET FLOW ...Flow Characteristics -water, Model Studies, Rain-other, Roughness, Sheetflow, ...2.0447

OVERLAND FLOW ANALYSIS FOR A SIMULATED VEGETATED SURFACE ...Flume Studies, Hydrographs, Runoff, Streams, Unsteady Flow, ...2.0879

STRIP-MINING AND WATER QUALITY ...Chemical-general, Erosion-general, Mining Activities, Runoff, Spoil Banks, ...5.0889

PRINCIPLES, FACILITIES, AND SYSTEMS FOR WATER HARVEST ...Model Studies, Runoff, Stabilization-other, Storage of Water, Water Harvesting, ...3.0006

Range and Tracking Systems

Radio

REMOTE SENSING OF WATER VAPOR ...Electronics - Applied, Humidity, Optics, Temperature, Turbulence-general, ...7.0015

Reactors

Fluidized Bed

THE CONTROL OF SCALING ON HEAT TRANSFER SURFACES BY DIRECT CONTACT WITH A FLUIDIZED BED OF GRANULAR MATERIAL ...Desalination, Distilling Units, Filtration, Heat-transfer-other, Scale Formation, ...3.0370

BASIC STUDIES OF SCALE CONTROL ...Precipitation, Removal-inorganics, Scale Formation, ...3.0284

IMPROVEMENTS IN DESALINATION BY THE FLASH EVAPORATION PROCESS ...Additives, Desalination, Evaporation, Ion Exchange-other, Scale Formation, ...3.0408

FLUIDIZED EXCHANGE SYSTEMS FOR REMOVAL OF NITROGEN AND PHOSPHOROUS FROM WASTEWATER

...Ion Exchange-other, Nitrate, Nitrite, Nutrients, Phosphate, Phosphite, Waste Water Treatment-general, ...5.0556

DEVELOPMENT OF MATHEMATICAL MODEL OF SEWAGE SLUDGE FLUIDIZED BED INCINERATORS ...Computers-general, Disposal, Mathematical Analysis, Model Studies, ...5.0344

POWDERED CARBON TREATMENT OF WASTEWATER ...Activated, Chemical, Microwave, Polyelectrolytes, Waste Treatment-economics, ...5.0257

Nuclear

TREATMENT AND DISPOSAL OF CONDENSATE WASTES FROM HIGH LEVEL WASTE SOLIDIFICATION PROCESSES ...Crystallization-other, Disposal Wastes, Fractionation, Material Recovery Wastes, Precipitation, ...5.1250

HIGH POWERED FLOATING NUCLEAR POWER PLANT CONCEPTUAL STUDY ...Desalination, Marketing, Nuclear Power, Other, ...8.0296

ENGINEERING ECONOMICS OF WATER DESALTING IN COMBINATION WITH NITROGEN FIXATION FOR AGRICULTURAL CHEMICALS MANUFACTURE ...Ammonia, Cost Analysis, Desalination, Fixation, Statistical, ...3.0347

Packed Bed

COUNTERWASHERS FOR FREEZE-DISTILLATION DESALINATION ...Cost Analysis, Fluid Flow-other, Freezing, Screening, Washing, ...3.0279

EFFECTS OF SURFACTANTS ON FIBROUS BED COALESCING ...Emulsion, Interface, Solubility, Surfactants, Water Treatment -- General, ...5.0340

BIOLOGICAL REMOVAL OF THE NITRATE ION ON BEDS OF ACTIVATED CARBON OR SAN ...Activated Carbon, Denitrification, Microbial-bacterial, Regeneration-other, Sand, ...5.0132

FLOW FIELD IN A PACKED BED ...Fluid Flow-other, Mass Transfer, Porous Media - Flow Through, Surface-other, ...1.0045

Reactors-other

PHASE II-STUDY OF A RIVER SYSTEM AS A CHEMICAL REACTOR ...Industrial Wastes, Maine, Other O.r. , Systems Analysis, Water Quality Control-general, ...5.0466

RADIOTRACER STUDIES ON RAPID SAND FILTRATION ...Ion Exchange-other, Other, Radioisotopes, Sand, ...5.0295

AUTOMATIC CONTROL OF A COMPLETELY MIXED ACTIVATED SLUDGE REACTOR ...Activated, Biochemical Oxygen Demand, Effluent-standards, Sewage Treatment Plant, ...5.0213

Solar Still

DISPOSAL OF BRINE BY SOLAR EVAPORATION ...Desalination, Evaporation, Heat Transfer, Mass Transfer, Vapor Pressure, ...3.0333

PRODUCTION OF HIGHLY PALATABLE WATER FROM AIR FOR HOUSEHOLD, LIVESTOCK, AND INDUSTRIAL USE ...Absorption-other, Cost Analysis, Potable Water, Process Development-other, Water Development, ...3.0242

Recharge

Artificial Recharge

ANALYSIS OF RECHARGE BASINS ...Drainage, New York, Recharge Pits - Wells, Runoff, ...2.0777

INVESTIGATIONS ON THE SUBSURFACE DISPOSAL OF WASTE EFFLUENTS AT INLAND SITES ...Dyes, Groundwater Movement, Pollutants - Path of , Recharge Pits - Wells, Underground Waste Disposal, ...3.0022

INDUCED ELECTRICAL POLARIZATION AND GROUND WATER ...Electric Logging, Geophysical Analysis, Groundwater, Groundwater Basins, Polarization, ...7.0007

DEVELOPMENT OF SYSTEMS FOR GROUND WATER RECHARGE INTO THE OGALLALA FORMATION ...Aquifers-general, Filtration, Recharge Pits - Wells, Technique Development, Turbidity, ...4.0247

STORAGE OF FRESH WATER IN UNDERGROUND RESERVOIRS CONTAINING SALINE WATER ...Flow Characteristics - water, Mixing, Model Studies, Recharge Pits - Wells, Storage of Water, ...4.0115

AN OPTIMAL WATER MANAGEMENT PLAN FOR THE MIAMI VALLEY ...Alternative Planning, Augmentation-general, Conjunctive Use, Floodproofing, Optimization Technique, Systems Analysis, ...6.0467

Recharge

SUBJECT INDEX

- OPTIMUM UTILIZATION AND MANAGEMENT OF WATER IN FORMATIONS HYDROLOGICALLY-CONNECTED TO A STRETCH OF THE CONNECTICUT RIVER ...Aquifers-general, Baseflow, Connecticut River, Massachusetts, Water Yield, ...4.0134
- NUMERICAL MODELING OF GROUND WATER FLOW ...Aquifers-general, Groundwater Movement, Model Studies, Sub-surface Flow, ...2.0506
- GROUND WATER RECHARGE THROUGH PITS AND WELLS ...Aquifers-general, Drainage, Filtration, Glass, Recharge Pits - Wells, ...2.0514
- FLOW ANALYSIS OF HYDRAULIC CONNECTORS IN ARTIFICIAL RECHARGE SYSTEMS ...Flow Characteristics -water, Mathematical Analysis, Model Studies, ...2.0859
- DEVELOPMENT OF SYSTEMS FOR GROUND WATER RECHARGE INTO THE OGALLALA FORMATION ...Filtration, Playas, Ponds, Texas, Water Wells, ...4.0243
- GEOCHEMISTRY OF AQUIFERS AS AFFECTED, OR POTENTIALLY AFFECTED BY OFFTAKE OR ARTIFICIAL RECHARGE ...Aquifers-general, Chemical-general, Discharge-general, Geochemistry-general, Louisiana, ...2.0530
- EFFECT OF FORMATION DIP ON THE MOVEMENT OF FRESH WATER STORED IN SALINE AQUIFERS ...Aquifers-other, Fresh Water, Local Structure, Model Studies, Storage of Water, ...4.0122
- MOVEMENT AND MIXING OF WATER INJECTED INTO AQUIFERS ...Aquifers-general, Dispersion -water, Exchange Capacity, Flow Augmentation, Fluid Mixing, Groundwater Movement, Water Wells, ...5.0527
- WATER CONSERVATION BY WASTE WATER RECLAMATION AND INJECTION OR RECHARGE ...Activated, Injection-wells, Potable Water, Tertiary Treatment, Water Standards, ...5.0779
- TREATMENT NEEDED BY SEWAGE BEFORE INJECTION - WELL RECHARGE ...Carbon, Injection-wells, Sand, Sewage, Tertiary Treatment, Trickling, ...5.0758
- REVERSE OSMOSIS TO REMOVE DISSOLVED SOLIDS FROM RENOVATED WASTE WATER USED IN GROUND WATER RECHARGE ...Augmentation-general, Effluent-standards, Reverse Osmosis, Waste Water Treatment-general, Water Reuse, ...5.0095
- NORTH FORK ALLUVIAL DECONTAMINATION PROJECT ...Brines, Petroleum Industry, Seepage, Surface Water, Texas, ...5.1145
- GROUND WATER, RESOURCES AND RECHARGE - RICE ...Arkansas, Groundwater, Irrigation-general, Pollution - Effects of , Water Wells, ...6.0026
- GROUND WATER DISPERSION DURING PUMPING AND RECHARGE OPERATIONS ...Approximations, Dimension-two, Dispersion -water, Finite Differences, Groundwater, Porous Media - Flow Through, Steady, ...5.0529
- GROUND WATER RESEARCH ...Agriculture Industry, California, Dispersion -water, Groundwater, Groundwater Movement, ...2.0135
- PIT METHOD OF ARTIFICIAL GROUND-WATER RECHARGE ...Aquifers-general, Illinois River, Induced Infiltration, Permeability, Recharge Pits - Wells, ...4.0099
- RECHARGE OF GROUND WATER IN RIVER VALLEYS OF EASTERN AND CENTRAL KANSAS, AND THE HIGH PLAINS ...Augmentation-general, Great Plains Province, Groundwater, Groundwater Mining, Natural Recharge, Water Table Fluctuation, ...4.0116
- HYDROLOGY OF THE SUB-LAKE SEDIMENTS BENEATH GREAT SALT LAKE ...Brines, Geology - Engineering, Great Salt Lake, Interstitial - Connate Water, Permeability, ...2.1082
- UNSATURATED FLOW STUDIES ...Electrical Properties, Exchange Capacity, Groundwater Movement, Infiltration, Unsaturated Flow, ...2.0286
- MECHANICS OF GROUND-WATER FLOW ...Aquifers-general, Earthquakes, Groundwater Basins, Groundwater Movement, Water Table Fluctuation, ...2.1093
- WATER RESOURCES OF CENTRAL WISCONSIN, A WATER-POOR AREA ...Augmentation-general, Deposits, Geophysical Analysis, Valley, Buried, Wisconsin, ...2.1146
- MILL CREEK VALLEY ANALOG MODEL STUDY, OHIO ...Analog Computers, Aquifers-general, Model Studies, Ohio, Recharge Pits - Wells, ...4.0195
- SPRINGFIELD AREA INFILTRATION STUDY, OHIO ...Clastic Aquifers, Flow Characteristics -water, Induced Infiltration, Ohio, Water Yield, ...4.0196
- SAN GORGONIO PASS GROUND-WATER STUDIES, CALIFORNIA ...California, Groundwater Basins, Groundwater Movement, Storage of Water, Water Table Fluctuation, ...4.0037

FATE OF POLLUTANTS IN GROUND WATER ...Aquifers-general, Chlorinated Hydrocarbons, Nitrate, Nitrite, Playas, Pollutants - Path of , ...5.0917

FACILITIES AND PROCEDURES FOR CONSERVATION MANAGEMENT OF RUNOFF WATER FROM AGRICULTURAL LANDS IN THE SOUTHERN PLAINS ...Agricultural Watersheds, Groundwater, Playas, Runoff, Storage of Water, ...4.0237

Natural Recharge

EXTREME HYDROLOGIC EVENTS & THEIR EFFECTS ON NUCLEAR FACILITIES ...Floods, Hydrology-general, Radioactivity-general, Runoff, Water Table Fluctuation, ...2.0273

THE ARTESIAN SYSTEM IN GEORGIA STRATIGRAPHY AND HYDROLOGY OF THE OCALA ...Artesian Flow, Carbonate Aquifers, Georgia, Groundwater Movement, Piezometry, ...4.0082

POLLUTION EFFECTS ON GROUND WATER RECHARGE IN HAWAII ...Adsorption-absorption-other, Groundwater, Pollutants - Path of , Pollution - Effects of , Soil Environment, ...5.0313

OPTIMIZING SALVAGEABLE WATER RESOURCES IN A SEMI-ARID INLAND BASIN ...Optimization, Runoff, Semi - Arid, Water - Alternative Uses, Water Quality-general, Water Reuse, ...3.0019

GROUND WATER BASIN DYNAMICS ...Dispersion -water, Groundwater Basins, Mathematical Analysis, Model Studies, Ohio, ...2.0851

METAMORPHOSIS OF SNOWPACK PROFILES AND CHANGES IN WATER STORAGE FOLLOWING STRIP CUTTING IN PINE FORESTS IN MICHIGAN ...Cutting Operations, Michigan, Nuclear Moisture Meters, Snowmelt, Water Yield, ...2.0655

RECHARGE IN RIVER VALLEYS OF CENTRAL AND EASTERN KANSAS - EFFECT OF TUTTLE CREEK RESERVOIR ON GROUNDWATER LEVELS ...Aquifers-general, Chemical-general, Geophysical Analysis, Reservoirs and Impoundments, Water Table Fluctuation, ...2.0509

GROUND WATER RECHARGE AS AFFECTED BY SURFACE VEGETATION AND MANAGEMENT ...Antitranspirants, Conservation-general, Groundwater, Infiltration, Soil-water-plant Relationships, ...4.0061

GRAND VALLEY SALINITY CONTROL DEMONSTRATION PROJECT ...Brackish Water, Canals, Colorado River, Linings-pavings, Mineralization, ...5.0203

LAND SHAPING FOR WATER CONSERVATION ...Floods, Land Use, Moisture Content, Production & Processing, Runoff, Water Harvesting, ...3.0311

CONSERVATION AND RENOVATION OF WASTE WATER ...Conservation-general, Effluents-waste Water, Pollution - Effects of , Soil Properties - General, Surface Irrigation -general, Waste Water Treatment-general, ...5.1035

GROUNDWATER SUPPLIES ...Aquifers-general, Atlases-maps, Groundwater, Total Volume, Water Table Fluctuation, ...2.0058

GROUND-WATER STUDIES - PILOT DRAINAGE BASIN STUDY ...Carbonate Aquifers, Groundwater Basins, Groundwater Movement, Land Use, Runoff, Water Cycle, ...2.0418

RECHARGE OF GROUND WATER IN RIVER VALLEYS OF EASTERN AND CENTRAL KANSAS, AND THE HIGH PLAINS ...Artificial Recharge, Augmentation-general, Great Plains Province, Groundwater, Groundwater Mining, Water Table Fluctuation, ...4.0116

GROUNDWATER RECHARGE ...Applied Climatology, Forecasting-prediction, Groundwater, Observation Wells, Water Table Fluctuation, ...3.0430

GRAVITY FLOW OF WATER IN SOILS AND AQUIFERS OF WESTERN KANSAS ...Aquifers-general, Gravitational Movement -water, Kansas, Soil Environment, Storage of Water, ...2.0502

INTENSIVE COOPERATIVE INVESTIGATIONS OF SELECTED POTHoles ON MISSOURI COTEAU IN DICKEY, WARD AND STUTSMAN COUNTIES, NORTH DAKOTA ...Hydrology-general, Potholes, Water Fowl, N.s. , Water Level Fluctuation, Water Loss-general, ...6.0419

EFFECT OF FOREST TYPES AND CONDITIONS ON WATER MOVEMENT AND GROUND WATER RECHARGE ...Forest Watersheds, Groundwater Movement, Infiltration, Land Use, Runoff, Water Cycle, ...3.0301

EFFECTS OF VARIOUS FOREST TYPES AND STAND TREATMENTS ON GROUNDWATER RECHARGE AND STREAM-BANK EROSION IN AREAS OF DEEP GLACIAL DRIFT ...Erosion Control, Erosion-general, Forest Watersheds, Open Channel, Stream Banks, ...5.0573

SUBSURFACE AND GROUND WATER ACCRETION, DEPLETION, MOVEMENT AND CONTRIBUTION TO STREAM-

SUBJECT INDEX

Recreation Sites

- FLOW ...Agricultural Watersheds, Aquifers-general, Baseflow, Groundwater Movement, Mississippi, ...2.0336
- AQUIFER AND SUBSURFACE RELATIONSHIPS IN THE HYDROLOGY OF UPSTREAM AGRICULTURAL WATERSHEDS ...Aquifers-general, Baseflow, Forecasting-prediction, Groundwater Movement, Streams, Technique Development, Water Yield, ...3.0394
- GROUND WATER IN RELATION TO USE AND MANAGEMENT OF RANGELAND WATERSHEDS IN THE SOUTHWEST ...Agricultural Watersheds, Groundwater, Projections and Estimations, Runoff, Southwest, ...3.0007
- NATURAL RECHARGE OF GROUND WATER IN CENTRAL AND SOUTHERN CALIFORNIA ...Infiltration, Rain-general, Runoff, ...3.0063
- METHODS FOR WATER QUALITY IMPROVEMENT AND ITS STORAGE UNDERGROUND ...Computers-general, Denitrification, Groundwater Basins, Management, Percolation, Underground Waste Disposal, Waste Water Treatment-general, ...4.0005

Recharge -general

- CORRELATION OF SOIL SURFACE AND RAINFALL-RUNOFF-MOISTURE RELATIONSHIPS ON AGRICULTURAL WATERSHEDS ON COASTAL PLAINS SOILS (ABBREV) ...Antecedent Moisture, Runoff, Small Watersheds, Soil Environment, Water Yield, ...2.0002
- OPTIMIZATION OF WELLS AND RECHARGE FACILITIES IN CONJUNCTIVE USE OF GROUNDWATER RESERVOIRS ...Conjunctive Use, Groundwater Basins, Optimization, Pumping, Water Wells, ...6.0054
- UTILIZATION OF THE STORAGE POTENTIAL OF RIVER VALLEY AQUIFERS (ABBREV) ...Nebraska, River Basins, Storage of Water, Valley, Buried, Water Quality-general, ...4.0162
- GROUNDWATER - SURFACE WATER INTEGRATION STUDY IN THE GRAND PRAIRIE REGION OF ARKANSAS ...Arkansas, Available Water, Conjunctive Use, Groundwater, Water Demand, ...4.0020
- URANIUM AND HYDROGEN RADIONUCLIDES AS NATURAL TRACERS IN THE FLORIDAN AQUIFER ...Aquifers-general, Florida, Quaternary Period, Radioisotopes, Tritium, Uranium, ...2.0326
- BACTERIAL ADSORPTION ON SOILS ...Bacterial Pollutant Sources, Pollutants - Path of, Self-purification, Soil Chemical Properties, Temperature, ...5.1190
- EVALUATION OF SOIL MOISTURE RECHARGE ...Drainage, Evapotranspiration, Moisture Content, Water Table - Depth of, Water Table Fluctuation, ...3.0344
- WATER YIELDS FROM SHALLOW GROUND AQUIFERS ...Aquifers-general, Irrigation-general, Permeability, Water Yield, ...4.0214
- FLOW THROUGH ANISOTROPIC LAYERED MEDIA ...Finite Differences, Matrix Methods, Permeability, Porous Media - Flow Through, Seepage, ...2.0355
- RADIOCARBON AS A TRACER IN GROUND WATER PROBLEMS ...Aquifers-general, Groundwater Movement, Laminar Flow, Permeability, Radioisotopes, ...2.0056
- HYDROLOGY OF CONSOLIDATED ROCK AQUIFERS NEAR PENNINGTON, NEW JERSEY ...Aquifers-general, Circulation - water, New Jersey, Permeability, Reservoirs and Impoundments, ...2.0767
- AQUIFER-STREAMFLOW INTERRELATIONSHIPS IN UPSTREAM AGRICULTURAL WATERSHEDS OF THE PACIFIC NORTHWEST ...Agricultural Watersheds, Aquifers-general, Flow Characteristics -water, Permeability, Structure, Subsurface Flow, ...3.0201
- SOIL MOISTURE REGIMES OF AGRICULTURAL WATERSHEDS IN CORN BELT STATES ...Agricultural Watersheds, Corn Belt, Internal Water Movement, Land Use, Moisture Levels, Soil Physical Properties, ...2.0869
- GROUND WATER RECHARGE AND MANAGEMENT IN CALIFORNIA ...Groundwater, Groundwater Basins, Percolation, Soil Environment, Storage of Water, ...4.0033

Recharge Pits - Wells

- ANALYSIS OF RECHARGE BASINS ...Artificial Recharge, Drainage, New York, Runoff, ...2.0777
- INVESTIGATIONS ON THE SUBSURFACE DISPOSAL OF WASTE EFFLUENTS AT INLAND SITES ...Artificial Recharge, Dyes, Groundwater Movement, Pollutants - Path of, Underground Waste Disposal, ...3.0022

- DEVELOPMENT OF SYSTEMS FOR GROUND WATER RECHARGE INTO THE OGALLALA FORMATION ...Aquifers-general, Artificial Recharge, Filtration, Technique Development, Turbidity, ...4.0247
- STORAGE OF FRESH WATER IN UNDERGROUND RESERVOIRS CONTAINING SALINE WATER ...Artificial Recharge, Flow Characteristics -water, Mixing, Model Studies, Storage of Water, ...4.0115
- THE USE OF GRAVITY SHAFTS FOR GROUND WATER RECHARGE, PHASE I OF A TWO PHASE STUDY ...Deposits, Economic Efficiency, Turbidity, Unconsolidated Aquifers, ...4.0189
- GROUND WATER RECHARGE THROUGH PITS AND WELLS ...Aquifers-general, Artificial Recharge, Drainage, Filtration, Glass, ...2.0514
- ADVANCED WASTE TREATMENT FOR WATER RECLAMATION AND REUSE BY INJECTION ...Aquifers-general, Injection-wells, Secondary Treatment, Waste Water Treatment-general, Water Reuse, ...5.0778
- PIT METHOD OF ARTIFICIAL GROUND-WATER RECHARGE ...Aquifers-general, Artificial Recharge, Illinois River, Induced Infiltration, Permeability, ...4.0099
- INVESTIGATION OF PERMEABILITY OF FINE GRAINED GLACIAL SEDIMENTS IN RELATION TO WASTE DISPOSAL IN ILLINOIS ...Deposits, Disposal, Permeability, Till, ...2.0469
- MILL CREEK VALLEY ANALOG MODEL STUDY, OHIO ...Analog Computers, Aquifers-general, Artificial Recharge, Model Studies, Ohio, ...4.0195

Recreation Sites

- RECREATIONAL IMPACT OF FEDERAL MULTI-PURPOSE RESERVOIRS ...Highway Classification-other, Planning, Projected Demand, Reservoirs, Reservoirs and Impoundments, Touring, Transportation Needs, ...6.0219
- FOOD HABITS OF LARVAL AND JUVENILE SHAD IN THE CONNECTICUT RIVER ...Alewife,menhaden,shad,herring, Aquatic Ecology, Connecticut River, Food Supply, Massachusetts, ...3.0272
- EFFECTS OF DEWATERING ON A TROUT POPULATION ...Dewatering, Montana, Population Dynamics, Salmon & Trout - Non-specific, Streams, ...6.0330
- NORTH DAKOTA STATE COMPREHENSIVE OUTDOOR RECREATION PLAN ...Land Use, North Dakota, Projected Demand, Social Aspects, Water Resources Development, ...6.0409
- COLORADO COMPREHENSIVE PLAN FOR OUTDOOR RECREATION ...Colorado, Economic Impact, Mapping, Other, Planning, ...6.0324
- A STUDY OF THE DEMAND FOR OUTDOOR RECREATION BASED ON THE ANALYSES OF THE NATIONAL RECREATION SURVEYS OF 1960 AND 1965 ...Demand Analysis, Inventories, Model Studies, Survey, ...6.0350
- SCORP UNIVERSITY OUTDOOR RECREATION RESEARCH STUDY SERVICE SPECIAL PROBLEMS ...Demand Analysis, Georgia, Urban Environments, ...6.0160
- SOUTH PLATTE RIVER DEVELOPMENT PLAN ..Colorado, Fishing, Picnicking, Recreation Activities, Riding, ...2.0160
- DETERMINATION OF SAFE LEVELS OF POLLUTION IN PUERTO RICO ...Bays, Contamination - Water, Meteorological Studies-general, Pollution - Effects of, Puerto Rico, Water Properties-general, ...2.0937
- IMPACT OF WATER BASED RECREATION ...Benefit-cost Analysis, Lakes, New York, Planning, Reservoirs and Impoundments, ...6.0384
- A LIMNOLOGICAL STUDY OF SPIRITWOOD, NORTH DAKOTA - WATER QUALITY AND SEASONAL CYCLES ...Biological-general, Chemical-general, Lakes, North Dakota, Physical-general, ...2.0833
- AN INVESTIGATION OF FACTORS AFFECTING THE INTENSITY OF USE OF WATER RECREATION FACILITIES ...Economics-general, Projected Demand, Residence, Types of Resources, ...6.0260
- ENHANCEMENT OF RECREATIONAL USES OF ESTUARINE WATERS THROUGH STUDY OF POTENTIAL CONTROL METHODS FOR STINGING SEA NETTLES ...Biological Control, Chesapeake Bay, Estuaries, Jelly Fish, Water Quality-general, ...6.0256
- ANALYSIS OF LITERATURE ON THE RECREATIONAL ASPECTS OF WATER RESOURCES RESEARCH ...Management, Planning, Survey Studies, ...6.0212
- ECONOMIC IMPACT OF WATER IMPOUNDMENT - VALIDITY TESTING OF A COMPARATIVE- PROJECTION MODEL

Recreation Sites

SUBJECT INDEX

- ...Economic Impact, Model Studies, Projections and Estimations, Reservoirs and Impoundments, Texas, ...6.0554
- RECREATION VALUE OF WATER FOR THE PRODUCTION OF WATERFOWL ...Benefit-cost Analysis, Utah, Water Fowl, N.s., Wetlands, ...6.0593
- PUBLIC INVESTMENT CRITERIA FOR WATER-ORIENTED RECREATION IN THE LAKE ERIE BASIN ...Alternative Planning, Costs, Finance, Fiscal, Pollution Abatement, Projected Demand, ...6.0428
- ESTIMATION OF RECREATIONAL BENEFITS AT SOME EXISTING WATER DEVELOPMENT SITES IN CALIFORNIA ...California, Projected Demand, Recreation Types -non-specific, Welfare Economics, ...6.0081
- STREAM POLLUTION AND RECREATION ...Consumption, Pollution - Effects of, Social Aspects, Water Standards, Welfare Economics, ...6.0473
- WATER QUALITY REQUIREMENTS IN ALASKA CAMPGROUNDS WITH PROJECTIONS OF RECREATION DEMANDS AND BENEFIT/COST ANALYSIS FOR SITE SELECTION ...Alaska, Benefit-cost Analysis, Types of Resources, Water Quality-general, ...6.0007
- WATER QUALITY CRITERIA FOR SELECTED RECREATION USES ...Illinois, Mathematical Analysis, Pollution-water, User Characteristics -other, Water Quality-general, ...5.0381
- THE DEMAND FOR WATER BASED RECREATION IN SOUTHWEST PUERTO RICO ...Demand Analysis, Frequency of Use, Puerto Rico, Survey, ...6.0483
- WATER AND RECREATION USE, BLACKFOOT RIVER DRAINAGE, WESTERN MONTANA ...Frequency of Use, Montana, Residence, User Patterns, ...6.0332
- AN ECOLOGICAL AND RECREATIONAL USE SURVEY OF A SMALL MISSISSIPPI RIVER JUST BEFORE CHANNELIZATION ...Channels, Frequency of Use, Mississippi, Streams, ...6.0315
- DIATOM POPULATIONS CHANGES IN LAKE GEORGE ...Algae- Diatoms, Eutrophication, New York, Plankton Sampling, Plant Succession, ...2.0816
- SOCIAL CHANGE IN A WATER RESOURCE DEVELOPMENT AREA - SOCIAL ASPECTS OF THE CONSTRUCTION PHASE OF LIBBY DAM ...Attitudes & Attitude Change, Construction Sites, Reservoirs and Impoundments, Social Aspects, Social Change, User Patterns, ...6.0329
- INTERACTIONS OF URBAN ACTIVITY AND THE HYDROLOGICAL CYCLE ...Architecture and Design, Benefit-cost Analysis, Land Use, Value, Land Planning, Pollution Abatement, Urban Environments, ...4.0135
- MICROBIOLOGICAL STUDIES IN AN OPEN AND A CLOSED WATERSHED ...Bacterial Pollutant Sources, Coliforms (non-specific), Montana, Streptococcus Fecalis, Watersheds-general, ...5.0696
- PLANNING ANALYSIS FOR THE NON-MARKET VALUES OF WATER RESOURCES WITH PARTICULAR EMPHASIS ON RECREATION ...Lakes, Model Studies, New York, Projected Demand, ...6.0391
- CHANGES IN WATER ENVIRONMENT RESULTING FROM AQUATIC PLANT CONTROL ...Lakes, of Aquatic Plants, Physical Control, Plant Pollutants, ...5.1301
- DEVELOPMENT OF A SYSTEM OF DETERMINING THE CAPACITY OF WATER RESOURCES TO SUPPORT VARIOUS TYPES AND COMBINATIONS OF RECREATION USE ...Forecasting-prediction, North Carolina, ...6.0406
- EFFECTS OF WATER POLLUTION IN SAN FRANCISCO BAY ...Bays, Economic Impact, Pollution - Effects of, San Francisco Bay, Social Aspects, Water Utilization -domestic, Welfare Economics, ...5.0125
- AN ECONOMIC STUDY OF THE DEMAND FOR OUTDOOR RECREATION ...Arid and Desert, Methods, Projected Demand, Reservoirs and Impoundments, Standards, ...6.0014
- THE USE OF AERIAL PHOTOGRAPHS TO EVALUATE THE RECREATIONAL RESOURCES OF A RIVER ...Connecticut River, Land Use, Methods, Photogrammetry, Streams, ...6.0285
- ECOLOGY AND MANAGEMENT OF BOUNDARY WATERS CANOE AREA CAMPSITES ...Frequency of Use, Inventories, Loss and Damages, Management, Minnesota, ...6.0309
- WILDLAND RECREATIONAL MANAGEMENT ...Production & Processing, Projected Demand, Wilderness, ...6.0474
- AN ECONOMIC ANALYSIS OF THE DEMAND FOR LAND AND/OR WATER-BASED OUTDOOR RECREATION IN TEXAS ...Land Use, Projected Demand, Texas, ...6.0556
- ECONOMIC AND LEGAL FACTORS IN PROVIDING, USING AND MANAGING WATER RESOURCES IN AGRICULTURE

- ...Administrative Structures, Economic Impact, Impact, Model Studies, Policy Making, Social Aspects, Water Rights-general, ...6.0646
- STUDY SOCIAL VALUE OF RECREATIONAL FACILITIES RESULTING FROM IMPROVED WATER QUALITY ...Frequency of Use, Pollution Abatement, Projected Demand, Survey, Types of Resources, ...7.0092
- THE PREDICTION OF WATER QUALITY ASPECTS OF THE WENATCHEE RIVER ...Electric Power Plants, Heat Flow, Streams, Thermal Pollution, Washington, ...5.1234
- DEMAND FOR AND AVAILABILITY OF LAND AND WATER ORIENTED RECREATION FACILITIES IN MARYLAND - ECONOMIC ANALYSIS ...Demand Analysis, Forecasting-prediction, Maryland, Production & Processing, Types of Resources, ...6.0259
- WATER QUALITY ASPECTS OF RECREATIONAL LAKES ...Lakes, Nitrogen, Phosphorus, Septic Tanks, Waste Water Treatment-general, ...5.0469
- ESTIMATION OF RECREATION WATER REQUIREMENTS - ULTIMATE NEEDS STUDY (OREGON) ...Consumptive Use, Oregon, Projected Demand, Water Demand, ...6.0612
- SCHUYLKILL RIVER SURVEY ...Floodproofing, Streams, Survey Studies, Water Development, Water Resources Development, ...2.0906
- ANALYSIS OF SOCIAL AND MOTIVATIONAL CHARACTERISTICS ASSOCIATED WITH SELECTED OUTDOOR RECREATIONAL ACTIVITIES IN RHODE ISLAND ...Methods, Rhode Island, Social Psychology-other, User Characteristics-non-spec, ...6.0486
- AN INTEGRATED RECREATION AND NATURAL AREA PRESERVATION PLAN FOR OHIO AND MARSHALL COUNTIES, WEST VIRGINIA ...Camping, Fishing, Hunting, Inventories, Planning, West Virginia, ...6.0634
- DEVELOPING AGRICULTURAL LAND IN RECREATIONAL USES UNDER PRIVATE OWNERSHIP OPPORTUNITIES IN A TEXAS ECONOMIC AREA ...Agricultural Watersheds, Lakes, Management, Social Aspects, Texas, ...6.0557
- IMPACT OF RECREATIONISTS ON SELECTED SITES ...Infiltration, Irrigation-general, Recreation Areas and Parks, Soil Comparison, ...6.0591
- ECONOMIC ANALYSIS OF RECREATIONAL USE OF RESERVOIRS CONSTRUCTED BY PRIVATE POWER COMPANIES ...Frequency of Use, Impact, Private Enterprise, Reservoirs and Impoundments, User Characteristics -other, ...6.0604
- THE DEVELOPMENT OF METHODS USED IN EVALUATING RECREATIONAL BENEFITS OF MULTIPLE-PURPOSE WATER RESOURCE PROJECTS ...Benefit-cost Analysis, Consumption, Demand Analysis, Methods, Multiple-purpose Projects, Theory, ...6.0534
- HYDROLOGIC PARAMETERS CONTROLLING RECREATIONAL USE OF MINNESOTA RIVERS ...Minnesota, Morphology-general, Projections and Estimations, Water Quality-general, Wild Rivers, ...6.0307

ANALYSIS OF PUBLIC INVESTMENTS IN NATURAL RESOURCES WITHIN MINNESOTA ...Economics-general, Minnesota, ...2.0669

AN INTEGRATED RECREATION AND NATURAL AREA PRESERVATION PLAN FOR OHIO AND MARSHALL COUNTIES, WEST VIRGINIA ...Camping, Fishing, Hunting, Planning, Recreation Sites, West Virginia, ...6.0634

ISLAND STUDY ...Conservation-general, Islands, Planning, Recreation Sites, Survey Studies, ...3.0171

Types of Resources

AN INVESTIGATION OF FACTORS AFFECTING THE INTENSITY OF USE OF WATER RECREATION FACILITIES ...Economics-general, Projected Demand, Recreation Sites, Residence, ...6.0260

WATER QUALITY REQUIREMENTS IN ALASKA CAMPGROUNDS WITH PROJECTIONS OF RECREATION DEMANDS AND BENEFIT/COST ANALYSIS FOR SITE SELECTION ...Alaska, Benefit-cost Analysis, Recreation Sites, Water Quality-general, ...6.0007

THE MANAGEMENT AND CONTROL OF WATER IN PUERTO RICO ...Control and Protection, Data Analysis - General, Management, Puerto Rico, Water Quality-general, Water Supply-general, ...6.0480

RURAL LAND USAGE ...Agriculture, Land, Land Use, Land Use - non-specific, Rural Areas, Social Aspects, ...6.0471

ALTERNATIVE DEVELOPMENT PATTERNS, PLANS, CONTROLS AND IMPACT ASSOCIATED WITH NEW RESERVOIRS ...Administrative Structures, Alternative Planning, Optimization, Reservoirs and Impoundments, Texas, ...6.0561

STUDY SOCIAL VALUE OF RECREATIONAL FACILITIES RESULTING FROM IMPROVED WATER QUALITY ...Frequency of Use, Pollution Abatement, Projected Demand, Recreation Sites, Survey, ...7.0092

DEMAND FOR AND AVAILABILITY OF LAND AND WATER ORIENTED RECREATION FACILITIES IN MARYLAND - ECONOMIC ANALYSIS ...Demand Analysis, Forecasting-predic-

tion, Maryland, Production & Processing, Recreation Sites, ...6.0259

THE CONNECTICUT RIVER STUDY ...Connecticut River, Projected Demand, Recreation Areas and Parks, Recreation Sites, Recreation Types -non-specific, ...3.0168

COLLECTION AND APPLICATION OF INFORMATION ON THE USE OF FOREST RECREATION FACILITIES AND RELATED RESOURCES ...Access, Methods, Recreation Areas and Parks, Southeast, Standards, ...6.0399

Standards

AN ECONOMIC STUDY OF THE DEMAND FOR OUTDOOR RECREATION ...Arid and Desert, Methods, Projected Demand, Recreation Sites, Reservoirs and Impoundments, ...6.0014

COLLECTION AND APPLICATION OF INFORMATION ON THE USE OF FOREST RECREATION FACILITIES AND RELATED RESOURCES ...Access, Methods, Recreation Areas and Parks, Southeast, Types of Resources, ...6.0399

Survey

SOME ASPECTS OF THE MARINE SPORT FISHERY OF MASSACHUSETTS WITH SPECIAL EMPHASIS ON SURVEY DESIGN AND BASIC ECONOMIC ATTRIBUTES ...Censusing, Fishing, Massachusetts, ...7.0054

A STUDY OF THE DEMAND FOR OUTDOOR RECREATION BASED ON THE ANALYSES OF THE NATIONAL RECREATION SURVEYS OF 1960 AND 1965 ...Demand Analysis, Inventories, Model Studies, Recreation Sites, ...6.0350

THE DEMAND FOR WATER BASED RECREATION IN SOUTHWEST PUERTO RICO ...Demand Analysis, Frequency of Use, Puerto Rico, Recreation Sites, ...6.0483

ECONOMIC EVALUATION OF PRIMARY BENEFITS FROM FISHING AND HUNTING BASED ON THE NATIONAL SURVEYS OF FISHING AND HUNTING ...Economics-other, Fishing, Hunting, Projected Demand, ...4.0024

STUDY SOCIAL VALUE OF RECREATIONAL FACILITIES RESULTING FROM IMPROVED WATER QUALITY ...Frequency of Use, Pollution Abatement, Projected Demand, Recreation Sites, Types of Resources, ...7.0092

PLAN FORMULATION AND EVALUATION STUDIES - RECREATION DESIGN CRITERIA AND DEMAND ...Computers-general, Costs, Frequency of Use, Planning, Projected Demand, ...6.0078

Types of Recreation

Private Enterprise

ECONOMIC ANALYSIS OF RECREATIONAL USE OF RESERVOIRS CONSTRUCTED BY PRIVATE POWER COMPANIES ...Frequency of Use, Impact, Recreation Sites, Reservoirs and Impoundments, User Characteristics -other, ...6.0694

Recreation Types -non-specific

ESTIMATION OF RECREATIONAL BENEFITS AT SOME EXISTING WATER DEVELOPMENT SITES IN CALIFORNIA ...California, Projected Demand, Recreation Sites, Welfare Economics, ...6.0081

THE CONNECTICUT RIVER STUDY ...Connecticut River, Projected Demand, Recreation Areas and Parks, Recreation Sites, Types of Resources, ...3.0168

Wilderness

WILDLAND RECREATIONAL MANAGEMENT ...Production & Processing, Projected Demand, Recreation Sites, ...6.0474

User Characteristics

Residence

AN INVESTIGATION OF FACTORS AFFECTING THE INTENSITY OF USE OF WATER RECREATION FACILITIES ...Economics-general, Projected Demand, Recreation Sites, Types of Resources, ...6.0260

WATER AND RECREATION USE, BLACKFOOT RIVER DRAINAGE, WESTERN MONTANA ...Frequency of Use, Montana, Recreation Sites, User Patterns, ...6.0332

User Characteristics -other

WATER QUALITY CRITERIA FOR SELECTED RECREATION USES ...Illinois, Mathematical Analysis, Pollution-water, Recreation Sites, Water Quality-general, ...5.0381

ECONOMIC ANALYSIS OF RECREATIONAL USE OF RESERVOIRS CONSTRUCTED BY PRIVATE POWER COMPANIES

SUBJECT INDEX

Regional Areas

...Frequency of Use, Impact, Private Enterprise, Recreation Sites, Reservoirs and Impoundments, ...6.0604

User Characteristics-non-spec.

ANALYSIS OF SOCIAL AND MOTIVATIONAL CHARACTERISTICS OF ASSOCIATED WITH SELECTED OUTDOOR RECREATIONAL ACTIVITIES IN RHODE ISLAND ...Methods, Recreation Sites, Rhode Island, Social Psychology-other, ...6.0486

User Patterns

WATER AND RECREATION USE, BLACKFOOT RIVER DRAINAGE, WESTERN MONTANA ...Frequency of Use, Montana, Recreation Sites, Residence, ...6.0332

SOCIAL CHANGE IN A WATER RESOURCE DEVELOPMENT AREA - SOCIAL ASPECTS OF THE CONSTRUCTION PHASE OF LIBBY DAM ...Attitudes & Attitude Change, Construction Sites, Recreation Sites, Reservoirs and Impoundments, Social Aspects, Social Change, ...6.0329

WATERFOWL POPULATIONS AND RECREATIONAL USE PATTERNS IN THE PROPOSED SAYLORVILLE RESERVOIR AREA AS RELATED TO PRE-IMPOUNDMENT CONDITIONS ...Access, Frequency of Use, Iowa, Population Dynamics, Pre-impoundment Sites, Water Fowl, N.s., ...6.0227

Refractometry

INTERNAL WATER STATUS OF PLANTS ...Dielectric Parameters, Instrumental Services, Plant Water Use-other, Technique Development, Translocation, ...2.0722

Regeneration

Chemical

POWDERED CARBON TREATMENT OF WASTEWATER ...Activated, Fluidized Bed, Microwave, Polyelectrolytes, Waste Treatment-economics, ...5.0857

Regeneration-other

MULTICOMPONENT FIXED-BED ION EXCHANGE IN THE TREATMENT OF SALINE WATER ...Desalination, Ion Exchange-other, Phase Relationship, Reaction-general, ...3.0082

MINERAL RECOVERY FROM CONCENTRATED BRINES ...Brines, Chloride, Desalination, Great Salt Lake, Magnesium, Potassium, ...5.1198

ELECTROLYTIC REGENERATION OF ION EXCHANGE RESINS ...Brackish Water, Desalination, Ion Exchange-other, Pilot Plant, ...3.0327

RECOVERY OF METAL SALTS FROM CONCENTRATED BRINES BY CHELATE CONTRACT NO. 14-01-0001-1692 ...Chelating Agents, Cost Analysis, Ion Exchange-other, Material Recovery, Potable, ...5.0142

ELECTROCHEMICAL DEMINERALIZATION OF BRACKISH WATER ...Demineralization, Desalination, Electrochemistry-other, Electrode, Ion Exchange-other, ...3.0039

HYDROFORMING REVERSE OSMOSIS MEMBRANES AND A DESALTING MODULE BASED ON THE HYDROFORMING PROCESS ...Desalination, Membranes-other, Natural Occurring, Reverse Osmosis, ...3.0268

REVERSE OSMOSIS MEMBRANE REGENERATION ...Cost Analysis, Membranes-other, Reverse Osmosis, ...3.0054

AN EXPERIMENTAL INVESTIGATION OF CELLULOSE ACETATE MEMBRANE REGENERATION ...Cellulose Acetate, Fluid Flow-other, Other, Surface-other, ...3.0324

CONTINUOUS COUNTERCURRENT EXCHANGE SYSTEM FOR REMOVAL OF CALCIUM, MAGNESIUM AND DISSOLVED OXYGEN FROM FEED WATER ...Desalination, Evaporation, Ion Exchange-other, Other, Precipitation, ...3.0437

TREATMENT OF MUNICIPAL SECONDARY EFFLUENT BY GRANULAR ACTIVATED CARBON ...Activated Carbon, Chemical Oxygen Demand, Flow Regulations, Organic Wastes, Waste Treatment-economics, ...5.0133

BIOLOGICAL REMOVAL OF THE NITRATE ION ON BEDS OF ACTIVATED CARBON OR SAN ...Activated Carbon, Denitrification, Microbial-bacterial, Packed Bed, Sand, ...5.0132

TREATMENT RECOVERY, AND REUSE OF COPPER WIRE MILL PICKLING WASTES ...Copper, Electrochemistry-other, Electrolytic Processes, Material Recovery Wastes, Metal Pickling Wastes, ...5.0722

A COLOR REMOVAL AND FIBROUS SLUDGE DISPOSAL PROCESS FOR THE KRAFT PAPER INDUSTRY ...Color,

Disposal, Lime Treatment, Pulp and Paper Wastes, Waste Treatment-economics, ...5.0455

SULFIDE TREATMENT OF ACID MINE DRAINAGE ...Acid Mine Wastes, Mining Activities, Sludge-general, Sulfide, Waste Treatment-economics, ...5.1004

ALUMINA COLUMNS FOR THE SELECTIVE REMOVAL OF PHOSPHORUS FROM WASTEWATERS AND THE ULTIMATE DISPOSAL OF PHOSPHORUS AS CALCIUM PHOSPHATE ...Aluminum, Material Recovery Wastes, Phosphate, Phosphite, Process Design, Selective-removal, ...5.1243

HETEROGENEOUS OXIDATION OF POLLUTANTS IN WATER ...Chemical Treatment-other, Element, Heterogeneous Catalysis, Organic Matter, Oxidants, ...5.0789

DISSOLVED INORGANIC REMOVAL--SELECTIVE ION AND ORGANIC REMOVAL BY ION EXCHANGE RESINS ...Activated Carbon, Demineralization, Ion Exchange-other, Pollutant-other, Waste Treatment-economics, ...5.0849

EXPLORATORY STUDIES ON SIMPLIFYING DISPOSAL OF FOOD PROCESSING WASTES ...Activated Carbon, Canning Wastes, Electrodialysis, Ion Exchange-other, Other, Reverse Osmosis, ...5.0057

Thermal

USE OF GRANULAR ACTIVATED CARBON IN TREATMENT OF WASTE WATERS ...Activated Carbon, Carbon, Organics, Ultraviolet, ...5.0856

Regional Areas

THE DEVELOPMENT OF WATER RESOURCES IN CALIFORNIA IN RELATIONSHIP TO PLANS AND PROGRAMS FOR WESTERN REGIONAL WATER DEVELOPMENT ...California, Planning, Social Aspects, Water Resources Development, Water Transfer, ...6.0063

MODEL WATER USE ACT FOR THE STATE OF FLORIDA WITH COMMENTS ...Administrative Structures, Legal Review, Riparian Rights, State Government, Water Allocation, ...6.0151

INSTITUTIONAL DESIGN FOR WATER QUALITY MANAGEMENT - A CASE STUDY OF THE WISCONSIN RIVER BASIN ...Administrative Structures, Alternative Planning, Economics-general, Water Law-general, Water Quality-general, ...5.1306

INSTITUTIONAL PATTERNS FOR EVOLVING REGIONAL PROGRAMS FOR WATER RESOURCE MANAGEMENT ...Administrative Structures, Conflicts, Planning, Water Resources Development, ...6.0284

A METHODOLOGY FOR PLANNING OPTIMAL REGIONAL WASTE MANAGEMENT SYSTEMS ...Effluents-waste Water, Management, Model Studies, Optimization, Waste Water Treatment-general, ...6.0280

A GENERALIZED, PROBABILISTIC APPROACH TO REGIONAL WATER SUPPLY ASSESSMENT ...Available Water, Confidence Intervals, Model Studies, Patterns, Runoff, ...6.0059

REGIONAL EVALUATION OF WATER, A DYNAMIC INTERREGIONAL INPUT-OUTPUT PROGRAMMING MODEL OF CALIFORNIA AND THE WESTERN STATES WATER ECONOMY ...Economics, Economics-general, Input - Output Analysis, Model Studies, ...6.0045

ECONOMICS OF WATER QUALITY FOR A REGIONAL SYSTEM ...Delaware River, Economic Efficiency, Estuaries, Finance, Water Demand, Water Quality-general, ...6.0465

A MATHEMATICAL MODEL FOR REGIONAL TREATMENT OF WATER POLLUTION SYSTEMS ...Estuaries, Mathematical Analysis, Public Utilities, Public Works, Sewerage Systems-other, Value Analysis, ...5.0114

SYSTEMS METHODOLOGY FOR WATER-RESOURCE PLANNING IN A REGIONAL DEVELOPMENT CONTEXT ...Economics-general, Mathematical Analysis, Social Aspects, Systems Analysis, Water Resources Development, ...6.0288

A REGIONAL STUDY OF THE CHANGING OCCUPANCY AND DEVELOPMENT OF AN ALLUVIAL LOWLAND ...Alluvial Deposits, Land Use, Management, Mississippi, Model Studies, ...7.0031

SOUTHERN ILLINOIS REGIONAL ECONOMIC DATA SYSTEM ...Data Networks, Economics-general, Illinois, Impact, Industrial-general, ...7.0030

PROJECTING THE DEMAND FOR AND SUPPLY OF WATER ...Model Studies, Projections and Estimations, River Basins, Water Demand, Water Quality Control-general, Water Supply-general, ...6.0357

Regional Areas

- FLOODS IN THE WAIHOLE-WAIKANE AREA, OAHU, HAWAII ...Floodproofing, Floods, Hawaii, Mapping, Peak Flow, ...4.0085
- ROLE OF WATER IN THE PATTERN OF REGIONAL ECONOMIC DEVELOPMENT ...Economics-general, Income, Location, New England Province, Water Resources Development, ...6.0602

Regional United States

Appalachia

- HYDROLOGIC INFLUENCES OF STRIP MINING, BEAVER CREEK, KENTUCKY ...Coal-general, Hydrology-general, Mining Activities, Pollution - Effects of, Strip Mines, ...5.0890
- QUANTITY, QUALITY, AND TIMING OF WATER YIELDS IN THE SOUTHERN APPALACHIANS-PIEDMONT ...Evapotranspiration, Forest Watersheds, Heat Budget, Piedmont Province, Water Yield, ...3.0374

Central

- AN APPRAISAL OF FLOOD REGULATIONS IN THE STATES OF ILLINOIS, INDIANA, IOWA, MISSOURI AND OHIO ...Alternative Planning, Floodplains, Floodproofing, Management, Water Rights-other, ...6.0209

Eastern

- BASIC RESEARCH IN GEOMORPHOLOGY AND HYDROLOGY ...Control Factors-general, Discharge-general, Meanders, Outwash Plains, Wisconsin, ...2.0272
- WATERSHED CORRELATION AND SYNTHESIS ...Flow Characteristics -water, Forest Watersheds, Land Use, Management, Water Yield, ...3.0420
- LEGAL ASPECTS OF WATER RIGHTS IN THE EAST ...Appropriation, International, Interstate, Legal Review, Water Rights-general, ...6.0130
- LEGAL ASPECTS OF WATER RIGHTS IN THE EAST ...Administrative Structures, Contracts-permits, Legal Review, Water Law-general, Water Rights-general, ...6.0131
- LEGAL ASPECTS OF WATER RIGHTS IN THE EAST ...Appropriation, Contracts-permits, Eminent Domain, Legal Review, ...6.0132
- CIRCULATION ON THE CONTINENTAL SHELF ...Atlantic Ocean-north, Circulation General, Continental Shelf, Water Motion Recorders, ...2.0624

North Central

- ECONOMICS AND LEGAL FACTORS IN PROVIDING, USING AND MANAGING WATER RESOURCES IN AGRICULTURE ...Conflicts, Illinois, Interstate, Legal Review, Water Demand, ...6.0211
- ECONOMIC AND LEGAL FACTORS IN PROVIDING, USING, AND MANAGING WATER RESOURCES IN AGRICULTURE ...Agriculture, Irrigation-general, Legal Review, Management, Optimization, ...6.0323
- BOG AND SWAMP HYDROLOGY ...Forest Watersheds, High Organic Soils, Management, Soils and Fertilizer, Water Yield, ...3.0294
- IRRIGATION TRENDS AND POTENTIALS IN THE NORTH CENTRAL STATES ...Economic Efficiency, Irrigation-general, Legal Review, Water Demand, Water Rights-general, ...6.0645

Northeast

- A STUDY OF TECHNOLOGIES FOR REDUCING WINTER WEATHER COSTS ...Alaska, Benefit-cost Analysis, Forecasting-prediction, Great Lakes-general, Meteorological Extremes, ...2.0256
- APPLICATION OF CLIMATOLOGY TO NEW JERSEY AGRICULTURE ...Agricultural Studies -general, Climate-general, Phenology, ...2.0762
- AGRICULTURAL CLIMATOLOGY OF WEST VIRGINIA ...Applied Climatology, Climate, Other Water Conditions, Phenology, ...2.1142
- THE IMPACT OF THE NORTHEASTERN DROUGHT ON THE PLANNING AND PROVISION OF MUNICIPAL WATER SUPPLIES ...Administrative Structures, Alternative Planning, Economic Impact, Meteorological Extremes, Water Supply-general, ...4.0136
- THE RELATION OF RAIN, SNOW, AND FROZEN SOILS TO THE HYDROLOGY OF AGRICULTURAL WATERSHEDS

SUBJECT INDEX

- ...Agricultural Watersheds, Patterns, Permafrost-frozen, Topographic Influences, ...2.0919

IRRIGATION PRACTICES AND FACTORS AFFECTING THE WATER REQUIREMENT OF CROPS IN DIFFERENT LAND RESOURCE AREAS OF THE NORTHEAST ...Consumptive Use, Evapotranspiration, Irrigation-general, Requirements for Water, Soil-water-plant Relationships, ...3.0257

DETERMINATION AND EVALUATION OF FACTORS AFFECTING WATER RUNOFF AND EROSION IN THE DIFFERENT LAND RESOURCE AREAS OF THE NORTHEAST ...Conservation, Erosion-general, Management, Runoff, Seedbed Preparation, ...5.0489

South Central

BEDDING AND INFILTRATION STUDIES OF SANITARY SEWERS IN THE GULF COAST AREA ...Appurtenances, Infiltration - Percolation, Layered System, Pipe-laying, ...5.0461

GEOLOGIC STRUCTURE AND FRESH GROUND WATER IN GULF COASTAL PLAIN ...Aquifers-general, Flow Characteristics -water, Geologic Maps, Regional Structure, ...2.0536

Southeast

METHODS FOR CONTROLLING ALLIGATORWEED AND OTHER WEEDS IN CANALS, WATERWAYS, AND ADJACENT WATERS IN THE SOUTHEASTERN U. S. ...Canals, Evaluation, Herbicides -non-specific, Integrated Biological Control, of Aquatic Plants, ...8.0210

A METHOD OF DETERMINING AND MAPPING THE HYDROLOGIC RESPONSE OF UNGAGED WATERSHEDS IN THE SOUTHEAST ...Atlases-maps, Hydrology-general, Land Use, Morphology-general, Small Watersheds, ...7.0025

WATER LAW OF SOUTHEASTERN ESTUARIES ...Conflicts, Estuaries, State Government, Water Law-general, ...6.0163

A GEOGRAPHIC ANALYSIS OF THE HYDROLOGIC RESPONSE IN THE SOUTHEASTERN UNITED STATES ...Atlases-maps, Drainage, Land Use, Patterns, ...2.0346

SOD AND STUBBLE MULCH PLANTING - VEGETATION CONTROL ...Evaporation, Management, Runoff, Soil Erosion -non-specific, Stubble Mulching, ...2.0827

PHYSICAL, METEOROLOGICAL, AND HYDROLOGIC ASPECTS OF EVAPOTRANSPIRATION ...Biophysics & Molecular biology, Evapotranspiration, Forest Watersheds, Transpiration and Evap, Water Yield, ...2.0953

HYDROGEOLOGY OF ARTESIAN SYSTEMS AND LIMESTONE TERRANES ...Artesian Flow, Carbonate Aquifers, Clastic Aquifers, Coastal Plain, Water Supply-general, ...2.0287

COLLECTION AND APPLICATION OF INFORMATION ON THE USE OF FOREST RECREATION FACILITIES AND RELATED RESOURCES ...Access, Methods, Recreation Areas and Parks, Standards, Types of Resources, ...6.0399

Southern

OPERATIONAL HYDROMETEOROLOGICAL DATA MANAGEMENT SYSTEM ...Data Processing Services, Economics-business-management, Information Retrieval Methods, Management-general, Other Data Analysis, Streams, System Development, ...7.0011

INTER-BASIN DIVERSION OF WATER - A TEXAS CASE STUDY ...Canada, Economic Impact, Fiscal, Price & Value, Water Transfer, ...4.0244

THE NATURE AND PROCESSES OF RESERVOIR SEDIMENTATION IN THE SOUTHERN BRANCH AND AT THE USDA SEDIMENTATION LABORATORY ...Agricultural Watersheds, General Deposition, Reservoirs and Impoundments, Sediment Yield, Silting, ...2.0676

RUNOFF PRODUCTION BY UNIT SOURCE AREA FOR AGRICULTURAL WATERSHEDS IN THE SOUTH ...Agricultural Watersheds, Conservation, Land Use, Precipitation -non-specific, Runoff, ...2.0335

IRRIGATION REQUIREMENTS, PRINCIPLES AND PRACTICES FOR EFFICIENT USE OF WATER IN THE PACIFIC NORTHWEST ...Evapotranspiration, Irrigation, Irrigation-general, Management, Physical Property Effects, ...3.0203

DRAINAGE REQUIREMENTS OF CROPS IN THE SOUTH ...Drainage, Growth Rate, Water Table - Depth of, ...3.0197

DESIGN, INSTALLATION, AND MAINTENANCE OF SURFACE AND SUBSURFACE DRAINAGE SYSTEMS WITH OR WITHOUT LANDFORMING AND CONDITIONING ...Drainage, Drainage Engineering, Erosion -other, Runoff, Tillage, Cropping Systems, ...4.0081

SUBJECT INDEX

Remote Sensing

THE EFFECT OF BRACKISH WATER ON PLANTS AND SOIL IN THE SOUTH ...Brackish Water, Irrigation, Saline and Alkaline Soils, Soil-water-plant Relationships, ...3.0192

SOIL AND WATER MANAGEMENT PRACTICES FOR THE CONTROL OR ALLEVIATION OF SALINE AND SODIC SOIL PROBLEMS IN THE PACIFIC NORTHWEST ...Irrigation-general, Management, Permeability, Saline Properties, Soil and Rock Leaching, ...3.0205

EROSION AND RUNOFF CONTROL PRACTICES AND SYSTEMS TO CONSERVE SOIL AND WATER RESOURCES IN THE PACIFIC NORTHWEST ...Conservation, Conservation-general, Design Flow-flood, Erosion-general, Runoff, ...4.0087

FUNDAMENTAL ASPECTS OF WATER EROSION IN THE PACIFIC NORTHWEST ...Erosion-general, Infiltration, Permafrost-frozen, Soil Erosion -non-specific, Synthetic Hydrology-general, ...2.0389

ECONOMICS OF IRRIGATION, DRAINAGE AND RELATED PROBLEMS IN THE NORTHWEST ...Benefit-cost Analysis, Drainage, Irrigation-general, Water Quality Control-general, Welfare Economics, ...6.0601

FREQUENCY DISTRIBUTION OF CHEMICAL POLLUTANTS IN SHELLFISH AND THE MARINE ENVIRONMENT ...Food, Organophosphorous Cpd., Oysters, Pollution - Effects of, Toxicological and Allergy, ...5.0021

Southwest

PROBABLE MAXIMUM PRECIPITATION FOR SOUTHWEST STATES ...Amount, Design Flow-flood, Floods, Patterns, Snowmelt, Weather Forecasting, ...2.0597

AQUATIC PLANTS OF POLLUTED WATERS IN S. W. UNITED STATES ...Aquatic Plants (non-specific), Habitat Studies, Plant Pollutants, Pollution Sources-general, Tables, Compilations, Catalogs, ...5.1184

LIMNOLOGICAL EFFECTS OF ORGANIC WATERSHED LITTER ...Flash Floods, Forest Debris, Lakes, Watersheds-general, ...5.0048

SPRINKLER IRRIGATION OF CITRUS UNDER SOUTHWESTERN CONDITIONS ...Citrus, Flood Irrigation, Irrigation, Sprinkler Irrigation, Trees, ...2.0052

SEISMIC EVALUATION OF PERMEABILITY OF FRACTURE ZONES IN ROCK ...Aquifers-general, Joints-fractures, Permeability, Structure Location, Tunnels, Water Yield, ...3.0017

VEGETATION CHANGES IN SOUTHWESTERN NORTH AMERICA ...Arid and Desert, Climate, Deserts, Arid Lands, Other Water Conditions, Soil-water-plant Relationships, ...2.0045

FLOOD AND SEDIMENT REDUCTION IN STEEP UNSTABLE BRUSHLANDS OF THE SOUTHWEST ...Erosion-general, Floodproofing, Floods, Sediment Yield, ...4.0034

WATER YIELD IMPROVEMENT IN THE BRUSHLANDS OF THE SOUTHWEST ...Consumptive Use, Internal Water Movement, Soil-water-plant Relationships, Unsaturated Flow, Water Yield, ...3.0062

WATER YIELD IMPROVEMENT FROM RIPARIAN AND UPLAND AREA OF RIVER BASINS ...Evapotranspiration, Management, Phreatophytes, Riparian Plants, River Basins, Sediment Yield, ...4.0006

PRECIPITATION PATTERNS ON RANGELAND WATERSHEDS IN THE SOUTHWEST ...Climatology, Forecasting, Patterns, Runoff, Sediment Yield, ...2.0040

GROUND WATER IN RELATION TO USE AND MANAGEMENT OF RANGELAND WATERSHEDS IN THE SOUTHWEST ...Agricultural Watersheds, Groundwater, Natural Recharge, Projections and Estimations, Runoff, ...3.0007

Western

PREPARATION AND ANALYSIS OF CLIMATOLOGICAL DATA IMPORTANT TO AGRICULTURE AND FORESTRY ...Applied Climatology, Atmospheric Pollution-general, Patterns, Precipitation -non-specific, Stochastic Processes, ...4.0199

THE EFFECTS OF FLUORIDES IN AIR, WATER AND SOIL ON GROWTH, QUALITY AND YIELDS OF TREE, FIELD AND VEGETABLE CROPS ...Contamination, Pollution-water, Fluorine, Growth Rate, Irrigation, Mineral Nutrition, ...3.0088

PRECIPITATION-FREQUENCY MAPS FOR WESTERN UNITED STATES ...Climate, Geomorphology, Patterns, Weather Charts-maps, ...7.0052

NUMERICAL PRECIPITATION MODEL ...Computers-general, Forecasting, Model Studies, Simulation Theory, ...2.0588

LEGAL ASPECTS OF WATER RIGHTS IN THE WEST ...Legal Review, Water Rights-general, Water Sources -general, ...6.0040

Remote Areas

TELEMETERING OF HYDROLOGIC DATA FROM REMOTE AREAS ...Automatic Data Acquisition, Data Transmission Systems, Mountains-alpine, Other Telemetry, Technique Development, ...7.0026

REMOTE SENSING, EVERGLADES AREA, FLORIDA ...Computers-general, Florida, Swamps-marshes, Visible Light, Water Properties-general, ...2.0329

Remote Sensing

REMOTE ELECTRO-MAGNETIC SENSORS FOR DETECTING TRANSPIRATIONAL WATER USE BY PLANTS SUBJECTED TO VARIOUS FOLIAR CHEMICAL TREATMENTS ...Antitranspirants, E M Radiation-general, Heat Flow, Moisture Tension, Transpiration, ...2.1069

SPECTRAL RECONNAISSANCE FOR DIAGNOSIS OF SOIL AND WATER MANAGEMENT PROBLEMS ...Field, Management, Reflectance, Soil Management -non-specific, Soil-water-plant Relationships, Spectral Reflectance, ...3.0465

Aircraft

HYDROLOGY PROGRAM ADMINISTRATION AND SUPPORT ...Aerial, E M Radiation-general, Hydrology-general, Satellites, Water Resources - General, ...6.0141

WATER QUALITY, STUDIES AND AERIAL MEASUREMENTS ...Biological-general, Chemical-general, Lasers-masers, Pollutants-general, Remote Sensing-general, ...6.0145

SURFACE TEMPERATURE STUDIES USING RADIOMETRY TECHNIQUES ...Heat and Radiation Transfer, Infrared Radiation, Microwave Radiation, Surface Environments, Temperature, ...6.0270

OCEANOGRAPHIC USES OF RADAR ...Electronics - Applied, Radar, Surface Environments, Waves, Wind-water Interaction, ...6.0273

OIL SLICK ANALYSES ...Instrumental Services, Oil, Optical Devices, Satellites, Transducers, ...6.0275

DOUBTFUL HYDROGRAPHIC DATA ...Data Analysis - General, Hydrology-general, Satellites, Technique Development, ...6.0278

COORDINATION AND LIAISON AT MANNED SPACECRAFT CENTER, HOUSTON ...Aeromagnetic, Geography-physical, Hydrology-general, Infrared Radiation, Ultra - Violet Radiation, ...6.0146

AIRBORNE RADIOMETRIC SNOW SURVEY ...Composition, Gamma Radiation, Non-electrical Measurements, Radioisotopes, Snowmelt, ...7.0071

BASIC HYDROLOGIC RESEARCH IN SELECTED AREAS IN SOUTH DAKOTA ...Aquifers-general, Geophysical Analysis, Reconnaissance, South Dakota, Water Sources -general, ...2.0976

REMOTE SENSING, GULF COASTAL AREA, CENTRAL FLORIDA ...Aquifers-general, Fresh Water, Saline Water Systems, Temperature, Tides, ...2.0327

REMOTE SENSING OF DELAWARE ESTUARY ...Delaware, Estuaries, Pollutants-general, ...2.0909

Automatic Stations

DEVELOP PROTOTYPE PRECIPITATION OCCURRENCE SENSOR - DEVELOP AMOS III-70 (AUTOMATIC WEATHER STATION) ...Automatic Data Acquisition, Precipitation Instruments, Precipitation-other, Technique Development, ...7.0053

TEST AND EVALUATION OF TELEMETERING STORAGE PRECIPITATION GAGE ...Amount, Automatic Data Acquisition, Gages, Technique Development, ...7.0048

IMPROVE PRECIPITATION MEASURING EQUIPMENT - D-III PRECIPITATION EQUIPMENT ...Amount, Automatic Data Acquisition, Gages, Technique Development, ...2.0591

E M Radiation-general

HYDROLOGY PROGRAM ADMINISTRATION AND SUPPORT ...Aerial, Aircraft, Hydrology-general, Satellites, Water Resources - General, ...6.0141

REMOTE ELECTRO-MAGNETIC SENSORS FOR DETECTING TRANSPIRATIONAL WATER USE BY PLANTS SUBJECTED TO VARIOUS FOLIAR CHEMICAL TREATMENTS ...Antitranspirants, Heat Flow, Moisture Tension, Remote Sensing, Transpiration, ...2.1069

Gamma Radiation

AIRBORNE RADIOMETRIC SNOW SURVEY ...Aircraft, Composition, Non-electrical Measurements, Radioisotopes, Snowmelt, ...7.0071

Remote Sensing

SUBJECT INDEX

Infrared Radiation

- MARINE OIL-WATER MONITORING INSTRUMENTATION SYSTEM SUBGROUP V ...Detectors, Industrial Waste-other, Infrared, Instrumental Services, Oil, Oil - Technological Testing, ...5.0336
- HYDROLOGIC ANALYSIS OF LAKE SYSTEMS AND OF GLACIERS ...Climate, Glaciology-general, Lakes, Snowpack, Water Balance-budget, ...6.0142
- ESTUARIES AND SHORE STUDIES AND WATER SURFACE INVESTIGATIONS ...Continental Shelf, Effluents-waste Water, Evaporation, Shoreline - Coastline, Thermal Pollution, Visible Light, ...6.0143
- SURFACE TEMPERATURE STUDIES USING RADIOMETRY TECHNIQUES ...Aircraft, Heat and Radiation Transfer, Microwave Radiation, Surface Environments, Temperature, ...6.0270
- COORDINATION AND LIAISON AT MANNED SPACECRAFT CENTER, HOUSTON ...Aeromagnetic, Aircraft, Geography-physical, Hydrology-general, Ultra - Violet Radiation, ...6.0146
- INFRARED IMAGER STUDIES ...Detectors, Geophysical Equipment, Image Amp, Instrumental Services, Mineralogy, ...6.0299
- HYDROLOGICAL DATA ACQUISITION THROUGH REMOTE RECONNAISSANCE SYSTEMS ...Aerial, Data Acquisition-other, Hydrology-general, Mapping, Moisture Content, Reflectance, ...7.0075
- USE OF INFRARED AND OTHER RADIATION TECHNIQUES TO EVALUATE DROUGHT IN IOWA AND ADJACENT AREAS ...Drought, Iowa, Photography-other, Spectral Reflectance, ...2.0483
- MEASUREMENT OF WATER VAPOR FLUX ABOVE A LAKE SURFACE BY MEANS OF OPTICAL TECHNIQUES ...Absorption Spectra, Humidity Instruments, Infrared, Optical Systems, Water, ...2.0811
- AERIAL MEASUREMENT OF HYDROLOGIC PHENOMENA ...Aerial, Data Acquisition-general, Geophysical Analysis, Humidity Instruments, Hydrology-general, ...7.0003

Lasers-masers

- WATER QUALITY, STUDIES AND AERIAL MEASUREMENTS ...Aircraft, Biological-general, Chemical-general, Pollutants-general, Remote Sensing-general, ...6.0145
- THEORETICAL AND EXPERIMENTAL STUDIES OF TURBULENCE AND MIXING NEAR ROUGH SURFACES ...Fluid Mixing, Meters, Turbulent, ...3.0459
- WAVE RECORDING AND ANALYSIS ...Pressure, Radar, Sonar, Statistics-general, System Development, Water Motion Recorders, Waves, ...2.0262

Microwave Radiation

- SURFACE TEMPERATURE STUDIES USING RADIOMETRY TECHNIQUES ...Aircraft, Heat and Radiation Transfer, Infrared Radiation, Surface Environments, Temperature, ...6.0270

Radar

- OCEANOGRAPHIC USES OF RADAR ...Aircraft, Electronics - Applied, Surface Environment, Waves, Wind-water Interaction, ...6.0273
- RADAR DATA ACQUISITION OVER OCEANOGRAPHIC TEST SITES ...Data Acquisition Systems, Electronics - Applied, Icebergs, Optical, Surface Environments, Waves, ...6.0274
- STUDIES ON THE GEOSCIENCE VALUE OF RADAR IMAGERY ...Bibliography, Mapping, Mountains-alpine, Photogrammetry, River Basins, ...8.0199
- WAVE RECORDING AND ANALYSIS ...Lasers-masers, Pressure, Sonar, Statistics-general, System Development, Water Motion Recorders, Waves, ...2.0262

Remote Sensing -other

- REMOTE SENSING OF ESTUARINE WATER AND VEGETATION, MARYLAND ...Aerial, Bioindicators, Chemical-general, Estuaries, Physical-general, ...2.0268
- INVESTIGATION EVALUATION AND DESIGN OF OPEN AND CLOSED CONDUIT SYSTEMS AS IT RELATES CONVEYANCE AND DISTRIBUTION SYSTEMS ...Conduit, Hydraulic Equipment, Irrigation Engineering, Irrigation-general, Water Distribution Systems, Water Transfer, ...8.0169

Remote Sensing-general

- WATER QUALITY, STUDIES AND AERIAL MEASUREMENTS ...Aircraft, Biological-general, Chemical-general, Lasers-masers, Pollutants-general, ...6.0145

- WATER EXPLORATION AND MAPPING ...Geological Exploration, Mapping, Water Resources Development, ...6.0144

- URBAN AND METROPOLITAN STUDIES ...Aerial, Geography-physical, Planning, Urban, Urban Environments, ...6.0139

Satellites

- GEO THERMAL INVESTIGATIONS - YELLOWSTONE PARK ...Gravity Surveys, Hot Springs, Magnetic Surveys, Seismic Surveys, Terrain Analysis, Yellowstone Plateau, ...6.0147
- HYDROLOGY PROGRAM ADMINISTRATION AND SUPPORT ...Aerial, Aircraft, E M Radiation-general, Hydrology-general, Water Resources - General, ...6.0141
- OIL SLICK ANALYSES ...Aircraft, Instrumental Services, Oil, Optical Devices, Transducers, ...6.0275
- DEPTH CONTOURING BY COLOR SEPARATION ...Bathymetry, Electronics - Applied, Marine Photography-television, Optical, Photogrammetry, ...6.0276
- SATELLITE SEA ICE STUDIES ...Arctic, Sea Ice, ...6.0277
- CARTOGRAPHIC MAPPING ...Aerial, Aerial, Compilation, Resource Inventories, Topographic, ...6.0140
- DOUBTFUL HYDROGRAPHIC DATA ...Aircraft, Data Analysis - General, Hydrology-general, Technique Development, ...6.0278
- COORDINATION OF ESTUARINE REMOTE SENSING IN ATLANTIC COAST REGION ...Aerial, Atlantic Ocean-general, Estuaries, ...2.0910

Spectral Reflectance

- USE OF INFRARED AND OTHER RADIATION TECHNIQUES TO EVALUATE DROUGHT IN IOWA AND ADJACENT AREAS ...Drought, Infrared Radiation, Iowa, Photography-other, ...2.0483
- SPECTRAL RECONNAISSANCE FOR DIAGNOSIS OF SOIL AND WATER MANAGEMENT PROBLEMS ...Field, Management, Reflectance, Remote Sensing, Soil Management -non-specific, Soil-water-plant Relationships, ...3.0465

Ultra - Violet Radiation

- COORDINATION AND LIAISON AT MANNED SPACECRAFT CENTER, HOUSTON ...Aeromagnetic, Aircraft, Geography-physical, Hydrology-general, Infrared Radiation, ...6.0146

Ultrasonics

- RESEARCH IN SEDIMENT SAMPLING EQUIPMENT ...Bed Load, Bottom Sampling, Instrumentation-general, Suspension, Turbidity, ...7.0059

Visible Light

- ESTUARIES AND SHORE STUDIES AND WATER SURFACE INVESTIGATIONS ...Continental Shelf, Effluents-waste Water, Evaporation, Infrared Radiation, Shoreline - Coastline, Thermal Pollution, ...6.0143
- REMOTE SENSING, EVERGLADES AREA, FLORIDA ...Computers-general, Florida, Remote Areas, Swamps-marshes, Water Properties-general, ...2.0329

Reproduction

Gametes

Male Gametes

- BIOCHEMISTRY OF FISH SEMEN ...Cutthroat Trout, Endrin, Fertility, Mode of Action -animal, ...5.0627
- EFFECTS OF ENDRIN & MALATHION ON GONADAL HYDRATION RESPONSE OF MALE GOLDFISH & RAINBOW TROUT. PESTICIDE EFFECTS ON FISH ENDOCRINE FUNCTION ...Endrin, Goldfish, Malathion, Mode of Action -animal, Pesticides, Rainbow Trout, Steelhead Trout, ...5.0634

Oviparous Reproduction

Incubation

- EFFECT OF INCUBATION TEMPERATURE ON SURVIVAL OF LARGEMOUTH BASS EMBRYOS ...Basic Embryology, Environmental Physiology, Largemouth Bass, Temperature, Warm Water, ...6.0387
- STATEWIDE FISHERIES RESEARCH ...Basses -sea,white, White Perch, Environmental Physiology, Low Temp. -but Above 32f, Maturity & Growth Stages, Temperature, ...5.0818

SUBJECT INDEX

Reservoirs and Impoundments

Reproduction Studies (general)

- RELATIONSHIPS BETWEEN SUB-LETHAL PESTICIDES AND REPRODUCTION AND BEHAVIOR OF FISHES ...Behavior - animal, DDT, Killifishs - Cyprinodon, Pesticides -non-specific, Wildlife, ...5.0292
- OBSERVATIONS ON RED SALMON IN THE KVICHAK RIVER SYSTEM ...Alaska, Aquatic Ecology, Population Dynamics, Salmon -coho, chinook, sockeye..., Streams, ...6.0628
- FLATHEAD CATFISH STUDY ...Aquatic Ecology, Behavior - animal, Food Supply, Growth Rate, Ictaluridae -other, Texas, ...6.0539

- HIGH ANALYSIS FERTILIZER INVESTIGATIONS - FISHERIES ...Fertilizers -aquatic, Fish -non-specific, Productivity (agricultural), Tennessee, ...6.0535
- HYDROLOGIC SIMULATION - DAILY STREAMFLOW ...Antecedent Moisture, Design Flow-flood, Floods, Forecasting-prediction, Hydrology-general, ...6.0073
- RESERVOIR SYSTEM ANALYSIS FOR LOW-FLOW REGULATION ...Computers-general, Low Flow, Management, Optimization, Systems Analysis, ...2.0151
- OPTIMIZATION TECHNIQUES FOR HYDROLOGIC ENGINEERING ...Floods, Hydrographs, Hydrology-general, Optimization, Reservoirs, Routing, ...6.0075
- GENERALIZED HYDROLOGIC DESIGN CRITERIA ...Amount, Hydrology-general, Technique Development, Water Resources Development, ...6.0079
- EVALUATION OF PHYSICAL AND ECONOMIC EFFECTS OF IMPOUNDMENTS AND RELEASES ON UPSTREAM AND DOWNSTREAM WATER QUALITY ...Benefit-cost Analysis, Productivity - Food Chain, Storage of Water, Stratification, Water Quality Control-general, ...6.0128
- RESERVOIR WATER QUALITY INVESTIGATION ...Forecasting-prediction, Operations Research, Planning, Storage of Water, Water Quality Control-general, ...5.0237
- RESERVOIR DESTRATIFICATION BY DIFFUSED AIR PUMPING FOR WATER QUALITY IMPROVEMENT ...Aeration, Destratification, Hardness-minerals, Ions and Gases, Stratification, Temperature, ...5.0309
- EVAPORATION FROM LAKES AND RESERVOIRS ...Evaporation, Evapotranspiration, Heat Budget, Lakes, Water Balance-budget, ...2.0187
- HYDROLOGY OF HUNGRY HORSE RESERVOIR, MONTANA ...Flow Characteristics -water, Forecasting-prediction, Hydrology-general, Multiple-purpose Projects, Total Volume, ...2.0705
- SOURCES, MOVEMENT, AND DISTRIBUTION OF SEDIMENT IN A SMALL WATER SHED ...Floodplains, Sediment Yield, Small Watersheds, Supply Rate, Transport Distance, ...2.0568
- EVAPORATION LOSSES FROM LAKES IN INDIANA ...Evaporation, Indiana, Lakes, Water Balance-budget, ...2.0454
- HYDROLOGY OF CACHUMA RESERVOIR ...Aeration, Destratification, Phytoplankton, Stratification, ...5.0118
- CHANNEL CAPACITY IN STONY CREEK NEAR ORLAND, CALIFORNIA ...California, Channels, Design Flow-flood, Peak Flow, Water Transfer, ...2.0122

Reservoirs and Impoundments

SUBJECT INDEX

HYDROLOGY OF CONSOLIDATED ROCK AQUIFERS NEAR PENNINGTON, NEW JERSEY ...Aquifers-general, Circulation - water, New Jersey, Permeability, Recharge -general, ...2.0767

HYDROLOGIC EFFECTS OF SMALL RESERVOIR ON NEDERLO CREEK, WISCONSIN ...Discharge-general, Hydrology-general, Runoff, Water Cycle, Wisconsin, ...2.1148

RESERVOIR AND RIVER OPERATION PROCEDURES ...Available Water, Management, Model Studies, Optimization, River Basins, ...6.0095

FIELD INVESTIGATION OF THE SUBMERSED AQUATIC ENVIRONMENT ...Aquatic Ecology, Canals, Irrigation-general, Plant Pollutants, Submerged Plants, Weeds -phenological Studies, ...3.0125

ATMOSPHERIC WATER RESOURCES PROGRAM ...Augmentation-general, Clouds-precipitation, Modification, Technique Development, Water Quantity-general, ...2.0163

TECHNIQUES FOR USE OF RADIOISOTOPES IN TRACING RESERVOIR LEAKAGE ...Aquifers-general, Faults, Foundations-general, Leakage, Radioisotopes, ...7.0017

QUALITY OF WATER AS AFFECTED BY STRATIFIED FLOW (RESERVOIRS) ...Ions and Gases, Model Studies, Stratification, Stratified Flow, Turbidity, ...5.0185

RADIO METHODS FOR DETERMINING WATER VAPOR CONTENT OF AIR ...Evaporation, Heat Budget, Humidity, Humidity Instruments, Oklahoma, Transmission Characteristics, Velocity, Water Loss Control, ...3.0114

LARGE IMPOUNDMENTS ...Arid and Desert, Eutrophication, Nevada, Water Properties-general, Water Quality-general, ...5.0184

SMALL IMPOUNDMENTS ...Computers-general, Destratification, Flow Augmentation, Water Quality-general, ...5.0189

SEDIMENT PROCEDURES DEVELOPMENT AND RESERVOIR SEDIMENTATION ...Channels, Engineering Structures-general, Sediment Transport-other, Sediment Yield, Sedimentology-general, ...6.0089

HYDROGEOLOGIC INVESTIGATION TECHNIQUES ...Leakage, Projections and Estimations, Technique Development, Water Demand, Water Loss Control, ...8.0058

ECONOMIC ANALYSIS OF RESOURCE AREAS ...Colorado, Economic Impact, Recreation Sites, Social Aspects, ...6.0097

EUTROPHICATION RESEARCH AMERICAN FALLS RESERVOIR STUDY ...Chemical Analysis (water), Eutrophication, Idaho, Nutrients, Water Quality Control-general, ...5.0317

COLLECTION AND COLLATION OF AVAILABLE BIOLOGICAL, PHYSICAL AND CHEMICAL DATA ON U. S. RESERVOIRS ...Document and Literature Center, Fish -non-specific, Productivity - Food Chain, River Basins, Survey Studies, ...6.0020

FISH POPULATION OR ABUNDANCE STUDIES IN LEWIS AND CLARK LAKE ...Aquatic Ecology, Fish -non-specific, Habitat Studies, Population Dynamics, South Dakota, ...6.0529

RELATIVE ABUNDANCE OF ADULT FISH IN LAKE FRANCIS CASE ...Maturity & Growth Stages, Number Or Density, South Dakota, ...6.0504

YOUNG-OF-THE-YEAR FISH IN LAKE FRANCIS CASE ...Age, Fish -non-specific, Nets, South Dakota, Water Environment - other, ...6.0505

DISTRIBUTION AND RELATIVE ABUNDANCE OR POPULATION OF YOUNG FISHES IN LAKE SHARPE RESERVOIR ...Aquatic Ecology, Fish -non-specific, Population Dynamics, South Dakota, Vertical Distribution, ...6.0500

ABUNDANCE AND COMPOSITION OF ADULT FISH STOCK IN LAKE SHARPE ...Aquatic Ecology, Fish -non-specific, Number Or Density, Population Dynamics, South Dakota, ...6.0501

VITAL STATISTICS OF NORTHERN PIKE IN LAKE SHARPE ...Growth Rate, Mortality Rates, Pikes, Pickeral, Muskellunge, Population Dynamics, South Dakota, ...6.0502

VITAL STATISTICS OF WALLEYE IN LAKE SHARPE ...Growth Rate, Mortality Rates, Population Dynamics, South Dakota, Walleyes, ...6.0503

LIMNOLOGICAL FEATURES LAKE SHARPE IN RELATION TO COLD-WATER FISHES ...Currents -water, Fish -non-specific, Low Temp. -but Above 32f, South Dakota, Temperature, ...6.0517

GROWTH AND MORTALITY RATES OF YOUNG YELLOW PERCH IN OAHE RESERVOIR ...Aquatic Ecology, Growth Rate, Mortality Rates, South Dakota, Yellow Perch, Darters, ...6.0498

ABUNDANCE OF YOUNG-OF-THE-YEAR FISHES IN OAHE RESERVOIR ...Age, Aquatic Ecology, Fish -non-specific, Population Dynamics, South Dakota, ...6.0499

EARLY LIFE HISTORY OF WALLEYE IN LAKE FRANCIS CASE ...Aquatic Ecology, Life History Studies, Maturity & Growth Stages, South Dakota, Walleyes, ...6.0506

SEXUAL MATURATION AND SPAWNING OF NORTHERN PIKE ...Biological Rhythms, Maturity & Growth Stages, Pikes, Pickeral, Muskellunge, South Dakota, Spawn Or Nesting Sites, ...6.0520

SPAWNING OF YELLOW PERCH ...Biological Rhythms, Ovary, South Dakota, Spawn Or Nesting Sites, Yellow Perch, Darters, ...6.0521

ENVIRONMENTAL FACTORS AND YOUNG NORTHERN PIKE SURVIVAL IN RESERVOIRS ...Aquatic Ecology, Environmental Physiology, Pikes, Pickeral, Muskellunge, Stocking of Fish & Shellfish, Temperature, ...6.0510

ENVIRONMENTAL FACTORS AND YOUNG YELLOW PERCH SURVIVAL IN RESERVOIRS ...Aquatic Ecology, Environmental Physiology, Stocking of Fish & Shellfish, Temperature, Yellow Perch, Darters, ...6.0511

ENVIRONMENTAL FACTORS AND YOUNG WHITE BASS SURVIVAL IN RESERVOIRS ...Basic Embryology, Basses - sea, white, White Perch, Captive Rearing, Environmental Physiology, ...6.0512

LIFE HISTORY OF CHANNEL CATFISH IN LEWIS AND CLARK LAKE ...Channel Catfish, Environmental Ecology, Life History Studies, Number Or Density, South Dakota, ...6.0530

EFFECTS OF ENVIRONMENTAL FACTORS ON STANDING CROP AND HARVEST OF FISHES IN U. S. RESERVOIRS ...Environmental Ecology, Environmental Effects-ecologic, Fish - non-specific, ...6.0021

PRIMARY PRODUCTIVITY IN LAKE FRANCIS CASE ...Bays, Benthic Fauna, Phytoplankton, Primary Productivity, Standing Crops, ...6.0524

BENTHOS IN LEWIS AND CLARK LAKE ...Aquatic Ecology, Bloodworms, Aquatic Midges, Mayflies, Number Or Density, South Dakota, ...6.0514

BENTHOS IN LAKE FRANCIS CASE ...Aquatic Ecology, Benthic Fauna, South Dakota, ...6.0515

PRIMARY PRODUCTION IN LEWIS AND CLARK LAKE ...Photosynthesis, Phytoplankton, Primary Productivity, South Dakota, ...6.0525

PLANKTON POPULATIONS IN LEWIS AND CLARK LAKE AND LAKE FRANCIS CASE ...Phytoplankton, Plankton Sampling, Zooplankton, ...6.0526

EXPLORATORY SAMPLING PROGRAM FOR YOUNG-OF-THE-YEAR FISH ...Age, Fish -non-specific, Nets, Population Dynamics, ...6.0022

POPULATION ESTIMATES FROM MIDWATER TRAWL SAMPLING ...Alewife, menhaden, shad, herring, Aquatic Ecology, Arkansas, Nets, Population Dynamics, ...6.0019

MOVEMENTS OF SPORT FISHES IN BEAVER RESERVOIR ...Arkansas, Basses -sea, white, White Perch, Fishery Development -other, Migration, Tags, ...6.0017

DEVELOPMENT OF IDENTIFICATION KEYS TO LARVAL, AND JUVENILE RESERVOIR FISHES ...Animal Taxonomy, Captive Rearing, Fish -non-specific, Maturity & Growth Stages, Photography-other, ...6.0018

SPOTTED BASS REPRODUCTION IN BULL SHOALS ...Arkansas, Biological Rhythms, Centrarchidae -other, Environmental Ecology, Reproduction Studies (general), ...6.0023

LIFE HISTORY OF LONGEAR SUNFISH ...Arkansas, Behavioral Ecology, Centrarchidae -other, Life History Studies, Scuba, ...6.0016

EARLY LIFE HISTORY STAGES OF OAHE AND BIG BEND RESERVOIR FISHES ...Animal Taxonomy, Aquatic Ecology, Life History Studies, Plankton Sampling, South Dakota, ...6.0522

LIFE HISTORY OF RESERVOIR FISHES, SPAWNING OF OAHE AND BIG BEND RESERVOIR FISHES ...Aquatic Ecology, Biological Rhythms, Life History Studies, South Dakota, Spawn Or Nesting Sites, ...6.0523

COOPERATIVE AGREEMENT FOR BEAVER RESERVOIR CREEL CENSUS STUDY ...Censusing, Fish -non-specific, Fishing, Number Or Density, Weight, ...4.0015

MORTALITY RATES AND RECRUITMENT ...Arkansas, Fish -non-specific, Growth Rate, Mortality Rates, Population Dynamics, ...4.0014

DESIGN AND CONSTRUCTION OF GEAR FOR MIDWATER TRAWLING ...Alewife, menhaden, shad, herring, Arkansas, Nets, Population Dynamics, ...4.0016

ESTIMATES OF COMPOSITION, ABUNDANCE AND FLUCTUATION IN FISH POPULATIONS IN BULL SHOALS AND BEAVER RESERVOIRS ...Aquatic Ecology, Arkansas, Fish -non-specific, Number Or Density, Population Dynamics, ...4.0017

SUBJECT INDEX

Reverse Osmosis

- LIFE HISTORY OF WHITE BASS IN LEWIS AND CLARK LAKE ...Aquatic Ecology, Basses -sea,white, White Perch, Life History Studies, South Dakota, ...6.0528
- LIFE HISTORY OF CYCLOPS BICUSPIDATUS ...Aquatic Ecology, Copepods, Life History Studies, Number Or Density, South Dakota, ...6.0527
- FISH POPULATION IN TAILWATER OF LEWIS AND CLARK LAKE ...Aquatic Ecology, Fish -non-specific, Population Dynamics, South Dakota, ...6.0531
- PHYSICAL, CHEMICAL, AND BIOLOGICAL LIMNOLOGY OF OAHE RESERVOIR ...Fish -non-specific, Physical Properties-general, Population Dynamics, South Dakota, Water Properties-general, ...6.0497
- PREDICTION OF ENVIRONMENT ...Biological-general, Columbia River, Environmental Ecology, Low Temp. -but Above 32f, Physical-general, Salmon & Trout - Non-specific, Snake River, Temperature, Thermal Pollution, ...6.0617
- HYDROLOGY OF HUNGRY HORSE RESERVOIR MONTANA ...Inflow, Low Flow, Montana, Water Balance-budget, ...2.0124
- EFFECT OF IMPOUNDMENTS ON WATER QUALITY ...Oklahoma, Optimization, Pre-impoundment Sites, Water Quality Control-general, Water Sampling, ...5.0904
- DYNAMICS OF RESERVOIR DESTRATIFICATION ...Aeration, Destratification, Diffuser, Oklahoma, Rotating Fluids, ...5.0911
- HYDROLOGIC ANALYSIS METHODS ...Floods, Forest Watersheds, Land Use, Sediment Yield, Snowmelt, ...2.0077
- THE NATURE AND PROCESSES OF RESERVOIR SEDIMENTATION IN THE SOUTHERN BRANCH AND AT THE USDA SEDIMENTATION LABORATORY ...Agricultural Watersheds, General Deposition, Sediment Yield, Silting, Southern, ...2.0676

- ORGANIC MATTER AND ITS ROLE IN WATER QUALITY ...Management, Organic Matter, Public Works, Urban Environments, Waste Water Treatment-general, ...5.0122

Resins

- NITRATE REMOVAL FROM THE AGRICULTURAL EFFLUENTS IN THE SAN LUIS DRAIN UTILIZING ION EXCHANGE RESINS ...Chemical Treatment-other, Ion Exchange-other, Nitrate, Nitrite, Runoff, Waste Treatment-economics, ...5.0182

Resonance Spectroscopy

Electron Spin

- INVESTIGATION OF THE INFLUENCE OF VALENCE STATES OF IRON AND MANGANESE UPON THE BIOTA OF THE HYPOLIMNION ...Biological-general, Chemical-general, Ions and Gases, Model Studies, Reservoirs and Impoundments, ...5.0298

Nuclear Magnetic

- STRUCTURE IN SOLVENTS AND CONCENTRATED SOLUTIONS ...Hydrogen, Infrared, Ion Exchange-other, Salt, Water, ...1.0035
- STUDIES OF THE PHYSICAL CHEMISTRY OF ELECTROLYTE SOLUTIONS ...Conductivity, Desalination, Electrolytes, Mathematical Analysis, Model Studies, ...1.0085
- A STUDY OF THE INTERACTIONS PRESENT IN AQUEOUS SALT SOLUTIONS BY NUCLEAR MAGNETIC RESONANCE SPECTROSCOPY ...Conservation-general, Ionic, Solution, Transition Metal-general, Water Resources Development, ...1.0074
- NMR AND X-RAY STUDIES OF STRUCTURE IN AQUEOUS ELECTROLYTE SOLUTIONS ...Adsorption-other, Electrolytes, Nuclear Magnetic Resonance, Reaction-general, Solution, X-ray, ...1.0073
- NATURALLY OCCURRING TASTES AND ODORS IN WATER SUPPLIES ...Freezing, Gas, Mass, Studies, Organoleptic, Taste and Odor, ...5.1169

Respiratory System

- DISTRIBUTION OF DIATOMS IN DESERT WATERS ...Algae-Diatoms, Branchiopoda -other, Deserts, Plant Prod. (non-specific), Playas, ...2.0138
- MEASUREMENT OF THE EFFECTS OF PESTICIDES ON INVERTEBRATE RESPIRATION - ACUTE TOXICITY OF PESTICIDES TO FRESHWATER INVERTEBRATES ...Carbamates -non-specific, Chlorinated Hydrocarbons, Organophosphorous Cpd., Pollution - Effects of , ...5.0664

Fish

- FISH OPERCULAR RESPONSE TO ENVIRONMENTAL VARIABLES ...Environmental Physiology, Gases, Dissolved -water, Goldfish, Minnows, Water Temperature-non-specific, ...5.0865

Reverse Osmosis

- RESEARCH ON LIFE SUPPORT POROUS MEMBRANES FOR REVERSE OSMOSIS ...Membranes-other, Porosity, Potable Water, Recycle, Water Reuse, ...3.0169
- OPTIMAL DESALINATION SYSTEMS ...Desalination, Electrodialysis, Evaporation, Optimization, Optimization Technique, ...3.0241
- MEMBRANES FOR REVERSE OSMOSIS DESALINATION BY DIRECT CASTING ON POROUS SUPPORTS ...Cellulosics, Cost Analysis, Film, Natural Occurring, Saline Conversion, ...3.0309
- NEW SYNTHETIC MEMBRANES FOR REVERSE OSMOSIS DESALINATION ...Copolymers, Desalination, Membranes-other, Technique Development, ...3.0468
- THREE BASIC PROBLEMS IN FLUID MECHANICS EVAPORATIVE CONVECTION, ELECTRO-OSMOSIS, INTERNAL WAVES ...Electrochemistry-other, Flow Characteristics -water, Fluid Dynamics, Internal Waves, Photography, Wave Motion in Fluids-other, ...3.0074
- WATER TRANSPORT THROUGH HYPERFILTRATION MEMBRANES ...Cellulose Acetate, Desalination, Radioisotopes, Rate Determination, ...3.0239
- CONTROL OF CONCENTRATION POLARIZATION IN REVERSE OSMOSIS DESALINATION OF WATER ...Desalination, Flow Characteristics -water, Fluid Flow-other, Membranes-other, Polarization, ...3.0287
- A STUDY OF PRESSURE DIALYSIS AND COUPLING PHENOMENA IN SYNTHETIC AND NATURAL MEMBRANES ...Biodegradation, Desalination, Membranes-other, Mosaic, Water Properties-general, ...3.0273
- STUDY OF METHODS TO RETARD COMPACTION OF CELLULOSE ACETATE MEMBRANES IN REVERSE OSMOSIS DESALINATION ...Cellulose Acetate, Desalination, Membranes-other, Natural Occurring, Solid State, ...3.0149
- PREPARATION AND CHARACTERIZATION OF MEMBRANES FOR REVERSE OSMOSIS ...Desalination, Membranes-other, Natural Occurring, ...3.0364
- MULTICOMPONENT MEMBRANE FOR REVERSE OSMOSIS ...Membranes-other, Natural Occurring, Other, ...3.0386
- SYNTHESIS AND EVALUATION OF NEW POLYMER MEMBRANE CANDIDATES FOR APPLICATION IN REVERSE OSMOSIS ...Brackish Water, Brines, Desalination, Membranes-other, Organic, ...3.0174
- STUDY OF ORIENTED CELLULOSE MEMBRANES FOR REVERSE OSMOSIS AND THE RELATIONSHIP BETWEEN MORPHOLOGY AND SALT REJECTION ...Desalination, Film, Membranes-other, Orientation, Structure-materials-general, ...3.0248
- EFFECT OF PH AND IONIC STRENGTH ON THE CRYSTALLIZATION AND MORPHOLOGY OF POLYMER MEMBRANES AND FIBERS ...Concentration, Desalination, Membranes-other, Morphology-other, Natural Occurring, ...3.0188
- STUDY OF MASS TRANSFER THROUGH MEMBRANES ...Desalination, Electrodialysis, Lasers, Membranes-other, Polarization, ...3.0035
- MOSAIC MEMBRANES FOR DESALINATION ...Desalination, Electrodialysis, Mosaic, ...3.0373
- STUDY OF THE HYDRODYNAMIC ASPECTS OF DESALINATION BY REVERSE OSMOSIS ...Membranes-other, Other, Polarization, ...3.0267
- THE PREPARATION OF REVERSE OSMOSIS MEMBRANES BY THE SURFACE MODIFICATION OF CELLULOSE AND RELATED MATERIALS ...Desalination, Membranes-other, Morphology-other, Natural Occurring, ...3.0211
- NEW SELECTIVE MEMBRANES ...Calcium, Desalination, Ion Selective, Natural Occurring, ...5.0763
- DEVELOPMENT OF ULTRATHIN SKIN MEMBRANES - HEMA POLYMERS ...Desalination, Esters, Films, Membranes-other, Polymerization-general, ...3.0278
- A STUDY OF THE BENEFITS OF PLASTIC MATERIALS IN DESALINATION PLANTS ...Desalination, Distillation-other, Electrodialysis, Freezing, Plastics - General, ...3.0153
- REVERSE OSMOSIS TUBULAR MODULE OPTIMIZATION ...Desalination, Digital Computers, Membranes-other, Pilot Plant, ...3.0070

- PREPARATION OF SMALL TUBES AND THE DETERMINATION OF THEIR PROPERTIES FOR REVERSE OSMOSIS ...Dimensions, Expansion, Mechanical Properties-general, Permeability, Pipe, Tube, Stretch Forming, Cryoform, ...3.0387
- DEVELOPMENT OF IMPROVED CELLULOSE ACETATE MEMBRANES FOR REVERSE OSMOSIS ...Cellulose Acetate, Desalination, Fiber, Filament, Whisker, ...3.0264
- DETERMINATION OF THE SURFACE AND COLLOIDAL CONDITIONS WHICH CAN LEAD TO HIGH SALT REJECTION REVERSE OSMOSIS POLYMER MEMBRANES ...Colloidal Phenomena, Desalination, Ion Selective, Polymer-other, ...3.0071
- A STUDY OF MEMBRANES FOR DESALINATION BY REVERSE OSMOSIS ...Crosslinking, Desalination, Membranes-other, Natural Occurring, ...3.0030
- DESIGN AND CONSTRUCTION OF A REVERSE OSMOSIS PILOT PLANT FOR THE DESALINATION OF SEA WATER ...Desalination, Membranes-other, Nitrogen, Pilot Plant, Sea Water-general, ...3.0051
- RESEARCH AND DEVELOPMENT OF NEW POLYMER SYSTEMS FOR REVERSE OSMOSIS MEMBRANES ...Copolymers, Desalination, Membranes-other, Organic, ...3.0031
- DESIGN, CONSTRUCT AND EVALUATE A 1,000 GALLON PER DAY REVERSE OSMOSIS UNIT OF RECTANGULAR CONFIGURATION ...Cost Analysis, Desalination, Membranes-other, Other, ...3.0028
- DEVELOPMENT OF WATER PURIFICATION SYSTEMS BASED ON REVERSE OSMOSIS ...Desalination, Membranes-other, Natural Occurring, Plastic Matrix, Reinforcing Materials, ...3.0147
- DEVELOPMENT AND TESTING OF LARGE, SPIRAL-WOUND, MULTI-LEAF REVERSE OSMOSIS MODULES ...Desalination, Economics-general, Process Development-other, ...3.0095
- DISTILLATION PLANT AND COMPONENT STUDIES ...Desalination, Distillation-other, Distilling Units, Heat Transfer, ...3.0439
- A STUDY OF HYDRODYNAMIC ASPECTS OF REVERSE OSMOSIS %HYPERFILTRATION...Cost Analysis, Desalination, Fluid Flow-other, Turbulent, Water Purification Plants, ...5.1144
- REVERSE OSMOSIS MEMBRANES CONTAINING GRAPHITIC OXIDE ...Desalination, Graphite, Membranes-other, Pilot Plant, ...3.0416
- EVALUATION OF EXISTING AND UNCONVENTIONAL MEANS FOR PUMPING AND ENERGY RECOVERY IN A REVERSE OSMOSIS DESALINATION PLANT ...Benefit-cost Analysis, Desalination, Hydraulic, Power Cycle, Pump-other, ...3.0275
- REVERSE OSMOSIS PERMEATORS - DESIGN STUDY ...Cost Analysis, Membranes-other, Other, Pilot Plant, ...3.0367
- CHARACTERIZATION OF CELLULOSE ACETATE MEMBRANES AND ULTRATHIN FILMS FOR REVERSE OSMOSIS ...Desalination, Electrical Properties, Film, Membranes, Membranes-other, Natural Occurring, ...3.0362
- RESEARCH AND DEVELOPMENT OF ULTRATHIN FILM MEMBRANES FOR REVERSE OSMOSIS DESALINATION ...Brackish Water, Cellulosics, Desalination, Dimensions, Expansion, Membranes-other, ...3.0298
- THE PREPARATION OF ULTRA-THIN REVERSE OSMOSIS MEMBRANES BY ELECTROSTATIC DEPOSITION ...Desalination, Electrostatic, Membranes-other, Natural Occurring, ...3.0162
- WATER RESEARCH PROGRAM - SECTION IV, SEPARATIONS PROCESS ...Additives, Chemical Effect-other, Interface, Membranes-other, Other, Permeability, Porosity, Separation-general, ...3.0441
- THE INFLUENCE OF HYDROXYL RATIO ON THE PERFORMANCE OF REVERSE OSMOSIS DESALINATION MEMBRANES ...Desalination, Membranes-other, Natural Occurring, ...3.0330
- MODIFICATION OF PROTEIN FILMS FOR USE IN DESALINATION ...Desalination, Dialysis, Membranes-other, Natural Occurring, Polyvinyls-other, ...3.0269
- DESALINATION AND REDUCTION OF CONCENTRATION POLARIZATION EFFECTS IN REVERSE OSMOSIS SYSTEMS USING POROUS WALL SECTIONS ...Brines, Fluid Flow-other, Membranes-other, Other, Porosity, ...3.0359
- PREPARATION OF REVERSE OSMOSIS MEMBRANES BY SURFACE MODIFICATION OF CELLULOSE AND RELATED MATERIALS ...Cellulosics, Desalination, Film, Membranes-other, Morphology-other, ...3.0212
- HYDROFORMING REVERSE OSMOSIS MEMBRANES AND A DESALTING MODULE BASED ON THE HYDROFORMING PROCESS ...Desalination, Membranes-other, Natural Occurring, Regeneration-other, ...3.0268
- OPERATION AND EVALUATION OF A 50,000 GALLONS PER DAY REVERSE OSMOSIS PILOT PLANT ...Cost Analysis, Desalination, Economic Efficiency, Pilot Plants, ...3.0061
- REVERSE OSMOSIS PILOT PLANT INVESTIGATIONS ...Cost Analysis, Desalination, Membranes-other, Other, Pilot Plant, ...3.0056
- DEVELOPMENT OF ECONOMICAL METHODS OF BORON REMOVAL FROM IRRIGATION RETURN WATERS ...Boron, Desalination, Use of Impaired Water, Waste Treatment-economics, Waste Water Pre-treatment, ...5.0093
- PROCESS AND CONFIGURATION DEVELOPMENT FOR TUBULAR REVERSE OSMOSIS UNITS ...Brackish Water, Desalination, Other, Pilot Plant, ...3.0057
- DEVELOPMENT OF STORAGE TECHNIQUES FOR REVERSE OSMOSIS MEMBRANES ...Cellulose Acetate, Microorganisms (non-specific), Other, Storage, ...3.0058
- PRELIMINARY EVALUATION OF HIGH RETENTION MEMBRANES ...Desalination, Membranes-other, Other, Sea Water-general, ...3.0059
- OPTIMIZATION STUDY OF HIGH RECOVERY REVERSE OSMOSIS PLANTS ...Material Recovery, Model Studies, Optimization, Other, ...3.0053
- REVERSE OSMOSIS MEMBRANE REGENERATION ...Cost Analysis, Membranes-other, Regeneration-other, ...3.0054
- EVALUATION OF HIGH PRESSURE PUMPS FOR REVERSE OSMOSIS PROCESS ...Axial Flow, Brines, Pumping, Sea Water-general, ...3.0410
- DEVELOPMENT OF A THIN-LIQUID FILM MEMBRANE DEVICE FOR EFFICIENT DESALINATION BY REVERSE OSMOSIS ...Cost Analysis, Desalination, Membranes-other, Process Development-other, ...3.0155
- CONCEPTUAL DESIGN STUDY ON REVERSE OSMOSIS MEMBRANE ASSEMBLY MODULAR UNIT ...Desalination, Membranes-other, Pilot Plant, Process Development-other, ...3.0215
- MODIFIED ION-EXCHANGE MEMBRANES FOR WATER PURIFICATION BY REVERSE OSMOSIS ...Cellulose Acetate, Desalination, High Pressure - 1-1000 Atm, Ion Exchange-other, ...3.0289
- TEST OPERATION OF A TUBULAR 4,300 GPD REVERSE OSMOSIS UNIT ON SEA WATER ...Desalination, Membranes-other, Process Development-other, Sea Water-general, ...3.0098
- PARAMETRIC ECONOMIC AND ENGINEERING EVALUATION STUDY OF THE REVERSE OSMOSIS PROCESS ...Cost Analysis, Marketing, Membranes-other, Pilot Plant, ...3.0164
- DEVELOPMENT OF ECONOMICAL METHODS OF BORON REMOVAL FROM IRRIGATION RETURN WATERS ...Material Recovery Wastes, Pollutant-other, Recycle, Waste Treatment-economics, Waste Water Pre-treatment, ...3.0480
- TEST OPERATION OF A 2,500 GPD TWO-STAGE SEA WATER REVERSE OSMOSIS PILOT PLANT ...Brines, Cost Analysis, Desalination, Membranes-other, Optimization, Pilot Plant, ...3.0079
- CONCEPTUAL DESIGN STUDY - REVERSE OSMOSIS MEMBRANE ASSEMBLY MODULAR UNIT ...Cost Analysis, Fluid Flow-other, Membranes-other, Other, ...3.0345
- RESEARCH ON IMPROVED REVERSE OSMOSIS MEMBRANES ...Cellulosics, Crosslinked, Membranes-other, Polyvinyl Pyrrolidone, Porosity, Saline Conversion, ...3.0096
- STUDY OF REJECTION OF VARIOUS SOLUTES BY REVERSE OSMOSIS MEMBRANES ...Cellulosics, Ion Selective, Removal-inorganics, Removal-organics, Saline Conversion, ...3.0097
- DEVELOPMENT OF NEW AND IMPROVED CELLULOSE ESTER REVERSE OSMOSIS MEMBRANES ...Brines, Desalination, Homopolymers, Membranes-other, Natural Occurring, ...3.0060
- DEVELOPMENT OF A WATER DESALINATION SYSTEM BASED ON HOLLOW FINE FIBER MEMBRANES ...Cellulosics, Desalination, Fiber, Filament, Whisker, Membranes-other, Pilot Plant, ...3.0274
- OPERATION OF A 50,000 GPD PORTABLE PILOT PLANT ...Membranes-other, Mobile, Pilot Plant, Scale Formation, Zeolite, ...3.0029
- DESIGN AND CONSTRUCTION OF A LOW PRESSURE HOUSEHOLD REVERSE OSMOSIS UNIT ...Brackish Water, Cost Analysis, Desalination, Mobile, Potable Water, ...3.0320
- DEVELOPMENT OF HOLLOW FILAMENT TECHNOLOGY FOR REVERSE OSMOSIS DESALINATION SYSTEMS

SUBJECT INDEX

River Basins

- ...Desalination, Membranes-other, Morphology-other, Technique Development, ...**3.0165**
- PARAMETRIC ECONOMIC AND ENGINEERING STUDY OF THE REVERSE OSMOSIS PROCESS ...Cost Analysis, Desalination, Membranes-other, Other, Rate Determination, Water Costs, ...**3.0073**
- TRANSPORT PHENOMENA IN FUSED ORGANIC SALTS ...Desalination, Diffusion-other, Salt, Thermal Properties-other, Viscosity, ...**3.0075**
- RESEARCH ON POROUS GLASS MEMBRANES FOR REVERSE OSMOSIS ...Desalination, Fiber, Filament, Whisker, Glass, Membranes-other, Porosity, Permeability, Waste Water Treatment-other, ...**3.0068**
- 14-01-0001-1760 -- IN-SITU FORMATION OF REGENERATIVE CELLULOSE ACETATE MEMBRANES ON POROUS SUPPORTS ...Casting of Materials, Cellulose Acetate, Ceramics - General, Saline Conversion, Solutionizing, ...**3.0069**
- DEVELOPMENT OF DESALINATION MEMBRANES ...Copolymers, Desalination, Membranes-other, Organic, ...**3.0406**
- STRUCTURE AND MECHANICAL BEHAVIOR OF POLYMERIC MEMBRANES ...Cellulose Acetate, Cellulosics, Mechanical Properties-general, Morphology-other, Structure-materials-general, ...**8.0269**
- COMBINED DESALINATION AND POWER-GENERATION BASED ON COAL ENERGY ...Coal-general, Cost Analysis, Desalination, Flash Distillation, Material Recovery, ...**3.0325**
- MASS TRANSFER ANALYSIS IN REVERSE OSMOSIS OPERATION ...Free Convection, Mass Transfer, Turbulent, Waste Water Treatment-other, Water, ...**5.0797**
- TREATMENT OF MUNICIPAL SECONDARY EFFLUENT BY REVERSE OSMOSIS ...Carbon, Fiber, Filament, Whisker, Glass, Membranes-other, Pollutant-fouling, Waste Water Pre-treatment, ...**5.0131**
- IN-PLANT TREATMENT OF DILUTE WASTES OF THE PULPING INDUSTRY ...Biological Treatment-other, Pulp and Paper Wastes, Pulp, Pulping & Composite, Waste Water Pre-treatment, Water Reuse, ...**5.1288**
- REVERSE OSMOSIS TO REMOVE DISSOLVED SOLIDS FROM RENOVATED WASTE WATER USED IN GROUND WATER RECHARGE ...Artificial Recharge, Augmentation-general, Effluent-standards, Waste Water Treatment-general, Water Reuse, ...**5.0095**
- REVERSE OSMOSIS TREATMENT OF WASTEWATERS ...Industrial Wastes, Membranes-other, Organic Wastes, Polyelectrolytes, Process Design, ...**5.0516**
- RENOVATION OF MUNICIPAL WASTEWATER BY REVERSE OSMOSIS SYSTEMS ...Depolymerization, Membranes-other, Model Studies, Process Design, Urban Environments, ...**5.0092**
- MEMBRANE MATERIALS FOR WASTE WATER RECLAMATION BY REVERSE OSMOSIS ...Cellulose Acetate, Demineralization, Terpolymers, Waste Water Treatment-other, ...**5.0149**
- STUDY AND EXPERIMENTS IN WASTE WATER RECLAMATION BY A REVERSE OSMOSIS PROCESS ...Process Design, Water Purification Plants, ...**5.0148**
- SUPPORT OF THE ADVANCED WASTE-TREATMENT PILOT PLANT AT POMONA, CALIFORNIA ...Carbon, Denitrification, Ion Exchange-other, Sand, Waste Treatment-economics, ...**5.0110**
- WATER TREATMENT BY REVERSE OSMOSIS METHOD ...Fresh Water, Membranes-other, Pilot Plants, Waste Water Treatment-general, ...**5.0164**
- PRELIMINARY FEASIBILITY AND ECONOMICS OF DESALTING BRACKISH WATERS IN CANDIDATE AREAS OF WEST TEXAS ...Cost Analysis, Desalination, Electrodialysis, Flash Distillation, Freezing, Water Costs, ...**3.0443**
- DECONTAMINATION OF WATER CONTAINING CBR AND OTHER MATERIALS ...Biological Pollutants-general, Chemical-general, Demineralization, Other, Radioactivity-general, ...**5.1217**
- WATER SUPPLY TECHNOLOGY - WATER QUALITY MANAGEMENT AND PROTECTION ...Demineralization, Drilling and Coring, Groundwater, Water Reuse, ...**5.1219**
- REVERSE OSMOSIS WATER PURIFICATION ...Cellulose Acetate, Military Aspects, Mobile, Other, Potable Water, ...**3.0251**
- MINERALOGIC CONTROLS ON CHEMISTRY OF GROUND WATER ...Carbon-14, Chemical-general, Clay, Groundwater, Mineralogy, ...**2.1694**
- PROGRAM FOR FIELD EVALUATION OF REVERSE OSMOSIS PILOT PLANTS ON BRACKISH WATERS ...Brackish Water, Cost Analysis, Membranes-other, Other, Pilot Plant, ...**3.0115**

- COMPARATIVE EVALUATION OF REVERSE OSMOSIS PILOT PLANTS OF DIFFERENT DESIGN CONFIGURATIONS ...Cost Analysis, Desalination, Interface, Membranes-other, Polarization, ...**3.0117**
- REMOVAL OF SUSPENDED SOLIDS AND PHOSPHATE FROM A SECONDARY EFFLUENT BY ALUM COAGULATION AND DUAL MEDIA FILTRATION ...Electrodialysis, Filter-other, Ion Exchange-other, Sedimentation, Waste Treatment-economics, ...**5.0848**
- EXPLORATORY STUDIES ON SIMPLIFYING DISPOSAL OF FOOD PROCESSING WASTES ...Activated Carbon, Canning Wastes, Electrodialysis, Ion Exchange-other, Other, Regeneration-other, ...**5.0057**

Rhode Island

- HYDROLOGICAL STUDY ...Discharge-general, Drainage, Gaging, Peak Flow, Small Watersheds, ...**2.0943**
- A STUDY OF SUSPECTED LEAD POISONING OF SWANS AND GEESE ...Anseriformes-other, Lead, Ponds, ...**5.1077**
- EVAPOTRANSPIRATION LOSSES AS RELATED TO SITE AND VEGETATION DIFFERENCES ...Cover Crops, Evapotranspiration, Forest Watersheds, Interception, Soil Environment, ...**2.0939**

- SOCIO-ECONOMIC STUDY OF NARRAGANSETT BAY, RHODE ISLAND ...Bays, Benefit-cost Analysis, Estuaries, Land Use, Social Aspects, Water Quality Control-general, ...**6.0485**
- ANALYSIS OF SOCIAL AND MOTIVATIONAL CHARACTERISTICS ASSOCIATED WITH SELECTED OUTDOOR RECREATIONAL ACTIVITIES IN RHODE ISLAND ...Methods, Recreation Sites, Social Psychology-other, User Characteristics-non-spec, ...**6.0486**
- WATER RESOURCES OF BRANCH-BLACKSTONE RIVER BASIN, RHODE ISLAND ...Gaging, Groundwater Basins, Permeability, Runoff, Water Yield, ...**2.0614**
- MODEL FOR DETERMINING THE MOST UNFAVORABLE CONDITIONS FOR AREA CLASSIFICATION ...Bays, Pollutants - Path of, Pollutants-general, Shellfish, N.s., Water Standards, ...**5.1067**

Rio Grande River

- INFLUENCE OF ACCUMULATED SEDIMENTS UPON WATER VELOCITY OF MICROHABITATS OCCUPIED BY TROUTS ...Colorado, Habitat Studies, Salmon & Trout - Non-specific, Sediments, Velocity-water, ...**4.0068**
- INSTITUTIONAL FACTORS AFFECTING WATER RESOURCE DEVELOPMENT IN THE LOWER RIO GRANDE RIVER BASIN ...Administrative Structures, Management, Water Resources Development, ...**6.0563**
- FLOW AND SEDIMENT TRANSPORT, RIO GRANDE CONVEYANCE CHANNEL ...Channels, Flume Studies, Morphology-general, Sediment Transport-other, Streams, ...**2.0771**
- USE OF WATER ON FEDERAL IRRIGATION PROJECTS ...Data Acquisition-general, Irrigation-general, Moisture Content, Water Table Fluctuation, ...**6.0538**
- WEED CONTROL AND REVEGETATION ...New Mexico, of Aquatic Plants, of Trees and Shrubs, Riparian Land, ...**3.0118**
- CONTROL OF WOODY PLANTS ...Aerial - Airplane, Herbicides - non-specific, New Mexico, Weed Control-other, ...**3.0121**
- WEED CONTROL AND REVEGETATION ...Control and Protection, New Mexico, Plant Pollutants, Weed Control-other, ...**3.0111**
- WEED CONTROL AND REVEGETATION ...Control and Protection, Cover Crops, Plant Pollutants, Weed Control-other, ...**3.0119**

Riparian Land

- WEED CONTROL AND REVEGETATION ...New Mexico, of Aquatic Plants, of Trees and Shrubs, Rio Grande River, ...**3.0118**

River Basins

- A STUDY OF THE ECONOMIC IMPACT OF DROUGHT ON WATER SUPPLY SYSTEMS IN THE PASSAIC RIVER BASIN,

River Basins

SUBJECT INDEX

- NEW JERSEY ...Economic Impact, Meteorological Extremes, New Jersey, Public Utilities, Water Quality-general, ...**2.0761**
- STUDIES ON THE GEOSCIENCE VALUE OF RADAR IMAGERY ...Bibliography, Mapping, Mountains-alpine, Photogrammetry, Radar, ...**8.0199**
- ANALYSIS OF DRAINAGE BASINS AND LANDSCAPES ...Landscape, Watersheds-general, ...**2.0633**
- A SOCIO-ENVIRONMENTAL STUDY OF A RIVER VALLEY ...Ecology, Mans Activities, Ohio, Social Aspects, ...**6.0422**
- FISHES OF THE SOUTH PLATTE RIVER BASIN, COLORADO ...Animal Distr. (non-specific), Colorado, Environmental Changes, Environmental Ecology, Fish -non-specific, Pollution - Effects of, ...**5.0194**
- CULTURAL, SOCIAL, ORGANIZATIONAL, AND SOCIAL PSYCHOLOGICAL FACTORS ASSOCIATED WITH PROPOSED CHANGES IN WATER USE PATTERNS ...Planning, Social Aspects, Water Resources Development, ...**6.0572**
- INTERRELATIONS BETWEEN RIVER BASIN DEVELOPMENTS AND DEVELOPMENT OF METROPOLITAN AREAS ...Planning, Redevelopment of Land, Urban Research, Water Resources Development, ...**6.0165**
- A COMPREHENSIVE WATER RESOURCES ANALYSIS OF A TYPICAL OVERDRAWN BASIN IN AN IRRIGATED SEMIARID AREA - PECOS RIVER BASIN, NEW MEXICO ...Impact, Land, Management, New Mexico, Systems Analysis, ...**6.0366**
- URBANIZATION AND ITS EFFECT ON WATER RESOURCES ...Demography, Industry and Industrialization, Land Use, Value, Land Planning, Urbanization, Water Resources Development, Water Utilization -domestic, ...**6.0351**
- UTILIZATION OF THE STORAGE POTENTIAL OF RIVER VALLEY AQUIFERS (ABBREV) ...Nebraska, Recharge - general, Storage of Water, Valley, Buried, Water Quality-general, ...**4.0162**
- WATER RESOURCES PLANNING STUDIES - ARKANSAS AND OKLAHOMA ...Arkansas, Daily, Oklahoma, Water Allocation, Water Quality-general, ...**6.0028**
- METHODS OF ANALYSIS AND DETERMINATION OF EFFECTS OF ALTERNATIVE USES OF FORESTED LANDS ON STREAMFLOW ...Alternative Planning, Forest Watersheds, Land Use, Other, Washington, ...**4.0272**
- APPLICATION OF SPECIALIZED OPTIM TECH IN WATER QUANTITY & QUALITY MANAGEMENT WITH RESPECT TO PLANNING FOR THE TRINITY RIVER BASIN ...Optimization, Planning, Texas, Water Quality-general, Water Quantity-general, ...**6.0551**
- APPLICATION OF AN ELECTRONIC ANALOG COMPUTER TO THE SIMULATION OF THE TOTAL HYDROLOGIC-ECONOMIC FLOW SYSTEM ...Analog Computers, Economics-general, Hydrology-general, Model Studies, ...**6.0585**
- ECONOMIC CONSEQUENCES OF INTERBASIN WATER TRANSFERS ...Benefit-cost Analysis, Economic Impact, Irrigation-general, Water Transfer, ...**6.0451**
- ADAPTING THE WATER RESOURCE PLANNING PROCESS TO PROBLEMS AND NEEDS OF METROPOLITAN AREAS ...Model Studies, Planning, Systems Analysis, Urban Environments, Water Resources Development, ...**6.0402**
- APPLICATION OF SIMULATION THEORY TO WATER RESOURCES PLANNING AND MANAGEMENT ...Management, Model Studies, Optimization, Planning, ...**6.0340**
- THE MODIFICATION OF A PREDICTIVE RIVER BASIN MODEL ...Economic Impact, Missouri, Other Models, Systems Analysis, ...**6.0493**
- AN ENGINEERING-ECONOMIC STUDY OF THE INDUSTRIAL GROWTH POTENTIAL OF THE UPPER PASSAIC RIVER BASIN ...Economic Impact, Industrial-general, Social Aspects, Water Law-general, Water Standards, ...**6.0347**
- APPLICATION OF AERIAL PHOTOGRAPHS FOR THE INVESTIGATION OF THE DISCHARGE PROPERTIES OF DRAINAGE BASINS ...Aerial, Data Acquisition-general, Discharge-general, Photogrammetry, Water Yield, ...**2.0792**
- A PRELIMINARY RECONNAISSANCE OF AREAS TO BE IMPOUNDED IN THE SALT RIVER BASIN OF KENTUCKY ...Kentucky, Pre-impoundment Sites, Reconnaissance, Survey Studies, ...**6.0242**
- DYNAMIC SYSTEM MODELING AND SIMULATION OF A RIVER BASIN ...Dynamic, Hybrid Computers, Michigan, Model Studies, Stochastic Models, ...**6.0301**
- HYDRAULIC GEOMETRY OF STREAMS ...Flow Characteristics - water, Hydraulics-general, Ions and Gases, Low Flow, Physiography-general, ...**2.0444**
- STOCHASTIC ANALYSIS OF HYDROLOGIC SYSTEMS ...Computers-general, Mathematical Analysis, Model Studies, Stochastic Models, Systems Analysis, ...**6.0203**
- A COMPREHENSIVE WATER RESOURCES ANALYSIS OF A TYPICAL OVERDRAWN BASIN IN AN IRRIGATED SEMIARID AREA - PECOS RIVER BASIN, NEW MEXICO ...New Mexico, Semi - Arid, Systems Analysis, ...**6.0362**
- THE POTOMAC RIVER BASIN DEMONSTRATION PROJECT IN GEORGES CREEK ...Alternative Planning, Multiple-purpose Projects, Potomac River, State-local Government, ...**6.0261**
- DEVELOPMENT OF A STATE WATER PLANNING MODEL ...Application, Development of Models, Model Studies, Montana, Planning, ...**6.0325**
- THE DEVELOPMENT OF A SIMULATION MODEL FOR THE BEAR RIVER BASIN ...Analog Computers, Development of Models, Model Studies, Planning, Utah, ...**6.0586**
- INTERRELATIONSHIP OF SURFACE AND SUB-SURFACE FLOW IN THE NISHNABOTNA DRAINAGE BASIN ...Discharge-other, Drift, Groundwater Movement, Iowa, Valley, Buried, ...**2.0481**
- DEVELOPMENT OF METHODS FOR VALUING WILD RIVERS ...Benefit-cost Analysis, Economics-general, Wild Rivers, ...**6.0083**
- SYSTEMS SIMULATION FOR MANAGEMENT OF A TOTAL WATER RESOURCE ...Conjunctive Use, Management, Optimization, Planning, Water Transfer, ...**4.0230**
- A STUDY OF POTENTIAL INSTITUTIONAL ARRANGEMENTS FOR WATER POLLUTION CONTROL IN THE HUDSON-MOHAWK RIVER BASIN ...Administrative Structures, Government -other, New York, Systems Analysis, Water Quality Control-general, ...**6.0379**
- LONGITUDINAL DISPERSION OF THE LOWER KANSAS RIVER BASIN ...Dispersion -water, Dyes, Kansas, ...**2.0507**
- A MODEL RELATING WATER QUALITY VEGETATIONAL STRUCTURE AND URBANIZATION IN THE SAN JACINTO RIVER BASIN ...Land Use, Model Studies, Texas, Urban Environments, Water Quality-general, ...**4.0242**
- ANTHROPOLOGICAL ANALYSIS OF SOCIAL AND CULTURAL BENEFITS AND COSTS FROM STREAM-CONTROL MEASURES ...Control and Protection, Demography, Kentucky, Social Aspects, ...**6.0239**
- A MODEL FOR QUANTIFYING FLOW AUGMENTATION BENEFITS ...Flood Control, Flow Augmentation, Model Studies, Other Methods, Systems Analysis, Water Distribution Systems, ...**6.0152**
- EFFICIENT SYSTEM OF WATER QUALITY MANAGEMENT FOR THE MIAMI BASIN ...Alternative Planning, Economic Efficiency, Management, Ohio, Water Quality Control-general, ...**5.1015**
- PROJECTING THE DEMAND FOR AND SUPPLY OF WATER ...Model Studies, Projections and Estimations, Regional Areas, Water Demand, Water Quality Control-general, Water Supply-general, ...**6.0357**
- INTERNATIONAL RIVER PLANNING IN AFRICA ...Africa-other, International Affairs, Planning, Streams, Water Resources Development, ...**6.0188**
- IOWA ECONOMETRIC MODEL ...Economics-general, Iowa, Model Studies, Planning, Projections and Estimations, ...**6.0225**
- SIMULATION AS A MEANS OF STUDYING RESOURCE ALLOCATIONS ...Alternative Planning, Economics-general, Model Studies, Simulation Theory, Water Allocation, ...**6.0456**
- DEVELOPMENT OF A WATER QUALITY CONTROL PROGRAM FOR THE SAN JACINTO RIVER BASIN ...Texas, Water Quality Control-general, ...**5.1177**
- STATE WATER PLAN INVESTIGATIONS ...Land Use, Management, Utah, Water Supply-general, Water Utilization -general, ...**6.0579**
- ELECTRONIC ANALOG MODEL STUDIES OF RIVER BASINS ...Analog Computers, Groundwater, Management, Model Studies, Precipitation-general, Runoff, Water Cycle, Water Resources Development, ...**2.1059**
- SIMULATION MODEL FOR THE STUDY OF THE HYDROLOGY OF THE WISCONSIN RIVER ...Flow Characteristics -water, Hydrology-general, Reservoirs and Impoundments, Simulation, Wisconsin, ...**2.1155**
- PROBABLE MAXIMUM PRECIPITATION FOR THE LOWER RIO GRANDE ...Amount, Mexico, ...**2.0598**
- GENERALIZED SOIL - MOISTURE RUNOFF-RELATIONS ...Amount, Forecasting-prediction, Moisture Content, Runoff, ...**2.0900**
- THE RELATION OF DRAINAGE NETWORKS AND BASIN DEVELOPMENT TO ROCK TYPE AND CLIMATE ...Climate, Drainage-density-texture, Relief, Rock Type, Slopes, ...**2.0179**

SUBJECT INDEX

Runoff

HYDROLOGY OF UPPER BUFFALO RIVER BASIN ...Discharge-general, Groundwater, Surface Water, Tennessee, Water Table Fluctuation, ...2.0996

WATER RESOURCES APPRAISAL OF THE TUCSON BASIN, ARIZONA ...Arizona, Groundwater Movement, Storage of Water, Surface Water, Water Table Fluctuation, ...2.0043

WATER RESOURCES OF SOUTHEASTERN WISCONSIN - MILWAUKEE RIVER BASIN ...Discharge-general, Water Quality-general, Water Supply-general, Water Table Fluctuation, ...2.1152

RESERVOIR AND RIVER OPERATION PROCEDURES ...Available Water, Management, Model Studies, Optimization, Reservoirs and Impoundments, ...6.0095

EFFECT OF RECLAMATION PROJECTS UPON THE QUALITY OF WATER OF THE MISSOURI RIVER ABOVE SIOUX CITY, IOWA ...Data Acquisition-general, Missouri River, Water Quality-general, ...5.0191

FEASIBILITY OF USING ATMOSPHERIC WATER RESOURCES IN THE NORTHEASTERN UNITED STATES ...Applied Climatology, Benefit-cost Analysis, Clouds-precipitation, Connecticut River, Water Resources Development, ...2.0161

COLLECTION AND COLLATION OF AVAILABLE BIOLOGICAL, PHYSICAL AND CHEMICAL DATA ON U. S. RESERVOIRS ...Document and Literature Center, Fish -non-specific, Productivity - Food Chain, Reservoirs and Impoundments, Survey Studies, ...6.0020

WATER YIELD IMPROVEMENT FROM RIPARIAN AND UPLAND AREA OF RIVER BASINS ...Evapotranspiration, Management, Phreatophytes, Riparian Plants, Sediment Yield, Southwest, ...4.0006

RNA

DESTRUCTION OF INFECTIOUS VIRAL NUCLEIC ACID BY IODINE ...Enteroviruses of Humans, Inactivation, Iodine, ...5.0843

Rocks - Bedrock

GEOLOGICAL STUDIES IN NORTHERN LAKE MICHIGAN ...Deposits-other, Lake Michigan, Lakes, Submergent, Water Level Fluctuation, ...2.0630

RELATION OF BEDROCK FRACTURE SYSTEMS TO UNDERGROUND WATER IN STAFFORD SPRINGS, SOUTH COVENTRY, SPRING HILL & WESTFORD QUADS ...Groundwater Movement, Joints-fractures, Local Structure, Subsurface Flow, Water Quantity-general, ...2.0243

STRONTIUM ISOTOPE COMPOSITION AND TRACE ELEMENT CONCENTRATIONS IN LAKE HURON AND ITS PRINCIPAL TRIBUTARIES ...Chemical, Ions and Gases, Lake Huron, Strontium, Trace Element Analysis, ...2.0854

GEOHYDRAULICS AT THE UNCONFORMITY BETWEEN BEDROCK AND ALLUVIAL AQUIFERS ...Flow Characteristics -water, Groundwater Basins, Unconformities, Unconsolidated Aquifers, Water Transfer, ...2.0229

HYDROGEOCHEMICAL INVESTIGATION OF SELECTED WATERSHEDS IN SOUTHWESTERN MONTANA ...Chemical-general, Environmental Effects-geologic, Hydrogeochemical Properties, Montana, Small Watersheds, ...5.0698

GEOLOGY AND GROUND WATER RESOURCES OF PEMBINA COUNTY ...Aquifers-general, Deposits, Geology-general, Groundwater, Mapping, Permeability, ...2.0844

GEOLOGY AND GROUND WATER RESOURCES OF NELSON COUNTY ...Aquifers-general, Deposits, Geology-general, Groundwater, Mapping, Permeability, ...2.0845

GEOLOGY AND GROUND WATER RESOURCES OF WALSH COUNTY ...Aquifers-general, Deposits, Geology-general, Groundwater, Mapping, Permeability, ...2.0846

GEOLOGY AND GROUND WATER RESOURCES OF CAVALIER COUNTY ...Aquifers-general, Deposits, Geology-general, Groundwater, Mapping, Permeability, ...2.0847

RUNOFF PRODUCTION FROM UNIT SOURCE WATERSHEDS IN THE EDWARDS PLATEAU ...Amount, Forecasting-prediction, Runoff, Small Watersheds, Texas, ...2.1028

Rocky Mountain System

Middle Rocky Mts

EFFECTS OF FIRE ON HYDROLOGY AND EROSION ...Erosion-general, Fire Damage, Recovery, Forest Watersheds, Hydrology-general, ...2.0226

Runoff

STUDY OF RUNOFF FROM SMALL DRAINAGE AREAS ...Drainage, ...2.0520

FLOOD FREQUENCY SYNTHESIS FOR SMALL STREAMS IN ALABAMA ...Alabama, Drainage, Forecasting-prediction, Gaging, Peak Flow, Small Watersheds, ...3.0172

ANALYSIS OF RUN-OFF FROM SMALL DRAINAGE AREAS ...Design Flow-flood, Drainage, Floods, Massachusetts, Small Watersheds, ...2.0612

COLLECTION OF HYDROLOGIC DATA OF SMALL DRAINAGE AREAS ...Data Acquisition-general, Drainage, Maryland, Small Watersheds, Storm Water, ...2.0560

ANALYSIS OF RECHARGE BASINS ...Artificial Recharge, Drainage, New York, Recharge Pits - Wells, ...2.0777

ESTIMATING RUNOFF RATES FROM SMALL RURAL WATERSHEDS ...Culvert, Drainage, Forecasting-prediction, Small Watersheds, ...2.0240

EXTREME HYDROLOGIC EVENTS & THEIR EFFECTS ON NUCLEAR FACILITIES ...Floods, Hydrology-general, Natural Recharge, Radioactivity-general, Water Table Fluctuation, ...2.0273

STOCHASTIC STRUCTURE OF HYDROLOGIC SERIES ...Hydrology-general, Patterns, Stochastic Processes, ...6.0109

REYNOLDS CREEK WATERSHED STUDY ...Idaho, Management and Fertility, Sediment Yield, Water Yield, Watersheds-general, ...2.0571

BADGER WASH COOPERATIVE STUDY ...Cover Crops, Erosion-general, Forest Grazing, Sediment Yield, Water Cycle, ...2.0176

AN ANALYSIS OF THE VEGETATION AND SOIL CHARACTERISTICS OF RANGE WATERSHEDS IN NEVADA ...Cover Crops, Infiltration, Mapping, Soil-water-plant Relationships, Species and Species Evaluation, ...2.0740

STRATTON SAGEBRUSH HYDROLOGY STUDY ...Cover Crops, Hydrology-general, Range, Sediment Yield, Soil Environment, ...2.0221

INTERAGENCY FRAIL LANDS STUDY - MONTANA IV. WATER QUANTITY MANAGEMENT ...Conservation, Erosion-general, Montana, Slopes, Soil Erosion -non-specific, ...4.0161

CORRELATION OF SOIL SURFACE AND RAINFALL-RUNOFF-MOISTURE RELATIONSHIPS ON AGRICULTURAL WATERSHEDS ON COASTAL PLAINS SOILS (ABBREV) ...Antecedent Moisture, Recharge -general, Small Watersheds, Soil Environment, Water Yield, ...2.0002

RUNOFF STUDIES ON SMALL WATERSHEDS ...Hydrographs, Small Watersheds, Subsurface Flow, Surface Water, Water Yield, ...2.1138

HYDROLOGY OF SUBURBAN AREAS ...Amount, Conservation-general, Land, New Jersey, Suburban Areas, ...4.0173

TRACING STORM AND BASE FLOW TO VARIABLE SOURCE AREAS ON FORESTED HEADWATERS ...Baseflow, Floods, Forest Watersheds, Georgia, Hydraulic Structures, Subsurface Flow, ...2.0339

REVIEW AND ANALYSIS OF PRECIPITATION AND RUNOFF DATA FOR SELECTED WATERSHEDS IN MINNESOTA ...Floods, Hydrographs, Infiltration, Precipitation-general, Watersheds-general, ...4.0140

CHARACTERISTICS OF MAJOR FOREST AND RANGE WATERSHED TYPES IN IDAHO ...Erosion-general, Forest Watersheds, Idaho, Land Use, Water Yield, ...6.0176

HYDROLOGY OF FROZEN GROUND FLOODS ...Floods, Hydrographs, Infiltration, Moisture Content, Permafrost-frozen, ...2.0399

AVAILABILITY, DISTRIBUTION, QUANTITY AND QUALITY OF WATER RESOURCES IN CARBONATE KARST TERRAIN ...Available Water, Carbonate Aquifers, Groundwater, Karst Topography, Water Balance-budget, Water Quality-general, ...4.0155

POLLUTION FROM ANIMAL FEEDLOTS ...Animal Wastes - Feed Lots, Filtration, Rainfall Simulators, Solid Waste, Waste Disposal -underground, ...4.0118

CHEMICAL CONTAMINANTS FOUND IN SURFACE AND SUBSURFACE WATER AS RELATED TO SOIL AND CLIMATIC CONDITIONS ...Agricultural Chemicals-general, Hardness-minerals, Pollutants - Path of, Soil and Rock Leaching, Soil Environment, ...5.0476

URBAN HYDROLOGIC RELATIONSHIPS ...Drainage, Forecasting-prediction, Hydrographs, Urban Environments, Variation in Time, ...2.0554

THE EFFECT OF URBANIZATION ON RUNOFF IN SMALL WATERSHEDS ...Indiana, Land Use, Model Studies, Small Watersheds, Urban Environments, ...2.0458

- ENGINEERING PHASES OF LAND SHAPING FOR SOIL AND WATER CONSERVATION ...Available Water, Conservation & Management Eng, Nebraska, Soil Environment, Water Loss Control, ...3.0312
- STUDY OF FACTORS AFFECTING THE CHANNEL PHASE OF RUNOFF FROM SMALL WATERSHEDS BY MATHEMATICAL MODELING ...Development of Models, Finite Differences, Flow Characteristics -water, Small Watersheds, Streams, ...2.0665
- MATHEMATICAL SIMULATION OF HYDROLOGIC EVENTS ON UNGAGED WATERSHEDS ...Digital Computers, Hydrographs, Sensitivity Problems, Testing of Models, Watersheds-general, ...2.0461
- HYDROLOGY OF SMALL DRAINAGE BASINS FOR DEVELOPING HYDRAULIC DESIGN ...Amount, Flow Characteristics -water, Hydrographs, Small Watersheds, South Dakota, ...2.0972
- MATHEMATICAL SIMULATION OF RAINFALL RUNOFF PROCESSES ...Computers-general, Hydrographs, Model Studies, Optimization, Other Computers, Storms-general, ...2.1015
- OPTIMIZING SALVAGEABLE WATER RESOURCES IN A SEMI-ARID INLAND BASIN ...Natural Recharge, Optimization, Semi - Arid, Water - Alternative Uses, Water Quality-general, Water Reuse, ...3.0019

- RUNOFF AND SEDIMENT MOVEMENT ON UNIT SOURCE WATERSHEDS OF THE PACIFIC INFLUENCED BY CLIMATE, SOILS, VEGETATION AND TOPOGRAPHY ...Idaho, Physiography-general, Sediment Yield, Water Yield, Watersheds-general, ...2.0387
- CLIMATE, SOIL AND VEGETATION INFLUENCES ON HYDROLOGY OF RANGELANDS IN THE SOUTHWEST ...Floods, Hydrology-general, Sediment Yield, Water Yield, ...4.0007
- FACILITIES, METHODS AND DESIGN CRITERIA TO PUMP, CONVEY, CONTROL AND MEASURE WATER FOR AGRICULTURAL PURPOSES IN THE NORTHERN PLAINS ...Irrigation-general, Lining, Pumping, Storage of Water, Water Distribution Systems, Water Transfer, ...3.0141
- PRINCIPLES, FACILITIES, AND SYSTEMS FOR WATER HARVEST ...Model Studies, Rainfall Simulators, Stabilization-other, Storage of Water, Water Harvesting, ...3.0006
- DESIGN, INSTALLATION, AND MAINTENANCE OF SURFACE AND SUBSURFACE DRAINAGE SYSTEMS WITH OR WITHOUT LANDFORMING AND CONDITIONING ...Drainage, Drainage Engineering, Erosion other, Southern, Tillage, Cropping Systems, ...4.0081
- DETERMINATION AND EVALUATION OF FACTORS AFFECTING WATER RUNOFF AND EROSION IN THE DIFFERENT LAND RESOURCE AREAS OF THE NORTHEAST ...Conservation, Erosion-general, Management, Northeast, Seedbed Preparation, ...5.0489
- EFFECTS OF SOIL, TOPOGRAPHY, CLIMATE, CROPPING AND MANAGEMENT PROCEDURES ON RUNOFF AND EROSION, AND ON THE PREDICTION OF SOIL LOSSES ...Conservation, Rain, Slope - Degree of, Tillage, Cropping Systems, ...2.0337
- DEVELOPMENT OF SUPPORTING PRACTICES, SYSTEMS, TECHNIQUES AND DEVICES FOR RUNOFF AND EROSION CONTROL IN THE SOUTH ...Conservation, Conservation & Management Eng, Erosion-general, Flow Characteristics -water, Land Use, Tillage, Cropping Systems, ...5.0275
- BASIC PRINCIPLES AND MECHANICS OF RAINFALL, RUNOFF, SOIL MOVEMENT AND LOSS IN THE CORN BELT ...Engineering Properties-general, Erosion-general, Sediment Transport-general, Slopes, Structure-size, Surface Flow, ...2.0475
- EVALUATION OF CLIMATIC, TOPOGRAPHIC, SOIL AND CROP MANAGEMENT FACTORS IN RELATION TO WATER MANAGEMENT AND EROSION CONTROL IN THE CORN BELT ...Climate, Corn Belt, Erosion-general, Slopes, Wind Erosion, ...2.0476
- DEVELOPMENT AND REFINEMENT OF METHODS FOR PREDICTING FIELD RUNOFF AND SOIL LOSS ...Conservation, Erosion-general, Forecasting-prediction, Mathematical Analysis, Sediment Yield, Soil Environment, Soil Erosion -non-specific, ...2.0477

- DEVELOPMENT OF SUPPORTING RUNOFF AND EROSION CONTROL PRACTICES AND SYSTEMS IN THE CORN BELT ...Conservation & Management Eng, Corn Belt, Erosion Control, Erosion-general, Stabilization-other, Terrace-bench, Wind, ...3.0225
- WATER AND WIND EROSION AND ITS CONTROL ON IRRIGATED AND NONIRRIGATED LANDS IN THE NORTHERN PLAINS ...Erosion-general, Great Plains Province, Irrigation-general, Soil Tillage Methods -other, Wind Erosion, ...5.0195
- MECHANICS AND PRINCIPLES OF WATER EROSION AND THEIR APPLICATION FOR EROSION CONTROL IN THE SOUTHERN PLAINS ...Erosion-general, Great Plains Province, Soil Environment, Soil Erosion -non-specific, ...5.0435
- EROSION AND RUNOFF CONTROL PRACTICES AND SYSTEMS TO CONSERVE SOIL AND WATER RESOURCES IN THE PACIFIC NORTHWEST ...Conservation, Conservation-general, Design Flow-flood, Erosion-general, Southern, ...4.0087
- FACILITIES AND PROCEDURES FOR CONSERVATION MANAGEMENT OF RUNOFF WATER FROM AGRICULTURAL LANDS IN THE SOUTHERN PLAINS ...Agricultural Watersheds, Artificial Recharge, Groundwater, Playas, Storage of Water, ...4.0237
- PRECIPITATION PATTERNS ON RANGELAND WATERSHEDS IN THE SOUTHWEST ...Climatology, Forecasting, Patterns, Sediment Yield, Southwest, ...2.0040
- PRECIPITATION PATTERNS ON UPSTREAM WATERSHEDS IN CENTRAL AND SOUTHERN CALIFORNIA ...California, Climatology, Patterns, Sediment Yield, Watersheds-general, ...2.0103
- GROUND WATER IN RELATION TO USE AND MANAGEMENT OF RANGELAND WATERSHEDS IN THE SOUTHWEST ...Agricultural Watersheds, Groundwater, Natural Recharge, Projections and Estimations, Southwest, ...3.0007
- NATURAL RECHARGE OF GROUND WATER IN CENTRAL AND SOUTHERN CALIFORNIA ...Infiltration, Natural Recharge, Rain-general, ...3.0063
- FLOOD WAVE MOVEMENT IN NATURAL EPHEMERAL STREAM CHANNELS ...Channels, Ephemeral, Floods, Thunderstorms, Waves, ...4.0008
- STREAM FLOW REGIMES OF SEMIARID RANGELAND WATERSHEDS IN THE SOUTHWEST ...Channels, Flow Characteristics -water, Semi - Arid, Storm Water, Storms-general, ...4.0009
- STREAM FLOW REGIMES ON A SEMIARID RANGELAND WATERSHED ...Agricultural Watersheds, Channels, Hydraulics-general, Hydrographs, Storms-general, ...4.0178
- APPLICATIONS OF ANALOG COMPUTER SIMULATION TECHNIQUES FOR RUNOFF PREDICTIONS WITHIN THE REYNOLDS CREEK WATERSHED ...Analog Computers, Forecasting-prediction, Idaho, Model Studies, Simulation Theory, ...7.0106

Rural Areas

- FLOODS FROM SMALL WATERSHEDS ...Amount, Floods, Small Watersheds, Synthetic Hydrology-general, Systems Analysis, ...2.0231
- WASTE DISPOSAL IN RURAL AREAS ...Aerobic, Animal Waste Removal-treatment, Chemical Analysis (water), Effluents-waste Water, Farm Wastes, Septic Tanks, ...5.0219
- IDENTIFICATION AND REMOVAL OF PESTICIDES FROM RURAL WATER SUPPLIES ...Pesticides -non-specific, Removal of Residues, Residues in Potable Water, Waste Water Treatment-general, Water Utilization -domestic, ...5.0448
- RURAL LAND USAGE ...Agriculture, Land, Land Use, Land Use -non-specific, Social Aspects, Types of Resources, ...6.0471
- ECONOMIC IMPACT OF WATER RESOURCE DEVELOPMENT ON LAND USE ...Economic Impact, Land Use, Pennsylvania, Reservoirs and Impoundments, Water Resources Development, ...6.0472
- INFLUENCE ON LAND VALUES OF IMPROVED UTILIZATION THROUGH FLOOD PROTECTION ...Economic Impact, Flood-proofing, Land Use, Urban Environments, Value, ...6.0129
- RURAL RUNOFF CONTROL ...Adsorption-desorption, Nutrients, Pesticides -non-specific, Runoff, Thermal Properties-other, ...5.0282

Russia

- TRANSLATION OF VOPROSY IKHTIOLOGII (PROBLEMS OF ICHTHYOLOGY) ...Commercial Fishing, Translation Grants, ...6.0122

Russia

U. S. S. R. LITERATURE ON WATER SUPPLY AND POLLUTION CONTROL ...Discharge-general, Sewage, Sewerage Systems-general, Survey Studies, Waste Disposal-general, ...5.0228

NATURAL RESOURCE MANAGEMENT AND CONSERVATION IN THE SOVIET UNION ...Conservation-general, Multiple-purpose Projects, Survey Studies, Water Allocation, Water Quality-general, ...3.0485

Sacramento River

ALLOCATIVE IMPACTS OF FEDERAL AND STATE WATER DEVELOPMENT LAW ...Conflicts, Economic Impact, Water Allocation, Water Law-general, Water Resources Development, ...6.0067

SACRAMENTO-SAN JOAQUIN DELTA ANALOG MODEL STUDIES ...Analog Computers, Deltas, Electronics - Applied, Instrumental Services, Model Studies, ...7.0008

Safety

CLOSED SYSTEMS FOR ANIMAL SEWAGE TREATMENT ...Aerobic, Digestion, Disinfection, Farn Wastes, Ion Exchange-other, ...1.0060

AIDS FOR WASTEWATER SYSTEM PERSONNEL SAFETY AND ADVANCEMENT ...Consultants, Advisory Services, Personnel, Waste Water Treatment-general, ...9.0006

Saline Conversion

MEMBRANES FOR REVERSE OSMOSIS DESALINATION BY DIRECT CASTING ON POROUS SUPPORTS ...Cellulosics, Cost Analysis, Film, Natural Occurring, Reverse Osmosis, ...3.0309

ELLIPSOMETRIC STUDIES OF PASSIVATION, WITH SPECIAL REFERENCE TO THE ESSENTIAL ANIONIC CONSTITUENTS OF SALINE WATER ...Desalination, Electrochemical-other, Halide, Passivation, Water, ...3.0412

SEAWATER CORROSION CONTROL BY ENVIRONMENT MODIFICATION ...Environment General, Inhibitors, Low Alloy Steels, Other, Water, ...3.0454

DEVELOPMENT OF A LOW-COST IRON-BASE ALLOY TO RESIST CORROSION IN HOT SEA-WATER ...Alloy & Systems, Desalination, Orientation, Polarization, Water, ...3.0418

DEVELOPMENT OF LOW-COST, CORROSION-RESISTANT ALLOYS AND ON ELECTRO-CHEMICAL TECHNIQUES FOR THEIR PROTECTION IN DESALINATION SYSTEMS ...Copper, Corrosion Prevention-other, Desalination, Water, Zinc, ...3.0290

A STUDY OF PRESCALING DEPOSITION ...Copper, Desalination, Radioisotopes, Sealing, Encrusting, ...1.0011

EVALUATION OF DESALINATION PROPERTIES OF CELLULOSE ACETATE MEMBRANES IN FLAT, TUBULAR AND SPIRAL WOUND CONFIGURATIONS ...Desalination, Film, Membranes-other, Natural Occurring, Stress, Strain, ...3.0052

RESEARCH ON IMPROVED REVERSE OSMOSIS MEMBRANES ...Cellulosics, Crosslinked, Membranes-other, Polyvinyl Pyrrolidone, Porosity, Reverse Osmosis, ...3.0096

STUDY OF REJECTION OF VARIOUS SOLUTES BY REVERSE OSMOSIS MEMBRANES ...Cellulosics, Ion Selective, Removal-inorganics, Removal-organics, Reverse Osmosis, ...3.0097

CONCEPTUAL DESIGN STUDY FOR ELECTRODIALYSIS ...Cost Analysis, Electrodialysis, Gasket Materials, Membranes-other, Polarization, ...3.0285

14-01-0001-1760 -- IN-SITU FORMATION OF REGENERATIVE CELLULOSE ACETATE MEMBRANES ON POROUS SUPPORTS ...Casting of Materials, Cellulose Acetate, Ceramics - General, Reverse Osmosis, Solutionizing, ...3.0069

EVALUATION OF CONCRETE AND RELATED MATERIALS FOR USE IN DESALINATION PLANTS ...Cement, Concrete, Coatings-general, Corrosion General, Ferrous Alloys - Other, Sealant Materials, ...8.0062

Saliva

SELECTED FACTORS INFLUENCING TASTE OF DRINKING WATER ...Hardness-minerals, Mineralization, Potable Water, Studies, Organooleptic, Temperature Control, Water for Cooking Or Drinking, ...5.0085

Salt

TRANSFER OF SALT AND WATER ACROSS MEMBRANES OF PLANT MITOCHONDRIA ...Active Transport, Bioenergetics, Desalination, Mitochondrial Membranes, Water Movement, ...3.0218

SUBJECT INDEX

SALINITY AND ION TRANSPORT MECHANISMS OF PLANT CELL MEMBRANES ...Absorption (non-specific), Halophytic, Ion Transport and Elect. pot. , Plasma Membrane, Salinity, ...3.0044

WATER BALANCE AND ALKALINE EXCHANGE RELATIONSHIPS AS INFLUENCED BY WATER MANAGEMENT PRACTICES IN RICE ...Arkansas, Microclimate-general, Rice, Water Balance-budget, Water Depth, Water Levels, ...2.0071

GROUND-WATER CONTAMINATION FROM HIGHWAY SALT-ING IN MASSACHUSETTS ...Groundwater, Groundwater Movement, Massachusetts, Salinity, Snow and Ice Removal, ...5.0521

Salts

THERMAL PROPERTIES OF SALT SOLUTIONS ...Conductivity, Property Measurement, Solution, ...1.0057

WATER RESEARCH PROGRAM - SECTION I, PROPERTIES OF SOLUTIONS ...Colloidal Phenomena, Distribution Coefficient, Membranes-other, Potentiometry, Transport, Vapor, ...1.0115

Sampling

SUSPENDED SEDIMENTS IN THE UPPER CHESEPECKE BAY - EVALUATION OF METHODS FOR SIZE ANALYSIS OF SUSPENDED MATERIALS ...Chesapeake Bay, Laboratory, Size, Size Frequency Distribution, Turbidity, ...2.0557

A STUDY OF THE FREEZING CYCLE IN AN ALASKAN STREAM ...Alaska, General, Ice Properties-general, Streams, ...2.0018

MASSACHUSETTS PESTICIDE MONITORING STUDY ...Massachusetts, Monitoring Systems, Pesticides -non-specific, Watersheds-general, ...5.0539

TRANSPORT PROPERTIES OF NATURAL CLAYS ...Clay, Clays, Hydraulics-general, Percolation, Permeability, ...2.1192

San Francisco Bay

SMALL-SCALE CIRCULATIONS OF THE SAN FRANCISCO BAY AREA ...Air Motion-general, Inversion, Land-sea Breezes, Model Studies, Orographic Effects, ...2.0154

EFFECTS OF WATER POLLUTION IN SAN FRANCISCO BAY ...Bays, Economic Impact, Pollution - Effects of , Recreation Sites, Social Aspects, Water Utilization -domestic, Welfare Economics, ...5.0125

ENGINEERING INVESTIGATION OF STORM WATER INFILTRATION INTO SANITARY SEWERS OF THE EAST BAY MUNICIPAL UTILITY DISTRICT ...Benefit-cost Analysis, Combined Sewer, Infiltration, Storm Water, Water Quality Control-general, ...5.0123

NUTRIENT REMOVAL FROM AGRICULTURAL WASTE WATERS ...California, Denitrification, Eutrophication, Nutrients, Pilot Plants, Waste Water Treatment-general, ...4.0032

GEOCHEMISTRY OF SAN FRANCISCO BAY ...Bays, Clays, Distribution, Mineral Associations, Trace Element Analysis, ...2.0121

Sanitation

General Sanitation Methods

LIVESTOCK WASTE MANAGEMENT AND SANITATION ...Aerobic, Animal Waste Removal-treatment, Computer Methods -other, Manure, ...5.0360

Shellfish Depuration

MICROBIOLOGY OF ESTUARINE AND SHELLFISH POLLUTION ...Bioindicators, Clams, Estuaries, Oysters, Pollution Effects, Waste Water Treatment-general, ...5.0719

DEPURATION OF CHEMICAL POLLUTANTS IN SHELLFISH ...Chromium, Contamination - Water, Metabolism, Oysters, Pesticides -non-specific, ...5.0020

DEPURATION OF MICROBIAL POLLUTANTS IN SHELLFISH ...Microbiological, Oysters, Ultra Violet, Viral Pollutant Sources, ...5.0019

GENERAL TECHNICAL ASSISTANCE ...Committee-support, Crustacea -non-specific, Mollusks -non-specific & Other, Water Quality-general, ...5.1075

BACTERIAL DEPURATION OF WEST COAST SHELLFISH ...Clams, Oysters, Pilot Plants, Salinity, Turbidity, ...5.1229

SUBJECT INDEX

Sea Water Chemistry

Satellites & Deep Space Probes

IMPROVE COMPONENTS OF THE DATA ACQUISITION SYSTEM - SATELLITE COMMUNICATIONS EQUIPMENT ...Automatic Data Acquisition, Data Acquisition Systems, Instrumental Services, Rain-general, Streams, ...7.0050

Scanning

Scintillation

Other

ALGAL GROWTH POTENTIAL OF ILLINOIS WATERS ...Algac-General, Bioindicators, Growth (non-specific & Ot.), Growth and Differentiation, Illinois, ...6.0199

Scouring

HYDRAULIC INVESTIGATION OF SOIL EROSION AND SEDIMENTATION IN HIGHWAY MEDIAN AND SIDE DITCHES ...Alabama, Drainage, Flow Characteristics -water, Sedimentation, Silting, ...2.0004

REDUCTION OF SCOUR AROUND BRIDGE PIERS ...Bridges & Culverts, Drainage, Erosion Control, ...2.0965

SEDIMENT TRANSPORTATION AND BOTTOM CONFIGURATION, AMITE RIVER ...Bed Load, Forecasting-prediction, General Deposition, Louisiana, Rate of Deposition, ...5.0450

SCOUR AND FILL IN THE MISSOURI RIVER AS RELATED TO THE WATER RESOURCES PLANNING ...Energy-dynamics, Missouri River, Planning, Sediment Yield, South Dakota, ...2.0966

NON-EQUILIBRIUM TRANSPORT OF SUSPENDED SEDIMENT ...Flume, Length, Open Channel, Sedimentation, Suspension, ...2.0696

LABORATORY STUDIES OF CONSERVATION AND DRAINAGE STRUCTURES ...Drainage, Erosion Control, Pipes, Transition Sections, Velocity, ...3.0217

SCOUR AT RELIEF BRIDGES ...Bridges & Culverts, Culvert, Drainage, Sedimentation, Transition Sections, ...8.0005

SHOALING PROCESSES ...Channels, Sand Bars, Sediment Transport-other, Tidewater Areas, Turbulent Flow, ...2.0690

DETROIT TEST CONDUIT ...Conduit, Control Gate, Erosion Control, Flume Studies, Transition Sections, ...8.0282

SCOUR AT BRIDGE CROSSINGS IN ALASKA ...Bridges & Culverts, Discharge-other, Erosion Control, Suspension, ...2.0013

PROTECTION OF ERODIBLE CHANNELS AND SURFACES WITH GRAVEL OR RIPRAP ...Canals, Channels, Energy Loss -water, Engineering Structures-general, Flow Characteristics -water, Groundwater, Linings-pavings, Seepage, ...8.0040

SEDIMENTATION AND WATER SALVAGE STUDIES-SOIL AND MOISTURE PROGRAM ...Channels, of Specific Weeds, Phreatophytes, Transpiration, Water Loss Control, ...8.0028

STREAM CHANNEL STABILIZATION SEDIMENT CONTROL WORKS IN CHANNELS ...Channels, Erosion Control, Lining, Open Channel, Sedimentation, ...5.0930

Scuba

LIFE HISTORY OF LONGEAR SUNFISH ...Arkansas, Behavioral Ecology, Centrarchidae -other, Life History Studies, Reservoirs and Impoundments, ...6.0016

Sea Ice

SATELLITE SEA ICE STUDIES ...Arctic, Satellites, ...6.0277

WINTER TEMPERATURE STRUCTURE OF THE GREAT LAKES ...Circulation -water, Lake Michigan, Temperature, Thermodynamics, ...2.0631

GREAT LAKES RESEARCH - GREAT LAKES DEICING ...Bibliography, Great Lakes-general, Harbors, Navigation, Origin, ...2.0643

APPLIED PHYSICS AND MECHANICS ...Alteration, Mechanical, Movement, ...8.0265

GREAT LAKES RESEARCH - ICE CHARACTERISTICS ...Aerial, Lake Superior, Micrometeorology, Origin, Petrofabrics, Radiation-terrestrial, ...2.0644

GREAT LAKES RESEARCH - ICE COVER DISTRIBUTION ...Aerial, Aerial, Alteration, Great Lakes-general, Petrofabrics, ...2.0645

SNOW AND ICE COVER INVESTIGATIONS ...Arctic, Frost, Snowmelt, Snowpack, Weather Forecasting, ...2.0747

GREAT LAKES RESEARCH - GREAT LAKES DEICING ...Alteration, Bibliography, Great Lakes-general, Ice Properties-general, Origin, ...2.0646

Sea of Japan

LAKE EFFECT STORM STUDY ...Formation, Lake Erie, Lake Ontario, Model Studies, Weather Forecasting, ...2.0778

Sea Urchins & Other Echinoderm

MARINE WASTE DISPOSAL AND SEA URCHIN ECOLOGY ...California, Pollution Effects, Productivity - Food Chain, Sewage, ...5.0130

Sea Water Chemistry

Chemical Reactions

MINERAL-WATER CHEMISTRY, GREAT LAKES ...Great Lakes-general, Mineral Equilibria, Mineral Genesis, Model Studies, Phase Relationships, Solution Chemistry, ...5.0552

Radioactivity

PRODUCTIVITY OF ESTUARINE AND MARINE ECOSYSTEMS (A COOPERATIVE AGREEMENT WITH THE ATOMIC ENERGY COMMISSION) ...Estuaries, Ions and Gases, Plankton Sampling, Productivity - Food Chain, Radioactivity-general, ...2.0818

Saline Water Systems

THE USE OF AMALGAM ELECTRODES TO MEASURE ACTIVITY COEFFICIENTS OF METAL SALTS IN MULTICOMPONENT SALT SOLUTIONS ...Activity Coefficient, Electrode, Equilibrium-other, ...1.0065

INFLUENCES OF SALINE WATER ON CONCRETE ...Cement, Concrete, Composition Parameters-other, Construction Materials-other, Desalination, Salinity, ...3.0221

REMOTE SENSING, GULF COASTAL AREA, CENTRAL FLORIDA ...Aircraft, Aquifers-general, Fresh Water, Temperature, Tides, ...2.0327

Salinity

TRITIUM AS A TRACER FOR MIXING PROCESSES ...Mixing, Ocean Currents, Radioactivity, Tracers, Tritium, ...5.0264

CHEMICAL RESPONSES BY MARINE ORGANISMS TO STRESS ...Environmental Changes, Environmental Ecology, Environmental Physiology, Protein, Thermal, ...5.1056

ESTUARINE DIFFUSION OF POLLUTANTS ...Dilution-other, Estuaries, Oregon, Pollutants - Path of, Stratification, ...5.0974

OCEANOGRAPHIC DATA COLLECTION - MIDDLE PUGET SOUND ...Data Acquisition, Oysters, Puget Sound, Temperature, Trace Elements, ...7.0112

Water Analysis

Gases

DEVELOPMENT OF A COULOMETRIC METHOD FOR THE MEASUREMENT OF DISSOLVED OXYGEN IN SEA WATER ...Analysis and Detection, Coulometry, Electrolytic, Oxygen, Technique Development, ...2.0914

DETERMINATION OF OXYGEN IN SEA WATER ...Chemical Analysis, Electroanalyses-other, Oxygen, Salt, ...1.0009

ASSEMBLY AND EVALUATION OF AN IMPROVED PPB OXYGEN ANALYZER FOR SEA WATER ...Automatic, Calibration Devices, Inorganic, Oxygen, Technique Development, ...3.0453

General

COASTAL AND INSHORE OCEANOGRAPHY ...Alaska, Estuaries, Marine Biology, Other Sea Water Properties, Shoreline - Coastline, ...2.0015

Organics

ORGANIC GEOCHEMISTRY OF SAN FRANCISCO BAY WATERS AND SEDIMENTS ...Clays, Distribution, Sedimentation, ...2.0123

QUANTITATIVE AND QUALITATIVE CHARACTERISTICS OF MATERIALS CONTRIBUTING TO SEDIMENTATION IN LAKE ERIE ...Lake Erie, Location, Organic, Rate of Deposition, Sedimentation, ...2.0628

PHYTOPLANKTON, SUSPENDED MATERIALS, AND TURBIDITY ...Estuaries, Organic-general, Shoreline - Coastline, Turbidity, ...6.0082

Sea Water Chemistry

Trace Elements

OCEANOGRAPHIC DATA COLLECTION - MIDDLE PUGET SOUND ...Data Acquisition, Oysters, Puget Sound, Salinity, Temperature, ...7.0112

Sea Water Motion

Circulation General

STUDY OF INFLUENCE OF STRATIFICATION ON CURRENT STRUCTURE ...Currents-other, Hydrodynamics, Lake Michigan, ...2.0810

DYNAMICS OF THE CIRCULATION IN THE GREAT LAKES ...Hydrodynamics, Lake Huron, Lake Michigan, Model Studies, Wind-water Interaction, ...2.0407

RESIDENCE TIMES OF WATERS BEHIND BARRIER ISLANDS ...Bays, Simulation Theory, Tides, Wind-water Interaction, ...5.0253

PHYSICAL FACTORS AFFECTING OREGON COASTAL POLLUTION ...Density, Pollution-general, Shoreline - Coastline, Tide-water Areas, Water Quality-general, ...5.0951

CIRCULATION ON THE CONTINENTAL SHELF ...Atlantic Ocean-north, Continental Shelf, Eastern, Water Motion Records, ...2.0624

Convection

RESEARCH IN OCEANIC PHYSICS ...Atlantic Ocean-south, Mixing, Thermodynamics, Water Mass & Ocean Fronts, Wind-water Interaction, ...2.0619

Currents-other

STUDY OF INFLUENCE OF STRATIFICATION ON CURRENT STRUCTURE ...Circulation General, Hydrodynamics, Lake Michigan, ...2.0810

COASTAL DIFFUSION OF POLLUTANTS ...Model Studies, Ocean, Oregon, Outlet, Pulp and Paper Wastes, ...5.0973

Hydrodynamics

STUDY OF INFLUENCE OF STRATIFICATION ON CURRENT STRUCTURE ...Circulation General, Currents-other, Lake Michigan, ...2.0810

DYNAMICS OF THE CIRCULATION IN THE GREAT LAKES ...Circulation General, Lake Huron, Lake Michigan, Model Studies, Wind-water Interaction, ...2.0407

CIVIL ENGINEERING STRUCTURES IN THE OCEANS ...Engineering Studies-other, Foundations-general, Hydraulic Structures, Mechanical Properties, Soil Dynamics, Wave Action, ...8.0165

STABILITY OF RUBBLE-MOUND BREAKWATERS ...Breakwaters, Design Criteria, Engineering Structures-general, Shoreline Structures, Wave Action, Waves, ...8.0230

Internal Waves

THREE BASIC PROBLEMS IN FLUID MECHANICS EVAPORATIVE CONVECTION, ELECTRO-OSMOSIS, INTERNAL WAVES ...Electrochemistry-other, Flow Characteristics -water, Fluid Dynamics, Photography, Reverse Osmosis, Wave Motion in Fluids-other, ...3.0074

MECHANICS OF WAVE ACTION IN DEEP AND SHALLOW WATER ...Geomorphology-topography, Longshore Currents, Sand Bars, Tsunami, Waves, ...2.0258

Longshore Currents

AIRPHOTO ANALYSIS OF OCEAN OUTFALL DISPERSION ...Diffusion, Ocean, Outlet, Photogrammetry, Pollution-general, ...5.0941

SAND TRACING AT SPECIFIC INLETS AND AREAS ON THE LOWER EAST COAST OF FLORIDA ...Bays, By-passing, Florida, Shoreline - Coastline, Tracers, ...8.0161

MECHANICS OF WAVE ACTION IN DEEP AND SHALLOW WATER ...Geomorphology-topography, Internal Waves, Sand Bars, Tsunami, Waves, ...2.0258

Mixing

TRITIUM AS A TRACER FOR MIXING PROCESSES ...Ocean Currents, Radioactivity, Salinity, Tracers, Tritium, ...5.0264

RESEARCH IN OCEANIC PHYSICS ...Atlantic Ocean-south, Convection, Thermodynamics, Water Mass & Ocean Fronts, Wind-water Interaction, ...2.0619

SUBJECT INDEX

OCEANOGRAPHIC FACTORS IN THE FUNCTIONAL DESIGN OF WASTE DISPOSAL SYSTEMS ...Jet Flow-other, Nuclear Power, Outlet, Process Design, Sewers, ...5.0115

Ocean Currents

TRITIUM AS A TRACER FOR MIXING PROCESSES ...Mixing, Radioactivity, Salinity, Tracers, Tritium, ...5.0264

THE SPREADING OF OIL FILMS ...Forecasting-prediction, Oil, Pollution Abatement, Tides, Waves, ...5.0787

Sea Level Variations

ATLANTIC COASTAL PLAIN - PERMEABILITY DISTRIBUTION STUDY ...Coastal Plain, Permeability, Structural Source, Transport Direction, Wedges, ...2.0824

GEOLOGIC ASPECTS OF SEA-WATER ENCROACHMENT - RECOGNITION OF LATE GLACIAL SUBSTAGES IN NEW YORK AND NEW ENGLAND ...Field Studies, New York, Quaternary Period, Saline Water Intrusion, Shoreline - Coastline, ...2.0300

Tides

OYSTER LEASE CONTROL MONUMENTS - BAY ADAM, BASTIAN BAY AND SANDY POINT BAY AREAS ...Commercial Fishing, Gulf of Mexico, Louisiana, Oysters, Plane, ...6.0249

RESIDENCE TIMES OF WATERS BEHIND BARRIER ISLANDS ...Bays, Circulation General, Simulation Theory, Wind-water Interaction, ...5.0253

THE SPREADING OF OIL FILMS ...Forecasting-prediction, Ocean Currents, Oil, Pollution Abatement, Waves, ...5.0787

MARINE SURFACE FORECASTING TECHNIQUES ...Forecasting-prediction, Lake Erie, Ocean Meteorological Studies, Storms-general, Surface Environments, ...2.0599

GENERAL COASTAL INLET STUDIES ...Coastal Engineering-other, Coastlines-shorelines, Discharge-other, Model Studies, Synthetic Hydrology-general, Velocity -water, ...2.0689

REMOTE SENSING, GULF COASTAL AREA, CENTRAL FLORIDA ...Aircraft, Aquifers-general, Fresh Water, Saline Water Systems, Temperature, ...2.0327

Tsunami

MECHANICS OF WAVE ACTION IN DEEP AND SHALLOW WATER ...Geomorphology-topography, Internal Waves, Longshore Currents, Sand Bars, Waves, ...2.0258

Water Mass & Ocean Fronts

RESEARCH IN OCEANIC PHYSICS ...Atlantic Ocean-south, Convection, Mixing, Thermodynamics, Wind-water Interaction, ...2.0619

BRISTOL BAY ESTUARINE ECOLOGY ...Alaska, Estuaries, Fishing Gear, Life History Studies, Migration, Salmon -coho, chinook, sockeye..., ...2.0016

Waves

OCEANOGRAPHIC USES OF RADAR ...Aircraft, Electronics - Applied, Radar, Surface Environments, Wind-water Interaction, ...6.0273

RADAR DATA ACQUISITION OVER OCEANOGRAPHIC TEST SITES ...Data Acquisition Systems, Electronics - Applied, Icebergs, Optical, Radar, Surface Environments, ...6.0274

CRITERIA FOR THE DESIGN OF SMALL CRAFT HARBORS ...Breakwaters, Coastal Engineering-other, Harbors, Marinas, Seiches, ...2.0133

AN ANALYTICAL AND EXPERIMENTAL STUDY OF BED FORMS UNDER WATER WAVES ...Channel Roughness, Friction, Geomorphology-topography, Model Studies, Water Tunnels Tables, Wave Action, ...2.0347

TRANSVERSAL DRIFTS IN BOTTOM PROFILE ...Bathymetry, Benthic-bottom, Intertidal Areas, Ocean Waves - Currents, ...5.0254

THE SPREADING OF OIL FILMS ...Forecasting-prediction, Ocean Currents, Oil, Pollution Abatement, Tides, ...5.0787

DISPERSION OF WATER AND SEDIMENTS IN THE SURF ZONE ...Beaches, Pollutants - Path of, Pollution-general, Shoreline - Coastline, Size, ...5.0151

COASTAL ENGINEERING STUDIES RELATED TO FLORIDA'S SHORELINE AND BEACH EROSION PROBLEMS ...Beach, By-passing, Erosion-general, General, Shoreline Structures, Storms-general, ...8.0160

WAVE FORCES ON BREAKWATERS ...Breakwaters, Ext Pressure on Struct-general, Shoreline Structures, Wave Action, ...8.0232

SUBJECT INDEX

Sediment Deposition

STABILITY OF RUBBLE-MOUND BREAKWATERS ...Breakwaters, Design Criteria, Engineering Structures-general, Hydrodynamics, Shoreline Structures, Wave Action, ...8.0230
HARBOR DESIGN STUDIES ...Harbors, Navigation, ...8.0231
GREAT LAKES RESEARCH - LAKE WAVES ...Great Lakes-general, ...2.0641
MECHANICS OF WAVE ACTION IN DEEP AND SHALLOW WATER ...Geomorphology-topography, Internal Waves, Longshore Currents, Sand Bars, Tsunami, ...2.0258
MECHANICS OF SAND MOVEMENT BY WAVES ...Model Studies, Ocean Waves - Currents, Shoreline Structures, Size, Wave Motion in Fluids-other, ...2.0259
CORRELATION OF BEACH PROPERTIES AND INCIDENT WAVES ...Beach, Development, Engineering Structures-general, ...2.0260
WAVE RECORDING AND ANALYSIS ...Lasers-masers, Pressure, Radar, Sonar, Statistics-general, System Development, Water Motion Recorders, ...2.0262
RUBBLE-MOUND PROTOTYPE STUDIES ...Breakwaters, Jetty, Shoreline Structures, Water Motion Recorders, Wave Action, ...8.0156

Sea Water Properties

Density

PHYSICAL FACTORS AFFECTING OREGON COASTAL POLLUTION ...Circulation General, Pollution-general, Shoreline - Coastline, Tidewater Areas, Water Quality-general, ...5.0951

Optical

RADAR DATA ACQUISITION OVER OCEANOGRAPHIC TEST SITES ...Data Acquisition Systems, Electronics - Applied, Icebergs, Radar, Surface Environments, Waves, ...6.0274
DEPTH CONTOURING BY COLOR SEPARATION ...Bathymetry, Electronics - Applied, Marine Photography-television, Photogrammetry, Satellites, ...6.0276

Other Sea Water Properties

APPLICATIONS STUDIES RELATED TO SEA SURFACE TEMPERATURE ...Electronics - Applied, ...6.0272
COASTAL AND INSHORE OCEANOGRAPHY ...Alaska, Estuaries, General, Marine Biology, Shoreline - Coastline, ...2.0015

Pressure

WAVE RECORDING AND ANALYSIS ...Lasers-masers, Radar, Sonar, Statistics-general, System Development, Water Motion Recorders, Waves, ...2.0262

Temperature

SURFACE TEMPERATURE STUDIES USING RADIOMETRY TECHNIQUES ...Aircraft, Heat and Radiation Transfer, Infrared Radiation, Microwave Radiation, Surface Environments, ...6.0270
PACIFIC OCEAN INFLUENCE UPON CALIFORNIA RAINFALL ...California, Forecasting, Pacific Ocean-general, Patterns, Rain-other, ...2.0104
REMOTE SENSING, GULF COASTAL AREA, CENTRAL FLORIDA ...Aircraft, Aquifers-general, Fresh Water, Saline Water Systems, Tides, ...2.0327
OCEANOGRAPHIC DATA COLLECTION - MIDDLE PUGET SOUND ...Data Acquisition, Oysters, Puget Sound, Salinity, Trace Elements, ...7.0112

Thermal

CHEMICAL RESPONSES BY MARINE ORGANISMS TO STRESS ...Environmental Changes, Environmental Ecology, Environmental Physiology, Protein, Salinity, ...5.1056
TEMPERATURE TOLERANCE OF MARINE ANIMALS THROUGH BEHAVIORAL RESPONSES ...Behavior -animal, Environment Resistance, Mortality Rates, Water Temperature-non-specific, ...6.0344
EFFECTS OF HOT WATER MASSES ON MARINE FISHES ...Atlantic Ocean-north, Behavior -animal, Fish -non-specific, High Temp. -85f Or Above, ...5.0721

Thermodynamics

WINTER TEMPERATURE STRUCTURE OF THE GREAT LAKES ...Circulation -water, Lake Michigan, Sea Ice, Temperature, ...2.0631

RESEARCH IN OCEANIC PHYSICS ...Atlantic Ocean-south, Convection, Mixing, Water Mass & Ocean Fronts, Wind-water Interaction, ...2.0619

Sea Water-general

SEA WATER CORROSION TEST PROGRAM ...Desalination, Inhibitors, Scale Formation, Water, ...3.0455
DESIGN AND CONSTRUCTION OF A REVERSE OSMOSIS PILOT PLANT FOR THE DESALINATION OF SEA WATER ...Desalination, Membranes-other, Nitrogen, Pilot Plant, Reverse Osmosis, ...3.0051
LIFE TEST OF NOVEL EVAPORATOR ...Desalination, Distilling Units, Heat Trans Coefficient, Pilot Plants, ...3.0368
STUDIES IN THE THERMOECONOMICS OF SEA AND BRACKISH WATER DEMINERALIZATION ...Brackish Water, Demineralization, Desalination, Optimization, ...3.0319
PRELIMINARY EVALUATION OF HIGH RETENTION MEMBRANES ...Desalination, Membranes-other, Other, Reverse Osmosis, ...3.0059
EVALUATION OF HIGH PRESSURE PUMPS FOR REVERSE OSMOSIS PROCESS ...Axial Flow, Brines, Pumping, Reverse Osmosis, ...3.0410
TEST OPERATION OF A TUBULAR 4,300 GPD REVERSE OSMOSIS UNIT ON SEA WATER ...Desalination, Membranes-other, Process Development-other, Reverse Osmosis, ...3.0098
IMPROVED DETECTION TECHNIQUES TO DETERMINE RADIONUCLIDES IN FRESH AND SEA WATER ...Cesium, Fresh Water, Ion Exchange-other, Radioactivity-general, ...5.1100

Sealant Materials

SMALL RESERVOIR SEALING ...Linings-pavings, Seepage, ...8.0288
DEVELOPMENT AND DEMONSTRATION OF MATERIALS TO REDUCE OR ELIMINATE WATER INFILTRATION INTO SEWERAGE ...Groundwater Movement, Joining, Bonding-general, Linings-pavings, Other, Pipe-other, ...5.1186
USE OF LATEX AS A SOIL SEALANT TO CONTROL ACID MINE WASTE DRAINAGE ...Acidity, Elastomers Rubber, Lining, Linings-pavings, Mine Drainage Control, Seepage, ...5.0996
HANDBOOK FOR CONCRETE AND CEMENT ...Aggregates, Extenders, Fillers, Cement, Concrete, Curing Agents, Handbooks, Water, ...8.0235
EVALUATION OF CONCRETE AND RELATED MATERIALS FOR USE IN DESALINATION PLANTS ...Cement, Concrete, Coatings-general, Corrosion General, Ferrous Alloys - Other, Saline Conversion, ...8.0062
COATING TECHNOLOGY ...Coatings-general, Humid, Paint - General, Standards, Specifications, Surface Cleaning, Finishing, ...8.0131
HARD SURFACE LININGS--LOWER COST CANAL LINING PROGRAM ...Bituminous, Canals, Cement, Concrete, Gel, Linings-pavings, ...8.0050
EVALUATION OF CANAL SEALANTS -OPEN AND CLOSED CONDUCT RESEARCH PROGRAM ...Canals, Dam, Canal, Flume Studies, Seepage, Soil Environment, ...8.0085
INVESTIGATION OF GROOVE AND CRACK SEALING MATERIALS ...Bituminous, Canals, Cement, Concrete, Elastomers Rubber, Linings-pavings, Polyethylene, ...8.0076

Sediment Deposition

Deposition-other

MATHEMATICAL SIMULATION OF CYCLIC SEDIMENTATION ...Mathematical Analysis, Model Studies, Simulation Theory, ...2.0131
FORM, PROCESSES AND DEPOSITS OF THE KNIK RIVER, ALASKA ...Braided Stream, Floods, Ice Jam, Sediment Transport-other, Sorting, ...2.0782

Deposits

Alluvial Deposits

STABLE ALLUVIAL CHANNELS ...Boundary Layer-general, Channels, Control Factors-general, Cross-section, Flow Characteristics -water, ...2.0225
HYDRAULIC RESISTANCE IN ALLUVIAL CHANNELS ...Channel Geometry, Energy-dynamics, Flow Characteristics -water, Flow of Dispersed Solids, Sediment Transport-general, ...2.0448

Sediment Deposition

SUBJECT INDEX

CORRELATION OF GROUND SUBSIDENCE FEATURES, FOUNDATION FAILURES AND EARTH CRACKS WITH WATER TABLE DRAWDOWN IN ALLUVIAL BASINS ...Drawdown, Foundations-general, Joints-fractures, Soil Exploration, Soil Settlements, Subsidence, ...3.0016

A REGIONAL STUDY OF THE CHANGING OCCUPANCY AND DEVELOPMENT OF AN ALLUVIAL LOWLAND ...Land Use, Management, Mississippi, Model Studies, Regional Areas, ...7.0031

COMMITTEE ON CHANNEL STABILIZATION ...Bedding Planes, Channels, Design Criteria, Open Channel, Stabilization-other, Streams, Temperature, ...2.0686

THE POST-PLEISTOCENE EPICYCLE SEQUENCE OF ALLUVIATION AND EROSION IN THE LOWER SAN JUAN DRAINAGE ...Archeology, Gullies - Arroyos, Paleoenvironments, Paleohydrology, San Juan, ...2.1097

INVESTIGATIONS OF STREAM CHANNEL MORPHOLOGY IN THE SOUTHERN BRANCH AND AT THE USDA SEDIMENTATION LABORATORY ...Flow Characteristics -water, Meanders, Morphology-general, Roughness, Scouring, Shear-flow, ...2.0678

Deposits-other

GEOLOGICAL STUDIES IN NORTHERN LAKE MICHIGAN ...Lake Michigan, Lakes, Rocks - Bedrock, Submergent, Water Level Fluctuation, ...2.0630

INSECTICIDE ADSORPTION BY LAKE SEDIMENTS AS A FACTOR CONTROLLING INSECTICIDE ACCUMULATION IN LAKES ...Adsorption Capacity, Degradation, Insecticides -non-specific, Lakes, Wisconsin, ...5.1300

CONTROL OF BENTHIC DEPOSITS IN LAKES ...Benthonic-bottom, Eutrophication, Lakes, Water Quality Control-general, ...5.0513

SEDIMENT-WATER-BACTERIA INTERACTIONS IN EUTROPHICATION ...Eutrophication, Lakes, Nutrients, Oregon, Water Bacteria, ...5.0953

OXYGEN DEMAND OF LAKE ERIE SEDIMENT ...Aquatic Soils, Oxygen, Transfer Processes, ...2.0627

Sand Bars

SHOALING PROCESSES ...Channels, Scouring, Sediment Transport-other, Tidewater Areas, Turbulent Flow, ...2.0690

MECHANICS OF WAVE ACTION IN DEEP AND SHALLOW WATER ...Geomorphology-topography, Internal Waves, Longshore Currents, Tsunami, Waves, ...2.0258

DELAWARE ESTUARY SEDIMENTATION STUDY ...Delaware River, Rate of Deposition, Sediment Transport-general, Sediment Yield, Turbulent Flow, ...2.0908

Unconsolidated Deposits

GROUND WATER CONDITIONS OF THE CENTRAL BOSTON AREA, MASSACHUSETTS ...Aquifers-general, Massachusetts, Observation Wells, Structure Sites, Water Table Fluctuation, ...2.0613

General Deposition

SEDIMENT TRANSPORTATION AND BOTTOM CONFIGURATION, AMITE RIVER ...Bed Load, Forecasting-prediction, Louisiana, Rate of Deposition, Scouring, ...5.0450

SALINITY INTRUSION AND RELATED PHENOMENA ...Currents -water, Mixing, Open Channel Flow, Saline Water Intrusion, Sediment Transport-general, ...2.0687

WATERSHED REHABILITATION TO CONTROL EROSION AND SEDIMENTATION IN THE SOUTHWEST ...Erosion-general, Sediment Yield, Stabilization-general, Watersheds-general, ...4.0175

THE NATURE AND PROCESSES OF RESERVOIR SEDIMENTATION IN THE SOUTHERN BRANCH AND AT THE USDA SEDIMENTATION LABORATORY ...Agricultural Watersheds, Reservoirs and Impoundments, Sediment Yield, Silting, Southern, ...2.0676

SEDIMENT PRODUCTION, MOVEMENT, AND DEPOSITION IN WATERSHEDS IN THE SOUTHERN GREAT PLAINS ...Agricultural Watersheds, Great Plains Province, Location, Sediment Yield, Supply Rate, ...2.0882

FACTORS INFLUENCING THE STABILITY AND REGIME OF CHANNELS IN AGRICULTURAL WATERSHEDS ...Agricultural Watersheds, Channels, Climate, Land Use, Morphology-general, ...4.0072

RESERVOIR SEDIMENTATION STUDIES IN CORN BELT STATES ...Design Criteria, Reservoirs, Reservoirs and Impoundments, Sediment Yield, Sediments, ...2.0868

Rate of Deposition

SEDIMENT TRANSPORTATION AND BOTTOM CONFIGURATION, AMITE RIVER ...Bed Load, Forecasting-prediction, General Deposition, Louisiana, Scouring, ...5.0450

RELATIONSHIP BETWEEN THE ERODIBILITY OF SOILS AND THE SEDIMENTATION RATE OF RESERVOIRS ...Erosion-general, Physical Properties-general, Reservoirs and Impoundments, Sediment Yield, Soil Erosion -non-specific, ...2.0463

TIDAL, SALINITY AND SEDIMENTATION PROBLEMS IN LAKE MARACAIBO CHANNEL, VENEZUELA ...Bed Load, Erosion-general, Salinity, Tides, Venezuela, ...2.0618

SEDIMENTATION IN LAKES AND RESERVOIRS ...Conservation-general, Land Use, Reservoirs and Impoundments, Slopes, Soil Types-other, ...2.0422

SEDIMENTATION METER ...Automatic Data Acquisition, Gaging, ...7.0104

ENVIRONMENTAL RADIATION STUDIES ...Core Analysis, Protactinium, Thorium, Uranium, ...1.0113

TRACE ELEMENT CYCLES IN A SOUTHEASTERN RESERVOIR LAKE ...Adsorption Capacity, Radioactivity-general, Reservoirs, Reservoirs and Impoundments, Trace Element Analysis, Trace Elements, Water Cycle, ...2.0945

DELAWARE ESTUARY SEDIMENTATION STUDY ...Delaware River, Sand Bars, Sediment Transport-general, Sediment Yield, Turbulent Flow, ...2.0908

EFFECT OF CONSERVATION PRACTICES ON HYDROLOGY AND SEDIMENTATION RATES ...Conservation, Land Use, Pennsylvania, Small Watersheds, ...4.0204

BAYOU LAFOURCHE SEDIMENTATION STUDY, LOUISIANA ...Bayous, Channels, Louisiana, Morphology-general, Sediment Yield, ...2.0535

EFFECT OF LAKES MARION AND MOULTRIE AS SEDIMENT TRAPS ...Lakes, Sediment Yield, South Carolina, Supply Rate, Suspension, ...2.0963

QUANTITATIVE AND QUALITATIVE CHARACTERISTICS OF MATERIALS CONTRIBUTING TO SEDIMENTATION IN LAKE ERIE ...Lake Erie, Location, Organic, Organics, Sedimentation, ...2.0628

Sediment Properties

Composition

Carbonates

SPATIAL DISTRIBUTION OF CHEMICAL CONSTITUENTS IN GROUND WATER ...Chemical-general, Groundwater, Model Studies, Sedimentary Petrogenesis, Solution Chemistry, Statistical, ...1.0120

DETECTION OF SUBSURFACE CAVITIES OR CONDUITS IN FOUNDATIONS OF PROPOSED RESERVOIRS AND ENGINEERING STRUCTURES ...Cave Studies, Engineering Structures-general, Geology - Engineering, Geothermal Gradient, Tritium, ...8.0073

Chemical

CHEMICAL STUDIES ON THE WATERS AND SOILS OF LAKES AND WETLANDS, WITH SPECIAL REFERENCE TO MINOR ELEMENTS ...Chemical-general, Lakes, Minnesota, Trace Element Analysis, Wetlands, ...2.0660

BIOCHEMICAL EFFECTS OF MICROORGANISMS UPON THE SALT MARSH ENVIRONMENT ...Aquatic Soils, Core Analysis, Microorganisms (non-specific), Salinity, Swamps-marshes, Tidewater Areas, ...1.0026

BOTTOM SEDIMENTS OF LAKE CHAMPLAIN ...Clays, General, Lakes, Size, Vermont, ...2.1087

STRONTIUM ISOTOPE COMPOSITION AND TRACE ELEMENT CONCENTRATIONS IN LAKE HURON AND ITS PRINCIPAL TRIBUTARIES ...Ions and Gases, Lake Huron, Rocks - Bedrock, Strontium, Trace Element Analysis, ...2.0854

A GEOLOGIC, GEOCHEMICAL AND MICROBIOLOGIC STUDY OF FLATHEAD LAKE ...Charts, Lakes, Montana, Physical Properties-general, Topographic, ...2.0718

RELATION OF PHOSPHORUS IN LAKE BOTTOM DEPOSITS AND POLLUTIONAL HISTORY OF MINNESOTA LAKES ...Core Analysis, Lakes, Minnesota, Phosphorus, ...5.0602

INFLUENCE OF SUSPENDED MICROSCOPIC SUBSTANCES ON THE METABOLISM OF MICROORGANISMS RESPONSIBLE FOR BIOLOGICAL ENRICHMENT OF WATER ...Adsorption Capacity, Eutrophication, Microorganisms (non-specific), Pollution - Effects of, Sediments, ...5.0877

SUBJECT INDEX

Sediment Properties

RELATIONSHIPS BETWEEN PHOSPHATE AND OTHER CHEMICALS AT THE WATERSUBSTRATE INTERFACE IN WESTERN LAKE ERIE ...Aquatic Soils, Chemical-general, Phosphate, Phosphite, Sediments, ...5.0874

INVESTIGATION OF PHOSPHORUS AVAILABILITY IN OLIGOTROPHIC LAKES ...Adsorption Capacity, Aquatic Ecology, Exchange Capacity, Lakes, Phosphorus, ...2.0807

CARBON-14 CONTENT OF FRESH WATER CARBONATES ...Carbon-14, Carbonates-general, Paleoclimatology, Paleohydrology, Playas, ...2.0048

Clays

CLAY-INORGANIC AND ORGANIC-INORGANIC ASSOCIATIONS IN AQUATIC ENVIRONMENTS ...Activation Analysis, Chemical Reactions, Exchange Capacity, Organic, Sedimentation, Suspension, ...2.0019

BOTTOM SEDIMENTS OF LAKE CHAMPLAIN ...Chemical, General, Lakes, Size, Vermont, ...2.1087

GLACIAL GEOLOGY OF THE CHAMPLAIN VALLEY ...Glacial History, Mapping, New York, Till, Vermont, ...2.1089

CLAY MINERAL STABILITY AND WATER COMPOSITION ...Clay Minerals-general, Interstitial - Connate Water, Mineralization, Moisture Content, Stability Fields, ...1.0124

TRANSPORT PROPERTIES OF NATURAL CLAYS ...Clay, Hydraulics-general, Percolation, Permeability, Sampling, ...2.1102

GEOCHEMISTRY OF SAN FRANCISCO BAY ...Bays, Distribution, Mineral Associations, San Francisco Bay, Trace Element Analysis, ...2.0121

ORGANIC GEOCHEMISTRY OF SAN FRANCISCO BAY WATERS AND SEDIMENTS ...Distribution, Organics, Sedimentation, ...2.0123

General

BOTTOM SEDIMENTS OF LAKE CHAMPLAIN ...Chemical, Clays, Lakes, Size, Vermont, ...2.1087

SEDIMENTARY FACIES IN LAKE BUTTE DES MORTS, WISCONSIN ...Eutrophication, Lakes, Organic, Size, Wisconsin, ...2.1169

Heavy Minerals

QUATERNARY SEDIMENTATION AT MARINE-FLUVIAL INTERFACE, SW OREGON ...Bed Load, Geological Exploration, Mineralogy-petrology, Quaternary Period, Size, ...2.0120

Interstitial - Connate Water

CLASSIFICATION OF DEEP SUBSURFACE WATERS BY CHEMICAL COMPOSITION AND GEOLOGY ...Chemical Analysis (water), Geochemical Analysis, Groundwater, High Pressure Research, Salinity, ...2.0883

SHALES AS FILTERS IN NATURAL WATERS ...Chemical-general, Dewatering, Filtration, Fine-grained Clastics, Groundwater, ...2.0079

SOLUBILITY OF NATURAL GASES IN CONNATE WATER AND OF WATER IN NATURAL GASES ...Brines, High Pressure - 1-1000 Atm, Ions and Gases, Natural Gas, Solubility, Solution Chemistry, ...1.0080

THE EFFECT OF CLAY MINERALS ON THE CHEMICAL COMPOSITION OF FRESH AND SALINE WATERS ...Adsorption-other, Chemical-general, Clay Minerals-general, Core Analysis, Exchange-other, Groundwater, ...2.0360

CLAY MINERAL STABILITY AND WATER COMPOSITION ...Clay Minerals-general, Fine-grained Clastics, Mineral Reactions, Mineralogy, Moisture Content, ...5.1238

HYDROLOGY OF THE SUB-LAKE SEDIMENTS BENEATH GREAT SALT LAKE ...Artificial Recharge, Brines, Geology - Engineering, Great Salt Lake, Permeability, ...2.1082

CLAY MINERAL STABILITY AND WATER COMPOSITION ...Clay Minerals-general, Clays, Mineralization, Moisture Content, Stability Fields, ...1.0124

Ore Minerals

DISSOLVED CONSTITUENTS OF NATURAL WATERS - CONTRIBUTIONS FROM MINERALIZED AREAS ...Chemical Reactions, Geochemical Analysis, Groundwater, Mineralization, Mineralogy-petrology, ...2.0734

Organic

CLAY-INORGANIC AND ORGANIC-INORGANIC ASSOCIATIONS IN AQUATIC ENVIRONMENTS ...Activation Analysis, Chemical Reactions, Clays, Exchange Capacity, Sedimentation, Suspension, ...2.0019

ASSESSMENT OF ENVIRONMENT FACTORS INFLUENCING THE DISTRIBUTION OF BOTTOM FISHES IN RESERVOIRS ...Nets, Oklahoma, Physical Properties-general, Reservoirs and Impoundments, Turbidity & Suspended Matter, ...5.0924

MICROBIAL INTERVENTION IN THE EUTROPHICATION PROCESS ...Eutrophication, Food Chains, Nutrients, Phytoplankton, Water Bacteria, ...5.0515

SEDIMENTARY FACIES IN LAKE BUTTE DES MORTS, WISCONSIN ...Eutrophication, General, Lakes, Size, Wisconsin, ...2.1169

QUANTITATIVE AND QUALITATIVE CHARACTERISTICS OF MATERIALS CONTRIBUTING TO SEDIMENTATION IN LAKE ERIE ...Lake Erie, Location, Organics, Rate of Deposition, Sedimentation, ...2.0628

Physical Properties

Adsorption Capacity

THE EXTRACTION OF POTASSIUM FROM FRESH AND SALINE WATERS BY CLAY MINERALS ...Analysis and Detection, Clay Minerals-general, Extraction, Potassium, ...2.0359

ADSORPTION OF IONS IN TRACE CONCENTRATIONS ON SOIL AND SILT PARTICLES ...Adsorption-other, Radioisotopes, Size, Soil Environment, Transfer Processes, ...2.0349

WATER ADSORPTION AND ITS INTERACTIONS WITH CLAY AND QUARTZ ...Bonding, Clay, Internal Water Movement, Quartz, Subsurface Flow, ...2.0663

IMPROVEMENT OF QUALITY OF WATER RESOURCES BY A THREE-FOLD ATTACK - ADSORPTION, SEDIMENTATION AND MIXING ...Adsorption, Aquatic Ecology, Flocculation, Pollution Abatement, Sedimentation, ...5.0502

INSECTICIDE ADSORPTION BY LAKE SEDIMENTS AS A FACTOR CONTROLLING INSECTICIDE ACCUMULATION IN LAKES ...Degradation, Deposits-other, Insecticides -non-specific, Lakes, Wisconsin, ...5.1300

INFLUENCE OF SUSPENDED MICROSCOPIC SUBSTANCES ON THE METABOLISM OF MICROORGANISMS RESPONSIBLE FOR BIOLOGICAL ENRICHMENT OF WATER ...Chemical, Eutrophication, Microorganisms (non-specific), Pollution - Effects of, Sediments, ...5.0877

INVESTIGATION OF PHOSPHORUS AVAILABILITY IN OLIGOTROPHIC LAKES ...Aquatic Ecology, Chemical, Exchange Capacity, Lakes, Phosphorus, ...2.0807

ADSORPTION OF VIRUSES ON MINERAL SURFACES ...Adsorption, Control of Viruses, Escherichia Coli, Mineralogy, Viral Pollutant Sources, ...5.0474

SORPTION AND DESORPTION OF CHLORINATED HYDROCARBON PESTICIDES IN AQUATIC SEDIMENT MINERALS ...Absorption, Fixation, Exchange, Adsorption-desorption, Equilibrium-other, Model Studies, Pesticides, ...5.0690

PREDICTION OF WATER MOVEMENT IN UNSATURATED SOILS ...Flow Characteristics -water, Internal Water Movement, Soil Environment, Soil Physical Properties, Unsaturated Flow, ...2.0049

CLAY-WATER-ION INTERACTIONS ...Clay, Flow Characteristics -water, Moisture Tension, Soil Temp. -non-specific, Temperature, ...2.0436

INTERRELATIONSHIPS OF SOIL PHYSICAL PROPERTIES AND SOIL WATER MOVEMENTS ...Drawdown, Internal Water Movement, Moisture Tension, Permeability, Phosphate, Phosphite, ...2.0829

THE DISPOSITION OF PESTICIDES IN THE SOIL ...Drainage, Movement, Leaching, North Carolina, Persistence in Soils, ...5.0826

POND SEALING ...Lining, Linings-pavings, Permeability, Ponds, ...4.0223

SOILS, PESTICIDES, AND THE QUALITY OF WATER ...Internal Water Movement, Movement, Leaching, Pollutants - Path of, Thermal Properties-other, ...6.0590

INTERACTION OF ANIMAL VIRUSES WITH CLAY MINERALS ...Animal Viruses (non-specific), Clay Minerals-general, Filtration, Viral Pollutant Sources, Waste Water Treatment-general, ...5.1051

THE ROLE OF SOIL WETTABILITY AND TREATMENT WITH WETTING AGENTS ON WATER MOVEMENT AND SOIL PHYSICAL PROPERTIES ...Formation Principles, Internal Water Movement, Moisture Content, Organic Content, Subsurface Flow, Texture, ...2.0141

MICROBIAL ADSORPTION IN SOILS ...Biological Pollutants - general, Electrical Properties, Microbiology -soil, Percolation, Soil Environment, ...2.0213

Sediment Properties

SUBJECT INDEX

TRACE ELEMENT CYCLES IN A SOUTHEASTERN RESERVOIR LAKE ...Radioactivity-general, Rate of Deposition, Reservoirs, Reservoirs and Impoundments, Trace Element Analysis, Trace Elements, Water Cycle, ...2.0945

HYDROLOGIC STUDIES LEADING TO SITE UTILIZATION ...Groundwater, Hydrology-general, Nuclear Explosion, Pollutants - Path of, Radioactivity-underground Test, Sediment Transport-other, ...3.0134

DISTRIBUTION OF ELEMENTS IN FLUVIAL AND BRACKISH ENVIRONMENTS ...Adsorption-general, Brackish Water, Chemical Reactions, Element Ratios, Exchange Capacity, Solution, ...2.0282

MOVEMENT OF RADIONUCLIDES IN THE LOWER COLUMBIA RIVER ...Absorbed Load, Columbia River, Pollutants - Path of, Radioactivity-general, ...2.0902

SEDIMENT MINERALOGY ...Contamination - Water, Estuaries, Pollution Effects, Productivity - Food Chain, Radioactivity-general, ...5.0806

Density

GRAVITY INVESTIGATION OF WATER-BEARING STRATA IN SWAN VALLEY, MONTANA ...Gravity Surveys, Local Structure, Montana, Porosity, Valley, Buried, ...2.0713

Exchange Capacity

CLAY-INORGANIC AND ORGANIC-INORGANIC ASSOCIATIONS IN AQUATIC ENVIRONMENTS ...Activation Analysis, Chemical Reactions, Clays, Organic, Sedimentation, Suspension, ...2.0019

IN SITU STUDY OF FACTORS CONTROLLING NUTRIENT REGENERATIONS IN THE BOTTOM SEDIMENTS ...Adirondack Province, Aquatic Soils, Mineral Content -water, Nutrients, Phosphorus, Ponds, ...2.0806

INVESTIGATION OF PHOSPHORUS AVAILABILITY IN OLIGOTROPHIC LAKES ...Adsorption Capacity, Aquatic Ecology, Chemical, Lakes, Phosphorus, ...2.0807

MOVEMENT AND MIXING OF WATER INJECTED INTO AQUIFERS ...Aquifers-general, Artificial Recharge, Dispersion - water, Flow Augmentation, Fluid Mixing, Groundwater Movement, Water Wells, ...5.0527

AQUATIC TRANSPORT OF NUCLEAR DEBRIS ...Canals, Chemical Reactions, Ion Exchange-other, Pollutants - Path of, Radioactive Fallout, ...1.0012

DISTRIBUTION OF ELEMENTS IN FLUVIAL AND BRACKISH ENVIRONMENTS ...Adsorption Capacity, Adsorption-general, Brackish Water, Chemical Reactions, Element Ratios, Solution, ...2.0282

UNSATURATED FLOW STUDIES ...Artificial Recharge, Electrical Properties, Groundwater Movement, Infiltration, Unsaturated Flow, ...2.0286

INFLUENCES OF WATER-SEEPAGE CHARACTERISTICS ON THE COMPOSITION OF EXCHANGEABLE PORE-WATER SOLUTES ...Clay Minerals-general, Groundwater, Moisture Content, Seepage, Water Quality-general, ...2.0126

EUTROPHICATION - SEDIMENT-WATER INTERCHANGE STUDIES ...Eutrophication, Ion Exchange-other, Lakes, Nutrients, Sediments, ...5.0982

Permeability

POROSITY AND PERMEABILITY OF VIRGINIA AGGREGATES ...Aggregates - Crushed Rock, Nitrogen, Porosity, Virginia, ...2.1111

STUDY OF TRANSPORT, DEPOSITION AND SCOUR OF FINE PARTICLES THROUGH A POROUS MEDIUM ...Flow Characteristics -water, Porosity, Porous Media - Flow Through, Sedimentation, Silting, ...2.0081

GRAVEL PERMEABILITY IN SALMONID SPAWNING BEDS ...Cementing Material, Silting, Size, Spawn Or Nesting Sites, Streams, ...6.0619

THE EFFECT OF THE NATURAL SEALING OF POTHoles UPON WATER MOVEMENT AND GROUNDWATER RESOURCES ...Groundwater, Internal Water Movement, Linings-pavings, Potholes, Subsurface Flow, ...2.0667

GEOCHEMISTRY AND ORIGIN OF SULFO-SALINE GROUND WATER, SALINE COUNTY, MISSOURI ...Atlases-maps, Chemical-general, Geochemical Analysis, Groundwater, Salinity, Sulfide, ...4.0152

DRILLED WELL INVESTIGATION OF DOLOMITE AQUIFER CHARACTERISTICS ...Carbonate Aquifers, Dolomite, Groundwater Movement, Observation Wells, Storage of Water, ...2.0704

THE PREDICTION OF UNSATURATED FLOW RATES FROM PHYSICAL PROPERTIES OF THE POROUS MEDIUM ...Pollutants - Path of, Porous Media - Flow Through, Unsaturated Flow, Water Cycle, ...2.0889

THE EFFECT OF A PERMEABLE BED ON SEDIMENT MOTION ...Channels, Sediment Transport-general, Seepage, Slopes, ...2.0353

STUDIES OF SAPROLITE AND ITS RELATION TO THE MIGRATION AND OCCURRENCE OF GROUNDWATER IN CRYSTALLINE ROCKS ...Chemical Sediments, Features, Infiltration, Microstructure, Texture, ...2.0350

MORPHOLOGY AND HYDROLOGY OF PLEISTOCENE DEPOSITS, DELAWARE ...Geophysical Analysis, Groundwater Movement, Morphology-general, Quaternary Period, Unconsolidated Aquifers, Water Yield, ...2.0253

CONSERVATION OF FRESH-WATER RESOURCES BY DEEPWELL DISPOSAL OF LIQUID WASTES ...Borehole Geophysics, Core Analysis, Lithology, Pollution Abatement, Underground Waste Disposal, ...5.0025

THE STORAGE COEFFICIENT AS A FUNCTION OF WATER TABLE CELERITY ...Drainage, Mathematical Analysis, Storage of Water, Unsteady Flow, Water Table Fluctuation, ...2.1121

EFFECT OF PHYSICAL PROPERTIES OF POROUS MEDIA ON WATER MOVEMENT ...Mathematical Analysis, Porosity, Porous Media - Flow Through, Size, Subsurface Flow, ...2.0391

EFFECT OF EXTERNAL AIR PRESSURE ON LIQUID FLOW THROUGH A POROUS MEDIUM ...Canals, Model Studies, Physical Properties -other, Pressure-density, Seepage, ...2.0392

SEISMIC EVALUATION OF PERMEABILITY OF FRACTURE ZONES IN ROCK ...Aquifers-general, Joints-fractures, Southwest, Structure Location, Tunnels, Water Yield, ...3.0017

METHODS FOR IMPROVING ROCK PERMEABILITY ...Augmentation-general, Mineralized Rock, Rock Fragmentation Methods, Soil and Rock Leaching, ...3.0018

FLOW THROUGH ANISOTROPIC LAYERED MEDIA ...Finite Differences, Matrix Methods, Porous Media - Flow Through, Recharge -general, Seepage, ...2.0355

AIR INJECTION INTO AN AQUIFER ...Aquifers-general, Laboratory Analysis, Porous Media - Flow Through, Saline Water Intrusion, ...2.0358

ACCESSIBILITY OF PORES IN POROUS MEDIA ...Porosity, Porous Media - Flow Through, ...8.0017

RADIOCARBON AS A TRACER IN GROUND WATER PROBLEMS ...Aquifers-general, Groundwater Movement, Laminar Flow, Radioisotopes, Recharge -general, ...2.0056

SPECIFIC YIELD RESEARCH AND PERMEABILITY RESEARCH ...Aquifers-general, California, Storage of Water, Velocity -water, Water Yield, ...7.0013

GROUND-WATER STUDIES - DEEP SANDSTONE AQUIFER IN CHICAGO REGION ...Clastic Aquifers, Groundwater Movement, Pumping, Sandstones, Water Table Fluctuation, ...2.0419

PERMEABILITY OF UNCONSOLIDATED AQUIFER MATERIALS ...Aquifers-general, Data Analysis Applications, Hydrology-general, Unconsolidated Aquifers, Valleys and Canyons, ...7.0038

INVESTIGATION OF PERMEABILITY OF FINE GRAINED GLACIAL SEDIMENTS IN RELATION TO WASTE DISPOSAL IN ILLINOIS ...Deposits, Disposal, Recharge Pits - Wells, Till, ...2.0409

GEOLOGY AND GROUND WATER RESOURCES OF TRAILL COUNTY ...Aquifers-general, Chemical-general, Drilling and Coring, Groundwater, Surficial Geology, ...2.0837

GEOLOGY AND GROUND WATER RESOURCES OF WELLS COUNTY ...Aquifers-general, Chemical-general, Drilling and Coring, Groundwater, Surficial Geology, ...2.0838

GEOLOGY AND GROUND WATER RESOURCES OF GRAND FORKS COUNTY ...Aquifers-general, Chemical-general, Drilling and Coring, Groundwater, Surficial Geology, ...2.0839

GEOLOGY AND GROUND WATER RESOURCES OF WILLIAMS COUNTY ...Aquifers-general, Chemical-general, Drilling and Coring, Groundwater, Surficial Geology, ...2.0840

GEOLOGY AND GROUND WATER RESOURCES OF BURKE COUNTY ...Aquifers-general, Chemical-general, Drilling and Coring, Groundwater, Surficial Geology, ...2.0842

GEOLOGY AND GROUND WATER RESOURCES OF PEMBINA COUNTY ...Aquifers-general, Deposits, Geology-general, Groundwater, Mapping, Rocks - Bedrock, ...2.0844

GEOLOGY AND GROUND WATER RESOURCES OF NELSON COUNTY ...Aquifers-general, Deposits, Geology-general, Groundwater, Mapping, Rocks - Bedrock, ...2.0845

GEOLOGY AND GROUND WATER RESOURCES OF WALSH COUNTY ...Aquifers-general, Deposits, Geology-general, Groundwater, Mapping, Rocks - Bedrock, ...2.0846

GEOLOGY AND GROUND WATER RESOURCES OF CAVALIER COUNTY ...Aquifers-general, Deposits, Geology-general, Groundwater, Mapping, Rocks - Bedrock, ...2.0847

SUBJECT INDEX

Sediment Provenance Studies

- VARIATION OF SATURATED HYDRAULIC CONDUCTIVITY OF HOUSTON BLACK CLAY WITH SOIL DEPTH AND WITH DIAMETER OF SOIL COVES ...Clay, Density, Texas, ...2.1022
- HYDROLOGY OF THE SUB-LAKE SEDIMENTS BENEATH GREAT SALT LAKE ...Artificial Recharge, Brines, Geology - Engineering, Great Salt Lake, Interstitial - Connate Water, ...2.1082
- GROUNDWATER FLOW ...Flow Characteristics -water, Groundwater Movement, Radioisotopes, Tritium, Velocity -water, ...2.0947
- HYDROLOGY OF LIMESTONE AND RELATED ROCKS ...Faults, Folds, Groundwater Movement, Limestone - General, Porosity, ...2.0201
- PERMEABILITY DISTRIBUTION AND SEDIMENTATIONAL FEATURES ...Big Horn, Clastic Aquifers, Petrography, Sedimentary Structures-other, Water Yield, ...2.0271
- REGIONAL HYDROLOGIC SYSTEM ANALYSES (HYDRODYNAMICS) ...Groundwater Movement, Hydraulics-general, Systems Analysis, ...2.1092
- GEOHYDROLOGIC ENVIRONMENTAL STUDIES ...Clastic Aquifers, Facies, Flow Characteristics -water, Specific Rock Unit, Tertiary Period, ...2.0538
- PERMEABILITY RESEARCH ...Groundwater Movement, Observation Wells, Porous Media - Flow Through, Saturated Flow, Unsaturated Flow, ...2.0183
- ATLANTIC COASTAL PLAIN - PERMEABILITY DISTRIBUTION STUDY ...Coastal Plain, Sea Level Variations, Structural Source, Transport Direction, Wedges, ...2.0824
- THERMAL CHARACTERISTICS OF AQUIFER SYSTEMS ...Carbonate Aquifers, Clastic Aquifers, Flow Characteristics -water, Subsurface Flow, Temperature, ...2.1099
- TRANSPORT PROPERTIES OF NATURAL CLAYS ...Clay, Clays, Hydraulics-general, Percolation, Sampling, ...2.1102
- THERMAL GRADIENTS IN SOUTH CAROLINA ...Geothermal Gradient, Groundwater Movement, Heat Flows, South Carolina, Temperature, ...2.0964
- HYDROLOGY OF CONSOLIDATED ROCK AQUIFERS NEAR PENNINGTON, NEW JERSEY ...Aquifers-general, Circulation - water, New Jersey, Recharge -general, Reservoirs and Impoundments, ...2.0767
- WATER RESOURCES OF BRANCH-BLACKSTONE RIVER BASIN, RHODE ISLAND ...Gaging, Groundwater Basins, Rhode Island, Runoff, Water Yield, ...2.0614
- HYDROLOGY OF UPPER OLD TAMPA BAY, FLORIDA ...Bays, Groundwater Movement, Hydrology-general, Lakes, Water Harvesting, Water Quality-general, ...2.0331
- AQUIFER-STREAMFLOW INTERRELATIONSHIPS IN UP-STREAM AGRICULTURAL WATERSHEDS OF THE PACIFIC NORTHWEST ...Agricultural Watersheds, Aquifers-general, Flow Characteristics -water, Recharge -general, Structure, Subsurface Flow, ...3.0201
- DRAINAGE SYSTEMS FOR THE GREAT BASIN ...Artesian Flow, Drainage, Drainage Systems, Great Basin, Groundwater Movement, ...4.0164

Physical Properties-general

- ASSESSMENT OF ENVIRONMENT FACTORS INFLUENCING THE DISTRIBUTION OF BOTTOM FISHES IN RESERVOIRS ...Nets, Oklahoma, Organic, Reservoirs and Impoundments, Turbidity & Suspended Matter, ...5.0924
- A GEOLOGIC, GEOCHEMICAL AND MICROBIOLOGIC STUDY OF FLATHEAD LAKE ...Charts, Chemical, Lakes, Montana, Topographic, ...2.0718
- PHYSICAL, CHEMICAL, AND BIOLOGICAL LIMNOLOGY OF OAHE RESERVOIR ...Fish -non-specific, Population Dynamics, Reservoirs and Impoundments, South Dakota, Water Properties-general, ...6.0497

Porosity

- POROSITY AND PERMEABILITY OF VIRGINIA AGGREGATES ...Aggregates - Crushed Rock, Nitrogen, Permeability, Virginia, ...2.1111
- STUDY OF TRANSPORT, DEPOSITION AND SCOUR OF FINE PARTICLES THROUGH A POROUS MEDIUM ...Flow Characteristics -water, Permeability, Porous Media - Flow Through, Sedimentation, Silting, ...2.0081
- FLOW REGIMES IN POROUS MEDIA ...Applications, Flow Characteristics -water, Model Studies, Porous Media - Flow Through, Viscous, ...8.0189
- PHYSICAL CHARACTERISTICS OF BASALT AQUIFERS ...Electric Logging, Flow Characteristics -water, Groundwater Movement, Local Structure, Radioactivity Logging, ...2.1117

- GRAVITY INVESTIGATION OF WATER-BEARING STRATA IN SWAN VALLEY, MONTANA ...Density, Gravity Surveys, Local Structure, Montana, Valley, Buried, ...2.0713
- EFFECT OF PHYSICAL PROPERTIES OF POROUS MEDIA ON WATER MOVEMENT ...Mathematical Analysis, Permeability, Porous Media - Flow Through, Size, Subsurface Flow, ...2.0391
- GROUND WATER RESERVOIR RESPONSE TO EARTH TIDES ...Aquifers-general, Earth Tides, Geophysical Analysis, Storage of Water, Water Table Fluctuation, ...2.1108
- ACCESSIBILITY OF PORES IN POROUS MEDIA ...Porous Media - Flow Through, ...8.0017
- UNDERSTANDING OF THE INFILTRATION OF RAIN INTO BURIED WASTE ...Groundwater Movement, Infiltration, Moisture Content, Radioactivity-other, Unsaturated Flow, ...2.0948
- HYDROLOGY OF LIMESTONE AND RELATED ROCKS ...Faults, Folds, Groundwater Movement, Limestone - General, Permeability, ...2.0201

Size

- GRAVEL PERMEABILITY IN SALMONID SPAWNING BEDS ...Cementing Material, Permeability, Silting, Spawn Or Nesting Sites, Streams, ...6.0619
- SUSPENDED SEDIMENTS IN THE UPPER CHESEPECKE BAY - EVALUATION OF METHODS FOR SIZE ANALYSIS OF SUSPENDED MATERIALS ...Chesapeake Bay, Laboratory, Sampling, Size Frequency Distribution, Turbidity, ...2.0557
- FIELD MEASUREMENTS OF THE TEMPORAL AND SPATIAL VARIATIONS IN CONCENTRATION AND PARTICLE SIZE DISTRIBUTION OF SUSPENDED MATERIALS IN THE UPPER ...Chesapeake Bay, Distribution, Maryland, Mineralogy, Turbidity, ...2.0558
- COMPARISON OF OPTICAL PROPERTIES WITH DIRECT MEASUREMENTS OF CONCENTRATION AND SIZE DISTRIBUTION OF SUSPENDED MATERIALS ...Chesapeake Bay, Fluorometry, Light Scattering, Optical Properties, Turbidity, ...2.0559
- BOTTOM SEDIMENTS OF LAKE CHAMPLAIN ...Chemical, Clays, General, Lakes, Vermont, ...2.1087
- ADSORPTION OF IONS IN TRACE CONCENTRATIONS ON SOIL AND SILT PARTICLES ...Adsorption Capacity, Adsorption-other, Radioisotopes, Soil Environment, Transfer Processes, ...2.0349
- EFFECT OF PHYSICAL PROPERTIES OF POROUS MEDIA ON WATER MOVEMENT ...Mathematical Analysis, Permeability, Porosity, Porous Media - Flow Through, Subsurface Flow, ...2.0391
- SEDIMENTARY FACIES IN LAKE BUTTE DES MORTS, WISCONSIN ...Eutrophication, General, Lakes, Organic, Wisconsin, ...2.1169
- DISPERSION OF WATER AND SEDIMENTS IN THE SURF ZONE ...Beaches, Pollutants - Path of, Pollution-general, Shoreline - Coastline, Waves, ...5.0151
- MECHANICS OF SAND MOVEMENT BY WAVES ...Model Studies, Ocean Waves - Currents, Shoreline Structures, Wave Motion in Fluids-other, Waves, ...2.0259
- DEVELOPMENT OF OFFSHORE SOURCES OF SAND SUITABLE FOR BEACH RESTORATION AND NOURISHMENT ...Beach, Marine Mapping, Ocean Coring and Dredging, Ocean Mining, Shoreline Structures, ...8.0154
- METHODS OF BYPASSING SAND PAST INLETS ...By-passing, Coastal Engineering-other, Ocean Waves - Currents, Shoreline Structures, ...2.0264
- QUATERNARY SEDIMENTATION AT MARINE-FLUVIAL INTERFACE, SW OREGON ...Bed Load, Geological Exploration, Heavy Minerals, Mineralogy-petrology, Quaternary Period, ...2.0120

Texture

- STUDIES OF SAPROLITE AND ITS RELATION TO THE MIGRATION AND OCCURRENCE OF GROUNDWATER IN CRYSTALLINE ROCKS ...Chemical Sediments, Features, Infiltration, Microstructure, Permeability, ...2.0350

Sediment Provenance Studies

Location

- GEOCHEMICAL STUDIES OF CONTINENTAL WATERS ...Authigenesis, Pore Fluids, Radioisotopes, ...1.0081
- QUANTITATIVE AND QUALITATIVE CHARACTERISTICS OF MATERIALS CONTRIBUTING TO SEDIMENTATION IN LAKE ERIE ...Lake Erie, Organic, Organics, Rate of Deposition, Sedimentation, ...2.0628

Sediment Provenance Studies

SEDIMENT YIELD IN RELATION TO CLIMATIC AND WATERSHED CHARACTERISTICS IN THE SOUTHERN BRANCH ...Agricultural Watersheds, Climate, Radioisotopes, Sediment Transport-general, Sediment Yield, ...2.0675

SEDIMENT PRODUCTION, YIELD, & DELIVERY RATIO IN RELATION TO CLIMATIC, GEOLOGIC, & WATERSHED CHARACTERISTICS OF THE NORTHERN PLAINS ...Agricultural Watersheds, Climate, Radioisotopes, Sediment Transport-general, Sediment Yield, ...2.0230

SEDIMENT PRODUCTION, MOVEMENT, AND DEPOSITION IN WATERSHEDS IN THE SOUTHERN GREAT PLAINS ...Agricultural Watersheds, General Deposition, Great Plains Province, Sediment Yield, Supply Rate, ...2.0882

Mineralogy-petrology

DISSOLVED CONSTITUENTS OF NATURAL WATERS - CONTRIBUTIONS FROM MINERALIZED AREAS ...Chemical Reactions, Geochemical Analysis, Groundwater, Mineralization, Or. Minerals, ...2.0734

QUATERNARY SEDIMENTATION AT MARINE-FLUVIAL INTERFACE, SW OREGON ...Bed Load, Geological Exploration, Heavy Minerals, Quaternary Period, Size, ...2.0120

Sediment Relationship

GEOMORPHIC STUDIES IN THE SIERRA NEVADA, CALIFORNIA ...Glaciers, Morphology-general, Regimen, Sierra Nevada, Streams, ...2.0119

Structural Source

ATLANTIC COASTAL PLAIN - PERMEABILITY DISTRIBUTION STUDY ...Coastal Plain, Permeability, Sea Level Variations, Transport Direction, Wedges, ...2.0824

Supply Rate

SOURCES, MOVEMENT, AND DISTRIBUTION OF SEDIMENT IN A SMALL WATER SHED ...Floodplains, Reservoirs and Impoundments, Sediment Yield, Small Watersheds, Transport Distance, ...2.0568

EFFECT OF LAKES MARION AND MOULTRIE AS SEDIMENT TRAPS ...Lakes, Rate of Deposition, Sediment Yield, South Carolina, Suspension, ...2.0963

SEDIMENT PRODUCTION, MOVEMENT, AND DEPOSITION IN WATERSHEDS IN THE SOUTHERN GREAT PLAINS ...Agricultural Watersheds, General Deposition, Great Plains Province, Location, Sediment Yield, ...2.0882

SEDIMENT YIELD FROM RANGELAND WATERSHEDS IN THE SOUTHWEST ...Agricultural Watersheds, Erosion, Land Use, Sediment Transport-other, Sediment Yield, ...2.0041

Weathering

BASIC ROCK PHYSICS ...Engineering Structures-general, Foundations-general, General Petrology, Geology - Engineering, Joints-fractures, ...8.0118

Sediment Transportation

Agents

Glaciers

DISTRIBUTION OF DISSOLVED IONS IN ALASKAN WATERS ...Alaska, General Transport Effects, Ions and Gases, Sediments, Suspension, Water, ...2.0020

Ground Water

CONTAMINATION OF GROUND WATER FROM RADIOACTIVE PACKAGES IMPACTING ON LAN ...Groundwater, Groundwater Movement, Pollutants - Path of, Radioactivity-general, ...4.0240

Ocean Waves - Currents

TRANSVERSAL DRIFTS IN BOTTOM PROFILE ...Bathymetry, Benthonic-bottom, Intertidal Areas, Waves, ...5.0254

MECHANICS OF SAND MOVEMENT BY WAVES ...Model Studies, Shoreline Structures, Size, Wave Motion in Fluids-other, Waves, ...2.0259

METHODS OF BYPASSING SAND PAST INLETS ...By-passing, Coastal Engineering-other, Shoreline Structures, Size, ...2.0264

Streams

HYDRAULICS LABORATORY ...Channels, Flow of Dispersed Solids, Open Channel, Sedimentation, Suspension, Turbulent, ...8.0146

SUBJECT INDEX

WATER TEMPERATURE EFFECTS ON BED FORMS ...Bedding Planes, Morphology-general, Other Transport Effects, Temperature, ...5.0625

Wind

DEVELOPMENT OF SUPPORTING RUNOFF AND EROSION CONTROL PRACTICES AND SYSTEMS IN THE CORN BELT ...Conservation & Management Eng, Corn Belt, Erosion Control, Erosion-general, Runoff, Stabilization-other, Terrace-bench, ...3.0225

Effects

By-passing

SAND TRACING AT SPECIFIC INLETS AND AREAS ON THE LOWER EAST COAST OF FLORIDA ...Bays, Florida, Longshore Currents, Shoreline - Coastline, Tracers, ...8.0161

COASTAL ENGINEERING STUDIES RELATED TO FLORIDA'S SHORELINE AND BEACH EROSION PROBLEMS ...Beach, Erosion-general, General, Shoreline Structures, Storms-general, Waves, ...8.0160

METHODS OF BYPASSING SAND PAST INLETS ...Coastal Engineering-other, Ocean Waves - Currents, Shoreline Structures, Size, ...2.0264

Chemical Reactions

CLAY-INORGANIC AND ORGANIC-INORGANIC ASSOCIATIONS IN AQUATIC ENVIRONMENTS ...Activation Analysis, Clays, Exchange Capacity, Organic, Sedimentation, Suspension, ...2.0019

HYDROLOGIC-MINERAL CYCLE INTERACTION IN SMALL UNDISTURBED AND MANMANIPULATED ECOSYSTEMS ...Environment, Mineral Associations, New Hampshire, Small Watersheds, Water Cycle, ...2.0745

DISSOLVED CONSTITUENTS OF NATURAL WATERS - CONTRIBUTIONS FROM MINERALIZED AREAS ...Geochemical Analysis, Groundwater, Mineralization, Mineralogy-petrology, Ore Minerals, ...2.0734

THE ANALYSIS AND GEOCHEMISTRY OF TRACE ELEMENTS IN THE HYDROSPHERE ...Activation Analysis, Bays, Chemical Analysis (water), Gamma, Trace Element Analysis, ...1.0109

AQUATIC TRANSPORT OF NUCLEAR DEBRIS ...Canals, Exchange Capacity, Ion Exchange-other, Pollutants - Path of, Radioactive Fallout, ...1.0012

DISTRIBUTION OF ELEMENTS IN FLUVIAL AND BRACKISH ENVIRONMENTS ...Adsorption Capacity, Adsorption-general, Brackish Water, Element Ratios, Exchange Capacity, Solution, ...2.0282

General Transport Effects

DISTRIBUTION OF DISSOLVED IONS IN ALASKAN WATERS ...Alaska, Glaciers, Ions and Gases, Sediments, Suspension, Water, ...2.0020

GREAT LAKES RESEARCH - COASTAL AREA SEDIMENTATION ...Beach, Development, Great Lakes-general, Lakeshores-inlets, Model Studies, ...2.0651

CORRELATION OF BEACH PROPERTIES AND INCIDENT WAVES ...Beach, Development, Engineering Structures-general, Waves, ...2.0260

Grain Size

GRAIN SIZE DISTRIBUTION AND BEDLOAD TRANSPORT ...Bed Load, Channels, Discharge-general, Flume Studies, Hydraulics-general, ...2.1101

CHANNEL MEANDER STUDIES ...Channels, Discharge-general, Indiana, Meanders, Suspension, ...2.0453

Other Transport Effects

WATER POLLUTION FROM ERODED SEDIMENTS ...Flow Characteristics -water, Rain-general, Sediments, Suspension, Velocity -water, ...2.1042

WATER TEMPERATURE EFFECTS ON BED FORMS ...Bedding Planes, Morphology-general, Streams, Temperature, ...5.0625

Sorting

FORM, PROCESSES AND DEPOSITS OF THE KNIK RIVER, ALASKA ...Braided Stream, Deposition-other, Floods, Ice Jam, Sediment Transport-other, ...2.0782

Methods

Absorbed Load

MOVEMENT OF RADIONUCLIDES IN THE LOWER COLUMBIA RIVER ...Adsorption Capacity, Columbia River, Pollutants - Path of, Radioactivity-general, ...2.0902

SUBJECT INDEX

Sediment Transportation

THE MOVEMENT OF RADIONUCLIDES IN THE COLUMBIA RIVER ESTUARY ...Columbia River, Estuaries, Pollutants - Path of, Radioactivity-general, ...2.0903

Bed Load

SEDIMENT TRANSPORTATION AND BOTTOM CONFIGURATION, AMITE RIVER ...Forecasting-prediction, General Deposition, Louisiana, Rate of Deposition, Scouring, ...5.0450

ANALYSIS AND SYNTHESIS OF BEDLOAD FORMULAS ...Graphs and Matroids, Reliability, Survey Studies, ...2.0916

TIDAL, SALINITY AND SEDIMENTATION PROBLEMS IN LAKE MARACAIBO CHANNEL, VENEZUELA ...Erosion-general, Rate of Deposition, Salinity, Tides, Venezuela, ...2.0618

GREAT LAKES RESEARCH - EFFECTS OF STRUCTURES ON COASTAL SEDIMENTATION ...Beach, Coastal Engineering-other, Energy-dynamics, Engineering Structures-general, Great Lakes-general, Velocity -water, ...2.0650

RESEARCH IN SEDIMENT SAMPLING EQUIPMENT ...Bottom Sampling, Instrumentation-general, Suspension, Turbidity, Ultrasonics, ...7.0059

EVALUATION OF VARIABLES IN ALLUVIAL CHANNEL FLOW ...Channels, Flow Characteristics -water, Model Studies, Morphology-general, Velocity -water, ...2.0237

GRAIN SIZE DISTRIBUTION AND BEDLOAD TRANSPORT ...Channels, Discharge-general, Flume Studies, Grain Size, Hydraulics-general, ...2.1101

QUATERNARY SEDIMENTATION AT MARINE-FLUVIAL INTERFACE, SW OREGON ...Geological Exploration, Heavy Minerals, Mineralogy-petrology, Quaternary Period, Size, ...2.0120

Dissolved Load

HYDROGRAPHY OF THE PENOBSCOT RIVER ESTUARY ...Environmental Changes, Estuaries, Maine, Pollution Abatement, Salinity, Temperature, ...5.0467

Solution

MINERAL-WATER INTERACTION IN SALINE ENVIRONMENTS ...Analysis and Detection, California, Evaporation, Interfacial, Solution Chemistry, ...2.1095

DISTRIBUTION OF ELEMENTS IN FLUVIAL AND BRACKISH ENVIRONMENTS ...Adsorption Capacity, Adsorption-general, Brackish Water, Chemical Reactions, Element Ratios, Exchange Capacity, ...2.0282

HYDROLOGY AND GEOCHEMISTRY OF CLOSED BASIN LAKES ...Basin Shape, Evaporation, Geochemical Analysis, Lakes, Meteorological Extremes, Salt, ...2.1137

Suspension

INVESTIGATION OF SCOUR AT BRIDGES IN ALASKA ...Alaska, Bridges & Culverts, Channel Geometry, Drainage, Erosion Control, Scouring, ...2.0285

CLAY-INORGANIC AND ORGANIC-INORGANIC ASSOCIATIONS IN AQUATIC ENVIRONMENTS ...Activation Analysis, Chemical Reactions, Clays, Exchange Capacity, Organic, Sedimentation, ...2.0019

EFFECTS OF GROUNDWATER SEEPAGE ON STREAM REGIMEN ...Baseflow, Flume Studies, Groundwater, North Dakota, Seepage, ...2.0832

MICROSCOPIC INVESTIGATION OF TRACTIVE FORCE DISTRIBUTION IN OPEN CHANNEL ...Open Channel Flow, Traction, Turbulent, Turbulent Flow, Velocity -water, ...8.0183

DISTRIBUTION OF DISSOLVED IONS IN ALASKAN WATERS ...Alaska, General Transport Effects, Glaciers, Ions and Gases, Sediments, Water, ...2.0020

NON-EQUILIBRIUM TRANSPORT OF SUSPENDED SEDIMENT ...Flume, Length, Open Channel, Scouring, Sedimentation, ...2.0696

SAND FILTRATION OF DISCRETE SUSPENSIONS ...Filtration, Flow Characteristics -water, Sand, Synthetic Hydrology-general, ...5.0549

FLOW OF COLLOIDAL SUSPENSIONS IN POROUS MEDIA ...Colloidal Phenomena, Model Studies, Porous Media - Flow Through, Radioisotopes, ...2.0871

HYDRAULICS LABORATORY ...Channels, Flow of Dispersed Solids, Open Channel, Sedimentation, Streams, Turbulent, ...8.0146

WATER POLLUTION FROM ERODED SEDIMENTS ...Flow Characteristics -water, Other Transport Effects, Rain-general, Sediments, Velocity -water, ...2.1042

RESEARCH IN SEDIMENT SAMPLING EQUIPMENT ...Bed Load, Bottom Sampling, Instrumentation-general, Turbidity, Ultrasonics, ...7.0059

SCOUR AT BRIDGE CROSSINGS IN ALASKA ...Bridges & Culverts, Discharge-other, Erosion Control, Scouring, ...2.0013

EFFECT OF LAKES MARION AND MOULTRIE AS SEDIMENT TRAPS ...Lakes, Rate of Deposition, Sediment Yield, South Carolina, Supply Rate, ...2.0963

CHANNEL MEANDER STUDIES ...Channels Discharge-general, Grain Size, Indiana, Meanders, ...2.0453

Traction

MICROSCOPIC INVESTIGATION OF TRACTIVE FORCE DISTRIBUTION IN OPEN CHANNEL ...Open Channel Flow, Suspension, Turbulent, Turbulent Flow, Velocity -water, ...8.0183

INVESTIGATION OF EROSION AND TRACTIVE FORCES ON CANALS--OPEN AND CLOSED CONDUIT RESEARCH PROGRAM ...Canals, Erosion-general, Lining, Linings-pavings, Soil Environment, ...8.0035

Sediment Transport-general

SOURCES, MOVEMENT, AND DISTRIBUTION OF SEDIMENT IN A SMALL WATERSHED ...Energy-dynamics, Erosion, Slopes, Small Watersheds, ...2.0567

THE EFFECT OF A PERMEABLE BED ON SEDIMENT MOTION ...Channels, Permeability, Seepage, Slopes, ...2.0353

HYDRAULIC RESISTANCE IN ALLUVIAL CHANNELS ...Alluvial Deposits, Channel Geometry, Energy-dynamics, Flow Characteristics -water, Flow of Dispersed Solids, ...2.0448

SALINITY INTRUSION AND RELATED PHENOMENA ...Currents -water, General Deposition, Mixing, Open Channel Flow, Saline Water Intrusion, ...2.0687

GEOMORPHIC ASPECTS (SISTERS AND WATTS BRANCHES, MARYLAND) ...Energy-dynamics, Ephemeral, Groundwater Movement, Patterns, Runoff, Water Cycle, ...2.0283

MECHANICS OF FLOW STRUCTURE AND FLUID RESISTANCE ...Open Channel, Sedimentation, Turbulent Flow, ...2.0236

DELAWARE ESTUARY SEDIMENTATION STUDY ...Delaware River, Rate of Deposition, Sand Bars, Sediment Yield, Turbulent Flow, ...2.0908

DEVELOPMENT AND EVALUATION OF MEANS AND MEASURES FOR CHANNEL STABILIZATION ...Channel Geometry, Channels, Design Criteria, Flow Characteristics -water, Mechanics, General, Scouring, ...5.1022

SEDIMENT YIELD IN RELATION TO CLIMATIC AND WATERSHED CHARACTERISTICS IN THE SOUTHERN BRANCH ...Agricultural Watersheds, Climate, Location, Radioisotopes, Sediment Yield, ...2.0675

MECHANICS OF SEDIMENT ENTRAINMENT, TRANSPORTATION AND DEPOSITION IN CHANNELS OF THE SOUTHERN BRANCH AND AT THE USDA SEDIMENTATION LABORATORY ...Channels, Flume Studies, Sedimentation, Velocity -water, Waves, ...2.0677

SEDIMENT PRODUCTION, YIELD, & DELIVERY RATIO IN RELATION TO CLIMATIC, GEOLOGIC, & WATERSHED CHARACTERISTICS OF THE NORTHERN PLAINS ...Agricultural Watersheds, Climate, Location, Radioisotopes, Sediment Yield, ...2.0230

BASIC PRINCIPLES AND MECHANICS OF RAINFALL, RUNOFF, SOIL MOVEMENT AND LOSS IN THE CORN BELT ...Engineering Properties-general, Erosion-general, Runoff, Slopes, Structure-size, Surface Flow, ...2.0475

Sediment Transport-other

PRECIPITATION, STREAMFLOW AND SEDIMENT CONVEYANCE IN A SMALL ARID WATERSHED ...Climate, Deserts, Flash Floods, Flow Characteristics -water, Patterns, ...2.0496

RADIOISOTOPIC TRACER STUDY TO INVESTIGATE THE MECHANICS OF LITTORAL TRANSPORT AROUND POINT CONCEPTION, CALIFORNIA ...California, Distribution, Inter-tidal Areas, Radioisotopes, Tracers, ...1.0031

FORM, PROCESSES AND DEPOSITS OF THE KNIK RIVER, ALASKA ...Braided Stream, Deposition-other, Floods, Ice Jam, Sorting, ...2.0782

INSTANT MOTION OF LARGE ROUGHNESS ELEMENTS IN TURBULENT OPEN CHANNEL FLOW ...Erosion Control, Flow Characteristics -water, Open Channel, Open Channel Flow, Turbulent Flow, ...2.1062

SHOALING PROCESSES ...Channels, Sand Bars, Scouring, Tide-water Areas, Turbulent Flow, ...2.0690

Sediment Transportation

HYDROLOGIC STUDIES LEADING TO SITE UTILIZATION
...Adsorption Capacity, Groundwater, Hydrology-general, Nuclear
Explosion, Pollutants - Path of, Radioactivity-underground Test,
...3.9134

FLOW AND SEDIMENT TRANSPORT, RIO GRANDE CON-
VEYANCE CHANNEL ...Channels, Flume Studies, Morphology-
general, Rio Grande River, Streams, ...2.0771

SEDIMENT PROCEDURES DEVELOPMENT AND RESERVOIR
SEDIMENTATION ...Channels, Engineering Structures-general,
Reservoirs and Impoundments, Sediment Yield, Sedimentology-
general, ...6.0089

SEDIMENT YIELD FROM RANGELAND WATERSHEDS IN
THE SOUTHWEST ...Agricultural Watersheds, Erosion, Land
Use, Sediment Yield, Supply Rate, ...2.0041

Transport Direction

ATLANTIC COASTAL PLAIN - PERMEABILITY DISTRIBU-
TION STUDY ...Coastal Plain, Permeability, Sea Level Varia-
tions, Structural Source, Wedges, ...2.0824

Transport Distance

SOURCES, MOVEMENT, AND DISTRIBUTION OF SEDIMENT
IN A SMALL WATER SHED ...Floodplains, Reservoirs and Im-
poundments, Sediment Yield, Small Watersheds, Supply Rate,
...2.0568

Sediment Yield

REYNOLDS CREEK WATERSHED STUDY ...Idaho, Management
and Fertility, Runoff, Water Yield, Watersheds-general, ...2.0571

BADGER WASH COOPERATIVE STUDY ...Cover Crops, Ero-
sion-general, Forest Grazing, Runoff, Water Cycle, ...2.0176

SAN LUIS WATERSHED STUDY ...Conservation-general,
Management, New Mexico, Small Watersheds, Water Yield,
...2.0234

CULTURAL PRACTICES ON EASTGATE BASIN ...Cultivated
Soils, Moisture Content, Sheetflow, Surface Flow, Tillage,
Cropping Systems, ...4.0168

STRATTON SAGEBRUSH HYDROLOGY STUDY ...Cover Crops,
Hydrology-general, Range, Runoff, Soil Environment, ...2.0221

FRAIL LANDS STUDIES NEAR CISCO, UTAH (ABBREV)
...Erosion-general, Land, Soil Environment, Tillage, Cropping
Systems, Utah, ...4.0255

SEDIMENTATION AND CONTAMINANT CRITERIA FOR
WATER RESOURCES PLANNING AND MANAGEMENT
...Dispersion -water, Management, Planning, Pollutants - Path of,
Sedimentology-general, Watersheds-general, ...4.0066

RELATIONSHIP BETWEEN THE ERODIBILITY OF SOILS AND
THE SEDIMENTATION RATE OF RESERVOIRS ...Erosion-
general, Physical Properties-general, Rate of Deposition, Reser-
voirs and Impoundments, Soil Erosion -non-specific, ...2.0463

SCOUR AND FILL IN THE MISSOURI RIVER AS RELATED TO
THE WATER RESOURCES PLANNING ...Energy-dynamics,
Missouri River, Planning, Scouring, South Dakota, ...2.0966

MANAGEMENT ALTERNATIVES ON OZARK FOREST ...Ar-
kansas, Erosion-general, Policy - Business Methods, Small
Watersheds, Soils and Fertilizer, ...2.0073

SMALL AGRICULTURAL WATERSHED HYDROLOGY
...Agricultural Watersheds, Floods, Gages, Patterns, Runoff,
...4.0138

COOPERATIVE WATERSHED MANAGEMENT ON
BRUSHLANDS OF CALIFORNIA ...Amount, California,
Management, Management and Fertility, Runoff, ...4.0036

TRACING STORM AND BASE FLOW TO VARIABLE SOURCE
AREAS ON FORESTED HEADWATERS ...Baseflow, Flow
Characteristics -water, Forest Watersheds, Georgia, Physical Pro-
perties -other, ...2.0341

INVESTIGATIONS OF EROSION CONTROL AND WATER
CONSERVATION ...Amount, Conservation-general, Erosion,
Gullies - Arroyos, Land Use, Runoff, Stabilization-general,
...3.0226

SEDIMENT PRODUCTION YIELD AND DELIVERY RATE IN
RELATIONS TO CLIMATIC AND WATERSHED CHARAC-
TERISTICS ...Conservation, Land Use, Small Watersheds, Texas,
...2.1018

SEDIMENT YIELD IN RELATION TO CLIMATIC AND
WATERSHED CHARACTERISTICS IN THE EDWARDS
PLATEAU ...Floods, Reservoirs and Impoundments, Runoff, Tex-
as, Watersheds-general, ...2.1020

SOIL EROSION PROBLEMS IN WISCONSIN ...Cultivation
Methods, Ns, Erosion-general, Stabilization-general, ...2.1160

SUBJECT INDEX

WHITE HOLLOW WATERSHED RESEARCH ...Forest
Watersheds, Other, Seasonal, Tennessee, Water Yield, ...4.0221

PINE TREE BRANCH WATERSHED RESEARCH ...Cutting
Operations, Erosion-general, Forest Watersheds, Land Use, Other,
Tennessee, ...6.0536

BEECH RIVER WATERSHED PROJECT ...Design Flow-flood,
Forest Watersheds, Land Use, Reservoirs and Impoundments,
Tennessee, ...4.0222

SOURCES, MOVEMENT, AND DISTRIBUTION OF SEDIMENT
IN A SMALL WATER SHED ...Floodplains, Reservoirs and Im-
poundments, Small Watersheds, Supply Rate, Transport Distance,
...2.0568

DELAWARE ESTUARY SEDIMENTATION STUDY ...Delaware
River, Rate of Deposition, Sand Bars, Sediment Transport-
general, Turbulent Flow, ...2.0908

BAYOU LAFOURCHE SEDIMENTATION STUDY, LOUISIANA
...Bayous, Channels, Louisiana, Morphology-general, Rate of
Deposition, ...2.0535

EFFECT OF LAKES MARION AND MOULTRIE AS SEDIMENT
TRAPS ...Lakes, Rate of Deposition, South Carolina, Supply
Rate, Suspension, ...2.0963

VEGETATION MANIPULATION EFFECTS ON RUNOFF -
SYCAMORE CREEK, ARIZ ...Conservation-general, Cover
Crops, Runoff, Water Yield, Watersheds-general, ...3.0008

FLOOD FLOWS AND SEDIMENT YIELD OF COLMA CREEK
BASIN, CALIFORNIA ...California, Construction, Floods, Projec-
tions and Estimations, Urban Environments, Water Yield,
...4.0038

SEDIMENTATION AND HYDROLOGY-ROCK CREEK AND
ANACOSTIA RIVER BASINS, MARYLAND ...Erosion-general,
Groundwater, Land Use, Maryland, Urban Environments,
...4.0130

SEDIMENT PROCEDURES DEVELOPMENT AND RESERVOIR
SEDIMENTATION ...Channels, Engineering Structures-general,
Reservoirs and Impoundments, Sediment Transport-other, Sedi-
mentology-general, ...6.0089

CONTROL OF EROSION AND SEDIMENTATION ASSOCIATED
BUILDING AND LOGGING ...Conservation, Erosion-general,
Forest Watersheds, Logging, Transport, Equipment, Streams,
...2.0027

HYDROLOGIC ANALYSIS METHODS ...Floods, Forest
Watersheds, Land Use, Reservoirs and Impoundments, Snowmelt,
...2.0077

FLOOD AND SEDIMENT REDUCTION IN THE CONIFEROUS
TIMBER ZONE OF CALIFORNIA ...Creep, Floods, Land and
Rock Slides, Management, Pulp, Paper, and Logging, ...2.0078

FLOOD AND SEDIMENT REDUCTION IN STEEP UNSTABLE
BRUSHLANDS OF THE SOUTHWEST ...Erosion-general,
Floodproofing, Floods, Southwest, ...4.0034

WATERSHED REHABILITATION TO CONTROL EROSION
AND SEDIMENTATION IN THE SOUTHWEST ...Erosion-
general, General Deposition, Stabilization-general, Watersheds-
general, ...4.0175

WATER YIELD IMPROVEMENT FROM RIPARIAN AND
UPLAND AREA OF RIVER BASINS ...Evapotranspiration,
Management, Phreatophytes, Riparian Plants, River Basins,
Southwest, ...4.0006

SEDIMENT YIELD IN RELATION TO CLIMATIC AND
WATERSHED CHARACTERISTICS IN THE SOUTHERN
BRANCH ...Agricultural Watersheds, Climate, Location,
Radioisotopes, Sediment Transport-general, ...2.0675

THE NATURE AND PROCESSES OF RESERVOIR SEDIMENTA-
TION IN THE SOUTHERN BRANCH AND AT THE USDA
SEDIMENTATION LABORATORY ...Agricultural Watersheds,
General Deposition, Reservoirs and Impoundments, Silting,
Southern, ...2.0676

SEDIMENT SOURCES AND YIELDS IN AGRICULTURAL
WATERSHEDS IN CORN BELT STATES ...Agricultural
Watersheds, Corn Belt, Forecasting-prediction, Land Use,
Streams, ...2.0864

SEDIMENT PRODUCTION, YIELD, & DELIVERY RATIO IN
RELATION TO CLIMATIC, GEOLOGIC, & WATERSHED
CHARACTERISTICS OF THE NORTHERN PLAINS ...Agricul-
tural Watersheds, Climate, Location, Radioisotopes, Sediment
Transport-general, ...2.0230

SEDIMENT PRODUCTION, MOVEMENT, AND DEPOSITION IN
WATERSHEDS IN THE SOUTHERN GREAT PLAINS
...Agricultural Watersheds, General Deposition, Great Plains
Province, Location, Supply Rate, ...2.0882

PRECIPITATION CHARACTERISTICS INFLUENCING
HYDROLOGIC PERFORMANCE OF AGRICULTURAL
WATERSHEDS IN THE PACIFIC NORTHWEST ...Agricultural

SUBJECT INDEX

Sedimentary Rocks

- Watersheds, Hydrology-general, Pattern, Runoff, Snow-other, ...2.0386
- RUNOFF AND SEDIMENT MOVEMENT ON UNIT SOURCE WATERSHEDS OF THE PACIFIC INFLUENCED BY CLIMATE, SOILS, VEGETATION AND TOPOGRAPHY ...Idaho, Physiograph, -general, Runoff, Water Yield, Watersheds-general, ...2.0387
- CLIMATE, SOIL AND VEGETATION INFLUENCES ON HYDROLOGY OF RANGELANDS IN THE SOUTHWEST ...Floods, Hydrology-general, Runoff, Water Yield, ...4.0007
- DEVELOPMENT AND REFINEMENT OF METHODS FOR PREDICTING FIELD RUNOFF AND SOIL LOSS ...Conservation, Erosion-general, Forecasting-prediction, Mathematical Analysis, Runoff, Soil Environment, Soil Erosion -non-specific, ...2.0477
- RESERVOIR SEDIMENTATION STUDIES IN CORN BELT STATES ...Design Criteria, General Deposition, Reservoirs, Reservoirs and Impoundments, Sediments, ...2.0868
- PRECIPITATION PATTERNS ON RANGELAND WATERSHEDS IN THE SOUTHWEST ...Climatology, Forecasting, Patterns, Runoff, Southwest, ...2.0040
- PRECIPITATION PATTERNS ON UPSTREAM WATERSHEDS IN CENTRAL AND SOUTHERN CALIFORNIA ...California, Climatology, Patterns, Runoff, Watersheds-general, ...2.0103
- MORPHOLOGY AND STABILITY OF STREAM CHANNELS IN SOUTHWESTERN SEMIARID RANGELAND WATERSHEDS ...Channel Filling, Channels, Cross-section, Gullies - Arroyos, Stream Banks, ...5.0757
- MORPHOLOGY AND STABILITY OF STREAM CHANNELS IN SOUTHERN CALIFORNIA ...Channel Filling, Channels, Cross-section, Gullies - Arroyos, Stream Banks, ...5.0103
- SEDIMENT YIELD FROM RANGELAND WATERSHEDS IN THE SOUTHWEST ...Agricultural Watersheds, Erosion, Land Use, Sediment Transport-other, Supply Rate, ...2.0041

Sedimentary Petrogenesis

- SPATIAL DISTRIBUTION OF CHEMICAL CONSTITUENTS IN GROUND WATER ...Carbonates, Chemical-general, Groundwater, Model Studies, Solution Chemistry, Statistical, ...1.0120

Sedimentary Rocks

Carbonates

Carbonates-general

- CARBON-14 CONTENT OF FRESH WATER CARBONATES ...Carbon-14, Chemical, Paleoclimatology, Paleohydrology, Playas, ...2.0048

Carbonates-other

- STUDY OF LIGHT ISOTOPES IN LACUSTRINE ENVIRONMENTS ...Gaseous Atmosphere, Lakes, Oxygen, ...2.0212

Dolomite

- DRILLED WELL INVESTIGATION OF DOLOMITE AQUIFER CHARACTERISTICS ...Carbonate Aquifers, Groundwater Movement, Observation Wells, Permeability, Storage of Water, ...2.0704
- HYDROLOGIC AND PHOTOGEOLOGIC DETERMINATION OF RAINFALL, RUNOFF, AND GROUNDWATER RELATIONSHIPS IN A DOLOMITE AREA ...Amount, Groundwater, Hydrology-general, Photogrammetry, Runoff, ...2.0702
- SUBSURFACE WATER POLLUTION FROM SANITARY LANDFILLS IN CARBONATE ROCK TERRAIN ...Chemical Analysis (water), Disposal, Groundwater, Sanitary Landfills, Soil and Rock Leaching, ...5.1030

Limestone - General

- LIMESTONE DRUM PRODUCTIVITY STUDY JOB NUMBER 3 - ECONOMIC EVALUATION ...Acidity, Benefit-cost Analysis, Biological-general, Chemical-general, ...5.1274
- LIMESTONE DRUM PRODUCTIVITY STUDY JOB NUMBER 1 - LIMNOLOGICAL STUDY ...Acidity, Aquatic Ecology, Biological-general, Chemical-general, Stream Rehabilitation, ...5.1275
- LIMESTONE DRUM PRODUCTIVITY STUDY ...Aquatic Ecology, Chemical-general, Ph, Acidity -water, Population Dynamics, Productivity (agricultural), ...5.1273
- CRUSHED LIMESTONE BARRIERS FOR NEUTRALIZATION OF ACID STREAM ...Acid Mine Wastes, Neutralization, ...5.1036
- THICKNESS OF SOIL SOLUM AS A PARAMETER OF PLANT-AVAILABLE WATER STORAGE CAPACITY IN SOILS UN-

- DERLAIN BY CARBONATE ROCKS ...Chert, Interception, Seismographs, Soil Environment, Storage of Water, ...2.0699
- EQUIPMENT TO AGITATE POND SOILS FOR RELEASE OF NUTRIENTS ...Aquatic Soils, Nutrients, Ponds, Soil Environment, Technique Development, ...5.0774
- A STUDY OF LAND DISPOSAL OF SPENT SULFITE LIQUOR AT BADGER PAPER MILLS, INC., PESHTIGO, WISCONSIN ...Aquifers-general, Disposal, Neutralization, Pollutants - Path of, Pulp and Paper Wastes, ...5.1295
- STRENGTH OF JOINTED ROCKS ...Breccia-general, Fine-grained Clastics, Geology - Engineering, Joints-fractures, Rock Mechanics, ...8.0262
- HYDROLOGY OF LIMESTONE AND RELATED ROCKS ...Faults, Folds, Groundwater Movement, Permeability, Porosity, ...2.0201
- ENGINEERING GEOLOGIC BEHAVIOR OF FOUNDATIONS IN RESERVOIRS IN GYPSUM-LIMESTONE TERRAIN ...Engineering Structures-general, Foundations-general, Geology - Engineering, Gypsum, Solution Chemistry, ...8.0074

Chemical Sediments

- STUDIES OF SAPROLITE AND ITS RELATION TO THE MIGRATION AND OCCURRENCE OF GROUNDWATER IN CRYSTALLINE ROCKS ...Features, Infiltration, Microstructure, Permeability, Texture, ...2.0350

Evaporites

Gypsum

- ENGINEERING GEOLOGIC BEHAVIOR OF FOUNDATIONS IN RESERVOIRS IN GYPSUM-LIMESTONE TERRAIN ...Engineering Structures-general, Foundations-general, Geology - Engineering, Limestone - General, Solution Chemistry, ...8.0074

Salt

- CHEMICAL QUALITY OF BRINES ASSOCIATED WITH DEEP SEDIMENTS BENEATH GREAT SALT LAKE ...Brines, Chemical Analysis (water), Great Salt Lake, Water Sampling, Water Wells, ...5.1200
- SALT DISTRIBUTION ALONG LAKE BOTTOM AND WITHIN DEEP SEDIMENTS BENEATH GREAT SALT LAKE ...Chlorine, Great Salt Lake, Quaternary Period, Sodium, ...5.1201
- HYDROLOGY AND GEOCHEMISTRY OF CLOSED BASIN LAKES ...Basin Shape, Evaporation, Geochemical Analysis, Lakes, Meteorological Extremes, Solution, ...2.1137

Glacial Clastics

Till

- GLACIAL GEOLOGY OF THE CHAMPLAIN VALLEY ...Clays, Glacial History, Mapping, New York, Vermont, ...2.1089
- INVESTIGATION OF PERMEABILITY OF FINE GRAINED GLACIAL SEDIMENTS IN RELATION TO WASTE DISPOSAL IN ILLINOIS ...Deposits, Disposal, Permeability, Recharge Pits - Wells, ...2.0409

Organic Deposits

Peat

- FOREST AND BOG OF SOUTH COASTAL ALASKA - INTRA-TYPE VARIATION AND ASSOCIATED HABITAT FEATURES ...Alaska, Forests, Habitat Studies, Swamps-marshes, Variation, ...2.0023

Siliceous Sediments

Chert

- THICKNESS OF SOIL SOLUM AS A PARAMETER OF PLANT-AVAILABLE WATER STORAGE CAPACITY IN SOILS UNDERLAIN BY CARBONATE ROCKS ...Interception, Limestone - General, Seismographs, Soil Environment, Storage of Water, ...2.0699
- CONCRETE AGGREGATE RESEARCH ...Aggregates, Extenders, Fillers, Cement, Concrete, Non-foliated Rocks, Sandstones, Standards, Specifications, Test Methods, ...8.0237

Diatomite

- DESIGN REQUIREMENTS FOR MUNICIPAL DIATOMITE FILTERS ...Bacteria, Clay Minerals-general, Coagulation, Filtration, Waste Treatment-economics, ...8.0197

Sedimentary Rocks

Tectogenic Clastics

Breccia-general

STRENGTH OF JOINTED ROCKS ...Fine-grained Clastics, Geology - Engineering, Joints-fractures, Limestone - General, Rock Mechanics, ...8.0262

Water Deposited Clastics

Conglomerates

ASPHALT BINDING OF COBBLES FOR RIPRAP ...Aggregates, Extenders, Fillers, Binders, Bituminous, Embankments, Erosion-general, Slopes, ...8.0106

Fine-grained Clastics

SHALES AS FILTERS IN NATURAL WATERS ...Chemical-general, Dewatering, Filtration, Groundwater, Interstitial - Connate Water, ...2.0079

CLAY MINERAL STABILITY AND WATER COMPOSITION ...Clay Minerals-general, Interstitial - Connate Water, Mineral Reactions, Mineralogy, Moisture Content, ...5.1238

HYDROLOGY OF WATERSHEDS ON SHALE SOILS ...Hydrology-general, Moisture Content, Moisture Tension, Runoff, Small Watersheds, Soil Properties - Other, ...4.0273

STRENGTH OF JOINTED ROCKS ...Breccia-general, Geology - Engineering, Joints-fractures, Limestone - General, Rock Mechanics, ...8.0262

Sandstones

EXTERNAL GEOMETRY OF SUPERPOSED ELONGATE SANDSTONES, NORTH-CENTRAL TEXAS ...Channel Filling, Clastic Aquifers, Geomorphology-general, Isopach, Subsurface, ...2.1006

GROUND-WATER STUDIES - DEEP SANDSTONE AQUIFER IN CHICAGO REGION ...Clastic Aquifers, Groundwater Movement, Permeability, Pumping, Water Table Fluctuation, ...2.0419

CONCRETE AGGREGATE RESEARCH ...Aggregates, Extenders, Fillers, Cement, Concrete, Chert, Non-foliated Rocks, Standards, Specifications, Test Methods, ...8.0237

Sedimentary Structures

External

Blankets

IMPACT OF LAGOONS AND SAND BLANKETS ON FISH, AQUATIC LIFE AND WATER EQUALITY ...Aquatic Ecology, Lagoons, Lakes, Submergent, Water Quality-general, ...6.0637

Wedges

ATLANTIC COASTAL PLAIN - PERMEABILITY DISTRIBUTION STUDY ...Coastal Plain, Permeability, Sea Level Variations, Structural Source, Transport Direction, ...2.0824

Internal

Bedding Planes

WATER TEMPERATURE EFFECTS ON BED FORMS ...Morphology-general, Other Transport Effects, Streams, Temperature, ...5.0625

COMMITTEE ON CHANNEL STABILIZATION ...Alluvial Deposits, Channels, Design Criteria, Open Channel, Stabilization-other, Streams, Temperature, ...2.0686

Sedimentary Structures-other

PERMEABILITY DISTRIBUTION AND SEDIMENTATIONAL FEATURES ...Big Horn, Clastic Aquifers, Permeability, Petrography, Water Yield, ...2.0271

Sedimentology-general

A RECONNAISSANCE STUDY OF THE CHEAPEAKE BAY ...Chesapeake Bay, Erosion-general, Floods, Shoreline - Coastline, Survey Studies, Thermal Pollution, ...6.0254

SEDIMENTATION AND IN-PLACE FILTRATION DURING FLOW THROUGH EARTH FRACTURES ...Analog Computers, Filtration, Joints-fractures, Mathematical Analysis, Model Studies, ...4.0018

SEDIMENTATION AND CONTAMINANT CRITERIA FOR WATER RESOURCES PLANNING AND MANAGEMENT ...Dispersion -water, Management, Planning, Pollutants - Path of, Sediment Yield, Watersheds-general, ...4.0066

SUBJECT INDEX

RECENT VARIATIONS IN COURSE AND REGIMEN, KANSAS RIVER AND NEARBY REACHES OF MISSOURI RIVER ...Floodplains, Geomorphology-general, Kansas, Meanders, ...2.0503

A COHERENT-AREA STUDY OF SOUTHERN LAKE MICHIGAN ...Bioindicators, Chemical Identification, Eutrophication, Lake Michigan, Weather Modification-other, ...5.0547

LAKE ERIE ENVIRONMENTAL STUDIES PROGRAM ...Biological, Biological-general, Chemical, Chemical-general, Deltas, Eutrophication, Lake Erie, Meteorological Studies-general, Monitoring (long Term Studies), Physical-general, ...2.0783

HYDRAULICS AND DYNAMICS OF ESTUARIES ...Erosion-general, Estuaries, Flow Characteristics -water, Water Level Fluctuation, Waves, ...2.0261

GENERAL EVALUATION OF SOIL AND MOISTURE CONSERVATION TREATMENT PRACTICES ...Conservation-general, Engineering Structures-general, Erosion-general, Runoff, Soil Environment, ...2.0185

FLUVIAL SEDIMENTATION IN STONY BROOK WATERSHED ...Gaging, Peak Flow, Runoff, Small Watersheds, Total Volume, ...2.0766

SEDIMENT PROCEDURES DEVELOPMENT AND RESERVOIR SEDIMENTATION ...Channels, Engineering Structures-general, Reservoirs and Impoundments, Sediment Transport-other, Sediment Yield, ...6.0089

INVENTORY OF THE GULF ESTUARY SYSTEM ...Bays, Data Acquisition-general, Estuaries, Fishing, Gulf of Mexico, ...2.0322

ESTUARINE INVENTORY (FORMERLY CHEMICAL ENVIRONMENT) ...Estuaries, Florida, Gulf of Mexico, Marine Biology, Physiography-general, ...2.0325

IMPROVEMENT OF WATER YIELDS AND SOIL STABILIZATION IN THE BLACK HILLS ...Erosion-general, Flow Characteristics -water, Forest Watersheds, Management, Stabilization-other, Water Yield, ...3.0436

Seepage

DEVELOPMENT OF A PRACTICAL METHOD OF LOCATING AND TRACING SEEPAGE WATER IN UNSTABLE SLOPES ...Electric Logging, Kentucky, Land and Rock Slides, Loss, Slopes, ...2.0519

STORM WATER INFLOW ...District of Columbia, Drainage, Forecasting-prediction, Storm Water, ...2.0307

HYDROLOGIC MODELS FOR PREDICTING THE EFFECTS OF URBANIZATION ...Groundwater Movement, Land Use, Model Studies, Moisture Content, Surface Flow, Urban Environments, ...2.0913

HYDRODYNAMIC FORCES ON NON-COHESIVE BED PARTICLES INCLUDING SEEPAGE ...Drag, ...2.1079

SURFACE WATER MANAGEMENT ...Channels, Forest Watersheds, Hydrographs, Mountains-alpine, Soil-water-plant Relationships, ...4.0060

SMALL RESERVOIR SEALING ...Linings-pavings, Sealant Materials, ...8.0288

WELL DRAWDOWN IN UNCONFINED AQUIFERS UNDER NON-STeady CONDITIONS ...Aquifers-other, Drawdown, Flow Characteristics -water, Unsteady Flow, Water Wells, ...2.0862

EFFECTS OF GROUNDWATER SEEPAGE ON STREAM REGIMEN ...Baseflow, Flume Studies, Groundwater, North Dakota, Suspension, ...2.0832

WATER BALANCE IN SEWAGE STABILIZATION LAGOONS ...Industrial Wastes, Organic Matter, Sewage Lagoons, Water Balance-budget, Water Quality-general, ...5.0833

GROUND WATER SEEPAGE PATTERNS TO WELLS FOR UNCONFINED FLOW ...Approximations, Flow Characteristics -water, Groundwater, ...2.0478

THE EFFECT OF A PERMEABLE BED ON SEDIMENT MOTION ...Channels, Permeability, Sediment Transport-general, Slopes, ...2.0353

EFFECTS OF BANK SEEPAGE ON FLOOD HYDROGRAPHS ...Floods, Hydrographs, Leakage, Storage of Water, Stream Banks, ...2.0504

INVESTIGATION OF SEEPAGE REDUCTION BY NATURAL PROCESSES IN IRRIGATION CANALS ...Canals, Irrigation-general, Linings-pavings, Soil Environment, Tensiometer, ...3.0207

UNSTEADY FLOW TOWARD PARTIALLY PENETRATING ARTESIAN WELLS ...Artesian Flow, Groundwater Movement, Mathematical Analysis, Unsteady, Unsteady Flow, ...2.0522

FLOW OF WATER INTO TILE DRAINS ON STRATIFIED SOILS ...Drainage Systems, Laplace Transform, Percolation, ...2.0486

SUBJECT INDEX

Seismology

SIMULTANEOUS FLOW OF WATER AND HEAT IN WATER-UNSATURATED IOWA SOILS DURING EVAPORATION ...Density, Iowa, Layered System, Moisture Content, Thermal Properties-general, ...2.0479

DEEP SEEPAGE ON PIEDMONT WATERSHEDS ...Percolation, Physical Properties-general, Piedmont Province, Saturated Flow, Unsaturated Flow, Water Table Fluctuation, ...2.0955

DISPERSION DURING FLOW IN HETEROGENEOUS POROUS MEDIA ...Differential Equations General, Dispersion -water, Model Studies, Porous Media - Flow Through, Statistical Models, ...5.0394

NORTH FORK ALLUVIAL DECONTAMINATION PROJECT ...Artificial Recharge, Brines, Petroleum Industry, Surface Water, Texas, ...5.1145

FACTORS INFLUENCING THE FLOW OF SUBSOIL WATER IN THE IMMEDIATE PROXIMITY OF, AND INTO DRAINAGE FACILITIES ...Capillarity, Drainage Systems, Grain Size and Distribution, Methods, Model Studies, ...2.0212

EFFECT OF EXTERNAL AIR PRESSURE ON LIQUID FLOW THROUGH A POROUS MEDIUM ...Canals, Model Studies, Permeability, Physical Properties -other, Pressure-density, ...2.0392

FACTORS INFLUENCING THE FLOW OF SUBSOIL WATER IN THE IMMEDIATE PROXIMITY OF AND INTO DRAINAGE FACILITIES ...Design Criteria, Drainage Systems, Flow Characteristics -water, Model Studies, Other, ...4.0088

INVESTIGATION OF WATER STORAGE AND MOVEMENT IN SOILS ...Moisture Content, Permeability, Porous Media - Flow Through, Saturated-unsaturated, Storage of Water, ...2.0433

DRAINAGE DESIGN FOR IRRIGATION AGRICULTURE ...Aquifers-general, Artesian Flow, Conjunctive Use, Groundwater Movement, Water Wells, ...4.0165

FACTORS INFLUENCING THE FLOW OF SUBSOIL WATER IN THE IMMEDIATE PROXIMITY OF AND INTO DRAINAGE FACILITIES ...Design Criteria, Drainage Systems, Filters, Other, Permeability, ...4.0200

DESIGN OF OPEN CHANNELS TO PREVENT BANK FAILURE ...Piezometers, Subsurface Flow, ...4.0253

FLOW THROUGH ANISOTROPIC LAYERED MEDIA ...Finite Differences, Matrix Methods, Permeability, Porous Media - Flow Through, Recharge -general, ...2.0355

SURFACE WATER STORAGE AND SUPPLY ON FARMS IN THE COASTAL PLAINS ...Evaporation, Farm Pond, Leakage, Storage of Water, Surface Water, Water Loss Control, ...3.0196

RADIONUCLIDE MOVEMENT IN GROUNDWATER ...Flow Characteristics -water, Groundwater Movement, Pollutants - Path of, Radioactivity-general, Radioisotopes, ...5.1099

PROTOTYPE ANALYSIS-STRUCTURAL BEHAVIOR ...Gravity Dams, Mass, Ohio River, Piezometers, Uplift, ...8.0149

HYDROLOGY OF PRAIRIE POTHOLE ...Management -other, North Dakota, Potholes, Water Balance-budget, Water Fowl, N.S., Water Utilization -animal, ...2.0170

HYDROLOGY OF THE SAVANNAH RIVER PLANT, SOUTH CAROLINA --BEDROCK WASTE STORAGE EXPLORATION - HYDROLOGY OF COASTAL PLAIN SEDIMENTS (ABBREV) ...Clastic Aquifers, Coastal Plain, Crystalline Aquifers, Hydrology-general, Underground Waste Disposal, ...5.1108

INFLUENCES OF WATER-SEEPAGE CHARACTERISTICS ON THE COMPOSITION OF EXCHANGEABLE PORE-WATER SOLUTES ...Clay Minerals-general, Exchange Capacity, Groundwater, Moisture Content, Water Quality-general, ...2.0126

SURFACE FACILITIES FOR DISPOSAL OF DESALTING PLANT EFFLUENTS ...Desalination Wastes, Disposal Wastes, Waste Disposal-general, Waste Treatment-economics, ...3.0112

PROTECTION OF ERODIBLE CHANNELS AND SURFACES WITH GRAVEL OR RIPRAP ...Canals, Channels, Energy Loss -water, Engineering Structures-general, Flow Characteristics -water, Groundwater, Linings-pavings, Scouring, ...8.0040

EVALUATION OF CANAL SEALANTS -OPEN AND CLOSED CONDUCT RESEARCH PROGRAM ...Canals, Dam, Canal, Flume Studies, Sealant Materials, Soil Environment, ...8.0085

EVALUATION AND CONTROL OF SEEPAGE FROM WATER STORAGE AND CONVEYANCE STRUCTURES ...Lining, Models, Preventive Measures, Storage of Water, Water Loss Control, ...8.0002

DEVELOPMENT AND EVALUATION OF SURFACE AND SUB-SURFACE DRAINAGE PRACTICES ...Drainage, Interception, Piezometers, Subsurface Flow, Surface Flow, ...4.0132

CONTROL OF SEEPAGE FROM WATER CONVEYANCE AND STORAGE STRUCTURES IN THE INTER-MOUNTAIN AREA ...Film, Linings-pavings, Storage of Water, Water Loss Control, Water Transfer, ...8.0291

CONTROL OF SEEPAGE FROM CANALS AND STORAGE PONDS IN NEVADA ...Bentonite, Canals, Linings-pavings, Water Loss Control, ...8.0263

Force

FLUCTUATION OF RESERVOIR LEVELS AND THE RELATED CAUSE OF LANDSLIDES (THE OHIO RIVER VALLEY) ...Land and Rock Slides, Reservoirs and Impoundments, Slopes, Soil Stability Analysis, Water Level Fluctuation, ...8.0191

FLOW LAWS FOR THE MOVEMENT OF WATER IN SOILS ...Non - Newtonian, Porous Media - Flow Through, ...2.0470

Infiltration

THE EFFECT OF SALTS APPLIED TO HIGHWAYS ON THE INFILTRATION AND PERCOLATION OF WATER THROUGH THE SOILS BANDING HIGHWAYS ...Chloride, Pollutants - Path of, Snow and Ice Removal, Sodium, Soil Chemical Properties, ...5.0471

Loss

DEVELOPMENT OF A PRACTICAL METHOD OF LOCATING AND TRACING SEEPAGE WATER IN UNSTABLE SLOPES ...Electric Logging, Kentucky, Land and Rock Slides, Seepage, Slopes, ...2.0519

DEVELOPING RESERVOIRS FOR SUPPLEMENTAL IRRIGATION ...Leakage, Linings-pavings, Reservoirs, Seepage, Water Loss Control, ...3.0302

STUDIES OF EQUATIONS FOR SEEPAGE LOSS FROM CANALS ...Canals, Lining, Open Channel, Permeability, Soil Test - Insitu, ...8.0129

Preventive Measures

EVALUATION AND CONTROL OF SEEPAGE FROM WATER STORAGE AND CONVEYANCE STRUCTURES ...Lining, Models, Seepage, Storage of Water, Water Loss Control, ...8.0002

Seiches

CRITERIA FOR THE DESIGN OF SMALL CRAFT HARBORS ...Breakwaters, Coastal Engineering-other, Harbors, Marinas, Waves, ...2.0133

GREAT LAKES RESEARCH - WATER-LEVEL DISTURBANCES ...Lake Erie, Lake Michigan, Model Studies, Tides, Water Level Fluctuation, ...2.0640

Seismic

Seismographs

THICKNESS OF SOIL SOLUM AS A PARAMETER OF PLANT-AVAILABLE WATER STORAGE CAPACITY IN SOILS UNDERLAIN BY CARBONATE ROCKS ...Chert, Interception, Limestone - General, Soil Environment, Storage of Water, ...2.0699

SEISMICITY OF FAULTS - ENGINEERING GEOLOGIC EVALUATION ...Earthquakes, Engineering Structures-general, Faults, Geology - Engineering, Microseisms - Background, ...8.0057

Seismology

Application

Nuclear Explosion

SANITATION, WASTE DISPOSAL AND PEST AND VECTOR CONTROL ...Pollution - Effects of, Radioactive Fallout, Radiologic Warfare, Requirement, Sewage, Urban Environments, ...5.0059

RESEARCH TO DETERMINE THE FEASIBILITY OF NUCLEAR EXCAVATION ...Excavation, Geology - Engineering, Nuclear Excavation, ...2.0102

POTENTIAL APPLICATIONS OF NUCLEAR EXPLOSIVES IN WATER RESOURCE DEVELOPMENT ...Economics-general, Hydrology-general, Nuclear Excavation, Water Law-general, Water Resources Development, ...3.0067

HYDROLOGIC STUDIES LEADING TO SITE UTILIZATION ...Adsorption Capacity, Groundwater, Hydrology-general, Pollutants - Path of, Radioactivity-underground Test, Sediment Transport-other, ...3.0134

Seismology

SUBJECT INDEX

Structure Location

SEISMIC EVALUATION OF PERMEABILITY OF FRACTURE ZONES IN ROCK ...Aquifers-general, Joints-fractures, Permeability, Southwest, Tunnels, Water Yield, ...**3.0017**

STATE GRAVITY SURVEY ...Gravity, Gravity Surveys, Illinois, Seismic Reflection, Structural Analysis, ...**7.0035**

ULTRASONIC TESTING OF ROCK AND CONCRETE ...Attenuation, Cement, Concrete, Consolidated Material, Ultrasonic and Sonic, Ultrasonics, ...**8.0116**

Exploration Methods

Seismic Reflection

STATE GRAVITY SURVEY ...Gravity, Gravity Surveys, Illinois, Structural Analysis, Structure Location, ...**7.0035**

Seismic Refraction

GEOPHYSICAL INVESTIGATIONS IN ALLUVIAL BASINS IN SOUTHERN ARIZONA ...Arizona, Electric Logging, Gravity Surveys, Hydrology-general, ...**2.0062**

Seismic Surveys

GEOHERMAL INVESTIGATIONS - YELLOWSTONE PARK ...Gravity Surveys, Hot Springs, Magnetic Surveys, Satellites, Terrain Analysis, Yellowstone Plateau, ...**6.0147**

GEOPHYSICAL EXPLORATION FOR HAWAIIAN GROUND WATER - PHASE II ...Electric Logging, Electromagnetic Probing, Geophysical Analysis, Groundwater, Hawaii, ...**2.0371**

GEOPHYSICAL EXPLORATION FOR HAWAIIAN GROUND WATER - PHASE III ...Electric Logging, Geophysical Analysis, Groundwater, Hawaii, Volcanoes, ...**2.0369**

SEASONAL SHALLOW STORAGE AND DEEP SEEPAGE COMPONENTS FOR THE HYDROLOGIC BUDGET OF A SMALL FORESTED OZARK WATERSHED ...Amount, Forest Watersheds, Groundwater Movement, Missouri, Storage of Water, ...**2.0700**

Generation Mechanisms

Earthquakes

RESTORATION AND REHABILITATION OF EARTHQUAKE DAMAGED PINK AND CHUM SALMON STUDIES IN PRINCE WILLIAM SOUND ...Alaska, Aquatic Ecology, Data Acquisition-general, Flow Characteristics -water, Salmon - coho, chinook, sockeye..., Spawn Or Nesting Sites, Stream Rehabilitation, Tectonics-general, ...**2.0026**

STUDY OF LIQUEFACTION OF SATURATED SANDS ...India, Sand, Saturated-unsaturated, Soil Dynamics, Soil Liquefaction, ...**8.0184**

LIQUEFACTION STUDIES OF TENUGHAT DAM SAND ...India, Pore Water, Sand, Soil Dynamics, Soil Liquefaction, Soil Settlements, ...**8.0185**

LIQUEFACTION STUDIES OF UKAI DAM SAND ...Dams, India, Sand, Soil Dynamics, Soil Liquefaction, ...**8.0186**

MECHANICS OF GROUND-WATER FLOW ...Aquifers-general, Artificial Recharge, Groundwater Basins, Groundwater Movement, Water Table Fluctuation, ...**2.1093**

EARTH AND ROCKFILL DAM DESIGN PRACTICES ...Dams, Design Criteria, Earth & Rockfill Dams, Engineering Structures-general, Soil Stability Analysis, ...**8.0137**

STRUCTURAL RESPONSE, DYNAMIC LOADS ...Computers-general, Dynamic-other, Electric Power Plants, Industrial Structures, Other Computers, Rock Mechanics, ...**8.0032**

BEHAVIOR OF STRUCTURAL ELEMENTS OR MODELS UNDER TEMPERATURE AND DYNAMIC LOADS ...Dynamic-other, Engineering Structures-general, Mechanical Vibrations-other, Model Studies, Structures-other, ...**8.0100**

STABILITY OF EARTH SLOPES ...Dams, Open Channel, Pore Water, Slopes, Soil Stability Analysis, ...**8.0071**

SEISMICITY OF FAULTS - ENGINEERING GEOLOGIC EVALUATION ...Engineering Structures-general, Faults, Geology - Engineering, Microseisms - Background, Seismographs, ...**8.0057**

EFFECTS OF EARTHQUAKES ON SOIL PERFORMANCE ...Foundations-general, Pore Water, Soil Dynamics, Soil Liquefaction, Triaxial, ...**8.0061**

EARTHQUAKE THEORY AS APPLIED TO DAMS AND APPURTENANT STRUCTURES ...Arch Dams, California, Dynamic-other, Engineering Structures-general, ...**8.0096**

Ultrasonics

ULTRASONIC TESTING OF ROCK AND CONCRETE ...Attenuation, Cement, Concrete, Consolidated Material, Structure Location, Ultrasonic and Sonic, ...**8.0116**

Stress-strain Relation

Earth Tides

GROUND WATER RESERVOIR RESPONSE TO EARTH TIDES ...Aquifers-general, Geophysical Analysis, Porosity, Storage of Water, Water Table Fluctuation, ...**2.1108**

Microseisms - Background

SEISMICITY OF FAULTS - ENGINEERING GEOLOGIC EVALUATION ...Earthquakes, Engineering Structures-general, Faults, Geology - Engineering, Seismographs, ...**8.0057**

Wave Characteristics

Attenuation

ULTRASONIC TESTING OF ROCK AND CONCRETE ...Cement, Concrete, Consolidated Material, Structure Location, Ultrasonic and Sonic, Ultrasonics, ...**8.0116**

Velocity

APPLICATION OF SEISMIC SHEAR WAVE STUDIES TO THE INVESTIGATION OF AQUIFERS ...Aquifers-general, Geophysical Analysis, Lithology, Shear, Technique Development, ...**4.0137**

Wave Propagation Media

Consolidated Material

ULTRASONIC TESTING OF ROCK AND CONCRETE ...Attenuation, Cement, Concrete, Structure Location, Ultrasonic and Sonic, Ultrasonics, ...**8.0116**

Wave Types

Shear

APPLICATION OF SEISMIC SHEAR WAVE STUDIES TO THE INVESTIGATION OF AQUIFERS ...Aquifers-general, Geophysical Analysis, Lithology, Technique Development, Velocity, ...**4.0137**

Sensory Organs

Chemoreceptors

UPTAKE OF ORGANIC COMPOUNDS BY MARINE INVERTEBRATES ...Amino Acids, Amino Acids -non-specific, Invertebrates -non-specific, Marine Biology, Metabolism, Nutrition - Invertebrate, Pulse-labelling, ...**6.0058**

Deafness and Hearing Loss

Conduction

RELATION OF SWIMMING WATER QUALITY TO THE OCCURRENCE OF EAR INFECTIONS ...Detection, Pollution-water, ...**5.0588**

Taste

THE ACCEPTABILITY OF MINERAL TASTE IN DOMESTIC WATER ...California, Mineralization, Potable Water, Water Utilization -domestic, ...**5.0068**

Visual

THE EFFECTS OF DIELDRIN ON MALLARD DUCKLING BEHAVIOR ...Behavior -animal, Dieldrin, Light Quality -non-specific, Mallard, Mode of Action -animal, ...**6.0580**

Separation

Centrifugation

BIOLOGICAL TREATMENT PILOT PLANT AND SLUDGE DISPOSAL FACILITY ...Biological Treatment-other, Disposal, Drying-dewatering, Filter-other, Thickening, Waste Treatment-economics, ...**5.1006**

Coagulation

CHARACTERIZATION AND REMOVAL OF REFRACTORY COLOR COLLOIDS FROM HAWAIIAN SURFACE WATERS

SUBJECT INDEX

Separation

...Colloidal Phenomena, Color, Hawaii, Polyelectrolytes, Potable Water, Zeta Potential, ...5.0310

VIRUS REMOVAL BY CHEMICAL FLOCCULATION ...Aluminum, Complexing, Flocculation, Viral Pollutant Sources, Virus, ...5.0364

ENHANCEMENT OF WATER QUALITY USING FOREST DERIVED COAGULATING SYSTEMS ...Alcohols, Aldehydes, Condensation, Heterocyclics-other, Industrial Processes-other, Pulp, Paper, and Logging, ...5.1255

COLOR REMOVAL FROM TEXTILE DYE WASTES BY COAGULATION ...Biochemical Oxygen Demand, Color, Dye Wastes, Sulfur, Textile Wastes, ...5.0007

FLOCCULATION OF COLLOIDS WITH POLYELECTROLYTES IN AQUEOUS SALT SOLUTIONS ...Adsorption-general, Colloidal Phenomena, Flocculation, Polyelectrolytes, Salinity, ...5.1065

THE REMOVAL OF IMPURITIES IN TRICKLING FILTER EFFLUENTS ...Colloidal Phenomena, Other, Secondary Treatment, Tertiary Treatment, Trickling, ...5.1106

INTERACTIONS OF SILICA WITH IRON AND ALUMINUM ...Aluminum, Analysis and Detection, Complexing, Iron, Water Treatment -- General, ...5.0557

DESIGN REQUIREMENTS FOR MUNICIPAL DIATOMITE FILTERS ...Bacteria, Clay Minerals-general, Diatomite, Filtration, Waste Treatment-economics, ...8.0197

FLOC STRENGTH AND FILTERABILITY OF PRE-TREATED WATER ...Filtration, Flocculation, Pilot Plant, Sand, Waste Water Pre-treatment, ...5.0061

CHEMICAL CHARACTERISTICS OF ORGANIC COLOR IN WATER ...Chemical Analysis, Depolymerization, Dyes and Coloring, Hydrolysis, Other, ...5.1259

THE USE OF ORGANIC POLYELECTROLYTES FOR OPERATIONAL IMPROVEMENT OF WASTE TREATMENT PROCESSES ...Activated, Polyelectrolytes, Waste Treatment-economics, ...5.0868

RECOVERY & REUSE OF LIME AS A COAGULANT IN TERTIARY TREAT & NITROGEN REMOVAL FROM TERTIARY TREATED EFFLUENT ...Concentration, Denitrification, Disposal, Material Recovery Wastes, Tertiary Treatment, ...5.0160

TERTIARY TREATMENT BY FLOCCULATION AND RAPID SAND FILTRATION ...Flocculation, Rapid, Sand, Tertiary Treatment, Trickling, ...5.0891

A COMPLETE RECYCLE WASTE WATER TREATMENT PLANT ...Activated, Biological Treatment-other, Sedimentation, Trickling, Water Reuse, ...5.1165

STORM SEWER TREATMENT BY A SELF-CLEANING STRAINER, FILTER CONCEPT ...Adsorption-absorption-general, Combined Sewer, Filter-other, ...5.1078

USE OF COAGULATION IN THE FLOTATION OF WASTE-WATER ...Biochemical Oxygen Demand, Flotation, Industrial Wastes, Oil - Technological Testing, Primary Treatment, ...5.0338

ROCK CREEK PARK CLARIFICATION PROJECT ...Chlorination, District of Columbia, Polyelectrolytes, Sediments, Streams, ...4.0044

PROCESS TO REMOVE CARBONACEOUS, AND PHOSPHORUS-MATERIALS FROM ANAEROBIC DIGESTER SUPERNATANT AND RELATED PROCESS STREAMS ...Anaerobic, Denitrification, Lime Treatment, Organics, Phosphate, Phosphite, ...5.0156

TREATMENT OF WASTE WATER - WASTE OIL MIXTURE ...Disposal, Emulsion, Flocculation, Flotation, Process Design, ...5.0898

TREATMENT OF ACID RINSE WATERS ...Aeration, Iron, Lime Treatment, Metal Pickling Wastes, Treatment-adsorption, Water Standards, ...5.0899

ADVANCED WASTEWATER TREATMENT USING POWDERED ACTIVATED CARBON IN RECIRCULATING SLURRY CONTACTOR-CLARIFIERS ...Activated, Activated Carbon, Selective-removal, ...5.0042

DEVELOPMENT OF A MATHEMATICAL MODEL FOR SEPARATION COAGULATION AND SEDIMENTATION PROCESS USING ADDITION OF CHEMICALS ...Lime Treatment, Model Studies, Process Design, Sedimentation, Waste Treatment-economics, ...5.0343

TREATMENT OF WATER FROM SMALL RESERVOIRS FOR DOMESTIC CONSUMPTION ...Filter-other, Streaming Potential, Water Utilization -domestic, ...5.0397

FILTRATION OF AQUEOUS EFFLUENTS CARRYING EMULSIFIED OILS ...Effluents-waste Water, Emulsion, Filter-other, Oil - Technological Testing, ...1.0008

HIGH-RATE, MULTIPLE MEDIUM FILTRATION FOR SECONDARY TREATMENT OF MUNICIPAL WASTE WATER ...Digestion, Effluent-standards, Filtration, Secondary Treatment, Waste Treatment-economics, ...5.1042

NUTRIENT REMOVAL IN A WATER TREATMENT PLANT ...Biological Treatment-other, Denitrification, Flocculation, Nutrients, Potable Water, Sand, ...5.0355

CW-BW WATER DECONTAMINATION SET ...Chlorination, Filtration, Potable Water, ...5.1214

COAGULANT DOSAGE TEST KIT ...Potable, Potable Water, ...5.1218

EUTROPHICATION - REMOVAL OF NUTRIENTS - SHAGAWA LAKE ...Activated Carbon, Eutrophication, Ion Exchange-other, Nutrients, Sediments, Tertiary Treatment, Trickling, ...5.0594

SUSPENDED AND COLLOIDAL SOLIDS REMOVAL--SOLIDS SEPARATION BY CHEMICAL TREATMENT AND FILTRATION ...Colloidal Phenomena, Emulsion, Filter-other, Membranes-other, Separation-general, ...5.0854

DISSOLVED REFRACTORY ORGANIC REMOVAL -- CARBON AS AN ADSORBENT AND FILTER MEDIUM ...Activated Carbon, Filter-other, Loading, Organic-general, Organics, ...5.0860

PLUTONIUM REMOVAL IN WATER TREATMENT ...Carbon, Chlorination, Flocculation, Plutonium, Sand, ...5.1019

PARTICULATE-ORGANIC EFFECT - SENSORY QUALITY OF WATER ...Adsorption-other, Colloidal Phenomena, Organic Matter, Potable Water, Taste and Odor, Waste Water Treatment-other, ...5.1013

Dialysis

RESEARCH ON PIEZODIALYSIS ...Desalination, High, Mosaic, ...3.0291

MODIFICATION OF PROTEIN FILMS FOR USE IN DESALINATION ...Desalination, Membranes-other, Natural Occurring, Polyvinyls-other, Reverse Osmosis, ...3.0269

Filtration

MARINE OIL-WATER SEPARATION SYSTEM SUBGROUP V ...Petroleum Chemistry, Removal-organics, Ship Wastes, ...5.0209

THE CONTROL OF SCALING ON HEAT TRANSFER SURFACES BY DIRECT CONTACT WITH A FLUIDIZED BED OF GRANULAR MATERIAL ...Desalination, Distilling Units, Fluidized Bed, Heat-transfer-other, Scale Formation, ...3.0370

STRUCTURE OF SEMIPERMEABLE POLYMER FILMS AND ITS EFFECT ON SALT REJECTION ...Additives, Desalination, Membranes-other, Molecular Weight Distribution, Morphology-other, ...3.0414

FLOC STRENGTH AND FILTERABILITY OF PRE-TREATED WATER ...Coagulation, Flocculation, Pilot Plant, Sand, Waste Water Pre-treatment, ...5.0061

VACUUM FILTRATION OF SEWAGE SLUDGE ...Filter-other, Sludge-other, Vacuum, ...5.0175

DEVELOP DESIGN DATA FOR LIGHT WEIGHT WATER PURIFICATION UNIT ...Mobile, Potable, Potable Water, Technique Development, Waste Water Treatment-other, ...8.0297

QUANTITATIVE DETECTION OF SMALL AMOUNTS OF VIRUSES IN LARGE VOLUMES OF WATER ...Analysis and Detection, Concentration, Detectors and Sensors, Membranes-other, Virus, ...5.0842

IDENTIFICATION OF NATURAL AND SYNTHETIC ORGANIC COMPOUNDS IN RAW AND TREATED MUNICIPAL WASTES ...Chromatography-other, Organics-general, Purification-general, Separation-general, Tertiary Treatment, ...5.0847

Flocculation

WHITE WATER CLARIFICATION AND REUSE ...Electrokinetic-other, Natural Occurring, Pulp and Paper Wastes, Waste Treatment-economics, Water Reuse, ...5.0334

MICROFLOTATION AND FLOCCULATION OF NATURAL COLLOIDAL SYSTEMS ...Adsorption, Colloidal Phenomena, Electrochemistry-other, Flotation, Microbial-bacterial, ...5.0790

IMPROVEMENT OF QUALITY OF WATER RESOURCES BY A THREE-FOLD ATTACK - ADSORPTION, SEDIMENTATION AND MIXING ...Adsorption, Adsorption Capacity, Aquatic Ecology, Pollution Abatement, Sedimentation, ...5.0502

VIRUS REMOVAL BY CHEMICAL FLOCCULATION ...Aluminum, Coagulation, Complexing, Viral Pollutant Sources, Virus, ...5.0364

WATER QUALITY CONTROL WITH SYNTHETIC POLYMERIC FLOCCULANTS ...Activated, Bacteria, Bacterial Pollutant Sources, Organic, Water Quality Control-general, ...5.0221

Separation

- AN ATTEMPT TO DETECT HIGHLY DILUTED VIRUSES IN WATERS BY FLOCCULATION ...Assay, Biochemical Oxygen Demand, Precipitation & Sedimentation, Sewage, Viral Pollutant Sources, ...4.0139
- FLOCCULATION OF COLLOIDS WITH POLYELECTROLYTES IN AQUEOUS SALT SOLUTIONS ...Adsorption-general, Coagulation, Colloidal Phenomena, Polyelectrolytes, Salinity, ...5.1065
- LUXURY METABOLIC STORAGE OF PHOSPHORUS IN THE ACTIVATED SLUDGE FLOC ...Activated, Adsorption-absorption-other, Nutrients, Phosphorus, Waste Water Treatment-general, ...5.1318
- THE EFFECTIVENESS OF CONTACT FILTER FOR THE REMOVAL OF IRON FROM GROUND WATER ...Filtration, Groundwater, Oxidation-other, Sand, ...2.0021
- ORTHOKINETIC FLOCCULATION OF HETERODISPERSED SYSTEMS ...Digestive Tanks, Mechanical Device Treatment, Precipitation, Turbulent, ...5.0067
- FLOC STRENGTH AND FILTERABILITY OF PRE-TREATED WATER ...Coagulation, Filtration, Pilot Plant, Sand, Waste Water Pre-treatment, ...5.0061
- OXYGEN CONSUMPTION IN CONTINUOUS BIOLOGICAL CULTURE ...Activated, Aeration, Bacteria, Nutrition, ...5.0424
- DEMONSTRATION PROJECT OF A PROTOTYPE TREATMENT PLANT DESIGNED TREAT WASTES FOUND AT A COMBINED SEWER OVERFLOW ...Combined Sewer, Flotation, Process Design, Screening, ...5.0923
- ANTELOPE VALLEY WASTE WATER RECLAMATION FACILITY ...Chemical Treatment, Effluent-standards, Filter-other, Pond, Use of Impaired Water, ...5.0108
- FULL SCALE RAW WASTE WATER FLOCCULATION ...Pollutant Removal-general, Polyelectrolytes, Sedimentation, Sewage Treatment Plant, ...5.0244
- TERTIARY TREATMENT BY FLOCCULATION AND RAPID SAND FILTRATION ...Coagulation, Rapid, Sand, Tertiary Treatment, Trickling, ...5.0891
- TERTIARY TREATMENT IN THE PURIFICATION OF WASTE WATER ...Activated, Denitrification, Soil, Tertiary Treatment, Trickling, ...5.0113
- MULTILAYER FILTRATION ...Filter-other, Hydroxyl, Other, Sand, Waste Water Treatment-general, ...5.1187
